National President's Notes

I would like to take the opportunity on behalf of the ACTA to congratulate Michael Diamond on his fantastic win in the World Cup conducted in Beijing in November. The two-time Olympic Champion won the Men's Trap competition at the ISSF Shotgun World Cup Final, securing the third title of his career with a total score of 134 hits (117+16). Michael finished the event with a one target advantage.

This world class shooter has been at the pinnacle of the sport for what seems to be a lifetime. From his emergence on the International scene by winning the Olympic men's trap gold medal in Atlanta in 1996 Michael's dedication to the sport has been exemplary and his results reflect this. Congratulations Michael a very well deserved win.

Congratulations also to all of the States on the results of their State carnivals, the numbers are climbing which is a healthy sign for the sport. To all of the Clubs who have hosted carnivals as well as showing great initiative in getting more people into the sport a big thank you. As we move to 2010 there are challenges for us to raise the bar in all area's from participation to State and National carnivals. Your National Executive are working hard to ensure the sport of Clay Target Shooting continues to prosper.

The National Executive together with the staff at the National Office of the Australian Clay Target Association, Tony, Dave, Maureen, Sue, Ally and Judy, wish all members, readers and their families a safe & prosperous 2010.

We take this opportunity to inform you that the National Office will be closed from Thursday 24 December 2009 and will reopen on Monday 4 January 2010.

Happy New Year

Executive Officer's Report

As we draw to the conclusion of another year I would like to thank the National Executive for their support during this year. The members of the National Executive are all volunteers, they give their time freely and at all times make decisions based on what they believe is in the best interests of the sport.

Each of the committee's have made a significant input into the direction of the Association, these committee's regularly supply information through to the Board for consideration at these meetings. The Board has been particularly busy this year with many projects being brought to fruition. The Board is tasked with the day to day management of the organisation and their guidance and assistance is greatly appreciated.

I know there maybe those who believe things could be different; to them I say we can't agree on everything however we as an organisation are prepared to listen. We do however need people to follow the correct process.

The Nationals in 2010 will have some procedural changes with Nominations received up until the 12th of March 2010 for the Trap Nationals. Squads wishing to shoot together will be accepted providing they are all sent together with a request to be squadded together. PRE NOMINATING AND PRE SQUADDING is a requirement of entry. Nominations received after Close of Business on the 12th of March will

not be processed. All Nationals will be conducted under the same set of criteria.

We are in a position to continue to go forward in 2010. My report encompasses the work of everyone in the office; we truly have a great team of people in the National Office supporting the National Executive team. Sue has managed to pull together the Coaching program which has been under review and restructure for a year and a half. Sue is also in the process of resurrecting the Referees reaccreditation requirements and also assists with further courses for referees.

Maureen has the big task of working on the CTSN with Jim Shepherd who also contributes many hours to the production of the magazine each month. Maureen also deals with new & renewals of membership of the Association including Clubs, Zones and States. With a number of changes being implemented to comply with our insurers risk assessment Maureen will be seeking the cooperation of the Clubs in getting members renewed prior to the 1st of January 2010. Ally manages the Finance component of the organization and with the end of year and Audit time approaching will be very busy for the next few months. Judy is our part time receptionist who is first port of call when you ring in regarding all aspects of the association. Judy also has first class knowledge of the financial systems.

David Jocelyn has overseen the growth and the development of the ground as well as the maintenance of the ground, a big job at the best of times however with the lack of rain in the region for the past 7 years this is a mammoth task. Hopefully we may be able to secure effluent water to the ground in the near future which would make his task much easier.

Graeme Boyd has worked tirelessly to ensure the junior program has achieved the desired level of a National program. We will continue to work with Graeme to not only look after the junior program but also assist the States in getting coaching courses on the agenda. We are in the process of looking into a model for a Coaches Association which we hope will be implemented in each State in the near future. We will put some initial ideas together with the Coaching committee before providing a blueprint for comment.

As we approach the end of one big year a bigger and more exciting year opens up in front of us. I look forward to working with the National executive members in providing the necessary structures for the ACTA to continue to grow.

In the middle of this magazine you will find some pictures on a number of projects including the upgrading of the lights done in conjunction with the Wagga Gun Club and the building of a sand pit area for the young children who travel to our National Events and for other organisations who utilise the Grounds. New seating has been installed and the power upgrade is well under way.

Just very briefly the Crawford report on Sport in Australia commissioned by the Federal Government was made public last week and there are some very interesting possibilities which I believe may assist the ACTA in the future growth of the sport. More on that in the next edition.

On behalf of the National Executive and the National Office staff we wish you all a Merry Christmas and happy new year. I look forward to working with you in 2010.

The National Office will be closed from the 24th December and reopens on Monday the 4th of January 2010.

National Coaching Director's Report

On the 7th and 8th of November I travelled to the Whiteman Gun Club in Perth, WA to conduct the first ACTA Coach the Coach workshop. It proved to be a very successful weekend with 25 new and existing coaches attending over the 2 days.

The first day started with discussion surrounding the new system of accreditation and the reason behind the changes. This covered the new procedure for existing coaches for their reaccreditation and the requirements for new coaches to become accredited with the ACTA and Sports Commission. The remainder of the day was spent going through coaching techniques, basic principles and the AISL Club and Competition Coach Modules that the ACTA are adopting to standardise coaching procedures Australia wide.

On the second day the gun club conducted an open coaching day for members and the general public. This enabled the coaches attending the weekend workshop to interact, supervise and offer advice to the shooters. This gave me the opportunity to observe their coaching and communication skills and to offer advice.

I had the opportunity to meet with a number of the people who attended the open coaching day and gauge their opinion of the day. The response from these shooters was very positive and encouraging.

A final briefing was conducted with the coaches to summarise the weekend and to answer any final questions. I believe the weekend was a great success and the presentation of the course in the above format proved successful.

COACHING TIP'S

If you have a shooter who has never fired a shotgun –

- Explain how a shotgun and cartridge work.
- Show them a clay target and describe how it is thrown.
- Go through the safety procedure of handling a firearm.
- You keep control of the firearm and ammunition.
- Set the trap on a straight target and lift the target a bit higher to give the shooter more time to fire the shot. Slow the target down if needed. Shoot off 11m or closer.
- If a skeet ground is available shoot station 7 low house. I have at times put the hoop up and left it there for the new shooter to know the targets flight path, this also gives them an aiming point.
- Only load one cartridge
- Use eye and ear protection
- Hold the firearm and let them fire the first shot in a safe direction to experience the recoil and noise.
- Keep it simple, not to complicated; don't overdo the number of shots they fire first time on the ground. The most important outcome is they do not get hurt and they hit a target.

Michael Diamond wins men's trap at ISSF World Cup

AUSTRALIAN MICHAEL DIAMOND grabbed the men's trap title at the ISSF World Cup (Shotgun) in Beijing.

2009年北京国际射联世界杯总决赛
ISSF World Cup Final Beijing 2009

Michael hit 134 targets out of 150 in the final to claim his third gold in the World Cup Finals. Italy's Massimo Fabbrizi took the silver medal with 133 hits, and his compatriot Giovanni Pellielo had bronze with 130 hits.

Diamond, Fabbrizi and Pellielo entered the final with a huge advantage over other shooters. Pellielo led the other two by one hit.

However, Pellielo was the first competitor to make an error, missing one target at the second shot. Then Fabbrizi missed the third and fourth targets, making Diamond the leader after the fourth shot. Pellielo didn't overcome his bad luck afterwards. He missed nine consecutive targets to keep himself away from the gold.

2009 VCTA State Trap Carnival

**Rob Anderson,
Overall High Gun and
inaugural winner
of the Ian Hill
Perpetual Cup**

After the playing of the Australian National Anthem, Echuca Councilor, Kevin Simpson, shot a clay target on only his third attempt, "commendable for someone new to the sport", and then amid clapping, he declared the 2009 Victorian State Trap Carnival officially under way! Held at the beautifully presented grounds of the Echuca Clay Target Club, the extremely successful three day Carnival was blessed with perfect weather, and a record attendance of shooters and spectators.

*Councilor Kevin Simpson shoots a target
with help from Steve Atkin*

*Ron Traill, President of VCTA with inaugural Hall of
Fame Inductee John Bryant, and Steve Atkins*

With a shooter attendance of 345 and almost that number again in family and spectators, the lady volunteers in the kitchen must be thanked, for their untiring effort to feed and water that large number of people for three days!

Northern Territory was the only State/Territory in Australia that did not compete, and a pleasant surprise was that 28 shooters arrived from New Zealand, and really made their presence felt by winning the Overall Winners Sash in the Double Rise Championship, "17 year old, Jack Norwood, from Rotorua", also the Trans Tasman Team event won by the Waiuku College, along with several grade wins and places, definitely a force to be reckoned with, and they are much appreciated for making the effort to attend.

Echuca does have a big draw for the shooters, and their families, having a multitude of motels and caravan parks to enable a comfortable stay, usually for an extended time, and numerous clubs and attractions to cater for everybody's tastes.

The Echuca club had some success, with Craig Fitzgerald winning the Overall Winners Sash in the Double Barrel Championship, beating Jack Norwood on the 472nd target, a massive shoot off going on into the next day, Craig winning on a 472/472 score. And also, the Echuca team of, Craig Fitzgerald, Steve Atkins, Rob Viney, Steve Haberman, and Rob Godfrey, the five of them winning the Club Teams Match.

VCTA Hall of Fame

John Bryant, a 79 year old shooter that started at the age of eight, who lives at Kilsyth South, and over the years has won almost every title there is to win, was invited to the Carnival to be awarded an induction into the Victorian Clay Target Association, "Hall of Fame", John was brought to the Carnival by his son and on receiving the Hall of Fame jacket, and certificate, stated that he would not have missed it for "quids", two other shooters were also inducted, unfortunately posthumously, Mr. Donald McIntosh, and Mr.

*Alf James' children, Robert, Glenis and Harold,
accepting Alf's posthumous Hall of Fame award*

Alf James, whose daughter and two sons accepted his certificate.

Day one, Friday the 6th November saw the likeable junior from New Zealand, Jack Norwood, win the 25 pair State Double Rise Championship, dropping only one target in this difficult discipline to win the Overall Winners Sash on a 49/50 score. 1st in AA grade was Colin Dunn after shooting another 25 pair to eliminate his opposition, Colin from the Stawell GC shot a 96/100. 2nd in AA Robert Dale 94/100, 3rd in AA Sam Clifford (Noorat) 67/70. 1st in A grade Rhys Eeles (Echuca) 47/50, 2nd in A Michael Ward (Woods Point) 77/90, 3rd in A Ron Garth (Frankston) 75/90. 1st in B Morgan Erhardt (Warracknabeal) 44/70, 2nd in B Andrew Cox (Werribee) 50/60, 3rd in B Megan Wallis (Bordertown) 46/60. 1st in C Laura Bray (Auckland) 37/50, 2nd C David Kirley (Mansfield) 43/60, 3rd in C Colin Harrington (Mornington) 42/60. An incredibly successful State Carnival, run very smoothly for the three days, marred only in a very minor way by two traps burning out motors, quickly replaced by one new trap to keep the competition traps shot over at ten in number, and all this handled very professionally by the State and Echuca's committee workers. In tough economic times it is very encouraging to see the participant numbers actually increase, a good sign of the increasing popularity of the sport of clay target shooting.

Guyra Gun Club Sporting Clays

The Guyra Gun Club's popular 100 Target Sporting Clays Championship was held on Sunday 25 October. Fifty-four shooters enjoyed the spring conditions and an interesting mix of targets. Guyra and Inverell shooters tended to dominate the results with some very good sporting clays scores.

Local shooter Brad Henshall won the overall prize with an excellent score of 95/100. Guyra club members Roger Vidal 93/100 and Jeff Richardson 88/100 filled the placings in AA Grade, the A Grade winner was Michael Roan from the Guyra club 84/100, another Guyra member, David McMillan took second in A Grade 82/100, B grade went to Matt Colley from Inverell 78/100 and Jamie Saunders from Guyra shot 76/100 to take second, C Grade went to Mick Wade also from the Inverell club 69/100 from Kevin Weatherall, a Tamworth shooter 74/100. The Veterans' champion was Doug Jackes 77/100 from Guyra and the winner of the ladies trophy was Christine Pischke from Inverell 59/100.

Two coveted 25 Break caps for a perfect score of 25/25 in one round,

were presented to Brad Henshall and Keith Cameron from the Quirindi club.

The New England Tri-Club Challenge Shield was presented to Roger Vidal. Both Vidal and Keith Cameron scored 344/400 as aggregate scores from the Glen Innes, Inverell and Guyra sporting clays shoots in 2009. Vidal was awarded the shield after a mutually agreed coin toss.

The Guyra Club is grateful for the support of the Glen Innes and Inverell clubs that provided traps for the shoot. The major sponsors were Armidale Freight Services and Coates Hire. Other sponsors who supported the club were Super Moto Armidale, Super Air, JDs Hair Salon, Ray White Guyra, Danny Davis, Grant McCarroll Ford, Bill McClenaghan - Achil West Downs and Wayne Heagney who sponsored the 25 Break caps.

Earlier, when 85 year old veteran Vince Mackson was buying a few cartridges, Tim Bourke behind the counter asked him, "Are number 8s OK Vince?"

"Anything! As long as they have powder in them they'll do," was the reply from Vince, "and a bit of shot too! Make sure they're not loaded with sand!"

Wangaratta Clay Target Club celebrates its 90th birthday

The club appreciated our local MLA member, Mr Ken Jasper and Mayor Mr Ron Webb for both joining in the fun on Saturday and making their interesting speeches in relation to the sport of target shooting and other items of interest to the large gathering in attendance. Both Mr Jasper and Mr Webb showed off their skills with a shotgun to the delight of everyone and afterwards joined in the cake cutting ceremony with our President Mr Rob Steel, Life Member Mrs Sue Ford and A.C.T.A National Vice President and State President Mr Ron Traill. Thanks also to local Council Director Ruth Tai for her attendance and interest in the days activities.

The club would also like to thank Nicki Jory for her excellent cake making and decorating skills and the eager and very busy ladies working hard in the clubs kitchen over both days. Also the significant efforts of Mrs Betty Law in arranging all the folders of photos and information of the clubs history and the Wangaratta Historical Society in allowing Betty to borrow these items for the interest of everyone to leaf through on both days. Once again, our valued neighbour the Vine Hotel provided a prize for the shooters and a large group from the club enjoyed a

lovely meal at the hotel after the shoot. Many thanks also to Thales (Benalla) for providing reloading powder for the High Gun trophies.

The club also appreciates our very generous sponsors, WINSEC Savings & Loans, Adventure Camping, Fishing & Firearms, One Mile Motors Mazda & Wangaratta Saw & Lawnmower Service & Stihl dealership for providing the excellent trophies for the occasion. Also the generous support of Felix's Plaza Meats, Jack & Val. Reid and Northern Vic. Ammo supplies for providing the High Gun prizes.

During the ceremony, Sue Ford was awarded the prestigious Life Membership badge. Sue has worked tirelessly in the kitchen for many years, always with a smile and a greeting to all the shooters who come to the counter and enjoy the variety of food that Sue and her team of dedicated helpers provide. Corporate Shooting Stars' Championship

Proudly sponsored by Russell and Lauryn Mark

On Saturday 31st of October 2009, The Melbourne Gun Club hosted the Corporate Shooting Stars' Championship which has become an annual event that is hotly contested by DTL shooters.

The weather on the day was perfect, starting out warm in the morning and getting quite hot in the afternoon, which made for ideal shooting conditions.

The Championship was a 75 Target mixed, all to be shot from your Handicap mark, meaning that the higher grades were not necessarily going to walk away with this one easily. This became evident through the day.

To get things going, Event One was a 10 Tgt points eye opener with only 4 people; Darryl Johnston, Craig Patterson, Barry Humphris and Roger Esplin shooting the possible to split the cash divide.

Event Two, the 75 Tgt Mixed, had 8 squads of shooters, all looking to take the sash and generous cash prizes in the Corporate Shooting Stars sponsored event. The first part of the event, the 25 Tgt Double Barrel, had Darryl Johnston, Bruce Bird and Geoff Aston all shoot the possible and all off to a great start. The second part of the event, the 25Tgt Single Barrel, saw only Craig Patterson shoot the lot with a perfect 25/25, and with both Darryl Johnston and Geoff Aston shooting 22/25 this made it very tight at the top going into the points.

The last part of Event Two, the 25Tgt points, had a few shooters looking at the score board, not far away from the leaders, but needing some perfect shooting and some luck on their side to chase down the leaders.

At the end of the points, and with both Craig Patterson and Damien Appleby both shooting 72/75, there was one clear winner. Craig Patterson had won the event Overall with a 120/125 over the three parts of the shoot. This left three; Darryl Johnston, Geoff Aston and Damien Appleby all tied on 115/125. Darryl Johnston, shooting perfectly in the shoot, off took second place, Geoff Aston only missing one target to take both third place and Juniors with Damien Appleby only one behind the place getters.

Fantastic shooting by all.

The Melbourne Gun Club and all the participants, thank Russell and Lauryn Mark for their generous sponsorship of the Corporate Shooting Stars' Championship.

It is fantastic to have sponsors getting behind these events and is greatly appreciated by all.

34th Annual Golden Clay Shoot

COBAR CLAY TARGET CLUB

With clear skies and beautiful weather the Committee and members of Cobar Clay Target Club was ready for the 34th Annual Golden Clay and another great weekend of shooting.

We had received some tremendous support from sponsors especially our Gold sponsors Linatex who has sponsored our overall High Gun for 5 consecutive years, Coates Hire who again provided the excellent lighting, as well as some extra chairs, tables and a generator (just in case), Garden City Motor Inn Wagga who sponsored the Double Barrel, Milperra Marketing-Express who again provided great support for the Marfeesh Handicap and Empire Hotel Cobar. Our Silver sponsors were, Cobar Bowling and Golf Clu, Cook and Black Automotive, G&L Jones – One Steel, Beretta Australia, Casella Wines, GC Livestock and Property, Aztec Dental Laboratories, Harvey Norman-Cobar, Mine Hire Australia and Betta Electrical Deniliquin. We also received support from Burgess Supa IGA, Cross Roads Motel, The Hawkins Family, The Taylor Family and Cobar Central Motel.

Practice was available from 2pm Friday afternoon and plenty of visitors and locals took the opportunity to have a practice before competition began.

6.30pm Friday evening and shooting commenced with 119 shooters contesting the 30 Target Far Western District Harvey Norman Night Point Score Championship. With possibles shot some fun was had, especially by Greg Hipwell, Ben Machul and Dave Caccioppoli before the winner was decided. Greg Hipwell was the eventual winner with 216/216, Ben Machul 1st AA Grade with 215/216 and Dave Caccioppoli 2nd AA Grade with 200/201, 1st A Grade Ben Vogelzang 119/120, B Grade J Mortys 93/96 and C Grade D McPhie 87/90.

Saturday was a good shooting day, nice and sunny with just a little breeze. 168 shooters nominated Saturday for the 3rd event the 30 target Far Western District Beretta Australia Points Score Championship. There were 15 possibles shot. Cliff Overton won the shoot off with a score of 282/282, Greg Hipwell 1st AA Grade 281/282, A Grade Jim Manns 137/138, B Grade Marcus Hargraves 122/123 and C Grade 146/147.

Event 4 was the 45 target Empire Hotel Medley. 3 possibles were shot and Michael Manley was the winner with 100/100, Phil Headon 1st in AA Grade with 99/100. Event 5 was the 30 target Far Western District Garden City Motor Inn Double Barrel. 68 possibles were shot and, after a very lengthy shoot off that was still going at 11.30pm, Craig Fitzgerald and Arty Del-Ben decided, that they had missed too much fun in the club house and decided to split the Championship. They had shot a magnificent 480 targets mostly under lights.

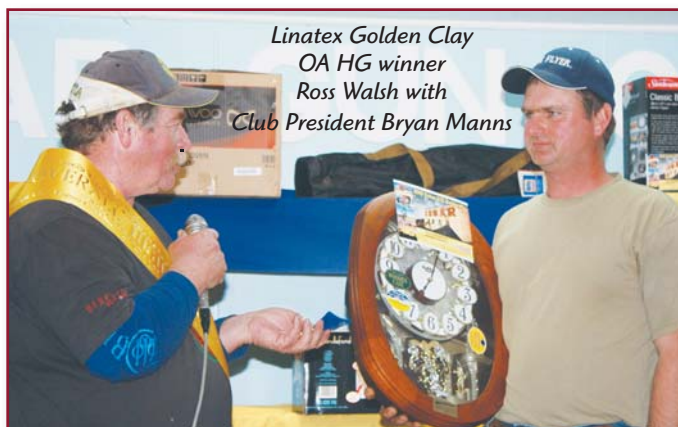

While the Double Barrel Shoot off continued the rest of us enjoyed happy hour. This was followed by an excellent meal with wine

supplied by Cassella Wines and the calcutta. Our auctioneer did a marvellous job and the calcutta ended up being worth just over \$10,000.

Sunday morning was again a fine day and the breakfast cooked by the kitchen staff again proved popular with shooters.

First up on Sunday was event 6, the 30 target Far Western District Cook and Black Single Barrel Championship and 174 shooters were nominated. There were only 6 possibles and after the shoot off Steve Haberman was the overall winner with a score of 56/56, Arty Del-Ben won 1st place in AA Grade with 55/56.

Event 7 was the 30 target Mafeesh Milperra Marketing Handicap. This was also the event that the calcutta was run on. Everyone seemed to have recovered from the previous evening and 30 possibles were shot (including me). After the shoot off Mathew Carmichael on 17 meters was the overall winner with a score of 128/128, Wayne Dunbar (21m) 2nd 127/128, Button Powell (20m) 3rd 63/64, Peter Rea (17m) 4th and last years winner Shannon Brown (19m) 5th 57/58. The last event on the program was the 15 pair Far Western District Aztec Dental Laboratory and Glen Castellaro Double Rise Championship. Cliff Overton shot the only possible and picked up his second win for the weekend, Arty Del-Ben won 1st in AA Grade with 49/50.

Ballandean's 2009 Two Day Annual

A Queensland Clean Sweep!

On the weekend of 17th & 18th October 2009 saw some 108 shooters line up for Ballandean's Two Day Annual from as far a field as Home Hill to the North, and Kempsey to the South. Members put in a huge effort in the previous weeks after receiving a Gambling Trust grant to install a new amenities block, putting the final touches to the new block on the Friday morning, ensuring facilities were up to scratch for the many campers.

Victorious QLD v NSW Queensland Team 2009 Winners Ballandean Teams Match

Saturday woke to a cool frosty morning, late in the year for Stanthorpe and something Queenslanders not from the Granite Belt are accustomed to. A frost the local fruit, vegetable and wine industry could have done without, with losses on some vineyards, orchards and vegetable farms estimated at up to 40%. In the shooters favour, the frosty morning turned into a glorious day. Shooters eventually found their squad, after deciphering their

Ballandean Name, be it in its Italian, Greek, Russian or Hungarian form, proudly listed under the Welcome to Wogsville sign.

The first event, 50t Double Barrel saw 10 shooters record a possible. Geoff Hunter of Tamworth was the eventual winner after an additional 128 targets, with fellow Tamworthian Craig Mearns taking it to the wire.

Col Witt of Gold Coast posted the only

possible in the 25t Points Score. Brian Kneipp and John Maxwell wrestled for AA grade with Brian taking the honours. The Points Score event also decided the teams for the Ballandean Teams Match QLD v NSW with the top 12 shooters from each State to battle out the ultimate honour for shooting's State of Origin. With the teams decided, QLD's Col Witt, George Costanzo, John Maxwell, Barry White, Barry (Sockey) Power, Mahipal Shekawat, Ray Mascadri, Paul Hill, Shane Fitch, Daryl Stevens, Chris (Bud) Lee and Harvey Smith, and NSW's Kim Nealon, Craig Mearns, Justin Turner, Phil Westbury, Dale Ellis, Geoff Hunter, Brian Kneipp, Peter Holmes, Cherie Hunter, Garry O'Brien, Stuart Boydell and Dimity Boydell were to spend a sleepless night contemplating state pride. It was excellent to see two girls making the cut for NSW with Dimity Boydell lining up with dad Stuart, and Cherie Hunter lining up with husband Geoff. For the Ladies Teams Match QLD's Leah Costanzo, Beth Ekblad and Marg Denton and NSW's Dimity Boydell, Cherie Hunter and Jenny Haynes were ready to get down and dirty in the name of honour.

John Maxwell (Rockhampton) was the winner of the 15pr Double Rise after shooting off with

Andrew Uphill Moree. John finished the day only 3 points down leading the charge for the High Gun.

Day Two saw a frost free start to the day, with shooters eager to battle out the 'State of Origin' and Stanthorpe Rural 1000. The ever consistent John Maxwell started the day in fine form taking out the 50t Combination (25t D/B;25t S/B) after a shoot off with 'Moree Magic' Brian Kneipp going an additional 50t.

The much anticipated Stanthorpe Rural 1000 saw 3 possibles posted on the board. Ballandean's Adrian Ebborn and John Maxwell 'suffering Ballandean Belly' shot another 102 targets with Adrian outlasting John to the post, going home \$1000 richer.

With teams lined up for the final showdown, The Ballandean Teams Match – QLD v NSW, pride was on the line again for 2009. Queensland came out the winners for both the Open and Ladies Match a clean sweep, much to the delight of the Queenslanders and disgust of the jeering NSW section of the crowd.

With the weekend done and dusted John Maxwell proved consistency, gritty determination and a cast iron constitution was the key to success, finishing on 3 points down for the weekend (252/255).

Any two day Carnival takes a lot of hard work from members and visitors alike and the generosity of wonderful sponsors. Ballandean Clay Target Club would like to thank all of those sponsors who contributed to the success of the weekend, in particular Winchester Australia and John Vichie Firearms for the .223 CZ Rifle for the Overall High

Gun, and Stanthorpe Rural for putting up the cash for the Grade Meterage. Also thank you to the Ballandean State School P&C who worked tirelessly to supply a lovely range of food and snacks, and of course the trap kids from Ballandean State School. A special thanks must go to Frank Musumeci, Geoff Donges, George Costanzo, Craig Willmann, Paul O'Donnell, Fil Lofaro, Tony Rogers, Walter Matarollo and Ron Sonego for organising and installing the new 'Taj Mahal' of Toilet/Shower Blocks, you did real good fellas!

Lastly, thank you to the Tenterfield Club for the loan of a Canterbury Trap for the weekend.

NB: John Maxwell's 'Ballandean Belly' can only be contributable to either a bait from the NSW crowd, or something he picked up on his 11 hour journey to Ballandean the food at Ballandean is bloody good!

Psychological Skills for Shooting

Michael Kruger-Davis

PLANNING FOR 2010

The start of every year is an interesting and challenging time for most sportspeople. With last season over, it is time to look ahead and focus on what will be important for the coming year. In my work with the Southern Sports Academy squads, the start of each new year heralds new members, new skills sets for the team and a new set of aspirations and hopes.

In this article I want to explore how we can get ourselves off to a good start for the year ahead.

It should come as no shock that our first task needs to be **goal setting**. Take a few minutes to evaluate what you achieved in 2009. Did you achieve what you set out to achieve? Did you have to change your focus during the year? If you have a lifetime, five year and yearly plan: did your achievements in 2009 meet your expectations?

Now is the time to evaluate and start again: what do you want to achieve in 2010?

As part of your evaluation for 2009, it is important to focus on your personal achievements. Did you achieve **personal best scores**? These should not just be your highest breaks but can also be good scores in difficult conditions. For example, if at a shoot the wind was measured at 90k/h then your score on that day might not be as good as usual but you now have a baseline for shooting in poor conditions. The next time you shoot in wind that strong you know what you should be able to achieve. So as you go into the new year, what gains can you make on these personal bests.

Remember your goals need to be SMART: specific, measurable, achievable, realistic and have a definite time frame.

The next part of your evaluation should involve a **skills audit**. There are three level of skills that need to be addressed: technical, physical and mental skills.

Technical skills involve the fundamentals of shooting: for example, stance, lead, target acquisition and follow through. If you need help with any of the technical skills then some time with a coach maybe worthwhile.

Physical skills, for example, involve those aspects such as strength, agility, stamina, muscle memory, dealing with fatigue, hydration and nutrition. Sessions with a dietician, strength and fitness coach or masseur may be appropriate.

Mental skills involve concentration and attention, visualization, mental rehearsal, relaxation and goal setting. The best way to do a skills audit is to look at each of the areas and identify what you can do and what you are good at and what you need help with. Then work on those things

TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

that need improving, focusing on one area at a time and giving yourself time to adjust to a new technique and generalize the changes.

Being in the **right time** should be the next part of your plan for the new season. You should be to let go of the **past**. Let go of the judgments about yourself and your performance. The past is over, so do not dwell on it, and when you are competing make sure thoughts of past performances (either goof or bad), past situations, etc, can be replaced with thoughts and actions about the present. Just as the past can be problematic, so too can be thinking about the future.

Thinking about the **future** leads to worry and anxiety. Believing that you have to be perfect or always winning, will lead to being fearful. Focusing on the outcome or the trophy before you have actually qualified, is future thinking and will lead to failure as you are not dealing with the process of actually shooting the target. This will lead to self-doubt and you will tense up and your muscle movements will not be fluid but will be jerky and haphazard. The self-doubt will cause you to miss.

To stay focused on the **present**, concentrate on your breathing or attend to what is happening right now to your body.

The next step in your evaluation and planning for the 2010 year is to examine if you are **mentally tough**. Do you have the skills and beliefs that will keep you on top. Mental toughness factors are consistency, composure, confidence, commitment, courage, competitive and in control. Being mentally tough involves not only playing the game on the tracks but also being able to play the inner game. Being able to relax, focus your attention, visualize, mentally rehearse are all part of having the skills to be mentally tough.

What is your **motivation**? Are you ego-orientated or task orientated? Ego-orientation involves focusing on yourself, your performance and what you might win rather than focus on the task or the process at hand. In ego-orientation you focus on the outcome: winning, the trophy, perceived glory. Task orientation, on the other hand focuses on the process. Actually enjoying what you are doing: shooting for shooting sake, not just to win the prize. Shooting is a sport and like all sports there are certain reasons for doing it: to stay fit and healthy, being outside, doing something you like, to improve, to have fun. It was refreshing to watch those athletes at the recent World Masters Games competing in a range of sports where the only prize was the possibility of a medal. There were no guns on offer, no big cash payouts but the competition was fierce and the level of sportsmanship and fun was high, because the athletes were just there to have a go.

What **inner game** activities will you use to help you this year? There are some inner game techniques that are essential and then there are others that may be useful if needed. The essential inner game techniques are goal setting, visualization, including the "Black Box Technique", mental rehearsal and relaxation.

These four skills should be the minimum mental skills that each of us has in our tool box. Goal setting, well it's self explanatory, visualization and mental rehearsal will help train the mind that you have or are able to achieve your goals. The "Black Box" will help with distractions and relaxation will make you a calmer and more focused on the tasks at hand.

So, in a nutshell, this is a basic blueprint for setting yourself up for the year to come. Many of these concepts I have written about in the past and some will be expanded upon in the future. In the meantime remember that shooting is a sport and we do it because we love doing it. Everyone should have a goal to do better, improve and have fun.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

NEW TRAP LAYOUT FOR BOGGABRI GUNNEDAH

*First squad preparing the shoot off in the first event
at the November shoot over the new trap house*

The trap house was engineered by Keith Lyne with the help of many able club members. The tracks are laid for No 2 layout and the trap house built. Just a few adjustments during trap installation and we will have two layouts for the next shoot. Competitors commented on the good background and some good scores were recorded.

RAY (MACCA) McKENZIE

They gave Macca the send off he earned and deserved in Kyabram last week.

One of the largest gatherings of mourners in Kyabram's history were on hand at St Andrews Church, Kyabram, to bid farewell to a charismatic local, "Ray (Macca) McKenzie".

A family man, outdoors and outback lover, sportsman, part-time farmer, successful businessman, keen traveller, pet lover, hobby vegetable grower, and

champion clay bird shooter, Ray William McKenzie, lost his life after a brief battle with cancer on Friday, October 23. He was 73.

Rarely has the word spread so quickly about someone's death in the close knit Kyabram and district community.

It is safe to say that every person who ever had the pleasure of meeting Macca would have come up with the same opinion: What a bloody good bloke, in every sense of the meaning.

A wide smile and an infectious, hearty laugh were very much part of Macca.

Always willing to lend a hand if asked or give an opinion if it was sought, Macca unwittingly gathered friends at will all his life. The reason was simple - he treated everyone the same. No grudges, no class distinctions or racial prejudices with Macca.

You got what you saw - and what a package it was!

Born at Kyabram but raised in Nathalia, Macca spent most of his adult life in Kyabram. He played football for Kyabram and Lancaster. He married a Kyabram girl, Val McLay, and together they raised four children - Lindsay, Stuart, Leonie and Max.

Stuart and Lindsay delivered touching eulogies at his funeral, and told stories of the fun loving, family man, who was their father, and of his numerous exploits. He had a love of fishing and the outdoors and his greatest passion apart from his family, was his clay bird shooting.

Introduced to the sport in 1971 he proved a natural. His wins including two Australian points score championships in 1987 in Brisbane and again four years later in Perth as a 55-year-old.

He was selected in the Australian McIntosh (top 20 shooters) team eight times and five times in the Glen Cup team (top five). There were over nine State titles as well, including the State double barrel championship. And there were hundreds of Echuca Clay Target Club, and State zone titles, to accompany his State and National titles.

As a self employed carpenter by profession for most of his working life, he not only built the present Echuca Clay Target Club, clubhouse, but also served for many years as the successful club's president.

But what Ray McKenzie really built in his life was respect from an army of people from all walks of life, who will now treasure the time they spent with the bloke they called "Macca", more than ever.

MILTON POUND 1937-2009

It is with sadness that Orange Clay Target Club announces the death of one of its most valued and respected members after a short illness. Although, a keen duck and rabbit shooter all his life Milton came to D.T.L. shooting fairly late in his life. Milton had been a member of Orange for 15 years. Always the first to volunteer and never tired of helping in every respect of club life. Friendly, modest and one of our most esteemed members. He is missed by all his family and friends.

News from Wangaratta Clay Target Club

Daryl Hunt Makes State Team

Wangaratta Clay Target club member, Daryl Hunt returned home from the Down The Line State Carnival held at the Echuca Clay Target Club recently with a medal after qualifying for the prestigious 5 Man State Team. Terry Pigram, also a local member, shot very well at this major trap shooting event qualifying for the 15 man State team. This major shoot attracted 380 competitors from across Victoria, all aiming to represent the State at the 2010 Nationals held at Wagga.

Three 50 target championship events were shot by all competitors and the best of these were reduced to a 15 man State Team with Daryl Hunt only 2 points down and Pigram down 5. The highest scoring group then had to shoot at another 50 targets points score to qualify for the State Shoulder to Shoulder team. Over the next 50 target qualifier, Hunt finished in number 1 position in the 5 man State Team having shot these targets perfectly without a miss.

All members of the club wish Daryl every success at the Nationals next year, as qualifying for this title is proof of his expertise and dedication at the sport of clay target shooting.

Sporting Clays

On Saturday 14 November the Wangaratta Clay Target Club held a very successful 75 tgt 5 stand sporting clays shoot along with the North East Vic Zone 25 tgt walk up c/ship event. About 37 keen shooters turned up to compete on a very hot and fine day.

The club has decided to hold sporting clay shoots on a regular basis during 2010 due to their popularity. Unlike the usual Down The Line events, shooters that regularly shoot Field & Game events are attracted to this discipline, which when combined with ACTA members makes for a good mix of competitors. The club in Wangaratta is well equipped with both fixed and several portable traps, all helping to make the days event both challenging and very enjoyable.

The results for the 75 tgt sporting clays event are as follows 1st AA &

Terry Pigram and Daryl Hunt

O/all winner Marty Seymour 63/75 and 2nd Brett Jory 68/83, Daryl Hunt took out 1st in A on 55/75 and 2nd by Russ Whitehead 48/75 local DTL champ Terry Pigram won 1st in B on 53/75 with 2nd by Red Seymour 53/75, Gary Devlin won 1st in C 50/87 and 2nd by Brad Sparling 49/87.

The 25 tgt North East Zone walk up ch/ship proved more difficult for many shooters than they perhaps anticipated, as shown by the results. Terry Pigram, however, had no difficulty in returning a tremendous score of 24/25 to win 1st AA and O/all, a great performance, Daryl Hunt won 2nd place on 18/25, Russ Taylor shot 18/25 to win 1st in A and 2nd by Brian North on 13/25, first in B was won by Graeme Coyle shooting 13/25 and 2nd by Bryce Robinson 12/25, C grade was won by lady Field & Game top shot, Trina Adams with 9/25 and 2nd by club treasurer Paul Reynolds on 7/25. Local club member Brad Sparling decided that it is a lot easier to stand still before seeing the target, as in DTL, in Brad's case our hard working committee gent and groundkeeper Ern Williams, will hopefully find 24 entire targets to use for practice shoots, unless they were broken on impact.

Visit from the Rotary Club

Club President Rob Steel with members of Wangaratta Rotary Club

The Wangaratta Clay Target Club hosted a visit from the Wangaratta Rotary Club on Monday November 9 attracting approximately 20 Rotarians for a fun night of activity at the Clay Target Club grounds situated at North Wangaratta. Local Program Director for Rotary and Clay Target Club President Rob Steel organised this very successful evening, accompanied by Gun Club members Michelle Rawlings and Brian Reid for assistance.

Most of the Rotary club members had several shots at both Down The Line and Skeet disciplines, with some of them displaying a keen eye in breaking many targets over the evening. Rob Steel gave an informative talk on the weapons and ammunition used for target shooting and with his helpers from the Gun Club provided a very satisfying and safe outing for this organisation.

After discussion with several of the Rotarians, it was evident that many of them had used firearms before, but not at clay targets. At the conclusion of the shooting part of the evening, the Rotary group had positive comments to make about this activity, enjoying the satisfaction and learning some skills about this popular sport.

CONTINENTAL & TOWER AT MATHOURA

October the 23rd came with fine, mild, clear weather, with a gentle breeze, and that was good enough to attract three full squads to the Friday night shoot at Mathoura Gun Club. Because the September shoot had been called off half way through the program, the result of very heavy rain setting in, October had a carry over Championship event of a 25 target Night Single Barrel Continental.

Once again Deniliquin shooter Tim Maher led the way, being the only possible of 10/10 in the first event, an 10 target Double Barrel

Continental, picking up his share of the cash divide, Laurie Fitzpatrick (Euroa) and Roger Kerslake (Mathoura) taking 2nd place cash with their 8/10 score. Tim went on to score a 21/25 in the Single Barrel Championship, and that score in this extremely difficult discipline was good enough to give him the Overall Winners Sash and first in AA

The two winners, Roger Kerslake & Tim Maher

trophy, B grade 1st went to club president Roger Kerslake on 19/25, and C grade 1st was collected by Bendigo member Carolyn Stanford.

Event three was a 25 target Victorian, North East Zone, Single Barrel Night Tower Championship and Roger Kerslake demonstrated the way to shoot tower, dropping only one target, collecting the Overall Winners Sash, and 1st in B grade trophy, with his excellent 24/25 score, Murray Roberts (Echuca) picked up A grade 1st, and Tim Maher collected C grade 1st with a score of 20/25.

Finishing a little later than normal, because of the two Championships shot, however, all that were present declared it a very enjoyable evening of clay target shooting.

The 2009 Victorian State ISSF Carnival was again held at the Melbourne Gun Club during the weekend October 23-25.

Bathurst 100

THE SECOND BATHURST 100 was contested at the clay target range, on Mt Panorama, on Sunday, 1st November. The 100 target Double Barrel event, again attracted shooters from Sydney clubs Cecil Park & Marconi & regional clubs Orange, Hermidale, Canowindra & Mendooran. Bathurst Gun Club members showed strong support for the popular Double Barrel event & the majority shot, very high scores. Keppel Street business houses Keppel Street Newsagency, Retravisation Bathurst, Stitches on Keppel & the Blue Barrow were generous in their support of the shoot as were Blowes Menswear & Mount Panorama Estate. The Club is very appreciative of their cash, vouchers, gift cards & donated items & so were the happy shooters who won their grade, were high guns or took the overall championship placing.

Paul Cregan BGC member, of Keppel Street Newsagency was the major sponsor & he offered \$500 for the overall championship winner, for the second year running. Three shooters Jeff Nash Orange, Peter Haley BGC & William Powell, shot the program clean & then proceeded to a shoot-off, to see who would take the \$500 home. After 130 targets & with some shadow starting to appear Bill Powell dropped a target. As did Peter, after another 32 targets & Jeff Nash claimed the championship. He was obviously delighted, when Paul presented him with the \$500 & a Peter Brock Wine Pack, supplied by Mount Panorama Estate.

Marcel & Daniel shot excellent scores on the day as did most BGC members Warren Woods 94/100, Paul Cregan, Jeff Martin, Laurie Arnold, Grahame Haley 95/100, John White, Paul Rosconi 96/100, Brad Coles, Glenn Coles, Grady Evans 98/100 & several have moved up a grade, as a result.

Anthony Dolbel was Veteran High Gun, with a score of 97/100 & he received a voucher, compliments of Blowes Menswear & a wine chiller bag from Stitches on Keppel.

BGC junior Christopher Gittany took out the Junior High Gun with a score of 85/100. This was his third competition shoot and another creditable performance, following on from the State Carnival at Wagga, where he bettered his scores in the Single & Double Barrel events.

Ladies High Gun went to Sharon Phillpot, from the Marconi club with another great score of 89/100. Sharon received some lovely gifts, donated by the Blue Barrow gift shop, as well as the first red rose of the season passed on by one of the club's vice presidents! Sharon also drew our raffle on the day & the beautiful fruit/vegetable hamper, organised by Clive Coles, was won by Paul Cregan, much to everyone's delight.

Shane Samuels, from the Marconi Club, came second in B Grade & on accepting his medallion & prize money complimented BGC members on the great targets, the smooth running of the event & on our hospitality. He also commented on how good the Clay Target Clothing Co shirts, caps & towels looked on our members & how positive and beneficial this was, in terms of promoting our club.

Thanks to all club members who contributed to a very successful day of shooting.

New South Wales Gun Club Gold Sovereign Side x Side Championship

Well before the official commencement time of the Gold Sovereign Side x Side Championship the car park at the New South Wales Gun Club was filling with shooters eager to participate in this increasingly popular annual event. More competitors had turned up this year, 68 shooters, than in the previous three competitions and the evidence in the A.C.T.A. magazine indicates a growing number of Clubs which are including a side x side event in the annual shooting program. Shooters arrived early, some camping overnight, from Bathurst, Orange, Dubbo, Wagga Wagga, Newcastle, Bundanoon, Cessnock, Yamba, Tumut, Muswellbrook, Dapto, Bermagui, West Wyalong, Port Macquarie.

L-R Frank Searles with NSWGC major sponsor, John Newton

As has become customary, prior to the competition a display of rare and interesting side x side guns is held in the clubhouse. This year the number of guns exhibited exceeded 50 including immaculate cased pairs of Purdey, Holland & Holland, cased matching Lancasters, William Leech, Dickson, a rare Cashmore Nitro ejector pigeon ring gun, Powells, several classic Boswells, Greeners and many

other treasured pieces. A great many people attended simply to view the very impressive collection of unique old guns.

The award for the best 'Restored Gun' went to Stephen French for his Dickson, and the best 'Unrestored Gun' was judged to be an outstanding 20 gauge Greener owned by Bob Ellison. The difficult task of judging the two categories was carried out by Terry Dawson and gunsmith Vettore Scapinello. Each recipient was presented with an engraved antique pocket watch donated by Andrew Shacklock and Hugh McMaster.

At 10.00 am the Club's highly valued supporter Tony Garland, proprietor of 'The Stockade Gun Shop' assisted by John Newton, Tere Alexeeff, a great old 10 gauge Boswell and a three metre clay target kicked off the day's proceedings with a very visual and loud pyrotechnic display.

The program for the day consisted of 50 sporting targets, 25 D.T.L. targets and 25 continental P.S. Thanks to Club President Hugh McMaster, Andrew Shacklock, Dave Morgan, Peter Romeo, Col Harris, Ron Black and Tony Garland for giving of their time on the Friday to set up the various shooting stations.

At the conclusion of the sporting targets three previous winners of the Gold Sovereign C'Ship, John Sidoti, Andrew Shacklock and Frank Searles, gave an indication that they were going to be difficult to beat again this year.

The various events rolled through reasonably smoothly and at the completion of the program Frank Searles and Nick Xenos were tied on 135/150. A shoot off saw Frank successful in taking out his second Gold Sovereign C'Ship with the first prize of \$1000 cash plus a genuine 1875 gold sovereign and his name added to the Club's Honour Board as well as collecting the AA prize.

There was one competitor who went home probably happier than Frank Searles, each year Hugh McMaster acquires an old Side x Side shotgun and Mialls Gunsmiths in Victoria generously restore the piece to pristine condition. This year it was a Frederick Williams shotgun and it was put up as the lucky door prize. Every participant, who competed and remained back for the Presentation ceremony, had the chance of winning the draw for the shotgun. Wildon Starkey was stunned speechless to have his number drawn and went home with a very nice addition to his gun collection (P.T.A. of course).

The day is always an interesting experience with the vast majority there

simply to enjoy shooting nice old side x sides and appreciating the company of like minded shooters. Thanks to those who participated and particularly to those who travelled fair distances to be with us.

Thanks to Hugh, Judy, Rose, Liz, Graham, who worked hard throughout the day to make it a pleasant occasion.

As with any Championship event there is always a post competition briefing to determine any fine tuning required to improve the organisation of the day. Over the past two years it has become obvious that modern side x side shotguns with single triggers, ejectors, viable chokes, fitted stocks etc are taking precedence in the awards list over historical side x sides. Next year the committee will be looking at categorising the event to make it more equitable for all competitors. All shooters using 28 gm loads will also be a possibility.

Shooters return to Caboolture for Second Annual Two Day Shoot

PERFECT QUEENSLAND WEATHER greeted the Peager shooters arriving at Caboolture gun club for their second ever two day shoot, held on November 7 & 8, 2009. The grounds looked fabulous thanks to the ever willing and hard working committee members who had been cutting the grass, cleaning the toilets, putting up shelves and shower curtains and very importantly stocking the bar.

Saturday saw slightly less than numbers that we would have liked but it made for a smooth running shoot and a relaxed atmosphere and sufficient time for everyone to catch up and tell any willing person about why they missed that one target!

25 Target Cash Divide: The first event was a cash divide eye opener just to get everyone warmed up and ready for the big one! Only 4 people shot a 25, being Nick Aird, Frank Cooper, Laurie Chelepy and Mathew Rhue.

Carnival 100 Target Champion: The next event was the Carnival Championship. 100 targets shot in two visits of 50. A light breeze

was welcomed as the temperatures and concentration increased. Nigel Hughes continued his great form to be the only competitor to shoot the 100 straight to win the event overall. Shoot offs were conducted as doubles on stations 3, 4 and 5. After 4 stations Laurie Chelepy dropped a target to give Nick Aird the 2nd place in AA grade. A shoot off between Kel Madsen and Mathew Rhue, saw Mathew the victor on 104/108 to win A grade with Kel second. B grade was won outright by Roy Shelvey on 95/100 and consistent shooting from Tracey Ashton to win second place with 91/100. C grade was won by CCTC junior member Thomas Rhue with 89/100 and 2nd was Andy Post with 85/100.

2009 Champion: Saturday also saw the culmination of the inaugural Caboolture Clay Target Club Annual Champion. The annual champion was decided based on their top six scores of the year shot at CCTC. \$650 of prize money was provided by the club for the 4 grade winners and the overall as well as an impressive perpetual trophy. With Saturday's scores to count, the overall winner was hotly contested between Nigel Hughes, Lorraine Hughes, Glenn Walker. At the end of Saturday, both Nigel and Glenn were on 725/750 so it was off to the shoot off layout. Shooting off under the high gun format saw both shooters clean until station 6 when Glenn missed a low house to give Nigel the overall title and a nice big cheque! Other winners were AA Grade Glenn Walker, A Grade Neil Dimmick 705/725, B Grade Tracey Ashton 680/750 and rising star Thomas Rhue won C grade with 564/750.

Sunday was again bright and beautiful Queensland weather with a little more breeze than Saturday. Traps were full, canteen was open and shooters ready to start at 9.00am for the first event of the day.

50 Target Handicap: 18 shooters made it through to the first shoot off with a good mixture of grades. The first round of the shoot off saw Fay Mills shoot her first ever 25 and shoot offs were briefly paused while a number of very willing shooters shot her hat! Two rounds of shoot offs later, saw Lorraine Hughes, Paulette Walker, Laurie Chelepy, Thomas Rhue and Tracey Ashton commence the last round. By station 5 only Paulette and Lorraine remained. Some fabulous shooting saw Paulette claiming the sash for winning with 113/118 (she was very happy with the wine she won too), Lorraine Hughes was 2nd and Laurie Chelepy was 3rd.

The last event of the two day carnival and the board was being closely watched for the overall high gun. Nigel Hughes and Laurie Chelepy

were both in the lead being only 2 targets down on 173/175 and it was thought they were the ones to watch for the doubles.

50 Target Doubles: Only one red score on the board for the doubles event which went to Nick Aird. AA grade was a shoot off for second place between Nigel Hughes and Laurie Sceresini with Nigel Hughes the victor. A mixture of results in the doubles event was shot with A Grade Mark Fanning shooting a personal best of 49/50 and winning A grade after a shoot off with Kel Madsen. B grade was a shoot off between Tracey Ashton and Paulette Walker with Tracey winning that place. C grade was again won by Thomas Rhue and second place to Fay Mills (who was still grinning after her 25).

Overall High Guns: The score from the doubles changed the positions on the board and a shoot off was required to find the winner of the overall high gun for the weekend with Nigel Hughes and Nick Aird both on 220/225. The long break from shooting and a new gun was of no detriment to Nick's great shooting style and saw him the overall victor for the second year running after Nigel missed a low four to give him AA grade high gun. A grade high gun with great shooting the whole weekend was Mathew Rhue on 218/225 (definitely one to watch for 2010), B grade was won by Roy Shelvey who also showed great consistency over the whole weekend and did not allow the disappointment of twice missing his 25th target to affect him to finish on 205/225. And finally C Grade went to QLD Junior Team member Thomas Rhue who is improving every time he shoots and finished the weekend on 197/225 and his arms full of prizes. What a great weekend for the Rhue's to have shot so well and worked so hard at the same time keeping our traps running perfectly and seamlessly ever full of targets.

Special thanks to Lorraine & Nigel Hughes for running the shoot, Fay Mills and Brian McCosker for providing great food (the special fried rice may have to become a menu regular), Allan Mills, Bob Ross, Pine Rivers Lock & Gunsmith and Dining Out Magazine for their generous sponsorship. And finally to the whole committee who work as whole team to have everything ready regardless of their particular discipline – an amazing team effort!

2010 Annual Carnival will be even bigger better as the grounds improvements should be well under way by then with a 3rd skeet layout, 4th DTL, permanent 5 stand set up, tower, new facilities. Check out www.cctc.com.au for all up to date results, events, opening times, special notices and email Lorraine@cctc.com.au if you would like to receive our regular newsletter. See you all there next year.

ZZ Sydney Australia Competition at Cecil Park

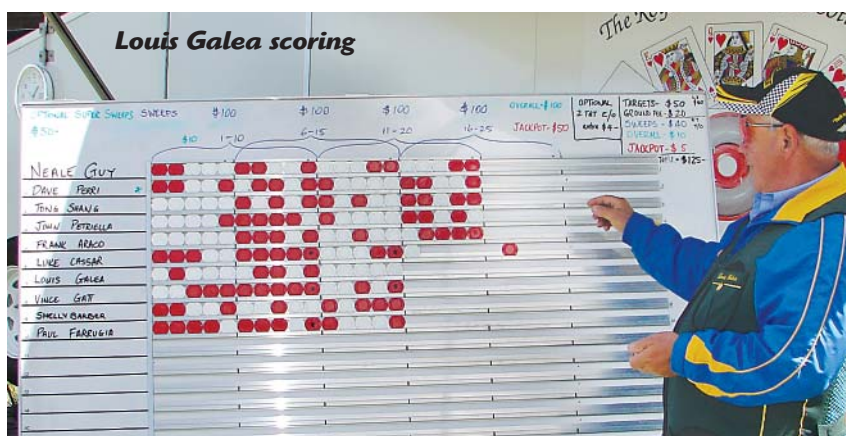

THE BLEAK SYDNEY WEATHER being overcast on the day and showing winds of up to 100km/hr with ZZ birds landing over 100m down the range it became quite entertaining to watch some of those taller shooters I won't mention any names - Vince keep their 'grounding' while being blown over like a tree branch in a cyclone.

The first sweepstakes 1-10 being taken out with 8/10 going to Vince Gatt, Luke Cassar & Paul Farrugia. Second sweepstakes from 6-15 with 7/10 went to Vince Gatt & Luke Cassar. Third sweepstakes from 11-20 was divided by Vince Gatt & Shelly Barber with 6/10. Fourth sweepstakes from 16-25 went to Tong Shang & Frank Araco with 8/10.

Overall went to Paul Farrugia on 17/25.

The Bonus Jackpot going off at the last ZZ shoot at Griffith Gun Club, so the jackpot for today is starting the ball rolling again with \$50 and will be added to the next jackpot taken on the day at Ulupna Island competition.

A BIG thank you to all the shooters who participated and helped on the day and we hope to see you again on the 23rd & 24th October at Ulupna Island for an AWESOME weekend full of ZZ shooting, more competitions and some great hospitality from Peter and

Karen Webb at Ulupna Island Retreat.

We would also like to say a special thank you to Louis Galea & Neale Guy who are worth their weight in ZZ targets which at the moment are dearer than gold! & some of the Junior Development kids who helped with the cleaning up. Your help is very much appreciated & always noticed.

See you at the next ZZ shoot on 23rd & 24th October 2009, Ulupna Island, please see add on website for more details.

SCTC 2009 Anniversary Shoot

The SCTC anniversary shoot was held in sunny, warm, light windy conditions, with both days fielding a total of 22 squads.

An absolutely wonderful array of trophies was on display from Friday evening in the SCTC complex clubhouse, and a big thank-you to Roslyn Westbrook for lending her woman's touch in helping to set it all up.

SCTC extends its sincere thanks to all its sponsors and volunteers, in helping make this weekend the success it was, and Pam Trew, Loz Lloyd and Frank Auditori, for their un-enviable work in the office.

All 6 traps functioned relatively well over the weekend, thanks to the preliminary, and on-going maintenance/care of our clubs trap specialists, Don Johnson, Geoff Westbrook and Barry Casey.

The behind the scenes work of these members is invaluable and their efforts were converted into quality targets thrown.

A big thank-you to committee member Matthew Salem and his band, for providing the Saturday evening entertainment, we look forward to their entertainment and input again soon.

The blue ribbon event for the week-end was the 25 tgt Handicap, shot on Sunday morning.

The event was decided after an exciting shoot-off by local and SCTC member, John Crompton, who was rewarded for his efforts in winning the first prize of a fabulous Zoli Kronos, u/o trap shotgun, presented by sponsor and Safari Firearms principal, Mr Gary Georgiou.

Special mention must go to the winner of the weekends overall high gun, Mr Tony Arvanitakis, with the brilliant score of 333/335.

Tony is also a member of the SCTC, and can be seen with the other grade high-gun winners in the photos published with these results.

In closing, a very special mention and thank-you, to Mr Frank Auditori, for providing his brilliant

software and expertise, which in turn gave all competitors an insight into the future of clay target competition scoring.

SOUTH EAST ZONE CARNIVAL VCTA

THE VENUE WAS FRANKSTON AUSTRALIAN and the preparation of the grounds was a credit to the club. One hundred and fifty one shooters had rolled up for a shot in what was also the final round of the Premier Teams Event.

First event was the Handicap and almost every one made the targets look hard to stop, however with the only 25/25 was Ben Brown from 17 Mts, Second was Callum Houghton 29/30 and John Pettinato was third with 28/30, Rob Pistone took the Back Marker with 24/26 and Colin Harrington the junior Front Marker 21/25.

At the half way mark in the teams section it was Werribee 2 leading the field with 111 from Mornington Blue 109 and the remarkable situation was that there were only three other teams in triple figures and this was from the 22 teams nominated. The juniors from Mornington where also very well placed.

With the low scores in the Handicap it was expected the Double Barrel would see a lot more targets broken, there were, but not as many as was expected. Twenty Two shooting the Twenty five required to go through to the shoot off. John Rowe was to stand alone with the total of 51/51 taking Overall, AA Don Rhoded 53/54, Paul Haslem 52/54, Ron Williams 42/43, Damien Hutchins 34/35, B Col Nelson 47/48, Bruce Bird 30/31, Kevin Cloak 24/25, Colin Harrington 25/27, Lady Emma Brache 24/25, Jnr Joel Lennane 32/33.

In the teams section decided over the H/C and the D/B, Mornington Blue had stormed home with only three points down in the D/B to be the winners with 231/250. The team of Brent Young, Joel Lennane Daniel Cleary, Colin Nelson and Lance Cazaley were able to overhaul Werribee 2 and Melbourne Blue who were equal second on 225/250. The junior team from Mornington also had a win with Daniel and

The last event was twenty five Points and seven shot them and once again in conditions that did not look difficult, things did not go far with Bernie Stokes 128/129 taking Overall, AA Dexter Barnes 123/126, Wayne Parks 122/126, A

Barellan's Long Serving are Appreciated

At the Barellan November shoot, Ken Whytcross was presented with life membership. Ken moved to Barellan in the late 60s with his parents Ian and Ruth. He began shooting at a junior age and has been a competitive shooter ever since.

In the late 70's Ken married local girl, Shirley Jackson. The two settled in Barellan and Ken carried on farming with parents Ian and Ruth.

l-r Ken Whytcross secretary, Shirley Whytcross, Les Irvin president and Coralie Irvin being awarded life membership and appreciation certificates at Barellan Clay Target Club November shoot

Ken and Shirley have been keenly involved with our club for more than thirty years, Ken in the office and Shirley primarily in the kitchen. Shirley's mother Dorothy, who passed away in October 2008 also served over thirty years to which a certificate of appreciation will be placed in our club house.

Further more, Coralie Irvin who has worked more than 25 years with the catering and also handling the large percentage of the trophies, was also awarded a certificate of appreciation for her continuous work.

Barellan is a small village with a population of almost 400 people, 55km east of Griffith in a dry area farming community.

On the day of these awards, we had thirty shooters attend. Shirley and Coralie often have local and visiting shooters' partners, lending a helping hand and the comment "We only come here for the afternoon tea" is often heard from our visiting shooters.

Congratulations and thank you from the Barellan members.
