**LIST OF AFFILIATED CLUBS.** The full list of currently affiliated clubs with the A.C.T.A. is published in this issue. As far as is known, the names of the Secretaries (which are published with the clubs) are correct. However, it has been found that on occasions some clubs have changed their Secretary without having notified the Association.

**NIGHT LIGHTING PLANS AND DRAWINGS.** The popularity of night shooting at clay targets has greatly increased in recent years. Many clubs have from time to time written the Association seeking details and plans of night lighting for this type of shooting. The Association is now greatly indebted to Executive Committee member Mr. Dan Mott of Newcastle, N.S.W., who has studied the details of night shooting and has kindly passed all his plans and drawings along to the Association for issue to clubs interested. The blueprint drawings give every detail required by a club in the installation of lights. These will be issued to clubs interested on the payment of £1/1/0 and drawings and specifications become the property of the club concerned for all time. In explanation of the problems attached to night lighting installation, Mr. Mott has submitted the following hints:

"Lighting for trap shooting at night presents certain problems for Gun Clubs in general. Not only is there the problem of getting good illumination on to the birds for the full distance of their travel, there is also the necessity of getting sufficient

light of a non-glare type on to the shooter's guns; having achieved just this, then there is more or less the ever-present problem of vandalism; lights which have been erected and carefully focused have to be pulled down after each shoot and the necessary focus (using 2 poles) is lost. If they are not taken down, vandals shoot them up or otherwise damage them, not, of course, to mention the work involved in taking down and putting up, which is usually left to the one or two people concerned.

When we study the requirement of the lighting, it becomes obvious that the optimum lighting would be one which has the lights focused in the same line of travel as the clays; the nearest compromise that can be achieved in this direction is to have all lights mounted on a tower placed behind the pulling stand on the centre track; the clays are thrown from a central position, hence the light should come from a central position; with the single centre tower, there is no crossing of light beams, hence no diffused light, with the nett result you have better visibility for less light strength than can be secured by any other method.

After a lot of trial and error, I designed and set up the lighting for Newcastle Gun Club. All lights are mounted inside a steel box, the lid of which can be locked, thus we can all enjoy our night shooting without any work other than opening up the locks.

The lights are all mounted in a tower which is located on the centre lane 32 yards from the trap; the

lights are 21 feet above ground level; there are five A.E.I. L69-1500 watt floodlights, and a little lower down the tower are mounted two 500 watt tennis court lamps with parabolic reflectors to give the back markers light on their guns.

This set-up gives ample light on all aspects of clay shooting. The clays show up clear and bright from the moment they leave the trap till they hit the ground the full distance of their travel. (I am assuming a lost bird, of course).

Focus with this set-up is not a critical one, and while it is advisable to focus them one at a time, the centre one down the centre and, of course, the two outside ones to suit the quartering and full angle birds, experience has taught us that there is very little angle on the lights and fair to good lighting will result even if the lights are shining straight out from the tower, and, of course, once your lights are right, they are left alone."

**SKEET RULES.** In connection with the change in skeet rules, it is of interest to note that the English Clay Pigeon Association (with which the A.C.T.A. is affiliated) has announced new rules. Until further notice the Skeet Rules of the English Clay Pigeon Shooting Association will be those of the International Shooting Union, with the following modifications: No. 8 station is deleted. Singles will be shot from stations 1 to 7 in that order, and doubles from stations 7, 6, 4, 2 and 1, in that order. Targets will be released instantaneously upon the competitor's call of "pull" (for the high house) or "mark" for the low house.

Full details of the International Shooting Union Skeet rules as they will apply in Australia will be discussed and finalised at the next meeting of the Executive Committee of the A.C.T.A. in October.

**REGISTERED SHOOTERS.** Yet another club has written the Association requesting to know whether a "shooter can shoot in open company

without being registered with the Association". As has been explained in these columns many times previously, it is a fundamental rule of the Association Constitution that "all shooters must be registered". This applies to "all" shooters as indicated, whether they partake in club shoots or only open events. Registered shooters are not permitted to shoot with or against unregistered shooters. Clubs should take particular notice of this rule and ensure that every shooter is registered. Those not in possession of their registration and handicap card should be debarred from entering a competition until fee has been paid.

**A MENDED REGISTRATION CARDS.** Recently an interstate club wrote to the Association explaining that considerable confusion took place at a recent open shoot because a shooter's registration card showed the handicap as being amended and signed by the handicapper, instead of that official's rubber-stamp signature. The referee concerned certainly took up a ridiculous attitude. Whether the signature is done by a rubber stamp or individually handwritten is of no moment. Providing the signatures are identical, there should be no question on the matter.

**CAREFUL GUN HANDLING.** Far too many instances have been noticed of late of careless handling of guns by shooters. Referees should see to it by quietly spoken words that competitors are taking all reasonable care when shooting in a squad or walking on or off the track. Guns should not be loaded until the shooter is ready to shoot. Some shooters consider they are wasting time and unduly prolonging the shoot if they do this. Safety is the paramount consideration and every gun should be open and empty before the shooter turns away from the trap. Also shooters should not walk behind the other members of his squad with his gun closed and, even if open, with shells in the breach. Novices should be instructed by referees on these points when they first start competitive shooting.

**1961 CHAMPIONSHIP APPLICATIONS.** Clubs are reminded that attention should be given to their 1961 Championship Applications. Applications, of course, will apply only to "open" championships, that is Commonwealth, State and District Championships. Applications for these events should be lodged with the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.I, not later than September 30; late applications will be accepted up to October 5. Applications must be made in writing. All applications are arranged in order of events and are placed before the Executive Committee at its October meeting, when that body makes the 1961 official allocation. The allocation for the year 1961 is then published in "News" for all club shooters to read. It is important to realise that

it is quite useless applying for "all" championships. The best plan is to make a reasonable number of applications, naming alternative events, should the title or titles sought be allotted to other clubs.

**SCORE AND REPORT BOOKS.** Official score and report books are available to affiliated clubs at a cost of 35/- each. The price has recently been increased slightly following increase in printing costs. The books, which in addition to providing a ledger for the club, a report section (removable) for "News" and some 400 odd squad sheets, are still good buying at 35/-. One book, used in the proper manner, would last the average club at least 12 months, in many instances much longer.

## Letters to the Editor...

The Editor,  
A.C.T. Shooting News.

Sir,

Although this letter is addressed to you, its main purpose is directed to the Executive Committee.

In a few months the Executive will have before it the usual crop of applications for Championships, and this is the main purport of this letter.

I am of the opinion that the Executive should give more serious thought when they allocate the Championships, both Commonwealth and State.

My reasoning is that the titles should be given to those clubs that produce the larger representation at their respective shoots.

The club that I am Hon. Secretary of have year after year produced as many shooters that shoot at the "International Series", while the Alexandra and Mildura Clubs are in the same category, therefore the allocation of the premier titles to any of those mentioned would, in effect, give the greater number of shooters a chance of securing the coveted championship.

The present system seems "cock-eyed" to me when you see a Commonwealth title having an entry of around sixty shooters, whereas the figure should be nearer the two-hundred mark.

Yours, etc.,  
Hon. Secretary, Hay Gun Club.  
27th July, 1960.

Mr. W. McCullough,  
Secretary, Australian Clay Target  
Assn.,  
P.O. Box 2038, S,  
Melbourne, C.I, Australia.

Dear Bill,  
On arrival home after our hectic but still very enjoyable holiday in Australia, I found a great deal of Association work awaiting me. Hence the delay in writing to thank all members of your Association for the hospitality shown to our team during its visit. I have written to Mr. Houston expressing these sentiments, which have been confirmed by all our members in correspondence since our return.

I confirm my verbal invitation to your members to attend our 1961

National Championships which will be held at Hamilton from 22nd - 29th March, 1961, inclusive. It would be appreciated if this invitation and dates could be passed on to your members per medium of the Shooting News.

Following the visit of our chaps last month, I feel that both of our Associations have been drawn much closer together. I also feel that members in each country will be more interested in following the progress of the sport in the other Dominion, so I wonder if you would mention in the News columns that Gunshot, the quarterly official magazine of the N.Z. Gun Clubs' Association, is available to members of your Association; the subscription rate is 10/- (N.Z.) per year. Subscribers should remit to Gunshot, 2 Belgrave Crescent, Dunedin, N.Z.

In turn, I intend to repeat the paragraph which appeared in the Sept. 1959 Gunshot, stating your magazine could be purchased by our members at a cost of 20/- (Aust.) per annum.

I presume you have been very busy since the Championships. I trust that all goes well with you.

P.S. I would be glad if you would advise me the dates and venue of your 1961 National Championships.

Kind regards,

Yours sincerely,

W. H. STEWART,

CAMBERWELL CITY COUNCIL

The Secretary,  
Australian Clay Target Association.

Dear Sir,

I would be pleased if you could mention in your regular monthly paper, which goes out to the Gun Clubs in your Association, that the Camberwell Gun Club was instrumental in raising the sum of £113/10/- at its Anzac Day Charity Shoot for the Mayor's Charity Fund which he donated to the Building Appeal of the new St. George's Hospital, which will serve the municipalities of Kew, Hawthorn and Camberwell.

Please express my own personal thanks and gratitude as well as that of the Mayoress for this very worthwhile effort.

Yours faithfully,

F. A. BROUSSARD,  
Mayor.

148 Victoria Street,  
North Richmond,  
21st July, 1960.

The Editor,

Dear Sir,

As in football, boxing and numerous other sports controlled by one man whose decision can make or mar a competition, the referee in trap shooting comes in for his fair share of criticism. This is usually well meant and quite often thoroughly deserved, and if it is offered in a friendly manner, should at least be listened to, for although some referees who have had many years of experience, study the rules and passed examinations, etc., it must be admitted that mistakes can be made which frequently penalise the competitor, who has no redress or right of appeal.

While I would be opposed to a referee being drawn into an argument, I do feel that friendly discussions at the end of a day could well result in some of the curly ones being straightened out.

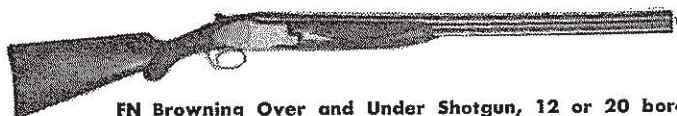

One matter that appears to cause confusion is the failure to distinguish between a misfire, which is thoroughly covered by the current rules, and what is commonly referred to as a malfunction in an automatic gun, which some claim is not adequately covered.

The rules clearly state that when a competitor has a misfire with his second barrel, having missed with his first, he will be given another bird which he must miss with his first, being permitted to score with his second barrel only. The rules also direct that a competitor shall not use a gun after it has twice misfired in a competition.

Unfortunately no definition of a misfire is given, but we do not need Major Burrard to tell us that when a properly loaded gun fails to shoot

because of a damaged firing pin or spring, or because of a faulty cap, it would most certainly be a misfire, but one would need a rather vivid imagination to claim that a failure of a magazine gun to eject an empty shell, or similar occurrence, was also a misfire.

Rule 16, section 6, which contains the only ruling in the current book regarding magazine guns, states that "when the head pulls off an empty shell, etc., thereby preventing the re-loading of a second shot, the decision is a "no bird" and adds, "a competitor must abide by the result of such failures thereafter."

Then again the shooter having trouble with his auto. could claim a baulk, which, if allowed by the referee and declared "no bird", would give him another bird.

Incidentally, the rule book defines a no bird as, "It is thereafter no part of the competition and is irrelevant to it."

So we find that on one hand we have a chap with a misfire who, although he must miss with his first barrel each time, is permitted three chances in an event, while on the

other hand the magazine gun user unfortunate enough to have the head pull off a shell, etc., who, although he is entitled to a "no bird", must abide by the results of such failures thereafter. In short, he gets only two chances in an event. No doubt the wise men who compiled the rules had good reason for treating two similar occurrences so differently, but they did give the harassed referee, who considers magazine guns not sufficiently covered by the rules in double-barrelled, down-the-line shooting, the right to declare "no bird" under rule 10, section F, which reads, "Where there is any other reason not provided for in these rules if in the opinion of the referee it materially affects the equity of the competition."

No doubt other members have different opinions on these matters, and I for one would be interested to hear them.

Wishing the magazine continued success,

I am,  
Yours faithfully,  
L. G. KENNEDY,  
Melbourne Gun Club Referee.

## Wild Life Control

The Secretary of the N.S.W. Institute of Freshwater Fishermen recently stated that divided control of fishing and wild life in his State was ineffective and sharply contrasted with the efficient system operating in Victoria. He was one of a deputation to the N.S.W. Chief Secretary seeking an authority similar to the Victorian Fisheries & Game Department. It was stated that all fresh-water and salt-water and field sports clubs were behind the move in New South Wales.

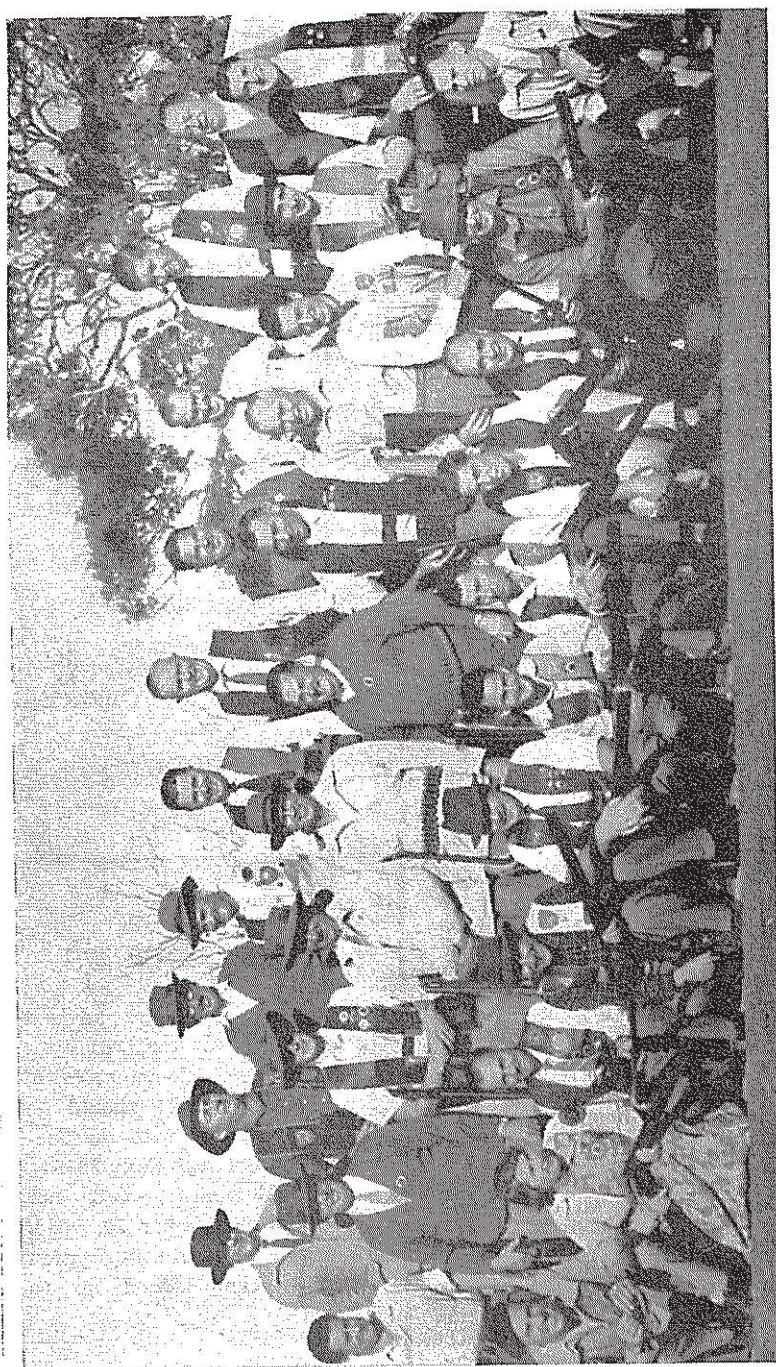

It was stated that all clubs supported the principle of fees to improve these sports. At present, it was pointed out, shooters pay no fees in New South Wales and as a result hordes of shooters from Victoria (where licence fees are imposed) come into New South Wales.

Affiliated clubs are advised that applications for 1961 open championships (Commonwealth, State and District) should be lodged in writing with the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.1, not later than September 30, 1960. An unavoidable late application will be acknowledged up to October 5.

## "Tips and Tails"

A new club has been formed at Esperance in Western Australia. The new club will be known as the Esperance Bay Gun Club. The club has already affiliated with the A.C.T.A. Chief club officials are: President, M. O'Donoghue, who was original organiser of the club. Secretary is V. Witney of the Pier Hotel, Esperance; Treasurer is A. Colombo. The club has already registered 17 shooters.

Echuca Club advises that its Boxing Day fixture, when a big day and night programme will be decided, will be "bigger and better" than the last occasion—which is, indeed, saying something. The 1959 Boxing Day fixture was the best in the club's history. Enquiries for 1960 Boxing Day shoot—programme was advertised last month—should be addressed to F. G. Grinter, Secretary, 75 Ayre Street, Echuca, V.

Sebastopol Club, near Ballarat in Victoria, will be holding the Triumph Herald Shield shoot on Saturday, October 8. More details later. Enquiries to C. F. Busch, Secretary, 194 Albert Street, Sebastopol, V. (Phone Ballarat 18.405).

An interesting note came to hand from A. A. Hochkins of Bellingen, N.S.W., last month. Hochkins, who recently registered with the A.C.T.A. for the first time, advised that he was anxious to contact the Seymour Club in Victoria. It appears that his father, Alfred Hochkins, won a big silver cup for a championship pigeon shoot at Seymour on June 13, 1894. Hochkins advised that the Cup had since been used as a christening cup for his family. He is a member of the Dorriggo Club.

Coolah R.S.S.I.L.A. Gun Club advertises details of its championship shoot at Coolah grounds on October

15 next, when the Central Western Slopes of N.S.W. District Championship will be decided, plus a good supporting programme. The club Secretary, S. C. Hodge, Coolah, writes:

"The Coolah Club will be conducting their fourth Annual C/W. Slopes of N.S.W. D.B. Championship shoot on October 15 this year, and full details of the day's programme appear in September issue of Shooters' News. In 1957 the Championship was won by Dan Mott of Newcastle; 1958 saw 'Pudge' Burgess of Cobar the victor, and last year our then club Secretary, John Finlayson, of Coolah came out on top. The event in 1958 was very keenly contested by any number of consistent shooters and was finally won by Burgess with his 266th bird—Lou Lupp of Wellington missed after scoring 265. Last year John Finlayson was the only shooter out of a big field who scored a possible, but we are hoping to see a livelier finish this year. We usually get some really nice weather around these parts at the time of this shoot, so here's hoping all and sundry without visiting distances will come along for an interesting day's shooting."

A recent distinguished registration was received from the Dundonnell Club in Western Victoria in the person of Sir William McDonald, Speaker in the Victorian Legislative Assembly. Sir William is apparently no mean gun handler, for at his first appearance on the Dundonnell Club's tracks he "walked away" with the 12/16 yarders' prize. In consequence the sporting Knight is now no longer on the minimum handicap.

The Bourke Club in far North-Western New South Wales will conduct a two-day shoot over the dates October 1 and 2 (Saturday and Sunday). Shooting will open at 9.30 a.m. on first day, and main events will be the Bourke & Darling River Championship and a 30-target event under points scoring for the I.C.I. Trophy. A 40 birder, the winner of which will receive a "D" Grade Browning U/O or Lady's Bracelet will be principal

attraction on the second day, when shooting will start at 10 a.m. A .22 automatic rifle will be awarded to high-gun on the advertised programme. The club has two automatic traps. Full details are as advertised. Enquiries to P. Williams, Hon. Secretary, Box 171, Bourke, N.S.W. (Phone Bourke 400), or to President, Frank Honeyman, "Conlea", Bourke, N.S.W.

Portarlington Club, just beyond Geelong on Port Phillip Bay, will shoot on September 24 and October 22. On the first-mentioned date the Bellerine Peninsula Deauville Doubles Championship and Club Double-rise titles will be decided. On Saturday, October 22, the Bellerine D.B. Sparrow title is down for decision. The club grounds will be open during the Christmas and New Year vacation period and fishing parties will leave Swan Bay Jetty each day. Enquiries to R. Jorgensen, Nargoondy Park, Portarlington, V. Programmes are as advertised.

Mention of the Portarlington Club brings to light an advice from the Portarlington Club that a £200 Reward will be paid for information leading to the return of a Browning Automatic gun, No. 351-641, and a collection of antique shells which were among a quantity of goods reported stolen from Nargoondy Park, Portarlington, on May 4 last. Any information should be reported to R. Jorgensen, Nargoondy Park, Portarlington, V.

Rutherglen Club in north-eastern Victoria will shoot all day on October 8. Main event will be the club's Double-barrel Championship at 20 targets from 16 yards. The Hudson Shield will also be shot for in conjunction with a £40 Handicap. Shooting will commence at 10.30 a.m. Programme is as advertised. Enquiries to J. T. Terrill (secretary), "Grandview", Rutherglen (Phone 122s).

Another new Victorian club has affiliated with the A.C.T.A. The new

Tom Lucas, winner of the Duke of Gloucester Cup at Australian G.C. (V.). Lucas is holding the massive trophy which commemorates the first visit of the Duke of Gloucester to Australia in 1934. Lucas's wife is holding attached trophy.

SEPTEMBER, 1960

formation is the Cobden Gun Club in western Victoria. Secretary at Cobden is I. C. McArthur of Victoria Street, Cobden (Phone 147). The club has had a bright beginning and appears likely to become a very settled and well-conducted organisation.

Reverting back to the organisation of the A.C.T.A. shoot at Southport in June, one interstate club official, writing in, offered congratulations on the "superb organisation". Now another group in Gippsland (V.) has written, "Congratulations on the way yourself and staff handled the big shoot at Southport; it makes it very pleasant for shooting when things are running smoothly." (Many thanks to the writers. The whole effort was a team affair working in the utmost harmony. If the shooters were happy, then the "team" was pleased.)

The ill-fated Burke and Wills Expedition across Australia during the last century will be commemorated by the Menindee Gun Club, when the club stages the "Burke and Wills Centenary" Shoot at Menindee (N.S.W.) on October 16, 1960. It is 100 years since Burke and Wills and party left Menindee on their trek across Australia, and the Menindee and Broken Hill districts are arranging a big Centenary Carnival which will last about a week. The "Burke and Wills" Single-barrel Centenary Championship and the similar double-barrel event have been approved for Menindee by the A.C.T.A., and these will be shot under "District" conditions. The Gates Cup will be shot in conjunction with a trophy event (trophy donated by the N.S.W. Electricity Commission) between teams representing Menindee, Broken Hill and Mildura. Shooting will start at 9.30 a.m. on October 16, and two automatic traps will be in operation. Much interest is being evinced in the fixture which, as already stated, commemorates a very great but tragic event in Australia's early history. The programme is as advertised. Enquiries to Ken Maiden, Secretary, Menindee Gun Club, c/- Menindee Hotel, Menindee, N.S.W.

Camberwell Club, which shoots in Thompson's Road (off Bulleen Road), North Balwyn, will shoot an interest-

ing programme from 11 a.m. on the Melbourne Show Day Holiday, Thursday, September 29. Two major events are listed; these are the Camberwell District D.B. Championship, followed by a £100 Handicap at 20 targets, double-barrel. Other events will also be held, time permitting. A special welcome is extended to country visitors. The programme is as advertised. Enquiries to Secretary, W. R. Johns, 1 Soudan Street, Malvern, S.E.4 (Phone 50-6511), or to President, R. W. Fox (Phone WM 8440).

A new club is likely to be formed at Bundaberg, the home town of many Australian celebrities, including the late Bert Hinkler, Gladys Moncrieff, Don Tallon and others. Sponsor of the proposed new club is W. A. Hall at the Grand Hotel, Bundaberg, Q. He was for some time the proprietor of a hotel at Rockhampton and got the shooting "bug" through his contact with the Rockhampton Club.

Croydon Club, near Lilydale in Victoria, will shoot the club double-rise title on Saturday, September 17. On the evening of the Melbourne Show Day Holiday, September 29, the club will stage the Yarra Valley District Double-barrel Night Championship, whilst on Saturday, October 1, the club will shoot the Commonwealth Double-rise Championship at clay sparrows. Details of all programmes are as listed in this issue. Enquiries to A. L. Haughton, 184 Toorak Road, Hartwell, E.6. The club will shoot a club series on September 3, including a 40 birder.

Werribee Gun Club, with its shooting grounds just off the Ballan Rd. west from Melbourne, will shoot the Victorian Intermediate Double-barrel Championship on Saturday, September 10. The club has arranged a good supporting series, including two 10 birders. Barbecue will be available with refreshments after main event. Programme is as advertised. Enquiries to T. H. Powell, Secretary, 8 Tarneit Road, Werribee (Phone Werribee 360).

Visitors who took part in the recent A.C.T.A. National Championships and International fixture at Southport, Q., will regret to learn that one of the New Zealand shooters has since passed away. He was Mr. A. Byrne. He enjoyed a fortnight's stay at "Budgewah", the property of the A.C.T.A. President at Hay (J. Houston) following the conclusion of the shooting series. There he took part in all the interesting sidelights of country life, including considerable field shooting. He died on his return to Sydney preparatory to leaving for New Zealand. He was donor of the Byrne Cup for inter-club skeet shoots around Auckland, N.Z., and also was an ex-committeeman of the old Auckland Club and a life member of the Auckland Metropolitan Gun Club. Sincere sympathy is extended to his relatives.

## OUT OF THE PAST Twenty Years Ago

Harry Waight, then of Elwood (Victoria), won the Commonwealth Skeet Championship of 1940. The event was shot on the Coburg Club's grounds and produced a good field. Waight won by providing a good finish and scored 17/20. Runner-up was G. Freeman of Seymour, who at one stage held a winning lead, but got mixed up in the doubles section of the match and eventually lost his advantage. The event was originally allocated to Brisbane (Q.), but due to war preparations it was transferred to Coburg.

The Riverina Double-barrel Championship was decided at Griffith about this period in 1940. More than 30 Victorians (from the metropolitan area) attended, but it is recalled that the holding of the event coincided with the duck-opening season on the Murrumbidgee rice fields. It was won by Charlie Hamilton of Boorowa, N.S.W., 20/20. Runner-up was J. Semmler (Barellan, N.S.W.) 19/20. Don Muir (Griffith) and Jack Bryant (Melbourne) tied for third placing. The tie shoot for the place went to the 30th round before Muir outstayed Bryant to take the place, 28/30. The

late Ted Fromholtz, a former secretary at Griffith, won a double-rise event on the same programme, outright.

Colac (V.) shooters dominated the field of 42 at a Blackburn fixture. Eric Ball (Colac) won the break honours with 32 straight. He also won a handicap. Ball does not shoot these days. H. Hayes, at his first attempt over the traps (also from Colac), also won a minor handicap outright.

J. R. (Bob) Meehan, then a junior clerk attached to the staff of I.C.I.A.N.Z. Ltd., provided an upset when he won the Nobel Single-barrel Championship at Benteigh. Meehan produced an unblemished score of 15

straight to win outright from "Duxbac" (Horrie James) (who missed his final release) 14/15, with Jack Bryant 23/25 and Peter Garrone 21/25. Bill Bloomfield won a minor event under single-barrel conditions from Jack Robinson. (Neither of these are seen on the tracks today.)

George Crosse, still an active competitor at Colac fixtures, and Jack Bryant won the Western District of Victoria Single and Double-barrel Championships at the Geelong Club's grounds in 1940. Crosse defeated Fred Burns, Dave Watson and Bill Bloomfield in a shoot-off after all had returned scores of 17/20 in the single-barrel title. In the double-barrel Bryant won outright from George Daniels and J. McCarthy.

## Ten Years Ago

Jack McCraith, who at this period held the Champion of Champions title, was in good form in club events. One of his notable successes was the Coburg Club's double-rise title. Len Schlupalius of Sale, then a newcomer to trap shooting, won the 1950 Gippsland Double-barrel Championship on the Sale grounds. The winner recorded 29/30 to win outright. Second placing went to Geoff. Scheldt, also of Sale, 28/30.

What may be termed a mighty tie shoot-off then took place to decide the minor award. Ultimately this went to G. Harrison, who defeated Jack Bryant on the 72nd round, 71/72 to 70/72. Ben Cook, who is seldom seen on the shooting tracks these days, won outright, a 20 birder, at East Burwood. Ben was a P.O.W. in Malaya from the date of the fall of Singapore to the finish of the war.

Information was received about this period in 1950 that England had won the 4th International Match. England scored 1657/2000 to win from Australia 1614/2000. In those days teams were 20 men a side, with the best 18 to count. Jim Smith, then of Townsville, but now of Brisbane, was the Australian high-gun with a moderate 94/100. Eric Ball (Colac), Newton Thomas, Nev. Bassett (Roma, Q.) and E. G. Biggs were together

next, 93/100. Major-General (now Sir William) Bridgeford recorded 92/100 in the Australian Team.

Katanning (W.A.) reported having acquired a new site south of the rifle range. Four clubs were reported to have been formed in Western Australia.

The official ceremony of the re-opening of the Seymour Club (V.) was performed by the then member for the district, Joe Smith.

Booloroo Club in north-western New South Wales, which later became the basis of the present Moree Club, reported having to hold up its shoots during the heavy rains and floods. F. H. Thompson, current President of the Moree Club, was under notice with a series of divisions.

Townsville Club (Q.) conducted the Commonwealth Double-rise Championship, and this was won by J. Gerber of Home Hill from Mal. Johnston (Yarwun) and K. Russell (Home Hill). Les Hanel of Albury won the main trophy attached to a £5 Handicap at Wangaratta. He scored 29/29 to Phil. Pettit's 28/29.

We threw sixty-eight thousand and nine hundred targets (68,900), not counting practice and shoot-off targets.

At our Inland Empire Shoot in May we trapped a hundred and twenty-one thousand and six hundred in the registered events alone (121,600).

Well, Bill, I hope that you have bigger shoots, with lots of success. Win the International this year.

AROUND  
THE CLUBS  
AND MEETINGS...

ALBURY AREA COMD. G.C. (V.), 23/7/60—Albury Area Command Gun Club successfully defended the Bruce and Summers Shield last Saturday against strong opposition. Nine teams competed in the event, coming from Mildura, Yarrawonga, Nalinga, Wangaratta, Rutherglen, Shepparton and Bandiana. The shield, which was won last January at Mildura, has to be again defended within six months. The winning team shot 95/100, and the following comprised the team: K. Boyd, R. Wright, J. Thompson, J. Grimmond, S. Carter. The meeting was very successful, despite cold and windy conditions. Fifty shooters competed at the shoot.

No. 1, 10-bird D.B.: 15 div. No. 2, 20-bird D.B. H'cap: div. A. Barnes, R. Lamb, R. Henson, A. Jamieson, J. Thompson. No. 3, Teams' event: Albury Area Command, 95/100; Yarrawonga No. 2 and Albury Area Command No. 4, equal, 93/100, 2nd. No. 4, 10 div. (J. Percy, Sec.)

ALEXANDRA (S.A.), 31/7/60. — Weather conditions: fine and cold. Attendance: 34. Results: No. 1, 10-bird: J. Woodrow, R. Mules, D. Kimber, W. A. Commons, G. Woodrow, L. Truman, G. Ash, div. No. 2, Ekins Trophy (20 targets): J. Stone, 64/64; B. Mutton, 63/64; D. Ekins. No. 3, 20-bird Skeet: W. A. Commons, D. Fleetwood, 18/20, div. No. 4, 27 yds.: 6 div.

Cold weather kept attendance down a little, but it didn't affect Jim Stone, Bruce Mutton and Denis Ekins: it took 64 targets in the shoot-off to sort them out into 1st, 2nd and 3rd. (T. V. Roberts, Hon. Sec.)

ALICE SPRINGS (N.T.), 17/7/60.—Weather conditions: fine, gusty winds. Attendance: 14. Results: No. 1, 5-bird D.B.: Morton, Robbins, Sutton, 5/5. No. 2, 20-bird S.B. H'cap: Healy, 19/20; A. Dawson, 18/20; Sutton, 16/20. No. 3, 5-bird D.B. H'cap: Morton, Kittle, Sutton, Warrington, A. Dawson, 5/5. No. 4, 10 pr. D'ville Doubles: Robbins - Warrington, 10/10; Sutton - Smith, 9/10. No. 5, 10-bird Walk-up: Kittle, 9/10; Smith, Tuit, Sutton, 8/10.

A strong wind made the shooting a little difficult. However, this did not affect the shooting of John Healy in the pre-lunch period. John recorded 19 out of 20 kills in the S.B. Handicap — a fine performance. The

main event in the afternoon was 10 pairs Deauville Doubles. Robbins and Warrington, in shooting the 10 pairs, narrowly won from Sutton and Smith, with 9 pairs. The 10-bird Walk-up was well won by Len Kittle, who recorded 9 kills. (K. Warrington, Hon. Sec.)

APSLEY (V.), 16/7/60. — Weather conditions: fair. Attendance: 40. Results: No. 1, I.C.I. Wimmera Club's Clay Target Challenge Shield: Apsley No. 1 team, 1st, 69/75; Apsley No. 2, 67/75; Goroce No. 1, Kaniva No. 1, equal 3rd, 66/75. No. 2, £30 H'cap: 7 div., C. Freckleton, J. O'Connor, H. Williamson, K. Foster, D. Bull, W. Hicks, L. Brook, No. 3, 5-bird Novelty: div. A. Aitken, I. Batson, M. Grigg, R. Kilpatrick, K. Foster, L. Brook, T. Redman. No. 4, 5-bird Novelty: div. B. Robinson, I. Batson, K. Roper, K. Foster, G. Brook, L. Brook, T. Redman.

On Saturday, 16th July, the first round of the Wimmera Clay Target Challenge Shield was held at Apsley. Seven teams from four clubs, Kaniva, Horsham, Goroce and Apsley, competed for the shield, which was won by Apsley No. 1 team, 69/75 (K. Foster, R. Kilpatrick, A. Miller, M. Grigg and I. Billing) from Apsley No. 2 team, 67/75, with Goroce and Kaniva equal 3rd, 66/75. This shield was kindly donated by I.C.I. to foster the sport of inter-club clay target shooting between Wimmera clubs. It is to be shot for each three months at alternate clubs.

Congratulations, R. Kilpatrick, for winning High Gun trophy from A. Mulraney (Goroce). A very enjoyable afternoon's shooting despite a few showers. Many thanks, ladies, for providing the usual excellent afternoon tea. (H. A. Miller, Sec.)

AUSTRALIAN (V.), 2/7/60.—Calm, clear, an ideal day for the 20-bird Club Intermediate Championship and a good turn-out of 40 shooters, plus six back-markers, for whom a sweepstake was arranged in conjunction. With three traps operating 900 birds, later six shooters were left with 20/20; these shot on until 15-year-old Jack Henwood had a clean score of 30/30; Fred Thatcher took 2nd with 29/30; Neville Davies, 3rd, 39/40; F.M., S. Henwood, 15-bird: div. B. Roberts, J. Henwood, J. Poynton, R. McKnight, R. Siede, W. Lonie, S. Henwood, I. Fletcher, C. Fankhauser, F. Brown, 15/15.

9/7/60 (Skeet).—Cold, wet day; 27 shooters present, which is about the maximum for one ground. If the interest continues to grow at the present rate, our second skeet lay-out will have to be operated. In spite of the day, several shooters just missed shooting a straight 25.

No. 1, 25-bird Skeet: div. F. Thatcher, 20/5/25; D. A. McKenzie, 21/6/25; F. Johnston, 23/4/25; J. Siede, 24/1/25; G. Biggs, 23/4/25. No. 2, 25-bird Trophy: F. Bendle, G. Biggs, F. Johnston and R. Fallshaw all had scores of 25, including handicaps, and shot off a half-round in heavy rain, in which Frank Johnston, worried by the rain on his specs., dropped out; the others shot on and finished in order: 1st, G. Biggs; 2nd, R. Fallshaw; 3rd, F. Bendle.

Results, 16/7/60. — No. 1, 6 pr. D. Rise: N. Thomas, D. Cahill, 6/6; F. Johnson, 5/6. No. 2, 10 pr. D. Rise C'ship: 1st, J. Siede, 8/10; 2nd, I. Porter, 12/15; 3rd, N. Thomas, 16/20. No. 3, 20-bird D.B. H'cap: F. Bendle, 23/7/60. — Skeet 1, 25-bird: div. D. Edgerton, 20/6/25; F. Johnson, 24/1/25; A. McKenzie, 21/4/25; D. Speers, 19/8/25; B. Thomas, 15/10/25; D. Whiteman, 20/8/25; J. Perry, 15/10/25; F. Bendle, 19/6/25; D. Mairs, 21/5/25. Skeet 2, 25-bird Trophy: This was won by Dave Mairs after a shoot-off with the lights on from D. Edgerton, 2nd, and E. Billman, 3rd. John Siede found his handicap too much to carry, 4th.

I.C.I. representative, Jim McInnes, informed the club that his firm has donated a £10/10/- trophy for a club skeet handicap event, the first time they have done this, and an indication of the growing interest in skeet. A coming event which is arousing interest is the challenge teams match to be shot between the Australian Club and Melbourne Club at Melbourne on the 22nd Oct. I.C.I. are providing a trophy for this, and also for a skeet challenge match, to which any Victorian club is invited to enter a team; this will be organised later.

30/7/60. — No. 1, 10-bird D.B.: div. F. Thatcher, A. Johnston, D. Kneebone, E. Boyle, 16/10. No. 2: As an experiment this event was a 40-bird B.O. S.B., divided into 4 sections, with 2 sweepstakes on each section. This proved to be very popular and some excellent shooting was seen and at low cost; most successful were C. Fankhauser, 37/40, to whom a complimentary trophy was given; L. Swain, 36/40; J. Meek, 35/40. No. 3: This event was a miss-out, which one would normally expect to terminate fairly quickly; however, it developed into quite a battle; Tom Lucas was the winner with 40/40; 2nd, C. Fankhauser, 39/40; 3rd, L. Swain, 36/40.

A very successful day, with 15 shooters sharing in 41 sweeps. The club was glad to welcome back after an absence of some time D. Kneebone, T. Lucas and J. Meek, who have evidently not lost any form.

(Roy Fallshaw.)

BATHURST (N.S.W.), 16/7/60. — No. 1, 5-bird: W. Craig, R. Willman, W. Harris, T. Rosconi, N. Campbell, H. McDiarmid, K. Harrison, 5/5. No. 2, 5-bird S.B.: A. Combis, J. Benton, H. Wright, R. Soames, 11/12.

A good roll-up of 31 shooters, despite the wintry conditions. It is pleasing to see so many learners coming along, as the club would like to welcome as many learners as possible. Andy Combis, who has only recently commenced shooting, was in top form to win the main trophy after a shoot-off with experienced shooters K. Harrison, who came second, A. Rowe, H. Wright, H. Jaques, R. Willman, H. McDiarmid. A special welcome was extended to W. Craig, who has been bringing a car load of shooters from Sydney to each club shoot.

Forthcoming events to keep in mind are October 15th, Club Double Rise Championship, and November 19th, Club Double Barrel Championships, Day and Night.

It was pleasing to see a good attendance at our monthly shoot, despite unpleasant weather conditions. In the trophy shoot Lew Toose and Roby Manuel returned possibles and after a lengthy shoot-off, Lew gained the honours. In the third and front markers' Tom Maynard and Ron Whykes, who recently purchased new guns, showed they have returned to the winning list by shooting out class fields in these sections. Our heartiest congratulations to these shooters.

A cold day with gusty winds, making shooting very difficult. Congratulations to M. Bell, who has been trying for a long time to win a Championship and has at last succeeded. We are all very pleased to see you win the S.B. Championship for 1960, Mick. Also pleased to see three old members back again; we hope they enjoyed the afternoon and come again.

BOURKE (N.S.W.), 23/7/60. — Weather conditions: fine and warm afternoon. Attendance: 21. Results: No. 1, 5-bird: 11 possibles, L. Bowden, K. Williams, A. Honeyman, L. O'Mally, H. O'Mally, R. Bar, G. Williams, J. Garnsey, P. Garry, W. Davis, B. Davis, div. No. 2, 10-bird D.B.: A. Honeyman, L. O'Mally, J. J. O'Shannessey, H. O'Mally, B. Davis, 10/10. No. 3, 15-bird D.B.: 1st, L. Night. No. 1, 5-bird: R. Baz, D. Williams, K. Williams, J. Currie, W. Ridge. No. 2, 10-bird Pt. Score: G. Williams, 39/30; W. Ridge, 36/30. No. 3, 10-bird D.B.: 1st, Bill Ridge, 14/10; J. Garnsey, 13/10. No. 4, 10-bird S.B.: 1st, G. Williams, 10/10; 2nd, J. Currie, 9/10.

The afternoon saw a roll-up of 21 shooters, which included a few new faces; it also saw the biggest crowd of spectators we have had this year, all out enjoying the warm afternoon. The new faces at the shoot are all members who have come in to get in practice for the big October shoot. We are pleased to report that all took a prize home with them.

(D. Williams, Hon. Sec.)

BRISBANE (Qld.), 24/7/60. — Weather conditions: fine. Attendance: 24. Results: No. 1, 10-bird D.B. Pts.: 1st, A. Chesney, 74/75; 2nd, K. Stanton, 71/75. No. 2, Bauman Cup (20-bird D.B.): 1st, N. Pittaway, 25/25; 2nd, R. Hogarth, 39/40; 3rd, E. Lesberg, 38/40. No. 3, 10-bird S.B.: 1st, N. Pittaway, 25/25; 2nd, J. Smith, 24/25. No. 4, 10-bird D.B. Pts.: div. J. McQueen, G. Wallace, B. Mackey, 30/30.

The fact that there were shoot-offs in each event was an indication of the favourable weather and the general good form our members enjoyed this meeting.

The Bauman Cup was the prize of the day, and it did not seem to be any effort for Norm Pittaway to take it home for this year, along with his other win in the 10-bird S.B. event. Norm, who shot every bird in the double, is fast becoming a top-grade shooter, as in the last few months he has consistently figured amongst the place-getters. Two other possibles in the Bauman Cup were Ray Hogarth and Ed. Lesberg. However, in the shoot-off Ray dropped his first bird and Ed. his second; Norm then had the win on the first round, but it was not until three rounds later that "Lesey" missed a bird to Ray's advantage for second placing.

The previous 10-bird D.B. Points was shot off between Alex Chesney and Keith Stanton. Both shot the first five, then Ches. lost a point, and so did Keith, in the second round. But a lost bird in the next lot was fatal for Keith. (Ches. declared he owed his success to copying our Lawton!) In the last shoot-off for the S.B. Trophy, which Norm won, there were four possibles. Alex Chesney went out the first round, Bob Capell followed him in the next, then Jim Smith shot on to get 24/25 before taking second place to Norm.

The programme ran so smoothly during the afternoon that we had time to put on another 10-bird Points event, and here our congratulations go to a very new shooter, John McQueen, who won his very first prize when he shot the possible. Geoff. Wallace and Bruce Mackey shared with him.

Acting President, Lawton Taylor, expressed how delighted we were to have our first West Australian visitor, Tom Williams, of Edgell, and Patron, Alf Thurlow, presented Tom with a Queensland Mulga gun-cleaning rod, which he had hand-made. We were glad to see Geoff. Wallace, just back from New Guinea, with us, and our two casualties, Ray Gehrman and Ray Hogarth, with their troubles behind them.

BURNIE (Tas.). — Burnie Club held its monthly shoot at the Cuprona Ground on Saturday, 16th July, under cold, windy, showery and very unpleasant weather. 5-bird P.S.: H. Smith, 15/15; M. Elliott, S. Bott, 13/15, equal 2nd. 5-bird S.B.: A. Kerger, M. Elliott, S. Bott, 4/5. 10-bird, Late Geoff Kearney Memorial shoot, 1st series: R. Abblitt, 28/30; 2nd, H. Smith, 27/30; M. Williams, 26/30. 5-bird Walk-up: div. R. Abblitt, S. Bott, D. McLeod, 6/7. 5-bird S. Rise: won by S. Bott, 5/5; equal 2nd, R. Abblitt, A. Kerger, 4/5. 5-bird Strange Gun: div. S. Bott, R. Abblitt, 5/5; equal 2nd, H. Smith, A. Kerger, J. James, 4/5.

(R. Abblitt, Hon. Sec.)

CAMBERWELL (V.), 16/7/60. — Weather conditions: fine, but dull, slight breeze. Attendance: 37. Results: No. 1, Vic. S.B. Intermed. C'ship: 1st, G. Metz, 28/30; 2nd, Sq.-Ldr. K. Muller, 27/30; 3rd, D. Nicholls, 23/25; F.M., R. F. Drake, 21/25. No. 3, 10-bird D.B.: N. McKenzie, K. Venables, D. Nicholls, J. De Pellegrin, A. Craig, R. Henwood, B. Roberts, S. Stevens, K. Muller, div., 10/10.

As I forecast some weeks ago that it would not be long before George Metz (a product of the I.C.I. School) would win a championship. He put up a splendid exhibition to score 28 out of 30, single barrel. Keep it up, George, and you will soon be able to beat the best.

Keith Muller was a bit unfortunate in receiving an awkward bird in the final round. Don Nicholls shot well all day to be close up to the first place-getters; also R. F. Drake (Croydon) shot very well. Keith Venables soon got into the money with his new gun. Norm McKenzie got going a bit late, but revealed his true ability in the last event to record the possible, as did R. Henwood and Bruce Roberts. We had several newcomers wanting to know when the next I.C.I. School was on, so, Jim McInnes, get cracking. Nice to see Ern Abbott again.

30/7/60. — Weather conditions: fine, bright day, slight breeze. Results: No. 1, 5-bird Pts.: div. G. Metz, G. Hayman, W. Lonie, D. Clay, J. Henwood, 15/15. No. 2, Neville Davies Trophy (15-bird H'cap): 1st, C. Cullinane, 38/38; 2nd, R. W. Fox, 37/38; 3rd, J. De Pellegrin, 36/37; 12/16 yds., P. Cullinane, 34/36; 16/17 yds., C. Duish, 32/33. No. 3, 10-bird D.B.: won outright, D. Riley, 10/10; 2nd, div. J. De Pellegrin, J. Henwood, A. Ginnivan, J. Stevens, A. F. Drake, L. McGown, C. Cullinane, R. Henwood, P. Cullinane, A. Gosling, 9/10.

It was very pleasing to see a young shooter in C. Cullinane come out and win from quite a strong field on Saturday. He shot really

well throughout the whole day, and really did deserve his popular win. His father shot very well to take the front markers' trophy with 34/36—quite a good effort. "Rusty" Fox and John De Pellegrin never looked like missing, but still one got away. Geo. Metz again was in the running and carried on to 30 straight before one escaped.

In the final event the darkness beat most of the shooters, but nevertheless David Riley in the last squad shot his 10 straight. Young John Henwood continues to keep up his good form, also A. F. Drake and Leo McGowan. Jock Stevens is still able to knock 'em. Arthur Giniyani is always a danger, and is a much better shot than many people think. Thanks, ladies, for the afternoon tea.

(W. R. Johns, Hon. Sec.)

**CLERMONT (Qld.)**, 5/6/60.—Weather conditions: good, but windy. Attendance: fair. Results: No. 1, 5-bird D.B.: possibles, P. Barton, F. Shannon, W. Nasser, E. Barton, B. Nasser, Fred Appleton. A very good day's shooting was had by all present. It was very disappointing that more visitors could not have come, but some came from Nebo, Emerald, Drummond, Alpha and Anakie. Conditions were quite good, but strong breezes blew up during the day and made shooting difficult. Young shooter Peter Barton really did well throughout the day, but failed to beat his father in the Championship shoot itself. Congratulations, Ted, on your very fine performance and we do hope you keep this good work up. Owing to extra time being available, two extra events were conducted, before and after lunch, to fill in the programme.

17/7/60.—Weather conditions: good. Attendance: fair. Results: No. 1, 5-bird (3 and 2): possibles, N. Massey, B. Nasser, Fred Appleton, 5/5, div. No. 2, 10-bird S.B.: N. Massey, 10/10; 2nd, P. No. 4, 5-bird (3 and 2): W. Nasser and P. Barton, possibles, div. No. 5, 30-bird D.B. (equal Pts.): Shoot-off for yardage prizes for 1st, 2nd and 3rd; 1st, outright, B. Nasser, 30/30; 2nd, W. Nasser, 29/30; 3rd, P. Barton, 28/30; yardage prizes: 1st, W. Fraser, 27/30; 2nd, Frank Appleton; 3rd, P. Brook. No. 6, 10 pr. D'ville Doubles: E. Barton-W. Nasser, 10/10.

Very enjoyable shoot and day was had by all present. Visitors from Nebo, Drummond, Emerald and Anakie. Conditions were good and no strong winds to interfere. Big shoot won by B. Nasser, who shot very well during

the day. Presentation after the shoot to Miss Y. Eite, who is resigning as Secretary owing to her forthcoming marriage. The presentation was made by Mr. Noel Massey. (Y. Eite.)

**CLONCURRY (Qld.)**, 10/7/60.—Weather conditions: fine. Attendance: 11. Results: No. 1, 10-bird D.B.: R. Graham, R. C. Katter, 29/30, div. No. 2, I.C.I.L. Trophy (20-bird D.B. Pts.): E. A. Lemmon, 60/60. No. 3, President's Trophy (15-bird S.B.): T. Turnoch, 15/15. No. 4, 10-bird D.B. Pts.: L. Hasted, R. Graham, D. Edwards, 30/30. No. 5, 10-bird D.B. (off 27 yds.): R. C. Katter, 8/10.

With an attendance of 11 shooters, Cloncurry had the first shoot on the club grounds for some time, due to a good many of the members being absent from the town and district. However, good prospects for future shoots is assured. Every member was pleased to see Bob Graham in attendance from Rockhampton. Also it was pleasing to see Mary Kathleen shooter and newcomer T. Turnoch win the President's Trophy.

(Mrs. E. A. Lemmon, Hon. Sec.)

**COBURG (V.)**.—Perhaps the most interesting news for this issue is the new office-bearers of the club for the 1960-61 season. These were elected on July 12 at our annual meeting, which was one of the best for a long time.

As predicted previously, there are no drastic changes—just a few new faces, that's all—but altogether it is a very strong executive team.

President for the third term is the ever-popular Harry Belmore. Harry has been a pillar of strength to the club during his term in the top position. Nothing has been too much trouble, and when he wants things they just get done. The club must prosper with such a strong man at its head.

The Vice-Presidents are unchanged. They are Ray Hering, Norm McKenzie and Peter Hanrahan, all of whom have the shooting game at heart.

The Committee comprises of Fred Shearer, Alf Lucas, Alan Craig, Don Nicholls, Max Crouch, Doug McMillan and Jack Wilkinson. The last three are newcomers, and are of the right type.

I'm still Secretary-Treasurer. It's been a long time now, and at the annual meeting I was the recipient of some very nice mementos, something I will cherish always. Thanks, fellows.

Enquiries about the Grand Prix Carnival are being received from all over the place, and we have every reason to believe that this will be a bumper shoot.

You know, there is a new model of the Chrysler-Royal being released. Well, that is the one that will be available as the prize. Had a look-see recently, and that has made me a little discontented with my own. However, my chance of winning this in competition is as remote as that of Julius Caesar—and he's dead.

There is a point I want to make clear. In advertisements in this journal to date, the starting time for the Grand Prix on Cup Day is shown as 9 a.m. That has been changed—IT WILL START AT 8.30 A.M. Sorry to get you out of bed half an hour earlier, but we don't want to run out of light.

Another important item which must be hammered is that **NO ENTRIES WILL BE RECEIVED AFTER FIRST ROUND.** I think you will agree that is fair. Shooting up can be very annoying. Anyway, it is not now permitted.

The Annual Ball at the New Alexandra, St. Kilda, is on Friday, September 30. Tickets are now available and can be had from the President, who is in full charge of this affair. Let him know about reservations, etc., and he'll attend to the rest. There are some sizeable parties in the tickets already sold.

Getting on to the competition side of our activities, on July 9 we held a nice little shoot. The events were not of great importance, but the social atmosphere was such that everyone present voted it a pleasant day.

The programme commenced with a 10 birds Points. Darcy Watson, with 27/30, was the star performer, and to keep things in the family, his nephew, Max Crouch (now a committeeman), was second with 25/30. Alan Harrod and Jerry Bennet cut what was left with a score of 24/30.

The main event was a 20 birds Double Barrel. This produced a pretty competent field. Harold Scales was the victor with 18/20, and his success was widely acclaimed. Always a great trier, this was Harold's first major trophy at this club, and all his mates would like to see him in the money again.

Vice-President Ray Hering got second prize with 19/22 and Russell Fox third with 18/22. "Rusty" is a consistent visitor these days, and is a likeable shooter.

The 12/16 yds. trophy went to Arch Gosling with 16/20.

Then followed a 10 birds Double Barrel, and in this Mal Brown stood out like a sunflower in a daisy bed, being the only shooter to return a clean score.

Ray Hering, Alan Harrod, Arch Gosling and Mac McInnes divided the second and third money with 9/10 each.

July 23 saw a big crowd. Two championships were the attraction, and the weather, after what we had experienced, was a summer's day.

To give shooters a chance to clean out their guns, the programme commenced with a 10 birds Single Barrel. "Rusty" Fox, Brian Mark (making a come-back), George Hayman, Don Glover, Lloyd Swain, Bob Andrews, Bill Le Strange, Roy Ayre and Fred Burns, all with 10/10, divided the event.

The first championship was the Metropolitan Single Barrel, and some classy shooting was witnessed, despite the fact that the birds were proving difficult. There were no possibles, and four with 19/20 — "Rusty" Fox, Fred Shearer, Lloyd Swain and Bob Andrews — went out to decide the issue.

The shoot-off was, of course, the best of five. In the first five, Lloyd Swain was the only one to get the lot, and was declared the winner with 24/25. Lloyd is a hard man to toss at any time.

Bob Andrews dropped two in this round and had to drop out, leaving "Rusty" Fox and Fred Shearer to shoot on for second and third.

They shot on for another four rounds. In the first three of these each dropped one bird, but in the fourth round Fred grassed the lot, while "Rusty" was called to the phone twice. Fred's score was 40/45, and "Rusty's" 38/45.

Henry Weitzel (17/20) won the 12/16 yds. trophy, and Steve Stevens (18/20) was the best of the 17/18 yds. group.

Then followed the Metropolitan Double Barrel Sparrows Championship. The little 'uns had shooters on their toes.

Kellor President, Don Glover, who has a fine list of championships to his credit, proved too good on the day, and ran out the winner with the only clean score.

"Rusty" Fox (shooting very consistently), Newton Thomas, Keith Patterson (who won a big event at the Association shoot), Bill Finnigan and Bill Le Strange, each with one down, went out to decide the minor placings.

They all dropped one each in the first round. In the second round only Newton Thomas got the lot to take second trophy with 28/30. The third round saw Bill Finnigan beat the others and his 32/35 earned him third prize.

"Rusty" Fox with 25/29 got the 17/18 yds. trophy, while the front markers' trophy was won by Arch Gosling with 20/25.

It was voted a highly successful day by all who participated.

You will see by the programmes coming up that there are some good days ahead. One in particular should appeal. On October 1 there will be a Grand Prix Preliminary. It is a 30 birder from handicap marks, but will be in three divisions — 12/16 yards, 17/19 yards, and 21 yards and over. First in EACH division will receive a free entry for the Grand Prix Car Shoot.

Well, fellows, I can't find much more to write about, so will stack it up for next issue. (C. J. Colledge, Sec.)

**COFFS HARBOUR (N.S.W.), 8/7/60.** — Weather conditions: N-easter. Attendance: 16. Results: No. 1, 5 pr. D. Rise: F. Brown, 5/5; J. Forsythe, A. Moller, 4/5. No. 2, 15-bird S.B. Trophy: R. Weinert, 14/15; P. McDonald, H. Weinert, 13/15; D. Mulhearn, A. Moller, A. Herdgen, 12/15. No. 3, 5-bird D.B. Pts.: R. Jackson, H. Weinert, R. Weinert, F. Brown, D. Mulhearn, 15/15. No. 4, 10-bird D.B.: G. Blundell, P. McDonald, J. Forsythe, R. Weinert, 10/10. No. 5, 5-bird Pts.: A. Moller, R. Weinert, D. Mulhearn, 15/15. No. 6, 5-bird S.B.: G. Blundell, R. Weinert, W. Unwin, 5/5. No. 7, Box: R. Weinert, 1st.

The President welcomed R. and H. Weinert from the Wallerawang Club near Lithgow, both visitors putting it all over the local boys, and both admitting that they liked seeing the birds with a bit of life. F. Brown, our newest member and a beginner at clays, performed well — the old story, if you can shoot game, clays are easy. A very happy day was spent by all. Stop Press: it is understood Ted Wedgwood is back in town and has as yet met none of the shooting fraternity. (G. D. T. Seccombe, Sec.)

**COLAC (V.), 2/7/60 (Day).** — Weather conditions: fine and cold. Attendance: 22. Although the atmosphere was cold on Saturday afternoon, 22/6/60, the fog lifted in sufficient time to allow the club's monthly shoot to take place, as scheduled. A rather weak sun and no wind made shooting conditions good, but shooters were quick to leave the tracks and gather around the fires.

Twenty-two shooters attended, including visitors from Cobden, Dundonnell, Winchelsea and Geelong Clubs. The Cobden boys took home first trophy and a fair share of the cash. A new gun club has been formed at Cobden, and when it has become estab-

lished, Colac shooters will be happy to return the patronage we have received from down there.

A short silence was observed as a mark of respect to the late Mrs. Holt Snr., who had been a staunch worker and supporter of Colac Gun Club.

Col. Fletcher of Dundonnell brought along a handsome silver cup which he has generously donated to Western District Gun Clubs to be competed for along somewhat similar lines to the Jock Wilson Cup. It will go into circulation at Dundonnell Gun Club on July 23.

Although there was only one possible in the main trophy event (which was won by consistent scorer Fred Wilson of Cobden), the shooting standard was high. In the final 10-bird event half the competitors recorded possibles.

Willis and Dick Churchill all shot 17/20, and after a shoot-off, F. Willis was placed 2nd and O. Hallom 3rd. (Frank A. Willis, Hon. Sec.)

With a fine day, but an extremely cold southerly wind, 12 shooters turned out for our monthly shoot. The Colac boys once again came out on top, Trevor Sharp and Ian Holt taking the first two places, with our club President, Dick Bryant, close behind. Visiting shooters present from Colac, Mortlake and Cobden. The committee was very pleased to welcome a visiting shooter Sir William McDonald, Speaker of the Legislative Assembly, who, with good steady shooting, took off the front markers' trophy.

This shoot saw the beginning of competition for a beautiful trophy donated by Colin Fletcher; this trophy, in the form of a large rose bowl, has to be won three times by a shooter to become his property. The competition is carried on under conditions similar to those which applied to the "Jock" Wilson Cup. Many thanks to the chaps who travelled from Mortlake, Warrnambool, Cressy, Hamilton, Colac and Cobden. Congratulations, Ray, on gaining the first leg-in.

**EASTERN GOLDFIELDS (W.A.), 12/6/60.**—Weather conditions: fine. Attendance: 19. No. 1, 10 pr. D. Rise Trophy and Points (Ismay Cup): 1st, J. Taaffe after shoot-off with D. Martin and K. Some good shooting was seen in the Deauville Doubles, as members availed themselves of opportunity for practice in this type of shoot. Quite a large amount of work has been put into the club grounds in readiness for these events. Two new trap houses with cement tracks have been completed, safety fences are being erected, and other improvements planned will leave nothing to be desired, except good weather.

(O. J. Bennetts, Hon. Sec.)

**ECHUCA (V.), 23/7/60.**—Weather conditions: fine but windy. Attendance: 40. Results: No. 1, 5-bird P.D.: div. T. Baldwin, K. Dobson, R. Whykes. No. 2, 15-bird Trophy (valued £32): 1st, R. No. 4, Miss-out from 23 yds.: div. V. Lawford, R. Grinter.

A fine, sunny afternoon drew 40 shooters out to our monthly shoot. Shooters attended from Boort, Shepparton, Tatura, Bendigo, Deniliquin and Harcourt. The first trophy in the main event, a floor polisher scrubber, was won outright by Ray Hitchcock of

Tatura. Ray has been knocking on the door for some time, and today did the job properly. Good luck, Ray. Six shot on for 2nd and 3rd placings. A. Calandro from Shepparton outstayed the field to finish 2nd, with A. Mason (Bendigo) 3rd. The front markers' trophy went to another Tatura shooter in K. Webster.

First shoot of the re-opened Emerald Gun Club (first club disbanded at the start of the war). The day was a very good success and assures the future of this newly formed club. We are grateful to the Clermont Gun Club for assistance and support they have given us in getting the club started. Standard of shooting was very high even from the numerous novices; no less than four breaks of over 50 were shot during the day. A. Ferguson, 67; F. Appleton, 54; R. Andrews, 50; P. Brook, 52.

Two new members joined up and shot fairly well for newcomers. Many thanks to the ladies for the afternoon tea.

Swain. No. 2, 20-bird D.B. Club C'ship: 1st. G. McComb, 35/35; 2nd. D. Baird, 34/35; 3rd. L. Stevenson, 29/30.

The wet weather did not deter keen shooters from turning up to the Club D.B. Championship. Congratulations to Glen McComb, who took off 1st trophy and sash with his excellent shooting, closely followed by Dave Baird, 2nd, who also shot well, and L. Stevenson, 3rd. Front marker was V. Speechley. Thanks to ladies for serving afternoon tea.

16/7/60. — Weather conditions: cold, wet. Attendance: 38. Results: No. 1, 5-bird: div. 8th div., L. Male, R. Adams, L. Swain, J. Glover, V. Speechley, A. Hamilton, W. Jones. No. 2, 20-bird S.B. Club C'ship: 1st. L. Swain, 28/30; 2nd. C. Oke, 26/30; 3rd. M. Hamilton, 22/25. No. 3, 5-bird D.B.: div. B. Hall, H. Boyle, W. Jones.

An attendance of 38 shooters at the Club S.B. Championship, which was held under very cold and wet conditions. Congratulations to Lloyd Swain, who took off club honours from C. Oke, 2nd, and A. Hamilton. Front marker went to H. Boyle, who also participated in the shoot-off. Congratulations to all these shooters for their fine event. Many thanks again, ladies, for that welcome cuppa. (I. Miller, Sec.)

GEELONG (V.), 18/6/60. — Weather conditions: cloudy and fine. Attendance: 30. Results: No. 1, 5-bird (C.D. 8th round): R. Krentzlin, A. McIntosh, J. Hehir, L. Pike, 8/8, div. No. 2, 15-bird D.B. Trophy: 1st. J. Hose, 17/17; 2nd. J. Ford, 16/17; 3rd. C. Kirby, 26/27. No. 3, 10-bird D.B.: J. Pett, R. Krentzlin, D. Edwards, J. Hehir, J. Hose, H. Walker, 10/10, div.

In fine conditions a good field of shooters staged a very interesting afternoon's shooting. The first event saw 11 shooters score their 5 birds, but seven of these dropped out trying to get the extra 3 birds. The second event saw J. Hose and J. Ford score the possible 15 birds, with J. Hose winning a very short shoot-off. Third place went to C. Kirby. The third event was cut short owing to failing light, with six shooters scoring their 10 birds and dividing. (M. McGarigle, Hon. Sec.)

GERALDTON (W.A.). — The President's Trophy, consisting of 30 birds D.B., was shot at the Club Grounds on 3rd July under ideal conditions, and, without doubt, the finest shooting of the season was witnessed by shooters and a nice gathering of visitors. The event was conjoined with that of the Interstate Teams Match, the ten highest scores automatically representing Geraldton as that club's team.

Early in the day it was evident that some good scores would be attained, and in view of his recent Eastern States visit, Dick Burton was favoured among his team mates to win, although it was seen that others were in the position to make him earn his trophy.

However, things did not pan out as expected, and a bird dropped by him virtually put him out of the running. The final scores showed Noel Burton and Bill Elliott with a return of 30/30, which necessitated a shoot-off. These two then settled down to show the spectators something worth seeing in the sport, and it was not until 59 straight had been shot that Bill Elliott had the misfortune to drop one; Noel by this time had scored his 60 straight and naturally was proclaimed the winner.

With scores of 25/30, it was found that a shoot-off was necessary between T. Murphy and Bunny Schram to decide the 10th place in the Geraldton team; Murphy, however, dropped out early and Bunny won the inclusion.

The Geraldton team was then selected as follows: N. Burton, 60/60; W. Elliott, 59/60; S. Zorino, R. Burton, S. Gratte, 28/30; F. Hackett, A. Hunter, 27/30; J. Ricupero, P. Miragliotta, 26/30; B. Schram, 25/30. Others to score well were: J. Keene, E. Boschetti, L. Jones, 25/30; I. Williams, 24/30; A. Ranier, 18/30.

At the presentation of trophies the President, Mr. Hackett, welcomed Len Baker of the Australia Club (V.), who was visiting Geraldton, which was included in his tour of W.A. Len had shot the possible of 30 during the day, but was precluded in a shoot-off, as the trophy was confined to club members only; it was a great pity, as we feel sure that with this shooter, who incidentally was in very fine form, a big score would have been necessary to win the event. Ivor Williams of the South West Club was also welcomed, and in shooting he also acquitted himself well.

The President's wife, Mrs. Pat Hackett, presented Noel Burton with a very much coveted trophy in the form of a crystal sweet set, and to Bill Elliott a set of sherry glasses for his effort, and Stan Gratte for his third placing, a set of liqueur glasses. In winning the main event of the day, Noel also won for his sister-in-law, Maxine Burton, the ladies' trophy for the day.

On Sunday, 17th inst., the members of the above Gun Club competed in a 20 mixed bird event, the only event of its kind listed on the programme for the year. Shooting conditions were excellent and 19 shooters faced the traps, each shooter having 5 shots each of single barrel, double barrel, double rise and walk-up.

The consistent Dick Burton, with a score of 17/20, proved the winner of the day, closely followed by W. Elliott and P. Miragliotta, each with 16/20; this necessitated a shoot-off between these two for second place, which eventually went to W. Elliott. The yardage trophy for the day was won by J. Costantino with 14/20. Other good scores for the event were: S. Gratte, A. Hunter, 15/20; S. Zorino, N. Burton, 14/20; E. Boschetti, F. Oliveri, J. Keene, 13/20.

Mrs. J. Keene presented the trophies to winners after the usual enjoyable afternoon tea, and the President, Mr. Hackett, then bade farewell and extended best wishes to R. Burton, N. Burton, A. Hunter and H. Finlay, all of whom left for Kalgoorlie to compete in the Eastern Goldfields State Deauville Doubles and State Walk-up Championships. (Jack Jones, Pub. Officer.)

GOROKE (V.), 2/7/60. — Weather conditions: cloudy. Attendance: 24. Results: No. 1, 5-bird D.B.: N. Stewart, C. Freckleton, A. Mulraney, A. Aitken, R. Butler, M. Grigg, A. Millar, div. No. 2, 10-bird Trophy: 1st. R. Kilpatrick; 2nd. I. Batson; 3rd. A. Mulraney. No. 3, 10-bird: div. 11 shooters, N. Stewart, B. Robinson, C. Freckleton, A. Aitken, K. Roper, R. Butler, R. Kilpatrick, M. Catton, A. Millar, C. Watkins, H. Williamson.

Good attendance of shooters from Horsham, Warracknabeal and Apsley. Day was cloudy, but fine, 9 shooters shooting possible for trophy. Congratulations to R. Kilpatrick, 1st; I. Batson, 2nd, and special congratula-

**HAWKESBURY (N.S.W.), 25/6/60.**—Weather conditions: cool, windy. Attendance: 28. Results: No. 1, 5-bird D.B.: A. Catt, D. Scowcroft, W. Charlton, N. Rogley, W. Clark, A. W. Hayes, A. Stubbs, B. Thorne, P. Sims, J. White, 5/5. No. 2, 5-bird P.S.: W. Charlton, F. Hudson, N. Rogley, A. W. Hayes, P. Sims, A. A. Hayes, 15/15. No. 3, 10-bird P.S. Trophy: A. W. Hayes, 36/36, 1st; C. Tickle, 35/36, 2nd; J. White, W. Clark, 29/30, 3rd. No. 4, 5-bird D.B. SP.: W. Charlton, D. Scowcroft, A. Fobotham, Boy Hayes, C. Tickle, S. Moore, 5/5. No. 5, 5prs. D.R.: C. Tickle, 5/5; E. Bullen, A. Catt, D. Simmons, 4/5. No. 6, 5-bird D.B. (off 27 yds.): W. Charlton, W. Clark, 5/5.

The main event, the Club Trophy, was won by Adrian Hayes after a shoot-off with Cec. Tickle. Bill Clark continues to improve, missing only one bird in five events. Warren Charlton is still in top form after his unbeatable form at Southport in the C'ships.

23/7/60.—Weather conditions: fine. Attendance: 27. Results: No. 1, 5-bird D.B.: W. Clark, D. Simmons, J. Crowne, N. Ellis, E. Hawkins, J. White, 5/5. No. 2, 5-bird D.B. SP.: N. Rogley, A. W. Hayes, F. Hudson, A. Catt, 5/5. No. 3, Hawkes. Dist. D.B. SP. C'ship: 1st, P. Sims, 25/25; 2nd, F. Hudson, 24/25; 3rd, J. White, 23/25; 4th, C. Tickle, 21/24. No. 4, 10-bird D.B.: D. Simmons, J. Murphy, A. Catt, N. Rogley, W. Charlton, G. Cook, A. W. Hayes, P. Sims, 10/10. No. 5, 10-bird D.B. (from 27 yds.): R. Hyatt, 10/10; W. Charlton, C.

Tickle, 8/10. No. 6, 5-bird D.B. (from 30 yds.): R. Hyatt, 4/5.

The Hawkesbury Dist. D.B. Sparrows C'ship was won by Peter Sims, 25/25, from Fred Hudson, 24/25, with Jim White, 23/25, in 3rd place. In the first shoot of the series of five shoots for a case of cartridges, no fewer than eight shot the possible. Roger Hyatt stood out in the back-mark events and shot 10/10 from 27 yds. and followed with 4/5 from 30 yds. The club is steadily growing; membership has increased from 37 to 61 in the last 12 months. Members have performed very well throughout the year—four made the International Team, and Warren Charlton won the Grand Australian H'cap and divided the car shoot at Hay.

(Adrian Hayes, Hon. Sec.)

**HAY (N.S.W.), 16/7/60.**—Weather conditions: perfect. Attendance: 25. Results: No. 1, 10 targets (5 D.B., 5 S.B.): div. J. Houston, R. Headon, C. Gibson, T. Cox, 9/10. No. 2, Patrons' Trophy Shoot (30 targets—15 S.B., 15 D.B.): C. Dicker, 29/30; Maurice Gibson, 43/45; B. Bennett, 42/45, after shoot-off. No. 3, I.C.I. Trophy Shoot (limited to 12/14 yds.): T. Cox, 10/10; B. Clifton, 9/10.

In perfect winter sunshine and a lovely afternoon the ever-popular "Patrons' Trophy and I.C.I. Trophy Shoot" was held at the club grounds before a large crowd, and 25 of the club's best shots competed for the nice trophies donated by the Patrons of the club in Mr. Leo Headon and Mr. Eddie Bennet, while the stalwart firm in I.C.I. did the honours for the shooters in the 12/14 yard group. To these good people the club is indeed grateful and the results achieved, we

are sure, gives great satisfaction to all concerned. The day was delightful and the shooting by Charlie Dicker in taking first place at 29/30 was full of merit, while novice shooter in Terry Cox's effort in securing the I.C.I. Trophy could not be improved on, and we look forward to this son of that well-known "Marshall", Harry Cox, going a long way. (Les McKinney, Hon. Sec.)

**HOBART (Tas.), 30/7/60.**—Weather conditions: fine and mild. Attendance: 42. Results: No. 1, 10-bird D.B. (comp. div.): B. Schott, G. Genders, R. Abblitt, W. Potter, G. Smith, E. Nelson, L. Witzerman, D. Gray, P. Marshall, F. Sulman, R. Monks, E. Harbeck. No. 2, State Intermed. C'ship: 1st, R. Abblitt, 2nd, J. Doddridge; 3rd, W. Potter; 12 yd. trophy, B. Schott. No. 3, 10-bird S.B. Trophy (1st and 2nd): 1st, J. Doddridge; 2nd, G. Smith. No. 4, 6 pr. D'ville Double Sparrows: 1st, W. Potter - C. Davis; 2nd, E. McRae - E. O'Heaney. No. 5, Novice 12 yd. Trophy: L. Witzerman. No. 6, D. Rise Sparrows: div. E. Harbeck, J. Jones.

A very good attendance, the State Intermediate being the big attraction, in this event only two shooters returning the possible 20; they were R. Abblitt, who set the pace, and J. Doddridge. In the shoot-off both started nervously, but soon settled down and it wasn't until the 34th round that Doddridge dropped a straight-away bird to let Abblitt in to take out the title. In the S.B. event J. Doddridge and G. Smith were the only ones to shoot the possible. J. Doddridge won in a quiet shoot-off. A lot of new shooters turned up and it is the club's idea to foster these shooters and put as many events on as possible, for the practice shooting proved very popular. (G. A. Smith, Hon. Sec.)

**HOPETOUN (V.), 1/7/60.**—Weather conditions: calm, cold. Attendance: 22. Results: No. 1, 5-bird: div. K. Wise, I. Thomas, E. McMillan, S. McCredan, J. Clarke, W. Webster, W. Hallam, K. Wishart. No. 2, 5-bird Trophy: 1st, R. Butler, 18/18; 2nd, S. McCredan, 17/18; 3rd, W. Kaye, 11/12; 16 yds. and under, L. Chivell, 6/7. No. 3, 5-bird Trophy: 1st, G. Strauss, 13/13; 2nd, R. Phillips, 12/13; 3rd, R. Butler, 11/12; 16 yds. and under, C. Mitchell, 10/11. No. 4, 5-bird Trophy: 1st, K. Wishart, 19/19; 2nd, S. McCredan, 18/19; 3rd, L. C. Poulton, 17/20; 16 yds. and under, C. Mitchell, 12/13.

Second of the "Brass Monkey" series of night shoots, and another success. The new concrete floor in the club house was still a bit soft, so we stayed under the stars (and by the fire!).

29/7/60.—Weather conditions: calm, cold. Attendance: 15. Results: No. 1, 5-bird: div. Joe Sawtell, L. C. Moulton, 5/5. No. 2, 5-bird: 1st, W. Kaye, 10/10; 2nd, R. H. Phillips, 9/10; 3rd, S. McCredan, 5/6. No. 3, 5-bird: 1st, G. Strauss, 9/10; 2nd, G. Mitchell, 8/10; 3rd, L. C. Poulton, 6/7. No. 4, 5-bird: 1st, L. C. Poulton, 8/8; 2nd, L. Puckle, 8/9; 3rd, S. McCredan, 8/10.

No really good shooting for some unaccountable reason. Conditions were right for big scores, but apparently the shooters weren't as good as the conditions. "Bill" Moulton had a night out. Bill Kaye got a mention and the old guy feller was in the results, too, so the "office" had a successful night. (W. Kaye, Hon. Sec.)

**HORSHAM (V.), 23/7/60.**—Weather conditions: fine. Attendance: 25. Results: No. 1, 5-bird: cut 10 shooters. No. 2, 10-bird Trophy: R. Butler, W. Drendell, equal 1st; L. Baker, 3rd. No. 3, 10-bird: cut A. Aitken,

C. Budde, N. Stewart, H. Elliot. No. 4, 10-bird: won outright, H. Williamson; 2nd and 3rd, div. W. Drendell, J. Hinneberg.

A good muster of shooters turned up for our second afternoon shoot for the year. Congratulations to the trophy winners, and thanks to the visiting shooters for coming along, also thanks to the ladies for the afternoon tea. (Norm Stewart, Hon. Sec.)

**HUNTLY (V.), 2/7/60.**—Weather conditions: good. Attendance: very good (43). Results: No. 1, 5-bird D.B.: 20 div. No. 2, 20-bird D.B.: F. G. Grinter, 36/37, 1st; J. Whitewood, 35/37, 2nd; A. Scott, 32/34, 3rd; J. Govett, F.M., 27/29. No. 3, 10-bird D.B.: J. Whitewood, 15/15, 1st; V. Whaley, 14/15, 2nd; W. Forbes, 12/13, 3rd.

A good day for shooting, with shooters coming from Echuca, Kerang, Boort, Barmham, Tatura, Harcourt to shoot for the first prize, a Transistor Wireless. No possibles were scored, although 43 shooters took part in this event. Eight shooters returned 19/20 and the shoot-off was won by the Echuca Gun Club Sec., R. G. Grinter, 36/37, from J. Whitewood, 35/37. A Scott Snr., who is a 70-year-old shooter, took 3rd place, 32/34. Front markers, J. Govett, 27/29. The most consistent shooter for the day was J. Whitewood, who won the following 10-bird event from V. Whaley and W. Forbes.

23/7/60.—Weather conditions: good. Attendance: good. Results: No. 1, 5-bird D.B.: V. Lawford, H. Maynard, B. Coyle, N. Manning, A. Banfield, J. Govett, G. Coombs, K. Webster, 5/5. No. 2, 15-bird D.B.: K. Shearer, 23/24, 1st; J. Whitewood, 22/24, 2nd; V. Lawford, 16/17, 3rd. No. 3, 10-bird D.B.: div. R. Halsall, W. Coulson, T. Baburn, 10/10.

The club was lucky to get a good, calm night, with shooters coming down from the Echuca Club's afternoon shoot, the keenest being a couple of car loads from Tatura and Shepparton. Only three shooters shot the possible 15/15, K. Shearer, J. Whitewood and V. Lawford, who missed his second bird in the shoot-off. K. Shearer and J. Whitewood both missed their eighth release, K. Shearer shooting the next and Whitewood missing to give K. Shearer the 1st trophy. The ladies had a sell-out with the hot pies and pasties, which were readily welcomed by the shooters who had 80 to 90 miles to travel home. (J. E. Jones, Hon. Sec.)

**ISISFORD (Qld.), 10/7/60.**—Weather conditions: wind and light rain during afternoon. Attendance: 18. Results: No. 1, 5-bird: J. Winter, M. Moyse, N. McLellan, G. F. Coxon, J. Walker, Bill Moyse, J. Dickson, D. Ross, 5/5. No. 2, 15-bird D.B.: M. Moyse, 20/20; N. McLellan, 19/20. No. 3, 10-bird S.B.: G. C. Coxon, N. McLellan, M. Moyse, P. McGovern, 10/10. No. 4, 30-bird Pts. 3 and 2: G. C. Coxon, 87/90; N. McLellan, 86/90; J. Dickson, 85/90. No. 5, 20-bird S.B.: P. McGovern, 29/30; M. Moyse, 28/30. No. 6, 5 prs. D. Rise: J. Dowie, 5/5. No. 7, D'ville Double Miss-out: G. F. Coxon - M. Moyse, 8/9.

The light rain and wind during the afternoon made conditions miserable and a few were frightened of the rain and left early; however, we were able to complete the programme. Mick Moyse had a day out, despite the conditions, and made a break of 82. Joe Dickson won the high gun in a shoot-off from Mick, and George Coxon Jrn, won the 12/13 yard high gun from Dave Ross, who showed much promise. (P. Salmon, Hon. Sec.)

KATANNING (W.A.). — We conducted a Skeet afternoon today for a sweep and the E. M. Crossley trophy. The weather was fine, cold and windy, and conditions were not easy. In spite of this, however, a few shooters managed to record good scores, and the writer even broke his handicap. I should explain that, for club use only, each shooter is given an allowance which is calculated to bring his past average score up to within one point of the possible.

Results: No. 1, 20 Skeet H'cap for S'stake: 1st, E. M. Crossley, 21/20; 2nd, E. A. Clegg, 20/20; equal 3rd, N. A. Beeck, M. Johns, 19/20. No. 2, 20 Skeet H'cap for the E. M. Crossley Trophy: 1st, N. A. Beeck, 30/30; 2nd, E. A. Clegg, 29/30. High Gun (best overall nett score): N. A. Beeck, 35/40. In event 2 a shoot-off was necessary to decide the winner of the trophy, and in this, Neville Beeck was to gain the decision from Ernest Clegg by one kill, and also took the High Gun trophy from M. Crossley by a similar margin. Nice work, Nev., long may it continue.

Two visitors from the Narrogin Club in Doug Wiese and Max Johns were present, and we sincerely hope they enjoyed the shoot, if not the weather.

24/7/60.—Weather conditions: mainly fine, good. Results: No. 1, 20 Mixed Birds H'cap: 1st, J. R. Downer, 16/20; 2nd, B. Clegg, 15.2/20; 3rd, D. G. Anderson, 14.6/20. No. 2, 20 Skeet H'cap: 1st, R. S. Anderson, 21/20; equal 2nd, J. R. Downer, 20/20; 3rd, M. Crossley, 20/20. No. 3, 20 Skeet H'cap: 1st, T. S. Young, 22/20; 2nd, E. A. Clegg, 20/20; equal 3rd, J. R. Downer, D. Anderson, 19/20. High Gun: R. S. Anderson, 48/60.

Conditions were good for shooting after a very wet week. One or two shooters were unable to attend as a result of flooded roads. However, in spite of the good weather today, no outstanding scores were recorded in the mixed birds event, which was the main one. Two rounds of skeet were shot afterwards, and in the first, Ross Anderson recorded 19/20 off the gun, and in the second round, Terry Young shot the possible with a borrowed gun. Perhaps he should borrow one more often! (E. M. Crossley, Shoot Sec.)

No. 3, 10-bird D.B.: W. Williams, A. Gosling, 10/10; 3rd, div. E. Hering, L. McInnis, 9/10. No. 4, 10-bird D.B.: 1st, W. Williams, 10/10; 2nd and 3rd, div. F. Thatcher, J. Cooper, L. McInnis, 8/10.

Marsh, 4/5; G. Marsh, 3/5.

Due to the very poor attendance, shooters present held a quick meeting and decided to alter the programme for the day's shoot. A picnic shoot was drawn up which proved to make a most enjoyable day. Shooting from alongside the pull stick which is on the 27 yards mark, the shooter had to release his own bird. Sparrows were then shot, commencing at 16 yards and going back 2 yards after each bird. The next event was run on similar lines. Pigeons were used, with shooters going back 3 yards for every kill and 1 yard forward for every loss. Shooting in

Forty-five shooters faced the traps on a very rough day, with temperatures in the low 50's. Afternoon tea was welcomed by shooters and visitors.

17/7/60. — 10 clays (5 S.B., 5 D.B.): L. Truman, R. Mules, T. Janzic, D. Ekins, 10/10. 20 clays Club S.B. C'ship: J. Stone, R. Kimber, D. Kimber, 20/20; shoot-off: J. Stone, 1st; D. Kimber, 2nd; R. SOUTH COAST (Qld.), 10/7/60.—Weather conditions: fine and warm. Attendance: 18. Results: No. 1, 20-bird D.B.: G. S. Martin, R. Capel, L. Ardron, K. Bambrery, 20/20, div. No. 2, 15-bird S.B.: G. S. Martin, L. Ardron, 15/15, div.; 3rd, A. Chesney, N. Pittaway, C. Whitney, K. Bambrery, 14/15, div. No. 3, 10-bird S. Rise: 1st, A. Thurlow, N. Pittaway, 10/10; 3rd, R. Hogarth, G. S. Martin, R. Capel, 9/10. High Gun overall: G. S. Martin.

Rather poor attendance for a perfect shooting day. Maybe shooters had "had their fill" at the recent International. G.S.M.'s win of the Club Mug for High Gun was a very popular win, as this is the first one he has won since the inception 18 months ago.

(G. O. Martin, Hon. Sec.)

SOUTH WEST (W.A.), 18/6/60.—Weather conditions: overcast and showery. Attendance: 12. Results: No. 1, 10-bird D.B. and 10-bird S.B. D.T.L.: 1st, H. Turner, 18/20; 2nd, R. B. Yates, 18/20; equal 3rd, N. Wells, J. Keall, R. Pearce, S. Keall, N. Keddie, 17/20. No. 2, 20 pr. D'ville Doubles: 1st, R. B. Yates - F. Littlefair, 20/20; equal 2nd, J. Keall - N. Keddie, D. Secker - R. Pearce, N. Wells - J. McBain, 17/20.

17/7/60. — Weather conditions: fine and cool. Attendance: 14. Results: No. 1, 2 rounds of Skeet (ISU rules): R. B. Yates, 50/50, 1st; C. B. Wells, 50/50, 2nd; L. Clarke, 49/50, 3rd. No. 2, 25 Skeet (morning event): R. Payne, 25/25, 1st; C. B. Wells, E. Metcalf, 25/25, equal 2nd. No. 3, 25 Skeet (afternoon event): F. Littlefair, 25/25, 1st; N. Wells, 25/25, 2nd; C. B. Wells, 25/25, 3rd.

C. B. Wells performed very well with 23/25 and 22/25 off the gun. He participated in all three shoot-offs, but was unlucky to just miss out on a trophy. The score of 23/25 is the best obtained at our club under the ISU rules. The afternoon scores were the ones arranged for the State inter-club competition, and the best five scores were 22, 21, 20, 19 and 18, a total of 100.

McDiarmid, J. Taylor, N. Kurtz, div., 5/5. No. 2, 5-bird D.B. Sparrows: W. Craig, K. Harrison, O. Roberts, E. Field, A. Carthew, H. Wright, K. Patterson, H. Jaques, H. McDiarmid, K. Jones, A. Rosconi, J. Taylor, div., 5/5. No. 3, 10-bird D.B. Trophy Sparrows: B.M., 1st, D. Heilman, 48/51; 2nd, H. McDiarmid, 40/51; F.M., 1st, J. Mawby, 41/45; 2nd, K. Sankey, 35/39. No. 4, 5-bird D.B.: A. Rowe, A. Arrowsmith, W. Craig, K. Harrison, J. Mawby, E. Field, J. Benton, E. Ferguson, H. McDiarmid, K. Jones, div., 5/5. Scores in the Arch Rowe Cup, second stage, are: D. Heilman, K. Sankey, 20; H. McDiarmid, 19; R. Patterson, E. Ferguson, 15.

The July shoot, despite a slightly disorganised start and a cold afternoon, was one of the most enjoyable and successful shoots for some time. The attendance of 30 shooters, some who travelled from as far afield as Parkes, Orange, Mudgee, Bathurst and Peelwood, guaranteed a good afternoon's shooting.

To the new shooters who visited us from the Sydney metropolitan area we extend a welcome. J. Mawby, for his first time at the traps in any club activity, displayed excellent form to score 30/30 in the main event. If that is indicative of his form for future shoots, he hasn't much to worry about.

We wish Tony Hall (Peelwood, N.S.W.) a speedy recovery from his illness and look forward to seeing him at future shoots.

The ladies once again came to the fore and thawed out the frozen shooters and spectators alike with a very welcome cup of tea.

Next month it is hoped to have heating available in the club house, and any shooters interested in a crack at the clays without absolutely freezing to death are welcome.

(K. Sankey, Hon. Sec.)

**WARREN (N.S.W.).**—Shoot held 23/6/60. Weather conditions: fine, clear, with cold south to south-westerly winds. The introduction of some sparrow events for the first time for some years created additional interest in the shoot. Highlight of the day was the win by B. Rowe in the Ferguson Jackpot trophy events with 51 points.

Results: No. 1, 10-bird D.B. Sparrows: J. Ferguson, R. Deacon, 10/10. No. 2, 10-bird D.B.: B. Rowe, E. Smith, K. Starr, J. Ferguson, I. McCalman, J. Noonan, 10/10. No. 3, 10-bird D.B. Pts. 3 and 2: 1st, B. Rowe, 51/51; 2nd, I. McCalman, 48/51. No. 4, 10-bird S.B. Sparrows: 1st, R. Deacon, 11/13, from R. Burnet (retired). No. 5, 10-bird D.B. Sparrows: E. Smith, J. Ferguson, R. Young, R. Deacon, 9/10. No. 6, 10-bird D.B.: J. Ferguson, I. McCalman, J. Gardner, 10/10. (R. Deacon, Sec.)

**WELLINGTON (N.S.W.), 2/7/60.**—Weather conditions: cold and cloudy. Attendance: 10. Results: No. 1, 5-bird: D. Ward, D. Lousick. No. 2, 5-bird D.B.: P. Norris, No. 3, 3-bird Walk-up: C. Thompson. No. 4, 5-bird S.B.: D. Lousick. No. 5, 5-bird D.B. Pt. Score: D. Ward. (P. Norris, Hon. Sec.)

**WERRIBEE (V.), 9/7/60.**—Weather conditions: dull, heavy showers. Attendance: 13. Results: No. 1, 5-bird Pts.: 1st, M. Rushford, 15/15; 2nd, D. Mairs, 14/15; 3rd, P. Mark,

T. Powell, 12/15. No. 2, 15-bird D.B.: 1st, M. Rushford, 16/18; 2nd, W. Abbott, 15/18; 3rd, T. Rosewarne, 12/15; F.M., T. Gard, 9/16. No. 3, 15-bird S.B.: 1st and 2nd, div. D. Mairs, T. Gard, 10/15; 3rd, div. R. Sadler, W. Cations, S. Cations, T. Rosewarne, W. Abbott, 9/15.

Our monthly meeting was conducted under poor weather conditions, a state of affairs which seems to have become a habit. As a result the attendance was small, but those regulars who braved the elements had an enjoyable afternoon. Tom Rosewarne brought along two new shooters who made an impressive debut, and we hope, arm twisting won't be necessary to bring them back. We should point out that an invitation is always open to new shooters and all visitors are assured of a cordial welcome be they beginner or expert. (R. W. Sadler, Corresp.)

**WEST GIPPSLAND (Warragul, V.), 25/6/60.**—Weather: cold and showery. Attendance: 22. Visiting shooters in attendance from Yarram, Foster, Dandenong, Morwell, Mirboo North and Melbourne. No. 1, 10-bird Pts. Dec.: div. 3 possibles, C. Bailey (Warragul), F. Hobson (Foster), C. Steele (Foster). No. 2, 30-bird Novelty H'cap (10 single, 10 double, 10 points): won after a shoot-off by D. Davey (Morwell); 2nd, A. Pearson (Yarram); 3rd, C. Bleckley (Warragul).

Nice shooting, Des, a popular win. Congratulations to Charlie Steele (Sec. Foster) in taking off the High Gun trophy and the 16/19 yardage prize. First day out with his new gun, so look out on future occasions. Murray Cripps (Foster) took 12/15 yardage and the man with the "Purdy", Charlie Budge, the back markers' trophy. The Australian D.B. C'ship, Keith Patterson from Foster fronted up for his first shoot since winning the title, but evidently decided to give the boys a go, as he was content with some sweep money only.

(F. L. Brown, Hon. Sec.)

**WINCHELSEA (V.), 14/3/60.**—Weather conditions: cloudy, with some showers, no wind. Results: No. 1, 10-bird D.B. No. 2, 25-bird D.B. H'cap: N. Viccars, 1st, 40/40; P. Boyd, 2nd, 39/40; G. Norman, 3rd, 35/36; A. McIntosh, 28/29; J. J. Heer, 25/26, 12/14 yd.

Under cloudy and rather threatening conditions Winchelsea Gun Club held a successful shoot, 20 shooters attending. Shooters were present from Colac, Barwon Heads and Geelong clubs. First event was divided by A. McIntosh, R. Parker, J. Hose, I. Holt, M. Anderson and T. Sharp, 10/10. Second event, 15-bird D.B. Handicap, resulted in a fine win for Norm Viccars, 40/40; Peter Boyd, 2nd, 39/40, and G. Norman, 3rd, 35/36. A. McIntosh was successful in winning backmarker trophy with 28/29. Unfortunately owing to the lateness of the hour, the third event had to be cancelled.
