## Executive Meeting Outcomes

Recently the full Executive met and all Executive Members were present except Mr. David Howe who was excused due to ill health.

Western Australian delegate Mr. Ian Watson and Northern Territory delegate Mr. Ray Niven

were welcomed to their first face to face Executive Meeting.

Elections were conducted for those positions vacant and Mr. Garry Read was elected Vice President, Mr. Alan Styles Treasurer and Mr. Gary Hayden Secretary.

Many decisions were made, and these included:

## Cessation of CTSN Production in Hard Copy

Production and postage costs for the magazine have now reached an unsustainable level. Postage has seen monthly mailing costs rise to between \$14,000 and \$15,000. We believe these monies would be better spent elsewhere. The CTSN will now be produced electronically and all members with email addresses provided to ACTA will be sent a link to access the magazine. The current months magazine will also be sited on the home page of the ACTA website. All copies will continue to be archived in the members section ongoing. Electronic media allows unlimited pages, more pages for the advertising dollar and a greatly reduced lead time, hopefully resulting in a much more relevant and current magazine.

## Reduction in Subscription Costs

The savings generated by ceasing production of the CTSN are being used to fund a reduction in the full adult membership fee. This follows the strategy we have adopted to closer align our membership costs with that of other Associations over time. The Full adult fee will now decrease from \$138.00 to \$120.00 effective from the 1st January 2019.

## Removal of the \$5.00 State Rebate

States are all capable of raising their own subscription fees and most already do so. It was thought that as at the time this rebate was introduced States were not charging individual member fees. Now that most do they can best set their fee where they need it to be themselves.

## Reduction in Club Affiliation Fee

Savings from the removal of the State rebate will be used to reduce the club affiliation fee by one third from \$360.00 to \$240.00 per annum.

## ISSF Nationals Dates

Submissions had been received from a large group of ISSF shooters via the VCTA to change the Nationals dates to later in the year.

2019 and 2020 will be held in January with proposed roster and dates supported as below.

## Rotations for ISSF National Championships 2020–2024

2020 – New South Wales

2021 – Western Australia 21ST – 27TH Nov TBC

2022 – Victoria 20TH – 26TH Nov TBC

2023 – Queensland 18TH – 24TH Nov TBC

2024 – New South Wales 24TH – 30TH Nov TBC

## The ACTA/ASSA Junior Skeet Initiative

Following a suggestion and offer from the ASSA the following terms have been agreed to between Associations for this initiative.

A joint venture as equal funding partners to promote junior participation for Skeet Shooting in Australia. PRIZE: 1st – \$1000, 2nd – \$500.

**ELIGIBILITY:** Under the age of 18 at the start of the Skeet Nationals and an ACTA Member.

**CRITERIA:** Any one hundred target score from any State or Territory 12g State Title of any State Carnival. Submit as many State 12g scores as you like and use the best one. **PLUS:** The combined scores of the National Handicap, 20g, Commonwealth and 12g events. E.g.: 100 + 350 = 450 targets total, best scores win. **COMMENCEMENT:** Starts 1st June 2018 until the completion of the 2019 Skeet Nationals - (for a 5-year trial).

## Traders Area

A Development Application is being presented to council for this area. Once approved it will sit on the table as a shovel ready project awaiting any viable funding stream that may become available.

## National Grounds

Work has now commenced on the new entry roadway from Copland Street beside the National Office. A two-lane concrete roadway will run into the western carpark adjoining the Range Conference Centre. This is the final works required to receive our Council occupancy certificate. Council had previously issued an interim occupancy certificate, allowing the Association to use the facility to date. It is expected to have this work completed prior to an official NSW Government opening in October/November.

## Audits

The Association has now been advised by the NSW Government that all Grant acquittal documentation has been checked and approved. Final payment of grant funding to the Association has now been made. Along with this audit and our normal annual audit we have also been audited by NSW Treasury continually during the construction period.

## A Little Thanks

I write this at the last spot with phone service prior to leaving for Dirk Hartog Island from Steep Point, the most westerly point on the Australian mainland. We travelled here straight across the country and spent a few days camped at the Geraldton club. They had just completed another successful "Shoot" which due to a planning error on our part we missed. Donna and I would like to thank the club and its members for the hospitality shown us during our stay.

Along the way we passed the Leonora club and being right on the roadside we couldn't just drive past.

The new caretaker Alec was only too happy to show us around.

Two things stood out at the club, one the glass windows into the clubhouse (along with the general surroundings) were spotless. Despite the dry, dusty environment the place was a gem. Secondly proudly on display and clearly visible through the windows were some of the nicest Honour Boards I have seen anywhere. They would not look out of place in the largest clubs in the country. Honour Boards not only provide recognition for high achievers, they also help keep the history alive. I love them. Well done Leonora.

## Retirement of Executive Officer

Mr. Tony Turner will be retiring from work by Christmas of this year. The vacancy created has been advertised nationally with specialist Sports recruitment agency, Sportspeople.

At the time of writing applications have just closed and 12 suitable applications have been received. These are now in the hands of the management sub-committee who will consider and short list those

# Executive Officer's Report

The focus for the ACTA National Office is squarely on 2019 with a number of changes to the way we operate within the office to be implemented over the next few months. See the Presidents report for a summary of these changes.

Club Secretaries will now be able to reinstate lapsed members (inside a 5 year period). This means that new member applications, ACTA Life Members, Club changes and category charges are required to be sent to the ACTA National Office for processing. This will allow a more timely processing of members who have not re-joined by the 28th February deadline.

Clubs should now have directions from the National Office to login to their Club through the data base and adjust their fees for 2019. The ACTA will update its fees in line with the National Executives decision to lower the price of full membership. The new price of \$120.00 per full membership provides the member with all of the full benefits of the Association.

Club affiliation costs have also dropped as the Executive look to encourage clubs and new members to the Association. The new fee is \$240.00

The Association will conduct an official opening of the National Clubhouse/ Function centre in October where the NSW Coalition Government will be represented and asked to open the building. It goes without saying without the government funding the ACTA would not have been able to deliver the World Championships, National Championships and other private events as we currently do.

A plaque recognising the Government's contribution as well as one recognising the builders and those involved including ACTA Members and Executive of the Association will also be unveiled on the day.

The new Function Centre is now completed and all of the grant money paid to the Association. Infrastructure NSW had an audit of expenses throughout the project as well as the NSW Treasury department. Independent Auditors

RSM also conducted an audit of the accounts and costs as well as the terms and conditions of the grant. Additionally the ACTA Auditors conducted the 2018 Audit and provided the ACTA with a report showing the processes followed by the ACTA were in accordance with the requirements.

The ACTA was compliant with all of the requirements of these audits and the grant.

There are a number of individuals who will be disappointed by the results, unfortunately there are those in the Association who are opposed to the development of the asset and as is common "if we don't know, we will make it up" syndrome is prevalent amongst this group. These audits show the ACTA have the right reporting systems in place. This may disappoint some people however the rank and file member can judge for themselves based on the FACTS provided.

The ACTA has delivered a \$7m asset that provides a second income stream for the ACTA. This will in the future allow flexibility with how the surplus money of the Association is directed. It is a shame a small amount of keyboard warriors with no real knowledge of the Association continue to question and denigrate the ACTA (and therefore the sport) and its Executive Members. The amount of misinformation on some of these social media sites far exceeds anything positive or informative, just more unadulterated and unsubstantiated rubbish.

Authorities who monitor this type of social media must think this is amusing to have some from within trying to tear down the sport and save them putting restrictions on firearms in place. They are just wishing for the sport to implode.

A National Junior Camp was conducted at the National Ground for aspiring juniors over the week leading into the NSW Championships. These athletes were selected as potential leaders of the sport in the future. Potential is one thing, as is talent, what you do with that potential and talent will be determined by the amount of hard work you put in. Over my 30 years in sport administration and development I can assure you some of the most talented juniors have not made an impact at senior level for many reasons including other interests, leaving the sport or they decided not to pursue the sport at this level, there are others who just lack work ethics. This group of young adults displayed plenty of talent and potential, it will be worth watching their progress to see where they end up.

A full report will be provided in the next magazine.

## AGM 2019

It is a timely reminder that the AGM will be conducted at the Club Hotel in Roma Queensland on Sunday the 31st of March. Agenda items and Notices of Motion need to reach the Executive Officer by the 30th of December 2018 to be included on the Agenda.

I have had numerous discussions over the past two months with our Insurers, Solicitors, Executive of the ACTA and members in relation to the constitution. I will not enter into debate or discussion on the constitution other than to say the contents of the constitution should be read in their entirety when seeking to put points of view forward, particularly taking notice of the Objects of the Sport. The most important issue is the relationship between our insurance and the duty to follow the Constitution and Rules.

The Constitution relates specifically to the Registered Members of the ACTA, its Clubs, Zones and States. It was developed specifically for the betterment, administration and conduct of business for the Australian Clay Target Association.

## President's Notes

Continued from page 2

we feel should be interviewed. Hopefully a candidate will be selected to start work during November allowing a reasonable handover period.

Tony will leave big boots to fill. During his time with the ACTA we have seen many achievements including the conduct of the recent World Championships, doubtlessly the most professional event ever conducted by the ACTA. His overseeing of the development of the Ground and administration of the NSW Government grant have also been recent highlights. Working to Executive policies Tony has grown the Association asset base several fold. These positions are not popularity contests and of course he, like all of us, has his detractors. But anyone honestly looking at where we were when he came on board and where we are now would have to agree on a job well done. Personally, I would like to thank Tony for the experience and diligence he brought to the position, and for the frank and honest advice he often shared with me. He is an honest, professional, strong and intelligent person and we will miss his input and involvement greatly. Tony and wife Julie are retiring to the NSW South Coast area and we wish them both well for the future.

Yours in shooting, RN

## CHANGES IN OPERATIONS

The National Executive meeting in August resulted in a number of changes to the way the ACTA operates in a number of areas.

The CTSN will be produced in its current form until the December issue, however it will not be printed as at the 1st of January 2019. The magazine will become a **digital publication only** with some additional benefits and options for Clubs, Zones, States and advertisers. The new digital CTSN will be available through a number of mediums, the first will be through the delivery of a link through an email to those who have an email address in the data-base. If your email address is incorrect in the data base then you can change it simply by logging into the data base through mypage or contact your club secretary to update it.

The other option will be to go to the website and click on the current CTSN cover to open the document. This form of delivery will offer the most relevant and current information available. The ACTA will also be able to offer bigger opportunities for Clubs, Zones and State to report on their activities. Competitions will be able to accommodate more photos and recognition of the winners, participants and the Club, Zone and State.

Sponsors and advertisers will be offered the opportunity to add value to their existing advertising with product reviews offered as part of the advertising package. The CTSN will still be the one stop shop to know what's going on in and around the ACTA, its Clubs, Zones and States.

With the new format comes new opportunities, we are not restricted by size, previously because of postage cost the ACTA has had a very strict size allowance available each month. This digital option allows the ACTA to allocate larger advertisements at the same price as 2018. This is a win win for all concerned. The CTSN will be available earlier in the month without having to wait for Australia Post. The cost of these services was considerable taking into account the printing and postage of the magazine.

The Executive also decided to remove the State per capita rebate paid to States for all full members. This rebate was instituted to provide money to States before state affiliation fees were implemented. Given the fee is paid on top of State fees it was abolished in favour of States charging an affiliation fee, that being once only.

## FULL MEMBERSHIP AND CLUB AFFILIATION REDUCED

In light of the savings from above the full Executive voted to lower the cost of Full Membership to \$120.00 to encourage further membership of the Association. The Full Membership benefits do not differ from the other categories except for Juniors where the firearms insurance is not available (due to the fact under 18's cannot own a firearm). All other benefits are the same, so a reduction will assist Clubs in gaining and maintaining members.

All other memberships categories are to remain the same as 2017 / 2018 where no CPI was added.

The cost of running a club was also considered with the new Club affiliation set at \$240.00 per year.

*Not a bad squad to shoot in for the weekend*

Wagga Gun Club again hosted the ACTA National 5 Stand Sporting Clays Championships in August 2018 at the National Complex in Wagga Wagga. The Championships, run over two days and shooting 200 targets, attracted a full field of 120 shooters, with some shooters on the reserves list missing out. Shot over four layouts with as many as 8 traps on a couple of grounds, it was a credit to the organisers. David Coleman and his small dedicated group of Wagga Gun Club members are to be congratulated for presenting a great range of targets, some slightly more technical than expected and even some of our top shooters were seen shaking their heads after a miss.

Unlike the weather in 2017, which to say the least was pretty bad, this year was as close to perfect as you could get on both days.

Winchester Australia was once again the major sponsor for the Championships and we thank them for their ongoing generous support. Winchester supplied shotshells and a Browning U/O shotgun for the Overall winner of the National Sporting Clays Championship.

A special thanks to Dave Coleman for running the shoot so efficiently for the entire weekend and thank you to Frank Auditore, who stepped in at the last minute to run the office computer with the support of Wagga Gun Club members.

Competitors came from all over Australia including, NSW (50), VIC (41), Qld (7), SA (18), WA (3) and the NT (1). There were 44 AA grade shooters, 40 A grade, 20 B grade and 16 shooters shot in C grade. 12 Ladies competed, there were 6 Juniors and 16 Veterans.

# Tom Turner wins Golden Clay Championship

## Cobar Clay Target Club August, 2018

*At the 43rd Annual Golden Clay & NSW Junior Masters Championship shoot in August 2018, Tom Turner won the coveted Overall Golden Clay Championship, which he has been coming and supporting and trying to win, for some years now. Congratulations to Tom, he has been a sterling competitor both at home, regionally, nationally. Tom is understandably honoured & over the moon about this achievement.*

The Overall Golden Clay Trophy, sponsored by Peak Gold Mines, this year again, was a 9ct solid gold miniature clay. The sponsorship of gold for this trophy is particularly appropriate by Peak Gold Mines and reflects the Peak's continued support to sporting organisations and community events in Cobar. Cobar Club President, Mr Bryan Manns, presented Tom with this prestigious award, on behalf of the Peak Gold Mine, whose score was 280/285.

The 43rd annual event attracted a fabulous crowd, and it is plain to see that Cobar Club is renowned for its hospitality. There was shooters from all parts of the country, Victoria, South Australia and Queensland being well represented too. The sport of clay target shooting encourages family involvement which was evident with many families seen during the weekend either as spectators or participants. Families from away, including the Turner family were seen, and Leanne in the kitchen. Similarly, the Schiller family threw themselves into the spirit, and not to be left out was Janene in the Office running the programme this year, a big thank you, and Betty literally running around in the kitchen. Ex locals, the Yates families, attended with Trish donning an apron to keep up her tradition to Cobar Clay Target Club. Several other father/son/daughter/mother combo's attended on the weekend, all travelling long distances for the event. A big thank you to Carol also, who spent the entire weekend in the office, to oversee everything ran smoothly. Your knowledge is always valued

and appreciated. There was other noticeable absentees from the weekend, but they had other commitments elsewhere. Also, some familiar faces weren't seen due to illness.

All hands were on deck in the kitchen keeping everyone watered and fed over the weekend, with some mouth-watering, belly filling, hot meals for the cold nights and days. An excellent assortment of home cooked meals for Dinner on Saturday night and scrumptious desserts were eagerly consumed by all, whilst the Calcutta auction simultaneously created extra excitement.

Friday night was the commencement of the weekend carnival, with the sponsor being "KML Industries Pty Ltd", starting the proceedings with the 30 Target Night Points Score Event 16m, being contested in inclement weather of very cold winds. I think some of our competitors thought it would be great to bring some of their cold weather with them! However, 97 shooters braved the conditions with the following competitors being successful. 1st C Grade, Shannen Gallagher 86/90, with Jason Mitchell 84/90 2nd. 1st B Grade Mark Dunn 89/90, and 2nd Jamie Regan 87/90. 1st A Grade Sam Nardi 95/96, 2nd Dick Tulloh 92/96. 1st AA Grade Phil Grainger 119/120, 2nd Ben Woodhouse 118/120. Overall winner of the Night Points Score Event was Robert Thompson 90/90.

The skies were clear and very crisp on Saturday morning which brought out 137 shooters to

Sunday morning promised another beautiful day, but some competitors were reluctant to face the bright morning sunshine, because of a great night before!!! # 2018 New South Wales Skeet Carnival

National Shooting Ground, Wagga Wagga

10th – 12th August 2018

*Wagga Wagga certainly put on its weather show for us this particular weekend, we had the wild winds, the fierce rain and also the sunshine. Although with us office guru's parked up cosily in the events office for the duration of the weekend, we didn't much feel any of it other than the lovely regulated heating.*

Thankfully the shooting results weren't a reflection of the unpredictable weather.

We saw some top scores in the small gauge events, with a few possibles, which compared to previous years just doesn't happen.

I won't bother with the name dropping of the winners as you can all read down further for these results.

It was nice to be able to utilise the new ACTA building with all the mod-cons, although we felt like such small fish in a big ocean. That building is so big!

Now, every year I look forward to this bunch of shooters coming to join us for the shooting weekend, there are always good laughs to be had and great moments to share with you all, they are such a great group of shooters to work alongside. Presentations are never dull, it's truly an enjoyable experience to be working with all of you.

Of course, I'm going to have to go through all the thankyou's, because as you know, without all the volunteers and everyone doing the job they have been allocated, we just wouldn't get going in the mornings, let alone for the full three days and boy are they full!

Firstly, we have to thank our Shoot Marshall, Sue Pim is such a champion! She gets all the shooters moving and keeps the ball rolling for the entire weekend, everyone that has worked with her knows that she is the best person for the job, she is a remarkable woman and deserves higher praise than what she usually gets, and of course is worth way more money too. Don't get any ideas Sue.

Frank Audiore was there behind the scenes running the tech side of the shoot, without his assistance we wouldn't be able to get to the first event, let alone through the entire weekend. His countless hours of work behind the scenes both before the carnival and during are phenomenal, he really is a big cog in our well-oiled machine!

Thank you to our new Trap Mechanic Barry Hall, he kept those machines running smoothly over the weekend.

Sarah Bennett, we certainly have to thank you for your help in the office, you shot through those handicap books like a pro (No pun intended). I hope you got as much out of it as

we did and that we can continue to help each other out in future years. I probably should thank your husband for rendering his assistance when we got stuck on the tricky bits.

Thanks also go to Wayne Petersen, your help is always welcomed with the finer details, like making sure I spell your last name correctly. Only kidding, I got it right this year.

We have to thank our trappers, I mean I know they get paid for their work, but still, they are sitting in that terrible weather day in/day out, loading those clays into the trap houses for the shooters to destroy.

I'd like to thank the Executives of the NSWCTA that showed up to render their assistance, David O'Brien, Fred Rapley, Colin Kneebone dedicated their weekend to assisting when and where they were needed.

I really should thank myself too, I literally blinked and the weekend was over, talk about busy!

And of course, I need to thank our sponsors, we have had such an overwhelming response of the last few years from local businesses and relationships with shooting business's with their donations to spread around our winners; The Carriage House Motor Inn, McDonalds Wagga Wagga, RSL Club Wagga Wagga, Victoria Hotel Wagga Wagga, Winchester Ammunition, Rules Club Wagga Wagga and Dino Dedic from Cecil Park CTC

Now if I have bored you with all this, please assign someone else next year to write the report, I will happily step aside and let another have the honours.

**MICHAEL KRUGER-DAVIS**

## Hypnosis for sport, again

At this years trap Nationals, a reader asked if I could reprint the four articles about hypnosis for sport, especially the scripts. This is the first of the four articles, which outlines what hypnosis is. I need to point out that I have completed a Diploma in Clinical Hypnotherapy,

and as result I see hypnotherapy as a valuable technique in either general therapy or specifically for sport.

Hypnosis has quite a long past and was originally used as an anaesthesia for surgical operations prior to chloroform and other chemicals. The original process was called mesmerism and was developed by Franz Mesmer in the 1700's. Hypnosis took another blow when it was rejected by Freud for psychoanalysis and then hypnosis became commonplace in theatres and with entertainers. Following the Second World War, hypnosis had a revival because of the move away from the lengthy process of psychoanalysis and the need for effective, short-term therapeutic interventions.

There is a general lack of understanding of what hypnosis is in the general community. Stage shows, television and the movies have portrayed a distorted view of this valuable technique. It is necessary to deal with some of the misunderstandings before I deal with the subject in general.

According to Winter & Martin, hypnosis is not sleep. Sleep is a state of reduced consciousness whilst hypnosis is a state of heightened consciousness. Hypnosis is a natural state of mind that we all feel from time to time. Those times when you are so engrossed in a book you do not hear someone at the door or you are driving and you can't recall going past a particular landmark or over a bridge. This is how you can expect to feel as you are hypnotized and it is likened to that feeling just before you go to sleep.

Hypnosis is not a state of being out to it or being in a trance. Actually you are just relaxed. Sometimes, this relaxation can be very deep, but for performance hypnosis there is no need. So as a result you will remember everything that happens to you whilst you are hypnotized.

Because of showman hypnotists, as seen on television, people often think that the hypnotherapist will make them do things that they do not want to do. This is not really possible and will not happen with a psychologist because they are bound by a code of ethical practice. It must also be remembered that hypnosis in sport is used to improve concentration and confidence, reduce anxiety, or to help clients change behaviours such as quitting smoking or losing weight.

Hypnosis in sport had been widely used for sometime in the Eastern Bloc countries. The first scientific report of its use in the Western world was in 1943 when Professor Dorothy Yates used hypnosis to assist a squad of university boxers. In the 1940's-1950's there was widespread use for sports such as basketball, baseball and ice-hockey. In the early 1960's hypnosis was used to assist a Red Sox baseball player, Jackie Jensen, of anxiety due to flying. He was about to give up baseball because he could play away games because of his fear of flying. In Australia, Dr Guy Grant, used hypnosis to help North Melbourne football team win their first-ever grand final.

Athletes, in general have been reluctant to confess that they have been using hypnosis for performance enhancement. This is possibly due to a misguided belief that "tampering with their psyche" is a reflection of a basic weakness, unnatural or unethical. These beliefs cannot be further from the truth. Firstly, there is nothing weak about striving to improve or to enhance your performance. Secondly, it is entirely natural. There are no performance enhancing drugs involved, because in the main it is relaxation with carefully placed

positive suggestions and affirmations. Finally, if practiced by a psychologist, under a rigid code of conduct, and if it is available to all athletes then it can't be considered unethical.

Most people are surprised when they experience their first session because they realize that they weren't asleep and that they could hear everything around them or that they could have opened their eyes. This helps the client better understand that they are in control of their behaviour and environment. It is possible to go into deeper states of hypnosis but still clients are aware of the noises and things around them. Actually, under hypnosis clients are three times more aware of the noises and things around them.

According to Winter & Martin, our normal alert state of consciousness acts something like a watchdog to incoming ideas; it screens what it will let through. This watchdog might often stop positive thoughts from getting through and allows you to dwell on negative judgements about yourself or your performance from the past. Hypnosis helps get the watchdog out of the way so that you can get your message through to the part of the mind where images, attitudes and memories are stored. Hypnosis helps you do this through a combination of physical relaxation and mental concentration.

Over the next few months I will focus further on hypnosis and will include some self-hypnosis strategies for readers to try.

# VCTA/Winchester School Students Final

State Ground Echuca

September 3, 2018

*The morning dawned a beautiful sunny day but with a fresh, cool breeze to challenge the students at the Final of the VCTA – Winchester School Student's Event.*

The VCTA State Grounds at Echuca looked an absolute picture after the recently completed upgrade works and a gathering of excited students, teachers and parents were ready for an early start to the day.

65 students qualified for the event after finals in each of the four Victorian Zones with students arriving from all over the state. From Hamilton to Bairnsdale, there was a large diversity of schools represented.

The event was shot in two rounds of fifteen targets, all single barrel, with the final score out of 30.

Competition was of the highest quality with some excellent score being submitted in all four competition divisions; Junior Girls, Junior Boys, Senior Girls and Senior Boys.

There was also a very hotly contested five person Team Event with each team having won their respective Zone final in the previous weeks. In the end it was a run away win for the students from Gippsland Grammar with a score of 115/150.

*Overall winner Gemma Hill with Winchester Australia Representative George Filippidis*

*Winning Team Gippsland Grammar*

There were three 'shoot offs', all for minor placings, after the completion of the 30 targets. This certainly added extra interest prior to the presentation of medals and trophies.

The outstanding result of the day went to the Overall winner, Gemma Hill, who shot an excellent 28/30, two targets clear of all others, and thoroughly deserved her win.

Many thanks to George Filippidis, Area Sales Manager for the event sponsors, Winchester Australia, for making the trip to Echuca and presenting awards to the winners. VCTA are most grateful to Winchester for their support of the event and the encouragement of our young shooters.

# Continental & Ball Trap at Bega

**Bega Gun Club  
September 2018**

September shoot has become traditionally our taste of Ball Trap and continental. This year, the wind invited itself along to add a challenge to the day. Numbers were slightly down, but four squads took up the challenge of two events, 50 target continental points score followed closely by 50 target ball trap. The format saw squads make two trips of 25 targets for each event.

Event one gave your's truly one of the strangest/ funniest experiences of his shooting career. Squad one, consisting of five quality shooters who shall remain nameless, faced the first fifteen targets thrown for a combined tally of two. The wind had the ball targets that went up and down in their efforts to escape and shooters wondered what was happening. Haven't laughed so much in a long time.

Finally settling into the game and getting on line the squad proceeded to set the mark for those following. In the end, AA grade went to Alan Deacon with a score of 135/150 with Phil Body graciously declining a shoot off, taking second with 135/150, also. B/C Grade was won by the legendary club

senior, John Siede with a 133/150 which included a clean sweep of his second twenty-five. Second place went to Michael Durnan on 124/150. A Grade went to Alf Niesar with the event's best tally of 142/150 with regular visitor Robert Duncan second on 136/150.

The much awaited 50T ball trap followed a hearty lunch. Robert Duncan made his visit profitable by taking A Grade with a score of 42/50, a great effort considering that friendly wind that would just not stay away. One target behind was Alf Niesar, 41/50. B Grade once again saw the grand master, John Siede show the youth how

it was done, winning with a score of 41/50. Second went to Zip Summerell on 37/50. Chris Brown showed C grade how to do it by winning with a score of 41/50, with Mick Durnan collecting his second prize for the day with 37/50.

High Gun went to Alf Niesar with a total of 182/200 and the meat tray was collected by Bert Deacon who "creamed" the first four before saving the treasurer by missing the last a generous club man.

Next month the club shoots on Sunday October 7th. With 50T DB and 50T PS on offer. Members are advised that the annual general meeting will be held after the shoot.

# 42nd Anniversary for Wilkawatt

## Wilkawatt Gun Club September 2018

On the weekend of 8 September the Wilkawatt Gun Club held its 42nd annual Anniversary shoot. The event attracted 65 shooters from as far as Port Augusta in South Australia and Patchewollock in Victoria. Held over two days the shooting event had a great social atmosphere with many choosing to camp at the grounds or stay in the township of Lameroo.

On the first day attendees competed in the coveted 50 target State Continental Championship sponsored by Farmer Johns. The overall winner of the event was Jordan King (Port Augusta) who shot exceptionally well with a perfect score of 123/123. Grade winners were as follows: AA Grade First Jordan King (Port Augusta) 123/123, Second John Hawker (Bordertown) 122/123, A Grade First Debbie McPherson (Lake Albert) 51/52, Second Dallas Fisher (Patchewollock) 50/52, B Grade First Stan Keen (Lower North) 48/50, Second Phillip Baldock (International) 52/55, C Grade First Layne Pontifex (Lower North) 49/52, Second Trevor Smart (Monarto) 48/50, Veterans High Gun Bob Andrews (Kingston SE) 50/50, Ladies High Gun Lill Franklin (Southern) 44/50, Junior High Gun Luke Batten (Wilkawatt) 50/50.

traps. Following a few urgent phone calls, some head scratching and the installation of a replacement, Trap 1 was back up and running on the second day. Thanks to the competitors' patience and understanding the Club was able to complete the competition before it got too dark.

Despite the interruption John Hawker of Bordertown shot a near perfect score of 84/85. Each year the Anniversary Shoot Double Barrel event

includes a team shield which was instigated by original club members Killick and Whelan, the winning team this year was from the Lake Albert Gun Club. Congratulations also to the following grade winners and High Gun award recipients: AA Grade: First John Hawker (Bordertown) 84/85, Second Steve Zadow (Kingston) 83/85, A Grade: First Kelvyn Prescott (SA Gun Club) 71/72, Second Greg Ferguson (Lake Albert) 58/59, B Grade First Bruce Morris (Barmera) 28/30, Second Stan Keen (Lower North) 29/32, C Grade: First Trevor Smart (Monarto) 28/30, Second Leah Ferguson (Lake Albert) 27/30, Veterans High Gun: Bob Crane (Kingston) 30/30, Ladies High Gun: Debbie McPherson (Lake Albert) 29/30, Junior High Gun: Luke Batten

(Wilkawatt) 29/30. Killick and Whelan Team Shield: Lake Albert Gun Club Team 144/150

Following an enjoyable evening meal and lots of theorising over the trap mishap the competitors settled in early ready for a big day of competition on the Sunday.

The first event on Sunday morning was the 50 target Points Score which was jointly sponsored by Chris Windham of Kangaroo Island and Daniel Morgan of Jabuk. Much to the excitement of the crowd Don Beelitz, life member of Wilkawatt, won the event with an exceptional score of 149/150.

AA Grade: First Don Beelitz (Wilkawatt) 149/150, Second Jordan King (Port Augusta) 146/150, A Grade: First Robert Frocione (Monarto) 145/150, Second Greg Tapscott (Lower North) 144/150, B Grade: First Harvey Nunn (Barmera) 137/150, Second Lill Franklin (Southern) 134/150, C Grade: First Trevor Smart (Monarto) 133/150, Second Daniel Peel (Monarto) 130/150.

Veterans High Gun: Bob Andrews (Kingston SE) 141/150, Ladies High Gun: Molly Bretag (Monarto) 144/150, Junior High Gun Luke Batten (Wilkawatt) 139/150.

Sunday's competition ended with the 50 target Single Barrel event

Winners of Cont State CS Layne Pontifex, Stan Keen, Debbie McPherson & Jordan King

The second event for the day was meant to be 50 target Double Barrel but this was reduced to 30 targets following the breakdown of Trap 1. Wilkawatt normally runs its competition across two 'down the line'

trip home on Sunday evening! Jordan played an integral role in getting Trap 1 back up and running and Wilkawatt members were very thankful for his help.

The best AA grade shooter over the two days was Martin Collumb with an overall score of 271/280. The two day High Gun awards were sponsored by Bob and Linda Andrews of Bordertown. The club really appreciates the support from them and all of the sponsors across the two days.

Other grades and awards were as follows: A Grade 2-Day High Gun: Bob Crane (Kingston) 253/280, B Grade 2 Day High Gun: Bryan Peter (Wilkawatt) 241/280, C Grade 2 Day High Gun: Trevor Smart (Monarto) 241/280, Veterans 2 Day High Gun: Don Beelitz (Wilkawatt) 269/280, Ladies 2 Day High Gun: Debbie McPherson (Lake Albert) 243/280, Juniors 2 Day High Gun: Luke Batten (Wilkawatt) 256/280.

Despite trap mechanical issues on the first day of competition the event was a great success with many shooters commenting on how much they enjoyed the trip to the Mallee region. Special thanks must go to the club members and volunteers who worked incredibly hard to bring the event together.

To close and on a sad note, the club paid tribute to Jeff Kemp a former member of the Wilkawatt Gun club who passed away recently. Our thoughts are with Jeff's family and friends.

sponsored by Ramsey Brothers. Father and son Martin and Ross Collumb competed in a shoot off for overall winner. Following a bit of good hearted sledging between the two family members Martin won the event with a score of 51/52.

# Affordable, Quality

## This policy has proved to be of great

The ACTA has accepted an Association insurance policy that will see eligible members (defined as the legal owner of a firearm) provided with **Firearms Insurance** for up to **\$12,000**.

For an additional **\$10.00** fee any eligible member will be able to increase the Insurance coverage to **\$25,000**.

This insurance represents a significant saving on insurance for firearms and accessories.

The ACTA has been looking for this type of insurance for some time. This will allow all eligible members to have insurance at a very low cost compared to what they may pay now.

# WANGARATTA CLAY TARGET CLUB

## August Down the Line Competition

### Rain No Obstacle for Clay Target Shooters

*A good turnout of 36 shooters from as far afield as South Australia braved Sunday's inclement weather to enter Wangaratta Clay Target Club's August Down the Line competition. The day's programme was sponsored by Wangaratta Kebabs and Winsec Savings & Loans.*

Club members worked hard in the rain to set up the grounds, only to have the clouds part and the sun make a welcome return 10 minutes prior to the first event. Despite the rain, wind and even hail returning for occasional angry visits, the shooters stuck to the task and delivered some impressive scores.

Event 1, the five pair Double Rise Eye Opener was a three way tie, with Mick Rocca, Jim Moustos and Daryl Hunt each scoring 8/10.

Event 2 was the 25 pair Double Rise. AA Grade: 1st and overall winner in this event, Patrick Guida 46/50. 2nd was a tie between Jacob Motha & all the way from Mt Gambier, Warren Lindner 36/50. A Grade: 1st Jim Moustos 37/50. 2nd Michael Rowan 34/50. B Grade: 1st Peter Lang 33/50. 2nd Robert Demaria 30/50. C Grade: 1st Rebecca Clinton 30/50. 2nd Tom Davey 40/70.

Event 3 was the Wangaratta Kebabs 30 target Points Score. AA Grade: 1st and overall winner in this event, John Wojcik 93/96. 2nd Patrick Guida 86/90. Event 4 was the Winsec Savings & Loans 30 target Double Barrel. AA Grade:

Five Stand: L-R: Peter Sunderland, Max Kavanagh, Vic Bowman, Clinton Kneebone, Col Kneebone, Paul Weygood & Brodie Seccull

1st, and overall winner in this event, Patrick Guida 49/50. 2nd Keith Willett 42/45. A Grade: 1st Jim Moustos 36/37. 2nd Mick Rocca 41/43. B Grade 1st Peter Gorrie 44/48. 2nd Robert Demaria 43/47. C Grade: 1st Jono Leahy, punching well above his weight for a C Grader, 48/48. 2nd Tom Davey 28/30.

The High Gun winners were, overall, Patrick Guida, veteran, David Luefl and junior, Tom Davey. Patrick, a former National High Gun champion & current NZ High Gun champion had travelled up with a group from Melbourne to acknowledge the effort made under testing circumstances by our club members and committee over the past couple of years.

September DTL L-R: Lachy McDonald, Tom Davey, Matthew Motha, Phil Matthews, sponsor John McGauran, Michael Rowan, Jono Leahy & the day's overall winner, Clive Foster

**opponents to win Sunday's August Five Stand competition at the Wangaratta Clay Target Club. The Yarrawonga shooter missed only 6 targets all day to take the overall win.**

Shooters enjoyed the usual Wangaratta Clay Target Club combination of good company, great canteen food and, most importantly, interesting targets set up by the expert hands of Col Crittenden and Jacob Motha. Five Stand shooting is meant to stretch shooters' skills and the competitors were generous in their praise of target layouts and the club's friendly atmosphere. Brodie Seccull's score of 96/100 gave him both overall honours and the AA Grade win.

A Grade was a battle of the veterans, with Max Kavanagh on 80/100 defeating the evergreen Vic Bowman on 77/100.

The Kneebone's made it a family affair in B Grade. Dad Colin's 75/100 beating son Clinton's 69/100. Their prize packs of bakery goodies no doubt made the trip back to Wagga all the more enjoyable.

C Grade went to Albury visitor Paul Weygood on 73/100 from Peter Sunderland on 56/100.

The club's committee strives to provide enjoyable events and interesting prizes. The positive feedback and encouraging comments on the day indicate that those efforts are paying off. Practice is held on Wednesday and Saturday afternoons at the Wangaratta Clay Target Club, located behind the Vine Hotel at North Wangaratta. Why not come out and have a look.

## September Down the Line Competition

### Foster Masters the Medley

**The Wangaratta Clay Target Club's Down the Line shoot on Saturday 15 September was a blustery affair, with the swirling wind doing its best to unsettle the shooters. The skies threatened rain all day, but even the weather couldn't dampen the enthusiasm of the shooters that turned up for day's events, a 10 target Eye Opener, a 75 target Medley and the annual 25 target Dick English Memorial Handicap.**

The Eye Opener carried a cash prize, so it was hotly contested. Sadly for anyone hoping to buy a new gun from the winnings, the prize was shared between six shooters. Angelo Grassi, Jono Leahy, Phil Matthews, Anton Motha, Jacob Motha & Michael Rowan all scored 10/10.

The 75 target Medley consisted of a 25 target Double Barrel, a 25 target Single Barrel and a 25 target Points Score. The variety of styles and the fluky weather kept everyone on their toes, but good scores were still achieved and some impressive shooting was produced.

AA Grade and Overall win on the day went to Clive Foster with 122/125. Phil Matthews was 2nd on 115/125.

Sponsor John 'Irish Jack' McGauran, Michael Rowan & club president Anto

In A Grade, Lachy McDonald won with 116/125. The club is working hard to encourage more female participation, so it was great to see Slap Comen-soli in 2nd with 107/125.

B Grade saw Jono Leahy bust 104/125 with his new Redolfi, with St James veteran Jim Kelly in 2nd on 95/125.

A close tussle in C Grade came out in favour of Tom Davey on 96/125 from Matthew Motha on 94/125. Tom & Matthew, who is only 12 years old, are both juniors and they are impressing a lot of the old hands at the club.

The Dick English Memorial Handicap is a long established local event and is generously sponsored by Dick's brother, John 'Irish Jack' McGauran, who was on hand to present the prize, a Marlin 17HMR rifle. This year's winner was Michael Rowan with 23/25, closely followed by Aaron Chapman and Bobby Lambevski, both on 22/25. It was a hat trick for Michael, who also won the event in 2017.

The High Gun winners were Clive Foster Overall, Peter Whitlock in Veterans, after a shoot-off with John Gemmell, and Lachy McDonald in Juniors.

# End of an Era Interclub Challenge

**Eastern Goldfields Clay Target Club  
Western Australia 2018**

*There has been many a story of rival clay target competitors and clubs throughout Western Australia, which has been passed down from one trap carnival to the next. Many carry on to achieve almost mythical renditions, but the interclub rivalry and sportsmanship shown year in, and year out, between the Leonora and Eastern Goldfields Clay Target Clubs at their combined closing day shoot will sadly cease to exist. After nearly thirty years of this combined shoot, the lack of new members from the Leonora region has unfortunately seen the end of one of the highlights of the Northern and Eastern Goldfields clay target calendar.*

Originally started way back in 1968 as a Northern Goldfields and Eastern Goldfields interclub challenge, it also included in the mix the Kambalda, Laverton, Leinster, Leonora and Southern Cross Clay Target Clubs. The clubs have slowly folded and the members have moved on, or joined the more financially viable clubs as the cyclical nature of gold and nickel industries and the emphasis on FIFO work, has changed the sporting landscape throughout the region.

In the last decade or so, the closing day has been seen as a fun and family-oriented day, with many coming along to spend a day of cheer or to catch up with old shooting friends and share stories of years past. The main competition had usually been shot in the sequence of a 25 target skeet, 25 target tower and 25 target double barrel and then 25 target handicap (for the Ken & Sue Green Closing Day Perpetual Trophy), and lastly, a 25 points score (for the Mazza Perpetual Shield). Variations on this sequence caused all sorts of chitchat over the years. The relevant trophies that made up the whole event were as follows; the Bernie Mazza Perpetual Shield, a Zone Six (which ceases to exist), Interclub Teams Match consisting of the 25 points score between Eastern Goldfields CTC and Leonora CTC; the Rogers Shield, consisting of a 25 double barrel match between the Eastern Goldfields CTC and Leonora CTC; the Joe Pintaudi Cup, consisting of a 25 target handicap; and the Ken & Sue Green Closing Day Perpetual Trophy, consisting of 25 handicap, 25 skeet, 25 tower and 25 double barrel. These trophies held pride of place over the years at the relevant winning clubs. The establishment of the Ken & Sue Green trophy was to commemorate the toil and determination of a few dedicated members of the Eastern Goldfields CTC, who resurrected the club after fire, destroyed the previous clubrooms.

In its most recent form the closing day shoot has been sponsored by Ken and Sue Green for over a decade. As is the norm in the Goldfields, most people are in Goldfields due to the work opportunities. They were based in Leonora and together with a core group of eight members ran the Leonora club. Through support of the surrounding mines and community, they managed to build the club up to thirty or so members. It was during this time that Kalgoorlie members had dwindled to a handful in the immediate aftermath of the destruction of the Eastern Goldfields CTC clubrooms (and the council-imposed exile to a new block of land outside the city limits), that Ken and Sue got to know many of the Kalgoorlie members. A number of these members would venture up to Leonora and compete, as they had no grounds. Ken and Sue, president and secretary respectively of the Leonora club at that time, had also noticed the mutual support between both clubs. As years passed the new Eastern Goldfields clubrooms was

rebuilt by a small group of dedicated members, many of whom had become good friends with the Leonora shooters, and some have sadly passed on. Of those dedicated members, Mick Rowell, Russell Day, Merv and Toni Wright, Bruce Hooper, Hazel and Merv Neve, Jim Neve, Shane O'Brien and Bruce Pritchard (deceased) need mentioning, amongst others, I have been assured. It was for this reason the unrelenting desire to support, and put in when the chips were down and rebuild the Eastern Goldfields Club from scratch, that Ken and Sue have, and have continued until recently to support and sponsor the clubs closing day shoot. A shoot where the champion was decided over trap, skeet and tower.

The club would like to thank Ken and Sue Green for their generous sponsorship over the years and to acknowledge their dedication to our club, and that sponsors like Ken and Sue have, in no small part, enriched the sport of clay target shooting. Today the club continues the tradition to improve its facilities and foster great camaraderie.

Shane O'Brien

It is worth highlighting some of the great achievements by members over the years at the closing day. With Shane O'Brien taking out the overall honours for three consecutive years in a row and five times in total, and Neil Johnson winning overall honours three times over its lifetime.

With the passing of Dale Noland last year, the number of active Leonora members has dwindled to a handful, with Dale playing a big part in the Leonora Gold Nugget Carnival year in year out. We wish to acknowledge the dedication and legacy that Dale Noland has left behind at the Leonora Club, along with many other past members throughout the region, and we look forward in celebrating their legacy at this year's closing day shoot.

# Mansfield shoots over two days

## Mansfield Clay Target Club September 2018

*The Mansfield Clay Target Club night shoot, under lights, was held on Saturday in calm and fine but cold conditions. The evening attracted a field of 28 shooters many of whom stayed in town and re-attended the day shoot the following morning.*

This shoot was generously sponsored by Les Commensoli from Cohuna CTC, although not a local member Les is a Mansfield regular who supports this shoot because he recognises the emphasis Mansfield CTC shows towards supporting juniors and the friendliness of Mansfield Club. Competitors from other neighbouring clubs included Alexandra, Benalla, Euroa, Woods Point, Bendigo, Wangaratta, Albury, Mornington and Cohuna.

Two events were on the fixture; the first being 40 target double barrel, off 16 m. 20 targets on layout 1 immediately followed by 20 off layout 2. Sunday was a bit warmer and a nice sunny day, the turn out increased to 38 participants over 7 squads including the return of six Mornington members who stayed in the area overnight. Two additional clubs were also represented by Kaine Edwards from Frankston and from South Australia, Wally Clarke from Mallala CTC. Wally stopped through on his way to the Australian Police clay target event in Canberra.

Today a further three events were on the fixture; the first being 50 mixed targets; 10 Double Barrel, 10 Single Barrel, 10 Points Score and 10 pair Double Rise. A perfect shoot delivering a maximum potential score of 70.

Squads commenced on layout 1 for the first 10 double barrel targets immediately followed by 10 single barrel on layout 2. After all shooters rotated through this part of the event it was back to shoot 10 Points Score (maximum score of 30) followed by the 10 pair which delivered the following results. Overall & A grade, Bobby Lambevski (Wangaratta) 67. A grade, runner up, David Luelf (Mansfield) 63. AA grade: Wally Clarke (SA) 64, Bryce McCall (Mornington) 63. B grade was all tied up with Johnno Leahy (Wangaratta) and Marty McLachlan (Mansfield) both shooting a score of 60. A further 10 targets put Johnno 1 point ahead. C grade was taken out by Kirsten Chinn (Woods Point) 56 over Sam Bell 38.

A lunch break followed with all competitors and visitors partaking in hearty feast of home-made soup provided by Aileen and a choice of casseroles from Pam Kirley. The sun was shining and everyone was ready for the second event of the day.

*Sash winners for Sunday: L-R: Wally Clarke, Bobby Lambevski, Kirsten Chinn, Les Comensoli & Johnno Leahy*

Next on the card was 20 target ball trap this event is more challenging with targets presented faster and more random. Both Bryce McCall (Mornington) and Coby Edwards shot a perfect score to share a win in AA Grade. As did A grade shooter John King (Euroa). B grade was taken out by Johnno Leahy (Wangaratta), John Winters (Mansfield) & Peter Grant (Alexandra) all on 18. C grade was also shared between Chris Petersen (Alexandra) & Kirsten Chinn (Woods Point).

Last of all was shot overhead as a 20 target tower double barrel event. AA&A were combined with Les Comensoli and Peter Finn shooting 19. B grade and overall was Johnno Leahy 21/21 after a brief shoot-off with Trevor Ewart 20/21. C grade went to Wally Clarke 19 over Bobby Lambevski.

Special thanks to attending shooters and family members who participated with scoring and generally helping out to ensure a successful day. Co-ordinating the shoot and results Aileen ran the office with some assistance from Shane Callahan and Ken Skinner, all chipped in and delivered well ran back to back programs.

# Disability Access Pathway for Marconi CTC

*In early 2018, Robert Damcevski, a member of Marconi Clay Target Club and concrete supply worker by day, reached out to his supplier Boral Australia in an attempt to have 19+ cubic metres of concrete donated to construct a disabled access pathway at the Marconi Clay Target Club complex for its two beloved and wheelchair bound friends.*

*Pouring day*

Grant Buckley and Ghazi Yarak are wheelchair bound clay target shooters. Grant unfortunate to be born with Spina Bifida has been a paraplegic since birth. Ghazi 'Gus' Yarak lost both his legs due to complications of a medical condition he suffered at a mere 54 years of age.

Word spread quickly and what seemed like a passing idea quickly escalated into a significant project with many local businesses, those with concrete skills jumping on board and offering up their services and time without remittance to this magnanimous cause.

Sadly, on 30 April 2018, we lost our beloved friend 'Gus' and we dedicate this pathway in the hopes that shooters of this and the generations to follow will remember our dear friend and regale over the love he showed for our club and his fellow shooters, year after year. You are already sorely missed Gus, but whenever we walk this pathway, the precious time we had with you will always be on our minds. We love you in death as we did in life Gus. Stay here with us for all time!

We set to work on Monday May 26th 2018, promptly at 7am and people were on board at every opportunity working all 5 days throughout the week leading up to 'Pour Day' on Saturday the 30th of May 2018.

I would like to thank all of those members who gave up their day time activities and jobs to get the pathways ready for 'Pouring Day' which rolled on real fast. Well done to you all!

Everyone who gave of themselves to 'the Job' are listed in the video (on YouTube and FB) and we ask if you pass one by to give thanks for their efforts. Such selfless acts should never go unnoticed. Let this great cause speak its own true words:

*"when we work together, there is nothing we cannot make happen".*

Last but not least, to our major sponsors for the project. Can we just say, that as a not for profit organisation, we would likely never be able to come up with such funding in a single calendar year to commit to such an awe inspiring project.

Your generosity will benefit members of this generation and future generations for years to come and no amount of words could ever be enough for what you have done for our beloved club, so to Boral Australia, Ausreo, The Tool Store, K&S Bush Transport, Enzo Dimeglio Concreting, Maurice Nasr Canterbury Bankstown Concrete Pumping, JA Building Solutions, Marconi's Committee and of course a huge thanks to Rob Damcevski who took it upon himself to make all of this happen, we thank you from the bottom of our hearts.

## King of Kaputar

*Continued from page 60*

*Terry Rumbel Veteran HG*

Congratulations to all the winners and thanks to all the competitors that travelled to support a very successful event.

The carnival was sponsored generously by 35 sponsors, including local individuals and businesses as well as some larger prominent companies. Without their support, this event would not have been possible.

Gunpro Dubbo kindly donated a shotgun to raffle. It was won by our own member and gun enthusiast Lindsay Taylor. 2nd prize was a slab of shells and Janet Baylis won this. Pretty sure that husband Graham will find a use for that.

A special thanks is extended to the Tamworth Gun Club for the loan of additional traps. Also a big thank you to Tammy Henshall, Geoff Hunter and Cherie Hunter who ran the office and the officiating Shoot Marshall for the two days, John Sleightholme. We greatly appreciate Joe Marshall and John Sleightholme for returning the borrowed equipment to the Tamworth Clay Target Club.

We look forward to everyone returning next year for the "King of Kaputar".

# The Squire Reports from West Wyalong

## Central Zone Sporting Clay Championship

*The West Wyalong Clay Target Club was host for the Central Zone Sporting Clay Championship for the sixth year in succession so there was an enthusiastic group of volunteers who turned up on the Saturday prior to the shoot to set up two challenging but fair five stand ranges.*

Led by Range Setter, the experienced, Mick Munro and Club President, Jason Anderson, Graeme Fairman, Graham Duncan and Allan Schirmer made things happen pretty quickly and included the use of different sized and coloured targets being set up.

Thanks to John Wason for the loan of his trap and making sure the batteries were charged for use during the carnival.

Shooters from across the Central Zone began to arrive early and were welcomed with a cup of coffee and a biscuit before the viewing of targets in preparation for a day of competitive shooting.

In all, there were five squads of shooters in attendance with visitors from Lithgow, Forbes, Griffith, Ardlethan and a carload of competitors from Wagga Gun Club led by their Club President, Peter Munro who always attend this event every year. Thanks guys.

The event was shot over 100 targets with four visits to the layouts and after the first round, Allan Schirmer 24/25 was ahead of Jason McGrath 23/25 with Tom McGrath and Mick Munro on 22/25.

Jess Munro 23/25 shot well in the second visit to the traps while Peter Munro and Evan Speirs both shot 22/25 in the third round.

Mick Munro 24/25 showed his class in the final round but it was the consistency of Evan Speirs who carried the day winning Overall and A Grade with a score of 87/100 from Jess Munro, also in A Grade who shot 86/100.

Mick Munro 82/100 won AA Grade from Rob Yeo 80/100.

Tom McGrath 76/100 topped B Grade ahead of Col Kneebone 72/100 while in C Grade Brad Gugliemino 76/100 won from the experienced Steve Tipping 70/100.

Graham Duncan 80/100 won the Veterans' title and Lyn Martin, one of the Lithgow visitors was the Lady's Champion.

The Central Zone Team, to shoot in the NSW State championship in 2019, was chosen and after some initial confusion Club President, Jason Anderson announced the team as Graham Duncan, Allan Schirmer and Laurie Redfern.

The Central Zone Sporting Clays Championship proved to be one of the most successful shoots held for some time and West Wyalong Clay Target Club looks forward to well attended shoot in the future.

*Central Zone Sporting Clay Championship: L-R: Lyn Martin Lad, Graham Duncan Vet, Jason Anderson Club President, Tom McGrath 1st B Grade, Mick Munro 1st AA Grade, Evan Speirs 1st A Grade & OA, Brad Gugliemino 1st C Grade, Steve Tipping 2nd C Grade, Rob Yeo 2nd AA Grade, Col Kneebone 2nd B Grade*

## Len Anderson Memorial Shoot

*Len Anderson was a foundation member of the West Wyalong Clay Target Club and each year since his passing a memorial shoot has been held in his honour.*

Len particularly liked Single Barrel shooting so a 50 Target Single Barrel event is held as a highlight of the day.

Sponsorship for the day is provided by the Anderson family and Lyn Anderson always chooses trophies of high quality which shooters are always anxious to win.

There was a disappointingly small group of shooters in attendance, however, this was boosted somewhat by a carload from Leeton and others from Barellan and Wagga Wagga.

The day began with a Ten Target Double Barrel Eye Opener which was followed by a 25 Target Double Barrel Cash Divide event.

There were four shooters, Chris Salafia, Brad Kidd, Paul Salafia and Clive Foster who shared the money in AA Grade.

In A Grade Erik Geltch and Jason Anderson were equal winners while Gary Schmetzer claimed B Grade and Nancy Kilmartin won the C Grade dividends.

The Len Anderson 50 Target Single Barrel was the big event for the day and Clive Foster, after two visits to the trap, was the Overall Winner with a score of 49/50. Chris Salafia 48/50 was the AA Grade winner and Barellan visitor, Les Irvin won A Grade with a score of 45/50. In B Grade, Graham Duncan had a good day winning the grade with a score of 46/50. Nancy Kilmartin was the C Grade winner.

The final event for the day was 25 Targets off handicap marks and Paul Salafia 25/25 blitzed the field to take top money.

Graham Duncan 24/25 has been shooting handicap events very well of late and gained second place from Garry Schmetzer 23/25, who placed third.

The High Gun for the day was Paul Salafia 107/110.

Club President, Jason Anderson called the group together for the presentation of trophies for the main event which was carried out by his mother, Lyn Anderson.

Although it was only a very small shoot, it is always significant in the West Wyalong Clay Target Club calendar.

## The McKinnons shine at Port Macquarie

*Port Macquarie Clay Target Club's monthly shoot was greeted with a beautiful balmy 20 degrees. The 33km/hr wind was the deciding factor for the day's shoot scores, however, with 44km/hr gusts testing even the best shooters on the 25t DB Continental drive!*

Brett, Saasha & Braidyn McKinnon

Great fun was had by all, with cheering from the stands on hitting some stratospheric high shots!

The McKinnon family had a strong showing with Saasha running the show as Shoot Secretary and Father's Day Dad Brett taking out 1st in A grade for both the 25T PS and 25T DB and 2nd in 25pr DR. A superb showing from son Braidyn saw him winning his first competition 1st in C grade 25T DB. Congratulations!

Terry Dawson and Andrew McWhirter ran a tight race in A grade, but Terry excelled in the 25pr DB taking 1st in grade as well as overall.
