## THE EDITOR'S NOTEBOOK

The importance and popularity of clay pigeon shooting as a national pastime has never been better exemplified than during the recent Association Champion of Champions Cup and International meeting at East Burwood (Victoria).

Included were competitors from all Eastern Australian States, from as far north as Townsville, and as far south as Hobart. During the series no fewer than 220 guns took part. An all time record for any type of trap shooting in Australia.

The spectacular individual efforts of H. R. Donelly (Bruthen) and J. A. McCraith (Essendon) were worthy of the great occasion and those privileged to see these fine shooters in action will long remember their sterling performances. Donelly and McCraith, collectively, had 300 clay pigeons released to them in the two major events, they missed only nine birds out of the aggregation. In the Champion of Champions Cup, Donelly stopped 49/50 and McCraith 48/50, whilst in the International contest McCraith grassed 98/100 and Donelly 96/100-such scores have seldom been

> The Association will hold its final shoot for the season on King's Birthday Holiday, June 14th on the Blackburn Club's grounds at East Burwood—ground use again by kind permission of the Club.

> The two main events will be the revival of the important pre-war "Intermediate Championship"-a 20 bird championship contest restricted to shooters whose Association handicap does not exceed 16 yards. This will be followed by a £100 Handicap for Association registered shooters. The winner will receive £40 in cash plus a trophy valued at 12/10/-. Association official handicaps will be in use throughout. During the shooting of the Intermediate Championship, in the forenoon, provision has been made for back-markers to enjoy a series of sweepstake events. The £100 Handicap will follow after lunch.

Mr. Grosvenor's articles in this publication have won Commonwealth wide interest and approval. # **SUNDAY** SHOOTING

Many New South Wales Clubs are unhappy about the restrictions placed upon the holding of properly organised clay pigeon shoots on Sunday. Secretary, Les O'Donaghue of the Bathurst Club, has forwarded the following letter—

"I am forwarding you copy of a circular which our Club has distributed to clay pigeon shooting clubs throughout N.S.W. in the hope of having this antiquated law amended. We would be very grateful if you would endeavour to give this matter a little publicity through Association "News," hoping that it will create similar interest in other States."

subject individually take same up with your local Member of Parliament. "The Bathurst Club, after careful consideration, has decided to make an effort, along with the cooperation of all gun shooters and gun clubs throughout N.S.W., to have the Act amended to allow Sunday shooting. This means taking into consideration the Police Offence Act No. 5 of 1901, Section 19, prohibiting the use of firearms on Sunday.

on Sunday. "With this object in view, we are circulating throughout the State a copy of the proposed amendment, with the request that Officials of each Club, and individuals, make representation to their State Member of Parliament, and that a copy of this proposed amendment be attached, with the request that it be given consideration, with the object of allowing Clay Pigeon Shooting Clubs, like all other Sporting Bodies ,to be legally entitled to enjoy their chosen sport on Sundays. ## Letters to the Editor . . .

The Editor,-The members of our club are always happy to receive the monthly issue of your excellent publication. We have been very much out of the news of late as far as shooting is concerned. In fact our club premises have seen very little use for several months. The reason, of course, is the shortage of cartridges. Two members set off recently for the single-barrel State Championship at Bathurst and report that the long journey was well worth the trip. This year we have been allocated the N.S.W. Mixed Birds Championship and expect to surprise some of our visitors with the excellence over the A.C.P.T.S.A. "News" and of our grounds and improvements. We read from time to time of the and widely representative collection fine premises of some of the N.S.W. of information and a very worthy ef-Clubs, but are proud to say that fort .-- H. G. BURROWS (Glen Iris, ours will stand with any of them. On Victoria).

behalf of this club I wish to extend best wishes to the Association and to all shooters. Yours sincerely-TOM BRADLEY (President, Coonobarabran G.C., N.S.W.).

Sir .- Congratulations on the publication of Association Shooting "News." It will do a lot towards binding members and clubs together, especially in the country areas. Good shooting for 1948.-COLIN J. CROSS (Curban, via Gilgandra, N.S.W.).

Sir .-- I certainly have a good scan consider that it is a very interesting

ATHERTON G. C. (Q.) .- John C. Goodfellow 4/5. No. 4, 5 pairs McDonald has taken over the secretarial reins at Atherton (Q.) from F. Gay. The club has applied for the North Oueensland Mixed Birds and North Queensland Deauville Doubles titles for 1948. These will be shot on dates to be fixed.

BARELLAN G. C. (N.S.W.) .- E. E. Alberts and Jack Semmler are the men behind the effort to reform the Barellan Club which has been in recess since early days of the war period. This was one of the pioneer organisations affiliated with the A.C.P.T.S.A. and it is hoped that Barellan will return to its former status. Cartridge supplies will govern the re-organisation details.

BERRIMA DIST. G. C. (Bowral, N.S.W.) .- The South Coast and Tablelands D.B. Championship will be shot at Wongabri Corner on December 11. Details will be advertised later in "News." The Club's monthly meeting report is that augmented membership is noted at every meeting. The Club's most recent shooting series brought shooters from Sydney, Goulburn, Wollongong and Bathurst. Secretary, W. A. Palmer, advises that his members prefer to shoot for trophies rather than cash, although all club events have an attached sweepstake. Sid Lamb, of Goulburn presented a special trophy for novices to be shot over three meetings. Results were-No. 1, 10 birds, D.B., div. S. Lamb (Goulburn) and J. Berry (Hornsby) 15/15. No. 2, 5 birds, div. A. Shepherd and M. Fuller 10/10. No. 3, Novice, S. Lamb Cup (first round), G. Robinson 5/5, Deauville Doubles, (16 yards), O. Sullivan and S. Lamb 21/21 pairs (back to 20 yards with gun down). No. 5, 10 birds S.B., A. Shepherd 19/20, S. Lamb 18/20.

BLACKBURN CLUB (V.) .- Due to the Blackburn Club's generous cooperation with the Association the club was restricted to one Saturday shoot during April. On the club's regular alternate Saturday the entire grounds were placed at the service of the A.C.P.T.S.A. for its big fixture. The main event was the Club's 1948 single-barrel Championship, shot at 15 releases from 16 yards. "Ingi" (Cliff Ingbritsen) and E. G. Biggs (Elsternwick) returned full scores of 15 straight. In the tie shoot Biggs was a little steadier and ran out the winner 20/20. "Ingi" missed his 19th and 20th birds-he was a little unfortunate to draw a nobird at the critical 19th and failed to cover the final two. Biggs held to a break of 25 straight for the dayall single barrel. W. R. (Bill) Bloom field (Sandringham) was third 14/15, and Bob. Meehan's 17/20 was the best of the forward markers. Other results were-No. 1, 5 birds, S.B. div. J. K. Venables, G. Biggs, "Ingi," Les. L. Schilling 5/5. No. 2, 5 birds, D.B. won by a new-comer to the sport. A. Lansell 24/24 from "Bendigo" (Harry Ceresa) 23/24. The Club's preliminary shoot to the big Association weekend meetings, held on April 23 attracted 68 shooters-many from other States. Jock Berry (Hornsby, N.S.W.) returned high-gun with 25 straight. Results were-(All 5 bird-

BREDBO (N.S.W.) .- A new club is expected to be formed when normal supplies are available at Bredbo (N.S.W.). A recent charity shoot was most successful. Thirty shooters taking part in the day's programme.

CAMBERWELL C. T. C. (V.) .-The Club 1948 Premier Title shot at 20 birds from 18 yards was won by the title holder, Roy Johns 32/35, after an animated struggle with Roy Longmore 31/35. Johns missed his 19th and Longmore his 18th over the original course of the event. The tie shoot showed the following figures, Longmore (shooting first), 2,0,1,2,0 -1,1,1,2,1 - 0,1,1,1,1 - 31/35, Johns, 1,1,0,1,0 - 1,1,1,1,1 - 1,2,1,1,1 - 32/35. Frank Brown's 18/20 was a clear third. "Gippsland" (Vic. Fraser) won the 15 yarders award 18/21, and H. Russell the 12/14 yarder's prize 16/20. A minor event at 5 birds was cut by Longmore, Vickers Heily (Club

President), Brown and Johns 8/8. The previous meeting was well attended and results were-No. 1. 5 birds, div. Perc. Willis, Les Schilling, J. K. Venables 5/5. No. 2, 10 birds points, V. Fraser 27/30, J. P. Vale 28/33, Ed. Wignell 28/33. 12/14 yarder, Venables 24/30. No. 3, 5 birds, D.B. div, H. Donelly (Bruthen), "Eskdale" (Bill Robinson) and Les Schilling 8/8. No. 4, miss out, div, Fraser, Haddow and "Doch-an-Doris" 4/4.

COBURG G. C. (V.) .-- Chief item of interest at Coburg fixtures during the month was the Commonwealth Double-rise Title which provided an outright win for "Santa" (S. McIntyre of Spotswood, Vict.), with the moderate score of 6/12 pairs. It was this shooter's first major title success and he was warmly congratulated. Fred Burns gained second place 10/21 pairs from "Peters" (Peter White) 9/21, after a tie shoot. "Wang" (Eric Wangeman) 7/18 was the best forward markers' effort. Other results were-No. 1, 3 pairs D.-rise, Reg Lyne 11/15. No. 2, 5 birds, D.B., W. F. Williams 9/9, J. J. Dawson 8/9. Novice spoon, A. Lansell. (Saturday 17th)-No. 1, 5 birds, S.B. div.

COOMA (N.S.W.).-Reformation of the Cooma Club is likely when cartridges become available. In prewar years Cooma had a first class club and good shoots were held there. A number of the club officials served with the Forces.

DENILIQUIN G. C. (N.S.W.) .-Deniliguin Club and its strong band of enthusiasts are not too happy in their allocation of weather conditions for championship meetings. At the big fixture in October indifferent weather prevailed and again last month when the club staged the Commonwealth Mixed Birds Championship it was unfortunate enough to strike the first real break since the summer and the autumn rains poured down unceasingly. In fact the weather was so severe that roads approaching Deniliquin were for a time water-logged and this had a detrimental affect on the total of entries.

I. Bardin and A. Lansell 7/7. No. 2, A big party from Hay (N.S.W.), headed by the local club's popular secretary, John Houston, was debarred from attending the second day of the meeting owing to about five inches of rain having fallen the previous night. Similarly a couple of car loads from Griffith could not attend The main event was the Commonwealth Mixed Birds Championship and the winner was the fine Dandenong sportsman, Frank Brown, whose total of 15/20 was a clear winner, G. Daly, the Deniliquin President, was runner-up, 13/20, and his brother Ted Daly third 12/20. The local shooters Fred Robertson and J. Howe tied for the forward mark prize. Daly was top scorer in a  $\pounds 50$  Handicap 19/20, and John Bryant (Jnr.), Frank Brown and John Houston (Hay) cut a £20 Handicap on the opening day.

> GILGANDRA G. C. (N.S.W.) .--The biggest clay pigeon shoot ever held in Western New South Wales was conducted by the Gilgandra Club last month. Nearly 50 shooters competed. Gross takings over two days amounted to over £500. Gilgandra Hospital, Public School Library and

**GOULBURN G. C.** (N.S.W.)—Sid. Lamb, founder of the club at Goulburn is setting about establishing a first class organisation in the big N.S.W. town. He has many young shooters, full of interest and shooting ability, ready to join up and as-

sist in club formation. Sid is expecting a good registration list for the Association.

HOBART G C. (T.).—Jack Brent broke the break record standing since 1939 at the last Hobart Club meeting. Brent's registration of 38 was one better than A. Nelson's 1939 total. Results were—No. 1, 5 birds, D.B., J. Brent 19/19, R. Pitt 18/19, K. Pulford 10/11, R. Redpath and W. McMaster 9/10. No. 2, 20 birds Handicap, C. Fleming 26/27, J. Brent 25/27, A. Smith 21/23, W. R. Morgan 20/23, Rex Powell (Cressy) 18/21. No. 4, miss out from 25 yards, J. Tyquin 4/4, M. Blake 3/4, R. Redpath 2/3. The Club's May programme appears in the advertising section.

HORNSBY G. C. (N.S.W.)—Bruce Hill has relinquished his position as Secretary at Hornsby and the position has been taken over by W. N. Fisher.

IRREWILLIPE G. C. (Vict.).— Les Black (Club Secretary), Don Corstorphan (Colac Secretary), Theo Norman (President at Colac) and C. Grist, were the main winners at the local shoot held last month. The fixture was the first for many months and a large muster of shooters and spectators attended. Mrs. L. Kelly supervised the refreshment arrangements.

LITHGOW (N.S.W.). — President J. J. Winchester at Lithgow extends hearty greetings from his Club to the Association. He adds that his Club (which has now re-affiliated with the Association) intends to shoot regularly as soon as ammunition becomes available. Skeet shooting is favoured at Lithgow and the Club intends sponsoring this type of competition. Mr. Winchester also sends along his compliments to the Holbrook Club where he recently competed and hopes to compete again.

MYERS FLAT G. C. (Vict.).)— Bill Santon, well known secretary at Myers Flat Club advises that his organisation intends introducing a modern down-the-line and skeet lay-out. In pre-war years some good clay pigeon shoots were held on these grounds and with a modern ground big events can be looked forward to in the future. The club has re-affiliated.

NHILL G. C. (Vict.).—Clay pigeon shooting in the Wimmera District (Victoria) will be revived when the Nhill Club shoots the two (double and single) Wimmera Championships on the local enclosure. L. G. Love (brother of the 1939 International high-gun shot Athol Love) is the Nhill Club secretary.

ROCKHAMPTON G. C. (Q.) .--An automatic trap has been installed at Rockhampton with a reinforced concrete trap house. It was used for the first time last month when the club conducted the single barrel Championship. Ken Moffat the club's efficient Secretary was returned winner 16/20, from J. Harris 14/20, and W. Black third. The latter won the trophy for the best 12 yard shooter, 14/20. B. Woolf and W. Black combined well to win the Deauville Doubles event 4/4 pairs. The shoot was most successful and members are looking forward to the June carnival.

SOLFERINO G. C. (N.S.W.).— Gordon Beaumont advises that the Solferino Gun Club has been reformed and will shortly apply for affiliation with the Association The district is right in the centre of the homes of many top ranking trapshots and a first class club will be assured as soon as "crackers" become more plentiful.

ST. JAMES G. C. (Vict.).—A big clay pigeon shooting event is listed on or about August 5 at St. James Club ground. This meeting will coincide with the big coursing events about the same period. The club has asked for an Executive member or two of the Association to be present —this will be arranged.

TASMANIAN G. C. (Launceston, T.).—Results of recent shoot were— No. 1, 5 birds, div. J. Springer, Ron Green, C. Poxon, A. Poxon 5/5. No. 2, £10 Handicap, won outright by Alf Poxon. Second and third div. W. Rainbird, Jack Neenan, J. Hart and C. Poxon 9/10 each. No. 3, Novice Trophy, K. Bohdal 5/7, R. Wood 7/11, Dr. J. L. R. Carter 6/11. No. 4, Cross bird sweepstake, div. W. Rainbird and J. Hart 3/3. No. 5, (same), div. "Beaver," W. Rainbird and A. Poxon 10/10 each. Alf Poxon has taken over the chairmanship of the club for the ensuing year. A new handicapping committee comprises, B. Buckney, Jack Neenan and Alf. Poxon.

TOWNSVILLE G. C. (Q.) .- Notwithstanding the shortage of supplies in the far North the local club under Fred Blackman's secretaryship conducted another successful shoot recently. Single barrel events were the order of the day, except one at double-rise. Results were-No. 1, 5 birds, W. Hanran 5/5, W Stockham, C. Melville and J. Doyle 4/5 div. 2nd. No. 2, Casey Trophy at 5 birds, J. Doyle and J. Pratt each held scores of 5/5, the first-named winning the shoot-off. W. Hanran gained third place after a tie shoot with four others. A £10 Handicap at 10 birds resulted in Fred Blackman and I. Carrington returning top scores of 9/10 each. They divided first and second money, Newton Thomas and J. Smith cut third money. No. 4, 5

birds, div. W. Hanran, F. Hose, T. Clay, W. S. Higgins and C. Melville 4/5. No. 5, 3 pairs double-rise, div. J. Carrington and W. W. James 2/3 pairs. Townsville Club had the misfortune to lose a great portion of its cartridge allocation some time back. It appears the consignment was on a ship which caught fire and the holds were necessarily swamped with water and this meant practically the end of consignment's value. The Club has done it best to dry the shells out, but very few are now of worth while shooting quality.

WANGARATTA G. C. (V).—The Wangaratta Club held its first clay pigeon championship meeting on 17th April when the North-Eastern Districts D.B. Title attracted an entry of 45. The winner was A. W. Hall (Coburg) 19/20 from G. Walker (Wangaratta) 17/20. A. Holmes defeated J. Dean in tie shoot for third, 21/25. The meeting was the first shot over an automatic trap at Wangaratta and was splendidly conducted.

# Clay Pigeon Shooting in Cairo

(By Leo. Ridge, Deniliquin, N.S.W.)

After escaping from Greece in 1941 I managed to secure 8 days leave in Cairo. Being a student of form and on the look out for something to do, I noticed in an Egyptian paper that clay pigeon shoots were held each Monday, Wednesday and Friday at Shoubra, a few miles out of Cairo. Iourneying out to Shoubra I received a most hearty welcome-apparently everybody was pleased to see Australian shooters. An Englishman, a Mr. Evans, who used a Purdey fitted with Beretta Stainless Steel Barrels, kindly gave me permission to use his gun whilst I was there. I thoroughly enjoyed three days of good shooting, without winning, although I managed to get expenses plus each dav.

Clay pigeon shooting I found to be very cheap at Shoubra. The principle adopted there is as follows, each shooter is required to lodge £1 covering all his nomination fees for the day, that also included 23/4" cartridges and clay pigeons. All events were either missout or double-rise and rarely went beyond three rounds. The winner received £1. When the shoot is over the secretary calls up all competitors in order of names on the board and collects all cartridges not used. For example, say Evans had started with two boxes and his record showed 32 shots for the day, the secretary would say "Mr. Evans, 18 cartridges please." This made for cheap shooting. For instance, 7 events. £7 prize money, clays £6, cartridges £10, shooters 35, leaving 'balance of £12 for club. (If club showed £3/10/ profit per day, £10

per week would be a very financial club). Not much prize money, but they run a Pari-Mutuel a French type of totalisator with a 2/- minimum investment. They employ stewards whose wages would be light, but they make good sums from tips. My friend Mr. Evans proved a very worthy adviser and as a result I was close to the winners with my bets all the time.

They only serve soft refreshments, hard stuff was barred as a result of a shooting accident some years ago. Monsieur George, President of the Club and manager of Mena **House** hotel, provided the afternoon teas and gave us a further effusive welcome when we visited his hotel later.

I might mention that the shooting tracks are arranged one track with foot release on each yard—that is as one stepped on the mark he placed his foot on the button which had two pressures. This enabled one to get nicely set, then with a slight lean forward and foot pressure the clay would be released. I found this prinicple greatly speeded up shooting and obviated any confusion about a puller not hearing the call.

After one had finished shooting spacious lounge chairs were provided and shooters merely had to beckon a steward who would place a bet. It was shooting de-luxe.

I notice in Association "News," No. 1139, G. Gall (Moree). On one of the days I was shooting there was a Gerry Gall from N.S.W. present. That would seem to be the same sportsman, so I hope he reads this best regards to you Gerry. Another really good shooter I met there was named Edwards, a member of the Egyptian Air Force. He told me he was coming out to Australia after the war and intended living in Queensland.

## THE ASSOCIATION

Dinner -

### Champion of Champions Cup -

International

The 1948 Champion of Champions Cup, 50 birds from 18 yards, on April 24, shot for the first time over the Blackburn Club's East Burwood lay-out, had the unique distinction of being the first major contest in the Commonwealth to be decided over three automatic traps. It also enjoyed the further distinguishing aspect of attracting a field of 128 guns this again being an Australian record.

The only feature in the preliminary estimates of attendance and satisfactory running of the meeting which were in any way disturbing to Association officials was the possibility of wet weather. The Association has been singularly unfortunate since the resumption of competitive shooting in that indifferent weather has to some extent marred every one of its big meetings. Saturday morning, April 24, was presaged by a hopeful Weather Bureau forecast. Alas, even with the prophets on the Association side, the morning dawned to drizzling rain. This continued intermittently until about midday, and doubtless cost the event at least another ten entries. As may be imagined the preliminary taking of entries, arranging the draw and actual getting of the big field on its way, took quite an appreciable slice out of the morning. Ultimately the first squad stepped on to the mark at a few minutes to ten o'clock.

The first man drawn to shoot was K. Cross of Gilgandra (N.S.W.) and his squad mates provided an interesting cross section of interstate sporting atmosphere, the No. 2 man was W. J. McPhee (Dubbo, N.S.W.), No. 3, Wal Eather (Boggabri, N.S.W.), No. 4, "Jock" (J. M. Wilson, Association President) and No. 5, Rex Powell (Cressy, Tasmania). None of this squad returned possibles. Altogether 27 squads faced the mark. Those who recorded scores of ten straight on the first visit were-H. R. Donelly (Bruthen-ultimate winner), Jim Smith (Townsville), Newton Thomas (Townsville, Q.), J. R. Meehan

(Blackburn), Les L. Schilling (Ormond), J. Bryant (Blackburn), W. Rainbird (Launceston), Norman Guy (Flemington), A. C. McDonald (Grenfell, N.S.W.), and R. Frean (Bentleigh, Vict.).

Second round possibles came from the guns of Donelly, "Peters" (Peter White, Brunswick), "Dubbs" (Vic Fankhauser, East Burwood, Vict.), Geo. Bell (Young, N.S.W.), J. M. Tyquin (Hobart, Tas.), N. Guy, J. A. McCraith (Essendon), F. E. Brown (Dandenong Vict.), D. B. O'Callaghan (Brighton, Vict.).

Third round possibles, W. J. Mc-Phee (Dubbo), E. G. Biggs (Elsternwick, Vict.), "Bendigo" (Harry Ceresa, Coburg), Donelly, H. Mc-Intosh (Seymour, Vict.), J. Smith (Q.), Tom Connor (Moonee Ponds, Vict.), Bruce Hill (Hornsby, N.S.W.), Geo. Purcell (Launceston, Tas.), R. W. Grossman (Wangaratta, Vict.), W. Bates (Sydney), G. Bell (N.S.W.) G. G. Beaumont (Young, N.S.W.), Luke Hughes (Sydney, N.S.W.), J. A. McCraith, F. E. Brown, D. B. O'Callaghan, "Gippsland" (Vic. Fraser, Windsor, Vict.), A. F. Burns (Footscray, Vict.).

Fourth round possibles, by Biggs "Bendigo," Donelly "Ingi," (Cliff Ingbritsen, Coburg, Vict.), J. Bryant, W. Bates, Beaumont, Geo. Crosse (Colac, Vict.), "Gippsland," Burns.

Final round possibles, "Bendigo," H. McIntosh, N. Thomas, "Calrossie" (J. W. Sutherland) Bruce Hill, J. Thomas (Hornsby, N.S.W.), J. Bryant, John Bryant, W. R. Johns (Malvern, Vict., present Commonweath Champion), McCraith, A. W. Hall (Coburg, Vict.), and T. Spall (Coburg). This left H. R. Donelly outright winner with a total of 49/50.

It is somewhat coincidental that Donelly missed his 41st bird—which is the exact release missed by the 1947 winner, "Doch-an-Doris" (Dave Watson) when he also scored 49/50 to win outright in that year. Donelly has been a top flight clay pigeon shot for many years and held the Champion of Champions Cup in its last year before war time recess, 1941.

In his response, after being presented with the winning trophies by the Association President, Mr. J. M. Wilson, Donelly said that he had looked after the Cup all through the war years and he felt now that it was returning to its old place in his home. Donelly is a modest sportsman and richly deserved his success. He served with the A.I.F in the first World War.

The runner-up, J. A. McCraith, missed his 6th and 34th birds and finished with 48/50. W. R. Johns (third) put in his usual strong finish to record 47/50. He failed to cover his 6th, 19th, and 31st birds.

Other trophy winners down to the scheduled 8th position and sectional awards resulted, (after series of tie shoots-G. Bell (Young, N.S.W.), 67/71 (4th); J. Smith (Townsville, Q.), 66/71; A. F. Burns (Footscray) 63/68, E. G. Biggs (Elesternwick)

59/64; F. E. Brown (Dandenong) 50/55. Best interstate shooters not winning any other trophy, G. G. Beaumont (Young) 1st, 47/52; W. Rainbird (Launceston) 46/52. Best 12/13 yarder, A. Lansell 41/50, 14/15 yarder, "Gippsland" (V. Fraser) 45/50; 16/17 yarder, "Bendigo" (H. Ceresa); 18 yards and over, D. B. O'Callaghan 46/50.

The 20/-, 10/- sweepstakes attached to the Cup event totalled  $\pounds 72$ and  $\pounds 46$  respectively and were taken by the place-getters. The 5/- restricted sweepstake was cut by A. H. Brenk (Burwood), J. J. Dawson (Beaumaris) and Harry McIntosh (Seymour).

(Full scores of every competitor will be published in the June issue of "News.").

rendezvous. Nearly 130 attended the function and the building could have handled double the number. It seems a fair bet that the dinner rendezvous arrangement will receive first preference for future similar functions. The Fankhauser family went to unlimited trouble to ensure the success of the gathering and shooters were loud in their thanks to this hospitable family.

The usual toasts wehe honoured, including H.M. The King, Champion of Champions (by the President), Visiting Shooters (by Dick Wight-man), with responses by W. Rainbird for Tasmania, J. O. Cox for N.S.W., J .Smith for Queensland and Dave Watson for Victorians.

The Association Toast was ably proposed by Des O'Callaghan. The festivities lasted longer than many of the participants-in fact one of the revellers stated later that he arrived home "in time to milk the cows."

Mr. Lionel Bibby of Sydney provided an interesting speech.

The veteran champion "Calrossie" winner of over 100 championships, when called upon by the President to speak, told a good story against himself. He said that some years ago he was invited to a country gun club to shoot on its grounds for the first time. He duly arrived and experienced something of an off day. Later in the evening he overheard a local wheat-grower discussing the shoot. The local said, "What do you know-I unhooked my team of eight horses and drove seven miles to see this bloke "Calrossie" shoot and he does not even know how to hold a gun." The laughs which followed this one could be heard in the near Hills.

A "Food Parcels for British Shooters" Appeal by the President, realised over £60 in a few minutes.

On Sunday April 25 many shooters enjoyed a quiet day (or did they?) and came along refreshed for International Day on Monday, April 26.

Details of the Australian International Team score will not be published until after June 25, at the express request of the English Clay Pigeon Shooting Association. On that date cables will be exchanged with Great Britain and scores will become available to all interested.

The British teams have felt that by

divulging the Australian score prior to those teams shooting would deprive the event of much of its interest.

The A.C.P.T.S.A. gladly accepted this ruling and has sealed its team aggregate total.

It is possible however, to publicise the high-gun score by J. A. McCraith who stopped 98/100. He missed his 41st and 44th releases and ran home with 56 straight.

The form of the Champion of Champions Cup was borne out completely, when H. R. Donelly was second high-gun with a score of 96/100, missing on rounds 20, 28, 51 and 88. Donelly's scoring sheet showed a model of consistency, breaking 24/25 on each visit to the track. McCraith registered 25, 23, 25, 25. Third highgun was provided by George Biggs (Elsternwick, Vict.) with 94/100, made up of 23, 24, 23, 24. Biggs missed his 100th bird. (Full details of the International scores will appear in July "News.").

The minor events of Monday, April 26, resulted-No. 1, 15 handicap, 5 possibles, tie shoot, W. R. Morgan (Hobart, Club Handicapper) 30/30, Fred Skate (Blackburn) 29/30 and N. Guy (Flemington) 28/30.

This was Skate's first trophy success since he took up shooting about three months ago.

No. 2, 20 bird handicap, 7 possibles, tie shoot, W. F. Robertson (Deniliquin, (N.S.W.) 33/33, Bruce Hill (Hornsby, N.S.W.) 32/33, "Apex" (Harry Mills) 23/24. No. 3, missout, div. Fred Skate, H. R. Donelly and A. Hamilton (Dandenong) 6/6.

With the shooting of these events concluded the best meeting ever conducted by the A.C.P.T.S.A. Thanks for this great success are due in no small way to the willing hands who assisted throughout. The Blackburn Secretary, Aubrey Johnson, neglected his own shooting to make sure the office administration was functioning satisfactorily.

The chief "hustlers," "Jock" (J. M. Wilson, President) and Bill Rainbird (Vice-President) did a first class job. Fred Byers, J. McInnes and Loch Finlay, all I.C.I.A.N.Z. officials were worth a "king's ransom" for their as-

A.C.P.T.S.A. HANDICAPS

The following are the Association Handicaps for all registered shooters competing in OPEN events. Where no handicap has been declared, insufficient record of performances are known.

Handicaps have been declared with the limit mark shooters commencing at 12 yards in accordance with the rules of the Association. Clubs are requested to conform to this rule and begin handicaps at 12 yards.. Unknown shooters should commence no nearer than 16 yards.

In order to ensure satisfactory Association handicapping, Club officials are requested to show each shooter's full surname and initials (shooting name if any in addition) when forwarding handicap returns to the Association office.

### THE ASSOCIATION-Continued from Page 20.

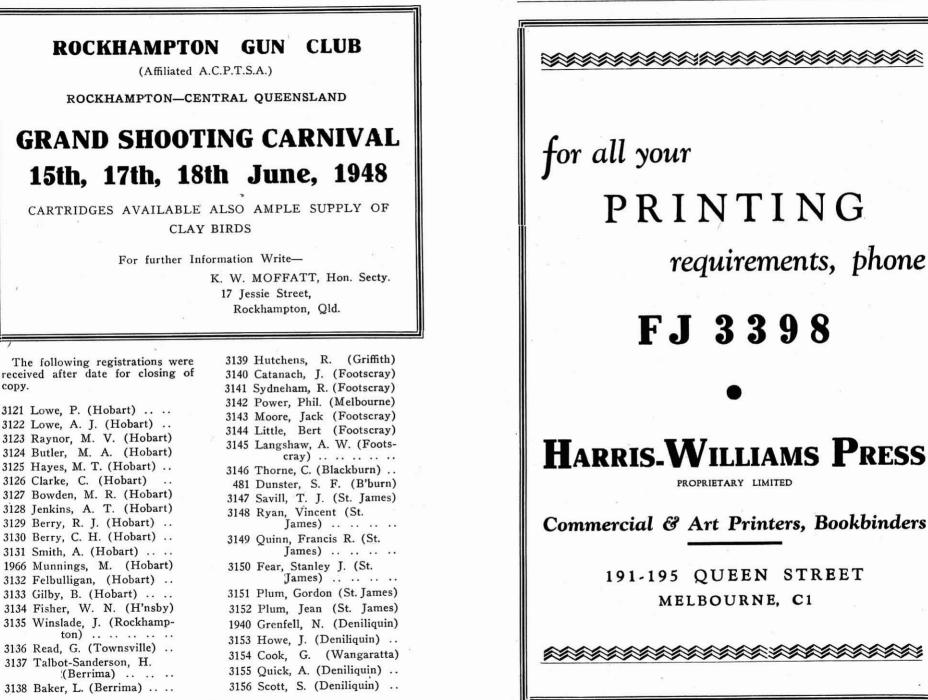

sistance with the scoring and cartridge selling.

The official referees, Harry Watts, Eric Wangeman, Roy Blackwood and Keith Rice, and scorers, A. J. Walker, Harold Anstee, the Watson Brothers and others did much to ensure the track organisation worked smoothly.

Vic and Cyril Fankhauser, with Dave Watson, maintained a constant supervision over the traps and all three, to a marked extent, sacrificed their shooting chances to carry out this work.

Bert Haynes, Jim Bienvenu and Harry Ball were noticeable for arduous work and maintaining and arranging food supplies. The Ladies who conducted the buffet, Mrs. Watson, Mrs. Biggs, Mrs. Wightman, Mrs. McCullough and Mrs. Watson, Jnr. with a sprinkling of young assistants (including the adroit messengers Neil Schilling and Malcolm Rutledge) fed the "multitude" throughout the weekend—this was no mean feat and special thanks are tendered to all who assisted.

The Australian Teams Championship, teams of four men, shooting under the conditions of the first 20 birds released to each man in the Champion of Champions Cup, was won outright by the Hobart Club combination, who scored 73/80. The team comprised, Messrs. J. M. Tyquin, W. R. Morgan, Rowley Pitt and R. Redpath. (Further details next month).
