**1963 OFFICIAL REFEREE EXAMINATIONS.** Intending candidates for inclusion in the 1963 Official Referee Examination series are reminded that applications for inclusion must be lodged with the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.1, between July 1 and July 31. Late applications, or applications received after July 31, will not be accepted or included in the 1963 series.

Intending candidates are requested to lodge name, full initials, plus full postal address, and also indicate the club of which they are a member. Shooters not belonging to an affiliated club, or those who are unregistered for 1963, will not be accepted for inclusion in the examination series.

Candidates are reminded that their names and addresses will be listed on receipt at the A.C.T.A. office. On August 1 candidates will be issued with a free Brochure of A.C.T.A. Shooting Rules. These Rules are required to be given careful study for a period of two weeks. At the expiration of two weeks an examination paper will be issued. The examination paper is required to be completed in front of the shooter's club President without the aid of reference to the Rules Brochure. Both the candidate and the club President will be required to sign certificates indicating that no reference to the Rules Brochure or other papers was engaged in during the completion of the paper, and also that the time limit set by the

Executive Committee was adhered to. The time limit set for the completion of the paper is two hours.

**NEW ZEALAND DEFEATS AUSTRALIA.** The bi-annual inter-Dominion contest for the Tom Glen Cup—the teams match inaugurated a few years back—between teams of six men representing Australia and New Zealand was shot during the recent New Zealand National Championships programme at Hamilton in the North Island of New Zealand. New Zealand won the 1963 contest by three targets, 118/120 to 115/120. The Australian Team comprised Messrs. D. B. Mott (Newcastle), Captain; W. Abbott (Werribee, V.), J. McLean (Moree, N.S.W.), I. Willoughby (Kogarah, N.S.W.), L. S. R. Stewart (Cunnamulla, Q.), and F. R. Hudson (St. Ives, N.S.W.). The Australian Team, shooting first, aggregated a total of 115/120. Mott dropped two targets, McLean two, and Stewart one. The New Zealanders faced up to the trap immediately after the Australians had completed their task, and totalled 118/120. The team scores were:

The New Zealand Gun Clubs' Association kindly donated a trophy for the Australian High-gun. As F. R. Hudson, W. Abbott and I. Willoughby had tied, it was decided to shoot on, miss-out. Willoughby was soon off the track, missing his first target. Hudson and Abbott then shot bird for bird for a further 33 rounds before Abbott got behind his release and missed. It is of interest to note that Willoughby is actually a New Zealander, who has been residing in Australia for over 12 months and shot his way into the Australian Team. The Australian Team was self-selected, in that the six highest Australian scorers in the New Zealand National Double-barrel Championship became the Australian Team. The New Zealand National double-barrel title is shot over 50 targets, and 13 Australians entered. The Australian scores over the 50 rounds were: Willoughby 48/50, Sep. Stewart 48, W. Abbott 47, J. McLean 46, F. R. Hudson 46, D. B. Mott 45, R. Hogarth 45, W. J. Rutt 44, W. Bligh 44, Fred Lang 43, J. R. Morrison 41, A. Campbell 37, R. G. Bryant did not finish. The presentation of the Tom Glenn Cup and the high-gun trophy provided a spirited and happy conclusion to a very interesting and now permanent inter-Dominion competition.

The Australians who were fortunate enough to be able to make the trip to New Zealand for the series would like, through these columns, to extend warmest thanks and appreciation for the very cordial reception given to them, plus the unbounded hospitality provided. It is a trip few Australians in the party are likely to ever forget.

**1963 AUSTRALIAN NATIONAL CHAMPIONSHIPS.** All intending

competitors and referees are informed that the new "Damo" electric traps will be in use throughout the forthcoming National series from June 6 to June 11, and, of particular interest, it should be noted that no pullers will be employed during the shoot. The referees will handle the release of the targets by the use of the instant release button. The Executive Committee has decided on this course of action. The Executive Committee has also decreed that all championships during the series, when tie shoots are required, will be shot "squad system and miss-out" instead of best of five.

**HANDICAPPING.** In recent months it has been frequently observed that some clubs are merely writing to the Association and stating that such and such a shooter has "shot at three meetings without a cut" and requesting that the said shooter be brought forward. This practice is irregular. In future, before any shooter can be brought forward, fullest information must be provided before any notice will be taken of the request, namely the shooter's performances must be stated over the three fixtures concerned. It has come to the Association's notice that some shooters have merely appeared at a shoot and claimed a "performance", others have shot in one event and again claimed a "performance". These are not acceptable and the Handicapping Formula is required to be strictly obeyed, in that a shooter can only be brought forward "providing it can be proved that he is over-handicapped".

**OLYMPIC GAMES REPRESENTATION IN JAPAN.** The question of Australian representation in the 1964 Olympic Games clay pigeon shooting in Japan has been raised by an Executive Committee member. The matter will be discussed by the Executive Committee at its next meeting. It would seem paramount that Australia and Australian shooters have first to be recognised by the Olympic authorities before any suggestion of an Australian Team can be considered.

## "Tips and Tails"

Clayton shooter, J. Glover, is an ardent supporter of the sport of clay target shooting and is always to the fore with suggestions and ideas. Writing recently, he mentioned, "Let me say how much real satisfaction I get from your very excellent magazine. The various articles, from time to time, are most interesting, especially 'Tips and Tails'. Good luck, carry on the good work."

Gunnedah Club in northern New South Wales, after a long period of recess, has again formed up and has become again affiliated with the A.C.T.A. At the recent election of office-bearers the following were appointed: President, S. Staughton; Secretary, R. Brady, 109 Marquis Street, Gunnedah, N.S.W.; Treasurer, Mrs. R. Brady; Committee, Messrs. L. Smiles, C. Tindal and M. Goodwin.

In an enquiry received by the A.C.T.A. recently a shooter asked what would be the referee's decision in the case of a double discharge, also adding "when the target is missed". The decision is, of course, "No bird". A double discharge is a foul shot and no score can be obtained from such a shot even if the target happened to receive enough shot to break it.

Roz. Lemura has taken over the secretarial duties of the Mossman Gun Club in North Queensland. Lemura's address is Front Street, Mossman, N.Q. He succeeds T. H. Baird in the office of Secretary. Mossman Club is at present in recess, but will shortly be installing an automatic trap.

Croydon Gun Club, which shoots on the Recreation Reserve at North Croydon on the Maroondah Highway,

advertises details of its forthcoming programmes on June 8, June 22 and July 6. On the first-mentioned date the Victorian Intermediate Deauville Doubles Championship will be decided. The club double-rise title is listed for June 22, an ideal choice for the shortest day of the year, whilst on July 6 the Victorian Intermediate Double-barrel Sparrow title is main event. Enquiries to A. L. Houghton, Secretary, 184 Toorak Road, Hartwell, E.6 ('Phone 29-1037), or to President, N. A. Kneebone, Garage, Coldstream ('Phone Coldstream 226).

Narrandera Gun Club in the New South Wales Riverina area will shoot on Saturday, June 29, starting at 10 a.m. The club has arranged an excellent programme and the main events will be the Central Riverina Single-barrel Championship, followed by a £30 Handicap. The Hudson Shield, which the club team won recently, will be put on the line and shot in conjunction. Meals will be available on the ground. Programme is as advertised. Enquiries to J. R. Bushby, Secretary, Box 102, Narrandera, N.S.W.

The Victorian section of the annual Interstate Match for "The Great Britain & Ireland" Trophy will be conducted under the supervision of the Mildura Club at Mildura's spacious Olympic Park grounds on Saturday, August 31. The club will also shoot on the date prior to the one mentioned, i.e. August 30.

Swan Hill Club in northern Victoria has re-formed and has already become affiliated again with the A.C.T.A. The club is under the able secretaryship of A. E. Mercurio of Campbell Street, Swan Hill, V. ('Phone 2-2207).

Clubs and individual shooters are continually applying for break recognition, plus appropriate badge, without submitting the actual score sheets indicating where the break was compiled. All are reminded that no break

badge will be issued unless the necessary score sheets are submitted to the A.C.T.A. to substantiate the break claim. It is also requested that when sheets are submitted that same be clearly marked so that the minimum of checking is necessary. On several occasions recently score sheets have been received without any indicating marks showing. This involves much waste time and delay in posting of the badge.

A further report has been received on the robot pigeon, invented by a Belgian sportsman, for the purpose of endeavouring to bring back to Monte Carlo shooting grounds some of the glamour of the big events which were characteristic of that centre prior to the banning of live-bird shooting. It appears the robot pigeon has now been under test and has proved a worthy substitute for those who prefer the live target. The robots are placed in front of huge steel shields. The trapper stands immediately behind the gun, who calls "ready" then "pull". The trapper then presses the button of his hand control, which activates one of the motors indiscriminately. A gentle hum is observed as the motor gathers speed, and this is a reminder to the gun, for the target then leaves the shield in about a second. Overseas opinion is that the robot is the most ingenious mixture of ball trap and live target. The robot actually leaves the trap faster than a live pigeon and generally does about 15 yards in a rising, straight or confusingly undulating flight and then mounts fast into wind with a wide curve. This curve may be lateral or nearly vertical and flight is unpredictable. Opinion, generally, is somewhat reserved, but it has been stated that the robot target is the more difficult target. Many leading English clay pigeon shots are expected to try their hand at the new robot. The prizes offered by the International Sporting Club of Monte Carlo are reported to be quite lavish.

Duelling is unknown in Australia, or is, at least, officially unknown, despite rumours of such actions in the early settlement years of Australia. On this point it is of interest to record that, according to a report

of a writer, David Stone, in "Shooting Times" (England), the last recorded duel in England took place on Wimbledon Common in September 1840. A Lord Cardigan and a Captain Tuckett, a retired officer, faced each other at five a.m. on September 12, 1840. The first shots missed their marks. Fresh pistols were procured, and Captain Tuckett was reported to fall, seriously wounded in the chest. Duelling was a capital offence, and Lord Cardigan was duly tried by his peers, but was acquitted after what was termed a "farfetched trial". It is reported that evidence during the trial suggested very strongly that Lord Cardigan had been guilty of the most infamous conduct by using rifled pistols against Tuckett's regulation smooth bore variety.

Many will regret to learn of the passing of Brigadier A. C. Critchley, who died at his Wentworth (England) home a month or so ago. Brigadier Critchley was President of the English Clay Pigeon Shooting Association from 1935 to 1950. He is well remembered for his enthusiasm and interest in introducing clay pigeon shooting as part of the training of air crews during the last World War. Many will recall how clay pigeon shooting training stood many rear gunners in good stead in the hard fighting in the early 1940's.

The Victorian Gun Club, which shoots at Brooklyn, just beyond Footscray on the Geelong Road, advertises details of its forthcoming programmes. The club is at present installing a new down-the-line layout. President of the Victorian Club is the world-famous comedian and television entertainer, Will Mahoney, who is as happy handing out trophies to visiting shooters as he is entertaining on camera or in front of the footlights. The club programmes advertised are June 1, June 5 (night), club five-trap night championship; Saturday, June 15, club walk-up championship; Wednesday night, June 19, 20-target event; June 29, a £20 Handicap; July 3 (night), the club S.B. night championship; July 13, 20-target five-trap handicap (three grades, "A", "B" and "C"); Wednesday (night), £10 Handicap; Saturday,

July 27, Brooklyn S.B. Championship; July 31 (night), down-the-line events. Shooting commences at 1.30 p.m. on Saturdays and 7.30 p.m. on Wednesday nights. Enquiries to H. E. Martin (Secretary), 3rd Floor, 65 William Street, Melbourne (Phone 62-2421).

Dalby Gun Club in the Darling Downs area of Queensland held its annual meeting on March 14. The following office-bearers were elected: President, John Alexander; Treasurer, R. W. Moore; Secretary, N. A. McGilp, Box 397, Dalby, Q.; Armourer and Captain, R. Winten; Committee, Messrs. W. Shand, David Alexander, T. D. Wilson, C. H. Seis and H. C. Taylor. Due to adverse seasons in the past four years and other unforeseen circumstances, the Dalby Club has experienced some difficulty in functioning. This year the Centenary of Local Government for Dalby is being celebrated and the club contemplates holding its annual shoot on Saturday and Sunday, September 28 and 29. The main events will be the Northern Darling Downs D.B. Championship and the Queensland State Double-barrel Championship, plus two £100 Handicaps, with an U/O gun as high-gun award.

W. E. Cooke of Box 88, St. George, Queensland, has taken over the secretarial duties of the St. George Club, the first interstate club ever to affiliate with the A.C.T.A. He succeeds A. J. Newett in the office. The St. George Club will stage its annual big two-day fixture on July 6 and 7, commencing at 9.30 a.m. both days. On the first day the Queensland State Mixed Birds Championship will be staged, plus two 20 birders and other minor competitions. On Sunday, July 7, the Southern Queensland Single-barrel Championship, plus a £100 Handicap at 40 targets, will be the big attractions. The full programmes are as advertised. Enquiries to W. E. Cooke, Box 88, St. George, Secretary. President is H. T. Siddins (Phone 380).

Dubbo Club in Central Western New South Wales will shoot from 10 a.m. on June 30. The Central Western Double-barrel Championship,

20 targets from 16 yards, will be chief interest. Other items on the programme include two 15 birders and two ten birders. A series of trapload cartridges will be awarded during the programme. There will also be a high-gun trophy. Cartridges, lunch and refreshments will be available on the ground. Programme is as advertised. Enquiries to D. Scott, Secretary, Box 217, Dubbo. President is G. Mortimer, Church Street, Dubbo (Phone 2991). The club gives preliminary announcement of its big two-day series extending over August 31 and September 1, when the 1963 Commonwealth Walk-up Championship will be decided.

Melbourne Gun Club, which shoots at Tottenham, only six miles from Melbourne G.P.O., advertises details of its programmes throughout June and early July. The club will shoot on June 1, June 8, when the club Deauville Doubles title will be decided; Monday, June 10, when Southern District Deauville Doubles title is listed; June 15, City of Sunshine S.B. title; June 22, "Duxbac" Trophy, a 30-target event under handicap conditions, trophy donated by Horrie James ("Duxbac"); June 29, club Walk-up Championship, and Saturday, July 6, the club Skeet Championship. Enquiries to club Secretary, H. Butt, Clubhouse, Tottenham (Phone 311-1636).

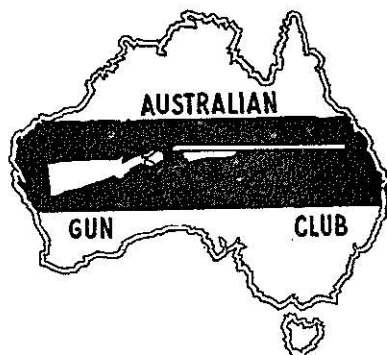

Frankston and Peninsula Club grounds will be in operation on Saturday, June 15, starting at 1.30 p.m. The grounds are situated in Boundary Road, Langwarrin, and the I.C.I. Shield will be the big attraction for the day. The Shield contest will be shot in conjunction with a 20-target D.B. Handicap. Other events will be held, time permitting. Programme is as advertised. Enquiries to club Secretary, Mrs. I. Miller, 6 Beckwith Grove, Seaford, V. President is R. McComb.

This will be followed on June 29 with the club Intermediate single-barrel championship, 20 targets off 16 yards. On July 13 the club Tyro D.B. Championship is listed — this will be shot at 15 targets off 14 yards. On July 27 the club Intermediate Mixed Birds title will engage attention. On

August 10 a 30-target event, 15 targets D.B. and 15 targets S.B., will be of interest. The club Single-barrel Championship will be decided on August 24. Enquiries to club Secretary, W. R. Johns, 1 Soudan Street, Malvern ('Phone 50-6511). President is G. J. Jones ('Phone WF 7775).

Writing from Weston Lodge, Maungatua, Outram, N.Z., J. D. Fletcher states, "I enjoy 'News' publication very much and am looking forward to making the trip to Australia next year."

The annual meeting of the Bourke Club in north-western New South Wales was held on April 20, and the following officers were elected: Patrons, Messrs. Max Brown, Fred Wormald and Arthur Honeyman; President, Frank Honeyman; Vice-Presidents, Harold O'Mally and W. Ridge; Secretary, Les Hull, Darling Street, Bourke; Treasurer, Derek Williams; Captain, Keith Williams. Important matters dealt with at the meeting mentioned were the proposed club

extensions, which include fencing all club property, re-locating the light standards and rebuilding of office and storeroom on to the existing shelter. The club hopes to improve both its social and sporting amenities to visitors and shooters.

The Griffith Club, the capital city of the Irrigation Area in New South Wales, has been re-formed and a general meeting held. Those who remember the excellent shoots conducted by the Griffith Club in the immediate post-war years will be pleased to learn that the club will again be functioning actively. The Griffith Club has first-class grounds, lay-out and amenities, and there is no reason why the club should not again become a top-class organisation. Officials appointed at the recent meeting were: President, W. Kelly; Vice-Presidents, Reg McNamara and R. Spratt; Committee, Messrs. H. Sim, P. Duchatel, J. Bone, J. Payne, H. Hillery, L. DeAquino, O. Kelly and F. Dickerson. K. H. Sim is club Secretary, and his address is Farm 1597, R.M.B. 123, Yenda, N.S.W.

# OUT OF THE PAST

## Twenty Five Years Ago

L. L. Tibb, shooting under the shooting name of "Drongo" (incidentally the name came from a race-horse who, at one period, was always running second and, as far as is known, never won a race), won the infrequently shot Southern Hemisphere Single-barrel Championship. The occasion was the first time the event had ever been shot, and Victorian shooters of the day were anxious to have their names recorded in the winner's brackets. Jack Bryant was runner-up. (The Southern Hemisphere Double-barrel Championship was revived on the occasion of the trapshooting events conducted by the Perth Gun Club at the Commonwealth Games late in 1962.)

The late Tom Connor completed an unusual double. He was official "puller" for the Nobel Club, but took time off to shoot occasionally. He won the George Taylor Cup, and a week or two previously had won the George Whitworth Cup. Neither cup appears in competition today.

The Tasmanian Gun Club, then using the King's Meadows Shooting Grounds, conducted the 1938 Commonwealth Walk-up Championship. The event went to veteran "Calrossie" (J. W. Sutherland). "Calrossie", according to the reports of the day, "was undisturbed by the experience of flying Bass Strait for the first time". The contest was the first Commonwealth Championship ever staged in Tasmania.

## Fifteen Years Ago

The 1948 Club Intermediate Double-barrel Championship of the Blackburn Club was won by "Apex". This shooter was later Police Inspector Harry Mills. He gained the only possible in the match, 20/20. Bob Meehan was runner-up, 24/25, and Roy Longmore third, 23/25. The club Single-barrel Championship of the Footscray Club was won by A. F.

Burns from Norman Guy and John Bryant Junr. Burns shot 37/40 to win.

The Victorian Single-barrel Championship of 1948 was shot at the Coburg Club. The winner was John Bryant Junr. It was his first championship. Bryant stopped 22/25 to defeat S. McIntyre and Harry Parsons, who tied with E. G. Biggs and tossed for third place.

## Ten Years Ago

Ian Twyerould won the Single-barrel Championship of the Frankston & Peninsula Gun Club in 1953.

At Tullibigeal (N.S.W.) G. L. Sim won the N.S.W. South Western District Single-barrel title. Sim shot 19/20 to win from W. Cross, 18/20.

At Mangoplah (N.S.W.) the Wagga District Double-barrel Championship resulted in a win for the Broken Hill trapshot, W. A. Commons, who had to go to the 60th round, with an unbroken score, to stave off J.

McMaster, 56/60, and W. Ballard (Tumut), 51/55. Fred Hudson, then a front-marker, won the 12/13 yarder trophy at this fixture, 29/30.

The club Double-barrel Championship of the Croydon Club went to Martin Brown, 25/25, from Dave Watson (Doch-en-Doris), 23/25, and W. Bray, 19/20. Frank Emslie won the front-marker award, 18/20.

The Club Cup of the Rockhampton Club in Queensland was won by Doug. Russell, the only competitor to shoot the full complement of 20 straight.

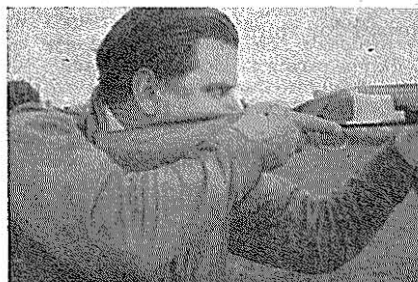

# LIFTING HEAD MEANS MISSED TARGETS.

By CLARRIE WILSON

There are many ways of missing a bird, but the one that accounts for the greatest percentage of failures is lifting the head. Unfortunately, it is the most difficult to spot. Ask anyone to break his gun to show you that there is no cartridge in it, and then point it at your eye. You can spot the novice immediately. His eye is away above the barrel. The more experienced gun will make a fair showing, with eye just visible over the rib and looking straight down it. This is a deliberate point which he can repeat accurately over and over again. . . . The speed of the gun jerking into the shoulder makes for hit or miss mounting. In some instances the gun is not brought high enough into the shoulder and exaggerated by an involuntary lifting of the head to see the bird more clearly. These two faults produce more missed birds than from any other cause.

Missing a bird in front or behind is common enough, but head lifting is very difficult to detect. I will make

The expert shooter who has learned how to mount his gun correctly will repeatedly bring the gun up to his face at the proper place each time, assuring himself that he will be sighting properly. Result — more dead birds.

One of the most common errors novices make is demonstrated here—that of not getting the head down on the gun. The shooter who places his gun like this has small chance of hitting his bird, and if he does, that's just what it is — chance.

a shrewd guess that the good shot who misses a bird, and does not know why, has lifted his head.

There are three ways in which I can detect this head lifting, though it is by no means easy, and you have to be looking for that particular fault. First, by seeing the shot stream pass over the bird. For this you have to be standing in a certain position relative to the gun and with a dull day for preference. In high sun it is almost impossible to see the shot.

Secondly, by standing behind the gun with my eye level with his gun barrels and following the inclination relative to the target.

Lastly, by taking notice of the position of the butt and the face in dry mounting practice.

It is quite easy to calculate how much killing power is lost by displacing the shot pattern through head lifting. If you assume that

there is an effective pattern of 30", then, if the pattern is moved upwards by 15", it will miss the target altogether. As the pattern moves upward, the width of the pattern relative to the target is shortened.

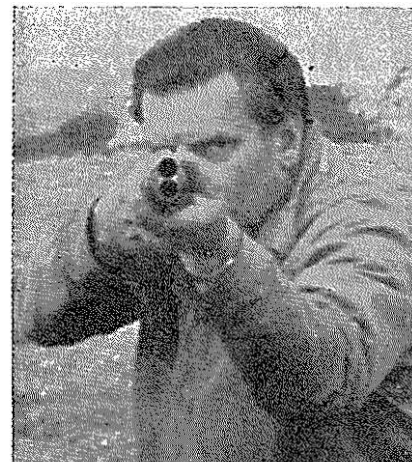

Vertical displacement of pattern	Percentage of shot available	Width of available pattern
3 .. ..	75 .. ..	28 1/2 "
6 .. ..	50 .. ..	27 "
9 .. ..	30 .. ..	24 "
12 .. ..	10 .. ..	16 "

This table shows the amount of pattern displacement relative to the amount that the head is lifted. In fact, if the pattern is displaced by 12", the effective width is reduced to 16" or very nearly half.

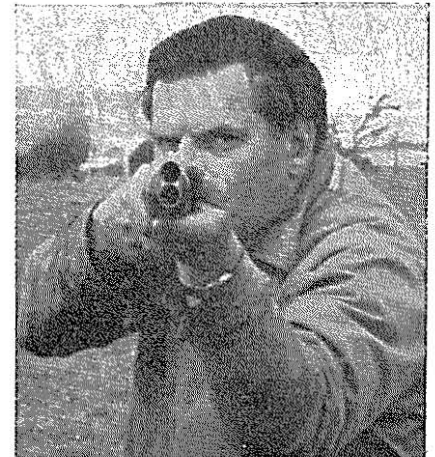

The following table shows how much you will be out by lifting the head.

It has been assumed, for ease of calculation, that 30" barrels are being used. Obviously, if anything shorter is used, the error will be greater.

Head Lifted	Distance of target	Error
1/4 " .. ..	40 yards .. ..	12 "
1/2 " .. ..	40 yards .. ..	24 "
3/4 " .. ..	40 yards .. ..	36 "
1 " .. ..	40 yards .. ..	48 "

Proper placing of the gun to the face will show the eye just visible over the rib and looking straight down it.

Getting the gun too low on the shoulder and the head not down on the gun will produce this view from the end of the barrel. The result — the pattern will be thrown 24 inches high at 40 yards.

If we accept a 30" pattern, i.e. a radius of 15" and with the head lifted 1", then the shot pattern has missed the target by 33".

Too often we hear how the gun should be brought to the shoulder. This is putting the cart before the horse. What should happen is that the gun should be brought up to the face. It is the face that determines where the shot is going to go. If the stock is correctly positioned in relation to the cheek — the eye is looking straight down the barrel — the shoulder should then come to the butt, and it will do so every time if the cheek-stock relationship is maintained.

Keep your head down, is good advice, but it would be better to say bring your gun up to your head.

("Shooting Times")

"Well, me boy," said the captain to the new midshipman, "the old story, I suppose? Fool of the family went to sea."

"Oh, no, sir!" replied the youth. "That's all changed since your day."

4 Doysal Avenue,  
Lower Ferntree Gully,  
28th April, 1963.

Mr. W. McCullough,  
A.C.T.A. "News",  
Melbourne.

Dear Bill,

As a sequel to Roy Fallshaw's notes concerning the flying cleaning-rod in the "News" for May, I am sending a couple of photographs of yet another scary, one-in-a-million incident. Roy mentioned that he had no wish to be in the vicinity of any further such incidents, so, naturally, the fates took a hand. This time Roy wasn't a by-stander, but the chief participant; he had a cartridge explode in his pocket!

I might have had to send Bozo to retrieve Roy this time. However, I wasn't there, and the first and happiest report is that Roy was not even slightly damaged.

The exploded shell was one of a pocketful, so this impromptu "experiment" was all set to put on quite a display. Roy had been adjusting a "plus" trap used for skeet and was standing not quite out of range of the throwing arm. When this was released, the tip of the arm just reached his pocket and, by a rare coincidence, contacted a primer, right in the middle.

The result showed pretty conclusively how safe loose ammunition actually is. Under the light restraint of the shell's paper tube, the slow-burning, smokeless powder never gets up any head of steam. In this case the crimp did not even fully open; the gas pressure ruptured the paper walls before overcoming the inertia of the shot load. The wads remained in place. The rest of the shells in the pocket were not affected and the only damage was a small hole burnt in the jacket pocket by a lick of flame.

It was probably quite a startling moment for Roy just then, but his nerves are evidently still O.K. He went on to shoot 50 straight skeet, and followed this at our next shoot with an additional 86 straight, unfinished—the finest performance the

club members have seen and a total at this writing of 136 in competition. In fact, one wonders whether . . . ? But I don't think I'll try it, just the same. I'm typing this with two fingers, cross-hand!

Yours,

FRANK JOHNSON.

Secretary, A.C.T.A.

Dear Bill,

You can publish all I have written here, but you may forward to shooter from Tasmania, who wrote to you for particulars of late Lou Bertram. Well, I shot with Lou many times. I always found him a pleasant chap and he was a really good all-round shot. But Lou had a "flair" for fun and jokes, and sometimes, with his close friend Horrie James, they made merry, so to speak.

One day some bloke chipped Lou about beer and gunpowder being a bad mixture, so Lou promptly challenged said bloke to five shots, for five bob a shot, and Lou to shoot from the left shoulder. The match was on. But Lou had missed about four birds in a row just prior and the bloke thought he was on a sure thing. Anyhow, Lou broke the five in five shots, but I am sure he never took the other fellow's money. Lou could shoot from either right or left shoulder, as the opponent soon found out.

Perhaps "Tassie" would like to know of how Horrie won a five birder one day at Bentleigh also. He had a wager with someone, Horrie to use one hand on his heavy double-barrel gun and one hand behind his back. I think you well know just how he could shoot, one handed, Bill. What a shot he was, too. He and Lou had a lot of fun together and I hope Horrie will let "Tassie" have a few about Lou Bertram.

Another one about Horrie. Someone in my presence picked at Horrie about these, so-and-so clay birds at

a shoot at Bentleigh and told him that if he went to the live birds, that he, Horrie, would not see the way they went.

So following Saturday some of us went to East Oakleigh Club and there and then Horrie shot 33 starlings straight. He and Lou could shoot anything.

Probably Fred Byers, also Aub. Johnson, may remember these incidents I have mentioned.

I remain,  
Yours, Sir,  
HAROLD R. KNIGHT.

Secretary-Editor,  
A.C.T.A., Melbourne.  
Mr. McCullough,

Dear Sir,  
Through your pages I would like to forward congratulations to the committee of the Mersey Gun Club, Tas., for holding such an enjoyable, well-run shoot on April 20th. I must commend their policy of inexpensive nominations, a policy other larger clubs seem unable to present.

The trophies were quite nice, being comparable to the nominations expected. I feel that shooting with enjoyment is the aim of gun clubs and not to make money. Trophies and cash hand-backs are of secondary importance.

Yours faithfully,  
GEORGE J. PINNER.  
Hon. Sec., Tas. Gun Club.

Normanton, Qld.,  
29/4/63.

Dear Bill,

Just a line from "up in the Gulf" area. I arrived here a couple of days before Easter. Had a wonderful plane trip from Brisbane, and the journey out here from Cairns showed that when it rains up in these parts, it sure rains. There were many square miles of water on the properties, and even at the moment many roads are still impassable.

It's wonderful how people manage in the outback, but air transport has helped considerably. Nearly all the stations have air strips, and these

are serviced by T.A.A., A.N.A., and bush pilots. The cost of living, as you might guess, terrific, air freight is pretty expensive, and, for example, bread 3/-, beer 7/6 bottle (mostly Melbourne, too), eggs, fresh fruit and vegetables practically non-existent, and most commodities very dear.

The town is on the Norman River about 40 miles from the mouth and is a rather scattered, outback town surrounded by many thousands of square miles of cattle country. The whole area is, with its great cattle population, in great condition, and just now there are movements of cattle toward rail heads, for market.

A motor vessel brings goods here each month and a rail service comes each week. Most of the lighter goods come by plane. The rail comes from Cairns to Forsagh, then there's a break of 120 miles, on which goods are transported by truck to Croydon and re-loaded there for the 90-mile trip to Normanton. However, everyone seems happy, and at the Anzac Day barbecue the scene was great. The site was by a big lagoon covered with water lilies and the picnic was held under two big tamarind trees, which formed a canopy to shelter 50 or 60 folk from the sun. It was a great day. A couple of 18's helped.

Because of the flooded road position, I have not been very far out of town, but am looking forward to partaking of some of the sport offering up here. Fishing is very good, with Barramundi, jewies, bream, parrot fish, sawfish, stingrays and sharks. For shooting, there's ducks, geese, turkeys, quail, pigeons, as well as pigs, donkeys and, of course, crocodiles. So there's variety.

The weather is marvellous. You could hardly credit the fact that the nights are a "one blanket" job. The days are just warm.

The population, about 800, with three hotels, is about half-coloured, and these are the blackest aborigines I've ever seen. No hope of seeing them on a dark night. They are all under the control of a moderator and are not allowed to drink. Only about half a dozen have a "ticket", which gives them "citizenship". The Aborigines Board arranges for their food and clothing at the store my son manages. The orders he receives

run into hundreds of pounds. He also has charge of the bond stores here, and all, or most, of the liquor for the hotels and stations comes through him.

Well, Bill, this is just a sketch of "way up north" and it's a mighty change from just 12 months ago, when I was, for a week or two of my stay in Melbourne, at Anglesea. There was an oil rig there at the time, and only yesterday, Sunday, the punt here worked all day ferrying about 30 men with trucks and gear, and these are on a boring for oil expedition around here. They expect to be here for about seven months, so with those and some road and bridge building gangs due here soon, the place will be busy.

I think I saw where you and your wife were to go on holidays. If so, I hope you had a very happy and restful time. In letters from Melbourne my granddaughter Beverley, Alan Dower's and Jean's daughter, got an American Field Scholarship and goes to U.S.A. in August. She said that her mother is very slowly making the grade after some weeks in hospital last year. A grandson in Sydney graduated with honours in Civil Engineering, so I've had quite a thrill with the young ones doing so well.

I expect you are "up to your eyes" getting ready for Southport. I'd love to be there for just the social side of it, but I think I'll be up here for the winter. I do hope you and, of course, the Association have a really big and successful International and that you and your team receive the kudos due to you for the work you put into it.

My regards to Mrs. McCullough and all the best to you, from

Yours sincerely,  
TED WEDGWOOD.

Dear Sir,  
Reading with interest the story in "Out of the Past" in "Clay Target News", re cleaning rod left in barrel at Australian Gun Club (Victoria).

A novice shooter I know of by accident left a cleaning rod in the barrel of his 12 gauge. He fired at some ducks on the water, and, to cut a long story short, the result was two dead ducks, a ten-pound cod fish speared with the cleaner, the recoil of the gun knocking him over backwards on top of a nice bunny.

Result: two ducks, one fish and one bunny (beat that).

- **SOFT RECOIL** — no more flinching — better second barrel scoring.
- **LIGHT WEIGHT** — only 6½ lbs. for fast pointing — less fatigue.
- **CHOICE OF CHOKES** — spare barrels not expensive.
- **CHROME BORE** — gives perfect patterns.
- **SIMPLICITY** — fewer moving parts give greater reliability.
- **TAPERED RIB** — Special Simmons type trap rib.
- **GUARANTEE** — 12 months' certificate with each gun.

### AGENTS NOTE:

We tested the Stirling Automatic, and in competition breaks of over 100 first barrels were recorded on two occasions. At Skeet, a break of 49 straight was recorded with a full choke. In our opinion, the handling qualities of the Stirling Automatic are superb.

## Stirling 12 G AUTOMATIC

(By COLIN SHADBOLT)

The lightweight and excellent handling qualities of the Stirling gas-operated shotgun make it a splendid weapon for use in the field — and it has an extremely fast action.

The first gas-operated machine gun, a Colt made under the Browning patents, appeared in 1889. True, the Maxim gun patents were taken out in 1883, but this was to cover the recoil-operated machine gun known to the British as the Vickers.

Modern weapons like the Bren machine gun and gas-operated shotguns like the one under review are based, however, on the invention of an Austrian, Baron Von Odhoklek. His ideas and Browning's appeared almost simultaneously. This Austrian invention grew into the Hotchkiss, later developed by the Japanese into a gun called the "wood-pecker".

The introduction of a gas-operated shotgun indicates that the weapon has now come of age. Due to a tremendous variety of cartridges being made, the blow-back system is beginning to be deserted, as its successful operation depends on a balance between the power of the cartridge and the breech block and springs controlling its backward movement.

With very heavily loaded cartridges like the new 2½ inch Magnums, guns adapted to the standard 2½ inch had to have some additional breaking system achieved by turning the "recoil ring". Otherwise they tended to slowly batter themselves to bits. Alternatively, if the cartridge did not develop its full ballistics the gun would only partially open and then thrust the fired shell back into the chamber. This could be embarrassing.

The value of the gas-operated gun is that it will handle virtually anything you care to put into it. Furthermore, it is "soft" on the shoulder, and remarkably fast; a spot of fiddling with the trigger mechanism — by removal of a couple of essential bits to the operation of the interruptor mechanism — will give two shots so close on one another that they sound like a continued long report. Indeed, one of the problems of rifles using this system has been that rifle gases are under high pressure and so it tends to operate too fast.

The Stirling uses a modified and refined system first invented in the 30's by an American called White. In the Stirling adaption the gas passes down through a hole in the barrel into the gas chamber and then drives a hollow cylinder backwards towards the chamber. As soon as the piston moves, it shuts off the barrel port and then moves a little further to open the barrel port again, and in the next instant of travel, the face of the piston moves back and opens the exhaust port.

Since shotguns use a very quick burning powder compared to rifles, and further chamber pressures are only a fraction of comparable rifles, the gas port can be placed much closer to the chamber than in a rifle. It gives a very neat appearance without the long cylinder projecting out in front of the sporting length fore-end.

The Stirling has one refinement not found on rifles, a two-position adjustable gas port, which reduces the amount of gas able to vent itself, reducing the thrust on the piston. This

is of special interest to the citizen who does not wish to burn "hot" cartridges for all his shooting and is satisfied with the lower ballistics of some of the cheaper grades of cartridges on the market.

I checked the gun with some 2½ inch shells and it functioned as readily with these as with the hotter Super Speed loads in 2½ inch. I did not fire the 2½ inch Magnum cartridge, but I would expect it to function as readily with the 1½ ounce load as with the 1½ ounce load of the 2½ inch standard velocity cartridge.

To my way of thinking after shooting it, and taking it to bits to see what makes it tick, the gas piston acts exactly as would a pull on a slide action fore-end. There are all sorts of little games that I could play with this weapon, but the basic story is simple. This is a slide action La Salle, with the gas of the charge providing the initial thrust back against the action to open it. Once the case starts to come away, the block continues the movement exactly in the same way that the slide action La Salle appears to unlock itself, once it has fired.

The cartridge fires with the gun locked up like a bank vault. After the shot charge is well down the barrel, the gas vents against the cylinder, just enough to actuate the unlocking mechanism. As soon as the gun starts to unlock, the gas flow is cut off. Pressure drops in the barrel as the charge gets close to the muzzle, the pressure against the side walls of the case drops, the case is free to move back and does. The gun flips out the empty, and as the action is pushed forward again under the springs that drive the block forward, it re-loads and re-cocks ready for the next shot. A very prettily balanced operation.

Now to get back to the weapon itself. Checked on the pattern board, with the star crimp cases, the chrome-lined bore gave very even patterns. The full choke model appears to give a very even centre, throwing a solid cluster of shot which should leave anything squarely hit little chance of escape. Some of the shot in a couple of number twos which were fired out of curiosity appeared badly deformed and did not get into the main pattern at all. The balance of the shot just ripped the centre out of the white paper used, and made a count of the percentage a futile business. With sixes, it was a lot easier, but it would appear that when these boys call a gun a full choke, it delivers just about the full charge inside the full choke circle at 30 yards with the exception of a few deformed pellets.

Some idea of what the gun will do in expert hands comes with Mal Fuller using it himself and putting up a couple of 100 first barrels. At Skeet with the full choke model he put up a break of 49 straight, and this is as good as even the most critical person might ask. It pays tribute to the balance and pointing ability of the gun, as well as the competency of the firer.

The gun is particularly versatile for either competition or field use because of the ease

with which barrels may be changed from the long full choke barrel of 28 inches, back to the quarter and half choke barrels of 26 inches.

The model tested had a chrome-lined barrel and a superbly ventilated rib. The agents sell this model in Australia at £68/10/0 and a plain model at £56/10/0. Due to the use of an anodised receiver in lightweight alloy, the whole gun weighs under 7 lb. In the model tested, the weight was 6 lb. 10 ozs., but I would expect a slight variation from gun to gun of a couple of ounces.

Trigger pull was reasonably short after a short initial take-up. Although crisp enough, it came out at a full eight pounds.

I was particularly interested in the strength of these guns, as the French Proof laws have certain oddities about them, but it would appear both this gas-operated weapon and the slide-operated La Salle undergo the same proof charges.

The final proofing is set at 1200 kgs. per sq. cm., and this indicates a proofing a little better than 17,000 psi. It is somewhat foolhardy to try and equate pressures, but setting this about the 7½ ton mark, then when we come back and consider the maximum pressure set up by a cartridge at its maximum figure—usually about an inch to an inch and a half from the breech—then cartridges which put up 3½ tons are regarded as being excessive and those at 4 tons as dangerous. It will be appreciated from the foregoing that these guns have an adequate safety margin.

The take-down is delightfully simple and the gun can be field-stripped in a few moments without the need for tools. The cap at the end of the fore-end unscrews, and with the action open, the barrel pulls straight forward and then the fore-end, leaving all the working bits exposed for cleaning.

The stocking, as is common to all these guns, is good. A reasonable grade of French walnut is used, with a simple but interesting enough figure to lift it out of the plank class. The pistol grip is suitable for both trap and field work, being reasonably sharply curved as demanded by so many shooters who use the one gun for trap and field work. The chequering at both fore-end and pistol grip is fancy enough and fine enough to provide the dual functions of usefulness and ornament, while the butt plate is grooved to give a non-slip surface on the shooting coat or jacket.

The safety is a large cross-bolt behind the trigger with a deep ring of red exposed when pushed across to the left. This means the gun is in the firing position. Loading is simple. The usual stud on the right side of the action body or receiver is pressed in and then two shells pressed home. To load three, pull back on the cocking handle and drop one in the action, press the stud and it slams shut, chambering the round without any fuss whatever. Then press in the stud again and feed the other two rounds into the magazine.

This would be one of the most convenient guns I have encountered to use as a single loader. By and large, it appears to me as simple and as foolproof as can be hoped for. Anyone possessed of the most rudimentary knowledge can operate and look after this gun—and it is strongly made to give years of trouble-free service, even without considering the year's guarantee that comes with it.

In conclusion, this gun would appear to come close to the perfect field gun, being of light weight, of excellent handling characteristics. Although the action is extremely fast,

it does not appear to have the same recoil on firing as the normal gun. It is a handsome outfit with its well-shaped fore-end and pistol grip stock, and the light French walnut shows to advantage against the deep lustrous blue of the metal work.

#### SUMMARY

A gas-operated shotgun holding three shots in all, with an excellent trap and skeet record. A handsome outfit with a very soft recoil and extremely fast action should give long life and every satisfaction, as it is simple to strip.

A solicitor was walking along the Strand when he met a friend to whom he had recently given some simple legal advice, and to whom he had sent his usual sizeable bill.

"Nice day, isn't it?" remarked the friend, and then added, hastily: "But I'm not asking you; I'm telling you."

"Guess what I've cooked for dinner, darling?" cooed a newly-wed wife.

"All right, dear," replied the husband, with a sigh. "Serve it up and I'll try."

ALEXANDRA (S.A.), 31/3/63. — Attendance: 34. Results: No. 1, 10 targets: div. T. V. Roberts, G. Vaughton, J. Gerogles, W. Faehrmann, C. Hollow, D. Fleetwood, 10/10. No. 2, 250 H'cap: div. E. A. Collins, F. Sheridan, N. Blakely, G. Woodrow, 19/20, div. No. 3, 25-target Skeet H'cap: div. G. Eatts, C. Caskey, 26/25. No. 4, 10-target H'cap: div. E. A. Collins, C. Caskey, C. Chiantoro, N. Blakely, 10/10. No. 5, 5 targets (27 yds.): div. B. England, C. Hollow, G. Woodrow, 5/5.

With the weather conditions prevailing, shooting was below average, with only four out of 28 shooters scoring 19/20 in the 250 H'cap. Skeet was tried on a handicap system for the first time in South Australia, and this resulted in more even scores throughout all squads.

The lunch and afternoon teas provided by the ladies was up to the usual high standard and was enjoyed by all. Altogether a really good day for the locals, and for the visitors, to whom we say "Thank you for coming" and may we see you all again soon.

(J. G. Ward, Hon. Sec.)

ALICE SPRINGS (N.T.), 24/3/63.—Weather conditions: fine and windy. Results: No. 1, 5-bird D.B.: R. Villiers, J. Jackson, D. Sharp, 5/5; F. Morton, B. Sutton, E. Smith, L. Kittle, J. Pearson, 4/5. No. 2, 20-bird D.B.: J. Jackson, 19/20; B. Sutton, 13/20; R. Villiers, 17/20. No. 3, 20-bird Pts. to count: B. Sutton, 58/60; E. Smith, F. Morton, 52/60; R. Villiers, 50/60.

Shooting was tricky, with a gusty wind blowing powder back into the shooters' eyes. A general meeting was held in the clubhouse after the shoot, at which a new President and Secretary were elected. The new positions are: Mr. L. Kittle, President; Mr. E. Smith, Secretary.

21/4/63. — Weather conditions: fine and windy. Results: No. 1, 5-bird D.B.: J. Jackson, D. Sharp, 5/5; L. Kittle, F. Morton, 4/5. No. 2, 10-bird Walk-up: D. Sharp, 8/10; L. Kittle, J. Jackson, B. Sutton, J. Pearson, 6/10. No. 3, 10-bird Sliding H'cap: J. Pearson, R. Robbins, 9/10; B. Sutton, J. Jackson, D. Sharp, 8/10. No. 4, 10-bird D.B.: J. Jackson, D. Sharp, J. Pearson, R. Robbins, 10/10; B. Sutton, F. Morton, 9/10. No. 5, 10-bird D.B. Sparrows: J. Jackson, 10/10.

Strong, gusty winds made shooting difficult

at first, but the wind dropped later and conditions were perfect except for the very friendly flies. Joe Jackson topped the scores for the day — good on you, Joe! Des Sharp shot well, and it's good to see Jock Pearson and Bob Robbins shooting again.

We shoot for State and Club Ch'ships in May, June, July and August, and hope to see some interstate visitors.

(E. Smith, Hon. Sec.)

Don, who was recovering from an illness, dropped out on the 74th bird, and on the 86th bird, as the next event was being held up, it was decided to toss for first place. They finished, F. No. 1 team 2 wins, Melb. No. 2 team 1 win, 1 drawn match. Failing light accounted for some scores not being up to past performances.

In spite of the showery weather, 22 shooters were in attendance. The high-gun trophy was run over events 2 (10 D.B.) and 3 (10 S.B.). There were no possibles. In the shoot-off for the 19's, Jack Lynam, with some good shooting, won from L. Day, J. A. Elliott. The D'ville Doubles event saw three pairs with the possible. In the shoot-off Jan Elliott and Norm Kirkegaard eventually ran out the winners. (Noel Smith, Hon. Sec.)

BARMERA (S.A.), 21/4/63. — Weather conditions: fine. Results: No. 1, 10-bird D.B.: F. Holmes, R. Caddy, 10/10. No. 2, 10-bird Pts.: F. Holmes, T. Markham, 30/30. No. 3, 10-bird D.B.: R. Caddy, A. The weather was fine for our April shoot, but the attendance was below expectations. The main trophy shoot was won by Trevor Markham in a shoot-off from Alan Grose, who ran a good second, with our stalwart supporter, Frank Holmes, in third position. Trevor went on to shoot 51 straight, which is a terrific effort for a young shooter. Congratulations, Trevor.

All the club members hope that our popular Secretary, Peter Caddy, is having success at Surfers Paradise. (K. J. Coats, Asst. Sec.)

A good roll-up of shooters to the Open Shoot had the pleasure of shooting over the new Dams Electric Trap recently installed for the shoot. Shooting proceeded smoothly during the day and, with the aid of the trouble-free electric trap, enabled more events to be shot than would be normally possible with the automatic trap.

The new trap proved tricky to some shooters, and scores were comparatively low. However, Sam Bell (June) was in top form and put up a very good score to share in all events, winning the N.S.W. Night S.B. Ch'ship and the High-gun Trophy, generously donated by Mick Smith.

Bathurst shooter Barry Gould shot well to win the Browning automatic shotgun with 41/41, followed by Ernie Field (Orange), second, 40/41, and Jim Thompson (Cootamundra), 3rd, 38/39.

George Bell (Young), who arrived for the night shoot, was successful in winning the Central Western Districts S.B. Night Ch'ship, with S. Bell second and J. Benton third.

The club's thanks go to the ladies who did an excellent job with the catering; the trap-pers, pullers, secretaries, referees, and to all those who helped to make the shoot such a success. (Mrs. J. Rowe, Asst. Sec.)

BINGARA (N.S.W.), 6/4/63. — Weather conditions: fair. Results: No. 1, 10-bird D.B.: R. A. Reed, R. W. King, M. A. Bell, 10/10. No. 2, 10-bird Pts.: J. M. Goodwin, 29/30; J. Quigley, 26/30; R. A. A good day, but a poor crowd. Congratulations to J. Quigley on his win of 20-bird S.B. Ch'ship. The shooting was very good in this event, as the lowest score was 17.

(R. W. King, Hon. Sec.)

BIRCHIP (V.), 30/3/63. — Weather conditions: very windy and gusty at times. Attendance: 57. Results: No. 1, 10 birds: div. R. Manuel, R. Butler, G. Free, W. J. Doyle, N. Hinneberg, G. Strauss, A. Hipwell, No. 2, Northern Wimmera D.B. Day Ch'ship (20 birds, 16 yds.): 1st, R. Millard (Tyrendarra), 24/25; 2nd, G. Sharrock (Bessiebell), 22/25; 3rd, N. E. Haslam (Birchip), 49/50. No. 3, 50 H'cap: div. S. Childs, C. O'Donnell, L. Whitlock, W. J. Doyle, C. Sinclair, N. E. Haslam, A. Gordon, M. Connelly.

Considering the morning, it was a marvellous field, as it was very windy and dusty all morning. Shooters travelled far and wide to attend. They were present from Minyip, Rainbow, Kerang, Moulamein, Rainbow, Quambatook, Charlton, Katyl, Warracknabeal, Lalbert, Deniliquin, Hopetoun, Dunkeld, Portland, Tyrendarra, Bessiebell, Mildura, Katanning (W.A.), Sheep Hills, Echuca, Berriwilllock.

The ladies provided a lovely afternoon tea that was fully appreciated. N. E. Haslam shot a break of 50, the first top shooter to do so on our ground.

30/3/63—Weather conditions: fine and cool. Attendance: 41. Results (Night): No. 1, 5 birds: div. 22 shooters. No. 2, Nth. Wimmera Night D.B. Ch'ship (20 birds from 16 yds.): five possibles, G. Daly, R. Butler, H. Smith, R. Millard, J. Hinneberg—shoot-off: 1st, R. Butler (Horsham), 40/40; 2nd, G. Daly (Deniliquin, N.S.W.), 39/40; 3rd, J. Hinneberg (Horsham), 29/30.

One of the best night shoots we have held for some time and visitors saw a good shoot-off from some of the best clay bird shots in the State. The ladies provided that lovely cup of tea and sandwiches that was greatly appreciated, as the night was rather cold.

16/4/63—Weather conditions: fine and cool. Attendance: 36. Results: No. 1: div. 10 shooters. No. 2, Trophy: 1st, J. Clarke (Rainbow), 22/22; 2nd, G. Strauss (Kenmare), 21/22. No. 3, Trophy: 1st, J. Whitelaw (Melb.), 25/25; 2nd, J. Clarke (Rainbow), 25/27; 3rd, N. E. Haslam (Birchip), 24/27. No. 4, 25 H'cap: div. S. Childs, R. Ferrier, N. E. Haslam, B. Slander, W. Perry, C. Perry, C. O'Donnell, J. Whitelaw, G. Strauss.

A real good shoot and good attendance, considering other counter attractions. The ladies, as usual, provided that lovely cup of tea that was greatly appreciated by all.

16/4/63 (Night). — Weather conditions: fine and cool. Attendance: 22. Results: No. 1: div. S. Childs, R. Bolton, R. Hammond, L. Eyr, N. Haslam. No. 2, Trophy: 1st, R. Ferrier, 15/15; 2nd, M. Connelly, 14/15. No. 3, Sweep: R. Bolton, C. Ferrier, A. J. Brooks.

As the night was rather cold, we did not have as big a crowd as in day shoot, but every shooter enjoyed the shoot, as the birds were hard to hit. With the fires burning nicely and making the surroundings pleasant, the usual cup of tea and sandwiches were again appreciated. Thanks a lot, ladies. (H. G. Taylor, Hon. Sec.)

BOORT (V.), 20/4/63—Weather conditions: windy. Attendance: 18. Results: No. 1, 5-bird Pts.: A. Mercurio, J. Piccoli, R. Peacock, D. Mountjoy, 15/15. div. No. 2, 15-bird D.B. H'cap: 1st, L. Toose, 29/29; 2nd, K. Fanning, 28/29; 3rd, A. Richmond, 24/25; 12/16 yds., D. Rhumbold. No. 3, 5-bird D.B.: D. Rhumbold, F. James, A. Mercurio, L. Toose, A. Richmond, 5/5. div. No. 4, 5-bird D.B.: R. Manuel, H. Toose, C. Radcliffe, K. Fanning, 5/5. div.

Local shooter Lewis Toose shot brilliantly to win the I.C.I. trophy at the monthly shoot at the lake-side grounds. Kev. Fanning kept the pressure on all the way and took second prize. Everyone was pleased to see Alf Richmond win the shoot-off for third trophy, as this was his first trophy at Boort. Alf gives a lot of time and help to clay target shooting. Dave Rhumbold won the 12/16 yd. prize after a shoot-off to give him his first trophy at trap shooting (and was he pleased; declared he wouldn't take £1,000 for it). Ladies' trophy went to Mrs. E. I. Whytcross.

Thanks to all who helped the shoot to tick. (E. I. Whytcross, Hon. Sec.)

BOURKE (N.S.W.), 20/4/63 (Night). — Weather conditions: fine and mild. Attendance: 17. Results: No. 1, 5-bird D.B.: G.

Williams, J. Farrell, W. Ridge, L. O'Mally, Z. Williams, R. Long, K. Beck, L. Bowden, J. Long, 5/5. No. 2, 10-bird D.B.: G. Williams, W. Ridge, L. O'Mally, D. Williams, R. Davey, K. Beck, C. Holland, L. Bowden, J. Long, 10/10. No. 3, 10-bird P/S. Club Mug: W. Riches, 1st, 93/30; K. Beck, 2nd, 92/30. No. 4, 15-bird D.B.: W. Ridge, L. O'Mally, R. Long, K. Beck, 15/15. No. 5, 5 pr. D. Rise: D. Williams, 4/5. No. 6, 4 pr. D'ville Doubles: L. Hull - J. Buck, 10/4.

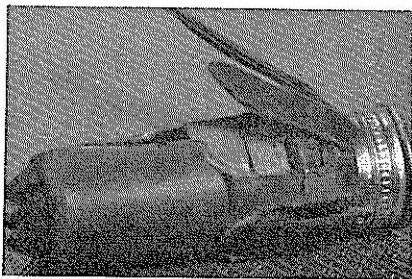

Shooting was of a very high standard, considering that this was the first meeting since 2/12/62. All events required the possible to win except the D. Rise. Ken Beck shot well in all events, while Derek Williams, Leon O'Mally and Bill Ridge showed they had not lost their touch. Congratulations also go to Bill Riches for his first win in the Club Pewter with a very fine 93/30.

(Les Hull, Hon. Sec.)

**BRISBANE (Qld.), 21/4/63.**—Weather conditions: fine. Attendance: 25. Results: No. 1, Mixed Birds (5 D.B., 5 S.B., 5-bird Pts.): 1st, V. Shepherd, 25/25; 2nd, E. Stanley, 24/25; 3rd, A. Chesney, 33/35. No. 2, 20-bird D.B.: 1st, A. Chesney, 34/34; 2nd, R. Slawson, 33/34; 3rd, L. Shanco, 24/25. No. 3, 6 prs. D'ville Doubles: 1st, A. Chesney - R. Gehrman.

Although the weather was certainly not the best, and we were flooded out, it was quite a successful shoot. The first on the programme was the Progressive Scores, which, in our club, is a very popular event. Len Shanco was High Gun with 73/75 in this ing off against Bruce Mackey. It was nice to see Bill Edwards win a Grade prize, too.

Ian Hedger won the next 20-bird D.B. event outright, as he was the only shooter with the possible. However, there were six men with nineteen who shot off for second and third placings, four of whom were out in the following round. Two sure shots after that gave the second to Barney Deignan, as Alan Arrowsmith dropped his last bird. Barney was in form by then, and proved it by

Section of the remains of cartridges which burst in the pocket of shooter, R. Fallshaw.

winning the Double Rise with 9/10. Eric Wardrop was second with 8/10.

**31/3/63.**—Weather conditions: wet. Attendance: 25. Results: No. 1, Progressive Scores (20-bird D.B. Pts.): High Gun, L. Shanco, 73/75; A. Grade, I. Hedger; B. Grade, B. Mackey; C. Grade, W. Edwards. No. 2, 20-bird D.B.: 1st, I. Hedger, 20/20; 2nd, B. Deignan, 26/27; 3rd, A. Arrowsmith, 25/27. No. 3, 10 prs. D. Rise: 1st, B. Deignan, 9/10; 2nd, E. Wardrop, 8/10.

It was Alex Chesney's "Field Day" last Sunday, as Alex went home with three trophies—two firsts and a third—from three events. Congratulations, Ches.

Vincent Shepherd, who hails originally from Lismore, shot well and won the first event, which was five each Double, Single and Points, with the full score of 25. Judge Stanley, also in good form, was second after losing a point with a second barrel just near the end. Alex came into the picture thirdly after he and Barney Deignan had shot another round.

Alex Chesney began to triumph then, as he out-shot Ray Slawson and Len Shanco, who also had the possible in the next 20-bird D.B. event, but it took three more rounds to do it.

To wind it up, Ches., partnered by Ray Gehrman, won the D'ville Doubles with a possible eighteen, after eliminating five other pairs.

Len Shanco welcomed the visitors and presented the trophies, as our President, Stuart Smith, is away on a holiday.

(Mrs. E. Mackey, Pub. Officer.)

**BROKEN HILL (N.S.W.), April shoot.**—Conditions: fine. Attendance: 17. Day: No. 1, 10-bird D.B.: G. Hoskins, A. Commons, P. Harvy. No. 2, 10-bird D.B.: L. Mallon, G. Hanson. No. 3, D. Rise: P. Harvy, A. Commons. No. 4, Novelty Sweep: B. Anderson.

Night: No. 5, 5-bird D.B.: L. McKean, W. McKean, A. Langford. No. 6, 10-bird D.B.: L. Mallon, W. McKean, L. McKean, A. Commons, J. Cutting. No. 7, Club Trophy: 1st, B. Anderson, 22/23; 2nd, G. Hoskins, 21/23; 3rd, L. McKean, 19/21; F/M., Bob Heuzenroder. No. 8, 10-bird D.B.: W. McKean, B. Murphy, P. Mallon. No. 9, Miss-out: B. Murphy.

It was pleasing to see a few old faces turn up for our April shoot. Shooting was not up to par, with three front markers missing their last birds in the Trophy event. Seven

shooters qualified for the shoot-off in this event, with myself being the eventual winner. George Hoskins continued his fine form and took out the second placing. Lance McKean, returning after a break from the sport, was winner of the third trophy.

Our ladies once again gave us an excellent meal.

(Brian Anderson, Hon. Sec.)

**BUNDABERG (Qld.), 7/4/63.**—Weather conditions: good. Attendance: 16. Results: No. 1, 5 birds: 5/5's, div. No. 2, 10-bird D.B. Pts.: P. Anderson, 30/30; G. Greensill, 28/30; M. Midgely, 27/30. Anderson, 10/10.

Fair attendance; four visitors from Maryborough Club. Weather fine, light breeze—few clouds. Graham Greensill shot very well. In shoot-off No. 3 event decision took 15 extra birds, showing consistent shooting by G. and L. Greensill. Capt. Peter Anderson, back in top form to score possible in 30-bird event, and also in 10-bird S.B.

Members practising well in anticipation of June Carnival. Few novice shooters becoming interested with view to becoming members.

No. 4, 5-bird S.B.: G. Roberts, C. Gregory, S. Bott, 5/5.

Shooting brilliantly, C. Gregory won the Burnie Gun Club's D.B. Ch'ship. Gregory took the event after an exciting shoot-off with H. Smith. Each stopped 19 out of 20 first releases and faced up to the shoot-off in windy conditions. Smith missed his 43rd release and Gregory his 44th, equalling the score. In the last round Smith dropped three, while Gregory broke the five and finished with the excellent score of 48/50.

Was pleased to have a visit from Alf Southwell (Yass, N.S.W.). Pleased to see you, Alf, and hope you had a pleasant holiday in the "Apple Isle".

(S. H. Bott, Hon. Sec.)

**CAMBERWELL (V.), 31/3/63 (at Point Cook), Legacy Charity Shoot.**—Weather: cool, slight breeze. Attendance: 140. Results: No. 1, 15-bird Pts. Dec.: div. T. Williamson, J. Phalp, B. Robinson (Horsham), D. Preston,

High Gun for the first two events for sash, 500 shells and Flinders Naval Depot Trophy: Air. Com. W. Garing (Edinburgh Field, S.A.) was the first President of Point Cook Gun Club—74/75. No. 3, 15-bird Pts. Dec.: 7 shooters div., 45/45 pts., G. Arkinstall, B. Lennen, R. Blackwell, R. Sadler (Werribee), W. Branagh, J. Phalp and B. Crookford.

The Team shoot was very popular and there was a lot of interest in this event, which was very well won by Croydon with the fine score of 139/150. The team was N. Dixon, B. Howe, Jack Henwood, A. L. Brown and Gordon Lear (one of the possibles). Barry Crookford shot well all day, scoring a straight 72/72 and never missed a bird all day—only pulled two second barrels in the first event and one in the second event, and none in the third event—a splendid effort for a young teenager.

The President of Legacy thanked everyone who helped in any way at all, especially those shooters who travelled such long distances as from H'orsham, Noorat, Cobden, Warrnambool, Geelong, Tyabb, Puckapunyal, Shepparton and many other places to help Legacy.

The Camberwell Gun Club conducted the shoot and had the pleasure of handing over approximately £500 clear at the end of the day. This amount was increased by many generous cash donations.

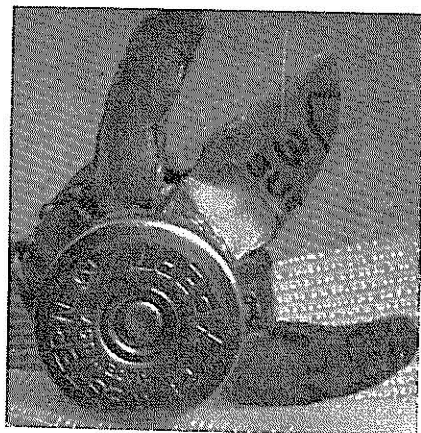

**6/4/63.**—Weather conditions: very nice. Attendance: 48. Results: No. 1, 10-bird D.B.: div. O. Chimenello, R. Talbot, J. Ahern, T. Williamson, 10/10. The spectators were treated to a fine exhibition of clay target "busting" by the three shooters scoring the possible in the main event.

Some of Jim McInnes' school "boys" were a bit astray without Jim's advice. The club wishes to thank the donor for his splendid trophy in main event. Thanks, ladies, for that fine "cuppa".

Many congratulatory letters and a lot of personal thanks and pats on the back for that wonderful shoot at Point Cook for Legacy, when over £500 was raised in the one day. Thanks, shooters, for making that event possible, for without your support it would not have been likely.

**20/4/63.**—Weather conditions: strong, gusty winds. Attendance: 41. Results: No. 1, 3 pr. D. Rise: div. R. W. Fox, D. Glover, F. J. Perillo, M. Brown, R. Hering, 3 prs., div. No. 2, Club D. Ray Hering is to be congratulated on his sterling performance on Saturday under windy conditions; the wind came in from the south and making the right-hand bird rise steeply and flatten out the left bird most disconcertingly.

Some of Jim McInnes' school showed considerable improvement. Thanks to I.C.I. for fine trophy.

25/4/63. — Weather conditions: good. Attendance: 70. Results: No. 1, 10-bird D.B. (off 16 yds.): 30 possibles, and it was decided to draw the places from the hat, which resulted as follows: 1st, W. Abbott; 2nd, W. Carlson; 3rd, J. Newton Thomas; 4th, W. F. Williams. No. 2, Anzac Day D.B. Ch'ship and High Gun Trophy (donated by Les Turner, Esq.): 1st, W. R. Johns, 55/55; 2nd, J. N. Thomas, 54/55; 3rd, W. F. Williams, 54/55; 4th, T. Lucas, 54/55; 5th, W. H. Perry, 54/55. The minor placings were decided by drawing from the hat because it had become too dark for the shooting to continue, and the shooters would not agree to finish it on another day.

Nearly 1,000 clays were used in the shoot-off. J. Newton Thomas, A. F. Burns, G. Biggs, D. Glover, W. F. Williams, A. Tie, D. O'Callaghan, W. H. Perry and others really pleased the crowd.

The club is very pleased to say that £128/4/0 has been handed to the Mayor, Cr. R. L. Dear. (A statement appears in this issue, per courtesy of the Editor.) Thanks to all who assisted, also those who so generously made cash donations.

The whole of the proceeds go to the Ever Green Elderly Citizens' Club of Balwyn. Thanks, everybody. 50 breaks were numerous.

It was surprising to see only three possibles in the Team shoot when conditions were ideal for shooting a big score.

CENTRAL BURNETT (Qld.). — The first Central Burnett Gun Club shoot to be held on a Sunday took place recently on Dr. Ethell's property at Mundubbera. The improved attendance showed how popular the sport is becoming, with 16 shooters and a large gallery of onlookers. CLONCURRY (Qld.), 15/4/63. — Weather conditions: cloudy and cool. Attendance: 10. Results: No. 1, 10-bird S.B.: 1st, E. A. Lemmon, 9/10. No. 2, 10-bird S.B. Trophy: R. Batt, J. O'Neil, 10/10 — shoot-off won by R. Batt. No. 3, H. Butt Trophy (20-bird D.B. Pts.): G. H. Burke, R. Batt, 59/60 — shoot-off, R. Batt. No. 4, £10 H'cap (15-bird D.B., equal scoring): G. H. Burke, 15/15, 1st; J. O'Neil, L. S. G. Hasted, E. A. Lemmon, C. Selke, 14/15. No. 5, 10-bird D.B. Trophy (pts. scoring): H. Burke, R. Batt, 30/30 — shoot-off, R. Batt.

Our first shoot of the year had an attendance of only 10 shooters: this was due to washed-out roads in the country following the recent heavy rains. However, it was a splendid afternoon's shoot and form was very good, considering the long recess by most shooters. Congratulations to R. Batt (McKinlay), who won the three trophy events. Two new-comers, J. O'Neil and R. MacDonald, shot exceptionally well for novice shooters.

(E. A. Lemmon, Acting Sec.)

COBDEN (V.), 19/4/63. — Weather conditions: good. Attendance: 28. Results: No. 1, 4 pr. D.D.: div. B. King - L. Hammond, 4/4. No. 2, Vic. Intermed. D.D. Ch'ship: 1st, N. Wright - M. Holloway, 18/20; 2nd,

S. Mitchell - A. Carroll, 19/25. No. 3, Vic. D. Rise Ch'ship: 1st, T. Sharp, 10/15; 2nd, M. Holloway, 9/15; 3rd, B. King, 11/20; F/M., B. King, 8/20. No. 4, 10-bird D.B.: div. G. Burnett, L. Reicha, 10/10.

Our double Ch'ship night was attended by shooters from Colac, Noorat, Dundonnell, Warrnambool, and local shooters, who all found the birds difficult owing to a fairly strong breeze, although Noel Wright and Merv. Holloway (Warrnambool) shot very well in hard conditions to take the Victorian Intermediate D'ville Doubles. Another visitor, Trevor Sharp (Colac), also shot well to take the Victorian Double Rise title from Merv. Holloway, who had a very successful night.

Thanks to the ladies for a very fine supper.

**COBURG (V.).**—Despite a lot of inconvenience, we enjoyed some good shooting during April. We opened up on Easter Saturday to cater for those who did not go away, and quite a few turned up.

It was a cash day, and commenced with the usual 10 birds Points. This was divided between Ray Hering, Darcy Watson, Vern Nicholas and Allan Harrod.

There were two 20 birds, and in the first of them those two good mates—Allan Harrod and Henry Weitzel—finished even with 17/20, Alan Craig, one less, taking third money.

Ken Owens (19/20) won the second 20 birder outright, from the Weitzel-Harrod combination, the former 17/20 for second, and the latter 16/20 for third.

It was pleasing to have Darcy Watson with us again. Darcy was a former official of this club, decided to emigrate to Hamilton, where he is now President of the local club. We wish him and his members the best of luck.

April 27 was a big day. All trophies were generously donated by Donald Mackintosh Pty. Ltd. and shooters showed their appreciation by turning up in force. I would like to convey our thanks to this firm for their sporting gesture.

In order to give everyone a look around, we started with a 10 birds Points. This was cut by Keith Paterson and Don Glover with the possible. Bill Robinson (29/30) gathered third money.

The Donald Mackintosh Handicap, shot over 40 birds, was in two divisions. The first was for shooters 12 to 13 yards inclusive, and the second division for those 19 yds. and over. In each division the trophies extended to the first five placings.

The 12/18 yds. division was won outright by Jack Senerrick. Jack shot in really good style and was only one down at the finish.

Jack Poynton and Ray Mayberry were each 38/40 and shot on to decide second and third placings. Jack shot first and dropped his first bird, which brought Ray right into the picture. However, Ray let the opportunity slip and they were level again. Jack went on and got four more, while Ray missed the last.

Jack Poynton has been a sick man and was having his first outing for some little time. His success kicked him on no end. He is off on an extended holiday to Queensland and we hope he returns fit and well to do battle with his mates before long.

Bill Attwood, with 37/40, took fourth place, while Alan Hendricksen and Max Chilton battled it out for fifth prize, Alan being the winner, 44/48.

Five shooters in the 19 yds. and over group finished with level scores and shot on to decide the five placings. Bill Halles Sr., 42/44, proved best, and the others finished in the following order: George Hayman 43/45, Bill Robinson 41/45, Fred Shearer 39/42, and Geoff Read 38/41.

Altogether it was a fine day's shooting. Among our visitors were Max Chilton and his American mate, Bob Falsey. Bob is a hardy shooter. He arrived from India on Friday morning, attended a reception on Friday night, and came to the shoot on Saturday. He said the clays looked a bit small.

Also with us was Peter Stuart, Secretary of the Field and Game Club at Ballarat. We enjoyed the company of all these fellows.

Well, things are becoming a little hectic at our grounds, and it will not be long before we are forced out. All clubs are concerned about their future and steps are being taken to overcome the situation.

By the time this appears in print, a combined meeting of metropolitan clubs will have been held, and it is hoped then to release some worth-while information.

(C. J. Colledge, Sec.)

**COFF'S HARBOUR (N.S.W.), 13/4/63.**—Weather conditions: perfect. Attendance: 10. Results: No. 1, 5 pr. D. Rise: G. Blundell, G. D. T. Secombe, div. No. 2, 10-bird Pts.: J. Forsythe, G. D. T. The President extended a welcome to Roy Shepherd (Lismore) and sympathised with our Secretary on missing the New Zealand trip, due to an appendix operation.

The strong Geelong team, captained by Norm. Viccars, recorded its second win for the series with the highest score to date—144/150 points. The other members of the five-man team were: G. Ridgeway, J. J. Fehir, R. Roberts and J. Ford. All members shot splendidly—only six points being dropped from the 50 targets shot at.

Results of the other teams' efforts were: Colac 137/150, Warrnambool 134/150, Cobden 130/150, Noorat No. 1 123/150, Noorat No. 2 118/150, Cressy 113/150.

The shield has now been competed for six times, Colac having won three, Geelong two and Cobden one. Since the inception of the Shield competition, there has been a marked revival of interest in clay target shooting in this area, no less than 40 shooters being present at each team's shoot. Much credit for this goes to I.C.I.A.N.Z. Ltd. for their generous donation of the handsome shield, and to the capable leadership of the Western District Association President, Stan Walker, of Colac. Stan puts a vast amount of work and planning into the W.D.C.T.A., and it must be encouraging to him to note the success of the venture to date. He also fills a prominent place in the Colac team.

Results of the other events at Dundonnell were: 5-bird Pts.: div. J. Morrison, A. McSwain, K. Kavanagh, C. Chirnside, 15/15; 20-bird D.B. H'cap: L. Jacobs, I. McArthur, A. Carroll, S. Hay, 20/20; E. Corneby, T. Sharp, A. Manifold, L. Pilkington, D. Corstorphane, K. Kavanagh, P. Stinchcombe, 19/20. The high-gun prize, over teams match at 10 birds and handicap at 20 birds, was div. I. McArthur, L. Jacobs, 30/30.

The N.S.W. title was won by Jim Thompson after a short struggle with Frank Williams, the shoot-off going to 5 birds. Len Bird shot Harry McDiarmid off for 3rd position. The District Ch'ship was keenly contested, with 11 shooters taking part in the shoot-off. They finished in the following order: 1st, Bill Birkin, Ross Lynch, Frank Williams, Ross White, Murray Lynch, Harry McDiarmid, Tom Johnson, Dick Toshack, Alf Tyack, Joe Manning, Gordon Wakefield, Bob Tye, Alan Sheather. A nice roll-up of shooters on a very pleasant day. Main event was won by a very formidable pair in Bill Henwood (Croydon Club Capt.) and Tom Lucas after a tie with three other pairs. Congratulations to both — both very good supporters of this club. As a mark of respect for a very well liked and regular shooter at Croydon, the late R. (Bob) Anson, an observance of two minutes' silence was a nice gesture to the recent passing of a good sport. (A. L. Haughton, Hon. Sec.)

DARWIN (N.T.), 7/4/63.—Weather conditions: fine. Attendance: 17. Results: No. 1, 5-target D.B.: div. R. Viney, I. Watt, V. Chiericoni, P. Salter, F. Celenza, 5/5. No. 2, 5-target S.B.: div. R. Viney, S. Lorman, L. Jessup, G. Worrall, 5/5. No. 3, 20-target D.B.: 1st, G. Worrall, 25/25; 2nd, V. Chiericoni, 24/25; F/M., G. Rigoni, 23/25. No. 4, 5-target D.B. Sparrows: div. B. Sweeney, D. Atkins, R. Viney, N. Geary, 5/5.

The main event of the day was the I.C.I. Trophy, which was shot at 20 targets D.B. Handicap. Two shooters scored the possible and after a shoot-off Gordon Worrall emerged as the winner, with Vince Chiericoni a close second. Many thanks to I.C.I. for presenting such a worth-while trophy.

We were pleased to welcome two new shooters to our shoot today. They were David Atkins and Mick Risk, and both put up a very good performance for a first attempt

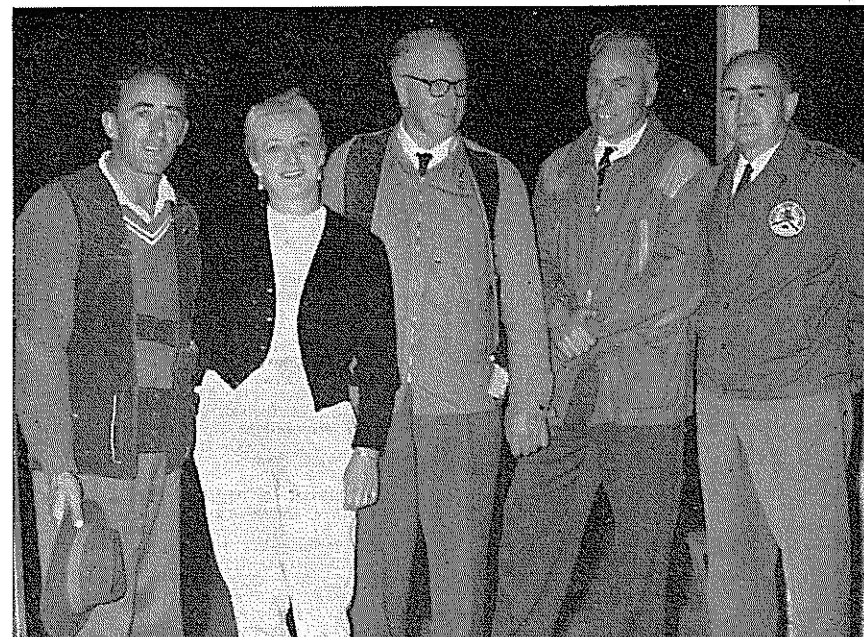

at the sport. Several other shooters have also shown interest, and club membership has been increasing steadily.

21/4/63. — Weather conditions: fine. Attendance: 14. Results: No. 1, 5-target D.B.: G. Welsh, Mick Risk, L. Jessup, G. Worrall, 5/5, div. No. 2, 5-target S.B.: R. Viney, V. Chiericoni, V. Pearce, G. Rigoni, G. Worrall, 5/5, div. No. 3, 10-target D.B. H'cap Pts.: 1st, R. Viney, 30/30; 2nd, V. Chiericoni, 28/30; 3rd, Bill Gartner, 27/30. No. 4, 5 prs. D. Rise (16 yds.): 1st, G. Worrall, 3/5. No. 5, 6 prs. D'ville Doubles Sparrows (18 yds.): 1st, W. Gartner - P. Henderson, 5/6.

There was quite a good roll-up at today's practice shoot and everyone enjoyed a good day's shooting. A bad cross wind made the targets very tricky and quite a few managed to elude the shooters. It was good to see some of our new shooters along as well as some visitors.

The main highlight of today's shoot was the 30/30 which Ray Viney managed to score in the point-score event — this was a very creditable performance in the windy conditions which prevailed. Some difficulty was experienced with the Deauville Doubles Sparrows, which were very elusive, and the top score was only 5/6. It is to be hoped that scores are better next month, when the State D'ville Doubles Ch'ship will be shot here.

(A. G. Worrall, Hon. Sec.)

No. 7, Club Mug (10-bird S.B.): R. Howitt, 9/10.

Cold and windy conditions kept most shooters home, but the old and bold came along and busted quite a few clays between them. Mrs. Daly again showed the way by holding off young Pete Johnston in a shoot-off and took home first trophy. Robert Howitt, using a new cannon, managed to take off the Club Mug.

John Adams was a welcome visitor and called in on his leisurely trip home from Hay a week later, and a big Murray cod to grace the ice box. A nice hot cuppa after the shoot was most enjoyable. Thanks to the President's lady.

Preparations are well under way towards laying out the grounds to an irrigation and beautification scheme. Congratulations are in order to Noel and Kevin Renwick, a daughter; Dinny and Ewen Downie, a son, and Jean and Hunter Laker, a daughter. (Robert Lawson Jnr., Hon. Sec.)

A good field of shooters to compete for President's Trophy (events 2 and 3), including our Coff's Harbour friends, Joe Raleigh, G. D. T. and Boyce Siddons. Joe Raleigh turned on the pressure to win practically everything — congrats., Joe.

**DUBBO (N.S.W.), 31/3/63.** — Weather conditions: fine, cool. Attendance: 46. Results: No. 1, 10-bird D.B.: J. Bye, P. Williams, G. Williams, D. Hunt, W. Rae, K. Heywood, N. Montgomery, R. Shooting was of a high standard, with shooters visiting us from Narromine, Warren, Parkes, Wellington, Bathurst, Mendooran, also a group of shooters, led by Keith Williams, made the long trip from Bourke to attend our fixture. Neil Singleton (Cobar) was also there. We especially thank them.

The D'ville Doubles Ch'ship was won by local pair, Jack Ackroyd and Jim Crampton — a popular win. (Don H. Scott, Hon. Sec.)

**EAST. GOLDFIELDS (Kalgoorlie, W.A.), 31/3/63.** — The opening shoot of the season attracted a full field of shooters to contest a 20-bird D.B. Points Score event. Two members, Doug. Martin and Murray McDonald, led the field with 59/60 points, and McDonald won the shoot-off to record a very popular win. Murray has been shooting very well, but could not quite make the first prize prior to this shoot. Now that he has broken through, we expect him to win many more events. Others shooting well were R. Ovens, N. Nelson and W. Montgomery, who all recorded 56/60.

The next event, a 10-bird S'take, was divided by Murray McDonald and Bill Montgomery, and McDonald again won a further 15-bird D.B. to give him the coveted 50-break badge.

The Kalgoorlie Club have a Damo Trap in transit, which will be the first to be installed in Western Australia. We will have same in operation in plenty of time for our Ch'ships on Aug. 3 and 4 next.

(W. Montgomery, P/O.)

**FOSTER (V.), 13/4/63.** — Weather conditions: very windy. Attendance: 20. Results: No. 1, 10-bird Pts.: R. Barlow, P. Goulden, R. Lamb Jnr., J. Cummins, 30/30, div. No. 2, 20-bird D.B. Cripps, 22/23.

Shooters from Cobden, Korumburra, Yarram and Leongatha. The conditions were not the best; the clays were tossed about by the wind. R. Lamb Jnr., H. Pearson and J. Cummins were the most successful. The first win Joe Cummins has had for many years, also H. Pearson; his luck has changed for the better.

Many thanks to the ladies for the afternoon tea, which was much enjoyed.

(C. G. Steele, Hon. Sec.)

**FRANKSTON & PENINSULA (V.), 20/4/63.** — Weather conditions: fine and mild. Attendance: 30. Results: No. 1, 5 birds: 8th div., N. Miller, W. Henwood, P. Peterson. No. 2, 20-bird D.B. A very good afternoon's shooting was enjoyed by all. Our congratulations to W. Henwood, who won the D.B. Ch'ship after a long tussle with L. Baker, 2nd, and A. Hamilton, 3rd.

The club will be holding the I.C.I. Teams Shield shoot on June 15, commencing at 1.30

p.m. sharp. All visitors will be very welcome. Many thanks to the ladies for their very welcome cuppa. (Mrs. Iris Miller, Sec.)

**GERALDTON (W.A.).** — Members of the Geraldton Gun Club participated in a D'ville Doubles event, fired from 20 yds. In this event two targets are thrown simultaneously, and must both be shot to register a "kill". Teams of two shooters were arranged by having a front marker and a back marker competing as a team. This arrangement worked out particularly well, as three teams had to shoot off to decide the placings. First went to Jack Keene and Keith Hewitt, with Eric Boschetti and Harry Finlay second. Other good scores were recorded by Joe Constantino - Phil Miragliotta, Sam Zorino - Bill Heath, Joe Bombara - Jim Boyes, R. Sweet - J. Meadows.

At the conclusion of this event Vice-President Bill Heath presented the trophies for the day, and also the sashes gained for the 1962 Club Ch'ship to Jim Boyes, and Intermed. champion, Jack Keene.

The ladies supplied afternoon tea, and the shooters then visited the tracks again, for a 10-bird D.B., from club handicap marks. Four shooters shared in the split of the sweepstake: Eric Boschetti, Keith Hewitt, Harry Finlay, 10/10, div.; Jim Boyes, 9/10.

21/4/63. — Although conditions were ideal, only one possible was recorded at the Gun Club grounds last Sunday, in the event 10 birds D.B. and 10 birds S.B., fired from handicap marks. Outright winner was Sam Zorino with a perfect 20/20, with Keith Hewitt taking second with 19. Others to score well were Doug. Cumming and John Glass, 18.

Prior to the presentation of trophies, Club President John Glass welcomed two visiting shooters in Lou Pember (Esperance) and Doug. Cumming (Perth). Prior to the second event, our ladies' committee provided afternoon tea, and the shooters then participated in a 10-bird D.B. Three shooters scored possibles. Veteran shooter Eric Boschetti took the major placing (and the packet of cartridges as trophy), with Doug. Cumming and Keith Hewitt equal second. Other scores were Lou Pember, Phil Miragliotta, Lou Lupp, Dick Burton, Sam Zorino, recording 9.

**Easter Monday.** — Three members tied with 19 birds each when the Geraldton Gun Club held a 20-bird D.B. H'cap Trophy shoot on Easter Monday. In the shoot-off Lupp secured 14/14 to take the trophy; Hewitt, 13/14, and R. Burton dropped out when he missed his fifth bird.

The scores of the other shooters were: N. Burton and Glass, 18/20; Sweet, 17/20; Miragliotta, A. Boschetti, Pember, 16/20; Finlay, 15/20; E. Boschetti, J. Bombara, 14/20; P. Grego, 8/20.

Miragliotta was the outright winner of the 10-bird S.B. when he scored a possible 10/10; 2nd, Pember, Lupp, Glass, 9/10.

(J. Boyes, Pub. Officer.)

We held Club D.B. Ch'ship (off 16 yds.) in very windy conditions, where we saw the Rainbow shooter Errol McMillan, win from Athol Miller, with Ron Preuss, 3rd, Errol shooting 55/55 to win.

Thanks to all the visiting shooters who came a long way to make this shoot a success. Thanks again to the ladies for their fine afternoon tea. (A. Aitken, Hon. Sec.)

Our appreciation to Don and Arnold Whittaker, who came from Dorrigo early on the morning of the shoot to make final adjustments to the trap for use in the afternoon.

(R. Varley, Hon. Sec.)

Crawford, N. Rentsch. No. 4, 5-bird S.B.: div. J. Arnold, D. Watson.

This shoot was the Hamilton Gun Club's contribution towards the Hamilton "Yulunga" Wool Festival Week.

A good attendance of shooters and spectators were in attendance and the club congratulates Ted Finchett on taking the sash and first prize in the main event. Ted is only a relatively new shooter, but is always a regular attender. (J. Ruffie, Hon. Sec.)

**HARCOURT (V.), 23/3/63.** — No. 1, 5-bird Pts.: H. McQueen, No. 2, 20-bird D.B.: After a very saving shoot-off A. Smith was the winner from visiting shooter M. Dobbie, third place going to L. Wood. Congratulations to a regular shooter, Albert Smith, and to the two visitors. No. 3, 10 birds: cut H. McQueen, E. Marriott.

Weather was good; some wind, but not enough to make conditions hard. Attendance: 18. (E. W. Marriott, Sec.)

**HAWKESBURY (N.S.W.), 30/3/63.** — Weather conditions: fine. Attendance: 28. Results: No. 1, 5-bird D.B.: 10 div. No. 2, 5-bird D.B. (16 yds.): 20 div. No. 3, County of Cland D.B. Ch'ship: 1st, N. Nick Rogley won the Ch'ship after a shoot-off with five others, Ernie Hawkins taking Nick to a 110 break to finish second, and Morrie Quirk third with a break of 74. Ted Lambert won the Fuller Trophy after a shoot-off with three others. Norm Newton shot well over the programme. Once again the Damo traps never missed a beat.

(Adrian Hayes, Hon. Sec.)

**HAY (N.S.W.).** — Hay Gun Club's Easter shooting carnival once more proved an outstanding success. It was particularly pleasing to the club to see most old friends and a fair number of new shooters to this, our major shoot each year. All States had representation and our longest traveller was one A. Coutts, President of the Northam Club in W.A., and who received a very warm welcome from the President and Committee.

We had the pleasure this year of seeing the Easter Gift, in which the "Holden Special Motor Car" was first prize, being shot out. Although those concerned had no need to shoot this off (the club takes the view as soon as the event is decided, the shooters that shoot the possible tell the club what they are going to do), evidently among the finalists some wanted the event shot off, and which they have a perfect right so to do. The success of the young shooter from the Noorat Club in Des Bourke was most popular and he received the congratulations from his co-finalists for his very fine effort (the first time) on the Hay Gun Club's grounds.

As is customary by the club, the usual Brochure will be again published in which full particulars and highlights of the shoot will be a feature combined with a host of

pictures of all successful shooters. Most have handed into the Secretary full home address, and those that have done this will, as usual, receive their copy in the mail. If anyone wishes a copy and they write to the Secretary, this will be forwarded. To the shooters who year after come along to our shoot and make it such an outstanding success, we thank you sincerely. We try and make your visit, apart from the shooting part of the carnival, interesting and entertaining, and you can rest assured the same bright Easter Carnival, with a motor car as first prize, will be on the bill of fare for Easter 1964.

This Easter included, among our equipment, our first "Damo" electric trap, and from all viewpoints the club will have installed long before next Easter all "Damo's"; they are a very fine job and a credit to Messrs. Dan Mott and Son. Full particulars of the events are appended:

No. 1, £100 H'cap: possibles, D. Hunt, A. Coutts, D. Tatam, W. A. Martin, W. Abbott, R. Peacock, A. F. Drake, D. Richardson, W. F. Williams, G. Kurpatrick, Max Gibson, R. Jennings, Newton Thomas, R. Graham, W. Podmore, A. W. Headon, J. Cooper, D. Anderson, R. Thomas, D. Mott, J. Hickford, J. Houston, P. Cox, B. S. Wenban. In a long shoot-off the result was: W. Williams, 85/85, 1st; J. Henwood,

84/85, 2nd; D. Anderson, 50/51, 3rd; F/M., P. Cox. The I.C.I. Trophy being also won after a shoot-off by P. Cox. No. 3, 15-target £1 Sweep off H'cap: 100 scored possibles: W. Hailes, T. Sandy, J. G. Anderson; 23/27 yds., V. Lawford. Geo. Biggs put up a remarkable performance in the "Gift" in being the only contestant who has ever shot off the 27-yard mark in the Easter Gift to shoot 29 straight, unfortunately dropping his last target to finish 29/30.

Another unique happening took place in the Gift. All yardage groups were represented from 12 to 27 yards, the first ever at Hay and possibly the first time in any event where a motor car is the first prize.

No. 2, Easter Monday, 15 targets (107 competitors, 22 possibles): tie shoot, D. Hunt, K. McDonald, D. Anderson, M. Holden, N. Doncon, F. Crawford, A. Sheather, div. High Gun over the Carnival: V. **HOBART (Tas.), 30/3/63.** — Weather: fine. Attendance: 30. Results (Night): No. 1, 5 birds: V. Mitchell, R. Bennett, D. White, S. Marshall, G. Davis, A. Adams, G. Norris, D. Fehlberg, G. Cleary, 5/5, div. No. 2, State Intermed. Night Ch'ship: J. Burke, 34/35, 1st; W. Potter, 33/35, 2nd; V. Mitchell, 23/25, 3rd. No. 3, Hobart Gun Club Night Ch'ship: P. Marshall, 80/80, 1st; S. Marshall, 78/80, 2nd; C. Davis, 64/65, 3rd; A. Adams, 54/55, 4th. No. 4, 15-bird £25 H'cap: O. Fehlberg, 30/30, 1st; D. White, 29/30, 2nd; R. Monks, 20/21, 3rd.

Nice shooting, Mr. Burke, to take the Intermediate C'ship: Bill and Vic. were trying, but you proved too solid, as did Paul Marshall in the Club Ch'ship, breaking 80/30 from Sperry, 78/80; Col., 64/65, and myself, 54/55. I enjoyed it while it lasted, but after all it is quite an education to get in a good shoot-off. Congratulations also to O. Fehlberg for his good win from Doug. White in the £25/0/0 H'cap.

27/4/63. — Weather conditions: dull but fine. Attendance: 27. Results: No. 1, 10 birds: G. Blaber, D. Gray, A. Adams, 10/10, div. No. 2, D. Rise: D. White, 4/5, 1st; R. Wighton, R. Kringle, D. Gray, R. Bennett, J. Blake, 3/5, div. 2nd and 3rd. No. 3, Tas. Mixed Birds Ch'ship: R. Wighton, 20/20, 1st; S. Marshall, 32/36, 2nd; W. R. Morgan, 35/44, 3rd. No. 4, 8 pair D'ville Doubles: S. Marshall - W. Potter, 17/17 prs., 1st; R. Wighton - D. White, 16/17 prs., 2nd. No. 5, 15-bird £20 H'cap: R. J. Kringle, 18/18, 1st; D. Taylor, 17/18, 2nd; J. Blake, 16/17, 3rd.

Nice shooting, Ray Wighton, you being the only shooter to return a full score in the Tas. Mixed Birds Ch'ship after a run of seconds. You now look as if you are in for a run of championships after one at Bothwell and this one at Hobart. How is the electric blanket? S. Marshall and W. Potter shot well to win D'ville Doubles; going back a yard after each kill, they finished on 27 yards. Nice to see Ray get a good win in the £15 H'cap; feel sure this will do him the world of good, as I had a feeling he was getting discouraged.

(A. H. Adams, Hon. Sec.)

**HOPETOUN (V.), 20/4/63.** — Weather conditions: fine and cool. Attendance: 30. Results: No. 1, 5 birds: div. W. Hallam, R. Bolton, N. Hinneberg, R. Butler, J. Clark, B. Vogel, C. Nuske, K. Wishart, E. McMillan, R. Phillips, R. Ferrier, B. Mitchell, M. Connelly, J. Sowtell. No. 2, Hopetoun Dist. Ch'ship: 1st, N. Hinneberg, 44/45; E. McMillan, 43/45; R. Ferrier, 34/35. No. 3, £25 H'cap: div. W. Hallam, L. Puckle, N. Hinneberg, C. Nuske, B. Mitchell, E. A. Poulton.

**Night.** — No. 4, 5 birds: 17 div., 5/5. No. 5, I.C.I. Trophy: 1st, C. Mitchell, 19/19; 2nd, G. Dent, 18/19; 3rd, J. Clarke, 17/18. No. 6, 5 birds: div. L. Puckle, L. Eyr, G. Marshall, G. Strauss, T. Casey, R. Stanton, R. Sinclair, L. C. Poulton.

Very pleasing to see such a crowd at our opening shoot at our new grounds after our club being in recess for some time. A good roll-up of club members, with visitors from Horsham, Mildura, Nyah, Birchip and Rainbow. Excellent shooting was seen both day and night, with Norm Hinneberg taking home the Ch'ship and our old friend Clem Mitchell the I.C.I. trophy at night — nice shooting, chaps.

Once again thanks to the ladies, who really put on a terrific spread both day and night with a very popular barbecue tea.

(T. Casey, Hon. Sec.)

A good muster of shooters for our last night shoot till after the winter. From now on we will be shooting on Saturday afternoons. I wish to congratulate Cliff Sinclair and Ian Stewart on their good shooting, both becoming eligible for their 50-break badges.

We have a number of young shooters showing a lot of ability and it won't be long before they will be away from the front marks. Thanks, ladies, for a good job with the supper. (Norm Stewart, Hon. Sec.)

IPSWICH (Qld.), 21/4/63.—Weather conditions: perfect. Attendance: 16. Results: No. 1, 5-bird D.B.: 9 shooters 5/5, div. No. 2, 15-bird D.B. Pts.: P. Scaroni, R. MacLean, 45/45; K. Smith, 44/45. No. 3, 10-bird S.B.: K. Ward, P. Casey, G. Grieve, L. Smith, 9/10. No. 4, 20 Mixed Birds: J. Herman, 18/20; W. Stevens, 15/20.

Attendance was lower than usual, but I am sure that all shooters present had an enjoyable afternoon. The club has now erected skeet towers and hopes to have the traps for same installed by the beginning of June. (G. Smith, Hon. Sec.)

KATANNING (W.A.), 21/4/63.—The opening of the 1963 clay target shooting was held on Sunday, April 21. Twenty-five shooters competed in the two events, including some new faces in "Barney" Walsh, "Scottie" Gibson and Ed. Kerr.

The first event was a 20-bird D.B., and was well won by new treasurer, Brian Brady, with 22.8/20. Phil Crossley edged into second place with 22/20, and was closely followed by Peter Harvey, 21.8/20. Tim Catling and Michael Crossley both shot the possible, and the shoot-off for high gun looked as if it could go on forever, because the trap was in a fixed position due to a break in the mixing mechanism. However, the captain "got tough" with them and finally made them shoot gun down from 27 yards. Catling eventually won with 36/36.

The D'ville Doubles teams were made up of long and short markers and provided the usual entertainment forthcoming in such social events. Lorrain Anderson and Peter Harvey eventually won the Con Kowald trophy with a score of 20/20 after a shoot-off with Dick Old and Tim Catling, and Terry Young and Con Kowald, who each dropped a target.

The day ended on a very pleasant note with a little light refreshment, and with such a "solid" opening, the season's shooting could well be another successful one.

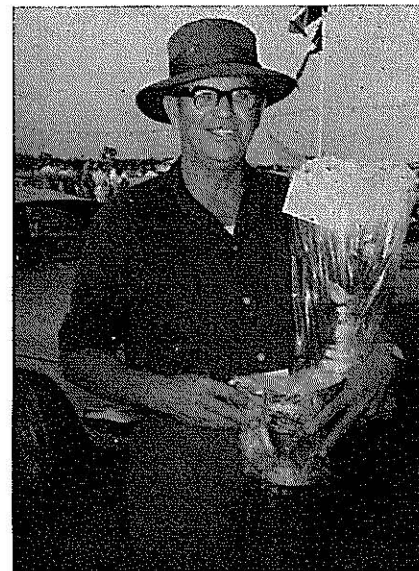

(D. G. Anderson, Hon. Sec.)

Bitterly cold wind spoiled a good shoot. Proceeds of shoot to Murrumbidgee Football Club. Twenty-one novice lads tried themselves out at clays, but most found them more difficult to handle than a football.

Our club now goes into recess for the winter. The 1963/64 season opens at the end of September.

(R. Alister Walker, Hon. Sec.)

**KOJONUP (W.A.), 7/4/63.**—Weather conditions: fine, windy. Results: No. 1, 13 Skeet: A. R. Anderson, 15.0, 1st; K. Anderson, 14.5, 2nd; R. R. Cusack, 13.25, 3rd. No. 2, 10-bird D.B.: 10-bird S.B.: R. R. Cusack, 23.2, 1st; Miss L. Anderson, 22.4, 2nd; A. R. Cusack, 18.6, 3rd.

Our opening shoot for 1963 was held on Sunday, April 7. A comparatively small field of shooters contested for the programme, consisting of 13 Skeet, 10 D.B. and 10 S.B. Weather conditions made shooting rather tricky, but the shooting was of a high standard. Shooters were favourably impressed with the recently installed new central skeet release.

Before the presentation of trophies a short opening address was given by our new President, A. R. (Tony) Cusack, to whom the Kojonup Gun Club extends hearty congratulations on his recent winning of the Brisbane trip.

High Gun was decided after a shoot-off between A. R. Cusack and A. R. Anderson, both 29/33, with honours going to A. R. Anderson.

(Miss Lorraine Anderson, Pub. Officer.)

Rise (16 yds.): C. J. Lee, R. Shepherd, 4/5.

Spectators at our shoot included the Superintendent of Police (Mr. Hind), Archdeacon Robinson and Elton Stone—all of whom showed great interest and aptitude.

Some very good scoring was done by both Andy Chapman and Jack Callinan. Andy was breaking his targets remarkably well, while Jack dropped only one bird in the first 40. A teams event was put on as a novelty, and Jim Bruggy's team won with 68/75.

The ladies are again to be sincerely thanked for their excellently presented afternoon tea. (D. S. Worrall, Hon. Sec.)

Over 100 shooters and spectators enjoyed a very nice buffet lunch and afternoon tea supplied by the ladies of the Gun Club. It was very pleasing to see our old friend "Purdy Joe" McMasters return to the field and take out the Riverina D.B. Ch'ship.

Another old identity of the Mangoplah Gun Club came along on Sunday, none other than Ted Mathews from Bowna. A very good day's shooting was had by all; seven events took place. N. J. Thompson (Cootamundra) shot 80 straight and shared the prizes in every event. (A. P. Millwood, Hon. Sec.)

No. 4, 5-bird D.B.: div. G. Ellis, D. Patrick, B. Walton, F. Brooks, D. Smith, R. Smith, R. Hartley, D. Geo.

Both the attendance and shooting standard were much improved for this club shoot, which was the most interesting afternoon we've had for a long time. The first event for the gent's wrist watch was really battled out, D. Smith winning with 35/35 from F. Brooks in a 15-bird event. This has to be held at three consecutive club shoots, so it will be interesting to see what happens next time.

The high-gun trophy for the afternoon was won by B. Walton with 51/52 in a shoot-off with F. Brooks, 50/52, and D. Smith, 46/47. The Intermediate High Gun was won by a new club member, J. McMaster, 32/33, in a shoot-off with J. Nott, 31/33.

(Mrs. M. Smith, Asst. Sec.)

**MENINDEE (N.S.W.), 31/3/63.**—Weather conditions: windy. Results: No. 1, 5-bird D.B.: B. Murphy, W. McKean, B. Anderson, J. Vigar, B. Mappison, div., 5/5. No. 2, 10-bird D.B.: B. Anderson, J. Sparrows (21 yds.): B. Murphy, G. Gleeson, div., 9/10.

Fairly strong winds prevailed through the day. The shoot had been put off for a week owing to rain, which resulted in a poor attendance, but it was still an enjoyable day. (B. C. Ham, Hon. Sec.)

**MERSEY (Tas.), 20/4/63.**—Weather conditions: fine, light breeze. Attendance: 21. Results: No. 1, 5-bird S.B. (from 16 yds.): div. K. Pulford, D. Brett, G. Roberts, G. Pinner, D. Downie, G. Waterhouse, R. Ward, V. Mitchell, R. Philpott, C. Gregory, 5/5. No. 2, 15-bird S.B. Club Ch'ship (16 yds.): 1st, R. Abblitt, 24/25; 2nd, V. Mitchell, 22/25; 3rd, D. Brett, 24/25; F/M., B. Watson, 22/25. No. 3, Teams Shield Shoot: Burnie, 49/50, from Mersey, 48/50. No. 4, 10-bird D.B. (shooters not in teams): div. K. Pulford, R. Philpott, G. Pinner, R. Ward, 10/10. No. 5, 5 sparrows D.B. H'cap: div. D. Brett, G. Roberts, B. Turnbull, M. Elliott, S. Bott, G. Waterhouse, G. Pinner, 5/5. No. 6, Off the Fence: div. K. Pulford, R. Philpott, D. Brett, 10/10.

A good attendance of shooters from as far afield as Redna, Oatlands and Bothwell. In the Club S.B. Ch'ship R. Abblitt and V. Mitchell were the only two shooters to score the possible. Both shooters dropped a bird in the first round of the shoot-off. In the second round Mitchell dropped two, while Abblitt shot the five to take the title. Six shooters, D. Brett, B. Turnbull, G. Pinner, G. Waterhouse, B. Watson and S. Bott, with 14/15, shot off for 3rd, the placing eventually going to Brett after two rounds.

The teams match between Mersey and Burnie Clubs created quite a lot of interest, especially as Burnie were a man short and borrowed Geoff Roberts, who, after shooting his 10 straight, had to stand up to all the kidding on his return to the clubhouse. A good day's shooting, and we hope to switch positions with Burnie next time.

(D. A. Brett, Hon. Sec.)

**MILDURA (V.), 13/4/63.**—Weather conditions: difficult cross winds. Attendance: 30. Results: No. 1, 10-bird D.B.: P. Richardson, D. Martin, 10/10, div. No. 2, 20-bird D.B.: D. Martin, B. Anderson, 19/20, div. 1st and 2nd; P. Richardson, G. Wilkinson, F. Barnes, 18/20, div. 3rd. No. 3, 10-bird D.B. (off 16 yds.): M. Doyle, G. Wilkinson, D. Martin, G. Hoskings, L. Bruce, W. K. Wakefield, 10/10, div. No. 4, 20-bird D.B. Ch'ship (off 16 yds.): J. Doyle, 45/45, 1st; W. McKean, 44/45, 2nd; B. Murphy, 39/40, 3rd.

Night.—No. 1, 5-bird S.B. (off 16 yds.): M. Doyle, L. Dunn, D. Martin, 5/5, div. No. 2, 20-bird S.B. Ch'ship (off 16 yds.): R. A. Richardson, 19/20, 1st; R. Wakefield, 18/20, 2nd; G. Wakefield, 22/25, 3rd. No. 3, 5-bird Novelty Shoot: W. McKean, R. Wakefield, 5/5, div.

On Easter Saturday the Mildura Clay Target Gun Club conducted Club D.B. and S.B. Ch'ships, and received a pleasing attendance of 30 shooters, made up from shooters from Broken Hill, Robinvale and Mildura district. John Coyle and Digger Richardson both shot well to take out the D.B. and S.B. Ch'ships respectively. Don Martin also shot well in minor events under difficult conditions.

The ladies' committee provided an excellent afternoon tea and enjoyable supper at night. (K. J. Peake, Hon. Sec.)

A most enjoyable evening's shooting was had by the shooters present. The most pleasing aspect of the evening was the very good form displayed by Ken Marks, who must have felt quite pleased with himself. Keep up the good work, Ken, otherwise the club might have to call in the stewards. Newly elected President, Ken Wait, performed very creditably also. Keep on shooting like this, Ken, and you will soon be back on that handicap. (G. R. Clark, Hon. Sec.)

**NARRANDERA (N.S.W.).** — Narrandera Gun Club held its annual shoot on March 23, in which the Hudson Challenge Shoot was contested, plus the Central Riverina D.B. Gillespie, J. Thompson.

The C.W.A. ladies catered for the meals, and after an enjoyable day's shooting, Mr. K. Powell, President, presented the trophies. The donors of the Shield, Mr. and Mrs. Fred Hudson, of Sydney, were in New Zealand attending the International shoot, and were unable to attend and present the Shield.

**NARROGIN (W.A.), 3/3/63.** — Weather: fine and warm. Attendance: 12. Our first shoot for 1963 took place on the above date. Shooters were anxious to get into action owing to the lack of duck shooting available this year.

One round of Skeet was shot, and the winner was Clive Shepherd, with D. Berson and D. Campbell second and third.

The official opening of the season took place on March 24, with 12 members present. Our new President, Clem Whittaker, welcomed all shooters and wished all a successful year's shooting.

The weather was fine and warm, with a fairly strong south-easterly wind which made

the clays difficult to hit at times. The event for the day was 30-bird D.B., and the trophy was donated by D. Campbell. Three shooters, J. Leyden, N. Brown, and R. Durrell, scored 30/30, including handicap, and in the shoot-off J. Leyden shot 5 straight to win.

7/4/63.—Weather conditions: fine and mild. Attendance: 12. 10-bird Walk-up and 10 pr. D.R. Trophy donated by R. Ruwoldt. The winner of the day was D. Campbell, with C. Whittaker and N. Brown 2nd and 3rd. (R. Schmidt, Club Corresp.)

**NEWCASTLE (N.S.W.), 6/4/63 (Day).** — Weather conditions: ideal. Attendance: 28. 5-bird D.B.: D. Mackay, J. Fryer, D. Guy, B. Johnson, M. Barlow, A. Ward, F. Clarke, D. Hades, R. Hall, J. Hall, I. Clarke, 5/5. Newcastle Dist. S.B. Ch'ship: 1st, B. Johnson, 20/20; 2nd, J. Hall, 19/20; 3rd, Bill Collis, 28/30. 10-bird Pt. Score: B. Johnson, F. Baldwin, T. Asquith. 5-bird Walk-up: M. Dick, W. Collis, J. Fryer, B. Johnson, F. Baldwin, 5/5. 10-bird D.B.: D. Mackay, B. Johnson, S. Mordue, D. Hades, 10/10.

An ideal afternoon for shooting over the traps, with the blue Pacific Ocean for a background, which contrasted greatly to the dark of the night shoots, which have just finished until October.

Shooters saw Bruce Johnson at his very best to win the S.B. Ch'ship, breaking every bird released to him during the afternoon. Good to see Doug. Hades still trying to get a cut in one of the box sweeps; never mind, Doug., keep trying.

20/4/63 (Day).—Weather conditions: ideal. Attendance: 34. 10-bird D.B.: D. Mackay, J. Fryer, R. Morton, T. Asquith, A. Ward, J. Wilton, H. Bowden, W. Hodgson, B. Smith, F. Baldwin, A. Tremain, B. Kedwell, L. Ray (Sydney), K. Hall, J. Hall, 10/10. Newcastle G.C. Ch'ship: 1st, D. Mackay, 135/135; 2nd, J. Gillespie, 134/135; 3rd, F. Baldwin, 49/50; F/M., K. Hall, 44/45. 10-bird Pt. Score: A. Ward, F. Baldwin, 30/30; J. Squires, R. Hall, D. Hades, B. Kedwell, 29/30.

An ideal afternoon for trapshooting, as the high scores show, with no less than eleven in the shoot-off for the Club Ch'ship. The eventual winner being veteran shooter David Mackay, in such superb form to run up a break of 135 straight, which is now a club record. Congrats. to Jim Gillespie, the runner-up. (Maurie Dick, P/O.)

**NOORAT (V.), 30/3/63.** — Weather conditions: wet and windy. Attendance: 15. Results: No. 1, 5-bird S.B.: B. King, G. Burnett, div. No. 2, Noorat Club S.B. Ch'ship: 1st, M. Holloway (W'bool), 21/25; 2nd, D. Bourke (Noorat), 20/25; 3rd, S. Walker (Colac), 16/20. No. 3, H'cap (20 birds): 1st, A. Blain (Noorat), 20/20; 2nd, M. Holloway, 25/27; 3rd, D. Bourke, 24/27.

Bad conditions probably to blame for poor attendance, but those present could not complain of a slow-moving programme. Birds flew regulation for about 15 feet, then a strong head wind lifted them sometimes in excess of 35 feet, and occasionally a lost bird almost finished up back in trap house.

Congratulations must go to Austin Blain with the only possible of the day. Wonder if high birds suit him. Everyone seemed to enjoy themselves despite conditions, and we

**NYAH (V.), 30/3/63.**—Weather conditions: very windy and dusty. Attendance: 22. Results: No. 1, 5-bird D.B.: div. comp. D. Gull, D. Groat, F. James, T. Pearce, C. Maddy, R. Hammond, C. Stone, R. Shooters appeared to enjoy the novelty events. The "Strange Gun" event caused amusement, sore shoulders, and, surprisingly, many good scores. Novice shooters from newly formed Swan Hill Club helped swell the numbers, smaller because of shocking weather. The performance of these shooters points to a good future for their club.

**PARKES (N.S.W.), 6/4/63.**—Weather conditions: ideal. Attendance: 18. Results: No. 1, 5-bird Tower: 1st, E. Weaver, G. Wilson. No. 2, 20-bird Lachlan Valley Tower Ch'ship: M. Tilley, 1st; R. Ellison, 2nd; T. Jones, 3rd. No. 3, 10-bird D.B. H'cap: T. Jones, J. Scott, J. Acrold, E. Weaver, L. Morris, B. Wenban, R. Wilson, H. Frogley, R. Ellison, G. Mortimer, div. No. 4, 10-bird D.B. The eighteen shooters present enjoyed a good afternoon of interesting shooting. A variety of events were closely contested and prizes well distributed among the shooters. Robert Ellison was the most successful shooter of the meeting, winning the Parkes District D'ville Doubles Ch'ship and filling second place in the Lachlan Valley Tower Ch'ship.

(J. E. Wilson, Hon. Sec.)

**PERTH (W.A.).**—The official opening of the 1963 season was held on Sunday, March 10, when 50 shooters from eight clubs took part. There was also a very pleasing attendance of spectators, and solid support from our ladies who worked hard in providing morning and afternoon teas.

20-bird D.B. H'cap (c/d each 10 birds): Possibles were recorded by F. Durbridge, R. Holtfreter, T. Wells, Dick Burton, D. Secker and S. Colliver. Twenty other shooters also participated in the divisions. I.C.I. Transcontinental H'cap (40-bird D.B.): This major event was won in great style by T. Cusack (Kojonup), 65/65, after a close tussle with J. Boyes (Geraldton), 64/65; 39/40 was shot by P. Humphrey, F. Durbridge, C. Ellies, D. Secker, N. Wells, R. Burton and R. Witcombe.

During the afternoon-tea interval President Spencer Colliver welcomed members and visitors to the opening shoot. He reported that the Management Committee was embarking on a plan of continued improvement of

the club property and facilities. Electric power would be connected to the grounds in the near future and it was proposed to purchase two Damo Auto Electric Traps (these should be in use during May this year). Costs to shooters on club days would be cut as far as possible. Patron Mr. Rupert Monger supported the President and congratulated all concerned in the steady improvement being carried out, making Perth Gun Club grounds and facilities one of the best in Australia. Mr. Monger declared the season open by "killing" a clay target.

Mr. Keith Barker, on behalf of I.C.I., presented Tony Cusack with the first prize in the major event, and expressed confidence in Tony's ability to perform creditably at Southport at the National Championships.

Presentation of the Brinkworth Shield, for the most improved shooter for 1962, was made to Chas. Ellies.

A very successful day concluded with refreshments provided by the club.

**Sunday, 24/3/63.**—Club Shoot. 25-bird Skeet. A smallish attendance of 18 shooters took part. Only three managed to reach 25 with handicap — K. Barker (20/5/25), F. Durbridge (21/5/25), J. Webster (28/2/25). However, a number of others were not far below top form, and we should have some worthy representatives at Geraldton in August for the Commonwealth Skeet Championship, and the State Skeet Championship at Perth in September.

**Saturday, 30/3/63.**—A satisfactory attendance took part in pleasant conditions. 10-bird D.B.: K. Barker, D. Cumming, S. G. Colliver, R. Witcombe, C. Ellies, A. J. Ander-

son, A. Nichols, A. Ellies, 10/10, div. 10 pr. D'ville Doubles (from 22 yds.): Alf and Keith Hunter scored a meritorious win, 10/10, from John Webster and Spencer Colliver, 9/10. 10-bird Walk-up Sparrows: A. J. Anderson, F. Bailey, J. Webster, K. Hunter, 8/10, div. It was pretty good shooting on the part of these members, as no adjustments had been made to the traps, which were set for ordinary targets.

We wish Ferg. Mainwaring a speedy recovery from a disabled shoulder which precludes him from shooting and restricts his fishing activities. The Secretary made a prize "boo-boo" in oiling the clubhouse floor with a cheap, low-grade mop; the general effect was not unlike a wool shed at shearing time. However, things are back to normal now.

Ron Siede, on his first visit, won the Pucka. Dist. D. Rise Ch'ship from J. Henwood with the good score of 19/20 pairs,

third placing going to popular Camberwell Secretary, Roy Johns. Tom Jones (Seymour) scored a convincing win in taking out the F/M. trophy. Six shooters divided the 20-bird H'cap. Jim and Rex Piastri again won the "Tribe" Shield.

It was pleasing to see so many new faces. This could augur well for the future. Visitors from Shepparton, Tatura, Huntly, Lancefield, Colbinabbin, Seymour, Nagambie, and many metro. clubs made the day most successful.

**WANDOAN (Qld.), 29/4/63.**—Results: No. 1, 5 birds: J. O'Donnell, 5/5; 7 shooters in 2nd place, 4/5. No. 2, 15-bird D.B. Kills: J. O'Donnell, 15/15, 1st; J. Sands, 14/15, 2nd; R. Attendance: 18. It was a perfect day, but became frosty late in the evening and calmed down again later. Everybody enjoyed themselves. Quite a few members shot well. The ladies, as usual, served afternoon tea, which was enjoyed by everybody. Many thanks to the ladies; a few cool drinks were enjoyed late in the evening. Trusting you all got home safe, and thank you, Mrs. Holden, for the trophies. (J. J. O'Donnell, Hon. Sec.)

R. Millard won the Vic. Sparrow Ch'ship from W. R. Johns after a very interesting shoot-off. Both men shot very well, considering the wind which made the birds a tricky target.

Thanks to the ladies for a job well done. The dinner and afternoon tea were enjoyed by all. (R. C. Kenneally, Hon. Sec.)

**WERRIBEE (V.), 11/3/63.**—Weather conditions: fine, dull, fresh breeze. Attendance: 50. Results: No. 1, 10-bird Pts. (from 18 yds.): 1st and 2nd, div. F. Burns, D. Edgerton, 30/30; 3rd, div. H. Waight, S. Rentsch, 29/30. No. 2, Vic. D.B. Ch'ship (30 birds, 18 yds.): 1st, F. Burns, 40/40; 2nd, J. Ford, 64/65; 3rd, T. Vanderberg, 63/65; F/M., A. Finlayson, 24/30. No. 3, W'bee Centenary Cup (20-bird D.B. H'cap): 1st, A. Finlayson, 36/36; 2nd, T. Powell, 35/36; 3rd, B. Douglas, 32/33; 12/15 yds., B. Howe, 17/20; 16/18 yds., div. W. Perry, R. Sadler, 19/20; 19 yds. and over, A. Coutts, 13/20. No. 4, 10-bird Pts. H'cap: 1st and 2nd, div. B. Douglas, R. Siede, 30/30; 3rd, D. Preston, 29/30.

The early threat of heavy rain did not eventuate and with reasonable, if dull weather for our District Centenary Shoot. The

attendance, however, was a little disappointing for a programme which included the premier Victorian State title as well as a £100 Cash Handicap event.

At the conclusion of the eye-opener the programme was declared officially open by the Shire President, after which the first bird was shot by Mr. Alf Ison, who is the oldest surviving locally born resident and one of the finest shots the district has produced, being one of the champions of the original Werribee Gun Club of the First World War era. Proceedings then got under way with the Victorian D.B. Ch'ship, which produced three possibles, recorded by Fred Burns, Jack Ford and T. Vanderberg. The shoot-off went to Fred Burns with the only clean score after a further ten birds, but the minor placings were not decided till the 65th round, when Jack Ford took the honours with 64/65.

The £100 Centenary Handicap again provided three possibles in A. Finlayson, B. Douglas and, happily, a local representative in our former Secretary, Tom Powell. The cash was divided, but a shoot-off was necessary to decide the ownership of the Sash and Werribee Centenary Cup, which was a magnificent rose bowl generously donated by I.C.I.A.N.Z. Ltd. These were ultimately won by A. Finlayson, with 36/36, from our local hope, with 35/36. Naturally we would have liked Tom to have carried off this unique event, with its special significance to a district resident, but it was not to be and the winner is to be congratulated on an excellent performance.

At the conclusion of the Centenary Cup the trophies were presented by the Chairman of the Werribee Centenary Celebration Committee, Cr. H. L. B. Powell, who in return was presented by the club with an illuminated address, giving due recognition of his generosity in making land freely available to the club as a shooting ground.

We would like to thank the members who worked so tirelessly to make the day a success, and especially our referees, Laurie Kennedy and Jack Drake, who gave sterling service. As is usual at these times, the ladies were very much to the fore in serving an excellent afternoon tea, and also for issuing leave passes for working bees, etc.
