ACTA REPORT

Mal Dyson – President

Paul Gilbert – CEO

We're now already half way through February, and fully into our 2023 National competition cycle. ISSF Nationals took place in January while the Skeet and Trap Nationals are just about to occur next month. Please be reminded that nominations are now open through MCMS and late fees won't apply until 48 hours prior to the commencement date of each Nationals. We hope to see as many of you as we can next month to join with us in competing in and celebrating these two wonderful National events.

2023 ISSF Nationals

Firstly, a huge thank you to Colin Kneebone, (our ACTA Event Administrator for this event) and Julie Santostefano and her great team from the West Australian Gun Cub for delivering this shoot on our behalf. We had 5 good days of mostly clear blue skies, and on some days, moderate winds which added another element to the competitor's skill requirements.

Congratulations to our Event Winners

Brittany Melbourne (Ladies Skeet Commonwealth), Elie Lahoud (Mens Skeet Commonwealth), Penny Smith (Ladies Trap Commonwealth), Craig Henwood (Mens Trap Commonwealth), Aislin Jones (Ladies Skeet National), Joshua Bell (Mens Skeet

National), Laetisha Scanlan (Ladies Trap National), James Willett (Mens Trap National), Aislin Jones (Ladies Skeet High Gun), Frank Morris (Mens Skeet High Gun), Frank Morris (Overall Skeet High Gun), Laetisha Scanlan (Ladies Trap High Gun), James Willett (Mens Trap High Gun) and James Willett (Overall Trap High Gun).

Thanks to all competitors who made the trip to Perth this year and also thanks to Shooting Australia for their provision of officials under Tournament Director, Christine Alexander, Jane Vella (SA's Events and Communications Manager) and the SA High Performance Team for supporting this event.

2023 Nationals

We wish to give our members an update on the 2023 Nationals. As we have already advised, the Skeet Nationals will be held from Sunday 5–Saturday 11 March, to be followed by the Trap Nationals from Tuesday 14–Sunday 19 March. There will be a 2 day change over between the two events. Skeet participants are asked to move off camp sites by the morning of Sunday 12 March to enable Trap participants to commence their bookings on the afternoon of Sunday 12 March. We thank camp

Extended Arms Fair area

site holders for their kind assistance in making this “change over process” as pain free and amicable as possible.

Participants at this year’s event will see that a New Arms Fair area has been established nearer to the Function Centre. We hope that this will assist both shooters and exhibitors with ease of access to the Arms Fair due to the closer proximity between these two venues.

We will also be hosting a couple of “social get together” dinner nights this year, where the Function Centre caterers will provide affordable, delicious and fresh buffet-style meals for our participants. The Skeet buffet night will be Thursday 9 March, 6.30–8.30 pm and the Trap buffet night on Thursday 16 March, 6.30–8.30 pm. Both nights will be open till late for drinks. We ask that people wishing to book meals on these evenings pre-purchase tickets through the Events Office. Tickets must be purchased by 5pm Tuesday 7th for Skeet, and 5pm Tuesday 14th for Trap, to assist the caterer in satisfying your culinary requirements.

A huge thank you to our 2023 sponsors, who so generously support the Nationals by way of providing all of the winners’ prizes for our National Events that we award:

Skeet: Power Ammo (28 Gauge and 410 Bore), Luke Higgins Optometry (Handicap), Beretta (National 20 Gauge), Winchester (Commonwealth), Krieghoff (National 12Gauge), On Target Sporting Arms (Doubles), Perazzi (Champion of Champions) and Bronze Wing (High Guns).

Trap: Beretta (Double Barrel), Outdoor Trading Company (Single Barrel), Power Ammo (National Points/ANZ), Winchester (Double Rise and Champion of Champions), BEST (Deauville Doubles) and Bronze Wing (High Guns).

Director Nominations Update

At the close of nominations for Director positions at the end of 2022, our State Associations had received a total of 6 nominations for members wishing to be elected onto the 2 Board positions that are available for 2023. This means that there will be a vote of States and Clubs for the election of members into these important two positions.

Clubs will receive the electoral platforms for these candidates on 24 February, and will have until 24 March to return their votes for their top

2 candidates. We respectfully request that clubs treat this process with highest priority and choose their preferred candidates based on strength of the electoral platform and what the candidate can and will bring to the Board by way of experience, business acumen and skills that will enhance the Association’s delivery of services to the members as a whole. This is not intended to be a “vote for the local regional candidate” . . . it is necessary to assess which persons have the ability to contribute in the most productive way to the decision-making process of the Association. While some candidates may, therefore, lobby for your vote, please be judicious in your judgement and vote accordingly.

Online Membership Renewals

Please be reminded that the window for members to renew their 2023 ACTA membership online through the MyPage is 28 February 2023. Following this date, the only way to renew your membership will revert directly back through the club. This is because memberships become unfinancial on 1 January and officially lapse on 1 March (i.e.: a person’s membership with the Association technically ceases at this date). Please visit <https://mypage.claytarget.com.au/> in order to ensure that all of your contact details are current and to renew your membership if you have not yet performed this task.

Club Property Insurance

Please be assured that this item is still in process, even though obviously significantly delayed. We will advise progress of discussions as soon as they come to hand. We are of the understanding that Insurers are required to refund pro-rata policy charges if a policy is cancelled mid-term so staying insured to protect club assets should be a decision that is strongly considered in the interim. (Admin charges, fees and stamp duty are usually not refundable).

Thanks for your participation at the recent shoots held by many of our clubs around the country and we hope you are enjoying and being excitedly challenged and invigorated by your sport.

ACTA COACHING REPORT

The ACTA now have an accredited competition level course in play after the previous course was pulled around 2017.

The new competition level course was developed by the Shooting Australia Coaching Reference Group over the previous twelve months and adopted by the ACTA Executive.

A trial course was run in New South Wales prior to Christmas with two State Zone coaches and two highly experienced club coaches recommended for upgrade completing the course.

The paperwork and course documentation for the competition level course is receiving its finishing touches and will be forwarded to all State Coaching Directors in the near future.

The competition level course will be delivered by each State under the provision of the ACTA coaching framework, with course presenters being of a competition level coach and have completed a presenter and facilitator course or have equivalent industry standard qualifications.

On another topic a National Junior Camp is to be run later this year after a recess of a couple of years due to the covid lockdown.

An amount of money has been approved in this year's ACTA budget.

A slight change of format to previous junior camps where around twenty-five juniors were invited to attend with the main focus was fundamental instruction over three days.

The new proposal will see a smaller number of juniors invited that already perform at a quality level and the focus with this group will be to develop the knowledge and skills to enhance their game to the elite level in the years to come over two days.

At previous ACTA Coaching Committee meetings prior to coaching now falling under the ACTA Sports Enhancement Committee the belief was more of the general shooting development should be handled at the Zone and State levels with programs implemented to achieve the desired result.

Details of the venue, time and selection criteria for the National Junior Camp will be advised to State Associations and State Coaching Directors in due course.

David Coleman
National Coaching Supervisor

2023 VCTA State Skeet Championships

Melbourne Gun Club, 26th-29th January

The 2023 Victorian State Skeet Titles were held between January 26 and January 29 at the Melbourne Gun Club on Victoria Rd in Yering with a great crowd of 104 shooters in attendance on the Saturday for the main event.

The club members had put a lot of hard work in to have the grounds back up and running after the terrible floods that were experienced in November where water broke the club's levee banks and the entire grounds being swamped with water and the water being deep enough to have a boat inside the rooms!

At one stage we thought there was no way possible we could have the grounds and machines ready in time for the event considering what we had gone through. 4 DTL traps, 20 trench traps and 5 low skeet traps all went under as well as numerous sporting traps. A massive job was ahead for our trap guru Lynden McKeon and his team.

Then a lifeline was thrown at us from Bronzewing and Laporte Australia with the offer of them to collect all our machines regardless of what brand they were, take them to a bake house to dry out and put a team of trap mechanics in to help repair them all, free of charge!!! An amazing gesture and one we grabbed with both hands! With the worry of our trap machines now off our plate it left us to focus on getting the grounds and club-rooms back up to spec, maybe, just maybe we could pull it off??

We gave ourselves until December 1st to make a decision, this would give shooters enough time to change accommodation with Frankston graciously putting their hand up to host the event should we not be ready. When

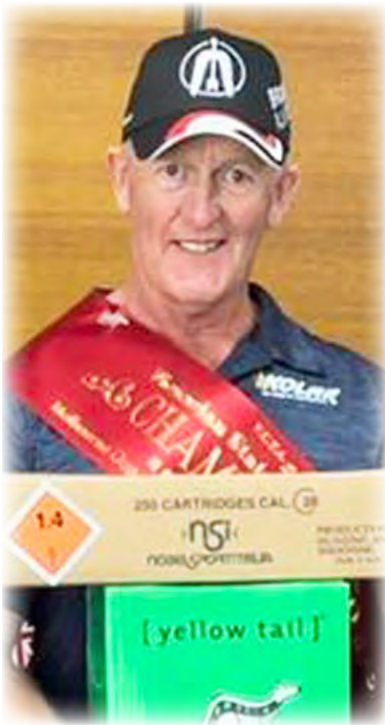

December 1 rolled around we were confident we would be right to host the event . . . or were we?

After getting all our layouts in and up and running things were looking great!! Then the gremlins crept in!!! Voice release systems we thought had remained dry were found to have been wet and started to corrode and were failing. Thanks to Dean Crouch from Topshot Industries, we were able to order new sets and have them installed. Our electronics wizz, Paul Schroeter, put some massive days into the lead up for the event to get everything working as good as we could!! The last layout being finished the night before comp started!! But we got there.

Thursday 26th, Australia Day, kicked us off with the small gauges with 28 gauge and 410!!! 14 squads had entered and we started at 10am with dull overcast conditions keeping scores down. No possibles were recorded for the 28 gauge with the poor light being enough to make it difficult. 5 scores of 49 were recorded in Nigel Hughes, James Sacchetta, Mal Briggs, Paul Saliba and Lorraine Hughes who all went out to the layouts to battle it out. Lorraine dropped high 1, Paul missed high 2, Mal missing low 2 on the double. James and Nigel went on until James missed high 3 and it was all over with Nigel being crowned Victorian State 28 Gauge Champion for 2023.

28 Gauge results: OA Nigel Hughes 58/59; AA 1st James Sacchetta 57/59, 2nd Mal Briggs 56/58; A 1st Jim Kalaboukas 53/56, 2nd Wayne Petersen 52/56; B 1st Peter Finn 54/62, 2nd Julie Freeman 53/62; C 1st Jack Bateson 46/50, 2nd Bobby Thorne 44/50. Lady Lorraine Hughes 49/50, Junior William Miller 50/54, Veteran Mal Briggs 49/50.

The .410 kicked off in brilliant sunshine,

Nigel Hughes, OA 28 gauge

however the breeze had picked up keeping the low house a little lower every now and then and all shooters on their toes. This was reflected in the scores with 47 being the top score and 4 shooters going into the shoot-off, David O'Sullivan, David Caputo, Hayden

Mountjoy and

Michael Buttigieg. Hayden had only entered the event as a last minute decision as he was waiting for the day's events to be done to get a practice round in and wouldn't you know it, he went on to win, shooting another 17 in the shoot-off and defeating Michael Buttigieg.

410 results: OA Hayden Mountjoy 64/67; AA 1st Michael Buttigieg 63/67, 2nd David O'Sullivan 56/60; A 1st David Caputo

53/57, 2nd Wayne Petersen 45/50; B 1st John Mannu 41/50, 2nd Cliff Chambers 41/52; C 1st Tony Anecchini 41/50, 2nd Sarah Caldwell 36/50. Lady Sarah Bennett 45/51, Junior William Miller 38/50, Veteran Adrian Cousens 45/50.

Friday dawned a perfect day, not a breath of wind

and not a cloud in the sky and the 20 gauge event kicked off right on 9am. The Laporte Grand Prix clays were flying true and lots of thick red smoke when centred. The prize tables as per Thursday were all decked out in lots of Bronzewing sponsored ammo and goodies, thank you to Bronzewing Australia for their amazing support.

When the last shot was fired we had 5 clean scores with Lorraine Hughes, Barry Moss, Michael Buttigieg, Ryan Miller and Andrew Watson. In the shoot-off it was Andrew who went out first, dropping low 1 on the double. Ryan doing the same on Station 2 was next to depart with Barry, Lorraine and Michael shooting a full round. As the first squads were called up to commence the handicap the 3 went back out for round 2 with Barry missing target 36 leaving Lorraine and Michael to battle it out. It was over on the next station with Michael the victor with 89/89.

20 Gauge results: OA Michael Buttigieg 89/89; AA 1st Lorraine Hughes 88/89, 2nd Ryan Miller 57/58; A 1st Barry Moss 85/86, 2nd Andrew Watson 53/54; B 1st Julie Freeman 47/50, 2nd Chelsea Beechey 45/50; C 1st Joel Bassett 44/50, 2nd Justin Buttigieg 43/50.

Lady Lorraine Hughes 88/89, Junior Francesco Buttigieg 46/50, Veteran Mal Briggs 60/64.

The Handicap saw a total of 7 squads of shooters going into the shoot-off ensuring it would be a long drawn out affair. We shot them off as long as we could on Friday night until we had to call time. At 150 we still had 5 shooters left when stumps were called. Michael and Francesco Buttigieg, David Caputo and Damon Michael. Everyone was told and an announcement made that the shoot-off would continue at 8:30am on Saturday morning. Unfortunately Damon had a misunderstanding and when it came 8:30am on Saturday he was not present and we had to commence without him. Francesco was the first to miss dropping high 1. Michael and David continued to station 5 with David having 1 up his sleeve dropped high 5 and hitting the repeat. He then dropped low 5 leaving Michael to shoot both targets to claim the title which he did with ease.

Handicap results: 1st Michael Buttigieg 164/164, 2nd David Caputo 161/164 (+2), 3rd Francesco Buttigieg 152/155 (+2), 4th Damon Michael 150/150 (+2), 5th Marcus Burke 127/136 (+8). Lady Kira Waldron 90/101 (+10), Junior Francesco Buttigieg 152/155 (+2), Veteran Paul Kouroupis 93/100 (+6).

On Friday night at presentation the Hall of Fame inductions were held, graciously hosted by Jane Vella who did a superb job!! The inductee this year was Glenn Clarke whose career in Skeet goes way back with many great results. Glenn was also our treasurer at MGC in the mid to late 90's and it was

Hall of Fame inductee, Glenn Clarke

great to see him awarded this prestigious recognition at our club. Well done Clarkey, greatly deserved and also well done to Jane for an entertaining presentation. The custard tart eating competition between Glenn, Sox and Cuzzo created many laughs!! A great night.

Saturday forecast was to be hot and windy and it didn't disappoint. 38 degrees and when the first squads hit the layouts the wind was certainly blowing, causing lots of tricky targets and lots of head shaking. But as the 2nd flight went out it was as if someone had found the switch to turn the fan off and the conditions improved as the day went onto be almost perfect by the end of it, a funny day indeed and one you need to have a bit of luck on when you're drawn to shoot. After the 100 targets were shot we had 2 clean scores on the board in Shane Bennett and Nathan Campbell. It took another 34 targets for Shane to be crowned the 2023 Victorian State 12 gauge Champion.

12 Gauge results: OA Shane Bennett 134/134; AA 1st Nathan Campbell 133/134, 2nd James Sacchetta 103/104; A 1st Wayne Petersen 99/100, 2nd Damon Michael 98/100; B 1st

Sunday and the final day of what had so far been a great carnival with no trap issues and the first one occurred with Low 4 requiring a new arm to be put on, causing a small delay for the Champion of Champions but with a small squad shift still seeing us finish the event on time.

In perfect conditions we saw 8 shooters record a 50/50 with Mal Briggs the first to drop out followed by Luca Forza and Shane Bennett. Ryan Miller went 1-0 on pair 3 and David O'Sullivan the same on his 5th pair out. This left Matthew De Paoli, Francesco Buttigieg and Jim Kalaboukas.

Francesco missed on Station 3 and Jim missed the same target. All Matthew had to do was hit his pair to win and would you believe it, he too missed the low house, letting Francesco and Jim back in. On they went with Francesco missing on his 8th pair out, and Matt dropping one on his 10th, leaving Jim Kalaboukas the 2023 Champion of Champions winner.

The last event was Doubles and the wind had again picked up a little causing the odd low house to keep a little lower than normal. 18 squads hit the layouts and at the end of it we had a skinner with Hayden Mountjoy shooting the only 50/50 to take his second title for the weekend. Well done Hayden.

Doubles results: OA Hayden Mountjoy 50/50; AA 1st Richard Sammon 56/58, 2nd Shane Bennett 55/58; A 1st David Caputo 49/50, 2nd Nathan Campbell 48/50; B 1st Paul Saliba 47/50, 2nd Sam Arcuri 46/50; C 1st Paul An 44/50, 2nd Paul Kouroupis 43/50. Lady Chelsea Beechey

Penny Smith Equals Australian ISSF Trap Record with a Perfect 125

Penny Smith equalled the Australian ISSF (Olympic) Trap record with a perfect qualifying score of 125 targets out of 125 at the Yarra Valley Grand Prix held at Melbourne Gun Club 11-12 February, 2023.

2007 saw the first time a perfect score in Trap was shot in Australia. Nidal Asmar (pictured to the right), the initial Australian ISSF Trap record holder coincidentally shot his perfect score at the Melbourne Gun Club and also in February. Of Penny's feat Nidal reflected 'I shot 125 for the first time in Australia back in 2007 and it has taken until now for someone else to do this. I am so happy for Penny and even happier that I was able to be here today to witness her unstoppable performance.'

Penny broke the Australian Trap Women's record in January 2022 at the Nationals in Echuca with a score of 124 out of 125 and prior to this, at the Brisbane Nationals in January 2019 where she shot a score of 123.

Of her perfect score Penny said 'It's really good to shoot a 125/125 and I guess it's something that you always dream to do and good that it's

a reality now'. Penny then went on to win the Womens Trap event at the Yarra Valley Grand Prix reflecting that 'I've had a really successful weekend which is a confidence booster for me'.

Penny now prepares for her first international competition of the year where she will compete in Womens Trap at the Doha, Qatar World Cup in March. Penny said of her weekend's performance 'it was a good result leading into the World Cup in a few weeks time.'

Penny now has her eyes set on representing Australia at the ISSF Shotgun World Championships in Baku, Azerbaijan commencing in August, 2023, followed by representing Australia at a second Olympic Games in Paris 2024.

The Yarra Valley Grand Prix was the third event out of four World Championships ISSF Shotgun National Team selection events endorsed by Shooting Australia. The final selection event will be held in Brisbane in June and the National team announced shortly thereafter.

Mount Gambier Supershoot

The Mount Gambier Gun Club held its annual 2 day Supershoot on the weekend of January 14–15, with Saturday ending up being hot and sunny and Sunday fine and sunny, proving favourable apart from gusts of winds.

As in previous years many dedicated trap shooters travelled to the Mount Gambier Club to be warmly welcomed and find the Club grounds picturesque and equipment to be in excellent condition as the committee and members had spent considerable time preparing for a successful 2 day Supershoot.

Friday was practice in the afternoon with a lot of the shooters taking advantage of this to fine tune their guns and mindset even though the temperature was quite hot. Early morning practice on the Saturday resulted in shooters arriving early, practicing and organising which squad they would like to participate in and nominating for the two days. After all this the competition started on time at 10am. 107 competitors travelled from Victoria, NSW and all over SA to contest the 6 events held across 2 days, vying for a share of the \$21,000 worth of prizes on offer. Each event prizes were for the grades AA, A, B, C and each grade 1st to 5th placegetter prizes. High Gun prizes over the 2 days' events were awarded to Overall, Grades, Veteran, Ladies and Junior.

Pick Avenue Deli & Bakery 25 target Points Score was the first event with shooters eagerly awaiting their turn in the bright sunny conditions. Some shooters attained a perfect score, shoot-offs were needed in all grades to ascertain the placegetters and these were quickly done, moving on to the next competition.

Event 2 was the Mount Gambier Community Bank (Bendigo Bank) target Single Barrel and again the shooters were in fine form with some perfect scores attained, all trying to win the cash prizes on offer and once more shoot-offs had to be performed in the now rather

hot conditions with the following results.

Event 3, South West Freight 25 target Double Barrel, was the last event for the day and in these hot and bright conditions, the shooters were showing their fine marksmanship with 25 competitors shooting perfect scores. The George Yoannidis Club Team competition was held over the 3 events on Saturday with the team entry conditions being 1 competitor from grades AA, A, B, C plus 1 from Vet, Lady or Junior from the same Club.

The Mount Gambier “Jerry’s” team of AA Don Pratt, A Peter Winser, B Brian Case, C Garry Bowd, and Steve Chambers Veteran won the \$500 prize money, sponsored by Guy Yoannidis.

A Junior High Gun prize for the day was donated by Scott Fleming with Harry Brown and Tom Clark sharing the cartridges as prizes

The completion of this event saw the end of the day’s shooting. Competitors gathered around to congratulate those who received prizes in the 3 events with many a shooter telling stories of their near misses – was it the gun! was it the cartridges! maybe the targets or could it be just the shooter?

Shooters and families enjoyed a sumptuous dinner of roast meats, vegetables and salads, followed by an array of delicious sweets and were eagerly consumed, finishing off a successful day.

Junior High Gun – Saturday: Shared by Harry Brown & Tom Clark

Sunday dawned bright and sunny but with some winds thrown in, the shooters arrived early beaming with enthusiasm to win. High scores again were shot and shoot offs in all events were necessary. So after some practice for the shooters the competition started up at 9.30am as all were ready to fire off.

Event 4, the Zema Estate Winery 25 target Single Barrel, was up first with shooters eagerly squadding up to try and win the prized personally selected Zema Estate wines on offer. This event had an overall prize in memorial to the late Matt Zema consisting of personally selected premium bottles of Zema Estate wine and a shooting jacket.

Bill Eagle

The North East Zone was saddened to hear of the news of the passing of Bill Eagle on Friday 20th January.

At a time, there was no bigger name in trapshooting than Bill Eagle. Bill was one of the best shots in the country, winning 4 National DTL Titles (including the Overall High Gun in 2001), numerous State and Zone trap, ball trap and tower titles. He was also a very handy skeet shot, making a few Zone skeet teams in the 1990s.

One of Bill's biggest achievements was becoming only the fourth shooter in ACTA history to achieve the Grand Slam - 400 straight Double Barrel, 50 straight Single Barrel, 50 straight Double Rise and 50 straight off 25m in a Handicap event. Bill also represented Australia, Victoria and the North

East Zone in trap. One outstanding effort was shooting 100+ straight off 25 metres to win the Handicap at an Australia Day shoot at Bendigo.

Bill was also a worthy inductee of the VCTA Hall of Fame.

During the late 1980s and throughout the 1990s, Bill was heavily involved on the committee of the North East Zone and on the State Council of the VCTA. For a period of 5 years, Bill was our Zone President and was also at one time the VCTA State Handicapper. At club level, Bill was involved with Shepparton and Echuca CTCs and was the last secretary of Tatura CTC before closing down. Since then, he has been a member of Bendigo CTC. Over the years through his work, Bill sponsored many shooting events at various club and zone events.

Bill hasn't shot much over the last four years due to shoulder problems sustained from his motorbike riding but only two weeks ago shot practice at Bendigo and felt so good, he declared "I'm coming back!"

Bill, thank you for your great service to the sport. We will miss the wonderful character you were. We pass on our condolences to Moira, Melissa, Michael and Tim and his grandchildren.

Rest in Peace Bill.

CONGRATULATIONS TO ALL THE ATHLETES

Tasmanian Trap Carnival

26th–29th January 2023

On Thursday 26th to Sunday 29th January 2023 the Tasmanian Clay Target Association held their annual DTL Carnival at the State Shooting Ground in Evandale. This year we saw a post pandemic 5-year high of 163 shooters with great support from both local and interstate competitors.

The weather was warm with plenty of wind to keep everyone on their toes for the first 3 days. The last day of competition, in true Tassie style, we had not a breath of wind but plenty of rain instead.

We had great positive media coverage over the

weekend with 5 newspaper features and a 7-News segment on Sunday

Association Patron Tanya Rattray & Mitchell Hill, at the Opening Ceremony

night as well. Thank you to all the competitors who participated in the media coverage.

Without the ongoing support of our sponsors, we would not have been able to run such a successful carnival. We would like to make a special mention to the Aylett family for their 35 years of sponsorship of the Double Barrel and the Bryan family for their 10 years of ongoing sponsorship of the Single Barrel.

We would like to thank everyone who attended the carnival over the 4 days, it was a

Psychological Skills for Shooting

by Michael Kruger-Davis

Is Your Licence in Jeopardy?

We all know that it is not easy to get a firearms licence.

New shooters have to complete a Firearms Safety Awareness Course, have a genuine need for possessing and using a firearm, have safe storage, be free of a criminal history, mental illness and suicide ideation or intent.

Having a firearms licence indicates to society that we, as firearms owners, can be trusted to not put the general public at risk.

Therefore, keeping your licence can also be difficult, and as shooters we need to remain mindful of the reasons why your licence can be revoked or cancelled.

1. Acrimonious split from your partner.

During a relationship breakup a lot of things can be said, that may not be true but the police will take the allegations seriously, and your licence maybe suspended until the allegations are reviewed and a decision is made. And it is not just your partner: a disgruntled neighbour or work colleague can make a vexatious claim, that will still mean your licence is suspended and firearms seized until the allegations are dealt with.

2. Making off the cuff statements designed to be funny or ironic will be taken seriously. Saying to someone “I would be better off dead” or “I should jump off a bridge” will likely lead to the police intervening and your licence will be suspended until an assessment of your mental health is undertaken.

3. Posting irresponsible acts on social media. Displaying photos of underage children or unauthorised individuals handling firearms or ammunition.

4. Failing to keep ammunition secure. Having cartridges rolling around the floor of the car, especially when it is being driven by your wife, child or employee, if they do not have a licence, will result in you losing your licence.

5. Losing your temper. Being involved in a fight, brawl, demonstration, road rage incident or any situation where you verbally or physically attack someone can lead to your firearms licence being suspended.

6. Having a poor driving record, especially offences such as reckless and dangerous driving. Behaving in such a manner can indicate that you are showing a disregard for the law and public safety.

7. Being charged with alcohol or drug offences, stalking, sexual assault, grooming or child sex offences can also lead to your licence being suspended.

8. Failing to store your firearms securely, in accordance with the safe storage guidelines, can also lead to your licence being suspended or revoked. The days of keeping a firearm behind the backdoor of the farmhouse are long gone.

Most of the above listed reasons should not be new to any law-abiding firearm owner. However, there are other causes for having your licence suspended or revoked that may not appear as obvious. The main cause is that your ‘mental health’ is questioned. If you have been diagnosed or are suspected of having a mental illness then the Firearms Registry will suspend your licence until you can undergo a mental health assessment. Be aware that Services NSW and other states have links with other government bodies such as Roads

and Traffic. If you have to have a medical, for example a MC licence then be aware that they will look at your health status and prescription medication and if you are prescribed an anti-depressant or anti-psychotic then this will be flagged to the Firearms Registry and your licence may be suspended until it can be adequately explained by your GP, psychologist or psychiatrist

What do you need to do if your Firearms licence is suspended or revoked?

Firstly, don't panic and do not fail the attitude test by getting angry and offensive: that will just make it more difficult to argue your case latter on.

Secondly, immediately seek legal advice. There maybe rights that you have within the law that will need an expert opinion.

Next, if you are asked for a mental health assessment organise an appointment with a psychologist or psychiatrist, as soon as possible because there are often time frames involved with providing information to the Firearms Registries. When searching for a mental health professional make sure that they will treat your problem in an unbiased way. The Firearms Registry will ask for a report addressing any concerns they have about your mental health.

The report will need to address: a clinical history, mental status examination, assessments used, results, a diagnosis if applicable and a formulation as to the impact of possessing and using firearms.

Finally, you will need to wait. A decision from the relevant registry may take weeks or months. Be patient.

If the report is accepted, hopefully your licence will be restored. If the report is not accepted, then you may need to take the case to your State's Civil and Administrative Tribunal. This is why seeking legal advice at the outset is essential.

For junior shooters, the subject of this article is even more important. Once you get your licence, you have to remain 'squeaky clean', if

you want to keep shooting throughout your life. Stay clear of fights, poor relationships, drugs, criminal activities and criminal associations, too much alcohol and risk-taking behaviour. You can still have fun, but be mindful that one poor decision may mean that you have to give up shooting.

This article is written from a personal viewpoint based on a number of mental health assessments, I have conducted across NSW, QLD, Victoria, Tasmania and Western Australia for the relevant Firearms Registries following a licence being suspended or revoked or in some cases refused to be issued due to knowledge the police have about the applicant's mental health status.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on USB. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please contact me at the email address below.

Australia Day at Bendigo

Australia Day 2023 Bendigo, started on a sad note when shooters from far and wide gathered around the flag poles at the club as the flags were lowered to half-mast and a minute's silence was observed in memory of Bill Eagle. Bill was a valued and respected member of Bendigo. He was always happy to pass on his extensive knowledge in Down the Line, Skeet, Sporting shooting to newcomers and experienced shooters alike. He also possessed an unbelievable knowledge of all types of firearms and ballistics. He will be sadly missed. RIP Bill.

16 squads, 80 shooters, nominated for the first event, a 30 target Double Barrel and with perfect weather. This resulted in 16 possibles. This result of 20% of the shooters shooting a possible, demonstrated that the decision to change clay brands showed good results.

Slowly but surely the field was reduced to 3, when Peter Attard came out on top at 218/218. At this point James Patterson and Steve Atkins, both on 217/218, decided to flip a coin for second place in AA grade. Daniel Camilleri was 1st in A grade on 92/93 and Darren Knight 2nd on 66/67.

Event 2, the 25 target Australia Day Handicap, resulted in John Demasi 28/28 1st, 2nd Geoff Palmer 27/28, 3rd Chris Jones after a short shoot-off 44/45, James Saliba 4th on 43/45 and Norm Moroni 5th on 42/44.

Handicap winner: Chris Jones, James Saliba, John Demasi, Geoff Palmer

The last event for the day, a 25 target Australia Day Points Score, again saw a full field of 80 competitors. Mick Pay eventually outlasted the field for 1st on 158/159 in AA grade with Stephen Atkins 2nd 157/158. Adam Monaco A grade 155/159 and Shayne Whelan 2nd 86/90. B grade went to Liam Murray 73/75, 2nd Allen Cole 72/75. C grade had Jason Ter Haar 69/75 1st place while Chris Jones took 2nd with 68/75.

Overall High Gun for the day went to James Saliba 127/130, Junior to Bendigo's Liam Murray 126/130, Ladies Carol Stokes 119/130 and Veterans was Geoff Palmer 148/155.

Lucky shooter for the day went to Garry Cassells winning full nominations for the forthcoming King's Birthday shoot.

The CLEANAWAY – Roman Bounty Shoot Rules

The six events will be conducted and finalised as normal. The High Guns will be finalised as normal. Presentations for the 6 events and High Guns will be conducted in the Hall as normal.

**To shoot for any portion of the \$50,000 (Fifty Thousand Dollars) Cash:
(1st – \$30,000, 2nd – \$8,000, 3rd – \$5,000, 4th to 10th – \$1,000)**

There will be 40 spots. To be considered for a spot you must have entered every event (6) prior to the first event starting. Overall and Grade winners in events 1, 2, 3, 4 & 6 plus first 5 in the Handicap get automatic entry to the Cash shoot-off.

Any shooter so qualified and then qualifying again will be replaced by the next shooter in order in their grade if a graded event or in placing if in the handicap event. Any shooter winning the Overall or any Grade High Gun who has not qualified in an event will get automatic entry into the Cash shoot-off.

Finally, any remaining spots to make up the Cash shoot-off field of 40 will be auctioned. Payment by the winning bidders must be immediate upon the fall of the hammer.

The 40 shooters will then be squadded as follows:

- Squad 1 Overall qualifiers as selected above from events 1, 2, 3, 4 & 6.
- Squad 2 AA Grade qualifiers as selected above from events 1, 2, 3, 4 & 6.
- Squad 3 A Grade qualifiers as selected above from events 1, 2, 3, 4 & 6.
- Squad 4 B Grade qualifiers as selected above from events 1, 2, 3, 4 & 6.
- Squad 5 C Grade qualifiers as selected above from events 1, 2, 3, 4 & 6.
- Squad 6 Handicap qualifiers as selected above from event 5.

Squads 7 & 8 will be filled from the OA and Grade HG winners as selected above who have not already won a spot and then filled in order by the successful bidders for any remaining spots. Squads 1 to 4 will be the first wave. Squads 5 to 8 will be the second wave. Wave 1 will shoot a round of ten targets handicap – miss and out. Wave 2 will follow. Squads will be re-squadded after each 10 targets when possible. The 10 placings will be decided using normal shoot-off rules. Last person standing wins the \$30,000 1st prize. The 10 Cash prizes will then be presented.

As detailed above, to create greater interest, a number of spots for the final will be auctioned. These spots may be bought by individuals or syndicates who can then nominate their shooter who must have entered all 6 events prior to the first event starting. However, to ensure that the final is a tense and exciting spectacle worthy of the prize value, it has been decided that once the 40 spots are filled any of the qualifiers colluding to split the prize prior to the shoot-offs completion will not be permitted to enter subsequent events at this club.

Interpretation of these rules is at the sole discretion of the RCTC Committee and they supersede all previous editions. 30.08.2022

Rule Questions Answered

The following questions come from the Skeet Referee Examination Paper and are examples of what you will learn by becoming a Referee, but should be of interest to any serious competitive Skeet shooter.

For reference the 2022 ACTA Rule Book is available on the ACTA website, please avail yourself of this resource.

Question: As the Referee of a squad you observe a target that had a significant amount of dust come from it after being shot at. You rule “lost target”. However three other shooters in the squad claim there was indeed a lot of dust from the target and it should be called “One”. They argue that it is obvious that it was hit by the shot from the shooters gun. What do you rule?

Answer: “Lost target” Rule 7.6, 7.9(f) and Rule 1.20(b) Jury: There shall be no appeal against a Referee’s decision in regard to whether a target is legal or when it is missed. The Referee assisted by the Scorer shall decide whether the target is missed or hit without interference from any other parties, either in the squad or as spectators.

Questions: How many malfunctions must occur before the Referee calls a lost target?

Answer: Three. The fourth and subsequent malfunction in any one event. However, at the end of each 100 targets in any one event, the malfunctions that have occurred shall be cancelled, and the count shall re-commence from zero. Rule 7.9(e).

2023 Junior Classic

On the 23rd January the Maryborough Gun Club ran its third Junior Classic. The weather was great, the targets were good, the prizes were valuable and nominations for Juniors over the entire program were free. Unfortunately we still managed to attract only 10 Juniors. This poor attendance will probably put this event in jeopardy for 2024, we shall see. Unable to obtain reasonable sponsorship for the event, it was left to the Maryborough Club and some of the members to completely sponsor the event.

The day's program included a 50 target Double Barrel Championship, followed by the Junior Classic of 25 targets in which only Juniors could shoot and the day finished with a 50 target Points Score Championship. 32 shooters shot the program for the day.

Event 1 saw junior Ben De Pedro from Melbourne GC take the overall and A grade with a score of 61/61. Local member, Peter Tate won AA, 49/50, with Tom Clark from Hamilton running second shooting a 47/50. Second in A grade went to Alister

Clark, Beaufort. In B grade Liam Murray 48/50 from Bendigo CTC took the sash with Budgie Avery, Colbinabbin, placing second. Cayden Shannon from the Castlemaine Club, shooting a 45/50, won C grade and Harrison O'Connor, Loddon District, came second.

Event 2, the Junior Classic, saw B grade shooter Troy Anderson from St Arnaud win for the second year in succession, shooting the only 25/25. Tom Clark picked up AA grade on 24/25. After a shoot-off for B grade, Ben De Pedro 61/62, claimed first place with Sam Gillis from the Kyneton GC relegated to second. Second place in B grade went to Liam Murray, while in C grade Harrison O'Connor 24/25 placed first and Cayden Shannon second.

Event 3 saw Ben De Silva, who was having an exceptional day's shooting, again took the overall and A grade prize and sash on 150/150, with Tom Wright, Maryborough, coming in second. Maryborough President Darren Watts won AA grade 143/150 and Tom Clark again featured in the winner's circle taking second place. In this event Budgie Avery managed first place on 137/150 in B grade with veteran shooter from the Beaufort Club, Bill Sands taking second. Cayden Shannon 136/150 won the C grade section with Harrison O'Conner running second.

For the day's High Gun there were no challengers to Ben De Pedro who finished the day clean with a score of 200/200. Well done Ben! The Junior went to Sam Gillis, the Ladies to Kate Edwards from Beaufort and the Veteran to Paul West from Castlemaine .

The club would like to thank those members who donated to the Junior Classic prizes, Lorraine and Christine for their work in the canteen and to all those members and visitors who helped out with the running of the day's program.

Summer Sunshine at Bega

Glorious summer sunshine greeted the twenty-five eager participants who turned up for the February shoot. Two events were offered for the day; 50 targets Double Barrel and 50 targets Continental. These were offered in lots of 25 with four visits to the traps.

Bert Deacon with son Alan's prize for AA/A 2nd in the DB

Event one was the 50 target Double Barrel. In AA/A grade, Keith Pearce took the honours with a fine 53/54 after a brief shoot-off with Alan Deacon second on 52/54. A shoot-off was also required to decide B grade with Chris Brown scoring 54/57 to win, with second going to Kevin Hurt 53/57. Mick Diss did the honours in C grade with a comfortable 46/50 with John Walker taking second place with a score of 42/50.

The 50 target Continental saw Craig Field return to his usual consistency

to win AA/A with a score of 49/50. Keith Pearce followed up his first round effort to take second with 48/50. Kevin Hurt improved on his first round result to win the B grade section with a credible 45/50. Second place went to George Toyne with a score of 42/50. In C grade, Allain Magri rounded up 36 of his birds to take the honours. Doug Blewitt and John Walker decided to share the prize for second place after both finished with 34/50.

High Gun went to Keith Pearce with a great score of 97/100, whilst John Walker graciously refused the cash by missing a couple and instead settled for the meat tray raffle prize.

Next month we once again do battle for the 100 target Fimac Engineering Handicap Shield, with prizes supplied by long time club
