National President's Notes

Sadly I have to report The Association has lost one of its past executive members and characters of our sport, Mr. Tom Meadows who passed away on the 21st July. Our sympathy is extended to his wife Thelma and family.

Following the recent elections in Tasmania there has been some changes to the ACTA executive. Mr Allan Kenny has replaced Mr Brian Bailey.

We welcome Allan to the executive table. Brian had recently been elected to both the Board and as a Vice President of the association. Therefore a ballot was required for both these positions. I congratulate Mr Dennis Harwood as the incoming Board member and Mr Rob Fox on his election as ACTA Vice President. Brian had also been the Chair of the Coaching Committee and I thank him for the effort he put into this position, which remains to be filled.

I feel I must comment on how disruptive it is to the Association to have continual changes. This is not a reflection on Tasmania but a broad comment regarding all states. The move, that I outlined last month, to second expertise outside of the State based structure is an attempt to get some expertise and continuity into our governing body.

The Association has been approached by representatives of Timor Leste who are keen to establish a club on the island. The military have made a Rifle and Pistol range available and following a visit to Darwin Gun Club, Colonel Falur of Timor Leste is also keen to establish a clay target facility. To help foster this process you will find a request for support elsewhere in the magazine.

The CTSN digitizing project is continuing with trial pages now active on the ACTA website. Click Downloads – CTSN Archives. This is a work in progress and will take some time before all copies and features are available.

The toilet block for the eastern end of the National Ground has been delivered and it is expected to be sited and fully operational by the end of October. Work will then begin on more powered sites in this area.

I struggle to understand, as I think most of us do, the recent tragedy in Norway, and our sympathy goes to them. Current statistics in Australia show the weapon of choice to now be the knife. Make no mistake though, our detractors will still use this opportunity to strengthen gun control in this country.

The next magazine will contain advice on many items to be finalised at the Board Meeting on the 6th & 7th August including the new membership categories, new subscription fees, and the format of the next DTL Nationals.

Until next month,

Robert Nugent

Executive Officer's Report

Welcome once again. The Premier of New South Wales recently raised the issue of shooting as a sport in High Schools. I am aware that legislation varies from State to State as well as policy within schools and this will effect opportunities to promote the sport and introduce new shooters to our ranks. This is a very contentious issue to some sectors of the community, however it is an issue that the sport should be

considering for a number of reasons. In Wagga Wagga, the Wagga Gun Club has been running a program in conjunction with the Riverina Anglican College for Year 10 students to participate in Clay Target shooting as a sport. The students do shooting for one term and all students participate. The program has been running for ten years and started with 25 students and now has 125 undertaking the sport. The first benefit is that some of these students will continue to shoot and join a club. Secondly even those who do not join will have experience of the sport and be aware that the sport does not encourage or promote the more radical views and behaviour that some people associate with shooting generally. This can only help the reputation of the sport in the community. I would strongly encourage Clubs to investigate opportunities in their area for a program such as this. I am aware that some other Clubs are running courses or programs like this, or trying to start them and I would like to know of them. This information and news of their success would then be passed on to Members of Parliament to assist in their considerations.

The recent events in Norway have caused a reintroduction of calls by the Greens for more restrictive gun laws. We are aware that these types of people are generally not those who participate in our sport, however the sport always cops the backlash. All shooters must ensure that we behave responsibly and safely while enjoying our sport and that our firearms are kept securely and according to the law.

As I mentioned previously a Junior camp was held at the National Grounds during the New South Wales school holidays. It included young shooters from NSW, Victoria and Tasmania. This camp was very well run, produced good results and the behaviour of the shooters was excellent. I would like to take the opportunity to thank Brian Bailey, who organised and ran the Junior camp as well as the Youth Camp, Bill Isles for his assistance as shooting coach and all of the other volunteers who helped. A highlight was the meals provided by Brian's wife Heather who even went to the effort of peeling fruit for the fruit breaks. All shooters noticed an improvement in their shooting and will continue to benefit from the advice and assistance given. The camp covered a good mixture of subjects to assist performance including psychological preparation, physical preparation as well as set up and shooting hints. It is to be hoped that this assistance will result in improved shooting and we will see some of these young shooters mentioned in the results for the next Nationals. I would also like to thank Brian for his time as Chairman of the Coaching committee. He has been very active, particularly with organising camps for the young shooters and will be sorely missed in this role.

BEGA GUN CLUB

Fantastic Crowd at July Shoot

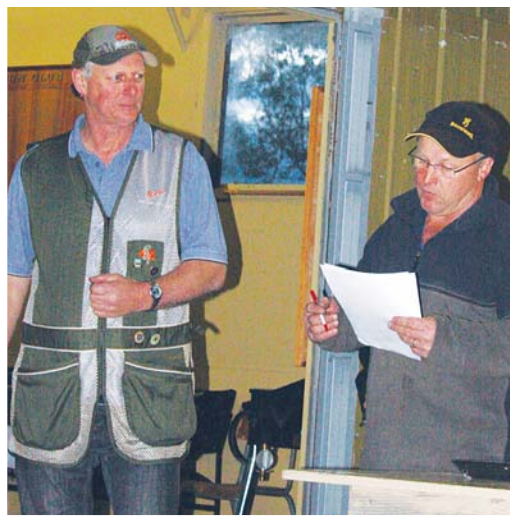

With a number of regular shooters otherwise engaged it was fabulous to see 44 shooters turn up for the Green Family Interclub Shield and the second round of the Fimac Engineering Shield. Bega once again turned on some perfect shooting weather, even if it was a crisp and frosty morning. Shooters came from Bermagui, Cooma and Bombala to join the locals.

The Fimac Engineering Shield, sponsored by Shane Platts of Fimac Engineering, Bega is shot over four rounds throughout the year, with the highest cumulative score providing the winner. A twenty-five target handicap event, it recognises the shooter who is most consistent across the four rounds.

James Ewart showed the way in this event, shooting 25/25 for one of the two clear rounds of the day. Rick Blyton and John Seide took a couple of extra targets to sort out second and third, with Rick finishing

individual winners for this event were Rick Blyton with 26/27 from Phil Body 25/27 with Nev Brady 26/28 taking out third.

The final event of the day was a fifty target double barrel. In AA Grade, Peter Athanasopoulos shot 49/51 for first with Stuart Bennett 38/51 taking second. Neville Teale showed great form to win A Grade with the second clear round of the day, 50/50. Runner up was Alf Niesar with

Fimac Principal and Sponsor Shane Platts and President Phil Body ready to present prizes

runner-up 26/27 to John's 25/27 for third. At the halfway mark in this competition, John Seide leads the chase by one point from Phil Body.

The Green Family Interclub Teams event sees all shooters allocated a team to represent Bega, Cooma or Bermagui. Again, a twenty-five target handicap event is used to decide the result. Each team member's score is added to make up the team result. At the end of proceedings, Cooma1 took out the trophy with a great score of 109 points, two ahead of Bega. The Clubs are very grateful for the support of Pat and Phil in providing the trophies for this entertaining event. The

47/50. In B Grade, Shane Platts and Ray Hedger shot another seven targets before Shane took the prize with 55/57 from Ray's 54/57. C Grade went to Mark Corbett with a score of 46/50 from junior shooter, Brody Walters on 44/50.

High Gun for July went to Rick Blyton with a creditable 94/100, whilst Bob Walters carried on the tradition in the shoot raffle of missing the first target. He gathered a meat tray courtesy of Kydd's Butchery for his efforts.

As part of encouraging shooters,

juniors Brody Walters, James Ewart and Elizabeth Green and ladies Barb Magrin and Pat Green received a box of shells, courtesy of the Bega Club.

Next month will see the new Ball Trap layout in use with the running of the Gail and Alf Niesar sponsored 100 target Ball Trap Championship.

A reminder to all Bega Club members that there will be a special, after the August shoot, to approve the updated constitution. This will be followed by the 33rd Annual General Meeting.

ROCKHAMPTON CLAY TARGET CLUB

Annual 2 Day Queens Birthday Weekend Shoot

The Rockhampton Clay Target Club held its Annual Two Day shoot on the Queens Birthday weekend in June with shooters coming from across the State for what was going to be a top weekend of shooting 108 shooters on Saturday and 114 shooters on Sunday. Numbers were down from previous years with cold temperatures and winter rains making Saturday a day for the brave and Sunday back to perfect as we are accustomed to in Central Queensland.

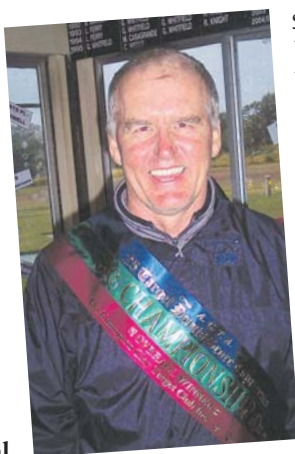

All was set for a good weekend with several members spending the week prior to tune up the traps, grounds and clubhouse for the event.

Trophies valued in excess of \$12,000 were up for grabs. As any club would know the key to staging an event is the sponsorship given to the Club. This year we were fortunate to have a number of sponsors and the Club endorses our sponsors' commitment to clay target shooting in Central Queensland. Sponsors for the weekend were Cambridge Hotel Motel, Campco Great Outdoors Centre, Casella Wines, Kennas Chartered Accountants, John Maxwell (Maxisports), Rural Press Limited, Qld Police Clay Target Club, Don & Marilyn Berrie, Mark & Helen Warnock and Col Warnock. When in Central Queensland please support our sponsors.

The weekend opened with a great Stanage Bay reef fish dinner, caught and cooked by the Stanage Bay Crew. Now that's a hard way to prepare for the shoot, out fishing at Stanage Bay but someone has to do it!!! Some complimentary Yellowtail wines to go with the dinner saw the stage set for a good weekend.

Those who stayed on Saturday night were treated to a carvery supplied by the Cambridge Hotel. With a few Casella Yellowtail Wines and other beverages under our belts most were in bed early preparing for the next days events. Others took advantage of the clubs hospitality and enjoyed the new bar area for a few more hours.

Once again this year we had Terry and Vicki Ferguson from Stanage Bay (non shooting volunteers) put their hand up to help out in the kitchen. They did a magnificent job for two days from daylight to dark. Not only that, they donated the mud crabs to the club for the raffle and snacks on the bar.

Winner of the gun was Marty Vine from Mackay and the accessory pack was Donna Nugent.

That's it until next year where we have

Last but not least, thank you to the travelling shooters, without your support the shoot would not have been the success it was. Be sure to put this event on your agenda next year.

Flood Relief Appeal Thank You

A warm thank you is extended to individuals and clubs of the Australian Clay Target Association (ACTA) that have assisted member clubs that were affected by the flooding that devastated much of Australia.

The raising of funds to assist member clubs will be ongoing as clubs are only starting to come to grips with the damage and loss to infrastructure that resulted.

At this time though, if not already forwarded, it is asked that any clubs that have raised funds to assist, please forward them to your State Treasurer. State Treasurers are then asked to forward the totalled amount to the ACTA Office attention to the Finance Officer, identifying those clubs or individuals that raised or donated funds.

In the near future a list of clubs, States and individuals that provided funding and donations will be published in the Clay Target Shooting News (CTSN).

An independent committee to consider the disbursement of the funds is to be formulated. This committee will be tasked with the allocation of funds with no Executive Members of the ACTA being involved, allowing transparent and independent assessment and distribution.

On behalf of the members of affected clubs, the individuals who have (and are still suffering) as a result of one of Australia's greatest tragedies, I thank those that have assisted in any way to help fellow members and those affected. Your fundraising and initiatives will go a long way to the continued future of our sport.

33rd Central Victorian Grand Prix

Maryborough Gun Club, like many other clubs, relies heavily on the few members able to give their time to prepare for an event of this size but nevertheless, those that were able to assist had the grounds and traps well prepared and even the fog which enveloped the ground in the early morning was unable to dampen the atmosphere of a great day's shooting that followed.

Sam Rundell, Overall winner S/B

Steve Haberman and Nathan McDonnell joint winners of the Grand Prix

It was once again a pleasant surprise on Saturday morning to see cars filled with shooters and their families driving into the grounds. The Maryborough Gun Club's "Central Victorian Grand Prix" is one of the longest running and most prestigious events on the Victorian Clay Target Shooting calendar and many competitors return year after year to enjoy the atmosphere, the fare and the competition.

This was the 33rd time that the event had been held and although numbers were down on the last couple of years, perhaps due to another major event being held on the same day and the fact that it was the last weekend of a very bountiful quail season, 110 shooters entered the day's events to compete for prizes that totalled in excess of \$8,000. This year we had visitors from many Victorian clubs as well as shooters from NSW, Qld, SA and WA.

The morning fog slowly cleared and with little to no wind the 1st event, the 25 target

Highland Home Construction Single Barrel Championship got under way shortly after 9:30am.

The overall winner of the Single Barrel Championship was Sam Rundell, from the Myamyn Gun Club, with a score of 47/47. 2nd in AA went to Nathan McDonnell of the Werribee Clay Target Club. A Grade was taken out by Mitchell Iles-Crevatin from the Hay club on 35/36 and 2nd place went to Greg James (Callawadda-Stawell). The B Grade winner was Wade Canny from Castlemaine Gun Club 31/32 with Wayne Whitehead (Bendigo) running into 2nd place. In C Grade Brian Case (Mt Gambier) won with a score of 23/25 from Jack Flintoff (Beaufort).

In the major event, the 33rd Annual Central Victorian Double Barrel Grand Prix, 33 shooters shot the possible and it looked like we were in for a long shoot-off. However after 125 targets only two shooters remained, Steve Haberman and Nathan

McDonnell who at this point decided to split first place, effectively taking out between them Overall and first in AA. The combined prizes for Nathan and Steve included the major overall prize, a Sabatti rifle valued at \$1200, a Marlin 17HMR rifle valued at \$650 and the appropriate sashes. This is the seventh time that Steve has either shared or won the Grand Prix.

First place in each of the grades was a Marlin 17HMR rifle. An Armed Model 6 Air rifle was the trophy for 2nd prize in each grade and 500 premium GB Priors shotshells were presented as the trophy for 3rd place.

AA Grade 2nd was won by James Buchholz from the Noorat Gun Club (99/100) and 3rd place in AA went to John Hawker from the Bordertown Gun Club. In A Grade Wayne Black from Warrnambool Clay Target Club took out first place on 73/74, Peter Beaman (Loddon District) came second and Heath Telford (Mt Gambier) was 3rd. At presentation time the club raffle was drawn and won by Heath Telford, the day's luckiest shooter, who also managed to win the lucky door prize, 500 Prius shotshells, again sponsored by Bruce Burns. The lucky number draws were won by Glenn Woodhatch and Steven Rogers.

Many visitors made comment on the well presented shooting grounds – our thanks to groundsman Clarry Alderson and on the high standard of targets thrown. Corsivia Australian Trap Targets were used exclusively over the program and performed admirably on 4 different trap brands over the five layouts.

The Club would like to especially thank the major sponsors for this event – GB-Corsivia, S & H Shooting, A & L Guns, Highland Home Construction and Herring & McMillan. The Grand Prix could not have run without their generous support.

Many thanks to the wonderful ladies in our kitchen who provided such excellent fare over the entire day, satisfying many hungry and appreciative shooters and their families.

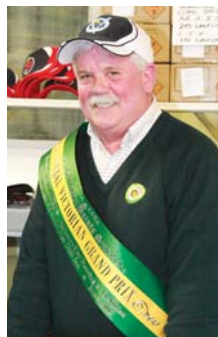

Once again, congratulations to all our winners and thank you to the many people who assisted in running the shoot. We hope to see you again next year for an even bigger and better 34th Annual Central Victorian Grand Prix.

TRENCH SHOT AT ECHUCA

Twenty-five targets of Trench was one of the four events on the program at Echuca Clay Target Club on Sunday the 10th of July. Handicap, Double Barrel, and Club Mug were the other events, and in total that attracted five squads of shooters to attend the shoot. Five squads on a bleak, cold and misty winter's day is possibly a good attendance figure for a country club.

Steve Traill OA Trench

Steve Traill led the shooters in event one, the 25 target Trench Championship, shooting a 23/25 score that was only matched by one other Echuca member, Craig Fitzgerald. But Craig had to leave for home early, giving Steve the opportunity to collect the Overall sash and the 1st in B grade trophy. Well shot Steve! B grade 2nd was Peter Sing on a result of 19/25, A grade 1st was C Fitzgerald 23/25, A 2nd W Humphries 22/25, C grade 1st went to promising Junior shooter B

Melotte, having shot a 22/25, and 2nd in C grade was Ned Collicoat on a 19/25. The scores recorded in this very difficult discipline were really quite good considering they were shot on such a dreary, dull and windy day.

The 25 target Handicap was next on the agenda and Echuca member Warrick Kely was the only one successful in hitting all 30 targets including the shoot

off, with Deniliquin member Ned Collicoat dropping his 30th to earn him 2nd place and \$35 in cash on a score of 29/30. Warrick collected the Handicap First Place and \$60 for his sterling 30/30 effort, and Drew Healey shot a 24/25 and that earned him 3rd place and \$25 dollars in hand.

Only two shooters lined up for the main shoot off, in event three, the, 25 target Double Barrel Championship, both having shot a full score. Echuca member Rhys Eeles stayed the course ending on a 26/26 score and collecting the Overall Winners Sash and 1st in AA grade trophy, P Calandro dropped his 1st shoot off target giving him 2nd in AA grade with a result of 25/26. A grade 1st was claimed by Ian Gebhardt having shot a 24/25, Ned Collicoat won 2nd place in A after a short shoot off ending with a score of 28/31, B 1st was M Chalmers 34/37, B 2nd Geoff Ervin shooting a 33/37, B Melotte claimed C 1st with a 22/25 and Barry Rogers shot an 18/25 earning him 2nd in C.

Two squads of shooters shot the possible in the Club Mug, all lining up to shoot off, and eventually it came down to Bendigo member, Tony Moroni, and Junior shooter B Melotte, Tony finally wore down the young shooter, even though he was shooting from a back mark, and put his hand out for the handsome \$95 dollar 1st prize. Well shot Tony!

Deniliquin Members shine at Mathoura Shoot

On a night that was almost perfect for clay target shooting, mild, calm, with just a little fog that highlighted the white targets, Mathoura Gun Club saw three full squads of shooters arrive for their June 2011 shoot. Cohuna, Deniliquin, Echuca, Moama and Mathoura were the shooters home towns, and Deniliquin's Bruce Cook and Mathoura's George Bradley were the only two who could put all ten of the first events, double barrel targets down. Both men receiving \$18 as a share of the cash divide for shooting a winning score of 10/10.

Event Two was the main event, a "Night" in the description of the event two, which should read a Victorian North East Zone, Night Mixed Target Championship and the Overall Winner and 1st in A Grade was Deniliquin's, Tim Maher, Tim only dropped one point to record an excellent 49/50 score and that was too good for any others to match, well shot Tim! 1st in B Grade was Mathoura member, Trevor Berryman, with a 38/50 result, and C grade winner was a

member from Cohuna, Geoff Hogan, Geoff shot a 45/50, an excellent result for a C grade shooter.

Event Three, a 10 target Points Score Cash Divide, and again Bruce Cook shooting a perfect score of 30/30 took out top honours, and the bulk of the cash, with Mathoura's Roger Kerslake taking 2nd place cash, one point down on a 29/30 score.

Mathoura has been running a Junior High Gun 1st and 2nd thanks to the generous donation of cartridges from Graham Hall, a Mathoura member, and this night 1st place was claimed by Cohuna member,

master James Hogan, who shot a 72/90 score, with Mathoura's Adam Scott picking up 2nd place with a result of 66/90.

At presentations, president, Roger Kerslake commented on how smoothly the shoot had run, and thanked all who attended for travelling on a foggy winters night to attend what turned out to be an excellent shoot, also Roger thanked Donna, and her helpers for supplying the shooters with hot food and drink all evening, at the shoot which ended at the very respectable time of 9.30pm.

Jean and Peter Wray Trench Cup

The Jean and Peter Wray Trench Cup was again held at Melbourne Gun Club on July 2nd and 3rd 2011. The event is held in recognition of all of the tireless work that both Jean and Peter have dedicated to ISSF shooting not only at Melbourne Gun Club but Australia wide. This was the 3rd year the event has been run and also formed part of the Victorian High Gun Series.

Twenty-five shooters had entered the event on Saturday morning which was a little down on what was expected but with such a busy ISSF calendar its unfortunate that clubs now face an

uphill battle to get shooters to travel to events that are not recognised as a PQS event by the AISL.

Weather conditions for Saturday were sunny but with a fairly strong breeze to keep the shooters on their toes. Brett Dunstan got out of the blocks early and ran the first 50 targets straight winning himself a free case of GB shells proudly donated by GB-Crosivia to the first person to shoot 50 straight. Brett finished the day leading on 73. Next to him was Craig Henwood on 70 with Jeff Tonna and Steve Trembath both on 69/75. In the Ladies event Michelle Beecham and Anna Shedrina looked set for a close tussle.

Day 2 of the event with another 75tgs to go and final and the weather had changed quite considerably. Dark skies, freezing cold winds and the odd shower made shooting conditions very tough for everyone except Steve Trembath. Steve shot 71/75 for the day to put him equal leader into the final with Brett Dunstan on 140/150. Next into the final was Craig Henwood 138, Jeff Tonna 136, Todd Malone 135 and Ross Liersch 131. After the 25 single barrel targets it was Steve who came out on top continuing the hot streak he is on of late.

The ladies event saw Michelle Beecham lead into the final on 126 over Anna Shedrina on 123. Michelle extended her lead by 1 in the final to take out the ladies prize for 2011. Melbourne Gun Club junior Geoff Aston took out the Juniors event.

Northern Territory Clay Target Association STATE CARNIVAL – JUNE 10-13

We went into the Carnival living every organiser's nightmare. Four days of promised rain with minus temperatures and daily highs of 9 degrees. And this for the sunny centre of Australia Alice Springs, half way home to Mexicans heading north of the border for warmth and sunshine.

The weather forecast didn't deter shooters though with a record number turning up for our carnival. All states were represented except Tasmania, presumably the only shooters who would have laughed off our suggestions of cold weather. Luckily the rain stayed away; the icy winds didn't, but hey you can't have everything.

The clubhouse was toasty though, with soup on the simmer and the fire inside blazing away. Outside the requisite half 44 drum was roaring, as much from the hot air of the shooters gathered around it as the ready supply of logs. A couple of gas verandah heaters

Sash Winners for the June 2011 NT Carnival

completed the atmosphere and made for a gathering spot for the obligatory introductions and tall stories, and the perfect spot to wait for the afternoon nibbles.

The club grounds were in great nick with the extended camping area coming in handy for the campers. The new outdoor bathroom facilities and outside kitchen eased the demands on the clubhouse, so everyone could find a spot to get fed, feel warm, have a chat.

The kitchen was bubbling with warm food and the fridges were

stocked for the after-shoot rush. Luckily we had Kingston visitors otherwise we wouldn't have run out of Jim Beam. And we did run out of Scotch and Coke, make of that what you will, or you could just ask Craig Bentley.

The club's pre carnival working bee was helped by Western Australian campers Bruce, Dee, Graeme, Kevin, Leonie and Marilyn (all in alphabetical order to avoid arguments). No matter what the job is, cleaning, moving ammo, lifting supplies, stacking wood, there always seems to be

a ready hand among campings at the clubhouse, and always ready to help. Bronte and Tania Evans back in their old stomping grounds from Adelaide were an asset to the carnival, helping all over the place, even doing the 7am breakfast run. Lucy was there everyday in the kitchen; washing, washing, washing. And special thanks to Belinda Bone, our visiting honorary club photographer who took the photos for the website and magazine.

Premier Teams Event VCTA South East Zone

Round three of the Premier Teams Event was shot at Korumburra on the clear and sunny Saturday 25th June and was contested by 102 shooters making up 19 teams.

The club is back up and running after the fire that razed the club house to the ground. The work to get back up and running by President Leigh Cross and Secretary Iona McJames as well as their very busy committee has been a massive effort.

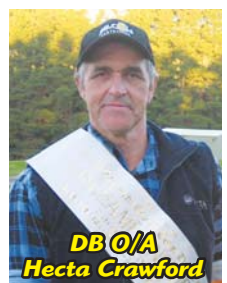

Handicap Winner Mike Hutchins

Event one the 25tgt Handicap saw only two possibles Mick Hutchins and Tony Psalia. Mick was the victor after a one straight break in the shoot off, giving him first place with 26/26, Tony was 25/26. Three full squads of 24's shot for third with Trent Tobias 54/55 out lasting a selection of handicap marks from 15 m to 24 m. Back Marker was Geoff Aston 37/39.

Half way in the teams section saw MCCCTC out in front with 116 from Melbourne Green 115 and Melbourne Blue 113.

The sun was shining however the breeze was obviously a factor with only 19 possibles in the Double Barrel. After a snappy thirty targets in the Overall shoot off only Hecta Crawford and Rob Pistone remained and it was Hecta who prevailed with 117/117.

Rob was first in AA with 116/117 and Roger Esplin 52/53 second. A C Nelson 36/37, 2nd B Preston 35/36, B M Downs 40/41, 2nd D McLeod 39/41, C E Bidese 27/28, 2nd D Cameron 26/28.

DBO/A Hecta Crawford

Tony Psalia was the only 50/50 for the day and collected the High Gun sash. Tina White 47/50 was the very happy Ladies High Gun.

Winning Team Melbourne Green

Junior High Guns went to Jack Wallace 48/50 for A grade and Matt Woods 48/50 for B.

The winning team was Melbourne Green with J Wallace, J Spicer, D White, S Aston & G Aston shooting 235/250 a clear distance ahead of Melbourne Blue, Werribee and Cerberus on 229/250.

Melbourne Juniors were winners also with 96/100 the combination of J Wallace and M Woods getting the job done.

Brett Ford tops the day at Wangaratta

L-R: David Whyte, Pat Calandro, Brian Hoyland, Peter Gorrie, Reg Phefley, Hayden Smith, Colin Wemyss. Seated Daryl Hunt, James Willett, Bailey Vogelzang, Vilya Vogelzang

A big attendance of 56 keen Down the Line shooters shot at the Wangaratta Clay Target Club competing for the two Championship events held on Saturday 16 July. It was encouraging to see a good number of junior and lady shooters come along and enjoy the excellent facilities and friendly atmosphere of the club. The weather started off perfectly, however deteriorated into cold and overcast conditions as

the day went on. The club had plenty of great hot food on hand catered for by Kath and her team from the nearby historic Vine Hotel.

After shooting the eye opener with the cash pool being shared by 14 shooters, the next event was a 50 Tgt Continental Championship. Pat Calandro from Shepparton returned a perfect score of 50/50 winning AA grade and Overall, just ahead of Tungamah champion DTL shooter, Brett Ford with the very impressive score of 98/99 after a long shoot off. Local sporting clays

expert, Brett Jory won 1st in A grade, dropping only one target on 61/62. David Whyte took out 2nd with another very good score of 68/70. B grade was won by Colin Wemyss 45/50, ahead of Peter Gorrie 44/45. Hayden Smith returned a tally of 45/50 to win him C grade and Brian Hoyland shot 43/50 taking 2nd place. As anyone that has shot the Continental trap discipline would know, due to the irregular nature of the flight patterns of the targets can present a real challenge to even the best shotgunners.

The clubs last event, a 50 Tgt Points Score Championship resulted in local hard working committee member Daryl Hunt winning AA grade & O/All with a perfect score of 150/150, however Brett Ford was putting the pressure on by dropping only one point, taking out 2nd place. David Whyte shot an impressive 145/150 winning A grade, just ahead of lady top shot, Vilya Vogelzang on 144/150. Vilya's son, Bailey was too hard to topple for B grade with a tally of 139/150, well done Bailey. Colin Wemyss won 2nd in B grade shooting 152/165. Once again, we saw Hayden Smith shoot well to win C grade with 140/150, defeating local all rounder Josh Moore with 132/150.

Overall. High Gun was won by Brett Ford 207/210, Junior High Gun was James Willett 205/210, Top shot Reg Phefley took out the Veterans High Gun on 189/210 and Vilya Vogelzang won the ladies H/G with 198/210.

IT'S YOUR CALL by Bill McCarthy

You are a Referee in a Double Rise event where a shooter fires and breaks (say), the right hand target with his first barrel. He then swings on to the left hand target and has malfunction of his gun and or cartridge. You carry out your usual check and determine that he has had an allowable malfunction. You then declare "No Target on the second barrel."

You instruct him that he is to shoot a "Proof Pair" to determine the result of the second shot.

He reloads and shoots deliberately at the **left hand target** which he breaks.

What do you Rule?

It's Your Call!

If you rule "Won" for the first target and "Lost" for the second target you would be quite correct.

*There has been some cases where a shooter has argued that he was entitled to score with his next shot and that breaking the left hand target satisfied the provisions of **Rule 1.07(f)**. **NOT SO!** A Proof Pair is just that ... a "Pair".*

Hence, he is required fire again at a "pair of targets" in the same order as he did initially to determine the result of his second shot only. Clearly, it does not give the shooter the right to claim a positive result if he shoots only at

*the second target without any reference to the first target Irrespective of which barrel he used in so doing. In any case, should he use both barrels at the second target then both targets will be declared "Lost" under **Rule 1.07(e)**, even though he has already broken the first target.*

It is important that we remember that this is a Double Rise event and should be treated as such. Therefore, you, as the referee should clearly instruct the shooter to shot a proof pair by firing his first barrel in the direction of the first target of the restored pair before firing at the second target to determine the result of his second shot.

Singleton Clay Target Club

HG winners (L-R): SJ: Frank Morris, L: Amy Buys, V: Frank Searles, C: Hugh Sneddon, B: Allen Devine, A: Steve Atkins, AA: Andrew Garvie & OA Reno Morganti

The long weekend in June is always scheduled for our major shoot of the year when a 2 day Novelty Field & Game shoot is held.

On Saturday 11th June the 100 target "Tom Turner Memorial" Redbank Creek Championship was held in memory of the late Tom Turner of Cessnock who passed away in 2005. This event was the last event that

Paul Turner (Tom's son), OA Tom Turner Memorial winner Frank Searles & Singleton CTC President Bruce

he won only weeks before his untimely passing. This is the main reason his memorial shoot is held at Singleton instead of his home club of Cessnock.

The major event on Sunday was the 100 target "Cable Handling Services" Championship.

The whole weekend has been very generously sponsored by the Ridgway Family for many years now and without their assistance the shoot would not have grown to its current state of success.

Unfortunately the weather on Saturday was overcast & threatening rain with icy winds and on Sunday it rained all day which kept a lot of shooters away.

92 shooters nominated on Saturday and 70 on Sunday. Shooting began at 9.30 and the results were: AA 1st Frank Searles 108/115, 2nd Steve Payne 104/115, 3rd Andrew Garvie 92/100, 4th Allan Bauer 90/100. At the presentations all winners were

presented with sashes and prizes. The place getters received some nice prizes.

Sunday dawned wet and cold with 70 shooters braving the elements.

Shooting began at 9.30 and the results were: AA 1st Reno Morganti 92/100, 2nd Gary Sweeny 87/100, 3rd Sam Sweeny 86/100, 4th Shane Thrift 86/100. At the presentations all shooters had a lot of praise for the volunteers who had worked tirelessly to prepare the course and the club house, without the hard working volunteers this weekend would not have been the success that it was.

Col McDonald and Geoff McKenzie looked after the traps and field and we had very little time delays. A big thank you to the field committee for the great layout which received a lot of praise from the visitors.

Ann, Julie and Alexandra in the office were kept busy writing up scores and helping shooters with enquiries and nominations. The kitchen ladies did a magnificent job of feeding the masses with breakfast, lunch and dinner all weekend. A big thank you to you all!

And so despite the weather the shoot was a great success.

ANNIVERSARY SHOOT

On Saturday 11th June and Sunday 12th June, the Illawarra Clay Target Club held its traditional long weekend 2 day shoot.

The Club was open on Friday for practice and a free sausage sizzle was enjoyed by both members and visitors.

This year we were once again fortunate with the weather. Saturday was cold, overcast with a mild breeze no rain. That's pretty good for Illawarra. Seventy seven (77) shooters attended the first day's competition with three events shot over four traps. The traps worked perfectly over the 2 days, thanks to the pre shoot service which Fred and David gave them.

The canteen worked non stop for both the days with supplies having to be topped up on both the days. The chilly weather may have had something to do with this. Comments by shooters and their family regarding the quality of the food coming out of the canteen gave those volunteers running it a great deal of satisfaction great work appreciated by all.

We had three dedicated trappers for the 2 days and they did an excellent job keeping the traps full none ran out and updating the scoreboard.

Bert Boyd

Shooters from the NSWCTA's Central Zone and beyond, were saddened on 12 June 2011 to learn that Bert Boyd had passed away at the age of 79 years.

Bert had lived his life, farming in the Tullibigeal area of western NSW, retiring to Condobolin in 2010.

Bert had been a stalwart of the zone for a number of decades and had shown a tireless

dedication to the sport of clay target shooting.

In 1972, a neighbour convinced Bert to give clay target shooting a go, and although (as told) he was absolutely hopeless to start with and somewhat hard on guns, Bert was hooked. He developed a love and dedication to the sport, shooting at clubs all over Australia (including Darwin & Tasmania) and both the North and South Islands of New Zealand. Bert obviously improved significantly as he was a member of the 1987 NSW State Trap Team

New South Wales Shoot Team, Cowra Gun Club 1987

Back: Doug Ellis, John Finn, Richard Ellison, Barry Kable, Arthur Turner, L. McIntyre, J. W. Smith, John Blain. Right: Burt Boyd, T. Murray, Rob Smith, Dick Piotrowski, Peter Simon, Brian Samuels, Paul Lyons

Bert's contribution to the sport is best represented by the fact that he had been awarded Life Membership to both the West Wyalong and Condobolin Clay Target Clubs. Bert had worked as 'Handicapper' at the West Wyalong Club for more than 20 years, and would still turn up at the Club's Open Shoot each year to lend a hand. At the Condobolin Club's Open Shoot earlier this year, Bert could still be found at the Handicapper's desk working away, and although his hand was a little shaky, his mind was still as sharp as a tack. He could still add the High Gun scores up quicker than the calculator.

Bert always took an interest in shooters, making a great many friends over the years. He enjoyed a yarn and the social aspect of the sport, along with the competition. Bert would regularly introduce new people to the sport and was encouraging to new shooters, taking an active interest in their development. He kept up to date with results and always knew who was winning and where.

Bert was a true gentleman of the sport and could be found with a smile on his face.

Shooters formed a lengthy 'Guard of Honour' at his funeral, suitably showing the respect and regard in which Bert Boyd's memory will always be held.

Bruce England 6/8/38 to 18/6/10

The Mount Gambier Gun Club is saddened to report the passing of long standing member Bruce England.

Bruce travelled Australia for many years competing at National Championships, representing Australia 3 times.

He was a SA team member from 1968 to 1976, he was the IMI Aust High Gun winner at the SACTA carnival in 1971 and 1974.

Over the years he completed and won many State & Club Championships at clubs including Manum, Lacepede, Mt Gambier, Mt Barker, Naracoote, Bordertown & many Victorian clubs.

Our sincere condolences go to Bruce's partner, Pauline, & families.

Bob Fitzalan 13/7/39 to 30/5/11

Respected friend and member of Cessnock Clay Target Club, Bob passed away on the 30th of May after a short battle with a brain tumor. Bob will be sadly missed by all his friends in the shooting fraternity, his happy disposition and ability to crack a joke and will always be remembered by his mates.

Bob is survived by his wife Robyn, son Robert, daughters Kim and Sherie and grandchildren. Cessnock Clay Target Club members extend their deepest sympathy to all the family.

Wallace William May 1926 to 2011

The Monarto-Alexandra Clay Target Club is saddened to have to report the passing of Wally May, on 16th of May 2011 at the age of 84 years.

Wally was a big man, big in stature, big in integrity, big in courage and above all big in competitive spirit.

Wally had a distinguished career in Australian Rules football, he played 94 games for Essendon between 1947 and 1952 and then after moving to South Australia he played 54 games for Sturt between 1954 and 1957, receiving numerous football honours throughout those years. Wally became a cult figure in football during 1960s and 70s and was well known for his frankness in the early days of television sports commentary. All football lovers will remember the phrase "Comment Wally May" after a goal was kicked or some other incident occurred all his summations were quick and on the mark.

Wally loved football but his real passion was shooting, 'any shooting' but with wing and clay target shooting being his consuming passion throughout his life. It started early as a youth and his family recounts the story of Wally being selected to go to a scout jamboree, which of course was an honour. Wally had heard that deer were plentiful in the area that the scout camp was to be, so he smuggled a rifle into the camp, planning to provide some venison for his troop. Unfortunately, he was discovered and sent packing.

Wally enjoyed shooting, both as a recreation and as a competitive sport. He represented South Australia on several occasions in trap shooting and sporting clays (Field & Game). As a senior he was part of the veteran state teams.

Wally was also a dedicated game shooter who invariably shot his bag, whether it was duck, quail, pigeons or rabbits or any other game quarry he loved the outdoors.

He became an authority on sporting firearms and an expert at reloading his own ammunition. In the days when reloading was more commonly practiced, he was the source of all manner of ballistic information.

Above all, Wally was a devoted family man, a man who took great pride in his son Anthony's shooting success. A good friend who could be relied upon.

He is survived by his wife Audrey, daughters Robyn and Susan and son Anthony.

Wally will be sadly missed by all the members of the Monarto-Alexandra Clay Target Club and the wider shooting fraternity.

Wally had asked that his ashes be spread at Point Sturt Station, his favourite duck shooting spot.

Goulburn clay target club is cementing itself in the region as the place to be, when you want to test your skills. With shooters regularly traveling 2-3 hours and sometimes up to 5 hours to shoot at our local club which sports fantastic modern amenities and a reputation for having consistent targets in a well run, friendly but competitive setting.

Sunday 12th June's squally weather saw most sensible people ducking for cover and the home fires, with only the purest 35 to 40 shooters venturing out into sub 10 degree temperatures. Blustery conditions and intermittent rain did not stop the hot competition with two championship trophy's up for grabs.

The first event (50 target double barrel) had the locals on the back foot with traveling Canberra shooter Andrew Smedley taking the trophy and the cash home in a modest shoot off which only lasted a few targets. This was short and sharp considering this event in the past has been regularly shot off over 200 or 300 targets. I think this fact was appreciated considering most were frozen to the bone by this stage and an earlier than normal departure would be on the cards.

In the second event 60 mixed targets 20 double, 20 single, 20 points the locals regained some ground featuring heavily on the leader board. A shoot off was again necessary to decide who was to take the trophy home, with Frank Bartolo and Leon Cuzner brought back to the lanes to shoot 15 mixed targets. Frank was on song all day, just out of contention in the

first event and did not want to give Cuzner an inch. Frank realized that if given his head Cuzner is a difficult competitor to reign in. Frank kept his mind focused and was easily the victor, finishing the event with a very credible 121/125 nudging Cuzner out on 119/125.

On later analysis it was revealed that this was Frank's first Championship trophy, considering the weather conditions and pressure of a shoot off with all in attendance watching your every move, this made the outcome even more meaningful. Frank's hard work and practice over the past 12 months or so are now coming to fruition.

If you have considered traveling to Goulburn to shoot, the warm atmosphere and comfy clubhouse features a toasty wood fire for those chilly winter days and also has canteen facilities to save having to pack the sandwiches. Goulburn Clay Target Clubs next two events will be held on 10th July and 14th August. With shooting not to start until 12pm you even get to have a sleep in. With plenty of cash prizes and trophies up for grabs, organize your mates and head to the cold country. If you need directions or accommodation Leon Cuzner can be contacted on 0428 382 995.

SHOOTING LESSONS

The past month has been an interesting time for me. I have been involved in the ACTA junior development camp, a junior coaching camp with the Far Western Academy of Sport/ Western Zone NSWCTA and a personal development day for the

Southern Sports Academy Squads.

The emphasis for the Southern Sports Academy personal development day was to provide a presentation to the boys in the squads looking at their behaviour both on and off the field and the consequences of the decisions they make for their futures. Other presentations on the day involved drugs in sport and the use of social networking media (Facebook, You tube, etc.) Readers may recall an article in the CTSN several years ago called "The Teen Brain", where I explored the development of the adolescent brain and the changes individuals undergo during adolescents.

On Sunday, July 17, The Sun-Herald a Fairfax publication out of Sydney had the headline "Push for Guns in Schools". If you are like me you cringe, every time you read headlines like this or hear similar reports on the radio or TV. Now I do not want to get into a political debate: in a nutshell, the reason for the article in the paper was to report that the Shooters and Fishers Party in NSW were trying to do deals with the O'Farrell Coalition Government to relax the gun laws to allow shooting as a sport in schools and allow juniors under twelve to have access to air pistols and rifles so that can participate in the sport along with family members. Basically as a family, you can all go tenpin bowling and even those under 12 can play, if your chosen sport is target shooting then those family members are forced to watch because legislation prohibits their involvement. At least this is inequitable.

I stated earlier that I do not wish to be involved in a political debate but as a gun owner and shooter it is possible that this will happen from time to time. I do however, want to give you, the reader, ammunition (no pun intended) based on child development theories, psychological theories and processes and recent neuroscience developments, so that you can counter the arguments in your local areas.

My personal history is that I was a teacher and principal before becoming a school counsellor. I worked 10 years as a school counsellor and specialist counsellor (Trauma) and then was promoted to senior school psychologist and have been doing this job for 16 years. I do not believe that any child should be allowed to have a gun, of any type, without adequate and responsible supervision.

Firstly, the press and the anti-gun coalition seem to believe that children under twelve must not have access to guns. Jean Piaget, formulated a theory of child cognitive development. Basically, children between the age of 5 and 12 are in the concrete stage of development. It is in this stage that children are able to learn skills, routines and processes that are concrete. For example, learning simple board games that involve decision making and turn taking, and motor skills such as swimming and bike riding. During this stage it would be easy to teach range safety and gun safety because these are concrete things that can be seen and done, the same way you would teach a child to use a hammer or a rake. I was careful not to let my own children have toy guns: why, because children point toy guns at each other and I didn't want my boys to learn that it was OK to point a gun at people. I didn't give them toy tools either, instead I gave them real tools (hammers, screwdrivers, drills) and taught them how to use them properly and safely.

After the age of twelve children enter the formal operations stage of development. In this stage the child's thinking moves from the concrete to the abstract. They begin to understand inferential things rather than literal thing. They can conceptualise and understand abstract constructs such as liberty, justice, love, permission, forgiveness, etc. As well as stages of cognitive development Piaget formulated a theory of moral development. According to Crain (1985), "Piaget studied many aspects of moral judgment, but most of his findings fit into a two-stage theory. Children younger than 10 or 11 years think about moral dilemmas one way; older children consider them differently. As we have seen, younger children regard rules as fixed and absolute. They believe that rules are handed down by adults or by God and that one cannot change them. The older child's view is more relativistic. He or she understands that it is permissible to change rules if everyone agrees. Rules are not sacred and absolute but are devices which humans use to get along cooperatively. At approximately the same time--10 or 11 years--children's moral thinking undergoes other shifts. In particular, younger children base their moral judgments more on consequences, whereas older children base their judgments on intentions. When, for example, the young child hears about one boy who broke 15 cups trying to help his mother and another boy who broke only one cup trying to steal cookies, the young child thinks that the first boy did worse. The child primarily considers the amount of damage--the consequences--whereas the older child is more likely to judge wrongness in terms of the motives underlying the act.

Piaget's theories were then studied and elaborated on by Lawrence Kohlberg. A Google search will provide the reader with some good background material.

Secondly the anti-gun lobby and the press, appear scared and obsessed with anti-social adolescent behaviour. There is a belief that adolescents cannot be trusted. Legislators have made laws to prevent adolescents from drinking, voting, driving carrying knives, assembling in groups, etc. Popular opinion would have us believe that teenagers are full of wild hormones and that none of us are safe to walk the street. Actually, only two percent of the population would fit the criteria for anti-social and delinquent behaviour. The rest just do dumb things without weighing up the consequences. Modern neuroscience, would argue that it is not the hormones that are the problem but the immature pre-frontal cortex of the brain. The prefrontal cortex is the last part of the brain to develop (usually at about 25 years) and is responsible for executive function. Executive function involves decision making, planning, inhibition, organisation, weighing up consequences, working memory and behavioural regulation. This immaturity of the pre-frontal cortex often leads to risk taking behaviour. With adequate supervision and proper instruction you can teach appropriate behaviour: this is vital with things such as tools, medicines, guns, cars, machinery, motor bikes. Before juniors can obtain a junior permit they need to pass a firearm safety awareness test but there is no test for letting an 8 year old ride a mini-bike, or a 16 year old use a chainsaw.

Thirdly, gun laws have worked in our favour. Yes, they might appear drastic and draconian but no-one can argue the need for safe storage. And we should continually pointing out that a gun licence is not only a certificate of competency but it is a certificate that you are socially responsible: society trusts you to own and carry a firearm. I like to ask those in the anti-gun lobby if they can show me their certificate that proves they can be trusted in society. And because of this licence we make sure that we behave in a socially responsible manner because we know the consequences will be greater for us if we stuff up. If we are involved in an assault, or domestic violence or some other crime we will lose our opportunity to play our chosen sport. There is no restriction for the tenpin bowler or golfer to restrict their sporting pursuits. Is this unfair? Yes. Can we do anything about it? Probably not. By making your adolescent son or daughter understand this will more likely help them make better decisions because they will be more acutely aware of the consequences.

I said at the beginning it had been an interesting month, why? Because, I spent a great deal of time with adolescents and firearms, who all behaved

in a responsible and safe manner. I saw no fights or arguments, no-one disregarding safety procedures, no drugs, alcohol or tobacco. All of the participants were very keen to learn. They learnt shooting skills, they learnt physical skills and did strengthening and endurance exercises and they learnt mental skills such as goal setting, motivation, visualisation, relaxation, concentration and attention. My only regret is that the press did not see or experience joy of seeing teenagers having fun and learning some essential life skills whilst doing a sport that required a gun.

Phil Headon High Gun at Deniliquin

The day started out cool but not too bad considering the way the weather looked earlier in the day. With 23 shooters it was a nice relaxed day and an early finish. With the new club rooms under construction it was a make shift kitchen with a bench and extension leads under the roof with no walls but the food was excellent as usual thanks to Monica. The heater for the day was the fire drum and it was fine.

The first event was a 15 tgt pts Cash Divide with a few shooters to shot it clean AA Wok Kelly, Buddy Morris, Ethan Brindley 45/45, A Pete Sing, R Traill 44/45, B Nev Lester 35/45, C Nev Braund 23/30.

The next event was a 30 tgt D/B Cash Divide with again only a couple to shoot the possible. AA Wok Kelly, Phil Headon 30/30, A Bruce Cook 30/30, B Shazza Lenanne 29/30, C Nev Braund 24/30.

Event 3 Was a 50 tgt Continental with our very own Bruce Cook winning overall and A grade with a 50/50 not bad for an A grader. But I must say Cookie has not been shooting a lot lately and is a bit out of practice but with a training schedule of practice targets and Melbourne cans he will be back in AA in no time. 2nd in A was Ned Collicoat with a huge shoot off against Echua's Peter Sing 1 target. In AA Timmy Two Shoes Maher 69/70 from Deni won the shoot off against Phil Headon from Hay. B grade Went to Shazza Lenanne all the way from Frankston with a tidy 43/50 and Nev Lester from Deni a 41/50 (beaten by a girl again Nev). C grade was our very own Nev Braund 36/50 over Echucas Barry Rogers 32/50.

The event to win - the 4th Event, a club Handicap with huge amounts of money to be given out - was toughly contested with 6 shooting the 10 to qualify and from there it then got tough. Shazza from Frankston had the boys in a big panic as she was smoking the targets and she looked the goods, then out of the blue one landed. Bad luck Shazza you will have to come back now. This left the rest to battle it out and it was not long before only two remained Wok and Phil Headon. In the end Wok showed Phil how it was done off 28m and belted the winning target. Bad luck Phil you missed out on the cash pile and a chance to win the final at Xmas. Phil Headon won High Gun 2 points down good shooting considering the conditions for the day.

After presentations a few stuck around to sort the problems of the world out with a beer or two by the fire drum. Phil Headon did an exceptional job and we should consider him for the next prime minister without a doubt.

Don't forget our October shoot 15th & 16th. No pre noms, just turn up. shoot and have fun. See you there in October

Top End Gun Club Sporting

On the last Sunday in June the Top End Gun Club staged the best sporting clay target shooting event seen for a long time.

Cummins Diesel sponsored the event to the tune of a portable generator for each grade.

These high quality prizes brought out the best in competition.

Shooters from clubs all over Australia enjoyed the good weather and fine simulated field targets provided.

I was lucky enough to shoot in the same squad as the overall winner Damien Birgan and I have never seen so many clays absolutely smoked in a round of sporting. This bloke shot everything and if there was a chip he blew it to dust.

Damien is a former World Champion in Sporting Clay target shooting and this shoot was on his list as he prepares for the next titles.

The Top End Gun Club was well supported by members of local gun clubs and the NT Field and Game.

Field and Game members were free to shoot on their handicap card which bodes well for cross pollinated clay target shooting.

50 Target Simulated Sporting Bush Shoot Results: Winners Score: AA & A Grade 1st Damian Birgan 49/50, 2nd Colin McTaggart 45/50, B Grade 1st Michael Snowdon 44/50, 2nd Garry Mills 43/50, C Grade 1st Dale Davies 31/50, 2nd Glenn Norris 31/50.

The Top End Gun Club would once again like to thank our sponsor Cummins Pacific for their continued support of our club and the sport of clay target shooting.

JUNE SPORTING

Twenty six shooters tried their hand at Sporting at Canberra Inter on the fourth June Sunday. The morning started with a beautiful still day following a heavy frost.

However, by 11 o'clock a strong cold wind got up straight off the snow capped Brindabella Ranges. This led to rather erratic targets and fairly uncomfortable shooting.

a fine 86/100. Shooters were mainly local but it was good to see Cecil Park members Paul Miller and Peter Papps (Canberra Life member) visiting for the day.

Results: A Andrew Paddison 82/100, 2nd Paul Miller 79/100, B Rob Butterworth 78/100, C John Taylor 69/100, 2nd Simeon Ward 68/100, Ladies Marg Warriner 40/100.

Our thanks go to Terry Forest who staffed the Canteen and kept up the supply of warm food plus all the shooters who stayed behind and helped clean up and put away at the end of the day.

Coordinator Rodney Kneipp had set a medium difficulty range but the wind caused some grief to plenty of shooters. Bill Warriner is to be congratulated on maintaining concentration and winning High Gun with

scoring better than 95/100, the standard was high for a club shoot and resulted in a few shoot offs. In addition to Canberra members, shooters attended from Cooma and the surrounding area.

Our congratulations go to Mark Corbett who High Gunned with a fine 97/100.

Other results Second A Rodney Kneipp 95/100, B Grade Ian Latter 99/104, 2nd Terry Forest 95/101, C Grade Luciano Casarotti 85/100, 2nd Andrew Burley 80/100.

JULY SKEET

Canberra Inter's third Sunday Skeet was shot in near perfect conditions virtually no wind, occasional light cloud, and a comfortable 14 degrees. The visibility was excellent and the targets off Mattarelli traps were as good as one could wish for.

Eighteen shooters attended, and with four competitors

146/146 from the 25 metre mark

Sunday the 29th June saw the Collie CTC hold a 100 target handicap event. The weather conditions were absolutely pristine, 20 degrees and not a breath of wind which resulted in some of the best presented targets thrown at the club.

David Fox thought they were pretty good as he shot the only possible for the day from the 25 metre mark!! The club then put on another 50 target event to see how far he could go. He missed his 147th which gave him a break of 146/146.

Other winners for the day were B Wilkinson 98/100, R Meagher 95/100 and D Dickson 92/100.

Kerang, Moulamein and Boort Circuit Shoot

The Queens Birthday Long Weekend once again saw the running of the very successful and increasingly popular annual three day circuit shoot hosted in conjunction by the Kerang, Moulamein, and Boort Gun Club's on Saturday the 11th Sunday the 12th and Monday the 13th June 2011.

The first day's competition saw 51 shooters in attendance at Kerang, 48 shooters compete at Moulamein and 42 competitors at Boort.

All in all it was a great roll-up and extremely encouraging to see shooters traveling such long distances to compete.

Side by Side Medley

On Sunday the 10th of July the Kerang Clay Target held its annual side by side event. This annual event considered by some to be the premier event on the shooting calendar was contested by 25 shooters on a very blustery and overcast day. Numbers were down on past years, however, it was good to see the selection of guns of yesteryear by makers such as Purdey, Greener, William Powell, Cogswell and Harrison, Army and Navy, FN, Lucchini and Winchester.

The first event was the Side by Side Medley. Sponsored by Wayne Clapham Firearms and Repairs this 50 Target event was comprised of 25 Double Barrel Targets and 25 Points Score Targets. A possible 100 points avoided everyone due to the challenging conditions, however, last years winner, Andrew Holdsworth proved too good and emerged as a back to back winner with a score of 94/100 with his Grandfathers Empire Greener. Trevor Wilkinson came in second with 88/100 using Calrossie's Greener. Stephen Bates came third with a score of 86/100 using a 1930's Winchester Model 21.

The second event was a 30 target Double Barrel Championship

L-R Andrew Holdsworth 1st Jack Holdsworth Sponsor Wayne Clapman, Trevor Wilkinson 2nd & Stephen Bates 3rd

sponsored by Chic and Stace's Mechanical Repairs Kerang. The wind did not abate and the clouds got darker however this did not deter Kerang's David Shepard posting the only possible, a great achievement. He won B grade and Overall, second was Robert James, the late Alf James' son and nephew of the ever present Frank. AA was taken out by Ian Long, A grade by Stephen Bates and C grade Andrew Holdsworth first and Toni Hogg second. Jason Telford after a long absence from shooting was the best in Birds Only and Nathan Long was the best Junior.
