Rabbits in their countless millions constitute one of Australia's most destructive pests. Good grazing land can be rapidly turned into barren acreage if these pests are uncontrolled. Land-owners and sportsmen may make every day's shooting more than worthwhile by helping to reduce the numbers of these vermin.

THE EDITOR'S NOTEBOOK

Despite repeated requests for early lodgment of advertising copy, some club officials appear to take little heed and continue to forward copy matter long after the "dead-line" date, i.e., 30th of month preceding issue. This is a most unsatisfactory state of affairs from all viewpoints and is certain to result in some disappointments in the future. It should be clearly understood by all clubs advertising their shoots that the Association is anxious to assist them at all times and also to ensure that copy, advertising forthcoming shoots, is satisfactorily displayed and also, where possible, has the added benefit of a special paragraph on the particular shoot in another section of the publication. When copy is forwarded right on the "dead-line" there is no hope whatever of securing this additional "puff" paragraph and the club loses this benefit. Several instances come to mind in recent months of advertising copy being despatched to the Association, in some cases hundreds of miles from Melbourne, on the actual day of closing, 30th of the month. On arrival, two to three days late, the printers immediately express annoyance—quite rightly—and the job of getting the journal off the press on regulation date is made all the more difficult. Club officials are therefore invited to record the closing date, 30th of month preceding publication, firmly in their minds, and when they have copy available earlier in the month, to forward this without delay, thus ensuring fullest benefit and assisting the printers (a very harassed section of the business world these days) ample time to prepare and publish.

A recent query came to hand from a club far distant from Association headquarters. The query asked if "it was permissible to use plus trap upon failure of automatic in championship shoot." This is rather a "curly one." Firstly, the automatic trap should be in order before the

shoot starts—the query rather suggests that it wasn't. The Association regulations direct that all major championships should be shot over the automatic trap. Of course, if a major breakdown occurs and this cannot be rectified, especially where shooters have travelled long distances to attend, there seems little option but to agree to the completion of the event on the smaller trap. However, it behoves all clubs to ensure that their traps are in perfect order before embarking on a major event, thus eliminating possibility of a breakdown and resultant confusion.

An interesting point raised by a South Queensland Club concerns the ordering of a compulsory division of attached sweepstakes over each round of five birds in long events. The club has adopted the scheme, not in Association championships, but in all other events where there is an attached sweepstake. This would mean, say, over 20 birds, four minor optional sweepstakes and an over-all optional sweepstake. The club points out that its experience has shown this to be a very popular medium. It allows for many shooters getting that "very desirable cut" which many, particularly the moderate shooter, would miss out on in the over-all sweepstake. An interesting point and one that could be tried by many other clubs as a means of keeping the interest of all its shooters—from moderate to top-notch—interested throughout the competition.

The spectacle of unregistered shooters being permitted to shoot without proper investigation is a matter engaging the observation of Association officials. It should be clearly understood that unregistered shooters are not permitted to compete against registered A.C.P.T.S.A. shooters in any circumstances whatever, other than in the case of new shooters coming into the sport, who may be allowed to attend a club shoot up to three occasions before being requested to register. Should an unregistered shooter succeed in winning a trophy or money award (apart from the new shooter referred to) such shooter has no entitlement and it is within the rights of the management of the club to request a return of the prize. It is also within the rights of registered shooters to claim against or object to an unregistered shooter. It is almost certain that the new shooting year in 1952 will see the issue of a special "Registration Card" which all registered shooters will be required to carry to all shoots and present, on request, to club officials. This method should overcome difficult and unsatisfactory situations.

An item which may assist in maintaining interest whilst club members are not shooting has been gleaned from advices received from England. At the start of the day the club conducts a raffle among members for an agreed entrance fee (probably 1/- or 2/-). Those entering are required to assess the number of "kills" that will be recorded in the main event of the day. The winner, or nearest to actual figure, takes all, or failing that, an agreed percentage for the club if considered appropriate. It may be that this could be improved upon by arranging first, second and third awards for the three nearest answers. Worth a trial.

The controversy regarding the merits or otherwise of Single-barrel shooting has brought forth the following letter from the Young (N.S.W.) George Bell. He writes: "I've read with a good deal of interest the comments re single-barrel shooting and the arguments put forward in its favour. These appear to be, generally speaking, the saving of cartridges. Nothing could be more

foolish if you happen to attend a few shoots. How often do you see shooters in a hopeless position insist on shooting at their full quota of clays. At every shoot I've attended where shooters have been 'down' five or even six, still insist on shooting, even when asked to retire. Does that seem like cartridge saving, and after all, how many cartridges would it save in a 20-bird event? Probably three or four. Regarding another shooter who says it would make better shooters, I fail to see his argument. There are very few good second-barrel shots, and I would say this is the root of the suggestion. The suggestion that clay shooting is the only sport where you get a 'second attempt' is also in error. I've played a good few different kinds of sport, and I don't know of one where you cannot make an error in your judgment and not get another chance. I'll quote four—cricket, tennis, golf and football. Don't try to tell me that there is a perfect player in any of them. No! let the man who can't use his second barrel learn to use it, practice will improve him. To date you've only put one side of the argument, and as our little journal is the 'forum of the shooter,' I would like you to publish this."

Ten Years Ago . . .

The last of the major down-the-line championships in the immediate pre-war period (just prior to closing down for the duration) was the Commonwealth Deauville Doubles championship at the old Blackburn grounds in September, 1941. The event went to Dick Wightman, partnered by H. R. Donnelly, with a score of 20/20 pairs. A tie shoot for the placings resulted: J. Bryant - A. F. Burns, 28/30; "Duxbac" - Eric Ball, 27/30; L. L. Schilling - W. Bloomfield, 23/25. The best 12/14 yarder was Squad-Leader T. S. Ingledew, at that time a Hurricane Test Pilot (now Wing. Commander), partnered by Aub. Johnson. They stopped 14/20. E. G. Biggs, the present National champion, was under notice at Coburg during the same month, when he won three events and finished runner-up in another.

On April 1 he won the Walla Walla Handicap with 97 from 19 yards. At Ritzville he won the handicap with 95 from 20 yards, and on July 8, at the Sun Valley shoot, he won the Challenger Handicap with 99 from 21 yards, and the Sun Valley Handicap with 98 from 22 yards. His handicap card is now 23 yards. He won three beautiful trophies and 2300.00 dollars in cash at the Sun Valley shoot; nice going, eh! He is all primed for the Grand American and he left for the Grand Pacific this week. They will be laying for him at Portland; they may give him 25 yards. It is hotter than "Blue Blazes" right now, hovering around 97, but thank goodness it cools off at night. Back at Vandalia it stays hot night and day, and that is what I dislike about this trip.

Thanks for the "News", Bill, appreciate your kindness. All the luck in the world.

U.S.A. Shooting . . .

(From REX MILES)

Congratulations to the Australian Team on their fine performance in the International Match. Theirs is a record score for this event, one that will be hard for the British Teams to beat. Congratulations to you, Bill, for your efforts in promoting the sport in Australia and making it possible to attain top performance from shooters — publicity of the right kind accomplishes a great deal, and without it, "she's a Dead Duck."

Our Grand American will be on next month, I may be there. I will go by train. Most of our boys fly back and they get there in about 14 hours; it usually takes me three days and nights on the train.

You probably remember S. N. Chapman (he was in Keith's squad at the G.A.N. in 1947; you published his squad's picture; he was No. 2 man). Chapman has done some outstanding handicap shooting this year.

(One month earlier than on previous occasions). Clubs applying for championships should outline events preferred, adding second and their preferences.

"Tips" and "Tails"

The immediate future programmes for the Coburg Club are as advertised in this issue. The Club Mixed Birds championship is listed for October 27. On Cup Day, Tuesday, November 6, the Coburg Club will stage its usual all-day meeting, with the

Coburg Stakes at 20 birds in the forenoon, with the Coburg Grand Prix at 30 birds to follow. Club secretary, C. J. Colledge, 12 Adler Grove, Merlynston N.14, will be pleased to reply to all enquiries for this fixture.

Camberwell Club (V.) has two Metropolitan titles to decide, as per the advertisement in this month's publication. On Saturday, September 29, the Metropolitan Walk-up championship is listed, and this will be followed on Saturday, October 13, with the Metropolitan Deauville Doubles championship. Additional fixtures will follow on October 27 and November 10.

The Cressy Club in Northern Tasmania has arranged and has been given A.C.P.T.S.A. approval to shoot the Northern Districts of Tasmania Mixed Birds title on October 27. The similar double-barrel title will be shot on Boxing Day, December 26, followed by the Tasmanian State double-barrel championship on the following day, December 27. Other events will be included each day and full details will be advertised in later issues of this journal.

Mac. Johnstone, secretary at Latrobe, advises that most of his club members, including himself, are addicted to trout fishing and, with the season opening on September 1 (plus recent shortages of supplies), means that the majority of shooters in Latrobe area will be seeking the elusive river habitues for the next few weeks. Latrobe has applied for and received approval to shoot the

North-Western Districts of Tasmania single-barrel on November 3. On November 5, the Tasmanian State Mixed Birds championship will follow.

The new secretary of the Queanbeyan Club is F. L. Greentree, who replaces G. R. Bond. D. Grimmond also replaces W. Hedges as hon. treasurer for the same club.

Atherton Club in North Queensland will shoot the Queensland Mixed Birds championship at Atherton grounds on October 6; this will be followed on October 7 by the S. N. Nasser Memorial event, Calcutta and President's Handicap; in all, a programme of £90 in cash. Mrs. Ross Maclean, the club's energetic secretary, whose address is Atherton, N.Q., will be pleased to answer all enquiries, as will President Jack Page, at Box 145, Atherton. The latter assures all that the weather from the present on to the warmer season later is ideal and should hold a big interest for those from Southern climes.

Due to lack of cartridges, the Clara Creek Club (Qld.) two-day championship and handicap shoot, arranged and advertised for July 28 and 29, had to be deferred. No new date has been arranged for the reason that, as stated by the club secretary, Jeff Page, "there is still no indication of cartridges coming to hand." His advice was dated July 28—it is hoped ere the publication of this information takes place that the longed-for shells have appeared.

An advice from London gives information concerning a remarkable performance recorded by a Canadian rifle and trapshot. It appears that an individual named Boa, who is employed in the ammunition trade in Canada, won the Bisley King's Prize at rifle shooting in July and then proceeded to the clay pigeon shooting ground (also on Bisley Common) and shot the only 50 straight at clays to win the English Clay Pigeon Shooting Association's Festival of Britain Prize. Some marksman!

Deniliquin Gun Club in the N.S.W. Riverina area will conduct its Jubilee shoot over two days, September 29 and October 1. On the opening day the South-Western Riverina Double-barrel championship and a £50 handicap will be the main interest. The State N.S.W. Double-rise championship and another £50 handicap is to follow on October 1. Two traps will be in operation throughout. Accommodation reservations should be made without delay. All enquiries will be taken care of by Ron Jones, the club secretary, at 180 Cressy St., Deniliquin, or President, Gary Daly, phone 155 (Deniliquin). The full programme is advertised in this edition.

Some highly complimentary reports have come to hand from N.S.W. shooters concerning the splendid shoot and de luxe entertainment provided by the Coff's Harbour Club on August 4 and subsequently. Ralph Sonter, who journeyed up from Sydney for the shoot, is especially anxious that some reference to the hospitality of Coff's Harbour sportsmen should be mentioned. It is

understood that a "light luncheon" consisted of sirloin steaks, boiled potatoes, fresh bread and nearly the whole complement of the butter production from the N.S.W. North Coast. A day "in the bush" at Bucca was also a highlight—many visiting shooters consider the hospitality so lavish that had another day been attached to their visit, none would have been able to win anything. Ralph Sonter mentions that "if possible through 'News' we would very much like to thank Coff's Harbour for a very lovely week-end. This club is just one year old, but is progressing in bounds, because of the forceful personality of its Captain, Jack Seccombe, and the team spirit of all members. Their ground is in a beautiful natural setting overlooking the Pacific Ocean and leaves nothing to be desired. I'd like to recommend any shooter desiring a real shooting week-end to watch the 'News' for an advertised date near Xmas of the aforementioned club. I'm sure they'll not be disappointed and, like me, will be looking forward to the next Coff's Harbour Gun Club open day."

Goondiwindi Club in Queensland will hold a two-day fixture over Friday, October 26, and Saturday, October 27. A new title event, known as the Waggamba Shire Championship, under double-barrel conditions, plus a £20 trophy event, are main attractions for the opening day. The Goondiwindi Handicap of £100 and two £20 trophy shoots are listed for the concluding day. Full details are advertised this month. Secretary, N. Danes, of Marshall St., Goondiwindi (Q.), will be pleased to answer enquiries and assist any visiting competitors requiring accommodation. His telephone is Goondiwindi 335.

Colac Club in Western Victoria has arranged a double bill for Saturday, October 6. Practice will commence at 11.30 a.m. and business events at 12 noon. The opening contest will be the Western District of Victoria Single-barrel championship, which will be followed by the Western District of Victoria Deauville Doubles Championship. A special award for the best "Colac pair" is included in the prize awards. Association Executive, Don Corstorphane, is club secretary at Colac, and his telephone is Colac 406. Geo. Biggs, the 1951 National Champion, will referee the Colac series.

A report published in the "Northern Star" at Lismore (N.S.W.) last month gave details of a shooter being fined £35 and 10/- costs for "killing seven wild ducks during the closed season." Police evidence indicated that the shooter was found in a bush shelter, having just shot two wild ducks, having five others in a bag and five decoy ducks tethered nearby. It is of interest to note that the Stipendiary Magistrate ordered the "forfeiture of the ducks and returned the shooter's gun and cartridges to him."

The Stonehenge Club (N.S.W.) is in high spirits following the generous donation of a special 30-guinea trophy for competition under single-barrel conditions—to be won three times, not necessarily consecutively. The donor is Mr. Nick Smith, of George Street, Sydney. An additional valuable trophy will go to the "stage" winner each year. Mr. Smith has promised to donate a similar award immediately the major

Coff's Harbour Club executives (L. to R.): Messrs. Bennett (Sec.), Wedgewood (Pres.) and J. Seccombe (Captain).

trophy finds an owner. The Stonehenge Club is keen on introduction of single-barrel shooting, along with many others, and the aforementioned trophy seems to be the ideal in bringing about a start.

The Boggabri Club (N.S.W.) has been re-formed under the secretaryship of Len Yates, of Wee Waa St., Boggabri. This club is the home centre of Wal and Vic Eather, shooters well known on tracks far and wide from Boggabri. Vic held the Australia break record of 97 straight until beaten by Gus Russell with 103, whose figures were bettered this year by Newton Thomas during the big Association fixtures in March last. In addition to Len Yates, club officials are (at Boggabri): President, G. D. Thomson; Treasurer, Wal Eather; Vice-Presidents, V. Eather, J. York and D. Devine. The club at present is mostly composed of young

shooters with a sprinkling of veterans, but it already has a membership of over 30, with more on the way.

The week-end shooting in Melbourne of August 4 was resplendent with two outstanding performances. Fred Burns won the Metropolitan double-barrel championship at Coburg with a string of 55 straight, to win from George Biggs, 54/55. These two shooters are top class and their long drawn out tie shoot held the interest of spectators and shooters throughout. Burns returned a break of 64 for the day. The other effort was given by the rising young shooter and Scotch College (Melbourne) boy, David Mansell. Young David divided the opening event at Camberwell fixture, then won outright the double-rise event with the only possible, finished runner-up to Hugh Phillips, with 19/20, in the main event of the day. His father, Allan Mansell, then completed the Mansell triumph with a success in the final five birder of the day. Young Mansell uses a 20-gauge gun, which more than ever reveals his ability to pace it with seasoned shooters.

The Myers Flat Gun Club at Bendigo (V.) will shoot the Loddon Valley Skeet Championship on Oct. 13. Geo. Biggs has agreed to referee at the request of club secretary, Bill Santon. In addition to the Loddon Valley title, the management has also decided to shoot the club skeet title on the same day. Bill Santon advises that all visiting shooters will be accepted as honorary members of the club for the day, thus enabling them to take part in the club title as well as the Loddon Valley contest. This should make for a very attractive programme. Special efforts are being made to ensure that every club facility is made available to visitors. Luncheon and light refreshments. Ground directions are: proceed (if travelling by car) to Bendigo, then follow tramway to Eaglehawk, keep left at Town Hall. Ground is situated right on main road opposite Allie's Hotel, six miles from Bendigo, which is exactly 100 miles from Melbourne G.P.O. Secretary Bill Santon may be contacted at 171 Mitchell Street, Bendigo, telephone Bendigo 1951.

The Victorian Ladies' Championship, conducted by the Coburg Club on August 18, was a great success. The winner was Barbara Biggs, daughter of the National Clay pigeon champion for 1951, Geo. Biggs. "Nyla" Fankhauser was runner-up and Jennifer Biggs (sister of the winner), third. The Biggs sisters are both students at MacRobertson Girls' High School in Melbourne and are natural shots. The Lake George secretary, E. G. Croker, has extended a special invitation to Barbara and Jennifer Biggs to compete at Lake George/Queanbeyan fixture at end of September and October. He reckons the girls will be a decided attraction to his fixture, as few residents of the Captain's Flat township have seen woman trapshots in action. The girls are likely to accept the invitation.

Hornsby Club will shoot the Sydney Deauville Doubles Championship on October 27, with a £20 handicap to follow. On November 24 Hornsby will again hold an open shoot, with the Sydney Double-barrel championship and a further £20 handicap listed. Events are as advertised. All enquiries as to these fixtures should be directed to C. S. Horne, 33 Duffy Avenue, Thornleigh, N.S.W.

Bathurst Club's mercurial secretary, Vic Howard, has retained a very wide smile since July 28, when he outpointed a good field to win the club's 1951 single-barrel championship, 22/25. Vic did his best to "read the trap" and his win was very popular among club members. Vic mentions in a recent note that local "authority" has permitted "Picnic Shooting" on Sunday around Bathurst area. This means that the Bathurst club must vacate its well-appointed grounds for "Picnic" entertainment. A new rendezvous has been selected about nine miles from Bathurst on the Rockley Road, macadam surface all the way, turning left at Perthville and proceeding a further three miles to a nice location on Tom Ryan's property. So Bathurst marksmen take heed of foregoing direction. Bathurst members enjoyed a social encounter recently against the members of the local rifle club, each 20 shots over 500 yards. The efforts (and wordy descriptions of rifle shooting) are too severe for inclusion and rifle club boys won. The return,

and Vic Howard reckons it's the revenge shoot, the gun club chaps have to beat their opponents by four birds per man—the scores at time of writing were Rifle Club, 994; Gun Club, 795.

A New South Wales club recently queried the reason why no conditions were laid down by the Association for "club championships." The A.C.P.T.S.A. has always considered a club championship to be a domestic affair of the club and has also practised the minimum of direction to clubs in matters which are entirely the concern of clubs. Hence the conditions of a "club championship" should be just what is determined by the management. Usually Victorian clubs shoot their down-the-line championships at 15 birds from 16 to 18 yards.

The Warren Club in New South Wales recently affiliated with the A.C.P.T.S.A. and registered 40 new shooters immediately. Apparently the club is very strong in membership to have so many available for immediate registration. President is L. S. DuVernet, and Hon. Secretary, Y. B. Walker. The club's Hon. Treasurer is well known to many Southern State shooters, in the person of Lindsay F. Single. The latter was for some years secretary at Holbrook, later moving in his bank employment to Warren. Single's experience should be invaluable to the new club.

The Queanbeyan and Lake George (Captain's Flat) clubs (N.S.W.), both of which are situated adjacent to the Federal Capital territory at Canberra, will conduct a first-class series over the week-end, Saturday, September 29 (at Queanbeyan) and Monday, October 1 (Captain's Flat). Shooting will open at 10 a.m. both days. At the first-mentioned club the N.S.W. Southern Districts single-barrel championship will be decided and this will be followed by a £50 handicap and minor events. Moving on to Lake George Club at Captain's Flat, the similar district double-barrel title, followed by a £100 handicap, will be decided on Monday, October 1. As this is a holiday week-end in New South Wales, a big muster of shooters is expected to attend, including a few from Melbourne. Visitors will be entertained on Sunday, September 30, either

by sporting activities or specially arranged trips around Canberra—both if visitors prefer. Both clubs are anxious to have a bumper meeting and officials are doing their utmost to ensure the comfort of all competitors. Intending visitors requiring accommodation should contact the secretary of the Queanbeyan Club (F. J. Greentree) immediately. Being a holiday week-end, tourist traffic is bound to be heavy. For those travelling by train or plane, transport will be arranged from Queanbeyan to Captain's Flat on the Monday. Any shooter needing this service should contact the Lake George club secretary (E. G. Croker). Full programmes are as advertised.

The following story comes from Lake George (N.S.W.):

At a recent shoot an argument cropped up as to which brand of rum was the best.

To prove the brand he had was the best, "Mick", the Lake George Club's prince of storytellers, came to light with the tallest snake yarn ever heard.

He stated, "He went out to the river to fish; on arrival, discovered he had forgotten the bait, pulling out a flask of his favourite brand of rum, to fortify him on his walk back, when he saw a large black snake in the reeds with a frog in its mouth. Grabbing the snake behind the head, he squeezed until it dropped the frog, then to compensate it, he poured a drop of the rum down its neck. Using the frog for bait, he threw in his lines, and while waiting for a bite, dozed off, only to be awakened by the snake tapping his leg, waiting with a frog in its mouth for another nip of GOOD rum."

Club members reckon "Mick" may not be the Club's champion shot, but as a story? teller, he has no equal.

Tom Cherry, one of the founders of the Alexandra Club (V.) and its secretary, is attached to the Education Department in Victoria. Tom has been transferred to Deepdene, a residential outer suburb of Melbourne. His ability and keenness for the sport of clay pigeon shooting should make him an attractive proposition for any metropolitan club

desirous of securing a top-ranking secretary. It would seem that Tom will not be idle very long in the metropolis. Alexandra president, Luke Doyle, advises that Ron Williamson has taken over the secretarial work at Alexandra and will have as his assistant young Leo Doyle, son of the president. Luke has again been re-elected president at Alexandra.

The following outline from Vic Howard, secretary of the Bathurst Club, provides details of a return match between clay-busters and rifle shooters. Conditions were (original match at rifle range) two stages of 10 shots and two sighters at 500 yds. (return match at clays), 20 birds per man, rifle club to use double-barrel, gun club men single-barrel. Trophy for Lou Lupp Cup.

"Came the day when we innocents were led to the massacre at the mound. Senior rifleman, Tim Ashworth showed how easy it was. Spreading out on the mound, he nonchalantly downed 9 bulls straight, but merely earmarked the last one to record 49/50 for his half-way effort. The rest of the rifle boys caught the idea. We somehow acquired the notion that most of the scorers were cattlemen at a convention or some such thing. They seemed to confine their remarks to 'another bull' all day. And so, when the 'Grand Parade of Bulls' was over, they introduced their star turn for our entertainment. We wish to go on record as being very appreciative of their team of flag waggars who were very enthusiastic and carried out their work with great impartiality. We trust that they will wait in patience for the next visit by the Gun Club boys when they may limber their arms up a bit. Also an apology is due for a near miss on their target shed, which was in danger once or twice. One poor unfortunate, after struggling hard for a bull, finally recorded one—on the wrong target. No samples given and so another big 'O' went on the score. Not all the boys were popular with the flag waggars, however. We don't wish to sneer at our less popular fellow members, but the fact is that President Ken McEwen, Lou Lupp, Stan Bressington, Bill Burrows, Harry Jaques, Chas. Campbell and Jack Brazier were only considered

worthy of little dark tokens on the bottom corners of the targets. Strangely enough, these unpopular fellows seemed on more friendly terms with the scorers, which made things even.

"Rod Bayliss invited all hands to the clubroom. There we became better acquainted with Tim Ashworth, Les Smith, Barry Gordon, Geoff Cutler, Arch Willman, Alec Wallace, Ted Borstell, Jack Enderby, Herb Schofield and George Simpson. Good sports all.

"Scores: Rifle Club, 90 per cent., and Gun Club, 70 per cent. Recourse was had to the clay tracks at a later date to shoot over 20 birds. Rifle men on 12 yds. double-barrel, Gun men on Association marks, single-barrel. Just as did Tim Ashworth on the range, so did Jack Brazier and Chas. Campbell at the clays. Both recorded 9/10 first barrels at half-way, J. Brazier finishing best with 17/20, next being Larry Healey and Merv. Burrows, 16/20. The team recorded 70 per cent., just enough to win. Most of the 'Bull pluggers' were at sea with the discs, but Barry Gordon downed 14/20 at his first attempt at clays, closely followed by Arch Willman and Les Smith, who had 13/20. Geoff Cutler and Doug Callaghan also showed that a little practice would improve their scores. The team averaged 38 per cent., final result being a narrow win for the clay busters on a mean average of 70 per cent. to 64 per cent. The Gun Club has gained a handsome trophy and a lot of friends. The Rifle Club has gained friends only—this year. Here's luck to them next year."

At the Dubbo Club Annual Meeting, which was held last month, the Dubbo shooters decided that as the club has grown so well in its two years of existence, it is time they had a suitable Club House. Building operations are to commence immediately, with the object of having it completed in time for the Annual and Jubilee shoot in October next. The popular Jack Baxter was re-elected President, with the able assistance of Drs. McCormack and Roberts, and Messrs. Ken Naylor and A. E. Davies as Vice-Presidents. The new Club Captain is Jack Bayley; Treasurer, Len Rumble, and Ron Morrison as secretary.

The Central N.S.W. Double-barrel Championship will be held on Saturday, 20th October, and two £100 Handicaps are to be held on Sunday and Monday, the 21st and 22nd October. Shooters can be assured of an excellent three days shooting on this occasion, as it is Dubbo's Annual and Jubilee Shoot. The boys intend making it the best yet held in the west. Shooters are advised to book accommodation as early as possible, as this week-end finishes up the Dubbo Town Jubilee week, and accommodation will be scarce.

The Roma Club in South Queensland will stage its Jubilee Shoot over September 29 and 30. On the opening day the 1951 Queensland Deauville Doubles Championship will be the chief interest. This will be followed on September 30, with the 1951 South Western Queensland single-barrel title and a £40 handicap.

Accommodation is available if early booking is arranged. Doug Pack, the club's ace referee, will be in charge of operations throughout, so competitors can be assured of crisp and correct handling. Doug handled the referee duties connected with Australia's win in the 1951 International series. All enquiries should be directed to the Roma club secretary, Colin Fletcher, at "Kurreen-Ya", Bindango Siding, W. Line (Phone Roma 272 S) and Keith Cameron (President), "Ardno", Roma. The programme for both days is advertised in this issue.

Dubbo's annual shooting festival will have the added attraction of being a Jubilee fixture this year. The Dubbo Club will shoot over three days, October 20, 21 and 22. On the opening day main event will be the Central Districts of New South Wales double-barrel championship.

Spoken in a letter from a Victorian shooter last month, "You surely have a best seller in our little magazine." (Do we sell it?—Ed!)

South Queensland reports indicate that a local clay target manufacturer is now producing a first-class disc which has resulted in those nearby clubs able to get enough "crackers" to hold monthly shoots.

Bathurst Club (N.S.W.) will shoot over October 27 and 28. On the opening day a £100 handicap will be decided at the Mount Panorama Grounds, with minor events to follow. The second day (October 28) will be the special picnic shoot on Rockley Road ground near Perthville. Trophies "up to usual Bathurst standard" will be provided. A big muster of shooters is expected and accommodation is limited, hence those wishing for bookings should apply to Bathurst club secretary, Vic Howard, at 241 Russell Street, Bathurst, with the minimum of delay.

Sale Club (V.), the prominent Eastern Gippsland organization, will shoot the Gippsland Deauville Doubles Championship with the added attractions of a £20 and a £30 handicap to follow on October 6. A further £20 event will follow if time permits. The full programme is advertised in this month's publication. The club is making big preparations for the holding of the Commonwealth Double-rise championship on November 3. Further details regarding this major contest will be advertised later.

The Footscray Club held its 1951 annual meeting at Moonee Ponds on August 18. The meeting was well attended. Officials elected for the ensuing year were: President, R. G. Queanbeyan and Lake George Clubs, outside Canberra, are continuing preparation for the joint carnival final week-end in September as advertised. F. Bothwell Club (Tas.) advertises its forthcoming programmes. On Saturday, September 22, the Central Tasmanian single-barrel title will be decided followed on October 20 by the similar double-barrel event. I. K. Campbell is club secretary.

ing are concerned, as the ducks are very plentiful and a good deal of shooting has been going on. This is an advantage in one respect, as it has allowed the club to accumulate clays, but a decided disadvantage as far as cartridges are concerned. However, the club is holding sufficient shells to enable it to hold two District Championships in the near future.

The club is now on a very sound footing, having a cement trap house, cement tracks and automatic and plus traps. The club is in the process of acquiring its own grounds, an excellent site only one and a half miles from the town area. An interesting feature connected with the grounds is the almost unlimited supply of water which can be pumped from the sands only 15 feet underground. A big help in dealing with dust on a windy day. All the Burdekin Sugar Cane lands are watered from this supply. Six-inch centrifugal pumps delivering from 900 to 1200 gallons per minute are installed all over the Burdekin Delta. Combined they deliver more water than is used in many an Australian city. Plans have also been drawn up for an attractive club house for the new grounds, and it is hoped to have this built before the end of this year."

The Australian Club's fixture at East Burwood on Show Day holiday (see full-page ad.) promises to be a first-class series. Altogether some 60 birds (in two major events) will be disposed of to each shooter. A 15 birder in the forenoon, plus a 45 birder after lunch. The club's four-track lay-out will be brought into full use if entries demand. Other forthcoming programmes are also advertised.

Coburg Club's Cup Day shoot on November 6 is advertised in this month. The two big events are the Coburg Stakes at 20 birds, the winner of which will receive £30, second £15 and third £5. This will be followed by the Coburg Grand Prix at 30 birds; the winner will receive a Grandfather clock, plus £100 in cash and sash. Second £50, third £25, 4th £20, 5th £17/10/- and 6th £12/10/-. Association handicaps will be used throughout. All enquiries regarding the shoot should be directed to C. J. Colledge, club secretary, at 12 Adler Grove, Merlynston.

Sydney Walk-up championship will be decided at Hargrave Gun Club grounds on October 13. Programme is advertised in this issue.

Tasmania's State Tower title is listed for decision at the Brighton grounds of the Hobart Gun Club on Saturday, September 29. A £60 handicap will follow. Full details of the programme is advertised. On Saturday, October 27, the Hobart Club will conduct a Vice-President's Day, with the main event, the club's single-barrel title. A £30 handicap will also be included. Details of October programme will appear in next edition of this publication.

St. George Club in Southern Queensland will stage a two-day shoot over the dates October 13 and 14. The Balonne Shire D.B. Championship is of importance, plus a £20 handicap on the opening day. Another £20 event, followed by a £100 handicap and the Balonne S.B. title, will make for an interesting series for the final day. All enquiries should be directed to J. E. McLennan, club secretary, at Box 68, St. George.

Shepparton Club officials (two trap lay-out in the Goulburn Valley of Victoria) are making every effort to ensure that the State Double-rise title on October 20 is a complete success. Much local interest has already been aroused in this series—the first State title at clay to be shot at Shepparton. Shooters intending to stay over the week-end should make early reservations to club secretary, M. J. Young, at 276 Maude Street, Shepparton.

Charters Towers club's oldest shooter, C. Archer Senr. (80 odd years old) was made the recipient of an unusual gift during the recent Queensland tower championship fixture. The veteran had previously been given a shanghai, and to complete his armoury he was presented with a beautifully made long-bow, horn and arrows. He was delighted and showed his skill. A miss brought the complaint that the "pattern was too close."

A new club has formed and has affiliated with the Association at Croydon (V.). The club is known as the Croydon & District Gun Club; president is J. L. Williams, of 16 Lemnos Street, Croydon, V.

AROUND THE CLUBS AND MEETINGS...

BATHURST (N.S.W.). — Results shoot July 28. The 1951 Club Single-barrel Championship, decided today under beautiful, calm, sunny conditions at 20 birds from 16 yds., attracted a field of 20. It was hard to realise that a foot of snow covered the tracks just seven days previously. The shooting was rather good for single-barrel conditions, three men having a score of 17/20, three 16/20 and four 15/20. Club secretary, Vic Howard, came out winner, 22/25, from Larry Healey, 21/25, and Lou Lupp, 20/25. Tie shoot figures were Healey, 10111; Lupp, 11100, Howard, 11111. Stan Bressington, Merv Burrows and Bill Byers had 16/20. The unlucky man of the field was Larry Healey, who had a bad start and then downed his last 13 releases straight. Lou Lupp was also unlucky to drop three after having his first 12 on the board. Youthful Merv Burrows seems to be coming back to form and could be well in the Double-barrel event shortly. A 3-bird S.B. rust remover, a 5-bird trophy event and one "off the box" from 23 yds. completed the day.

Results: No. 1, 3-bird S.B., 16 yds.: L. Healey, M. Burrows, S. Bressington, H. Jaques, W. Byers, A. Morris and Hec. Lupp. No. 2, Club 1951 S.B. Championship, 20 birds, 16 yds.: V. Howard, 22/25, 1st; L. Healey, 21/25, 2nd; L. Lupp, 20/25, 3rd. No. 3, 5-bird Trophy and Sweep: K. McEwen, L. Lupp, L. Barker, W. Byers, A. Morris and H. Lupp, 5/5; Trophy to K. McEwen, 10/10, from L. Barker, 9/10. No. 4, 3-bird D.B., 23 yds.: J. N. Brazier and A. Ovens, 3/3.

President Ken McEwen, a keen student of the sport, won his trophy

in fine style, and Lloyd Wilson, of Dubbo, may have made a rod for his own back. Ken and Lloyd have been noted "in conference" at recent Dubbo shoots.

BATHURST (N.S.W.).—The Club 1951 D.B. C'ship, decided at Mt. Panorama on Saturday, August 11th, under bleak and wintry conditions, was a triumph for foundation member Bill Byers, with a fine score of 19/20, all first barrels. He failed to cover his second release. Arthur Morris, who missed his second and seventh birds, was second, 18/20. Then came a team of 17/20's, ultimate winner of third place being J. N. Brazier, 27/30, from M. Burrows and C. Campbell, 26/30, and L. Healey, 21/25. Tie shoot figures were: Healey, 20212; Burrows, 11112, 10111; Campbell, 11111, 11110, and Brazier, 11111, 11112. Close up with 16/20 came Vic Howard, Bob Campbell and Hec Lupp. A very nice wristwatch and sash went to the winner, with club pennants for place getters. The programme was completed by a 3-bird Eye-opener, a 5-bird Trophy and Sweep, and two off the box 3 birders from 23 yds. Club Secretary Vic Howard and Treasurer Chas Campbell finally fought out the trophy event, the Sec. prevailing 11/11 from the Treas., 10/11. Off the box specialists Arthur Morris and H. Jaques split the first of these, the next going to Jim Ryan and Jack Brazier, two more "specialists".

Results, 11/8/51. No. 1, 3-bird D.B. 16 yds.: J. Ryan, V. Howard, L. Healey, H. Jaques, C. Campbell and H. Lupp, 3/3. No. 2, Club 1951 D.B. Championship, 20 birds, 16 yds.: W. Byers, 19/20, 1st; A. Morris, 18/20,

2nd; J. N. Brazier, 27/30, 3rd. No. 3, 5-bird Trophy and Sweep: W. Byers, J. Brazier, C. Campbell, V. Howard and R. Campbell, 5/5; Trophy, V. Howard, 11/11. No. 4, 3-bird 23 yds.: A. Morris and H. Jaques, 3/3. No. 5, 3-bird 23 yds.: J. Ryan and J. Brazier, 2/3.

18th August, 1951. A match which has created great interest among members of the two clubs concerned, the Rifle Club and the Gun Club, was finalised at Mt. Panorama today over 20 birds. This is reported in detail elsewhere. A 3-bird Eye-opener and four 5-bird Sweeps over the course of 20 filled the programme. No. 1, 3-bird D.B.: J. Brazier, C. Campbell, R. Campbell, W. Haynes, H. Jaques, S. Bressington, H. Lupp, W. Burrows, M. Burrows, K. McEwen, J. Barker, L. Healey and A. Morris, 3/3. No. 2, 5-bird D.B.: J. Brazier, C. Campbell, H. Jaques, H. Lupp, V. Howard, K. McEwen, J. Valentine and L. Healey, 5/5.

No. 3 (same): C. Campbell, J. Ryan, R. Campbell, L. Barker, L. Lupp, H. Lupp, V. Howard, W. Burrows, M. Burrows and L. Healey, 5/5.

L. Healey and A. Morris, 5/5. No. 5 (same): C. Campbell and H. Lupp, 5/5.

(Vic. Howard, Hon. Sec.)

GRIFFITH (N.S.W.).—Results shoot August 4. Event No. 1, 5-bird Double-barrel from Club Handicaps: This event was divided by the following shooters, and all killed the possible: Bob Bushby, Wally Gritten, Ian Evans and Graham Barber. Shooters with 4 kills were: Don Bell, John James, Eric Evans, Phil Stott, Watts McNamara, Lloyd Bowditch and Claude Carnell. Event No. 2, The Glen McWilliam Trophies of 20 Bird Double-barrel Club Handicap: With a brilliant display of kills with both barrels, one of the club's most consistent shooters won the main event outright: 1st Place and Trophy to Reg McNamara, with 19/20; 2nd Place and Trophy to Bob Bushby, with 25/28; 3rd Place and Trophy to Watts McNamara, with 24/28. Jack Bowsher, John James, Watts McNamara, Wally Gritten and Bob Bushby all had 18/20 at the end of the four 5-bird rounds: In the shoot-off for 2nd and 3rd places, Jack Bowsher,

John James and Wally Gritten were each one down over the next five birds. The next best scores were: Phil Stott, Ray Thompson and Des Coughlan, with 17/20. There were no scores of 15 and shooters with 15/20 were: Claude Carnell, Ian Evans, Don Bell, Mick Cudmore and Ted Patten. Event No. 3, 10-bird Double-barrel from Club Handicaps: This event was divided by Bob Bushby, Claude Carnell, Ian Evans and Ray Thompson, all with the possible 10/10. Next best scorers were: Jack Bowsher, John James, Reg McNamara and Wally Gritten. Shooters with a score of 8/10 were: Des Coughlan, Lloyd Bowditch, Phil Stott, Bill Gibbs and Ted Patten. Shooters with 7/10 were: Jim Theodore, Harold Anstee, Watts McNamara.

Results shoot held August 25: Event 1, 5-bird Double-barrel from Club Handicaps: div. Jack Taylor, Watts McNamara, Jack Coughlan, Wally Gritten and Don Muir. Event 2, The Griffith Ex-Servicemen's Club Trophy of 20 birds Double-barrel from Club Handicaps and the Reg McNamara Trophy for the shooter never having taken a first trophy. Ex-Servicemen's Club: 1st and Trophy to Bob Bushby with 32/35; 2nd and Trophy to Ray Thompson with 30/35; 3rd and Trophy to Don Dye with 23/25. Reg McNamara Trophy: This was taken by Ken Powell with 31/35, which had given him second place in the Ex-Servicemen's Club Trophy. As the conditions of the event were that no shooter could accept two trophies, Ken chose the trophy for the shooter never having taken a first trophy. Event 3, 5-bird Single-barrel from 16 yards: div. Harold Anstee, Reg McNamara, Bob Bushby, Eric Evans and Ray Thompson.

CAIRNS (Nth. Qld.).—The official opening shoot report. (Extract from Cairns "Post" forwarded by secretary, H. K. Mazlin, and Jack Page (Atherton), July 28 and 29). After months of hard preliminary work by members, the official opening of the Cairns Gun Club was conducted last week-end with a highly successful two-day shoot which augured well for the future of this young club. The club's beautiful scenic shooting site presented a hive of activity on Saturday afternoon and Sunday, when, in addition to a big attendance of Cairns members, visitors from Atherton and Ravenshoe were present in force. Good wishes for a successful opening were also received from other N.Q. clubs.

On Saturday night the club entertained a substantial number of other visitors, together with Cairns, Atherton and Ravenshoe shooters, to a steak party following the afternoon shoot. On Sunday the club had an even larger number of visitors to cater for, and more shooters arrived from Atherton. The catering, which proved most efficient, was in the hands of Mesdames Kelly, Gerrand, Barnes, Izatt, Mazlin, Gelling, Balzer and Crust.

During the official opening ceremony the president (Mr. Geo. Kelly) outlined the formation of the club, saying, "Some months ago some 'trigger happy' chaps got together and decided to form the Cairns Gun Club. For quite a time we were handicapped by our inability to find a suitable shooting site, until one of our members, Ralph Anderson, very generously gave us our site. A great amount of hard work has been done by voluntary working bees over the past few months and this has made it possible to-day to realise the fruition of our efforts in this highly successful two-day shoot marking the official opening of our club."

The president of the Atherton Gun Club (Mr. Jack Page) congratulated the Cairns club on an excellent opening. He stressed the keenness and enthusiasm evidenced by the Cairns shooters and the efficient work of the

committee, and congratulated the ladies on their excellent catering. Mr. Clarrie Mealing, from Ravenshoe, also extended his congratulations.

The big event on Sunday, the Secretary's Handicap, was won by George Kleinhans, of Atherton, with Jock Izatt, of the Cairns club, in second place and Doug Nasser, of Atherton club, third. Each shooter scored 13 birds out of 15, and the shoot-off resulted as above.

On Saturday afternoon the main event, the President's Handicap, saw Les Campbell (Ravenshoe) and Jack Page (Atherton) each score nine out of 10, with D. Delai (Atherton) and T. Merrin (Ravenshoe) next with eight out of 10.

Other results were: Saturday: 5-bird Down-the-line: D. Delai (Atherton), C. W. Mealing (Ravenshoe), G. Kelly (Cairns), F. Williams, each 5/5 div. Double-barrel Trophy, 10 birds, Down-the-line Points shooting: D. Delai (Atherton), G. Kleinhans (Atherton), L. Campbell (Ravenshoe), 27/30. Shoot-off: D. Delai, 9/9; G. Kleinhans, 8/9; L. Campbell, 3/6. Sunday: Opening event, 5 birds Centre Track: W. Balzer (Cairns), C. Mealing (Ravenshoe), J. M. Geraghty (Atherton), P. Mazzer (Atherton), 5/5 div. Treasurer's Double-barrel Trophy, 10 birds down-the-line, Points shooting: E. Kilpatrick (Atherton), 30/30, 1st; J. Izatt (Cairns), 28/30, 2nd; H. Nasser and G. Delai (Atherton), 24/30, tied for 3rd. Won by H. Nasser in shoot-off. Deauville Doubles, 3 pairs off 16 yds.: P. Pezzalato and P. Mazzer (Atherton), D. Nasser (Atherton) and C. H. Knott div. 3/3. Unfortunately, darkness prevented the shooting of the Double-rise Trophies.

TASMANIAN (Launceston, Tas.) — The State Double-rise Championship was the main attraction at the July shoot, and this event attracted a field of 20 shooters. With only one squad to shoot, there were six shooters with 8/12 pairs and every likelihood of an interesting shoot-off for the title. However, Dick Redpath rose to the occasion and shot his last three pairs to finish with 9/12, an outright winner. P. Marshall finished second and W. Rainbird third.

Results: 5-bird Single-barrel: div. A. Poxon, D. Downward, 5/5; 17 others. Tas. Double-rise Championship: R. Redpath (Hobart), 9/12, 1st; P. Marshall (Hobart), 11/15, 2nd; W. Rainbird (Tas. Gun Club), 10/15, 3rd; A. Poxon, C. J. Lowe, E. Sharman, 9/15; 14 others. Patron's Trophy, 10 birds, Double-barrel: This event provided a good shoot-off, going to the 25th round. At the end of the tenth round there were four possibles, namely, A. Poxon, R. Powell, P. Marshall and T. Cannon. Shooting on the "Miss-out" system, A. Poxon finished with 10/11; T. Cannon, 14/15; R. Powell, 24/25, and P. Marshall, 25/25. Result: P. Marshall, 25/25, 1st; R. Powell, 24/25, 2nd; others: T. Cannon, 14/15; A. Poxon, 10/11, and C. Reynolds, W. Reynolds, T. Kerr, W. Rainbird, W. KELLY'S CREEK (Qld.).—The club conducted one of its most successful shoots so far on Saturday, 28th July, when 23 shooters faced the trap at Kelly's Creek. There was a most pleasing attendance of spectators and visiting shooters, especially from the Darr River Club. Conditions were ideal with good light, and a very slight head-wind. Cam McClymont, a visitor from Darr River, is to be congratulated on an excellent performance; he set a record for the grounds with 40 successive kills and an aggregate for the afternoon of 40/41. D. A. Parry-Okeden also shot well to kill 27/28. Our thanks are due to the ladies of the club who provided an excellent afternoon tea.

The series attracted no less than 62 competitors. Three tied with possibles. The shoot-off was most exciting. The ultimate winner was the Coburg President, Lance Small, with 27/27; S. Snipe, 26/27 (2) and Cliff Bound, 22/23 (3). Eight trophies were allotted for the event, and the remainder went to A. C. Tie, Vern Dudley (missed first bird), C. Mudford, J. Johnstone and J. To the Australian Club's Ladies' Night at Wattle Park Chalet. It was a grand night. Mr. and Mrs. Bienvenu welcomed the 140 guests. The hall was nicely decorated and the floor ideal for dancing. The orchestra—well, I have not heard better. The supper was daintily served, and vocal items were rendered by Herbert Browne, late of J. C. Williamson Opera Coy. Visitors included Mr. and Mrs. Lance Small, Pres. Coburg Club; Mr. and Mrs. D. Watson, Pres. Camberwell Club; Bill Cattling

("Dinky"), from Hay Club, and Allan Brinsmead, Sec. of Morwell. Highlight of the evening was the presentation to that efficient and hard-working ex-Hon. Sec., Mr. Aub Johnson. Aub received a set of binoculars and Mrs. Johnson a box of flowers.

The President spoke in glowing terms of the splendid service rendered to this club over a number of years and thanked him for the help that he had received during his two years as President. In reply, Mr. Johnson thanked the President and members on behalf of his wife and self, and stated that owing to pressure of business and the fact that his health was not good, he was reluctantly compelled to forward his resignation, but he intended to maintain interest in the sport and, as a committeeman, do all in his power to help the club. Ah! That sounds good, broke in Ted, so we are not losing Jonny after all. That resignation rather upset me. Too good a man to lose; piloted the Blackburn Club through thick and thin. I remember back in '36, when money was hard to get, our attendance was often down to twelve, but Jonny was always there greeting each member with his usual smile. Only those closely associated know the amount of work and time that he has voluntarily given to make his club shoots a success.

If we presented him with Vic Fankhauser's orchid, "valuable as it may be," in monetary terms, he would not be half-paid. However, I am very pleased to hear that he has taken a seat on the Executive, where he will not have so much to do and still be able to carry on the good work.

(Kim) J. Sans, ex-President of the old Blackburn Club and another great benefactor to the sport of clay birding, staged a popular comeback at the shoot held on August 25. In the opening event at 3 birds double-rise Kim grassed his six clays in great style, becoming the outright winner in a field of 45. Double-rise seems to be Kim's weakness. I saw him win one championship, and in his company while field shooting have often witnessed a similar feat on quail.

COBRAM (V.).—Two Murray Valley Championships were decided at the Cobram Club's grounds on Saturday, August 4. Indifferent weather prevailed; despite this, the attendance was good, nearly 50 shooters being in attendance. Harry Watts, who was booked to supervise as referee, was indisposed. Gary Daly, President of the Deniliquin Club, carried out the duty of presenting the trophies won at the fixture. L. Feldtman, of Cobram, took over the job of referee and handled the shoot in first-class style. Results were: Murray Valley Single-barrel Championship: L. Baker (Finley) (1), J. Bryant Senr. (2), L. Hanel (Albury) (3); attached sweepstake: div. J. Bryant, G. Walker (Wangaratta), J. McMasters, W. R. Johns, L. Hanel, A. Roberts and L. Baker; Murray Valley Double-barrel Championship: L. Hanel (Albury) (1), G. Daly (Deniliquin) (2) and J. Bryant (3), who also divided the sweepstake.

GANMAIN (N.S.W.).—The Ganmain Gun Club Jubilee shoot held on Saturday, 28th July, 1951, attracted no less than 50 shooters; there was a splendid turn-up. Visitors attended from Young, Wagga, Coolamon, The Rock, Tumut, Cootamundra, Narrandera, Griffith, Barrellan, Gidginbung and Mangoplah.

The main event of the day was won by Jack Winnell, of Ganmain, with a score 24/25 after a shoot-off with J. McDouall, of Wagga, with a score 23/25. Third place went to George Bell (Young) after a shoot-off with a score 24/26. Twelve yarder Trophy went to Mat. Downing (Tumut) after a shoot-off with six other shooters, with a score 27/30.

HOBART (Tas.).—With 19 "kills" out of 20, E. Nelson, of Collinsvale, won the Hobart Gun Club's double-barrel championship at Brighton on June 30. After the first 10 rounds, R. Redpath led the field with the possible, followed by E. Nelson, R. Rainbird and P. Marshall, who scored 9/10. In the next two brackets of "five", Nelson scored 10/10 to win the title. In a shoot-off between Redpath, Marshall and Rainbird for the minor placings, Rainbird's marksmanship deteriorated; the other two competitors did not shoot on, as the second and third trophies were identical. With scores of 9/9, E. Nelson and A. J. Lowe divided the R. Broomhead Trophy, in the second event of the day, which was set down as a 5-bird Double-barrel contest. In a small field, J. M. Bennett, with the possible, won outright the 5-bird Double-barrel event for novices and 12 yarders. The final event of six pairs Double-rise for the A. Ransley

Trophy was won by P. Marshall after a shoot-off with his brother, S. Marshall.

Shocking conditions prevailed for the Hobart Gun Club's Double-rise Championship, which was decided at Brighton on July 28th. The unfavourable weather was largely responsible for the very poor attendance at the meeting, when only about 16 shooters were present. The pleasing element of the shoot was the success of the Macquarie Plains marksman, W. McMaster, who met with his first major success when he annexed the championship honours with a score of 6/9. McMaster's win met with great popularity, and his figures in the feature event are not a true indication of his good performance—however, except for the minor place-getters, he far out-shone the rest of the field, all of whom failed to register anything that looked like a semblance of a score. It is hoped that McMaster's win will give him encouragement and confidence that will lead to further success in the future. L. Fisher, of Hobart, gained second honours when he stopped "five pairs" and his shooting was reminiscent of his performance when he won a Double-rise Championship under similar conditions in Launceston a couple of years ago. Third placing went to T. Cannon—his final figures reading 5/12. The £25 Handicap (D.B.) of 20 birds was won in brilliant style by Cannon after a shoot-off with S. Marshall, when the shoot had gone to the 27th round, the scores being 27/27 and 26/27 respectively.

Details: Double-rise Championship: W. McMaster, 6/9, 1st; L. Fisher, 5/9, 2nd; T. Cannon, 5/12, 3rd. Novice Shoot: won outright by J. M. Bennett. Double-rise Sweepstake: H. M. Eddington, 2/3, 1st; P. Marshall, L. Fisher, W. McMaster, 1/3. £25 Double-barrel Handicap: T. Cannon, 27/27, 1st; S. Marshall, 26/27, 2nd; K. Pulford, C. J. Lowe, 18/20 (div.); P. Marshall, W. Reynolds, E. G. ALEXANDRA (V.).—Despite adverse weather conditions and a strong counter attraction (football final), over 20 shooters were present at the August shoot on August 11th. A cold gusty headwind and occasional showers were all in favour of the birds, but some good scores were recorded. Shooters were very pleased to see Vice-President George Courtney back to top form after a very lean period. He only lost two birds for the day, and as 15 birds were under single-barrel conditions, his performance under the conditions was very good. New shooter Bill Gleeson, at his first attempt at trap shooting, surprised even himself by winning the 12 yds. trophy in the main event, 8/10. Let us see more of you, Bill; you have a future in this sport.

Results: Event 1, 5 birds D.B.: div. T. Cherry, L. Roberts, G. Courtney, 5/5. Event 2, 5 birds S.B.: won outright by G. Courtney, 5/5. Event 3, Trophy event, 10 birds S.B.: Trophy and Sweep to Gordon Cumming, 15 yds., 10/10; Front-markers Trophy to W. Gleeson, 8/10. Special novice prizes donated by L. Cumming were won by R. Nolan, 1st, 6/10; D. Creighton, 2nd, 5/11. Event 4, 5 birds D.B., 7 possibles scored: div. after shoot-off by L. Cumming, Leo Doyle and C. Cumming, 9/9. Event 5, Miss-out, Silent Rise, gun off shoulder: C. Cumming, 7/8, from Luke Doyle, 6/8. Trophy donated by G. Cumming for High Gun was won by G. Courtney, 24/26.

SOUTH COAST (Q.).—Our exhibition shoot took place on Saturday, 11/8/51 and was largely attended. A strong westerly wind made shooting a little difficult at times. Results were as follows: 5-bird Eye-opener Sweepstake: div. D. Sturgess, 5/5; D. Bartley, 5/5; F. H. Thompson, 5/5. 5-bird Points Shoot: F. H. Thompson and S. M. Martin div. 5/5. Beginners' Trophy, D.B., 5-bird competition: R. Purvis, 5/5; A. Walker, 5/5; B. Mackey, 5/5; D. Smith, 5/5, div. Double-rise 3-pair Competition: C. B. Hope and O. Smith, div. 2/3. President's Trophy, 10-bird Single-barrel: N. Gorrie, 10/10; C. Whitney, 9/10, runner-up.

It was very pleasing to have such a large number of country members shooting clays with us on this occasion. The newly formed club at Casino was represented by their secretary, W. Richardson, who shot very well, but was a little unlucky. The Brisbane Valley boys, George Rawlins (Toogoolawah), W. J. Somerville (Toogoolawah), Jack Sturgess, Ken Lowry and Ted Ivory, of Esk, looked like they would wipe the floor with us when they commenced operations. Ted was the first to feel the pressure, but considering he was milking cows at Esk at 4 a.m. on the morning of the shoot, and having a few thirsty friends with him on the way down, we look on his performance as outstanding. E. Deutcher, from Beaudesert, was a welcome visitor, and from information received, it looks like the South Coast Club will be paying an early visit to Beaudesert to witness the opening of a new club at that centre. We will be happy to assist the Beaudesert boys.

To all the visitors for our Exhibition shoot the South Coast Club says thank you for your attendance, and we will be glad to welcome you all back again. Norm Gorrie put up a marvellous performance to shoot 10 in a row for the President's Cup.

Norm was last man in and visibility was only 80 yards when he pulled on his last bird. A mighty effort, Norm, and every member of the club and visitor agrees with me.

Thanks once again, Mr. Editor, the lads look forward to the "News" and speaking for this particular club, it's just "rearing to go."

(A. G. Sturgess, Hon. Sec.)

DUBBO (N.S.W.).—During the two-day shoot last May, the Central N.S.W. Double-rise Championship was held under the supervision of Newton Thomas, who not only did the job in an excellent manner, but also carried off the honours. His win was a very popular one, his score being 10/12, with Ken Sullivan, 9/12, 2nd; J. Thomas, 7/12, 3rd. Trophy events were won by D. Wright, K. Sullivan, L. Wilson, D. Duncan, J. Bayley, Newton Thomas, T. Wright, L. Rumble, C. Mason. Various sweeps were held, most of them resulting in a division. The £100 Handicap was divided between G. Nash, J. Spratt, D. Bacci and L. Morris, while the Calcutta was divided by Peter Owens, K. Naylor and L. Wilson. There was a very good attendance of shooters over the two days, and the Dubbo Club feels sure that everyone enjoyed themselves.

Results of the Dubbo Club's 1951 Championship series, which have just been completed, are as follows: Double-barrel: R. Back, 25/25, 1st; L. Wilson, 20/21, 2nd; J. Bayley, 19/20, 3rd. Double-Rise: J. Bayley, 13/14, 1st; J. Lindsay, 9/15, 2nd; G. Nash, 7/15, 3rd. Mixed Birds: L. Wilson, 32/36, 1st; R. Back, 31/36, 2nd; J. Lindsay, 24/30, 3rd. Single-barrel: J. Lindsay, 27/30, 1st; J. Bayley, 26/30, 2nd; L. Morris, 25/30, 3rd; Walk-up: L. Rumble, 27/30, 1st; K. Naylor, 17/20, 2nd; L. Morris, 16/20, 3rd. Deauville Doubles: L. Morris and J. Lindsay, 13/14, 1st; J. Bayley and J. Gittoes, 16/18, 2nd; J. Baxter and L. Rumble, 15/18, 3rd.

PERTH (W.A.).—On Sunday, 19th August, under perfect weather conditions, a big crowd saw the State Double-Rise Championship decided on Perth Gun Club grounds. We were all particularly pleased to see Katanning members present, but could not help a feeling of disappointment when President Roy Skinner telegraphed Geraldton shooters' inability to attend. A total of 27 shooters faced the "trap" in the first Double-Rise Championship held in W.A. Generally it was admitted that shooting was not up to standard, but a steady and consistent effort by F. Bailey gave him an outright win with 7/12 pairs from C. Ferguson and S. Colliver, 6/12 pairs each. In the shoot-off, C. Ferguson gained the honours for 2nd, with S. Colliver, 3rd. With the Championship Sash went attractive crystal trophies to all three placings. The best unplaced visitor trophy went to F. Godfrey, of Katanning. The Maiden Event (eligible to members not having previously won a Trophy) of 5 birds S.B. attracted 15 shooters, and resulted in Miss Diana Williamson and T. Blakely grassing 5/5 birds each. T. Blakely won the shoot-off and Trophy for the event, making Diana the outright winner of the 12 yarder Trophy donated by F. Bailey. The third big shoot was a 20-bird Handicap Round of Skeet, and some good scores resulted. As a comparatively new member, Merv Taylor's outright win of 22, including Handicap, was a

popular one. Runner-up was S. Colliver with 21, with High Gun score going to C. Ferguson with 17.

Special praise goes to our ladies, who once again catered so thoroughly for our luncheon and afternoon tea requirements.

(H. C. Colliver, Publicity Officer.)

NARRANDERA (N.S.W.).—The Narrandera Gun Club held a championship shoot on Saturday, August 18, at which shooters were present from Sydney, Temora, Barellan, Griffith, Leeton, Mangoplah, Albury, Wangaratta and Narrandera. In all, 37 shooters took part in the six events. The club recently installed a second automatic trap, and this was in operation for the first time on Saturday. Both traps worked well and some good scores were registered. The main event, the Central Riverina Double-barrel Championship, of 20 birds from 16 yards, was won by Newton Thomas, of Sydney, with 25/25. He shot 51 straight.

Owing to the absence of the President (Mr. T. Whillans), Mr. C. McConville acted on his behalf and presented the trophies to the winning shooters. The "high gun" of the day was div. Rob Bushby, of Narrandera, with L. Hanel (Albury), each 58/60. Keith Roach, who continued his break of 37 straight from the last shoot, was unlucky to miss his 50th bird. The committee acknowledges donations of £10 each from Messrs. Jim Theodore and Reg McNamara, both of Griffith, for the purchase of trophies to be shot for at a later date.

The results were: No. 1 Event, 5 birds D.B.: div. R. McNamara (Griffith), 5/5; M. Webb (Leeton), W. Gibbs (Griffith), A. Alberts (Barellan), J. McDonall (Mangoplah), J. McMaster (Wangaratta), P. STONEHENGE (N.S.W.).—Stonehenge held monthly shoot on 18/8/51. There was a very big roll-up and conditions were perfect. No. 1 competition was won by Luke Hughes, 5/5, after a shoot-off with W. Fisher, 5/5, and A. H. Johnston, of Miranda, 5/5. No. 2: The main attraction of the day was a Club Trophy presented by Mick Smith's Sports Store. The donor of the Cup also presented a beautiful cut-glass whisky set for this year's winner. The cup must be won three times to own it permanently, and each year's winner's name will be engraved. A separate trophy will be given each year to the winner. The results of the Cup were: W. Fisher, 18/20; Jack Finlayson, 18/20, which went to W. Fisher after a shoot-off. Jack Finlayson put up a fine display for a new shooter. Jack Thomas, with 17/20; Jack Leighton, 17/20; D. Mulham, of Coffs Harbour, 17/20; G. Henderson, 17/20, and R. Sonter, 17/20, shot off for third place.

The last competition (pair of dressed ducks) for 16 yds. and over, and a pair for shooters 12 to 15 yds.: Ted Ginty, 5/5, was the lucky shooter

over 16 yds., and Mick Smith, 5/5; Abe Everingham, 5/5, and D. Mulham, 5/5, shooting in the dark. When Mulham missed out, Mick Smith and Abe Everingham each went home with a fine Sunday's dinner (40 shooters).

NYMAGEE (N.S.W.). — Held Opening Jubilee Shoot at Nymagee on Saturday, 28th July, 1951, and we are pleased to report an overwhelming success. Shooters from Dubbo, Narromine, Peak Hill and Cobar were in attendance. All appeared to have a most enjoyable day. Over fifty vehicles, including the Flying Doctor's plane, decorated our car park. Perhaps the following words, spoken by a prominent Dubbo shooter, would portray the visitors' feelings: Quote: "I'm like General McArthur — I WILL RETURN."

The main event of the day, a 15-bird Double-barrel Handicap, £50 prize, was won outright by the invincible L. Wilson, 15/15, with A. Cutmore, D. Osbourne, R. Back and J. Grey sharing 2nd place honours with 13/15.

GERALDTON (W.A.). — Members
of the Perth, Katanning and Geraldton
clubs gathered at the Geraldton
grounds at Utakarra for the club's
recent two-day open shoot and championship
meeting. An average number
of 40 shooters competed in each
event. The social function at Shepheard's
Hotel, Geraldton, was a huge
success after shooting was completed.
Excellent afternoon teas were
provided by the ladies of the Geraldton
Ladies' Committee. Results were:

Saturday, 28/7/1951. — Event 1,
3 bird D.B., D.T.L. Barrel Warmer,
18 yds.: Only three shooters registered
a possible 3/3, viz. E. Metcalf,
T. Blakely and S. Gratte (GGC).
Event 2, State Walk-up, 20 birds:
1st, R. B. Gratte, 14/20; 2nd, C. Ferguson,
13/20; 3rd, N. Mellows, 13/20.
Gratte shot like the "old timer" that
he is and deserves full marks. In
shooting off for second place, Col.
Ferguson had a margin of 2 "kills"
over a relative young shot in N.
Mellows. Event 3, 5-bird S.B., D.T.L.
Handicap Sweepstake: 1st, E. Metcalf,
16 yds., 5 plus, 11/15; 2nd,
H. W. Teakle, 13 yds., 5 plus, 10/15;
3rd, W. Mellows, 14 yds., 5 plus, 2/5.
Metcalf and Teakle completed the
shoot-off in the dark.

Sunday, 29/7/1951. — Event 1,
5-bird D.B., D.T.L. Handicap Sweep-
stake, 10 of 40 shooters registered
"possibles." After the first 5-bird
shoot-off there remained J. Williamson,
J. Marris, L. Jones, W. Mellows
and N. Glass still with possibles;

however, Marris and Glass dropped
their sixth, and so to save time,
"stakes were divided." Event 2,
State Deauville Doubles, 20 pairs:
1st, C. Ferguson - F. Bailey, 16/20;
2nd, R. Skinner - E. Pettit, 13/20
plus 5/5; 3rd, N. Mellows - W. Hewitt,
13/20 plus 7/10. In addition, J. Conlan -
R. Alexander and N. Glass -
W. Mellows shared 13/20, but were
eliminated in the shoot-off. Event 3,
10-bird D.B., D.T.L. Handicap Sweep-
stake: 1st, N. Glass, 15 yds., 10/10
plus 5/5; 2nd, J. Williamson, 16 yds.,
10/10 plus 4/5; 3rd (not determined).
Six shooters with 9/10 shared third
placing. Time did not permit a
shoot-off; as it was, Williamson and
Glass were shooting in the dark from
memory, firing single barrel first
miss-out.

Presentation of trophies commenced
after sun-down.

(N. J. Glass, Hon. Sec.)

ever, the quality of the shooting made up for the lack of quantity.

At 2 p.m. the shooters lined up for the shoot and the birds, flung from a tower 40 feet above the shooters' heads, flew swiftly, driven by a strong tail wind. Thus a shooter had to be truly on his toes to bring about a "kill." Topping the scores were S. Ball, with 18 kills out of a possible 20, and Gidyea Archer, equaling with 18 kills. In the shoot-off, S. Ball became the winner of the 1951 Queensland Tower Championship, with five kills out of five, whereas Gidyea Archer dropped one to score four out of five. A close third was W. Adcock, of the Burdekin Gun Club, with 17 kills. Other good scores were registered by J. Smith, 16; J. Longworth and P. McDonald, 15, and Roy Knuth and F. Blackman, 14. S. Ball, in accepting the sash and trophy, paid tribute to the fine competition provided by other shooters, particularly Gidyea Archer and W. Adcock.
