The Editor's Notebook

Shooters and clubs have been advised through the columns of this publication in the August issue that a further Official Referee Examination, written test, will take place as from October 1. Those interested are reminded that full names and addresses of intending candidates should be lodged with the Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., Melbourne, C.1, not later than September 26, 1955. Nominations for inclusion in the series after that date cannot be accepted. Any such applications will necessarily be held over until the following series, many months ahead. Only registered shooters, of course, are eligible and all candidates must belong to an affiliated club. The series will start on October 1 and candidates will be informed by circular and other information of what is required. One point to remember is that all questions on the examination paper must be answered, using one side of the paper only. In the previous series several candidates used both sides of the paper for their answers—this will not be acceptable in the forthcoming series. Questions are also required to be answered in full. A number of candidates in the last series were altogether too brief in their replies and gave the impression of trying to short circuit the question. This fault also will not be acceptable in the next series. Answers, approximately 18, must be completed within the time limit allowed and also must be completed before their home club President, or an official referee examiner as appointed by the Association. These conditions will be rigidly adhered to.

Interested clubs are informed that applications for permission to conduct 1956 Open Championships, that is Commonwealth, State and District titles, close with the Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., Melbourne, C.1, on September 30. Written applications only. Applications should be written quite apart

from general Association business for the reason that same are dealt with by the Executive Committee during its October meeting. Which means that any correspondence on the point of championships for 1956 should have reference to the subject matter mentioned only. If included among general matter to the Association application is likely to be missed. It is an Executive Committee direction that only clubs making application for titles will be considered. In previous years titles have been allocated, in some cases, where no application had been lodged. In future this will not be done. No application means no consideration when the 1956 Allocation comes up for discussion. The full 1956 Championship Allocation will be published in the 1955 issue of November "News".

By the time this issue reaches readers the 1955 Annual Interstate Match will be well under way in the various States. Tasmania will lead off with the holding of the Tasmanian section of the match at the Tasmanian Club's grounds at St. Leonards, just outside Launceston, on September 3. New South Wales and Victoria will shoot on the same day, i.e. September 17, when the Bathurst Club and Australian Club will supervise the sections for the States mentioned—although Bathurst will hold the elimination shoot on the day previous, September 16. The three remaining States will field their teams over the week-end October 1 and 2, in accordance with ad-

vertising in this issue. Given fair conditions and normal shooting weather, the match promises to be most interesting and could be the most exciting since the start of the competition, which is actually State Team supremacy. All clubs conducting the contests should ensure that only registered shooters are permitted to take part.

A shooter recently mentioned to the Association that a club, outside Victoria, conducts all its championships on the regulation automatic trap, but that it then reverts to a plus trap for all club shooting. This action is indeed unusual and not the least to say peculiar. Why a club should use a plus trap in preference to an automatic is hard to understand. The automatic trap is the fairest means of releasing targets and should be used at all times in order to provide equity of competition. Whilst a plus trap is a useful stand-by in case of emergency, its functions are indeed limited when compared with the automatic releaser. Clubs are required, by Association direction, to use the automatic trap in championships and major events.

A club has averred that a number of its members maintained that club handicaps "are always 2 yards further back than Association marks". As an instance it was stated that a "shooter on 16 yards club handicap moves forward 2 yards when he competes in an event which

stipulates Association handicaps". There is no tie-up between club handicaps and Association marks, although many recommendations are based on club performances, other than that they bear no relation whatever. Association handicaps are based on performance, club recommendation and what is known of the particular shooter concerned by the Association officials. Some clubs do not co-operate fully with the Association in forwarding results and recommendations, and this means that Association officials are compelled to take steps to handicap shooters as considered appropriate. When such action is taken, the whole matter is looked upon from an Australia-wide angle as a whole and not just as the marks would apply to the particular club.

Score sheets received from a club outside Victoria during the month just past revealed the sheets to be marked in a somewhat unusual and peculiar style. When a "kill" was gained by the shooter the score sheets showed the letter "K", whilst for a miss the sheets showed a small dash. This system is rather confusing and irregular. The easiest and simplest way to score is the figure "1" for a kill and "0" for a miss. Recording a "K" when a shooter breaks his target is a cumbersome method and is certainly not recommended by the Association. Score sheets should be marked in a uniform way and clubs in all States should see to it that their scorers are instructed in the correct way of scoring.

ASSOCIATION REFEREE EXAMINATION

The next Official Referee Examination will be held as from October 1, 1955. Candidates are requested to lodge names and full addresses with the Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., Melbourne, C.1, not later than SEPTEMBER 26th, 1955. Only registered shooters who are members of an affiliated club are eligible.

"Tips" and "Tails"

Colin Ferguson, the champion West Australian shot and member of the Association Executive Committee, in a resume of activities in the Golden West, provides some interesting information on the development of the sport in that

State. He writes, "When the sport first started over here some years ago, both the standard of gun and shooting was very poor. It has now improved out of all proportion and the standard is high and getting higher with each championship shoot. I think I can safely say that there are a number of shooters of Eastern States and World Standard who will be making their way over to the 1956 National Championships, and I will be very disappointed if we do not have a number in the 1956 International, so some of the boys over there (Eastern States) had better be on their toes if they are desirous of retaining their places. Among country towns in this State who are contemplating clubs are Kojonup (already formed), Narrogin, Mt. Barker, and Albany. Some few months ago the Perth Club purchased some very valuable land seven miles from the G.P.O., with the main (now International) Airport as a background. To start with, four traps are planned, night shooting, club building and everything that opens and shuts. As you know, we have been granted our first Commonwealth Championship, the 1955 Mixed Birds. This will be shot on Sunday, October 2. We would like to see a number of Eastern States shooters take part. I have no doubt that a number would think nothing of boarding a plane and coming over for the week-end. We have much to offer at this particular time. Our Royal Show, wildflowers (although a little early) are really beautiful, not

forgetting the two birds, Emu and Swan; there is nothing better brewed in the Southern Hemisphere. Visitors will not win a fortune, but they will win a mighty lot of good friends and, on behalf of the shooters of this State, we extend a very warm welcome to those who may consider the trip. Always look forward to receiving 'News' and those shooters who have visited the East on various occasions get a big kick out of following the performances of the many good fellows they have had the pleasure of meeting. We consider the efforts by those concerned in trying to get one big club, is the best thing we have read for a long time and, for the benefit of shooting and shooters, we trust this will eventually come about. On behalf of the shooters in W.A. we thank 'News' for the publicity given us in the past and look forward to further publicity in the volumes to come."

Alexandra Gun Club, at Milang in South Australia, will stage its second Birthday Shoot extending over the dates Saturday, November 26, and Sunday, November 27, next. The Birthday Handicap will be staged at 30 birds and prize money will be £120, plus the President's Trophy, to the winner. This will be the main event on the first day. A barbecue will follow at night. The main event on the second day is a 15 birder, and trophy for this will be presented by Colin Barr of Mac's Hotel, Mount Gambier. Good supporting events are also listed. Enquiries to President, J. Woodrow (Phone Milang 27) and Secretary, T. V. Roberts (Milang 11). Programme is advertised in full.

The Mudgee District Sporting Gun Club (N.S.W.) has affiliated with the A.C.P.T.S.A. The club's shooting ground is at Mudgee and membership of club is expected to reach 150. The club has a committee of five members.

Officials of the Giru Club in North Queensland for the current season are: President, H. C. Griggs; Treasurer, H. Rawson, and Secretary, T. R. Marron, Cromarty, Ayr, N.Q.

Mallala Gun Club, in South Australia, is a newly affiliated unit of the A.C.P.T.S.A. President is S. R. Irish, and secretary, T. Irish, Mallala, S.A.

A pleasant function was performed at a recent fixture conducted by the Coburg Club (V.). All present were called together by the President and a presentation of a beautifully inscribed silver tray was made to the club secretary, C. J. Colledge, in recognition of long service as secretary. The appreciation for a job well done was a secret well kept and, as C.J.C. mentioned, "it knocked the skids from under me". He is deeply appreciative to members of the club for such thoughtful recognition of services rendered.

The Werribee Club, just outside the metropolitan area of Melbourne, has affiliated with the Association. Officials are: President, J. P. Robinson; Vice-Presidents, W. Cations and J. Cooper; Treasurer, K. Laird; Committee, A. McCormack, T. Towers, W. Abbott, and K. Edwards. Secretary is T. H. Powell, 8 Tarnet Road, Werribee. The pre-war Werribee Club shot on the local racecourse and just got going prior to the outbreak. With the coming of hostilities the club ceased to function. There is much enthusiasm at Werribee and with a certain amount of metropolitan support, the club should function very satisfactorily.

The South Australian section of the forthcoming Interstate Match will be held at Mount Barker grounds extending over two days, October 1 and 2. The elimination shoot to decide the South Australian Team members will be shot on the opening day. On the second day the S.A. Team will shoot and the Commonwealth Deauville Doubles title will also be held. Programme is advertised. Enquiries to F. C. Wittkowsky, secretary, Mt. Barker G.C., Eliza Street, Mount Barker.

Sebastopol Club, just outside Balarat (V.) reports that it has been

granted permission to erect night lights, and work on this is proceeding. The first night shoot is expected to be held early in September. The club indicates that it is gaining more members each shoot. Secretary is Vic. Harrison, 242 Albert Street, Sebastopol, V.

Albury Gun Club (N.S.W.), just over the Murray, has affiliated with the A.C.P.T.S.A. The club has deferred starting before everything was in first-class order, such as concrete tracks and trap house. The club is under the aegis of the Albury Junior Chamber of Commerce and has solid backing. Secretary at Albury is K. McA. Spalding, 497a Kiewa Street, Albury, N.S.W.

Bessiebell Club, in far-western Victoria, will hold its official opening shoot on November 26 or thereabouts. The club has erected a new pavilion, has concrete tracks and latest automatic trap.

Gundagai Club, the town for so long publicised in song, intends holding night shoots. The club has enquired regarding erection of poles and necessary equipment. Gundagai should have favourable attendances at night shoots, being well centred

in a good sporting area of New South Wales.

Well-known Victorian country shooter, Ben Cook, of Underbool, recently had the misfortune to have his right leg amputated above the knee. The operation took place at Mildura Base Hospital. Ben, despite his misfortune, is determined that his disability will not stop him from "smashing clays" and it appears that it will not be long before this determination is fully expressed. All wish him a speedy recovery.

The Royal Aero Club of N.S.W. gives preliminary notice in this issue of its two-day fixture of November 18 and 19 next. The Commonwealth Double-barrel title, the premier event of the Commonwealth outside the National titles, and the N.S.W. Intermediate Single-barrel championship, are the two main title contests. £100 and £250 Handicaps are also listed.

Programme is advertised. Enquiries to T. Gore, 3 Yardley Street, Maidstone (secretary). At the recent annual meeting of the club L. V. Austin accepted the Presidential chair from Alex. Stewart.

The Camberwell Club's annual meeting will be held in Camberwell Town Hall, on September 22. All members are invited. A social will follow.

A new club has been formed at Kojonup in Western Australia. Officials are: President, A. Anderson; Vice-President, R. Cusack; Secretary, R. Outhwaite; Captain, L. Macfarlane; Treasurer, A. Hebiton; Committee, W. Hope and G. Fitzgibbon. The club will later become an affiliated unit of the A.C.P.T.S.A. The club will purchase an automatic trap.

N. Domaille has taken over the secretarial duties of the Robinvale Club (V.), replacing J. I. Bowler, who has resigned owing to ill-health.

R. E. Lewis also replaces H. J. Pellas as secretary at Harcourt (V.), where H. Smith is President for the third successive year. R. Pellas and L. Smith are Vice-Presidents.

An interesting sidelight on shooting "first-up" comes to hand from the Bothwell Club in Tasmania. Early in June a 14-year-old boy, as boys are prone to do, came along to "have a look at the trap working". Invited to have a shot, the youngster took to the job like a duck to water and finished up the day with a break of 58 straight (including a number of practice birds). Looks as though Tasmania has another Sperry Marshall among the up-and-coming trapshooters.

.. Obituary ..

MR. E. J. PAROW — MR. J. D. NEENAN
MR. J. G. HAMILTON-SMITH.

The sympathy of all members of the shooting fraternity is expressed to the relatives of the above-named who have passed on in recent weeks.

Mr. Parow was one of the veterans of the sport and, in fact, was known among older adherents as "one of the quarry boys". Mr. Parow shot with the old Nobel Club in the late 20's when the rendezvous of the club was a quarry hole at West Footscray.

Mr. Neenan was a prominent member of the Tasmanian Gun Club at Launceston and a great worker for the sport in his own way in the Island State. Mr. Neenan's duties took him all over the northern portion of Tasmania and much of the development of new clubs in that area is due to his enterprise.

Mr. Hamilton-Smith was a former President of the Shepparton Club and took a great interest in the sport. He was the donor of the land on which Shepparton Club's extensive lay-out now stands. He had extensive dairying interests in northern Victoria. Only last year he took a journey overseas, visiting many of clubs abroad.

GUN GOSSIP

by NORTH COUNTRY
(in "Shooting Times")

A shooter has complained that towards the end of this last season his shooting, suddenly and for no apparent reason, deteriorated. Up to recently he was doing very nicely—shooting as well as ever in spite of advancing years. Then he began to miss and he adds: "I made a fool of myself at our last shoot and I hardly feel like making a repetition of it (or taking the risk of doing so) again. What, if anything, do you advise me to do?"

As I see it, his case is one which is fairly common to many of us and it should not give any cause for undue depression. I rather think that he is a bit too conscious of the fact that he is no longer young in years, and is reaching the stage when he will place the blame for all his failures (little or big) on this matter. This is, if I may say so, a mistaken idea based on the belief that "anno domini" is bound to get the better of you after a certain age. This is a false notion which has been proved to be false over and over again. Because a man is slowed down a bit by increasing years, he has not necessarily got to shoot worse.

Shooting is a following which, above all, calls for experience. And in much of it experience is of greater practical use than extreme physical activity and fitness. Up to a point, anyway. The good shot knows where and how to stand, how to take his birds at the right point and with the minimum of effort. He may almost be compared to the seasoned boxer in the ring who makes his opponent do the "running around," reserving his energies for what really matters.

I doubt if this reader is really deteriorating. I suspect that he was just "off it" at the end of the season and there was no time left to make good again. There is, however, the chance that his eyesight may have changed in some way and it might be advisable for him to have this checked up. A relative of mine, when

in the sixties, experienced rather similar trouble.

Circumstances, I suppose, alter cases, but I have lately been disappointed to find that one or two friends of my youth have now deserted the gun for the rod. One of them certainly was a good shot and might have become first-class. But now he is a fisherman almost exclusively. After a lapse of many years I met him and expected to hear all about the shooting he had done. But no—it was all about fishing. Much though I respect the followers of the contemplative art and much though I like fishing, I greatly prefer to shoot. A gun means far more to me than the best of rods—it always has done so and it always will.

Well, I believe that this is largely a matter of convenience. Facilities for shooting may remain unchanged, but a shooter's circumstances are these days continually altering and other habits are forced upon him. Then he finds that fishing is an excellent sport and so he settles down to fish. Or of course the reverse may happen. What I do notice particularly is that when a man goes over to fishing in middle life, he seldom returns. But I do know that much of

this is simply due to circumstances. And since the latter have been scarcely comfortable these last 15 years or so, changes have to be expected. All the same I am sorry when a friend gives up the gun. Many a busy man, I know, cannot find time both to shoot and fish. And, I suppose, it is easier for a man to fish than to shoot.

So many of my relations have been good with both rod and gun that I have perhaps rather taken it for granted that both these great sports could be followed at will. I fear, though, that matters are not so simple as that today. To follow both sports freely you need now to be exceptionally fortunate. So, as the nett

result, we find people settling for one or the other and considering themselves lucky to be able to do that much!

In my own circle of relations the one who is the best shot is also the best fisherman. He is, I think I can say, nearly first-class at both these sports. But as matters are, he has been lucky. Many of us today never enjoy sufficient practice at either sport. So our potentialities are not developed and nobody can say what might have been. A lot of skill thus goes to seed.

COLAC (V.).—A very successful shoot was held at the Colac Gun Club on Saturday, 30/7/55, 25 competitors attending in the afternoon and 46 at night. Peter Boyd produced the only possible in the afternoon trophy event, which was a good effort, considering the squally conditions. The 10-bird even at night produced only 4 possibles and here George Crosse, 19/19, was the victor, shooting from the back mark. The associated novice section was won outright by Keith Walsh, 10/10. The large field of 46 augurs well for the future of night shooting and

Night: No. 1: div. S. McIntosh, T. Robbins, G. Crosse, J. O'Donnell, L. Schroeter, N. Grayland, J. Rankin, C. Grist, W. Gange, R. Webb, J. Howard, J. Watts, E. Gaylard, K. Walsh, 5/5. No. 2: G. Grist, 1st after toss decision against C. Adamson, both 16/16.

Since the lights were installed, George Crosse has not missed a bird, his total at present being 49 (over two shoots). Many shooters have expressed their preference for night shooting due to absence of cloud and trees and other background abstractions.

20/8/55.—Weather conditions: fine night. Results: No. 1, 5-bird D.B. Sweep (C.D.): V. O'Shannassy, W. Greedy, G. Crosse, I. Cutts, R. Webb, W. Arnold, K. Walsh, 5/5. No. 2, 10-bird D.B. Trophy: 1st, G. Crosse, 18/18; 2nd, W. Gange, 17/18; F.M., E. Holmes, 13/14; Novice, N. Grayland, 10/10; Sweep div. by prize-winners and V. O'Shannassy, W. Greedy, D. Corstorphane, E. Gaylard on 10th round. No. 3, 5-bird D.B. Sweep: div. P. W. Miller, M. Reddie, W. Greedy, K. Walsh, T. Slater, W. Arnold, M. Small, R. Bath, E. Gaylard, 5/5. No. 4 (ditto): div. D. Corstorphane, P. Boyd, E. Holmes, T. Slater, E. Gaylard, 13/13.

Fine night, with rain at midnight. Wind, sweeping around the pines, made targets tricky. George Crosse now has an unbroken run of 72 under the lights from 18 yards. New shooter W. Greedy shot well to score 34/36 after his win at Geelong the previous night. Night shooting is growing in popularity. Great interest in Ladies' Trophy, which was won by Mrs. E. Osborne, who had drawn the winning shooter.

(D. Corstorphane, Hon. Sec.)

The Deauville Doubles were of great interest to all, as we had not had a doubles event before; 24 pairs took part in this event. Hot pies for supper, as usual.

The Club Grouped S.B. Championship was something new for us and proved a good event. In the 1st event we saw 11-year-old Clinton Rowland (Dumbalk) take his share of the sweepstake. Keep it up, Clinton, and you will soon be showing dad how. Another new-comer to the sport to do well was Leo Kitchen; this was only Leo's second look at clays, and took 2nd trophy for the 12/14 yds.

section in the Championship. Once again we thank all visitors and hope we have their companionship at our next shoot.

MT. BARKER (S.A.), 17/7/55. — Weather conditions: calm, cold, overcast. Results: No. 1, 5-bird: 14 div. No. 2, 10-bird Club Trophy: 1st, J. Taylor, 53/53; 2nd, A. Hamilton, 52/53; 3rd, H. L. Potts, 35/37; 12/13 yd., B. Mullins, 15/16. No. 3, 10-bird Club Trophy: 1st, R. Mules, 52/52; 2nd, A. Forbes, 51/52; 3rd, K. Mules, 40/41; 12/13 yd., Miss R. Fowler, 14/15.

A most successful day's shooting. Excellent attendance—45 shooters. The weather was very cold. Much is to be said of the keen-ness of shooters who gave such good support to the club and scored so well under con-ditions that were so unfavorable, four breaks of 50 being made during the day. During the last few months quite a number of our regulars have earned themselves handicaps well behind the 18-yard mark—proof of exceptional ability.

A good turn-up of 52 shooters for threatening weather. We saw some excellent shooting from Bob Meehan again, 25/25, to win the Championship, hotly pursued by Ian and Bill Twyerould—both shot exceptionally well. Ross Smith, off 18 yds. and later on off 24 yds., finished with a break of 35 for the day; never missed a bird for the day. Arthur Ginnivan was unlucky in the Championship, being baulked early and missed only miss for the day. The ladies put on a fine afternoon tea. We are shooting our Mixed Birds Championship on Show Day, Sept. 29th. See advert in "News".

Combined Western Qld. Gun Clubs' shoot at Charleville (Qld.).—The combined Western Qld. Clubs' shoot, held at Charleville on the 29th, 30th and 31st July last, was marred somewhat by rain on the day prior to the commencement of the shoot. This caused a serious list of cancellations, and caught other long-distance travellers on bad roads, many having to turn back. This was very regrettable, as the shoot had promise of being the best ever, on bookings, and instead of 70 to 80 shooters, there was an average of 40 shooters. The programme was modified according to the attendance. The standard of shooting was very good and some good breaks were recorded. The best were 140 by Doug Smith, 109 by R. Heinaman, 97 by M. Fuller, 94 by K. West.

The combined clubs would like to thank the many visitors, especially those who came long distances, who helped greatly with the carrying through of the shoot. The Browning Under and Over gun, presented by J. M. Bauman, was shot as an aggregate prize, and was won by Doug Smith. He also won the I.C.I. Trophy, which was a high-gun prize on a £50 H'cap at 40 birds D.B.

FOSTER (V.), 13/8/55.—Weather conditions: very windy. Results: No. 1, 5-bird P.D.: J. Cummins, 15/15. No. 2, 10-bird D.B.: C. Steele, 10/10. No. 3, 15-bird P.D.: A. Lewis, 41/45 pts. The usual monthly shoot, 20 shooters taking part. The day was anything but good. The heavy westerly wind played havoc with the flight of the birds. Visitors from Sale, Yarram, Leongatha and Dumbalk helped to make the day a success. Our club has decided to move the auto. trap to a more suitable position, and are putting in concrete tracks, which will make the ground one of the best in the district.

(C. G. Steele, Hon. Sec.)

BERRIDALE (N.S.W.), 13/8/55.—Weather conditions: fair. Results: No. 1, 5-bird S.B.: 6 possibles (comp. div.). No. 2, 10-bird D.B.: 1st, R. Sands; 2nd, V. Wallace; 3rd, C. Spence; best 12 yd. H'cap, R. Gilbert. No. 3, 10-bird Point Score: 1st, R. Sands; 2nd, G. Billmann; 3rd, A. Sutherland. No. 4, D'ville Doubles: 8 prs. div. No. 5, 10-bird D. Rise: 1st, R. Weston.

First shoot on new ground. Two automatic traps in action. 62 shooters. Fair weather, but very cold. Unfortunately, with large number of shooters present, even with two traps in action, it was dark before 4th and 5th events, which were run together on the two traps; could be finished so shooters gaining possibles divided prizes.

(W. Sorrensen, Hon. Sec.)

HAY (N.S.W.), 20/8/55.—Weather conditions: strong westerly wind. Results: No. 1, 10-bird D.B.: A. Hendon, 10/10. No. 2, 10-bird D.B.: Jack Headon and Maurice Gibson, div., 10/10. Excellent shooting by President Jack Houston in winning the Club Skeet Championship with a score of 18/20 on such a wild day and near gale-force conditions. The club welcomed back Maurice Gibson, who has returned from a tour abroad. Not having a gun in his hand during that time, he

YASS (N.S.W.).—A severe westerly wind that blew in gusts played havoc with scoring at the Yass Gun Club S.B. Championship shoot held on the Tulla Park grounds on Saturday, 13th August.

A promise of failing light and a long programme decided the club in omitting the usual eye-opener, and as compensation shooters were given a pair of sighters before the first shoot commenced.

The Accumulative sweep was won by Jim Medway. Quite a few other shooters had two legs in in this sweep, but conditions were tough and the only three members to record the possible of 12/12 were Jim Medway, Harold Connell and Noel McAuliffe. The shoot-off was sudden; Jim Medway smashed four with the first barrel to take out the Accumulative Trophy and cash. It was a popular win and was properly celebrated.

For the S.B. Championship 25 starters lined up. Once again conditions were bad, and club members were treated to an excellent exhibition of shooting by John Medway, who after dropping his first bird, shot on to score 19/20, and thus become outright winner and club champion. Second placing and Trophy went to Cec. Walker with 18/20, the next closest scores being recorded by Harold Connell and W. Warren, 17/20.

The Deauville Doubles were won by Cec. Walker and Harold Connell. Jack Rivers has now developed into the club champion runner-up, having been in this position so many times recently, both at home and away.

The usual Miss and Out as the final shoot saw some brilliant shooting in the dark, and many dark hints were passed about previous experience at possum shooting before Leo Grogan ran out the winner from Ian Penman.

Junior Members' Day. On Saturday, 20th Aug., Club President, W. B. Grogan, put on a special day for sons of members and junior shooters. The weather again was shocking, fierce winds and rain, but quite a good few senior members turned up to start the young fellows on their way. After a short talk on Safety Regulations and some practical demonstrations of correct and incorrect gun handling, the boys were instructed in shooting conduct and procedure by Vice-President Gordon Reed.

Maurice Shannon presented a Cup for a special 6-bird D.B. Shoot, and this was won by his son John, 5/6, the five hits being all singles. David Hodgkinson was runner-up, 4/6. J. Hodgkinson had also given two open orders, £3/3/0 and £2/2/0, for a 10-bird D.B. shoot. John Shannon was handicapped 1 yd. for his first win, but could not hold off David Hodgkinson, who downed 8/10 to become outright winner. John Shannon was runner-up, taking this position after a shoot-off with John Eltrington, both having scored 7/10. Peter and Richard Walker followed on; both had made a good start, but were then unlucky in getting a few birds that would have stumped most of the seniors.

A Deauville Double was then shot, with a senior member taking one of the boys as partner; this shoot created a lot of interest and was finally won by Gordon Reed and John Shannon.

A consolation 5-bird saw the boys finish up an excellent day's training, and in a happy little speech, David Hodgkinson thanked the Club President and members for giving them the day, and also thanked Mrs. Grogan and her helpers for the afternoon tea and cakes, which were appreciated by all.

Ray Brain, vice-president of the club, had a pleasing duty to perform at the conclusion of last Saturday's Club Championship shoot when he presented the trophies and congratulated the president, Bert Peacock, on winning the first Club S.B. Championship. Ron Peacock was also congratulated on coming 2nd and L. Crutch on gaining 3rd place.
(R. A. Peacock, Hon. Sec.)

GRIFFITH (N.S.W.), 30/7/55. — Despite the bitterly cold day, intermittent rain and a cloudy background, President Reg McNamara turned in a really good performance to win the main event of the day with 24/25, whilst P. Stott was 2nd with 23/25 and Ken Powell, 3rd, 22/25. Mrs. Alf Patten won the Ladies' Trophy. Only two other events were decided and resulted as follows: Event 2, 10-bird D.B.: W. Gibbs, W. Rowe, H. Austin, P. Stott, H. Sim, 1st, 10/10. Event 3, 10-bird D.B.: In a falling light the following div., 9/10, H. Sim, W. Gibbs, B. Brown, E. Evans, H. Austin.

With visitors present from Drouin, this was the biggest roll-up of shooters for the winter period to date.

Mr. Dossetto, in replying, thanked Mr. Jesson and Mr. Garbutt, the visitors and guests for their attendance and also expressed his sincere thanks to the ladies' committee for their tasty dinner and refreshments provided.

A very good day's shoot. Some very good shooting by young David Crawford in the D.B. event. The D. Rise (Sparrows) put shooters to the test and Darby Hatfield shot well to win this event. The Teams shoot was again very popular. Again the Prairie team won. The final of the Club D.B. Championship was shot off between Athol McIntosh and Frank Davis, who had tied at 60/53 on our previous shoot, when darkness intervened. The event was won by Athol McIntosh, and President Bill Wearing presented him with the gold medal.

KATANNING (W.A.), 7/8/55.—Weather conditions: good. Results: No. 1, 20-bird D.B., off yardage (T. S. Young Trophy): 1st, D. Anderson, 27/30; 2nd, J. Hctner, 25/30. No. 2, 5 pr. D. Rise: T. S. Young, R. Breeden (Capel) and J. Clegg, div. No. 3, 15-bird D.B. (Night Shoot): 1st, N. Beek, 14/15; 2nd, T. S. Young and D. K. Norrish, 13/15.

Shooting was held under lights for the first time, and was highly successful, with good lights and good weather. Shooters were very enthusiastic, and with the warmer weather, night shooting will become a regular feature. After everyone had enjoyed a very pleasant barbecue tea, Terry Young officially opened the night shooting by firing the first shot. The 15 birder that followed was won by Neville Beek, who also tied with Terry Young for high gun over the shoot. Several visiting shooters took part, and the visitors' trophy was won by Capel shooter, R. Breeden.

14/8/55.—Weather conditions: very windy. Results: No. 1, 15 pr. D. Rise: 1st, J. Clegg; 2nd, T. S. Young; High Gun, T. S. Young. No. 2, 10-bird S.B.: 1st, E. Brown, 20/20; 2nd, D. Hilton, 18/20. No. 3, 11-bird Skeet: 1st, M. Crossley, 10/11; 2nd, E. Clegg, 9/11.

The third stage of the Club Championship, 15 pairs of Double Rise, was shot in a strong wind, making shooting conditions extremely difficult. John Clegg won the W. Kowald trophy. Terry Young retains his lead in the Championship.

(David Anderson, Hon. Sec.)

HARCOURT (V.), 13/8/55.—Weather conditions: good. Results: No. 1, 10 sparrows D.B. (Sliding Scale H'caps): B. Norris, 12/12; H. Michell, 11/12; R. Bull (Daylesford), 9/10. No. 2, 15 clay pigeons D.B.: A. Ginnivan (Melbourne), 42/42; B. Norris, 41/42; W. Blakeley, 33/34. No. 3, 5 clay pigeons D.B.: I. Blakeley, 27/27; T. Botten, 26/27.

The Sliding Scale Sparrow event proved a novelty and was won by B. Norris with 12/12. The second event went to A. Ginnivan with 42/42, with B. Norris, who shot a 53 break, runner-up. Ginnivan failed in the next event, but secured a break of 48 on the day. The protracted shoot-offs at clay pigeons accounted for 25 per cent. of the birds shot for the day. The use of clay sparrows definitely assists the pocket of the shooter. Thanks again to the ladies for afternoon tea.

(R. E. Lewis, Hon. Sec.)

MT. GAMBIER (S.A.), 6/8/55.—Weather conditions: windy, cold, showery, bad light. Results: No. 1, Club D.B. C'ship: R. S. Reschke, 45/45; Jack Bishop, 44/45. No. 2, Sweep: 5/5, F. Cleggett, L. Earl, B. England, B. Lacey, R. Reschke, A. McFarlane, A. Davis, Les Sims, M. Earl. No. 3, Sweep (20 yds.): Les Sims, 5/5.

Only two shooters scored the possible 20, due, no doubt, to the targets being effected by the strong wind. After being away from the matches for some time, it is good to see Reg Reschke making a come-back with a 50 break.

20/8/55.—Weather conditions: windy, cold, showers. Results: No. 1, £100 H'cap (20 targets): R. Reschke (Penola), 33/33; A. S. Megaw, 32/33; Max Bishop, 30/31; K. Mules (Adelaide), 28/29. No. 2, 10 targets: R. Mules, K. Mules, M. Earl, A. Bowering, A. S. Megaw, R. Reschke, R. Evans, 10/10, div. No. 3, 5 targets (20 yds.): R. Mules, 5/5.

The standard of shooting was poor, due mainly to a blustering westerly wind playing tricks with the clays. It is hoped that the club will have a new site ready for next shoot, something that will be welcomed by shooters. The present ground isn't very suitable, being situated on rather a high hill. (M. G. Champney, Sec.)

Fortune favoured the club with a beautiful day after a week of rain. The usual happy spirit of shooters was well in evidence and visitors from Shepparton, Mansfield, Yea and Hay (N.S.W.) added to a very pleasant social day. Shooting was of a high standard and Gordon and Clyde Cumming both shot brilliantly in the shoot-off. Clyde pulled only three second barrels and Gordon's downfall came with the only second barrel he pulled — on his 60th bird. Bad light in the last event kept scores down, but Mrs. Cookson, ably tutored by Geoff, and with a lot of natural ability, picked them out of the semi-darkness to record a very good 8/10. Club thanks to the ladies for splendid assistance.

We were very pleased to have him here again, also very pleased to have visiting shooters from Victoria, Sydney, The South Coast, Rockhampton, and other nearby clubs.

COFFS HARBOUR (N.S.W.).—On Saturday, 13th, the club held the Club S.B. C'ship. After an absence of several months, Dick Secombe showed that he was just as good "off the grass" as with practice. The day was fine, but a nor'easter made shooting conditions very interesting. Dick's 19/20 on the day was very good shooting. Peter Thompson was as consistent as usual and his 18/20 was full of merit. Dan Secombe and Ted Wedgwood, with 17/20, tied for 3rd, Dan winning the shoot-off.

A competition in connection with this shoot yielded about £50 for the Hospital and Ambulance. Queen in the Travellers' Hospital Carnival. Two shooters joined up, Clem Corcoran and son, Peter. Clem manages the R.S.L. Club. Peter, with some practice, will develop and will help to make some of the "shoots-off" interesting.

The club is busy getting everything in order for the big October shoot and members are being organised for various jobs. Fish and lobsters for the barbecue are already ordered and given fine weather, we should have a bumper meeting. We commend the advertisement in the "News" to all shooters interested.

Results of Saturday's shoot: 5-bird Points: W. Golden, 1st, 15/15; C. Bowden and W. Unwin, 14/15, div. 2nd and 3rd. 20-bird S.B. Club C'ship: Dick Secombe, 1st, 19/20; Peter Thompson, 2nd, 18/20; G. In good weather conditions, visiting and local shooters enjoyed a good day and night's sport. Mildura Club's President E. Bruce's win in the North Western District D.B. The ladies' committee provided afternoon tea and cool drinks, the proceeds of which helped swell the funds of the club.

NARRAWA (N.S.W.), 13/8/55.—Weather conditions: windy, some cloud. Results: No. 1, 5-bird: H. Anderson, K. Dormer, G. Thorn, div., 5/5. No. 2, 5-bird: C. Hall, W. Webster, H. Anderson, K. Dormer, A. Anderson, G. Kensit, div., 5/5. No. 3, 5-bird Trophy and S/S.: G. Thorn, 10/10. No. 4, 5-bird

The weather was fair for this time of year. Scores were poor, probably due to the wind which was fairly strong at times. Harry Anderson won the Storrier Trophy outright, whilst Hubby Seery surprised everybody by winning one of our other Trophies after a long run of the outs. The club wishes to thank all those members who have so strongly supported the shoots through the winter months.

(E. E. Reeves, Hon. Sec.)

TASMANIAN (Tas.), 6/8/55.—Weather conditions: blustery. Results: Despite windy and overcast conditions at the Tasmanian Gun Club shooting ground, St. Leonards, shooters held high scores. A highlight of the afternoon was a practice shoot for novices: approximately 280 birds were thrown for some very promising new-comers, and should they continue to attend matches, it should help to raise the standard of shooting in Tasmania.

AUSTRALIAN (V.), July 23. — Andy Tie won the main 20-bird event at East Burwood, wearing down his nine opponents to win 44/44, from Ross Smith, 43/44; 3rd trophy, F. Skate, 41/42, the latter finishing with a 51 break. Over past months this trio has shot remarkably well, recent efforts being Skate, 118/120, with a break of 100, and Tie, 69/70, while Smith has often been in the picture. Yardage Trophies: 15/16 yd., W. Willard (Finley), 33/34; 14 yd., R. Ayre; 12 yd., D. Poole, 25/27, 55 shooters competing under ideal weather conditions. The opening 10-bird Points S'take was div. F. C. Johnson, F. Oliver, E. Cripps, R. Andrews, F. Skate and G. Stainton, 30/30 pts.

Dame Nature was not so kind on Aug. 6, when a big field were kept on their toes by a boisterous nor'-wester, which quickly put slow shots out of the picture. However, K. Martin, D. Glover, R. Dale, D. Poole, R. Vinicombe, R. Ayre and K. Styles mastered the situation and returned a possible 20 birds. Despite the gale, the scoreboard looked healthy, thanks to the sheltered nature of the ground, birds being normal until reaching their apex, when the wind took control. The main tie shoot was won by R. Dale with a creditable 35/35, from D. Glover, 34/35, with Roy Ayre, 3rd, 31/32. R. Martin, like many of his friends, failed to get below the grass cutter, "a low straight away", and signed off on the 32nd round, taking 15/16 yd. Trophy; 13/14 yd., R. Vinicombe, 21/22; 12 yd., D. Poole, 24/25.

The opening event at 15-bird D.B. was div. W. Finnigan, R. Vinicombe, R. Storey, R. Harrison, D. Glover, A. Tie, R. Smith, K. Styles, F. Skate, T. R. Brown, 15/15. Well, you can't keep a good man down. There was our old friend Les Murphy, recently discharged from hospital with a broken leg, busting the elusive clay. Hobbling out to the track on crutches, plus an aide-de-camp to carry his shootin' iron, Les managed 14/15. A very fair effort under the circumstances. However, Les, nice to see you on the tracks again, and join the boys in best wishes for a speedy recovery.

Aug. 20 and two 20 birders listed, No. 1 being div. D. Latham, W. Le Strange, H. Phillips, A. H. Brenk, J. Hagan, R. Smith and F. Mannerheim, 20/20. Hugh Phillips won the main Trophy event 34/34, from W. Finnigan, 33/34, with A. Brenk, 3rd, 31/32. Phillips grassed 20 in the opening event and finished with a straight 54. 15/16 yd. Trophy, R. Wood, 29/30; 13/14 yd., Aub. Johnson, 19/20; 12 yd., F. Lakeway, 18/20.

(H. H. Ball.)

MOREE (N.S.W.). — Popular Boggabri shooter, Wal Eather, won the N.W. N.S.W. D.B. Championship at Moree Gun Club's Cup week shoot held on 12th and 13th August last. Fourteen shooters shot the possible 20 birds and in the shoot-off W. Eather (Bog-

gabri), 55/55; D. Cassin (Tamworth), 54/55, and A. McIntosh (Goondiwindi), 43/45, were the place-getters. The best 12 yd. Trophy being div. A. Smith (Tamworth) and J. McLean (Delungra), 17/20. Attendance was the largest ever at a shoot, over 60 shooters being present for both days. Interest was widespread in the two Championship events set down for decision and some particularly good shooting was evident on both days.

Much improvement has been effected to the site since last year and with the installation of floodlighting for night shooting, the summer months should find many followers of the sport.

Other results were: 5-bird D.B. E/O.: div. H. Siddins, Peevee Thompson, R. Williams, N. Dames, T. Chandler, M. Jones, W. Saul, F. Thompson, C. Bell, R. White, H. Morse, P. Brennan, J. Miller, Mrs. R. Chandler, R. Fraser, J. Boydell, R. Middleton, E. Cory, C. O'Connor, M. O'Connor, K. Black, M. Smith, G. Ritter, S. Michael, W. Eather, V. Eather, G. Davis, B. Meppem, R. Moore, D. Cassin, K. Badgery, 10-bird D.B. Point Score: 30/30, T. T. Siddins, R. Williams, F. Thompson, C. Bell, C. O'Connor, M. O'Connor, D. Cassin, A. McIntosh, J. Humphries, £100 D.B. H'cap: div. A. McIntosh, M. Fuller, C. Bell, D. Cassin, H. Morse, G. Butler, D. Hall, R. Williams, £50 Trophy Shoot, 20-bird Point Score: M. Fuller (Sydney), 134/135, 1st; D. Cassin (Tamworth), 133/135, 2nd; D. Hall (Moree), 87/90, 3rd; best 12 yd., M. Jones (Tamworth), 57/60.

After shooting exceptionally well, but dropping an odd point on the first day, Tamworth shooter, Dave Cassin shot remarkably well in the N.W. N.S.W. S.B. Championship on the second day to win the event from Malcolm Fuller (Sydney) with 30 birds straight.

Results were as follows: 5-bird S.B. E/O.: div. H. T. Siddins, N. Dames, W. Saul, C. O'Connor, K. Badgery, M. Smith, R. Middleton, R. Munro, R. Bell, E. Cory, C. W. Simpson, N. Micheal, K. McDonald, N. Simpson, C. Bell, E. Siddins, S. Brown, T. Chandler. N.W. N.S.W. S.B. C'ship: D. Cassin (Tamworth), 30/30, 1st; M. Fuller (Sydney), 29/30, 2nd; C. Williams (Moree), 27/30, 3rd.

PERTH (W.A.), Sunday, 7/8/55. — No. 1, Round of Skeet (20 birds): won by outstanding shooter H. Collier, who shot the possible. This is the first time 20 Skeet have been broken in competition in W.A. On top of this Harold then went on to shoot another 54 straight in a Down-the-Line event, dropping only one bird in 75 for the day. 2nd in Skeet, C. Ferguson, 18/20; S. Collier, 17/20, 3rd. The front-markers in this event resulted in R. Coleman (a champion axeman), 17/20, W. Coates, 13/20; A. Cook, 12/20. No. 2 was a Teams match for the Brinkworth Shield (30-bird D.B.): R. Alexander's team won, 130/150. The high gun in this event was Spencer Collier. Spencer

had a marathon shoot-off with Harold, his brother, and C. Ferguson. Spencer broke 54/55, but bad luck was with him; he dropped his 50th bird. The front-markers resulted in K. Barker, 1st; O. Sanderson, 2nd; W. Coates, 3rd. Interest in trapshooting is becoming very popular in this State. A recent club to be formed is at Kojonup. They are having their opening shoot in October and all Perth members are looking forward to visiting this club.

There is also a possibility of a club being formed at Carnarvon, a coastal town approximately 700 miles north of Perth. Mr. Bert Kane, a local resident, has got a number of the boys interested, and knowing Bert, I feel quite confident that club will be formed.

Audiences were very unkind at the temperance lectures and kept interrupting. At last the speaker engaged a former prize-fighter to keep order.

That night he contrasted the content of home life with the squalor of drunkenness.

"What is it we want when we return home from our daily toil?" he asked. "What do we want to ease our burden, to gladden our hearts, to bring smiles to our faces and joyous songs to our lips?"

He paused for effect, and in the silence the voice of the keeper of peace could be heard: "Mind, the first bloke who says beer goes out with a bang!"
