ACTA CHAIRMAN'S REPORT

Mal Dyson

With Christmas now over I would firstly like to wish all our members a Happy and Safe New Year.

Not a lot to report this month, but we do have a few important events scheduled for January and February, firstly the ACTA National ISSF Trap and Skeet events have been held at the Brisbane Gun Club commencing on the 15th of January. Pre-nominations for both categories, Skeet and Trap, already indicate an excellent Carnival. We also have two State Trap Carnivals approaching, the Tasmanian Trap Carnival commences on the 25th of January and the South Australia Trap Carnival commences on the 1st of February. I trust that both States will have successful Carnivals.

2024 ACTA Rule Book

In early January an updated version of our ACTA

Rule Book is available on the ACTA Website. Not a lot of changes in this edition, but with some rules rewritten to make them clearer and more readable. There are also 2 additional drawings covering the safety zones for Tower and Sporting disciplines.

Online Club Compliance and Affiliation

Regarding the new procedure for club affiliations, I would like to thank all club secretaries who have completed the Online Club Compliance and Affiliation Form. Any club who has not as yet completed this form will need to contact the ACTA office immediately, to insure that their club member's ACTA registration for the year 2024 is successfully processed.

Membership Renewal

2024 ACTA Membership renewals are now due. If you have not as yet paid your 2024 registration, please go online and complete your membership payment or contact your club secretary, who can assist you with this process.

Firearm Insurance

Firearm Insurance claim forms are available on the ACTA Website. Any member intending to file a firearm insurance claim must download these forms. The email address is firearm.cover@claytarget.com.au The maximum claim available is \$15,000.

EXECUTIVE OFFICER'S REPORT

Brett Somerville

As we welcome the new year, I would like to take this opportunity to thank all the members, volunteers, clubs, and associations and our sponsorship partners for their hard work and dedication to the sport of clay target shooting in 2023. Your contributions have been invaluable, and we are grateful for your commitment to our sport.

As we look forward to 2024, we will once again have the Skeet and Trap National Carnivals in Wagga Wagga during March. This event is a great opportunity for members to come together and showcase their skills. We are looking forward to seeing you there.

I would also like to take this opportunity to congratulate the athletes who competed in Brisbane this month as they aim for the ultimate honour of representing Australia at both the ICTSF World Down the Line Championships in England, and the Paris Olympics later this year. Your achievements are a shining light to the younger generation in our sport and we wish you all the best in the upcoming games.

Once again, thank you for your continued support of the Australian Clay Target Association.

Brett Somerville

NEW 2024 ACTA Rule Book

Available now on the ACTA website, is the latest release of the ACTA Rule Book

When reading through this book you will find quite a lot of re-ordering of the rules, as well as re-pagination, and that means that some of the rule numbers won't match previous rule numbers. There has also been some re-writing of rules to make them easier to understand, without actually changing the meaning.

There are a couple of new features inserted, the first being regulation around distribution of cash in optional situations as well as specific cash events.

You will find additional safety templates that now cater to the entire ACTA portfolio of disciplines, from DTL, Ball Trap, Skeet, Tower, 5 Stand Sporting, Sport Trap, English Sporting, ISSF and Universal Trap. Also notice a change to the dress code.

Hopefully, this edition will go a long way towards standardising our sport, and make it easier for competitors and administrators alike to understand the rules.

I strongly recommend that all competition members take the opportunity to download and study these rules, and to put your hand up to become a registered ACTA referee. A referee badge can be gained by contacting one of the many Referee Examiners around Australia. A Referee Examiner will test you in both the practical administration of a squad and also in your knowledge of the shooting rules. Check with your State Secretary or one of the ACTA Rules Supervisors to determine who your closest Examiner might be.

*Jim Shepherd,
ACTA Rules Supervisor*

Roberto Scalzone Cup 2024

Melbourne Gun Club

January 6 & 7, 2024

A lot of hard work goes into preparing a large event and this one was no different. With the 2023 version of this event called off due to the club going under with flooding we were keen to have the grounds looking immaculate for this year. A small group had worked at the club right through the Christmas and New Year break and by Tuesday afternoon prior to the event the place was looking a picture, ready for practice on the Wednesday. But the big guy in the sky proved yet again he isn't a Trap Shooter and Tuesday evening sent 90mm of rain down in less than an hour on our grounds causing one heck of a mess!!! Back to square one!!

With Wednesday practice called off we were able to have the time to go in and have all these issues rectified to be up and going come Friday afternoon. Thank you to our amazing members and visitors who came down on Tuesday night and Wednesday to help have everything ready for the event!!

Saturday dawned a perfect day, not a cloud in the sky and 27 degrees with very little wind. With the ground still wet this caused the humidity to rise making it very "sticky" to shoot. With RS Cup Founder Fil Petriella doing the opening speech at 8:45am we got under way right on time at

9:00am with the first 3 squads out on the layouts. Some great scores were recorded during the day's shooting including young Ben de Pedro who recorded his first ever 50 straight to sit on top of the leader board with Milad

Nasr both on 97/100. Laetisha Scanlan, Charlie Vella and Mitch Iles not far behind on 96.

A great Saturday night was held at the club with Gerald and the girls in the cafe pumping out meals for shooters and their families and the bar getting a good work out. Andy and the Canberra boys enjoying the Limoncello and at about 9:30pm all retired off to bed for a big day on Sunday.

Sunday dawned grey and overcast and the weather forecast was not looking good. We were almost through the first round when the rain began to fall and it did not stop all day. It was never super heavy but heavy enough to be annoying. Still some great scores kept rolling in, particularly Laetisha Scanlan and Mitch Iles who went toe to toe right through the whole

8 rounds. Going in to the last round Teash held a 1 target lead on Mitch sitting on a respectable 170/175. A 24 in her last round and a 25 from Mitch saw them both tied on 194/200. A fantastic score.

After a shoot-off that went 5 targets Mitch was declared the OA winner off the gun.

Results were as follows: OA Mitch Iles 194/200 + 5/5, AA 1st Laetisha Scanlan 194/200 + 4/5, AA 2nd James Willett 190/200, A 1st Ben de Pedro 190/200, A 2nd Gavin Jayasekera 187/200, B 1st Damien Millhuisen 166/200, B 2nd Mark Salerno 165/200, C 1st Charbel Asmar 169/200, C 2nd Cameron Ford 165/200.

The Roberto Scalzone Cup format is different from most other ISSF events. Winning your grade is what qualifies you for the Final or called a "Barrage". The 6 shooters to contest the Barrage are the OA shooter, the winner of each of the 4 grades and Angelo

The barrage got underway right on time at 5:30pm with Mitch Iles, Laetisha Scanlan, Ben de Pedro, Damien Milhuisen, Charbel Asmar and Damien Mould contesting. The Barrage is shot 25 targets using flash targets, all shot

double barrel (2 shots). Any shooter in the Barrage who is C grade gets 2 targets added to their barrage score. Any shooter who is B grade gets 1 target added to their Barrage score. An A grade shooter and AA grade shooter are "off the stick". The winner of each year's Barrage gets an invite for the 6th and final RS Cup to come back and compete in the "Grand Barrage". Barrage their spot will go to the next person in line. As Mitch had qualified in RS 1 for the Grand Barrage, if he was able to win this year his invitation for the Grand Barrage would go to the 2nd place shooter. So lots to shoot for!!!

The Barrage was live streamed thanks to the amazing work of Mark Zielezna who also took hundreds and hundreds of great photos for the weekend. Thank you for your work with this Mark, it is greatly appreciated.

The rain looked like it might ease up for the Barrage but half way through, down it started again. This didn't deter Mitch Iles who crushed the targets with ease punching the first 24 straight and claiming the victory even though he did let target 25 land. A short shoot-off was then needed for 2nd place and the invite to the Grand Barrage in RS 6 with Ben de Pedro outlasting Charbel Asmar. Congrats Mitch and congrats Ben on getting the entry to join Mitch, Sam Daou and

Penny Smith in the Grand Barrage at RS Cup 6. Again this year there were also lots of other prizes up for grabs. We had a free teams challenge with the winning team being created by our hard working scoreboard attendants and being named the “Board Members Team”. Each team had to have a B or C grade shooter in it. Congrats to Laetisha Scanlan, Gavin Jayasekera and Mark Salerno for winning the teams match.

Every round has a a lucky winners draw for slabs of ammo. Congrats to the winners of these prizes as well as slabs of ammo up for grabs for the volunteers – well done Alex De Bono, Ross Sanelli and Leni Harrison for their wins. Well done guys and thanks for your help.

There was also a lucky draw for the winning squad to receive a Bronzewing voucher each to the Bronzewing online store. Well done to squad 12 for taking the draw out this year.

Two lucky ladies and two lucky juniors were also drawn for free noms for next years event – ladies winners were Liz Schroeter and Chelsea Beechey, the lucky juniors being Dylan Naylor and Lucas Furlan. Well done all.

Thank you must go to Fil Petriella who puts everything together, organises the prizes and sponsors. It is an amazing job and everything is done to perfection. Also thank you to the amazing sponsors for this event to help make it the number one ISSF trap event in the country.

Thank you also to the MGC crew who helped run the event, Charlotte, Steve and Judith on the board, the crew who helped load traps and set

them and help during the downpour and also a special thanks to MGC President Ben Reed and to Stephen Theile for all their hard work put in at the club in the lead up to the event and during. Amazing work guys and greatly appreciated.

Sadly with the rain on Sunday night we did wake up on Monday to find the trench layout in front of the club rooms under water and water again over the road. Our members got in and got the remaining machines out and everything lifted to higher ground but the water thankfully did not break our levee banks!!

We will see you all in January 4-5 in 2025 for Roberto Scalzone Cup Version 5.

New Years Day at Wonthaggi

Talk about starting the New Year off with a Bang! Wonthaggi Clay Target Club held their first competition for 2024 on New Year's Day with a fantastic turnout, near perfect conditions, no wind and great targets. We had a total of 11 squads with shooters from Melbourne, MCC, Mornington, Woods Point, Nepean, Frankston, Morwell, Werribee, Korumburra, and even all the way from Yass and Warwick. We also had the pleasure and honour of having our own World Champion and Life Member, Wayne Parks, and his son Corrie attend the day.

With the competition being 100 targets Double Barrel, our Club President Stuart Allen and Vice President Alister Gammaldi spent a considerable amount of time setting the traps and filling them with the new Laporte Grand Prix 24s, resulting with some brilliant scores and many red stars across the board. We even threw in a couple of random flash targets as an extra chance for the shooters who hit them to win a prize.

Three Events and Life Memberships at Warrnambool

What a day! The weather was perfect and everyone was in fine spirits for the start of the New Year. We had a sensational turn-out with 72 guys and gals shooting on the day which was kindly sponsored by Jeff Dumesny.

In our first event, the 25 target Points Score, we had a couple of fiercely contested shoot-offs in AA and A grade. AA was eventually won by Lee Fitzgerald, followed by Gary Hayden. A grade was won by Mick Peck with Shaun Edwards coming in second. Nicola Dunn won B grade and Michael Smith with a second. C grade first went to Jeffery Martin and second to Anthony Evans.

Event number 2 was the 50 target Double Barrel. Warren Lindner had a perfect shoot with 50/50. We had shoot-offs in all grades with the following results for 1st, 2nd and 3rd places: AA David Neilson, Max Medhurst and Jamie Dunn; A Harry Clark, Robby Williams and Shaun Edwards; B Michael Smith, Jeff Dumesny and Joshua Pringle; C Anthony Evens, Jett Fleming and Shane Odgers.

The 25 target Handicap was our final event. Nicola Dunn rounded off her great day with a win in this event. Nicola along with Kevin Terrington and Bill Woodmason shot a perfect 25/25, with seven others shooting a 24/25. The three went into a shoot-off with Nicola shooting 28/29, Kevin with 27/29 and Bill shooting 25/26.

Overall, a very good day was had by all. We had some sensational shooting, a lot of laughter and many catch ups.

On the 9th December 2023, our Club was honoured to present Life Memberships to Wayne Jenkins, Helen Dyson and Christine Vickers.

Wayne Jenkins: Wayne commenced his interest in shooting while taking part in the Warrnambool Secondary Schools Shooting Academy which was held at our old grounds on Staffords Road, way back in the early 1970's. Wayne joined the Warrnambool Clay Target Club in 2005 but didn't commence shooting competition until 2010. It didn't take long for members to realise that Wayne was a very dedicated DTL competitor, moving through the grades quickly and attaining AA grade. Some of his major achievements in his competition shooting include in 2018 making the Veterans Mackintosh Team, in the same year won the Veterans Team High Gun, was Runner-Up in the National Champion of Champions

and made the All Australian Trap Team. He made the VCTA State Open Team, but unfortunately due to Covid 19 he didn't get the opportunity to compete. He has also won numerous Zone and Club titles throughout the years.

Wayne has held the position of Club Treasurer for the past 10 years, has been a committee member for 12 years and Club Delegate to the South West Zone for the past 6 years. Since joining the club, he has assisted in the organising and running of our major event, the Seaside Carnival. When he stepped back from his business, Wayne took up the position of Ground Manager and has committed many hours of work over the past years keeping our grounds in immaculate and pristine condition. The comments from visiting competitors in regards to our grounds is a testament to Wayne's time, work and commitment to our club. Congratulations on receiving your Life Membership to the WCTC.

Helen Dsyon and Christine Vickers: Firstly, Helen as a volunteer took over the running the canteen at Staffords Road Shooting Ground back in 2005. Les Wines previously

looked after the canteen assisted by members but when new Government conditions were introduced for club canteens, Les decided to retire and Helen took on this position. Not long after this, Christine joined her and between the both of them they have looked after the catering and canteen at the club for the past 18 years, duly assisted by fellow members.

When the club moved to its new location back in 2006 they both assisted at working bees, raking and leveling the layouts, seed sowing the grounds, painting the inside of the clubhouse and setting up the kitchen.

Both Helen and Christine need to be congratulated on achieving 18 plus years of commitment and support toward our club and are both worthy recipients of Life Membership of the WCTC.

Just a reminder that the Seaside Classic will be held on 9th–11th February. This has become one of the premier events on the Victorian shoot calendar and should not be missed. Accommodation in and around Warrnambool is filling fast and to avoid disappointment it's advised you book now.

What's happening in the VCTA

A happy New Year to all and a huge welcome to 2024!

As with every new year there is always a time of change and adaptation. VCTA will certainly face some major changes in the first few months. As you may have noticed in recent editions of CTN, and on Facebook, VCTA is advertising for both a new State Director of Coaching and a new State Secretary/Treasurer. By the time this story appears in the magazine, the process for finding new appointees for those positions will be well under way.

The introduction of a nationwide coaching approach/program is a significant development from the ACTA. With the intent of providing a consistent and developmental program across all of Australia, it will have ongoing benefits for the sport. I know that a lot of time, research and development has gone into this program, and it will be of benefit to all shooters whether they be beginners or experienced competitors. The new State Director of Coaching will have the responsibility to implement this across the State and be responsible for the development and training of Zone Coaching Co-ordinators.

VCTA's first major competition of 2024 is the State Skeet Carnival to be held at the Frankston-Australia Clay Target Club from the 25th to the 28th of January. This promises to be four days of exciting competition and the expected quality of competitors is high. Selection of the State Skeet Team to represent the VCTA at the National Skeet Championships from March 3-9 at the National Grounds, Wagga Wagga, will take place at this event. In recent years, the Skeet representative team has been very

successful, and we look forward to this trend continuing.

Of course, the Skeet team will not be the only representative team heading to Wagga Wagga in March. The National Trap Championships will be held at the National Grounds from March 12-17; almost three weeks of high-quality competition in Trap and Skeet. We wish all Victorians intending to travel to these events every success.

After the Nationals, we have to wait until May before the next State event takes place. The State ISSF Championships will be held at the State Grounds, Echuca Clay Target Club from May 3-5. This event has been endorsed by Shooting Australia as a Junior World Championship selection event and I am confident that, as this year is an Olympic year, we will see some high quality competitors preparing for events later in 2024.

As mentioned earlier in this article, the VCTA is also currently looking for a new Secretary/

Treasurer. That's my position! No, I haven't been 'sacked' – but after six years I feel that it's time for me to move on and spend some time travelling this great country of ours. The last six years have been very challenging and rewarding

Jeff Bell, retiring VCTA State Secretary

and I have enjoyed my time in the role. I have made it my policy to try and ensure the VCTA office was run to a high professional standard. I have always said that this role was about building relationships with the Executive, clubs, members and sponsors and I have certainly built a number of friendships from my time.

I would like to take this opportunity to thank all those people who have worked closely with me during my time as State Secretary, there are far too many to name individually. I am confident that people will know if I am

talking about them in this regard and will know how grateful I am for their support! It would be remiss of me though to not mention the ongoing support and assistance of my lovely wife, Anne, without whom I could not have carried out this role.

Hopefully, Anne and I will catch up with you on our travels – we certainly intend to call in to as many clubs as we can over time.

I hope to see you on a trap layout soon.

(retiring State Secretary)*

Psychological Skills for Shooting

by Michael Kruger-Davis

Peak Performance Under Pressure

In March, which will be here in 8 weeks, the Skeet and Trap Nationals will be held. For most shooting at the Nationals add a degree of complexity and difficulty to our shooting because of the pressure these championships generate.

Patrick Cohn from PeakSports argues that the Nationals as a sporting event contains no pressure in and of itself. This is important because there is no pressure in a sporting event. Pressure is an internal experience or feelings that is solely created by the shooter. Is created by how the shooter perceives the importance or significance of the event. Pressure is difficult to define because we all experience it differently. No two individuals have the same emotional, cognitive or physiological reactions to pressure or stress. In most cases, it is more about the way we think about the game, match or competition than the actual game, match or competition.

There are certain demands that we place on ourselves when we think about any competition.

Firstly, the importance you place on the event is critical. If it is the Nationals and you are pinning your hopes on winning a championship or getting into the Australian team, then you will see the competition as more important, and your performance more critical than the regular monthly club shoot. The perception that you are competing in something more important will make you think of past performances (and in doing so make judgements about your ability or self-worth) or you will think of the future by focusing on the products (the score, the sash, the Silver Australia badge, etc) and therefore

become worried and anxious about your performance and score.

Even though the competition may be the most important and significant for the year it is important to stay focused on the present and the process of shooting each target: leave the past, future and the product to look after themselves.

Secondly, the conditions under which the competition will occur. Is there strong wind, varying light, crowds, television cameras, rain, etc. Most of these factors are beyond our control so they need to be discounted by focusing on the things that are within our control: pre-shot routine, fundamental of shooting, focusing on the target, the present and the process.

Next, the possibility of performing poorly and finally, the quality of the opposition. The quality of the opposition will always be very high at a national championship: this cannot be changed or manipulated, so shooting to your best is the most desired outcome. The possibility of shooting poorly is likely if you place unrealistic expectations on yourself or you ignore the basics: your breathing, concentration and focusing on the process of shooting the target.

How do we recognise the negative effects of pressure?

When we give thought to these demands, there are a range of short term psychological and physiological effects of the pressure.

Physiological symptoms include increased heart rate, shaking, increased perspiration, drowsiness, muscle tension, increased breathing, etc. These physical responses are

akin to the responses that occur when you are suffering anxiety. Because they are like anxiety we react in the same way: we worry about the future, which in turn leads to self-doubt.

A psychological response is we are likely to miss cues that we would normally notice. Our ability to attend to all the factors that are necessary to shoot well is limited. Attention is directly linked to concentration. When we miss it is usually due to a lapse in concentration rather than an inability to shoot. As well as having limited attention, the focus of our attention moves to the product (score, trophies, team selection, etc) and away from the task at hand or the process of completing the shot. Under pressure we lose track of time and things seem to be happening faster and as a result we are more likely to make mistakes or miss vital parts. This is the opposite of what people report when they are in the zone or flow: when we are in the zone, it appears we have all the time in the world.

Under pressure thoughts about past performances become intrusive and we make negative judgements about our performance or worse still, about ourselves. Once we start worrying about the past it is easy for our mind to lose track of the present and start

to dwell on the future. This leads to fear, apprehension and worry. As a result, we lose confidence, and our anxious state further leads to self-doubt, which in turn makes our muscles tense and we lose the ability to move fluidly. When this happens, we miss. Muscle tension upsets rhythm, balance and momentum.

It is impossible to take away the perception that the nationals are high pressure competitions. If we try to ignore or fight the pressure we will fail because we will not focus on the important things: our breathing, the process and the present, but instead become anxious, worried, fearful and drown in unrealistic expectations of ourselves and our performance. If we acknowledge the significance of the competition but focus on the process, present and our breathing, anything is possible.

The Color of Savings

The simple fact is that it is getting more expensive to enjoy our favorite pastimes. The cost of clay targets is always on the rise, and ammunition prices have nearly doubled in price. So, how do we continue to practice and compete when the economics are stacked against us?

As the most-used target for global competition—9 out of 10 ISSF World Cup events use Eurotarget—we can leverage economies of scale that no competitor can match. This allows us to pass on huge savings to you.

We recently negotiated a limited-time price break with the manufacturer that we can pass on to you. This price won't last long. Contact us soon to order!

Available in a wide selection of target profiles and colors

A club purchasing 20 pallets per year will save \$8,000-\$13,000 annually! These savings go a very long way toward covering prizes for shooters and more!

Christmas with the Cassells

As with all Christmas shoots, prizes are made up of Christmas fare and much appreciated by the lucky shooters who manage to take home a ham, turkey, chicken or anything else on offer. Such was the case with Nathan and Garry Cassells at Maryborough's Christmas shoot. Nathan won Overall in event 1, AA in event 2, 8th equal place in Sporting, Overall High Gun and to top it off, was the raffle winner. Dad Garry wasn't to be outdone, winning B Grade in event 1, 2nd in B Grade for event 2 as well as Veteran High Gun. As you can imagine, the Christmas table at the Cassells household was well and truly loaded with more than enough for everyone.

Event 1 for the day was the 25 target Double Barrel Christmas Championship. Overall win went to Club President, Nathan Cassells, on 98/98. AA 1st was Travis

Bega's Tarraganda Championships

With much enthusiasm, the forty-six shooters who helped Bega Gun Club open 2024's proceedings, welcomed with lots of bangs, the 100 target Tarraganda Open Championships. With the temperature reaching 27°, a beautiful summers day greeted the eight squads who rolled up. Once again the Tarraganda set the standard

for the year ahead with participants coming from "all over".

The shoot began with 25 targets Double Barrel, followed by 25 targets Single. Then squads faced a further 25 targets Points Score and then finished the day with 25 targets Continental.

2024 Tarraganda 100T Open Champion Matt Harris

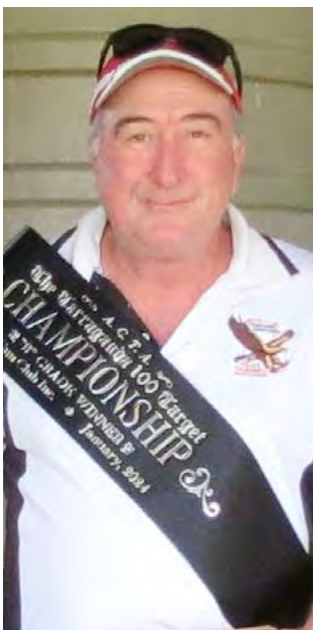

AA Grade winner Dave Crane

A Grade winner Alf Niesar

At the end of the day, the Open Championship went to visitor Matt Harris, who finished the day with a score of 143/150. AA Grade saw Dave Crane and Drew Burton spend an extra supply of targets to sort out places, with Dave winning 153/162 to Drew's 151/162. Alf Niesar and regular visitor Bob Duncan had a tight battle for A Grade with Alf in first on 139/150 to Bob's 138/150. B Grade saw Mark Corbett

C Grade winner Chris Rowland

The engine room of any shoot

One of the eight squads looking very ready for action

taking the sash with a score of 137/150 with Kevin Hurt, 133/150, taking second place. Only two targets separated winner and second place in C Grade, with Chris Rowland scoring 136/150 for first and George Adamopoulos on 134/150 taking second.

President Chris congratulated the prize

winner and thanked the many visitors whose attendance made the day such a success. So good to see shooters supporting other clubs when the opportunity occurs.

The club will shoot on Sunday February 4th with two events – 50 targets Double Barrel and 50 targets Continental, usual 10.00am start.
