National President's Notes

I would like to extend my congratulations to both Darryn Nicholls and Jack Collicoat on becoming the newly crowned World DTL Champions, Darryn as the Open World Champion and Jack as Junior World Champion. Our Association is very proud of you both. A full report together with photos will be in next month's magazine.

For any of our members involved in the administration and running of our clubs, we are constantly aware of how increasingly difficult we find it to recruit new officials.

We see in this issue how Townsville Gun Club's President Tom Comerford has given 37 years of service to his club, and after 30 years as club president, will be standing down. What a marvellous achievement. An article in a recent national Sunday paper showed that community and sports clubs are facing a membership crisis because we are all too busy to volunteer! The article showed how Apex had gone from 2000 members in Queensland to 300 now. At my own club the Gold Coast C.T.C., we have over 350 members but at last weekend's AGM just over 40 members attended. Some new blood joined our committee and we elected a lady president. Most of our constitutions allow for co-opting members to assist for specific purposes which will help share the workload. We must move with the times as one of our most important assets is our leisure time or the shortage of it!

Executive Officer's Report

Congratulations to Darryn Nicholls, newly crowned World DTL Champion. A very unassuming person Darryn (Broken Hill) excelled when it counts most to take out the Championships, whilst Australia has a new world Champion. Well Done Darryn.

Jack Collicoat (Deniliquin) also reached the pinnacle of his short career by taking out the Junior World Championship. Jack has been a member of the ACTA Junior team for a number of years and all of those around the young man knew his potential. Jack also underlined his potential taking 8th overall. Tim Catling (Katanning) finished 3rd overall Veteran, Craig Fitzgerald (Echuca) finished 4th overall, another fine effort on the world stage.

The full Australian Trap team travelled to South Africa for the World DTL Championships to compete in the Teams event conducted at the Valley Gun Club in Cape Town. The teams achieved 3rd in the Open, 5th in the Ladies, 4th in the Juniors whilst the Veterans took out 2nd place. Congratulations to all who travelled and represented the ACTA with distinction.

The Nationals Championships are in full swing with the ISSF Completed and the Trap Championships beginning in the next few days. Numbers for the trap carnival reached over 500 by close of nominations on the 12th of March. The Championships are preceded by the AGM on Sunday the 11th of April.

The Skeet Championships Nominations close on 23rd April. The

event starts on the 17th May preceded by the Pre Nationals on the 18th of May. The Sporting Clays Championships are the 28th / 29th of August at the National Ground. As a guide all nomination close a month out, so check the nomination form to avoid disappointment.

In addition to these National Championships the Commonwealth Championships are being conducted at the Western Australia Gun Club in Perth commencing on the 9th – through to the 11th July.

The new BBQ area and seating behind layouts means more facilities for members attending the National ground. The new upgraded electrical supply has been installed ready for the Championships which should ensure no further disruption through inadequate supply.

Add to this the upgrade of lighting on four layouts including the Beretta (Layout 5) and Yellowtail (layout 6) then we are ready for the Championships to proceed.

We have lost a member of staff in Accounts with Ally Taylor leaving us for the USA. Judy will fill that role at this stage as cover for the Accounts position whilst recruiting commences. Judy has extensive experience in that area coming from management in the Sports industry previously.

Club, Zone and State Secretaries and Publicity Officers Electronic Reports and Results – The New Age –

With further development of our website facilities and the requirements for this and printing the CTSN our ACTA head office will commence moving towards electronic reporting. This process will start immediately with our template already available on the website @ <http://www.claytarget.com.au/acta-results/club-shoot-results-submission>

Once you enter the information you can save it to your computer and/or print it out in hard copy. Then just hit the send button.

This process will assist staff in the office compiling the CTSN and getting results on the WEB quicker. Your cooperation in providing these electronic results will be greatly appreciated.

At this stage it will be progressive however those results sent via the electronic medium will be given priority. By December 2010 the office will phase out all hand written and faxed results.

We are also currently updating our data base with expanded capabilities being developed for the start of 2011 nominations in October 2010. It is envisaged nominations for National events will be available on line for members. Secretaries of Clubs will be able to access their member's registrations details for renewal and updating. This will save a great deal of paper work. States will be able to access their coaches and referees details as well as the State membership. This will be strictly controlled via a login and password system similar to electronic banking. We are working on many new concepts to make the volunteers' job easier and having a seamless change over that most members will not be aware of..

Ground Development

We are extremely pleased to announce further donations toward the building of the BBQ area and contributions to seating on the Ground.

The Riverina Zone, Wagga Gun Club, Downside International Gun Club, Roma Gun Club, Gold Coast CTC, Victorian CTA, Frankston CTC, Melbourne Gun Club and the Queensland CTA for their kind donations towards the purchase of seats for the National Ground. I am also working with another six clubs who wish to assist the ACTA by purchasing a sponsorship for a seat.

Member Clubs, States and individuals are being offered "sponsorship" of a seat at \$500.00 per seat which includes having a plaque attached to the seat supporting the sponsorship.

All funds raised will be reinvested in further amenities on the Ground which will benefit all members. To those who also wish to also sponsor a seat please just contact the National Office and we will take your pledge.

Front Cover

Holding the World Cup at the 9th World DTL Championships held at Cape Town, South Africa, are Australian representatives Jack Collicoat and Darryn Nicholls. Darryn was placed 1st in the World DTL Championships whilst Jack won the Junior World title. Congratulations Darryn and Jack. For more photographs see centre pages.

Echuca and Deniliquin shooters compete in South Africa

The Valley Gun Club, in Cape Town, South Africa, was the venue of the World Trap Shooting Championships from the 19th to the 21st of March this year, and five Echuca, and three Deniliquin Clay target club members participated with high hopes of joining the 'winners' circle at the end of the competition.

Stephen Atkins, Craig Fitzgerald, Stephen Haberman, Rob Viney and his grandson, Rhys Eeles, represented the Echuca Clay Target Club. Rob Colliccoat and his sons, Jack and Ned, carried the flag for the Deniliquin Clay Target Club. Craig Fitzgerald is certainly at the top of his shooting capability, and likewise Jack Colliccoat, who competed as a representative of the Australian Junior Team.

Each one of these shooters, have, within the last few months, been achieving win after win, and without any doubt all are at the top of their game. The two club's, committees, and all their friends, wished them all the best in their endeavours.

STOP PRESS

AUSTRALIA PRODUCES TWO MORE WORLD CHAMPIONS

Australian Clay Target Association members Darryn Nicholls from Broken Hill and Junior, Jack Colliccoat from Deniliquin, have both won world championships in South Africa at the World DTL Championships. They join many illustrious names before them.

Darryn Nicholls from Broken Hill, took out the World Down the Line Championships from Northern Ireland's Neil McKeown, by one target overall. Fellow Australian, Craig Fitzgerald from Echuca, finished 4th.

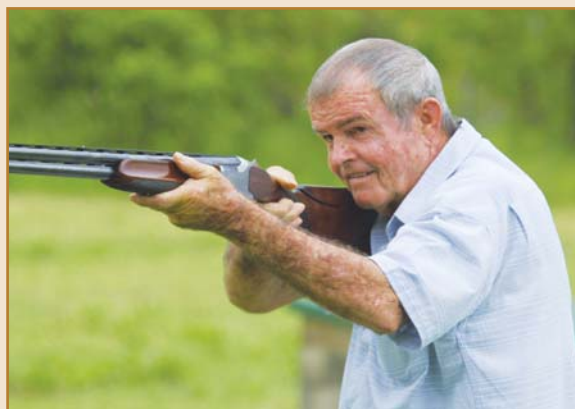

Australia followed this up with Jack Colliccoat from Deniliquin taking out the Junior World title in a very close contest with local South African star, Chris Davel.

At 17, Jack highlighted his potential finishing 8th overall in the event just 6 targets behind Darryn Nicholls. Jack has been a member of the National Junior Development program for the past three years and immediately rang National Coach Graeme Boyd, elated with the news.

The Two World Champions were part of the Australian Trap team that travelled to South Africa for the World DTL Championships conducted at the Valley Gun Club in Cape Town, South Africa. The Australian Team also achieved 3rd In the Open, 5th in the Ladies, 4th in the Juniors, whilst the Veterans took out 2nd place in the Teams events.

Tom Comerford retires after 30 years as President of Townsville Gun Club

The Annual General Meeting of the Townsville Gun Club on 28th February 2010 was an historical occasion. It marked the retirement of Tom Comerford after an unprecedented 30 years as the Club's President.

Tom will continue serving the club as a vice president, adding to his overwhelming 37 years of dedication and commitment to the club.

Tom has earned himself many achievements at the Townsville Club - after taking up shooting sixty years ago, when he was thirteen, under the instruction of the then president his uncle Willow Hanran. Tom has gone on to achieve a zero handicap in skeet, a AA grade along with a 24 metre handicap in trap shooting. Not to mention the achievement of being an accredited Grade II coach, well worth spending some one on one time with Tom, he is very good at the fine tuning of our sport.

By far Tom's biggest achievement and proudest moment was being instrumental in obtaining a Crown Lease over our current shooting grounds approximately 37 years ago and those grounds are now held by the Club as a freehold property with a new club house. The Townsville Gun Club has thrived as a consequence of Tom's foresight and tenacity. Tom and his committee members effort over the years has driven the club to what it is today.

It should be remembered that all these achievements and this amazing effort could not have been completed without the support of Tom's wife Una and his family. The Comerford family has poured there commitment into this club and the wider community.

Tom is a well respected member of the shooting fraternity in Australia and the wider community, with his contributions to clay target shooting and charities in the Townsville region. Tom leaves us with a great legacy for future clay target shooting in Queensland.

The Townsville Gun Club wishes Tom and Una all the best for the future, and we look forward to Tom gracing us with his presence and wisdom at the Townsville Gun club for many years to come.

Callawadda - Stawell Clay Target Club INAUGURAL SKEET CHAMPIONSHIP

The all Callawadda squad, even the Ref.

Right: Mayor Cr. Kevin Erwin, firing the opening shot

Despite very warm and windy conditions at Callawadda on Saturday shooters posted some excellent scores. The day started at 11.00am with the Mayor, Cr. Kevin Erwin, firing the opening shots on the club's new skeet range. He was thrown 'flash' targets which are full of bright pink powder. When hit they explode leaving a large pink 'cloud' which makes it easy for spectators to see if the shooter has been successful.

Cr. Erwin congratulated the club on its new range and gaining outright ownership of the club grounds. He declined the offer to shoot in competition. The Baker Automotive Skeet Championship saw four shooters tie on 24/25. In the shoot off only two shooters got off the first station. Consistent local Tim Hughes and Alex Loubey a B grade 'skeetie' from near Geelong continued the struggle until Tim dropped a 'low house 3'. Alex took home the first sash given for skeet at Callawadda.

Hughes took out first in A grade with 33/35 and Greg James won C grade with 24/25. At 1.00pm the 'down the line' program started. Seven squads of shooters had nominated. Seven shooters shot the possible in the 10 Target Points score eye opener.

The 25 Target Points Score Championship that followed saw only two possibles - Jim Sawyer and club secretary Colin Dunn. The shoot off didn't last long. Sawyer 'wallyed' his 16th target, leaving Dunn the overall winner with 123/123. Ararat's Bill Harris claimed A grade; Bill Jorgensen took B grade with 74/75 and Alex Loubey won C grade.

In the 25 Target Double Barrel event eight shooters posted 'red ink'. Bill Jorgensen outlasted shooters from all grades to claim a fine victory with 94/94. Hopetoun's Wayne Sanders pushed Jorgensen but had to settle for a win in AA with 93/94. St. Arnaud's John McVitty took out A grade and Warracknabeal member Lisa Sanders claimed C grade.

In his win Bill Jorgensen established his first '100 break'. For the second month in a row Kate Mulvenney shot a 50 break.

The final even was the 25 Target Handicap. The club's oldest member Laurie Hemley shooting off 17 metres was the first to post a possible. Dave Lanyon on 17 m [St. Arnaud], Gary Hargreaves on 21m [Ararat] and Greg James on 19m [Horsham] also managed the 25.

The shoot off didn't last long. Lanyon won with 32/32, Hargreaves was second and James had to settle for third.

Peter Baker from Baker Automotive - Stawell, congratulating Alex Loubey

The J & A Fencing High Gun for the day was Wayne Sanders with a creditable 154/155.

At the end of shooting scores were tallied for the Tri Team shield. Callawadda-Stawell with 748 points increased its lead over both Ararat and St. Arnaud teams. Some confusion at the selection table in St. Arnaud saw only three shooters turn up which really 'hurt' their chances.

SOME 54 KEEN SPORTING SHOOTERS attended the Bendigo Clay Target Club on Saturday the 6th March to decide who would be named Victoria's #1 Sporting shooter for 2010.

The weather conditions were good and the Bendigo set up crew came up with 2 competitive but challenging layouts. Targets were excellent and our thanks to the sponsor of the 2010 Victorian State ACTA Sporting Clays Championships, GB Corsivia. Competition was keen in all grades to secure the cartridges on offer as well as the State medals.

The extra challenge on the day for the shooters was to gain selection in the Victorian 3 person team to compete at the National ACTA Sporting Clays Championships to be held in Wagga on the weekend of August 28-29.

The outstanding shooter on the day was John Younger finishing some 5 targets clear of the field. A shoot off between Rodd Flower and Marty Seymour decided 2nd placing in AA Grade. After 15 targets Marty took the silver, Rodd the bronze.

The irrepressible Bill Eagle with an 88/100 claimed gold in A grade. Greg Shelton took silver and Ron Purss bronze.

A shoot off was needed to determine B Grade with the victor being Peter Finn (coached by Weagle) over Dominic Azzopardi with Mark (now A Grade) Stuchbree in 3rd placing.

Tied scores in C grade between Brad Woolley and Colin Finn saw these 2 shooters back on the layout to sort out gold and silver. Brad triumphed leaving Colin with the silver and Colin Repacholi (also coached by Weagle), bronze.

Bryan Rafferty 81/100 was the victor in the Veterans section, Angela Marris also 81/100 in the Ladies Division with Christian Sammut 74/100 being the top Junior.

WACTA State Carnivals 2009

The WACTA State Carnival for 2009 was again held on the September long weekend. The skeet and trap disciplines were both contested over the weekend. However, this was to be the last time that WACTA will hold a combined carnival. Next year will see the long weekend being used to contest Double Rise, Handicap, Double Barrel, Single Barrel and Double Barrel Points Score.

WACTA State Skeet Carnival

Whilst Geelong were cruising towards another premiership, the skeet shooters of WA were treated to a beautiful day for shooting. The first event of the day was the Zone Teams event where the Metropolitan team were the winners with a score of 116. The team comprised of Mike Voke, Ray Wendt, Steve Saunders, Colin Gilbert and Marco Ponta.

The zone teams shoot was followed by the WACTA 50 Skeet Championship which was sponsored by WACTA Inc. Martin Perry was the eventual winner with a score of 60/62. Bunbury's Amanda House took out both the Ladies and Juniors prizes in this event, whilst Alex Harvey, also of Bunbury took out the Veteran's section. Grade winners were Phil House (the Bunbury Phil House) for AA, Steve Saunders won A grade, Max Pedri took out B Grade and C grade was won by Luke Wakeling.

Event 3 for the day was the State Skeet Championship, sponsored by Wesfarmers Insurance. John Rourke from the Kojonup Clay Target Club managed to sit back and enjoy his red sash while many shoot offs took place to decide minor placings in the grades. The winner of the Junior's section was again Amanda House. Laura Coles managed to slow herself down from her usual discipline of ISSF Skeet to win the Ladies section. Ray Wendt won the Veteran's State Skeet title. Steve Saunders again took first in A grade, whilst Martin Perry was the AA grade winner. Greg Wulff won the B grade and Luke Wakeling won C grade with a blistering 49/50.

The day concluded with the State Skeet team selections. After the final 50 targets were shot, the final 15 for the Open Skeet team were decided as follows – Martin Perry, Steve Saunders, Luke Wakeling, Colin Gilbert, Phil House, Steve Rados, Peter Shuttleworth, Max Pedri, Ken Green, Marco Ponta, Keith Wakeling, Greg Fleay, David Fox, Bruce Wellington and Ray Hawke. Colin Gilbert was awarded the RJ Franklin Perpetual Trophy for the Open Team High Gun.

With a small number of juniors competing, Busselton's Josh Fleay won the Keith Barker Perpetual Trophy (sponsored by Winchester) for the Junior State Skeet Team High Gun. He won this by the narrowest of margins over Amanda House.

The State Ladies Skeet team finished in the order of Laura Coles, Amanda Stokoe, Melissa Deegenars, Denise Page and Carolyn Woodland. Amanda Stokoe shot well in the final 25 targets to be awarded the Helen Wiesse Perpetual Trophy (sponsored by WOW Inc and WACTA Inc).

The State Veteran's Skeet team was very tightly contested with Ray Wendt finishing first in the team and also taking out the team high gun which was sponsored by WACTA Inc. The remainder of the team are Bob Benjamin, Alex Harvey, Peter Iley, Robin Bailey and Ivan Halbert.

After shooting well all day and finishing with a score of 98/100, Martin Perry won the Overall Skeet High Gun. This was sponsored by Geraldton Sheetmetal and Roofing.

2010 will see the State Skeet Carnival being contested separately from the State Trap Carnival. There will be four state titles on offer at this year's State Skeet Carnival. It will be held at the Peel and Districts Gun Club over the weekend of August 21st and 22nd.

WACTA State Trap Carnival

Whilst the skeet shooters of WA got to enjoy some marvellous weather, the skies turned overcast for the 2 days of the state trap carnival. With nominations increasing every year, the number of shooters participating is approaching 200. Some interstate shooters stayed in WA after trying their hand at the Geraldton Crayfish Carnival the weekend before. Ideally more interstate shooters will make the journey across the Nullabor for 2010 when the State Trap Carnival will run for 3 days and have five state titles up for grabs.

The trap shooting got underway with the Zone teams event where the South West team of David Fox, Phil House, Terry Shine, Mark Evans and Josh Fleay had the narrowest of wins over the Great Southern Team. With both teams coming in with an ordinary score of 122/125 a count forward system was used and the South West were deemed the victors.

After the Zone teams event, the WACTA Inc sponsored event of Champion of Champions was contested. There was not a state title up for grabs with this one, but it provided the opportunity for shooters to get into the swing of things before the red sashes came out. WAGC's Terry Hearn appeared to not need any practice as he shot the only possible of 100/100. AA Grade was contested between Josh Fleay and Jarrad Baker, with Baker letting the young pup win. Fleay also won the Juniors prize. Kevin Nisbett won A grade, whilst Boyup Brook's Terry Shine took out B grade. Cody Sutton from the Eastern Goldfields won C grade after a shoot off. Collie's Ash Chester won the Ladies with a score of 97/100 and the Veterans winner was Dino Fracaro.

The first state title contested was the Double Barrel, which was sponsored by the ever generous Pine Hauliers. WAGC's Tony Burnard managed to hold off the great Geoff Faulkes to win his first state title in WA. The pair shot off into the early evening with Burnard's score finishing at 249/249. This left Faulkes to take out the AA grade prize. Boyup Brook's Wade Robertson won the A grade section. Luke Smith, all the way from Carnarvon, won the B grade. C grade was won by Isak Buitendag with a score of 49/50. Wagin's Sandra Cables won the Ladies section with a score of 51/52 after a shell saving shoot off. Alan Sexton

Jim West with DB winner Tony Burnard and David Fox

took out the Veteran's title. Roy Alexander (Himself) kindly sponsors Juniors prizes to third grade in the State Double Barrel title. The 2009 winner was Brayden Harris from Cunderdin with a score of 170/171. The Busselton boys Tyson Armstrong and Josh Fleay took out second and third respectively.

The next day saw the weather as still being rather overcast and some intermittent winds, just to make everyone happy leading up to the State Single Barrel title. This event being sponsored by Shane William's Autos. Whilst everyone else had an excuse as to why they missed one (or two, or ten), Gary Kelly from Geraldton just got out there and shot them all, and hence becoming the 2009 WA State Single Barrel champion and winner of the Roy Holtfreter Perpetual Trophy. Royce 'Roycey Boy' Normington held off Neil Suckling in the AA grade shoot off and won

Gary Kelly State SB Champion

*Geoff Faulkes
State DB PTS Champion*

with a score of 86/87. Peel and District's John Bainbridge won A grade and the Veterans section with a score of 49/50. Luke Smith again took out B grade with a score of 48/50. C grade was won by Antonio Rechichi, whilst he left two promising lady juniors to shoot off for second and third. Sarah Robertson from Boyup Brook won the shoot off over Eastern Goldfield's Michelle Boase. The Ladies state single barrel title went to the wicked witch, Amanda Stokoe. Juniors was won by Kingsley Smith with a score of 47/50.

The final state title of the weekend and the one that makes or breaks state team selection was the State Double Barrel Points Score sponsored by Winchester Australia. Geoff Faulkes made amends for his loss in the double barrel and after a short shoot off was declared the State Double Barrel Points Champion for 2009. Tim Blakeney won the AA grade section, whilst Ken Green won the A grade. Luke Smith made a clean sweep of the B grade events by finishing first again. Sam Da Luz from Carnarvon won C grade with a good score of 138/150. Sandra Cables won the Ladies title. The Shane Williams Perpetual Trophy which is sponsored by Mark Normington was won by Kingsley Smith with a score of 47/50. The "New Veteran" from Leonora, Neale Johnson, won the Veteran's section.

This then left the State Trap team selection. After the 50 points score targets were shot, the WA Open Trap team was decided as follows – Geoff Faulkes, Royce Nomington, Gary Kelly, Neil Suckling, Phil House, David Fox, Sam West, Terry Hearn, Trevor Morris, Carsten Bager, Tim Blakeney, PJ Forner, Jimmy Hamilton, Matt Shipp and Jason Yozzi. Young "Roycey Boy" Normington showed he can shoot well under pressure and was awarded with the Doug Cumming Memorial Trophy for the Trap Team High Gun.

The State Ladies Trap team were finalised as Sandra Cables, Mel Deegenars, Amanda House, Ashlee Chester, Amanda Stokoe and Chris Brown. Mel Deegenars shot fantastically in the final 25 points score and came in with a score of 74/75 to win the Michelle Alexander Perpetual Trophy which is awarded to the State Ladies Trap Team High Gun.

The State Juniors Trap Team finished in the following order after their final 25 points score. Kingsley Smith, Josh Fleay, Brayden Harris, Jeremy Larcombe, Tyson Armstrong and Braiden Purdy. Jeremy Larcombe from the Eastern Goldfields was awarded the WA Coaching Council Perpetual Trophy for the State Junior Trap Team High Gun.

The State Veterans Team were finalised as Neale Johnson, Ivan Halbert, Robin Bailey Tim Catling, Arthur Ward and John Pearson. Robin Bailey must have told the other Veterans 'what good shots they are' as he came in with the perfect score of 75/75 from the final 25 points score targets to win the Veterans Trap Team High Gun.

With all the shooting over and done with it was time to award the High Guns. Overall Trap High Gun, sponsored by Tony Trainer, went to Gary Kelly with a score of 460/465. The Overall WACTA Carnival High Gun (Trap and Skeet), sponsored by Jim West and his Dohnbouillet Merino stud, was ably won by Bunbury's Phil House who shot fantastically to get a score of 439/450. It must also be mentioned that Phil made both the top 5 in WA Open Trap and Skeet teams. His daughter Amanda also shot well all weekend to take out the Ladies WACTA Carnival High Gun, sponsored by WOW Inc. Josh Fleay won the Juniors WACTA Carnival High Gun, sponsored by David Fox, with a score of 425/450. The Veterans WACTA Carnival High Gun was awarded to Ivan Halbert – this high gun was sponsored by Ivan's good mate, Lex Shipp.

Graham Bolte Memorial Deauville Doubles – West Wyalong

IT WAS OVERCAST AND HUMID as the first of the four squads were called for the 10 target Handicap eye opener at the West Wyalong Clay Target Club February shoot.

Adrian Hodges, Ben Fairman and John Wason started their day well when they all shot the 10/10 possible.

Ben Fairman continued his good start when he outshot James Turner to take out the 25 target Handicap with 30/30. James is a junior shooter and he got into the shoot off with his second ever possible. What made his chest puff out even further was the fact that he had beaten his old man, Don Turner, who claimed third with 30/32.

The new Viper traps were throwing perfect targets for the 5 Pair Double Rise eye opener but no perfect scores were recorded although Laurie Redfern and Don Turner both scored 9/10.

Next up was the 20 Pair Double Rise event and Clive Foster began to assert his authority on the day when he shot a very confident 36/40 to take out the overall position. Dozer Collins was the AA grade winner 34/40 and Laurie Redfern continued on his winning way in A grade with 30/40. In B grade, Michael Fyfe pushed Clive Foster shooting 35/40 while his brother Brent must have borrowed his old man's shotty again and shot 31/40 to win C grade.

Everyone had been waiting for the Graham Bolte Memorial 20 Pair Deauville Doubles. Clive Foster & Dozer Collins were the favoured team

and this proved to be the case when they ran out winners with a score of 41/41. However, Clive and Dozer did not have it all their own way as Laurie Redfern & Adrian Hodges and husband and wife team Wayne and Narelle Ambrose also shot possibles and were involved in quite a long shoot off with Redfern & Hodges eventually gaining second 40/40.

Graham Bolte had been an inaugural member and past president of the West Wyalong Clay Target Club and Jan Bolte was on hand to present the trophies to the winners.

Don Turner who shot consistently all day, was rewarded with the High Gun medallion 82/93.

YARRA VALLEY CHAMPIONSHIPS

All major winners from the weekend, Darren White, Geoff Aston, Alan Bebend, Daryl Hunt, Steve Haberman & Anna Shadrina

AFTER MONTHS OF PLANNING and lots of work the weekend had finally arrived for Melbourne Gun Clubs first attempt in many years at hosting a 2 Day DTL Shoot.

With a shortage of 2 Day DTL Shoots in Victoria the Committee thought they would give it a go. Then came the hard part: picking a date that didn't clash, finding sponsors, organising prizes, giving the layouts a facelift, ensuring traps were serviced and making sure the event was well advertised all to ensure a good crowd.

Saturday 27th of February opened the shoot with overcast and muggy conditions. 20 squads had nominated for the days events which made all of the hard work worthwhile. Shooters had travelled from all over Victoria, as well as Tasmania, Western Australia and South Australia.

Event 1 kicked off with a 20Tgt Point Score Graded Cash Divide. Shooters to share the spoils were: AA Grade Talia Boukamel, Geoff Aston, Wayne Parks, Mark White, Marc Crimmins, Alan Bebend, and David Fox on 60/60, A Grade Anna Shadrina 60/60, B Grade Emily Donald 58/60, C Grade Kevin Cullin 57/60.

Event 2 30 Tgt Single Barrel shooters to record the possible were Anna Shadrina, Keith Calder, Daryl Hunt & Bill Woodward. Both Bill and Daryl dropped out early leaving Anna and Keith to fight it out. After 14 targets Anna Shadrina had taken the Overall Sash and 4 burner gas BBQ with an excellent score of 44/44. Great shooting Anna!!! Full results for this event were: OA Anna Shadrina 44/44, AA Keith Calder 43/44, AA 2nd Daryl Hunt 32/33, A Darren Corke 40/41, A 2nd Matthew Cocks 39/41, B Craig Patterson 29/30, B 2nd Garry Elsum 37/39, C Kevin Cullin 28/30, C 2nd Ryan Ball 27/30, Ladies Sandy Ellis 36/37, Juniors Geoff Aston 29/30.

Event 3 With conditions making it hard to see and light drizzle coming into play the scores for the 30Tgt DB were still high. 41 possibles were shot showing the quality of the shooters and targets thrown. \$1000 cash for Overall was up for grabs plus \$250 for first in each

grade, making the event very worthwhile!!!! Sponsors for this event were Impact Commercial Ceilings (Darryl Johnston), AA Industrial Supplies, Sherwyn Garden Supplies, Plant Multi Nursery & Sheridan Morley.

After 120 tgts we were down to a squad of shooters: Craig McDougall, Steve Haberman, Bill Woodward, Daryl Hunt and Wayne Hawker, who looked like they might be settling in for a while. Back out to the layout they went while the BBQ was fired up and the rest of the crowd got stuck into the roast pork, snags and hamburgers supplied free of charge to all shooters and their families. The smell of the food must have become too much for Steve and Craig both missing in the next bracket of 25 leaving Daryl, Wayne and Bill to fight it out.

At target 225 Bill Woodward let one breed and headed back to the BBQ. Wayne and Daryl battled on until Wayne surrendered at target 246 leaving Daryl the victor and \$1000 richer. Results: OA Daryl Hunt 246/246, AA Wayne Hawker 245/246, AA 2nd Bill Woodward 224/225,

A Craig McDougall 129/130, A 2nd Darren White 112/113, B Emily Donald 38/39, B 2nd David Kirley 37/38, C Jack Wallace 38/40, C 2nd Kevin Cullin 38/40, Lady Cheryl Arnol 125/126, Junior Geoff Aston 43/44.

Special mention must be made to young Jack Wallace who won C Grade. Jack is 12yrs old and has been shooting competition for just over a month and posting some excellent scores. A shooter to watch for the future!

While some partied on late into Saturday, others had an early night to prepare for a bigger and better Sunday.

Event 4 started things on Sunday morning with 19 squads turning up to shoot the 30 Tgt Champion of Champions all shot from 18m (10DB, 10 SB, 10 PTS) proudly sponsored by Champion Shotshells.

Four possibles were recorded in this challenging event: Wayne Parks,

*Winner of Beretta Mixed Meterage
Darren White*

Ron Williams, Steve Haberman and Steve Atkins. After 1 round in the shoot off (5DB, 5SB, 5PTS) all results were sorted. Steve Haberman had come out on top with 74/75. Full Results were OA Steve Haberman 74/75, AA Steve Atkins 73/75, AA 2nd Wayne Parks 70/75, A Ron Williams 73/75, A 2nd Brett Young 49/50, B Lyndon Piastrri 49/50, B 2nd David Kirley 46/50, C Kevin Cullin 46/50, C 2nd Jack Wallace 43/50, Ladies Emma Cox 47/50, Junior Geoff Aston 49/50.

The final event of the weekend was the big one sponsored by Beretta. 50 Tgt Mixed Meterage, with the overall winner walking away with a Beretta Silver Pigeon Trap Gun. AA grade off 21m, A grade of 19m, B grade 17m and C grade 15m.

The wind had picked up in this event making the targets a little tricky for the shooters on the back marks and with the pressure of a gun up for grabs only 2 possibles were recorded. Local committee member Darren White from 19m and Werribee's Alan Bebend from 21m.

After 8 targets in the shoot off Darren White had come out on top with 58/58. Darren had put plenty of work into this shoot and was a big driving force behind its success in gathering sponsors, servicing traps and installing the new fence on layout 3 along with many other bits and pieces around the club. A very deserving winner!!! Full results were: OA Darren White 58/58, AA Alan Bebend 57/58, AA 2nd Daryl Hunt 59/60, A Damien Appleby 56/57, A 2nd Robbie Pistone 55/57, B Chris Findlay 65/69, B 2nd Emily Donald 64/69, C Kevin Cullin 49/50, C 2nd Ryan Ball 45/50, Ladies Emily Donald 47/50, Junior Geoff Aston 48/50.

This just left the High Guns to be sorted out sponsored by Cannon Air (Mark Cannon) and with only 3 points down for the weekend Daryl Hunt and Alan Bebend split the \$300 for the Overall spoils. Melbourne Gun Club junior member Geoff Aston had taken a clean sweep of the junior prizes shooting some excellent scores to be only 1 tgt off the Overall High Gun. Geoff has been improving at a very fast rate and will give a lot of the big boys a hurry up in the not too distant future!!

The Ladies High Gun after her excellent performance on the Saturday went to Anna Shedrina with the great score of 210/220.

With the shoot running like clockwork thanks to shoot marshals

Craig Henwood and Darren White and a long list of helpers the presentations were done and dusted nice and early allowing those who had travelled a long way the chance to get on the road at a reasonable time.

Comments from all shooters who attended were positive about our first attempt at hosting a 2-Day DTL Shoot and our aim is to make next years bigger and better. Thank you to all shooters who filled in the questionnaires. Your suggestions and ideas will certainly help us develop this shoot in the future.

A shoot like this doesn't happen without a large amount of help to get it up and running. A big thanks to all of our sponsors Impact Commercial Ceilings (Darryl Johnston), AA Industrial Supplies, Sherwyn Garden Supplies, Plant Multi Nursery, Sheridan Morley, Champion Shotshells, Cannon Air (Mark Cannon), John Mollica, Tindar Constructions, Craig Henwood, Ron Williams and Jim Hutchinson.

Also a big thank you to Barry Humphris for the loan of a motorised golf cart, which came in very handy to run scoresheets out etc; Roger Esplin & Darren White for acting as trap mechanics; Darren for his work installing the new fence and general work around the grounds; Dallas and Ryan Ball for cleaning the outside of the club house and helping with painting and installing the fence; Clay Wyhoon for trimming the hedges; John Svensson for whipper snipping the tracks; Jack Henwood, Jim Hutchinson and John Mollica for painting the DTL trap houses; Craig Henwood for shoot marshalling; ALL of our hard working committee and helpers who refed and scored each morning to kick the shoot off; and of course all of the women who helped prepare and serve the BBQ meal on Saturday night.

We could not have done it without all of you.

We hope to see everyone back next year along with some new faces to help make this shoot bigger and better in 2011.

Growing your club and growing our sport

Following, you will see a report from the Canberra International Gun Club on initiatives implemented to attract new members. Perhaps these ideas may be useful in assisting your club or zone attract new members. If you have any innovative ideas we would be happy to publish your strategy to the rest of our member clubs.

Tony Turner

If you look around the demographic of our sport, let's face it, the average age is on the older side of 40. When it comes to Canberra International Clay Target Club our average age has been close to 55 for a while. When I took on the role of President last year I had my own ideas on which direction we should start heading. As such I gave an undertaking to actively market the club in an effort to increase our membership base. I will share with you what the Canberra International has achieved in the last 8 months or so.

The legislation in the ACT permits unlicensed shooters to actively participate if they are under direct supervision of an "authorised instructor" (authorised under the ACT Firearms Act), provided they are using the instructor's gun or a gun the instructor is lawfully entitled to possess. To start the ball rolling we managed to get six committee members to complete an instructor's course and gain their authorised instructors qualification.

Once that had been completed we advertised via word of mouth in the workplace we would hold a "come and try day" at the club. The instructors generously donated the use of their personal firearms and we had about forty people come to the day at short notice. On offer was a basic 5 stand setup, DTL and Skeet. The process was simple – the participants purchased a ticket at the office and went to whichever layout most appealed to them and shot their round of targets. An interesting observation was the 5 stand layout was very crowded, the DTL attracted very few and skeet was somewhere in the middle of the two. From this day we received some feedback on how to improve things and we took that on board for continuous improvement.

Next came updating our website. In the 21st century, just about everyone has a website. We listed on our site the fact we could host "corporate days", "group shoots" and we encouraged new shooters to come and have a go with one on one lessons. We took it a step further and offered "gift vouchers" for birthday or Christmas presents which proved a hit. We hosted our first "corporate day" which was a work group of 10 wanting some "team building". They spent the morning using the clubhouse to do work related activities; they used the BBQ for a social lunch and then finished off the day with two rounds of skeet each. This resulted in one person taking up membership.

Word had spread, and soon we began to field enquiries on a regular basis. It became apparent word of mouth was a very powerful advertising strategy, although the website enquiries continue to tick along quite nicely thank you. The next step was club guns, so we approached Fyshwick Firearms and Highland Sports and purchased three Miroku Model 10 sporters with screw in chokes, along with a safe to keep them in. A "corporate" shooters licence was also obtained during this period.

During the lead up to the Christmas period we fielded a lot of enquiries regarding hosting of work Christmas parties. We became solidly booked during this time, with our instructors putting in a lot of time and effort hosting groups ranging from 8 to 30 people. Bucks parties are also very popular, obviously a strict no alcohol and drug policy prior to shooting is in place. The club decided to obtain a liquor licence and began offering cold beer and pre mix spirits at the conclusion of shoot days. This has been a great success and provides a much appreciated service to both members and visitors.

We have seen quite a lot of residual business from our group activities. Participants at bucks parties and work functions have come back out to the club and taken up membership. We then started to offer firearms safety courses to equip people with the necessary qualifications in applying for their shooters licences. For those that join the club this has been conducted free of charge, for those that don't join the club there has been a fee attached.

As it stands I am receiving at least one telephone call per day from people wanting to come and try our sport, either individually or as part of a group. It is a lot of effort to travel to the club and set up for one person to shoot a round or two, but I am a firm believer we must make this effort. A lot of people are quiet shy, and are scared of failing in front of a crowd the first time. One on one coaching has paid huge dividends, with many people making return visits or joining our club. In addition to the phone calls, emails just keep rolling in with enquiries. I estimate in total I am probably getting 15-20 contacts per week by people wanting to arrange trying clay

target shooting. It is getting the stage where demand is starting to outstrip our ability to host the numbers we are being requested to. This is a very nice position to be in from a club perspective.

Mostly we use Skeet as the discipline to introduce our new shooters. The reasons for this are simple – we have 4 layouts with the corresponding number of guns. We can also have 24 people "shooting" at once with just 4 instructors and most importantly there is only a single gun loaded with one cartridge on each layout. It goes without saying safety is absolutely paramount.

Since commencing this endeavour we have offered the opportunity for unlicensed shooters to come out on competition days and shoot with a squad under the supervision of an instructor. This has also proven to be a massive success, with a number of licensed shooters bringing their friends and family out for the day to have a go.

The benefits of putting in the time and effort, and believe me there is a lot of that, far outweigh the negatives in my opinion. The more members we have the more enthusiastic hands we have to make less work. The more membership fees we receive the more financial clubs become which provides an ability to upgrade club facilities and equipment. Clubs must remember this part – if people pay membership they deserve to get returns on that investment. If clubs are prepared to take people's money and not upgrade their facilities their members will rightly become disillusioned with them and either seek another club or leave the sport altogether.

I will leave you with a couple of things to think about with regard to your club facility. Almost all of them will sit there vacant for at least a week or even a month in some cases. Give some consideration, if the facility is in good order, to offering it as a function type facility – even if there is no shooting undertaken. People will pay to use a decent clubhouse for work functions, and you will be surprised at the number who appreciate rural or semi rural settings for this activity.

With regards to hosting group shoots and prospective new members – make every effort you can to provide more than one discipline to choose from. People appreciate choice, and as can be seen from the first ever day we held they will gravitate to what appeals to them most. We have had some start their shooting career with skeet and go across to sporting clays. Some start out and go towards DTL. A lot have stayed with skeet and it is important to not be a "one trick pony" when it comes to growing our sport.

As an idea, I will give you some rough figures as to what we have done in the past essentially six months. We have had over 300 first time shooters come through our facility – and thrown about 15,000 targets for them. We have increased our active membership by 20-25%. In particular lately we have seen incredible interest from ladies and younger shooters wanting to get involved.

A final thought for you – however you choose to conduct your clubs activities for new shooters they MUST walk away with a positive exposure to clay target shooting. It is absolutely detrimental to your club and the sport to give someone a shotgun, a box of shells and tell them where the target comes from. You MUST spend time with people coaching them to get them hitting targets and you must supply a friendly person to make them feel welcome. Although the money from these new shooters supplements a clubs income, to take their money and have them get no assistance in achieving any sort of results will hurt you in the long run. I have seen this occur at other clubs and in my opinion it is disgusting. We have received overwhelming positive feedback from everybody who has ever visited us and this must be your goal if you want to go down this road.

Promote your club and provide a friendly face and encouragement to prospective participants. Grow your club and grow our sport. Let's encourage participation and let's get the next generation of clay target shooters walking up to stand on the podium. I don't believe in keeping secrets when it comes to raising the profile of clay target shooting, and as a result I am happy to share this whole experience in much more detail with clubs wanting to expand, all you need to do is contact me.

Kind Regards

Matt Dwyer, President
Canberra International Clay Target Club

OPEN LETTER TO ISSF SHOOTERS

There has been a lot of discussion and opinions aired about the current administration of ISSF shooting in Australia. This letter has been prepared in an attempt to answer some of the issues raised and to dispel the mis-information.

However before commencing on the details it is important to clarify the respective responsibilities of the ACTA, Australian International Shooting Ltd (AISL) and the Australian Sports Commission (ASC). The ACTA has the responsibility for administering the sport of clay target shooting across Australia. ISSF is but one of the four ACTA disciplines including trap, skeet and sporting clays. While ISSF undeniably includes the elite of our sport it is also the smallest discipline in terms of competitor numbers and ACTA administrators need to balance their effort with regard to the respective demands. ACTA is a not for profit organisation, volunteer based with a management executive based on state & territory representation. This structure means that all those people working for the shooters are volunteers who give up their time and work days to work for the association. Our National Office has a dedicated staff of three permanent and two part time people to run the office. The national ground has one full time employee plus volunteers.

As most of us are aware the AISL has responsibility for running the high performance program including selection of teams for Olympic Games, Commonwealth Games, World Cup, World championship and Oceania Championships to represent Australia. AISL sets selection criteria, provides high level coaching for the high performance group, organises international level events and finally sends teams overseas. Whether our association likes it or not that is the current situation which we all have to live with for the foreseeable future. Whether the implications of the Crawford report may eventually affect the current balance of responsibilities is at the moment a matter for speculation. It is unlikely that the recommendations of report will be implemented until it receives endorsement from Council of Australian Governments (COAG) and funded by the federal government. It is our understanding that the Crawford report has yet to be listed on the agenda of future COAG meetings. Given that there will most likely be resistance from state and territory governments to certain aspects of the report our advice is don't hold your breath! However notwithstanding, the implications of the report will be studied by the ACTA Executive at its next meeting with a view to best positioning ACTA for future possible developments.

It is important to understand that the selection criteria applied by AISL are approved by AISL High performance joint management committee which comprises members of the various member bodies and the Australian Sports commission which are subsequently ratified by the AISL board. The policies are set in line with the aim of the program which is to medal at the Olympic games. The funding of the program is reliant on the results achieved measured against the agreed performance indicators.

As implementation of the criteria is a matter for AISL I will not comment further beyond saying that the AISL endeavors to give maximum opportunity to those they believe can win medals. Please remember ACTA does not run AISL and ACTA does not run Australia Cup events.

The discussion on whether women shooters should compete alongside men has not been helpful. As many people are aware AISL can only accredit events for PQS provided they are run in accordance with ISSF rules. ISSF rules are very clear – women events must be run separately. If ACTA agreed to allow women to compete in open competition with the men it is our informed advice that the AISL would be bound to remove PQS accreditation not just for the women but for the entire ACTA ISSF nationals. Unfortunately there is little ACTA can do to alter the ISSF rules at an international level. Non PQS events such as state, zone or club championships are another matter.

Rumors and misinformation are in circulation regarding recent AISL grants to ACTA. Firstly let me state that the grants that our association received from AISL were never for running the ACTA ISSF nationals. This event has been funded entirely from the nominations received from the shooters. When you take into account the cost of targets, range fees and

administrative costs there is remarkably little left. Yes ideally we should have paid referees including side referees but the funds are just not available. It is worth noting that ACTA does not employ paid referees for any of its national championships so ISSF is not discriminated against. It is also worth noting that the ACTA ISSF nationals are the only Australian accredited PQS event that offers cash prizes to the winners. ACTA is continually reviewing the formula used for determining cash prizes and is well aware of the problem of small cash prizes (due to the small entries) for some ISSF national championships.

In 2007 the ACTA Executive approved a proposal to seek funding for a two year grant from AISL. The AISL Board approved the proposal and provided \$35,000 in 2008 to be spent in accordance with the program proposed by and jointly funded with an extra \$30,000 by ACTA. The crux was to provide talent development pathways for promising ISSF shooters. Five separate but interrelated pathways were identified:

- PQS Events and ACTA ISSF National Championships
- ACTA development squads aimed at junior shooters
- Talent spotting at ACTA National Championships funded by the Suzy Balogh/Perazzi sponsorship
- State based ISSF Development Centres – an entirely new program
- Talent Identification from other Sports – another new idea.

Of the above, the last pathway was not followed up as well as it should have but the emphasis was on state based ISSF development centres. All state and territory associations were invited to submit programs according to a set of guidelines approved by the ACTA executive. With the exception of Tasmania all states and territory submitted programs. These were assessed by the International Shooting Committee which made recommendations to the executive for approval. All submitted programs were funded to varying degrees and that accounted for the majority of the year 1 grant from AISL. The ACTA portion was spent on junior and intermediate development.

AISL provided a second grant of \$35,000 in 2009 similarly matched by ACTA and this time the emphasis has been on developing a national ISSF development and coaching program. The program has a number of initiatives which are too numerous to be list here. Unfortunately the AISL does not provide an "annual grant" to ACTA and it is not anticipated that further grants will be available. Audit of the expenditure of the two grants received is undertaken by the ACTA appointed auditor and undoubtedly expenditure by the states is also audited at that level.

Comments have been made about the non-attendance of ACTA executives at the shooters' meeting in Brisbane. The facts are that the executives were of the understanding that it was a shooters' meeting and that they would be invited if needed. The national president, three executive members and the ACTA executive officer stood by waiting for the invitation that never came. It may have been the result of a misunderstanding but it is not true that they "did not want to attend".

It is worth noting that ISSF shooters were granted the opportunity in 2009 to form their own athlete's committee to represent ISSF issues to the ACTA. Other clay target shooters have not been afforded that privilege. It is disappointing that the shooters' meeting in Brisbane produced neither formal minutes nor recommendations – ACTA cannot formally consider emails from individual shooters particularly those that verge on the slanderous. At this stage I have doubts that the Executive Committee will agree to the continuation of the ISSF athletes' committee unless those responsible deliver a product that the executive can seriously work with. We all understand that there are problems with ISSF but we all need to do things properly to effect change.

ACTA has continuously modified the program for the ISSF nationals mainly in response to shooters' demands and ACTA remains prepared to modify the program again if considered responsible suggestions are

Maryborough Clay Target Club

HERITAGE CITY ONE DAY SHOOT

SUNDAY 28 FEBRUARY 2010 saw shooters from Maryborough, Gympie, Bundaberg and Central Burnett gather for Maryborough Clay Target Club's first major event for the year, the Heritage City One Day Shoot. The competition was over four events including three club championships the 50 target Heritage City Double Barrel Championship, a 25 target Single Barrel Championship and a 15 Pair Double Rise Championship. The feature event was the Peter Anderson Memorial 25 target Points.

One pleasing aspect of the day was the number of spectators who came to support the competitors and watch the events. The day was muggy, occasionally windy and mostly cloudy, but apart from one shower during the first event, the rain held off until shooting was completed. When the sun did come out the conditions were oppressive, but that didn't deter our regulars and visitors.

Top left: Ross Anderson, OA 50 Target Heritage City DB CS. Left: OA HG Kevin Perkins. Above: OA winner of the Peter Anderson Memorial Points, Rob Rehbein, with sponsor Paul Anderson. Below: OA 25 Target SB CS David Nicholson

The Peter Anderson Memorial Points event is generously sponsored by our Patron and local GP, Paul Anderson, in memory of his father who was also a keen shooter. It

is always a popular event and this year was won by Bundaberg's Rob Rehbein with the only perfect score of 75/75. The grade prizes were also hotly contested with K. Perkins first in AA Grade and S. Whitehead second. A Grade was taken out by K Rehbein with G Rudd second. B Grade went to D Osborne, with M Schumacher second. C Grade was taken out by a new shooter, S Bylsma, with W Scliefe second.

The 50 target Heritage City Double Barrel Championship was won by local shooter Ross Anderson with a perfect 50/50. AA Grade was decided after a shoot off between Kevin Perkins, Paul

Anderson and David Nicholson. Final result was K. Perkins first, with Paul and David agreeing to share second. A Grade was M Zipf, second K Rehbein. B Grade first was S Hubert (later regraded to A Grade), second T Cecil.

David Nicholson won the 25 Target Single Barrel Championship after a shoot off with Bundaberg's Lynn Thompson. L Thompson was first in AA Grade, with K. Perkins second. A Grade went to M. Zipf, with L. McGregor second. B Grade winner was D Osborne, with D Rudd second. C Grade was won by G Christensen, with T Turton second.

The 15 pair Double Rise Championship was won by Rob Rehbein with a creditable score of 27/30. AA grade went to S Whitehead with K Perkins second. A Grade was R Anderson, second K Rehbein. B Grade was D Rudd, second P Lewis. C Grade winner was C Bylsma, second J Zaric.

Maryborough's Kevin Perkins too out the overall High Gun. R Rehbein won the AA Grade High Gun, K Rehbein A Grade, D Rudd B Grade and W Scliefe C Grade.

The Veteran's High Gun went to D Osborne, the Ladies to L Thompson and Junior to S Bylsma.

Overall it was a great day of shooting with some very good scores recorded. If you want more detail about scores on the day or some information about our sport, see our website www.mctc.org.au.

OPEN LETTER TO ISSF SHOOTERS

Continued from page 14

formally proposed by the ISSF Athlete's Committee. At the risk of repeating myself if ISSF shooters will not use the due process especially set up for them then they cannot reasonably expect change. The ball is firmly in the ISSF Athletes Committee's court.

The ISSF nationals program was shortened by one event because shooters said the week was too long and expensive but it is interesting that some shooters are now demanding that the extra event be reinstated. All I can say is please have a regard for those who volunteer their time to run the nationals. The word is "volunteer" as no one is paid to do the work. Officials attend early each morning to check targets in accordance with ISSF rules before shooters arrive and are still working every day long after shooters have departed. Twelve hour days are the rule rather than the exception. If the extra event for all disciplines was re-introduced plus extra practice days also demanded in the various emails the ISSF nationals would extend to at least 11 possibly 12 days for the officials and administrators. This would not be the case for the competitors as each discipline comes and goes within these championships. The authors of these emails should take this into consideration and ask where are we to find officials prepared to volunteer their time on that basis for that period?

Pre-nominations have been set in place by the ACTA Executive for all ACTA national championships which brings us into line with international events. Of course there have been a few hiccups but I am confident that the obvious advantages of pre-nomination will easily outweigh any disadvantages and that the system will settle in the future.

ACTA is well aware that there are problems with ISSF and your executive looks forward to working positively with both the ISSF Athletes Committee and AISL to effect needed changes. However the current atmosphere of rumor, distrust and misinformation is not to anyone's advantage. I trust that the above has helped dispel at least some of this.

IT'S YOUR CALL by Bill McCarthy

The following two scenarios relate to situations which are not uncommon in double rise events.

You are the referee for a double rise event where a shooter calls for a pair of targets. The first target he fires at is an illegal target (not a broken one) and misses it. The other target in the pair is quite legal and he declines to shoot at it. A delicate situation has now arisen.

He claims he has refused the target under Rule GRTS 17. You are convinced that the second target is legal.

It's Your Call

What is the ruling?

If you said "Lost" and "Lost" you would be quite correct under the note to Rule 1.07 (g), which states that if a shooter fires at

pair of which the first target is illegal, he must also shoot at the second target if the second target is a legal one. Hence, he missed with the first barrel and declined to shoot at the second under Rule 1.07(g), by shooting at the first target he is deemed to have accepted the pair and must abide by the result of his actions for the second shot.

Naturally, some doubt may have been in your mind about your decision, but in the absence of any cogent evidence of a legitimate reason for refusal of the second target, Rule 1.07(g) should stand. Obviously, an allowable baulk would alter the situation but the rule is quite clear on what procedure we are to follow.

Now if the reverse applies he is not compelled to shoot at an illegal second target even if he had fired at an illegal of legal target with his first shot.

Psychological Skills for Shooting

Michael Kruger-Davis

SELF-TALK

I've been asked on many occasions, "What should I think about while I'm shooting?" The short answer is nothing. However, because we are human beings this is practically impossible, because as humans we think almost every waking moment.

Have you ever tried to stop thinking: have a go, for the next thirty seconds try to think about absolutely nothing. Cast out all your thoughts and clear your mind of all conscious activity.

(30 seconds later) How did you go? Tough wasn't it. For most of us it is absolutely impossible.

These thoughts can be described as self-talk. According to Burton and Raedeke, self-talk is a steady stream of thoughts and internal dialogue in our minds. Used purposefully, it can be a versatile and powerful technique for improving performance. When you tried to clear your head of thoughts a minute ago, what happened? Any attempt to clear your mind usually prompts a flood of thoughts to rush in and fill the void, often causing us to think about the worst possible things at the most inopportune times. Burton and Raedeke, go on by stating that this continuous stream of thoughts, positive and negative, is self-talk, and it plays an important role in determining moods and emotions. It also plays a big role in developing both confidence and/or self-doubt. Positive self-talk can encourage a positive mood and maintaining your confidence and improving performance. Negative self-talk on the other hand, can lead to self-defeating thinking, that focuses our attention away from the here and now, to either the past or the future, which then leads to self-doubt and eventually failure.

If thoughts are repeated enough they become beliefs. This is true for both positive and negative thoughts. Albert Ellis, an American Psychologist who developed Rational-Emotive Therapy, describes the process as ABC. A is the Activating event: in shooting this might be missing a particular target, for example, a right hand swinger from lane 5, high house 2, or a rabbit in sporting. Because of this activating event, the consequence, C, is a lower score. This may cause us to lose the event, not make the shoot-off or lose the high gun. These consequences can be negative and might include emotions such as stress and anxiety, leading to disruptive behaviours such as poor concentration, etc. Positive consequences might lead to emotions such as challenge or excitement which would in turn lead to successful behaviours such as good concentration, anticipation, quick reactions, etc. Finally the B represents your beliefs about the situation or what you are thinking between A and C. Burton and Raedeke argue that the B is your interpretation of the situation and it determines your emotions and behaviour to a much greater extent than does the situation itself. Positive thoughts (I've prepared well, I am confident, I have always shot well at this ground, etc) should lead you to feel positive emotions and perform well. Negative thoughts on the other hand, can lead to unproductive consequences. Negative thinking (He's a better shot than I am, I hate rabbits, I've never shoot 100 straight before) will cause unproductive emotions such as anger, frustration, which will lead to self-doubt and choking.

The basic principle of self-talk is that you may not always have control over what happens to us but we can control how we respond to uncontrollable events. This principle, which was first written about by Shakespeare in Hamlet, (it is that old), states "It's not the things in life that effect us, but the way we think about them."

Self-talk can have positive thought patterns, negative thought patterns and can be intertwined by irrational belief structures.

Positive thought patterns help create a flow mindset by boosting

confidence, maintaining an optimistic attitude, promoting concentration, enhancing motivation and facilitate mental toughness, whilst negative thought patterns involve drawing incorrect or faulty inferences based on inadequate or incorrect information or the inability to distinguish between fact and fantasy.

Before I conclude, go back and try and stop your thoughts for another 30 seconds. It should still be hard, because as I said earlier our mind doesn't like the empty space and will try and fill it something. This time, instead of trying to stop your thinking, focus on something that will keep you focused but will not affect how you feel. Think of and hum a song, think of and visualise a picture or scene of some sort, mentally rehearse something over in your mind. You can't stop self-talk and where possible it should be positive and focused. But if you are trapped by negative thoughts and irrational beliefs then put some other bland thought that is not related to your performance in its place. This technique should be practiced in conjunction with breathing and relaxation. This will keep you focused on the present and limit the opportunity for your mind to wander into the past (where it will form judgements about past mistakes and failures) or into the future (where you will become scared and worry about failing).

Over the next couple of months I will explore these thought patterns. Starting next month with positive thought patterns, then negative thought patterns and finally irrational beliefs.

NEZ Tower at Mathoura

A warm muggy night with a mild wind blowing was the weather that shooters faced at the Mathoura Gun Club at their February meeting. Luckily, although thunderstorms and rain were forecast, none of that happened until the following morning, leaving the shooters with pleasant conditions for the entire program. Four events were on offer for the night, one of which was a 25 target, Victorian North East Zone, Single Barrel Night Tower Championship, and although a slightly reduced number of shooters attended, most likely caused by the popular Mathoura Fishing Classic that starts very early Saturday morning, there was still, more than adequate numbers for a good round of competition during the night.

Graham Hall OA Tower with R Kerslake (president)

was the man no one else could match, shooting a possible in event two, a 10 target Single Barrel Cash Divide, and that 10/10 score earned him 1st place cash, Graham Hall (Mathoura) and Tim Maher both picked up 2nd place cash having both lost one target and finishing on a score of 9/10.

Tower was next on the agenda, and although no one could post a clean score in this reasonably tough discipline, (single barrel and under lights), two shooters managed to drop only one target. Graham Hall and Tim Maher, both on a 24/25 score, went out to shoot off for the Overall

Winners Sash. It took just two targets to achieve a result, Graham hitting his and Tim unfortunately unable to nail his, Giving Graham the Overall Winners Sash and 1st in A grade place with his well shot 25/26 score. Tim picking up C grade 1st on a score of 24/26, and Roger Kerslake taking out B grade 1st on a 21/25 score.

Tim Maher 1st DB

And after an eight target shoot off, Rod Wharton (Mathoura) shooting a 20/23 score collected 2nd place, with Bruce Cook taking out 3rd place on a score of 19/23. Certainly a night out for Deniliquin shooters and the club's committee appreciates their attendance. A fairly big program for the night, the committee doing an excellent job, keeping the shoot running smoothly throughout the entire night, with even the presentations being all over by 11.15pm.

A ten target Points Score Cash Divide was the starting event, and Deniliquin shooters, Bruce Cook and Tim Maher, although not being able to post a clean round, (both losing just one point) it was good enough to lead the field, and to share the 1st place cash dividend on their well shot 29/30 score.

Mathoura Club President, Roger Kerslake

Event four was a fifteen target Double Barrel, and once again not one shooter able to post a clean score, but Tim Maher managed to lose just one target and that earned him the 1st place trophy with his 14/15 score.

ANDREW FUTTER

29/1/1956 to 29/1/2010

Members of the Glen Innes Clay Target Club were saddened recently when long time Life Member Andrew Futter was killed in a car accident on his 54th birthday.

He was travelling to Brisbane with his friend and fellow shooter Leonie Hawkins to watch a horse he co-owned run the next day in a race it would go on to win.

Andrew was a talented clay shooter and had been a member of the Glen Innes Clay Target Club since the late 70's.

For many years he held the positions of Secretary and Treasurer and he also assisted with the traps etc as well as introducing new members and coaching them in the skills of Clay Target Shooting. He especially enjoyed coaching younger shooters and often donated a case of shells for learners to get started.

Andrew represented the Northern Zone and State Teams on several occasions and was graded AA with a 23 metre handicap and had won state titles over the years, one in particular being the State Single Barrel Championship at the Illawarra Gun Club in the 80's. He was also accomplished as an Australian Clay Target referee and officiated at the Sydney 2000 Olympics. He was very much to be admired for his knowledge of protocol in all fields.

A fitting reward for Andrew was when in February 2006 at the Club's Annual 2 day Sapphire Shoot, Life Membership was bestowed on him in appreciation for his tireless efforts and dedication to the GICTC during the club years at the old Yarraford shooting range and its' new facility at Stonehenge Recreation Ground.

Andrew, a sixth generation grazier, was also heavily involved in the Glen Innes Jockey Club, currently holding the position of President.

A short remembrance for Andrew was held at our 2 day Sapphire Shoot which was 1 week after his accident. This was followed by a single gun shot fired by Noel Campion.

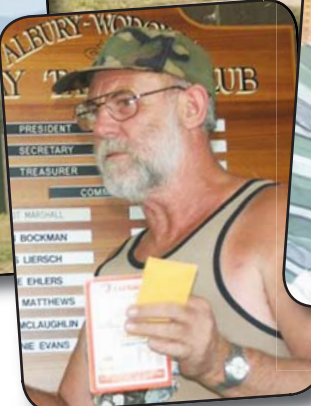

Our Club would like to sincerely thank the members of other clubs who assisted with the running of the shoot, especially to Geoff Jacobson from Lismore Club and Barry Cameron from Grafton Club for doing the handicap cards which enabled some of our members to attend the Celebration of Andrew's life for a short time at the Glen Innes Racecourse on the Sunday of our shoot.

Andrew will be sadly missed by all the members of the Glen Innes Clay Target Club.

AUTUMN'S IDEAL AT ALBURY

Great views and great shooting

*ABOVE: High Gun Bob Leita
LEFT: Even Gary Rudd made the presentation list*

The onset of Autumn was a welcome relief to most in the Riverina, and thanks to several inches of rain in the previous fortnight, the local area was looking a "picture". The beautifully maintained grounds of the Albury Wodonga Clay Target Club were a perfect example of how much difference this long-awaited moisture could make!

With powder blue skies and the mercury barely making it into the late twenties, 43 shooters nominated for the March program and what a program it was. Event one was a 50 target Ball Trap championship to be shot over two layouts. With very little wind present and a particularly even "backdrop", posting a good score lay squarely on the shooter's ability – no excuses here. Bob Leita proved he didn't require an excuse, dropping only one target for the match to take Overall Winner. 1st in AA Grade was Craig Ceely with a 46/50. Bryan Bockman was to follow closely behind Bob with a fantastic 48/50, proving a little local knowledge can go a long way! John Palffy triumphed in B Grade with a 46/50, Ben Ceely merely a target behind to take second. Visitor Sam Clifton prevailed in another close result to win C Grade with a very respectable 45/50, Rob Waugh scored 44/50 for second. It was evident at the completion of this event that everyone had really enjoyed the challenge that Ball Trap presents it certainly vindicated the committee's decision to retain it on the March card.

A 10 target Point Score eye-opener, conducted as a cash event, saw eight shooters take the money with a 30/30. Tom Caldwell, Rob Waugh, Reg Petts, John Palffy, Neville Clarke, Ben Ceely, Sam Clifton and Frank Plas were the only ones not to dirty their top barrels over the 10 targets.

Event 3 saw very few of those shooters successful in the eye-opener continue their form in this 30 target match. Overall Winner and 1st in A Grade was Peter Whitlock with an amazing 96/96. 1st in AA Grade and only one target behind Peter was Neville Clarke, 2nd Bob Leita with 89/90. Runner-up in A Grade was Greg Pinner 85/90. B Grade was to

be hotly contested by two long standing club stalwarts Harry Stolpe and Tom Caldwell. Tom had the advantage of posting a perfect score in Event 2, but Harry was the eventual winner, by only one target again, with a 97/99. Richard McCrum eclipsed Nick Gilder on 82/90 to win C Grade with a very respectable 87/90.

The day was finalised with a 30 target Double Barrel Continental championship. There were no surprises around the scoreboard when the red marker came out for Bob Leita's result of a perfect 30/30, Overall Winner and 1st in AA Grade. Shoot Marshall Gary Rudd's score of 40/41 was more than enough to clinch 2nd in AA. The most enjoyable and lengthy shoot-off for the day took place to determine the result in A Grade. Sam Clifton and Peter Collicoat fought it out for some time in a brilliant display of concentration to reach 99 targets. Sam had broken his 99th straight giving Peter the opportunity to draw level. Unfortunately for both shooters Peter missed his 99th and Sam had made a pyrrhic victory it was his highest break so far and was desperate to get his 100 target break badge. Peter apologized profusely! The remaining grades were decided with far less fuss, Allan Collins took out B Grade with 41/42 and Rob Waugh second with 40/42. Richard McCrum was 1st in C Grade, dropping only one target, Scott Johnston two behind that total with a 27/30 to take second prize.

No one was shocked when Bob Leita was awarded High Gun for the day, with an exceptional 197/200, he was a most deserving winner. The Elk's Hunting and Fishing \$150 open order for shooting the program has been threatening to "go off" for the last few shoots we all thought Bob might have been the one!

There was no doubt in anyone's mind that the day had been a huge success, with a great attendance, varied program and fantastic food (thanks Marie). Autumn in the Riverina is an excellent time of year and the Albury Wodonga Clay Target Club is the perfect place to enjoy it!

Wangaratta - Skeet, DTL, 5 Stand Clays

D.T.L.

On Saturday 20 February the Wangaratta Clay Target Club, situated at the North Wangaratta reserve attracted about 50 keen Down The Line trapshooters to compete in the three Championship events. The sport of clay shooting

Club President Albert Colin

is certainly very active right across the continent, which is evident in our area by the large numbers of competitors of both sexes, including junior shooters participating in this family orientated sport on a regular basis.

Event 1, 10 tgt Single barrel Eye Opener was shared by 7 possibles.

Event 2, the 20 tgt Single Barrel C/ship was won by Phillip Headon on a perfect

20/20 and 2nd in AA by local Daryl Hunt on 26/27. A grade was taken out by Shaun McGauran with 23/27 and 2nd by Roy Ellis on 22/27. First in B was won by our hard working club curator, Graham Coyle on 18/20 and 2nd by Reg. Phefley with 17/20. Club President, Albert Colin could not do a thing wrong on the day winning 1st in C grade in each event and 2nd by Bernard Chivers shooting 16/22, well done Bernard.

Event 3, 25 tgt 25 tgt Points Score C/Ship - O/All winner Brett Ford with a final tally of 99/99 defeating AA grade Daryl Hunt on 98/99. Benalla shooter, Tony Plum took out 1st in A grade on 97/102 and 2nd by David Wilson with 94/102. Brian Joy shot 72/75 to win 1st in B and 2nd by David Harley on 71/75. Albert Colin won 1st in C shooting 62/75 and 2nd place by Tony Ruvolo with 58/75.

The final event, the 25 tgt Double Barrel C/Ship was taken out by local champion top shot Daryl Hunt on 92/92 and 2nd by Tungamah gent Brett Ford with 91/92. Christian McGauran shot well to win 1st in A on 29/30, defeating Tony Plum with 51/52. Max Gribben from Benalla won 1st in B on 24/25 and 2nd place went to Keith Brown with 28/30. Albert Colin once again proved to be unbeatable in C grade shooting 23/25, winning this grade again over Tony Ruvolo on 23/26.

The High Gun winners were Overall Daryl Hunt 119/120, Veterans John King (Euroa) 111/120 and Ladies Kayla Grassi 104/120.

Attwood - Law Skeet Championship

The Wangaratta Clay Target Club held its major skeet championship shoot for the year on Sunday 28 February, the Attwood - Law shoot. This particular shoot attracts shooters from many different locations, including Melbourne, Wagga Wagga, Shepparton and other locations. Outside of the major state skeet carnivals held each year, this event is the major skeet shooting day for many skeet enthusiasts.

Kevin Law was the secretary of the local club for many years and contributed to the sport in many ways and it is for this reason that the

Attwood-Law Cup Winners L-R David Jackel, Bill Attwood and Matthew Prentice

Wangaratta Clay Target Club remembers him with his memorial shoot each year. Bill Attwood, from Melbourne is also highly respected in the shooting sports, having encouraged and supported many junior shooters over the past several decades. Bill is still active in skeet shooting and it was a pleasure to have him here on the day to present the Attwood - Law cups to David Jackel, overall high gun winner and Matthew Prentice, winning the Junior high gun cup. Bill has had a long and very positive association with the Wangaratta Clay Target Club and the club looks forward to many more Attwood - Law skeet championship shoots with Bill in attendance.

Results for the 50 tgt Kevin Law Memorial Skeet Championship saw Brendan Pearson winning 1st place and overall on the perfect score of 58/58 and 2nd in AA by Mal Briggs on 49/50. Seymour wins 5 Stand Clays

On Sunday 14 March the Wangaratta Clay Target Club held its March event of the 5 Stand 100 tgt Sporting Clays Championship, attracting 50 shooters. The day provided an ideal opportunity for field shooters to brush up on their skills for the duck opening next weekend. Perfect weather conditions prevailed and some extremely good shooting resulted, with some top scores recorded on the day.

The club flew orange fluoro targets all day, which against the blue sky background provided for easy to see but challenging clays testing the limits of the many shooters present. Wangaratta Clay Target Club is well recognised amongst shooters as one of the best clubs to shoot at, providing good consistent targets and a very friendly atmosphere to all. The club is well geared to provide Down the Line, Skeet and Sporting Clays shooting on a regular basis, which satisfies most shooters requirements.

The club appreciates the efforts once again of Colleen Carmody and Layne Rowe in staffing the canteen, providing lots of nice food and a cheery smile to all present. A note of thanks also to Brett Jory, Phil Andrews, Daryl Hunt and their team of helpers in setting up the various traps for the day.

NORTHERN ZONE Points Tower Champion

Congratulations to David Zammitt for winning the Northern Zone Points Score Championship held at the Townsville Gun Club on Sunday 21st March in the wake of cyclone Ului.

The cyclones only impact on our region was the overcast and very dull conditions with light showers.

Some shooters did find it hard to identify the targets in the poor light, but David excelled in the conditions and had no

problem shooting every target presented to him over the days shoot 125/125, despite two second barrels in the DTL Pts, he still shot all his targets.

As a reward for your excellent shooting David, the handicapper has taken notice and decided to promote your tower grade. You will no longer be in C grade for Tower in the future.

RICHMOND RIVER SHOOTING NEWS

NIGHT TRAP - February 12

Fifteen shooters lined up for a 25T DB warm up in daylight, and then the Single Barrel 50T Night Championship on "Fry-day" night when those present were treated to a sumptuous meal of snapper, chips and salad provided by Warren Beddoes, Jamie Beddoes and Dick Powell, Don Johnson, recently elevated to B Grade after some solid performances at the Glen Innes two day, and Phil Westbury (AA) both shot the lot in the warm up but no one scored a possible in either stage of the single barrel.

Peter Brown had the best score with 47/50 winning A, Phil Westbury 46/50 AA, Chris Bailey 45/50 B Grade and Warren Beddoes 43/50 C Grade.

The last night shoot for this summer is on 9th April with the main event being a 50T CONTINENTAL. If the fish bite well at some time in the next couple of weeks, who knows it could be a Fry-day again.

SKEET - February 20

Justin Hayden again showed his class with a perfect 50/50 winning the monthly 50T Handicap comfortably. Roy Warren was second with 40/50+10. Three squads made up the field and scoring generally is improving as Richmond River members become more familiar with the discipline although we don't appear to have any Tod Bender look alikes yet. The monthly 50T handicap event will be held again on Saturday 17th April.

TRAP - February 28

A number of regulars, both members and visitors, attended the Guyra Two Day event this weekend resulting in only thirty shooters at the club's monthly trap shoot.

All shooters received five complimentary targets which were recorded on a points score basis for the first round of the Jan Harding Memorial Progressive Point Score Shield. Twelve shooters have taken 15/15 into the second round with a host of others on 14 although there are five more rounds before the event is determined.

Ray Turner and Ross McFadyen in AA, Graeme Turner in A and Geoff Pringle and Ian Priddle in B Grade all shot 25/25 in the in the 25T DB Graded cash divide warm up event. Others to win money were Peter Brown and Jeff Lowndes (24/25) in A Gary Reynolds and Matt Williamson (23/25) in C Grade.

The second event of the day was a 25T Points Score with the only possible 75/75 being recorded by Ray Turner in AA Ross McFadyen was 2nd in that grade with 24/25. Stephen Murray shot well to win A Grade needing to use the second barrel twice and scoring 73/75.

Graeme Turner may have felt a little disappointed when the only time he pulled a second resulted in a lost target and second place in A with 72/75.

A shoot off was necessary in B Grade after Harold Batson and Ian Priddle had both scored 72/75 from which Ian emerged victorious. Gary Reynolds was successful in C grade with a good score of 71/75 from Warren Beddoes 68/75.

The weather turned foul just before the first squads managed to complete the first 25 targets of the 50T Handicap event of the day and the last five targets of the round were shot in very heavy rain which persisted for an hour delaying proceedings.

Roy Warren defeated Peter McKenzie, both of 17 metres, in a shoot off to win the event after both scored 48/50. Peter Brown (19) and Don Johnson (17) took 3rd and 4th after a shoot off involving six competitors who had all scored 46/50.

Shooters who attend Grafton, Yamba, Ballandean and Warwick shoots regularly will be pleased to know that the handicapper finally caught up with Maurie Westbury elevating him to A Grade.

Ray Turner (again) was High Gun (146/150) and

Ray Turner High Gun and AA P/S

Steve Murray Winner A Grade P/S

Roy Warren, Handicap and Intermediate High Gun

Gary Reynolds C Grade P/S and equal first C Grade C/D

Roy Warren Intermediate High Gun (142/150).

Preparations are now underway for the annual two day shoot scheduled for 22nd and 23rd May. See details elsewhere in this issue.

Monarto-Alexandra Clay Target Club

Monarto-Alexandra held their 27th anniversary 2 day shoot on 13th & 14th March with 48 shooters present on both days. And extremely good weather conditions.

Day 2 gave us a couple of lengthy shoot offs and some very good shooting overall, especially Wayne Hawker from Jeparit Gun Club who only dropped one point over the two days.

The club would like to sincerely thank all sponsors namely Greg Kessegian of Lu-kess Fisheries, Rob Low of Marsh Pty Ltd, The Mount Compass Tavern, Anthony Treacy of A.T. Fabrications, Brenton Burgess of Burgess Paint N Panel, Ruth Michell and Peter & Jackie Hendy for their contributions and a big thank you to all club members who worked so tirelessly to make this shoot such a success.

VCTA SOUTH EAST ZONE PREMIER TEAMS EVENT

ROUND ONE OF THIS POPULAR EVENT saw 118 shooters providing 20 teams to the Mornington Clay Target Club on Saturday 13th February.

The first event, as is now the norm was the Handicap and on a day where the targets didn't look all that hard there were six possibles. After the first 25 of the shoot off there were three, John Chapple, Neil Bakker and Rob Pistone and as it would turn out that was the order in which they finished. The Double Barrel produced 26 possibles and it took some time and 80 shoot off targets to get the group down to one squad. After another 30 there were 3, then within 5 targets it was over, Chris Brown was O/A with 139/139 AA J Spicer 2nd A Psalia 135/ 136, A L Stokes 86/87, T Faranda 55/56, B L Cazaly 120/121,

Pre-Nationals Events at Echuca CTC

IN ABSOLUTELY PERFECT WEATHER on Sunday the 14th of March, the Echuca Clay Target Club held its pre "National Trap Titles" shoot. Three events of fifty targets made a big program for the six full squads of shooters that arrived to compete, but with good organisation and an early 10am start all shooting was finished by an amazing 3.30pm.

Twenty-eight degrees and just enough of a gentle breeze to keep the flies at bay made it very comfortable for the competitors, and the result was good scores achieved by virtually every shooter in attendance. Echuca member Stephen Atkins was the only clean score in event one a 50 target, graded, Points Score Championship, his 150/150 giving him the Overall Winner's Sash, and 1st in AA grade win, Cohuna member, Casey Fletcher, almost got there, losing just one point, to collect 2nd in AA grade with his 149/150 score.

Event two, a bit tougher, being a 50 target Single Barrel Championship, and although there was no full score shot, Ray Peatling, a Cohuna member, and Steve Atkins dropped only two targets in this difficult discipline, and proceeded to shoot off to decide a winner, Steve dropped his 2nd target and when Ray demolished his, he became the Overall Winner, picking up his Sash, and a trophy for 1st in AA grade with a result of 50/52. Steve, collected a trophy for his 2nd place in AA grade, ending on a 49/52 score.

Finally, the prestige event, a 50 target Double Barrel Championship, and six shooters managed to down all fifty targets and proceed into a shoot off, with such good shooting conditions management expected this to perhaps go into the hundreds shot, but as others dropped out, it

Russell Felmingham OA DB

ended up being between Cosgrove member Russell Felmingham and Echuca member Leigh Fitzgerald, and when Leigh dropped his 98th target it was all over, hence the early finish to the day. Russell Felmingham proudly accepting his Overall Winner's Sash and 1st in AA grade trophy, after posting his excellent score of 98/98. Leigh Fitzgerald's well shot 97/98 score earning him 2nd place in AA grade.

Shot in perfect weather, with plenty of food and drink available, and an early finish, every shooters comment was in the positive, on a very enjoyable big shoot. Full results of

the shoot are as follows:

TWO DAY KING OF THE MOUNT

With little advertising and poor weather prior to the annual shoot on the 6th and 7th of February, 61 competitors turned up to brave the windy conditions. They came from Yass, Cowra, Orange, Cecil Park, Sydney, Brewarrina, Treloar, Tamworth and a strong contingent from New South Wales Gun Club to challenge the inter club shield, ably rounded up by John Newton and Neil Guy.

President Les Aberley and his band of workers only completed installation of the 4th layout a week prior to the shoot.

Les Aberley welcomed all to the shoot and the first event got under way, 75 target Eric Troy Memorial Champion of Champions.

Louis Galea from Cecil Park mastered the conditions with a great score of 124/125 to take overall, 1st AA Charlie Sherry 171/175, 2nd Dick Piotrowski 168/175, 1st A Mark Taylor 122/125, 2nd Bob Alston 121/125, 1st B Duncan Robinson 137/150, 2nd Elton Chetcuti 136/150, 1st C Chris Gittany 107/125, 2nd Rod Anthers 101/125, Ladies Helen Overton 121/150, Junior Leo Mortys 113/125 and Veterans Garry Rootes 121/125.

Event 2 50 Target King of the Mount DB Championship got under way in very blustery conditions causing the targets to rise quite considerably, the only shooter to master the conditions was that shooter from Cecil Park Louis Galea with a fine 75/75, 1st AA Helen Overton 74/75, 2nd Gary Rootes 73/75, 1st A Andrew Shadlock 60/62, 2nd Darcy Chetcuti 59/62, 1st B David Player 48/50, 2nd Kay Hunt 48/51, 1st C Stewart McPherson 46/50, 2nd Chris Jackman 44/50, Ladies Trina Watchorn 49/50, Junior Leo Mortys 45/50, Veteran Peter Haley 76/80.

This was certainly Louis Galea's day.

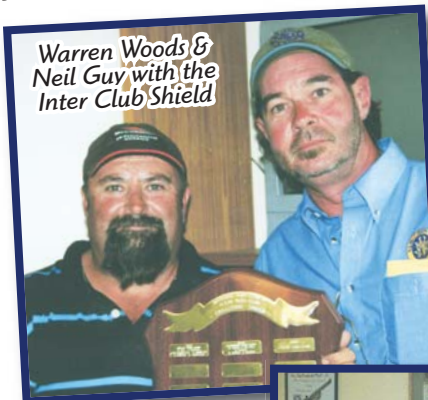

Day 2 Sunday, our Shoot Marshall John White started the day off by cooking breakfast (some shooters had trouble with the bacon and eggs after a big Saturday night) but the rest of us enjoyed them, thanks John.

Louis Galea

John got event 3 25 target King of the Mount Handicap under way in light rain with little wind. 9 shooters shot the possible and Greg McAllister from Orange shot a 73/73 to take 1st place with Peter Haley taking 2nd with 72/73, 3rd Trina Watchorn 50/51, 4th Horst Stock from New South Wales Gun Club shot his first possible in Handicap 41/42 and 5th another NSWGC member Ian Hoschke 37/38.

ALBURY WODONGA CLAY TARGET CLUB

Love is in the air at Albury

A loving couple on the range

With mild conditions on the horizon and an interesting program on the cards, Valentine's Day at the Albury Wodonga Clay Target Club was set to be a day for all lovers of clay shooting.

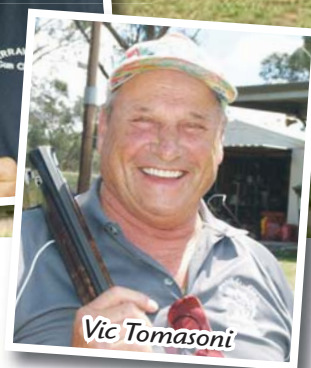

The first event for the day, and a real test for everyone, was a 15 target Walk Back Graded Cash Event. Several shoot-offs were required to finalise results, with several shooters scoring consistent "hits" well beyond their normal Handicap marks. 1st in AA Grade was hard working shoot marshall Gary Rudd, 2nd Phil Matthews. 1st in A was regular Albury visitor John Allan, Anthony Metry second. Tom Caldwell just "pipped" Mt. Bogong member Dave Harley for 1st in B Grade. The shoot-off, from the 25m mark, came as a real surprise to both C Grade contenders. Brian Beach finally prevailed over Nick Gilder for 1st in Grade.

A 25 target Handicap event followed swiftly after the Walk Back. Interestingly, many shooters fared far worse off their normal marks compared to the extremes the previous event had challenged them with! The wind had quickened a couple of knots at this stage and displayed itself in some of the scores posted. After a quick shoot-off, Yarrawonga hot shot Neville Clark managed to edge out Vic Tomasoni for 1st with a 32/32. C Grade shooter, and relative new-comer to the sport, Craig Hamilton showed that a Handicap event was truly a leveller with a fantastic 38/39 to take out 3rd.

With the everyone off the 15m mark again and the speaker microphones back in use the third event for the day, a 30 target Double Barrel, was under way. Neville Clark continued his dominance for the day with a great 64/64 to clinch 1st in AA Grade and Overall Winner. Local Trap expert Bryan Bockman bowed out of contention with 63/64 for 2nd in AA Grade. Graeme Parker was 1st in A Grade with 51/52, John Allan "sooted" a few for 2nd with 43/44. Fred Bienvenu had apparently not shot for a while, but fooled everyone

Rambo using the new shell retriever

Vic Tomasoni

with a very respectable 51/52. Reg "I'd rather be shooting Skeet" Petts showed he's competitive across all the varied disciplines with a 35/36 to take out 2nd. Constant C Grade rivals, Jacob Matthews and Nick Gilder were both in the running. Demonstrating some skills well beyond his age and grade, Jake dropped only one target for the event to take out 1st in "C". Nick one more behind on 28/30.

The program concluded with a 25 target Double Barrel Continental event, bound to be a test with the strong breeze that had developed later in the day. Derek McLaughlin showed some serious resolve to win the event with a 35/35. Derek was still recuperating from an appendix operation not two weeks before! Now that's dedication. Bryan Bockman dropped a target in the shoot-off, 34/35, to keep Derek honest and take 2nd in AA Grade. 1st in A Grade was Tony Penney, 26/27, Greg Pinner one behind on 25/27. Club stalwart, Harry Stolpe shot a 25/26 to grab 1st in B Grade. Barry Ellis was 2nd in "B" with 24/26. After two seconds for the day, Nick Gilder finally prevailed in the shoot-off to win 1st in C Grade with 29/33. Brian Beach made the presentation list again with a 28/33 for 2nd.

Not surprisingly, Neville Clark was awarded the much coveted High Gun trophy with an absolutely amazing 94/95. Dropping only one target over such a varied program and several bursts of gusty weather, demonstrated to everyone that Neville was a deserving winner. Marie Petts was her usual self – keeping the crowds fed with a minimum of fuss. A special mention must go to the delightful Sophie, a new shooter to the club, who endeared herself to all those who tried her delectable banana cake. You have set a very dangerous precedent Sophie!

It was safe to say that all those who attended this shoot enjoyed the mixed program and generous prizes. St Valentine's day or not, most left with an even greater love of the Albury Wodonga Clay Target Club.

Grafton Clay Target Club hosts NORTHERN ZONE TRAP CARNIVAL

THE NORTHERN ZONE SHOOT at the Grafton Clay Target Club venue on the weekend of 13/14 March saw some challenging weather conditions in between bouts of sunshine. Twelve squads lined up each day for the competition with a highlight being 11 juniors experiencing the competition under the sponsorship of the Northern Zone Clay Target Association and the Grafton Club.

The club grounds were picturesque to say the least, with plenty of members having pitched in over many months to display a professional club meet.

Sometimes shooters found the challenging weather patchy at times with misty rain blanketing the grounds through to sunshine making the shooting one of a masters degree. Along with the misty rain, came some sporadic gusting winds which were very strong at times. The targets however held their perfect flight and everyone's enthusiasm was strong and not at all dampened by the weather conditions.

Event 1 50tgt Northern Zone Handicap Championship

Robert Clark and Gerard Sainsbury shot off to determine second and third place and John Piper and Peter McKenzie shot off for fifth place in this event. An excited Nathan Wilkinson had already taken out first place with a 50/50. Final places were 1st N Wilkinson 20/20, 2nd R Clark 55/56, 3rd G Sainsbury 54/56, 4th J Piper 48/50, 5th P McKenzie 50/53

The Club's Committee were continually thanked for their hard work in the organisation of the club team members with working bees and structures put in place to make sure that this Zone event and the grounds were presented to a high standard of expertise allowing the program to flow without interruption.

Call for ladies to join State Executive Board

With the retirement of Lynne Teale, the NSWCTA Executive Committee is now without a female influence.

We are calling for all interested women to become a part of your clubs executive team so you can step your way through to Zone then to State. We need women involved in our sport as much as we do men and children.

Southern Zone 75 Mixed Target Championship

Bega Gun Club would like to announce the change of date for the Southern Zone 75 Mixed Target Championship. It was previously set for 2nd May 2010, but clashed with another Southern Zone shoot. The new date for the Championship will now be 5th September 2010.

2011 State Championship Allocations

Once again it is that time of year for the State to call for expressions of interest for the 2011 State Championships.

Below is the list of all the championships that are available;

State ISSF Trap & Skeet
State Ball Trap
State Deauville Doubles
State Mixed Targets
State Continental
State Night Single Barrel
State Night Double Barrel
State Night Point Score
NSW 50 target Skeet Championship

If your club would like to hold one or more of these championships, please forward your interest on to the State Office by 14th May 2010. Successful clubs will be notified after the Executives meet at the May Meeting.

Retirement of Lynne Teale

At the February NSWCTA executive meeting, Lynne Teale announced that she would not be seeking to represent the Southern Zone for another term. Lynne started on the NSWCTA executive in the late nineties and served as Vice-President for a term before being elected as President in 2000, the office she held until 2006. She again served as Vice-president in 2007-2008. During that time she provided a quiet voice of reason among the other delegates and with her background in administration, the Association was able to capitalize on "good governance" and set into place policies and procedures that would safeguard our financial and physical assets, allow for effective communication between Association stakeholders, and lift our profile as an effective Sport Administration body with organizations such as NSW Sport & Rec, NSW Sports Federation, Police Firearms Registry and the ACTA. Being a non-shooter, Lynne achieved these goals and many others, by being able to see the bigger picture for our sport, and had the integrity and fortitude to stand up for our association. NSWCTA is currently in good shape because of the influence she had over the day-to-day running of the association and the positive impact that influence has had.

Lynne, on behalf of NSW shooters and the NSWCTA executive, we wish you well for the future.

For our ageing shooters – are we heading this way?

A group of 40-year-old shooters discuss where they should have dinner. Finally it is agreed that they should meet at La Restaurant Barzerk because the waitresses there have low-cut tops and nice breasts.

Ten years later, at 50 years of age, the group meets again and once again they discuss where they should have dinner.

Finally it is agreed upon that they should meet at La Restaurant Barzerk because the food there is very good and the wine selection is good also.

Ten years later, at 60 years of age, the group meets again and once again they discuss where they should have dinner.

Finally it is agreed they should meet at La Restaurant

Barzerk because they can eat there in peace and quiet and it is smoke free.

Ten years later, at 70 years of age, the group meets again and once again they discuss where they should have dinner.

Finally it is agreed upon that they should meet at the La Restaurant Barzerk because the restaurant is wheelchair accessible and they even have an elevator.

Ten years later, at 80 years of age, the group meets again and once again they discuss where they should have dinner.

Finally it is agreed upon that they should meet at La Restaurant Barzerk because they have never been there before.

The Back Page

Mark McInnes

Welcome back. I hope you enjoyed the first edition of "The Back Page" and I certainly thank all of the people who called to comment. Since last month, I have done a deal with two old mates of mine who have agreed to help. From next month on both Adrian Cousens and Ken Lowry will be regular contributors.

From the Past

This story comes from the writings of George Biggs, the long time Australian Clay Target Association historian and relates to the great Doc Carvers visit to Australia in the early 1900's. Carver was certainly the best trap shooter in America at the time and Barney Meadway was a 6 time Australian trapshooting champion of the 1920's.

This yarn was from C.B. (Barney) Meadway. Barney came from the Benalla district. He was a smallish fellow with a handy way with words. His shooting days were tapering off when I knew him, but he was always on for a yarn.

Anyhow, as Barney told it, the great Doc Carver from the US of A, with his reputation as the greatest wing shot in history, arrived at the New South Wales Gun Club in Sydney and challenged any person in the world to shoot him a match from 30 yards, 100 birds up, and \$100 a side.

He was challenged five times and won each time. Although, Jack Neeld ran close when he shot 93 to the Docs 94. I knew Jack Neelds son, another Jack, and I had discussions with him about it, but he lacked a sense of history and was only mildly interested, although Errol Bullen, another member of NSW Gun Club of my days there, confirmed Barney's story.

Carver then came to Melbourne Gun Club and challenged anybody in the land to shoot against him on the same conditions as Sydney. There were several takers and once again Carver won each match. In one of these matches, after he had shot about 20 birds straight, the Doc walked off the mark and called for a strip of lead, he said he felt he was over swinging and wanted to wrap the lead around his barrels to slow himself down a little.

After packeting the loot and running out of challengers, Carver issued an open challenge of \$500 a side, 100 birds up. This offer went untaken for a few weeks while Carver won about every event he wanted to win in the daily competitions of those days.

Then one Friday, the Grant brothers from Skipton walked into the club on one of their occasional visits. They worked as rabbiters on very ordinary wages and their ability to shoot at the club was limited.

According to Barney, they were "pretty fair shots" and had never heard of Carver, but when told of the challenge they had a little discussion, pooled their money and drew straws to see who would do the shooting. Bobby drew the long straw, and after checking that the Carver money was up, they paid their \$500 and the match was set for the Saturday a week away.

A great crowd came along for the event and over 50 bookmakers stood up to do battle with the punters.

Anyhow, with much excitement, huge betting, and a break for lunch, the big day saw Carver shoot 99 out of 100, and in Barney's words, "It wasn't bloody well good enough, Bobby shot the 100."

What George didn't mention in this little story was that the Grant brothers were probably the best live pigeon shots in Australia at the time and both won the Australian Pigeon Shooting Championship on multiple occasions.

For the Record

In January, Roger Duthie became the first person to shoot the possible in the Handicap and Double Rise at a State Championships. He achieved the feat whilst competing at the Tasmanian Trap Championships held in Launceston.

Did You Know:

Trap shooting in the period 1860 – 1900 rivalled both golf and tennis. The top trap shooters earned massive salaries and attracted huge crowds to the competitions of the day. When Doc Carver and Captain Bogardus travelled through the USA competing in a series of one on one trap shooting events, they attracted crowds in excess of 50,000 people. They travelled from venue to venue by trains dedicated to the shooters and their entourage and enjoyed first class facilities in every location they visited.

Professional trap shooters existed throughout the world and Australia was no exception, in fact at the turn of the century Australia boasted the greatest trap shooter in the world, Donald Mackintosh.

Mackintosh Reunion

This will be the largest function ever run by the ACTA and we would like as many Mackintosh team members as possible to attend. It will be held on the closing Saturday and Sunday in 2011 and will be a highlight of the 2011 Trap Nationals.

As I mentioned last month, Mackintosh team jackets are available to all shooters who have been a member of a Mackintosh team at a cost of \$200. We hope that all members will wear their jackets at the reunion.
