National President's Notes

A great carnival atmosphere was had by all who attended this year's National Trap Championships held at our National Ground's, the improvements made to the grounds during the year certainly improved the overall ambience from the perspective of the competitors, traders and administration. I would like to once again thank all who helped make these championships a memorable one and to our sponsor's thank you for your continued valued support.

To all of the shooters who enjoyed the Championships and competed without taking home any major prizes, thank you for without your attendance and competitive spirit the championships would not hold the same value. To those who competed so well and won Overall, Grade and Sectional prizes congratulations.

Our Hall of Fame evening inducted Mr. Arthur Turner and Mr. Donald Mackintosh into the Hall of Fame along with our first lady inductee Mrs Violet (Tim) Reade, the 2009 presidential medal was awarded to Mr Tom Meadows from the Brisbane Gun Club for his services to our sport, and Life Registration was awarded to Mr Allan Kenny former ACTA Vice President and ACTA executive member for his services to our association, the evening as always proved to be very entertaining and a welcome respite.

Executive Officer's Report

2010 is really moving along with the ISSF Championships being conducted in Brisbane and the Trap Championships in Wagga being very successful.

The changes made in relation to Nominations was a huge improvement in the running of the National event with shooters knowing their squads and times for shooting each day. The system worked extremely well and should continue to be refined to ensure these results are continually repeated in the future. Adrian Cousens made the system flow throughout the Championships to a point we finished the Mackintosh event on Saturday.

Not only was the carnival a success the way in which the carnival was presented and the Media outlets of Wagga Wagga reported the Championships has enabled us to secure a another sponsor for 2011. We will confirm this and other sponsors for 2011 in the near future. I would like to thank all of the sponsors who contributed to the success of the Championships. We would encourage all ACTA members to support those who support you.

The results from the Nationals which are published on the WEB in their entirety shows each persons results for each event, something we are not able to do in the Magazine. With the continued improvements in the magazine and new and interesting articles being sourced the magazine is attracting new and former sponsors and advertisers, this in turn means more value for the ACTA members.

The National Skeet carnival is on again in May at the National Ground from the 16th – 22nd. Entries at the time of writing are on par with 2009 so a strong competitive field will be in attendance.

The National Executive will meet in June with a great deal already on the agenda, as well as the eight committee's meeting to formulate recommendation for the next twelve months we are also reviewing the current strategic plan and business plan to take us forward.

There are many aspects of the sport to consider as well as the corporate requirements of the Associations Act. This includes the Strategic plan, Business plan and consideration of the Crawford report into sport which was delivered to the Federal Government in 2009. We have already taken steps to update our data base to enable us to readily access the information required with these proposed reforms to sport in Australia. We need to take a proactive approach to the recommendations made in this report.

It appears many shooters travelled home with "Practice Tokens" from the Beretta coin operated practice traps. If you would like to return them to the ACTA Office we will send you the money value of the tokens, there are over 1000 missing.

I would like to think they would not be taken back to clubs that have the same Beretta machines with a "k" on the token.

SOUTHERN GUN CLUB DONATES TO LEGACY

The weather was mild but a bit windy for the 45th Legacy shoot on 21st March 2010, a wonderful day. All profits for the day were donated to Legacy, and 36 shooters from all over the state came to support this worthy cause. Legacy provided all trophies for the day, and a lovely lot of prizes they were, and very keenly shot for too.

Highlights of the day were many. Just to mention a few, was the great win by the Southern Gun Club's team for the Legacy Shield. Southern Gun Club are proud of our juniors and young shooters, many of the youngsters under 25. In the following scores some of their names are mentioned as placegetters and the others are not far off the mark.

Thank you to all those Legacy folk who came and cooked the BBQ. Thank you to all the other helpers who kept the day running smoothly.

The Legacy Shield, was won by an excellent team from Southern Gun Club. The team comprised Jon Fidock, Jeff Higgins, Luke Higgins, Max Leaford and Dennis Fidock a total of 111/125 combined score, they narrowly beat the Southern Gun Club's second team at 110/125, and in third place was Southern's third team with 108/125.

The Southern Gun Club High Gun sash was won by Fred Keen 69/75.

Results for the day are as follows: Event 1 25 target Keith Rymill Memorial DB HC Trophy, 1st Fred Keen 25/25, 2nd John Elix 24/25, 3rd T Scarff 23/25, 1st unregistered Neil Chapman 20/25, 2nd unregistered David Keen 17/25, 1st Veteran Harold Whitehead 21/25, 1st Junior Ryan Morgan 20/25, 1st Lady Di Humberstone 15/25. Commencing on the 12th April 2010 the Australian Clay Target Association National Trap Championships were conducted at the National Shooting Ground in Wagga Wagga.

This is the first time that shooters were required to pre-nominate to compete and were pre-squaded for the entire carnival. Shooters from every State of Australia and a large New Zealand contingent assembled to compete. The National Championships were not conducted at the National Grounds in 2009 and shooters were delighted to see the improvements that had been made. The sealed trade area, children's playground, BBQ area, spectator seating, kitchen upgrade and other less visible infrastructure such as the new power supply were all very obvious. The number of on-ground campers increased considerably this year and hopefully the planned increase in powered sites will be available in 2011. The recent rains and the enormous amount of work by ground staff had the grounds looking clean and refreshed.

With the Pre-nationals already concluded and the office using

the streamlined Frank Auditore Shootmaster registration, nomination and squadding system the Nationals commenced with a minimum of effort to shooters and office staff alike.

Prior to the Championships getting underway the opening ceremony and the all important State Shoulder to Shoulder Team matches were conducted.

National President, John Mack, introduced official guests including Robert Brown MP – Leader of the Shooters Party, Kay Hull – Federal Member for Riverina, Kerry Pascoe – Mayor of Wagga Wagga, and Daryl Maguire – Member for Wagga Wagga. The carnival was officially opened by Rob Brown who also fired the opening shot.

Judging of the Best Dressed State Team also took place and it was the delighted Western Australia squad that triumphed.

After initially tying with Victoria in the Open State Team Shoulder to Shoulder match, South Australia was eventually victorious. The

Open team included; Craig Bentley, Allan Jones, Robert Clark, Matthew Stokes and Deserie Baynes.

The Women's section was won by Tasmania. Team members were Nanette McCallum, Sandy Ellis and Dianne McGrath.

The Junior Team from Victoria took out the honours. Making up the team were; Geoff Aston, Nathan Harris and Joel Lennane.

In the Veterans section Tasmania completed a winning double. Members of the team were David

Dennison, John Murphy and Philip Howes.

See additional State Team photos on pages 10-11.

59th NATIONAL DOUBLE BARREL CHAMPIONSHIP

Sponsored by **BERETTA AUSTRALIA**

Day three, and we were again treated with great weather and conditions on what is traditionally the busiest day of the National Carnival. For all involved, particularly officials running the shoot, office staff and handicappers, the systems that had been developed coped with ease. There were no arguments, no yelling and Woody hadn't even gone into a quiet phase (generally a sign that he is not happy with someone or something). Maureen from the National office was again on hand to assist and also took control of the selling of practice tokens. With 15 traps operating Adrian Cousens was working tirelessly and seemed

to be in the office every 5 minutes with completed squad sheets, testimony to how well the shoot was running.

470 shooters competed including 58 Women, 22 Sub-juniors, 49 Juniors and 49 Veterans resulting in 158 possibles to shoot off in 27 squads over 10 traps. The Grades consisted of 244 in AA, 122 A, 78 B, 26 C.

The shoot-off started at around 12 noon and after the first bracket of 25 targets the number of squads had reduced from 27 to 17. By the end of the daylight shooting only 11 shooters remained. The shoot-off continued under lights and after another 90 targets Steve Atkins stood alone on the tracks as the overall winner with a final score of 465/465. This was yet again another back to back win as Steve also won at Roma in 2009. Steve's name will again appear on the Jock M Wilson Perpetual Trophy. Steve also takes home the Beretta shotgun, Royal Blue Sash and the Silver Australia Badge.

AA Grade – 1st Ray Collinson (Burdekin) 464/465, 2nd Brad Henshall (Guyra), 3rd Glen Castellaro (Cobar)

56th NATIONAL SINGLE BARREL CHAMPIONSHIP

Sponsored by **HIGHLAND SPORTS**

Day four, and the 100 target National Single Barrel started on time at 8.30 am. 460 shooters competed including 59 Women, 22 Sub-juniors, 49 Juniors and 47 Veterans. The Grades consisted of 239 in AA, 122 A, 75 B, 24 C.

The first round of 50 targets was completed by 11.30. Shoot Marshal Adrian and his trusty assistant Ron Traill kept the squads on the go and the final squads of the second round were back in the office by 3.50 pm. With the office system still running smoothly the shoot-off squads were quickly delivered to the Shoot Marshal. Only 4 shooters had managed to put together a perfect score and after only another 20 targets Boston Walker from Gorge Road Gun Club in New Zealand, was duly declared the winner. Boston received the W Rainbird Perpetual Trophy, the Silver Australia Badge, Royal Blue Sash, cash and a under-over shotgun supplied by Highland Sports. For the second day in a row Ray Collinson (119/120) came in second.

For the first time in 5 days the office did not run out of practice tokens, due mainly to the vigilance of Fred Rapley who quickly returned the spent tokens for re-sale. It had only taken us 5 days to train him.

Our EO Tony Turner was again kept busy with media liason and the multitude of tasks he was managing, so necessary to ensure the smooth running of the carnival. Peter Haley had taken over control of the manual scoreboard and with his diligent assistants, wife Sandra and George Pinner, kept the board up to date. The electronic scoreboards, an extension of the

Shootmaster office record system were proving very popular, with a multitude of shooters viewing live-time scores as they were entered into the computer.

49th AUSTRALIA/NEW ZEALAND TRAP CHAMPIONSHIP

Sponsored by **WHITE FLYER**

Day five, started at 8.30 am. Again we had 100 targets to shoot, Handicapper Ray Peatling and his assistants Russel Felmingham and Colin Dunn had a very busy day, not finishing entering the scores until 7.30 pm. However the event itself ran smoothly and was completely over by 3.45 pm. Having time to spare, we were also able to establish the Mackintosh Teams and conduct the shoot-off for the final two Open Team places (7 down).

During the day Sue Vesperman from the National office was kept very busy taking orders for the unique Mackintosh Team Reunion jacket. These jackets are available to any shooter who has been a member of a Mackintosh Team. Jackets are also available for order from the ACTA website.

For the second day in succession Janenne Kidd, who had worked tirelessly in the office over the entire carnival, again rewarded the workers with a large box of lollies. It is amazing how many extra, and very happy people arrived to help.

451 shooters competed including 55 Women, 21 Sub-juniors, 48 Juniors and 46 Veterans. The Grades consisted of 235 in AA, 118 A, 75 B, 23 C. The break up of shooters by state revealed: NSW 175, Vic 140, QLD 61, WA 38, SA 28, TAS 24, NT 13 and International 19.

61st GRAND AUSTRALIAN HANDICAP

Sponsored by **BERETTA AUSTRALIA**

Last day, and with only the 50 target handicap to shoot, the office imagined they were in for an easy day. The worried look that Frank Auditore had worn off and on all week had completely disappeared as the Shootmaster system justified the decision by the National Executive for its use. By now, many competitors had passed very complimentary remarks on how well the carnival had been run, both to the office and also to the efficient management of squads and shoot-offs on the grounds.

With perfect weather conditions, it had been decided to run the Mackintosh Team event on Saturday afternoon instead of Sunday. A decision applauded by all those who were looking forward to heading home.

A total of 275 shooters entered the event to shoot for placings from 1st to 15th plus the Women, Junior, Sub-junior and Veteran sections.

Ten possibles made up the red scores on the board and after another 50 targets, George Barton

2010 ACTA TRAP NATIONALS ACKNOWLEDGEMENTS

The ACTA would like to thank all of our sponsors: Major Sponsors, Beretta & Casella Wines for their continued support along with event sponsors, Highland Sports, Perazzi, Winchester, G & N Guns, Horsley Park Gun Shop, Milperra Marketing, Eley and White Flyer for their contribution to the Trap Nationals. The support of these very valuable sponsors is very much appreciated by the ACTA and the shooters.

I would also like to thank Bruce Rickard for the support of Canterbury International for his attendance and maintenance of the voice release on the ground for the Nationals.

Many thanks to all of the office staff particularly Janenne Kidd, Jim Shepherd & Glen Woodhatch for their assistance at the windows and assisting with the computer program run by Frank Auditore.

Handicapper Ray Peatling and his assistants Russell Felmingham and Colin Dunn had a big job and performed it with distinction. Peter and Sandra Haley, George Pinner and others who assisted with the scoreboard. A huge thanks to Shoot Marshall Adrian Cousens and his assistant Ron Traill. To Fred Rapley for his tireless work over the ten day period, and David Jocelyn for his long and heavy workload. Also a big thank you to the Trappers who did a great job.

A special thanks to John Pope and Charlie Strike for their support

and work leading into the Championships. These gentlemen along with David had the ground and facilities in top condition for the event. I would also like to make mention of Viv Moore who offered her assistance in every aspect of the office, it was great to have Viv as part of the office setup.

The championships would not have run in such a professional manner without the input and foresight of Frank Auditore. Frank spent many days leading into the event assisting the ACTA in getting the pre-squadding set up with details which made the shooters very aware of where they were during the Championships. Frank's innovative scoring system and associated additional features are being developed to further enhance the program.

I would like to congratulate the National Executive on the way the Championships were set up and executed over the Championships and credit for the event must go to Lynne Curtis and the Championship committee for their foresight and programming of the event.

Thank you also to the traders who provided their services at the event. It was great to see a carnival atmosphere and friendly people. Many thanks also to our Caterer and Hospitality contractors the Uranquinty Hotel, who provided food and drinks over the carnival. David and Jo also provided the shooters with a BBQ on Wednesday evening. The ACTA National Executive appreciate every person's contribution right through to the scorers and referees who gave up their time as volunteers to ensure a successful Trap Nationals.

Last but not least Ian McGeogh for providing his gunsmith services and Joe Camelleri and Daryl Stevens in providing stock making and repair services for the Championships.

TWO DAYS AT BARCALDINE

Numbers were a bit lower than expected this year (56), due primarily to the Central Zone Trap Carnival at our neighbouring club Ilfracombe only a fortnight previously. Many shooters from the east understandably could not repeat the trip so soon.

However, it was great to see the Normanton Club so well represented from such a distance, plus Mt Isa and Cloncurry, Scrubby Creek, Clermont, Dysart, Sarina, and other Central Zone Clubs. Thanks to all for coming.

There were a few teething problems with the new Canterbury traps, which were sorted out with the help of a few frantic phone calls from the traphouse to Russell Smart of Canterbury Traps in NZ, plus knowledgeable assistance of Wayne Reeves. Thanks Wayne and Russell, much appreciated.

Shooting got under way on time with 30T Continental to wake everyone up. Blackall's rising star Danny Allan who started the day in B Grade, got off to a flying start winning the overall for this event.

Event 1: 30T Continental O/A Danny Allan (Blackall) 83/84, AA Shawn Ryan (Normanton) 82/84, A Bill Chandler (Barcaldine) 29/30, B Kim Williams (Barcaldine) 64/66, C Peter McLellan (Ilfracombe) 33/37.

Surprisingly there were no possibles shot in Event 2, the 50T D/B which was taken out by Barcaldine's once or twice a year shooter, Willie Chandler with 52/52.

Event 2: 50T D/B O/A Willie Chandler (Barcaldine) 52/52, AA Chris Wilson (Mt Isa) 49/50, A Mick McGill (Mt Isa) 54/55, B Danny Allan (Blackall) 51/52, C Sherry Millar (Dysart) 47/50.

Event 3: The OG Hill Memorial Trophy presented by Penny Hill, 30T S/B is a difficult event especially with the wind. Scrubby Creek husband/wife combination came up trumps with Geoff "Seaweed" Seawright, shooting the only possible for the event to take out the overall, and wife Elaine first in C Grade. O/A Geoff Seawright (Scrubby Creek) 30/30, AA Stephen Curley (Cloncurry) 35/36, A Graham Rudd (Bundaberg) 29/30, B Peter Molle (Blackall) 28/30, C Elaine Seawright (Scrubby Creek) 24/30.

Despite a few hold-ups, the program was

interest was keen. No possibles shot, but Barcy's own Kim Williams won with 29/30, followed by Andrew Skinner (Clermont) 30/32, Danny Allan 29/32, Geoff Seawright 31/34. Normanton "Smiley Face" syndicate drew Kim and took home top dollars in the mini Calcutta.

Event 6: 30T Points Cash Divide was slightly altered from the advertised 18m and shot off 15m. Results were AA Wayne Reeves (Normanton) 90/90, A Danny Allan (Blackall) 89/90, B John Back (Ilfracombe) 87/90, C Terry Burgess (Rockhampton) 80/90.

The Alice River Teams Event was shot in conjunction with Event 6. It was great to see 8 club teams compete for the prize and club name on the trophy which has been contested since the 1950's. This year, Normanton came out on top with a score of 425/450 for their 5 shooters, closely pursued by Blackall with a score of 420.

High Guns for the weekend put in a great display of shooting but none more so than Danny Allan who can kiss B Grade goodbye with his score of 308/320 relegating his nearest rivals Shawn Ryan and Stephen Curley to battle it out in a shoot-off of the whole program for overall in AA. O/A High Gun Danny Allan (Blackall) 308/320, AA Shawn Ryan (Normanton) 303/320, A Peter Watts (Dysart) 302/320, B Kim Williams (Barcaldine) 296/320, C Sherry Millar (Dysart) 270/320, Ladies Cherie Ryan (Normanton) 285/320, Veterans Barry Machin (Ilfracombe) 292/320.

With the exceptional wet season in most of Queensland this year, Barcaldine has never looked so green. Perhaps the different outlook was a factor in fewer possibles shot than in other years. Nonetheless it was another great weekend, and I hope to see our many visiting shooters back next year.

Paul Taylor, President

O G Hill Memorial SB winner Geoff Seawright receiving his trophy from Penny Hill

progressing well so it was decided to bring forward the 4th event from Sunday to Saturday afternoon which would allow an earlier finish and long distance

travellers an extra hour or two on the road on Sunday.

Event 4: 30T Avarad Transport Points Championship O/A Neil Sinclair (Mt Isa) 89/90, AA Stephen Curley (Cloncurry) 88/90, A Danny Allan (Blackall) 102/105, B James Bell (Normanton) 87/90, C Peter McLellan (Ilfracombe) 82/90.

Sunday morning and with plenty of cash and a mini-Calcutta riding on the 30T Handicap,

HG L-R Sherry Miller C grade, Shawn Ryan AA Grade, Cherie Ryan Ladies, Kim Williams B Grade, Peter Watts A Grade & Danny Allan OA

9th DTL World Championships

Cape Town South Africa - March 2010

All members of the Australian Team representing the ACTA at the 9th Annual DTL World Championships in South Africa were asked to write about their trip. Following are their experiences and thoughts of their time in South Africa.

Laetisha Scanlan

The chance to travel to South Africa and represent Australia will be an opportunity that I will never forget. Travelling overseas and competing at an International level is an experience that is beneficial for years to come. The 9th World DTL Championships held in Cape Town were filled with skilled competitors from a number of countries. It was evident by the scores shot the competition level was extremely high. For Australia, as a country, to medal in so many categories and ultimately for an Australian to win the World title, reflects how talented and successful we are. Further more being able to compete overseas allowed me to get to know members of the team and also allowed me to meet new people and form new friendships.

I am very thankful for the ACTA's organising and support in regards to the competition.

South Africa is a beautiful country with amazing landscape, the people are very hospitable and as a first timer in the country, I would definitely return.

Narelle Cook

Shooting in South Africa as a member of the Ladies DTL Team was a fantastic experience.

Once I got over my initial nerves; the shooting was much the same as you would find in Wagga except it was 100 targets a day point- score, shooting 5 a lane and they called your score out at the end of each 5. The referees 'accent' made it difficult to distinguish if it was 15 or 14 so you had to listen hard to

the call. Lisa Hawker and Letisha Scanlan were a great team to shoot with, very supportive and no pressure.

By far the best part of South Africa was being there to witness Darryn Nicholls win the World Championship. Not only is he a great shooter – he is a 'top bloke' and it made me proud to be an Aussie!!

South Africa is a spectacular country and although their political situation is not good we had only positive experiences. The people we stayed with are now counted among our friends and we will be visiting again for their hunting season. South Africans are very similar to Australians – they love a beer and a barbie, except they call it a 'bier and a braai'.

Alex Dallas

The day that we landed in Cape Town was a huge eye opener. Leaving the airport proved a challenge along with fast driving, 100s of people everywhere, thank God for the Navman. As for the shooting, we got to the Gun Club it was clean, tidy and full of friendly people that couldn't do enough to help us.

Everyday proved challenging with day one very bleak covered in a thick layer of fog that you couldn't even see the clays.

Then we had four days of wind that made it a challenge to stand let alone shoot a target. The locals kept saying it will get better and they were spot on apart from the overcast weather and a couple of traps broken down.

All in all we had a great shoot and I was pleased with the way I shot in the Worlds. The most memorable moment apart from seeing a fellow team mate win the World title was when we shot like a team and all shot 75 points clean.

Jack Collicoat

Vineyard accommodation. We marveled at the locals walking along every part of the road and peddling their homemade wares on highway corners.

The Valley Gun Club showed us amazing hospitality with the 1st shoot win by Darryn Nicholls, 2nd Colin Waghorn and myself 3rd.

Dad & I shot practice on and off for the week till the Worlds started. We took in a few sights of Franschoek, Stellenbosch, Paarl & Cape Town. Our experiences included African language, monument, fantastic Briaas (open wood BBQs), an African feast at Spiers, Table Mountain, the Cape Town waterfront and playing pellet wars.

Day 1 of the Worlds I shot 3 points down, day 2 4 points down and day 3 shot 150 clean.

Entering the super squad winning the juniors with 1 point and a shoot off overall for 8th position, winning same. Happy I didn't have to speak in front of all the other competitors.

I was extremely proud to represent Australia in the Junior team and eventually win my World title. I'd like to thank the ACTA for that opportunity.

I enjoyed the company of all the other shooters and family members who came with us. I look forward to representing Australia again.

Doug Thomas

Having just arrived back from South Africa where I was part of the Australian team to attend the World Championships I now look back at the fortnight's experience and remember what were a few of the highlights for me.

We were able to enjoy and benefit from the hospitality shown to us by the host nation. Their friendliness and their desire to make our participation in the championships and our stay in their country one that we would remember was a real plus for us all. It was interesting to experience the way another nation organised such an event. We mixed and made friends with many from other national teams including England, USA, Ireland, Scotland, New Zealand etc and many shooting experiences and tips were exchanged throughout the competition.

Even though there was not a lot of spare time we were able to visit some of the tourist destinations such as Iverdoorn Game Park and Table Mountain (both being spectacular) South Africa reminded me greatly of the terrain around Flinders Ranges here in Australia with rugged mountain ranges and agricultural land around the base ie grazing pastures and wheat country with the addition of vineyards.

The weather was a challenge on many of the days with windy conditions causing us to drop points and targets but as the competition progressed we all sought to master the conditions and this was done with great success by many of the team. The Australia contingent represented our country well bringing home many titles and medals and it was great to be there to see Jack Collicot and Darryn Nicholls bring home World Championship Trophies and Titles and our Veteran team coming home in second place in the teams event and congratulations to Ron Garth taking third in the overall veterans event.

Personally I found this to be a great opportunity and thanks go to the ACTA for their support of the team.

Lisa Hawker

I felt so proud to be an Australian, had a great time and took a great friend with me, was very nervous going overseas, as this was my first time travelling overseas. Also this was my first time shooting for Australia, and this was a wonderful experience. The hard part was leaving my husband (coach) and 2 kids behind, as they are part of my shooting world. My big concern was that I was going to let the team down and myself and country. I kept telling myself "just do your best".

I had a few moments when I needed my family there just for their support (as you can imagine). I missed the ladies final by 1 point, and this was very upsetting for me, just had one bad round and I can learn from the experience.

Was disappointing to see some of our team members not proud to wear our uniform. We were all told what was expected of us, and I believe a code of conduct should be introduced. Another thing was at presentation time when other countries gave us (Australia) a gift, we had nothing to give them back. Also I have many ideas of how to improve our uniform and am more than happy to speak to someone in regards to this.

I would have no problems returning to South Africa again, I found it a beautiful country, safe and the people were friendly and the food excellent. As a little joke we called their food "as good as sex but on a plate" Ha Ha.

I would like to thank the ACTA for this life time experience. I hope this experience will make me a better shooting person.

Lots of things in my head just had to write it down. Thank you

Improvements – Uniform (Ladies in skirts etc), Code of Conduct, Shooting Jackets.

Good Things – the grounds were great, the food was great & alcohol, Friendly, Singapore Airlines (no problems with the gun), accommodation.

Ron & Mary Garth

Mary & I boarded our flight with expectations and some reluctance after hearing stories that could perhaps put some people off. However all our fears were short lived as we found the locals helpful and most friendly, but might offer to sell you anything from a bunch of grapes to a feather duster and I'm sure if you wanted an elephant that could have been supplied as well.

Our accommodation was a B & B in Paarl some 15 minutes from the Gun Club our hosts were an English couple who brought the business 7 years previous, our house maid "Patience" by name was straight out of the movie "Gone with the Wind".

Paarl we found to be a place that suited our needs, plenty of restaurants & wineries & a modern style shopping mall which included all requirements. The district was surrounded by steep rocky mountains, similar to our Flinders Ranges & Grampians but had very little vegetation just rocky slopes.

On our free from shooting days we toured in our hire care to most of the tourist locations which included the seaside areas and a ride in a cable car to the top of Table Mountain, a fantastic view of Cape Town & surrounds (a must for tourists).

The Gun Club we were welcomed by club members who made us feel at home from the start, we spent lots of time between rounds chatting to them about South Africa & they in turn wanted to hear all about Australia.

Running of the events this was controlled by only about 4 people, score boards were kept up to date and a computer screen with ratings in all sections was available. Refs, scorers & trappers were locals especially trained for their jobs, and they did them well.

Catering was first class with a cooked breakfast available as well as a selection of lunches served by very elegant ladies, who were showing plenty

of skin, one nameless Vet from WA said he purchased Dim Sims one at a time going back 10 times.

Would we go again? The answer is yes our time in South Africa was most enjoyable.

PS: We enjoyed the camaraderie of our Aussie teams and support from others this helped with the successes that our shooters achieved.

Geoff Faulkes

"South Africa"!!! "You'll be mugged, murdered or worse just for your shoes" was only one of the comments I got when people found out I was going there for the World DTL Championships just out of Cape Town in March 2010. Not only were they very wrong about that, it was such a great place to visit, I would have no hesitation in going back or recommending anyone to go for a holiday. No negatives from my observations and yes a little "coffee money" did change hands at the right places at the airports, but all with smiles and it certainly made for a smooth process with the type of baggage we had. No glitches at all over & back made for stress free travel.

The only potential glitch was the "and what's the problem with that?" when I questioned the double bed for two blokes. That was soon averted at the front desk and alternative rooming with a bedroom each was soon found down the road.

We had booked a car & driver for the 13 days & it worked out very well, not having to worry about finding our way to the club from Cape Town, a journey of 60 kms or so.

Everyone at the club was so helpful & friendly it was a pleasure to be in their company. The food was excellent & always served with a smile.

The events were big ones for the South African grand, 200 SB, 200 Pts & 100 Pts Mackintosh. The wind didn't let up till the start of the Worlds when it settled down & the great result with Darryn Nicholls winning after a shoot off of another 50 Pts to take out the World title for Australia. As a member of the Veterans I was proud to be part of a group of two other terrific blokes to bring back the silver medals for Australia.

Thanks to the ACTA for their support and professional approach for the

teams in all the organising to get everyone over there to do their best for the Association & Australia.

Darryn Nicholls

After nearly 24 hours in travelling time I arrived in South Africa at Paddabult where I was staying for 2 weeks with our host and fellow shooter Gideon. Day 1 of the South African Grand was the double barrel event which I won at 325/325, I was happy with this as I had something to bring home from South Africa. Day 2 and 3 was the 200 target Single Barrel event, which I shot 195/200 to win outright. We decided to have a couple of days off and go shoot some Springbuck which was a good break from shooting clays. Then came the event we were all here to try and do well at, the World DTL Championship – 300 targets Points Score over 3 days. Day 1 was a good start for me shooting 300/300 Day 2 turned out good with a score of 299/300 Day 3 was out of 50 targets Points Score (150 points) which I shot 150/150. Then the top 10% of the field were picked and had to shoot another 50 targets Points Score, which I used 2 second barrels. After all this, I came in with a score of 897/900, which I then had to shoot off for 1st place with a Northern Ireland shooter, thankfully he pulled one second barrel in the next 50 targets and I was able to shoot mine and take the title. To the Australian Team Members, "Thank you" for the great shooting experience and wearing the Green & Gold Jacket was an honour.

Ray Collinson

Departed New Zealand for South Africa on Sat 6th March and arrived in Cape Town on 7th March after a flight diversion due to a medical emergency. Spent four days sightseeing and recovering from jet lag. It took five days until I was fully recovered. Commenced shooting in the South African Championships on 12th March and in difficult windy conditions achieved two placings without ever being in really top form. Shared accommodation at Paarl with Alex Dallas and his partner. Began the World Championships poorly and gradually improved.

Positives - Events were run efficiently, issues with Traps/Targets improved before World C'ships, Umpires/Officials were good, got to watch Darryn Nicholls shooting from 3 metres, friendliness of South African hosts.

Negatives – Issue with Trap/Targets during South African Championships, lack of team feeling amongst members, no pennant/gift to present to other teams.

Improvements – Have a pennant in future, ensure one is sent to Valley Gun Club to display, ensure all team members arrive at least 3-4 days prior to World events when there is a large time difference.

Went on a tour of South Africa after the Championship which was very enjoyable.

Anthony Nugent

South Africa was an amazing experience, shooting and holiday wise.

When you see Australian individuals like Darryn Nicholls and Jack Collicot win the Overall World Title and Junior World Title, you know that just being there with such great shots will guarantee a wonderful time.

Being able to experience a small part of S.A, I had the chance to see different cultures, strange and wonderful animals and a tiring amount of wineries.

I swear that if I had seen one more winery I would have screamed.

As my first overseas travel, I do hope that in the future other countries locals are as obliging and happy as South Africa's.

Even the white lions were friendly just sitting there staring at us with those big teeth glistening in the ... mmm ... maybe they were just tired. What a day to spend my 20th birthday, seeing white lions, elephants, rhinos, giraffes and many more of South Africa's unique animals.

My thanks to the A.C.T.A, Q.C.T.A, Roma Gun Club and countless other people who helped me with my trip to South Africa. Very special thanks to my adopted club Gold Coast Gun Club for all their efforts.

South Africa may have been a trip of a lifetime, but there is no doubt whether it is for shooting or just simply a holiday I will go back sometime in the future and would highly recommend a trip to the South African Grand at the Valley Gun Club next year.

SKEET AT WANGARATTA

On Sunday 18 April the weather conditions were perfect for the Wangaratta CTC monthly skeet championship. Visitors from Melbourne were in attendance with the local club offering major skeet events outside of the Melbourne metropolitan area. Wangaratta attracts a large group of dedicated skeet shooters who travel long distances to participate in this discipline.

The 100 tgt championship event was won by local shooter David Jackel on the top score of 99/100. David has been very consistent recently, winning many local championship events and should do well at the National Skeet Titles to be held in Wagga.

Phil Smith, Brad Sparling, Brian Reid, David Jackel

Phil Smith won A grade on 93/100 with his superb 20 gauge over/under gun and Brian Reid took out B grade shooting 92/100. Brad Sparling, another consistent skeet shot won C grade with 91/100.

Thanks go to Margot Robinson for running the kitchen.

National Coaching Director's Report

Jack Collicot – 2010 World Junior Trap Champion

Jack, on behalf of everyone involved with the National ACTA Junior Training Camps over the last three years, I want to congratulate you on winning the World Junior Championship in South Africa.

It has been our pleasure to be a part of Jack's shooting career. Every minute of every day and every clay Jack shot at during the camps he applied himself 100%. He always strived to improve his skill and gain as much knowledge as possible from those around him. Knowing Jack and watching his achievements winning State and National titles through his shooting career to become a junior world champion is no surprise to me, and a just reward to a great sportsman. This win will inspire those who know you to work towards their goals that bit harder and who knows the ACTA may give more funding towards junior training camps. Again well done Jack, young athletes like you make the time and effort people put into junior shooters across Australia worth every second.

Our ISSF and Trap National Championships have just finished and the standard of shooting from our younger shooters is on a definite rise. The coaching weekends being carried out are working. Many of the junior shooters I have met in different States are in shoot offs and are winning. We have a very strong group of young athletes coming up in our sport. What we need is a direction for them to go. We must put in place the next level of coaching and support for those who wish to achieve their goals. Sounds easy? Well I thought so until the ACTA gave me the job of putting together a selection system to send a men's and ladies' team in Olympic Trap to compete overseas this year. The system had to work in with the existing shooting schedule and be cost effective for the shooters. What I am very aware of now is how a very small number of people can make it so difficult to try

and make a start towards setting up a system that is affordable, with equal opportunity and the goal posts are in concrete. I spent hours looking into the corner of my office thinking is this worth the trouble. It would be easier to say to the ACTA forget it but then I would receive a phone call from a shooter saying thank you for giving us the opportunity. Now there is the key word, opportunity. We must give this to those who wish to try their best at our sport. To win an Olympic medal it takes a number of things. First you have to be there; to be there you need the experience, to have the experience you needed plenty of opportunities to gain the experience. Yes a circle, without the circle you are not at the Olympics to start with. This I know from experience, I shot the first 100 straight in a 200 target selection event for an Olympic Team in ISSF Skeet, only to be told that even if I shot the next 100 my name would not be given to the Olympic selection committee as I did not have any overseas experience.

All our medal winners were given the opportunity to have years of overseas experience before they won a medal. We are trying to give athletes the opportunity to gain this experience in international competition, you cannot buy this or read it in a book they must go and learn about it themselves, what effect the competition has on them and work out how to achieve their best under pressure. Experience takes time.

The second and final elimination has been held and the ACTA have selected the ISSF Trap teams to compete overseas in July this year. I know they will learn a lot about themselves and gain that E word. Let's hope the other shooters support these athletes and this program. We MUST create a pathway for our future champions. Some of you should stop thinking what suits you and look at what is best for our sport, you all started at the bottom and people gave you the opportunity!!

Come and shoot under the best lights in Australia

IT'S YOUR CALL by Bill McCarthy

You are refereeing a squad where a predictable and possibly a normal number of targets are thrown broken. You normally rule **"No Target"** in each instance and proceed with the shoot.

A squad member calls for a target which is released broken. You call No Target. The shooter then calls for another target but has not put his gun to his shoulder or made any attempt to prepare to shoot a target. A legal target is released. He obviously has called for a target to "have a look at one".

What do you rule?

It's Your Call

*If you ruled **"Lost Target"** you would be quite correct. Sounds a bit tough doesn't it.*

*Under Rule **GRTS 5 (b) (vi)** a shooter is not entitled to see a target unless he has received **two broken targets in a row**. (Commonsense would dictate this Rule would also include 2 "No Targets" in a row).*

*Anyway, this shooter has received only **one broken target**, has ignored the Referee and taken it upon himself to view a target he is not entitled to view. This seems to be a frequent occurrence*

with our voice release systems and there have been instances of shooters calling for 2 or even 3 targets without reference to the Referee. If the shooter had been particularly concerned about the targets he could have asked the Referee if he could see another. Whether the Referee would grant his request is another matter. In view of the requirements of GRTS 5 (b) (vi) it does not give the Referee or the shooter a choice in the matter unless other extraneous conditions are obvious. Therefore, and in any case, the shooter is not entitled to take it upon himself and call for a target without the authority of the Referee.

GRTS 5 sets out quite clearly when and where targets are to be shown by Referees. Most shooters are very familiar with the common ones. It seems that lack of knowledge of the section on broken targets under GRTS 17. However where a shooter has not closed his gun or mounted it to his shoulder he is certainly not in a position to claim a refusal under GRTS 17.

The rules regarding entitlements to be shown a target are quite specific. It is up to all shooters to familiarize themselves with these rules to avoid unnecessary conflict and embarrassment to both himself or his fellow shooter who happens to be the Referee at the time.

An amazing April at Albury!

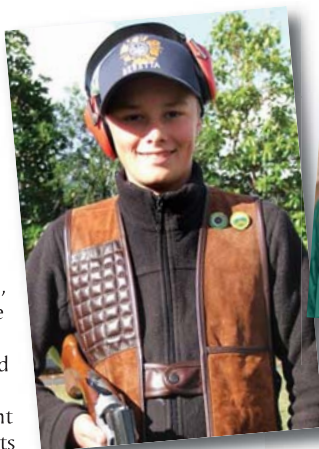

Sunday the April 11 saw 33 keen shooters nominate for the April program, a varied card and what turned out to be less than ideal conditions, ensured everyone was in for a challenging day!

The 11am start had allowed quite a few shooters to take advantage of the practice range – something that has proven very popular over the last few shoots. Some shot barely enough targets to warm their barrels, others made full use of the hour set aside for pre-competition practice. With the breeze beginning to stiffen, some left the range a little nervous!

Event 1 was a 40 target Mixed, comprising of 10 targets Double Barrel, 10 targets Point Score, 10 targets Single Barrel and 5 pair Double Rise. Some shooters in the first two squads donned spray jackets before heading out to shoot – this proved to be a very prudent decision! Rain fell in intermittent bursts and the wind played havoc with several targets, its influence particularly evident in the presentation of pairs in the Double Rise component. A shoot-off was required to decide the Overall Winner of the first event and interestingly enough, it was probably his proficiency in Double Rise that allowed Shane Pinner to prevail with a very respectable 75/81. Phil Matthews was in the running again, but dipped out to take second overall and second in AA Grade with 70/81. Greg Pinner showed his son that he wasn't quite "past it" to stay two targets clear of Robert Taylor to take out first in A Grade with 55/60. Regular Albury visitor, Bogong member Dave Harley also shot a 55/60 to win his grade, Greg Canning just one target behind to keep Dave honest in B Grade. There

was another close result in C Grade with Brian Beach, 50/60, one target clear of Albury junior Jacob Matthews with 49/60.

Event 2 was set to be less testing with a 30 target Double Barrel Championship. Mother Nature also decided to play along – the

Billy Roper, C Grade Continental Winner

Presidential fill-in!

drizzle stopped and the wind slowed several knots. Peter Collicoat posted a 38/38 to take out Overall Winner and first in A Grade, great shooting Pete. Bob Leita again displayed the consistency that has seen his name constantly feature on the presentation list with a 56/60 to win first in AA Grade. Bryan Bockman with 49/51 was runner-up. Greg Pinner continued his good form from the first event to take second in A Grade. Allan "Porky" Collins shot 37/38 to retain the lead in B Grade. William Brown, with a 29/30, edged out several other competitors to clinch second in B Grade. Brian Beach proved his dominance in C Grade to win the short-lived shoot-off and take out first with 28/31. Nick Gilder was one target behind on 27/31.

The competition was finalised with a 30 target Double Barrel Continental graded cash event and the wind had returned with a vengeance – perfect timing! The targets, at times, appeared to be "remote controlled" and in general, made those thrown from our Ball Trap layouts look like absolute "lollipops"! It really should have been difficult to score well. Overall Winner Phil Matthews, however, displayed a magnificent amount of skill and concentration to post a perfect score of 30/30. Whether a result of the new Perazzi, or pure natural ability, everyone was truly impressed with Phil's win. Bryan Bockman's 29/30 was enough to grab second in AA Grade. Greg Pinner made the presentation list again with a 28/30 for first in A Grade, Peter Collicoat second with 30/33. Allan Collins won B Grade with 28/30, Vic Tomasoni made the

trip down the mountain worthwhile, 28/31 gave him second. Apart from Phil's win, the most outstanding result of the event was that of young Billy Roper who displayed skills well beyond his age to take out first in C Grade after a short shoot-off with a 29/33. Billy proved to be a gracious and well-mannered winner, congratulations Billy! Scott Johnston was runner-up with 28/33.

Phil Matthews was duly awarded the High Gun trophy. A final score of 115/120 given the difficult conditions was an amazing result. Not to be outdone, Phil's son Jacob, was awarded Best Junior for the day and took home several packets of cartridges courtesy of a very generous Greg Pinner. The Matthews' household was full of winners that night!

All in all the April shoot was a huge success, the several bursts of inclement weather had made shooting tough at times, but it just made Marie's hot pies taste all that much better!

The prizes awarded in events one and two, were up to the usual high standard and very well received from the ever-increasing band of visiting shooters.

Why not come and shoot at the Albury Wodonga Clay Target Club and see what all the fuss is about?

POSITIVE THOUGHT PATTERNS

Last month I presented a summary of self talk: that steady stream of thoughts and dialogues that go on in our minds. I mentioned that self-talk can be either positive or negative and it can, if repeated enough go on to form

beliefs by which we think, act and live. This month I want to explore positive thought patterns.

According to Burton & Raedeke, positive thought patterns help create a "flow" mindset by boosting confidence, maintaining an optimistic attitude, promoting concentration at crucial moments, enhancing motivation to push you to your limits, creating an optimal level of arousal and ensuring poise and mental toughness when confronting failure or adversity. Wow, what a sentence: and it's not just the words and wondrous phrases. This is it. If we could consistently develop this flow mindset, we would rarely miss, fail or lose, and if we did we could handle it.

Burton & Raedeke outline eight strategies that we can use to help us use self-talk productively and effectively. They refer to these strategies as "smart talk commandments."

1. *Be an optimist not a pessimist.* Self-talk is always a choice; it can either be positive or negative or it can be a combination of either. As an athlete we should focus on our strengths, and push for personal bests that can help us reach our middle and long term goals. Coaches can play a vital role here: be a positive role model and concentrate on what you're your athlete can do rather than what they cannot do.
2. *Remain realistic and objective.* Positive self-talk must be just more than thinking positively, in a way that can confuse reality with day dreams. Dreams and visions are important but they must be translated into specific goals and action plans. Smart talk will keep our thoughts well grounded and realistic: this is important because it will help us bounce back from a defeat if the goals we have set ourselves are realistic and achievable.
3. *Focus on the present, not the past or the future.* Regular readers will have heard this before, and it needs to have the status of a mantra.

ACTA Five Stand

Nineteen Shooters tried their hand at the ACTA Five Stand on the 4th Sunday of March.

Due to other events scheduled at the club and uncertainty regarding numbers, the program was limited to 50 Targets Comp plus BO. Travellers attended from Wagga and Bega (currently in the process of installing Five Stand and looking for ideas).

The Five Stand event was shot over the Double Trap area and involved a wide variety of targets which included Batu and Rabbit. As anticipated there was a bit of figure trouble at times with shooters taking their turn at refereeing and working the release box. However, people exercised patience and in general the shoot ran well. As people become familiar with the system this problem should be minimized. Our thanks go to Neal Goodwin, Rodney Kneipp and John Sankey who came early and helped set the course. Also our thanks go to those who filled the traps and generally helped to make the shoot enjoyable.

Results: High Gun Rick Mathers 41/50 (Wagga Wagga); Division 1 Rodney Kneipp 46/60 (Shoot Off), Division 2 Norm Simms 34/50.

If we focus on the past we are likely to relive old failures and misses and make judgements about our performance based on these skewed thoughts from the past. The same is true for focusing on the future: because we cannot be guaranteed of victories, we become anxious about the outcome and this anxiety leads to self-doubt. Self-doubt leads to our muscles tensing up and we miss. The present is the only time any of us can act. If we stay focused on the present we can concentrate on the process (shooting), and the product (score) will look after itself. Burton & Raedeke, state that smart-talk forgets the "if only's (past) and the "what if's" (future) and concentrates on staying in the moment and enjoying the here and now.

4. *Appraise problems as challenges rather than threats.* Athletes who view problems as challenges bring out the best in themselves by remaining motivated and performing up to their capabilities. If you perceive problems as threats you will become consumed with avoiding failure, become stressed and perform poorly.
5. *View successes as replicable and failures as surmountable.* You will success as something you can do again and again if you believe that the success is due to effort and ability rather than just good luck. Coaches and the athletes themselves need to attribute failure to something they can control: for example, the failure may be due to fitness (physical skills), poor shot (technical skills) or poor concentration (mental skills). Skill development in any of areas may assist in solving the problem. Smart talk helps the athletes see that the causes of their failures can be fixed and that success is achievable.
6. *Focus on the process so that the product can look after itself.* Burton & Raedeke believe that self-talk focus should be on the process goals (eg, hard work, mental preparation, skill and strategy development) that help us achieve the desired product goals. For shooters the process is the actual act of shooting: pre-shot routine, mounting the gun, acquiring the target, swing, pulling the trigger and following through. The product is the score.
7. *Concentrate on the things you can control.* This according to Burton & Raedeke is the most important aspect of self-talk. If we try and change people and events beyond our control, then all we do is create stress for ourselves. If however, we focus self-talk on the things we can control, our emotions and behaviours remain positive and constructive. We cannot control our opponents behaviour but we can control our own: smart talk would tell us to "Act not React".
8. *Separate your performance from your self worth.* Your worth as a human being has nothing to do with how you shoot. Sporting ability, is only one aspect of who you are: your work, your ability to develop and maintain relationships, your ability to provide something for the sport or other who compete are more important than your ability to perform well. Everytime you compete you must remember that "you" are not your score (your score was how you performed on the day).

It is important that by following the eight strategies listed above you should be able to construct positive thought patterns which will help support your ability and should lead to further success. It must be remembered that it is impossible to stay positively focused all the time. Because we are human, it is very easy to slip into a negative mindset that will work against the good work that the positive thought patterns are trying to achieve. The plan is to have a positive thought patterns that significantly outweigh the negative thought patterns. Next month I will explore what negative thought patterns are and how we can best avoid them.

RICHMOND RIVER GUN CLUB NEWS

NIGHT TRAP

Twelve hardy souls showery windy conditions on 12th March to contest the 50 target Continental event under lights with most finding scoring difficult. Ian Essery (AA) with 48/50, Peter Brown (A) 46/50, Bruce Copper (B) 43/50 and Sean Copper (C) 40/50 were the winners of the respective grades.

Weather was much better for the last night shoot of the season on 9th April a 50T Points Score preceded by another great feed of fish and chips put on by Warren Beddoes, Jamie Beddoes and Dick Powell although attendance was disappointing. Phil Wesbury won AA with 138/150, Mike Sullivan A 137/150, Bruce Copper B 133/150 and Warren Beddoes C with 135/150.

Night shoots will resume on the 2nd Friday night in September unless a decision is taken at the AGM to abandon them because of waning support.

SKEET

(3rd Saturday each month commencing 1.00 pm)

Len Buckpitt was elated after the first round of the 50T Skeet Handicap event held in hot overcast conditions on Saturday, 20th March when he recorded his first 25/25. Unfortunately he could not repeat the performance in the second round allowing Peter Brown to come from behind to win the event.

The handicapper will be looking at them carefully after they shared the prize money with Ian Taylor when the three had all made 50/50 with handicap added on 17th April.

TRAP

A 75 Target Medley, sponsored by Club stalwart Geoff Pringle and his lovely wife Sue, was the event of the day when forty shooters lined up on Sunday 28th March, a humid overcast day.

The Jan Harding Memorial 5T PS eye opener a progressive event shot over 6 months saw 19 scores of 15/15 taken into the next round but with three to go, anyone can still win.

Six possible 25/25's were shot in the first round of the Medley Phil Wesbury, Ian McDonald, Kim Nealon and Jim Cornwell in AA, and by Maurie Wesbury and Terry Preston in A. Ted Schneider, Peter Brown, Mike Sullivan and Rick Spencer, all in A Grade, were the only four to shoot 25/25 in the single barrel stage but Mike Sullivan was the only one with 75/75 in the point-score stage.

In AA Grade, Jim Cornwell, Kim Nealon and Ian McDonald took to the lanes to shoot off with Jim successful (173/175) Kim second (172/175) and Ian (146/150) third.

Mike Sullivan won A grade with 124/125 from Ted Schneider 122/125 and Richard Vary 121/125.

Grafton's Rus Wesslink took out B Grade with 118/125 following a very good point-score stage of 74/75 from Roy Warren 116/125 and Harold Batson 116/125.

A real battle ensued for the three places in C Grade. Jenny Wilson (135/150) did not pull a second barrel in the shoot off relegating Warren Beddoes (131/150) into second place. Ian Sullivan (149/175) took third from new shooter Jamie Beddoes (148/175) after thirty extra targets.

Fifteen pair of Double Rise completed the day and although some shooters groan when they see this event on the programmes, scores show that it is becoming more accepted. Perhaps our members are beginning to heed VP Mark Formaggin's advice to get better not bitter about it.

A 28/30 by Ted Schneider not only allowed him to take A Grade for that event but secured the daily High Gun Tankard for him. Peter Brown was second in A with 23/30.

Rus Wesslink (Secretary Grafton) B Gr Medley

Jim Cornwell AA Gr Medley

Ted Schneider Double Rise and High Gun

Rod Moody won AA with 26/30 but a three way shoot off was necessary for second between Mark Formaggin, Jim Cornwell and Phil Wesbury. Mark shot the extra five pair to secure that placing.

Peter McKenzie (40/50) won B Grade from Don Johnson (38/50) after an extra ten pair, with Jamie Beddoes winning C grade at his first attempt at Double Rise with 22/30 from Nancy Davis 21/30.

Richmond River's Annual Two day shoot is the next on the calendar with preparation well underway. Full details of the event appeared in the last issue of CTSN or can be viewed at the club's page on northern-rivergunclubs.com

Brisbane Gun Club, 4th-7th March, 2010

Australasian-Pacific Grand Prix

OVER 20 INCHES OF RAIN in many areas; the worst floods in 120 years; and 80% of the shires in Queensland declared disaster areas could not dampen the enthusiasm of the regular ISSF enthusiasts who attended the 16th annual Australasian-Pacific Grand Prix at Brisbane Gun Club during early March.

The regular band of Olympic Trap and ISSF skeet shooters from the south eastern corner of Queensland together with many keen shooters from throughout Queensland plus a sprinkling of visitors from New South Wales and Victoria once again cemented the reputation of Brisbane's annual Grand Prix carnival as amongst the best Olympic discipline competitions on the Australasian calendar.

Once again the competition was also attended by a large contingent of shooters from the Japanese Top Gun Club which is organised by Japan Shotshell together with the support and sponsorship of Winchester in Australia. This year we welcomed approximately 40 Top Gun Club trap and skeet shooters many of whom had been to our competition on many occasions in previous years.

As has been the procedure in recent years, the four day carnival was divided into two separate events in both Olympic Trap and ISSF Skeet with the 200 target Australian Open events conducted on Thursday and Friday and the 150 target events in both disciplines conducted on Saturday and Sunday. All 4 events included a final for the top 6 shooters at the end of the event.

Despite the weeks of inclement weather leading up to the commencement of the first day's proceedings, the weather held out to give us the opportunity to get the Australian Open competitions in both Trap and Skeet underway on time without any delay. The Olympic Trap event was conducted over two of our three Olympic Trap ranges and the skeet competition was held on one of Brisbane Gun Club's newly completed skeet fields, which many would have had the opportunity to admire during the very successful Olympic Discipline national titles which were held on our grounds during January.

Although the number of competitors in the early skeet event was down on usual numbers, the competition was good and it was great to see such an enthusiastic display of shooting recorded over the two days by one of our promising younger shooters, Paul Adams. Paul shot a number of good rounds to record a very good win in the competition from local stalwarts Mark Kempnich and Justin Ehrenreich. Paul recorded a good overall score of 191/225

Australian Open Olympic Trap Champion Dan Johnson (Warwick) with second and third placegetters Tony Cantali (Cecil Park), Kevin Perkins (Maryborough)

to become the 2010 Australian Open ISSF Skeet Champion.

The trap section of the Australian Open which was also held over two days was set to become a hotly contested event with a number of previous winners in the field – namely Greg Newey, Kevin Perkins and Marcello Casella together with quite a few other shooters who had the credentials to become the Australian Open winner for 2010.

Day one saw a mixed bag of scores with very little red writing on the board, however it was to be the consistency of shooters like Dan Johnson (Warwick), Kevin Perkins (Maryborough), Tony Cantali (Cecil Park), Marcello Casella (Griffith) and others who made their intentions clear that they were keen to be there at final time. After 100 targets, Dan Johnson was in on 86, followed by Marcello Casella, Greg Newey, Tony Cantali, Mahipal Shekhawat and Kevin Perkins. The best placed shooter amongst the small contingent of ladies in the event was Anna Shedrina who led from Betty Fawcett and Rohanna Abberton.

Again day two of the event saw us blessed with a day without rain which was quite unusual considering the weather during the past few weeks. Once again Dan Johnson continued his consistent form to record a further 4 good rounds to finish with 87/100 – an overall

total of 173/200 and the honour of being top qualifier and first into the final. "Perky" (who suffered a minor foot injury during the competition) also maintained his steady form to grab number two spot in the final after recovering from a 19/25 in round two to come in with a clean 25/25 at his third visit to the traps and finish on 166/200. Next into the final was Mahipal Shekhawat who had been showing good recent form, with Tony Cantali, Klinton Hope and Fernando Cilli making up the final positions.

As is usual with 'single barrel' finals, there were a few ups-and-downs in the final but at the conclusion of proceedings, Dan Johnson was the overall winner after recording a creditable 22/25 to add to his consistency over the preceding two days.

Australian Open Olympic Trap O/A winner Dan Johnson (Warwick), 2nd Tony Cantali (CPCTC), 3rd Kevin Perkins (Maryborough), A Grade Marcello Casella (Griffith), 2nd Greg Newey (Warwick), B Grade Mahipal Shekhawat (Gold Coast), 2nd Fernando Cilli (BGC), 3rd Klinton Hope (BGC), C Grade Bob McNamara (Redcliffe), 2nd Betty Fawcett (Toowoomba), Lady Anna Shedrina (Werribee), 2nd Betty Fawcett (Toowoomba), 3rd Rohanna Abberton (BGC).

The "Skins" event conducted in conjunction

Australasian-Pacific Grand Prix champion Kota Tabei (Japan), 2nd Eizo Aoto (Japan) and 3rd Ken Okozumi (Japan)

Clive Pugh, Winchester Australia, Anna Shedrina (Werribee) and Betty Fawcett (Toowoomba)

with the Australian Open competition was once again held on the second day and saw some good winnings picked up by a number of competitors. Round 1 AA/A Marcello Casella, B/C Reno Cangiano, Round 2 AA/A Tony Cantali, B/C Randolph Rossi, Round 3 AA/A Kevin Perkins, B/C Fernando Cilli, Round 4 AA/A Tony Cantali, B/C Clinton Hope, Scott Dobeli & Mahipal Shekhawat.

Saturday morning arrived and the weather forecasters had predicted that the weather might not be as kind over the weekend as it had been on the previous two days. Unfortunately, this was to be the case and we saw a number of heavy downpours during the next two days of competition. However the rain that was experienced did not dampen the enthusiasm of the competitors whose numbers had now increased dramatically with the inclusion of the shooters from the Japan Top Gun Club. For the 150 target Australasian-Pacific Grand Prix in skeet, there were now two squads of shooters while around 10 full squads of Olympic Trap shooters would make up the field in that discipline. Quite a few regular attendees of the Grand Prix who had not been able to make it for the first events arrived for

the weekend's program. These included Jar Smanioto from Cairns and Tony and Michael De Muri from Werribee, along with the defending Australasian-Pacific Grand Prix from 2009, Russell McCloy from Wingham. Great to see these guys once again for the 150 target competition.

With four rounds to be completed during the day over the three Olympic Trap ranges, the pattern started to appear early in the day with Tony Cantali and Kevin Perkins recording first-up 24s, followed very closely by Russell McCloy with 23/25. Dan Johnson, Anna Shedrina, Marcello Cassella all scored good 22s while many others in the field were conscious that there were still another 6 rounds of 25 targets to be completed.

The remaining three rounds on day one again saw mixed results with Russell McCloy just ahead of Tony Cantali at the end of the day but no-one was discounting the ability of others in the field to record a couple

of good rounds early on the second day. Dan Johnson, Kevin Perkins, Greg Newey and a couple of the Japanese shooters, Akira Iseki and Tomokazu Miyashita, were all within easy striking distance of a place in the final.

At the conclusion of the 150 targets, Tony Cantali had notched up another 22 and 24 to finish on 136/150 and take first position into the final, three targets ahead of the defending champion Russell McCloy. Kevin Perkins, Dan Johnson, Akira Iseki and evergreen Greg Newey filled the remaining positions in the final which was destined to be a good spectacle for the good crowd on hand.

On a day when a number of showers had been experienced, the final was sure to be a tough one but after the smoke cleared, Tony Cantali had defended his 3 target advantage by scoring the narrowest one target win over Russel McCloy with Kevin Perkins proving that he still had enough in him to take the overall bronze medal.

The ISSF Skeet event was also hotly contested with the injection of a number of Japanese shooters, quite a few of whom had competed in Brisbane on a number of occasions previously. Promising young shooter Paul Adams, who had successfully won the Australian Open Championship over the previous two days, was keen to make it back to back wins, while Ken Okozumi and his countrymen Eizo Aoto and Kota Tabei were also keen to do well.

After the first day of competition, the field was evenly spread with only a few targets separating the top four shooters and it was eventually Eizo Aoto who finished day two on 121/150, one target ahead of Kota Tabei while Paul Adams was hanging in on 118/150 and Ken Okozumi on 117/150.

With only four targets separating the top four shooters in the final, it was still anyone's championship. Kota Tabei withstood the pressure the best, carding a very good 23/25 to finish on 143/175, five targets ahead of Eizo Aoto with Paul Adams taking his grade and third overall after surviving a shoot-off with Ken Okozumi after they were tied on 137/175.

Coffs Harbour Annual 2 Day Sporting Clays

Thirty-two shooters attended the annual 2 day open sporting clays shoot hosted by Coffs Harbour Clay Target Club over the 20th-21st March 2010 weekend.

The club put an enormous effort into creating multiple layouts and a wide variety of varying targets for the event, and by the end of the first rounds I think that everyone recognised that the layouts were not going to be a walk in the park.

Set on 14 hectares, the setup involved 18 individual traps, 11 shooting stations (one located on top of 4m high scaffolding), and a wonderful contrast of open fields to dense bushland.

The 2 day shoot was split into 3 events. Saturday comprised two 50T events, and Sunday saw one 75T event. After each event the layouts were changed around and new targets were incorporated to make the shooting interesting throughout the entire weekend. A warm up side-by-side event was held on the Friday preceding the 2 day shoot, however these score were not tallied towards the weekend high guns.

The spectacular fine and sunny weather gave shooters no excuses for lost targets, and although some of the targets were very sneaky, some impressive shooting was on display throughout the competition.

Congratulations to the weekend high guns: O/A Jamie Hayes, AA Andrew Garvie, A Philip Lohsc, B Allan West, C Doug Jackes

AA grade winner Andrew Garvie with Club President Frank Maione

It is safe to say that everyone had an enjoyable weekend, and the club hopes to see more sporting shooters participate next year, and will endeavour to create more layouts that are completely new, interesting and challenging.

Coffs Harbour Clay Target Club would like to thank all competitors who attended the event, especially those who

After four very successful days of Olympic Trap and ISSF Skeet shooting, the presentations were completed with the assistance of Michael Bopf, President of Brisbane Gun Club and Clive Pugh, General Manager of Winchester Australia.

Once again, special mention must be made of the valued attendance of the members of the Japan Top Gun Club and the staff of Japan Shotshell. Their visits to Brisbane Gun Club over many years have always been a highlight of the Australasian-Pacific Grand Prix competition. The valued sponsorship and support of Winchester

Australia through Clive Pugh, Wayne Pilkington and Greg Mitchell is always greatly appreciated by the club and individuals alike, and we once again thank them for their support.

As is always the case in conducting a competition of the magnitude of the Australasian-Pacific Grand Prix, there are so many members and supporters of Brisbane Gun Club who make it all happen. Paul Vit, Frank Petsch, Lyell & Jill Pettman, Tom & Thelma Meadows and Scott Dobeli and his family, are just a few of the many individuals who give unselfishly of their time and effort to ensure that the event runs smoothly and is enjoyable for all whether they take home a medal or not.

We look forward to once again hosting a

2010 EASTER CARNIVAL

MOST CLUBS KNOW WHAT IT TAKES to have a good shoot – a hardworking committee, a well organised office, great food, fine weather, good targets, and sponsorships to the value of \$15,000 and huge support from the local community. A total of 92 shooters competed, travelling from all over NSW, SA, Vic, and Qld, also in attendance was the Defence Force. Many visitors thoroughly enjoyed their stay in Hay, visiting all our tourist attractions.

After a 40 year break – the Hay Gun Club took the punt and ran a 2 day Easter Carnival Shoot. The response from the local community and other gun Clubs was enormous and the Carnival was a huge success. Three Club Records were broken, Sam Clifford (DB 421), Brian Manns (PS 564) and Rob Anderson (Long Break 461)

The Committee had worked tirelessly in getting the grounds and Clubrooms up to scratch. Four traps operating – three of those under lights. The Clubhouse was like walking back through the 1950's – with memorabilia and photos on display. Four new Scoring stands were built by Noel Griffiths and these being sponsored by Hills Corner Store, Doyle's Electrical, Morrison's Shearing and Rob Anderson's Remedial Massage. Griffith and Cobar clubs supplied two of the traps to help out for the weekend. Many local families came and visited over the weekend and thoroughly enjoyed the display. Friday night the Club hosted the visitors to a magnificent display of fireworks courtesy of Anthony Slattery.

Tough targets for shooters at Callawadda-Stawell

Shooters at Callawadda-Stawell Gun Club's Good Friday Shoot had to battle strong winds and difficult to see targets in their quest for a win in one of the three events on the program.

A field of sixty-one hopefuls had come from all over the western half of Victoria and South Australia to compete. The practice trap was well patronised and many realised that it was going to be a tough day.

The first event was the Wimmera Outdoors 30 Target Double Barrel Championship. Only six shooters managed the 30 targets successfully.

Russell Black and Jim Sawyer dropped out early. Junior Brittany Sinclair missed her 49th target but had done enough to win A grade. Wayne Hawker [Kaniva] missed his 68th and had to settle for 2nd in AA. Craig Kelly [Horsham] and Allan Pollock for Hamilton kept shooting until Kelly missed the 90th target. He won AA grade while Pollock claimed the overall win. Emily Donald 'rolled' Jamie Redford after a shoot off in B grade and local junior Josh Howard took out C grade. Emily and Brittany also took out the Ladies and Juniors divisions.

Event two was the 30 Target Single Barrel Harold Cook Memorial Championship. It was pleasing to see so

many of the Cook family turn up to watch the event and be present at the presentations where Leon Gibson spoke well of the work Harold Cook had done for the club over many years.

Only one shooter shot the possible – Marc Crimmins from Werribee. He took the overall sash and AA grade. After a four way shoot off Wayne Hawker took second place with 42/43. Mt. Gambier's Hayden

Megaw won A grade, Ararat's Nathan

Hargreaves was victorious in B grade and Serviceton junior Shayne Wallis took home the C grade sash.

The final event was the Jorgensen Family 50 Target Points Score Championship. There were no possible in this event. Craig Kelly posted 147/150 to claim the overall honours. Geelong's Bill Harris defeated Bill Coates in a short shoot off to win A grade. Nathan Hargreaves again bobbed up to win B grade and Kyle Cordy shot a creditable 141/150 to comfortable win C grade. Lisa Hawker won the Ladies division and Brittany Sinclair took out her second Junior section.

The J & A Fencing High Gun was split between Marc Crimmins and Wayne Hawker who had both shot 205/210. Veterans High Gun went to Leon Gibson. Brittany Sinclair won the Ladies High Gun and Jarrod Pye won the Juniors High Gun.

The Good Friday shoot continues to be popular. Shooters know they are going to be treated well and get to shoot for some very good prizes. The Club extends its thanks to its sponsors: Craig Kelly and Wimmera Outdoors, Leon Gibson and the Cook family, and the Jorgensen family.

a total success for the zone with all clubs represented.

The CZ Committee would particularly like to thank the Ilfracombe CTC for their efforts over the weekend, the members and kitchen staff showing some real country hospitality.

Overall High Gun Winner
Ryan Olive

We would also like to acknowledge the generous help given by Reinke's Transport from Forrest Hill (SEQ), who transported the clays at no cost to the Club and Zone. There were a couple of raffles over the weekend with Terry & Judy Gordon donating two Drizabones and 'Redback' Hearn tipping in with some Shell belts, these raffles were good money spinners.

Some months previous the CZ Committee decided to run a Supports Raffle to give Alex Dallas some financial assistance to get to the World Cup in South Africa. One thousand tickets were up for grabs for an Engel 40L Refrigerator donated by Westco Truck Sales, Active Helicopters and QCTA CZ. A cheque for \$4,750 was handed to Alex at the Springsure Two-Day Shoot to help him on his way. The winner of the fridge was 'Lumpy' Campbell from Monto whose other fridge happened to go on the blink that week. A big thank you to all who bought tickets in particular Perry Crook from Springsure Tractor & Header Service who bought \$1000.00 worth of tickets, a king gesture indeed.

Next year the CZ Carnival will be the Rockhampton Clay Target Club. Until then, yours in shooting.

Wangaratta Clay Target Club

North East Zone Skeet Championship

The Wangaratta Clay Target Club staged the Vic Clay Target Assocn North East Zone Skeet shooting championship at its North Wangaratta range on Sunday 28 March. Although numbers were down, attracting 5 squads of shooters, many were top level shooters competing for these two highly regarded events in State skeet shooting. Enthusiasts travelled from various parts across the state, including Wonthaggi, Melbourne and Lara and also from NSW (Wagga).

This major event is held annually at the Wangaratta Clay Target Club due to the excellent facilities here, providing two skeet grounds and consistent targets, complimented by an open and uncluttered background. The club is also well recognised as one of the most friendly clubs around and fully provides a relaxed and competitive atmosphere to the many shooters who travel long distances to compete here.

The club greatly appreciates the generosity of Mal Briggs, Brendan Pearson and Locky Irons, visiting skeet shooters from Melbourne, in sponsoring the trophies for this years Zone shoot. All three are regular visitors to the Wangaratta Clay Target Club and are at the top level of skeet shooting. For our club to be offered their sponsorship recognises the high regard they hold for the Wangaratta clubs efforts in maintaining top level skeet shooting in country Victoria.

THE DAY OF THE 'JACKEL'

The first event, the NEZ 50 tgt skeet c/ship was well won by local skeet enthusiast David Jackel on a perfect result of 50/50. This comes after David's recent success in the local Attwood - Law C/ship held here last month which proves that he is currently the man to beat, 2nd in AA grade was taken out by Brendan Pearson shooting 49/50. Junior champ Matthew Prentice from Wonthaggi won 1st place in A grade on 49/50 and 2nd by David Pope with 48/50. David's father John Pope won 1st in

L-R: Back Mike Corbett, Brendan Pearson, Bradley Sparling, Colin Finn. Middle Christian Lagos, John Pope, Matthew Prentice, David Pope. Front David Jackel, Albert Colin

B grade with 52/54 and 2nd by Colin Finn finishing on 48/51. C grade 1st place was one by another Junior, Christian Lagos on 46/50 and 2nd by local, Bradley Spalding shooting 45/50.

The second event was a 25pr doubles skeet C/Ship which was once again won by local David Jackel with the great result of 48/50. It was indeed the Day Of The Jackel ! Once again, runner up was Brendan Pearson with 46/50. Matthew Prentice proved too hard to beat again in A grade with 51/54 and 2nd place by David Pope on 50/54. The result for B grade, John Pope winning on 46/50 defeating Mike Corbett shooting 44/50. Club President, Albert Colin, took out 1st in C on 43/50 and Christian Lagos shot well again winning 2nd with 39/50.

The Overall High Gun sash was won by David Jackel 98/100 and after a coin toss Keith Robinson won the Veterans award on 79/100.

Thanks also to Wayne Duncombe for assisting in the office and Margot Robinson for her expert work in running the kitchen.

Over 100 shooters attend Beretta Open Day

International Gun Club, State Shooting Park, South Australia 20th & 21st March 2010

The International Gun Club wishes to thank Beretta Australia for the fantastic two days the Beretta team spent providing a unique compliment of expertise and services.

The coaching and gun fitting advice, provided by Russell Mark, John Younger and Greg Chan was most appreciated and valued by a large number of shooters.

The support provided by Richard Ayres in discussing the wide range of guns on display and providing the opportunity for shooters to use the Try Guns kept him very busy, again a unique opportunity for shooters.

The event brought a large number of new shooters to the club from other disciplines and some that had never shot a clay target, it is pleasing to see that new memberships to the club has eventuated from the Open Day.

The Beretta Gunsmith Sergei was outstanding with Beretta offering free gun servicing for Beretta guns, shooters were intrigued to see him work and have their Beretta guns rejuvenated.

Thankyou also to the committee, club members and our special canteen helpers who made it all run so well, again thankyou to Beretta Australia from the committee and all the shooters of South Australia

WAGIN SALTBUSH CARNIVAL

THERE ARE A FEW THINGS that the town of Wagin in WA can pride itself on – a giant fibreglass ram called Bart, the Woolorama (WAs Premier Sheep Show) and most importantly – the Wagin Gun Club's Saltbush Carnival.

This year the carnival was held over the weekend of February 12th – 14th. The Wagin members worked tirelessly in the build up to the shoot to try and get everything looking as schmick as a club on saltbush flats can look. The size of the pads on layout #4 was increased so that normal sized people could fit both feet on them. A grant from Healthway has seen some much needed shade installed. All the while, the beer in the fridge stayed the ever perfect temperature.

The campers started to roll in on Friday morning. Once camp was set up, including the undercover Hocking's Heroes Casino, people were getting keen for a shot. Friday afternoon saw the Greenline 50DB event. 13 squads contested the event with a good amount of people shooting the possible. Troy Braun from Carnarvon won the overall with a shoot off that went to 101 targets.

Saturday morning again greeted shooters with perfect weather. Some may have said it was a bit too hot, but then that's just whinging! The first event for the day was the 25 Targets Points Score Past Members Trophy. This was again held in honour of the late Trevor "Scratch" Booth

who was a hard working Wagin member for many years and also made sure that others copped a good stirring too. The tall lanky legged bloke from Narrogin won it – Neil Suckling with a score of 108/108. Neil has great pleasure in making the 50km trip to Wagin just to beat Jim West and the other Wagin members, so to beat the other 100-odd shooters that had made the trip to Wagin, Neil was mightily impressed.

With one points score event out of the way, the Wagin programmers decided to continue with demoralising everyone, and event 2 was also a 25 Targets Points Score event. This one being the prestigious Axis Logistics Koonac Cup. Young Josh Fleay from Busselton shot fantastically to claim the overall in this event with

a score of 87/87. It must be noted, that Josh was originally not going to attend the Saltbush Carnival as it's "too hot", "too dusty" and a range of other poor excuses. With the lure of being able to shoot foxes on one of the Wagin member's properties, the young pup Fleay made the trip to Wagin. He managed to snare about 12 foxes and the Koonac Cup – there

was not much whinging heard after that.

The final event of the "not too hot and not too dusty" Saturday was the Betaware Welding 50DB. Due to the perfect targets and the perfect shooting conditions,

a lot of shooters managed to make the shoot off. Four shooters made it into the 200s – Narrogin's Jimmy Hamilton, Wagin's Sandra Cables, Denmark's Nathan Blake and Kalgoorlie's Royce Normington. These four plodded away for quite some time before Blake, Normington and Cables all dropped out in quick succession leaving the man-mountain Hamilton to win with a score of 238/238.

After the day's prizes were awarded, the shooters were treated to a complimentary lamb spit-roast dinner. Following this, the gun club hosted a quiz night in which there were a few questions debated about (including the previously mentioned fibreglass ram), however, the IFC's from Busselton were too knowledgeable for the rest and were awarded the crown of WA Shooting's Biggest Know-It-Alls.

Sunday morning was again glorious with no wind and clear skies. The day got underway with a 10 Target Points Score eye-opener. There was quite a number of shooters that shared the prize pool, and as usual, sometimes the envelope the money was in, is worth more than the actual cash divide!

The main event of the day, and indeed the whole carnival was the Claremont Firearms 100 Target Phillip Becker Memorial. This was contested over 25DB, 25SB, 25Points and 25Continental. In previous years, a few shooters have managed to jag the possible of 150/150. This year though saw no-one claim the possible but two state reps got the score of 149/150. WA Veteran and all round good shot, Robin Bailey and young Royce Normington who is fresh out of Juniors, shot off for the Cup. In WA shooting circles, Robin Bailey is well known for telling people what good shots they are, and asking to buy their gun. He must have had a few words in the ear of young Roycie-Boy as Bailey won the shoot off, finishing with a score of 185/186.

With all the shooting over and done with, it was time for the Overall High Guns to be awarded. Roycie Boy Normington was rewarded for a weekend of fantastic shooting by winning the overall high gun. He was a popular winner at the club as he and his father, Mark, usually make the 600km trip to Wagin from Kalgoorlie each year for the shoot. Amanda Stokoe won the Ladies High Gun, Tim Catling won the Veterans and Josh "no more whinging" Fleay won the Junior High Gun.

In all, the Wagin Saltbush Carnival for 2010 was a great success. Great targets were thrown, great food was eaten, great beer was drunk and great bulldust was talked. All the elements of a great shoot!

Top scores at Wandoan despite the wind

Over 55 shooters participated in Wandoan Gun Clubs Annual 2 Day shoot held 20/21 March, 2010. The grounds were in fantastic condition following recent rain, and although conditions were blustery, many good scores were achieved.

Nathan Warnock looks on as Mitch Nuske and Daryl Stevens shoot Deauville Doubles

title with an overall score of 318/330. It was a good warm-up for Aubrey, who was chosen for the Queensland Junior Team to shoot at the Nationals at Wagga Wagga in April.

Shooters travelled from Rockhampton, Surat, Roma, Chinchilla, Condamine, Springsure, Bourke, Toogoolawah, Bundaberg and Munduberra to attend, with many camping on the grounds for the weekend.

A novelty event was shot on Saturday following an early finish of scheduled events. This was 16 targets Deauville Doubles, which was won by local shooter Stuart Golden, and his junior partner Nathan

Local junior, Aubrey Cormack, was one of the best shooters over the two days with a score of 313/330.

The competition for Overall High Gun was fierce, with Aubrey (B grade) and Daryl Stevens (AA) on equal scores prior to the final event. However, it was Daryl who took the

Warnock. Second were Daryl Stevens, and his partner, local junior Mitch Nuske. Mitch also took out the Junior High Gun with a score of 265/330.

High Gun: Overall: Daryl Stevens 318/330, AA: Mark Warnock 310/330, A: Veronika Forsythe 298/330, B: Aubrey Cormack 313/330, C: John Fordyce 280/330, Lad: Lynne Thompson 302/330, Jun: Mitchell Nuske 265/330, Vet: Bill McKechnie 286/330.

VCTA Night Single Barrel at Mathoura

Friday night, the 26th of March, saw a good roll up of five full squads of shooters arrive at the Mathoura Gun Club, all keen to compete in the main event on the program, a 50 target, Victorian, State Night Single Barrel Championship. Mild, calm, and clear weather, looked like the perfect situation for staging the event, and it was, except for about a 30 minute episode that was similar to a minor hurricane that blew up that much dust that it was almost impossible to see the targets, unfazed the shooters continued with the competition, and in the end some very good scores were recorded for this difficult discipline.

Shooters from a wide area attended, including Melbourne Gun Club, Veneto Clay Target Club, Kerang, Bendigo, Euroa, Deniliquin,

Cohuna and Echuca, but it was Bendigo member, Leigh Knight, that showed the other shooters how to shoot night single barrel, dropping just one target in each of the 25 target rounds to post an excellent 48/50 that no other shooter could match, that score earned Leigh the Overall Winners Sash and 1st in A grade trophy, and I would suspect a great deal of pride also for his well shot achievement. After just two targets in a shoot off Echuca member, John Berryman, secured B grade 1st ending on a score of 41/52, Melbourne member, A Whitechurch, collected C grade 1st with a 31/50 score.

Club president Roger Kerslake, and Cohuna member Casey Fletcher, both shot a 9/10 in the first event, a 10 target Single Barrel Cash Divide, and as there was no one able to hit all ten targets, they shared the cash divide dividend.

Event three was a 15 target graded Double Barrel, and three shooters managed to clean score, Casey Fletcher, Drew Healey (Echuca), and Leigh Knight, and on target 28 Drew Healey was the only one still clean, Drew was 1st in A grade with his 28/28, John Berryman picked up B grade 1st with a score of 14/15. Junior lady shooter, Mathoura member, Sarah McKlusky, and Kerang member Robin Algie both having shot a 12/15 score commenced to shoot off for C grade 1st. Sarah unfortunately dropped her 18th target and after Robin hit his it was all over with Robin collecting C grade 1st with his 15/18 score.

An enjoyable night of clay target shooting, which a fortnight before, with 140 mm of rain, the whole area resembling a lake, and both traps under water, looking like it may not happen, ending up being a well run and smooth shoot, that even finished well before midnight. Thanks must go to the committee for the work they put in to make it all happen. Also a big thank you to Donna McKlusky, for running the kitchen, after Kerrie called in sick with tonsillitis.

WARREN GOLDEN IBIS

• 2010 Western Zone Trap Carnival • Denis Hunt Memorial Cup

THE 2010 WARREN GOLDEN IBIS was held in conjunction with the Western Zone Carnival on the 13th and 14th March 2010. This year we saw the presentation of the first Denis Hunt Memorial Cup for the overall winner of the weekend.

Saturday morning started in great fashion with a lovely sunny morning and quite a sharp breeze from the northeast at around 8 knots. Just what the doctor ordered to sharpen the nerves and make shooters keep their heads down.

Targets on all traps were set at 40 miles per hour or less with plenty of height to give the slower shooters plenty of time to see and shoot them. I haven't heard any complaints regarding the speed of targets this season other than what havoc the wind did cause now and then.

Seventy-five shooters took to the tracks, numbers being down once again, however a great weekend shooting was in was to be seen.

Event one was the 30 target Cash Divide to get the weekend under way. And looking at the board and the number of possibles, we were in for a treat.

Event two being the 45 target Champion of Champions, and the overall winner was Wayne Hawkins with a great 96/100.

Butch Gale and Don

Wayne also won this event last year and thus became only the second shooter to back to back their championship and have their weekend's nominations refunded. Well done Wayne. Roger Duthie is the only other to achieve this however he was not here to follow up again. Ian Piddington won first in AA from Tom Turner, First in A grade was Warren's own Butchie Gale with a 93/100 from Ross Morris of Cobar. B grade went to Ross Hill from Dubbo with 69/75 from Steven Begley on 64/75. C grade went to Barry Mitchell on 64/75 and Bradley Mitchell second on 49/75.

Jenny Haynes from Moree won the Ladies section shooting a creditable 65/75. Veteran's trophy went to the evergreen Peter Fitzalan from Dubbo and Warren's, Jason Owens won the junior division shooting 72/75.

Denis Hunt Memorial Cup and Ibis

Event three the first of the Western Zone Titles being the Single Barrel Championship. Tom Turner won this in a shoot off with Peter Fitzalan. Tom shot 41/41 to take the Title. Peter took AA shooting 40/41. Mark McInnes won second in AA shooting 34/35. Anthony Carroll won A grade with a 35/37 from John Hayes on 34/37. B grade went to John Tulloh on 37/41 from Gerald McInnes shooting 36/41. C grade was again Barry Mitchell shooting 23/30 from Tony Connolly shooting 21/30. Well done Tony, a long time between drinks.

Ladies was won by Helen Overton. Veterans Kevin Heywood and Jason Owens again won the Juniors shooting 29/30.

Event four the Western Zone Double Barrel. Tom Turner showed us he meant business by winning this event also shooting a great 131/131 to outlast Wayne Hawkins on 130/131. Peter Boland shot a creditable 97/98 to win second in AA behind Wayne. AA grade once again went to Anthony Carroll shooting 61/62 and second was Duncan McPhie on 30/31. B grade went to Steven Begley from Ross Hill seems these two want to take it in turns. C grade went to Barry Mitchell shooting 28/30 from Bradley Mitchell on 26/30. Ladies for this event was won in a shoot off by Theresa Montgomery from Moree shooting 36/39. Veterans was won by Peter Fitzalan shooting 105/106, and the Juniors again went to Jason shooting 29/30.

Many stayed on for the evening enjoying a beautiful dinner supplied and lovingly cooked by our wonderful band of ladies. Many a favourable comment was spoken about the meal and we sincerely thank you.

Jason and Michelle Owen supplied some great music with many of those whom remained behind joining in from the background. Next year we will definitely advertise this prior to the shoot. Thanks Jas and Michelle for the terrific entertainment.

Sunday morning came with no change in the weather. Again the lovely stiff, sharp breeze to keep us on our toes.

Event five and the last opportunity to make the Zone team, the Western Zone Point Score Championship.

Brian Manns from Cobar showed he was here, winning in a very spirited shoot off shooting 137/138 from Mark Ticehurst from Warren on 136/138. Tom Turner once again was in the winners circle winning second in AA shooting 112/114. A grade went to Scott Moody from Coonamble on 118/120 from Butchie Gale shooting 88/90. B grade went to Harold Baston on 85/90 from Ross Hill again. Trudi Tulloh took C grade shooting 71/90 from Luke Carney on 75/99.

Helen Overton again won the Ladies shooting 86/90, Jim Manns won the Veterans on 85/90 and again Jason clean sheeted the Juniors shooting 86/90.

Barry Mitchell still in the winners circle third 42/44 from Rob Agnew on 41/44 and Barry Yates from Orange taking fifth on 40/42. Well shot chaps.

WANGARATTA CLAY TARGET CLUB 5 Stand Sporting Clays

On Sunday 11 April the Wangaratta Clay Target Club held a 5 Stand 75 Tgt. Sporting Clays Championship event with overcast skies and moderate wind conditions. Although numbers were down a little on last March's sporting clays shoot, the whole day ran very smoothly and finished around 4.30pm.

The targets set by Brett Jory and his band of helpers presented some difficulties for the shooters present, however this only added to the attraction of the event. Many followers of this more difficult discipline of clay target shooting are keen field shooters and the extra challenge involved in making contact with some of the more tricky targets creates a very satisfying result after the three rounds are completed.

Thanks go to Colleen Carmody and Layne Rowe for staffing the kitchen during the day and also Alex Reid and Angela Williams for assisting in the office.

Russ. Taylor shot 63/75 to win the overall championship and 2nd in AA grade by Craig Dixon on 57/75. Local Field & Game expert Reg Carmody, a very consistent top shot won both A grade on 62/75 and the Veterans award. Christian McGauran shot well again to win 2nd in A grade with 62/84. First in B was Trevor Jones shooting 61/75 defeating Brian North on 56/75. C grade was won by Darren Saunders with 48/75 and 2nd by hard working Club President Albert Colin on 42/75. Brad Sparling narrowly beat his nemesis Brian Reid by only four targets, which Brad was pleased to advertise to all on the day.

Helen Devlin from Albury shot well to take out the ladies award on 40/75.
