The Editor's Notebook

Her Majesty The Queen has graciously advised The Governor-General of Australia, Sir William Slim, that she has consented to become Patron-in-Chief of the 1956 Olympic Games, to be held in Melbourne.

During her recent visit to Australia The Queen displayed considerable interest in the preparations for the Games. It seems highly probable that The Duke of Edinburgh will re-visit Australia for the Games. In fact, it is understood that there is some possibility of him performing the official opening ceremony.

An interesting comment was received from England recently when it was advised that The Queen and The Duke of Edinburgh spent the last week-end in June at the country home of Lord and Lady Rupert Neville. Lord Rupert Neville, it will be remembered, recently accepted the Presidential chair of the English Clay Pigeon Shooting Association. The Queen and the Neville family are all about the same age, and The Queen is godmother to one of the Neville children.

Congratulations are extended to our New Zealand kinsmen on their brilliant success in the 1954 International series, between England, Ireland, Scotland, Wales, New Zealand and Australia. New Zealand won the series, defeating Australia by four points. The scores being: New Zealand, 1725; Australia, 1721; England, 1676; Scotland, 1657; Wales, 1597; Ireland, 1595. It is understood that the New Zealand high-gun produced a run of 100 straight, and second high-gun was 99. The actual scores of the New Zealand Team are not yet to hand, but their high-gun was certainly a splendid effort and one which equals the performance of Newton Thomas for Australia a couple of years ago. Newton Thomas was the first shooter ever to register

a sequence of 100 straight in the International.

Australia can be considered to be somewhat unlucky in the International series. In the past two years an aggregate of only 9 points has stood between Australia and success for the two years. In 1953 England won, when points scoring was in vogue, defeating Australia by 5 points. Now in 1954 an almost similar happening has taken place, with honours going to New Zealand by 4 points.

The England score was down on usual performance. But we have learnt from London that the English teams struck appalling weather on International Day. The report states that "International Day weather was unkind, very much so, but on the Saturday, the next day, a storm lasted all day. In the British Open event the best score was a 91."

Full text of all scores will be published when received. The Australian Team scores were published last month.

A tendency has arisen in recent months for club secretaries to make money orders and other remittances payable to the Association or the secretary, at Post Offices other than "G.P.O., Melbourne." Club officials and all who remit to the Association should ensure all remittances (other than cheques) are payable only at MELBOURNE G.P.O. When a money order or such like is payable at other than G.P.O., Melbourne, it means

that a journey has to be made to some suburban Post Office to collect; this results in much avoidable waste of time.

The annual Interstate contest for the "Great Britain and Ireland" Trophy, the seal of State supremacy in teams' competition, is gradually developing for 1954 and dates have, in most States, already been approved. The Queensland section will be shot at Roma (Queensland is holder of the Trophy) on September 18. New South Wales has selected the Hay Club grounds for that State's contest, which will be staged on Saturday, September 25. The Victorian section is listed for shooting at Coburg Club grounds on Sep-

tember 11. Tasmania was recently granted permission by the State Attorney-General to shoot on Sunday and the Hobart Club (which will stage the shoot) will now conduct the Commonwealth D.B. title on Saturday, September 25, followed by the Interstate Match on the following day, September, 26. South Australia shoots at Mt. Barker on September 25. Western Australian date will shortly be available.

The "Great Britain and Ireland Trophy" is a handsome Presentation Cup, of a type seldom seen in Australia. The Trophy was presented by the shooters of Great Britain and Ireland in appreciation of the good fellowship which exists between the Home Countries and Australia.

AMERICAN STANDARDISED SHOTGUN STOCKS

Sir,

I read, along with many other shooters no doubt, with interest, the article "Repeaters and Self Loaders" by G. W. Spearing, which appeared in the July issue of the Clay Pigeon journal, in particular the part dealing with American Standard shotgun stocks. The fact that leading American slide-action repeater gun makers such as Remington, Winchester and Ithaca, etc., each have their own dimensions for standard stocks indicates permissible variations. However it would seem even the most versatile standard stock is a contentious subject. This would make Mr. Spearing's advice for a custom-built stock sound, if price is forgotten. However, Mr. Spearing's claim of the suitability of the English style of stock over the American Standard ones could be misleading to the disinterested and almost unfamiliar enthusiast. As well as the American Standard stocked guns, most different makes, English or foreign, offer little variety on their individual models when sold across the counter. Often weapons costing hundreds of pounds are offered and sold which do not give alternatives in stock design such as straight-topped comb or ordinary, a check-piece or otherwise, a full pistol grip or a straight, etc.

It seems unfortunate that Mr. Spearing mentions the Model 12 standard Winchester as an example for replacing the stock with one that will be more suitable for the user. It is certain most shotgun shooters lack something or much in their stocks, but the Winchester Model 12 standard stock, with its all-purpose pistol grip, overall wide comb, etc., fits or can easily be made to fit more individuals than any other mentionable gun stock found in the retailer's hands in Australia. Mr. Spearing says often the slide-action repeater stocks are rather bulky in shape. This would apply to the Model 12

standard stock, but here again it will so often fit the thin-faced man excellently, while any decent gunsmith can easily narrow down its over-all broadness to obtain something near a fit for the wide-shouldered, short, thick-necked individual. It is also true that the makers of this American gun with its standard stock give cast at extra cost when desired. The drop of the stock can be altered from Standard $\frac{1}{2}$ in. down or $\frac{1}{4}$ in. up. In conclusion, I would like to quote from a notable and open-minded American shotgun authority and shooter: "I believe the standard American shotgun stock will come nearer fitting the greater percentage of shooters than any other stock design in the world."

To the "Clay Busters" of Victoria.

Kindly accept this appeal in the spirit it is made. Now on the 11th September next, at the Coburg Gun Club ground (3 traps), the Victorian Interstate team will shoot for the very fine Trophy for the Champion State team of Australia. The team will select themselves by shooting a 30-bird Elimination event, the ten best scores to form the team.

Now it is up to all you Victorian "Mud Busters" to attend that day because we need our very best team to take this coveted Trophy and Honour. Besides, Coburg will provide some very attractive Trophies for the place-getters in the Elimination event. The team I would like to see representing Victoria are: Fred Burns, G. Biggs, J. Bryant Jnr., G. Cookson, A. Hamilton, F. C. Johnson, Kev Mark, A. Quinton, A. C. Tie and H. Smith, with C. Mudford emergency. Others who will push these shooters for a place in the final ten in the Elimination event are: A. H. Brenk, Dick, L. Bourbaud, R. Glover, F. Skate, L. Baker, C. Budge, G. Crosse, F. Dobson, W. Finnegan,

My apology to any shooter I have overlooked and left off my list.

"Dig a big hole in the garden of your thoughts. Into it put all your disillusion, disappointments, regrets, worries, troubles, doubts, and fears—and forget. Cover well with the earth of fruitfulness. Water it from the well of content. Sow on top the seeds of hope, courage, strength, patience and love. Then, when the time of gathering comes, may your harvest be a rich and fruitful one."

Many will recall the interesting sporting sidelights which Grantland Rice, the noted U.S.A. sports commentator, brought into his sports discussions in newsreel shorts. Rice answered the final call last month in U.S.A.—he will be missed by sportsmen throughout the world. Rice always had one basic paragraph

Strong drink flowed like water in the old days in a certain Portuguese State, and they had their own definition of intoxication. In a village there one day a man lay prostrate in the middle of the main road in the hot noonday sun.

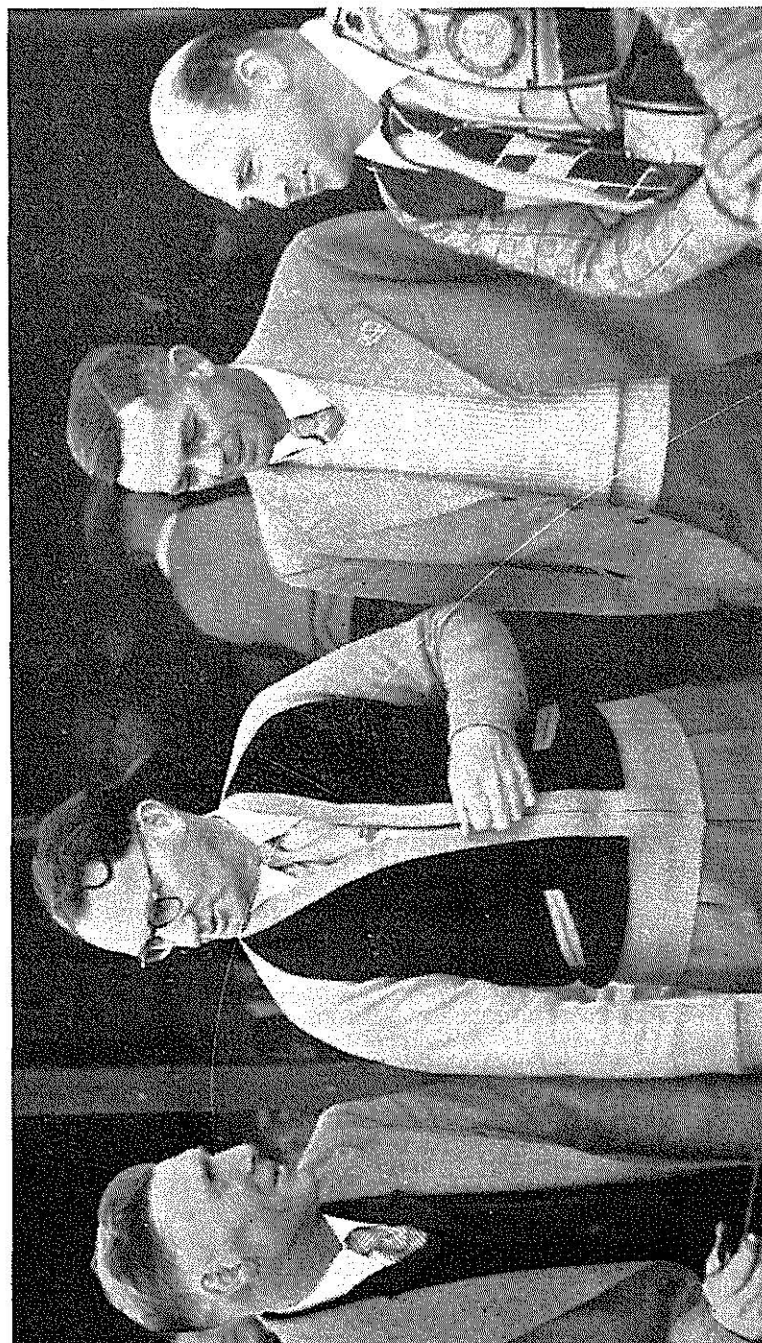

"He's drunk," said the chief of police. "I'll throw him into gaol."

"He's not drunk at all," disputed a fellow townsman, "I've just seen his fingers move."

"Does the baby talk yet?" asked a friend of the family.

"No," replied the little brother disgustedly, "he doesn't need to talk. All he has to do is to yell, and he gets everything in the house worth having."

Well-known shooters at a recent fixture conducted by the Colac Gun Club (V.). (L. to R.): Luke Doyle (Alexandra), D. Constanthine (Secretary Colac Club), Colin Fletcher, formerly of Roma, Q., now residing in Victoria, and E. G. Biggs (Burwood).

The usual monthly shoot, which is held on second Saturday of each month, we were pleased to see shooters come from both Parkes and Wellington Clubs. Everybody had a good day, despite weather, which was very dull and cold, with a strong and gusty N.E. wind blowing, which made shooting very difficult. We must congratulate J. Corcoran of Parkes on good shooting after only a week out of hospital. Also W. A. Strahorn on taking the Cock of the Walk from F. O'Halloran, who was the holder. But look out next month, Bill.

DONALD (V.), 10/7/54.—Weather conditions: calm and frosty. Results: No. 1, Wimmera Night Deauville Doubles: 1st, W. Dunn and C. Friebe, 20/20 prs.; 2nd, W. Mark and J. Clark, 24/25 prs.; 3rd, J. Strauss and J. Wishart, 23/25 prs. 5/- Op. Sweep: cut 60-30-10.

A bigger crowd (84 shooters) than was expected turned up to what was a successful shoot. Shooters came from Mildura, Donald, St. Arnaud, Rainbow, Stawell, Warracknabeal, Kerang, Birchip, Rupanyup, Berriwillock, Melbourne, Laen, Nhill. W. Dunn and C. Friebe of Rainbow shot particularly well to shoot the possible and deserved their win. Supper was served again, and our thanks go to Mrs. Leeder and Mrs. Matheson for their help. The conditions were ideal for shooting.

(R. S. Reseigh, Hon. Sec.)

ALEXANDRA (V.), 10/7/54.—A very cold day with heavy fog for most of the afternoon. Visitors present from Yea and Eildon and shooting was quite good considering the bad conditions. Attendance was the smallest since the Club has been functioning, only 13 shooters that could be seen, but maybe there were others about that could not be seen because of the poor visibility. Gene Moffatt, American shooter from Eildon, was in really good form and finished the day with 29/30. He shot 28 first barrels and only missed his last bird of the day. Gene works night shift on the Eildon project, and we all think this helped him to overcome the murky conditions! Club thanks to the ladies as usual.

Results: Event 1, 5 birds D.B.: div. Barry Doyle, Lin Cumming, G. Cumming, E. W. Moffatt, 5/5. Event 2, 10 birds D.B. Trophies and Sweep: 1st Trophy, E. W. Moffatt, 10/10; 12/14 yd., E. Parry-Okeden, 14/15, 2nd; 3 others, 9, 3rd. No. 8, 5-bird D.B. Points: C. C. McClymont, 21/21, 1st; H. M. Owens, 20/21, 2nd; J. Crombie, 15/18, 3rd. No. 9, Triple Rise: J. G. Walker and J. Crombie, 2/4, 1st; E. R. Peters and K. Peters, G. R. Poole and J. McMillan, 1/4, 2nd. No. 10, Teams Shoot for Bangall Shield: Bangall, 45, 1st; Darr River, 44, 2nd; Muttaborra, 38, 3rd.

The Club's second Annual Shoot. Rain round Longreach kept a dozen visitors away, but in spite of this we were able to muster four teams to shoot for the new Shield. J. G. Walker won the S.B. Trophy and J. Crombie the Patron's Trophy, while A. Hathaway surprised by taking the Novice. The Triple Rise is an innovation in the district and is going to be a popular one. The weather (overcast, windy and cold) was an innovation, too, and they say it's just like Bankstown! (Could that be right?)

Very nice afternoon, not many
shooters, perhaps fortunately for us,
as our trap broke down on two occa-
sions, and praise must be given to
Jack Barker and Jim Dorney, who
on the first occasion took it to a
colliery five miles away and welded
it, and shoot continued. Women shot
well—special trophy shoot, 20 birds

being necessary to finally decide
winner.

In view of the conditions prevail-
ing, it was a great wonder that even
eight shooters attended and com-
peted, and this just goes to show
that if one is interested enough, a
drop of rain does not dampen en-
thusiasm, and it is a great pity
others do not show their apprecia-

so come on, members, what about it?
Fair shooting. N. Mitchell only
dropped 6 birds, J. Barker 5 and A.

RAINBOW (V.).—Rainbow Gun Club's mid-week shoot attracted 45 shooters on Wednesday, 7th July. "Roby" Manuel and his daughter Pixie came 100 miles—Charlie England from Bordertown, S.A., was there, and other supporters of Rainbow from Kaniva, Warrnambool, Jeparit, Donald, Lascelles, Berriwillock, Swan Hill and Brim. In the "Ultra" shoot 10 scored the possible 15/15 and a spectacular shoot-off followed, "Artie" Hinneberg shooting 37/37—the last 9 or 10 from 23 yds., to win brilliantly from E. Drendel (Rainbow), 36/37. The next event was for a V.R. Browning Auto Gun, 10 birds D.B. Handicap. Twenty shooters shot 10 straight, and the shoot-off for the Gun was continued under the lights. Young Worroll Dunn of Rainbow proved too good for the others by breaking 28/28 in first-class style; although he used his second barrel fairly often, his "left barrels" had the spectators on their toes. C. Tickner from Rupanyp was a little unlucky—in that he forgot his safety catch and came second to Dunn with 27/28.

One of Rainbow's keenest and most popular shooters, Reg Golder, of Brim, gained a well-earned win in a Handicap event and won himself a portable radio, with a neat 20 straight. Expect this shooter to "go places" from now on. C. England (Bordertown), who was standing a few yards further back than Golder, got second trophy with 19/20, whilst K. Miller (Jeparit) was always well placed, and got a dozen of ale for 3rd, with 18/19.

A good day was had by all, and the club is about to spend £200 on enlarging their "club house". One shooter who should have known better put an I.C.I. cigarette lighter in his gun by mistake, and even the referee was deceived by the "ICIL" dummy and gave him another shot. Shooters, please be warned.

A most touching ceremony during the day was a short period of silence in memory of Mr. Wilson-Smith, our official recorder, who passed away suddenly during the previous week; his presence will be sadly missed by all; a foundation member and keen worker for the club. Excellent shooting during the day under the conditions prevailing. Bob Mules, making a break of 55, did not miss a bird all day. The club, being short-handed due to unavoidable absence of several members, wishes to thank visitors for co-operation and help during the day.

Shooters present from Milang (S.A.), Nhill, Warracknabeal, Bordertown, Goroke, Berriwillock, and Underbool, to a very pleasant day's shooting. The main event was the Ultra Trophy of 500 Cartridges. This was a popular trophy and the attendance was the best for the year. matic Gun by the members of the club in appreciation of his services in putting shooting on the map in central Queensland. Dave will be joining the Hay Gun Club soon and we wish him luck.

Attendance fair, but were disappointed to see quite a few of our regular shooters absent on Sunday. However, the shoot was a great success. Thanks, supporters, for your generous donation of Trophies. Hope Buster Schmidt was not disappointed in taking away only half of the Trophies. Very good shooting. Bruce Moody also seemed to be in top form. Congratulations to Bill Keane on winning the 12 and 13 yarders. Our second automatic trap will be installed this month, and we hope that all shooters will support our big shoot on the 28th and 29th August.

June 29.—Hobart Gun Club marks-
man W. R. Morgan, who won the
State double rise championship on
Saturday with 24/35, also won the
title in 1952 with 17/21 and the club
championship pairs last year with
13/15. Morgan shot off with P. and
S. Marshall and R. Powell of Cressy
for the title, which took an addition-
al 20 rounds to decide the winner.
Final scores were not impressive.
They were: Morgan, 24/35; P. Mar-
shall, 23/35; S. Marshall, 13/20; R.
Powell, 12/20. The weather was per-
fect for shooting, but the low flight
of the birds caused the downfall of
most marksmen in double rise shoot-
ing. Morgan had the opportunity of
winning the big double for the day
when, after hitting 19 straight in the
£60 handicap, he had only to break
his last bird to gain an outright win,
but his final round brought up a lost
bird, bringing him on a par with R.
Powell, W. Reynolds and C. Allwood.
Morgan and Powell were the first
two eliminated under the miss-out
rule, when they failed to score. All-
wood missed on the 26th round, leav-
ing Reynolds to carry off the prize
with 25/26.

Scores in detail were: State D. Rise
C'ship: W. R. Morgan, 24/35; P. Mar-
shall, 23/35; S. Marshall, 13/20; R.
Powell, 12/20; E. G. McRae, 9/15;

bie, 3/3. No. 6, 5-bird S.B.: 1st, L.
Walker, K. Banks and H. Owens,
div., 5/5. No. 7, 10-bird S.B.: C.
McClymont, 10/10.

Conditions were poor; a strong,
changing cross wind made good
scores impossible. Shooters hope for
better conditions at their next visit
to the trap.

COLLARENEBRI (N.S.W.), 26/6/
54.—Weather conditions: fine. Re-
sults: No. 1, 10-bird Eye-opener:
R. J. White, J. Crighton, 10/10; S.
Morse, K. Badgery, E. Holmes, 9/10.
No. 2, 10-bird Point: S. Morse, 28/

42/45. No. 4, 10-bird S.P.: E. Holmes,
10/10; J. Crighton, R. Grant, R.

Grant, E. Holmes, 29/30. No. 6,
10-bird Point: S. Morse, 30/30; R.

10-bird S.B.: E. Holmes, 10/10; S.
Morse, 9/10; R. White, H. Morse,
8/10.

The day was fine and clear, which
helped in some high scores. R. J.
White, shooting 71/75, was unlucky
not to have qualified for a 50 badge,
but he had to shoot a possible in
any event to win, with J. Crighton
winning the main with 45/45 points,
with E. Holmes and S. Morse win-
ning their share of events.

pionship at East Burwood on June 26th. L. Martin and Mal Fuller (N.S.W.), J. Wishart (Rainbow), T. Wilkinson (Wangaratta), T. Lucas (Sea Lake), K. Mark (Geelong), L. Doyle (Alexandra) and J. Lowe (Drouin) were among the visitors. This exacting event was won by K. Mark, a former Sec. of Donald Club, now of Geelong, with a creditable score of 19/20. In fine figures, I would say 19½, for Mark heavily dusted his lost bird in double rise, thus losing the opportunity of equalling the record score of 20/20 recently compiled by John Bryant. Runner-up was F. C. Johnson, 24/28, from C. Mudford, 3rd, 23/28, with 13/14 yd. honours div. R. Grosby and J. Veal, 13/20. The opening event at 5 S.B., 5 D.B. was div. L. Doyle, L. Baker, R. Johns, K. Styles, L. Swain, 10/10.

July 10th opened with a 10-bird S.B., when 51 shooters faced the traps in a programme of S.B. events. A compulsory division on possibles by W. Hunter, V. Dudley, Ian Twyerould, L. Murphy, W. Twyerould, E. McGoldrick and W. Bray. Main event was the Victorian Intermed. S.B. C'ship, 20 birds from 16 yds. This was won by H. H. Ball, 25/25, from J. Veal, 24/25, with T. Spence, 18/20, taking 3rd place. Shot in four groups of 5, three clean scores were recorded at the conclusion of group 2, but Jock Stevens faded in the final group, leaving Veal and Ball to decide the issue. Veal, a young man with a future in the shooting world, unfortunately overshot his first bird in the tie shoot, a low straight away, conditions being the best of 5. Sectional Trophies to R. Andrews, 13/14 yd., 17/20; 12 yd., F. Schultkess, 14/25. Back markers' event in conjunction: T. C. Johnson, 19/20, 1st; G. Biggs, 22/25, 2nd. No. 3, 10-bird S.B.: div. W. Hunter, V. Dudley, Ian Twyerould, L. Murphy, W. Twyerould, E. McGoldrick, W. Bray, 10/10. No. 4, Miss-out: div. R. Smith, J. Veal, J. McInnes, 27/27.

QUEANBEYAN (N.S.W.). — Windy weather was responsible for adverse shooting conditions on Saturday, 24/7/54, when the Gun Club conducted a shoot to raise funds for the Queanbeyan Spastic Council, but the result of the afternoon was successful from every aspect and the Club was able to hand over a cheque for £170 to a worthy cause. The attendance of 35 shooters, many travelling long distances, including a big team from Berridale & District, was very gratifying to those responsible for organising the effort, and who would like to take this opportunity of thanking all who assisted, through the circulation of this popular little book. Owing to strong wind, the scores were generally low, but Bill Warren (Boorowa), after a fine display of shooting, collected most of the trophies and really made the jazzing clays look easy; Bill shot 80 straight before losing his only bird for the afternoon, in a single event, and after a long discussion on why Bill missed a bird, the general decision was that he never pointed his gun straight; a few thought the clay

BOTHWELL (Tas.), 17/7/54. — Weather conditions: fine, no wind. Results: No. 1, 5-bird D.B. Trophy: 1st, W. Tubb, 18/18; 2nd, J. McKenzie, 17/18; 3rd, S. Marshall, 14/15. No. 2, Southern Districts D.B. C'ship: S. Marshall, 1st; G. Gourlay, 2nd; T. Cannon, 3rd. No. 3, £20 H'cap: W. Doddridge, 1st; E. Pulford, 2nd; C. Allwood, 3rd.

Event 2, Southern Districts D.B. Championship: S. Marshall, 65/65, 1st; G. Gourlay, 63/65, 2nd; T. Cannon, 24/25, 3rd. A good day's shooting and very good attendance. Congratulations to Sperry Marshall, 65/65, and Geoff Gourlay, 64/65, also to W. Doddridge (Bronte Park Sec.).

Brighton marksman S. Marshall added another win to his imposing list of championships when he was successful in the Southern Districts D.B. title. The big field of 40 included shooters from Hobart, Collinsvale, Bronte Park, Butlers Gorge, Cressy, Scottsdale, Great Lake and Bothwell. Only Marshall's experience enabled him to stave off a challenge by I. Gourlay (Hobart), who held Marshall for 65 rounds. Marshall, Gourlay and T. Cannon were the only competitors to score the possible in the scheduled 20 rounds. In the shoot-off Cannon was eliminated over the first five. Marshall and Gourlay

carried on to a record championship high until the 60th round, when the automatic trap broke down. The delay proved too much for the inexperienced Gourlay, who missed two of the next five, while Marshall went on to 65/65.

5-bird Event—After approximately 20 rounds W. Tubb defeated S. Marshall and A. Nelson in the 5-bird D.B. event. Sixteen shooters contested the shoot-off in the £20 Handicap, which went to W. Doddridge (Bronte Park). It was Doddridge's first success.

Details: C'ship: S. Marshall, 65/65, 1st; G. Gourlay, 63/65, 2nd; T. Cannon, 24/25, 3rd; F. McDonald, S. Bailey, R. Powell, W. Tubb, P. Marshall, E. G. McRae, 19/20. £20 H'cap: W. Doddridge, 12/12, 1st; E. Pulford, 11/12, 2nd. 5-bird D.B. Trophy Shoot: W. Tubb, 1st; S. Marshall, 2nd; A. Nilson, 3rd.

(£10 Nom. 45 BIRDS D.B.) Conditions as below.

Event No. 4 — **£150 HANDICAP - Double Barrel**

£50 to be divided on each of the three traps.

IMPORTANT. In order to ensure good distribution of the prize money in the £500 Handicap each day, and so make it possible for shooters to recover nominations, etc., the following procedure of pay-out will be adopted:

1st — £150 :: 2nd — £75 :: 3rd — £35.

This leaves £240 to be divided — £80 on each trap — for those who shoot the fifteen at each or any visit. It will be observed that the winners will enjoy more than the prize money indicated, and anybody shooting the 15 once or twice, etc., will receive some or more than their nomination back (according to the number in the cut). This procedure keeps a monetary interest for the shooter, even though he realizes through early misfortune he cannot win.

Shooters and friends will be entertained on Friday night (15th October), at which time a CALCUTTA will be sold on the £500 Saturday's shoot.

— THIS SHOOT WILL BE WELL WORTH ANY DISTANCE YOU TRAVEL —

Book early with the Secretary or President for your accommodation.

Report of Shoot and Evening Entertainment, Saturday, 24th July, 1954.

Skeet again in the news for the Club Championship: won by E. Bullen, followed by J. Hill, under excellent shooting conditions. It was evident that more practice was necessary to produce higher scores. The necessarily slower rate of shooting with skeet when compared with down-the-line shooting, has a tendency to reduce the amount of practice. The 20-bird Trophy went to Dr. C. Gibbons, with a very close 2nd popularly scored by K. McLennan, and the best 12/15 yarder was taken by J. Morrissey. Our welcome visitors included the Association Secretary, W. McCullough, and Mrs. McCullough.

After a successful afternoon shoot and dinner in the Club House, a special programme of films entertained shooters and their families. A varied programme provided for all tastes: picturesque scenes of the vineyards of France, Trout Fishing, Duck Shooting, Sporting Dogs — Pointers and Retrievers at work, various hunting scenes, deep-sea fishing thrills with some motor racing and aviation thrills and spills kept the attention of young and old for about an hour and a half.

The black and white and coloured film of many shooters from Tasmania to Queensland, taken during the International Shoot; some excellent coloured shots of Bankstown and around Sydney created a lively personal interest. Our thanks are due to G. Henkel and Murray Potts for the

organisation of films and equipment and a well-run presentation.

It is hoped there will be more "film nights" and members with films, black and white or coloured, are invited to loan them. Even "shorts" provide interesting additions to the main items it is intended to put on occasionally after the weekly shoots. The Committee feels this also offers members a congenial meeting for themselves and their families, all, ultimately, in the interests of shooters and their sport.

(W. C. Hudson, Hon. Sec.)

CHARTERS TOWERS

Although the conditions prevailing at the all-day shoot held on Sunday, July 4, by the local Gun Club were considered by gunmen to be good, the morning events, which commenced at 9 a.m. with shooters having to face the strong sunlight, were rather difficult. Other than Jim Treveton, there were no visiting shooters participating in the day's events. Many spectators attended the morning events, but these numbers were more than trebled in the afternoon, when the N.Q. Tower Championship (1954) and the Patron's Trophy (Mr. W. M. Daniel) were competed for. The Patron's Trophy won by Sam Gourley, who is a new member of the local club.

The events and their results were conducted in the following order: No. 1, 5-bird S.B.: Harry Ford, Sam Gourley and Bill Carrington, div. No. 2, 5-bird S.B.: 6 competitors secured maximum "kills", Jim Treveton Snr., W. J. Treveton Jnr., Gidyea Archer, Roy Knuth, George Archer and Sam Ball. No. 3, 5-bird S.B.: Gidyea Archer, Bill Archer, Bill Baxter, Bill Mitchell and Bill Carrington obtained possibles, div. No. 4, £8 H'cap, 10-bird S.B.: Jim Treveton Snr. and Geo. Archer, 10/10, div. 90%; Harry Ford, Gidyea Archer, Bob Scott, Jack Cockfield, Sam Ball, Harry Peace and W. J. Treveton Jnr. div. remaining 10%, 9 "kills" each. No. 5, 5-bird "Tower": possibles Bill Hughes, W. J. Treveton Jnr. and Sam Ball, div. No. 6, 5-bird "Tower": Gidyea Archer and Bob Scott, 5/5, div. Great praise is deserved by Bob in this event, as he is a new member of our club, and he was competing on equal standing with many ex-

perienced and skilful shooters. No. 7, N.Q. "Tower" C'ship: Results of which have already been mentioned previously. Mention can be made of the shoot-off between Perc. McDonald, W. J. Treveton Jnr., Sam Ball and Bill Carrington, 16 "kills" out of possible 20. Strangely enough, the winner of this shoot-off for the 3rd prize shot a "straight" of 21 "kills" to defeat Perc. McDonald with a recorded "miss" on his 20th bird. Young Treveton dropped out after a "straight" of 13 kills, followed by a "miss", while Bill Carrington retired on missing his 3rd bird. No. 8, Patron's Trophy, 15-bird S.B.: Sam Gourley the only shooter to secure 15 "kills", with Bill Hughes, Jack Cockfield, Harry Ford and W. J. Treveton Jnr. tying for 2nd place, 14 "kills" each; Roy Knuth, Harry Peace and Sam Ball tying for 3rd place, 13 "kills" each.

Local shooting events are increasing in popularity with spectators, and it is hoped that more shooters will seek club membership.

CAMBERWELL (V.), 3/7/54. — Weather conditions: good, very cold. Results: No. 1, 5-bird S.B. Sweep: div. R. Johns, A. Goodear, H. Roberts, W. Hunter, K. Venables, J. Donovan, L. Turner and H. Ball, 5/5. No. 2, 10-bird Points Dec.: 1st, A. Goodear, 30/30; 2nd, F. C. Johnson, 44/45; 3rd, J. Veal, 41/45; F.M., K. Venables, 47/51. No. 3, 5-bird D.B. Silent Rise Sweep: div. R. Johns, V. Dudley, A. Goodear, F. C. Johnson, F. Schultness, L. A. Martin, G. Stainton, D. Mansell, L. Turner, div., 11/11.

The cold day did not keep these keen "sports" away from the shoot, and they did enjoy themselves. Amongst them being L. A. Martin (Hay, N.S.W.) and Colin Jones (Geraldton, W.A.). Mr. Martin was successful in a divide. Jones also shot well with a borrowed gun. Frank Johnson shot excellently throughout the day. These visitors were welcomed by the President and granted the freedom of the Club for the day. Bert Goodear again demonstrated his ability with his U. and O. against the clays by not missing a bird for the day—32 first barrels. Good shooting, Bert. Bert also donated the

first Trophy and stood aside for Frank Johnson. Mrs. Harry Roberts (Nimrod) won the Ladies' Trophy. Shooters and visitors alike showed their appreciation of the afternoon tea supplied by the ladies.

17/7/54.—Weather conditions: cold but calm, otherwise good. Results: No. 1, 5-bird D.B. Sweep: W. R. Johns, G. Leadouse (Drouin), J. Veal, G. J. Walker (Ballarat), G. Stainton, F. Skate, each 11/11, div. No. 2, 10-bird S.B.: 1st, A. Hamilton, 19/20; 2nd, A. Goodear, 18/20; 3rd, Cyril, 10/11; F. Marker, H. Sweeney, 10/11. No. 3, 5-bird D.B. Sweep: Johns, V. Dudley, J. Veal, H. Ball and T. R. Brown, each 10/10, div.

Some excellent shooting was witnessed in the main event by A. Hamilton and A. Goodear; both seemed set for a mammoth score when one got away on Bert Goodear and let "Mick" Hamilton be the winner of a beautiful silver dish presented by one of our popular shooters and good sport. Several newcomers shot well. Failing light curtailed the day's events. Once again the ladies put on a fine afternoon tea. By the way, our A.C.P.T.S.A. Sec. demonstrated to many regular shooters just how to smash them.

31/7/54.—Weather conditions: fine with following wind. Results: No. 1, 5-bird S.B. Sweep: div. A. E. Goodear, Luke Doyle, Fred Skate, L. Turner and Ross Smith, each 6/6. No. 2, Club S.B. C'ship, 20 birds off 16 yds.: 1st, Andy Tie, 19/20; 2nd, Fred Skate, 41/45; 3rd, Clem Mudford, 40/45; 14/16 yarder, G. Stainton, 27/30; 12/13 yarder, R. Grosby, 22/25. Ladies' Trophy, Mrs. Skate.

The fine number of shooters to compete for the Club S.B. Championship was very gratifying to the President and Committee. Spectators witnessed some excellent shooting throughout the day. The winner, Andy Tie, deserved his success. Geo. Biggs and Johnny Bryant were unfortunate in drawing a few "grass cutters" and shot over them. R. Grosby was unlucky missing 2 out of his last 3 birds to finish with 18/20. Geo. Stainton also shot very well, proving that his recent Footscray effort was no fluke. The President welcomed a number of visiting shooters to the club.

Boss (to office boy): "You seem to do nothing here. Can you tell me one single way in which the firm benefits from having you?"

Office Boy: "Well, sir, when I go on holiday no extra work is thrown on the rest of the staff."

"Dad, why can't a man have more than one wife?"

"As you grow older, my boy, you will learn that laws are written to protect those incapable of protecting themselves."
