PATTERN CONTROL

... the most essential feature in successful scattergunning. POLY-CHOKE's two dimensional control of shot patterns is **certain** to make **you** a better shot. 2-D control simply means your POLY-CHOKE not only delivers the correct pellet spread to your target, but shortens the shot-string considerably. The result ... **more** pellets concentrated "on target" and a **better** chance for a clean kill. To be able to control your pattern for effective performance on varied targets, provides a tremendous advantage. It eliminates "shattered" game caused by too tight a pellet constriction, or a cripple that craftily escapes through a pattern too thin to be effective. These conditions are instantly eliminated when that final advantage is added to your favorite single ... a POLY-CHOKE.

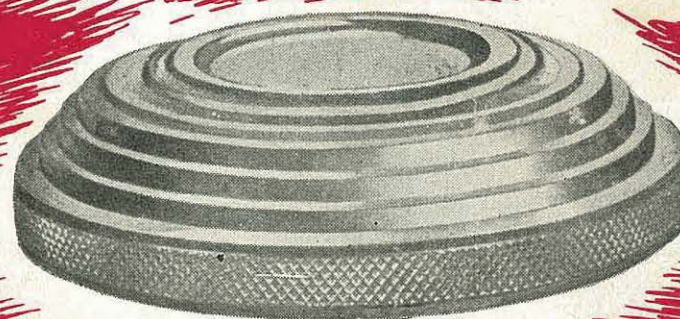

*"For better scores at trap and in the field, **POLY-CHOKE'S** the answer."*

1962 INTERNATIONAL MATCH. The A.C.T.A. is pleased to acknowledge receipt of the following congratulatory letter from the English Clay Pigeon Shooting Association in London. The letter, written under the date of July 16, 1962, reads:

"Mackintosh Trophy"

"This is to confirm our international telegram giving the results of the Mackintosh International Trophy for 1962, as follows:—

1st	AUSTRALIA	8764 points
2nd	NEW ZEALAND	8621 "
3rd	SOUTH AFRICA	8572 "
4th	ENGLAND	8107 "
5th	SCOTLAND	7754 "
6th	IRELAND	7663 "
7th	WALES	7578 "
8th	CENT. AFRICA	7168 "

The result of the Match was received with acclamation here, and we send our heartiest congratulations to the Australian Team upon their success, which was obtained with a new record score.

For 1963, the home teams will be shooting at Dublin, Ireland, on 21st

June, and the conditions will be as for 1962, as set out in my letter to you dated 23rd October, 1961, and also in accordance with the 1962 programme which has been sent to you. With kind regards.

(Signed) A. P. Page, Secretary."

It will be noted that Canada, winners in 1960, did not submit an entry in 1962. But there were probably good reasons for this.

Another important feature of the success by Australia in 1962 is that the win was gained with a record winning margin and also a record score under the present points system of deciding the winning combination. As has been previously mentioned, the Australian Team of 1962 lost only 37 targets in 3000 and dropped only 236 points in a possible 9000 points!

A detailed list of the winning teams in the International Match since 1939, when the event was first extended to allow for the inclusion of Australia, and later other countries, follows:

"MACKINTOSH" INTERNATIONAL TEAM EVENT

(Between Australia, Canada, Central Africa, England, Ireland, New Zealand, Scotland, South Africa and Wales)

Year	Winners	Net Score	Winning Margin
1939	England	1878 kills ex 2000	57 kills
1948	England	1410 kills ex 1500	31 kills
1949	Australia	1374 kills ex 1500	38 kills
1950	England	1657 kills ex 1800	43 kills
1951	Australia	1443 kills ex 1500	45 kills
1952	England	1645 kills ex 1800 (S.B.)	57 kills
1953	England	5013 pts. ex 5400	5 pts.
1954	New Zealand	1725 kills ex 1800	4 kills

1955	New Zealand	1462 kills ex 1500	18 kills
1956	New Zealand	1948 pts. ex 2000	6 pts.
1957	New Zealand	2951 pts. ex 3000	16 pts.
1958	Australia	2876 pts. ex 3000	14 pts.
1959	Australia	2956 pts. ex 3000	8 pts.
1960	Canada	2955 pts. ex 3000 (S.B.)	41 pts.
1961	New Zealand	8606 pts. ex 9000	5 pts.
1962	Australia	8764 pts. ex 9000	153 pts.

APPLICATIONS FOR 1963 OPEN CHAMPIONSHIPS. Clubs interested are again reminded that applications for 1963 open championships, i.e. Commonwealth, State and District Championships, should be lodged with the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.I., not later than Monday, September 10, 1962.

In connection with Commonwealth titles, (clay sparrow and clay pigeon) will in future probably be allocated on a roster system. Copy of the proposed roster as it will apply in the various States is published (Commonwealth titles only) elsewhere in this issue. The Executive Committee will probably retain this roster for the 1963 allocation and the ensuing years. The roster published is quite easy to follow and its observance by clubs should simplify both applications and ultimate allocation.

SILENCE ON SHOOTING MARK.

Several reports have reached the Association recently regarding shooting mark behaviour. The reports received indicate that some shooters are prone to talk to their nearest shooting companion and so disturb the concentration of other competitors. Talking on the mark should not be tolerated by the referee. In such instances the referee should quietly draw the offenders' attention with the minimum of gesture and confusion. If the offenders fail to accept the referee's reminder, it is the referee's duty to report the matter to the club management, who should then take up the question with those causing the annoyance. No gun club is expected to be a fortress of decorum, but at the same time noise on the shooting mark should not be tolerated.

INCORRECT DECISIONS. Recently two reports were received by the Association of incorrect decisions given by official referees. In the cases referred to, one shooter using an under-and-over gun and the other an automatic, claimed misfires. The referees concerned took over the guns in each instance, placed them to the shoulder and pulled the trigger. In each case the gun fired, and in each case the referee gave the shooter another target. These decisions were completely wrong and it was wondered by other shooters present that no one protested on the referee's ruling. What apparently happened was that the shooters, in each case, froze on the trigger and then claimed their guns would not fire. Official referees should make very certain that they have a complete knowledge of the Rules.

1962 WORLD CHAMPIONSHIPS.

In connection with the 1962 World Clay Pigeon Championships at Cairo (Egypt) to be held from October 11 to October 20, 1962, advice has been received from the International Shooting Union (Germany) containing copy of a letter received from the general secretary of the United Arab Republic Shooting Federation. The copy reads, "Cairo, 8th July, 1962. Dear Mr. Zimmerman, With reference to my letter dated 17th June, 1962, I have pleasure to inform you that the United Arab Republic Shooting Federation will participate with 50% on all tickets issued by the UNITED ARAB AIRLINES and flown on its schedule. Therefore, all participants at the 38th World Shooting Championships and visitors accompanying them will be covered by this privilege. May I kindly request

that you approach United Arab Airlines offices in Germany to organize and plan all arrangements to contact all Federations all over the world and to establish the necessary co-ordination. (Signed) General C. Mehanna, Secretary General U.A.R. Shooting Federation." (Note, Mr. Zimmerman is General Secretary of the International Shooting Union (Union Internationale De Tir). From the foregoing, it would appear that United Arab Airlines have agreed to a discount of 50% on all airline tickets to Cairo for the Championships, applying both to competitors and visitors. The Egyptian piastre (medium of currency) is valued, 41 piastres one U.S. dollar, 100 piastres one English £.

EXECUTIVE COMMITTEE MEETING. Clubs are reminded again that the next meeting of the A.C.T.A. Executive Committee will be held in Sydney over the dates October 4 and 5 (also on the evening of October 4). Among the many important matters to be discussed will be the programme for the next National Championships and International series at Southport, Queensland, in June, 1963.

Clubs desirous of having matter included on the Agenda of the above-mentioned meeting are advised that such application should reach the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.1, not later than Monday, September 10, 1962.

Applications for 1963 Commonwealth, State and District Championships should also reach the A.C.T.A. Secretary not later than Monday, September 10, 1962.

1963 NEW ZEALAND CHAMPIONSHIPS. The Secretary, New Zealand Gun Club Association, Mr. Bill Stewart, has advised that the 1963 New Zealand Championships will be held at Hamilton, N.Z., from April 3 to April 10, 1963. Mr. Stewart adds, "I take this opportunity to invite any of your members to participate in this tournament. I trust we will be able to entertain a large number of your members at

Hamilton next year." Mr. Stewart continued, "I want to congratulate your International Team on their great success this year. I feel that your team's score of 8764 points will remain a record for many years."

SUNDAY SHOOTING IN SYDNEY. Following a letter from a New South Wales club to the New South Wales Police Department, Sunday shooting at Bankstown, N.S.W., has ceased. This has caused much disappointment. The Royal Aero Club was endeavouring to establish a pointer by shooting on Sundays so that the example could be established to the N.S.W. Government Department controlling gun sports that Sunday gun sport, under proper control, was worthwhile and, therefore, should be permitted. All New South Wales clubs would have benefited had this been established. Now, due to the action stated, no shooting in the State of N.S.W. is permissible.

A report from America advises that a clay target shooting film, or at least a film basically on the sport of clay target shooting, is about to be released for general distribution in U.S.A. and abroad. The film is a commercial enterprise and is believed the first of its kind. It is a Bill Stern Columbia Pictures sports film and features Remington Arms Co. personnel and products in a series of camera close-ups of all forms of clay target shooting. The film is already in distribution among the U.S.A. Armed Forces. The picture covers scenes at the 1961 Grand American series at Vandalia, Ohio, night shooting (trap), hand-thrown trapshooting, skeet and practice shooting off the stern of a power cruiser in Biscayne Bay, Miami. The name of the film is "ON TARGET", and all interested are advised to watch for its release in the respective areas of the Commonwealth — it should be of great interest to Australian clay target shooters, the initial film made for theatrical release.

Apsley Gun Club, named as the "most western club in Victoria", close to the South Australian border, has issued a syllabus for club shoots during the ensuing six months. Included among the events listed are the Victorian State Double-rise title on August 18. The Kowree & Border District Night D.B. title will be decided on October 27, and this will be preceded by a £120 Trophy Handicap on the afternoon of the same day. The similar day double-barrel title will be decided on November 24. The Victorian State Double-rise title at clay sparrows has been arranged for Saturday night, November 24. The club's Christmas Shoot will be held on Friday night, December 21. Secretary at Apsley is Athol Miller, Box 56, Apsley (Phone: Newlands 28). D. H. Williamson is President.

Interest in this publication is apparently widespread. Recently a letter arrived from Durban Club Secretary in South Africa, D. N. Du Plessis, seeking details of costs for inclusion on the mailing list. Du Plessis' address is 463 West Street, Durban, S.A.

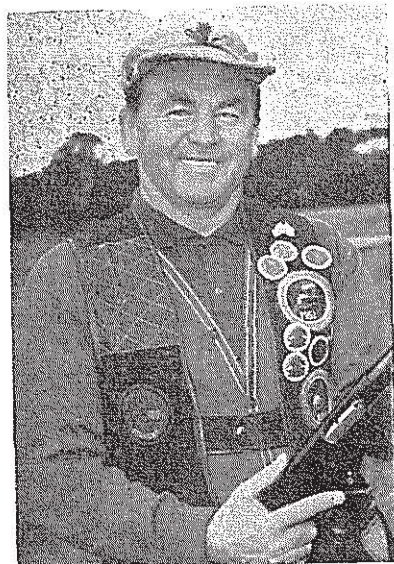

A new affiliation with the A.C.T.A. is the Noorat Gun Club in western Victoria. Noorat is situated at the foot of Mount Noorat, a few miles north of Terang. Secretary at Noorat is C. J. Cairns, Noorat P.O., via Terang, Vic. The Noorat Club is anxious to procure a good, used automatic trap. Any club with a trap available should contact the above-named.

Occasionally statements are made that rifle shooting slows a shooter up when it comes to smooth bore shooting, similarly that gun shooting is detrimental to the rifle shooter, or that seldom is anyone capable of excelling with both types of weapons. This may be true, or otherwise, on account of physical make-up and temperament, it could appear that certain individuals have an aptitude which favours one form of shooting more than the other. However, skill with weapons depends to a marked extent on general good health, quickness of mental and physical reactions and, basically, good eyesight. These attributes are never the same in any two individuals, neither are there any particular degrees of skill with either the gun or rifle, or both.

The West Gippsland Club at Warragul, in the Victorian Gippsland district, has re-affiliated with the A.C.T.A. after a period of recess. Frank Brown, of 11 Windsor Avenue, Warragul, is club Secretary.

The Sale Club in east Gippsland (Victoria) will shoot the Gippsland Mixed Birds Championship at Sale on Saturday, October 6. A ten birder and other minor events will comprise the balance of the programme. Details of programme are as advertised. Enquiries to club Secretary, Len J. Robinson, 172 Raymond Street, Sale, Vic.

Bourke Club in north-western New South Wales advertises details of its big two-day programme arranged for Saturday, September 29, and Sunday, September 30. Shooting will start on both days at 9.30 a.m. Main events on the opening day are the New South Wales State Single-barrel Championship and a 30-target points score event. On Saturday night (September 29) shooters and friends will be entertained at the Oxley Club, when a Calcutta on the big handicap the following day, and presentation of trophies to winners on first day, will take place. On Sunday, September 30, a 40-target £200 Handicap, plus the Bourke and Darling River Double-barrel Championship, will be chief attractions. Enquiries to Bourke Club Secretary, P. C. Williams, at Box 171, Bourke, N.S.W. Phone Bourke 400, or contact Secretary for accommodation. The Bourke Club will later shoot the Far Western District of N.S.W. The South Australian Gun Club, which shoots at Undo Road, Bolivar, S.A., will hold its two-day Anniversary Shoot on Saturday and Sunday, September 15 and 16. Shooting will start on the opening date at 1.30 p.m., when the Adelaide Plains D.B. title and a £25 Handicap will be decided. On Sunday, September 16, a start will be made at 10.30 a.m., when the special Anniversary Handicap of £125 at 30 targets will be the big interest. £100 will be divided 60%, 30%, 10%, and the remainder will be cut by the following yardage group winners: 12/14, 15/17, 18/20, 21/23, 24 yards and over. Other events time permitting. A barbecue and refreshments will follow. Afternoon tea will be available each day, with luncheon available on Sunday. Programme is as advertised. Enquiries to club Secretary, S. Ridge, 7 Dover Street, Blair Athol. President of the S.A.G.C. is R. Mules, 63 Argyle Ave., Richmond, S.A., who is also the South Australian representative on the A.C.T.A. Executive Committee.

Apparently a good time was had by all at the recent St. George Club two-day shoot in Western Queensland. Reports to hand indicate that the shooting was excellent, the traps very fast, and John Raleigh proved the best of a big field. President of St. George Club, Boyce Siddins, and Mrs. Siddins entertained all the visitors that could be found at a dinner at the Australia Hotel in St. George prior to the opening of shooting. A Calcutta run by the club is reported to be one of the best ever, with a gross of over £1,000 being realised. A duck shoot on Boyce Siddins' property at "Lower Plains" completed an excellent week-end of entertainment for all who ventured so far west. St. George Club, as a matter of interest, was the first club outside Victoria to affiliate with the A.C.T.A., or the A.C.P.T.S.A. as it was then known.

A new club is likely to be formed at Mirani, near Mackay in North Queensland. A few enthusiasts have banded together and approached the A.C.T.A. regarding future development. C. J. George, of Mirani, via Mackay, N. Queensland, is the organizer.

In a small book called "Insect Fact and Folklore", by Lucy W. Clausen, is mentioned reference to the breeding of ordinary flies. The book indicates that a pair of flies beginning operations in the spring might be the progenitors, if all were to live, of 191,010,000,000,000,000 flies by mid-summer. Allowing one-eighth of a cubic inch per fly, this number would cover the earth forty-seven feet deep!

Another possible new affiliation with the A.C.T.A. is the Hagen Gun Club, the address of which is P.O. Box 3, Mt. Hagen, New Guinea. The A.C.T.A. has previously had clubs affiliated in New Guinea. R. R. Waller is Secretary of the Hagen Club.

S. Bott has taken over the secretarial duties of the Burnie Club in north-western Tasmania. He succeeds Mrs. M. Elliott in the office. Bott's address is Private Bag, Penguin, Tas.

The title events will be the Club Double-rise Championship and the Commonwealth Deauville Doubles Sparrows title. This will be followed by a £100 Handicap of 20 targets, divided 60%, 30%, 10%. All visitors will be made honorary members of the club for the day. A landing strip for light planes is available at the shooting grounds. Good motel, boatel and hotel accommodation is available. The fox is known as a wanton killer at all times, and a vixen, with clubs, is especially vicious in this regard. The fox will attack hares, rabbits, ducks, geese, poultry, lambs, rats, frogs, fish, beetles and game birds. Notwithstanding his wanton habits, the fox is a most adaptable animal and is equally at home in wild country, forest, remote mountain areas, cultivated land or even on the outskirts of big towns and cities. Cunning and nocturnal, the fox is a

great and fast traveller. Dog foxes are slightly heavier than vixens.

Snipe indulge in aerobatics in the spring which result in a curious sound known as "drumming". The snipe rises to a considerable height, then, turning on its side, swoops downwards in an arc, and in so doing, it "drums". The wings remain motionless, but the two outer tail feathers stand out nearly at right angles to the rest, and in the downward swoop the wind resistance to these feathers is believed to produce the "drumming" sound. It can be artificially reproduced by attaching these two feathers to an arrow or to a cork whirled round and round.

Coburg Club (Victoria), which annually conducts its popular Grand Prix fixture over the Melbourne Cup week-end and holiday, is reported to be toying with the idea of making two prizes available to two competitors who are successful in the Grand Prix, which will enable the winners to take part in the World Clay Pigeon Shooting and Skeet Championships in whichever country these events are held. Doubtless the move would be well received and give added incentive to competitors in the Grand Prix. This year the 38th World Titles events are being held in Cairo (Egypt) from October 11 to October 20, 1962.

July 6th, 1962.

Mr. Wm. McCullough,
Melbourne, Australia.

Dear Bill,

Glad to hear the good news of Australian Team's success. Congratulations are in order. The boys sure did put on a good show. They certainly are on "top of the heap" and it is a cinch that from now on they will be the team to beat. Hearty congratulations again.

Wouldn't it be fine if a squad or two of your best boys could attend the Grand American; it comes up next month. They would be most welcome. They would probably have the time of their lives. Your tennis players are world's champions and perhaps your trapshooters would be, too, if given a chance.

We had the usual good State Shoot, though scores were low compared to years gone by. Scores:

Dear John,

Just a note to let you know that I arrived back home safe and sound after my very enjoyable holiday in Australia. I wish to thank you for the letter which you sent me at the hotel. I had a wee bit of trouble with the Customs here about the silver tray I had won for the Commonwealth Double-rise Championship, but I showed them your letter, and everything was O.K.

On behalf of the party, John, I wish to thank you all over there for the wonderful time you gave us all, and we hope that you will return our visit over here so that we will have the opportunity to repay some of the good sportsmanship and kindness and good fellowship that was bestowed upon us while we were with you over there.

We had a week of good weather for our National Championships. There was some very good shooting in the National Single Rise. I think 14 shot the possible of 50 birds, and it went to 112 in the shoot-off. I missed my 82nd to get third; my son got fifth; Jim McKenzie was fourth.

The International team did not do so good. Really good weather, too. Although I see we got second to you chaps, I send my heartiest congratulations to your team for getting first. I think there were four of us shot

the 100. Charlie Hartley shot the 100 first barrels; Jim McKenzie was second with 99 firsts and one second; I was third with 98 firsts and two seconds.

I am just back from Blenheim, a province up north. I was lucky to win the Sparrows and Single Rise Provincial Championships. One has got to have the luck as well as shoot a bit to win at clay bird shooting.

We have had wonderful weather since I came back. We have never had a better autumn for many years. We have plenty of feed and the stock is looking real well everywhere.

I was up staying with Ron Brown last week-end, and he says he may get over for your National Championships next June. He wants me to come with him if he goes, so you never know, we may turn up. We certainly enjoy ourselves with you over there.

Well, John, I don't think that there is much more I can tell you of interest, so give my regards to the ones I met over there. Thanks again for all you did for us, hoping this finds you in the best of health.

Kind regards,
BERT WALKER.

The Editor,
Clay Target Shooting News.

Dear Sir,

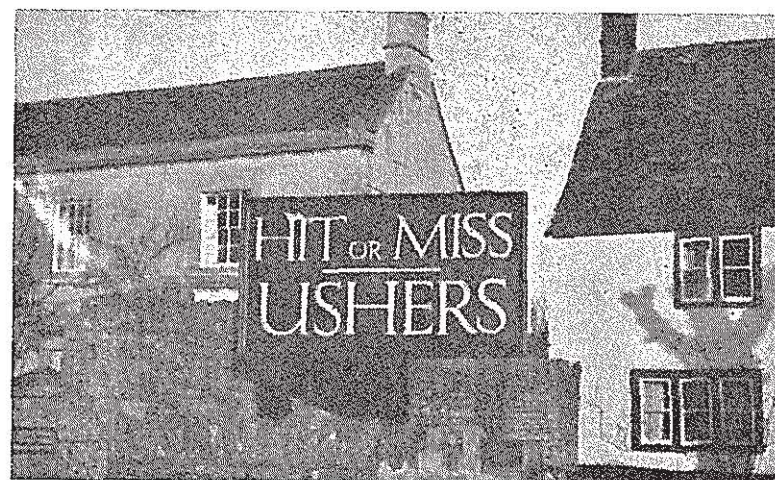

There has been conjecture for some time on the comparative standards of Skeet shooting in New Zealand and Australia. It may therefore be of interest to readers to know that a telegraphic match was shot between the Auckland (N.Z.) club and the Australian (V.) club on Saturday, 16/7/62.

Each club was represented by two teams who each shot at 250 birds. The match resulted in a tie between the two No. 1 teams, each club shooting 233/250; however, Auckland No. 2 team lead Aust. (V.) No. 2 team by 231 to 217.

These scores were somewhat lower than expected, as club performances are usually higher than those above; however, tension probably played a part.

Of course, the Auckland teams were not drawn from the whole of N.Z. just as the Aust. (V.) teams were — only drawn from a sector of Aust.; however, it would appear that present Australian Skeet standards are comparable with those in N.Z.

Yours faithfully,
ROY FALLSHAW.

OUT OF THE PAST

Ten Years Ago

From the pages of the September 1952 issue of "News" comes details of shoots at Bathurst, Griffith, Narromine, Queanbeyan, Coff's Harbour, Richmond River (Casino), all in New South Wales, and Charleville (Qld.), Perth (W.A.) and the Melbourne metropolitan clubs. At Charleville (Q.) a shoot in aid of the local C.W.A. produced a return of £157 to that cause. The C.W.A. Handicap was cut by T. Akers, John Raleigh, J. W. Raleigh (son and father), Reg Akers (still club Secretary at Charleville), Doug. Smith, J. Hamilton, G. Akers and C. Miller.

At a Coburg shoot Jack Headland (now a member of the Association Executive Committee) won the 20-target mixed birds event, 30/30, from Keith Hooker, 29/30, and J. Bryant Junr., 28/29. At the same club Sel. Power won a 10-target event on the 26th round, defeating Miss Barbara Biggs, 25/26, with Tup Pedersen (also a member of the Association Executive Committee) in third place, 22/23. At Camberwell a tyro championship was won by A. G. Stewart, 25/30, from L. Drummond (Seymour), 23/30. An Intermediate Championship at the same club went to the late Lionel Byrne, 17/20, from R. W. Delaney, 16/20. The club Single-barrel Championship for 1952 of the Australian Club at East Burwood (V.) went to former President, Frank Johnson, 22/25, from H. Phillips, 21/25, and A. C. Tie, 19/21. At the same club a £125 Handicap, with a \$75 gun as first trophy, was won by Frank Brown of Dandenong, who shot out 70 shooters before gaining the prize.

The North Coast Championship (N.S.W.) shot at Richmond River (Casino) went to veteran shooter Clarie Lee (who is still shooting competitively) from Cliff Whitney (South Coast).

The September 1952 issue contains an account by Enoch Jenkins, the famous English trapshot, of his experiences at the Helsinki Olympic

Games. Jenkins finished 14th. Rosini, the winner at the 1956 Games in Melbourne, finished 7th at Helsinki. Jenkins mentioned in his report, "Bravo, Australia, you sent some wonderful athletes, especially Marjorie Jackson, who brought back memories of Jack Donaldson, the 'Blue Streak'. I met Jack many times and shot over traps with him on Cardiff Racecourse." Continuing, Jenkins added, "While shooting my second 25 birds at Helsinki, No. 6 trap broke down. Instead of the trapper hoisting a flag, I was horrified to see a lady's face appear at the end of the trench, when I had my gun covering No. 1 trap; it just shook me up."

ALEXANDRA (S.A.), 22/7/62.—Weather conditions: excellent. Attendance: 41. Results: No. 1, 10 sparrows: G. Vaughton, R. Treloar, R. Kimber, D. Kimber, J. Kimber, A. Gardner, 10/10, div. No. 2, S.A. D.B. Sparrow Ch'ship: 1st, L. Lupp, 29/30; 2nd, J. Stone, 33/35; 3rd, W. Starling, 32/35; yardage, G. Vaughton. No. 3, W. Ekins & Son Trophy (20 targets): 1st, P. Mules, 53/53; 2nd, G. Eatts, 52/53; 3rd, J. Kimber, 48/49.

Welcome to Harry Williamson and A. Miller of Apsley (V.). Fine weather, a good crowd, and good shooting. Lou Lupp was able to dispose of 29 sparrows to win the State D.B. title outright, with Bill Starling and Jim Stone in hot pursuit, 28/30. Jim shot his five targets in the shoot-off, but Bill dropped his third target, and that was that. Eight marksmen shot 20 in the Ekins Trophy and shot nearly into the night before Phillip Mules won from "Doc" Eatts and Jeff Kimber. (T. V. Roberts, President.)

A reasonably fine day, and 23 shooters took part in the main events. We were pleased to have well-known shooter Lou Lupp visit us, and also our former secretary and life member, Bill Caldwell, who now lives at Leitchville. Bert Robinson was in good form and won the first trophy event. Tom Mock also shot very well to win the second trophy event. Congratulations, Bert and Tom. Many thanks, ladies, for the usual excellent afternoon tea. (Athol Miller, Hon. Sec.)

Weather conditions were good, and there was a good attendance of shooters, with two visitors from south, F. Hudson and A. Southwell. We were also glad to have John Healy shooting with us again; John is up here for a short holiday. Good shooting was the order of the day, and a delicious barbecue steak was served for lunch, and once again the ladies excelled themselves with the afternoon tea. A thoroughly enjoyable day was had by all. (E. J. Smith, Hon. Sec.)

The weather conditions were fairly windy, which made shooting very awkward at times. The best shooter of the morning was Angus Cameron, who won both events. The trophies were evenly distributed in the afternoon, with Ronald Chandler shooting very well throughout. Many thanks to our visitors from Barcaldine, Ilfracombe and Isisford. A barbecue followed the shoot. (W. J. Bailey, Hon. Sec.)

The Barcaldine Gun Club conducted its annual shoot in fine weather, with record attendances of shooters both days, with 95 on the Saturday and 102 on the Sunday in the President's Trophy.

Shooters were present from as far south as Sydney and Gunnedah to Atherton in the north, and the committee and members of the club once more wish to take the oppor-

tunity of thanking all the visitors for making the shoot so successful and hope everyone had a safe journey home.

The Commonwealth S.B. Sparrows Ch'ship was won outright without any shoot-off by Doug. Smith (Charleville), and the Queensland Intermediate S.B. Ch'ship was won by Steve Staughton (Gunnedah), who has been in quite a few Intermediate shoot-offs, both State and National. Congratulations, Steve, on making it.

All the visiting shooters and friends were entertained on the Saturday night at a banquet at the Shakespeare Hotel, and we hope they all had an enjoyable evening, though it was a little crowded.

The shooting on the Sunday opened with the Queensland S.B. Ch'ship (30 birds from 18 yards), which also was won without a shoot-off by Wally Gannon (St. George) with a possible, and a shoot-off for second and third. The main event of the programme, the President's Trophy, followed, with Keith Cameron Jnr. (Roma) winning after a shoot-off with 45/45; Bob Treasure (Blackall) second, and Joe Dickson (Aramac) third.

The £100 Handicap was won outright by Bill Tennent (Blackall) with 90/90 pts., with the Stevens brothers (Ipswich), Bill and George, second and third. Congratulations to all the place-getters, and to George Stevens and Ted Barton on shooting 50 straight.

The Teams match for the Alice River Challenge Trophy (for five shooters) was won by Blackall No. 1 team.

Thanks to all the local western shooters and visitors for the helping hand given in refereeing, and for the co-operation of the shooters for getting the programme through each day.

I personally wish to thank the office staff, especially Mrs. John Ferguson, for her outstanding effort, Joe Dickson and Nichol McLellan for helping with the traps.

Lithgow members were well to the fore in the main trophy event. Six shooters, C. Campbell, J. Robb, D. Middleton, R. Tonkin, A. Carthew and A. Blackadder, shot the possible 10, and after a shoot-off, J. Robb (Lithgow) proved too good and won first trophy with 21/21, and R. Tonkin (Lithgow) coming second with 20/21, and A. Blackadder (Lithgow) third with 19/20. J. Nash, who travelled from Canowindra, won the 12/13 yd. Trophy after a shoot-off with P. Williams (Katoomba).

The remainder of the programme consisted of novelty sweeps, including D'ville Doubles and Double Rise events, and proved most popular and were evenly distributed amongst shooters.

Once again many thanks go to the ladies who served afternoon tea.

Shooters are reminded that the club shoots on the third Saturday of each month, and all are invited to attend.

BINGARA (N.S.W.), 7/7/62. — Weather conditions: good. Attendance: fair. Results: No. 1, 5-bird D.B.: R. A. Reed, R. W. King, W. H. Crowley, J. Goodwin, 5/5. No. 2, 5-bird D.B. Sparrows: P. M. King, L. Dickson, R. W. King, M. A. Bell, 5/5. No. 3, 20-bird Club D.B. Sparrow Ch'ship: A. Grade, J. Quigley, 1st, 19/20; R. A. Reed, R. Capel, R. W. King, 17/20; B. Grade, W. H. A very good afternoon, with shooting conditions perfect. Congratulations go to J. Quigley, winner of A Grade, and W. H. Crowley, winner of B Grade 20-bird D.B. Sparrow Ch'ship. We had one visitor, R. Capel, from Southport, over on holidays; we hope he enjoyed his afternoon. Our thanks again also to the ladies for afternoon tea.

(R. W. King, Hon. Sec.)

BOORT (V.), 21/7/62. — Weather conditions: good. Attendance: 22. Results: No. 1, 5-target Pts. Dec.: L. Toose, H. McQueen, A. Rothacker, R. Manuel, K. Fanning, I. Whyteross, P. Heighway, K. McLoughlan, div. 15/15 pts. No. 2, 20-bird D.B.: L. Toose, 23/23, 1st; F. Baker, 22/23, 2nd; W. Forbes, 23/24, 3rd; F.M., R. Knight, 18/20; ladies' trophy, Mrs. R. Peacock. No. 3, 10-bird D.B. H'cap: K. McLoughlan, F. Baker, P. Heighway, W. Forbes, R. Knight, L. Toose, div., 10/10. No. 4, Miss-out (off 28 yds.): E. I. Whyteross, 9/9.

Lewis Toose produced his best shooting form to win the Railway Hotel Shield from Frank Baker. Both shot well all afternoon; Lew never missed a bird for the day, and Frank only one. Did Mick shout on the way home, Lew? Peter Heighway, who has held the Shield for the past year, started off very well and it looked as though he was going to be a hard man to toss, as he was really centering his targets, and then missed a comparatively easy bird. Bad luck, Pete, better luck next time.

Many thanks to all who helped the shoot along, not forgetting our ladies with the cuppa, and Margaret in the Secretary's box.

(E. I. Whyteross, Hon. Sec.)

BRISBANE (Qld.), 29/7/62. — Weather conditions: good. Attendance: 23. Results: No. 1, 20-bird D.B. Pts.: 1st, E. McIntosh, 58/60; 2nd, K. Bambery, 57/60; 3rd, J. Mott,

70/75; best 12/14 yds., E. Stanley, 51/60; 15/18 yds., F. Lang, 68/75; 19 yds. and over, T. Ferrier, 68/75. No. 2, 20-bird D.B.: 1st, A. Griffiths, 50/50; 2nd, B. G. Deignan, 54/55; 3rd, R. Hogarth, 53/55. No. 3, 6 prs. D'ville Doubles: R. Hogarth - J. Mott, 12/12.

Favourable conditions made this month's shoot a very pleasant afternoon. The first event was a 20-bird D.B. Points, which Eddie McIntosh won outright with 58/60, and Keith Bambery was on his own for second with 57. Jack Mott had to work a little harder, but not much, to take the third prize, as there were six shooters with the next best score of 56. We were pleased to see Judge Stanley, Fred Lang and Thos. Ferrier (Roma) among the yardage winners.

There was a display of good shooting from the five possibles in the following 20-bird D.B. event, as Arthur Griffiths had to shoot all 50 birds before winning from Bernie Deignan and Ray Hogarth. Bob Graham had also kept up most of the way with them.

Ray Hogarth and Jack Mott proved the best pair at the Deauville Doubles when they shot a second round of six against three other pairs.

(Mrs. E. Mackey, Pub. Officer.)

BUNDABERG (Qld.), 1/7/62. — Weather conditions: cold and bleak. Attendance: 14. Results: No. 1, 5 birds. No. 2, 10-bird D.B.: J. A. Gray, R. Coleman, P. Anderson, G. Horrocks, M. Thiele, tied with 9; shoot-off: R. Coleman, 36/37; G. Horrocks, 35/37 — excellent shooting. No. 3, 20-bird D.B. Pts.: J. Neilsen, P. Anderson both shot 20 birds, Peter winning by 1 point. No. 4, 10-bird D.B. Sparrows Pts.: J. A. Gray shot 30 pts., J. Norton 29, in second place. No. 5, 5-bird D'ville Doubles: shoot-off, P. Anderson - R. Coleman, T. Neilsen - Bill Gard, 5/5, resulted 5 to 4 in favour of Anderson - Coleman.

Weather very cold, dull sky. Shoot brought forward one week. Fourteen shooters all told, with 10-12 competitors in each event. Several members making trip to Barcaldine for Championships there on 8th July. Noticeable performance by Bob Coleman to out-shoot Gordon Horrocks in event No. 2, 36/37 deciding winner. Congrats. to Bob, who has been improving, and now comes back a yard or two.

(Mrs. Naomi Neilsen, Hon. Sec.)

(off 16 yds.): 1st, G. Robinson (Blackburn), 20/25; 2nd, Jock Stevens, 19/25; 3rd, G. J. Jones, 18/25; 12/14 yds., J. Fanning, 17/24; 15/16 yds., V. Nicholas, 18/23. No. 3, 10-bird D.B. H'cap: div. L. Turner, L. Schilling, G. J. Jones, R. Greenwood, 10/10.

It was very pleasing to see the Championship go to a new shooter in Geo. Robinson (one of Jim McInnes' school). Thanks to the ladies for that cuppa. The committee are busy arranging for our Show Day (Sept. 27) Holiday Shoot, when they are putting on two championships. All visitors will be made hon. members for the day. See advert in "News", Sept. issue.

28/7/62. — Weather conditions: bit dull, no breeze. Attendance: 48. Results: No. 1, 5-bird D.B. (off 14 yds.): 8 div., 5/5. No. 2, Club D.B. Tyro Ch'ship: D. McCraith, 20/20 (only possible); 2nd, G. Chimenello, 29/30; 3rd, L. Crookford, 28/30; 12/14 yds. trophy, K. Down, 27/30. No. 3, 10-bird D.B.: div. T. Williamson, K. Down, R. W. Fox, 10/10.

It looks very much like young Don is following in Dad's footsteps. L. Crookford has had only a few days on the traps, but looks like being a good shot. O. Chimenello always put up a good performance on each of his rare appearances. R. W. Fox is one of the very reliable shots and could hold his own in any company. Thanks, ladies, for that fine cuppa. (W. R. Johns, Hon. Sec.)

CHARTERS TOWERS (Qld.), 22/7/62. — Weather conditions: fine and mild. Attendance: 17. Results: No. 1, 5-bird S.B.: R. Shun, A. Scott, div., 5/5. No. 2, 5-bird D.B.: A. Johnson, A. Scott, W. E. Sparrows: W. G. Archer, W. E. Bell, A. Moore, R. Matthews, div., 5/5. No. 6, 5-bird S.B. Teams Shoot: F. Ashman, R. Matthews, W. H. Archer, A. Scott, J. Stanger, 20/25. No. 7, 3 pr. D'ville Doubles: N. Norris-A. Moore. No. 8, 3 pr. D. Rise: F. Ashman, 2/3. No. 9, 3 pr. D. Rise Sparrows: A. Scott, 3/3.

Attendance figures were slightly better at this shoot, our first in three months, with members gaining valuable practices for our big shoot in September. New member Lou Laneyrie shot particularly well, as also did Alan Edmondson. Very pleasing to have Frank Ashman shooting with us again, and we hope to see more of him.

(L. J. Smith, Sec.)

COBURG (V.). — On July 24 our annual meeting was held in the Coburg Town Hall. There was a nice attendance of members. Officers for the new year have not changed much — only three new faces.

Harry Belmore again leads the club as President (his fifth term). Norm McKenzie, Ray Hering and Peter Hanrahan are Vice-Presidents, and the Committee consists of Alan Craig, Max Crouch, Alf Lucas, Don Nicholls, Alan Harrod, Henry Weitzel, Alan Hendricksen, Murray Talbot and Harry Ross. Of course, like the furniture about the place, I am still here as Secretary-Treasurer.

The shooting activities for the month were highly interesting. On July 7, the first shoot for the new season, we held an Intermediate Day—for shooters 18 yards and under. There are a lot in this category, and they all seemed to congregate at our shoot.

A start was made with a 10 pairs Doubt. Rise, and in this, new committeeman Alan Hendricksen was the outright winner.

The first of two Championships was then contested. It was the Club Intermediate Double Rise. Here we saw Jock Stevens score his first major success at our grounds when he won outright with 10/15 pairs. A shoot-off for placings: Don Nicholls, 11/20, second; Alan Harrod, 10/20.

The Club Intermediate D.B. Sparrows followed, and this produced some good shooting. Werribee shooter Stan Cations, 20/20, proved too good for the opposition, and he, too, got his first Coburg sash. Alan Craig, 36/40, was second, and Alan Harrod, 35/40, third.

At trophy time the President announced that there was present a shooter of long experience and requested that he go on to the track and give a demonstration. Yes, it was me he was referring to, so I went out—and did I give a demonstration! It was a perfect example of not being able to hit a bull with a handful of wheat.

July 21 saw a good muster for what turned out to be a really good shoot. The main event was a 20 birds D.B., with which was shot in conjunction a teams match for the "Mob Siding" shield. This shield was presented to the Puckapunyal Army Gun Club by the Mob Siding Social Club for open competition, and is to be that for at least every three months.

Teams consist of five shooters, and as Coburg had won when it was last contested, our boys were keen to see that it remained with us.

Seven teams competed, and the Coburg No. 2 team, consisting of K. Lowry, B. Lowry, R. Wilson, B. Williams and S. Power, were the victors with an aggregate of 85/100.

The event itself was won by Brian Williams, 38/39. G. Jones, 37/39, was second, and Ray Burrill, 25/26, third. Don McCraith took the 12/16 yds. trophy with 18/20.

A word of praise for the winner, Brian Williams. Brian, a son of back-marker Bill Williams, is a lad in his early teens, and is developing into a very fine shooter. Prior to his success in this event, he had won the eye-opener (10 birds Points) with a perfect score.

A 20 birds D.B. followed this, and here Don McCraith, 20/20, came into his own with an outright win. He beat Brian Lowry and Alan Craig, each 19/20.

Now for the future. You will find in this issue the complete programme for the 1962 three-day Grand Prix Carnival. This has been well received by those who have already seen the prize list. It should be one of the best Carnivals yet held.

The September programmes, also published, are full of interest. Special attention is drawn to the Red Cross Shoot at Point Cook Air Force Base on Sunday, September 30. All are invited, and total proceeds go to Red Cross.

Also September will wind up the elimination for the team to meet South Australia at Coburg on October 13. Some big things are planned for this function, and it is well worth trying for.

The year just passed was a very successful one, and we are looking forward to 1962-63 being even better. (C. J. Colledge, Sec.)

Shooters enjoyed a barbecue steak dinner provided by the club and a splendid afternoon tea by the ladies' committee, making the afternoon very enjoyable to families as well as the shooters. A novice event was held, with J. Meale and K. Harpley taking the

honours. The trophy event of the day was won by club President, Ross White, who completed a 51 break to win from Darra Sheather, 2nd, and Trevor Ronning, 3rd. Bill Campbell won the front-marker spoon for this event. (Tom Johnson, Hon. Sec.)

Miles, W. Manning, E. Field.

The first of our Club Ch'ships were held at this shoot, and a very popular winner of this event was local shooter George Pardey, followed by June's Pres., Darrell Sheather. An excellent nomination of front-mark shooters resulted in a victory for Kevin Cooke of Blayney. We now have good roll-ups of visiting shooters to our club, and with further Ch'ships to be held each month, we expect to be holding some very good shoots. All tracks at the club grounds have been sealed with bitumen and blue-metal, so further improving shooting conditions.

Club D.B. Ch'ship won by Cowra shooter Dick Toshack with 75/75. Local Harry G. Anderson was second. Chas. Harries, O. Hallam, Arthur Jones and Dick Churchill all shot a possible 20/20. Colin Anderson and Freddy Seery both shot a possible 10/10 in the Sparrow Trophy event and went on to shoot another 20 before Freddy "missed one". This was first-class shooting by these two teen-age shooters, considering the falling light.

resolved itself into three shooters who obtained the possible of 20, and after six more targets, Ian Porter ran out the winner from Bill Hailes Snr. and F. Whitten. The Shield shoot against Camberwell also proved very interesting, and after a good tussle, Croydon prevailed by scoring 97/100 against 95/100.

All in all, a good day's shooting. The ladies' committee also excelled themselves by turning on a splendid afternoon tea. The club regretted the absence, through illness, of Rusty Fox, President of Camberwell.

Very quiet afternoon of shooting. It was good to see Tom Morris carry off first prize in a main event, shooting 20/20 to become outright winner, seven shooters with 19/20 having to shoot it out for 2nd and 3rd places. Mrs. Drake was the lucky lady in drawing the winner of the main event, and thus collected the ladies' trophy.

The main event was the N.T. Double Rise Ch'ship, but the scores were rather disappointing. This was probably due to lack of practice at this type of shooting, but the gusty wind did not help matters. Congratulations to Ray Viney, who has come good at last with a very fine 30/30 in the Point Score event. Many thanks to Leo Jessup, who did a fine job on the score sheet, and to all those members who have assisted at our working bees. (G. Worrall, Hon. Sec.)

DENILQUIN (N.S.W.), 14/7/62.—Weather conditions: fine and mild. Attendance: 27. Results: No. 1, 10-bird D.B.: W. Hickford, G. Wise, div., 10/10. No. 2, 10-bird D.B. Sparrows: D. Thomas, J. Boyd, E. After a spell of bad weather, Saturday dawned fine and mild for the President's Trophy, when 25 shooters lined up for this coveted event. Tom Holschier turned on a good performance and won first trophy; Jim Hickford came over from Shepparton and took home second trophy. New shooter Robert Howitt was again in good form, and in a shoot-off won the 12/14 yard trophy. The Club Mug was won by Jim Hickford. Afternoon tea was again prepared by the ladies, to whom we again say thanks, as the cuppa is most enjoyable. An invitation is extended to all interested to attend the Club D.B. Ch'ship to be held on Saturday, September 22, and also to take part in the Legacy Shoot at night, when all proceeds will go to that worthy organisation.

Perfect day for shooting, with our usual visitors from Shepparton, Tatura, Kerang, Kyabram, Horsham and Sale. It was pleasing to see a visitor in D. Hansen (Sale) take home a trophy, and we hope to see him back again. Four shooters grassed the quota in the 20-bird Trophy event. Ken McDowell (Shepparton) outstayed the field with a fine

43/43 to take trophy from Dick Grinter and D. Hansen. Trevor Berryman, one of our promising new shooters, was an easy winner for the front markers with 18/20. President Lance Gibson once again welcomed the visitors and presented the trophies.

Piastri, 19/20, div. 3rd. No. 3, 10-bird S.B.: P. Barlow, O. Ayton, J. Morris, 10/10, div. Shooters from Leongatha, Shepparton and Yarram. J. Piastri (Shepparton) won the main event and trophy, with Jeff Morris a close 2nd. Very pleased to have visitors from so far a distance. The club is very grateful for so many helpers, and the ladies for the tasty afternoon tea. (C. G. Steele, Hon. Sec.)

FRANKSTON & PENINSULA (V.), 16/6/62. — Weather conditions: cold and windy. Attendance: 37. Results: No. 1, 5-bird D.B.: R. Adams, L. Swain, M. Thomas, G. Farrar, L. Stevenson, No. 2, 20-bird D.B. Club Ch'ship (off 18 yds.): 1st, R. Garth, 19/20; 2nd, M. Hamilton, 23/30; 3rd, N. Miller, 27/30.

Thirty-nine shooters attended the Club's D.B. Ch'ship. Once again Ron Garth took off the sash and first prize with a score of 19/20; a shoot-off for 2nd followed — Mick Hamilton, 2nd, 23/35; Noel Miller, 3rd, 27/30. Many thanks to Jill Sinclair and her helpers for the afternoon tea.

21/7/62. — Weather conditions: cold and windy. Attendance: 39. Results: No. 1, 5 birds (8th div.): J. Ferrier, K. Pretty, D. Baird, R. Sinclair, M. Miller, L. Male, R. Adams, C. Martin, I. Evans, No. 2, 30-bird D.B. (I.C.I. Trophy): 1st, I. Evans, 36/37; 2nd, B. Fountain, 66/68; 3rd, L. Swain, 65/68.

A cold and wet day did not deter the 39 shooters who rolled up for the I.C.I. Trophy shoot. Some very good shooting was witnessed in this event, which resulted in a win for Ian Evans, 36/37, and a terrific battle followed for second — between Brian Fountain, 66/68, and Lloyd Swain, 65/68. Congratulations to these shooters. Many thanks to Mrs. Hall and Mrs. Sinclair for that ever so welcome afternoon tea.

(Mrs. I. Miller, Hon. Sec.)

GEELONG (V.), 28/7/62. — Weather conditions: fair. Attendance: 30. Results: No. 1, 5-bird Pts.: 11 div. No. 2, Corio Bay S.B. Ch'ship: B. Mark, 1st, 39/40; M. Rushford, 2nd, 38/40; F. Burns, 3rd, 34/35. No. 3, Corio Bay D.B. Ch'ship: R. Evans, 1st, 80/80; N. Viccars, 2nd, 79/80; M. Rushford, 3rd, 74/75.

Another good attendance for our monthly shoot held in fairly good weather. Some very good shooting was seen in both Championships. Many thanks to shooters for attending from Sebastopol, Werribee, Melbourne, Barwon Heads, and a good muster of local shooters. Brian Mark, Fred Burns, W. Doble and M. Rushford shot the possible in S.B. event. Brian ran out the eventual winner, 39/40; M. Rushford next, 38/40. The shoot-off for third went to Fred Burns, 34/35, W. Doble 33/35.

Fourteen shooters shot a possible in the D.B. Ch'ship. The winner was Ron Evans (Melbourne), 80/80. Local shooter Norm Viccars, second, 79/80, and M. Rushford, third, 74/75. Many thanks to all shooters for attending, and to our ladies for a fine afternoon tea. (R. J. Roberts, Club Pres.)

HAMILTON (V.), 21/7/62. — Weather conditions: good. Attendance: 19. Results: No. 1, 5 birds: div. J. Beaumont, H. Smith, M. Humphries, L. Rundell, T. Laidlaw, R. Rundell, G. Fellows, D. Watson, W. Harvey,

C. Crawford, A. Gordon. No. 2, Trophy Shoot (10 birds): H. Vaughan succeeded in breaking 10 birds in this event and was outright winner. Seven shot 9/10, A. Gordon winning from G. Fellows. No. 3, Trophy Shoot (10 birds): 6, 10/10; in shoot-off M. Humphries won from J. Beaumont; H. Vaughan, 3rd. No. 4, 10-bird H'cap: 10-bird H'cap was held (5-bird D.B., 5-bird Pts. Dec.: 3 div., J. Beaumont, A. Gordon, V. Coates. No. 5, 26-yard Shoot (5 birds off 26 yds.): only two shooters shot 5/5, J. Beaumont, A. Gordon.

Attendance was fair considering the events were only small trophy shoots, and the day was not widely advertised in the local papers. Visiting shooters spoke favourably of the excellent shooting conditions and amenities now being enjoyed at the Hamilton Club's new ground. (J. Ruffe, Hon. Sec.)

HAWKESBURY (N.S.W.), 21/7/62. — Weather conditions: fine. Attendance: 30. Results: No. 1, 10-bird D.B.: W. Clark, N. Newton, A. Catt, F. Gray, E. Pike, S. Simmonds, G. Moore, L. Ray, D. Scowcroft, J. Thatcher, J. Hartigan, B. Hill, A. Robotham, J. Crowne, J. Tyquin, P. Sims, 10/10. No. 2, 15-bird D.B. Trophy: 1st, W. Clark, 37/37; 2nd, J. Mawby, 36/37; 3rd, M. Quirk, 40/41. No. 3, 10-bird P.S.: W. Clark, G. Moore, J. Thatcher, 30/30; F. Gray, S. Simmonds, W. Wiggins, F. Williams, 29/30.

Bill Clark dominated the shooting — not missing a bird. He out-shot 8 others in the trophy shoot-off and finished the day with a break of 57. John Thatcher also shot well, shooting a possible in each event without using a second barrel. Others in good form were Norm Newton, Steve Simmonds, Warren Wiggins, and new member Frank Gray. We are doubling the size of our clubhouse and re-building our No. 2 trap house. (Adrian Hayes, Hon. Sec.)

HAY (N.S.W.), 30/6/62. — Weather conditions: perfect. Attendance: 17. Results: No. 1, 10 targets (16 yds.): div. W. Phelan, E. V. Cox, B. Bennett, B. Addison, D. Mertz, J. Headon, 10/10. No. 2, Club D.B. Ch'ship: Max Gibson, 59/60; B. Bennett, 58/60; R. Anspach, 39/40; C. Hanna, F.M., 17/20. No. 3, 10 targets: D. Mertz, D. Anderson, C. Hanna, J. Headon, div., 10/10.

Max Gibson retained his good form shown last month in Patron's Shoot, winning now the Club's D.B. Ch'ship and notching up his first 50 break badge. Nice to have our Moulamein and Ivanhoe members with us, and in all respects doing well at the sport.

28/7/62. — Weather conditions: perfect. Attendance: 15. Results: No. 1, 5 targets: T. Cox, A. Weeks, N. Milliken, G. Pocock, Max Gibson, V. Cox, H. Cox, div., 5/5. No. 2, 5 off 16 yds.: J. Headon, N. Milliken, H. Cox, Max Gibson, L. Booth, A. Weeks, div., 5/5. No. 3, Club Inter. Ch'ship: K. Anspach, 20/20; P. Cox, 29/30; A. Weeks, 28/30, after a shoot-off to decide 2nd and 3rd. No. 4, 10-target Walk-up: K. Anspach, 10/10.

In perfect winter sunshine the club staged its Intermediate Ch'ship. Amongst the eight contestants only one possible by Kevin Anspach, our Ivanhoe Club member, was successful. This shooter has come along well with his shooting, and seeing that to attend the shoot he made a journey of 180 miles; it was

good to see him successful. When one realises that the distance travelled being 360 miles, no better example of a very keen shooter and club member.

Shooters, I hope you have read our advertisement in the "News" wanting your idea of a cash prize or a motor car for our Easter shoot. By your reply to me will give us a good indication of just what you would prefer. (Les McKinney, Hon. Sec.)

HOBART (Tas.), 30/6/62. — Weather conditions: fine, tricky wind. Attendance: 37. Results: No. 1, 10 birds: div. I. Youd, J. Burke, M. Munnings, C. Davis, D. Gray, M. Eddington, G. Richardson, A. Brown, A. Adams, I. Bell. No. 2, Novice Shoot (12/13 yds.): D. Stalker, 26/26; I. Youd, 25/26; L. Charlton, 12/13; M. Rand, 10/11. No. 3, Club D.D. Ch'ship: S. Marshall - A. Allen, 21/21 prs.; I. Bell - D. White, 19/21 prs.; H. M. Eddington - K. Woodward, J. Burke - A. Brown, 14/15 prs. No. 4, 10-bird S.B.: D. White, 11/11; R. Bennett, 10/11; C. Davis, B. Schott, S. Marshall, I. Youd, 9/10.

It was pleasing to see D. Stalker win the 12/13 yard event after a run of bad luck, but advice from (Father) Burke on the know-how of shooting clays has at least paid dividends to David. Sperry and A. Allen gave a pleasing display of Deauville Double shooting; their timing was perfect, breaking 21/21 pts. The standard of shooting by the front markers is showing a steady improvement, and with the extra practice day on the third Saturday of each month, we soon hope to produce a shooter who will be making application for his 50 break badge. (A. H. Adams, Hon. Sec.)

HORSHAM (V.), 21/7/62. — Weather conditions: fine and cold. Attendance: 24. Results: No. 1, 5-bird H'cap: div. 11 shooters. No. 2, £20 10-bird H'cap: 1st and 2nd, div. W. Smith, W. Drendell; 3rd, div. 11 shooters. No. 3, 5-bird H'cap Trophies: 20 yds. and over, J. Hinneberg; 16/19 yds., A. Dumesny; 12/15 yds., W. Oliver. No. 4, 10-bird H'cap (5 D.B., 5 S.B.): div. A. Dumesny, N. Stewart, B. Schilling, J. Smith.

Quite a good muster of shooters competed for trophies generously donated by one of our best club men in Rod Butler. We seem to be a bit fortunate with trophies, as next month we will be competing for one donated by Horrie James. On Saturday we had a novice shoot for our ladies, and after a terrific struggle, it was won by B. Robinson with two out of five — a mighty effort. Thanks, ladies, for the afternoon tea. (Norm Stewart, Hon. Sec.)

HUNTLY (V.), 7/7/62. — Weather conditions: fair. Attendance: 25. Results: No. 1, 5-bird D.B.: div. W. Coulson, A. Banfield, I. Bunting, K. Dobson, W. Coyle, 5/5. No. 2, 20-bird D.B. Trophies: 1st, K. Shearer, 29/29; 2nd, O. Dowker, 28/29; 12/14 yds., 1st, B. Knight; 2nd, J. Govett; 15/17 yds., 1st, H. Birchall; 2nd, N. Manning; 18/20 yds., 1st, A. Mason; 2nd, D. Mountjoy; 21 yds. and over, 1st, W. Coulson; 2nd, J. Cumming. No. 3, 10-bird D.B.: div. W. Coulson, O. Dowker, H. McQueen, J. Piccoli, B. Knight, 10/10.

Twenty-five shooters turned out for Huntly's monthly shoot, shooters coming from Boort, Echuca, Castlemaine and Elmore. With a cold southerly blowing, conditions

were not very pleasant for shooting, only three shooters returning full scores, K. Shearer, O. Dowker and B. Knight. K. Shearer, with youth on his side, outstayed the old stager O. Dowker to take the first trophy, B. Knight taking a yardage trophy. During the afternoon the ladies served a very nice afternoon tea, which was eagerly sought after by shooters and visitors. (J. E. Jones, Hon. Sec.)

KATANNING (W.A.), 15/7/62. — Another pleasant day last Sunday attracted a good muster of shooters, including solid support from our Kojoonup members, for the Neville Beek trophy. The event for the day was 20 Mixed Birds, and the handicapper proved his worth by getting several competitors jostling for top position. Interest was maintained until the last shot, when A. Anderson and G. Downer edged above the rest and tied 17/20. The shoot-off went to Downer, 22.5/28; Anderson, 22.4/28. A. Anderson was in another shoot-off for high gun, this time with R. Anderson, both shooters having scored 16/20 off the gun in the event. He had more luck this time and won, 23/28, to R. Anderson's 21/28.

Ernie Clegg was having trouble with the vision in his right eye and consequently had trouble in hitting the targets. He even tried shooting from his left shoulder, but all to no avail. He said it was just as well he won a case of cartridges the other day, because he was certainly using plenty at the moment.

At the conclusion of the day a presentation was made to club member Greg Downer and his fiancée, Margaret Hassell. These two will be married shortly and then are off on an overseas honeymoon — lucky people! (D. G. Anderson, Hon. Sec.)

KEILOR (V.), Sat., 14/6/62. — No. 1, 5-bird D.B. (comp.): W. Henwood, T. Pedersen, W. Robertson, R. Wilson, W. Le Strange, W. Williams, div., 5/5. No. 2, Keilor Plains D.B. Ch'ship: 1st, N. Thomas, 55/55; 2nd, R. Wilson, 53/55; 3rd, D. Glover, 49/50; 12/15 yds., J. Willis, 19/20. No. 3, 15-bird D.B.: 1st and 2nd, div. R. Wilson, J. Henwood, 15/15; 3rd, div. R. Kilpatrick, T. Pedersen, J. Wilkinson, T. Lucas, 14/15.

28/7/62. — No. 1, 5-bird S.B. (comp.): R. Wilson, C. Mudford, W. Williams, D. Glover, div., 5/5. No. 2, Keilor Plains S.B. Ch'ship: 1st, W. Williams, 19/20; 2nd, C. Mudford, 27/30; 3rd, N. McKenzie, 25/30; 12/15 yds., R. Maybury, 17/20. No. 3, 20-bird D.B.: 1st, R. Maybury, 20/20; 2nd, W. Williams, 19/20; 3rd, F. Shearer, 18/20.

(G. Hunter, Hon. Sec.)

KEMPSEY (N.S.W.), 21/7/62. — Weather conditions: fine, light wind. Attendance: 11. Results: No. 1, 5-bird Pts.: J. Smith, L. Baker, W. A. Neill, K. Neill, C. Kemp, 15/15. No. 2, 10-bird S.B.: A. Neill, 10/10; W. A. Neill, J. Goodsell, 9/10. No. 3, 10-bird D.B.: L. Baker, S. Marsh, 10/10; J. Goodsell, A. Oliver, W. A. Neill, K. Neill, 9/10. No. 4, 10-bird Pts.: S. Marsh, 29/30; A. Neill, J. Smith, 27/30. No. 5, 5 pr. D.R.: J. Smith, 4/5; A. Neill, 3/5.

Good weather conditions for our shoot and an enjoyable afternoon. S. Marsh, after an absence, shot well, also L. Baker, who always does well. Three young shooters attended and did very well in a practice shoot. (C. H. Kemp, Hon. Sec.)

(R. Alister Walker, Hon. Sec.)

KOJONUP (W.A.), 22/7/62. — Weather conditions: showery, but good. Attendance: 14. Results: No. 1, 25 Skeet: L. Paini, 20/25, 1st; W. Nokes, 21/25, 2nd. No. 2, 5 birds (points to count, comp. div.): R. R. Cusack, L. Paini, 15/15; T. H. Anderson, 14/15, 3rd.

Although it was raining when the first squad went on the tracks, the sun fought hard and kept shining, and a lovely afternoon developed. A surprise to all in the Skeet programme was when Lou Paini won the trophy on handicap. Lou also shared the 5 bird with R. R. Cusack.

The club is very pleased to welcome Peter Sacchetto, who recently became a new member. Tony Cusack was High Gun for the day.

Shooters from Geelong, Harcourt, Beaufort, Sebastopol, and local came to our Club C'ship today. But only a small number in all, and scores were very low. No possibles in the 15-bird S.B., as 13/15 by Kirkpatrick and Bevan were best, with 12/15's in for 3rd place.

The Club S.B. Ch'ship was keenly contested; "yours truly" was lucky on the day and won in a shoot-off from Jim Bruggy, who was favourite for the title. C. J. Lee won third trophy in a shoot-off with Jack Lynam. All shooters were pleased to see Jerry Pennifather win the 12/14 ydr. trophy.

A very pleasant day's shooting was had by all, with shooters from Coolah and Mudgee. Mendooran was successful in holding the Kurtz Shield for the third time, with the same score on each occasion, 88/100, but only two points ahead of Coolah and four ahead of Mudgee, which made it a very interesting shoot. N. Smith won the 12/15 high gun which was held over from the last Kurtz Shield shoot, in a shoot-off from B. Dowel (Mudgee). Brian Walton was in his usual good form with a score of 39/40 to win the high gun, with Fred Brooks close behind with 38/40. N. Smith also won the intermediate high gun for this shoot in a shoot-off from J. Nott and R. Smith.

Our club has purchased an automatic trap and we hope to have it installed before the annual open shoot on 18th August.

Club D'ville Doubles Ch'ship. Honours of the day went to John Caskey, who won the Dick Brown Trophy and the Nikko shotgun. Good shooting also by Terry Delbridge, who won the High Gun, and also by Wiz Bennett. Many thanks to the ladies who provided an excellent lunch and barbecue at night.

MERSEY (Tas.), — Mersey Gun Club held its monthly shoot at Latrobe on Saturday, 7th July, under calm but dull and overcast conditions. Visiting shooters attended from Burnie, Bothwell and Longford. The main event, the Club Mixed Birds Ch'ship, was won outright by Geoff. Waterhouse (Devonport), only full score, 15/15. Eric Sharman and Peter Rockliff, who tied, 14/15, shot off for second and third trophies, Sharman getting the verdict. After a shoot-off that went to 18 birds, new shooter Ray Mason won the front-marker trophy from B. Roberts.

During the main event a major break occurred with our automatic trap. However, owing to the quick and expert job of welding done by club member Vic Mitchell, very little time was lost. Many thanks, Vic.

No. 1, 5-bird D.B. H'cap: div. G. Waterhouse, D. Brett, P. Rockliff, J. Tubb, D. Lucas, H. Turnbull, 5/5. No. 2, 5-bird Walk-up: div. P. Rockliff, G. Waterhouse, H. Turnbull, 5/5. Barnes, 24/24, 1st; D. Martin, 23/24, 2nd; A. W. Barnes, 19/20, 3rd.

The Mildura Club conducted a Club Double Rise Ch'ship under good conditions, but shooters could not handle the double-rise birds too well owing to lack of practice in this type of shooting. Les Dunn won the event with the score of 13/25. C. Barnes shot consistently to win the D.B. Trophy shoot.

Excellent afternoon tea and cool drinks were provided by the ladies' committee, the proceeds of which helped to swell the funds of the club.

Visitors from Apsley, Dergholm, Kingston, Naracoorte, Sydney, together with local shooters, made up a good field to contest Club D.B. Ch'ship. After 20 rounds completed, only five shooters had clean score. Local Ken Wait dropped out at 30th round, followed by Ken Foster at 35th round, leaving Les Earl, Keith Roper (Dergholm) and Lou Lupp (Sydney) to fight out finish. After marathon contest, veteran Les had to be content with third, with score of 104/105, International Lou Lupp outstaying Keith Roper to win, with score of 125/125, which was excellent shooting indeed. Piccoli, 26/26 pr. No. 3, Yardage Trophies: 12/15 yds., D. Gull, 10/10; 16/19 yds., C. Radcliff, 20/20; 20/27 yds., C. Mad-dy, 10/10. No. 4, H'cap (5 S.B., 5 D.B.): D. Groat, W. Perry, 10/10. No. 5, Novelty (in the dark): R. Kerr, G. Strauss, div.

Our mid-winter shoot attracted visitors from Rainbow, Birchip, Boort, Quambatook, Kerang, Swan Hill, Moulamein and Kyalite. D'ville Doubles Ch'ship resulted in a win by a very popular pair in Ian Whytcross and John Piccoli (Boort). They were fully extended by two new-comers to our club in Geoff Strauss and Stan McCreddin (Rainbow). We are always extremely pleased to welcome visitors. We were very pleased with the attendance and it is gratifying to club members to know we have the support of other district clubs. The eyesight of some of the shooters is amazing. They were still recording kills when I couldn't see to write out details. Geoff Strauss and Ron Kerr are particularly adept at this. Ladies' committee provided a very welcome cuppa.

PARKES (N.S.W.), 14/7/62. — Weather condition: fine and cool. Attendance: 23 day, 14 night. Results: No. 1, 5-bird Pt. Score: G. Wilson, A. Barnett, R. Hill, H. Wright, 15/15, div. No. 2, 10-bird Pt. Ideal conditions prevailed at our July shoot, which marked the final stage of the tri-monthly trophy. Bruce Wenban proved a most convincing winner in this trophy event and has shown ability which will make him a force to be respected in future. Congratulations, Bruce, on a fine win.

The night trophy event proved a triumph for wily veteran Harry Wright. Harry defied solid opposition and his fine win was acclaimed by all present as a very fine effort.
(Ian J. Weaver, Hon. Sec.)

PERTH (W.A.), Sun., 8/7/62.—The General Meeting, which was to have been held at the club grounds in the morning, lapsed through lack of a quorum. This was disappointing, to say the least, as the committee wanted some discussion on the proposed work to be put in hand in the near future. A number of workers set to and had all the lawns mowed in good time, and the grounds looked in perfect condition.

Thirty shooters took part in the 20 Mixed Birds event in the afternoon. New faces featured in the winning list again, first prize going to David Secker (formerly of Boyup Brook); 2nd, Jim Pascoe (his first shoot for the season at Perth); 3rd, Spencer Collier, who continues to nibble at the small bait.

Sun., 22/7/62. — The programme scheduled for this day was postponed owing to 16 members going to Kalgoorlie for the Ch'ships. Some 12 enthusiasts who remained behind braved the atrocious conditions for D.T.L. and Skeet practice.

Reports just back from Kalgoorlie indicate that some of our members acquitted themselves extremely well. Our congratulations to Spencer Collier for a grand 40/40 to win the 20-bird H'cap and Calcutta Sweep (the Perth bait is obviously not big enough). John Webster, 1st, in £50 H'cap on points system, 88/90. Jack Philipoff and Graham Bailey were also reported as being in the running in several events.

Shooters please note that the Commonwealth Night Skeet Ch'ship, which was scheduled for the shoot at the end of September, has been postponed to a later date, which will be well publicised shortly.

A big day was enjoyed by all shooters as a teams shoot between all the Sydney clubs and two teams from the Japanese Navy. These shooters gave a very good account of themselves and the final result was: 1st, The Oaks No. 1, and Royal Aero No. 1 and N.S.W.G.C. No. 1 teams tied for 2nd place. The shooting that is now being conducted on Sunday afternoon is proving a great success with all shooters.

Piacitri, D. Clarson, K. Boyd, A. Anderson. No. 2, Owens & Murray D.B. Ch'ship: F. Crawford (Shepparton), 1st, 75/75; A. Jamieson (Corowa), 2nd, 74/75; R. Schmidt (R'glen), 3rd, 39/40. A good attendance to shoot for the Owens & Murray D.B. Ch'ship. Fred Crawford once again showed how much he likes our ground by winning the Ch'ship with 75/75. This is Fred's sixth championship out of seven attempts on this ground. Alec Jamieson was runner-up with 74/75, perhaps being unlucky to have his gun break down during the shoot-off and having to use a strange gun. R. Schmidt was third with 39/40. The Ray Porter Memorial Shield was won by Shepparton team after a double shoot-off with Rutherglen. Best break of the day was by F. Crawford with 101. (J. F. Terrill, Hon. Sec.)

SHEPPARTON (V.), 30/6/62. — Weather conditions: perfect. Attendance: 44. Results: No. 1, 10 birds (comp. div.): div. J. Terrill, E. Baldwin, R. Mitchell, R. Piacitri, V. Lawford, J. Lindner, N. Jordan, J. Knight. No. 2, 20-bird £75 H'cap, in conjunction Bruce & Summa Shield: 5 possibles, £75. R. Piacitri, J. Piacitri, N. Jordan, J. Benson, J. Terrill, div. The Bruce & Summa Shield was won by Shepparton No. 2 team (R. Halsall, A. McLaren, E. Guyatt, A. Calandro, J. Benson), 70/75. No. 3, 10-bird Trophy: 13 possibles; shoot-off: 1st, G. Huff; 2nd, R. Piacitri; 3rd, K. McDowell.

An extra good day for shooting after a very heavy frost and fog in the morning. Visitors from Healesville, Corowa, Rutherglen, Yarrawonga, Echuca, Tatura, Melbourne, Puckapunyal, Euroa and a good turn-up of local shooters. Rex Piacitri shot really well to be in anything and shot 50 straight (good shooting, Rex). A couple of other shooters were in the money for the first time for a long time. The ladies did a fine job with afternoon tea. (F. J. Crawford, Hon. Sec.)

No. 4, 20-bird D.B. I.C.I. Trophy Pts.: 1st, D. Webster; 2nd, W. Stevens; 3rd, S. A. Staughton.

A very successful two-day shoot was held at the club grounds on June 30 and July 1, with an attendance of 61 shooters, visitors coming from Sydney, Southport, Warrego, Augathella, Brewarrina, Cunnamulla, Boggabri, Pittsworth, Marialda, Roma, Ipswich, Coff's Harbour, Gunnedah, Ballan, Tweedheads, Maleha and Piliza. Shooters and their friends were entertained on Saturday night at the club's annual party, and on Sunday night at a barbecue held on the club grounds. Wife of the A.C.T.A. President, Mrs. J. M. Tyquin, presented the trophies to winners.

SOUTH AUSTRALIAN G.C. (S.A.), 1/7/62.—Weather: fine. Attendance: 30. No. 1, 10 pr. D'ville Doubles: R. Ridgway - H. Commons, K. Mules - W. May. No. 2, Club D'ville Doubles Ch'ship (20 pairs): L. E. - L. H. Truman, R. Ridgway - H. Commons, R. Mules - P. Mules, D. Kimber - R. Kimber, B. Mutton - J. Stone, 20/20 prs.; shoot-off: 1st, L. E. - L. H. Truman; 2nd, R. Mules - P. Mules. No. 3, 20 clays Club Trophy: H. Baynes, A. McCarthy, J. Stone, W. Starling, 20/20; shoot-off: 1st, W. Starling; 2nd, J. Stone; 3rd, A. McCarthy; best 12/15 yds., H. McGann.

A good day and a good shoot, especially in the D'ville Doubles Ch'ship, to see our youngest shooter, Lewis Truman, out on the track helping his dad to win this event. I think most of the shooters who have visited Sth. Aust. will remember this young lad, and a lot more will be heard of him in the future. In the Club Trophy event it was good to see Bill Starling up collecting the first trophy, as it is a long time since Bill won a major prize. Lastly, our thanks to those good ladies for afternoon tea, which is always welcome.

A good day for shooting, yet only one
shooter shot the possible in the trophy shoot;
they all were trying too hard for the trophy
donated by Hilary Baynes (two leather travel-
ling cases). Thanks, Hilary, for the fine
trophy, also our thanks to the ladies for
afternoon tea. (S. Ridge, Sec.)

Very good shoot. Thanks to all the visitors
for attending for the Captain's Trophy.
Thanks for your donation, Ray. We all
missed Lee Hogarth, our competent Treasurer,
who was unfortunately absent in hospital.
We all wish her a speedy recovery. We had
visitors from far and wide for this shoot:
Bill Rainbird and Neil Frith, our Tasmanians;
George Welsh and Percy Marks from Rum
Jungle, N.T., and our old friend Don Camp-
bell from Cobarr, N.S.W. We were very glad
to see Don in good form again, as in Janu-
ary, on his way to attend the Carnival, he
was admitted to hospital with a severe ill-
ness. Hope to see you all at the January
Carnival, 1963, the dates being from 19th to
27th inclusive. (G. O. Martin, Sec.)

tions: good. Attendance: 22. Results: No.
1, Pts. Dec.: E. Baldwin, G. Combes, R.
Piastri, R. W. Lamb, 15/15 pts. No. 2,

12/15 yds. 10-bird Trophy: K. Webster out-

Ch'ship (double barrel): R. Piastri, 43/44;
R. W. (Fatty) Lamb, 41/43; W. Hickford,
33/36. No. 4, 10-bird H'cap: E. Baldwin,
K. McDowell, J. Piastri, div.

Weather conditions were good, with 22
shooters in attendance. Once again a good
trophy list was contested keenly, with some
good shooters finding form and going to town
in no mean order. Star of the day was
R. Piastri, who had to shoot 43/44 to take
out the main event, closely followed by K.
Webster's performance to win the main sup-
porting event, 12/15 yds. trophy, shooting
29/29. Runner-up in these events pressed the
winners to their utmost. The club was quite
satisfied with the result, and we hope to see
more good shooting.

With perfect shooting conditions prevail-
ing, an excellent day's shooting was enjoyed
by all present. The standard of shooting was
not as high as expected. The attendance
(26) doesn't include six new shooters who
didn't compete in any championships. We
will register them at our next shoot.

TWEED (N.S.W.), 1/7/62. — Weather con-
ditions: overcast and showery. Attendance:
14. No. 1, 5 birds: E. Sheppard, D. Wor-
rall, J. Curr, A. Griffiths, J. Mills, A. Mc-
Naughton, 5/5. No. 2, 20-bird Pts. 3 and 2:
1st, R. Sheppard, 58/60; 2nd, D. Powell,
54/60; R. Counter, 50/60. No. 3, 20-bird

Worrall, 10/10; 2nd, A. Griffiths, 9/10; D.
Powell, G. Loder, A. McNaughton, 8/10.

It was indeed a pleasant surprise to receive
such a fine bunch of shooters from Lismore
Club. Roy Sheppard shot very well and took
out the two main events, with Des Worrall
not far behind. Jim Curr is busting them
well also, and Alan McNaughton is hitting
more with less. A few of us shot rather
poorly, but we are blaming it on the weather,
which wasn't the least inspiring. We trust
our visitors enjoyed their visit and will re-
turn again. (Bob Counter, F/O.)

WANDOO (Qld.), 20/6/62. — Weather con-
ditions: perfect. Attendance: 19. Results:

S.B.: 1st, D. James, 9/10; 2nd, B. Phillips,
9/10; W. Holden, 9/10.

Was a perfect day. The attendance was
19 shooters, and there was a number of
visitors. It was very pleasing to each of us
to see such a good gathering, some people
having travelled over 40 miles of bush roads.
As usual, the ladies served afternoon tea,
which was most enjoyable, and other refresh-
ments after the shoot brought out some splen-
did ideas and record scores.

It was a perfect day, and the shooting of
a high standard. We were all pleased to see
Bernie Gadsby take off two trophies; it was
good shooting, Bernie, 64/65 for the day.
But John Speed and Errol Harris pushed
you along. We all congratulate him. Was
nice to have Bob Golden back with us again.
The club welcomes his bride to the district.
We at last just about have our hands on our
land and will soon be surveyed. There was
a splendid attendance of visitors. A total
of 28 cars were parked, and all enjoyed after-
noon tea and that which followed.

(J. J. O'Donnell, Hon. Sec.)

WANGARATTA (V.), 4/6/62. — Weather
conditions: fine. Attendance: 78. Results:
No. 1, 10 birds (C.D.): div. 26 shooters,
C. Kneebone, I. Reith, R. Colson, C. Walker,

W. Hall, A. Banfield, R. Burdack, D. Dent,
B. Keir, C. Johnston, N. Schmidt, K. Boyd,
G. Colvin, A. Jamieson, S. Bell, K. Brook,
J. Pampa, R. Sheather, S. Le Poidevan, L.
Coulston, K. Martyn, R. Pelloro, B. Judd,
R. Schmidt, A. McLaren, No. 2, £300 H'cap:
1st, R. Schmidt; 2nd, R. Delloro; 3rd, B.
Judd; F.M., K. Brook. No. 3, Night Ch'ship:
1st, I. Reith, 20/20; 2nd, R. Colson. A Team
shoot for the late R. Porter Memorial Shield
resulted in Rutherglen, 1st, 98/100; Ban-
diana, 2nd, 96/100; Shepparton, 3rd, 95/100.
This shield is to be contested every three
months, and annually at Wangaratta.

Quite a fair day despite the recent incle-
ment weather. The recent ground improve-
ments proved O.K., as some excellent shoot-
ing was witnessed. With over 70 shooters
competing, the 10 birds E.O. was divided by
26 shooters. The main trophy event, a £300
H'cap, resulted in R. Schmidt (Rutherglen)
winning the T.V. set, with 67/67; 2nd was
R. Delloro (Wangaratta) with 66, and 3rd,
B. Judd (Yarrawonga) with 61. The front
marker went to K. Brook (Wangaratta), 37.
(G. L. Down, Hon. Sec.)

WARRNAMBOOL (V.), 14/7/62. — Weather
conditions: good. Results: No. 1, 5 birds:
div. J. Boyle, R. Rundell, T. Davis, J. R.
Brown. No. 2, 15-bird I.C.I. Trophy: 1st,
R. Wilson; 2nd, H. C. Durbidge; 3rd, T.
Davis; 12/14 yds., T. Kenneally. No. 3, 10
birds: div. R. Wilson, L. Pilkington, A. W.
Carroll, L. Reicha.

Weather conditions reasonable, birds rather
tricky. R. Wilson (Mt. Gambier) shot very
well to be the only shooter to kill the 15
birds straight, for a 14 yd. shooter; he de-
serves best congratulations. I hope he con-
tinues to shoot well on 15 yds. 12/14 yd.
trophy, a smoker's stand, was taken out by
our Secretary, T. Kenneally; this was Tony's
first trophy at this club, and all were thrilled
to see him put in such a good return.

(H. C. Durbidge, President.)

WERRIBEE (V.), 14/7/62. — Weather con-
ditions: fine early, heavy rain later. Attend-
ance: 43. Results: No. 1, 10-bird Pts. (16
yds.): 1st, G. Ridgeway, 30/30; 2nd and 3rd,
div. D. Mairs, W. Abbott, J. Ford. No. 2,
Club Inter. D.B. Ch'ship: 1st, D. Mairs,
20/20; 2nd, C. Brown, 28/30; 3rd, V. Patter-
son, 26/30; F.M., A. Senserrick, 19/20. No.
3, District Inter. S.B. Ch'ship: 1st, J. Hehir,
23/25; 2nd, L. Hendra, 22/25; 3rd, W.
Cations, 21/25; F.M., V. Patterson, 15/20.

This was one of the more important days
in our year's programme and attracted a
large field, including visitors from most met-
ropolitan and many country clubs. Dave
Mairs won the Club Intermediate D.B. in fine
style with the only clean score of the eligible
shooters, whilst five shooters on 19 fought on
for the lesser placings. Except for the first
few squads, the District Intermediate S.B.
was shot in steady rain, with a fresh breeze.
Under these conditions three shooters per-
formed very well to score 18, the title even-
tually going to 'Mick' Hehir, a regular and
popular visitor from Geelong.

It was very pleasing to see several visiting
back markers present. Although not eligible
for the titles, they shot for sweepstakes and
the love of the game — mainly the latter.
Our thanks to the ladies for an excellent
afternoon tea, which put the finishing touches
to a very successful afternoon.

(R. W. Sadler, Hon. Sec.)

YARRAM (V.), 16/6/62. — Weather conditions: fine, cold. Attendance: fair. Results: No. 1, 10-bird P/D. (off 16 pts.): C. Steele, 1st, 29/30; R. Lamb, 2nd, 28/30; H. Pearson, E. Rowland, C. Twenty-three shooters attended from all parts of Gippsland, and keen interest was taken in the Club D.B. Sparrows Chimp, and the only possible was Eric Rowland, who received many congratulations from all his mates after being absent from the sport for some time. After a shoot-off for places, Alan Chipp came 2nd, with Roy Glover 3rd. A most enjoyable afternoon. The President, Dr. Martin, presented the trophies and also welcomed home the Pearsons after their trip to Japan and Hong Kong. (Mrs. Joyce Pearson, Hon. Sec.)

Plaisant conditions. Very cool. Wind affected some shooters. Congrats to Marie Dick making 75 break. Team organised to visit Royal Aero Club (Burlington), competing with Japanese visitors (Nevill).

No. 5, 5-bird Pts.: F. Clarke, J. Holmes, J. Grant, J. Fryer, D. Hardes, M. Barlow, R. Kimble, R. Hall, 15 pts. No. 6, 5-bird Walk-up: I. Clarke, M. Dick, J. Fryer, J. Grant, div. 5/5.

K.F.C. gives you more value for your money because:

- I. The action is case-hardened and adjusted by hand after the process. This is a difficult and costly method, and consequently is seldom found in other high-quality firearms throughout the world.
- II. K.F.C. use "V" springs, which ensure equal pressure on both firing pins and prevent misfiring.
- III. The engraving is very fine and artistic Arabesque.
- IV. Both full pistol-grip stock and Greener-type fore-end are of selected walnut and are carefully hand checked.
- V. Model "OS" is the result of more than 80 separate manufacturing operations.
- VI. Twenty inspections ensure the consistent high quality for which K.F.C. is world famous.
