BROWNING EXISTS TO INNOVATE. BUT DON'T TAKE OUR WORD FOR IT.

"After shooting Italian bifurcated jointed guns for many years I was quite impressed with the balance and handling of the Browning Grand Prix for sporting clays. The gun swung well, balanced well and munched targets when they were hit and so I really could not fault it with its handling characteristics!"

National President's Notes

Skeet shooters would be aware by now that the ACTA currently has ICTSF approval to host the ICTSF World Skeet Championships back to back with the Skeet Nationals in 2012, at a date to be confirmed. Following the disastrous attendance at the last World ICTSF Skeet and the resultant large loss it is imperative that we host a financially successful event. If England and then Australia, the two largest members of the ICTSF, both run the event at a large loss it could possibly be doomed forever.

We were originally under the impression from previous ICTSF meetings we attended that the event would be conducted using the host countries rules, and have recently been trying to confirm this. At this stage we cannot say under which rules the competition will be conducted. ACTA will be represented at the next ICTSF World meeting which is to be held prior to the ICTSF World Sporting in New Zealand in early February 2011, and we have requested this matter be placed on the agenda.

It is our intention to get the feeling at this meeting of the other countries that make up the World ICTSF and then come back to discuss the matter fully at an informal meeting of Australian Skeet shooters during the National Skeet in May. We know that without a large attendance of Australian shooters the event will be a failure, and if skeet shooters don't intend supporting the event, we must ask ourselves – why host it? There is a lot of pressure on the ICTSF body not to support us hosting the event using American Skeet or similar rules as opposed to the English Skeet rules. The NSSA already run an American Skeet World Championship event and we can understand why they would be upset if we held a World Championship using the same or similar rules. Either way following the informal skeet meeting we should be able to make a decision in late May as to how the event will be conducted, giving skeet shooters at least a year to prepare. Please be aware that the ACTA has spent a lot of time and effort to bring this event to Australia and ask that skeet shooters understand that some of these decisions may be beyond the control of your Association. I would welcome any constructive input on this matter from shooters via email.

The Commonwealth Games are now a distant memory in most of our minds, and it is disappointing to have to report that despite numerous requests we have received few photographs and hardly any report from AISL for publication in our CTSN. I apologise to our Commonwealth Games Team members for this, especially our medal winners, and assure you all that our dissatisfaction with this matter has been brought to the attention of the AISL board as it is simply not good enough. The lack of photographs and reports from an event at the highest level in our sport cannot be accepted.

Graeme Boyd our National Coaching Director is currently preparing a submission to the Executive for a new ISSF Overseas Team selection process separate to those conducted by AISL, and aimed at younger and currently unfunded ISSF shooters. Briefly he hopes to select two groups of shooters to attend two overseas events annually starting in 2012 at the latest with selection from a mix of State Titles in 2011 and the 2012 Nationals.

This program will hopefully be ongoing and the Association is currently actively seeking an Association Team sponsor, with discussions with prospective supporters taking place at the moment.

Graeme also believes the Australia Cups should be held whenever possible within our existing State Titles not as stand alone events, which stretch both our shooters and volunteer finances for no apparent good reason. When completed and approved by the executive we hope this proposal will encourage development in our ISSF ranks, and put some life back into ISSF State Titles and the Nats.

Until next month,

Robert Nugent

National Coaching Director's Report

2011 will without question be the most important year I will have in a number of different ways. I have a number of projects that need to be up and running smoothly by December 2011 in coaching accreditation, junior and 18 to 23 year old coaching and international experience, ACTA ISSF International teams and ISSF team selection. To improve any of the above will require the support of all the States and the ACTA Executive.

In coaching we have looked at and trialled a number of coaching ideas over the last two years and I am not satisfied with the way things are moving. We are not increasing the number of coaching camps held or the number of coaches in our sport. There are a number of reasons that have created this problem and they need to be addressed. I have arranged a meeting of the ACTA coaching committee in January to look at some new ideas and address the problems we currently are experiencing. I am very confident that with a few changes and lifting the profile of a coach in the shooting world we will be able to help our members improve their shooting skills.

To all the juniors we have been involved with during the last year I want to congratulate you all on your achievements, from Jack Collicot's World Championship Gold Medal, to Emma Cox, Kayla Grassi and John Duryea your success and the representation for the ACTA in Samoa was outstanding, to (skeetie) Eddie Elder shooting his first 100 straight in trap. Every improvement, no matter how small, is a step closer to your goal. Jack did not go from shooting tomatoes in his back yard and a junior school boy trophy winner to world champion the next day, but these were steps towards his Gold Medal. We all must keep giving these young shooters opportunities.

Graeme Boyd

MEN'S TRAP

Extreme heat and humidity could not distract Men's Trap Pair Michael Diamond and Adam Vella from a prized gold medal. Michael shot four flawless rounds and Adam dropped just two targets overall for a joint score of 198 to set a new Commonwealth Games Record and snatch the gold medal away from India and England.

"It's been exactly 10 years since I have done something like this," Michael said. "That was back in Sydney, at the Olympic Games in 2000."

The second-placed Indian pair was hot on the heels of the Australians. The local favourites faltered early and finished with 197. England finished with bronze, scoring 193.

"We knew they were quite close," Adam said. "But all you can do is keep doing your best and it all worked out in the end."

Adam and Michael have now won the Trap Pairs event three times in a row, previously in Melbourne in 2006 and Manchester in 2002.

Michael added a silver medal to his collection in the Men's Trap Individual event. He placed 2nd behind England's Aaron Heading by just one target, scoring 146.

"I know this one is going to mean a little more to me," he said following his performance. "To shoot that many targets, you really do have to be in competition shape . . . I'm happy with how it all went."

Both Aaron and Michael smashed a Finals Record in the Commonwealth Games. Previously, it was held in a three-way tie at 138 targets. Bronze went to India following a shoot-off with Australia's second competitor Adam Vella, both initially shooting 144 targets.

WOMEN'S TRAP

Laetisha Scanlan and Stacy Roiall were unable to qualify for the finals of the Women's Trap Individual event, placing 11th and 16th respectively. Englishwoman Anita North broke a Commonwealth Games Record with her gold-medal-winning score of 93, previously held at 92 targets by South Africa's Diane Swanton.

However, not to be outdone by their male counterparts, the ladies did win gold medals in equally tough conditions in the Pairs competition. As a Commonwealth Games debutant, Laetisha said she was "very happy" with her win.

"Trap is a sport where you miss targets in the hot and humid conditions . . . confidence helped me a lot," she said.

Both Stacy and Laetisha were able to overcome fatigue to score 94, two ahead of their closest competitors in England and three ahead of bronze medallists in Canada.

Laetisha Scanlan and Stacy Roiall

MEN'S DOUBLE TRAP

Russell Mark gave winning a medal in the Men's Double Trap Individual event a solid attempt, but was ousted to 5th place with a score of 183. The three position winners above him all scored 186 in the final and participated in a shoot-off to decide the silver and bronze medal winners. Englishman Stevan Walton won outright with 190, followed by Ronjan Sodhi of Indonesia and Timothy James Kneale from the Isle of Man.

Russell and Double Trap teammate Nicholas Kirley missed out on a bronze medal for the Pairs event by 2 targets to a Malaysian pair. The duo hit 184, but the winning team from England managed five more hits with a score of 189. India won the silver medal just behind on 188.

MEN'S SKEET

Clive Barton was just barely out of the running for a shoot-off to decide the bronze medal winner in the Men's Skeet Individual component. His 142 targets was just 1 point from the 143 required to compete for 3rd place. Fellow Aussie Anthony Sottosanti was further down the field in 12th place after hitting 115 targets.

In the Pairs event, Cyprus equalled the Commonwealth Games Record of 194 set in 2002 to win the gold medal. Australia's Clive and Anthony placed 6th with a score of 184. Canada won silver and England claimed bronze.

Townsville Gun Club

PATRON'S TROPHY

The Patrons Trophy is one of our clubs most prestige and honoured events on our shooting calendar. This is not a particularly large event with regards to targets shot but normally well attended because of the variety of the events and the exceptional trophies donated by our Patron Mark Stoneman.

Mark set the competition program with his choice being five events of 20 targets from double barrel, points score, single barrel, continental and double rise.

The early morning rain may have prevented some local people from attending or others travelling from our neighbouring clubs but 56 shooters turned up and the rain cleared. Under cloudy conditions but still good light the shooting began the red targets looked great on the green background of the hill.

Event 1 20T DB had progressed well with six possible scores, a possible in each grade well done to the B & C graders Rob Dwyer, Jim Davis and Steve Goss.

Event 2 20T PTS didn't produce any maximum scores and only three shooters came close with Joe Davis, Ant Hanna and Alan Bosworth achieving 59/60.

Alan Bosworth 1st B grade with Patron Mark Stoneman

Event 3 20T SB still didn't produce any possible scores with 8 shooters dropping one target to finish with 19/20. Is it harder to shot 20 targets, why is it so?

Acknowledgment of QLD Government

The shooting program was moving along well and by now it was midday, time for lunch and the introduction of a special guest Anand Pillay from Queensland Government Sports and Recreation Department.

Anand is the Northern Regional Manager invited as the Queensland Governments representative for the official opening and acknowledgment of the Government's contribution to the TGC competition tracks project. The project involved the total re-forming of eight layouts with a 100mm concrete overlay and a 3 metre wheel chair access across each lane.

The Townsville Gun Club wishes to thank Anand Pillay and Matthew Burton for their involvement and enthusiastic encouragement in recognising that this project was a viable concept. Special thanks must also be

Event 5 10 pair DR. This is the event where a shooter can redeem themselves on the score board and overtake their rivals or botch it up completely and totally rearrange the scores board, remembering that the trophies are for first and second in each grade over the five events. The highest score in the D/rise was 18/20 from Brendon Bullick a result that lifted Brendon's score to take A grade and overall.

Results: AA 1st Barry Bosworth 129/140, 2nd Wayne Cislowski 128/140, A 1st Brendon Bullick 130/140, 2nd Ant Hanna 128/140, B 1st Alan Bosworth 125/140, 2nd Glenn Reeves 123/140, C 1st Bill Davis 118/140, 2nd Steve Goss 116/140.

Christmas Shooting at Mathoura

The Mathoura Gun Club hosted four full squads of shooters for the December Christmas shoot which wound up the club's competition shooting for 2010, with most shooters bringing their families along to enjoy the evening, and the tasty meal that was supplied by the much appreciated ladies committee.

The weather was kind for the shooters throughout the night, staying mild and calm for the entire shoot, making some good scores possible, and providing the opportunity for several shoot offs, needed to finalise placings. Echuca member, Drew Healey was the shooter on fire, entering three of the shoot off's out of the four events and winning the main event, the 25 target Double Barrel "Club Champion", Drew needed to be a paid up member of Mathoura Gun Club to be eligible to win the Sash, and he was! And he also had to survive an onslaught from another Echuca member, John Berryman, who is also a paid up member of the Mathoura club,

and after Drew shot his 49th target it was up to John to hit his to continue the battle, but unfortunately the target eluded him, giving the Overall Winner "Club Champion" Sash, and A grade 1st honour to Drew

Drew Healey

with his excellent 49/49 result. Cobram member Brian Hoyland shot a 19/25 to collect 1st place in B grade and Luke Hams, a junior Mathoura shooter, picked up C grade 1st with a very good result of 22/25.

Event one was a 10 target Double Barrel, and after shooting an additional 10 targets in a shoot off, Denilquin member, Bruce Cook, with his

A ten target Single Barrel was next, and needing only two targets more to collect 1st place, Drew Healey, again triumphant with a score of 12/12, Mathoura President, Roger Kerslake, taking 2nd place after missing his 12th target to end on an 11/12 score, and Cobram member Brian Hoyland collecting 3rd place with a 10/11 result.

Ten targets of Points Score was event three, and Mathoura shooter George Bradley was the designated 1st place winner with a score of 39/45, B Cook designated 2nd with a 30/30 result, and Trevor Berryman, another Mathoura member, shot a score of 36/45 to put his stamp on the 3rd place trophy. Some of these scores may not look right, but as with most clubs at their Christmas shoots, they do not allow a shooter to collect a 1st place trophy more than once in the short events.

With four full squads of shooters to shoot 55 targets, plus shoot offs, and including eating a very enjoyable evening meal, it was always going to be a late night, but because the whole shoot ran so smoothly it surprised all that virtually everyone had left the grounds no later than 30 minutes after midnight.

his choice of trophy, not just a prize for the shooter but something that their partner or family could also enjoy.

This was the last of our official shoots for 2010, which was very important to some shooters because the Patrons Shoot was an opportunity for two of our leading shooters in the yearly trap aggregate to advance their scores.

Neville Sheehan was trailing last year's

winner Wayne Cislowski by one point but unfortunately for Neville he didn't pick up the required two targets at his last chance for the year and the Burdekin shooter Wayne Cislowski has won the 2010 trap aggregate.

Aggregate scores 2010 Skeet Pat Dury 122/125. Trap Wayne Cislowski 168/170, Wayne Read 120/125, Neville Sheehan 167/170, David Zammitt 165/170, Mark Stoneman 164/170.

SERVICE CLINICS 2011

Once again, Canterbury Trap Intl is looking to assist any club with a Canterbury trap, to properly service their Trapmaster, by inviting them to attend a free Trap Service Clinic during the 2011 Australian Trap Championships in Wagga.

Russell Smart from New Zealand will be in attendance for several days of this shoot and will be conducting service clinics for those clubs that wish to attend. Clinics typically take around 45 minutes and cover the basics of setting your trap properly for doubles and singles and servicing the trap.

If your club has a new trap mechanic who has not attended one of these service clinics in the past or you have other members who want to brush up on their knowledge, then please contact Canterbury Trap Intl at your earliest convenience to register your interest or talk to the local Canterbury Sales Agent. Spots fill fast, so don't leave this to the last or you may miss out.

Echuca Clay Target Club

Early Christmas at Echuca

EIGHT SQUADS OF SHOOTERS from a wide area lined up at the Echuca Clay Target Club on Sunday the 12th of December 2010, to compete for the many hams, and puddings, etc, that made up the vast trophy list of five places for four grades in each of the three events on offer for the day. With such a large number of prizes, and the weather in fine form for the shoot, and the prospect of an excellent afternoon tea, and evening meal, to be supplied, gratis, by the ladies committee, of whom the men are extremely grateful for their endeavours, every shooter, and visitor, would have to try extremely hard to be able to say that they did not enjoy themselves at Echuca's 2010 Christmas shoot.

The first and main event was a 40 target, Champion of Champions, and there were two shooters top scored, with a 55/60 result in this mixed bag of disciplines, Craig Fitzgerald and Craig Scott, both Echuca members, but unfortunately, there was no shoot off required to get the Overall Winner, as the shooter was required to have won a Championship at Echuca throughout the year to be eligible, and once again, "unfortunately", Craig Scott did not have that win on his record, which gave Craig Fitzgerald, the Overall Winner "Champion of Champions" Sash, for 2010. Well shot Craig!

Craig Fitzgerald Champion of Champions

Jack Collicoat collected 1st in AA grade, Steve Atkins 2nd, Tim Maher 3rd, Casey Fletcher 4th, Rob Viney 5th. A grade 1st was Craig Scott, 2nd Nathan Harris, Drew Healey 3rd, Grant Sing 4th and Ron Traill 5th. B grade 1st was Chris Thompson, John Pola 2nd, Kurt Northausen 3rd. C grade 1st was Vin Molluso, Hugh Nihill 2nd, G Gobbo 3rd, N Mott 4th, and C Repacholi 5th.

Event Two was a novelty shoot shot off the 18 metre mark, just to increase the level of difficulty; this event was a Trap target on the shooters call, and then a left or right Skeet target on the guns report. This mixture of targets, plus the 18 metre handicap, and shooting a skeet target with a tight choked trap gun certainly tested the best of the shooters with some very ordinary scores being recorded. The results were AA 1st C Fletcher, 2nd R Viney, 3rd C Fitzgerald, 4th Alan Cole, 5th S Atkins. A grade 1st Ian Gebhardt, 2nd Murray Roberts, 3rd Ian Phillips, 4th R Traill, 5th Geoff Ervin. B grade 1st K Northausen, 2nd C Thompson, 3rd J Pola, 4th Doug Faulkner. C grade 1st Sam Hesson, 2nd C Repacholi, 3rd V Molluso, 4th G Gobbo, 5th N Mott.

Event Three was a fifteen target walk back, once again a novelty event, commencing on the eleven metre mark and moving back a metre a shot to finish off shooting the last target on the 25 metre mark. It was a surprise to see how many shooters could not handle the close marks, many targets being lost from the 11 and 12 metre positions, and once again some very good shooters had difficulty scoring well. The results are as follows, AA grade 1st R Viney, 2nd Steve Traill, 3rd Rob Collicoat, 4th Rhys Eeles, 5th Lee Fitzgerald. A grade 1st I Phillips, 2nd Drew Healey, 3rd N Harris, 4th Greg Norris, 5th Peter Sing. B grade 1st D Faulkner, C Thompson 2nd, K Northausen 3rd, J Pola 4th. C grade 1st C Repacholi, 2nd N Mott, 3rd S Hesson, 4th V Molluso, and finally 5th in C grade was G Gobbo.

Considering the large number of competitors, a well organised Christmas shoot, running on time to work in with the ladies afternoon tea and evening meal, and with so many trophies available there were very few shooters that did not achieve a place in at least one of the events. Club President Ron Traill wished everybody a happy Christmas, and a safe journey home, and Echuca hopes to see everybody again in 2011.

WANGARATTA YOUTH SPORT AWARD TO KAYLA GRASSI

Kayla Grassi was nominated for the prestigious Rural City of Wangaratta Youth Sport Award by the Wangaratta Clay Target Club, for her outstanding success in clay target shooting over several years.

Some of her major achievements include: participation in 2008/09/10 Junior Development Squad sponsored by the ACTA, VCTA recommendation for the National Development Camp, Graduation Certificate from the Southern Sports Academy clay target shooting programme 2008, represented Australia in 2010 Oceania DTL Championships in Samoa achieving a Silver Medal.

Kayla is part of a very dedicated trap shooting family in Wangaratta. Her father Angelo and two sisters Megan and Breanna are all very successful competitors. Kayla's mother Wendy, provides her with lots of encouragement and caring support, helping ensure Kayla's future as a continuing champion. Kayla's positive attitude, discipline and determination to achieve in this sport will guarantee her success at the top level.

30th Australasian Police and Services Championships

The 30th Australasian Police and Services Championships were well attended considering the expanse of water between Tasmania and the mainland and its restrictions to travel, a total of 124 shooters attended, many from all over Australia and also a contingent from New Zealand.

It was an excellent weekend of competition, good shooting and lots of good times. Many shooters make this a regular event to catch up.

Mr Glenn Woodhatch officiated as shoot marshal. It was a pleasure

to work with him, he kept the ball rolling and each event ran very smoothly.

Many shooters commended the organisers for a well run, efficient shoot, although I suspect one of these was a little overwhelmed at his success over the weekend.

All in all an excellent group of shooters and a great carnival.

Some outstanding scores for the P & S contingent for the weekend were Tu Maaka of New Zealand a 57/58 to win the skeet, John Henning a 50/50 to win the Handicap outright, Peter Kenyon a 55/57 the Single Barrel, Tim Atkins a very creditable 148/148 the Double Barrel, Peter Beaman a 158/158 the Points Score, and Peter

Kenyon a 98/100 in the Champion of Champions.

Outstanding results for the Civilian section were Chris Rockliff 49/50 for the Skeet, David Williams 68/69 for the Handicap, Scott Leighton 56/58 for the Single Barrel, Paul Francis 107/107 for the Double Barrel, Clare Kesby 146/150 for the Points Score and Paul Francis 99/100 for the Champion of Champions.

Overall High Gun winners were Simon Gloster 436/450 for the Police and Services section and Bernie Smith 430/450 for the Civilian section.

CANBERRA INTERNATIONAL SPORTING CLAYS

Canberra Inter's November Sporting was a very wet affair indeed. Having rained all night, a couple of squads slithered their way to the range via a very muddy road.

A few decided not to shoot but most decided to give it a go and got soaked for their effort. While waiting to shoot, several members voiced their disquiet regarding the National bodies decision to allow SSAA, F&G Fed and F&G Aust members to compete at the nationals but NOT at Club level, stating this could cripple Sporting Clays at some club and

Above: President Garry Betar (scoring) and Coordinator John Sankey working from the comfort of the club balcony

Left: HG Winner Rodney Kneipp and C Grade winner Marg Warriner

mean quite a financial loss. I'm sure we will hear more on this in the future. Our congratulations to Rodney Kneipp for his High Gun win 87/100 in trying conditions.

Pope too strong at Wangaratta Skeet

SUNDAY 28th November saw a good roll up of skeet shooters at the Wangaratta Clay Target Club, to compete for the monthly c/ship event. The club has been conducting regular 100 tgt Skeet Championships throughout the year and attracts dedicated skeeters from both state and interstate.

The Wangaratta facility is fortunate to have two state of the art layouts catering for this discipline and visiting shooters speak highly of our services here, good consistent targets thrown and a very friendly atmosphere prevails.

B grade shooter John Pope from Wagga took out overall and 1st in B grade on the day with an excellent result of 104/106, after his top effort he has earned himself a grade change to A. Another regular visitor here at Wangaratta is Locky Irons from Melbourne, who was runner up to John on 103/106. Locky had many admiring glances from other shooters present at his

magnificent Krieghoff gun, a truly superb piece of engineering. Local skeet champion David Jackel won AA grade on 97/100 and A grade by Denis Savage who generously donated his trophy to be shared amongst the two junior shooters present. Travis Tait shot off against Alex Reid, both juniors, to decide C grade winner. Travis, a keen sporting clays shooter, won this grade and finished on 86/101 and Reid in 2nd place with 85/101.

The club is looking forward to a successful year in 2011.

Doug Coleman 2010 WACTA 5 Stand Sporting State Champion

A sunny cloudless morning with a gusty east wind greeted the 27 shooters who decided to shoot the West Australian 5 Stand Sporting State title would be better than watching the ashes in a air-conditioned room sheltering from the 35°C as Perth warmed up for the summer.

Two 5 Stand Sporting layouts sponsored by Corsivia Targets and GB Shotshells were set up with a mix of crossing targets, battues, chon dell, tower and a fast rabbit (aka hare). A sim pair flew together with the last target passing the first, the pair could be shot with one well placed shot although at the time of writing this feat was unheard of. A more common outcome was a target or the pair lost as the shot pellets found only the fresh air in-between the targets.

Doug Coleman stayed focused and on target to win the ACTA 5 Stand Sporting West Australian State Title. After the 100 target event Doug was tied with Murray Tucker on a score of 84. Then it was back to the range for another 25 challenging sporting targets to separate the two fine shots. The pressure of winning the State title in a shoot off produced an exceptional performance by both shooters and a close finish. Doug scored 23 from 25 which was one more target hit than Murray to win the State Title and the Jon Dyas Perpetual Trophy.

Results for the WA 5 Stand Sporting State Title Overall Doug Coleman 84+23, 1st A grade Murray Tucker 84+22, 2nd A grade Kevin Dickens 82, 1st B grade Ken Green 80, 2nd B grade Kim Halibut 76, 1st C grade John Rossi 77, 2nd C grade Michael Walker 67.

The WA 5 Stand Sporting Postal Badge Team Murray Tucker 39.5, Jon Dyas 33.5, Jason Yozzi 33.5, Tony Trainor 31.5, Kevin Dickens 31.5 and Ken Green 31.5.

Thank you for the joint sponsorship between Tony Trainor (the West Australian Agent for Corsivia Targets and GB Shotshells), and WA Gun Club the winners shared in a large supply of GB Competition Shotshells at presentations.

BAD NEWS FOR BUNBURY CTC

The Club has been forced to close all the shooting ranges at very short notice due to local conditions.

Local conditions dictate, after a decision by WA police visit to the site that we are no longer able to shoot on any of our 4 layouts until further notice.

As you can imagine this will produce some difficulties with the 2011 programme already decided and printed.

Firstly we must say that we are delighted and encouraged by offers of support by WACTA and other WA clubs. We offer our sincere thanks to the WA shooting fraternity for the very generous responses to our plight.

We are determined to keep the club, as an entity, together and are actively seeking other sites. Obviously this will not be a short term process however progress is being made by the Department of Sport and Recreation in a report that details future options.

We are in negotiation with our local Zone 6 clubs with a view to holding some of our competitions at their clubs and it is likely that the venue for the Blue Manna Carnival will be announced this week. Further information will be advertised in the New Year.

We have proposed a reoriented layout to the W.A. Police in order to overcome the issues created by the continued development of the airport facility.

If this is achieved we will, at least, be able to continue with our very well attended Friday evening practice sessions and maintain the social fabric of the club.

RICHMOND RIVER CLUB NEWS

Tony Ryder (Grafton CTC) wins Christmas "Turkey Shoot"

Richmond River Gun Club's 2010 day trap programme completed when forty-seven shooters took part in the club's Christmas shoot on Sunday 28th November in variable conditions. In keeping with convention, novelty events were the order of the day.

A 30 target mixed metreage medley got things underway with 10 DB targets from 16 metres, 10 PS from 22 and 10 SB from 11. Even the most experienced managed to shoot over the top of at least one of the close ones.

Alan Clarke shot a 49/50, Tony Ryder, Ray Turner 46/50 in AA, Scott Smith 45/50 in A Geoff Pringle 46/50 in B and Dick Powell 42/50 in C grade.

Phillip Westbury was the only shooter with a red number beside his name in the 30 Target Continental event shot from 16 metres with a number of others including Tony Ryder, Rod Moody, Lou Hearne, Kim Nealon, Wayde Hawkins (AA) Ralph Larkings, Scott Smith (A), Jamie Beddoes and Lyell Pettman (B) just one down on 29/30. Nancy Davis was the best performed C grader with 27/30.

During the luncheon adjournment while shooters were partaking of a delicious cold buffet lunch, pairs were drawn for the annual Christmas Shoot Deauville Doubles, always enjoyed by everyone. There were accusations of rigging when certain pairs were drawn together but those accusations were withdrawn when the final results were in.

Three teams shot the 20 pairs and headed back to the layout for the shoot-off. Starting on 17 metres and being marched back a metre for every successful pair, Wayde Hawkins and Jamie Beddoes (27/28) dropped out when one target got away on 24 metres, Dick Powell and Ray Turner (Tyagarah) (28/29) dropped a target on 25 metres leaving Rod Moody and young Owen Larkings from Glen Innes to the spoils with 29/29.

Junior Mitchell Johnson excelled himself at his first attempt at double

rise events. When partner Geoff Jacobsen's gun malfunctioned on the very first pair, Mitchell coolly smoked both targets. It is a pity one of the other 38 targets got away.

As a warm up to the Deauville Doubles, everyone shot an individual five pair of double rise. Rod Moody in AA, and new shooter, C Grader Mitch Dunstan both scored 10/10.

Tony Ryder of Grafton, a regular visitor to the Richmond River Club, won AA with 84/90 from Ray Turner 83/90. Tony also holds the Phil Consalvo Novelty Shoot Trophy until next year and of course, took the High Gun tankard.

Turkeys in A Grade were won by Ralph Larkings (Glen Innes) with 79/90 from Steve Murray 75/90. Geoff Pringle won B Grade and Intermediate High Gun with 79/90 from Lyell Pettman (Brisbane) 81/96. Dick Powell was a clear winner with 68/90 in C Grade with new member David Bodley second on 62/90. Therese Nealon won the Ladies prize from Nancy Davis.

Much to the delight of those who stayed behind and got thirsty picking up missed targets, only 12 of the 24 white targets mixed amongst the orange during the continental were hit.

The regular monthly trap shoot programme resumes at 10.00 am on 23rd January, 2011 with a 25DB C/D, 50T SB C/S and a 25T Continental.

Night trap (2nd Friday commencing at 6.00 pm) and skeet (3rd Saturday commencing at 1.00 pm) continue to be held each month.

Richmond River hopes all shooters had a very merry Christmas and look forward to a successful 2011.

Juniors shoot the lights out in Australia Cup Final

AUSTRALIA'S JUNIOR SHOTGUN TEAM have shown they are ready to take the next step in their careers after a string of impressive performances over the weekend at the 2010 Australia Cup Final and Grand Prix event in Melbourne during December.

2010 Australian Junior team members Teegan McCloy (NSW), Michael McNabb (NSW) and Anthony Sottosanti (VIC) all shot Performance Qualifying Scores (PQS) in their respective events, while dual Olympic Gold medallist Michael Diamond also shone in the men's trap.

McCloy, 16, held off a quality field in the women's trap Australia Cup Final after setting a score of 69 from 75 targets in the qualifying rounds, a personal best for the New South Wales youngster.

In the final, McCloy faced 2004 Olympic gold medallist Suzy Balogh (NSW), Commonwealth Games gold medallists in the women's trap pairs Stacy Roiall (VIC) and Laetisha Scanlan (VIC), 2010 Junior World Championship silver medallist Catherine Skinner (VIC) and the rapidly improving Michelle Beecham (VIC).

McCloy shot 17 targets from

25 in the final to hold off Beecham by one shot, while Scanlan claimed the bronze medal, a further three shots back from Beecham.

In the men's trap event Michael Diamond (NSW) showed he is still at the top of the sport in Australia with an impressive performance that saw him shoot a total of 144 after the final to win the gold medal by two targets from Todd Malone (VIC) and Adam Vella (VIC), who was one target back in third place.

Diamond shot a PQS score of 121 in the qualifying rounds which gave him a three target lead heading into the single barrel final, too much of a lead for his opposition to make up.

New South Wales junior Michael McNabb, who had not qualified for the Australia Cup Final and had to settle for a place in the Grand Prix field, also impressed with a PQS score of 121, showing that he is ready to challenge perennial favourites Diamond and Vella in the future.

Craig Trembath (VIC) took the honours in the men's double trap after a score of 46 in the final was enough to reel in Russell Mark (VIC) by one shot.

Mark held a two shot lead heading into the 50 target final but could only manage 43 targets, to finish one behind Trembath and four ahead of third placed Nicholas Kirley (VIC).

In the men's and women's skeet events, Laura Coles (WA) and Kieth Ferguson (VIC) took the honours after recording totals of 143 and 86 in their respective competitions.

The next major event for the Australian shotgun group will be the ACTA National Championships, being held in Perth from January 17-23, which serves as an important PQS event for all Australian team hopefuls.

The Sub Juniors are surprising everyone with their high scores after such a short time shooting, well done.

All winners were presented with very nice prizes and trophies, all commented on a great days shooting.

Our kitchen ladies provided the usual top service and great food and deserve a big thank you. Also our office staff and of course our trap specialist Col, a great team.

All Juniors and Sub Juniors who attend our club, whether they are members of our club or not, shoot both practice and competition for free. Singleton Clay Target Club encourages all clubs to do the same to assist in attracting more Juniors into the sport. If our small club can afford to do this there is no reason other clubs cannot follow suit. Get on board before our sport literally "dies out"!

Sebastopol – 2010 Christmas Shoot

SUNDAY 19 DECEMBER 2010

Sebastopol Gun Club (Ballarat) conducted its Christmas shoot on Sunday 19 December 2010. The club shoots at picturesque grounds located on the eastern side of the Marty Bush Recreation Reserve, Sebastopol, overlooking the Yarrowee Creek.

Whilst still experiencing some unseasonable “winter” weather in Ballarat, there was a good role up of shooters from district clubs including Beaufort, Castlemaine, Maryborough and Werribee to compete in the four events on offer.

Both shooters and their families also enjoyed a traditional “sit down” afternoon tea in the clubrooms (with the gas heater on) after the completion of the first two events. Many thanks to life member Mick Dignan for his efforts in putting on such a great afternoon tea.

Life Membership – Brian Carter

During the above-mentioned afternoon tea break, the President of the club, Mr Neil Vagg made a Life Membership presentation to Brian

Brian Carter with len Cook and Neil Vagg

Carter. Brian has been a serving member, committeeman and coach at the club over a long period of time. During the presentation, Len Cook, himself a Life Member of the Sebastopol Gun Club, was called upon to testify as to the “silent” and often “behind the scenes” hard work undertaken by Brian (“Tich”) Carter in ensuring that shoots run smoothly and also for his generous assistance

freely provided to many younger and sometimes older shooters.

Presentations were also made to Graeme Walter, our outgoing President, and also to Daryl Bending, our outgoing Secretary/Treasurer in 2010. The club takes this opportunity to thank both of these gentlemen for their outstanding contributions and service to the Sebastopol Gun Club over many years.

Event 1 – 25 Target DB 16m: AA 1st Peter Tait, 2nd Alan Ford, A 1st Bruce Bilston, 2nd Jim Shepherd, B 1st Peter Falkinder, 2nd Matt Taylor, C 1st Alan Vincent, 2nd Bill Joiner.

Event 2 – 25 Target PS 16m: AA 1st Ricky McKinnon, 2nd Alan Ford, A 1st Jim Shepherd, 2nd Neil Haydon, B 1st Matt Taylor, 2nd Peter Falkinder, C 1st Alan Vincent, 2nd Bill Joiner.

CONDITIONS OF ENTRY – NATIONAL TRAP CHAMPIONSHIPS

1. **If a vacancy exists in any events at the Championships a person must nominate for all events they wish to shoot at the nomination window in one visit. To be eligible to shoot in any event the nomination must be received before 10.00am on the day of the event.**
2. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
3. Squads of 6 to shoot 50 targets/75 targets in brackets of 25, one visit only to the traps. Squads of 6 to shoot 100 targets in brackets of 50, two visits to the traps. National Handicap event to be 5 (five) person squads, 5 (five) targets per lane.
4. **Shooters will be Pre-squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director. Withdrawing from an event should (if possible) be done giving 48 hours notice in writing (if possible) prior to the event or by ringing the National Office and leaving a message after hours.**
5. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. Should the two-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** will be incurred.
6. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
7. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
8. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
9. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
10. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
11. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
12. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
13. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations and are not refundable.
14. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
15. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they will be selected. They cannot compete in both Open and Section teams.
16. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade and section prize.
17. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
18. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
19. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
20. Reduced Nominations shall apply to Juniors and Sub-Juniors. Also partners' entering into the same event whose nomination is lodged at the same time as a member paying full nomination fees. Shooters paying reduced Noms are eligible for Overall, Grade and section prizes.
21. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Trap Championships.**
22. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible to any refund.

BENDIGO CLAY TARGET CLUB XMAS SHOOT

In cool conditions the Bendigo Clay Target Club held their Xmas shoot on Saturday 18th December. The event was well supported by both local and visiting shooters and resulted in some excellent competition.

In the first event, the club's Xmas Sporting Championship, Vice President Rodd Flower eventually came home the winner after a lengthy shootoff.

Second in AA went to Tony Moroni (22/25) with Rick McKinnon from Castlemaine taking out 3rd place. In A Grade Nathan Harris with a 44/45 was the winner, 2nd place went to Phillip Stowe and Brian Taylor came 3rd. B Grade was taken out by Ashley McKnight from Maryborough, Jim

Glenn Woodhatch with Rodd Flower, overall winner Xmas Sporting Championship

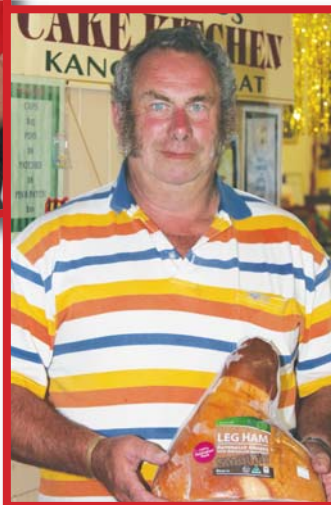

Above: Competitors and guests at the presentations. Left: Ward Wende, overall winner of the Double Barrel. Below: Rick McKinnon – Auto & Driven event overall winner

Shepherd took 2nd place and Brad Woolley came 3rd. Glenn Daley won C Grade, Kingsley Nelson took 2nd place and Laura Woolley 3rd.

The 2nd event, the Xmas Double Barrel was won by Ward Wende with the only possible. Second in AA went to Tony Moroni and Glen Daley came 3rd. First A Grade David Oates from Castlemaine, Lawrie Gee placed 2nd and Ashley McKnight came in 3rd. Bernie Pay was 1st in B Grade, C Grade went to Craig Stephen and John Lester took out 3rd place. C Grade was won by Ian Bell, Laura Woolley was 2nd and Dwayne Bruni came 3rd.

The final event, an Auto & Driven, was won by

Ricky McKinnon from Castlemaine. Rodd Flower took out 2nd in AA from Brian Taylor in 3rd place. A Grade Nathan Harris 1st, Jim Shepherd 2nd, David Berry 3rd. B Grade went to John Dale, 2nd place to Bernie Pay and Darren Pearce was 3rd. C Grade was won by Carolyn Stanford and Geoff Moorby 2nd.

The day finished with a magnificent spit roast and salad meal, including pavlova which sent shooters back to the table for seconds and thirds.

The club would like thank all members and visitors for their attendance throughout the year and a special thanks to Margaret Hansford and Jan Woodhatch, along with the kitchen boys, for their wonderful work in the canteen during the year.

Stormy Shooting at Mathoura

FRIDAY THE 26TH OF NOVEMBER, storm clouds surrounded the Mathoura Gun Club, and with lightning in all directions, it looked like it could be a dismally wet night shoot, but apart from a couple of short light showers, the entire shoot went through with no drama, although the gusty wind was making it very difficult for the shooters.

Opening with a 10 target Double Barrel Cash Divide, three shooters were able to claim a full score, Tim Maher (Deni, Roger Kerslake (Math), and Finley member, Alan Perryman, all sharing the cash trophy. The next event became a lot more difficult to shoot, being a 10 target Single Barrel Cash Divide, but thrown in to make it more challenging, it was also in a Continental format. An 8/10 score was the best in this event, and two shooters managed that result, being Rod Wharton (Deni), and George Bradley (Math), with Tim Maher and Roger Kerslake managing a 7/10 result, to share in the divided cash rewards.

A 25 target, Victorian North East Zone Single Barrel Championship, was next on the program and without the need for a shoot off; the Overall Winner and three grade winners were all sorted by the results of the initial 25 targets. It turned out to be an all Mathoura member affair, with G Bradley collecting the Overall Winners Sash and 1st in A grade win with a well shot 21/25, B grade was taken out by Trevor Berryman 14/25, and the C grade winner was Peter McClusky shooting a very credible 20/25.

One event left, and that was a 15 target Double Barrel Continental, with a 1st, 2nd, and 3rd result available. And after a very short shoot off,

George Bradley OA NEZ SB

Peter McClusky 1st in DB Cont

Peter McClusky put his hand up for 1st place with a 17/18 result, Peter is a very much improved shooter and will be looking to move into B grade very soon, Rod Wharton claimed 2nd place with a 16/18 result, and Roger Kerslake shot a 15/17 to put his claim on 3rd place.

A very enjoyable night of Clay Target Shooting for all, and also, a very lucky night, as there were obviously heavy showers happening all around the club all night.

The Squire reports from West Wyalong

THE FACT THAT IT HAD RAINED all morning was probably the reason that there was a relatively small turnout for the West Wyalong Clay Target Club's Christmas shoot.

Luckily by the start time of 12 o'clock the rain had cleared and the first squad was called to the layout to begin shooting with a clearing sky.

The prizes for graded High Gun were run across three events 25 Targets Single Barrel Continental, 25 Targets Double Barrel and 25 Targets Points Score.

There were suspiciously good scores going up on the board following the Single Barrel Continental. Wayne Ambrose was about the only one not to twig that the trap was not functioning correctly and was throwing 25 high targets, then 25 low targets!

Matt Schiller won the AA Graded High Gun and happily walked away with a large ham. Dozer Collins was second in AA Grade and collected two chooks. Wayne Ambrose, despite his problems, shot well and collected the A Grade ham and Kate Schiller won the chooks. In B Grade, Adrian Hodges was the winner of the ham while second placed Narelle Ambrose made sure their household will be right for Christmas dinner when she won two chooks to go with Wayne's ham.

Sue Turner won the C Grade ham and Angela Dent was the winner of the chooks.

Shooters were looking forward to the novelty events that are always a feature of West Wyalong Christmas shoots and none more so than the 20 Target Flush with drawn partners.

This is a very hurried event as shooters fumble to reload their guns as the targets stream out of the trap.

The shooters always enjoy the event and there is also plenty of advice being given from the spectators who also enjoy the event.

The hot team was Kate Schiller and Dozer Collins who collected four chooks between them. Steve Schiller and Wayne Ambrose were second and received two chooks.

A new novelty event introduced this year was the 10 Target Quail Drive and Matt Schiller shot 9/10 to be the winner.

Sue Turner concluded a good day by winning the raffle and a ham and Wayne Ambrose added further to the Ambrose hamper when he won the chook as second prize.

Shooters are reminded that West Wyalong Clay Target Club will hold their traditional Barry Duncan 100 Target Hangover Trench shoot on Boxing Day commencing at 12 noon.

The Squire would like to thank the Editor of the Clay Target Shooting News for the assistance given in publicising clay target shooting at West Wyalong during 2010 and wish all shooters and readers a Happy New Year.

Psychological Skills for Shooting

Michael Kruger-Davis

ATTENTION!

Following on from last month, I intend to explore the mental skills that athletes need to have available to them to be able to perform to their maximum level. I have already touched on goal setting so this month the focus will be on attention.

How many times when we were at school did a teacher say “pay attention”, or your mother or father mutter, “I wish you’d pay attention”. So what did our teachers and parents want us to do, and why is it so important. This concept of paying attention jumped out at me recently when I was helping a shooter: I was trying to get her to understand being in the here and now and used a mindfulness technique. To make sure that she was focused on what was happening for her right here and now, I asked her to focus on the feelings of her weight in her shoes, could she feel where the pressure was? Was it her toes, was it the balls of her feet, was it her heels feeling the weight and pressure? I then asked if she could feel the collar of her shirt against her neck, the brow of her hat against her forehead, the feel of the hem of her skirt against her legs. She replied: “I can now because I’m paying attention to them.” That is the secret of staying in the here and now: pay attention to what is happening to you.

According to Burton and Raedeke (2008) Attention is the process that directs our awareness to information available through our senses. Great sentences, but what does it mean? Most of the time our senses are attacked and bombarded with stimuli. For instance you may be reading this article but you might also become aware of external stimuli of something cooking and you may feel hungry. You might smell something burning and you might feel worried. When you notice certain sensory information you must a decision on what action to take and this process requires attention. Thus, according to Raedeke and Burton, attention involves perceiving sensory information and using it to make decisions and choose responses.

Each sport is unique in the sensory information that needs to be attended to for an Ideal Performance State (IPS). Nideffer (a renowned US sports Psychologist) has developed an applied theory of concentration, which should be considered by all athletes and coaches. To understand this theory it is necessary to realise that for each of us an optimal level of arousal will coincide with efficient use of attentional capacities; this is referred to as our ideal performing state (IPS). At this IPS, we efficiently match the attentional demands of the situation with use of appropriate type of concentration. When we are not at our ideal performing state it is because the types of attentional focus becomes inefficient and mismatched with the situational demands. Nideffer believes that we all have an individual concentration style, which means that we have characteristic ways of using our attentional capabilities. Nideffer describes concentration as being either broad or narrow. An analogy here is like a torch with a variable beam: broad type of concentration is when the beam is broad and wide and narrow type, is when the beam is focused on a small point. Jeffery Bond argues that Nideffer also sees influences on concentration as either external or internal. We can now measure our concentration style in each of these types of concentration:

1. **Broad - External:** awareness of everything that is going on around - seeing, hearing, feeling. Necessary for good court/field vision. Probably more critical in team sports than individual
2. **Narrow - External:** Ability to concentrate in a focused way, to focus

on the one thing, to narrow onto the relevant aspects of a task. Very useful in target skills and as a way of blocking distractions.

3. **Broad - Internal:** Need to analyse, organise and plan. The ability to mix it with what is going on and draw some logical conclusions. Being able to deal with a large number of ideas at the one time.
4. **Narrow - Internal:** Ability to focus on a single thought or idea and stay with it. Needed to enhance awareness of aspects of body reactions to stress (tight muscles, too high heart rate, etc) Usually indicates extreme dedication and capacity to follow instructions, to stick to a performance plan.

Beyond focusing on the task relevant cues (attention) athletes need to be able to block out all internal and external distractions. This ability to sustain focus and effectively block out distractions is called concentration. Effective concentration allows athletes to apply appropriate attention to the internal and external cues. According to Perry, an athlete that who can focus, or pay attention, on the task at hand and avoid distractions enjoys the greatest possibility of success.

It is difficult to differentiate attention from ‘focus’ or ‘concentration’, and it appears that psychologists have struggled for hundreds of years to come up with a common understanding and definition. Bruce Abernethy, from the University of Queensland, has identified three major uses of the term attention;

Firstly, attention as alertness. This includes concerns with the development and both short-term and long-term maintenance of optimal sensitivity and readiness to respond. The best example I can think to describe this would either be walking through a paddock and you flush a quail or waiting for the target in a ISSF skeet. As an athlete your alertness and readiness depends upon your emotional state: basically being either too relaxed or too anxious. Anxiety tends to restrict your attention span, that is, narrowing the focus, which may lead to missing important cues that would have contributed to a successful performance. Anxiety also has the effect of shifting you from the automatic and subconscious, to the controlled and conscious processing, which would lead to the phenomenon called choking. Also the anxious state makes the task involve more effort which will increase fatigue and increase the likelihood of developing self doubt because you will be over analyzing every shot and movement, and in the process tighten up your muscles, so that you are unable to perform to your ideal state.

Secondly, attention as a limited capacity or resource. For the shooter, this means the ability to have a broad focus whilst you are waiting to shoot and being able to shift your attention to a narrow focus when it is your turn to shoot. It would be impossible to maintain a narrow focus throughout a whole round of 25 targets. There is no need as this would be very ineffective and would lead to a severe headache among other things. This is why shoot off conditions often seem easier, because you are only focused on one target.

Finally, attention as selectivity. By this I mean that that some information is selected as important and some stimuli are ignored because they are irrelevant. Effective selective attention begins with an understanding of how to differentiate between distractions and the relevant cues.

Abernethy describes the concept of selective attention by using the metaphor of a searchlight and describes three common errors: If the searchlight beam is too broad, then you are failing to focus all attention on the limited essential elements for success. If the searchlight beam is pointed in the wrong direction, then you are being distracted from relevant information by irrelevant information. Finally, if the searchlight beam is too narrow, then the athlete is unable to move from one stimulus to another rapidly enough.

So if we look at attention, focus or concentration, what should we know and what should we do to use it to maximize success. Be aware that attention involves being alert, being able to shift and being selective. You need to know when to have a narrow focus or a broad focus and when to focus on external stimuli or internal stimuli. You should be attending

to the process of what you are doing and not the product you wish to achieve. And finally, you should stay focused and attend to the present. The past will only allow judgments to cloud your thinking and focusing on the future will lead to anxiety.

Clarrie Barnes 19th July 2010

Clarence 'Clarrie' Lindsay Barnes was born on 5th May 1919 to Denholm and Lizzie Barnes. Clarrie grew up on Lethro station in New South Wales with his brothers and sisters.

The Barnes family is well known, brothers Albert, Alec and Frank transformed the outback country and established some major grazing stations including Mungo, Joului, Lethro whilst Clarrie owned Leaghur. Lethro station still remains in the Barnes family whilst the others are now government managed.

Clarrie had 3 loves, his wife Gladys, his property Leaghur and clay target shooting.

Clarrie and Gladys were married in 1945 and celebrated their 65th anniversary in March 2010. For the first 10 years they were on Lethro property until 1954 when they put a deposit on Leaghur Station, 40 miles east of Lethro and moved outback away from the Darling River in New South Wales. They were diligent towards paying off the debt owing on Leaghur and achieved this within 7 years – a wonderful feat. From there they built up the stock and land holdings to make Leaghur a very large and well run property. In 1988 Clarrie had a heart bypass and recovered so well he could return to Leaghur and continue working.

Despite many years of fires and drought followed often by floods, Leaghur was always loved by Clarrie. He reluctantly left 43 years later at the age of 79. Clarrie and Gladys retired to Mildura on August 1st 1997.

Clarrie always loved shooting and he first shot competitively well before World War two and became a foundation member of the Mildura Gun Club in 1953. Clarrie represented Australia as a clay target shooter on four occasions; 1957, 1958, 1963 and 1968. The highlights of Clarrie's shooting career included in 1967 winning the State Single Barrel Championships, in 1970 whilst in Adelaide winning the 100 Target Skeet Championship and in 1999 the Banrock Masters Games winning 5 medals which also coincided with celebrating his 54th wedding anniversary. Apart from his badges he has many trophies and numerous sashes.

Clarrie may have been small in stature but he was a giant among the shooting fraternity. Clarrie was considered to be Mildura Gun Club's best second barrel shot at long distance. Clarrie and Gladys are life members of the Mildura Gun Club.

A memorial shoot for Clarrie has been planned by the Mildura Gun Club on Saturday 16th July 2011.

IT'S YOUR CALL

by Bill McCarthy

As Referees we are almost certain to come across a situation where there is difficulty whether a target is hit or missed. It is probably more related to what is dust and what isn't and the interpretation some shooters have of what constitutes a broken target and what doesn't.

As the Referee in a squad you have observed a target that has had a significant amount of dust come from it after being shot at. You rule "Lost Target" (Rule 1.08 (g)). However, three other shooters in the squad put their hands up and claim that there was indeed a lot of dust from the target and it should be called as "One". They have argued that it was obvious that the target had been hit by the shot from a competitor's gun.

It's Your Call

If you stick with your original ruling you would be quite correct. There is absolutely no provision in our rules to allow for a dusted target (irrespective of whether it was a lot of dust or a little dust that came from it) to be given as "One". In simple terms, a target must have a visible "chip" come from it. Dust is not considered to be a chip.

Rule 1.08 (g) states very clearly that a "Dusted Target" is a Lost Target.

Rule 1.04 clearly defines a broken target and Rule 1.05 clearly defines a "Dusted Target".

However, there are occasions where some of the shooters may claim that there was a chip that came off either their target or the target of one of the other competitors in the same squad. You as the Referee have not seen a chip and have ruled "Lost Target".

This is sometimes a dilemma for most of us. Consultation with the scorer and other shooters in the squad is very necessary. To deny a shooter a target that he may have hit is one thing, but to give a target to a shooter on unclear evidence is another. In the latter case you have effectively taken a target off each shooter in that person's grade. Equity and fairness are always at stake in these situations. Therefore your decision must not be taken lightly.

Under Rule 4.16 (b) the ruling made by the Referee as to whether a target has been missed or was legal is final and can't be appealed against in a Jury. Move over, under Rule 4.17 (e) the Referees decision in all cases coming under his jurisdiction is final.

It is incumbent upon us all to make our decisions equitably, sensibly and wisely within the scope of the many rules which apply to the situation encountered, but do not be afraid to rule "Lost Target" if you feel absolutely sure that the target fired at was not broken in the terms laid down in our rules.

2012 BLUE BOOK: This year we are calling for expressions of interest to advertise in our annual production of the NSW Clay Target Associations Blue Book.

For those of you who do now know what the Blue Book is, this is NSW Shooting Guide. It features all of NSW Club and Zone shoots along with all contact details. NSW Shooters live by this book to keep them well informed of any shoots that may be of interest to them.

If your club or business would like to apply to have a page inside the book, or even if you would like to express your interest in any of the covers, please forward a written letter stating what your club/business would like to advertise and where they would like to advertise along with a draft of the advertisement to the State office no later than 5pm Wednesday 25th May 2011.

This year Tamworth Clay Target Club has the front cover, next year it could be your club/business.

All submissions will be considered by the State Executive and applicants will be contacted for final draft of their advertisement.

For more information, please contact the State Office during office hours and we will help with answering your questions.

COACHING: Coaching for Clubs and Zones can be arranged with the support of the NSWCTA State Coaching Co-ordinators: Garth Hosking 0418 648 313; Ian Piddington 0428 638 590.

Regardless of the level of coaching required, the coordinators can assist with applying for financial assistance for Juniors and obtaining suitably qualified coaches.

2011 BLUE BOOKS: We still have a few copies of the 2011 Blue Book, so if you have not got a copy yet, contact the State Office for one. They sell for \$4 each and are available to all ACTA Registered Shooters.

Port Macquarie Clay Target Club

2010 Presentations and Christmas Shoot

The Port Macquarie Clay Target Club held another successful 2010 Christmas Shoot on Sunday the 5th December at their grounds within the Hastings Regional Shooting Complex.

There was a great roll up of shooters and at the end of nominations there were eight squads and with the club now having three trap layouts all events ran smoothly throughout the day. All events were graded from AA down to C and there were prizes for first and second place getters. Most events required shoot offs in most grades to get a final result.

Event 1 20 targets Odds and Evens Double Barrel
AA grade 1st Robert Clarke 25/25, 2nd Daryl Pasfield 24/25, A grade 1st Michael McDonnell 36/37, 2nd Kerry Miller 35/37, B grade 1st Peter Brenton 26/26, 2nd Bob Ellison 25/26, C grade 1st Julian Booth 18/21 and 2nd Megan Wilkins 17/21.

Event 2 25 targets Double Barrel shot off 16 metres. AA grade 1st R Clarke 36/36, 2nd Hank MacInnes 35/36, A grade 1st K Miller 33/33, 2nd Gary Brown 32/33, B grade 1st P Brenton 26/26, 2nd Ken McWhirter 25/26, C grade 1st Brodie Ainsworth 24/26 and 2nd J Booth 23/26.

Event 3 20 targets Points Score off 16 mtrs AA 1st D Pasfield 60/60, 2nd Scott Wallis 59/60, A grade 1st G Brown 60/60, 2nd A McWhirter 59/60, B grade 1st Libby Clarke 63/66, 2nd K McWhirter 60/66, C grade 1st J Booth 62/66 and 2nd Lesley Langer 59/66.

Club Champions L-R Robert Clarke, Steve Wallis, Graeme Jones, Kerry Miller, Peter Brenton

High Guns L-R Lesley Langer, Barry Pharo, Kerry Miller, Andrew McWhirter. Dick Piper was absent

Event 4 25 targets Continental Double Barrel off 16 mtrs AA grade 1st S Wallis, 2nd R Clarke 32/33, A grade 1st K Miller 26/27, 2nd John Bourke 25/27, B Grade 1st Bill Neill 33/35, 2nd K Saunders 32/35, C grade 1st L Langer 22/25 and 2nd Justin Bowes 22/26.

The Overall High Gun was won by Scott Wallis 128/130, the Ladies High Gun went to Margaret Bourke 117/130 and the Low Gun was won by Bob Bennett 66/130.

Following the presentation to the winners the club held three draws for cash to a total of \$600 which was half of the total amount that jackpotted monthly in the 2010 "Shoot the Programme" competition. There were three requirements to win with the first being you were a member of the club and that you also competed at the shoot and that you were in attendance at the draw.

*"Shoot the Programme" money winners
L-R John Bourke, Margaret Bourke & Bill Neill*

would like to thank Robert and Libby for their generosity and this competition will again take place in 2011.

The previous evening the club held their Annual Presentation Dinner at the Port Macquarie Golf Club. All 2010 High Gun and Club Championship Awards were presented to the recipients.

The first presentation was the 2010 Club Championship winners and the overall winner was Robert Clarke, the AA Grade was won by Steve Wallis, A grade went to Kerry Miller, the B grade was won by Peter Brenton and the C grade winner was Graeme Jones.

The next presentation was the 2010 High Guns and the overall winner was Andrew McWhirter, AA grade was won by Kerry Miller, the A grade winner was Rex Wilson, B grade was won by Dick Piper and the C grade winner Lesley Langer with the Veterans being taken out by Barry Pharo.

There was also a presentation of appreciation to the four ladies that put in many hours working within the club. They were Allana Stevens (Treasurer), Megan Wilkins (Secretary), Wendy Minter (Head Scorer) and Lesley Langer (Assistant Shoot Secretary). Also there was a small presentation to Kay Piper for her assistance in helping out at the September competition day.

BEAUFORT GUN CLUB

Christmas Shoot & Presentation Night

On Friday evening December 17th, in typical cool conditions, the Beaufort Gun Club held their annual Christmas shoot and Club Presentation night. This year four worthy recipients were awarded Life Membership.

The first event, a 20 target Points Score got underway in bright daylight, around 6.45 pm. Only

three competitors managed to shoot the possible and after a very short 3 target shoot-off Wayne Harris from Ararat took out the overall with Len Cook, Beaufort's hard working Secretary/Treasurer, coming in second and winning 1st in AA. Bill Harris was the runner-up in AA with a 59/60.

In A grade John Kerr won 1st place with a 60/60 and Neil Haydon from the Sebastopol Gun Club managed second place. B grade went to Ken Sandwith 59/60 and

Peter Falkinder, the Beaufort Vice President came in second. In C grade Allan Vincent 61/69 took out 1st place with Jordan Wright second.

In the half light before dark a variation of an "Off the Box" event was held. This event at Beaufort, is called the "Septic Shoot" in as much as the competition takes place from the concrete lid of the toilet septic tank.

The event is held each month throughout the year and concludes

at the Xmas shoot with a final of the year's winners.

Bill Harris from Ararat Gun Club showed some real form, on very difficult to see targets, to win both the night qualifying round and also to go on and win the highly coveted yearly final.

At this stage of the night the shooting was suspended and a barbeque meal cooked by club member Wayne Medwell, accompanied by all the trimmings prepared by the Beaufort Gun Club Ladies, was enjoyed by all.

LIFE MEMBERSHIP PRESENTATION

For their enormous contribution to the club, four members were awarded Life Membership.

The first award was made to Jim Kerr, who first joined in 1974. Jim has been a stalwart supporter over the years, a keen competitor, sponsor and worker.

The second Life Membership awarded, was to Jim's brother John, who also joined the club in 1974 and has contributed to the club in the same way as John.

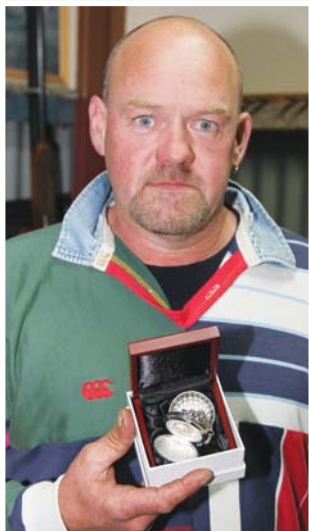

They are both responsible for the sponsorship of the "Kerr Family" yearly aggregate award which has now been running for 36 years.

The third inductee was Dawn New. Dawn has been a tireless and valued worker at the club for more than 15 years, working both behind the scenes and taking on the responsibility of running the canteen.

The final award presented, was to Jill Cook, a truly valued member, who works tirelessly for the club, doing all the invisible things that need to be done, like trophy buying, decorating and book work. Jill has also been associated with the club for more than 20 years and also works in the canteen.

A big thank you to all recipients from a very appreciative club. Well done!

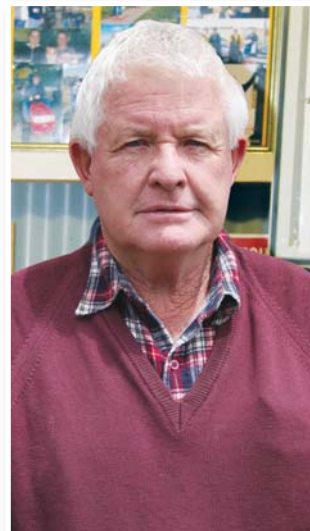

The second event, a Beaufort-style, quite difficult sporting event got underway. The top score over the 30 targets went to C grader Lorne Rosenow with a, get this, score of 21/30.

Wayne Medwell

Stuart Jackson

Len Cook

First place in AA went to Bill Harris (20/30) and Leon Cocking took out second. The A grade winner was Neil Haydon (22/32) from the Sebastopol Gun Club with John Kelly coming in second. David Long the Club President, was the winner in B grade with a score of 12/30 and Ken Malcolm came away with the second place. In C grade, Doug Baker (18/30) was awarded first place and Lyle Veitchran second.

Over the year the club conducted a series of aggregate awards and the winners were as follows: Veteran award (over 60) – Len Cook. Novice award – Stuart Jackson.

The club overall aggregate award, the "Kerr Family" trophy, was won in fine style by Wayne Medwell, who managed to sneak ahead of his rivals on the last shoot of the year.

Lorne Rosenow with Peter Falkinder

The Beaufort Gun Club would like to thank all those workers, sponsors and competitors for their

support during the year and to wish everyone a safe, happy and prosperous new year.

Callawadda-Stawell . . . a club on the move

2010 a successful year

December's Christmas shoot at the Callawadda-Stawell Gun Club capped off a very successful year for the tiny southern Wimmera club. The leadership team at the club led by President Chris Jorgensen and Secretary Colin Dunn have taken some risks and tried to increase both the attendance at monthly shoots and lift the profile of the club.

In January 2010 the club staged its "Gun Shoot". Seven firearms and an array of ammunition were offered as prizes. Before this could take place, a fourth layout was needed. Levelling took place on the north end of the ground. Working bees and some engineering work saw a trap house installed in the first weeks of January. The club borrowed a trap from the Echuca ground and soon had it in operation.

The day of the "Gun Shoot" saw 100 shooters from Victoria and South Australia compete. This was four times the monthly average and far more profitable.

In February the Northern Grampians Shire Mayor Mr Kevin Erwin opened the new skeet range that was installed over layout three. This has been a great resource for teaching secondary students how to shoot.

The annual Good Friday shoot remains popular with shooters. This year 14 squads contested the three event program.

When the state owned trap was returned to Echuca three new traps were purchased. One went into the new number one layout. A pair of Ibis twin throwers was installed in layout four.

During the year the club loaned its facilities to the fledgling Grampians Field and Game

branch. Without their own grounds, the field and game members could hone their skills on the skeet and DTL layouts.

Wind storms blew over five trees. These were removed and replacements are doing well.

Improvements have been made to the club house. The area undercover has been doubled and a new whiteboard scoreboard has been installed so now there is no concern over rain washing away the scores.

Above average rains have the grounds looking like a golf course. Even in December the closely cropped grass is still green.

A second big shoot is planned for late January 2011 – hopefully it will be well patronised and the start of another successful year for the Callawadda-Stawell club.

competitors and their families who enjoyed a festive day that produced some fine performances.

The opening event was a 30 target Double Barrel Championship. Overall and A Grade winner was Chris Jorgensen with 81/81 from B Grade winner Michael Williams 80/81. This was Michael's first 50 and 75 target breaks and is sure to see his card scrutinised. First in AA went to Tim Hughes 49/50, second Jim Sawyer 45/46, third Peter Tate 55/56. Leon Gibson was second in A Grade and starting to show some of his old form with 55/56. Third went to William Jorgensen 42/44. Second in B Grade was Bruce Papst 33/36 and third Lisa Saunders 32/36. Shayne Wallis won C Grade 29/32 from Greg Gray 28/32 and Danny Pollock 30/36.

The second event was a 15 target Walk Back starting from 11 metres. Chris Jorgensen continued on from the first event to shoot the only possible from Tim Hughes, Greg

James, Rob Jorgensen and Ashley Jorgensen, all one down.

The next event was 7 pair of Skeet and with poor visibility adding another dimension, Tim Hughes won with 13/14 from Peter Tate 12/14 and Chris Jorgensen 11/14.

The day finished with a 5 target Crazy Quail that dented a few egos. Tim Hughes was the winner from Michael Williams and Chris Jorgensen.

At presentations the winners of the best aggregate scores for the year were announced. AA Tim Hughes, A Greg (Smiling Assassin) James, B Bill Jorgensen and C Danny Pollock (resplendent in his high viz orange jacket).

Club Handicapper, Chris Jorgensen, collected his first high gun trophy at the club with a perfect score over the first two events.

Whilst numbers were down on the day the majority of shooters stayed on to enjoy some Christmas cheer and discuss plans for 2011.

The club wishes all members and competitors all the best for the new year.
