Nationals and World DTL

Writing this before the events are held prohibits any comment on the events themselves. However I would like to advise the membership that late withdrawals over the past few weeks has impacted the numbers much more than anticipated.

Withdrawals during the month of February alone totalled 54 in the Nationals and 41 in the World. Including the withdrawals during January, this results in over a 10% turnover of the field for the Nationals. This has allowed all who were on waiting lists to get a spot and so we will have started the events with close to full fields in the three Mackintosh events and the World DTL.

I hope members who may not have entered the events have taken the time to attend your facility and inspect the works completed to date. Your grounds are now the largest and best equipped DTL grounds outside of the USA.

Building progress

All facilities for the conduct of the shoot itself were completed well in advance as a priority. The main building struck component supply problems as it neared completion and was at about 95% complete. The largest problem was supply of the operable walls which divide the hall area. The latest advice is that they may not arrive onsite until the end of April, unfortunately something we have no control over. The Hall of Fame area was also a work in progress awaiting information for completion of the mural and inductee displays.

Building Budget

A lot can change in the last months of a project of this size. The build scope of works, budget and eventual quotations did not include some additions made by the NSW Joint Regional Planning Panel in August, including extra natural light into the hall, and extra car-parking spaces. After tenders were received, to get the proposal within the original 6.7m budget, road and culvert works were removed from the job. The grounds also required an upgrade to the power supply, which was not originally part of the project.

The Executive have recently supported the expenditure of up to another \$300,000 to complete these and other ancillary works. Much of this work is completed but the hard sealing of roadworks will not be completed before the 2018 events. Some of this expense such as the power upgrade will come from our normal ground development budget but some will also show as an overrun on the total project of less than 4%. This project will be completed without the need for the Association to make any borrowings, and is fully funded from the NSW Government Grant and the Associations cash reserves.

Community Use

Following the Nationals and World DTL the new facility gets its first community use with 1000 caravanners flocking to the grounds for the Stone the Crows annual Easter event. The organising committee has decided to use the conference centre for its main events over the five days and is contributing \$18,000 in total for the use of the facility for the period. Historically they have hired large marquees, flooring,

lighting and PA systems for this purpose, and hiring the new facility is both more cost effective for them and provides a substantially better equipped and more comfortable venue.

Tentative bookings of between 400 and 600 persons are also now being taken for end of year school events from September to November. Many schools in the area have hosted two events each year as there has previously been no facility large enough in the Wagga Wagga area to host the large numbers involved at one sitting.

The facility of course belongs to the ACTA and so its use by outside groups is not to conflict with the grounds main intended purpose ie: clay target shooting.

Weather affected event insurance

It appears that the likelihood of major events being affected by serious adverse weather is increasing throughout the country. The Association via its insurers will be offering an insurance package to assist clubs, zones and states that host major events in offsetting possible losses caused by adverse weather.

The policies are arranged directly with the insurer, must be applied for at least 30 days prior to the event and the cost is approximately 3%-4% of the amount insured.

Policies can also be arranged in such a manner that in the case of a pre-nominated event that is subsequently cancelled due to adverse weather the insurer would reimburse the nominations paid. More details will appear in a future CTSN.

Commonwealth Games

As it stands today these Commonwealth Games are the last programmed with shooting events included. It will be a sorry day for shooting if this decision is not overturned. By now our team will have competed and hopefully excelled at this years Gold Coast Commonwealth Games. It is a great honour to represent your country and with it comes the expectation that you will perform to the best of your ability and act as a great ambassador of not only Australia but also your sport. We congratulate not only those that have won but also those that have taken part in such a sportsmanlike way.

Hall of Fame

Donations are still welcome for this very worthy project. Because the area will always be being added to, the call for donations for this purpose will never close. This month we recognise some new donors: Jack Blake \$500, Neil Berry \$500 and Colin Hawkins \$500.

Please accept our thanks for the generosity you have shown along with previous donors the Moloney Family \$500 and an anonymous donor of \$2000.

Once all information is received and collated work can now begin on this very special part of your National Ground. Further donations from individuals, Clubs or States are welcome. Please contact Gary Read on 0418 859 795.

The Hall of Fame when complete will be a very special place I think.

Executive Officer's Report

The events of the last two years will culminate in the World DTL Championships and the completion of the new ACTA Building. The World DTL championships are hosted by the ACTA every 12 years, so there is a great deal of time before the next one. Our National Teams however will be competing every 2nd year in the Championships that are held in even years in the Southern Hemisphere and odd years in the Northern Hemisphere.

The events of the past two years in preparing for the Worlds and building the Clubhouse/Convention Centre have been very busy to say the least. Following on from these major commitments the ACTA is now in a position, where through the National Executive, it will be tasked with developing a long- term plan for the 2030 World DTL Championships.

There are many scenarios to be promoted in relation to achieving the "final" result over that period, there will be the evaluation of the conference centre and what it brings to the Association in terms of finances, profile and opportunity. The ongoing development of the National Ground needs a new plan, the Ground is still basically a paddock, with some great facilities such as the shooting layouts and the new building. One of the key areas as I see it, is to turn the Ground into a Park, to build on the now modern conveniences of the range and the Clubhouse.

We have plans drawn up for the irrigation of all of the Ground north of the trap houses, this will give us the opportunity to establish lawns throughout, along with specifically designed garden beds. The installation of the irrigation system will be possible as we have made allowance through the development on the Ground to have pipes run to the areas to be irrigated as per the design.

The Caravan sites need to be further developed to provide a user friendly and clearly defined design for the future benefit of the members who choose to use this facility.

ICTSF (International Clay Target Shooting Federation)

By now the ICTSF General Assembly will have been completed during the World DTL and in accordance with the Constitution I will have retired as its President, a position I have held for almost 4 years. I have enjoyed the experience immensely and have met many wonderful people from throughout the shooting World during this time. The ICTSF itself is now well established having hosted 13 World Championships in the DTL discipline and 4 in the English Sporting Discipline. These events continue to grow in size and stature each year and attract the best of the best from the member countries.

The 2017 ESP event was the largest to date and the just completed DTL is also the largest to date. This harks well for the future of the ICTSF and I wish the Federation and my successor all the best for the future.

Robert Nugent

Any further commercial development will require the ACTA to apply for re-zoning of all of the land to "PRIVATE RECREATION", currently the office, vacant land and the Ground are zoned public recreation. The ACTA has been contacted by one of our professional consultants in Sydney who has advised us there exists an opportunity to discuss opportunities for the vacant land next to the National Ground.

The rationale for looking at these commercial opportunities is to be able to derive an income from outside the shooting community. By developing these facilities for the benefit of members it allows us to derive an income to support the growth of the sport. In the future, income from these facilities will be used to keep membership costs to a minimum and increase the benefits offered to our members.

The reality is that the Association needs to provide a stable financial asset base from which to operate, the cost to members is minimal in establishing these assets. The Clubhouse/Convention Centre cost is no more than building a much smaller clubhouse that would not generate any further income. The NSW State Government through the "Newstart" program of grants was only available if we built a venue that had a bigger community benefit. \$5.5 million is hard to come by and the opportunity too good to allow it to go to another organisation. Without the ACTA agreeing to the size of the building we would not have received the funds.

Membership Review

The National Executive commissioned a review of membership, categories, costs, benefits etc, this review should be completed in time for the National Executive meeting in August this year. There are many considerations to be reviewed and costed. The review is designed to give the Executive an overall picture of the current membership and trends within the Association.

It is interesting to note that all of the above is for the benefit of Members of the ACTA. A combination of lower fee's, more benefits and additional resources will encourage membership in the long term.

These are **NOT PLANS**, these are my thoughts, if we are not going forward as a National Association then we will go backwards.

Come and Try Day a great success 134 TRY THEIR HAND Maryborough Clay Target Club February 2018

The come and try day on Sunday, 18th of February held at the Maryborough Clay Target Club, had over 200 visitors turn up with 134 of these trying their hand at shooting 15 clay targets.

The day ran seamlessly thanks to the great effort, teamwork and participant encouragement displayed by the 21 club members, friends and family that worked tirelessly for 4½ hours without a break. It was through this dedication to seeing that everyone enjoyed the experience of shooting a target that made the day such a great success.

This was proven with everyone coming back in from shooting at the targets with nothing but praise for the assistance they received and how much they had enjoyed themselves. What was impressive was that out of the 134 that had a go only 4 had not hit anything, which is a testament to the quality of coaching that was being delivered. The office handed out over 30 membership applications, with 2 participants joining on the day and another 10 in the process of joining up.

At one point the queue for food was over 30 deep but everyone working behind the counter and on the BBQ made this a short wait and by

the end of the day they had cooked and served over 100 burgers and 80 BBQ sausages.

With it being such a hot day the drinks fridge took a hammering but no one missed out.

Every participant was given individual coaching and the opportunity to shoot at five targets on each trap layout. There were three people to a squad and they shot off the 15 metre mark using lanes 2,3 and 4. They shot 5 target per lane then moving over a lane on each layout to shoot their next 5 targets.

The coaches, referees and scorers were given ammo, BBQ sausages and water to keep them going in the 35 degree heat.

Comments from the participants: "It was an awesome day.....thank you to everyone that was involved". "I'm definitely coming out again". "I'm so please that I had a go and I actually hit two". "It was so good to be able to shoot a gun (because of illness) and great to have a try at clay shooting for the first time. Thank you". "We recently attended the Come and Try day last weekend and really enjoyed it. Can I please have some information on joining the club".

VCTA South East Zone TEAMS EVENT - ROUND ONE

Frankston Australian Clay Target Club February 2018

Sunday February 18th saw the first round of the Premier Teams Event 2018 get under way and it drew 173 shooters which is a record for this event. There were 30 Open Teams and 6 Junior Teams.

Event one the 25 Tgt Handicap surprisingly produced only three possibles and the shoot off which lasted nine targets had Quinn Roberts (17 M) 34/34. First, Nathan McDonnall (25 M) 33/34 Second and Jason Bellis (19 M) 30/31 Third. The Back Marker was Charlie Galea 29/30 and the Junior Font Marker. Xavier Dagher 24/25.

At the half way mark of the Teams Section, Korumburra B on 114 / 125 from MCCC

Handicap winner Quinn Roberts

Red on III with Morwell A. Morwell B and Korumburra A on 110. The Juniors at this time being lead by Metropolitan 46/50 from Werribee/Vic 43 just in front of Nepean and Wonthaggi both on 42.

Using six traps provided a steady flow of squads, enabling the program to run smoothly and in good time.

Event two, the Double Barrel saw the six squads of possibles drop to three squads after the first twenty five targets of the shoot off. After a further twenty five, there were four shooters remaining and this group (Nathan McDonnell, Renea Birgan, Troy Grimes and Chris Murphy) were still together when the total was one hundred and fifty.

The final result was Nathan 178/178 Overall, Troy 177/178 1st AA and Chris 171/172 2nd, A P Mota 80/81, | Barklem 66/67, B Q Roberts 55/56, B Barlow 26/27, C T Johnson 60/61, A Thomas 34/35. High Gun N McDonnell 54/54, Ladies High Gun B Cole 48/50, Junior High Guns A grade T Grimes 49/50, B grade Q Roberts 50/50, C grade X Dagher 48/50.

The winning Team was Morwell A (T Malon, S Trembath, C Murphy, T Grimes and B Davis) with a Double Barrel score of 123/125 to give a total 233/250. Korumburra A and Morwell B were both 230. The Metro Juniors (A Bruzzaniti & L De Carli) 92/100 won the day, from Werribee/Vic 91 and Nepean 90.

Australasian-Pacific Grand Prix

Brisbane Gun Club February 16, 17 & 18, 2018

Mid-February, and Brisbane Gun Club once again lived up to its reputation of being one of Australia's premier Olympic Discipline clay target venues, by conducting the annual Australasian-Pacific Grand Prix for the Olympic Discipline Clay Target Shooting competition.

This year, 2018, marked the 24th holding of the Australasian-Pacific which was first conducted in February, 1995. Unfortunately, this year our competition (which had the date locked in 12 months ago) ran on the same weekend Shooting Australia organised a competition in Sydney in direct competition. Over the years, our competition has attracted many of the World's best shooters including Olympic Gold Medallists, World Champions, Commonwealth Games medallists and National Champions from through the Pacific region, Asia, Europe and the Americas, and this year we continued to attract our international visitors.

As is always the case, this year's Grand Prix was well attended by international, interstate and local shooters alike, and it was with pleasure this year that we welcomed a very enthusiastic group of shooters from Papua-New Guinea. Again, we also welcomed a contingent of over 30 shooters from Japan's Top Gun Club, which has enjoyed our competition and the generous sponsorship of Winchester Australia for over 20 years.

The established program of 250 targets of Olympic Trap and 200 targets of Skeet was once again well

embraced by those in attendance, in particular the trap shooters who this year would again have the opportunity of perhaps sharing in the 10 rounds of Skins which would be on offer during the 3 days of competition. The Skins competition which forms part of the Badge Match and Grand Prix events, has been a feature of the Australian-Pacific Grand Prix and Australian Open competitions for a number of years and have proved to be a very popular part of our competitions.

Friday, the first day of the weekend's competition, saw the conducting of the popular Skins Badge match which as always gave competitors the opportunity to build towards the weekend's event, and at the same time participate in the 100 target competition which includes 4 rounds of graded Skins.

The established procedures were once again in place and shooters were again divided into two groups AA and A Grades combined and B and C grades combined, with \$10 of each shooter's nomination fee pooled for each of the four rounds of the event. The established rules are that the highest score in the group wins the prize money for that round, and if two or three shooters have the same score in the round, the prize money is shared.

If however, four or more shooters shoot the equal highest score, the prize money is held over and jackpots to the next round.

The first of the seven squads entered for the Olympic Trap Skins event kicked off the morning with a leisurely 9.30 a.m. start, and it was obvious as usual that the competition for the Skins prize money throughout the day would be hotly contested. In the AA/A group, local member Andrew Barbour started well in number one position in the first squad carding 23/25, and it wasn't until the 5th squad when two times Grand Prix Champion, Kevin Perkins, equalled the score to share the pool money. B Grade in round I went to another local member. Scott Dobeli, who was the last shooter of the day, while the C Grade spoils were shared by long-time supporter Bruce Hall of Bairnsdale, BGC member David Smith and Australian Paratrap representative Mark Farrow, all on 20/25.

Round 2 of the Skins Badge Match saw Andrew Barbour clean-up again in the AA/A section with another 23 while Scott Dobeli again headed the B Grade shooters this time joined by Brisbane stalwart Fernando Cilli on 23/25. C Grade was again won by Bruce Hall with an improved 21/25.

The penultimate round of the day really saw things hotting up. All three sections were won with 24/25s. AA/A went to Brisbane Member Tim Williams while the B and C grade sections went north to PNG Dani Wanma taking B Grade and Thomas Donald pocketing the C Grade money, his first of what

would prove to be a very profitable weekend.

Friday's final round once again proved to be hotly contested, Dan Johnson taking out AA/A, B Grade once again being cleaned up by Scott Dobeli (his third for the day) and David Smith scoring his second 'Skin' for the day in C Grade.

100 target Skins Badge Match:
AA Grade Dan Johnson (Yamba)
86/100, A Grade O/A Tim Williams
(Brisbane) 90/100, B Grade Scott
Dobeli (Brisbane) 89/100, C Grade
Bruce Hall (Bairnsdale) 79/100,
Junior Brayden McKee (St George)
74/100, Veteran Kevin Perkins
(Bundaberg) 86/100.

The first day of the 150 target Olympic Trap Australasian-Pacific Grand Prix also saw a Skins competition held in conjunction, with the field now expanded to 10 squads with the inclusion of the Japanese visitors. Again, the competition for the spoils was fierce, and it has been said on a number of occasions that during the skins competition you really find out who your friends are.

Skins throughout the day were reasonably evenly distributed with Elio Marianello (South Australia), and Rocky Shi (Brisbane) getting money in the AA/A section (there were 2 jackpot rounds), Fernando Cilli was really cleaning up in B Grade, taking 2 and sharing in another round, while C Grade Thomas Donald again benefited from 2 rounds with Japanese shooters sharing the other two.

At the conclusion of the first day of the Olympic Trap event, with only 50 targets and a final to be shot on Sunday, local identity Fernando Cilli was showing the rest of the field a clean pair of heels. Fernando had rounds of 24, 23, 24 and 24 to end day one on 95/100, nine targets

Below:PNG visitors at the Grand Prix

clear of Col Gurski (Toogoolawah), Elio Marianello (SACTC), Seiji Maki (Japan Top Gun) and Dan Johnson (Yamba) who all finished the day on

86/100.

Day two saw Andrew Barbour (BGC) improve his position slightly in the first round scoring 23/25 to peg back the field a little and take the Skins money in the AA/A group. 23/25 was also recorded by Paul Lio (BGC) in the C Grade group to win that section, while Scott Dobeli won his first Skin of the championship carding 22/25 to win the B Grade section.

The overall position after the first round had changed little, Fernando Cilli coming in with 21/25 while Elio Marianello had a 20/25 and Col Gurski and Dan Johnson both recorded their worst scores of the event scoring 19/25s.

The final round of the 24th

Australasian-Pacific Grand Prix saw Fernando Cilli once again demonstrate his form, recording a best of round score of 24/25, to finish with a competition high score

of 140/150 and guaranteed first position into the Grand Prix final.

With five more positions into the final still up for grabs, the remaining contenders were hanging in with scores still reasonably tight. Andrew Barbour and Dan Johnson were next to book positions with 22/25 each, both finishing on 127/150. Col Gurski's 19/25 and 21/25 for the day had him OK and into fourth position, while Elio Marianello's last round scores of 20/25 and 18/25 got him the fifth place.

The last position into the final was now to be contested and would be determined by a shoot-off between Brisbane Gun Club's Michael Cilli and Japan Top Gun shooter Seiji Maki, who both finished on 123/150. As the final was to be a current format ISSF final, a shoot-off would also be needed to determine 2nd and 3rd starting positions between Andrew Barbour and Dan Johnson.

While all this was happening, Skins were also still being won. In the AA/A group, Andrew Barbour and Dan Johnson both picked up

Left: Japan Top Gun finalists.

a Skin for the morning and in the B Grade group, Fernando Cilli and Scott Dobeli shared the spoils. The final rounds of the day saw Paul Lio (BGC) and Thomas Donald pocketing the spoils in C Grade. After the 4 rounds in the Badge match and the 6 rounds in the Grand Prix event, the total paid out in Skins money for the weekend was just on \$5,000.

Prior to the conducting of the Grand Prix final, our traditional 25 target single barrel final was conducted for our Japanese Top Gun Club visitors. As usual this was hotly contested and a great way for the Japanese contingent to end their 2018 visit to Brisbane.

With positions sorted and the six finalists in place, the Grand Prix final got underway with the first 25 targets set to determine the first competitor to be eliminated, following which brackets of 5 targets would then determine 5th, 4th and 3rd positions and a further 10 target bracket to determine the Gold and Silver Medallists.

Ist Fernando Cilli 17 21 (E), 2nd Dan Johnson 21 26 30 34 41 2nd, 3rd Andrew Barbour 19 22 27 (E), 4th Col Guski 19 24 29 34 43 1st, 5th Elio Marianello 20 23 28 33 (E) 3rd, 6th Seiji Maki 17 (E).

Coming from fourth position into the final, Toogoolawah veteran, Col Gurski landed the overall honours and coveted Australasian-Pacific Grand Prix Championship, shooting 29 of his last 30 single barrel targets to win by two targets.

Once again, the grounds and facilities at the club were in excellent condition and many commented that Brisbane Gun Club looked as good as it had for many years. Recent improvements to

the clubhouse and the installation of new lighting and disabled access have also added to the facilities.

Again, Brisbane Gun Club would like to further acknowledge the great support received from Winchester Australia and in

International High Gun Winner Seiji Maki with Cathie Menck

particular the personal support of Michael Waldby. The attendance of the 30 plus contingent from Japan always guarantees our competition to be a success and without the support from the Japan Top Gun members our Grand Prix competition would not enjoy the ongoing success that it does. The many members

Skeet Champion Glen Graham Adam Corless and Clive Glasgon

and supporters of Brisbane Gun Club including Fernando, Franco, Terry, Joe, Mark, Paul and others contribute enormously to the successful running of the weekend's proceedings. A special thanks this year must go to Jacki Richards who assisted so well in the administration and conducting of the events.

From here, we now proceed to 2019 25th Australasian-Pacific Grand Prix

Plans are already underway to make the 25th Grand Prix the best ever, it will most certainly be one to attend. We will be looking to encourage as many of those who have attended previously to come back for next year.

Put it in your calendar Friday 15th, Saturday 16th and Sunday 17th February 2019.

ROMAN CHARIOT SHOOT

Shooters from 42 Clubs across Australia descended upon Roma for the first of three annual "Roman Chariot Shoots", with the hopes of winning a brand new 2018 Mitsubishi Triton Ute. as well as the outstanding prizes for each event. With 129 nominations, competition was fierce and high scores on the cards. The first day of competition got off to a flying start with Phil Grainger taking out the top spot in the 50T Maranoa Points championship, as the only possible, with a score of 150/150. Event 2 the 50T Maranoa Double Barrel Championship was a real battle of forces with Tim Williams and Graham Blaskett locked in battle throughout the afternoon. In the end Tim was the victor, with 408/408.

Day 2 of competition was just as hotly contested as old rivals Clayton Cusack and Byron Hewitt slugged it out in the 25T Roma Single Barrel Championship, with Clayton the winner shooting 75/75. The second event of the day was the 25T Roma Points Championship where Phil Grainger once again took out the top spot with a score of 225/225. The last event of the day was the much anticipated 15Pr Double Rise event, where Tamworth's Stewart Bowden shot the only possible score 30/30.

Day 3 got off to a cool start thanks to the beautiful rain overnight. 129 shooters went head to head in the 30T Roma Handicap event. After the first 30T we were left with 10 possibles heading in to the shoot off. The final 5 became a mix of the young and experienced with Eumamurrin's Jack Bischoff, Rockhampton's Brian Muirson, Gold Coast Joe Apiata, and Roma's

Brodie Hewitt and Patrick Magee battling for the top spot. In the end it was Roma's Patrick Magee who was victorious, with a score of 70/70, earning himself 2m for his win.

With the conclusion of the annual competition it was time for the 40 finalists who qualified, to shoot it out in the "Roman Chariot Shoot final", to win the car. After a few rounds of miss and out, we were left with 3 shooters, Paul Whiteman the newcomer on 15m, Byron Hewitt on 24m and Phil Grainger on 25m. In the end Byron Hewitt was the winner, driving into the sunset in his brand-new car.

When all the shooting was concluded it was time for the final prize of the day, the lucky door prize of a new 2018 Mitsubishi Mirage. Terry Maroney of the Gold Coast Clay Target Club was the lucky winner and drove away with the prize.

The Roma Clay Target Club would like to thank all of their sponsors and competitors who made this event such a success and wish to invite you

all to the second of our "Roman Chariot Shoots" next year.

Mt Gambier Supershoot

Mt Gambier Gun Club January 2018

The Mount Gambier Gun Club held its annual 2 day Supershoot on the weekend with weather conditions proving quite favourable apart from occasional gusts of winds and an odd shower on Saturday. The Club grounds were in excellent condition as the committee and members had spent considerable time preparing for the 2 day Supershoot. After the early morning practice the competition started at 10am. Shooters attained a considerable amount of perfect scores thus shoot offs were necessary to attain the winners. A total of 110 competitors travelled from NSW, Northern Territory, Victoria & all over SA. to contest the 6 events held across 2 days, vying for a share of over \$19,000 worth of prizes on offer. Each event prizes were for the Grades AA, A, B, C and each grade 1st to 5th prizes. High Gun prizes over the 2 days events were awarded to Overall, AA, A, B, C, Veteran, Lady & Junior.

The Pick Avenue Deli & Bakery 25 tgt Points Score Championship was the first event and perfect scores were attained by top shooters resulting in shoot offs. Ayres 22/25. After a shoot off Tony Kakoschke 28/32 won C from Tristan McKinnon 27/32, Ricki Kelly 23/28, Scott Chant 22/28 and Jesse Ryan 21/27.

The George Yoannidis Club Team competition was held over the 3 events on Saturday with the team entry conditions being I competitor from AA, A, B, C plus I from Vet, Ladies or Junior from the same club. The Mt Gambier team of Gavin Height AA, Peter Winser A, Leon Fox B, Ian McArthur C and Steve Chambers Veteran were victorious.

The completion of this event saw the end of the day's shooting. Competitors gathered round to congratulate those who received prizes in the 3 events. Shooters and their families were treated to a sumptuous evening dinner of roast lamb, pork and beef along with vegetables and salads followed by an array of sweets hosted by the club with many a shooter telling stories of their near misses — was it the gun! was it the catridges! or maybe it was the shooter himself.

Sunday was of near perfect shooting conditions being favourable for the competitors, the competition started at 9.30am and many perfect scores again were shot throughout the day.

The Zema Family Wines 25tgt Single Barrel Championship was first up and shooters eagerly

lined up to win the prized personally selected Zema wines on offer.

This year there was an overall competition in respect of the late Matt Zema this was won with pride by Tom Jenkins 33/33 to take home the personally selected magnums of fine wines, with Cameron Browne 32/33 winning AA from Alan Pollock 26/27 followed by Don Beelitz

The Overall High Gun was proudly sponsored by Steve Chambers and the winner was Cameron Browne with an excellent score of marksmanship 242/250 over the 6 events.

The graded High Gun Awards were convincingly won by: Tom Jenkins 241/250 AA, Molly Bretag 230/250 A, Ray Mack 222/250 B, Tom Jorgensen 212/250 C, Max Medhurst 238/250 Veterans, Megan Barnes 233/250 Ladies, Harry Clarke 219/250 Juniors.

The two day shoot was very successful with 67 shooters winning prizes in the \$19,000 prize pool and are again looking forward to returning next year to try out their marksmanship abilities.

The Mount Gambier Gun Club again thanks all the sponsors and those people who helped make this shoot run smoothly especially Bendigo Bank, Pick Avenue Deli & Bakery, South West Freight, Corsivia GB, Zema Wines, Trident Tyre Centre and Steve Chambers for their generous and ongoing support to make our Supershoot a most successful and entertaining event.

very much appreciated their attendance seeing there was a couple of big shoots not so far away.

The weather was a governing factor so the 50T Memorial was first event shot in 2 visits. By the time the 2nd visit was shot the heat & humidity was visibly taking its toll. However, Tyagarah President, Ray Turner turned in a 50/50 as did visitors Harold Batson & Margaret Burke with a couple of 49/50 & 48/50s. Terry's wife, Judy, was very happy winning C grade and the sash for her late husband's event. Presentation of the sashes by Judy to the winners & 2nd place prizes was held after the lunch bbg. Judy provided the sashes & chose a soft lemon colour for this year. The club then held 2 other events to finish off the day.

Tyagarah CTC would like to thank Judy & her daughter, Kylie for travelling from Darwin & Tully each year for Terrys Memorial shoot. It is a huge effort from them & the members always look forward to seeing them & catching up.

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Disappointment

This article will appear at the end of the 2018 Nationals and I 3th World DTL Championships so the topic might be timely. Whilst everybody who nominates would like to win, and there is a very high percentage of shooters who are capable of winning, there can, only be one winner. This means there will be a high

number of disappointed shooters, if their only goal is to win. **Disappointment** can be defined as, the feeling of dissatisfaction that follows the failure of expectations or hopes to manifest. Similar to regret, it differs in that a person who feels regret focuses primarily on the personal choices that contributed to a poor outcome, while a person feeling disappointment focuses on the outcome itself. It is a source of psychological stress.

It must be realised, that many competitors will be there to improve on their personal best, practise dealing with high pressure of elite sport, be part of the experience or just have fun, both on and off the tracks. So some, even though they didn't win will still be satisfied with their performance and placing.

Sally Hilton, British psychologist who explored dissapointment of Olympic athletes competing and not achieving their expectations In her blog https://www.sallyhiltontherapyonline.com/single-post/2016/08/22/Ten-Stepsfor-Coping-with-Disappointment-in-Sport rightly says that "we all face disappointments in life. But in sport there are factors that make these disappointments harder to take."

She continues by stating the best way to deal with disappointment is to create the right conditions in your life before disappointment occurs so that you are ready when it does. This means having balance in your life. When you are focused exclusively on one outcome, failure to achieve it can be devastating. But within the context of a life in which you find fulfilment from various avenues (relationships, friends and family, other interests, making a contribution outside of sport etc.) then as devastating as disappointment is, it will not be such a threat to your sense of self and purpose.

This is easier for the amateur sportsman, who enjoys the process of training and competing, social contact and the exercise. This is not easy for professional and semi-professional athletes whose livelihoods and reputations depend on winning and staying on the top.

Sally Hilton continues to outline ten steps for coping with disappointment in sport.

- I. ACCEPT. You cannot avoid feeling deep disappointment and agony. This is natural and inevitable. The issue is to not get stuck in the 'if onlys' . . . acceptance means allowing yourself to feel as rubbish as you feel and not try to shut it out by disconnecting or using alcohol or whatever ways you have to stop feelings. Feelings that are repressed have ways of finding an outlet somewhere. Better to feel what you feel and use that feeling constructively.
- 2. GET SUPPORT. It can be tempting to act like it's fine and withdraw into yourself, but expressing how upset you are allows others to know what you need from them. Most of us have family and friends around us that can listen to our disappointment and bring us back to reality.
- 3. SUPPORT YOURSELF. Step two is a form of supporting yourself through reaching out to others at a time when it is very difficult to maintain positive feelings. You will need to be your own best friend in the tough times. Supporting yourself is different from denying or trying to block out your feelings. Nor is it about relentless positive thinking in a way that doesn't acknowledge the devastation of what you've missed out on. Instead it's about acknowledging how you feel and also maintaining hope for the future, good

feelings about yourself and avoiding beating yourself up. This can be hard in those first moments, especially if you're not practiced in being kind to yourself.

- 4. TAKE RESPONSIBILITY. It doesn't have to be straight away, but when the intensity of the disappointment has faded somewhat, it's time to take some responsibility for your choices. This is not about giving yourself a hard time. This is instead about supporting yourself through the inevitable ups and downs of participating at an elite level in a difficult and challenging sport.
- 5. FIND THE HIGHER PURPOSE. Your stated goal might be to win a National Championship or a World Championship but it's important to know why you want that. To find out, ask yourself: what does it mean if I win that medal? What does it do for me? Maybe it means you that you've achieved your potential. Keep asking the question. So if you have achieved your potential, what does that do for you? And so on. Keep going until you have found the highest positive intention. Perhaps achieving your potential means you have made people proud. If they are proud it means you've made a useful contribution to the world and your life has meaning. Then you have a clue that your ultimate goal is around having meaning through contribution. Find other ways to express your contribution so that it doesn't hinge on this one thing. The idea is that if you don't get what you want, you are dealing with disappointment only, rather than a wholesale sense of worthlessness and loss of meaning.
- **6. BROADEN YOUR IDENTITY**. Research shows that when you have a singular sporting identity, there is a much greater chance of falling apart when things go wrong. Instead, cultivate a broader sense of self through understanding yourself outside of your sport. This way, you can still work on valuing yourself as a person and your personal characteristics and qualities, so tat your accomplishments in sport are not your only avenue for self-worth.
- 7. MOVE THE GOAL POSTS. This isn't about changing the goal as much as broadening the goal and shifting your perspective towards relishing the whole experience of the sport and your performance, rather than being exclusively focused on a particular outcome. This is an important aspect of resilience; the ability to bounce back from failures and disappointments.
- **8. REWRITE THE STORY**. Rewrite the narrative of your life in your head. You may have believed that success is the only important thing and that it must happen. However, life doesn't always go the way we plan and there may be a need to change your focus by developing a new narrative. It may just be a lesser or different goal than before.
- 9. LET GO OF RESPONSIBILITY FOR OTHERS. You may have issues of shame, or a feeling of letting others down who have supported you. Ultimately, you are not responsible for anyone else's hopes and dreams. That can be hard, especially in relation to people closest to you who may have also offered huge levels of support and sacrifice of their own. Regardless, this remains their own choice. Accepting this and letting go of responsibility for other people can be particularly difficult if this is a feature of your character generally. If you are a 'people pleaser' or someone whose self-esteem is highly reliant upon approval from others, this can be very challenging.
- 10. GET SOME PERSPECTIVE. If all else fails, get perspective. No one has died. It is only sport. You are fortunate in so many ways. Count your blessings and express gratitude for all the good things in your life. Remember that you probably shoot most weekends and this experience at an elite level can give you invaluable experience and teach you skills that you were not able to use before. You will probably end up a better club shot as a result of participating in a national or world championship.

If you still find it hard to come to terms with a devastating loss, then it may help to talk to someone, friend, colleague, partner, coach or psychologist to help you achieve these steps to moving forward positively.

VCTA State 5 Stand Sporting

Bendigo Clay Target Club March 3, 2018

The 2018 VCTA 5 Stand Sporting Clays Championship was conducted under prefect shooting conditions at Bendigo on the 3rd of March 2018. Fifty competitors nominated nice and early which allowed the club to get competition underway soon after 10 o'clock.

Previewing each of the three grounds the competitors had the opportunity to view each layout and hopefully familiarise themselves with the targets. Although there were some testing targets on each of the three grounds, the day results produced some very high scores. Reports that come back to the office were very positive. The club would like to thank the sporting clays setup team for once again producing a fair and balanced environment for the competition on the day.

As it was a 100 target event, the grounds were 35 targets on ground 1, 30 targets on ground 2 and another 35 targets on ground 3. Many shooters found this configuration excellent, as you were not required to shoot any set of targets twice. Observation by some of the more mature shooters commented their appreciation of this configuration, but we are not mentioning any names. Thanks also has to go to the office and kitchen staff, special mention Matt (great job) the trap fillers, Shoot Marshal and everyone who so generously gave their time to help out.

Robert Hall Overall winner

The Overall and AA winner, with a very credible score went to Robert Hall with 94/100 from Bendigo CTC with Shane O'Brien second,

shooting 90/100. First in A grade was Glenn Viney 86/100 with second place going to Gino D'Angelo, who was close behind on 85/100. B Grade went to Rieley Fitzgibbon with a 77/100 and Peter Finn ran second shooting 75/100. C grade saw Glenn Welch shoot 73/100 to take first place and after a shoot off to decide second, the local up and coming sporting clays shooter Matt Appleby took the medal with a 96/129.

Grade winners: Glenn Welch, Glen Viney & Rieley Fitzgibbon
Second place winners: Gino D'Angelo, Matt Appleby & Peter Finn

VCTA Sporting Shoulder to Shoulder Team: Shane O'Brien, Robert Hall & John Younger

In the sections Renae Birgan from the Melbourne Cricket CTC (88/100) won the Ladies, Rieley Fitzgibbon (Maryborough) won the Iuniors (77/100) and Bryan Rafferty also from Maryborough (82/100) the Veterans.

The 3 Person VCTA State Team members, who will now go to Wagga Wagga to shoot the

5 Stand Sporting Clays Shoulder to Shoulder match against the other States are, Robert Hall, Shane O'Brien and Robert Younger, with Renae Birgan and Nathan Harris as the emergency's.

Girls' Day Out — IS THE BENDIGO RESULT A FIRST?

Bendigo Clay Target Club February 2018

Some 32 shooters turned out for the Bendigo February DTL shoot. The program consisted of a 50 target Pre National Points Score Championship and a 50 target Double Barrel Championship.

The Points Score Championship was the first event and it was off to the tracks for all. Weather conditions were good and the atmosphere was great, but no one really expected the outcome in this event – the Overall and Grades all went to the girls!

The Overall went to Laura Woolley with the only possible 150/150. A Grade went to one of our brightest prospects in clay target shooting, Kiara Dean with a great 149/150. Kaylene Estcourt had to survive a shoot off to claim B Grade with 161/168. To finish the quadrella, Julie Hogan shot a very creditable 137/150 to clearly win C Grade.

As soon as the result became known, all in attendance were asking, "Is this the first time girls have won Overall and all Grades at a shoot in the one Championship?"

I would ask if you know of this happening somewhere else – please let us know. In the meantime, Bendigo claims bragging rights!

- The Range Officer has the responsibility to supervise all personnel (shooting and non-shooting alike) present on the range, and may have members and/or non-members removed at his/her discretion.

Guest and spectators

 Guests (children and adults) are the responsibility of the adult club member (who they came with) and must remain under that persons control at all times.

RANGE OPERATIONS

Flags

A RED flag must be flown from the flagpole at the main entrance to the complex when firing is being conducted on the range. Red flags are not to be flown when there is no shooting on the range. During night shoots, red flags are to be either clearly illuminated or replaced by red lights.

Targets

Only approved frangible (moving) clay targets can be used.

Range Register

- A Range Register is maintained at the clubhouse
- On arrival at the Range all shooters and visitors must sign the Range Register. Shooters are reminded that this is a requirement as per the Firearms Act 1996 and the Firearms Regulations 2006.
- All shooters must have a current ACTA handicap book.
- All shooters must carry proof that they hold a current firearms licence.
 Shooters may be asked to show this at any time on the request of the RO or any Executive member of the Association. Any visitor who is in possession of firearm(s) must be asked to produce a current clay target shooters licence, and if unable or unwilling to do so, he/she will be asked to leave the site immediately.
- The Range Register will be held securely to ensure that unauthorised people cannot access the details within it.

Ammunitions

The use of a tracer, incendiary, explosive or similar ammunition is prohibited. All spent cartridge cases must be collected and disposed of in containers provided, or removed from the range.

The muzzle velocity and muzzle energy of ammunition is to conform to the conditions of the Range Approval.

Permitted Arc of Fire

The maximum permitted arcs of fire for this range are as designated in Association rules.

Range Danger Area (RDA)

If the club currently holds Permissive Shooting Rights with any conditions applied these conditions must be applied to prior to any shooting taking place.

The entire RDA is the responsibility of the club at all times while shooting is taking place.

- Procedures for clearing the RDA template prior to any shooting activity are:
- The RO will physically check the RDA to ensure that no person(s) is within the shooting range.
- The RO will ensure that all signs are in place before shooting commences.
- If any persons are within the RDA, a cease fire is to be called by the RO.
- Shooting can only resume when individuals have left and the area is safe.
- Any gates leading to land within the RDA should be locked before shooting commences.

The following firing guidelines are applicable to this range:

- Shooting is only to occur between 7.30am and 9.00pm
- No firing if target visibility is reduced as determined by the RO.
- Shooters with loaded firearms must be under RO direction.
- Shooters will only load their firearm whilst on the firing line ready to fire at the nominated target, this applies for competitor and practice. Once nominated targets have been shot at the firearm will be cleared before moving out of the cage or circle.
- At no time must a firearm be loaded outside the shooting range area.
- During competition a firearm is loaded immediately before shooting with two cartridges, then the shotgun broken open after shooting and two cartridges ejected.

- Shotguns must be carried in the open position at all times.
- If a malfunction occurs during competition the RO must be called.
- Firearms shall never be left unattended in an open area.

Any person who believes there may be a risk to people, livestock or property must call a cease-fire.

Safety Zones

The club has a range danger area (overshoot) designed for 12 gauge shotguns. These areas are out of bounds (no trespassing) areas designed to contain overshoot and ricocheting shot. Every reasonable effort shall be extended by the RO to ensure that the safety area does not have people in it during range operations.

Match completion

At the conclusion of all matches or practices the RO will ensure that:

- · All flags are lowered, and
- All trap-houses closed and locked

RANGE SAFETY CONSIDERATIONS

Spectators

Spectators will follow all directions given to them by the RO. Spectators must remain behind the designated firing range at all times.

Hearing and Eye Protection

Hearing and eye protection for shooters and range staff in near proximity to an active firing line is mandatory.

Alcohol/Drugs

Any person deemed by the RO to be under the influence of alcohol or drugs will be excluded from the bounds of the range.

Smoking

- · Smoking is not permitted on any firing point
- Smoking is only permitted in the designated areas

- Smokers should be encouraged to wash their hands after shooting and before smoking due to the hazard posed by the possible ingestion of lead
- All smoking materials (butts, etc) are to be disposed of in the containers provided

EMERGENCY PROCEDURES

First Aid Kit

The First Aid kit is kept in the Secretary's office.

Injury or Accident

- RO to immediately ensure all shooting ceases. All other firearms are rendered safe and removed from the range.
- The firearm in question is to be left untouched in situ and guarded until the arrival of police if safe to do so. If not safe to do so, the firearm is to be rendered safe and returned to its position and guarded.
- First Aid to be administered to injured person by a suitably capable person.
- Contact Ambulance on 000
- Maintain life support until relieved by ambulance officer.
- Notify police and Firearms Registry of incident.
- RO to secure the firearm until taken by police.
- Accident or injury site to be kept untouched until arrival of police (if firearm is involved, the firearm must remain at the site).

WANGARATTA CLAY TARGET CLUB

5 STAND CHAMPIONSHIP

The Wangaratta Clay Target Club ran a very successful 5 Stand Sporting Clays shoot on Sunday I Ith February. The club is encouraged by a gradual increase in competitors attending to shoot this exciting and challenging discipline. Wangaratta offers two layouts of expertly set targets, providing a satisfying experience to all skill levels.

AA grader Mark Reynolds expertly took out the overall title on the day, demolishing 87/100, ahead of local member David Jackel on 82/100. Jackel has proven to be a good all-rounder at both skeet and sporting clays, and is always very receptive to accept advice and coaching from others to further improve his scores. Junior shooter, Rhys McGauran

proved his abilities in A grade hitting 79/100, just ahead of Victor Bowman on 78/100.

Nice to see husband and wife team and regular visitors to the club, Angela and Christopher Kloppenborg take home the trophies in B grade. Angela shot consistently well during the event, bagging 72/100 ahead of Christopher on 62/100. C grade winner and junior member who contributes in many positive ways to the success of the club was Jacob Motha, winning himself another sash after breaking 76/100, one target in front of Ben Kuschert 75/100.

Best veteran on the day was hard working committee man Graham Coyle 79/100 with Rhys McGauran claiming the Junior trophy on 79/100.

DOWN THE LINE CHAMPIONSHIP

The Wangaratta Clay Target Club conducted another very successful Down The Line event on February 17th. At this point in time, the club still has only availability to two of it's DTL layouts, however hopes to get back into full swing later in the season. Perfect weather conditions greeted the enthusiastic group of competitors on the day, and as usual shooters were warmly welcomed to the club and thoroughly enjoyed the first rate amenities available.

The 10 target points score eye opener was shared amongst 6 shooters. After the warm up, a 30 target points score championship event was

5 Stand: L-R: Victor Bowman, David Jackel, Rhys McGauran, Angela Kloppenborg, Mark Reynolds, Christopher Kloppenborg & Ben Kuschert Kneeling: Graham Coyle, Jacob Motha & Cinder the labrador

next, with Trevor Hicks winning overall and AA grade with a perfect tally of 90/90, placing Craig Fitzgerald in 2nd on 92/93. A grader Darren Cark shot 86/90 winning A grade, ahead of dedicated committee member Peter Sandral in 2nd place with 103/108. Roy Ellis shot well claiming B grade 80/90 and Robert Foster finished 2nd on 74/90. C grade was won by Peter Lang 71/90, 2nd position to Thomas Davey 79/99.

The next event was a 30 target double barrel championship and was again won by Trevor Hicks with another perfect score of 91/91, in front of Albury / Wodonga member Greg. Pinner 90/91. A grade winner and hard working committee man Anton Motha, took home the sash on 70/70 placing Darren Clark in 2nd on 45/46. Roy Ellis again shot well to win his 2nd sash in B grade on 34/36, once again placing Bob Foster in 2nd with 33/35. Nice to see young Riley Sandral win C grade 31/33 and Peter Lang in 2nd on 30/33.

Lastly, the 25 pair Double Rise event was won by the overall High Gun winner of the day, Trevor Hicks demolishing 46/50 targets. Trevor was pleased to return home with three overall sashes and lots of trophies in recognition of his excellent skills during the day. Daryl Hunt won 2nd in AA with a tally of 44/50. Lachlan McDonald put in a first rate effort in A grade with a clean score of 40/40 and was matched by another top shot, Darren Clark 40/40. Lady competitor Louise Wilson won B grade 33/50, one

target ahead of 2nd place getter Robert Foster 32/50. Peter Lang again proved his skills winning C with 33/50, ahead of Thomas Davey 32/50.

Once the scores had been tallied at the end of the day, Trevor Hicks won the overall High Gun trophy 193/200, Veterans to John Gemmill 188/200 and best Junior, Jacob Motha 181/200.

Thanks to Col. Crittenden for arranging the trophies for the day. Daryl Hunt for his shoot marshall duties, Rob Glossop, Ern Williams and Linda Motha for their combined efforts in the office. Peter, Jack & Riley Sandral & Jacob Motha for setting up the traps. Also, Bruce Henshall and Bob Pigram for their efforts in making the club house and grounds looking great on the day.

Burdekin 100 Target Day

Burdekin Clay Target Club February 2018

On Sunday 11th February the Burdekin Clay Target Club held its annual 100 target Double Barrel event with plenty of shells up for grabs thanks to the fantastic sponsorship from Joe Caruso from G.I. Joes Guns and Ammo.

The numbers exceeded all expectations with 71 shooters rolling up for the club's second 100 target day at the new ground. With the weather being kind and delivering a warm calm day hopes were high for some good scores.

First up on the program was a 15 target points score sweeps event to give the shooters a warm up. In AA Grade, Bruce Murphy, Brad Farry, Ray Collinson, Joe Caruso, Joseph Rossato, Darryl Grant, Andrew Zarb and Ron Gough all

A Grade saw Carol Betteridge, Brontie Rea and Tony Laspina sharing the money after all shooting 45/45. Darryl Chapman, Ray Aitkenhead and Colin Ferguson shot 44/45 to share B Grade.

Some good scores were recorded in C Grade with Sylvia Rossato's score of 45/45 giving her the lion's share of the cash, Ben Falkenhagen 43/45 took out second and Ross Pryde 41/45 third.

Once the 100 target started and the scores sheets came back to the office, it was clear that the score board was going to have a lot of red on it. By the end of the day, the red chalk had run out with 99 x 25's on the board. When the scores were tallied, there were 9 shooters who had shot the 100/100 with one of them being an A Grader and two B Graders shooting 99/100.

The shoot off began and it was clear from the outset that this was not going to be a short shoot off. After 229 shoot off targets it was Joseph Rossato taking out Overall and AA Grade from one of our junior shooters, Christian Populin. Both Joseph and Christian exceeded their previous best break. This score also broke the previous club record break including at the old club grounds.

Above: Sponsor Joe Caruso with AA Grade Joseph Rossato & Christian Populin Left: A Grade Brontie Rea & Joe Scalia

A Grade was taken out by Joe Scalia who also broke his longest break shooting the 100 in the event and then going on to reach 228/229 in the shoot off. Second place was a very elated Brontie Rea who shot her best ever score of 99/100.

C Grade Sylvia Rossato, Jason Kelly

Two B Graders shot 99/100 and they were Mark Fiamingo and Colin Ferguson. Their shoot off did not go too long with Mark missing his 10th target giving Colin the win. Both shooters were very happy with their score.

When it came to the C Grade competition, it was very competitive as well with returning shooter Jason Kelly taking out first with an impressive score of 96/100. Sylvia Rossato didn't want to be outdone by her husband and took home second place with her score of 95/100.

There was no surprise that nine shooters were upgraded on the day and when some others reach their 200, will no doubt be going up a grade as well.

The club would also like to recognise the following shooters who shot the 100/100 in the event. Greg Maltby shot a total of 120/121, Col Edgerton 121/122, Ray Collinson 226/227, Bruce Murphy 233/234, Ron Clive 280/281 and Joe Caruso 304/305. Great shooting by all involved.

Thanks also to the wonderful people who work in the kitchen, bar and office as well as the trap fillers, trap mechanics and shoot marshalls without whom the club would not be able to hold these great events.

Life Memberships

Also at the shoot in December, the club handed Life Memberships to two great club supporters in Glen Rea and Ray Collinson.

Ray Collinson & Glen Rea, new Life Members

Glen was president for two separate periods and a total of sixteen years, only standing down this year due to family commitments. He worked tirelessly to secure the new ground for the club, meeting with local council, politicians and government departments to satisfy all of the requirements. Ray has served on the club committee almost continuously since 1983 mainly as the club treasurer.

The club hopes everyone enjoyed their day. We hope to see you all again next year to see if more records and personal bests can be achieved.

Affordable, Quality

This policy has proved to be of great

The ACTA has accepted an Association insurance policy that will see eligible members (defined as the legal owner of a firearm) provided with **Firearms Insurance** for up to **\$12,000**.

For an additional \$10.00 fee any eligible member will be able to increase the Insurance coverage to \$25,000.

This insurance represents a significant saving on insurance for firearms and accessories.

The ACTA has been looking for this type of insurance for some time. This will allow all eligible members to have insurance at a very low cost compared to what they may pay now.

Covering member's firearms, and/or associated equipment whilst in transit, stored in a locked vehicle in accordance with State Law and/or building and damaged or destroyed whilst in use anywhere in Australia and New Zealand and overseas coverage for 21 days per year.

DEFINITIONS APPLYING TO THIS POLICY

Firearms & accessories means legal firearms owned by members of the named Association/Club, including any accessories or carrying cases.

Loss means loss or damage caused by or arising from a sudden and unforeseen accident including theft from a securely locked building or vehicle.

- Theft cover is conditional on firearms being securely stored in an approved gun safe when the firearm(s) are not in active use.
- No cover will be provided under this policy where the insured, or any other person or
 entity the equipment has been entrusted to, has breached any law relating to either the
 storage or use of the firearm(s.)

Comments

This insurance is designed to protect each financial member up to \$12,000 with the option to increase this limit to \$25,000 for an additional \$10 payable by the member.

The policy has an excess of \$50 each for every claim and protects members anywhere in Australia 365 days of the year plus overseas for 21 days in any one year.

The full policy document is available on the ACTA website with all other insurance documents.

For an additional \$10.00 fee any eligible member will be able to increase the insurance coverage to \$25,000.

To take up this increased cover option you must call: MARSH ADVANTAGE INSURANCE PTY LTD

CLASSIFIEDS

Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$12.00 — 0-60 words,

\$24.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers:

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- (a) the licence or permit number of the seller,
- (b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

INNOVATIVE SECURITY

SWING'N'SLIDE TECHNOLOGY

ANTI-PRY DESIGN LIKE NO OTHER.

The swing 'n' slide mechanism enables the door to close and slide behind the hinge making the leading edge of the door completely concealed and impossible to be accessed — even with a crowbar.
