## **Shooting Australia (SA)**

*A forum of SA members concluded in Brisbane yesterday the 10th of May with all member bodies represented except Sporting Clays Australia. Former Commonwealth*

*Games rifle shooter, Bruce Scott, who has served as a Director for seven years retires on the 12th of May and I take this opportunity to thank him for his contribution to the sport. His position has been filled by well-known ACTA member Desiree Baynes. Congratulations to Desiree in being offered this role. I am sure that Desiree will bring a balanced and practical view to the SA Board table.*

*The forum touched on many issues and positively addressed several of them.*

*Sport Australia, the operating arm of the Australian Sports Commission, now has no requirements for National Sporting Organisations (NSO) in our case Shooting Australia to be involved in the coaching accreditation area. This matter was raised by Pistol Australia who shares common ground with ACTA on this issue. ACTA do not support another level of unnecessary administration in an area that was successfully handled in-house for many years. The ACTA will now look at what is required to re-introduce our own coaching accreditation scheme.*

## **Gender Equity**

*Information was provided to the forum that as of the 1st of July the Victorian Government will not fund any sports whose governing body does not have 40% representation of women at the highest level. This issue will not go away and as a male dominated sport we need to look at ways to include more women in the future. With 15 seats around the Executive table I think the most female representatives I have seen at any one time since 1990 is 2.*

## **Paratrap**

*Although not yet proposed as part of the Para Games program, Para Trap will now feature at Para Worlds going forward. The ACTA may now need to look at ways of including this and other Para events within our various National titles. Any suggestions regarding this would be welcome.*

## **Constitutional Review**

*The Sub-committee formed to consider this issue, chaired by Vice President Mal Dyson will meet at Wagga Wagga on the 24th of May. The members of this body represent all sides of the argument as we saw it evolve last time.*

*It is hoped over time that consensus can be reached on a document to eventually be presented to the members at an AGM for adoption.*

## **Office Review**

*The CEO has conducted an office review, as supported by*

*the Executive at its last meeting, with some changes already being made. With changes in most areas of administration arising from more use of electronic media, digital platforms, online nominations and membership it was inevitable that job descriptions within the office would have to change. Existing staff have all been provided with the new job descriptions for their consideration.*

*Advertising has also begun for a new position of a Media Officer. Those of you who followed the recent DTL Nats with scores online, live streaming, regular Facebook updates and website links to thousands of photographs daily would acknowledge that this coverage was the best to date. Many who could not attend commented that it made them feel they were there. Unfortunately, from an ACTA perspective the only content produced and disseminated by the ACTA was the Live Scores. Most other content was provided by QCTA State Administrator Debbie Young and Roma members Pat Magee and Sharon Purcell, with photographs by Luke Luckhoff. The new position created will ensure that the ACTA is in control of its own destiny in this area in the future.*

## **Negative Social Media**

*I am often made aware of negative media posts and normally choose to ignore them. However, posts leading up to the DTL Nats were not only misleading and in some cases defamatory, they also affected attendance. eg: Those responsible for posts advising all camp sites were booked out, caused much confusion and angst for no good reason. However, the positive posts from so many sources soon shut down the negative comments once the event started.*

## **Rules Supervisors Meeting**

*The Rules Supervisors meeting to be held in June will not only include State Rules Supervisors but also State Handicappers. It was raised at the last Executive meeting that handicappers should be included, and ACTA has notified all states accordingly. Known agenda items and a request for new items from the states has also been advised. This meeting will be held in late June and funded half by the states and half by ACTA.*

## **Executive Meeting**

*Set down for July/August with exact dates to be confirmed, these meetings will be over 3 days and will include all sub-committees and the full Executive. This is also when our elections are held. States should be finalising any agenda items they wish to have on the table soon.*

## **Mackintosh Teams**

*An anomaly in the selection policy that arose out of the World DTL team selections has been considered and addressed by the Executive. The top 25 qualifiers were not recorded as such when some were transferred to section teams prior to shooting the Mackintosh. Most of the Executive believe the top 25 is the*

# Chief Executive Officer's Report

*It is sometimes said that the only constant is change and for sporting organisations such as ours, it is vital we continue to evolve with the moving needs and expectations of our loyal shooters and volunteers.*

*The ACTA is well placed to enhance its membership numbers and ensure they feel engaged at every level – whether with their Club, Zone, State or the National body.*

*In the coming months the Association will be undertaking a number of initiatives to build better connections and enhance communication at every level.*

*Given the challenges our sport faces, it is critical that we remain a united and connected group – celebrating the successes and sometimes making difficult decisions for the long-term future of our sport.*

*The National Executive has been very supportive of implementing change and as members will see in the coming months, I am confident these will create the foundations of a bright future for our sport.*

*The National Office is currently undergoing a restructure to develop roles relevant to a growing, vibrant sports organisation that must have as its core value, serving its members.*

*The development of The Range Function Centre has also moved the ACTA in a new direction – a direction which will also benefit members financially.*

*The potential of this asset to generate a significant income stream should not be underestimated and means both the National Office and the National Executive needs to broaden its focus and skills to meet these new demands.*

*Another very encouraging development is the creation of a sub committee at National Executive level to review the Association's constitution.*

*This decision was a recommendation from the Management Sub Committee and endorsed at the National Executive meeting held in Roma on March 31.*

*While the current document has served the sport well for many years, it needs to change to be more reflective of the governance and operational requirements of our Association.*

*As the platform for everything we do, the constitution needs to be a "living" document that evolves with the changing needs of our members and the sport and I know there is an acceptance that change is needed and I am hopeful that this desire will ultimately deliver many positive outcomes for the Association.*

*In the coming months we will be reaching out to the membership with a major survey to take a temperature check of those involved in our great sport – we want to know the good, the bad and the ugly so as a National body, we are clear on the expectations and priorities of members.*

*The information that this survey gathers will be a valuable tool not just for the National Executive to develop strategic plans for the sport, but for States, Zones and Clubs.*

*Just as importantly, it will provide a snapshot of the things we need to be doing better to ensure members feel connected and satisfied.*

*And on that front, we are currently working with our membership database providers to enhance that experience and unlock some exciting features that I am sure will be well received by those involved in our sport.*

*At the core of these initiatives is a determination to communicate more effectively and regularly.*

*As a sport, we also need to be working more closely with our sponsors and partners – most club officials would be aware of the generosity of sponsors and as an Association, I know we can do better in building these relationships for the long-term benefit of our sport.*

*The coming months promise to be an exciting period in the history of the Association.*

*As we move towards an Olympic year – a time when Clay Target shooting will have the opportunity to be front and centre in the minds of sports-loving Australians, the time is right to grow, promote and celebrate what is a fantastic sport that embraces all.*

# SOUTH AUSTRALIAN STATE DTL CARNIVAL

Well, another year has come and gone. Yes, almost 12 months to the day, we were all here at the South Australian Clay Target Association State DTL Carnival. This year from Thursday January 31st through to Sunday February 3rd sees our 3rd year that the Carnival is extended to be 4 days of competition, based on the success of the reintroduction of the State Champion of Champions. A good decision on behalf of the State Board.

By Wednesday afternoon, the grounds of the State Shooting Park were already buzzing with activity as the usual caravanners and campers arrived, getting themselves a favourable vantage spot for the 4 days of shooting competitions. All the Trade stands were being erected with lots of great goodies on show for everyone to feast their eyes on and buy. Competitors from nearly every State this year, over the 4 days of events, were all vying to try their skill at claiming one of the many Red State sashes that were on offer.

Temperatures for the 4 days were going to be reasonably comfortable in the high 20's to low 30's. The days leading up to the Carnival were quite scary earlier in the week with temperatures reaching 43–46 degrees only a few days ago, and we all had thought of how awful it was a couple of years ago when the Carnival had to be run in similar temperatures. In the background, everyone was out there practicing to make sure they had a psychological edge and to be sure they were used to the background of the various layouts that were being used before the competitions starts tomorrow at 11am.

Early on Thursday morning the officials were running around in a scurry of activity while final checks were being done to the layouts angles, heights, distances and speeds. To this part, a word of thanks has to go out to the Shoot Marshall (Steve Baynes) and his committed team for overseeing trap set-ups over the 4 days. Friends that hadn't seen each other for ages were seen all over the park having a good laugh, telling stories and catching up on the last 12 months. Most interstate visitors came in with their families for the events, and this certainly made for a large crowd of onlookers and a great ambience at the grounds.

Even the office was a flurry of activity as we made sure everything was in readiness, especially the important stuff like all the lollies being in their respective bowls for the staff (very important)!! The grounds had been manicured nicely for our competitors, so that everyone could have a great four days of competing without a worry in the world. The office was prepared for the rush of shooters at the ticket window and with nominations

and squadding on cue, right on 11am sharp, 107 competitors (18 squads) started to get called and filed out to the walks to contest the first event which was the 75tgt State 'Champion of Champions' title off 18m. Lurking around every corner and walking amongst us you could see some of the best shooters in Australia waiting to pounce and claim one of the available Red State title sashes. Blowy conditions greeted the shooters with temperatures in the mid 20's. Squads shot their whole 75 targets in 1 visit to the trap with just a reload in between 25's. After shoot-offs, when all had gone quiet, the results were counted and came out as follows: C Grade 1st went to Charlie Noto 103/125, and 2nd was Malcolm Williamson. B Grade 1st went to Kyle Chapman 107/125, and 2nd was Dale Reyne. 'A' Grade winner was Wayne Reed 119/125, followed by Anthony Varchione in 2nd place. AA 1st was taken by Acacio Mota with a well shot 103/125, with Peter Winsor 2nd place. The Junior category also went to Acacio Mota, Veteran winner was Gary Hayden and the highest scoring Lady was Deserie Baynes. Overall Open for this event was taken by a very happy Darryn Nicholls 142/150.

*Right: Stephen Reyne OA State Handicap*

Presentations were all over by 3.15 and a great day was had by all. Most competitors headed out to the practice trap for some Double Rise practice before everyone started to head to their accommodation for a relaxing break before tackling tomorrow's events.

Friday morning came around and everyone was excited about the next event which was the 25 pair State Double Rise Championship. 127 shooters came out to contest the event in near perfect conditions, which were calm with only a light breeze and temperatures around the low to mid 20's. However, by the time the shoot-off's started, it was a bit blowie which made the targets a little tricky for the shooters. It was over fairly quickly and when the final results came in, they looked like this: C Grade winner was a very excited Rebecca Clinton 38/50, and 2nd went to Matthew Arnold. B Grade was won by a Shan-nen Gallagher 39/50, while Trevor Scarff took 2nd. A Grade 1st was taken by Sam Daou on 43/50, with 2nd place going to Elio Marianello. AA was won by Ash Hawker 56/60, and 2nd went to Nathan McDonnell. Veteran winner was Colin Dunn, Ladies was Molly Bretag and the Junior winner was Acacio Mota. The Overall State title went to Steve Haberman with a near perfect 48/50. Congratulations Haby!

No sooner had the shoot-offs finished, the first wave of squads were called out for the 50tgt State Handicap. Squad sheets were already out for the competitors so everyone started getting kitted up and at 11.30 we started the rounds to get through 29 squads of shooters. Conditions started to change as we got a bit further into the day with the afternoon winds that prevail here to contend with. As everyone came off, they were 3 and 4 deep at the scoreboard to see what the damage was, and how they had fared up. Eventually, everything went quiet and the shoot-offs went

to the grounds to decide the top 5 positions. Targets were starting to head up to the heavens a little, with the gusty breezes swinging around to be face on.

There were no perfect scores, but 2 competitors shot a 49 and went to face it off for positions 1 and 2. The final results were: 5th Matt Wilson 60/64, 4th Eric Parletta 61/64, 3rd Ash Hawker 48/50, 2nd Billy Baynes 51/53, and then finally the Overall winner of the South Australian State Handicap title for 2019 was Stephen Reyne with a well shot 52/53 and also earning himself the privilege of an extra metre. Congratulations Stephen!

Most of the competitors got to have a small break here while the South Australian Zone teams came out to contest their titles. The 25 target event was shot as a Double Barrel with a point's countback and the final count's look like this: Open winners were Eastern Zone with 123 targets shot out of 125. Team members were Tom Jenkins, Ash Hawker, Dougal Simson, Michael Raper, Andrew Hoare and Gavin Height. The Veteran Team winners were also the Eastern Zone with 73 targets. This team was made up of Bob Andrews, Max Medhurst and Kat. The Junior winning team came from Western Zone on 65 targets. This team was Darcy Claughton, Clay Agnew and Lachlan Koch. Central Zone took out the Ladies with 69 targets and. Team was made up of Sue Byrnes, Layne Pontifex and Molly Bretag. Well done to everyone that competed and congratulations to all the Zone winners.

Another great day and everything done and dusted by 5.15pm. As the 2nd day drew to a close, everyone headed out to some of the local hotels and eateries for a well earned break and to get refreshed for the Saturday morning.

Gary Hayden OA State SB

When Saturday morning started off, it was another nice clear day. There was a heap of activity at the ticket window as a rush of competitors came through to nominate for the important qualifying events of the final two days. At 8.30am

sharp the 50tgt State Single Barrel Championship got started with 26 squads. Weather conditions were about to change today with a forecast of 37 degrees later this afternoon. But, after all was said and done Matthew Arnold took out C Grade with 44/50 and Walid Jamal was 2nd. B Grade went to Baden LLOYD 67/70 and 2nd was Mitchell Bysouth. A Grade was won by Tony Carlesso 56/58 and 2nd went to Brad Claughton. AA Grade went to Shane Gallagher 49/51 and 2nd was Nathan McDonnell. Taking the Red State Single Barrel sash and Overall title this year with a near perfect score of 50/51 was Gary Hayden. Great effort to stay focussed. Veteran also went to Gary Hayden, Ladies winner was Lisa Hawker, and the Junior was Acacio Mota.

Finally, the battle was on for the 50tgt State Double Barrel Championship. With the light breeze starting to get a little stronger, at 1pm the whole cast and crew headed out to contest the title. 27 squads took to the walks to see who was capable of concentrating long enough and how they would fare up in this 50 target event. Those breezes became stronger as the afternoon went by and as the shooters came off, they were all hanging around the scoreboard to see if there were any red scores.

During late afternoon, the Central Zone members put on a shooters barbeque. It was a popular idea that we've run with for last couple of years and has been very successful. Most of the competitors enjoyed grabbing a snag or rissole to tame the worms!! Thanks to all the CZ members that helped man the BBQ as well as to all the shooters for contributing and supporting. We'll certainly do this again next year.

Peter Winser from the Black Crow Club handing a cheque to Camp Quality for \$2020.00 from funds raised from shooters

At the end of the Double Barrel there was a presentation done to a representative from Camp Quality. This year Peter Winser and the Black Crow Club raised \$2,020.00 for this organisation who cares for children with cancer. We can't thank Peter enough for his dedication to the cause every year.

Each year an Executive selection panel under the guidance of our Patron, Judge Kelvyn Prescott, chooses a Junior that is showing great achievements, future potential and personal growth in our sport of choice, and this year SACTA presented a Junior Scholarship cheque for \$2,000.00 to Molly Bretag from Monarto Clay Target Club for the betterment of her shooting skills. Congratulations!

At this point, SACTA President Garry Read asked Kelvyn back to the presentation area. After so many years of dedicated

Molly Bretag recipient of the SACTA Junior Scholarship

commitment and service to this sport, Kelvyn was awarded the prestigious SACTA Presidential Medal. A very emotional and humbled Kelvyn expressed his love for the sport in what has been a tumultuous year. We congratulate you and thank you for your knowledge and continued support in your area of expertise.

Back to the Double Barrel, there were murmurs that there was going to be a heap of perfect scores on the board and some long shoot-offs but it wasn't to be. 21 competitors shot the 50 and went to fight it out. The conditions eased during the afternoon with the breezes backing off and the targets just floating nicely.

As the crowds watched from the fence line, it eventually got down to father and son. It's a sight you don't see very often. Neither was going to relent and let the other have it, so they fought it out till at 7.30pm we had a result and they went to 234.

The presentation list looked like this: C Grade 1st was Matthew Arnold 48/50 and 2nd went to Roger Freeman. B Grade winner was Darcy Claughton with 54/55, while Lachlan Koch took 2nd place. A Grade was won by Rino Rossi 127/127 and Daniel Peel was 2nd. AA 1st went to Jarred Nicholls 233/234 with Rob Hunter picking up 2nd place. Finally, with a winning shot of 234/234, it was Darryn Nicholls taking out the Red Sash, State title and the State Silver badge. A great effort in the near perfect conditions. Veteran was Gary Hayden, Junior Daniel Peel and Ladies Nea Gordon.

*Darryn Nicholls OA State DB with sponsors  
Bob & Linda Andrews*

Shot in conjunction with the State Double Barrel event was the SA 5 man Club Team event (5 members registered with the same SA Club). Outright winner claiming the honours was Broken Hill Gun Club shooting 249/250 targets. Team members were: Shane Gallagher, Jack Cullinan, Ross Walsh, Darryn and Jarred Nicholls.

After a really long day, there was eventually finality to the shooting. After all the formalities and BBQ were over, a few stragglers settled in for a relaxing night with a few drinks before heading off for a shower and freshen up for the final day. Because of how late the shoot-off finished, the presentations for the Single and Double Barrel events were postponed until the Sunday afternoon.

Early Sunday morning arrived and everyone was getting anxious. With perfectly still conditions and an 8am, start 10 competitors that had won an Overall State Title during 2018, were invited to compete in the prestigious Ray and Pat Mack perpetual trophy shoot. Ray and Pat are now in their 31st year of hosting and presenting this great event where every shooter strives all year to win an Overall State title and secure a spot to compete and take home this much sought after trophy. A 30 target event consisting of 5 Double, 5 Single, 5 Points, 5 Handicap and 5 pair Double Rise, competition was strong and at the end there were 2 competitors with 39/40 which went into a shoot-off of 5 pair Doubles. With only 2 points in it at the end, the winner was announced as Dougal Simson on 48/50. The State Executive and shooters would like to extend their thanks to Ray and Pat Mack for continuing to put this on every year. Well done!

*Ray & Pat Mack Trophy Shoot recipient Dougal Simson*

Straight after the Trophy shoot, the final qualifying event was on the program. The 50 target State Points Score Championship got underway: this is the event that can make or break team selections and High Guns. The weather gods were kind to us this year with absolutely perfect conditions for shooting points.

166 shooters still came through to compete this year, a little down this year due to the Tasmanian DTL Carnival (just last weekend) and the Victorian Skeet Carnival which is on at the same time this weekend. Yet, on the grounds, there was still a heap of activity around the trade stands and everyone was enjoying the Carnival atmosphere and the warm sunshine.

Competitors were all nervous now to see where they stood amongst the rankings for the teams and High Guns scores. When all was done and the numbers were counted, the results featured like this: Rebecca

Clinton got the Guernsey for C Grade with 134/150 and Roger Freeman took 2nd B Grade featured Steve Bowley on 147/153 for 1st Lachlan Koch took 2nd. would not be possible. This year we take a bow to Sox from Clay and Hunt, Greg from Beretta, Filippo from Perazzi, Sean from Winchester, Martin from Columbo Shooting, Greg from Fisher Firearms, Rob

from Marsh Insurance and Bronte Evans. We would also like to thank Bob and Linda Andrews very generous contribution in taking over the sponsorship of the State Double Barrel Championship. Finally, we appreciate and acknowledge the assistance of all the behind the scenes quiet achievers that gave of their time. Workers that were running around everywhere in the office, on the grounds and in the clubhouse and kitchen. All of these helpers also contributed to making sure that everything ran like clockwork. Standing L-R: Colin Repacholi, Bob Foster, Peter Sunderland, Peter Gorrie, Mick Rowan, Malcolm Carr, Chris Climas, Les Comensoli; Front L-R: Kynan Rafferty, Darryn Rafferty, Ozzie the Spaniel, Matt Motha

The father and son pair of Darryn and Kynan Rafferty made the most of their first trip to the Wangaratta Clay Target Club on Saturday the 20th of April. They were on target from the first shot and won their respective grades in the medley event. Dad Darryn got better as the day progressed, taking out the handicap event and the overall High Gun award.

Event one was the 60 Target Medley, with 20 targets each of single barrel, double barrel and points score.

Kerang Clay Target Club's Les Comensoli spends a lot of time on the road, travelling to all corners of the map for clay target competitions. He showed his versatility by taking

AA Grade and the overall win in the Medley with 102/110 after a shoot-off. Second in AA went to regular visitor Mick Rowan on 91/100.

In A Grade, the competition was close, with Chris Climas coming out on top by only one target, 86/100 to Melbourne visitor Malcolm Carr on 85/100.

B Grade was the Rafferty family's first of many stints in the spotlight, with Darryn victorious on 99/110 from 2nd placed local Bob Foster on 88/100. Rafferty's excellent performance had put him in the shoot-off with Les Comensoli for the Medley overall prize.

# 2019 Victorian State ISSF Championships

It was with a high degree of pride that I rocked up to the State Grounds at the Echuca Clay Target Club and surveyed the venue for the 2019 VCTA State ISSF Carnival. Held from the 3rd-5th of May, the Echuca facilities looked an absolute picture, even though a little wet under foot from recent rain (the first in quite a long time!).

96 competitors from Victoria, New South Wales, Western Australia, South Australia, Queensland, the Australian Capital Territory and even some from New Zealand arrived at the venue and took advantage of the facilities provided.

There is no doubt that all the ground's work done by Conrad and Graeme, especially the dispersal of stone and sand in appropriate places and the mowing of the lawns, have helped keep the facilities in pristine condition. Many thanks also to Ian Gebhardt for all the preparation work that Ian did to help prepare the facilities ready for the event.

Many of the competitors arrived early on the Thursday and the equipment ran full-on throughout the afternoon as people took advantage of the practice facilities.

The first event, the Mixed Pairs, began on the Friday morning. Conditions were reasonably calm and quite pleasant at times. Fifteen Pairs hotly contested the event with Michael Coles and Deserie Baynes,

*Mixed Pairs Michael Coles & Deserie Baynes 1st, Penny Smith & Thomas Grice 3rd*

from NSW, taking the event with a score of 43/50. Second place went to James Willet (NSW) and Laetisha Scanlon (Frankston-Australian CTC) with a score of 42/40 and third place to Tom Grice (NSW) and Penny Smith (Colac GC) 34/40.

The Olympic Trap and Skeet events began on the Saturday morning. Each event was a 125 target event with 75 targets shot on the Saturday and the concluding 50 targets, plus finals, to be shot on the Sunday. The first day's targets were shot under challenging conditions with cold weather and a reasonably stiff breeze. The first day was completed without any dramas and everything was set for a great finish to the competition.

Sunday's final 50 targets were shot under better conditions than the first day. While the temperature was still cold, the breeze had abated overnight.

In the ISSF Skeet event James Bolding (Frankston-Australian CTC) was the Overall winner with a score

*Malcolm Dyson VCTA President with Laura Coles Womens Skeet Champion*

*Malcolm Dyson VCTA President with Aislin Jones  
Junior Skeet Champion*

of 53/70. Keith Ferguson (Frankston-Australian CTC) was second with 50/70 and Joshua Bell (NSW) third 38/50.

In the Ladies ISSF Skeet, Laura Coles (WA) was the Overall winner with 48/70, with Aislin Jones (Bairnsdale CTC) second 46/70 and Hannah Munro (Mt Gambier GC) third with 25/50.

In the ISSF Skeet Grades AA went to Keith Ferguson (Frankston-Australian CTC) 117/125, A Grade to Laura Coles (WA) 104/125, B Grade was Rieley Fitzgibbon (Maryborough & District GC) 98/125 and C Grade to Doyle Yoannidis (SA) 89/125. The Veterans was won by Gary Putkunz (Albury-Wodonga) 84/125 and Aislin Jones (Bairnsdale CTC) was the winner of the Junior Division with 114/125.

In the Olympic Trap; the Overall Winner was Jack Wallace (Melbourne GC) with 43/50. Second Overall was Adam Vella (Frankston-Australian CTC) with 42/50 and Overall Third was Mild Nasar (Metropolitan CTC) with 33/40.

In the Ladies Olympic Trap Penny Smith (Colac GC) was the winner with a score of 45/50. Laetisha Scanlan (Frankston-Australian CTC) was second 43/50 and Lisa Smith (SA) was third with 33/40.

In the Olympic Trap Grades AA was won by Penny Smith (Colac GC) 121/125 and second was Tom Grice (NSW) on 118/125. In A Grade, Tom Armstrong (Werribee-Victorian CTC) was first with 116/125 and Gavin Jayasekera (Melbourne GC) second 114/125. Rocky Speranza (Werribee-Victorian CTC) won B Grade with a score of 107/125 and Acacio Mota (Werribee-Victorian CTC) second 103/125. C Grade went to Kiara Dean (Echuca CTC) with a score of 109/125 and second to Georgia Pistone (Werribee-Victorian CTC) 106/125. Events such as these only happen when there are sufficient 'volunteers' to do all of the jobs that are required to make the competition a successful one. At the risk of offending someone by accidentally leaving them out, there are certainly a number of people worthy of recognition. Many thanks to Steve Trembath, ably assisted by Craig Henwood, in organising the overall structure of the event and taking on the role of Tournament Director. The success of the event is due, in no small part, to the communication, work and organisational skills of these gentlemen. Claire and Paul Watts were excellent, again, in co-ordinating squads and scores ensuring that the event ran in a timely manner.

A huge thanks to David Jones and Guy Youanidis for their daily organisation of the Skeet events and practice, your assistance was greatly appreciated.

Many thanks to all of the members of the VCTA Executive and the volunteers from Shooting Australia who gave up their time to assist with numerous jobs that the event required and to the Echuca CTC who so ably catered for an event

of this nature.

There is no doubt that 'trench' type events are growing in popularity across the sport and it was very exciting to see the facilities of the Echuca CTC/State Grounds put to such extensive use.

I look forward to seeing you at a shoot soon.

# 2019 Queensland State Trap Carnival

**4th – 6th May 2019**

It's been many years since visitors to Gemfields have been greeted with such green surrounds and healthy crops, and it was great to see the area had benefited from recent rain. The club grounds looked beautiful with lush green layouts and campers settling in for a great weekend, and it was easy to see the work that had been put in by the club members and Central Zone volunteers.

We thank Byron Hewitt and Madmac Toy Vault for once again coming on board to sponsor the State Double Rise Championship. 299 shooters nominated for this event and despite beautiful

pairs being thrown there were no possibles. Young favourite William Bosworth from Herbert River held his nerve in the shoot off to win the title and Qld silver badge with 58/60, a very popular win. One behind was Andrew Zarb from Port Denison on 57/60 to take 1st in AA, sponsor Byron Hewitt 2nd in AA with 55/60 and Tamworth's John Sleightholme 3rd in AA 67/70. On Friday night the Zone shoulder to shoulder team events were conducted in style under lights, with teams marching out after being introduced by their captains. It was terrific to see a full contingent of teams with all sections from all Zones represented. Thank you to Davo Back for organising this event and to George Oats and the

Central Zone for the trophy, designed to invoke Zone pride in team members, and well done to all Zones for presenting their teams in uniforms and shooting jackets. This was the first year a perpetual trophy was awarded to the Zone whose combined scores from all teams topped the list. Well done to the South East Zone team members claiming this victory for the inaugural year. This event was a great success and will be hotly contested in the future.

Swale and Tony Coco. Congratulations to all team members. Please note the junior team will be subject to change due to age requirements for the 2020 Nationals. Team High Guns – Open Bruce Powell 306/306, Ladies Celeste Barnes 72/75, Junior Brayden McKee 78/78, Veterans Tony Coco 108/108.

We also congratulate Tambo junior member Jack Brandt who is the recipient of the State Junior Sportsmanship Award for 2019. Jack was nominated by the Central Zone for his excellent attitude

and work ethic in his duties as a trapper, willingness to always lend a hand whenever needed and his sportsmanship towards other competitors. Jack has only recently started shooting and is doing exceptionally well and we are sure he has a bright future ahead. Well done Jack, a very worthy recipient this year.

Our sincerest thanks to all our generous sponsors, Byron Hewitt from Madmac Toy Vault, George Barton Beretta Australia, Steve Curley from Curley Cattle Transport and the Central

and BESTVests for your generous contribution.

We can't speak highly enough of the hospitality offered by president Stephen Vale and his team at the Gemfields Gun Club and their efforts preparing the grounds and facilities for our visitors. Club members and Central Zone volunteers put in many hours of hard work months in advance to have the grounds looking as beautiful as they did, very much appreciated by competitors.

Office co-ordinators Lil Brandt and Sheridan James went above and beyond to ensure the shoot ran faultlessly and thank you to their team Janine, Annabel, Romana and Allison. A big thank you to shoot marshals Dan, Pete, Tom and Brian for their hard work, and Angus, John and the helpers who kept up the scoreboard. The trappers did a brilliant job, and the many bar and kitchen workers were amongst the most popular people on the grounds, thank you all for your tireless efforts. We also thank the Central Zone councillors George, Brian, Brad and Davo who were happy to lend a hand in many roles throughout the weekend. Also thank you to Rodney Beckmann for taking the presentation photos for our shoot report.

I would lastly like to mention the fantastic turnout of 60 lady and 60 veteran competitors who nominated at this carnival, a great statistic. Also the quality of shooting among the junior contingent this year and their representation in overall shoot offs and grade wins was really impressive. Congratulations to all the winners and thank you to everyone who attended, we look forward to seeing you in Roma next year.

# ANNUAL ANZAC SHOOT

A fantastic weekend of shooting took place at the Cohuna Clay Target Club from Friday 26 April to Sunday 28 April.

The Friday night shoot was new and a great warm-up for our popular annual Anzac weekend shoot.

After enjoying a free sausage sizzle 60 shooters competed in the 45 target mixed target event.

Saturday was a perfect blue sky day with little wind and 96 shooters signed up to shoot the weekend program of five events. Saturday's events were the 25 target points score, 50 target double barrel and 25 target handicap.

The club grounds were full, with caravans and campers taking advantage of the free camping with amenities available.

On Saturday night there was a spit roast and salad dinner for \$15 and the club presented a Life Member Badge and Certificate of Life Membership to Ray Peatling for his work for the club over many years, including nine years as President. Congratulations Ray.

Congratulations also to Mal & Helen Dyson on their 48th wedding anniversary. They cut a lovely cake made by Val Dehne.

Sunday saw shooters compete in greyer conditions over two events, 30 target points score and 50 target double barrel.

Congratulations to all the winners and a huge thank you to all our sponsors and volunteer helpers who made the weekend such an outstanding success.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## Questions?

Recently I had an email from a shooter asking for my top five psychological factors/hurdles to a shooters performance on the range, and a small insight into how you can train to overcome these.

As questions go this is a lot more complex than it seems. New shooters are going to have a different set of factors and hurdles to that of the experienced shooter. The veteran shooter who isn't shooting up to their previous standard because of age, physical ability, changes in their ability to maintain attention or health problems, will also have a different set of factors from the others. So, too will the shooter who is returning after a break or coming back from an illness or accident.

1. **Goals.** Regardless of your ability and experience (or inexperience) having map of where you want to get to with your shooting is important. Set

goals: make sure they are *Specific* to you and your sport. Make sure they are *measurable, achievable* and *realistic*. Finally, there should be a *time frame* where you can so that you can evaluate your performance and the appropriateness of the goals. Coupled with goal setting are two other important aspects: making a plan to achieve these goals and committing to the plan.

2. **Keep a Journal.** You cannot effectively evaluate your goals unless you have the empirical data to go back through and see where you performed well and not so well. What needs to be kept and what needs to be changed, trained for and practised.

3. **Pre-shot routine.** Whether you shot trap, skeet, sporting or field and game, whether you play golf, bowls, snooker or darts, you need to have a routine before every shot. A pre-shot routine enables you to go over the basics. Are my feet

usual great effort from Pauline and Tracy in the kitchen, lunch followed the first two events. Then it was Fimac 25T handicap time.

Just to make things easy, squad one went to the field with the rain doing its best to hide the targets. It did amazing things for concentration. Fortunately, it eased off by about halfway through and some good scores were had. In a B Graders' day, Lindsay Blewitt scored 24/25 to win round two, with John Walker, 23/25 taking out second place and Keith Pearce, 22/25, gathering up third place. So, at the halfway mark in the Fimac competition, there are still a large number of competitors in the mix to win.

High Gun went to Phil Body with a score of 190/200, whilst Shane Platts proved kind to the treasurer by missing his first target in the shoot raffle. He graciously accepted the meat tray and left the cash to increase for next shoot.

Next month, sees one of the feature events of our year with the contesting of the RV Repairs 100T Continental Open Championship. Once again this event is sponsored by Pres Phil and Treasurer Pauline Body, their sponsorship raising the profile of the event. Practice begins at 9.30 with competition beginning at 10.00.

in the right position? What is my gun hold position? What is the point where I will see the target clearly and be able to focus on the target? Where is the kill point? Where do I follow-through to? Sometimes the pre-shot routine might involve a relaxation strategy such as centering, or a visualisation technique, or a key word or phrase.

4. **Keeping the mind quiet.** You cannot focus on the target if there is a continual dialogue going on in your head. Your mind giving you instructions on what to do will not help you hit the target. Negative self-talk that focuses on past failures or judges your self-worth based on your score will not help you hit the target. Techniques such as visualisation (see the pictures of you hitting the target), humming, focusing on some sensory experience in the here and now, and catch phrases all help to keep the mind quiet.

5. **Staying in the here and now.** To shoot well you need to be in the **Present**.

When you let your mind go back to some other time, some other shoot or a target you missed five targets back, you will be shooting in the *past*. Shooting in the past leads to you making judgements about your ability or your self-worth as a person and a shooter. When you focus on what happened in the past you will miss, because you are not focusing on the target in the air. Shooting in the *future* can also be a problem. Thinking about the score, the result, the trophy or the prize money, will also take you a way from the job at hand, which is hitting the target in the air. Shooting in the future leads to anxiety and worry.

6. **Be process orientated.** If you focus on the process the product will look after itself. By this I mean that if you only thinks about the process of shooting the target, you will most likely hit it. The process involves the pre-shot routine, making sure you are set up properly, staying in the present, having fun and enjoying the sensory aspects of shooting, such as the feel of the sun on your back, the wind, the noise, smell of the shell being fired and the recoil. The opposite to being process orientated is to be product orientated. This is where you are focus on the score, the prize or on the feeling you get from winning or beating others. Focusing on the product will take you away from the present and you will be shooting in the future.

7. **Shoot one target at a time.** Rather than expect to shoot 25/25 or 50/50, go into the competition with the expectation to shoot one target, twenty five times. This will keep you in the present and focusing on the process.

8. **Breathe.** This should be self-explanatory but when people choke it is because they do not breathe. As you are reading this take three deep breaths: breath-in and out, breath-in and out, breath-in and out. Now do that for the rest of your life! Breathing and relaxation go together. Relaxation is a good method of staying in the here and now.

9. **Have fun.** Remember shooting is a sport. Have fun, be sporting and enjoy yourself and do not interfere with others enjoying themselves.

10. **Perfect practice makes perfect.** If you are going to practise make sure it is perfect practice. Do not practice mistakes or poor skills. Make sure you also know the difference between practice and training. Training is about learning a new skill or technique and practise is generalising that skill or technique into your shooting.

The question asked for five factors, but the above ten are really important. However, no one factor is more important than any of the others. You need to accommodate all ten factors and make sure that are integrated into your sport each and every time you compete or practice. There are probably heaps more factors but these are the ones that come to mind.

# 37th Anniversary for Monarto

In near perfect weather conditions, although possibly a little too warm, 71 individual competitors competed in the five Championship events over the weekend of March 16–17 at the Club's 37th Anniversary Shoot. Making up the 71 shooters there were 38 Open competitors, 22 Veterans, 5 Ladies and 6 Juniors.

Clay target shooters came from all over the State, some choosing to either caravan or camp out on the grounds (this included three inter-Staters from NSW, WA and the NT), made for some fierce competition for the locals.

Event 1 on Saturday was the 25 tgt Monarto Double Barrel Championship. After nine possible scores were posted on the score board, the scene had been set, and those involved headed out to the

Gavin Height DB Champ

tracks for a shoot off. The Overall championship title went to AA grade shooter Gavin Height of Mount Gambier, who shot a score of 81/81 over home Club shooter Rob Clark on 80/81. The other grade and second place winners were Richard Dean (A grade) 46/47 over Peter Claridge on 43/43, Dennis Ryan (B grade) 52/53 over Ian Hopton on 41/41 and junior shooter Blake Lloyd took out C grade with his score of 29/30 over Anna Evgeniou on 24/25.

Second place went to Gavin Height, shooting from 24 metres, he shot a 36/38, third placing went to Max Medhurst, another 25 metre shooter, who shot a score of 35/38, fourth place was won by Evan Gunby with his score of 24/25 (from his 17-metre mark) and the fifth and final place went to Geoffrey Parkes from Perth, WA and he shot a 35/37 off 19 metres.

Following the presentation of Day 1 trophies, many of the campers joined home Club members for dinner in the Club house, the dinner voted by all as the best ever. Shooters are a little like fishermen, reminiscing at the end of the day about the one that got away and laughter could be heard both in and outside of the Club house. All those who stayed on enjoyed the perfect evening under the front verandah where Grant Carter and Gerald Hopgood serenaded us as a beautiful sunset appeared in the West. The end to a perfect day.

A foggy start to Sunday saw a cool, dull, start to the day but once the clouds lifted the day turned out to be quite warm with a slight southerly breeze.

Event 4 was the 30 tgt Monarto Mixed Target Championship, shot in conjunction with the Clem Thomas Memorial, a perpetual trophy would have the winner's name engraved on it. Overall and AA

Thank you to our hardworking Committee for all the prep work in making a weekend like this run so smoothly; the Club and grounds were as usual in immaculate condition. Well done!

To John and Baden, trap mechanics and fillers Paul, Rex and Trevor, office staff Ryan, John and yours truly (we did miss Allan in the office having cracked a bone in his wrist the day before the shoot).

Huge thanks to the kitchen helpers/cooks, Ruth, Peta, Denise, Cherie, Megan, Rachael, Anna and Sue. Salads and desserts all went down a treat .

Thanks to all who donated items for our raffle table including Steve's mother, Marg Rogers, for another of her famous patchwork quilts, this time won by Anna Evgeniou. If I have forgotten to thank anyone, it is purely unintentional.

Lastly, I wish to thank all competitors who made their way to our Club to help us celebrate what turned out to be another fabulous weekend.

Here's hoping we get to see you again at our next major shoot 66th Old Alexandra Birthday Shoot on Sunday, 21st July for a 10.00am start.
