National President's Notes

Association members and clubs throughout the Eastern States, especially Queensland, have faced devastating floods over the last two months. Isolated incidences have also occurred in other states.

Many clubs have been affected, with some almost wiped out. This situation on top of members' own personal, and businesses losses may result in a serious threat to these clubs' future existence. State governments have launched packages of assistance to flood affected sporting bodies and details are available on the net. The ACTA has begun a fundraising initiative to assist these clubs and would

encourage all members and clubs to consider fundraising in whatever way they see fit to contribute to this. More details are available elsewhere in this magazine. Please help if you are able. The other support that I encourage you to show these clubs is by attending their events once they start operating again.

The Board has just met in Brisbane and following interviews, appointed Mr. Chris Gibson to the position of Executive Officer. We welcome Chris to the Association and look forward to working with him to deliver better services to our members. Chris will commence employment prior to the end of February. The administration of the Association has operated well without anyone at the helm for over 3 months and I thank the girls in the office for this.

The Association has formed a new sub-committee "Legal and Governance". This committee will initially comprise two executive members and two other qualified persons co-opted for the purpose. Issues will be referred to the committee for research and advice and these may include our corporate fiduciary responsibilities, suspensions, legal claims etc. We live in a litigious society and need the best advice we can get before making decisions that can have unintended effects. The committee is to be pro-active as well, advising us of possible future problems we may need to plan against to minimise the effect on our Association.

The Association is working with our publisher on an exciting project to digitise all existing copies of the CTSN. The project may take up to 2 years to complete but once finished will store the content offsite, but provide access to all existing CTSN copies via our website. It is expected that this will be achieved at a cost of approx \$24,000 and will protect our history forever. Features will include a search facility allowing research to be conducted quickly and efficiently. Shooters having old CTSN copies are encouraged to contact us and advise us of what they have, and are willing to make available for scanning, as most collections have odd books missing.

We have offered a few suggestions in this column on how the ACTA could better collect its subscription monies. The Board is now recommending to the Executive a new method of collection and this proposal is detailed elsewhere in the magazine. This process allows the ACTA to collect its subscription monies without interfering in the clubs collection of their own subscriptions. New shooters will still have to be vetted by their club when joining for the first time and the club would collect their subs and that of the ACTA as they currently do in this case. If the recommendation is supported by the Executive this will begin for the 2012 shooting Year.

The Board has decided to postpone the Mackintosh reunion until 2012. The decision was not taken lightly and will allow us to better plan such an important event. Anyone interested in assisting with this event please contact Sue at the office.

The Mackintosh blazers purchased by so many of our members were incorrectly embroidered and we ask that all recipients return them as soon as possible for rectification at no cost.

Until next month

A DIFFERENT WAY OF PAYING YOUR MEMBERSHIP DUES

Your ACTA Board has recently considered the method by which we all pay our membership dues. At present, as we all know, the clubs collect the membership fees for themselves, their state association and also the ACTA. Moneys owing to the ACTA are then passed to the ACTA office for processing. This system not only places an additional work load on the club secretaries but in the Board's opinion does not necessarily maximise membership renewals. If one receives a bill in the mail one generally pays it at the appropriate time. However if one needs to remember to go to the club or send a cheque in the mail without such a prompt one is not necessarily so compliant. How many times have you seen shooters realising half way through the year "Oops I haven't paid my membership yet!"?

ACTA propose that the following system be adopted for 2012: ACTA to invoice every shooter individually for the registration fees owing to ACTA only. Following payment a sticker or handicap card will be sent in batches to the club whereupon further payment by the shooter of the club fee the sticker/handicap card will be stamped by the club. Membership will not become effective until that sticker/card is stamped by the club. The advantages of the system will be that the club secretaries will be relieved of one task and ACTA will retain a greater proportion of our membership from year to year. A disadvantage will be that the shooter will have to make two payments but he or she may decide to stagger the payments so that could be an advantage to some people. SSAA operate very successfully on a similar system and their membership is greater than any other shooting organisation in Australia.

If the Executive agree to this proposal at its meeting in June, accounts will be sent out later this year.

NATIONAL FLOODS – A CALL TO ALL CLUBS AND MEMBERS TO HELP

Queensland, New South Wales, Victoria and also part of Western Australia are presently experiencing one of Australia's largest natural disasters due to the flooding. Many ACTA registered clubs may suffer financially due to loss of infrastructure, equipment and income.

Until the floods in all states are declared over there is no way to estimate the cost to the clay target community by the loss of buildings, traps, equipment and office equipment. Clubs will also suffer due to a loss of income from programmed shoots until they are operational after the floods.

Some clubs will suffer losses that unless helped may possibly terminate their membership – a loss to all members of the ACTA.

The Queensland Clay Target Association (QCTA) have already commenced fundraising to assist these clubs and will run the program until December 31st 2011.

To assist the affected clubs the following proposal will allow all ACTA member clubs and members to assist.

It is requested that ACTA clubs **donate the profits from a club shoot to this appeal**. It is also requested and suggested that the fundraising is limited only by a club and members imagination. There are other avenues to assist by, (as example) **raffles, auctions, charity shoots, donations or other self generated initiatives**.

A sub-committee of members that are not on the Executive of the affected states will be formulated to disburse and account for all monies received. This will ensure accountability and transparency of receipted money.

Each state will be responsible for collection of donated funds. Clubs once they have completed their fundraiser, it is asked they forward the amount to their State Treasurer who will receipt the money. The State Treasurer will then forward the total amount raised along with the club names / amounts to the ACTA.

This initiative is purely voluntary, however we all will never know when our own club may be affected and allows for all clubs, members and visitors to donate and assist **directly to the sport** cause. The money is not going to the "general" charity fund – however this does not preclude any person or club from donating further if they wish.

This originally was a fundraiser for Queensland member clubs only, however due to many clubs being affected in several states, this has become a National initiative.

I thank in advance the State Secretaries and Treasurers for their immediate assistance, Zone Secretaries and Club Executives for their assistance in this fundraising initiative.

Results of money raised and grants given will be published in the Clay Target Shooting News. If any person or club wishes to discuss this with me further, please do not hesitate to contact me direct.

Thank you and our thoughts are with the affected communities at this time,

Skeet Carnival

Blackwater 2010

Attendance numbers for multi-gauge events have been steadily on the increase and the Pre-State Multigauge championships in the lead up to the State Skeet Carnival at Blackwater in September were evidence of this. 52 shooters arrived at the beautiful Blackwater grounds to contest these championships, beginning with the 50T 20 gauge.

Starting with a bang was Laurie Chelepy from Rockhampton who took overall with a perfect 50/50. Hard on his heels Dave Dundon was 1st in AA shooting 49/50 and Craig O'Neill took 2nd in AA with 48/50. Frank Cooper and Matthew Rhue shot off for 1st & 2nd in A grade shooting 56/57 & 55/57 respectively. Great shooting from the B graders, with Alan Adams 1st with 49/50 closely followed by Brisbane's Paulette Walker on 48/50, and Adam Bozier also shot brilliantly to take 1st in C grade with 48/50, Ray Bourne coming in 2nd in C with 45/50.

Handicap winner Matt Rhue with sponsor Mike Swale

The 50T 28 gauge was the second event on the card, Dave Dundon taking overall this time with a perfect 50/50. Craig O'Neill was 1st in AA shooting 53/54 after a shoot off with Mark Fanning 52/54. 1st in A grade was Frank Cooper 50/51 with Matthew Rhue taking 2nd 49/51 and Caboolture's Thomas Rhue finished

1st in B grade with 46/50 followed by Paulette Walker 2nd with 47/52. Local junior Blake Geary shot well in C grade to take 1st place with 38/50, with Adam Bozier taking 2nd 35/52.

Overall in the 50T 410 event was won by Craig O'Neill shooting 50/52 with Dave Dundon 1st in AA 48/50 and Mark Fanning in 2nd place on 46/50. Ashley Mason from Toowoomba

Mark Fanning and sponsor Paulette Walker

took the A grade 1st place on 46/50 followed by Eddy Elder 2nd with 45/50. Tassie's George Pinner shot well to take 1st place in B grade with 43/50 with Thomas Rhue in 2nd with 43/52, and C grade was won by Brett Graving 39/50 with Adam Bozier taking 2nd in C grade 34/50.

Rounding out the multigauge events on Friday morning was the 50T 12 gauge with Lorraine Hughes shooting a perfect 50/50 to win overall. 1st in AA grade after a shoot off was Craig O'Neill with 55/56 followed by Nigel Hughes in 2nd place with 54/56. Matthew Rhue won the A grade shoot off coming 1st with 57/60 closely followed by Shane Bennett on 56/60. B grade 1st place went to Alan Adams from Pioneer 50/52, with local Jim Storch 2nd with 49/52 and some brilliant shooting from the juniors decided the C grade places Daniel Andrews from Roma took 1st in C grade with an impressive 48/50 with Blake Geary taking 2nd 47/50.

The 200T Multigauge Champion for 2010 is

Craig O'Neill, only 6 targets down over the four events on 194/200 great shooting Craig. Thank you to all shooters who competed in the pre-national events and for supporting the Multigauge championships. Thank you also to Wesfarmers Curragh who generously sponsored these events and hugely contributed to the multigauge prize purses.

The State Skeet Carnival was underway by lunchtime Friday and opened with the 50T State Handicap event. 54 shooters nominated for this event with 3 shooters coming in with a possible. Matthew Rhue was the last man standing shooting a terrific 157/158 to outlast everyone who made the shoot offs. Blake Geary kept him busy coming in 2nd with 148/159 and Thomas Rhue wasn't letting them off easily finishing 3rd with 151/159. Toowoomba's Len Edwards finished 4th with 133/136 with Debbie Young in 5th place on 112/115. This event was generously sponsored by Mike Swale of Queensland State Solar who provided very healthy prize envelopes to the top five shooters. Also all four grades were represented among the winners so a very pleasing result. On receiving the cash, sash and Queensland silver badge Matthew commented how enjoyable it was to be able to participate in a sport where you could compete alongside and shoot off with your son. Well done Matt great shooting!

Event 2 was the 100 State Skeet Championship which was proudly sponsored by HDSpex – Pilla Performance Eyewear, Glenn & Paulette

Multigauge Champ Dave Dundon with Rod Bridges

Walker who are great supporters of this discipline. Mark Fanning shot the only possible of the event to take the sash, silver badge and trophy with a perfect 100/100 nice win Mark. Again in form Matthew Rhue took 1st in AA only one behind on 99/100 with Dave Dundon coming in 2nd on 96/100. Laurie Chelepy emerged victorious after a fierce shoot off with Tim Dodds to win A grade with 132/133, Tim in 2nd with 131/133, and Blake Geary shot a brilliant 95/100 to take 1st in B, with Bevan Reibel winning his shoot off to take 2nd with 101/108. Another strong effort by Roma's Veronika Forsythe saw her take the C grade prize with 95/100, followed by Luke Mason shooting 91/100 to take 2nd place. Ladies was won by Lorraine Hughes on 99/100, best junior was Eddy Elder from Melbourne 97/100 and Veteran's went to Max Barton on 92/100.

Debbie Young from the Gold Coast CTC shot the only possible in this event to win the sash, silver badge and trophy with 50/50. Just

one target behind was Mark Fanning shooting 49/50 to take 1st in AA grade with Craig O'Neill 2nd on 50/52. Also one off the money, Tim Dodds from Pioneer and Bevan Reibel from Blackwater shot 49/50 to take 1st in A & B grade respectively. 2nd in A went to Len Edwards with 48/50 and 2nd in B to Errol Reeves 47/50. A good win to State President Brian Muirson from Rockhampton shooting a healthy 42/50 to take 1st in C grade, while Ron Black from Toowoomba shot 40/50 to take 2nd in C. A fantastic score saw Paulette Walker win the Ladies prize with 46/50 in this event, while Eddy Elder took the Juniors with 46/50 and Geoff Bryant finished with 44/50 to take home the Veterans prize.

The Queensland Skeet Champion for 2010 is Mark Fanning from Brisbane, shooting 197/200 in the qualifying and team events to take the sash and trophy. Mark also won the sash for AA grade High Gun with 244/250 well done Mark. A grade High Gun winner was Matthew Rhue shooting 286/292, B grade High Gun winner was Bevan Reibel with 234/250 and C grade High Gun went to Veronika Forsythe 235/250. The Two Person Team medals were won by the strong combination of Mark Fanning and Dave Dundon 487/500.

The coveted High All Around sash and specially struck buckle was won by Dave

Dundon with a combined score for the Multi-gauge Championships and Skeet Carnival of 442/450. This award is sponsored and awarded by Pat Dury, a great supporter of skeet shooting, and Dave generously passed this award onto junior shooter Thomas Rhue of Caboolture for his terrific efforts and results over the carnival weekend. A nice gesture

from Dave who has been a mentor to many skeet shooters over the years.

Section High Gun winners were awarded to Debbie Young, Ladies 242/250, Eddy Elder, Junior 235/250 and Max Barton, Veteran 228/250. A brilliant effort by Lorraine Hughes saw her take the Overall High Gun for

the carnival with an impressive score of 258/264 a well-deserved win. An emotional Lorraine, who hails from the Caboolture Clay Target Club, accepted the gold Queensland badge, sash and trophy amid good wishes from competitors. Lorraine has been a great ambassador for skeet shooting over the past few years representing at Zone, State and National level, and she works hard to promote this discipline. Congratulations Lorraine, fantastic effort for 2010.

For a relatively small club like Blackwater with a limited number of hands-on helpers, they did a remarkable job to get the grounds and club looking in A1 condition for the visitors who travelled to shoot the State carnival. They welcome shooters with open arms offering camping, home-baked goodies, meals and great competition

with the best of Central Zone hospitality. Most importantly the targets are as close to perfect as you will find anywhere, with broken targets that could be counted on one hand over the entire weekend.

Also a stand out at this carnival was the amount of sponsorship

obtained almost solely through the efforts of Vere, our very hard-working hostess, who also secured local publicity for the shoot. All sponsorship directly benefited shooters with the trophy table laden and prize envelopes generously packed for all events. Thank you so much to all our sponsors: Wesfarmers Curragh, Leonie Geary Framing, T & J Whitehouse, Blackwater Sports, Jellinbah Mining, HDSpeX & Pilla Eyewear, Ashgrove Chiropractic, Queensland State Solar, Oakley, Hot FM, RipCurl & Pat Dury. It was so nice to see such a variety of prizes donated for this shoot with Leonie Geary providing a specially framed print, Paulette Walker generously donating therapeutic products and Blackwater Sports donating Oakley and RipCurl products. Thank you to all our sponsors we could not conduct these events without your continued generosity.

In another selfless gesture, Laurie & Candy Chelepy very kindly paid the full nomination fee for all junior shooters who attended the carnival and shot the qualifying team events. This type of generosity assists families who already carry the costs of shooting and the associated expenses of travel, accommodation, etc. and was hugely appreciated by the juniors

Team HG winners Max Barton, Wayne Read & Lorraine Hughes

Thomas Rhue, Dave Dundon & Pat Dury

Veteran Team

and their families. Not only does it encourage young members to attend our carnivals and assist them to qualify for our State teams, it promotes a great spirit of sportsmanship and generosity. Thanks Laurie and Candy, this was a much-appreciated gesture.

Thank you to the Blackwater club, grounds, kitchen and bar staff, particularly to Jim and Vere who kept everything running so smoothly, to the office workers, to Mike Swale our shoot marshal, to Brian Muirson our State President, Central Zone President and MC and to all who helped in any way to make this carnival a great success. Congratulations to all the winners and thank you to all the shooters who showed up to compete and to show their support for skeet shooting in Queensland.

National Coaching Director's Report

I met with the Coaching committee and discussed several items regarding coaching accreditation and we have revised the coaching renewal system for club and competition coaches, to be provided in the CTSN in the near future.

In this edition of the CTSN there will be a list of current accredited coaches for each state. Please check that your name is on the list. This list will be supplied annually through the CTSN. As of 2012 coaches who let their accreditation lapse by more than twelve months will automatically be removed from the coaching register.

The Junior camps for 2011 will now be held July 4-7 and October 4-7. Online applications are now available on the ACTA website. Applications for the July camp close on 3rd June and the closing date for the October camp will be 2nd September.

I am seeking input on coaching tips from those coaches with proven success in their methods which continually improve our dedicated shooters. I will be endeavouring to put together a book on coaching tips for the benefit of everyone. Please send them to me at graeme.boyd@claytarget.com.au.

HARRY NOLAN MEMORIAL SHOOT SUPPORTING THE CANCER FOUNDATION

The Forest Clay Target Club

On Sunday 21st Nov The Forest CTC held their annual Memorial shoot attracting 34 shooters from various clubs. The weather could not have been better for the 100 Tgt DB event and was in full swing at 10am. At midday we stopped for a plated lunch put on by the Ladies. A great job and a great lunch well done. Then it was back to the Traps for the final 50 Tgts. Not a lot of reds but some good scores were recorded using the Gemini Traps and Olympic Targets.

The club would like to thank Hollywood Plastics and the Horsley Park Gun Shop for their generous support with the trophies. On behalf of the club we would also like to thank all those people who helped make the shoot possible and to the shooters for their support on the day and a special thanks to Chloe Frost who took out the ladies trophy.

Results for the 100 Tgt DB: 1st AA Charlie Sherry 99/100, 2nd Matt Patmore 98/100; A 1st James Grice 98/100, 2nd Paul Farrugia 96/100; B: 1st Robby Haggart 100/107, 2nd Mick Simpson 99/107; C: 1st Frank Gould 83/100, 2nd Grant Atkins 77/100.

NORTHERN ZONE SPORTING CLAYS CHAMPIONSHIPS NEWCASTLE LAKE MACQUARIE

The NLMCTC hosted the Northern Zone Sporting Clays Championships on January 23rd. The weather was fine and sunny with a pleasant north easterly blowing; we could not have asked for a better day.

After a short rules briefing and a showing of the targets the event got under way with some 8 squads participating with travellers from Sydney, Central Coast and Hunter Valley. Frank Searles, Graham Hayes & John Puller again set some fantastic targets and they must be acknowledged for the layouts they provide and the long hours of work they perform behind the scene.

After the first fifty targets had been shot there was nothing between the top four of Mick Ling, Andrew Garvie, Reno Morganti and Kevin Raymond. Mick Ling also shot a very credible 25 in the second round to be the early leader.

As the competition rolled on and scores were coming in, the club house leader was Kevin Raymond with a great score of 94/100. Mick Ling's shooting was exceptional with scores of 24, 25, 24 with one round to go it look like he had his name on the sash but alas it was not to be and in his own words he didn't focus on the task at hand thinking he had it in the bag and he shot an 18 in the last round, this left Kevin Raymond the NSW Northern Zone Champion. (Kevin also shot a 25)

It was a great days shooting with many outstanding performances by Andrew Garvie, Mick Ling, Reno Morganti and Donald Jessop all shooting 90 or better well done.

The Overall High Gun was Kevin Raymond 94/100, AA grade was won by Andrew Garvie 93/100, A grade won by Donald Jessop 90/100, B grade winner was Robert Biscas 89/100 and C grade winner was David Abeni 70/100.

The club wishes all members and shooters the best for 2011 and hope to see you at our 2 day 5 Stand shoot on the 16/17 April.

Psychological Skills for Shooting

Michael Kruger-Davis

NORTHERN ZONE JUNIOR CAMP

For the past four years I have had the pleasure of attending the Northern Zone Junior development camp at Newcastle Lake Macquarie CTC. I go there primarily in my role as psychologist: providing information about goal setting, concentration, motivation, relaxation, mental rehearsal, etc. I also get the opportunity to provide some basic coaching and to provide training for the more experienced shooters; how to fit mental skills into their pre-shot, shooting and post-shot routines. This year's camp in early January was again a great experience. You may have noticed that in the opening sentence I said I have the 'pleasure' of attending. So, why is giving up several days of my holidays, volunteering my time and working with a group of juniors, something I would describe as a pleasure? This is an easy question to answer even though it contains many parts.

Firstly, from an organizational perspective everything had been considered. Graham Gosling and Rick Bannerman had invited a good selection of young shooters: ranging from complete novices to very experienced ISSF competitors. Tegan McCloy, Nathan Wilkinson have been part of Hunter Sports Academy squad and provided valuable support to the group as mentors and role models. Over the past thirty years I have worked mainly in schools, so I am well aware of the issues that affect adolescents and of the behaviours and interactions that are likely when adolescents are thrown together. As individuals and as a group they behaved excellently. I never heard or saw anyone display poor sportsmanship, rude or bullying type behaviour. More importantly, everyone was made to feel included and no one was rejected or neglected by the group. The only disappointment was that the media, TV and newspapers were not there to witness responsible teenage behaviour coupled with responsible gun ownership and usage.

I often talk to parents, teachers and clients about what our needs are as human beings. William Glasser, a famous American Psychologist, believed that humans had five main needs that were necessary for our existence and wellbeing. The first of these is a primitive desire to **survive**; find food, shelter and sex. The other four however are not as basic and if we do not meet these needs (or if they are met in a negative fashion) then this will tend to lead to maladaptive behaviours. The first of these needs is **belonging**. We all as humans want to belong or be part of a group. This group may be a family, social group sporting group, church group or a group of work colleagues. The second need is for **approval**. We all need to know that those around us, those whose opinions we respect and value approve of us and our behaviour. The third need is for **freedom**. This usually means the freedom to make choices or being empowered to choose those things that will make us a well adapted person. The final need that human beings have is the need for **fun**. If you enjoy what you're doing you will learn and improve, and life will be more enjoyable. I'm sure Graham and Rick didn't consciously plan to meet Glasser's needs but an unintended outcome of their work was that all these needs should have been met by all who were there.

Secondly, the facilities at Newcastle Lake Macquarie CTC provide an opportunity for these juniors to try a range of disciplines: DTL, skeet, ISSF Skeet, trench and double trap. The grounds were a picture and the catering was good healthy food.

Finally, there was an opportunity to work with the coaches, Graham, Rick, Helen Overton and the Hunter sports academy consultants: Liana Burrows and Anthony Webb both exercise physiologists. Liana's

focus was motivation and this became the theme for the camp, as we were able to take her introduction a step further and look at the difference between process orientation and product orientation. The other important aspect of the camp is that the juniors have a chance to have someone look at how their gun is fitting them. It was great to see Sophie and Yvette turn up this year with better quality guns and to witness both the improvement and level of enjoyment when they were hitting the target more confidently knowing that their guns were set up right for them. Rick Bannerman was very impressed with the Arrow Laser Shot and used it to help each junior see their gun's point of impact. If a correction was needed, then it could be done, and checked quickly and simply in the clubhouse.

The grounds of NLMCTC

It is easy for me as a teacher to look at the camp and see the positives. The organisers, should feel proud that it was another great success. However, measuring the success of such a camp is difficult. If the participants improve over time: personal best scores, improved grades, major wins then these

The squad doing stretching exercises

successes are easy to quantify. But the true success for these youngsters will come with a high level of sportsmanship and personal integrity, lifelong friendships, staying with the sport or returning later in life when opportunities present. These juniors should also be more likely to give something back to the sport: become involved in club, zone or state administration or coaching, encourage their own children to shoot, become advocates for responsible firearm ownership. Hopefully they learnt that good shooting is not necessarily about winning. After witnessing their level of commitment, their striving to improve and achieve, their desire to have fun and learn and their genuine encouragement of each other, I believe that our sport and society will be in good hands when they take the reins.

For Graham, Rick and the rest of the crew, keep doing what you are doing; you seem to have it right.

And for the squad remember to follow these simple steps:

1. Set your goals.
2. Stay focused in the present: discard past judgments and ignore fears about the future, they might not happen anyway.
3. Focus on the process and let the outcomes look after themselves.
4. Breathe and relax.
5. Trust and let go.
6. Have fun.

I am looking forward to January 2012 and hearing of the achievements of the squad over the next twelve months.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

BOXING DAY TRAP

Attendance 126. Weather conditions Rain early, then fine for rest of both days.

The big spend up for Christmas or the weather didn't seem to hold shooters back with a full 21 squads turning up to enjoy the 2 day Boxing Day shoot at Cecil Park. Even though the weather started off not so good the office and nominations flowed smoothly to get the first wave out on time and that extra bottle of wine to all those that refereed and scored the first wave would have helped move things along too.

Arty Del Ben's patience & persistence kept the 2days running smoothly after Louis Galea ended up in most of the shoot offs (who was supposed to be helping Arty with the shoot marshalling! (Good shooting though Louis).

This year, due to public demand, was the first year in over 5 years that CPCTC went to cash prizes rather than guns, and after looking at the attendance for this year it seems to have proved a worthwhile change.

A big thank you should be noted to all of our sponsors even though they were down this year to previous years. Sponsors are the people that make our competitions worthwhile – this year's sponsors were - ZZ Sydney Australia & Camilleri Custom Stocks, THANK YOU!

Firstly, I would like to thank Vince Gatt (our President), who keeps the club up to such a high standard, for all his efforts before, during and after the shoot, also Arty Del Ben (who didn't actually shoot on the day) for being the shoot marshal, it's always lovely to have you at CPCTC. A huge thank you to the CPCTC Junior Development Program kids who, as part of their contribution back to the club they help out at all our major shoots, all the kids did a fantastic job keeping our layouts topped up with targets and keeping the layouts clean. Thank you also to Brad Nelson for keeping on top of the scoreboard for the 2days and also to Frank Auditore, Maria, Alyce and Steff in the office, this is always a very big job, thank you.

Thank you to Diane and her team in the kitchen for keeping up with the hungry shooters over the 2days.

But most of all I'd like to say thank you to all the shooters that supported the 2day Boxing Day competition, we appreciate that a lot of you travelled along way to get to CPCTC at such a busy time on the roads. Last but not least I'd like to congratulate all the winners and place getters, I think all in all it was an enjoyable 2days with a lot of laughs and goodwill from all.

Two days of simulated field shooting

The Augusta Clay Target Club is located about 350 km south of Perth in the fabled South West of Western Australia. An area noted for its wonderful beaches, the mighty Blackwood River and of course premium red and white wines. The Club enjoys a remarkable outlook over the Blackwood River Valley to the northeast and the Great Southern Ocean to the southeast and the shooting stations have been designed to make maximum use of this panorama.

The two day simulated field shoot held annually in December has grown to be one of the best in Australia and sees increased attendances each year. This year was no exception with attendance records set on both days. 115 shooters participated in the 50 target Solofin Cranes Stakes on Saturday and 132 shooters made up the field on Sunday for the prestigious 100 target GB Corsivia Hillview Championship.

Corsivia targets have been used exclusively by Augusta for some time due to the high quality of the targets, their availability and the competitive pricing. The Club also incorporates a shotgun start for this shoot ensuring that all shooters are on the course at the same time, this minimises time wasting and therefore maximises the enjoyment of the shoot and the convivial atmosphere.

Solofin Cranes Stakes

Conditions for Saturday afternoon's competition were excellent with mild overcast weather and a light to moderate breeze. The Club has invested in 7 new field traps and these plus

those already on hand were put to good effect for the 15 station event. Single targets, pairs, crossers and targets of various sizes and colours were combined to make the course a challenge whilst ensuring that the average shooter had a good chance of success. GB cartridges donated by Dave Bies of Solofin Cranes and Allison Valley premium wine donated by Ross Porter made up the handsome prize pool.

Garry Marsh from Kojonup always shoots well at Augusta and this year was no exception. His good score of 46/50 saw him take out the overall winner's prize.

First in AA grade was Colin George from Wannamal Field and Game with 42/50 and the very consistent David Knight from Perth took A grade with 44/50. B grade was won by Busselton's Gavin Prouse with 44/50 and Glen Povey from Wannamal showed the benefit of some

coaching by Tony Traynor to card an impressive 45/50. Fraser Prouse did well to take first in Juniors with 34/50 to make it a good day for father and son.

The small group of ladies that have long supported the Club excelled themselves again on Saturday evening and many of the shooters took advantage of the excellent BBQ and luscious desserts.

100 target GB Corsivia Hillview Championship

Club members assisted by visitors busied themselves late Saturday afternoon and Sunday morning to change the course for Sunday's Championship event. Augusta is very fortunate to have ample space and varying topography to enable a wide variety of targets to be thrown thereby ensuring that Sunday's course was substantially different from that used on Saturday afternoon.

The Hillview Championship is a prestigious event and most of the State's top simulated field shooters were on hand to ensure that the competition would be of the highest standard. An added attraction was the wonderful prize pool of cartridges provided by Bruce Burns and Tony Traynor from GB Corsivia plus John Austin from Silvafox Sports, Tim Steere, Winchester and David Fox, Rio and Kemen. Addition prizes were donated by Landmark, Mark Murray, Fencing the Capes, Garry Trigwell, South West Firearms, Summit Ferti-lisers, CSBP and Troy and Amy Childs of Margaret River Pet Foods. An enormous thank you goes to all of these wonderful sponsors for their support.

The morning round of fifty targets saw Murray Tucker (who has previously won the Hillview Championship on 3 occasions) show the field how to do it with a fine 47/50 and Garry Marsh continued his good form from Saturday with 45/50. The always smiling Laurie Hull also carded 45/50 as did Phil House. Others on the leader's board were Doug Coleman and Colin George with 44/50. Augusta shooters Trevor McDonald and Barry Bolitho were the best of the locals with 43/50.

The one hour lunch break and the sumptuous spread of local fish, prime beef burgers and salads was welcomed by the competitors and visitors. Competitor's feedback was positive. Good targets, lovely conditions, can't believe how I missed that target on station, etc etc.

The afternoon round was shot under very good conditions and this was reflected in the scores. Augusta shooter, Cole Thompson improved significantly to card a 44/50 and Jason Yozzi lifted his game with a good 45/50 as did his mate Ken Green who improved by 3 targets to score 46/50. Trevor McDonald showed that you can be very much involved with organising an event and still shoot well by following up his 43/50 in the morning with a strong 46/50 in the afternoon. Veteran Mike Daden was also in the mix with 46/50 and Phil House was staking a claim for the coveted Overall Winner's mantle with 47/50.

It was squad 9 though that produced the winner. AA shooter Colin George, shooting with other AA tops guns, Neil Yates and Tony Traynor blitzed the field with a wonderful 49/50, a 5 target improvement over his morning round. Colin dropped his only target at the "rocket" a close in, fast flying, right to left white target zooming downhill. Colin had a very successful weekend. In taking out the Hillview Championship with 93/100 as well as 1st in AA on Saturday (42/50), his combined score was enough for him to claim the High Gun (donated by David Fox) with 135/150 for the weekend.

Phil House was one target behind Doug in the Hillview Championship to take 1st in AA grade with 92/100 from Laurie Hull on 88/100. 1st in A grade was Murray Tucker with 90/100 from Trevor McDonald on 89/100. B grade was won by Ken Green who carded 89/100 with Cole Thompson in 2nd place with 85/100. Glen Povey topped a great weekend by taking 1st in C grade with 82/100 from John Finn on 78/100. A shoot off for the Veteran's 1st place saw Mike Daden win with 86/100 from Alan Sextan.

Amanda House shot a solid 78/100 to take the Ladies 1st from Augusta's Paula Price and Rob Ellis took 1st in Juniors with 75/100. This is

Barry Bolitho & David Knight

Amanda House & John Finn

Carole & Cole Thompson

Terri Anne Hale

the second year in a row that Mike, Amanda and Rob have taken these respective 1st places. Garry Marsh took best unplaced morning round of 45/50 and Jason Yozzi had the same score for best unplaced afternoon round.

The Queenie Elliot Trophy for the best aggregate score for Cheery Tree and Hillview saw a popular win by David Knight. David is a fine shooter and is always near the top of the leader's

board so it was fitting for him to take this excellent and sought after trophy.

From all of the shooters and guests, a very special thankyou of course goes to the ladies that undertook and delivered the fine catering over the weekend which helps the Augusta shoot stand out. Without this support and assistance the shoot would be good but not excellent.

TRAP AND SKEET AT MARYBOROUGH

With Maryborough and surrounding district being drenched with 9 inches of rain in less than a week, Maryborough members were anxious as to how the traps and grounds would fare. The club is situated on the outskirts of Carisbrook, a small town heavily hit by floodwaters. Luckily all was well and although the traphouses were waterlogged, it was nothing that couldn't be fixed easily and enabled the January monthly shoot to proceed without drama.

Three events were scheduled for the day and 33 shooters competed and enjoyed the pleasantly warm conditions. The Points Score was first on the program and overall was taken out by Neil Cracknell, 78/78 and Ricky McKinnon ran second in AA. A grade was Jim Shepherd 77/78, 2nd John Dohnt, B grade went to Darren Pearce on 71/75, 2nd Graham Jolly. In C grade Allan Vincent won with 66/75 and 2nd went to David Petrie.

Alan Ford

David Petrie

Event 2 was Double Barrel and Alan Ford won overall and AA grade on 73/73. Second in AA grade was shared by Peter Tate and Neil Cracknell, 99/100. A grade winner was David Oates 72/73, 2nd Jim Shepherd. B grade Darren Pearce 48/50, 2nd Wade Canny and C grade went to David Petrie 47/50 with 2nd being Allan Vincent.

Wade Canny

Allan Vincent

Final event of the day was Skeet with overall and B grade going to John Bale 25/25. Second in B grade went to Alan Ford 24/25. Jim Shepherd won A grade 28/29, 2nd Murray Schaper. C grade went to Len Cook 22/25 and 2nd Graham Jolly 21/25.

High gun for the day, sponsored by Peter Egan Retravision, was won by Jim Shepherd.

VALE

Sydney Graham Wilson

("Roo" to his mates)

19-3-1946 to 5-1-2011

Died suddenly and unexpectedly at home on his farm near Tamworth.

Nicknamed "Roo" when at boarding school in Armidale, the name stuck with him always.

He loved his family, farm, fishing and of course shooting. He often wished there were more hours in the day so he could fit in everything that needed to be done.

He originally joined the Guyra Gun Club in the 60's, as there wasn't a club in Tamworth at the time. Later he was instrumental in founding and then developing, along with the late Col Burt, the current Tamworth Club at Loomberah.

He was always very competitive when on the tracks' and was a good enough shot to be selected in three McIntosh teams, '72, '75, '79. He also won many Club and major events including winning his prized Browning gun at Narrabri in 1968. Roo was always willing to help new and especially young shooters to achieve better results and often one would see him explaining some finer point or two during a shoot.

He is survived by his wife Margaret, daughter Claire, sons Matthew and Peter and their respective families.

He will be sadly missed by all.

Fine, warm weather greeted Australia Day in Bendigo. Some 67 shooters from all over Victoria took the opportunity to celebrate the day by attending the Bendigo Clay Target Club Annual shoot. The shoot has been running in Bendigo since 1974, and for many they now make this day a reason to visit the town each year. With floods still affecting the region, particularly to the north, the turnout was great. The shoot was run in the usual relaxed manner with everyone pitching in to help out as referees, scorers or in any way they could to make the day enjoyable. The club is particularly indebted to GB Corsivia for their outstanding sponsorship of this day.

With 4 traps operating, the events ran smoothly and some very good scores were achieved. The major event on the day, the Handicap proved to be a tense wait for Greg James after shooting a possible in the first round. At the end of the event he remained as the only shooter to achieve the perfect score and the \$500 cash was his. Greg ran second in this event last year. Some 10 other shooters shot 24, and the reason they missed "that one was many and varied. A great shoot-off ensued with Vilya Volgelzang eventually coming in second with a score of 52/53.

The club would like to thank all sponsors, Margaret and Jan in the canteen with assistance from Darren, Akkers and Shirley. Peter "Grumpy" Beaman did a superb job with the cards under his new light, and shot well to boot! Thanks also to the office staff - Brendan, Darren and Rod.

Letter to the Editor

To the editor - CTSN,

We would like to take this opportunity to congratulate the ACTA on a very well ran ISSF National Carnival held at the West Australian Gun Club, January 17-22, 2011.

This would have to be one of the best ran National Carnivals in recent years and it was fantastic to see the ACTA implement many of the proposed changes following the 2010 National carnival. To Elaine Forward, Rob Fox and all other volunteers behind the scenes, congratulations on a job well done!

Thank you to the West Australian Gun Club for improvements made to the Trap layouts and facilities, in particular the new concrete lips which were painted green to help target visibility. The scores recorded over the various events proved this to be a worthwhile enhancement. Also a very big thank you to Mr Peter Pierre from the WAGC who worked tirelessly during the week at the detriment of his own shooting to ensure all ran smoothly for those in attendance.

We look forward to attending the 2012 Carnival.

Regards,

50 Pair of Double Rise at Cecil Park

16-01-2011. Attendance 21 shooters. Weather Very hot & humid (well for Sydney standards anyway)

George Dominello and Paul Micallef were one of the first to arrive on the day and helped me set the targets for the Double Rise competition ahead; many thanks guys the targets were great!

The Double Rise competition was a nice social day at CPCTC with the weather turning on the steamy conditions. The comp started a little later than expected due to shooters arriving late. 2 layouts were used with 25 pair being shot on each layout; Arty Del Ben was the top shot for the day with an excellent score of 48/50 then backing it up with another 48/50 giving him a total of 96/100 for the O/A winner for the day. The rest of the results are as follows:

50 Pair Double Rise OA Arty Del Ben 96/100; AA 1st Matt Patmore 94/100, 2nd Con Plessas, 3rd George Poullos; A: 1st Joe Camilleri 93/100, 2nd Paul Farrugia 88/100, 3rd Neale Guy 84/100; B: 1st Brian Camilleri 81/100, 2nd Paul Micallef 78/100, 3rd Nicholas Chemuel 74/100; C 1st Christian Chemuel 69/100, 2nd Josef Kovacs 56/100, 3rd Kathy Chetcuti 52/100.

TAIPAN SHIELD 2010

The Taipan Shield is a postal team competition for our women shooters. Each team comprises 5 ladies who must shoot 25 Double Barrel scored in Points in the event of a tie. There has to be a minimum of three teams entered for a competition to be held.

We are delighted to announce that not only was there enough teams for a competition but that there were five teams entered. The teams were from Arnhem CTC, Spring Bay GC, Morwell GC, Melbourne GC and Castlemaine CTC.

The victorious team was Morwell from Victoria with a score of 117/125 followed closely by two clubs Melbourne 116/125 and Spring Bay 116/125.

Congratulations to Meagan Boast, Jenny Cleal, Brooke McMillan, Carol Stokes and Pam Widdows who formed the winning team from Morwell. Each of the women will receive a personalised engraved badge for their efforts.

Nominations for this event have to be in to the National office by October 31 each year with the actual event to be shot in November or December. Each team comprises 5 Women club members registered with the ACTA. Where clubs have insufficient Women members to field a team, a maximum of 2 women from a neighbouring Club can combine to form a team entry. The most ever entered is 7 and that was in 2006.

Thank you to the teams that did nominate for the 2010 competition and we look forward to receiving even more entries for 2011. Good shooting!

MIXED TARGET CHAMPIONSHIP HELD AT SEBASTOPOL CLUB

Sebastopol Gun Club Inc (Ballarat) conducted two Championship events on Sunday 21 November 2010.

Neil Cracknell & Len Cook

Maryborough and Gold Coast shooter Neil Cracknell won the Mixed Target Championship with a solid score of 99/100 and the veteran "evergreen" shooter Len Cook won the Ball Trap Championship with a score of 40/42 after an intense shoot off with Ashley McKnight from Maryborough.

Results for the day were as follows: **Event 1 – 60 Mixed Target Championship:** OA & AA 1st Neil Cracknell 99/100, 2nd Alan Ford 96/100. A 1st Neil Haydon 98/100, 2nd Ashley McKnight 95/100. B 1st Mathew Taylor 88/100, 2nd John King 87/100. C 1st Alan Vincent 78/100.

Event 2 – 25 Target Ball Trap Championship: OA & A 1st Len Cook 40/42, 2nd Ashley McKnight 39/42. B 1st Russell Black 25/30, 2nd Alan Ford 24/30. C 1st Mathew Taylor 24/26, 2nd A. Vincent 20/25.

Windy, wet at Echuca

Dull, windy, and wet, would be the correct way to describe the weather at the Echuca Clay Target Club's January 2011 shoot, and while it may have stopped some shooters from attending, there were still plenty of competitors to make it a good shoot. The conditions certainly made it uncomfortable for the shooters, yet there were still some very good scores recorded on the day.

A 25 target Ball Trap Championship was Event one, and while this is a very difficult discipline, especially when shot on a dull wet day, an Albury/Wodonga member managed to hit all 25 targets, Greg Pinner, was the only full score, so he earned himself the Overall Winner's Sash and first in A Grade trophy, without the need for a shoot off, well shot Greg! Echuca's Steve Atkins collected AA Grade 1st missing one target to end up on a 24/25 score, club secretary Peter Sing survived a shoot off with Bendigo member Ward Wende to collect the 1st in B Grade prize shooting a 36/40, and relatively new shooter A Bruni claimed 1st in C Grade with a score of 20/25.

G Pinner OA Ball Trap

Handicap shooting was next on the agenda and although no one could shoot all 25 targets, Echuca's Steve Traill and Ward Wende only let one slip away, putting them both in a shoot off that lasted just one target, Ward missed his, and Steve shooting off 22 metres, hit his and we had a winner and a 2nd place getter. Steve Traill, taking out the 1st place prize in the Handicap, with a score of 25/26, Ward Wende collecting 2nd place with his 24/26 result. Being handicapped back to the 23 metre mark was another of Steve's prizes, a result of his excellent shooting.

A 25 target Double Barrel Championship was the 3rd event and although there were several full scores to shoot off, Steve Atkins survived them all to take out the Overall Winner's Sash, and 1st in AA grade trophy with an

Steve Traill Handicap 1st

Steve Atkins OA DB

unbeaten result of 60/60. Colbinabbin shooter, Geoff Palmer, was the last to drop out of the shoot off, and he collected the 1st in A Grade trophy with a very good 59/60 result. There were no B Grade contenders in this event, A Bruni easily claiming C Grade 1st, shooting a 24/25, which is much better than most average C Grade scores, meaning, he will most certainly start a climb upward through the Grades.

The final event was the novelty Echuca Club Mug, a 10 target graded handicap shoot with a winner takes all cash prize, and finally, there was Steve Traill and Steve Atkins left, and as the weather conditions were not exactly enticing they decided to share the cash, foregoing any more shooting.

Club Improvements

The Tasmanian Gun Club had a big 2010. The culmination of several years of forward planning was undertaken and completed during the year:

The power poles from the roadside were replaced at a cost of some \$4000. These were probably the original power poles from some 40 years ago.

The light poles for night shooting were replaced with steel poles and the lights rewired at a cost of some \$4500.

The roof of trap three was converted to a "lift up" style, with a concrete floor poured at ground level as well, to enable trap filling and maintenance by simply raising the roof and walking in. This at a cost of about \$1800. It was necessary to build a complete new roof to get the weight down to enable gas struts to work efficiently.

Trap four was removed in its entirety and a precast concrete bunker installed to accommodate a new trap house which sits on a scissor lift to enable the house to be raised to DTL height and then lowered as required to Ball Trap height. The club purchased and installed a new Canterbury Crusader Ball Trap.

This project cost about \$26,000. The club received confirmation of a \$10000 grant mid year and along with a very healthy corporate donation was able to commence the construction and installation. However, we were faced with the dilemma of commencing the construction mid winter prior to the 30th Police and Services National Carnival or to leave it till summer.

Several of the committee took it on themselves to try to get the installation completed prior to the 30th Police and Services National Championships. However, to make life difficult there was continual heavy rainfall over the weeks leading up to the carnival. As can be seen by the photos we managed to build a good duck hole !

But, all is well that ends well. The construction was completed prior to the due date, unfortunately we were then thwarted by some teething troubles with the new trap, making it unusable during the competition.

All the issues have now been well and truly sorted out and we can throw some mean ball trap targets!

Our aim with installing a ball trap is to enable any shooters, new or old, to shoot at targets which are similar to those shot on a trench layout, this is a facility which has been sadly lacking at the club.

That the old trench layout is so manpower intensive that prospective trench shooters are simply denied an opportunity to enter or compete in an olympic discipline or equivalent on a regular basis.

Now, with the facility available on any normal practice Wednesday, there is no reason a shooter can't prepare for any competition.

To make life easier for our hard working Wednesday practice day volunteers we purchased two Elpipa token operated release controls. These are fitted at the skeet and ball trap layouts, at a combined cost of almost \$3000. Along with a Canterbury covering a DTL as well, we now have three machines, this means that Wednesday practice days are a breeze.

The club also lashed out and acquired kitchen appliances as well, a couple of pie heaters, a wall hotwater heater and a new urn.

The old bar was removed from the club house and the interior is now roomier.

Old wooden seating along the various layouts was replaced as required with macrocarpa pine, this should have a better life span than the previous seating.

The club is now well positioned for the next few years, however, we don't intend to ease up yet, there is still more to be done, the trench layout is due for refurbishment and modernisation, the clubhouse requires further alterations.

A deck area is proposed for the front of the club house to enable viewing of shooting under cover.

Covered walkways to the toilet facilities are proposed.

As usual though all these improvements depend on funds and energies.

The past 6 years has seen about \$120,000 spent on the redevelopment of the grounds, a very good testament to the hardworking committee.

We have had an excellent cohesive group of shooters running the club with none who are looking for ribbons for their kite tails, it is a pleasure to work with such a progressive group.

The club facilities are open and used by shooters for practice, corporate, junior and club shoots on over 75 days per year, the equivalent of 6 years of operations for most of our smaller neighboring clubs. This means a lot of hard work and we rewarded two of our stalwarts with life memberships.

Life Members

The two new life members who were inducted in 2010 were Mr Darrell Height and Mr Robbie Souter. These two guys have carried the Wednesday practice now for several years.

Skeet Championships

In late October the club undertook to run the State Skeet Championships in an effort to breathe new life into skeet shooting. Our first effort was an instant success !

Some \$600 was added to the prize pools by donations from the Hobart Gun Club, the Tasmanian Gun Club, Mr Chris Rockliff, Mr John Foster and Mr George Pinner along with a donation of medallions for grade and section winners by Mr Peter Rockliff.

The shoot was well patronised. There were improved competitor numbers, some 10 more shooters attended, despite several of our previous interstate regulars not making the journey this year.

Adrian Cousens officiated as our shoot marshall and this proved to be a brilliant move, Adrian was extremely efficient and all ran well. On many occasions you could witness Adrian imparting his wealth of knowledge on the younger shooters.

Adrian's emphasis on moving the bulk of the shooting competition forward each day, leaving shoot offs until the end of each days competition, alleviated delays for the majority of shooters and was very much appreciated by the majority of those who attended. Skeet shooting can be very time consuming and getting the bulk of events finished in a timely manner makes for a good day out.

Despite difficult shooting conditions we had some excellent shooting as can be seen by results, David O'Sullivan was the outstanding shooter for the weekend with a high gun score of 244/250 for the weekend.

Excellent individual event scores were David O'Sullivan 91/91 to win the Don Taylor Championship, Chris Rockliff a creditable 90/91 to be runner up.

A 50/50 by Frank Cooper a fine effort in the State Skeet Doubles Championship, as was the 50/50 shot by John Foster in the State 20Ga Championship.

The final day of competition was a coats on coats off day, but a very good 98/100 gave David O'Sullivan the State Skeet Championship.

There was also some excellent shooting from our up and coming junior shooters, Chris Jenkins with 138/150 and Nick Bowman 136/150 making the state open team. Hopefully these guys can draw some more younger shooters to this very testing discipline.

30th Police and Services National Championships

The 30th Police and Services Nationals was well attended considering the expanse of water between Tasmanian and the mainland and its restrictions to travel, a total of 124 shooters attended, many from all over Australia and also a contingent from New Zealand.

It was an excellent weekend of shooting, some good shooting and lots of good times, many shooters make this a regular event to catch up.

Mr Glen Woodhatch officiated as shoot marshal, it was a pleasure to work with him. He kept the ball rolling and each event ran very smoothly.

Many shooters commended the organisers for such a well run efficient shoot, although I suspect one who did was a little overwhelmed at his success for the weekend.

All in all an excellent group of shooters and a great carnival.

Some of the outstanding scores for the P & S contingent for the weekend were Tu Maaka of New Zealand a 57/58 to win the skeet, John Henning a 50/50 to win the handicap outright, Peter Kenyon a 55/57 the single barrel, Tim Atkins a very creditable 148/148 the double barrel, Peter Beaman a 158/150 the points score, and Peter Kenyon a 98/100 in the champion of champions.

The outstanding results for the civilian section were Chris Rockliff 49/50 for the skeet, David Williams 68/69 for the handicap, Scott Leighton 56/58 for the single barrel, Paul Francis 107/107 the double barrel, Clare Kesby 146/150 the points score and Paul Francis 99/100 for the champion of champions.

Overall high gun winners were Simon Gloster 436/450 for the Police and Services section and Bernie Smith 430/450 for the Civilian section.

Tasmanian Gun Club Interschools Annual Competition

The Tasmanian Gun Club club also runs an interschool person competition each year. This was conducted on the 1st December 2010 with 32 boys and girls competing from various schools around Tasmania.

Above: Junior competitors

Right: Hutchins team,
winners of the
John Lord Shield

This year the John Lord Shield, which is awarded to the winning three person team representing a school, was won by Hutchins School from Hobart with a 206/225, the second placegetters Flinders Island School 198/225 and third were Launceston Grammar 191/225.

The team scores are the aggregate of a round of skeet and 30 targets shot double barrel, points score and single barrel for the three top shooters from each school.

This annual school competition was commenced several years ago at the instigation of Mr Geoff Clarke and Mr John Lord, and has been a great success with many juniors progressing through this competition to join our sport as regular weekend shooters

Each year Mr Clarke and Mr Darrel Height award a trophy to the most improved skeet and trap shooters and the 2010 skeet prize was awarded to Ryan McMann and the trap prize to Angus Pitt, both of Hutchins School in Hobart.

The outstanding scores for the day were Aaron Headley, with a 24/25 in the skeet and Chris Jenkins a 74/75 in the mixed targets event. Chris Jenkins is the winner of the overall highgun on 71/75.

Chris is a very silent achiever, he is also now winning many club shoots and it augers well for him to be a good shot into the future. It should be noted that he shot well at both the skeet championships and the Police and Services Nationals.

Inaugural Holcim (Aust) National Capital Shoot

A cloud filled sky, slight breeze and a temperature of 16 degrees greeted the 100 plus shooters that travelled from

near and far for the inaugural Holcim (Aust) National Capital 2 Day Shoot at Majura Park Gun Club. Club president, Joe Thaller opened the event and wished all competitors the best of luck. The sound of shots echoed off the hills, gun smoke wafted across the range, clays breaking and the event had begun.

The first event on the card was the 50 target Express Shell Points Score. With only 2 red scores on the board at the end of the event, Matt Patmore and Neil Privett took to the layout for the shoot off. This was short lived with Neil dropping the 3rd target; giving the overall Express Shells Points Score High Gun to Matt Patmore with a score of 153/153. AA grade went to Terry Cooper 176/177, 2nd Matt Schiller 175/177 and in 3rd was Barry Skinner 148/150. A grader Neil Privett 152/153 took the win Darryl Reed 164/168 in 2nd and Ray Welch with 163/168 filling 3rd. B grade was also close with Heinz Klink 155/165 in 1st, Phillip Body 152/165 in 2nd and Brian Frost 140/150 taking home 3rd. C grade went to Andrew Smedley with 128/150, in 2nd at his first big shoot was junior shooter Pat O'Brian with a 126/150, 3rd place was taken by Miroslau Cubas with 125/150. Overall for Veterans went Andrew Tsolakakis 143/150, Ladies was Sam Peck 145/150 and Juniors Kate Schiller 141/150. A special thanks to Craig Tilley from Express Shells Milperra Marketing Pty Ltd for his support.

Event 2 was the 50 target Perazzi Australia Double Barrel and what a cracker this was. Two squads, 12 shooters into the shoot off, with numbers slowly falling only 3 remained after another 50 targets had been shot. Dave Crane, Matt Patmore and keeping them honest was Brian Frost B Grade. Brian was the first to go missing target 101, 1 target latter Matt let one go giving the overall Perazzi Australia Double Barrel High Gun to Dave Crane with 102/102. Matt Patmore with 101/102 was 1st in AA, Alan Cole 79/80 in 2nd and Tony Arvanitakis 58/59 with 3rd. 1st in A grade went to Darryl Reed with 59/70, 2nd was Anthony Plum 50/51, with Dino Marzotto 62/63 in 3rd. Brian Frost with his first ever 100 break took out B grade with 100/101, 2nd was Anthony Mancini 59/60 and in 3rd was Frank Bartolo. C grade went to a 3 way shoot off, Miroslau Cubas 52/57 taking the win from Andrew Smedley 57/63 and Lee Hanson in 3rd with 56/63. Overall Ladies was won by Sam Peck 48/50, Veterans went to Andrew Tsolakakis 75/77 and Juniors was won by Matt Schiller 58/59. Thanks to Fil Petriella from Perazzi Australia for their generous support.

The Perazzi Australia open pool, Graded HCP shoot off was the next event. This event was something a bit different. Balls numbering from 0 to 9 were place in a barrel, then 1 number was drawn out if this number matched the last number from your score in event 1, then you made it in the shoot off for a Sabatti U/O shot donated by Perazzi Australia. The lucky number was 2, 5 shooters went to the layout to contest this event Peter Ewart AA 24.5m, Willo Cameron AA 22.5m, Ian McKenzie AA 22.5m, Rachael McKenzie B 17m and Les Burchell C 16m. All shooters making reasonable starts, but with Les the first to go and Ian not far behind. Leaving 2 AA grade guns up against the

B grader Rachael fresh out of juniors. She put her head down and didn't let the boys in, with both Willo and Peter dropping the same target, Rachael had the pressure shot and made it with a barrel to spare. The aim of this unique event was to make it possible for anyone to win and this was the case. Willo went on to claim 2nd from Peter. Fil Petriella and Perazzi Australia again thanks for your generous support with this the event.

Day 2, clouds cleared, sun came out, temperature reaching a nice 22 degrees, yesterday's highs and lows are left behind. With every clay needing to count for both graded and overall high guns it was heads downs, barrels up and let the clays fly.

The Capital Weed Control Single Barrel, event 4 was hotly contested with shoot off's in 3 out of 4 grades. Dave Claxton was the only shooter clean with a perfect 50/50 taking overall. AA grade had 3 shooter's to fight it out with Theo Lionatos with 81/82 in 1st, Alistair Scott 80/82 in 2nd and Dave Crane 77/79 with 3rd. Again 3 shooters went out A grade, Andrew Tsolakakis with 63/66 proved to good for Joe Thaller in 2nd with 62/66 and Stefan Secker filling 3rd with 53/56. B grade saw Ray Kerns in front with 49/50 and Stephen Schiller 48/50 outshot Louis Knowles 47/50 to fill the minors. C grade went to Andrew Smedley with a 42/50 leaving Miroslau Cubas and Nadene Proctor to shoot it out for the last two places. Miroslau Cubas claimed 2nd with 40/54 and Nadene Proctor with 39/54 took 3rd. Ladies went to Kate Schiller 46/50. Veterans was Roger Medway 45/50 and Juniors Matt Schiller 47/50. Capital Weed Control and Greg Harris your support is very much appreciated.

Horsley Park Gun Shop Handicap, event 4 was last chance to gain those valuable points. With 2 perfect scores shot James Ewart and Loz Lloyd were set to shoot it out, but fortunately for Loz, James dropped his first target. With Loz and James filling the top 2 spots 4 shooters took to the trap to fight it out for 3rd to 6th and another 8 shooters were gunning for the 7th and last place up for grabs. Final results were 1st Loz Lloyd 51/51, 2nd James Ewart 50/51, 3rd Anthony Mancini 69/71, 4th Lee Hanson 68/71, 5th Andrew Tsolakakis 54/56, 6th Wayne Smith 49/51 and in 7th Darrel Reid with 53/55. A big thank you to HPGS for providing the fantastic prizes for the shooters over the weekend.

With all events done and run, the scores were tallied, the High Gun shoot offs were to come. B grade High Gun saw Anthony Mancini from Griffith and Heinz Klink from Canberra make their way out to the trap with Anthony coming out on top. The Holcim (Aust) National Capital Overall High Gun was to be hotly contested with Dave Crane,

Humid conditions for shooters at Wangaratta

The Wangaratta Clay Target Club attracted a keen group of 56 shooters, under very humid conditions to their January Down The Line Championship shoot on Saturday 15th. Although the conditions were somewhat uncomfortable, some good results were produced.

This shoot was the first competition event that the club has conducted this year and after the praise heaped on our local facility from the various winners visiting from other localities all goes well for another very successful year ahead. Like all sporting clubs run by volunteers, it is pleasing to have all the efforts of those actively involved appreciated. Many thanks again to Leonie Brown, Sue and Joanne Ford for their dedication in running the clubs canteen.

The 10 tgt eye opener was shared by 8 shooters, all receiving a handsome dividend. The first championship event for the year, 30 target single barrel, was taken out by A grader David Luelf by obtaining a perfect result of 30/30 with runner up in A grade by very keen junior competitor James Willett close behind on 29/30. AA grade was won by Terry Walls on 41/42 and 2nd place by local Champ Daryl Hunt with 40/42. Kevin Kirley shot 28/30 to win B grade and in 2nd place was Max Gribben with 27/30. Another outstanding up and coming junior Logan Wemyss won C grade

shooting 29/30 with 2nd taken out by Travis Jackson on 26/30.

The next event was a 40 target points score championship with Daryl Hunt again proving his expertise by returning a perfect score of 120/120 and 2nd in AA by Ben Vogelzang with a very close 119/120. A grade was won by Marcus Hargreaves with 142/144 and 2nd place by David Luelf with 141/144. First place in B was expertly taken out by Don Collihole shooting 115/120 and 2nd by Kevin Kirley on 114/120. A tally of 116/120 by Rod Jackson was good enough to win C grade just ahead of Logan Wemyss shooting 113/120 taking out 2nd place.

The High Gun awards for the days events went to: Overall Daryl Hunt 159/160, Veteran's Jim Kelly 147/160, Ladies Rebecca Kirley 136/160 and Juniors to James Willett with 150/160.

The Majura Park Gun Club would like to thank all our valued sponsors, committee and club members, office staff, canteen staff, trappers, volunteers and visiting shooters, partners and families for their dedication and support of this event. Without all this cohesion the event would not have been the success that it was. We hope to see you all back here again next year for a bigger and better event. Congratulations to all the prize winners!

Echuca Clay Target Club

RICH RIVER CLASSIC

The Echuca Clay Target Club held its annual Rich River Classic on Monday the 27th of December 2010 with resounding success. 90 plus shooters from a very wide area competed for places, and very fine trophies, at the prestigious shoot held just after Boxing Day. A clear blue sky and mild to warm temperature was marred only by a fairly strong gusty wind, which made top scores very difficult to achieve for the competitors. Commencing very shortly after the official start time, the shoot ran smoothly all day, and finished at the early time of 6.00pm, with presentations all over within thirty minutes of the shoot finish.

A Midstate Credit Management, 25 target Classic Points Score Championship, was the first event on the program, and William Headon, a Hay NSW registered shooter,

W Headon OA PS

only needed three targets in the shoot off for Overall to claim the event, an 83/84 score gave William the Overall Winners Sash and the excellent 1st in AA Grade trophy for winning this event. A Bebind picked up 2nd in AA Grade with an 80/84 score, T DeMuri collected 1st in A Grade with a 74/75 score, D Ball collecting 2nd on 70/75, B Grade 1st was won by A Fletcher 66/75, B 2nd was collected by K Kirley shooting an 65/75, M Lorenz shot a 67/75 to win 1st in C Grade, with C Repacholi taking 2nd in C with a 65/75 result.

A Goulburn Murray Credit Union, 25 Target, Classic Single Barrel Championship was next on the agenda and Melbourne Gun Club member, Frank Santoro, shot a full score of 25/25, and doing that earned him the Overall Winners Sash and the 1st in AA Grade trophy.

The three amigos. Echuca club members Rhys Eeles, Rob Viney, Steve Atkins

Echuca member, Steve Traill shot a 25/26 score to pick up the 2nd in AA grade trophy, A Grade 1st was G Peacock on a 31/32 result, and A, 2nd was G Fletcher with a 30/32. B Grade 1st was K Kirley 24/25, with B Jorgenson on 22/25 collecting the 2nd in B Grade, and C Grade 1st was taken by M Lorenz with a result of 21/25, finally D Shepherd shot a 19/25 to pick up 2nd in C Grade.

D Appleby Handicap 1st

The Shire of Campaspe, and Commercial Helicopters Pty Ltd, were the co-sponsors of Event Three, the 25 Target Classic Handicap and once again a Melbourne Gun Club member, Damien Appleby, survived a shoot off to claim the First Place Sash and the \$500.00 prize after shooting a 40/40 score to win. Bill Jorgensen from the Callawadda/Stawell gun club shot a 28/29 to collect \$300.00 which was the 2nd place reward, Echuca's, Ryan Atkins, scored a 29/30 to put his hand out for a \$150.00

3rd place dividend, 4th place was taken by T Peacock who shot a 28/30 to collect \$100.00, and finally, T Walls, picked up \$50.00 for shooting 27/30 and securing 5th place in the Handicap.

Once again, co-sponsors, being Aztec Dental Laboratory's, and Dinky-Di Houseboats Moama, for Event four, the 25 Target Classic Double Barrel Championship, and two shooters were good enough to make a mini marathon of this event, Mansfield member, Domingo Diaz, and Echuca's, Steve Atkins, both shooting so well that it was a surprise for

everyone watching when Domingo dropped his 187th target, and Steve having already shot his put his hand up for the Overall Winners Sash and 1st place in AA Grade with his magnificent 187/187 result, shot on a day when the wind was definitely not doing the shooters any favours. Domingo collected the AA grade 2nd place trophy with his well shot 186/187, A Grade 1st was B McMillan 30/31, A 2nd N Morrison 29/30, B Grade 1st H Ward 25/25, B 2nd T Allen 27/28, C Grade 1st N Zechner 23/25, and lastly C Grade 2nd was S Appleby on a score of 29/32.

Finally, the High Gun Awards, sponsored by Stewart Gillman, and missing only four points for the entire shoot, Echuca Clay Target Club member, Rob Viney, stood proud and received the Overall High Gun Sash and Trophy, beat-ing all others with his absolutely tremendous 146/150 result. A Bebind received the AA Grade High Gun Sash for his 145/150 effort, A Grade High Gun was T DeMuri on a 135/150 score, B Grade High Gun was K Kirley with a 133/150 score, C Grade High Gun was won by M Lorenz on 129/150, and finally the Junior High Gun was collected by an Echuca member, Rhys Eeles, with an excellent 140/150 result.

A very successful "Rich River Classic", shoot. Running very smoothly, and also finishing at a very respectful time, thanks to everyone that gave a hand to make it so. Thank you to the people that sponsored these events, without them the shoot may not be so attractive to the shooters. And to the ladies that fed and watered the 90 plus shooters, and some of their families. Also thanks to all the shooters, especially those that travelled big distances to make this shoot a highly successful feature of the shoot calendar.

N.S.W.G.C. Gold Sovereign Side x Side Championship

The pleasing number of eager competitors who attended the 5th annual Gold Sovereign Side x Side Championship at the New South Wales Gun Club on 20th November is indicative that there has been no lessening of enthusiasm for this prestigious event. Consistently around 70 shooters nominate and, as the motto for the day suggests, enjoy a day of "fine old guns, great shooting and good fellowship".

As has become customary, the day begins with a display of vintage side x side shotguns. Almost every reputable gunmaker from the glory days of pigeon and clay target is represented. It would be difficult to imagine a better display of magnificent old guns, and their proud owners.

As has also become traditional, a pyrotechnics display was performed by Tony Garland, proprietor of Stockade Gun Shop. Each year Tony's imagination and inventiveness goes beyond the previous year's exhibition. This year, catching a cannon ball fired from a genuine cannon proved to be a show stopper.

With breakfast consumed and the sound of Tony's cannon echoing across Terrey Hills, it was time to determine whose name would be engraved on the unique Gold Sovereign Trophy for 2010. John Sidoti, Andrew Shacklock and Frank Searles (twice) already had this honour.

The weather was good and the targets shootable. The program consisted of 50 targets, 25 D.T.L. and 25 Continental off 18 metres.

This year a separate prize category was instituted for competitors using hammer guns.

At the completion of the day's events Andrew Shacklock was victorious again and picked up the \$600.00 cash prize together with the genuine Victorian Gold Sovereign. Frank Searles tried hard for his hat trick but had to be content with second overall and first in AA.

As part of the vintage side x side display antique pocket watches are awarded for two categories. The judge this year was John Oates whose knowledge of quality shotguns is enviable. The award for the best original gun went to Phil Pemberton for his composed pair

L-R John Newton awarding the gold sovereign to Andrew Shacklock with his 2 children, Hugh McMaster and Bill Staughton at rear

of Westley Richards shotguns. The award for the best restored gun was presented to Bill Staughton for his exceptional Greener "Royal".

Perhaps the most anticipated part of the presentation ceremony is the draw for the vintage shotgun, generously refurbished by John Mialls. Every shooter who nominates to participate is eligible to be in the draw. This year the gun was a Charles Osborne hammer gun and the very fortunate winner was Ron Black.

Sincere thanks to our generous sponsors, participating shooters, many of whom travelled considerable distances, and to members of the club who put a lot of enterprise into the efficient organisation of the day. We look forward to your company at the 2011 Gold Sovereign event.
