1964 AFFILIATED CLUBS. In this issue is published a complete list of affiliated A.C.T.A. clubs, together with the names and addresses of their respective secretaries. The list is as complete as possible. It has been found that some clubs change their officials without notifying the Association, as a result of which incorrect details of club can be occasionally published. All clubs are reminded that names of main officials should be made available to the Association immediately any change is made.

WIDELY DIFFERENT ANGLE. Some comment has been received regarding targets which are thrown somewhat irregularly and are given as "lost" by referees. In this connection those interested are referred to Rule 49, Widely Different Angle, which reads, "When a target is thrown either way outside the prescribed limit of the angles, height and distance in single target shooting, it shall be deemed to be thrown at a widely different angle and 'No target' shall be declared."

A report has been received that a club referee has been giving "lost target" when actually the targets have not even been reaching the regulation distance and also keeping low before veering off to the right. Obviously the trap is at fault in this case and should be immediately adjusted. The referee should have given the "no target" decision.

SHOOTING AT TARGETS ONLY. Recently at a club a new shooter was observed firing at several birds which

happened to be in flight near the clay target releasing trap. It was found, also, that the birds the shooter concerned fired at were protected native Australian fauna. The shooter, quite disregarding the extreme danger such an act involved, actually fired across the shooting tracks. Such action should not be countenanced on any ground and any person caught acting in such an obviously dangerous manner should be disciplined and, if considered appropriate, disqualified either for the day or a specified period. There is a By-Law of the A.C.T.A. which instructs affiliated clubs to immediately disqualify any shooter who shoots at anything on the shooting ground other than actual targets or the testing plate. Clubs would do well to instruct their shooters accordingly and insist, at all times, on absolute safety rules as the initial requisite of the club.

SHOOTING-UP. A club in a northern area has written the Association requesting enlightenment on Rule 84, which refers to "shooting up". Rule 84 is quite implicit on this point and reads, "Shooting up after the first round of a competition is not permitted in any circumstances, except in the instance of shooters taking part in the annual International Match". The Rule is really self-explanatory and means just what is written into it. In other words, it means that no shooter can come along after the first round of a competition has been completed and then be permitted to "shoot-up" in order to catch up with the progress of the rest of

the field in that competition. There have been instances of shooters arriving late—in some cases on purpose—to obtain the advantage of better light or wind conditions, and being allowed to shoot-up, then running out winner of the event. The Rule prohibits these shooters from "getting round" the regulations and in many cases gaining great advantage by such action.

INTERFERENCE WITH REFEREES. A shooter from a northern area has written the Association along the following lines, "I was refereeing when a competitor fired at a target with both barrels. The target was well dusted on the first and missed with the second. I quickly realised that in accordance with Rule 25, a dusted target is not a broken target and therefore gave lost target as my decision. A couple of spectators at the rear of the track called out, 'No, no, it was killed on the first.' Thinking these spectators may have seen something I had missed, I changed my mind and gave the shooter the benefit of a possible doubt. My de-

cision in the first place was honest—according to an optician, my eyesight is very good. After further discussion I decided to write and complain about 'by-standers' calling to the referee." In this case the referee should have stuck to his guns and again declared "lost target". It is pointed out that the referee has the final decision in such matters, and providing he is reliable and well known to the club management for his honest decisions, he should not be subjected to a tirade from spectators at the rear of the shooting track, who, in many cases, are as far back as a further 30 yards behind the referee. Once the referee has given his decision, it must stand and only he can alter it. Instances have been known of shooters missing out in a big tie shoot, coming back off the track well satisfied they were out of the competition, and then being advised by some individuals at the rear to protest. Spectators are, by and large, not in a true position to judge a referee's decision, and no referee should ever allow himself to be influenced by self-appointed check referees at the rear.

It is possible that the next A.C.T.A. National Championships and International shoot will have the distinguished patronage of the Maharaja of Bikaner from New Delhi, India. The Maharaja has written a personal letter to the A.C.T.A. advising that he will probably be competing as an

Indian representative in the Tokyo Olympic Games. On his return to India he will institute plans for a visit to Australia. A personal invitation has been tendered to the distinguished Indian sportsman to take part in the National titles, and there is every indication that he will accept. The Maharaja in his letter points out that he is already a regular subscriber to "News" and this avenue of information has aroused in him great interest in the sport in Australia. He would be a very welcome visitor to Australia and to the sport of clay target shooting in this country.

G. R. Richards, Secretary of the Northam Gun Club in Western Australia, advises that the club has working-bee parties every week-end preparing and laying out new grounds on a 50-acre property known as Island Farm. This property is situated on the banks of the Avon River on the outskirts of Northam, and was recently purchased by the club. The club officials hope to have all in readiness for the holding of the Commonwealth S.B., and similar D.B. at sparrows, and State walk-up titles on the grounds over the week-end October 17 and 18. The club's previous grounds were situated at Grass Valley on land made available by a local farmer.

Other events will be held, time permitting. The scene of activities will move to the Dulverton Club at Oatlands at 10.30 a.m. on Sunday morning, November 1. Sulman (Dulverton Secretary), whose address is Oatlands, Tas., and the Hobart acting Secretary, Sperry Marshall, at 20 Douglas Street, New Town, Tas.

A club is likely again at Wilcannia in New South Wales. The last time a club affiliated at Wilcannia was in 1957. Bill Twyerould, a former President of the Frankston & Peninsula

Gun Club on Mornington Peninsula, on the eastern side of Melbourne, is now a permanent resident of Wilcannia and he is the man behind the reforming of the old organisation at that centre. Twyerould is also a one-time official of the old Victorian Clay Target Club which operated at Bentleigh, back in the 1930's. Twyerould is a real enthusiast for the sport and a Wilcannia organisation under his guidance should do very well.

Swan Hill Gun Club in northern Victoria will conduct its Anniversary shoot on October 24 (Saturday). Shooting will start at 11 a.m., when two Damo electric traps will be in operation. Main day events are the Swan Hill and District Double-barrel Championship, followed by the Anniversary Handicap at 20 targets. The winner of the latter event will receive £60. Cowra Gun Club in western New South Wales is one of the few clubs with an official motto. The motto reads, "PROBE et UNITER", which, when translated into common English, means, "In a manner correct towards others and all together as one" — altogether a most fitting application in words for a gun club.

Boort Clay Target Club in the Victorian Mallee will shoot on Saturday, October 17, from 1.30 p.m. Proceedings will open with the Loddon Valley Mixed Birds Championship, and this will be followed by the Boort Club's single-barrel championship. Goulburn Valley Deauville Doubles Championship, followed by the Shepparton Grand Prix, winner of which will receive an 8½ c.f. Deep Freeze; a Browning Automatic is offered for second and a transistor for third. Also the Bruce Summers Shield will be shot in conjunction with the Grand Prix. The Shepparton District Single-barrel Championship will conclude the programme, which is as advertised. Meals, refreshments and cartridges on ground. Enquiries to club Secretary, V. Lawford, 290 High Street, Shepparton ('phone 9017 Shepparton). President is R. Mitchell, 292 High Street, Shepparton.

Over the years frequent reports come to hand of the marvellous shooting exploits of sportsmen of the past. From an English report comes the following, which makes for wonderment as to where all the game came from. First in the report is the mention of the prowess of the late King George V, who was regarded as one of the finest game shots of his time. It is understood that the late King George V had little opportunity for big game shooting, yet when he visited Nepal in 1911 he shot from the back of an elephant at moving tigers and other game in the unfamiliar surroundings of long grass, his skill impressed by the fact that he killed almost all his beasts with the master shot, of a bullet in the neck at the base of the skull. Surely the effort of a master gunman! In India the Marquess of Ripon is reported to have killed, between 1880 and 1882 on his two visits to India, 11 tiger, 2 rhinoceros, 19 sambur, 177 other deer, and 97 pig, effective evidence of his mastery with the rifle. A Captain Horatio Ross, who was born in 1801 and lived until 1886, shot 118 deer in 1851, and during that year he once stopped 13 deer from 14 shots. He is reported to have killed 2 stags on his 80th birthday with a right and left, the latter being 200 yards away. He is said to have killed 83 grouse from 83 shots, shooting over dogs, and in June 1828 he shot 79 pigeons from 80 shots, shooting from 30 yards!

A shooter, a one-time resident of Victoria, but now residing well outside that State, has written to the Association requesting a change of handicap. The contents of his letter are basically that he noticed in a recent issue of "News" where a N.S.W. shooter had requested to be placed on 18 yards. He continues, "I am another of those unusual types and would like to go back to 20 yards, and quite happy to stay there and forfeit any yardage trophies. Reason? Having done very little clay shooting over the last good many years, have been moved into a mark I do not enjoy shooting from. Gun, eyesight and field experience make 20 yards an enjoyable mark for me, and as I cannot attend the many, many shoots necessary to work my way back, could you kindly consider sending a 20-yard card? This would make

The double-barrel title will be decided on November 28 and the single-barrel on the following day. Good supporting events are listed, including a Deauville Doubles contest to round off the programme. Snipe shooting in Scotland is best on the Islands adjacent to the coast. For its size Tiree in the Inner Hebrides is regarded as the most productive. There, in November 1945, Major L. A. Clowes and the Hon. J. B. Coventry killed 1,427 snipe in ten days, the best day yielding 207. On the same island, Lord Elphinstone and Mr. J. D. Cobbold, shooting on seven full days and two half-days between October 25 to November 3, 1906, killed 1,108 snipe, the best day being on October 29, when 249 were killed. The same two guns shooting on eleven days in 1908 shot 1,292 snipe, the best day yielding 217, and shooting there alone on January 30, 1915, Mr. J. D. Cobbold killed 151.

Sir Hugh Gladstone, in his book, "Record Bags and Shooting Records," mentions that one gun (not named), shooting for part of the season 1908-9 in the Orkney Islands, killed 2,344 snipe, 411 jack-snipe, and 1 great snipe. More than half the bag was made in twenty-eight days, and the largest bag made in any one day was on September 23, 1908, when 76 snipe and 2 jack-snipe were killed. Evidently this gun was a great snipe enthusiast, for every bird shot was individually weighed.

The snipe shooting on Islay is as remarkable as the woodcock shooting, and Mr. J. G. Morrison has had many

days there with bags of over a hundred to his own gun. I believe his best day — which is also, I think, the British record — was on October 1, 1934, when he killed 192 snipe, 3 grouse, 3 blackgame, 103 pheasants, 2 partridges, 2 teal, 2 golden plovers, 1 woodpigeon, 19 hares and 19 rabbits, a total of 346 head. He left home at about 7.50 a.m., accompanied by three retrievers, a spaniel, two lads, and a lorry, which served as a game-cart and cartridge magazine. As the day proved exceptional for snipe, he continued till 7.35 p.m. He used one gun throughout and fired 831 cartridges.

The remarkable thing about that day was that the snipe total was achieved in the course of making such a mixed bag, but that is one of the characteristics of much Scottish shooting which adds so much to its attractions and to its demands on our skill as shots.

A well-known business man who lives in the suburbs and usually goes home by the 5.30 train met a friend the other day and was persuaded to stay in town and attend a "smoko". He was at a loss for a moment how to square himself with his wife, but finally going to the telegraph office, he wired: "Missed the 5.30 train. Don't keep dinner waiting. Will be home late." It was a good deal later when he reached home and his wife met him at the door.

"Did you get my message, dearest?" he asked quickly, hoping to forestall the trouble.

"Yes," she replied in chilly accents, "and I would like you to explain why you sent a wire at 4.28, saying you missed the 5.30 train."

★ ★

"Mrs. 'Arris," said her neighbour, "I say nothin' about your Alf copyin' my Percy's sums at school; but what gets my back up is your boy hittin' 'im when the answers ain't right."

★ ★

"Why are you staring at your handkerchief like that?" exclaimed Mrs. Henpecker.

"I was just thinking, my dear, it's the only place I've got a right to poke my nose into."

OUT OF THE PAST

25 Years Ago

Prominent Sydney shooter and former I.C.I. representative, Luke P. Hughes, won the Queensland Mixed Birds Championship of 1939 at the Townsville Gun Club's shoot.

Adelaide's two main gun clubs amalgamated. The new club then became the South Australian Gun Club, the name which it still retains to this day. Its shooting location was then at Gillies Plains. The club's present location is at Bolivar, the venue of the 1964 National Championships and International.

Newspapers of 25 years ago gave the sport (particularly in Melbourne) a great deal more publicity than is

available today. For instance, the leading Melbourne daily gave almost a full page of pictures of the 1939 Champion of Champions Cup, as well as three columns of narrative and results. The now defunct weekly, "The Australasian", published by the now also defunct Melbourne "Argus", actually gave a double page of pictures (minus an advertisement for a shipping line), plus a lengthy report on the sport by that fine old sportsman and writer of long ago, "Old Boy" (R. W. E. Wilmott).

The late Commander C. R. Price and "Duxbac" (H. G. James) gave a polished exhibition of combination shooting to win the 1939 Commonwealth Deauville Doubles Championship at the Coburg grounds.

15 Years Ago

At this period in 1949 the now defunct Eltham Gun Club was operating at Research, just north of Melbourne. A £50 Handicap at that centre was won by W. Wager, 48/50, from E. G. Biggs, 47/50.

Former Executive Committee member, Jack Headland, was in form at a Coburg fixture when he won the main 15 birder and also divided an "off the fence" event.

At Wangaratta in north-eastern Victoria Frank Tuck and E. G. Biggs, shooting as a combination, won the Victorian Deauville Doubles Championship, 60/60 pairs, from Billy

Scott - Bill Finnigan, 55/56. The local pair, Stan Cordy-George Walker, were third, 34/35 pairs.

At Moe in the Victorian Gippsland district the inaugural shoot of the club was well attended, and the then President of the A.C.T.A., Jock Wilson, performed the opening ceremony. It would seem that the club handicapping for this particular shoot was not quite up-to-date, as two shooters seemed to be in winning brackets throughout.

Peter Sheridan of Robe in South Australia won the Victorian Walk-up Championship at Footscray Club in October 1949. Sheridan's score was certainly a moderate one, namely 15/25. J. Hyett was second, 14/25.

10 Years Ago

The Kelly's Creek Gun Club in Queensland staged its club championship in October 1954, and the winner was J. L. Gibson, who won 53/60 points from D. A. Parry-Okeden, 49/60. It is unusual to stage a club championship under points system. Gibson is still a regular competitor with his club. At Deniliquin in New South Wales the President's Trophy went to George Thomas of Finley. The New South Wales Sparrow Championship at the same club's grounds went to the former Secre-

tary of the club, R. Jones, 22/30, from John Houston, former A.C.T.A. President, 24/25. N. Milliken, the present President of the Hay Gun Club, won the Riverina Walk-up Championship, 25/30, from M. Saunders, 24/30, and J. Creighton, 21/25.

The 1954 club double-barrel championship of the Hobart Club in Tasmania was won by Sperry Marshall, 30/30, from Neil Frith, 29/30. M. Bale, who does not shoot these days, won the Tasmanian Grand Prix on the 33rd round from S. Marshall, with Cressy shooter, Rex Powell, 31/32, in third place.

SOME TIPS on DOUBLES SHOOTING

By M. KEMMERLY, who has shot 100 doubles in the U.S. Grand American Handicap.

(From "Trap and Field", U.S.A.)

I can tell you plenty that will help you shoot better doubles, but you have to try these things for yourself. Everyone has his own way of approaching the problem, but there is one important item on which all top doubles shots should agree. That is what is the most important and simple secret to breaking a good doubles score — the first bird.

The first bird is the secret to it all. You have to get the first bird immediately so you still have time to swing to the second and get it on the rise. Therefore it is exceedingly important that you be ready for a straight-away shot at that bird.

Now this diagram (Fig. 1) I've drawn shows where I stand when the field is as it should be, as indicated by A. If the field is a little to the right, you will have to move a short bit to the left side of station one to compensate for this (as indicated by B). Conversely, if the field is to the left, move a short distance to the right (C).

The symbols on the diagram indicate where I stand for each shot, depending on how the birds are thrown.

Why do I change positions just a few inches at the posts as shown? The whole principle is to shoot the first bird fast, fast, fast, and a little bit faster in order to shoot that second bird when it is still in its arc. You can, and should, lead the second bird a little like a singles target, but if you shoot the first one that way, you won't be able to get to the second one as fast.

You can shoot that first bird fast if you get it lined up like a straight-

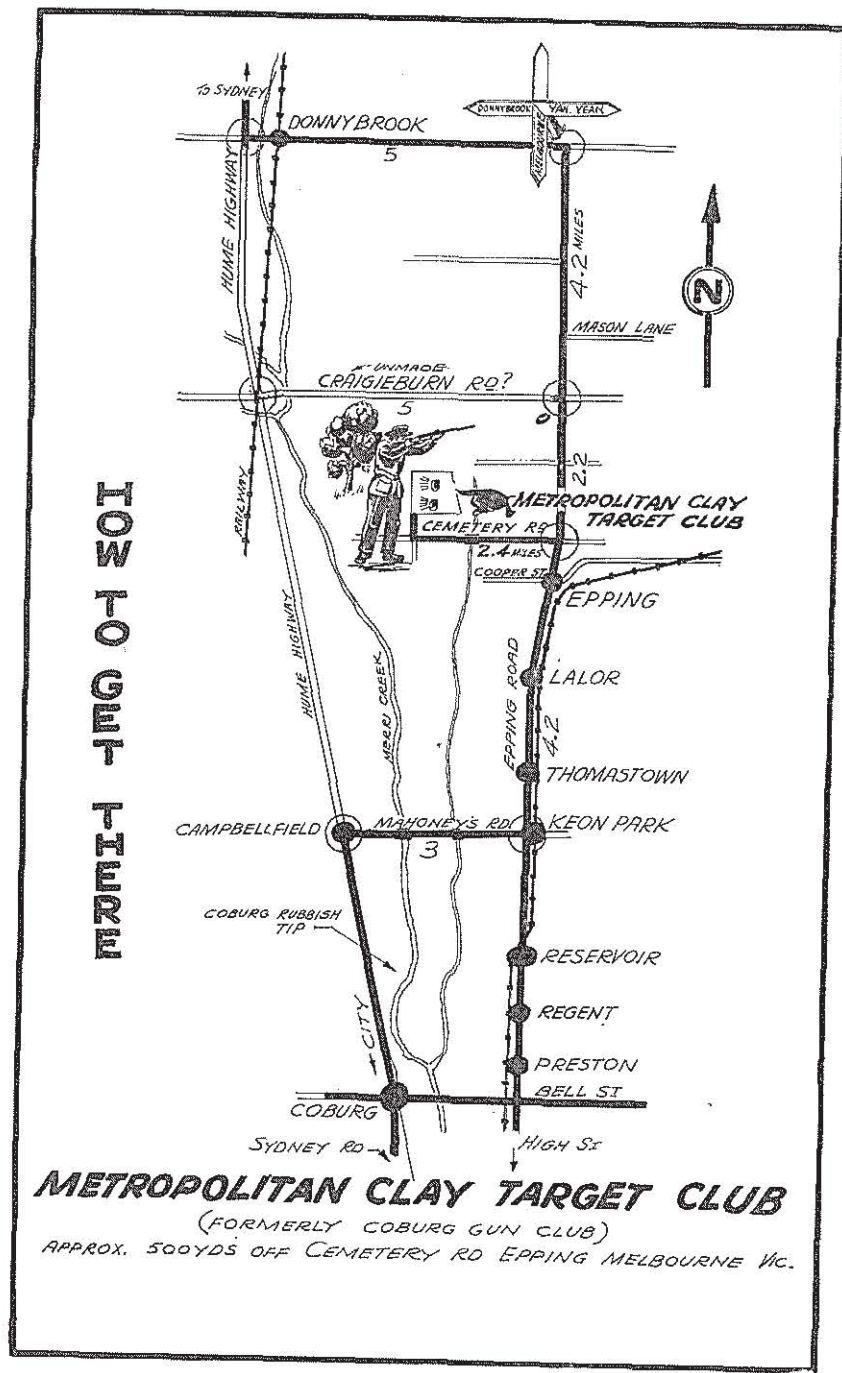

away. Make it a spot shot on the first bird, and track the second one. You may think shooting doubles is "spot, spot", but it isn't. It's "spot, track". Ride the second bird; you have a better chance of getting it. If you shoot the first bird slowly, then you have to spot the second, lowering your chances of hitting it, because it's had time to get farther out.

I shoot the right bird first on positions Nos. 1, 2 and 3, and the left first on Nos. 4 and 5. That's because that is your straight-away bird. Now I prefer to start on position No. 1, so that I'll only have to change from right to left once during the round. My second choice is to begin on post No. 4, where I also have to change only once. On any other position you change your sequence of shooting twice.

I shoot a Model 32 Remington with a 32" barrel. I prefer a gun with a lot of weight so that the recoil forces the gun straight back and not up. If the recoil forces the gun back and UP, your second shot is harder.

My first barrel is between cylinder and modified. You should be breaking that first doubles target from 25 to 27 yards out, so with a tighter choke than modified, you are handicapping yourself. You definitely need a full choke on the second barrel.

I shoot light load No. 8's on both shots unless there is a strong wind of 20 m.p.h. or more, then I use No. 7½'s in the second barrel. The reason for the light loads on both shots wherever possible is because then the recoil on the first shot is not very punishing and your head is still on the stock for the second bird.

I also would not suggest heavy loads on the second shot because the difference in recoil, the unevenness of it, will make you start raising your head. You unconsciously start noticing that difference in recoil and you will start lifting your head on the second shot.

As far as stance goes, I position my feet like the diagram here (Fig. 2). I stand for the second bird. I'll face the first and be prepared to unwind for the second. I have a little trouble with the right-hand bird on No. 5, so I compensate for it a little more. A 1" or 2" difference on the firing line can make a four or five-foot difference out where you're breaking the target.

I definitely recommend a straight stance — no crouching or bending. You must be able to pivot with your knees, ankles and waist.

For trigger pull, I recommend about 2½ lbs. on the bottom barrel and 3½ to 3½ on the top. The reason why you have a light pull on the first barrel is you will have a tendency to shoot it much faster, which is back to our secret of getting that first bird fast to get the second bird at all.

When I sight the gun, I hold it slightly below the level of my eye. You want to keep your gun swinging in an arc, like the arc of a golfer. If the arc is out of shape, you're going to slice or hook, and that's what happens here. The arc has to be level. If you hold your gun too low, you'll have to move the gun too high to get on the bird.

For the drop of the stock I recommend a little less drop than the ordinary trap gun to keep the first shot from kicking the head up, so you'll be in line for that second bird. I recommend not straighter than 1½" at the comb.

The down pitch should be about 1½" to 1½". A pitch down has a tendency to throw the stock up on the face more and to hold the head on the stock for that second shot; too much pitch upward has a tendency to drop down and the face leaves the stock.

Along this line, I suggest not using powder. It makes your cheek slippery for the second shot. You need to have your head firmly on the stock after the first shot goes off.

A few more tips — I recommend gloves for the right hand and prefer them for both. Gloves keep the gun firm in your body, face and hands throughout both shots, with no slipping whatsoever. Another thing I do to get a better grip — I take some grass and twist a little around the pistol grip of the stock. It acts as resin does for a pitcher in baseball. I do this before each trap. Many shooters will remember Julius Petty, a great shot. He always used to get down on his hands and knees and rub the palms of his hands in grass and dirt before he shot to help keep them from slipping on the stock.

The last thing I can think of to tell you about is heat-wave distortion. I've solved this by dyeing sponge rubber black and putting it between the barrel and my ventilated rib. Between each field I let water run down the rib sideways.

That's all I can think of. I can't guarantee it'll work for you, but it's worked for me.

Strong, cold winds didn't have much effect on the shooting, apparently. Our congratulations to Mark Stoneman, who took home the High Gun and Poole Trophies, and to John MacNamara and the other winners — and some pretty good triers amongst the also-rans.

We also thank the ladies for their lunch and smokes, the cooks for the barbecue, and all the other willing helpers.

Incidentally, we won our team shield back, in spite of the solitary bird dropped by J. Crombie.

(J. Crombie, Hon. Sec.)

A highly successful shoot, partly thanks to
the Field Sportsmen's Ass. attracting several
visitors to a function on the Saturday. I
think most will agree the dinner dance was
good fun, even if not good training for cham-
pionship clay target shooting. Congratula-
tions to all trophy winners, particularly
Phillip Mules for his 30/30 in the State S.B.
Championship.

Thanks to the ladies for a lovely hot lunch,
also to Ben, Ma, Ray and Hazel for a grand

H. Wright, P. Rosconi, J. Burrow, R. Hansen, L. Hansen, div. Shoot-off: R. Gittos (Cowra), 30/30, 1st; J. Benton (Bathurst), 29/30; 2nd, P. Rosconi (Bathurst), 28/29, 3rd. 5-bird D.B.: M. Mackie, R. Gittos, J. Farrow, L. Alexander, D. Middleton, H. Wright, W. Burrow, J. Burrow, 5/5.

The meeting was one of the most successful staged by the club in many months, with about 25 shooters competing for sweepstakes and two trophies. The first round of the Harry Jaques trophy was shot, with ten shooters equal after the completion of a round. Eleven marksmen qualified for a shoot-off in the regular trophy event, and after a keen battle, Bob Gittos, a visitor from Cowra, defeated John Benton of Bathurst, with Paul Rosconi placed third. John Burrow, shooting for the first time in several months, won the front markers' trophy.

A big contingent of shooters is expected at Bathurst on Sept. 19 for the re-introduction into competition of the 2BS Radio Shield. The shield was last shot for in 1959 when won by a team of five Bathurst shooters. The club is already well advanced in its preparation for the N.S.W. Night D'ville Doubles C'ship to be held on Saturday, Nov. 21. A most attractive programme has been drawn up, and in the afternoon the Parkes Gun Club A. E. Rowley Teams Trophy will be defended by Bathurst.

Bathurst Club shoots are staged on the third Saturday every month.

(Terry Jones, Sec.)

BERRIDALE (N.S.W.), 11/7/64.—Weather conditions: strong, cold west wind. Attendance: 11. Results: No. 1, 10 birds: 1st, div. R. Sands, R. Hedger; 3rd, T. Hayden, No. 2, 10-bird D.B. Trophy: 1st, T. An enjoyable cup of tea was had in front of the big fire.

(Rodger Sands, President.)

This year's Show Week shoot was another successful venture by the club, and the effort of running it was rewarded by the support of our visitors and many country friends. Again we were fortunate to have such a wonderful band of willing workers on all sides, not forgetting the ladies with the lunches, tickets, etc., and our Secretary, Trevor Bishop. President Len Shanco expressed his thanks to them all.

It was also gratifying to have five Executive members of the A.C.T.A. among us, and the Australian President, John Tyquin (a Past President of Brisbane), honoured us by presenting the trophies.

Although the weather was particularly kind for the Commonwealth Mixed Birds C'ship, which was held on the first day of the shoot, nobody managed to shoot all 20 birds, and Ian Constable (S.A.G.C.) and Geoff Ferguson (South Coast) were the only two shooters with the next best scores of 19. In the consequent round of the shoot-off Ian won the title and the 'important' blue sash, which, he declared, he had been trying to win for years.

OCTOBER, 1964

Other events on Saturday included the £100 H'cap, won by locals Eric Mende and Stuart Smith with the possible, and the I.C.I. Trophy, which was Toogoolawah's Clarrie Kasulke's victory.

Sunday's shooting was a little tricky when a strong south-easterly blew up, but earlier conditions were good for the S.E. Qld. D.B. C'chip, and Charleville shooter Doug Smith shot 93 before winning from Bob Golden and John Mott.

The £300 Handicap created great interest. George Rawlins, Stuart Smith and Bill Tennant shared the dividends in this monied event.

Also on the congratulations list were Bill Devonshire, who won the last event as well as making a "75 break; David Evans and John Mott on their "75's", and Stafford Smith (Ballandean), who was High Gun over the two days' programme.

Attendance very pleasing. The Intermediate produced three possibles, and after shooting it out, E. Lowery won with the good score of 38/38 from Ernie Boyle, 2nd, and M. Golding, 3rd. The Back-markers' C'ship proved a real tussle after eight had scored possibles, the ultimate winner, Jack Henwood, scoring 101/101 from Bill Dalzell and Geoff. Read. Certainly a marathon shoot-off. Congratulations to each winner, and also to the place-getters and winner of the 12/14 yard trophy.

A wonderful roll-up of visitors from Guyra, Tamworth, Coff's Harbour and Kempsey made the shoot an entertaining and successful one.

OCTOBER, 1964

Congrats. to Joe Raleigh for his D.B. and High Gun wins, and to Athol Cregan for his S.B. success. Don Whittaker was unlucky to miss a major prize once again.

We all hope G.D.T. speedily returns to health, although his "stand-in" from Coff's (Joe Raleigh) ably represented him!!

(W. E. Darley, Hon. Sec.)

DULVERTON (Tas.), 2/8/64. — Weather conditions: fine and sunny. Attendance: 22. Results: No. 1, 12-bird Skeet: P. Croucher, S. Marshall, 13/12, div.; F/M., R. Geard, No. 2, 10-bird D.B.: D. Gray, C. An A.W.A. transistor radio was won by R. Wighton, 81/81, from a strong field of 10 possibles. N. Groombridge, shooting well, dropped his 81st bird to take second place, and front marker, R. Geard, gave his best score yet to finish third with 75/76, also winning a break badge — congratulations. Congratulations also to N. Groombridge for 75 break, and to R. Monk for a 50 break.

(F. Sulman, Hon. Sec.)

ECHUCA (V.), 8/8/64. — Weather conditions: windy and cold. Attendance: 23. Results: No. 1, 10-target Pts. (16 yds.): A. Mason, 30/30; K. Dobson, W. Makeham, 29/30. No. 2, Dist. S.B. C'ship: K. A cold and windy day with a few showers did not deter a good number of visitors from Melbourne, Kerang, Huntly and Shepparton, and some of our club members travelling quite a distance to attend. A special welcome to two new club members, Doug Murray and Jim Kissell, from Moama.

Congratulations to Kevin on taking the double — the first time it has been done, and also to the minor placings. Good to see Cliff Johnson take out a trophy after a long run of outs.

(F. A. Bradley, Hon. Sec.)

EAST. GOLDFIELDS (Kalgoorlie), 2/8/64. — Weather: good. Attendance: 22. The 20-bird D.B. Points Scoring shoot was conducted by the club on behalf of the Bronwyn Warren Spastic Appeal. The club donated all proceeds of the shoot to the appeal, and a very nice sum was raised on behalf of the Spastics.

The shoot from club handicap marks was very evenly contested, and the prize of one case of cartridges donated by Bryan Warren was split into four prizes.

Len Nangle, who always shoots well on "Cartridge Days", was again to the fore to win the open section outright with a score of 58/60 points from David Secker, 57/60. The Intermediate was taken out by that old "Boll Weevil" man Babe Haase with the good score of 56/60. Doug Graham was runner-up in the Intermediate.

OCTOBER, 1964

Peter McBride donated three trophies for novice shooters who contested three five-bird events following the main shoot, and no less than 29 contested the three events. We have hopes of having a few of these into our club.

A contingent of Kalgoorlie members are off to Norseman (125 miles) on Saturday next. There are already approximately 12 shooters interested in forming a club in that district, and we are taking down a plus trap to give them some idea of the game. Present indications are that Esperance Bay will also be sending up some members for the occasion.

Lambert, 1st, 41/41 pts.; B. Gordon, 2nd, 40/41 pts.; G. Craze, 3rd, 37/41 pts.

Quite a good muster of shooters for a pleasant afternoon's shooting. The skeet event provided a variation to the shooting, but some of the new shooters found them a bit difficult. Mike Lambert won the first trophy — good shooting with borrowed gun. Second went to Bruce Gordon (Barellan); third, G. Craze (Narrandera).

All trophies were donated by Digger Gibbs. Thanks, Digger.

(K. H. Sim, Hon. Sec.)

Gunnedah Team was successful in holding the Eather Shield for the third time running, even though we heard a whisper that the Boggabri team was seen practising very keenly this week! This local team's shooting has made quite a difference to attendances, which we hope will remain at this level.

(Mrs. R. Brady, Hon. Sec.)

Despite the cold and wet weather which prevailed at our shoot, we had a good muster of shooters from throughout the district. It is pleasing to see the continued support given to the club by these men.

The committee is now preparing for our big £250 shoot which is to be held on Saturday, 17th Oct. This will be shot over two traps, and a good day is assured.

Thanks again to Mrs. Arnold and Mrs. Thompson for their providing the afternoon tea.

Paull, 3rd; 12 yd. trophy, R. Saunders. No. 3, 10-bird D.B.: outright win for new shooter R. Harris. Keep up the good work, Ray.

This was a shocking day for shooting — gale-force wind with heavy rain, but to Norm Patterson this just did not make any difference — terrific shooting on such a day; congratulations from all present, Norm. Attendance by far the best for many months — 24 shooters for the main event.

Our many new shooters from Daylesford and Ballan can be congratulated on their performances; it just was the worst day for months, boys — will order a better one next month, and then the scores should really improve.

Thanks to our visitors and club members, we had quite a good afternoon. Our ladies, as always, did a sterling job with the afternoon tea.

KATANNING (W.A.), 9/8/64.—Twenty-noe shooters competed in the 20-bird walk-up event last Sunday for the J. Battersby trophy. Weather conditions were ideal and, K. Eatt won, 18.8/20; R. Anderson, D. Anderson, equal 2nd, 17.6/20. D. Anderson made the most of a "no target" which he missed on his very first release. He "killed" the repeat target and went on to score 17/20 off the gun. He scored 5/5 in the final event and so won high-gun honours, 22/25. K. Eatt, R. Anderson and N. Beeck all shot 16/20 off the gun.

The final event was a 5 birder, gun down, Silent Rise. Three possibles, S. Gibson, R. Cusack and D. Anderson, div.

23/8/64.—There was an excellent attendance of 24 shooters for the 50-target D.B. event for Neville Beeck trophy. Quite a strong wind was blowing. Keith Battersby won (his first win), 55/50, inc. h'cap; Aird Kerr, 2nd, 54/50. S'takes were conducted on each 25, and A. Kerr, R. Schmidt, T. Flugge, div. 1st; K. Battersby, G. Anderson, B. Clegg and D. Wiese, div. 2nd. Visitors' S'take: D. Cumming (Perth) from R. Manolini (Kojonup). In spite of arriving at the ground after a non-stop trip from Esperance, Cumming shot a faultless 50/50 to win the high-gun honours.

Another member shooting well on the day was Keith Eatt, who shot a break of 32 and qualified for a State 25-break badge. In conjunction with the 50-target event, the Inter-club D.B. teams match was shot. Each club conducts the event on its own ground and forwards the best five scores to the West Australian Association. Scores cannot be published until all clubs have completed the event. Five members to make Katanning team were D. Wiese (top score), 49/50; D. Anderson, I. Gibson, B. Clegg and P. James. A. Kerr, sixth place after a count-back with last three.

Weather fair. A good field of shooters. Main event, the Keilor Plains S.B., went to the veteran F. Burns from Ken Edmunds and Andy Tie; 12/15 yds., H. Morriss.

(G. Hunter, Hon. Sec.)

KEMPSEY (N.S.W.), 15/8/64. — Weather conditions: fine and light wind. Attendance: 12. Results: No. 1, 5-bird Pts.: J. Goodsell, C. Kemp, 15/15; H. Kemp, 14/15. No. 2, 10-bird S.B.: H. Kemp, C. Kemp, 9/10; J. Goodsell, L. Baker, 8/10. No. 3, 10-bird D.B.: J. Goodsell, 10/10; B. Smith, L. Whalon, T. Dick, 8/10. No. 4, 10-bird Pts.: B. Smith, 27/30; H. Kemp, 26/30; T. Dick, 24/30.

This was the poorest shooting by our members for a long time. Everyone had a bad patch for no reason at all. Better luck next time.

(C. H. Kemp, Hon. Sec.)

KOJONUP (W.A.), 19/7/64.—Weather conditions: fine, with some misty rain. Attendance: 11. Results: No. 1, 20-bird Walk-up: K. Anderson, 17/20, 1st; K. Eatt, 16/20, 2nd; S. Gibson, 15/20, 3rd. No. 2, 10-bird Pts.: K. Eatt, 30/30, 1st; S. Gibson, 29/30; K. Anderson, 28/30; C. Kowald, 26/30; R. Manolini, N. Beeck, 25/30.

Well, yours truly showed to good advantage to win the John Greenwood Trophy, but not without first withstanding determined challenges from Keith Eatt, Miss Lorraine Anderson and new shooter Ralph Manolini. Yours truly again ran well in the second event to take out high gun. It seems rather strange for a shooter to have been runner-up in a Commonwealth title, won a State title, and runner-up in another State title, yet had to wait until today to win his first high gun within the club!!

A word now of our latest find in Ralph Manolini. Here is a shooter with potential — indeed, we shall hear more of him in the very near future.

16/8/64.—Weather conditions: perfect. Attendance: 22. Results (Nos. 1-4, Club C'ship): No. 1, 10-bird D.B.: C. Marsh, Mrs. S. Marsh, R. Ruwoldt, R. Anderson, G. Ruwoldt, T. Cusack, N. Beeck, 10/10. No. 2, 10-bird S.B.: Mrs. S. Marsh, 9/10; C. Marsh, R. Anderson, E. Clegg, 8/10. No. 3, 10-bird Walk-up: Mrs. S. Marsh, 9/10; R. Anderson, R. Manolini, 8/10. No. 4, 10 pr. (20 birds) D. Rise: C. Marsh, 19/20; R. Anderson, 17/20; N. Beeck, 16/20; Mrs. S. Marsh, 15/20. No. 5, Novelty D.B. (back 2 yds. every kill and 1 yd. forward for every loss): T. Cusack, 9/9; C. Marsh, 8/9; K. Eatt, 5/6. No. 6, Novelty D. Rise (back 1 yd. every kill and forward 1 yd. for a complete loss): T. Cusack, 9/10; C. Marsh, Mrs. S. Marsh, K. Eatt, N. Beeck, 7/10.

Although Charlie Marsh, the defending champion, won his fourth club championship and the R. R. Cusack Challenge Cup today with some steady shooting and a brilliant finish, the hero of the day — pardon me, heroine — was his wife Sylvia, who brilliantly led the field all day, only to be beaten on the line. Her cousin, Ross Anderson, quick to seize an advantage, beat her into second place. Pardon me, Ross, old chap. The handicap trophy was very fittingly won by Sylvia Marsh, and the E. A. Clegg handicap trophy for the 16 yds. and forward markers was won very well indeed by a new shooter in Ralph Manolini. Well shot, Ralph. Altogether a most enjoyable day.

(Keith Anderson, Hon. Sec.)

LEARMONTH (V.), 25/7/64.—No. 1, 2-bird D.B.: (comp. div.): div. M. Luhrs, G. Drife, N. Paterson. No. 2, 4-bird D.B.: div. M. Pascoe, H. Mossop, M. Luhrs, 8/4. No. 3, 6-bird Trophy: M. Luhrs, 9/10, 1st; N. Paterson, 8/10, 2nd; G. Drife, 6/9, 3rd; ladies' trophy, A. Godfrey. No. 4, 8-bird D.B. (3 equal trophies): M. Luhrs, 7/8; N. Paterson, 6/8; A. E. Smith, 7/10.

Fifteen came to our shoot today, from Beaufort, Harcourt, Sebastopol, and local shooters. N. Paterson and M. Luhrs have shot very well on the wing trap at the last two shoots and will be put back 2 yards at the next shoot on club handicaps.

Attendance down this month, but still a good afternoon's shooting. The camera event was won by Brian Walton with 48/48 in a long shoot-off with Murray Buckley. This is Brian's second win, so he is well on the way to owning a new camera. He also took off the high-gun trophy with 35/35. We were pleased to see one of our new members, John Newton, win the 12/15 yd. trophy with 33/35.

A cold, windy afternoon with some showers. Our younger club members shot well today, R. Brown taking the high-gun trophy after a shoot-off with D. Smith, and the 12/15 yd. trophy going to R. Hanslow after a shoot-off with R. Hartley and G. Ray, who also deserves mention for good shooting.

Excellent weather conditions prevailed throughout the day, which made the shoot a great success. Congratulations go to A. Commons for very fine shooting, also B. Murphy, G. Wakefield, B. Anderson, G. Hoskins, P. Fioretti, P. Rogers and T. Cramp.

Many thanks to the ladies' committee for fine meals, which helped to make the excellent day.

A good attendance of shooters, considering the uncertain weather. The main event of the programme was the Club S.B. F/M. C'ship (12/15 yds.). This saw our two Vice-Presidents, G. Roberts and H. Neville, take out first and second respectively. G. Johnston of the Tasmanian Club was third, with D. Cox, also from the Tasmanian Club, winning the trophy for the best 12 yd. shooter.

Thanks to the building committee, shooters were able to take advantage of the extra space which is now available in the club rooms, and further extensions are planned for the near future. As usual, the cuppa provided by the ladies was appreciated by all.

(G. Waterhouse, Hon. Sec.)

Monthly club shoot was conducted under good weather conditions. Although not many shooters in attendance, there was keen competition. Jack Wilkinson was the most consistent shooter, having won the Club C'ship, also shot a 50 break. One of our most senior members, Alf Gates, had his eye-in today to brilliantly win the trophy shoot.

Ladies' committee provided an excellent afternoon tea, which was enjoyed by all present.

Once again a good day's shooting was enjoyed, with all events won by possibles. Visitors came from Kingaroy, Nambour, Beerwah, and one from N.S.W. Attendance by local shooters was disappointing. Twelve yarder George Parker did well to share in three of the four events.

MT. GAMBIER (S.A.), 16/8/64. — Weather conditions: overcast, moderate S.W. breeze, occasional showers. Attendance: 38. Results: No. 1, 10-bird Pts. (c. div.): L. Fartch, G. J. Squire, 30/30; C. Whitehead, L. G. Ward, 29/30. No. 2, 20-bird H'cap (President's Trophy): 1st, L. J. W. Earl, 24/24; 2nd, S. D. Megaw, 23/24; 3rd, A. L. Cameron, 22/23; A. McIntyre; F/M. trophy, 17/20. No. 3, 15-bird £30 H'cap: K. A. Marks, M. Humphries, H. McLeod, 15/15, div.

A very good attendance of local and visiting shooters enjoyed an excellent afternoon's shooting, despite the occasional showers. A great deal of interest was shown in our two new Dams traps, which we completed installing only on the morning of the shoot.

The eye-opener saw a profitable divide to L. Fartch, G. J. Squire. Congratulations must go to Les Earl, Stan Megaw and Alan Cameron on winning the President's Trophy

shoot. Ken Marks, Murray Humphries and Howard McLeod shot well to take off the £30 Handicap of 15 birds. Some re-handicapping seems to be the order of the day.

(Ian A. Marks, Hon. Sec.)

NARRANDERA (N.S.W.). — Narrandera Club held a well-attended shoot on Saturday, 1/8/64. The conditions were very poor for shooting, as a very strong, cold wind prevailed throughout the day. Shooters attended from Hay, Griffith, Leeton, Borellan, Parkes, Wagga, Ballarat, Cootamundra, Junee, Deniliquin, Albury, Corowa, the local club and other centres.

Quite unusual, but the three main events were won outright, with J. Podmore winning the Central Riverina D.B. C'ship, 20/20, outright, R. Bushby winning the Central Riverina D. Rise C'ship with 13/20 outright, and D. Lucas shooting the only possible in the handicap, 20/20, to win outright.

The President, Ken Powell, presented trophies to the winners, and the Paynters Siding Branch of the C.W.A. provided the meals, etc.

Results: No. 1, 5-bird D.B., 5-bird S.B. H'cap: R. Podmore, F. Williams, M. Webb, 10/10, div. No. 2, Cent. Riverina S.B. C'ship: only one shooter shot the possible 20/20 — J. Podmore (Yerong Creek). The following shot 19/20, and shot off for 2nd and 3rd: K. Sim, F. Williams, E. Miles, R. Bushby — shoot-off: R. Bushby, 27/28, 2nd; K. Sim, 26/28, 3rd. No. 3, Cent. Riverina D. New member Barry Smith shot very well also, and it was pleasing to see him receive the front-mark trophy. Congratulations to F. Baldwin in once again having the honour of having his name placed on the "J. Edgell Shield".

Notel Shooters! Frank is very sorry that he could not have his photo in this edition of the "News", as he claims he does not have a current photo. However, he has arranged to have shooter R. Woollen take one the next time he wins this High Gun!

PUCKAPUNYAL ARMY (V.), 30/8/64. — Weather conditions: fine and clear. Attendance: 54. Results: No. 1, 10-bird Sparrows: 14 div. No. 2, Club Sparrows C'ship: 1st, W. Abbott, 51/51; 2nd, W. Siede, J. Siede, D. Richardson, B. Brooks, D. Edgerton), 94/100. High Gun: W. Abbott, 50/50. Ladies' Trophy: Mrs. Spence.

The day was excellent and shooters and their families took advantage of this, coming from Swan Hill, Ballarat, Bendigo, Shepparton, Melbourne, Seymour, and other places.

Bill Abbott was the star shooter of the day, shooting excellently to take home the sash and trophy for the C'ship and the 21 pieces of crystal for the trophy. Congrats., Bill, on very good shooting. Young Bill Hailes pushed Bill along in the C'ship, but the 51st bird proved too elusive. Brian Mark stayed for a while in the trophy event, and all thought he was in when Bill dropped his 34th. Brian lost his also, and the next to leave Bill the winner. Bill Abbott also made first leg in the aggregate High Gun Cup.

The teams event for the five Sportco Automatics is being keenly contested. The Metro team looked to be home with the second leg in with 93/100, but the Australian team never dropped one in their last 25 to just pip Metro.

VICTORIAN (V.), 5/8/64.— Attendance: 25. Results: No. 1, 4 pr. D. Rise: 1st, F. Burns, 7/8; 2nd, div. J. Walls, K. Edmunds, A. Senserrick, A. Harrod, 6/8. No. 2, Altona Dist. D. Rise C'ship: 1st, F. Burns, 16/20; 2nd, R. Batey, 16/22; 3rd, J. Cooper, 15/22; F/M., T. Maher, 11/20. No. 3, 15-bird D.B. H'cap: div. J. Cooper, L. Wilson, A. Harrod, 14/15.

The title was won by F. Burns with the score of 16/20; second was R. Batey with 16/22; third, A. Harrod, 15/22; F/M., T. Maher, 11/20. This is normally a hard event, but it was even harder than usual, as is shown by the scores. Fred proved once again that he is the one to beat. Bob Batey showed them how in the shoot-off to finish second. A. Harrod finished third. It is good to see the visitors amongst the prize winners.

12/8/64.— Weather conditions: cold, light winds. Attendance: 15. Results: No. 1, 10-bird Pts. Cash: 1st, div. A. Harrod, V. Cafarella, 30/30; 3rd, R. Batey, 28/30. No. 2, 20-bird D.B. H'cap Trophies: 1st, J. Platten, 24/26; 2nd, J. Cooper, 23/26; 3rd, A. Senserrick, 18/20; F/M., L. Wilson, 17/20. No. 3, 5 S.B., 5 D.B. H'cap: 1st, div. A. Harrod, R. Lacey, J. Platten, K. 19/8/64.— Weather conditions: fine night. Attendance: 21. Results: No. 1, 10-bird Pts.: 1st, div. K. Edmunds, W. Bamford, W. Attwood, J. Platten, 30/30. No. 2, 20-bird D.B. Trophies: 1st, J. Platten, 33/34; 2nd, W. Bamford, 32/34; 3rd, G. Beer, 27/29; F/M., A. Smyth, 21/23.

22/8/64.— Weather conditions: fine day. Attendance: 23. Results: No. 1, Western Suburbs D'ville Doubles C'ship: 1st, V. Cafarella - J. Platten, 28/29; 2nd, B. Mark - R. Hardy, 27/29. No. 2, 20-bird D.B. H'cap: 1st, div. B. Mark, I. Farren, 20/20; 3 div. 3rd.

Weather conditions were excellent for our D'ville Doubles C'ship, but unfortunately the trap proved hard to set and made the birds difficult to shoot. Many thanks to Vin Cafarella for his part in our win. Nice to see

Brian Mark and R. Hardy attend our club once again and take away second prize.

Thanks to the other visitors also for an enjoyable afternoon's shooting.

26/8/64.— Weather conditions: fine night. Results: No. 1, 10-bird Pts.: 1st, div. R. Jones, V. Cafarella, 30/30; 3rd, W. Bamford, 29/30. No. 2, 20 birds (10 D.B., 10 S.B.) Trophies: 1st, R. Evans, 28/31; 2nd, A. Smyth, 27/30; 3rd, R. Lacey, 24/28; F/M., A. Pett, 21/25.

(J. Platten, Hon. Sec.)

WAGGA (N.S.W.), 2/8/64.— Weather conditions: fine and sunny. Attendance: 25. Results: No. 1, 5 birds: I. McRorie, O. Kelly, F. Williams, B. Hall, R. Tye, W. Podmore, R. Podmore, J. Cox, div. No. 2, 10-bird H'cap (5 D.B., 5 S.B.): E. Miles, B. Hall, J. Puma, J. Cox. No. 3, £30 H'cap: W. Manning, R. Podmore, div. 1st and 2nd: 3rd, 6 div. No. 4, 10-bird Pts.: 1st and 2nd, div. G. Rodham, R. Bay; 3rd, 4 div. No. 5, Trophy Miss-out: K. Oldfield.

Twenty-five shooters from Yerong Creek, Mangoplah, Culcairn, Junee, Ganmain, Griffith and Cootamundra enjoyed a pleasant afternoon's shoot in perfect weather conditions.

(E. Vonarx, Hon. Sec.)

WARRNAMBOOL (V.), 8/8/64.— Weather conditions: wet and windy. Attendance: 18. Results: No. 1, 5-bird Pts.: div. R. Flett, D. Grummett. No. 2, 20-bird Trophy: 1st, L. Wines; 2nd, B. Martin; 3rd, A. McSween. No. 3, 10 birds: 1st, D. Grummett; 2nd, V. Thompson; 3rd, S. Thompson.

Under very wet and windy conditions, Les Wines proved to be the only shooter able to shoot his 20 birds. This was a popular win, as Les always shoots well without being among the winners very often. He is also one of the club's best workers.

(R. C. Kenneally, Hon. Sec.)

WERRIBEE (V.), 8/8/64.— Weather conditions: wet, strong winds. Attendance: 27. Results: No. 1, 10-bird Pts. (C/D.): T. Powell, H. Walker, 29/30; K. Rankin, D. Preston, 27/30. No. 2, 15-bird D.B.: 1st, J. Bunting, 15/15; 2nd, K. Rankin, 15/16; 3rd, J. Davis, 17/18; F/M., W. L. Davis, 13/15. No. 3, 15-bird S.B.: 1st, R. Tardrew, 14/15; 2nd, D. Preston, 21/23; 3rd, K. Rankin, 20/23; F/M., R. Rosewarne, 7/15.

In view of the very poor conditions prevailing, a very satisfactory number of shooters attended this meeting. In spite of the gusty wind, results were very good, particularly in the S.B. event, when seven shooters scored 13/15 for the shoot-off for second place.

The committee of the local club wish to thank the large number of visitors who braved the elements to make this shoot a success.

(Kevin P. Shanahan, Hon. Sec.)

WYONG (N.S.W.), 22/8/64.— Weather conditions: perfect. Results: No. 1, 10-bird D.B.: A. Tremain, G. Snell, 10/10; A. Kent, N. Jurd, M. Dick, R. Watt, 9/10. No. 2, 20-bird D.B. Trophy: 1st, R. Watt; 2nd, M. Dick, A. Tremain.

Wyong shooters were not well represented on this day. Boys, make a better effort. Congrats. to Bob Watt, winning his first S.O.

(N. Jurd, Hon. Sec.)

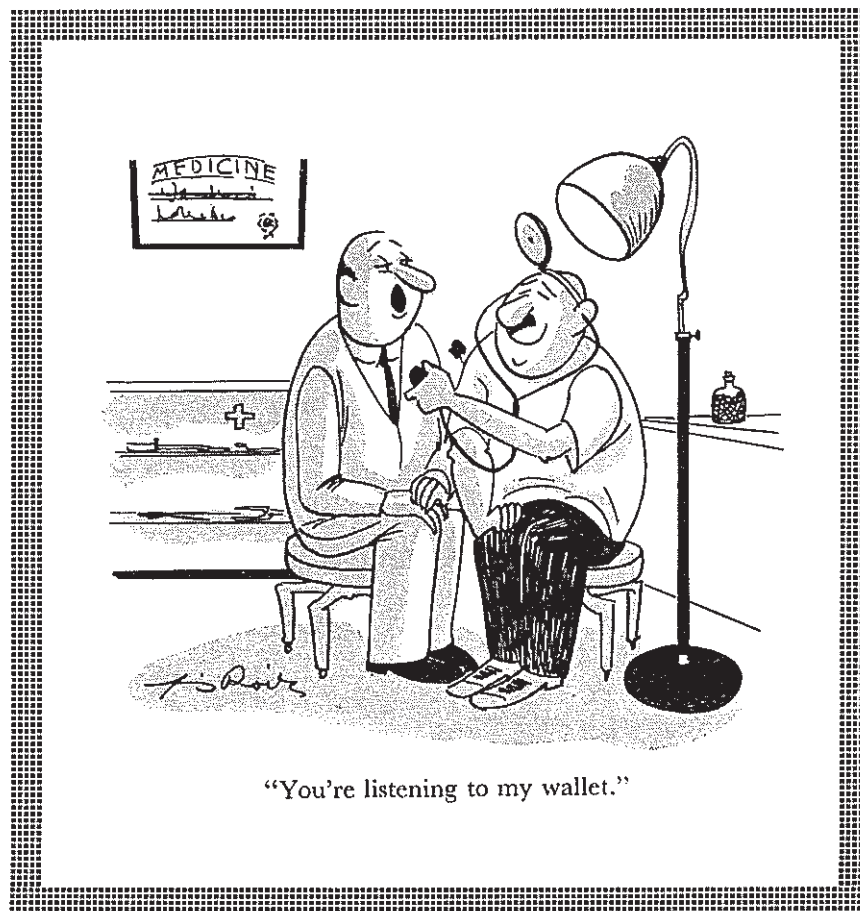

YASS (N.S.W.), 8/8/64.— Weather conditions: overcast, strong wind. Attendance: 14. Results: No. 1, 5-bird D.B.: 5 div., 5/5. No. 2, 5-bird D.B. (off 16 yds.): 7 div., 5/5. No. 3, 10 prs. Club D. Rise C'ship (16 yds.): G. Reed, 1st, 27/30 pts.; J. A. Medway, 2nd, 26/30; M. Bucknell, 3rd, 18/22. No. 4, 10 prs. D'ville Doubles C'ship (20 yds.): J. A. Medway - J. R. Medway, 1st, 14/15; T. Frost -

A. Southwell, 2nd, 13/15; G. Reed - J. Rivers, 3rd, 11/13. No. 5, 5-bird S.B.: 5 div., 5/5. No. 6, 5-bird D.B. Box Sweep (25 yds.): 6 div., 5/5.

Prior to the shoot the Annual General Meeting of the Yass Gun Club was held, and Tom Frost of "Barombogie", Bowning, was elected President. E. G. Eltrington and Gordon Reed retained office as Treasurer and Secretary without opposition. Retiring President, Leigh Pateman, accepted office as a Vice-President, in addition to the appointment of Michael Bucknell and A. Southwell.

The club financial statement shows the club finances in a very healthy position, and the new office-bearers are planning for two \$25 H'caps to be held before Xmas, in addition to the President's and Vice-Presidents' Trophy days.

(Gordon Reed, Hon. Sec.)

XPERT

MARK 5

ALL NEW

PLASTIC

SHELLS

MARK 5, Western's great new ammunition development, gives you longer shots and better patterns than any other target shell in the world. MARK 5's unique polyethylene collar wrapped around the shot means . . . plastic cases won't scuff or swell — no power loss due to dampness or age. Jamfree extraction. Feeds faster — chambers faster.

- Up to 10% better, tighter patterns.
- Up to 10% shorter shot string.
- Greater, more effective range.
- No barrel leading or tube wash.

GREATER RANGE!
