National President's Notes

Our magazine or newsletter whichever you may wish to call it has always been an item for discussion, some of our members will openly tell you that they never open and read the magazine as it purely caters to our competition shooters with little or no other editorial content.

Over the past six months Mr Robert Fox the Chairman of the Membership Services committee and his committee have undertaken a comprehensive review of the production and costing of your monthly CTSN, looking at the different ways that we can provide a more newsworthy magazine and stay within our financial budget. Robert's committee sourced several companies who were then invited to submit a presentation and quotation for the publication of our magazine offering the publication on a light weight gloss paper. Now that all these details and costs have been submitted your full executive will at their June executive meeting make this an agenda item to bring to fruition and our way forward.

Executive Officer's Report

The upcoming ISSF Championships commences on the 18th of January with the first day being practice.

The Brisbane Gun Club is hosting the event which is also a part of the selection process for the Commonwealth games. The ISSF program over the next six months will help determine the team to compete at the Commonwealth games in New Delhi, India in October. If you are in the Brisbane area on holidays why not drop in for look at the Best ISSF shooters in Australia and some of the best in the World.

The ISSF Championships is also the first of the 2010 ACTA Nationals series featuring the Trap, Skeet and Sporting Clays Championships as well as the Commonwealth Championships. Additionally we have the Glenn Trophy

being contested in New Zealand by the Australian Trap Team before our World Championship squad travel to Johannesburg South Africa for the World Team events in March. We wish each of the shooters all the best in their team and individual competition.

Shooters achieved many great results at the top level in 2009, with that behind us we look forward to producing even greater heights in 2010.

We are always looking at ways to encourage many more shooters into competition. Many of our members do not shoot competition on a regular basis. Does your club have innovative ways of enticing more "rank and file" shooters into competition? would you like to share those innovations. We would gladly pass on these innovations with due credit through the Magazine. As competition gets tougher to maintain people in our sport (and every other sport) we need to continue to re evaluate the way we do things.

If we are not moving forward with initiative then we are going backwards. From clubs to Zones and through to States, tell us what innovations you have planned for 2010 and beyond. I have no doubt we would not turn up on a week-end to shoot is we could not socialise afterwards with our friends and visitors to our clubs. It is like an extended family, a source of release from the everyday grind.

The more we do to encourage shooters to attend events the better. So next week look around, find a club and pack up some friends and pay a visit. Make a day of it and take the family, create some tradition with a neighbor or further afield. This doesn't have to happen every week, pick a particular competition and make it reciprocal every year. This is a great way of adding "Tradition" to your Club. Tradition starts the day you do something new, as well as respecting those traditions already in place.

NEW HASSLE FREE TRAP CHAMPIONSHIPS

THIS YEAR'S NATIONAL TRAP CHAMPIONSHIPS will be a relaxed and enjoyable experience for those who attend. The establishment of pre nomination and pre squadding will ensure all of the hassle is taken out of the Championships.

Once nominated each person will receive a letter containing confirmation of the entry. Upon arriving for the Championships the registered shooter can "check in" by providing their handicap card and shooter License plus any changes to their handicap status to the Events Office staff.

The staff will provide you with your Shooters card for the week with all of your details of squadding, wave and approximate time.

All shooters will be retained in that squad for the duration of the competition except for the Handicap. Squads will be rotated.

For the National handicap shooters will be re-squadded according to handicap marks. This will be available the day prior to the handicap event.

The handicap event on Saturday will provide a fitting climax to the event with 80% of the Nominations returned to the Place getters followed by the Mackintosh and teams events to on Sunday to complete the program.

The ACTA through the Hall of Fame committee is organizing a Mackintosh reunion, being planned for 2011. The reunion will be held to celebrate the selection of members of the Mackintosh team since its inception. The year long promotion will feature a Mackintosh story in each edition of the CTSN leading into the reunion. Further details will be forthcoming in the next CTSN.

QCTA State Skeet Carnival

ROMA CLAY TARGET CLUB

Paul Adams

AS USUAL IT WAS WORTH TRAVELLING the distance to the Roma Clay Target Club for the Queensland State Skeet Carnival in September. Club members had worked hard to have the grounds and layouts in A1 condition for the thirteen squads of skeet shooters who arrived to contest the championships under perfect conditions.

The Multigauge events began on the Thursday with popular interstate regular Gil Farish winning overall in the 20 gauge event with a perfect 50/50, one target ahead of Nigel Hughes who took AA grade with 49/50. The second event was the 28 gauge won by young champ Paul Adams from Brisbane, also with a 50/50. Good shooting also by Jim Storch from Blackwater who took A grade in this event with 48/50, and Thomas Rhue from Caboolture winning C Grade with 42/50. The final event for the day was the 410 and Gold Coast's Dave Dundon took overall in this event with just one target down on 49/50. Other stand-outs were Paulette Walker, who won B grade in all three Multigauge events, shooting 45/50 in the 410, and local Roma President and trap shooter Michael Keegan who won C Grade with 36/50.

Friday morning saw the final event in the Multigauge championships, with Glenn Walker taking overall in the 12 gauge with 50/50. Other grade winners were Paul Adams in AA and Neal Dimmick in A grade who also shot 50/50, Tracey Ashton in B grade with 48/50 and Chris Bourne in C grade also with 48/50. Multigauge champion over the 200 targets and four gauges was Dave Dundon with an excellent score of 197/200.

The State Skeet Championships began on Friday afternoon, kicking off with the 50T State Handicap event. This event has been generously sponsored for the past couple of years by Laurie and Candy Chelepy who have more than \$1100 in cash prizes up for grabs on this event. The cash this year was taken by Ashley Mason from Toowoomba who shot a brilliant 100/100 after an exhaustive shoot off. Ashley's eloquent speeches at the presentation table make him a crowd favourite so we were all behind him in the shoot off – well done Ash. Other place getters in the Handicap were Dave Dundon 2nd 111/112, Michael Keegan 3rd 102/112, Allan Denton 4th 90/93 and Veronika Forsythe 5th 82/91.

Saturday's 100T State Championship was the major event on the card with a silver State badge, sash, perpetual trophy and cash award going to the winner. Dave Dundon blitzed the competition with 99/100 to take overall, while Nigel Hughes and Paul Adams fought it out for 1st

and 2nd in AA grade with 127/129 and 126/129 respectively. The Pioneer club featured strongly in this event with Laurie Rodden shooting well to take 1st in A grade with 98/100, Alan Adams 1st in B grade with 96/100 and John Rodden 2nd in B grade close behind with 94/100. Lorraine Hughes won the Ladies title with 104/107, Paul Adams won the Juniors with 98/100 and Mount Isa's Mick McGill won best Vet with 96/100.

Alan Adams

Thank you to our efficient Zone Secretaries for submitting their postal team scores. The South East Zone proved too strong winning both the Open and Ladies team prizes this year, with the Northern Zone boasting the winning Veterans team. Winning teams were: South East Zone Open – Dave Dundon, Mike Morgan, Lorraine Hughes, Marg Denton, Glenn Walker and Neal Dimmick 145/150. South East Zone Ladies – Lorraine Hughes, Marg Denton and Carol Tipler 68/75. Northern Zone Veterans – Doug Killick, Barry Edwards and Dave Guy 66/75. Well done teams.

The Handicap and 100T Championship also decided the State teams and Queensland will be proud to field strong teams again at the 2010 Skeet Nationals in Wagga. Open team members: Glenn Walker, Nigel Hughes, Mike Swale, Laurie Chelepy and Pat Dury. Five shooters contested the final place in the open team so competition was certainly tough for

Ashley Mason with Laurie & Candy Chelepy

this selection. Ladies team members: Lorraine Hughes, Margaret Denton and Debbie Young. Great to see another Junior team for Queensland again with Paul Adams, Luke Mason and Thomas Rhue. Veterans team: Mick McGill, Neal Dimmick and Allan Denton. Congratulations to team members and good luck in 2010.

The 50T Pacific Coast Championship on Sunday morning delivered more good scores for Dave Dundon who shot 77/77 to win overall in this event, Nigel Hughes again hot on his heels with 76/77 to win 1st in AA grade. Other good scores were achieved by George Petrou shooting 50/50 to win 1st in A grade, another 50/50 by Geoff Bryant for 1st in C grade and a very impressive 48/50 by Nancy Badewitz from Cooma to take 2nd in C grade. Section prizes went to Debbie Young, Ladies with 49/50, Paul Adams, Junior with 49/50 and George Petrou, Veterans with 50/50.

Rounding off the carnival was the 50T State Doubles Championship, fought out in a shoot off between Dave Dundon and George Sckaf, with Dave taking the overall sash and badge with a very fine 59/60. George was well satisfied with 1st in AA grade also shooting a very respectable 58/60 with Frank Cooper from Brisbane close behind in 2nd place with 56/58. Alan Adams won B grade with 47/50 and C grade went to Veronika Forsythe

on 44/52. Ladies went to Katie Light from Toowoomba with a great score of 48/50, Paul Adams took Juniors also with 48/50 and Neal Dimmick showed fine form to take Veterans with 49/50.

At the presentations Dave Dundon was aptly provided with a trolley to take home his swag of prizes. These included 2009 Skeet Champion 199/202, and Overall High Gun for the carnival with just two targets down for the entire weekend, 248/250. Great shooting Dave. The High All Around for the combined Multi-gauge and carnival champion was also won by Dave with a score of 442/450. This is a terrific prize sponsored by keen competitor Pat Dury who provides a sash and specially struck belt buckle for this hotly contested award.

Grade high guns for the weekend went to Glenn Walker AA grade, Neal Dimmick A grade, Alan Adams B grade and Geoff Bryant C grade. Team high guns went to Glenn Walker for the Open team, Marg Denton for the Ladies, Paul Adams for Juniors and Neal Dimmick for the Veterans team. Glenn featured again in the Two Person Team award, sharing with Laurie Chelepy for a combined score of 485/500. Section high guns were won by Lorraine Hughes, Ladies with 238/250, Paul Adam, Junior with 243/250 and Neal

Dimmick, Veteran with 238/250. Congratulations to all deserving winners.

It's impossible not to enjoy yourself at the Roma club where the hospitality is always top notch. We can't thank Veronika Forsythe and Geoff Bryant enough for their dedicated efforts in turning on an excellent carnival and it didn't go unnoticed that they were always the last to leave each night and the first to arrive every morning. Ronnie also ran an extremely efficient office keeping one step ahead of the pace all weekend – very professional and a great effort Ronnie. Thanks to our host Michael Keegan and his hardworking band who kept the cool drinks and fine food flowing, always with wide smiles and friendly service.

Of course thanks must go to our sponsors who make these shoots possible and continue to give generously to support our sport. Also to all those working behind the scenes, whether it be loading traps, cutting sandwiches or refereeing and scoring in the hot sun, it is your efforts that make our shoots a success. Last but not least thank you to all who attended and competed at this year's State Skeet Carnival, particularly those who made the effort to travel from interstate. You have all contributed to an extremely enjoyable State Skeet Carnival.

Debbie Young, QCTA

Australasian Police and Services

29TH TARONG ENERGY AUSTRALASIAN POLICE AND SERVICES Clay Target Championships were this year sent north to sunny Queensland. Sunny Queensland was more like melting pot, as high 30's and low 40 degree heat welcomed competitors from as far afield as New Zealand, all southern states, and north Queensland. In total over 200 individual competitors attended the Championships with average total over three day trap carnival averaging 157 competitors a day.

The Police and Services Clay Target Championships are shot in two categories with the Police and Services competing amongst themselves in one category and the open field competing on their own in the second category. Either pool was competitive. Over 35 sashes were on offer over the 4 days of shooting, and from the start it appeared everyone wanted to take one home.

Toowoomba Clay Target Club was the first venue visited by all, on Thursday the 26th of November 2009. The Skeet event was shot at the club grounds. Thanks to the Toowoomba Clay Target Club for use of their grounds. Steve Steenstrup was the overall winner for the Police and Services shooting a convincing and lonely 50/50. John Maxwell won the Civilian event.

There are two teams events shot for in the Police and Services, one Skeet was the first to be won by South Australian Police Team of Andy Norman, Alan Vilcins and the Special Constable from NSW Rick Mathers. Congratulations to this team, making them consecutive winners from Coffs Harbour the year before.

Thursday afternoon saw competitors head en mass to the Kingaroy district for the

upcoming three day DTL competition. Event organisers were encouraged it was going to be OK when over 130 arrived at the welcome dinner at the Kingaroy Hotel. Guests were entertained by the much acclaimed Queensland Police Pipe and Drum Band, and old friendships reformed over the dinner. On the Friday morning the Kingaroy Clay Target Club welcomed the competitors with their excellent facilities. The five Canterbury Traps were ready for the onslaught, and the grounds were truly fitting for hosting this long standing National event.

The Queensland Police Pipe and Drum band were on hand to entertain competitors, and

Queensland Police Trap Team - L to R: Glen Durre, Scott Prendergast, Don Marbbutt, Gary Brown, Alan Davies, Brian Muirson, Vic Tipman, Mal Rankin

Event 2, the Beretta/ Ransen Timber Company 50Tgt Single Barrel Championship was shot in perfect light and hot conditions. Again Steve Steenstrup hit the perfect 50/50 in the Police and Services side and took out the Overall in that section. The Civilian section required a shoot off to determine the Overall and it ended going down to the wire with Alex Dallas shooting 67/67 against John Maxwell who won AA on 66/67. It was great shooting by all.

It is probably worthy at this point to pass on some advice to one of the good guys of the competition. Powelly, it is not over until someone sings.(so they say)...his 45/50 did not see him in good spirits at the end of the event, but it was good to chat to someone at the bar. Event 3, Betta Electrical 30Tgt Continental Championships were reduced from 50Tgts, to 30Tgt due to the large competitor list and the lateness of the starting hour. No one seemed to mind, as the heat was taking it out of all, and it appeared that all the hard work in putting up the shade sails were paying dividends due to the crowds gathering under them.

Chris Penno won the overall in the Police and Services, after he and five others shot the 30/30 in that category. The Proud Victorian shot well to win the overall. Frank Robinson the Central Burnett club member shot well to beat nine other perfect 30's to win overall in the Civilian Section.

Andrew Norman, Matt Dwyer & Peter Kenyon who was Overall Skeet & Highgun

the shoot was opened by Assistant Commissioner Graham Rynders .

First event on the Friday was a 25 Target double barrel eye opener, and judging from the red ink on the board after this event, Mal Rankin and his crew had set the traps to throw some great targets. There were 19 Police and Services and 33 civilians shoot the perfect 25/25. (See results for full details.)

Opening Ceremony

Clay Target Championships

Civilian Team - Cameron Brown, Bob Cusack, Alec Dallas, Clayton Cusack and John Maxwell

This event finalised the Friday program and the late finish to the day, saw many head to the club house for a cool drink and enjoy another lovely meal from the kitchen staff. At this point the QPCTC club would like to thank Sharron and Jodie and their helpers who prepared fine meals, all weekend in pretty hot and steamy conditions.

Saturday 28th November 2009 saw event 4, the S v B Extetch 50Tgt Handicap kick off brighter and earlier than expected with competition commencing at 8:30am. Handicap is always fun, but at the hour added an extra element to the event. Over 160 competitors lined up for the Saturday morning event. Police and Services category was won by Phil Oswald - 58/58, 2nd Terry Bannan- 57/58, 3rd Terry Forest- 78/79, and 4th Andrew Norman- 77/79. With not a Queenslander amongst them in the Police and Services, we relied on the Civilians to provide some local winners, and the Condamine Kid, Dean Cusack 61/61, beat the local bloke Mike Stewart 60/61 in a shoot off for first and second, and Bruce Powell 85/86 in third and Lance Broom 84/86 in forth.

Event 5 - Winchester 50Tgt Double Barrel event commenced in good time and all were eagerly awaiting to see who would end the victors. There were nine possible 50's in the Police and Services section and 24 possibles in the civilian section. There was a large contingent of shooters remaining for the shoot-offs with minor places being sorted out amongst the overalls. By end of day, the Police and Services winners had been established with Alan Vilcins winning overall with 164/164, beating Peter Kenyon 163/164. There were not enough hours in the day, and at the end of the Saturday, Robbie Cusack, John Maxwell and Irvine Wynyard remained in the hunt, having shot in excess of 200 targets. All retired to the clubhouse for another great meal, and to be served cold beverages by the hard working bar staff of Jan and her team.

Sunday morning and the shoot-off commenced at 7:30 on the dot, the first 25 targets were shot as double barrel and unfortunately due to the

number of competitors, it was decided to finish the events under points rules. Irvine, unlucky went, and then a short time later, Robbie Cusack second barrelled a nasty little target. John Maxwell was declared the winner, on 259/259. Robbie 258/259. Congratulations to all three competitors, it was great to watch great competitors in action. Event 6: The Perazzi Australia 50Tgt Points

Score was then held, and Col Tanner from the Kingaroy Club, slickered the Police and Services category, with a great display of shooting, finishing with 150/150.

For the first time at the Police and Services Nationals, the Australian Police and Services Team took on the Civilian Team. The events were selected on results from Double Barrel, Points Score and Single Barrel. The 20Tgt Points event was sponsored by CWB Plumbing of Wondai and was well supported by the spectators: Clayton Cusack, Robbie Cusack, John Maxwell, Alex Dallas and Cameron Brown, competed against, Peter Kenyon, Steve Steenstrup, Simon Gloster, Alan Vilcins and Michael Bryan. The civilians did hand out a small thrashing to the Police and Services Team, but was shot in good spirits and enjoyed by all.

Thanks to all who travelled to make this event, one of the best in the 29 year history, it could not have happened without that support. The four days were smooth running, and this was no fluke with Brian Muirson and his office team of Anita and Sheree, working long hours to ensure the event moved along. Victor Tipman and Mal Rankin and their field crew also deserve special mention, with the guys having to fill each trap in excess of 75 times each (times x 5) over the weekend. To Brownie and his entire QPCTC team, well done. Special Mention to junior competitor Henry Dean, who was handed a \$500 Cheque to assist with his attendance at the Nationals in Wagga in 2010. This support came from Steve Whitehead from Canterbury Traps and the Qld Police Clay Target Club - Good luck down there mate. The Queensland Police Clay Target Club would like to acknowledge the efforts of the large amount of South Burnett businesses, South Burnett Regional Council, National sponsors and especially the members of the Kingaroy Clay Target Club, who enabled this event to be the success it was.

Richmond River

Record Attendance at Two Day Shoot

Visiting clay target shooters from Ballandean, Bombala, Brewarrina, Broken Hill, Canberra, Central Burnett, Cobar, Dubbo, Glen Innes, Gold Coast, Grafton, Guyra, Gympie, Inverell, Kempsey, Moree, Port Macquarie, Singleton, Tamworth, Taree-Wingham, Treloar, Tyagarah and Warwick joined with locals making a record attendance at Richmond River Gun Club's two day shoot on 21st and 22nd November. Eighty four competitors including nine ladies, 13 veterans and three juniors had to deal with extremely hot and humid but some excellent shooting soon had lots of red numbers on the scoreboard.

A total of twenty three possibles were recorded in the warm-up first event a 25 target double barrel cash divide. Kevin Harding, Peter Fitzalan, Kevin Bourke, Kim Nealon, David Caccioppoli, John Sleightholme, Ray Turner, Graham Wilson, Jim Cornwall, Helen Overton, Geoff Hunter, and Wayde Hawkins in AA; Matt Colley, Tony Rogers, John Webster, Russell Bourke, Monte Klingner and Barry Cameron in A grade; Scott Brereton, Geoff Pringle, Cherie Hunter and David Hogan in B Grade, and an elated Libby Clarke in C grade all won money with 25/25. Junior Sara Costanzo with 24/25 took second money in C grade.

Second event, a 25T single barrel saw only two possibles shot. A graders Stuart Boydell and Scott Smith both got the lot with Stuart victorious after the ensuing shoot-off. John Sleightholme, David Caccioppoli, Brad Hemshall and Geoff Field, all with 24/25 shot off for AA. After an additional 17 targets, Geoff Field won with 41/42 from Brad Hemshall 40/42. Thomas Green (27/28) won B Grade from Noel Edlington 26/28 after a three way shoot off that included Roy Warren. Greg

HG and CS winners David Caccioppoli(AA), Wayde Hawkins (O/A DB), Cherie Hunter (Ladies), John Sleightholme (Overall), Ray Stevens (B grade and Medley), Libby Clarke (C Grade), Dylan Mengel (Junior), Stuart Boydell (A grade) (Absent – Peter Fitzalan, Veterans)

Lancaster (22/25) won C Grade from Libby Clarke (21/25). The red marker got another workout in the Wal Murray Real Estate 50T DB Championship event. David Caccioppoli, John Sleightholme, Brad Hemshall, Phil Westbury, Wayde Hawkins and Geoff Hunter (AA); Daryl Pasfield and Ted Schneider(A); and Peter McKenzie (B Grade) all shot 50/50 and went to the tracks to shoot-off for the coveted overall sash.

One by one the challengers dropped away until Wayde Hawkins triumphed with 100/100. Brad Hemshall won AA grade with 99/100 from David Caccioppoli (86/100) and Daryl Pasfield 72/73 A Grade from Ted Schneider 55/56. Peter McKenzie had secured B grade and his first 50 Break badge but shoot offs were also necessary to determine 2nd in B grade between Cherie Hunter, Ray Stevens, Maurie Westbury and Mick Wilkins who had all recorded 49/50. Ray Stevens secured second after only three extra targets. Warren Beddoes (47/51) had his first win in a shoot off narrowly beating Don Johnson (46/51) for the C grade prizes.

A cloudless sky and only a slight north westerly greeted the shooters and dashed all hopes of a cool change on Sunday. In very hot humid conditions David Caccioppoli, Geoff Hunter,

Peter Fitzalan, Kevin Bourke and John Sleightholme in AA, and Mathew Colley in A all shot the possible 75/75 in the Points Score event.

Overall winner was Geoff Hunter (123/123), Kevin Bourke won AA with 122/123 and David Caccioppoli 110/111 2nd. A shoot off for second place in A grade (won by Mathew Colley 50/50) was necessary between those who had dropped only 1 point Daryl Pasfield and Stuart Boydell with Daryl taking the spoils. In B grade, after Maurie Westbury had secured first place with 74/75, Cherie Hunter claimed 2nd with 110/114 narrowly from Peter McKenzie 109/114. Don Johnson (68/75) took C grade with Phil Consalvo (66/75) 2nd.

The Casino Tyre Professionals 60T Medley Championship was a test of stamina as well as concentration. Each squad shot 20 db targets on layout 1, 20 sb on layout 2, and 20 ps on layout 3 with only time to pick up cartridges and a quick swig on a water bottle in between. Gold Coast shooter Ray Stephens, secured the sash and overall prize with a fine 99/100. Kevin Harding (123/125) defeated John Sleightholme 122/125 in the shoot off for first and second in AA and Stuart Boydell (120/125) won A grade from Matthew Colley (119/125). With Ray

Psychological Skills for Shooting

Michael Kruger-Davis

HOW DO YOU KNOW WHEN THE PROBLEM IS PSYCHOLOGICAL?

In Last months article, I wrote that part of any evaluation of your performance in the previous year should include a skills audit and three levels of skills should be addressed: technical, physical and mental skills.

Technical skills involve the fundamentals of shooting: for example, stance, lead, target acquisition and follow through. If you need help with any of the technical skills then some time with a coach maybe worthwhile.

Physical skills, for example, involve those aspects such as strength, agility, stamina, muscle memory, dealing with fatigue, hydration and nutrition. Sessions with a dietician, strength and fitness coach or masseur may be appropriate.

Mental skills involve concentration and attention, visualization, mental rehearsal, relaxation and goal setting.

So as a shooter you have identified that you want to correct a problem or improve your performance. To do this you must first identify the source of the problem. Unfortunately, once you have insight into why you are not performing well or know what the problem is, then you are likely to become anxious about the decisions that you now have to make to correct the problem. Just knowing the problem doesn't help: you need to have a solution. However, when we are not performing well, we are likely to get unsolicited advice from everyone and we can end up with too many choices. Having choices can lead to anxiety because we do not know which option we should take. This anxiety is due to being overloaded with options and choices.

Having too many choices can lead to self-doubt. So what can be done? Firstly, you have to identify what the problem is. If the problem is psychological, then according to Nideffer (1992), it is most likely one of concentration or arousal control. If the problem is technical, then the solution involves technical and or tactical changes. Secondly, you must

the responsibility for choosing and following through on the course of action. This means you must make a commitment to follow a specific course of action. Once you have faith in your choice then you can quiet the doubt and conflict in your mind.

According to Nideffer, how do you know that your problem stems from the loss of control over your physiological arousal or the ability to concentrate, and isn't simply a technical or tactical mistake? Nideffer describes four questions which can be used to test if the problem is psychological or technical aspects of your performance.

- 1. Are you satisfied with your skill level when you are shooting well?** If the answer is no then you probably do not have the skill level necessary to perform to your potential. If the problem is strength, or speed, stamina, etc then any amount of mental rehearsal will not help. Physical practice with expert technical coaching will help.
- 2. Do mistakes occur at random or do they increase in pressure situations?** A purely technical or skill problem will occur in a wide variety of settings. You will be unable to see any pattern. When the problem is psychological, the mistakes will tend to occur more frequently under pressure and will have a predictable pattern. Such as, missing the last target, or the first target in the shoot off.
- 3. When you are having a problem, how do you feel?** According to Nideffer, if you feel confident, and in control of your thoughts and feelings, then, the problem may involve nothing more than a simple technical issue. If, on the other hand, you feel a sense of panic, if you feel pressured, rushed, confused or overloaded, then the problem is psychological.
- 4. Is the problem affecting only one aspect of your performance or are several things going wrong at the same time?** Nideffer states that when stress is a factor, the increase in muscle tension interferes with your vision and concentration. Under these stressful conditions, you are not likely to be dealing with a single problem: instead you will find that everything is going wrong. As you try to make up for each subsequent mistake you will keep making more because you will be trying make up for each mistake. This is what happens when you see three missed targets in a row.

The biggest issue with working out what the cause of the problem, is often denial. This is the reluctance to admit that a psychological problem exists. And this will be the topic next month.

Stephens winning overall, B grade went to Thomas Green 97/100, Leah Costanzo 96/100 was second. Don Johnson 88/100 took C grade from Danny Green 84/100.

In the final event, a 25T Continental sponsored by Mick Scully Motors no less than 16 shooters scored the possible 25/25 with a host more on 24. After the shoot-offs Robert Clarke (54/54) had won AA from Dale Ellis (53/54), 2nd Matthew Colley (44/45) A, from John Webster (39/40), Robert Reeves with 25/25 in B grade did not need to shoot off although six others who had dropped one only shot off for second until Cherie Hunter(30/31) was successful in securing that prize. Bruce Copper (24/27) won C grade from Danny Green (23/27).

After all the scores recorded over the two days were tallied, High Gun sashes and prizes donated by Mike and Letta Sullivan were awarded to – Overall John Sleightholme (296/300), AA David Caccioppoli (294/300), A Stuart Boydell (290/300), B Ray Stevens (284/300), C Libby Clarke (267/300), Helen Overton, Cherie Hunter, Tammy Kelly, Dimity

Boydell, Rebecca Vary, Leah Costanzo, Libby Clarke, Kylie Green, Nancy Davis and Jnr. Sara Costanzo made for some serious competition for the Ladies sash and trophy donated by Kim and Therese Nealon.

Cherie Hunter, who shot very consistently all weekend, made the difficult choice of the Ladies championship in preference to open B grade after having scored a total of 286/300. Peter Fitzalan (287/300) was Veteran High Gun with Junior High Gun Dylan Mengel (265/300).

Efforts of those who looked after the kitchen and barbecue, keeping shooters and supporters fed and watered was remarkable and is gratefully acknowledged, as were those who attended to the office work.

The shoot was the biggest and most successful in the history of the Richmond River Gun Club thanks to the attendance of visitors, many travelling hundreds of kilometres. Without the support of the shooters, there are no shoots. Lessons have been learned from the experience and some changes will be made to the programme and the organisation which will make next years event, due to be held in May, even better.

Ken Gibbon Memorial Shoot

THE FIRST SUNDAY in November saw the holding of the Ken Gibbon Memorial Shoot for the 5th time on behalf of Tyagarah CTC Inc & held at Richmond River Gun Club's grounds, which had been prepared to perfection.

The day started with some cloud but developed into a sunny day with some cloud and a short shower mid morning.

Six squads lined up for the programme being 25 Tgt Pts, 25 Tgt S/B & 50 Tgt D/B shot in 2 visits. After the 1st round there was 1 possible shot by AA shooter Tony Ryder, with Ray Turner AA close behind with 74, with Russell Bourke A returning a 74 and several other A & B shooters with scores above 70, the shooting was looking not too shabby. Other notable was C grader, Terry Milgate, with 73.

2nd event of 25 tgt S/B saw 1 possible shot by Kevin O'Brien A & Ray Turner AA with 24. This event certainly sorted the troops out with some good scores shot and the psychological struggle being ever present.

1st & 2nd place winners

3rd & final event of 50 Tgt D/B saw possibles returned in the first round by AA shooters, Ray Turner & P Green & A graders Russell Bourke & Jeff Lowndes. Going into the last & final round saw heavy concentration as there was only one target lead in AA & A with 2 targets in B grade.

After a tense final round Ray Turner AA was the victor by 1 target over Tony Ryder, Jeff Lowndes had a 2 target buffer on Russell Bourke & Kevin O'Brien. After an exciting shoot off, Russell was the victor, B grade was won by Henning Beth with Harold Batson 2nd, C grade went to Terry Milgate, with a comfortable lead over 2nd place winner, Don Johnson. The Ladies was won by Rebecca Vary with Nancy Davis 2nd, with both ladies having a great days shooting.

A successful day was had by all. Tyagarah CTC would like to thank Richmond River Gun Club for the use of their facilities and their ongoing support of this event. The wonderful ladies who ran the kitchen & got

everything organised. Without the support of our wives & partners a day like this does not happen with ease.

FIFTH SUNDAY SHOOT AT ECHUCA

COOL, WINDY, with black storm clouds moving through the sky, is the weather that greeted the three full squads of shooters that arrived at the Echuca Clay Target Club on Sunday the 29th of November. Certainly not ideal shooting conditions and the lack of a multitude of good scores proved that point. With the quality of the competitors attending, the scores should have been better, but the problem was that as well as being moved around in the wind, the black targets were actually disappearing in the black clouds, making it very difficult to post a perfect score.

Craig Scott OA DB

Ian Phillips OA DR

Apart from two shooters one from Numurkah/Shepparton and one from Bendigo every place in the results for the day's program was filled by an Echuca club member. In the first event a 25 target Points Score, not one possible was shot, although Steve Atkins gave a good try with only three points lost, taking out 1st in AA grade with his 72/75 score, Steve Traill survived a one target shoot off to take out 2nd in AA with a 74/78 result. A grade 1st was collected by Charley Burns (Num/Shepp) on 69/75, Ron Traill picking up 2nd in A with a 67/75. B grade 1st was a recently returned shooter, Drew Healey, on an equal top score of 72/75, B 2nd was Doug Faulkner on 68/75, C grade 1st was a new, junior, Bendigo shooter, Laura Wooley, shooting a respectable 54/75 score, C 2nd was Barry Rogers on 49/75.

Event Two was a 25 target Double Barrel, and only three shooters managed to nail all 25, Craig Scott, Steve Atkins, and Drew Healey, Drew lost his 33rd target giving him 1st in B grade, (and a grade shift to A grade, congratulations Drew!) Steve let his 42nd target slip away earning him 1st in AA grade, and after smashing his 42nd target, Craig Scott, took out the prestigious Overall Winner's place with his well shot 42/42 score. Warrick Kelvy collected 1st in A grade with his 24/25 score, and Barry Rogers after posting a 19/25, took C grade.

20 Pair Double Rise was Event Three, and Ian Phillips couldn't be caught with his 34/40 score, and he collected the honour of being the Overall Winner, AA grade 1st was Steve Traill one further target lost on 33/40, Warrick Kelvy picked up A 1st on 32/40, B 1st was David Cox on 28/40, and once again Barry Rogers collected C 1st on a score of 16/40.

The 20 metre mark was the shooting position for the final event, a 20 Pair Deauville Doubles, with the shooting pairs being drawn. Emma Cox and Warrick Kelvy were drawn to shoot together, and they couldn't be caught, shooting an excellent score of 18/20, which earned them

first place, and Steve Traill and Peter Sing picked up 2nd place, shooting a 16/20 score.

The weather may have kept some shooters from travelling to the shoot, but those who attended had an enjoyable day of competition. The rain stayed away until after the shooting was over, and with good organising from the committee, the presentations were all over well before 4pm.

Mathoura Shoots Mixed Targets

With the prediction of thunderstorms and heavy rain for Friday the 27th of November, and dark clouds everywhere, the nights shoot at the Mathoura Gun Club was very lucky to go the entire night without any weather problems at all, except for a mild gusty wind moving the targets around. Within half an hour of finishing the shoot, down came the rain, with strong wind and lightning to back it up.

Three full squads of shooters arrived to compete for the nights program, which included a Victorian North East Zone Night Mixed Target Championship, and once again Deniliquin member, Tim Maher, demonstrated his shooting ability, by dropping only four points in that event, ending on a 56/60 score to collect the Overall Winners Sash, and first in A grade trophy, good shooting for a difficult event at anytime, but especially, in windy conditions, and shot under lights. Trevor Lindberg collected B grade 1st with a very respectable 51/60 score, and Echuca member, Barry Rogers, took out 1st place in C grade with a score of 33/60.

Event one was a ten target Double Barrel, and three shooters managed to down all ten, club president Roger Kerslake, and Echuca members, Warrick Kelvy and John Berryman, all sharing the cash divide.

Event two, a ten target Single Barrel cash divide, and this time only two shooters managed all ten, Echuca's, Murray Roberts, and Mathoua's, Roger Kerslake, with Warrick Kelvy coming in 2nd with a score of 9/10.

A smooth running shoot with no shoot off's required, plenty of food and drink supplied by Kerrie Hams, and an early finish, with presentations all over well before 11pm.

ON SUNDAY 29 NOVEMBER the Wangaratta Clay Target Club attracted 24 keen skeet shooters to the clubs 100 target skeet championship event. Although a few more competitors would have been desirable, the group that shot were a good representative sample of the different skill levels, with all grades represented. It was also pleasing to have several female competitors along, including Sue Pim who travelled down from Wagga Wagga to shoot.

The day commenced with an overcast sky with a few showers, however the overall conditions were good, with little or no wind. The Wangaratta club has decided to hold more skeet shoots during 2010, to satisfy the very dedicated group of shooters that this discipline attracts, in some cases travelling long distances to compete.

CHAMPION OF CHAMPIONS

The Wangaratta Clay Target Club held its Champion of Champions yearly High Gun shoot off after the monthly DTL shoot on Saturday 21 November. The day was drizzly with heavy overcast skies. Unfortunately, not all the High Gun winners from throughout the year were in attendance.

After the elimination shoot off Brett Ford from Tungamah won the

Harry Ward in shoot off for Junior Champion of Champions High Gun

The 100 tgt championship was well won by local top shot, AA grade David Jackel on 102/104, defeating Wangaratta member and recognised top level skeet champion Gil Farish from Benalla on 101/104. Reg Petts, a regular visitor from Albury/Wodonga Clay Target Club shot well once again winning 1st in A grade with 100/104, Reg has suffered from a few injury type health problems over the last year or so, but is now fit again and doing what he likes best – smashing clay targets. Wangaratta gent Kudri Demaj shot 98/104 to take out 2nd in A grade, being distracted by a head lifting issue, but still shooting well to achieve this score. Club treasurer, Paul Reynolds took out 1st place in B grade on 96/104 and 2nd by local member David Pope with 95/104. Colin Finn from Shepparton won 1st in C grade shooting 90/102 and 2nd by John Sutherland with 89/102. The Ladies High Gun was won by Alison Farish on 82/100 and Veterans by Reg Petts shooting 96/100.

trophy. Jaidon Parker from Lavington, a regular shooter at Wangaratta won the Junior award for 2009. The yearly aggregate awards went to AA Daryl Hunt, A to Shaun McGauran, B to Kayla Grassi and C to Christian McGauran. A very busy program for Wangaratta is lined up for 2010, with over 30 shoots programmed. The year ahead will include more skeet and 5 stand sporting clay shoots, as well as the usual monthly DTL events.

BATHURST GUN CLUB

Scooter assists Pieper in clay target shooting

Karl Pieper with his modified scooter

BATHURST GUN CLUB, in the NSW Central Zone region; offers its members & visiting shooters, the opportunity to shoot, either skeet or trap, weekly or monthly in competition or as recreation. However, as many other Clay Target Clubs all over Australia would know & understand; it also provides so much more & on so many levels for those individuals who love the sport & who want to continue to participate in it. BGC has a broad range of members, whose ages extend from 12 years, right through to 83 years. Our juniors, are very fortunate in that: they have some excellent role models, who for example: at the age of 83 still compete in events like the 'World Masters Games', recently held in Sydney & bring back medals & like another member; Karl Pieper, who has because of arthritis, cleverly designed a trailer & modified a mobility scooter, to enable him to stay & participate, in the sport he loves, for a lot longer.

Karl has been kind enough to let us publish photos of his scooter & to share his passion for the sport, in our local paper & has also agreed to share his story to the broader shooting community, with this article.

Karl says "That Clay Target Shooting is a great recreational & social sport. It's a lot of fun & is not just for competition shooters." He travels from Lithgow to compete in the Bathurst Gun Club's Trap & Skeet events & the dedicated enthusiast, is an inspiration to all members. He also feels that "Shooting continues to develop beneficial life skills for shooters, at any age; such as mental toughness, concentration, goal setting, focus, self-confidence & resilience" & Karl certainly exhibits all these skills.

Karl has had many interests. These include bird- breeding & showing; horses- show jumping, water jumping, buck-jump riding & driving trotters; as well as water skiing & speed boat racing.

Karl has been a butcher, a mechanical engineer, a fireman, a pilot & member of Bathurst Flying Club, a crop-duster & a builder over the years. When fifteen he joined a motorcycle club & rode old time bikes

Veloettes, Aerials & Nortons. In 1975 he started to race superbikes; he rose to A Grade & won several trophies & raced at Bathurst, quite a few times. In 1977, when motor cycle racing, he broke 'a few bones' & as a result now suffers from arthritis.

Karl first went shooting with his father, when he was eight years old. They shot rabbits. He recalls that he was only allowed to carry a gun if it was unloaded, prior to that. When he was around twelve to fourteen years of age; he was allowed to go shooting

on his own, but no friends were ever allowed to accompany him, on these occasions.

On joining a muzzle-loading club, at fourteen; Karl was then allowed to go shooting with other adults. He won some ribbons & when twenty five, he joined the Lithgow Rifle Range, where he also won several events over the years. Two years on, Karl joined the Sunny Corner Gun Clay Target Club & was their President for a short time. When the Club folded, he joined the Bathurst Gun Club.

Arthritis, makes walking around the range & standing during the entire competition difficult. So Karl, put his mechanical skills to good use, after buying a scooter & a trailer & adapted & modified them, to his shooting requirements & to transport the scooter to the range. He adapted the trailer by adding tool boxes, to carry his shooting equipment & added an outrigger to the scooter, to transport the gun, while moving from stand to stand whilst competing. The gun sits in a broken position as Karl moves across the tracks & he can stop, pick up the gun & get ready for the next target, each time. The outrigger can be taken off, when not needed. The seat swivels to aid mobility & the tool boxes are lined. The trailer has been designed to make the loading & unloading of the scooter easy for Karl.

Over the last few years Karl has designed & built two side cars, so he can continue to ride his motorbikes as he can no longer hold them up.

If you would like more information or you would like to talk to Karl about his scooter, trailer & the modifications; ring the Secretary of BGC (see Blue Book) for contact details.

The club applauds Karl's spirit, his wit and his ingenuity and hopes that he continues to enjoy his shooting, for many more years to come at Bathurst Gun Club.

NORMAN DUDLEY LIPPLE 1927 - 2009

I first met Norm when I arrived at Moulmein in 1981 to take up a teaching appointment in a one teacher school. After introductions, Norm's first question was "Do you shoot? Would you like to come out to the Gun Club." And, like many others, I went to the gun club with Norm and caught his passion for the sport.

Norm was a champion of our sport. He may not have won a national or state title, and he isn't a member of the Hall of Fame, but his love of shooting, his tireless dedication as secretary of Moulamein Gun Club and his active promotion of all forms of shooting, allowed others to enjoy the sport knowing that the competition would be well organised and well run. Walking into the church and seeing the sashes draped over the pews, the shotgun salute by club members at the graveside and seeing old shooting friends from Hay, Moulamein, Deniliquin, Boort, Swan Hill and Kerang Gun Clubs was a fitting testimony of the importance of shooting in Norm's life.

Norm was born in Western Australia and after military service, mechanics training, and other jobs, he eventually moved to Moulamein, where he lived with his wife, Anne and their children, Greg and Ros. Norm's family was his first and major love. I remember fondly, the way he talked, with obvious pride, about the achievements of his children and grandchildren, and the way he worked with Anne to make Moulamein a friendly and welcoming town. Norm received several awards from the local community for his paid and volunteer work for the Wakool Shire and Moulamein in particular. He was deputy engineer of Wakool Shire and his common sense, professional knowledge and ability to see the larger picture for the community: a sewerage system that put the effluent into an irrigation system rather than the river, a man made lake so locals could water-ski, a safe pool complex where children could swim safely, helped make Moulamein a great community.

His other love was flying. He had a Victa Air Tourer and he combined his love of flying and shooting: we would either fly to shoots or we would put the guns, ammo, and dogs in the plane and fly over the plains north of Moulamein looking for pigs, land on the claypans and head off in search of the pigs. If he could have fitted guns to the plane, we may not have ever landed.

In these short sentences it is hard to do justice to Norm's life. His passion for life, shooting, family and community action should serve as a model for the rest of us.

Personally, I am grateful for having had the privilege to have known Norm.

To Anne, Greg and Ros, and his many grandchildren, on behalf of the clay target shooting community, our sincerest condolences.

Michael Kruger-Davis

Champion of Champions at Echuca

Echuca Clay Target Club held their Christmas shoot on Sunday the 13th of December and while the serious part of the competition for the day was the Champion of Champions event, the other four events were small target number, novelty

shoots. With placings in some events as far down as 15th, it virtually ensured every one of the fifty plus shooters who attended was guaranteed a trophy, which consisted of legs of ham, turkey's, tinned ham and chicken's.

It was pleasing for the committee to see that shooters came from a wide area, including Melbourne, Bendigo, Shepp/Numurkah, Deniliquin, Kerang, Kyabram and Cohuna.

A mild 28 degrees, gentle breeze, and clear sky, made for perfect shooting conditions, and the shoot started with the Champion of Champions event, the Champion Sash only available to winners of Championship events at Echuca throughout the year, and as it turned out only two shooters

managed to shoot the full score of 35 points in this difficult event, and they were both Echuca members. Steve Atkins and Rob Viney both on 35/35 had to shoot another full round to decide the winner, unfortunately Rob lost two points in this decider, and with Steve shooting another perfect round he became the, Champion of Champions for 2009, with an end score of 70/70, congratulations Steve Atkins. Rob Viney taking out 1st in AA grade with his well shot 68/70 score.

As with previous Christmas shoots the ladies excelled, putting on a magnificent complimentary afternoon tea, and a very enjoyable evening meal, unfortunately some shooters, and their families, had to leave early due to other commitments, leaving the ladies with rather more food than was required, but the end result was a big thank you to the girls for a job

so well done.

With novelty events being shot, in most cases, there was very little pressure on the competitors, and this allowed them to be more relaxed, and as this was the case, enabled everyone to really enjoy the day's outing. A very successful Echuca Christmas shoot.

AUSTRALIA WINS GLENN TROPHY

THE GLENN TROPHY was shot over 50 targets and was held following the conclusion of the days 100 target event.

There were two rounds of 25 targets, one on each of the two layouts. The Australian team of Mal Briggs, Nigel Hughes, Brendan Pearson, Glen Walker and Benn Baker were competing against the New Zealand team of Kelvin Gutsell, Shanan Evans, Clark Pirie, Tony Truss and Dean Everett.

Conditions were cold, breezy and overcast as the competitors lined up on station one. With tension running high nerves came into play early on for both teams and at the end of the first round both teams were several targets down. As they swapped layouts neither team knew the others score and so with tensions running high but with first round nerves out of the way all attention was on the final 25. 'One target at a time' was the Australian teams mantra for the final round.

Winning Glenn Trophy Team:

M. Briggs, N. Hughes, B. Pearson, G. Walker, B. Baker

Some great shooting and application from the Australian team saw them victorious being just five targets down out of the possible 250 with New Zealand having dropped 12 of their 250 which left the Australian team making room in their suitcases to bring the Glenn Trophy back to Australia!

Orange Clay Target Club

Jane McGrath Foundation Charity Shoot

THE ORANGE CLAY TARGET CLUB had often talked about a charity shoot fundraiser, but it was Murray McAllister and his wife Louise who came up with the inspiration and drive to get it really going. All members were keen to make it happen and willingly pitched in to help. A dinner dance was held on Saturday night with an auction of a variety of donated items followed by 150 targets Big Day out on the Sunday. This event was held during Breast Cancer Awareness week.

Murray McAllister, Suzy Balogh & Wayne Sharp President having a ball

One of the many reasons the ball was such a success was the choice of Suzy Balogh as key note speaker. An Olympic gold medalist in shooting, Suzy had an indirect brush with breast cancer through her family and she held the audience completely silent and interested with her talk. We would like to thank Suzy publicly for donating her time and skill to a very worthy cause.

Pink is the official colour of the Jane McGrath Foundation and this colour decorated the club all the way to pink cakes, biscuits and lollies for afternoon tea. All shooters turned up wearing pink, T shirts, beanies, ties, jackets, shoes and hats – the lot.

The ground looked green and great, six traps open and 20 mls of rain was forecast which turned out pretty accurate as it started to pour down ten minutes before the first wave was due out. It did not matter everyone got into wet weather gear and remained in high spirits. The club have been trialling having shoot offs after all events are finished and this worked well on the day. Better for the people in the office as it gives more time to do the books, saves time and an earlier finish. Shooters

High Gun Glen McAllister with President Wayne Sharp

who travel and are not in shoot offs can get an early mark. Hard to think of any disadvantage.

The first event was the 50 targets double barrel and the rain held the possible down to three shooters. Murray McAllister, Alan Hurford and Tony Eade shot off and after a

short fifteen targets later Murray was the overall winner in the 1st event. The single barrel did not produce a possible, two 49/50 so Mark Taylor and David Hopwood contested the overall with Dave Hopwood the eventual winner. Glenn McAllister topped off a very solid days shooting to win the overall points score with a 149/150 and this was good enough to see him High Gun over the days shooting.

By the time presentation came round the weather cleared up and the sun was out. Orange shooters had a successful day and none more successful than Bob Alston the B grade burglar! Bob received polite applause for his several B grade wins but when it was announced that he had broken through to A grade the applause became hysterical and sustained. Grant Spencer was seen to put his eye muffs on and tightly close his eyes as Dave Hopwood walked up to claim overall in the single barrel! A result that made him, Grant, deeply unhappy!

The club had a weekend that was full of fun and good humour. Through the efforts of all members, guests, sponsors and donations the club will send a cheque to the Jane McGrath foundation for \$11,000.00. This was a truly wonderful result for a most worthy cause and all who took part in it can be justly proud of their efforts. The NSW Gun Club must be singled out for the generosity of their donation, and Darryl Weal and his wife from Gunsmoke Firearms in Bathurst should be thanked for their unstinting generosity and sponsorship. The Orange Gun Club thanks all who took part in this charitable event which we are sure will be repeated in years to come.

Rule Reminders

Contrary to the opinion held by some of our members, the following rules do apply to ALL shooters when participating in competition events, from Club level to Nationals, and not just for A, B and C graders.

Rule 4.10 (d) – Each competitor shall carry and present his/her current handicap/registration card at all shoots before they are allowed to participate.

Rule 2.01 (k) – If a competitor has lost his card he shall be allowed to compete providing he/she is registered with the ACTA. He/she shall be allowed to compete in his grade in common mark events and shall be allowed to compete in handicap events from the mark he claims to be his correct handicap mark. Should he win prize money or trophies they must be retained by the club until such time as the shooter presents his card for marking.

Rule 2.01 (h) – It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooters card with his/her 15 metre results.

Rule 2.02 (a) – Each club must appoint an official to handicap and grade shooters, check to see that all 15 metre scores are entered on cards and to check that handicap and grade changes are recorded on cards.

Townsville Gun Club's Patrons Trophy

TOWARDS THE END OF THE YEAR our club runs shoots with a little difference to get away from the norm of strict competition, starting with the field and game shot in October, consisting of three rounds of 36 targets. This field shot is enjoyed by our members and is well supported, with walks through the mango orchards and the eucalyptus bush around the club grounds.

In November we have our Patrons trophy, with all prizes donated by our patron Mark Stoneman. Mark sets the programme with his choice being five events of 20 targets from double barrel, points score, single barrel, continental and double rise.

The weather had been kind to us again in North Queensland with sunshine and some cloud cover, 53 shooters attended with travellers coming from Bowen, Ingham and Charters Towers. The programme started on time at 9.00am over three layouts, with the aim being an early finish for the speeches and presentations and the travellers could get on the road home.

The shooting was progressing well in the fine conditions with a clear leader emerging. Bruce Murphy had only dropped one target after the first three events, while others struggled with the old adage single barrel throwing the score board wide open. After a short break for lunch and setting the traps for continental the scores improved, with all shooters enjoying this event. The shoot marshals were planning on large squads for the shoot off's because most shooters were also handling the double rise very well.

But when the office got back to us with the final out come, the only shoot off was in A grade for two

Bowen shooters - Bill Gall and Colin Edgerton, all other grades had been finalised without any challengers to first and second positions.

Colin and Bill were required to shoot two targets from each event from lane three a total of 12 targets. When the scores were checked to determine the placing, unfortunately for Colin who had already packed his gun away and was relaxing the pressure of his refocusing and restarting was to much, "Sorry no eye openers".

Results of Patrons Shoot AA 1st Bruce Murphy 136/140, 2nd Tony Caruso 134/140, A 1st Bill Gall 140/152, 2nd Colin Edgerton 136/152, B 1st Pat Dury 130/140, 2nd Ben Mackey 128/140, C 1st Robert Dwyer 112/140, 2nd Gwen Kent 100/140.

The Club wishes to thank Mark for his donation of the very generous trophies that he always puts a lot of thought into, his choice of trophy is not just a prize for the shooter, but something that their partner or family could also enjoy.

Mark Stoneman is a very well respected and admired member of our club and the local community. TGC is very proud to have Mark as our Club Patron, we wish him well and hope to enjoy many more of his Patron shoots.

The Club will finish off the year with our renowned Christmas Shoot, offering 48 hams on the bone over six handicap events, starting with Skeet then 5x 10 target DTL events.

Our Christmas shoot culminates the end of very successful year for Townsville Gun Club.

We wish everyone a very happy 2010.

2009 CHRISTMAS AT MATHOURA

MATHOURA GUN CLUB, celebrating 25 years of existence, had their final shoot for 2009 on Friday night the 11th of December, with three full squads of competitors arriving from a wide area, including Bendigo, Deniliquin, and Echuca/Moama, most with family members as well, to enjoy not only the nights shooting, but also the delicious meal prepared and supplied by the ladies committee. With virtually perfect shooting conditions for the night, mild and clear, with just the slightest breeze to keep the mosquitos away, every one of the four events had to be decided with a shoot off, demonstrating that all shooters were really concentrating on the job at hand.

George Bradley and Tim Maher were the two competing for 1st and 2nd in event one, a ten target Double Barrel, and Drew Healey and Roger Kerslake shot off for 3rd place, George missed his 5th target giving him 2nd place and Roger missed his 2nd target putting him out, with Drew taking 3rd spot, Tim collected 1st place honours with his perfect 15/15 score.

Black targets, with a background of trees, and fading light, stopped everyone from shooting a clean score in event two, a 10 target Single Barrel, but George Bradley, Drew Healey, and Eric Lucic all came in with only one target lost, shooting off for the three places. Eric dropped his 1st taking out 3rd spot, George lost his 3rd target taking out 2nd spot, and Drew, after hitting his 3rd target,

earned himself 1st place with a 12/13 score.

Event Three, a 10 target Points Score, and at last, white targets under lights, yet no one was able to produce a full score, and, proving age is no barrier in this sport of Clay Target Shooting, one of the Club's founders, Harry (snow) O'Connor led the field to take out first place with a score of 26/30, well shot "Snow"! 2nd place was collected by Drew Healey one point further down on 25/30, and shooting off for 3rd place was Roger Kerslake, Tim Maher, and George Bradley, with Tim coming out on top collecting 3rd place with his 36/42 score.

The main event for the night, event four, a 25 target Double Barrel

score, and with Tim being a member of Mathoura as well as Deniliquin he claimed the Club Champion Sash. Well shot Tim Maher! B grade 1st was taken out by John Berryman with a 24/25 score, and C grade 1st was won by a Junior shooter, Thomas McClusky, after a two target shoot off with another junior, Luke Hams, Thomas ending on a 19/27 score.

At the presentations, a group of junior's, Luke Hams, Rebecca, Sarah, and Thomas McClusky presented Club President Roger Kerslake, and committee member Harry O'Connor, with a framed certificate of congratulations of the Club's 25 year history. They also thanked the committee for the coaching and help they had received in clay target shooting. Well done kids!

Two days of competition at Southern Gun Club

SOUTHERN GUN CLUB'S 8th annual two day shoot was held on Saturday 21st and Sunday 22nd September with 77 shooters over the 2 days and the weather was warm with a breeze on both days.

What a wonderful weekend of shooting at the Southern Gun Club's grounds, which were looking superb, due to the efforts of Dennis Fidock. There were many highlights and fantastic scores over the weekend. We were thrilled to have visitors from the Riverland, John & Sue Byrnes, who took some lovely prizes home with them. The team shoot was a real cliff hanger with the Monato & Mates team winning the perpetual shield by five days from the Southern Gun Club team 1 and team 2.

The two day High Gun was won by Rob Clark, narrowly beating Jeff Higgins to get his name on the silver rose bowl, donated by Alwyn Thissleton. It was lovely to have Sue Byrnes who regularly makes the trip down from the Riverland take out the Ladies High Gun, and Aaron Zupanic take out the Juniors against stiff competition from Ryan Morgan. Aaron is only 16 years old and I do not think it will be long till we see this young man in the Australian Team. Max Leaford took out the Veterans against very strong competition from Harold Whitehead & Kevin Morgan, to bag some wonderful prizes.

We would like to thank Ray Leake for his sponsorship of events 2 and 6 and Peter Dunn for his donations of wine and other fantastic prizes. We would like to also thank Beth Fidock and Margaret Caire for their work running the kitchen and organising raffles.

I would also like to thank all our sponsors for their much appreciated donations to the Southern Gun Club over the 2009 Year.

Eight Squads at West Wyalong's Christmas Shoot

The hot weather and windy conditions did not spoil the enthusiasm of the eight squads of shooters who turned out for the West Wyalong Clay Target Clubs' Christmas shoot held on the fourth Sunday in November.

Frank Ashton had played Santa and had the clubhouse looking very Christmassy with plenty of decorations hanging from the ceiling.

Graham Fairman did a great job on the barbecue then went out and shot 30/30 in the 10 Target Continental Eye Opener the only possible so he made a good start to the day.

The wind was making things difficult in the 25 Target Continental Single Barrel but Clive Foster and Matty Patmore shot 24/25 in AA grade and decided to split their winnings, Laurie Redfern 26/28 was first in A Grade winning from Les Irvine 25/28, Nick Connors 23/25 won B Grade from Pat Smith and Ben Fairman 21/25, Mark Payne showed his consistency in winning C Grade 19/25 from Alan Lewis 17/25. Bert Boyd was the Veteran winner 21/25 while Narelle Ambrose 21/25 was the Lady winner and James Turner won the Junior section.

The 25 Target Continental Double Barrel saw Clive Foster, Danny Rodgers and Dozer Collins split AA Grade with 25/25, Laurie Redfern, Wayne Ambrose and Grenfell shooter Chris Oehms all shot 23/25 and were the A Grade winners, B Grade was won by Adrian Hodges and Pat Smith who shot 24/25, Mark Payne 22/25 was having a good day winning C Grade from Matt Lord 18/25. Pat Barnes 23/25 cleaned up in the Veterans and Jennifer Irvine from Barellan was the Lady winner.

Shooters were becoming more used to the conditions but the wind was still causing targets to dip and dive often at the wrong time. AA Grade and state representative shooter, Clive Foster mastered the conditions to shoot 75/75 in the 25 Target Continental Point Score running out winner from Matty Patmore 71/75, T Jamieson won A grade by also shooting the possible while Chris Oehms 71/75 was second, Ben Fairman 67/75 was B Grade winner from Pat Smith 62/75 and Russell Brown 67/75 won C grade from Mark Payne 50/75. In the Veteran class Pat Barnes 67/75 was having a good day and Narelle Ambrose 74/75 shot very well to take out the Ladies section, James Turner 72/75 was the Junior winner.

The 15 Target Crazy Points event created a great deal of interest and Ben Fairman on 61 points won from Mitch Brown 59 with Chris Oehms third.

The 20 Target Flush also created plenty of interest but Clive Foster and Don Turner fumbled the least to win with 17/20, Mark Payne and Danny Rodgers 14/20 were second while Matty Patmore and Narelle Ambrose 13/20 were third.

High Gun winners in each grade received hams while second in grade won two chooks. Winners and placegetters were AA Grade Clive Foster 150/155, Graham Fairman 145/155, A Grade Les Irvine 139/155, Chris Oehms 137/155, B Grade Narelle Ambrose 144/155, Kate Schiller 139/155, C Grade James Turner 133/155, Jennifer Irvine 128/155.

Club President, Kelvin Maxwell made the presentations and thanked Narelle Ambrose and Christine Brown for their work in the canteen and wished all present a Merry Christmas.
