# The Editor's Notebook

Enquiries from New Zealand indicate that quite a number of New Zealand shooters will be present in Melbourne for the Olympic Games, both for the shooting events and the general Olympic programme. The programme arranged by the Association of the Southern Hemisphere Championship and the World Grand Handicap will cater in goodly measure for visitors who are not actually representing their home country in the Games shooting. The two events mentioned will be held on the Friday and Saturday following the Games shooting. Actual dates will be announced later. Again all interested are reminded to ensure that they have adequate accommodation arranged for the period of the Games.

The rules governing the issue of break badges still appears to be obscure, according to the correspondence received at Association headquarters. Firstly, a number of clubs merely make the brief announcement that such and such a shooter has gained a break, or they recommend so and so for a break badge. No sheets are forwarded in confirmation, which means that the Association has to write back to the club requesting the score sheets and other details. All this takes up much time that could be more usefully employed. Then again some clubs send in score sheets which are almost unreadable. This causes confusion which could be easily avoided. The score sheets should be submitted in proper se-

quence with the shooter's name for whom the break badge is claimed, and his score clearly underlined in either red or blue pencil. This course should be followed through each event which concerns the break. By following this action Association officials have little difficulty in picking up and checking off the break. Clubs should note this for future action. Recently (on more than one occasion) break badges have been claimed incorrectly. By this it is meant that badges have been claimed for shooters who are not eligible for break recognition. For instance, several claims have recently been lodged where breaks have been compiled in 16-yard events, whereas the shooter's actual Association mark is further back than 16 yards. It should be clearly understood that break badges are only issued when the shooter records the break "on or behind his Association handicap".

Probably the most glaring case of incorrect procedure recently took place when a club "recommended" a break for a shooter who was not even registered and never had been! This claim got no consideration whatever.

Possibly due to changes in club officials, the question of colours to be used when sashes are being ordered has come up again. For the information of all not conversant with sash ordering, it is pointed out that the official sash makers to the

A.C.P.T.S.A. are Messrs. W. Flattely & Son Pty. Ltd., 301 Lonsdale Place, Melbourne, C.I. Colours to be used are: for a Commonwealth championship, royal or navy blue; State championship, red or maroon; District championship, white. Clubs desiring to present sashes for club titles are permitted to use any other colour available, apart from blue, red and white.

that the Association controls "all holidays and open fixtures" and therefore, before any decision is reached by the clubs interested in shooting events on public holidays, approval should be obtained from the Association. The Association does not wish to be dictatorial in controlling the events and dates stated, but it is emphasised that it is of the utmost importance, in order to avoid clashing of major events and dates, that the Association have a controlling influence on the allocation of major dates and events. The Association headquarters should be advised at all times when a shoot is contemplated on a public holiday, even if the shoot is only a local club affair. Of particular importance, too, is the fact that Association handicaps are required to be used on all "open" days, even if the fixture is a club one only. Only by observance of the closest co-operation with the Association can clubs expect to be rewarded with sound administration.

The question of approval of open shoots is again under notice. In recent months it has been observed that some clubs have merely "decided" that they will shoot on such and such an occasion and have promptly advertised open shoots on holidays and other occasions without first obtaining Association approval. For the information of all clubs and shooters concerned, it is pointed out

(from REX MILES)

Hope your boys shot real winning scores at your new location in March. I have a good friend named Don Blow, who lives at Calgary, Alberta, Canada. Had a long talk with him about your International shoot. You will probably be hearing from the Canadians in the near future. Don is a real top-notch shot.

We have just had our Inland Empire Championship Tournament. For a change we had very nice weather. Scores, on the whole, were good. We had 270 shooters using 12 traps. Vera Holdsworth, who resides in Calgary, Canada, did a real job on those 16-yard targets; she topped the field. A 196 was next to her, 198/200—two targets ahead of all the boys and her last 150 straight. She would make a good member of the Canadian team!

The following is a clipping from our paper here:—

"Mrs. Vera Holdsworth, young mother of two from Calgary, Alta., turned in the top score in the Spokane Gun Club's 45th Inland Empire handicap trapshoot tournament.

Mrs. Holdsworth, a member of the 1954 all-Canada trapshoot team, shot 98-100—198 to win class C and outshoot all the men in the field of more than 100 top North-west scatter-gunners.

Nearest to Mrs. Holdsworth for the day were the two class AA leaders, E. C. Morlan, S.G.C., and Orley Milligan of Portland, who tied with 196s. Milligan's total came on a pair of 98s, while Morlan had 96-100. Morlan won the shoot-off for the trophy with 48 x 50.

The class A championship ended in a three-way tie between Ralph Doerschlag, Sprague; Earl Swift, Lamont, and Delmer White, Almira, at 192, with Swift winning the shoot-off at 49 x 50.

In class B Russ Edgett of Spokane won with a 99-96—195, followed by Wayne Garrett, Wenatchee, and Marvin Hergert, Endicott, at 193.

Ed Humphrey of Colfax edged Dallas Cox, mayor of Hay, Wash.,

188 to 187, for honours in class D. Axel Kludt of Kamiah was third at 185.

In the doubles Morlan was high overall with a 96 for the class B title trophy. Class A went to Stan Brock, Walla Walla, at 90. Waino Heiskari, Orofino; Lew Simonsen, Edmunds, and Delmer White tied for first in class C with 77s.

The shoot-off in class C was won by Heiskari in the windy rain, with 15 x 25.

Mrs. Holdsworth 198 included a string of 150 straight, the best showing of any woman shooter in recent years at the Spokane Gun Club. She will receive, in addition to her winnings, a 100-straight pin from the S.G.C. and a shoulder patch for the 150 string from an arms company.

## "Tips and Tails"

Careless use of firearms has again been under notice from the number of gun accidents reported in the daily press. Too much emphasis on the careful use of guns and rifles cannot be stressed. Every shooter must be danger conscious

and alive to the fact that a gun of any type is a very deadly weapon. Members of gun clubs should take stock of their rules occasionally and make sure that the fundamental rules of safety are not being "taken for granted". It is very easy to slip into a "don't care" attitude. The sport of clay pigeon shooting cannot afford to have an accident.

Just prior to the 1939 war a club in southern New South Wales experimented with new targets by using large flying black beetles through the club traps. The beetles won the day. It was found that their quick, jerky and unpredictable movement made them a most elusive target. Furthermore, in most cases the beetle disappeared from the shooter's line of vision in double quick time. An American report now has it that there is a sport now in vogue in certain parts of the U.S.A. called Hopper Down. The report continues that it is a game invented for young shots. The weapon used is a .22 shot-gun and the targets are flying grasshoppers, which are said to be hard to kill because many of them have been known to carry "considerable lead". The new game is not without its dangers, for besides the harmless grasshoppers, flying beetles and praying mantises, the tyro must reckon with the more kill-or-be-stung insects like the hornet and the wasp. One American writer goes so far as to state that the hoppers are quite palatable. He must be confusing

them with the edible locust of Biblical renown.

A programme is to hand from Harolds Trap Shooting Country Club which gives details what is termed the Golden West Grand American tournament. Harolds Club is at Reno, Nevada, and its tournament extends over six days. Two thousand dollars is guaranteed to the winner of the Golden West Grand Handicap and 1500 dollars to the winner of the Golden West Preliminary Handicap. For shooters who have never shot at registered targets and are considered in the novice class, some 2000 dollars are given in added money. Harolds Pony Express Lodge attached to the grounds is a very elaborate rendezvous, with free radios, telephones, luxurious furnishings, tile baths and air conditioning in every room. Most of the major events during the tournament are shot at 100 targets each.

Regret is expressed at the passing of well-known Townsville shooter, Ted Clay. Clay was a prominent and long-sustained supporter of the Townsville club and all shooting in the north. He visited the National championships series at East Burwood (V.) with a party of Townsville shooters some years ago and proved himself a popular member of the party. His passing is deeply regretted.

A new club is likely to be formed at the rapidly developing near-Melbourne centre of Dandenong. Dandenong is known as the "gateway to Gippsland" and already there are many shooters registered from that area.

Clermont Club in Queensland has recently formed up again and registered with the A.C.P.T.S.A. Secretary at Clermont is D. L. Moody, Box 14, Clermont, Q.

Hargrave Park club, with its shooting grounds at "Bella Vista", Old Windsor Road, Parklea, N.S.W., will shoot on July 7 and July 21. On July 7 the club double-rise championship, at 10 pairs from 16 yards, will

be decided. A £25 handicap, under double-barrel conditions, is chief attraction for July 21. Programme is advertised. Enquiries to C. W. Plummer (Hon. Treasurer), 74 Brandling Street, Alexandria, N.S.W.

Coffs Harbour Club (N.S.W.) will shoot the N.S.W. double-rise championship at Macauley's Headland grounds on September 29. This will be followed on October 1 with the Northern Rivers D.B. Championship and £100 Handicap. The similar S.B. title will be shot on December 29.

S. M. Reid has taken over the secretaryship of the Berridale Club in New South Wales. He succeeds the foundation secretary of the club, N. F. King.

Longreach Club (Queensland) will shoot the Central Queensland single-barrel championship on U.S.A. Independence Day, July 4. Mrs. F. Whip, "Amor Downs", Longreach, is secretary of the Longreach Club.

A shooter from a northern area, writing recently to the Association, mentioned that, "As a shooter I wish to congratulate you and your Committee on the very enjoyable shoot you provided for us at Bankstown." It is pleasing to have such a comment after the many complaints regarding the appalling weather which competitors were compelled to put up with during the series.

Many letters having connection with the administrative section of the forthcoming Olympic Games have been received in recent months by the Association. Quite a number of these letters have no reference to shooting whatever. The Association is conducting the "clay target shooting events" only and it has already laid down and advertised details in the literary sections of this publication. Additional advertising will appear from now on outlining in full all information available that has reference to the Olympic Games. It is intended also to arrange for advertising in leading American and English journals which publicise clay pigeon shooting.

Recently in Victoria a club conducted an open "Association" championship which had not been allocated to it, and to make matters worse, an official Association referee was in

charge of the fixture. The Association has since received a flood of unsigned letters advising of the shoot and also advising that clubs acting in this way should not be granted renewal of registration. For those "unknown" correspondents and all concerned it is advised that the shoot was completely unauthorised, as was the holding of the "championship". The last-named event has been expunged from the records and the club warned not to repeat the performance.

Bisley Gun Club (England) conducted a 100-bird trial shoot on Sunday, April 15, for those shooters who have nominated for a possible place in Great Britain's Olympic Team of 1956 to compete in Melbourne. No result of the 100 birder is available at moment of writing.

The Executive Committee of the English Clay Pigeon Shooting Association has decided that only those competitors who "shot over at least 500 birds down-the-line in Association events and other major competitions, excluding skeet, shall be considered for a possible place in the team of 30 to represent England at the International Tournament at Cardiff (Wales) at end of June." In addition they must have shot over 300 down-the-line birds by May 31, 1956, at similar club shoots, and also shot over the 200 birds at the English Open Down-the-line Championship at Harrogate on June 1 and 2, 1956.

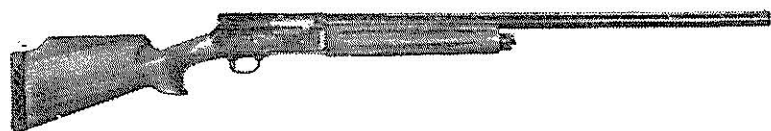

An appeal letter signed by Lord Burghley and Lt-General Sir Frederick Browning as Joint Chairmen of the British Olympic Appeals Committee, and by Lord Rupert Nevill, President of the Clay Pigeon Association, has been sent to all affiliated clubs in the Great Britain Associations, together with a donation form. All shooters in Britain have been asked to support the appeal with their donations.

The programme details of shooting arranged by the A.C.P.T.S.A. immediately following the games, appears in the advertising section of this issue. The dates arranged are, as yet, not quite definite, but will probably be fixed for December 6, 7, 8, 1956. As will be noted, the series has been given plenty of thought by the Executive Committee and the

Reports from London indicate that Spencer Colliver, the well-known West Australian shooter, is enjoying a feast of new experiences on his trip of the Continent. It appears he found England too cold, so he went over to Paris, then into Spain, San Sebastian, Biarritz, Portugal, Lisbon and Gibraltar (where he chatted to the "Apes on the Rock"). Back through Granada, Madrid, Valencia, Barcelona, where he met some very friendly Spanish sportsmen and shot at their club. Then on to Cannes and Monte Carlo and back to Rome. He was expected back in England on June 1.

The South Australian section of the annual Interstate Match will be shot on the Alexandra Club's grounds at Milang on Saturday, August 18, and Sunday, August 19, 1956. On the first day the elimination series will be held (commencing at 10 a.m.), at 100 birds. ## Feet and Footwear

Feet are, to my mind, most important to the outdoor man, no matter if he be a hiker, shooting man, or hill-climber. For to have sore or tender feet can be a major calamity, making foot-travel agony and ruining any outing he has been looking forward to, or any holiday he has planned. But by the exercising of certain small precautions with our feet, comfort can be assured.

First, the feet themselves. While on the trip you should change your socks daily and wash your feet each evening. If you have a sedentary job, and early on in your holiday your feet, through this unaccustomed usage, feel sore, you should dust them, and your socks, with foot powder. Make sure that your socks, which should be of wool, are well-fitting and have no rough seams, or lumpy darns. Wool socks are easily washed in warm water and soap, but they take time to dry. Remember to rinse them well, so as not to leave undissolved soap in the weave.

Now the boots or shoes. When walking for any distance over rough ground, your feet swell a little. Room must be left to allow for this and also a medium-thick woollen sock. If, therefore, your normal town shoe has been fitted over fine cotton or nylon mixture hose, you should purchase your outdoor walking footwear one full size longer and wider for comfort.

After buying your boots you must break them in. The usual way is to wear them for short periods of walking until they stretch to suit your own feet. My father once told me how the soldiers in the 1914-18 war ensured a comfortable fitting boot. They put them on, laced them tightly, then stood in four or five inches of water for half an hour. Then they marched about until the boots dried on their feet. I have broken in three pairs of boots that way and all have been very comfortable. So far, I have not taken a cold, but that is a very real risk one has to take.

When shoes are muddy they should be washed and then allowed to dry slowly in the air. Artificial heat

rapidly dries out the natural oils in the hide and causes it to shrink, stiffen, and possibly crack. Newspaper stuffed inside a wet shoe will help to dry it. After they are well dry, the boots should be well greased or oiled with a reliable proprietary preparation or Neats Foot Oil. Do not treat them too often, or they will become soft and then lacking in foot support. This greasing is a job best done in a temperate room with the boot slightly warmed to assist the penetration of the oil.

Leather shoes cannot be made entirely water-proof. They may be so when they are new, but in use the seams work and under immersion some water will come through. If you must have completely water-proof footwear, rubber is your material. But it cannot breathe as leather does, so your feet tend to be hot in summer and in the winter they are cold, as condensation cannot escape, so making the foot damp and chilled. Do not treat rubber with any oil or grease.

On the weight of footwear, opinions vary greatly. Some like very heavy shoes and others light. The main variable weight in a shoe is in the sole, so therefore any preference for a certain weight may have to be modified if it has to stand long, hard use without a break for repair. But for normal wear in this country, where repairs can take place as needed, I like a boot of only sufficient weight so that every stone and pebble cannot be felt through the sole and built rigidly enough to give good foot support. I do not like a too heavy boot, as I feel that lifting the extra few ounces on each foot up and forward over 2,000 times in every mile of a day's tramp must add up to quite a load and increase normal walking fatigue.

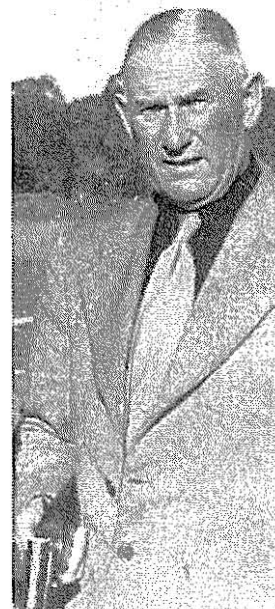

One word of warning with regard to the purchase of boots. Except for use over very wet, boggy ground do not wear boots too high in the leg. Too much length in the ankle makes them form a wrinkle which bears down at the top of the heel and very

## A Well-Deserved Honour

Shooting sportsmen everywhere will acclaim the honour bestowed on Association Patron, Lieut.-General Sir William Bridgeford, by H.M. The Queen, when he was elevated to knighthood in the Birthday Honours recently.

Sir William Bridgeford has been a Patron of the Association almost from the cessation of World War II. He served with distinction in both world wars and was G.O.C. Commonwealth Forces in Korea for several

years. Two of his greatest sporting achievements have been his success in winning the A.C.P.T.S.A. Intermediate Championship a few years back and also his gaining of a place in the Australian International Team when he returned the splendid figures of 94/100.

Heartiest congratulations are extended to our sporting General and hopes are expressed that he will be long spared to enjoy the great honour bestowed upon him.

## Duck's Unlimited

The 19th annual meeting of Ducks Unlimited, Inc., the nation's foremost migratory waterfowl conservation organisation, was held in Kansas City, Mo., on April 6 and 7. In addition to the members of the Ducks Unlimited Board of Trustees in the United States, Directors of its Canadian affiliate—DU (Canada) were also on hand for the meeting of the organisation, at the Hotel Muehlebach.

Outstanding leaders in business and finance, all of them prominent sportsmen and conservationists who serve on the DU Board of Trustees without pay, and who defray their own expenses to attend the meeting, were at the meeting this year. Practically every state in the union was represented by the Trustees and State Chairmen, and these wildfowlers maintain a keen interest not only in the sport of wildfowling, but conservation in general in their respective localities.

Almost \$5,000,000 has been spent by American sportsmen through Ducks Unlimited during the past eighteen years for the actual work of restoring the duck-breeding grounds in the prairie provinces of Canada, and the spectacular flights of wildfowl during the past season was mute testimony of the success of DU's work on the breeding grounds. Federal funds cannot be spent for such purposes outside the nation's borders. Therefore sportsmen, aware of the need of preserving the nesting areas in Canada, where more than 65 per cent. of the continent's wildfowl raise their young, contribute to Ducks Unlimited, the organisation dedicated to perpetuating the sport of wildfowling.

painful it is, too. Lastly, beware of the boots made for motor-cycle despatch riders in the war and now on sale in the shops. They look very nice half-way to your knee, but leave them for the motor-cyclist. They are riding, not walking boots.

## Another Message to Trapshooters

wanting a Quality Cartridge . . . .

We have just received this letter from champion trapshooter Sperry Marshall of Tasmania:—

Messrs. Kenneth H. Brock & Son Pty. Ltd.,  
191 Queen Street,  
MELBOURNE, C.I.

Venice Street,  
Howrah,  
Tasmania,  
30/4/56.

Dear Sirs,

Once again I am indebted to your Company in making it possible for me to test the new improved **Cooppal Trapload.**

Firstly I carried out a test on 50 at a Gun Club with the aid of my brother Paul, whom I consider equally as good with a gun as myself. We found that on going back a yard each time, shot for shot, starting from the 25-yard mark, which, in our opinion, is the only proper way to really test a cartridge, we broke birds consistently to the 40-yard mark. This is what one might call a grand effort, certainly for a 2½ in. shell.

Last week-end, at the Bothwell Gun Club, I used the Cooppal for the first time in a Championship (State Double Rise), which I won with a score of 14/15 pairs. To shoot a score such as this, under very adverse conditions, surely has more than enough bearing on their quality.

I can only add, from my brother and myself, we have never yet used a better 1½ oz. shell than the Cooppal.

Yours faithfully,

(Signed) SPERRY MARSHALL.

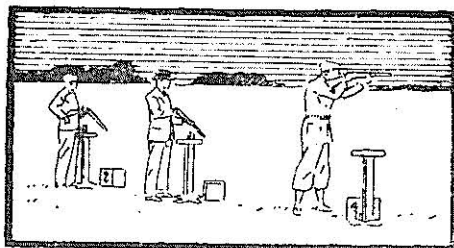

Could we ask for a better recommendation than this?

# AROUND THE CLUBS AND MEETINGS...

**COBURG (Vic.).**—There was a good muster on May 5, when the Club Deauville Doubles Championship was disposed of. Proceedings commenced with a 5-pair Deauville Doubles, and in this seven pairs scored the possible, which made it look as though the Championship might go on to a lengthy shoot-off.

However, quite a few fell by the wayside, and the only possible was scored by that redoubtable pair, Clem Mudford and Andy Tie.

Individually these shooters rank with the best, but as a team they are almost unbeatable.

Clem, of course, is the 1956 Champion of Champions, and seldom a shoot passes without Andy's name cropping up somewhere.

Both shooters are back markers, and it will be interesting to see them in action in the 100 birds Interstate Teams Match off 16 yards.

A 20-birder on the same programme saw Bill Finnigan, another fine trap shot, down George Biggs and Andy Tie, with Mrs. "Tim" Jones taking the 16/17 yds. trophy.

Saturday, May 19, looked as if it would be a really miserable day. Drizzling rain fell all the morning and sloped everything up nicely. However, by the time the shoot started, the weather brightened considerably and the conditions, though a little chilly, were not altogether unpleasant, and the crowd was a good one.

Two 20-bird Double Barrel events were the attraction and these were won by Tony Senserrick and Len Peel respectively.

There were numerous visitors, and President Cliff Ingbritsen was pleased to welcome five visiting Presidents.

They were Arthur Coutts, of the Northam Club, W.A.; J. M. Scott, of Towonga; "Snowy" Godfrey, of Croydon; Don Glover, of Keilor, and George Biggs, of Australian.

Everything is under control for the big Interstate Teams Match here on August 25.

This shoot will commence at 8.30 a.m. sharp and will continue without a break until finished.

We will probably have another trap installed—surveying is now going on, but it will be up to the shooters to co-operate.

The referees will be very strict, and if a shooter fails to answer his call within three minutes without reasonable excuse, he will have a bird pulled against him.

The trophies will be the best ever offered, and apart from first, second and third, every yardage up to 23 will be catered for.

The top ten will constitute the Victorian team, and these shooters will be expected to shoot a further 100 birds on Monday, August 27.

High gun in the actual match will receive a handsome trophy, and every other member of the team will get a memento fitting to the occasion.

We intend to make this the greatest shoot we have ever held. To allow our committeemen to concentrate on their shooting, we are putting on a special staff for the day—and we have some pretty smart hustlers in the team.

Will let you know more next issue.

**WARRACKNABEAL (V.), 5/5/56.**—Weather conditions: good. Night Results: No. 1, 5-bird; 17 possibles. No. 2, Teams Match: 1st, Horsham (J. Ball, C. Ball, J. Hinneberg, N. Hinneberg); 2nd, Beulah (J. Shannon, W. Castle, K. McQueen, R. Woller). No. 3, 5-bird Trophy: Sweep, div. C. Ball, J. Shannon, L. Golding, K. Hart, R. Schilling, A. Hallam; Trophies, 1st, R. Schilling, L. Golding.

Visitors from Kaniva, Goroke, Rupanyup, Dimboola, Beulah, Horsham, Hopetoun, and all had a good night despite the cold.

(C. Rickotts, Hon. Sec.)

**KATANNING (W.A.), 29/4/56.**—Weather conditions: fine and warm. Results: No. 1, 10-bird D.B.: 1st, Tim Catling, 16/16; 2nd, D. Anderson, 15/16. No. 2, 10 prs. D'ville Doubles: 1st, W. Makeham-T. Catling; 2nd, B. Clegg-A. Jury. No. 3, 9-bird Skeet: 1st, B. Clegg; 2nd, D. Anderson.

The club had a perfect day for the opening shoot of the season with a good attendance of shooters, including new shooters and visitors. The standard of shooting was good, and the younger shooters had pretty much of a monopoly, together with a couple of "old stagers" in Bill Makeham and Athol Jury. Bill has just returned from a holiday in the East and says he had some very enjoyable shooting while over there. He is certainly shooting well now and with great confidence.

(David Anderson, Hon. Sec.)

**WODONGA ATHLETIC (V.), 26/5/56.**—Weather conditions: fine, cold westerly wind. Results: No. 1, 5-bird D.B.: div. Mrs. Catling, D. Hore, L. Hanel, D. Gittings, J. Butson, B. Sloan, J. Huntington, A. Terrill, I. Schubert, 5/5. No. 2, 5-bird D.B.: div. R. McLennan, J. Huntington, A. Terrill, I. Schubert, B. Sloan, A. Patterson, R. C. Melgard, S. Steeth, C. Cottrell, L. Hanel, J. Ferris, K. Hanna, D. Hore, R. Heriot, J. Reis, R. Bailey, R. Emery, 5/5. No. 3, 10-bird D.B. (Trophy): 1st, J. Reis, 32/32; 2nd, I. Schubert, 31/32; 3rd, S. Smith, 29/30; best 16 ydr., D. Hore, 23/24. No. 4, 10-bird D.B. (220 H'cap): div. S. Smith, A. Terrill, L. Hanel, G. Catling and R. Waite, 15/15. No. 5, Miss-out: S. Smith, 9/9. No. 6, Miss-out: D. Gittings, 7/7. No. 7, Miss-out: J. Ferris, 2/2 (in the dark).

Once again a successful meeting. Unfortunately we were unable to use our own ground due to floods. Main event went to J. Reis (ICIL) of Albury. Jack is an old stalwart of the shooting game and it was good to see him break a long run of outs at the clays. Ian Schubert and Sid Smith once again in the shoot-off. Ladies provided afternoon tea, and everyone declared it a good day's outing.

(W. C. Cottrell, Hon. Sec.)

**GIRU (Qld.), 27/5/56.**—Weather conditions: excellent. Results: No. 1, 5-bird S.B.: K. Kelman, D. Rollston, J. Griggs, J. Bray, R. W. Griggs. No. 2, 5-bird S.B.: K. Kelman, J. Griggs, C. R. Hall, H. Ransom. No. 3, 5-bird S.B. (Strange Gun): K. Kelman, J. Bray, J. Carrington, H. Ransom. No. 4, 5-bird S.B. (Sliding H'cap): J. Griggs, C. R. Hall, R. W. Griggs, H. Ransom. No. 5, £10 H'cap (10-bird D.B. Pts.): 1st, J. Carrington, 10/10; 2nd and 3rd, div. 9/10, J. Griggs, F. Dellachantos, C. R. Hall. No. 6, 3 pr. D. Rise: J. Griggs, J. Carrington, C. R. Hall, D. Griggs, A. L. Poletti, D. Simpson. No. 7, 3 pr. D'ville Doubles: F. Dellachantos and A. Poletti. No. 8, 3 pr. D'ville Doubles: D. Rollston and H. Ransom.

Though weather conditions were favourable, shooting, with a few exceptions, was not up to expectations. Perhaps the novelty shoots, though popular, may have put the shooters out of step. However, J. Griggs (Giru) again shot very consistently and J. Carrington (Tolle), K. Kelman (Richmond) and F. Dellachantos (Giru) were to the fore.

(T. R. Marron, Hon. Sec.)

**WONTHAGGI (V.), 28/4/56.**—Weather conditions: good. Results: No. 1, 5-bird D.B.: div. H. Pearson, E. Cripps, E. Mabilia, T. Gleeson, A. Lewis, H. Beard, O. Ayton, K. Moresco, D. Briggs. No. 2, 10-bird D.B. (President's Trophy): A. Lewis, 29/30. Trophy: L. Hallett, 27/30, best 15 ydr. No. 3, 10-bird S.B.: H. Pearson, E. Mabilia, A. Lewis, div. No. 4, 5 pr. D. Rise: H. Pearson, N. Gannon, W. Miles, A. Lewis, R. Johnson, T. Beard, B. Heppell, div.

The committee were very pleased to see so many visiting shooters and wish to thank them for their attendance. Arthur Lewis continues to be in the money; never missed in any event. Good luck, Arthur.

28/4/56 (Night)—Weather conditions: good. Results: No. 1, 5-bird D.B.: E. Rowlands, C. Budge, N. Gannon, F. Hill, L. Hallett, F. Poon, W. Miles, W. Bong, div. No. 2, 15-bird D.B. Night C'ship: C. Budge, 30/30. No. 3, 5 pr. D. Rise: T. Beard, W. Neylon, 4/5, div.

Shooting in the night events was quite good. In the Night Championship the event was shot off between C. Budge and H. Beard;

the event was won by C. Budge, who shot 30/30 to defeat H. Beard, 29/30. All shooters were of the opinion that the lights are well up to standard. We had our largest attendance of spectators.

26/5/56.—Weather conditions: rain and cold wind. Results: No. 1, 5-bird D.B.: S. Hollins and A. Mabilia, div., 5/5. No. 2, 10-bird D.B.: K. Moresco, Trophy; best 16 ydr., L. Wildes. No. 3, 10-bird S.B.: S. Hollins, 9/10; R. Johnson, 8/10. No. 4, 5-bird S.B., 5-bird D.B.: W. Dennis, T. Beard, 10/10, div.

26/5/56.—Weather conditions: cold and wet. Results: No. 1, 5-bird D.B.: M. Cargill, T. Beard, K. Moresco, div., 5/5. No. 2, 15-bird D.B.: S. Hollins, 42/45; W. Neylon, 40/45; F. Hill, G. Grey, 36/45. No. 3, 5 pr. D'ville Doubles: W. Miles and M. Cargill, R. Johnson and W. Bong, div., 5/5. No. 4, 10-bird S.B.: L. Hallett, 9/10; T. Beard, W. Neylon, K. Moresco, M. Moresco, 8/10.

Weather conditions were against shooting, but the spectators enjoyed the shooting. The committee held a meeting and decided that the next shoot on June 23rd would be held for the Wonthaggi Band. Any visiting shooters are assured of an excellent day.

(M. Cargill, Hon. Sec.)

**WALLERAWANG (N.S.W.), 12/4/56.**—Weather conditions: cold and showery. Results: No. 1, 5-bird: E. A. Ferguson, 5/5; W. Shoebridge, A. Rowe, W. Weinert, A. Rochester, 4/5. No. 2, 5-bird: W. Weinert, A. Rochester, J. Farrimond, A. Rowe, 5/5. No. 3, 5-bird Trophy: K. Soames Sen., 8/8; S. Aitkinson, 7/8; L. Farnham, 5/6. No. 4, 5-bird Pairs Trophy: J. Farrimond and M. Milton, 8/10. No. 5, 5-bird: J. Farrimond, A. Rowe, G. Roberts, L. Farnham, 5/5. No. 6, 5-bird Trophy: K. Soames Jun., 5/5; J. Farrimond, 7/8.

Although the weather was very cold and showery, 23 shooters attended the first shoot conducted by the newly formed Wallerawang Club. Scores were very low owing to adverse conditions, but shooters rolled up in full support, showing the keen interest taken in clay target shooting in the district. An event which proved popular was the pairs team shoot, in which an experienced shooter and a beginner were paired together.

(Miss J. Weinert, Hon. Sec.)

**AUSTRALIAN (V.).**—May 12th. Don Latham won the Metropolitan Mixed Birds C'ship at East Burwood with 20 straight. Seldom do we hear of possibles in this exacting event, and Latham's effort in adverse wintry conditions savours the hall mark of marksmanship. Fred Burns missed one bird in D. Rise, taking 2nd honour, 19/20, while our Hon. Sec., Roy Ayre, won the tie shoot for 3rd Trophy, 26/23. The opening event at 6 pr. D. Rise was div. B. Bond, K. Lowry, F. Burns, P. Poole, R. Thom and A. Hamilton, 5/5 prs., and a S'stake at 15 birds was div. K. Waring (Willaura), B. Bond, H. Phillips, A. H. Brenk and R. Ayre, 15/15.

May 26th, and the Clarrie Northy Trophy, which was won by F. Thatcher from a field of 48 with a lone 30/30. E. Arnold, C. Fankhauser, W. Hunter and A. Waring, with 29/30, contested the places: 2nd Trophy, E. Arnold, 35/37; 3rd, C. Fankhauser, 35/37. Sectional Trophies: 16 yd., A. Cripps, 28/30; 17/18 yd., W. Hunter, 33/35; 19/20 yd., A. Ketchell, 39/41; 21 and over, R. Hering, 28/30. The opening 15-bird Pts. found Eddie Brenk on the bird with a splendid 15 singles, 30/30 pts., closely followed by L. Turner, D. Latham and R. Ayre, who div. 2nd and 3rd money, 29/30 pts. A final 15-bird Pts. was

won outright by Cal. Hollow, with R. Thom, 2nd, 32/34; 3rd, A. Cripps, 30/34. Cal. a representative of I.C.I. Ltd., has recently taken to shooting like a duck to water, and won the Grand Australian H'cap at the National series with the only possible. Visitors welcomed by the President were A. Lewis, N. Gannon and A. Cripps (Foster), A. Waring (Willoura) and E. Arnold (Frankston).

Geo. Biggs will give instruction to new and intending members while competitions are being held on other grounds. No. 4 trap will be used exclusively for instruction, so here is a golden opportunity to be coached free by a first-class instructor. This service also applies to mature shooters who continually fail to break a particular bird. Put your problem to George, and I am sure that he will iron it out for you.

Handful? I'll say they are! There were no George Biggs when I learned to shoot half a century back. My lesson was pointing straight at a crossing rabbit, with my right foot slipping into a depression which caused my gun to swing with the bunny and 5 ft. past. To my amazement, the bunny dropped dead. I had learned the fundamental rule of shooting at a moving object the hard way, and there were no more empty bags after that, and so it is with many who take up this sport. They learn the hard way, groping their way along until a similar incident occurs when they find out just where to place that shot. In some cases the incident referred to does not occur and the shooter makes little headway and another potential shooter is lost to the sport.

With this in mind Geo. Biggs has organised this school of instruction, where new shooters will probably traverse that fine piece of work by Ray Hering, showing the line of shot flight required to meet every bird and then receive expert instruction in the art of breaking moving objects by Geo. Biggs.

(H. H. Ball.)

**CROYDON (V.), 28/4/56.**—Weather conditions: windy. Results: No. 1, 5-bird D.B.: H. Fisher, R. McKnight, L. Cocket, Mrs. Jones, H. Godfrey, R. Osman, E. McGoldrick, 5/8. No. 2, 20-bird D.B.: 1st, E. McGoldrick, 24/24; 2nd, N. Kneebone, 23/24; Cyril Fankhauser, 22/24; 16 yds., J. Meek, 20/20. No. 3, 5 pr. Auto-Skeet, N. Kneebone, F. Samson, div., 4/5 prs.; K. Brooks, 3/5 prs.

Once again the shooters are showing how popular this club is, as more and more shooters keep coming along. It is also pleasing to the committee to hear shooters and visitors admiring the trophies. Each shooter who took part was pleased to see our good club man, E. McGoldrick, take out the 1st prize; if he keeps up this good shooting, he will finish back with K. Brooks. Once again our very good hard-working ladies put on an enjoyable afternoon tea.

**12/5/56.** — Weather conditions: dull and rainy. Results: No. 1, 5-bird D.B.: div. N. Fletcher, A. Tie, R. Johns, A. McMillan, R. Andrews, R. Osman, Lance, G. Anderson, N. Kneebone, 5/8. No. 2, 30-bird D.B. C'ship: 1st, W. Lestrangle, 33/35; 2nd, L. Cummings, 32/35; 3rd, R. Johns and J. Fogg, 24/25; 16 yds., A. McMillan, 24/25.

Although the weather conditions were against us, we had 54 shooters turn up. Thanks to the hard work of our President and Committee, we hope to be soon shooting under the lights. Once again Mrs. Godfrey put on a delightful afternoon tea.

**26/5/56.**—Weather conditions: wintry. Results: No. 1, 5-bird D.B.: div. J. Hagan,

K. Smith, J. Corbett, B. Miller, Lance, 8/8. No. 2, 15-bird D.B.: 1st, S. Stevens, 34/34; 2nd, J. Hagan, 33/34; 3rd, K. Brooks: 16 yds., K. Smith, No. 3, 3 pr. D. Rise: S. Stevens, R. Osman, div., 3/8. No. 4, 5 pr. D'ville Doubles: div. K. Smith - N. Kneebone, J. Corbett - W. Gressele, K. Osman - D. Bell.

We saw a shooter today who will no doubt become one of the champions, in S. Stevens; this boy is only 13 years of age, he is the son of a well-known shooter, Jock Stevens. Everyone was pleased to see him win, as he was up against some of the veterans of the game. Afternoon tea was provided by our own committeeman's wife, Mrs. Osman. No doubt about it, the ladies just put the finishing touch to the shoots, and this was no exception.

(R. F. Buchan, Hon. Sec.)

**GEE LONG (V.), 11/5/56.**—Weather conditions: fine, with cross wind. Results: No. 1, 5-bird D.B.: R. Krentzlin, R. Layton, K. Garrett, W. Williams, K. Scarlett and J. Ford, 5/5. No. 2, 20-bird D.B. 550 H'cap: W. Williams, A. J. McMillan and N. Carroll, div., 19/20. No. 3, 5-bird D.B.: N. Carroll and R. Layton, 8/8.

Showers of rain, with strong gusts of wind, made shooting conditions rather difficult. A good attendance of shooters were present, in spite of the rough weather. Local shooter, Norm Carroll, was a little unlucky not to win outright, as he missed his 20th bird.

**25/5/56.** — Weather conditions: fine. Results: No. 1, 5-bird D.B. (C.D.): R. Layton, J. Moore, W. Wiggs and G. Cations, 5/5. No. 2, 15-bird D.B.: N. Carroll, 1st, 15/15; R. Giles, 2nd, 19/20; R. Krentzlin, 3rd, 23/25; best Front Marker, K. McNaughton, 18/21; best Back Marker, R. Layton.

Owing to heavy thunderstorm rain in the late afternoon and the early part of the night, our attendance was very small for such an important title. Earlier it was doubtful if the club would be able to conduct the shoot; however, those present decided to brave the weather and shoot the Championship. The scoreboard showed W. Lyon, R. Grant and C. Fletcher had all returned equal scores; in the shoot-off, C. Fletcher won narrowly from W. Lyon, with R. Grant filling third place.

FOOTSCRAY (V.), 12/5/56.—This club held a shoot in the most unfavourable conditions, the weather being wet and windy; it was a pity that this was so, as Mrs. Fred Burns had presented a very handsome silver tea service for our main event, of which was a 20-bird D.B. H'cap: won by Bill Rodda, 19/20; 2nd, Norm Guy; 3rd, Ray Hering; 16 yd. Trophy, R. Patterson.

The first event, 5-bird S.B., was won by new shooter, of whom had just joined up, and also took out 16 ydr. in major event—nice going. Result: K. Patterson, 14/14; 13/14, 2nd. I would like to add my thanks to Fred and Mrs. Burns for their nice gesture to this club.

The weather was fine and windy, but shooters were on the mark, especially Eric Smith. Visitors from Learmonth, Sebastopol, Willaura and others. We haven't had many shoots throughout the summer, but will be into full swing now, as we have quite a lot of interest in other sports through the summer; also the fire risk keeps a few at home.

The weather was wet and windy right till 8 o'clock for our night shoot, then came fine, but that didn't keep shooters at home, so what will? Every shooter got a Trophy or a cash dividend, so a good night was had by all.

We were very fortunate in having two days of excellent weather for our Annual Carnival Shoot, as it rained two days beforehand and has rained ever since. We had a good roll-up of 50 odd shooters each day. Visitors attended from Sydney, Newcastle, Goondiwindi, Taree, Kempsey, Moree, Walcha, Inverell, Mudgee and Bruthen, Vic.

The first day was successfully culminated with the Barbecue at night, which was followed by the drawing of the Calcutta on the £100 event for Saturday. The Barbecue was a great success; shooters and friends enjoyed themselves immensely, and it would appear in future that the Barbecue would take the place of the Club Dinner run previously.

Congratulations to D. York on winning the Northern N.S.W. D.B. Championship with 75/75, also congratulations to W. Turner, 2nd, and N. Williams, 3rd. An exceptionally good performance was put up by N. Simpson, who won the High Gun, having missed only three birds over the two days' programme. The High Gun Trophy was presented by N. Thomas on behalf of the donors. I.C.I. It was pleasing to see the excellent performance of J. Mott in the Deauville Doubles, as it would appear that this young shooter has a particularly bright future.

P.S. — Many thanks to L. Engel of Newcastle, who donated a magnificent cake to be raffled for the club.

CUNNAMULLA (Qld.), 13/5/56.—Weather conditions: excellent. Results: No. 1, 10-bird D.B. (comp. div.): E. Sherwin, S. Stewart, B. Moody, R. Heinemann. No. 2, 20-bird S.B.: 1st and 2nd: W. Davis, E. Eeroyd; 3rd, W. Moody and I. Hunter, div. No. 3, 10-bird S.B. (comp. div.): R. Heinemann, I. Hunter. No. 4, 20-bird D.B. Pts. 3-2: 1st, Trophy (presented by J. Beresford), won by I. Hunter; 2nd, B. Moody; 3rd, J. Ridge, S. Stewart, E. Eeroyd, N. Norris. No. 5, 10-bird S.B. (Club Mug): L. Schmidt. No. 6, 10-bird D.B. S. Rise (Gun Down): 1st, R. Heinemann; 2nd, R. Morley.

Due to the recent heavy rains, the majority of our members had been unable to reach town for some months, so that the shoot on Sunday was the first held this season. It was very pleasing to see so many members present, though some were disappointed in being unable to attend. Considering the shooters have not had much practice recently, the shooting was of very fair standard and everyone present enjoyed the day's sport.

Our congratulations go to L. Schmidt, who won the Club Mug outright, and I. Hunter, winner of the 20-bird D.B. Points. We would like to mention that both Lester and Ian joined our club last season. Also congratulations to all other winners during the day.

The shooting was interrupted for a short time after lunch to enable the Club to hold a meeting, during which various matters were discussed. The resignations of President T. E. Hays and Secretary P. E. Osborne were accepted in favour of Mr. S. Stewart and Miss G. Knight. We congratulate Sep and Gloria on their new positions and wish them the best of luck. Also, we take this opportunity to say "Thank you, members" for your co-operation and consideration in the past. Also it was suggested the Secretary apply for dates 14th and 15th July to hold our annual two-day shoot. In the meantime a programme will be drawn up to cover this shoot and will be advertised as early as

possible. A few further matters were discussed before the shooting continued.

Another successful shoot was recorded and we trust the season continues in this spirit.  
(P. E. Osborne, Hon. Sec.)
