National President's Notes

This being my first report as President, it is with great sadness that I must report on the passing after a long illness of former National President and Life Member of the Association, Mr. Roy Holtfreter. Roy, from Northam Club in West Australia served the Association for many years and on behalf of the membership I extend our condolences to his family and close friends.

The ACTA Executive meetings were held over three days in June, and so including travel time, most members gave at least five days of their time towards managing your Association.

The Executive seems very stable at the moment with the main change being the office of President. Mr. John Mack, who has held the position for three years, did not stand for re-election and on behalf of all ACTA members I thank John for leaving the Association in such a great condition. John has brought integrity, honesty and commitment to the chair and I feel sure this has rubbed off on the Executive. John has dealt with difficult issues and personalities fairly and with openness and on behalf of our membership I thank John and his family for the time he has given us. Surely a job well done.

Both I and Ron Traill had made the board aware we were intending to stand for the position of President, some months ago. We felt this gave the National Delegates time to properly consider where they want to go and therefore who to support. Unfortunately there is only one President and I was elected to the position. I thank Ron for his openness in this matter and his continued support and firm commitment to the future.

Ron Traill was subsequently elected as Vice President as was Peter Haley. The only change to the board was I replacing John Mack as chair and Rob Fox taking my place as a board member. Sub Committee chairs remain with the exception of the Grounds Committee with Peter Haley taking the chairman's job. We welcome Gary Read from South Australia to the Executive and his first meetings. Gary replaces Gerald Hopgood as a National Delegate and I take this opportunity to thank Gerald for his contribution to the Association. Full committee details are shown in this edition of the CTSN.

The Association Historian Mark McInnes had resigned prior to the Executive meetings and our thanks go to Mark for the efforts he has made over many years to collate State and National records, the general history of the Association, and instigate the Hall of Fame Dinner and Presentation Nights. Without Mark's passion for history and our sport it is unlikely that the Hall of Fame as we know it would even exist. Thanks Mark. Expressions of Interest will be called via the CTSN for this honorary position.

Decisions made by the Executive will see more development on your National Grounds, continuing upgrade to the CTSN and adoption of Team Codes of Conduct and Uniform policies. Team members will wear the Coat of Arms with pride or not at all. Rules have been revised and will be reprinted for 2011 they are being frozen for three years and the Nationals programs will remain as set this year for three years except the skeet which has to be altered for the 2012 World Championships and expected numbers.

Insurance coverage is being reviewed to recognise the greater range of activities carried out by clubs to both promote our sport and to bring in that elusive extra dollar. Membership fees are not being raised this year. Decisions made last year in regard to the CTSN have been proven to be correct and we thank Jim at Ironbark Graphics for the new look magazine which is already attracting new sponsors and advertisers. Pre nomination at all National events is here to stay with some minor modifications, all to make it more member friendly.

I have probably taken more space than I should, but feel there is so much happening you need to know about. Until next month.

Robert Nugent

Executive Officer's Report

The halfway mark of the year has just passed and with it the Majority of the National Championships with only the Sporting Clays to be conducted in August. This together with the Commonwealth championships 9th–11th July being conducted by the WAGC and WACTA World Championships signals what has been and we hope will be a great year of National Events.

The National Executive meeting was conducted from the 3rd–6th of June. Amongst other business the Executive elected new office bearers with Robert Nugent being elected to the position of President and Ron Traill and Peter Haley elected Vice Presidents. Ron continues as Public Office whilst Dennis Harwood continues as Treasurer whilst Allan Vilcins takes on the Secretary position. These State delegates have taken on further responsibilities in these important positions and will lead the National Executive and the Association through the next twelve months.

We will provide a report from subcommittee chair persons over the next few issues of the CTSN regarding their plans for this period of time.

In the May edition of the CTSN I congratulated the winners and various place getters of events at the World Trap Championships

in South Africa. Some results from the World Championships we received were incorrect. Mr. Ron Garth was indeed the third overall in the Veterans event. I apologise to Ron and the rest of the members for this incorrect information being published. Ron also had a great lead up placing in the South African Championships winning the Double and finishing 4th in the Single barrel Veterans events. Congratulations Ron.

The Promotions committee has provided me with a request for a promotional kit to use at exhibitions and open days which we have already started to compile. The first outing will be at the Beretta Girl action days later in the year. If your Club, State or Zone wish to have use of the kit you will need to book it through the National Office. We will be publishing a list of contents for the Kit once it is established at the end of July.

The programs have now been set for the National Championships in 2011. We are now producing the Nomination forms for all of those events. The terms and conditions will also be updated to reflect changes in these. There are many other initiatives from the meeting which we will implement over the next 12 months.

Rickard who spent the week overseeing the Canterbury Voice releases, and ensuring they were also in good condition and working well. To National Executive members Mr. Ron Traill the Tournament director and Peter and Sandra Haley for their work in the office and on the scoreboards. George Pinner and Terry Marsden two more National Executive members and skeet shooters were also able to support us in ensuring the smooth running of the event. Janenne Kidd was again fantastic, assisting in the office and the organisation of various administrative tasks (including providing pick me ups). Alison Farish again assisted in the office ensuring handicap books were updated and completed. Frank Auditore is a great volunteer asset to the Association and his contribution cannot be overstated, his attention to detail and development of his software is a great service for the ACTA to be able to tap into. The trappers and support staff too large to mention are instrumental in the "Back Room" of making these events work. Thanks also to David and Jo from the Uranquinty Hotel for their support and sponsorship of the shooters BBQ, donating all of the proceeds to Charity. Next time you see these people "just a nod of the head" and thanks goes a long way.

To all of those who attended or assisted it was a pleasurable week, something we hope to repeat regularly.

QCTA Trap Carnival *Roma*

ON THE LABOUR DAY LONG WEEKEND of 1st to 3rd May 2010, shooters travelling to Roma for the Queensland Trap Carnival were greeted by glorious sunny conditions. The Roma club members had obviously been working hard as the grounds looked a treat and the targets were perfect.

The first event on the program was the 25T Point Score cash divide. Robert Pack was 1st in C grade shooting 69/75 with Lance Broom taking 1st in B grade after a shoot off with 141/143. Julie Allan took out 1st in A grade with 108/111 and AA grade winner was Ray Collinson 248/249 after a brilliant shoot off with this year's overall winner John Maxwell from Rockhampton 249/249. Julie took home the Ladies prize with Dylan Noffke the

winning Junior 76/77 and Jeff Nash the top Veteran with 95/96.

The 50T State Double Barrel championship was the second event on the card, this year generously sponsored by John Maxwell of Maxisport. 265 shooters nominated for this event with the 53 possibles a testament to the excellent targets. A standout performance by Mark Edwards of the Gold Coast saw him take 1st in C grade with 59/60, while Tambo's Pat Murray shot 82/83 to win 1st in B grade. Andrew Moore from Surat was also in form shooting 157/158 to take 1st in A grade, and Brian Kniepp from Moree kept the crowd entertained taking 1st in AA with 355/356 after a lengthy shoot off. The Queensland silver badge, sash and trophy were awarded to overall winner Tony O'Leary from the Gold Coast with a brilliant 356/356. Tony also took the coveted Ossie & Doug Smith medal, the trophy was presented by Doug Smith who assisted John Maxwell with the presentations for this event – an added honour for Tony. Top section prizes were awarded to Viv Moore from Surat who shot 110/111 to take Ladies, Dylan Noffke from Sunshine Coast winning Juniors with 50/50 and Peter Smith from Gympie taking Vets, also with a perfect 50/50.

On Saturday night the QCTA held their second Hall of Fame induction ceremony with a celebratory dinner and presentation evening. 140 shooters and friends dressed in their finest to celebrate the evening. Inducted into the

Hall of Fame for 2010 was Queensland's living legend Mr Doug Smith, whose accomplishments in the sport of clay target shooting are well known though too lengthy to list. Doug and his wife Mary attended every day of the carnival and it was a real honour for shooters to be able to chat with him throughout the weekend. Doug has contributed extensively to our Hall of Fame, donating pins, medals, photographs and other treasured memorabilia.

Our second inductee was Mr Jo Raleigh, inducted posthumously this year. We were very honoured to have three generations of Jo's family attend the dinner and accept the award and certificate on his behalf; his son John Raleigh, grandson Peter and great grandson Angus. Jo was a shooter of some renown early this century and although few records were kept in those days, was widely celebrated for his achievements.

The QCTA proudly introduced a new honour board to the Hall of Fame at this year's presentations – the State Distinguished Service Award. This honour is bestowed upon members of the shooting fraternity who have contributed to

our sport in an honorary capacity, whether it be in administration, coaching or any area which may have benefited clay target shooting in our State. Our inaugural recipients of this award were Mr Tom Jarvis from Tambo Clay Target Club in Queensland's Central Zone and Mrs Julie Allan of Dalby Gun Club in the Western Zone.

Tom has worked tirelessly in excess of 35 years to further our sport within his club and Zone. He has been a coach for most of these years and has assisted numerous shooters, particularly juniors, to become competitive members. Tom has contributed through his club in all possible areas and has served as a Councillor for many years. Julie Allan has been a terrific contributor to our sport over the years and continues to play a number of vital roles at club, Zone and State level. Julie is responsible for organising our State team uniforms and is an accomplished seamstress herself, also responsible for supplying Western Zone team shooting jackets. She volunteers many hours of her time assisting in shoot offices throughout the State and has worked in club, Zone, State and National shoot offices. She also wears the respected title of Madam Pawpaw and as such contributes hugely to various charities throughout our State.

Double Rise Champ Alex Dallas

We were extremely proud to honour these two generous and popular Queensland shooters with the Distinguished Service Award for 2010, and we were pleased that their friends and families were able to attend the presentations to share this honour with them. Thank you also to Terry Morony and Colin Witt for their MC and presentation skills, and to all those who assisted with the Hall of Fame evening.

The fine warm weather continued into Sunday and the morning's event, the 50T State Single Barrel championship saw another 265 nominations with 7 red scores on the board. A shoot off with Corey Bylsma 3rd and Josh Turner 2nd had Daryl Belford from Springsure securing 1st in C grade with 45/53. Peter Ballarino won 1st in B grade with 52/55 and Veronika Forsythe shot an impressive 50/50 to take 1st in A grade. After another shoot off Tony O'Leary settled

for 1st in AA grade with 97/98, while local Byron Hewitt from Roma took out overall with an impressive 98/98. Byron was more than happy to take the Beretta rifle, top prize on this event, along with the silver State badge, sash and trophy. The Romans featured well in the single barrel with Veronika Forsythe and Geoff Bryant winning Ladies and Veterans respectively, and Jon Woodall from Central Burnett taking the top Junior prize shooting 47/50. The QCTA would like to thank Beretta Australia for their generous sponsorship of the single barrel event and to their representative George Barton for travelling to Roma for the presentations.

Some excellent scores were shot in the 25 Pair State Double Rise event, sponsored by the Western Zone and Roma Clay Target Club, both of whom contributed hugely to the success of our carnival.

SE Zone Open Team Daryl Stevens, Shane Weeden, Keith Simpson, Rob Dean, Mike Swale & David Nicholson

C grade was won by Tony Allan from Roma with 41/50, Tarawera's Chris Codrington shot 55/60 to win 1st in B grade. Peter Brandt from Rockhampton shot a very healthy 47/50 to take 1st in A grade and John Maxwell again performed well to win AA grade with 85/90. He could not quite catch Alex Dallas from Springsure, however, who shot 86/90 to take overall champion winning the sash, silver State badge, cash and trophy. Jim Riggs from Gladstone shot 47/50 to win Veterans, Chris Codrington took the Ladies prize with 45/50 and Dylan Noffke kept up his fine form to win Juniors with 46/50.

Ladies HG winner Viv Moore

The Zone team challenge was well contested this year with all Zones submitting teams in the open section. The South East Zone open team was too strong however, winning the 2010 event with 124/125 (368/375). Congratulations to team members Daryl Stevens, Keith Simpson, Shane Weeden, Robert Dean, Mike Swale and David Nicholson. Elected spokesman Daryl got in a good-natured 'nyah nyah' to the other Zones, ensuring the challenge will be even more competitive next year! The Western Zone blitzed the competition in all the other sections making it a clean sweep for Ladies, Juniors and Veterans.

Well done to these team members. Ladies: Julie Allan, Veronika Forsythe & Viv Moore 72/75 (210/225). Juniors: Aubrey Cormack, Daniel Andrews & Chris Allan shot an excellent combined score of 75/75 (215/225). Veterans: Geoff Bryant, Bob Bryant & Graham Baker 72/75 (212/225). All winning team members received a gold medal for their efforts and we thank them for competing at their Zone carnival and at the State event.

The final event of the carnival was the 50T State Point Score championship and we thank sponsor Nioa Trading and Federal Ammunition for their generous support. The ladies featured strongly in C grade taking all three places with Imelda Shilvock from Springsure winning the top prize with 144/150 over Sahra Costanzo 2nd and Sherry Millar 3rd. Darryl Bailey from Burdekin shot 157/162 to win 1st in B grade, while Andrew Olive from Callide Dawson won A grade with 146/150. The shortest shoot off in point score history

saw Rob Rosenberger take 1st in AA grade with 152/153 handing the championship to Mike Swale from the Gold Coast, overall with 153/153. Mike took the State silver badge, sash and trophy as point score champ for 2010. Other top scores came in for the section prizes with Viv Moore shooting 147/150 to take the Ladies, Dylan Noffke 139/150 won the Juniors, and John Farrell from Normanston shot a hard to beat 148/150 to take the Veterans.

Shooters from clubs all across Queensland qualified for the postal teams and only three targets separated 1st from 15th in the open team, in qualifying order: Geoff Moore, Mike Swale, Barry Bosworth, Ray Collinson, Alex Dallas, Robbie Cusack, Colin Witt, Shane Weeden, Daryl Stevens, Tony Coco, John Maxwell, Brett Williams, Viv Moore, Ryan Olive & Allan Pack. Ladies: Viv Moore, Veronika Forsythe, Zarah Powell, Amanda Bianchi, Debbie Young & Lil Brandt. Juniors: Dylan Noffke, Aubrey Cormack, Jon Woodall, Daniel Andrews, Tom Costanzo & Brad Hembrow. Veterans: John Farrell, Peter Smith, Allan Powell, Barry Nassar, Louie Populin & Doug Killick.

The State Shoulder to Shoulder teams representing Queensland at the Trap Nationals in Wagga in 2011 in qualifying order are: Open – Mike Swale, Barry Bosworth, Geoff Moore, Alex Dallas & Ryan Olive, with 1st reserve Daryl Stevens. Ladies – Viv Moore, Veronika Forsythe & Zarah Powell, with 1st reserve Debbie Young. Juniors – Jon Woodall, Daniel Andrews & Tom Costanzo, with 1st reserve Brad Hembrow. Veterans – John Farrell, Peter Smith & Barry Nassar, with 1st reserve Allan Powell. Team High Gun winners were Mike Swale – Open, Veronika Forsythe – Ladies, Daniel Andrews – Juniors, John Farrell – Veterans. Congratula-

tions to all our team members and good luck at the Nationals in 2011.

The Two Person Team medal was won by John Maxwell and Ryan Olive who proved to be a strong combination. Grade High Gun winners were Corey Bylsma – C Grade 322/375, Gavin Langridge – B Grade 355/375, Viv Moore – A Grade 360/375, Glenn Hayden – AA Grade 372/375. The Queensland Champion for 2010 was Mike Swale 420/425 who won the sash and GR & M Porter Perpetual Trophy. The section and overall high guns were sponsored by Beretta Australia this year and we would like to thank them for their contribution to our carnival. Ladies High Gun was won by Viv Moore 360/375, Junior High Gun was Dylan Noffke 349/375 and Veteran High Gun winner was John Farrell with 359/375. Top prize for the carnival was won by Ray Collinson from Burdekin who took out Overall High Gun for 2010 with a terrific score of 372/375, great shooting! Ray took home the coveted Beretta Silver Pigeon trap gun, along with the Queensland gold badge, sash and RACQ/GIO perpetual trophy. Congratulations to Ray and to all the other high gun and event winners for a fabulous effort.

We would like to thank our generous sponsors for supporting our Trap Carnival this year. As all shooters know, these events would not be possible without their involvement and assistance. Beretta Australia, Maxisport, Nioa Trading/Federal Ammunition, Western Zone QCTA, Roma Clay Target Club, Scouller Saddlery and Clay Targets Australia – thank you all. The Western Zone provided a very professional team of office workers and shoot marshals, thank you to Rodney, Wendy and Rowan Woodrow, Viv Moore, Julie Allan, Shane Weeden, Sam Moore and Megan Woodrow, all who worked hard and made the hours spent in the office so enjoyable. Special thanks to Marie Hill who spent the entire weekend on her feet maintaining the score board – a huge and very tiring job. Thank you to Western Zone VP and chief shoot marshal Richard Morrison and his offsiders Geoff Moore and Bill Allan who kept the shoot rolling smoothly all weekend.

Roma President Michael Keegan and his ground, bar and catering staff, club members and long list of helpers did a terrific job keeping the visitors satisfied. Thanks also to Ronnie Forsythe and Geoff Bryant, and all those who ensure Roma upholds its reputation as one of Queensland's most hospitable clubs. Thank you to Terry and Gwenda Morony, Donna Nugent, John Mack and those who assisted with the maintenance of the Hall of Fame and preparations for the dinner, and Mike for his help with merchandise. We appreciate the assistance of all those who contributed to the success of our trap carnival, the workers, helpers, travellers and particularly all the shooters who competed and who made it such a great weekend. We look forward to seeing you again next year.

MOSS VALE'S FIRST CHAMPIONSHIP

On Saturday 29 May 2010, 40 shooters some travelling from Sydney, Illawarra and the Tablelands braved the fickle weather to compete in the first Club Championship of the revived Clay Target section of the Moss Vale Small Bore Rifle and Clay Target Club at Berrima Road. This event, comprising of 100 targets double barrel, was generously sponsored by Highland Sports of Moss Vale. Company Director, John Fuller attended to present the trophies and opened his remarks by making a special tribute to his father, Malcolm, who passed away some 16 years ago. Malcolm contributed so much to the sport of clay target shooting during his celebrated career, not only as a fine shooter and national title holder, but I am sure John and David would like that we remember their father as a "sportsman".

Overall Winner Bob Duncan 97/100 after a 'shoot off' with Paul Hamilton. AA Grade: 1st Leon Cuzner 96/100, 2nd Ian (Herb) Prior 96/100 after a 3 way 'shoot off' with Peter Papps. A Grade: 1st R Hunt 94/100, 2nd D McMillan 93/100. B Grade: 1st Paul Hamilton 97/100. 2nd Max Clarke 92/100. C Grade: 1st Rod Macaulay 92/100, 2nd Simon Williamson 92/100 a 'shoot off' determined these places.

Congratulations to all the winners and a very big thank you to our sponsors Highland Sports (particularly our member, Highland Sports'

L. to R. A class line-up Barry Kable, Peter Papps, Col O'Brien and Peter Vella.
Referee Don McMillan

CFO Bill Nolan) and supporters – Moss Vale Hotel, Yellow Tail Wines and Anchors Fruit & Veg.

Special mention was made of the generous support provided by Dave Stewart and Warren Chalmers, travelling from Sydney to Marshal our shoot – a job well done and was very much appreciated.

Blue Skies and Fine Shooting At Albury

Handicap winner Sophie Rymill

While the June long weekend had afforded many with an opportunity for a well-earned break, 28 avid shooters took advantage of the fine weather and warm hospitality at the Albury Wodonga Clay Target Club to make June 13 a holiday to remember!

As has proven typical for this time of year, the day had started with an absolute ripper of a frost, testing the mettle of all those hard-working members enduring an early morning set-up. The conditions improved out of sight as soon as the sun popped its head over the hill. The warming rays and "breathless" blue skies welcomed the first event in with style!

Event 1 was a 10 target Continental cash divide. Shooters from across all grades were able to take a share of the purse, possibly demonstrating the influence of such ideal weather? Warren Fish, Glenn Huckel, Peter Collicot, Tom Laing, Nick Gilder, Bryan Bockman, Bob Leita, Frank Plas, James West, Robert Taylor and Lewis McCrum all posted a perfect 10/10 to make the presentation list.

The second event of another 25 Continental targets swiftly followed the eye-opener. There was some fantastic displays of shooting in this event and several shoot-offs were required to establish results across most grades. The most interesting of these was the "battle" between long-standing club member and AA Grade shooter Bryan Bockman and junior shooter Ethan Brindley to determine Overall Winner for the event. The physical difference alone was marked, almost comical – Bryan is well and truly one of the taller shooters in the club, young Ethan's stature could best be described as diminutive! Demonstrating some skills well beyond his age and experience, Ethan pushed the older Bockman all the way to 52 targets, dipping out on his 53rd to hand Bryan the win. There was no doubt that Ethan

is a fierce competitor and one to keep an eye on! Congratulations Ethan.

Phil Matthews placed second in AA Grade with a 45/46 after Bryan's win. Frank Plas was a

Phil Matthews

convincing winner of A Grade with 29/30, regular visitor Charlie Strike second with a 24/25. Ethan took out first in B Grade following closely behind was Alex McGregor with a very respectable 45/47. Glenn Huckel was a deserving winner of C Grade with 22/25, Rodney Leatham rounded out the event with a 20/25 for second.

Event 3 was a 25 target Handicap, and as it panned out, was undoubtedly the most interesting and hotly contested event for the day. The true nature of a Handicap event as a means of "levelling" or "evening out" the competition had never been better demonstrated, the eventual winner possibly more shocked than the crowd cheering her victory! C Grader Sophie Rymill, relative new-comer to the sport, shot the event "clean" to gain a spot in the shoot-off with John Palffy, also on 25/25. Sophie shot the next five targets beautifully. John folded under the pressure, dropping his 30th target to hand the very excited crowd favourite, sorry John, the win off 15 metres. Congratulations Soph, your smile said it all! Phil Matthews off 24 metres, took out third with a 32/33.

Bryan "Ablett" Bockman

A 30 target Double Barrel event finalised the June card. Continuing his fantastic form from the second event, Bryan Bockman shot a 34/34 to easily take out Overall Winner and first in AA Grade. Phil Matthews' place on the presentation list was not so easily won – Phil shot an 86/87

to level the score with Bob Leita in the shoot-off. A toss of the coin awarded Phil the win and second in AA Grade. Bad luck Bob! A Grade was also hotly contested, Richard McCrum prevailing with a 36/37. James West was only one target behind on 35/37 to clinch second. As per usual, Harry Stolpe was in contention, his consistent shooting and strong focus allowed him to take out B Grade with a 33/34. Warren Fish snatched second with a hard fought 46/48. Buoyed by her win in the Handicap event, Sophie Rymill easily accounted for her competition in C Grade with a 29/30. Glen Huckel was runner-up with a respectable 25/30.

The ideal conditions had resulted in some fantastic scores posted by competitors on the day, none more so than Bryan Bockman who was awarded June High Gun with an amazing 94/96. Dropping only two

targets over the entire program is brilliant in any conditions – great shooting Bocky! In Brian's usual fashion, he jokingly attributed his win to Geelong's current form in the AFL, citing several similarities to his own recent dominance! A few interested committee members are trying to organise a transfer to the Gold Coast Clay Target Club on your behalf Brian! Junior High Gun was awarded to Ethan Brindley with 85/90.

As has been the case for some time, the Albury presentation list again demonstrated the popularity of the club amongst shooters of all grades and capabilities – including a strong representation of female and junior entrants. Vindication of the committee's desire to increase the "diversity" of attendees!

Blues skies and fine shooting – another great day at the Albury Wodonga Clay Target Club

May Sporting Clays

The fifth Sunday of the month had rolled around very quickly and everyone was looking forward to pitting their skills against an always challenging Sporting Clays program at the Albury Wodonga.

While recent rains had been welcome in the area, a downpour earlier in the day hampered some last minute modifications to the two layouts and made filling traps a real chore! Ultimately, it probably also impacted on the attendance of what would normally be an extremely well patronised event.

Fortunately, the weather co-operated for the majority of the day and the 100 target Sporting Clays competition started in overcast but dry conditions. Twenty six shooters nominated for the event, consisting of a healthy mix of competitors from all grades. It was also pleasing to see a large contingent of visiting shooters; Corowa, Wagga, Leeton, Mt. Bogong and Wangaratta were all represented on the day. Several members from the Wodonga Albury Field & Game continued their support of all local Sporting Clays events, featuring heavily on the scoreboard as has proven usual.

The course setters had used all their skills in making the two layouts as interesting and as challenging as possible. A great selection of targets were thrown, some taking full advantage of natural terrain, others using intermittent gusts of wind to puzzle those standing in the cages! Some extremely clever coupling of targets made several of the "pairs" thrown as tough as had been seen in recent times at Albury.

Targets thrown from the tower appeared to be travelling at moderate speeds but were in actual fact really motoring, the Rabbit target on the other hand was thrown at a much more sedate pace – fooling many shooters who couldn't resist the urge to shoot well out in front! The Battue was canted on such an angle as to almost make it disappear at times, this proved very difficult to the less experienced shots. The

use of the electronic control "boxes" and remotely released traps on both layouts enabled a swift and effective competition, as well as diminishing the reliance on "fixed" Skeet and DTL traps.

Trevor Beach continued his dominance of Albury based Sporting Clays events with an absolutely amazing 95/100 and was duly awarded Overall Winner and first in AA Grade. Trevor was an extremely gracious winner and is always warmly welcomed at Albury. Simon Hore nominated late due to earlier commitments in the day and as a result had to shoot alone. Any perceived disadvantages were quickly dispelled, Simon smashing plenty of targets to eventually post an extremely competitive 90/100 to clinch second in AA Grade. Barry Hall secured first in A Grade by the narrowest of margins. Barry's 82/100 was only one target clear of Vic Bowman. Bad luck Vic! Darren Saunders was good enough to win B Grade with a 79/100. Club

President Gerry Lafferty was a close runner-up on 77/100, proving his ability across all the varied disciplines shot at Albury.

Relative new-comer to the sport, Kevin Harrison, was a clear winner of C Grade with a 62/100, respectable considering the conditions and challenging targets. A shoot-off was required to establish a result for second in C Grade with Helen Devlin, Lesley Wojtowycz and Nick Gilder all tied on 61/100. There was no question that Nick felt like the proverbial "thorn between two roses"! After each shooting five pairs, Nick was the eventual winner with an overall score of 66/110. Charlie Strike was also the recipient of a shoot-off win with an 80/110 to be named Veteran High Gun. Lesley Wojtowycz was awarded Ladies High Gun and Jacob Matthews took out Best Junior for the day with a 47/100.

Despite the moderate attendance and at times lousy weather, the day was hailed by all as a great success! It seemed that most competitors really enjoyed the mix of challenging targets and it was certain they all took advantage of the open fire and Marie Petts' renowned hospitality and hot food was in high demand!

If nothing else, the Albury Wodonga Clay Target Club had strengthened its reputation as the region's premier clay target facility.

QUEEN'S BIRTHDAY SHOOT AT ECHUCA

No rain, but very cold, and overcast, is the kindest way to describe the weather on Sunday the 13th for the Echuca Clay Target Clubs June 2010 shoot. Because of the very dull conditions, and a dark green crop as the background, all shooters had difficulty seeing the black targets leaving the trap houses, making full scores very difficult to achieve.

Travellers from Melbourne, Frankston, Deniliquin, and Numurkah/Shepparton clubs were amongst local members trying to establish a win on the day, and the two Championship events were won by Echuca club members, after intense shoot offs in both events.

A grade, 20 target Points Score cash divide was the first event, with the cash going to Warrick Kelvy for AA grade, Ian Gebhardt for A grade, Leanne Harbor for B grade, and C grade 1 to Evan Boyack.

Steve Traill OA MT

100/105, Steve Atkins collecting 2nd in AA grade with his 99/105 result. A grade 1st went to Alan Cole 57/60, A 2nd to Drew Healey 56/60, B 1st to Peter Sing 57/60, B 2nd to Howard Hawking 50/60, C 1st to Alan Johns 51/60, and C grade 2nd to Evan Boyack surviving a shoot off to end on a score of 78/95.

The third event was a 20 target Double Barrel Championship, and five shooters managed a full scorecard of 20/20, Evan Boyack, Warrick Kelvy, Steve Harbor, Rob Nisbet, and Laurie Gee. Evan, a C grade shooter

was the first to lose a target, but for his grade, having shot so well to be in the shoot off, Rob was next to lose a target, then Steve dropped out, and it was between Warrick and Laurie. Target 17 was too difficult for Laurie and when Warrick hit his it was all over. Warrick Kelvy claiming the Overall Winners Sash plus 1st in AA grade with an excellent score of 37/37. Laurie claiming 1st in A grade with his 36/37 result, Peter Sing again taking out 1st in B grade on a 22/23 score, with C grade easily won by Evan Boyack all the way from Frankston, and ending on a score of 22/23.

Murray Roberts

Event two was a 40 target, Mixed Target Championship, with the "possible score" of 60/60 eluding everyone, but shooters, Steve Traill, and Steve Atkins, both Echuca members, were able to score only two points lost. Achieving a 58/60 result on such a poor day with a mixed array of targets was very good shooting. The shoot off continued for almost another full round until Steve Atkins was one point further down than Steve Traill making Traill the Overall Winner and 1st in AA grade with a score of

PORT MACQUARIE CLAY TARGET CLUB

2010 Knox Hastings 75 Championship

ON SUNDAY MAY 2 the Port Macquarie Clay Target Club held their monthly competition at their grounds within the Hastings Regional Shooting Complex.

The May competition is the most prestigious one of competition the club has through the year. The main event is the 2010 Inox Hastings 75 Championship shot double barrel. With sponsorship from Candan Industries the manufacturers of Inox lubricant products the club was able to put up over \$1000 in cash and prizes.

The second event on the days programme was the club's 50 target Single Barrel Championship and this had a prize pool of \$400 with one of the graded winners in this event taking home a new gun case valued at over \$130 which was donated by club member Steve Burley.

All prize money was to be split equally between all grades from AA grade down to C.

The weather was perfect for clay target shooting and following nominations there were thirty six shooters representing Taree-Wingham, Coffs Harbour, Kempsey, Normanton, Bundaberg and of course Port Macquarie Clay Target Clubs.

The Inox Hasting 75 was shot off the common mark of 15 metres and over three walks of 25 targets. At the completion of this event there were three shooters who shot one point down 74/75. There were two AA graders Robert Clark and Brad Hooper and B grader Rex Wilson. These three shooters were required to shoot off for the Championship Medal and also Robert and Brad were shooting off for first and second in AA grade. Clark was the first to drop out then followed by Wilson leaving

Brad Hooper with a score of 82/83 the 2010 winner of the Inox Hastings 75 Championship Medal and first in AA grade.

Other results were 2nd AA grade R Clark 81/83; A grade 1st Paul Deland 73/75, 2nd John Webster 104/107; B grade 1st R Wilson 74/75, 2nd J Burke 73/75 and C grade 1st Ken Benson 75/80 2nd Ken Bainbrigg 74/80.

The second event was the 50 target Single Barrel Championship shot over two walks of twenty five. Once again a shoot off was required to finalise the results

with Kerry Miller taking the 50 target Single Barrel Championship Medal and first in A grade with 48/50.

Other results were AA grade 1st R Clark 51/54, 2nd Jamie Griffiths 50/54; A grade 2nd P Deland 47/50; B grade 1st Bill Neill 48/50, 2nd R Wilson 46/50 and C grade 1st Megan Wilkins 36/50, 2nd K Benson 31/50. Following a draw of the four graded winners R Clark

was the proud owner of the new gun case donated by Steve Burley.

The overall High Gun was won by Robert Clark 121/125 and the Ladies High Gun winner was Emily Saul 112/125.

The shoot programme competition valued at \$850.00 for May was shaken by a few Port Macquarie members attending but no one was able to shoot the required.

The club would once again like to thank Phil Plowman of Candan Industries the manufacturers of Inox lubricant products for the support they have given us over the years and look forward to their support again in 2011.

The club would like to remind any shooters who are holidaying on the beautiful east coast that the Port Macquarie Club welcomes all visitors.

IRRATIONAL BELIEFS

Over the past three months the focus of these articles has been to look at self-talk, positive and negative thought patterns. In this article I intend to explore irrational beliefs: these occur when negative thought

patterns become internalised and believed to be true.

Irrational thinking as a problem, forms the basis of Rational Emotive Therapy, which is a therapeutic intervention model developed in the late seventies by Albert Ellis. Ellis maintained that human problems stem, not from external events or situations, but result from the views and beliefs that people adopt about the events or situations around them. Ellis argues "humans have a powerful instinctual tendency towards habits, inertia, excitement-seeking, moodiness and negativism that interfere with productive thinking and planning." He goes on to suggest that "humans are born with an exceptionally strong tendency to want and to insist that everything happens for the best in their life and to roundly condemn themselves, others and the world when they do not immediately get what they want."

For most people, according the rational-Emotive model, emotional disturbance can be traced to one or more of a number of irrational beliefs.

- The idea that you must have approval of all the people you find significant.
- The idea that you must prove thoroughly competent, adequate and achieving.
- The idea that when people act obnoxiously and unfairly, you should blame and damn them, and see them as bad wicked or rotten individuals.
- The idea that you have to view things as awful, terrible, horrible, and catastrophic when you get seriously frustrated, treated unfairly, or rejected.
- The idea that emotional misery comes from external pressures and you have little ability to control or change your feelings.
- The idea that if something seems dangerous or fearsome, you must preoccupy yourself with and make yourself anxious about it.
- The idea that you can more easily avoid facing many of life's difficulties and self-responsibilities than undertake more rewarding forms of self-discipline.
- The idea that your past remains all important and that because something once strongly influenced your life, it has to keep determining your feelings today.
- The idea that people and things should turn out better than they do and that you must view life as awful and horrible if you do not find a good solution to life's realities.
- The idea that to achieve maximum human happiness by inertia or inaction or by passively or uncommittedly "enjoying yourself."

Irrational thinking therefore comes from *demanding* that the universe *should, ought to and must* be different.

So how does this affect the athlete? The ten basic tenets listed above can fit into five general categories:

Perfectionism. "I should be thoroughly competent all the time." "I should be able to hit every target." "I shouldn't miss." No-one is

perfect, and to believe that you are or should be, is flawed thinking. We need to understand that mistakes are a normal part of learning and that only people who are not content to improve can avoid making mistakes. Mistakes are often stepping stones to success and it is important to keep your self-talk focused on improvement or excellence rather than perfectionism.

Fear of failure. "I'm afraid I might miss." I am scared that I might not make the team." Statements like these indicate that you are scared of failing. Some fear of failing is normal but when your concern about failing overwhelms your enthusiasm to succeed then it is irrational. It must be realised that failing at sport is not the worst thing that can happen to you in life. If you shoot poorly, it will not leave you without friends, give you a life-threatening disease or ruin your life. Poor performance needs to be put into some perspective.

Social approval. "I must win the approval of others and impress everyone who sees me perform." This thinking will lead to you developing self-doubt and therefore you will tense up and not be able to perform anyway. You cannot control what other people think or how they behave. You need to have a credo that says "What other people think about me is none of my business."

Equity. "Life should be fair and if I work hard then I should improve, play well and get the rewards that I deserve." If only life was that simple. I often ask my clients: "Where is it written that life will be fair?" The answer is: it isn't, and to believe that it should be is distorted thinking. In shooting, things can change quickly: the squad before you may have had less wind, better light, fewer distractions, etc. To accept that everything has to be fair or equal would mean that we may not be able to compete, because we give everyone the same conditions. To deal with this irrational belief, you need to concentrate on those things that you can control, give your attention to the process and stay focused on the here and now.

Social comparison. "Fred's here today, that will make it harder to win." Social comparisons place too much importance on the uncontrollable outcomes, such as winning and outperforming others, rather than concentrating on controllable factors such as playing your best. It must be remembered that winning is ability-limited and that the real goal in sport and life is to pursue excellence by making the most of your own talents.

Over the past four months the theme has been self-talk: that steady internal dialogue that goes on in our head all the time. We have learnt that the self-talk can be either positive and or negative and if the thought patterns are allowed to be absorbed it is possible then the thoughts may lead to beliefs. When this happens make sure that the beliefs about yourself and your ability are rational because the irrational beliefs will only get in the way of you achieving better results, learning and having fun.

HARRY MALCOLM BROOKSBY 1935 – 2010

Photo courtesy
Warrnambool Standard

Warrnambool Clay Target Club members and fellow members of clubs within the South West Zone of the VCTA were saddened to hear of the passing of Harry.

Harry as a young man, commenced his shooting in the Wimmera area, with his strong desire to achieve at Clay Target Shooting, he travelled to compete at many clubs throughout this area winning countless numbers of Championships.

Later on, Harry and wife Yvonne moved from Melbourne to take up a position at the TAFE College in Warrnambool, Harry soon sought

out the Warrnambool Clay Target Club. There he became very involved in the Club activities, holding the portfolio of Secretary of the Club for 29 years. Harry also introduced and helped set up the Wednesday practice days now well known as Dad's Army Day which are still running very strong.

Harry led the way in setting up our Clubs School Students Clay Target Shooting Academy, teaching the young students of Warrnambool and district the finer arts of our sport.

Late in his life, Harry suffered a setback in his health. After he recovered he took up the sport of Croquet which he once again practiced and practiced until he succeeded in being very competitive and successful at his new sport. During this time he still continued on as our Secretary and attended our Club events. Harry was a Life Member of our Club.

Committee and Members of the Warrnambool Clay Target Club offer Yvonne and her family deepest sympathy on the loss of Harry.

RAY PARKER

29th October, 1935 – 16th February, 2010

It is with great sadness that we announce that Ray passed away on 16 February, aged 74, after a battle with cancer.

Ray was born in Colac and from a young age went on many rabbit and duck shooting trips with his father Walter. He went to his first duck

opening when he was 12 years old with his brother Les, and said that this was when he first fell in love with guns. Ray started competition trap shooting, as a left hander, when he was 16. He joined the Colac Gun Club in 1955 and was also a long time member of the Colac Field & Game Association.

Ray lived for shooting and every weekend he would travel throughout Victoria competing in shoots where he was an extremely strong competitor. Weekdays after work he would rush home to grab his gun and go out for a shot.

By 1960, aged 24, he was shooting from the long handicap of 24 yards, and by 1969 was off the back mark of 27 yards. Ray was the first member of the Colac Gun Club to achieve this and was one of only a few shooters Australia wide to be off this mark.

In January 1960 Ray won the Victorian Double Barrel State Championship at Alexandra. It was reported in the local paper: *"Parker shot magnificently to win the State Double Barrel Championship. He had to compete against some of the best shooters in Australia to win the event and was forced to shoot 100 straight from his long handicap of 24 yards, which was a brilliant performance for so young a shooter"*.

In March, 1960 Ray won first prize in the Kanyana Handicap at the Colac Gun Club on a wet and windy night. The following comments were made in the ACTA magazine: *"By his consistent good form and his ability to concentrate and to adapt himself to changing conditions, Ray has proved to be the best trapshot in Western Victoria. Indeed, in the whole of Australia only a handful of clay target shots are longer handicapped than he. With forty years of shooting before him, he could easily finish right at the top"*.

In May 1961 Ray won the Victorian Single Barrel State Championship at Colac, being the only competitor to return the possible, 30/30.

Also in 1961 Ray qualified into the ACTA's shooting team representing Australia in Melbourne where the team did very well. He was again selected to represent Australia in 1975 at the World Trench Shooting Championships in Munich, Germany, where he was team leader. Fifty-seven countries competed and Australia was placed 19th.

In 1965 Ray went on a two month pigeon trap shooting tour of Italy and Spain, which was to be the first of many overseas shooting trips he undertook. In Bologna, Ray won two gold medals, and was also placed equal 3rd out of 275 shooters in one event. In a letter home to his wife Annette he said that conditions and birds were different in Europe and he was surprised he could adapt himself to the conditions so quickly. He said that the shoots were held seven days a week and that the entry fees were very high and cartridges expensive as they were nickel plated. It cost him an average of 250 pounds per week for living and shooting expenses. The prize money could reach up to about 3,000 pounds for each day's shooting and a good living could be made from the sport, but you needed to finish in the top 20 to make any money, with approximately 300 shooters entering each event.

In 1965 ICI, cartridge manufacturers, offered Ray a two year contract for him to compete professionally in Europe under their sponsorship. They offered to relocate him and his young family to Rome, Italy, all expenses paid, but Ray declined this offer saying although he liked the challenge of competing overseas he wouldn't enjoy the travelling involved or staying in hotels, and he liked to be home every night.

Ray travelled again to Spain in 1969 where he competed successfully, winning three trophies – the "Campeonato Europa", the "Premio Manzanares of the Sociedad Tiro Pichon de Madrid" and the "Cup of Madrid".

In 1970 he competed in the World Pigeon Shooting Championships in San Marino, Italy and also in shoots in Spain and Yugoslavia where he won eight gold medals for seven wins and a 6th place. On a day off in Milan he went sightseeing to the La Scala Opera House and was caught up in deadly riots with the police. Next day he read five people had been killed.

In 1985 Ray competed in trap shooting at the World Championships

in Mexico and also competitions in California. After having competed internationally for more than 20 years he achieved his best result ever, at Guadalajara, Mexico. He won one of the three major events at the World Championships, the "Cup of Spain". At the age of 49 he won in a field of more than 630 international shooters from leading shooting nations such as Italy, Spain, France, America and Mexico, in front of 2,000 spectators. In a "one miss and out" situation, Ray and one other competitor were left after 28 targets and, in a protracted showdown, his opponent missed his 50th. Ray's next shot, his 50th straight, won him the cup. During this trip Ray also won on both days of a weekend shoot in Los Angeles. These good results in both Mexico and America saw him receive many invitations to shoot again overseas.

That year Ray also took out the Colac Gun Club's 50 Target Championship 60/60 and, due to his successful year, was chosen at the Colac Sportsmen's Club "Sports Star of the Year" for 1985, and was later inducted into their Hall of Fame in 2004.

Some of Ray's many other wins over his long career include Victorian Western District DB Championships in 1956, 1958, 1960 (record score of 85/85) and 1967, the 1969 Geelong Trophy Meeting (Ray best effort ever seen 63/63 off 27 yards), Warrnambool Gun Club's DB Championship in 1978 and the DB Championship and Trench Championship Overall Winner at Melbourne Gun Club in 1980.

Ray was a great lover of the outdoors and, besides shooting, also enjoyed working on his farm near Colac where he ran beef cattle until he retired in 2001. Another lifelong passion was fishing and he liked to take his boat off the coast of Lorne or fish off the rocks around the south west coast of Victoria. Golf was also a pastime and he was a long time member of the Colac Golf Club, playing right up until his illness prevented him from continuing.

Ray really was content with just the simple things in life and if he could go shooting or fishing whenever he wanted then he was happy. He was a great storyteller, a gentleman, extremely honest and a quiet achiever who was well respected and highly regarded by everyone who knew him and he is missed by his many friends.

The last shoot Ray competed in was in October last year when he won the Veterans event for the Ernie Osborne Memorial Shield at the Colac Field & Game. Although he didn't know it then, this would be the last time he would ever have a shot. He was 73 and unwell, and still came home with a sash.

Ray married Annette in 1959 and their 50th wedding anniversary was last November. Annette, their three children and four grandchildren miss him very much and will love him always.

KEVIN SCHOTT May 2nd 2010

Kevin Schott passed away after a long battle with cancer.

Kevin, right up to the end, attended Hobart Gun Club and continued to shoot, so determined he kept shooting until he could not finish the round. He loved shooting, in particular down the line and skeet. His favourite guns were English side by sides and on special occasions he loaded a couple Schott's black powder specials, that filled the sky with smoke and brought a cheer from his fellow shooters.

Schott's will be sadly missed by the clay target and shooting fraternity in Tasmania.

My son, myself and Schott's travelled to the Victorian High Country last year knowing that this could be his last hunt. I am so pleased that he made the journey. By the open fire and with a glass of his favourite red wine he talked about the wonderful shooting and hunting times that he had.

Schott's will never be forgotten.

CECIL PARK Annual Side by Side Shoot

Shooters assembled from Bermagui, Singleton, Dubbo and members of the NSW Gun Club for the Annual Side by Side Championship Shoot under what was threatening weather conditions. After what NSW coast line and Sydney in particular had experienced preceeding our shoot numbers were down on expectation but never the less the decision was made to go ahead and to our surprise we all experienced a good day without the predicted rain and storms.

The shoot as advertised was the First Southern Zone Skeet, Point Score and Double Championships to be held. It was also the first interclub competition between Cecil Park and NSW Gun Club which generated considerable interest and was keenly contested with Neale Guy being the record keeper and Captain of the NSWGC team.

For all events substantial Prize money was paid to the first seven place getters off the gun and the winner receiving the Championship Sash plus a medal and the second placed shooter also receiving a medal. Overall High Gun winner also received the Sash plus a case of ammunition.

Our thanks go to our team of volunteers who squaded, refereed as well as attended to scoreboard duties for the day. To Col O'Brien, Louis Gallea, Warren Chalmers, Jess Sheather Paul Micallef and our Junior Development Squad for all their help to run a smooth competition

Results were as follows:

Event 1 25 Target Skeet Championship 1st Steve Newcombe, 2nd Bob Clifton, 3rd Andrew Shacklock.

Event 2 25 Target Point Score 1st Frank Minici, 2nd Phil Craig, 3rd David Perry.

Event 3 25 Target Double Barrel Championship 1st Louis Galea, 2nd Frank Minici, 3rd Andrew Shacklock.

High Gun Frank Minici. Cecil Park/NSW Gun Club Annual Teams Cup won by Cecil Park Team - Peter Papps, David Perry, Frank Minici, Steve Newcombe and Joe Camilleri.

ON THE FIRST WEEKEND OF MAY shooters travelled to the Majura Park Gun Club (MPGC) to compete in the 2 day New South Wales Clay Target Association Southern Zone Carnival. Members at Majura Park had been busy in the months leading up to the event building a new amenities block and a fourth trap layout. We didn't quite get all the finishing touches on the amenities block but it was working and all agreed it was a huge improvement on the old 'outhouse' we used to use.

Numbers were good with 15 squads on the Saturday and 16 on the Sunday. Shooters were blessed with almost perfect weather conditions for the 2 days with light cloud and very little wind.

Saturday morning saw shooters compete in the 50 target single barrel championship. Surprisingly no shooter was able to shoot a possible although a number managed 49. A stroke of bad luck saw Ray Kennersen drop his last target and Barry Skinner had a gun malfunction and failed to draw it to the referee's attention. It was not long until Barry Skinner and Arty Del-Ben were the only fellows staying around. After 35 targets in the shoot off Barry Skinner emerged as the Southern Zone Single Barrel Champion for 2010.

The second event was the 50 target double barrel. 18 shooters managed to shoot a possible so 3 squads went out to the traps again. It was decided that shooters would shoot 20 targets over each layout and then an assessment would be made to decide where to complete the event; subject to how many shooters were left. Well perhaps the shooters were tired by now, as only 2 shooters were still alive after 80 targets, Theo Lionatos and Willo Cameron. After 108 extra targets Willo Cameron emerged as the Southern Zone Double Barrel Champion for 2010.

A lovely Canberra Sunday morning saw the commencement of the 50 target Points Score. It was also pleasing to see a few extra shooters from Sydney arrive to increase the field of competition. When the scores were added up Arty Del-Ben and Ray Kearns managed to shoot the possible. On the 6th target in the shoot off, Arty pulled a second to see Ray emerge as the new Southern Zone Points Score champion for 2010. Considering Ray is a B grade shooter this is certainly an achievement to be proud of.

The last event was the 50 target handicap. 5 possibles went back to the traps for one last visit to sort out 1st to 5th place. Matt Patmore was the first to depart the lanes, followed by Dale Chin. At this stage of the shoot off a lot of the spectators were cheering for one of the

MPGC's newest competition shooters, Paul Jenkins. This is Paul's first year of shooting competition and to make his first 50 break to get to the shoot off is to be congratulated. Unfortunately, Paul was the next to go and take 3rd place – an excellent show for a new shooter, well done Paul. It was then down to Kurt Doerner and Kevin Hurt to fight for the sash. After 26 targets Kevin emerged as the new Southern Zone Handicap champion.

Office staff then turned their attention to tally the total scores to work out High Gun winners. Arty Del-Ben shot superbly over the weekend, to make identifying the overall winner relatively simple. Arty made light work for the scorer with just 1 point down.

A huge thank you to Fred Rapley for his assistance with the shoot, Paul Walker for all the refereeing, scoring and filling traps over the weekend, Rachael McKenzie for her efforts in the office, Cara and Melissa in the canteen, and all the MPGC members who assisted with scoring, the filling the traps, and setting up the facilities.

Congratulations to the Southern Zone Grade and Championship winners. All the best of luck goes to the new Southern Zone Shoulder to Shoulder team members for the State shoot later in the year.

The MPGC committee looks forward to seeing all competitors and spectators return for future events.

Clay Target Shooting Clinic for Echuca College Students

ECHUCA COLLEGE YEAR NINE STUDENTS were welcomed at the Echuca Clay Target Club's grounds on Friday the 21st and 28th of May 2010 to attend clay target shooting clinic's, organised by their teacher Chris Sanders, and members of the Echuca clubs committee. Three squads of boys were instructed on gun handling safety, and use, by the coaches, and then it was into a serious bit of competition, it soon became apparent that the boys were heeding what they were being told as some reasonable scores ensued.

Ten targets, shot at single barrel, was the agenda for day one, resulting in two boys on eight, one on seven, and several close to that. Day two and the boys were a bit keener at this stage, shooting another ten targets saw Marcus McKenner and Thomas Pearson, both on an impressive 15/20 score, Aaron Colville just missing out on the shoot off by one target scoring a 14/15. These score are excellent considering that the Students had not done any target shooting with a 12 gauge shotgun before.

The shoot off was to be the best score of five targets shot at, and Marcus started well shooting his first three targets, Thomas, suffering a few shoot off nerves, unfortunately missed two of his

first three, then Marcus dropped his next, Thomas hitting his and his fifth, meaning if Marcus missed his next, Thomas was in with a chance, Marcus was having nothing like that happening, smoking his last target, making him the Overall High Gun Winner on an excellent score of 19/25. Thomas was runner up, with his very good 18/25 result. Well shot boys!

Marcus McKenner OA HG

Thomas Pearson runner up

A big thank you to teachers Chris and Craig, and to the Echuca College for including the sport of clay target shooting in their activities, also for both teachers competing, with Chris winning easily on an impressive 14/20 score. Better luck next time Craig! A thank you also to the clubs committee men who volunteered to help, and to Roger Kerslake and Harry O'Connor both from the Mathoura Gun Club who pitched in also.

It was obvious the clinics were enjoyed by the students, considering their interest in the shoot off final, and by their enthusiastic clapping when the Overall Winner had finally been decided.

TOOGLOLAH CLAY TARGET CLUB

50th Anniversary Shoot

It was a fine and very hot day at Toogoolawah Clay Target Club on the 22 November 2009 for the competition to celebrate the club's 50th year. The club was started in 1959 by local enthusiasts at the Toogoolawah Showgrounds and the competitions are still held at the same location.

10 squads of competitors contested the 90 Target day and other than the heat conditions were good for shooters. Competition places were 1st and 2nd in each grade for each event with sashes for the high guns for each grade and overall high gun for the day. Winchester presented an excellent array of prizes with Toogoolawah Feedlot supplying the much sought after High Gun Sashes. Competitors travelled from Toowoomba, Brisbane, Sunshine Coast, Roma and surrounding clubs to compete on the day.

The club would also like to congratulate

Club President on getting his first Veterans High Gun Sash. Brian was particularly happy to win this sash on the clubs 50th Anniversary. Brian has been a member at Toogoolawah Clay Target Club for over 25 years.

Toogoolawah Clay Target Club would like thank the sponsors for the day being; Winchester Australia and Toogoolawah Feedlot.

100 TARGET SKEET CHAMPIONSHIP

Wangaratta CTC

On Sunday May 30 the early weather indicators were fairly gloomy for the shooters that attended the Wangaratta Clay Target Club's May 100 tgt Skeet Championship event. It was pleasing to see a couple of regular visiting shooters arrive up from Melbourne, namely, Fab Francione and Mario Marino. As numbers were down a bit, the day finished pleasantly early which allowed those that had travelled long distances a chance to arrive back home a little earlier.

Benalla shooter Gil Farish, who just recently won the Champion of Champion 12/20 gauge title at Wagga once again proved too hard to beat. Gil shot 99/100 to win o/all & 1st in AA grade and kindly donated his trophy of cartridges to two junior shooters on the day. Fab Francione shot 96/100 to win 1st in A grade, with Phil Smith from Wangaratta winning 1st in B grade with 94/100, narrowly defeating Brian Reid with a score of 93/100. Reg Phefley took out 1st in C with 85/100 and 2nd place by Alex McGregor on 83/100. Junior up and coming skeet champ Davey Jones from Myrree shot 78/100 to win the Juniors trophy.

The club appreciated the help of Kelly Robinson for her expert management of the canteen, ably assisted by her hubbie Bryce, another skeet shooter showing some potential. Thanks also to Phil Smith for

his patient guidance to the two junior shooters present, Alex Reid and Davey Jones, as this was their first competition shoot.

ZONE TOWER SHOT AT MATHOURA

A Victorian North East Zone, Double Barrel, Night, Tower Championship on Friday the 28th of May was enough to attract three full squads of shooters to the Mathoura Gun Club's May 2010 clay target shoot, even though there was heavy rain in many areas close to Mathoura. Fortunately, at the club, for the entire shoot, it never got any heavier

than a drizzle, enough to be annoying, not enough to hamper the shoot, or the enthusiasm of the competitors.

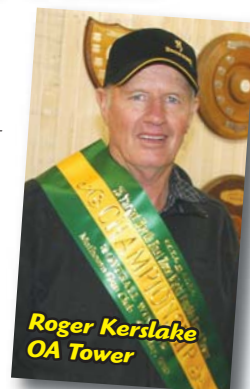

Bendigo, Shepparton, Finley, and Deniliquin, were some of the varied locations the shooters travelled from to compete, and as always, shooting under lights proved to be a bit trickier than shooting in daylight, so it was no surprise to find only two shooters able to come in with

a full 25/25 score. Numurkah/Shepparton member Alan Perryman, and Mathoura Club President, Roger Kerslake, and on lining up for the shoot off, Alan, unfortunately missed his first and after Roger disposed of his, he became the Overall Winner, also collecting the 1st in B grade trophy with his well shot 26/26 score. Alan Perryman taking the 1st in C grade trophy on a 25/26 finish. Mathoura member Graham Hall collecting A grade 1st with his 24/25 result.

The opening event was a ten target Single Barrel Cash Divide. No possibles were shot, but three Mathoura shooters, Graham Hall, Peter McClusky, and Roger Kerslake all shot a nine to share the cash, and all were Mathoura members.

Event two was a ten target Double Barrel Tower Cash Divide, and Deniliquin member Tim Maher, Peter Finn, a Bendigo member, and Roger Kerslake having an exceptionally good night out, shot the ten targets sharing the cash.

The shoot ran smoothly with presentations all over by 10.15pm, giving competitors an early run home.

The Squire reports from West Wyalong

NIGHT DTL

It was a fine, dark night for the West Wyalong Clay Target Club's Night Shoot held on the fourth Saturday night in May.

It was quite cool but the fire bucket was going and Club President, Kelvin Maxwell whacked some steaks, snags and rissoles on the barbie and everyone was soon warm and contented as the first squad for the 25 Target Points Score was called.

All shooters and spectators enjoy night shoots as the muzzle flashes from the guns, the bright lights and smashed targets falling to the ground are quite spectacular.

Despite the contrasting background scores were down with Dozer Collins winning AA Grade with 68/75. B Grade went to Allan Schirmer with a score of 66/75 and Kelvin Maxwell was the C Grade winner 54/75.

There were also no possibles in the 50 Target Double Barrel Cash Divide event with Dozer Collins 48/50 top scoring in AA Grade. Ben Fairman, Narelle Ambrose and Nick Connors all shot 47/50 to share the B Grade cash and Kelvin Maxwell was the C grade winner shooting 44/50.

Thanks to Patto who went out early on Saturday and set everything up for the shoot.

Sunday dawned bright and clear and there were three shooters who had travelled all the way from Bathurst to take part in the Trench practice morning.

IT'S YOUR CALL by Bill McCarthy

Doubtless you have been aware that "Deauville Doubles" is quite a sudden death event as far as normal trap shooting rules are concerned. Acceptance and non acceptance of targets coupled with no allowable malfunctions can be quite confusing. So let's look at a typical scenario.

You as the referee have correctly placed your two teams on their appropriate lanes and tracks. You have established who each team has nominated as the caller and you have informed the shooters about malfunctions for the event.

Two legal targets are released without any call being made. The non caller shoots and breaks a target with his first barrel. He then fires at the next target and has a malfunction. His now bemused and frustrated mate who is the elected caller has not fired at all and turns to you for a decision.

What' your ruling

Those of you who said "No target" are quite correct.

Under Rule 1.15 it clearly states that there are no allowable malfunctions of either cartridge or gun. Moreover, you have a firm belief that once a whole target is accepted you must abide by the result. Hence you feel quite comfortable with your call of "Lost Target".

However, if you look further at Rule 1.15 you will find that the designated caller is the only person who can accept the targets. In this case he has not called, nor has he fired at either target. So, notwithstanding the malfunction and acceptance by the non caller, the targets are to be treated as No Target and are restored.

Here again you must exercise caution though. Even if there was no call and the Caller fires at the targets they are deemed to have been accepted and the shooters must abide by the result.

NB: You may notice that we do not class the targets as a pair and the correct call for breaking both targets is "One"; Naturally if one or both of the targets are missed then the call is "Lost".

Youngster, Michael Coles, obviously practising for the Central Zone Trench Carnival the next weekend scored very consistently over his 100 targets.

Clive Foster showed his versatile shooting skills when he came out and shot 22/25 to equal Michael's best score. Dozer Collins likes Trench but his score was down although Ben Fairman shot a creditable 19/25.

After the barbecue lunch the Down the Line program commenced with a 10 Target Double Barrel Eye Opener. Eight shooters scored 10/10 including local shooters Clive Foster, Dozer Collins, Dennis Funnell and father and son Don and James Turner.

Shooters had been looking forward to the Champion of Champions event comprising 25 Targets Double Barrel, 25 Targets Single Barrel and 25 Targets Point Score which was the next event on the program. Dozer Collins had his eye in and was the Champion of the Champions with his score of 122/125. Clive Foster 121/125 won AA Grade with Bathurst shooter Glen Coles claiming A Grade 188/125. David Hodges won B Grade with 121/125 and the C Grade winner was James Turner 106/125.

The Double Rise event began with a 5 Pair Eye Opener and Dozer Collins and David Hodges scored the perfect 10/10. Dozer Collins maintained his good form to shoot 28/30 to take AA Grade in the 15 Pair Double Rise. Glen Coles shot 21/30 and won A Grade while Allan Schirmer and Michael Tilley shot 25/30 to share B Grade. James Turner claimed C Grade with his 20/30.

Dozer Collins was a popular High Gun winner with a score of 170/175.

TRENCH CARNIVAL

Coming to West Wyalong Clay Target Club and shooting 100 practice targets paid dividends for young Bathurst shooter Michael Coles when he won the Central Zone ISSF Trench carnival on the last Sunday in May.

On a very ordinary day with scuds of rain sweeping across the layout and varying light conditions shooting the very fast trench targets was not easy.

West Wyalong Clay Target Club was privileged to welcome such notable shooters as State representative and previous winner Frank Minici and Australian representatives Tony Catali and Marcello Cassella for the shoot.

But as the progressive scores went up on the board it was soon obvious the local club members, Clive Foster and Matty Patmore were putting it right to the visitors.

After four rounds the finalists were selected to shoot off in a round of 25 targets single barrel.

Favourite was Matty Patmore going in with 89/100 followed by Michael Coles 86/100. Clive Foster, Frank Minici, Tony Catali and Marcello Cassella all on 85/100 were the other finalists.

There was terrific tension during the shoot off with Matty Patmore missing some early targets and dropping out of contention. Clive Foster was looking good but dropped his last two targets leaving the way open for young Michael Coles to win the Central Zone Carnival with a score of 89/100 + 22.

Zone President, John Finn during the presentation acknowledged the organisation that was accomplished by West Wyalong Clay Target Club and was very appreciative of the work carried by Clive Foster and Dozer Collins on the day.

As the rain finally set in Clive Foster presented the handsome silver and maroon Central Zone sash to Michael Coles with 111/125. Matt Patmore was first in A grade 107/125 with Tony Catali second 104/125. Greg Buckley 83/100 was the B Grade winner from John Finn 82/100 a close second. Ron Spedding 70/100 won C grade from Chris Oehm 68/100.

Despite the weather it all turned into a great day of Trench shooting at West Wyalong.

4th Annual Copper City Double Rise

The 4th Annual Copper City Double Rise Open Shoot was held on the weekend of the 15th and 16th of May. The weekend started with excellent weather with sunny sky's and a slight breeze. The numbers of shooters were up on last year, with forty shooters, many were top-level shooters. Double Rise enthusiasts travelled from various parts of New South Wales, Victoria and Western Australia to attend.

Event 1 was the 25 pair Eye Opener Graded Cash Divide. Graded winners were AA grade John Sleightholme shooting 49/50 with Arthur Turner, Glen Castellaro, Wayne Dunbar and Matty Patmore shooting 48/50. A grade was split between James Manns and Gerard Harrison shooting 46/50. Grant Pritchard shooting 40/50 won B grade with Jim Vale and Todd Yates shooting 39/50. C grade was won by Samantha Hunt shooting 38/50 with Dane Doyle second shooting 29/50.

Event 2 - 50 pair Kidman Way Championship. Overall winner was Robert Thompson with some fine shooting of 106/110. First in AA grade was Matty Patmore with a score of 104/110, second was Bryan Manns with 94/100. A grade was won by James Manns shooting 105/110, second Tony Pollock with a score of 88/100. B grade was won by John Vale with a score of 85/100, second was Dick Tulloh with a score of 84/100. Samantha Hunt was the winner in C grade with a score of 75/100; with Dane Doyle second shooting 68/100.

Event 3 was the 25 pair graded meterage; the winner in AA grade was Craig Fitzgerald shooting 49/50 from 21 metres with Brian Doyle second shooting 56/60. A grade was split between James Manns and Darren Wells with a

score of 44/50 shooting from 19 metres. Grant Pritchard shooting 42/50 with Jim Vale shooting 41/50 from 17 metres won B grade. Dane Doyle shooting 36/50 with Samantha Hunt shooting 32/50 from 15 metres won C grade.

Saturday night was a very enjoyable social evening with a delicious meal being served at the Empire Hotel. Sunday morning came with no change in the weather conditions

Event 4 was the 25 pair Graded Cash Divide. Graded winners were AA grade Matty Patmore shooting 48/50 with second place being split between Craig Fitzgerald, Brian Doyle, Glen Castellaro, Bryan Manns and Robert Thompson shooting 47/50. James Manns was the winner in A grade with a score of 43/50; with Geoff Betts second shooting 42/50. Grant Pritchard won B grade with 41/50; with Jim Vale and Samuel Barnes second shooting 40/50. Samantha Hunt was the winner in C grade with a score of 42/50; with Dane Doyle second shooting 32/50.

Event 5 was the 50 pair Copper City Double Rise Championship; the overall winner was Arthur Turner with some fine shooting of 98/100. First in AA grade was Rob Anderson with a score of 107/110, second was Craig Fitzgerald with 106/110. Tony Pollock was the winner in A grade with a score of 89/100, with Garry Jones and James Manns splitting second place with a score of 87/100. Samuel Barnes was the winner in B grade with a score of 85/100; with Grant Pritchard second shooting 80/100. Dane Doyle was the winner in C grade with a score of 77/100; with Trudi Tulloh second shooting 70/100.

Event 6 was the 50 pair Empire Hotel Double Rise Championship; the overall winner was Craig Fitzgerald with some fine shooting of 99/100. First in AA grade was Glen Castellaro with a score of 98/100, with Matty Patmore second shooting 97/100. James Manns was

the winner in A grade with a score of 92/100; with Joe Marshall second shooting 91/100. Grant Pritchard was the winner in B grade with a score of 83/100; John Vale was second shooting 81/100. Dane Doyle was the winner in C grade with a score of 73/100; with Trudi Tulloh second shooting 78/110.

Craig Fitzgerald won the overall high gun with some consistent shooting with a score of 383/400. Arthur Turner was the of the AA grade high gun with a score of 376/400, James Manns was the of the A grade high gun with a score of 364/400, Grant Pritchard won the B grade high gun with a score of 325/400 and Samantha Hunt was the winner of the C grade high gun with a score of 291/400.

Consistent shooting over the weekend was evident with one 50 pair Break and 10 x 25 pair Breaks shot for the weekend.

Our thanks to Steve Atkins, Glen Castellaro and Arthur Turner for being available for Double Rise coaching throughout the weekend.

A good weekend of shooting and fun, and thanks to helpers over the weekend.

WET! WET! WET! AT TASMANIAN GC

It was reported that it was the wettest few days for about 50 years but 15 hardy souls arrived at Tasmanian Gun Club to compete in the TCTA's Olympic Discipline State Championship on the 29th May. !

Because we have limited OD competitors in the State we chose to shoot the 125 targets and the final on the one day which is a big ask but it didn't deter Craig Henwood, Michelle Beecham and Kate Cassar from coming over and the 12 Tasmanians who participated.

We were delighted to have Olympian Craig come to compete. Craig ended up winning overall with a very creditable 133/150 in the conditions. It was pleasing to see Michelle Beecham make the final in 4th place. Kate

didn't shoot up to her usual standard but it is hard to do that when you can't feel your feet because of the cold! She only found out that the Secretary had a heater going when the presentations were on and she promptly spent some time thawing her feet out.

Our regular OD competitors showed that they could handle the wet with some good scores. Three juniors competed including Christopher Jenkins who shot off for a place in the final having only shot trench once before at Werribee on his way home from the Skeet Nationals! He also won the C grade trophy.

16 year old Kye Clark missed the shoot off for a place in the final by one target. Although not quite up to the higher scores in the first 75, young Matthew Ponsonby-Glover shot an excellent 41 in the last 50.

Local shooters John Foster and Stewart French were the top scorers of the Tasmanian contingent into the final 25. Tim Bryan showed good form to win B Grade whilst informally acting as the Shoot Marshall.

The trench layout at Tasmanian GC was first installed prior to the Munich Olympics so the late Sperry Marshall who was part of the Olympic team could train. Both Hobart Gun Club's ground and Tasmanian's were put in within months of each other. The range has not changed much over the years and still has the original traps in it. It really is part of the adage 'it's an oldie but a goodie'

Tim Bryan and his dedicated band of trench shooters are trying to encourage participation in the discipline by scheduling more events. Look out for the titles next year and come and visit. We will try not to saturate you in 2011!!

RICHMOND RIVER CLUB NEWS

The support of the eighty shooters that took part in the Annual Two-day Open shoot at Richmond River Gun Club's Lismore ground on 22nd and 23rd May together with the generosity of sponsors made the event the most successful in the history of the Club.

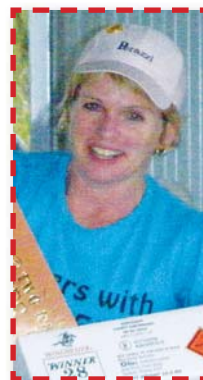

The worried looks on the faces of a couple of committee-men caused by unsettled weather in the northern rivers region leading up to the event turned to broad smiles when Saturday dawned fine and clear with the promise of a perfect autumn day and the cars started rolling in. The smell of bacon and sausages cooking soon had many lining up for a hearty breakfast before getting down to business.

Efficient shoot-Secretary Therese Nealon and equally efficient Shoot-Marshall Kim Nealon soon had the first squads lined up and ready to go and shooting started right on the dot of the advertised start time of 9.30 a.m.

Sixteen possibles were shot in the warm up first event – a 25T DB graded cash divide.

Geoff Field, Tony Ryder, Robert Clarke, George Costanzo, Scott Trafford, Kim Nealon and Rod Moody in AA Grade; Matthew Colley, John Webster, Rex Wilson, Kerry Miller, Joe Rapisarda, and Peter Brown in A; Peter McKenzie and Garry Gordon in B grade and young Charlie Power in C Grade all shot the lot, with Peter Caldwell and Jamie Beddoes sharing 2nd in C grade with 22/25.

Kim Nealon won overall with 74/75 with David Edmonds 69/75 winning AA after they were the only shooters to record the possible 50/50 in Event 2 – a 30T Medley. David Caccioppoli defeated George Costanzo in a shoot off for 2nd in AA. Ted Schneider 119/125 defeated Tony Rogers 117/125 after a shoot off to determine 1st and 2nd in

A. Harold Batson won B with 48/50 from Diane Deland 47/50. In C grade, Josh Turner took 1st place with 42/50 from Charlie Power 40/50.

The event of the day – the Casino Tyre Professionals 50T Double Barrel Championship – looked like going on forever after six of the best didn't look like missing. Geoff Field, Tony Ryder, Geoff Baxter, David Caccioppoli, David Edmonds and Wayde Hawkins settled in to slug it out. By the time bad light called a halt to proceedings Tony Ryder and Wayde Hawkins were still hanging in there and had both shot 130/130. A decision was made to continue the shoot-off at 8.00 a.m. the next day rather than complete it under lights.

Totally different conditions prevailed on Sunday with dark clouds with

a fresh and cool south-west breeze blowing. Most of the field were still enjoying their bacon and eggs when the 150th target eluded Tony leaving Wayde to collect yet another championship sash and trophy with 150/150 and Tony the winner of AA with 149/150. David Caccioppoli took another second in AA with 119/120 while in A Grade, Kerry Miller (65/66) was first from Joe Rapisarda 64/66 after a shoot off including Rex Wilson. No shoot off was necessary in B Grade with the winner being Northern Zone President, Noel Edlington 48/50 from local Don Johnson, 47/50 while in C Grade, Peter Caldwell was successful with 46/50 from Josh Turner 44/50.

Dark clouds and threats of showers did not dampen the enthusiasm of shooters on the second day of the carnival opening with a 30T Points Score event. Tony Ryder, having warmed up courtesy of the carried over shoot off with Wayde Hawkins was the only one to record 90/90 taking overall leaving. Wayde 101/102 won AA after a shoot off with Scott Trafford 98/102 taking second. Rex Wilson won A grade with 87/90 with Matthew Colley 89/93 securing second after a shoot off with Ted Schneider. B grade was won by Geoff Jacobsen 86/90 from Libby Clarke 85/90. A shoot off was necessary to decide first and second in C grade after Josh Turner, Ian Larkings and Nancy Davis had all scored 77/90 with Nancy 89/102 successful from Josh 86/102.

Kevin Harding and Wayde Hawkins shot 30/30 in the 30T Single barrel event sponsored by PRD Nationwide (Casino Real Estate World) resulting in Wayde winning overall, and Kevin 1st in AA grade. Stuart Boydell was second in AA after a shoot off with Steve Kilfoyle, Tony Ryder and Robert Clarke all scoring 29/30 in the event. A grade was won by Paul Deland with 29/30. Ted Schneider, Matthew Colley and Terry Preston (28/30) were sent back to the layout to sort out 2nd with Ted 40/42 successful. In B grade, Garry Gordon 29/30 took first place from Noel Edlington 28/30 while in C grade Josh Turner racked up another one with a good 28/30. Derek (DJ) Milligan 26/30 took second.

The Wal Murray & Co First National 30 Target Handicap was the last event and although Joe Rapisarda shooting from 19 metres was the only one to score 30/30 and take out the fat end of the prizemoney, a three way shoot off was necessary to split Peter Holmes (22M) 2nd, Barry Camereon (19M) 3rd and Lesley Langer (17M) 4th who had all scored 29/30 in the event. Eight shooters on 28/30 – George Constanzo (24M), Tony Ryder (21M), Ted Schneider (23M), Jamie Beddoes (15M), Matthew Colley (19M), Richard Vary (19M), Harold Batson (17M) and David Edmonds (22M) vied for 5th with George collecting the money.

More shoot-offs were required before the results of all High Guns were known. Tony Ryder won Overall High Gun with 269/275; David Edmonds AA with 263/275, Matthew Colley 260/275 A Grade, Harold Batson 250/275 B Grade and Josh Turner 237/275 C grade.

Leah Costanzo and Libby Clarke both tallied 241 with Leah successful in the ensuing shoot off securing Ladies High Gun, Rex Wilson took the Veterans and Charlie Power was all smiles proudly wearing the Junior High Gun Sash.

Mention must be made of the work done by Doug Neal, Dick Powell and Terry Preston in the preparation of the grounds and the sterling effort of Dick, Warren Beddoes, Jamie Beddoes, Sue Pringle, Narelle Consalvo, Billie, Rhonda Jacobsen, Margaret Powell and Vickie Dunstan who kept everyone fed.

Richmond River Gun Club gratefully acknowledges the assistance provided by Stuart Boydell and other visiting shooters who helped with score-cards, the board, filling traps, running shoot offs etc, hopes everyone had a good time, a safe trip home, and we look forward to catching up with you all again somewhere, sometime.

The "Supershoot" – where points are added to the off-gun score according to grade giving lower grades more chance at the \$200.00 Overall cash prize will be held on Sunday 22nd August next. See advertisement elsewhere in this issue.

Harsh Conditions for Canberra International Medley

We set up in the rain; we shot in the rain; we took down in the rain but the farmers couldn't stop smiling.

Canberra Inter shot its May Medley shoot in adverse conditions to say the least. The weather forecast was for rain and more rain and for once they were right.

I guess we were the lucky ones though. Our usual strong representation from Bermagui F&G were absent while they batted down for gale force winds, high seas and heavy rain (power lines and trees down, roads cut etc) but I'm sure they will be back in force for the next Medley.

Never-the-less a small group of intrepid shooters from Goulburn, Cooma and Canberra battled it out over 25 targets Five Stand, DTL, Trench and Skeet. This time it was drawn teams and our congratulations go to the High Gun winner Bill Warriner 84/100 and his winning team – Bill Marks, Ian Latter and John Taylor (303).

Our thanks go to Terry Forest who provided a delicious roast lunch, John Kearns in the office and the Coordinators and their helpers which made the day run smoothly despite the conditions. Our next Medley Shoot, as per the blue book will be self selected person teams.
