1964 OFFICIAL REFEREE EXAMINATION. Candidates who took part in the 1964 Official Referee Examinations are advised that the examiner's result of the written section are published in this issue. 79 applications were lodged with the A.C.T.A. office, and of the 79 papers issued, 71 were returned. Of those returned within the time specified for the examination, no less than 28 failed to gain the necessary percentage of 90% to entitle them to a pass. Of those who succeeded in passing, only two were equal to a 100% pass. Nine candidates secured 99%. The standard of results was considered by the examiner to be superior to previous examinations, which reflects a better understanding by shooters generally of the requirements of an Official Referee. Successful candidates are now required to arrange with the nearest Official Referee Examiner to their own centre to undergo the practical or oral test. Names and addresses of Official Referee Examiners appear on the page prior to the "full list" publication of registered shooters, which appears in the July 1964 edition. Candidates are reminded that practical tests are required to be completed not later than December 31 next. For the reason that some objection was raised against the Examiner's comments in the 1963 referee examination series, the Examiner has refrained, on this occasion, from commenting on the papers in any way, other than indicating the percentage of points gained for those who passed. For those who failed to pass, only the names are listed.

NOMINATIONS FOR 1965 OFFICES IN A.C.T.A. All interested are notified that nominations for all offices in the Association close at 5 p.m. on Thursday, December 31, 1964. Nominations must be lodged with the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.I., and late nominations — that is, nominations received after 5 p.m. on December 31 — will, under no circumstances, be accepted. Nomination forms are available from the Secretary, A.C.T.A. Those lodging nominations are reminded that such nominations must be lodged in accordance with Article 27 of the Association Constitution, which reads, "Nominations for all offices in the Association and membership of the Executive Committee must be in writing, signed by the Secretary of the member club or by the delegate member of an unincorporated club making the nomination, and must reach the Secretary of the Association on or before the 31st December in each year prior to the Annual General Meeting." It is also mentioned that any nomination received by the Association must have the official backing of the club and not be merely the individual action of the member club delegate or club secretary. In other words, the nomination must be approved by the Committee of the member club before the nomination is lodged. On some occasions in the past, nominations have been received which have not first been approved by the Committee of the candidate's club.

For the information of all, Article 27 of the A.C.T.A. Articles of Association reads, "Nominations for all

offices in the Association and membership of the Executive Committee must be in writing, signed by the Secretary of the member club or by the Delegate member of an Unincorporated Club making the nomination, and must reach the Secretary of the Association on or before the thirty-first day of December in each year prior to the Annual General Meeting."

In regard to the foregoing, it is mentioned that for some years past club secretaries have been signing the nomination form. Interested parties should note that only the "Delegate" member of an Unincorporated Club may sign nomination. In cases where the club is a "Corporate body" the club secretary is the correct official to sign the nomination form.

LATE LODGMENT OF COPY AND ADVERTISING. Clubs and officials interested have frequently been reminded, through these columns, regarding the difficulties which arise when copy is late in arriving at the A.C.T.A. office. The printers have advised that, except in most unusual circumstances, the publication will always be out in plenty of time for the beginning of each month if copy dead-line is strictly adhered to. It has been noted in recent months that some clubs have left their copy, before posting, until it does not reach the A.C.T.A. office until two or three days after closing. This means the same two or three days are lost later at the end of the month. Provided copy is received before dead-line or no later than dead-line, it greatly facilitates the preparation of the copy, the setting by the linotypers, the arrangement of the publication, the checking of proofs, the actual printing, the stapling, the wrapping and the many other minor duties connected with a publication. If club officials will keep these points in mind and ensure that copy reaches the A.C.T.A. on time, much of the task of getting the journal into the hands of the shooters not later than the first of each month will be eliminated. It has been noted that many clubs actually "hold" their copy and then

forward same just on dead-line. This means that copy has to be rushed and in some cases no mention can be made in the "Tips and Tails" section. Holding of copy until dead-line does not help — if it is available earlier in the month, by all means forward same to the A.C.T.A. office so that details can be checked and written up.

DECEMBER ISSUE. Advertisers and clubs are reminded that, due to the printing industry vacation, there will be no publication of "News" during the month of January next. This is a regular procedure and has become more of an acute matter since the advent of the additional week's leave granted to all employees. Therefore, advertisers are reminded that all advertising copy for December and January should reach the A.C.T.A. office not later than November 1, 1964. Club officials intending to advertise during the period indicated are requested to give some thought to their requirements and lodge the copy on the dead-line date, or before, if possible. Copy for the February edition, which will appear on or about February 1, will close at the A.C.T.A. office not later than January 5, 1965.

1964 INTERSTATE TEAMS' MATCH. The 1964 Interstate Teams' Match for The "Great Britain & Ireland" Trophy has been won by the Queensland Team, which shot at Atherton, N.Q. The winning combination registered a score of 493/500. South Australia was second, 490/500; New South Wales third, 489/500, then followed Victoria, 488/500, and Western Australia, 468/500. The Tasmanian Team was disqualified for including an unregistered shooter in their team.

Congratulations are extended to the Queensland Team on its success, and also to the obvious good organization of the Atherton Club in providing some many splendid facilities.

Australia has given the world some really unusual place names. One of the latest to be reported to this office is that of Foxes' Hang-out. This place, in point of fact, actually exists in the State of Victoria, not a great distance from the metropolitan area of Melbourne. It appears that the name has developed from a spot in the Victorian countryside where bodies of "foxes were hung-out" for no other reason than to make a display. The bodies of the foxes were "hung-out" until some local group removed them. It is understood that when a large number of remains were "hung-out", particularly when the temperature was closing on the century, the spot was one to be avoided. It is rather surprising to learn that "Foxes' Hang-out" is a place name on some Victorian locality maps.

Barwon Heads Gun Club, on Victoria's southern coastline, will conduct a half-day shoot on Saturday, November 21, commencing at 2 p.m. Main events are a 10 birder and 15 birder. The club makes a specialty of presenting top-quality crayfish as trophies. Programme is as advertised. Secretary is E. M. Pilkington, Hitchcock Avenue, Barwon Heads. President is H. Edwards.

The South Coast Gun Club, between Surfers Paradise and Southport, on Queensland's Gold Coast, will stage its annual carnival from Saturday, January 23, and concluding on Sunday, January 31. The club's spacious grounds, with four trap lay-outs in operation, will start at 9.30 a.m. The main events on the opening day are the Pacific Coast Double-barrel Championship, the winner of which will hold the Bauman Gold Cup. The Ladies' Bracelet event will follow. On Sunday, January 24 (9.30 a.m.) the Pacific Coast Single-barrel Championship will be staged, and the Hogarth Cup will be awarded. A £250 Handicap, at 60 targets double-barrel, will follow. On Tuesday, January 26, the Pacific Coast Night double-barrel title will be decided. This will be followed on Thursday, January 28 (10.30 a.m.) with a new event, the Commonwealth Veterans' Championship for shooters 60 years and over, and a 30 birder under single-barrel conditions will be shot the same day, followed by the

Preston's 100 is believed to be the only 100 break compiled on the grounds, and the club would be interested to hear from any shooter who, in earlier years, claims to have shot 100 straight. The club advertises details of its Club Mixed Birds Night Championship and Victorian State Double-barrel Sparrow Championship (day), to be shot on Friday night, November 13, and Saturday afternoon, November 28, in this issue. Enquiries to club Secretary, M. McGarigle, 93 Garden St., East Geelong. President is Ron Green, 4 Merino Court, Highton (Geelong) (phones: Business 98514, and private 87302).

At the recent annual meeting of the Southern Gun Club at Victor Harbour in South Australia members unanimously decided to re-elect the office-bearers in a body. These are: Patron, Keith Rymill; President, Bob Rossiter; Vice-President, Les Kleinig; Treasurer, Sid Dawe; Asst. Secretary, Noel Blakely, and Secretary, Ric. Kleinig, whose address is Box 46, Victor Harbour, S.A. Having only been formed in March of this year, the club reports some very successful shoots, and present indications are that the trend will be maintained, and the club expects to install another trap in the coming year. The club emphasises the matter of its renowned "Southern Hospitality", which has to be seen and enjoyed to be really understood.

The Mount Gambier Gun Club in south-eastern South Australia advertises full details of its very extensive programme arranged for the A.N.A. Holiday week-end, January 30, 31, and February 1, 1965. The series will include a shoot for a Falcon Car, a Commonwealth and a District title.

Proceedings will open on Saturday, January 30, at 10.30 a.m., with a 15 birder; this will be followed in turn by the City of Mount Gambier Double-barrel Championship, then the £200 Mount Gambier Handicap. This latter event will be a 30 birder, and the winner will receive £90, second £45, third £15, with 5 yardage awards of £10 each. On Sunday, January 31 (9.30 a.m. start) the big car shoot will take place in the form of the South Australian Handicap. The car shoot will be at 30 targets, and nomination is £12/10/-. Alternative first prize in the car shoot is £1000—a tidy first award. Five yardage prizes each of £30 will be included. Immediately following will be a £100 Consolation Handicap at 15 targets. On Monday, February 1, the £200 Blue Lake Handicap at 20 targets will be decided, followed by the Commonwealth Mixed Birds Championship. A high-gun award — a Browning U/O Gun — will be made, and the entire prize

list is guaranteed by the club. Three new electric traps will be installed and all facilities will be available on the ground. Shoot Marshall for series is Cal Hollow of Adelaide (formerly of Melbourne). First-class hotel and motel accommodation is available, and applications should be made to club Secretary, Ian Marks, Box 21, Mount Gambier. President is Ken Wait, P.O. Box 228, Mount Gambier (phone 2-2929). The club's grounds are at Attamurra, adjacent to central Mount Gambier.

Keilor Gun Club, which shoots on the Victorian Gun Club's enclosure at Brooklyn, on the Geelong Rd. (corner Boundary Road), will shoot on Saturday, November 7, when a programme of double-rise and down-the-line events will be decided. Included as main event of the day is the Club Double-rise Championship, 15 pairs from 16 yards. On Friday night,

Werribee Gun Club, at its shooting grounds on Ballan Road, Werribee, 18 miles from Melbourne, will conduct two programmes during the month of November; the first of these will be on November 14 (1.30 p.m.), when the Werribee District Double-barrel Championship and the club single-barrel championship will be the feature events of the day. The club will also shoot on the same venue, starting at 1 p.m., on Saturday, November 28, when the big attraction will be the Victorian Tower Championship — the first title under tower conditions ever held at Werribee. Other events will be held, time permitting. Programmes are as advertised. Enquiries to K. P. Shanahan, Secretary, 4 Jellicoe St., Werribee, V. ('phone Werribee 346). President is W. Cations, 9 Dixon Avenue, Werribee.

Puckapunyal Army Gun Club, near Seymour (Victoria) will shoot on Sunday, November 29, day and night. The opening event will be the Seymour District D'ville Doubles Championship, followed by a £200 Handicap at 20 targets. The winner will receive a Winchester 101 U/O gun. Prizes for placings will be of high-grade, and five yardage awards will be included. In conjunction with the Handicap the £300 Aggregate Teams' Shoot will be continued. Teams of five men, to be won three times. At night the Puckapunyal Night D.B. and S.B. titles will be decided. There will also be a high-gun award. The club's barbecue will be operating and ample food supplies will be available. Two automatic traps will be operating. Programme is as advertised. Enquiries to club Secretary, J. A. Birch, 7 Buna Crescent, Puckapunyal (V.). President is J. E. Summers ('phone Seymour 543).

The Victorian Gun Club, corner Boundary and Geelong Roads, Brooklyn (V.), will shoot four Wednesday

night shoots and two Saturday shoots during November. The dates fixed for the Wednesday night shoots are November 4, November 11 (Victorian Gun Club night sparrow championship), November 18, November 25, and the first Wednesday night in December, i.e. December 2. The Saturday shoots have been arranged for November 14 and November 28. On the latter date the V.G.C. double-barrel sparrow title will be decided. Programmes are as advertised. Enquiries to club Secretary, J. Platten, 23 Valerian Avenue, North Altona.

A short article regarding this year's winner of the Grand American Handicap appears elsewhere in this issue. It is noted that one competitor with a score of 99/100 — a tieist with the winner and several others — had to wait no less than 10 hours before being called upon to shoot in his tie round. Such an extended wait would surely try the nerves of most individuals.

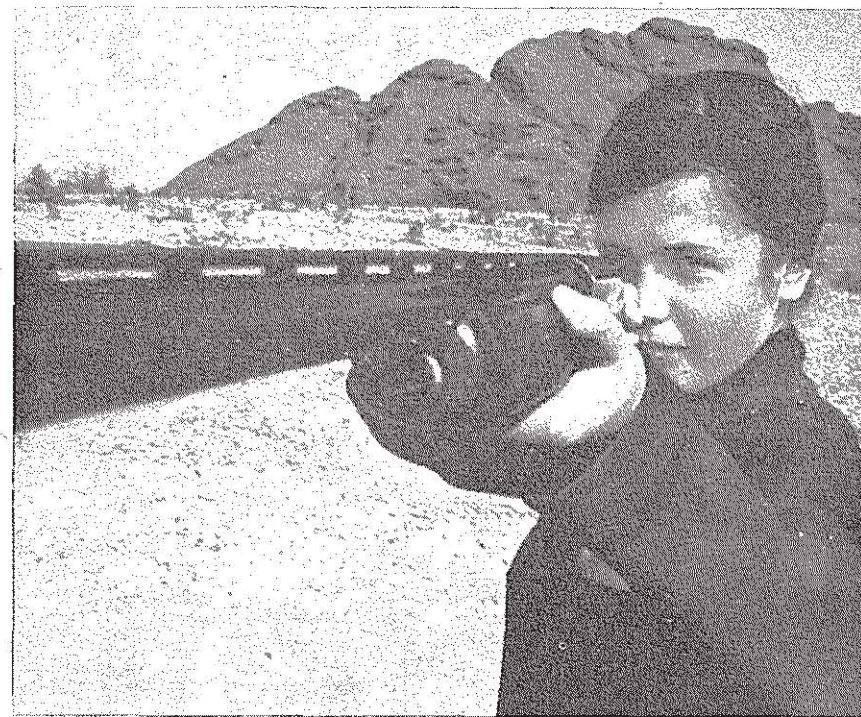

It is not often, in these times, that we have the pleasure of drawing attention to a shooting sportsman who took a leading part in the happenings of the 1914/18 war. However, it is pleasing to record the efforts of veteran 69-year-old sportsman Roby Manuel of Kerang Gun Club. Roby was recently the guest of honour at the Air Force Association banquet in Melbourne, which commemorated 50 years of military flying in Australia. Roby started flying as far back as 1917, and he is still flying! He believes he is the only original member of the World War I Australian Flying Corps. He still owns his own Cessna and holds a current private pilot's licence. He hopes to keep flying (and shooting) for a long time yet.

Tatura Gun Club in Victoria's Goulburn Valley will shoot on its Racecourse enclosure grounds on Saturday, November 28, when the Tatura and District single-barrel title will be the chief interest. This will be followed by the club double-barrel championship and minor events. Cart-ridges and afternoon tea will be available on the ground. Programme is as advertised. Enquiries to club Secretary, J. M. McLeod, Pte. Bag, Tatura, V.

Browsing through an American magazine recently, it was noticed that almost identical questions are asked in U.S.A. as come from shooters in Australia; this particularly applies to questions on double-rise. In a recent question a shooter wrote to Vic. Reinders, the renowned American trap-shot and, signing himself "Kansas", asked, "A shooter shooting in doubles shoots at the first target and misses it and then doesn't shoot at the second target because it is broken. Is the first target scored lost and another pair shot to establish the score on the second target?" The reply given was, "It is 'no pair', and the shooter shoots an entirely new pair to determine the score on both targets. The rule is good, is simple and if carefully analysed, you will agree that it

is as least as fair as the cumbersome pages of 'proof doubles' rules that skeet has."

To stimulate interest in the Mount Gambier Club's big car shoot on January 31 to February 1 next, the club has decided to conduct a ballot of all affiliated gun clubs in Australia. The fortunate club will receive an invitation for one shooter, full accommodation and all nominations paid over the three days. This is estimated to have a value of £50 and would provide the lucky club with an excellent opportunity to stage a shoot to decide the "lucky" shooter. The ballot will take place at the end of this month and the club concerned will be advised of its good fortune.

Susan Natrass shot the whole programme and was runner-up in a junior singles competition in U.S.A. The 13-year-old is the daughter of F. C. Natrass from Alberta. Susan broke a 58 in the doubles, the first she'd ever shot.

1964 GRAND AMERICAN HANDICAP

(From REX MILES, Spokane, Washington, U.S.A.)

W. E. Duggan, a 59-year-old railway conductor from Delphos, Ohio, won trapshooting's most prized championship at Vandalia when he took the Grand American Handicap.

Duggan defeated a field of 2,718 — better than the previous record entry of 2,527 set a year ago — in the big 100-target event.

Duggan, a native of Etowah in McMinn County, Tenn., broke 99 from the 20 yards to tie with four others and then defeated them in a 25-target shoot-off.

Also with 99's and tied for second after the first shoot-off round were George T. Cline, 20-year-old Louisiana State University senior from Birmingham, Mich.; Russel G. Krause, a 43-year-old truck driver from Mertz-

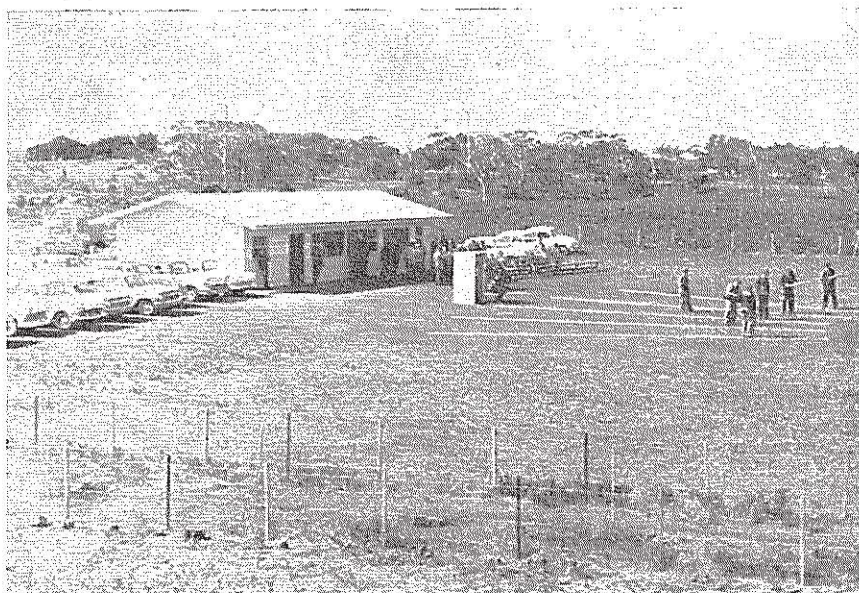

town, Pa., and 44-year-old Michael Piricsi of Chagrin Falls, Ohio.

Fifth in the shoot-off was Donald Dusseau of Monroe, Mich., who waited more than 10 hours after posting his 99, before being called for the shoot-off.

A 12-year-old, John Edward McKay of Vevay, Indiana, downed 99 targets from 18 yards, to take the first honours in the Preliminary Grand American — an excellent performance for one so young.

Top woman in the Grand American Handicap was Mrs. Rhoda Wolf, wife of a Philadelphia doctor. She broke 91 targets from 21 yards.

Duggan won approximately 10,000 dollars for his few days over the traps.

1964 EUROPEAN CHAMPIONSHIP

The European Championships were held at Bologna (Italy) late in June. The European titles at clay pigeons and skeet are organized jointly by the U.I.T. and the F.I.T.A.S.C.

166 contestants, 60 of whom came from the host country Italy, fought for the title in the Clay Pigeon event. Other countries, too, had sent strong contingents to Bologna — mainly in view of the preparations for the Olympic Games. Thus, the contest was entered inter alia by the last two Olympic champions, i.e. the Italian, Galliano Rossini (Melbourne 1956) and the Roumanian, Ion Dumitrescu (Rome 1960), as well as by the World Champions of Oslo 1961 and Cairo 1962, namely Ennio Matarelli (Italy) and Vladimir Zimenco (U.S.S.R.).

The final section of the Clay Pigeon contest presented a rather thrilling aspect: three shooters in the 200-bird programme finished with 190 kills each, while four further entrants, with 189 kills, each came close behind this top group. Ennio Matarelli (Italy), Michel Prevost (France) and Heinz Leibinger (West Germany) had to shoot off for 1st, 2nd and 3rd places in a decisive series of 25 birds. In this, 35-year-old Matarelli, having already won the World Championship title at Oslo in 1961, scored his second international victory in his native Bologna by registering 24 kills, followed by Prevost with 22 and Leibinger 20 kills.

Several ties were also scored in the Skeet event. Tsuranov and Worobev (both from the U.S.S.R.) had to shoot off for the title, while Suppli (West Germany) and Boucher (France) had to shoot off for the Bronze medal.

Having scored 24/25 each in the first additional series of 25 shoots, Tsuranov and Worobev eventually finished with scores of 25 and 21 respectively, giving Tsuranov a clear victory. The superior top group in the team classifications of the Skeet event was formed by the U.S.S.R., France, and West Germany.

If the scores collated in the following list of results are not entirely in keeping with those registered on earlier major championship occasions, then the relative incongruity must be ascribed solely to the very extraordinarily great heat which dominated the scene this time. One had to be in an extremely fit condition in order to cope with the task of completing the contest during those hot days without having to incur any particularly noticeable forfeitures.

OUT OF THE PAST

Twenty-five Years Ago

A report from London indicated that Australia has run fourth in the first International Match in which Australia competed. Australia scored 1748 points. England was winner with 1878 points, winning from Scotland 1821, with Wales third, 1756. Ireland was whipper-in with 1725 points. The veteran Welsh shot of the day, Enoch Jenkins, was high-gun with 98/100 points. Standard of shooting in Australia has improved immensely since those days.

The first International in which Australia competed was in the year 1939, and the Home Country Team shot their section of the event in Dublin (Ireland). An extract from a speech by the then President of Irish C.P. Association, Dr. P. J. Keogh, when the scores were announced follows. Dr. Keogh said, "Let me say at once that 1939 will go down in clay pigeon shooting history for two principal reasons.

The first Australian entry under International conditions, and secondly, the really wonderful scoring which took place on Eire's shore near Bray."

All traps were pointing out to sea and excellent shooting conditions prevailed. Australia shot in mid-June at East Burwood — otherwise in the depths of the Victorian winter. Since those days Australia's shooting date has been changed to approximately the first week-end in March with fairly happy results.

H. T. (Boyce) Siddins of St. George Club won the Queensland State double-barrel title at St. George in 1939 against a top-grade class of shooter, including several from Victoria (including Melbourne) and parts of New South Wales. The report of the day mentions that Siddins' father bought his son in the Calcutta for 20/- and received a very handsome division in return.

Fifteen Years Ago

Peter Sheridan, now of Robe in South Australia, formerly of Ascot Vale (V.), won the Victorian State Walk-up Championship on the grounds of the Footscray Gun Club in 1949. He grassed 15/25 to take the title and win from Frank Cuatero (Kellor) and "Double-H" (H. Harrison). The late Cliff Bound and A. Douglas divided a 10 birder on the same programme.

The Victorian Double-barrel Cham-

pionship, on the grounds of the Coburg Club, was won by Norman Guy from E. G. Biggs, Fred Burns and Jack McCraith. It was noted that all major State titles at that period were shot from 20 yards.

A. Roberts of St. James (V.) won the Coburg Club's Grand Prix, 36/36, from Vern Dudley, 35/36. Dudley was for several years a member of the Executive Committee of the A.C.T.A.

Ten Years Ago

At Pooncarie (N.S.W.), over the Murray from Mildura, late in 1954, the Pooncarie Double-barrel Championship was won by the Broken Hill shooter W. A. Commons, with the excellent score of 65/65 from R. A. Richardson (Mildura), 64/65, and John Doyle, 28/30.

At Alexandra in South Australia the Alexandra Club's single-barrel championship was won by the present South Australian representative on the Executive Committee, R. A. Mules. Mules won outright with the only possible.

At Newcastle (N.S.W.), late in 1954, Doug. York of Quirindi, N.S.W., registered a break of 254 straight.

At Sale, in the East Gippsland section of Victoria, Clem Mudford, one of Australia's only two former Olympians, won the Victorian Clay Sparrow Championship from A. C. Tie.

At Queanbeyan (N.S.W.), just outside the National capital of Canberra, the New South Wales Walk-up Championship was won by R. Weston 19/20 (a good score) from R. Sands 18/20, and N. Edlington 16/20.

DANGEROUS

GIFTS

Shooting accidents are frequently noted through press reports — accidents, in most cases, that should not have happened. These happenings are of perennial problem to responsible sportsmen, which no legislation seems to be able to adequately counter. The present is the season when many younger members of many families could be looking forward to receiving a gun for the Festive occasion — no apology is offered in the following reminder to these young sportsmen and their parents.

It has been observed over the years that lack of proper supervision in the early days of association with the gun is largely responsible for the ultimate gun accident. The exacting course of safety drill should be drummed into the juvenile gun handler before he is ever permitted to even carry a loaded weapon. If the careful safety drill is properly absorbed, safe gun handling becomes second nature. The young shot who lacks parental control in his sporting education is always at a disadvantage, for he must be largely on his own as a self-taught pupil of a subject in which he cannot afford to make mistakes. He must fundamentally understand and always remember that a gun is a lethal weapon and must only be pointed at that which he wishes to kill — if he does this, he is half-way along the road to safe handling and safe shooting.

How anyone can fail to know whether a gun is loaded or not is hard to imagine, yet this feeble excuse is still trotted out as a defence — which, of course, it is not — in the majority of fatal accidents. No one can tell if a gun is unloaded unless he looks inside the breech, and he can only fail to discover this if he forgets

the simple rules: never to pick up a weapon without "breaking" it; never to hand to another or accept from him an unbroken gun; never to enter a house without first extracting the cartridges; never to fail to unload and leave the gun broken at the end of a drive.

The "unloaded" weapon which is often the cause of an accident usually goes off because it is being used for a purpose for which it was never intended. A shotgun is to be employed for shooting and shooting only, not as a walking stick to assist progress over a hedge or stile; a club for despatching wounded game; a towing bar for extracting bogged-down fellow-fowlers, or a tool for probing bushes and forcing an entry amongst thick cover. When not being used in its legitimate role, then let it be put down empty where it will not be tripped over or trodden on, or, if propped against some handy support, well away from clumsy movers and wandering dogs.

Over-eagerness and hasty shooting without regard to possible consequences always lead to trouble. As a batsman looks round the field before playing a ball, so should one make sure of the position of the other guns before firing a shot. Just because one's next-door neighbour is out of sight, it does not mean that he is out of range or behind cover thick enough to stop shot pellets. Remember, too, that the latter can ricochet, so if there is any doubt at all, do not shoot. And let us make quite sure of the identity of any target before shooting. A brown trilby with feathers in the band may resemble some exotic game bird at a distance, but the odds are that it will also contain a head.

Letters to the Editor...

9 Nautilus Crescent,
Scarborough, W.A.,

11th September, 1964.

The Editor,

Australian Clay Target Shooting
News,

G.P.O. Box 2038 S,

Melbourne, C.1, Vic.

Dear Sir,

WALK-UP SHOOTING CONDITIONS

May I crave space in your magazine to comment on your article in July, 1964—A.C.T.A. News, and to commend R. M. Holtfreter of Northam, W.A., on his article criticising the unsafe practice of shooting "Walk Up" with the gun to the shoulder.

As I understand it, the A.C.T.A. rule clearly states that in Walk-up shooting the gun may be held in "Any position of safety". Yet in the July, 1964, issue of A.C.T.A. News you state: If a shooter is holding his gun in any position other than as adjudged by the referee to be one of safety, then it is the duty of the referee to draw the shooter's attention to the breach of the rules and ensure that correction is made immediately. In the same article you inferred that a body, suspected of being the West Australian Council, were wrong in their insistence that this self-same thing be applied.

The West Australian Council of the Clay Target Shooting Association, in its wisdom, considered this matter at length and, to repeat Mr. Holtfreter's words, "Unanimously agreed that it was unsafe to walk down a shooting track with the gun clamped to the shoulder, gazing fixedly at a traphouse, waiting for the bird to emerge".

I consider that the West Australian Council, in the capacity of "Referee" for around 500 West Australian shooters, rightly took action to instruct clubs in West Australia that the method of shooting with gun-up was unsafe and would be discontinued forthwith.

I heartily agree with Mr. Holtfreter in his interpretation of this particular type of match as a "field" event, and could you or anyone else imagine a shooter walking through a swamp or bush stalking game with the gun "up to the shoulder"? I would most definitely say "No, that would be dangerous." Mr. Editor, I would refer you to a tried and trusted method which has been used by the British and Australian Armies for countless years, and that is the "High Port", a position where the gun is SAFE and can be brought into action at a second's notice.

Furthermore, I am sure a movie film of some shooters adopting the stance of gun to the shoulder would convince even the most stubborn and dogmatic that it is unsafe and rather stupid.

ARTHUR J. ANDERSON,
Perth, W.A.

ALBANY (W.A.), 29/8/64.—Weather conditions: good. Results: 50-bird D.T.L. D.B. Inter-Club Teams Match (off 16 yds.): B. Edmunds, 41/50; L. Harrison, 39/50; J. Downer, 36/50.

The attendance for the Inter-Club Teams' Match was disappointing despite the excellent weather conditions. The results also left a lot to be desired. The one pleasing feature of the day's shooting was the 25 break by Barry Edmunds—the first to be recorded by an Albany Club member.

22/9/64. — Weather conditions: good, fine, windy. Attendance: 14. Results: No. 1, 15-bird D.B.: J. Cameron, 15/15; P. Humphrey, 13/15. No. 2, 15-bird S.B.: P. Humphrey, 15/15; B. Edmunds, 14/15; D. Webb, 13/15; R. McCarthy, 12/15.

Fourteen competitors and a large crowd of onlookers made the shoot held at the Albany Gun Club on Sept. 20th a very successful one.

Peter Humphrey, of York, made the game look easy, and, from his handicap of 20 yds., shot his way to a creditable win. J. Cameron, off 14 yds., shot the first 15 birds, but lost a few on the S.B. event, to be runner-up with a score of 26/30. As usual, the ladies supplied a splendid afternoon tea.

(J. G. Harrison, Hon. Sec.)

The meeting attracted a good number of shooters, and four teams participated in a competition for the 2BS Radio Shield. Parkes Club wrested the shield from Bathurst and will hold the trophy for six months. Shooting first, Parkes team seemed to have the shield well in their keeping. Bathurst No. 1 was considered the main danger, but did not perform up to expectations. Bathurst No. 2

team returned a highly creditable score, to be beaten narrowly by only a few points.

Prior to the shield a trophy event was staged, and one-armed shooter Bob Hansen scored a really brilliant win in a shoot-off involving 10 other marksmen. Hansen shot 23/23 to beat Jim Watts and John Farrow, who were second and third respectively.

Bathurst Club will make its facilities available to Parkes Club for the Mick Smith Shield on October 17, and the following months Bathurst Club will conduct a comprehensive programme, including the Ampol Shield, inter-club teams competition, and the N.S.W. Night Deauville Doubles title. A most attractive programme has been drawn up.

BRISBANE (Qld.), 27/9/64.—Weather conditions: damp. Attendance: 39. Results: No. 1, 20-bird D.B. Pts.: div. E. Mende, J. Middlemass, W. Warby, 60/60 pts. No. 2, Bauman Cup (20-bird D.B.): 1st, K. Bamerry, 59/59; 2nd, E. Mende, 58/59; 3rd, D. Evans, 52/53. No. 3, 5 prs. D. Rise: 1st, R. Hogarth, 14/14; 2nd, B. Mackey, 13/14. No. 4, High Gun: G. Kable.

We were very glad to see so many visitors. We had shooters from New South Wales, New Guinea, Cloncurry, Clermont, Quilpie and Mackay, as well as our South Coast friends, and although the weather was drizzly, there was no wind, so shooting conditions were quite good.

There were four breaks recorded: Eric Mende had a "75", whilst Eric Wardrop, John Middlemass and George Parker made their "50's". This was typical of the considerable improvement in some of our forward markers. George Parker was particularly elated, because that was the first time he had figured in a shoot-off, and Eric Mende's keenness is undoubtedly rewarding of late; this shoot he shared in the first Sweepstake event with John Middlemass and Bill Warby, and then was second to Keith Bamerry in the Bauman Cup.

Keith Bamerry also had reason to be pleased when he won the annual perpetual prize given by Bauman's Gun Shop, as there were 13 possibles to be eliminated.

Four possibles emerged from the Double-rise event, but it took only two extra pairs for Ray Hogarth to win it.

One of our welcome visitors, Geoff Kable of N.S.W. won the Club Mug for High Gun.

Our second successive charity shoot, and from the reports I received, the attendance at the shoot was particularly disappointing. Those attending enjoyed a varied day's shooting, with the trophies being evenly distributed. A couple of our new shooters fared well, and to these shooters we offer our congratulations.

The ladies again provided us with an enjoyable afternoon tea which was appreciated by all.

Gresselle, G. Robinson, 9/10, div.

Fred Reade was unfortunate that our last event was shot at sparrows, as he had a 77 straight break after the C'ship was concluded.

The Committee are working hard to make Nov. 28th a bumper shoot for the I.C.I. Shield Team, the best event for the year. Many excellent trophies are being put on that day. For the winner there is a fine radio and for each member of the winning team there is a trophy.

24/9/64. — Weather conditions: good. Attendance: 44. Results: No. 1, 10-bird D.B.: 11 possibles div. No. 2, Camberwell Dist. D.B. C'ship (20 birds off 16 yds.): 1st, G. The President welcomed Harold Smith (Portland), Rex Millard and Howard Durbridge (Tyrendarra) and R. Peacock (Kerang) amongst the many visitors. The attendance was a bit disappointing for such a fine day, but nevertheless those who came along had a good day's sport.

It was very nice to see Jock Stevens and Alex. McCulloch win the C'ship. Alex. has only been shooting over the traps for three weeks, and to master the conditions was a very fine effort by both.

Nasser (Clermont).

This was the first time that the Clermont Gun Club have conducted a two-day shoot, and all shooters agreed it a total success.

Barry Nasser took out most honours — the Patron's Trophy, the Central Highland C'ship and the I.C.I.A.N.Z. High Gun over the two days.

The £100 Handicap was shared between P. Maguire, R. MacDonald, E. Moyse and D. Goldsworthy. Doug is only a young shooter, and it was pleasing to see him share the winning prize — also the Belyando C'ship.

Shooters from Mackay, Quilpie, Barcaldine, Rockhampton and Ilfracombe took part in all events and enjoyed a really magnificent dinner held on the Saturday night.

(Miss Jane Kennedy, Hon. Sec.)

Pleasing to see Murray Bailey, who made his first appearance and shot very well. John Bennetts came late and looks like a prospective member — has some nice guns.

It is suggested for our October shoot that shooters and friends bring a steak, etc., and finish the afternoon with a barbecue.

No. 3 event was won by Don Corstorphane (Colac), 20/20, after a tie with two others; and No. 4 brought victory to Jack Ford (Geelong), 60/60 pts., again after a tie with two other shooters.

CROYDON (V.), 12/9/64.—Weather conditions: patchy. Attendance: 50. Results: No. 1, Club D.B. Sparrow C'ship: 1st, W. Hailes Jr., 20/20; 2nd, R. Adams, 23/24; 3rd, C. Pankhauser, 22/24; 15/16 yds., F. Quite a good attendance despite the inclement weather. Bill Hailes Jr. won the C'ship outright, with Geoff Read and Cyril Pankhauser finishing 2nd and 3rd respectively after a tie score of 19/20 each and then shooting it out. Nice to see such good sports take the major prizes. Our congratulations to each, and also to the yardage winners, both very regular supporters of this club. The lucky lady was Mrs. G. Robinson, also a regular visitor to our shoots.

24/9/64 (Night).—Weather conditions: perfect. Attendance: 62. Results: No. 1, Club D.B. Spring C'ship: 1st, W. Dalzell, 42/42; 2nd, C. Pasquini, 41/42; 3rd, R. Millard, 27/28; 15/16 yds., T. Morris, 23/25; 12/14 yds., K. Aurisch, 19/20.

Very good to see such a large array of shooters who, with weather conditions made to order, had a night of good shooting. After four scoring the possible, Bill Dalzell won the sash and trophy from Carlo Pasquini after another 22 birds, third place going to Ray Millard. Congratulations to all. The yardage trophies went to Tom Morris (15/16) and K. Aurisch (12/14). Our congratulations to them also. The lucky lady to draw the winner of the event was Miss Shirley Henwood, the daughter of Percy Henwood, one of our very regular shooters.

A barbecue preceded the shoot, in which the ladies of the committee did a good job, apart from providing a very nice supper for the shooters.

26/9/64.—Weather conditions: ideal. Attendance: 42. Results: No. 1, Prahran Firearms Head (30-bird D.B.): 1st, R. Buchan, 41/41; 2nd, B. Roberts, 40/41; 3rd, E. McGoldrick, 38/40; 15/16 yds., W. H. Ludbrook, 38/40; 12/14 yds., E. Colautti, 33/34. No. 2, Annual Teams Shoot: Croydon, 148/150, defeated Camberwell, 146/150.

A pleasant day, a comfortable number of shooters and a happy ending — four shooters got the possible, and after another 11 birds, Bob Buchan ran out the winner from Bruce Roberts and Eddie McGoldrick, with the yardage trophies going to Orm. Ludbrook (15/16) and E. Colautti (12/14). Congratulations to all. The lucky lady was Mrs. J. H. Goulding.

Our thanks to Prahran Firearms for their donation of all trophies, which were greatly admired by all. Croydon (148) beat Camberwell (146) for the Annual Shield Teams shoot.

(A. L. Haughton, Hon. Sec.)

DARWIN (N.T.), 6/9/64.—Weather conditions: fine. Attendance: 14. Results: No. 1, 5 pr. D/D. No. 2, 10 pr. D/D.: R. Viney - R. Risk, S. Lorman - C. Kloubek, 8/10 prs., div. No. 3, 10 pr. D/D.: R. Viney - R. Risk, S. Lorman - C. Kloubek, 8/10 prs. — shoot-off: R. Viney - R. Risk defeated C. Kloubek - S. Lorman.

Although a small number of members present, some good pairing was evident. Weather was fine, although the wind at times made conditions interesting. Ray Viney and Mick Risk put up an excellent team, with C. Kloubek and S. Lorman just missing out.

(P. Mandus, Hon. Sec.)

DENILQUIN (N.S.W.), 19/9/64.—Weather conditions: fine and sunny. Attendance: 22. Results: No. 1, 10-bird D.B.: B. Addison, J. Hickford, K. Dobson, D. Mertz, R. Lawson, Mrs. Daly, K. Renwick, R. Howitt, E. Downie, J. Crozier, F. Baxley, J. Kissel, J. Boyd, div. No. 2, President's Trophy: R. Howitt, 23/23; K. Renwick, 22/23; H. Horsfall, F/M. No. 3, Club D.B. C'ship: R. Lawson, 43/43; G. Daly, 42/43; Mrs. Daly, 24/25; D. Lowing, F/M. No. 4, Club Mug: Mrs. Daly, 17/17.

A fine, sunny day was enjoyed by all for the President's Trophy and Club D.B. C'ship, and a roll-up of 22 shooters made the day successful. Several new shooters were present from Echuca and Denilquin. Robert Howitt again made his presence felt when he outstayed Kevin Renwick to win the President's Trophy, whilst Hank Horsfall from Echuca received the front markers' trophy.

Me thinks that the Club C'ship should be the Secretary's gift, as for the third year in a row the shooters have held off and let me win this event, President Garry Daly being second this year, with Mrs. Daly third. David Lowing received the front-mark trophy. Mrs. Daly, with 17/17, won another Club Mug, and is starting to gather quite a few of these together. The cuppa provided by the ladies was most enjoyable.

Congrats. to Joe Raleigh on his win in the Double Rise C'ship. Merv. Kedzie shot well to take second placing. Father-and-son combination, Ron and Alan Moffatt, proved too strong in the doubles event.

A welcome was extended to visiting shooters from Coff's Harbour and Guyra.

(W. E. Darley, Hon. Sec.)

DULACCA (Qld.), 2/8/64.—Weather conditions: very cold and gusty. Attendance: 12. Results: No. 1, 5-bird D.B.: 3 shooters div., 5/5. No. 2, 15-bird S.B.: 1st, D. Frith, 15/18; 2nd, J. Sheahan, 14/18. No. 3, 15-bird D.B. Pts.: 1st, H. Robinson, 41/45; 2nd, D. Frith, 37/45.

A very bad day for shooting — gusty and very cold. These conditions were, I'm sure, responsible for not good scores on the day. Congratulations to D. Frith for winning the \$15 event over the two shoots. A new shooter in H. Robinson took out the points event with 41/45; congratulations and welcome to the club, Hugh. The least said for other scores, the better, I think.

6/9/64. — Weather conditions: fine and windy. Attendance: 11. Results: No. 1, 5-bird S.B.: 1st, D. Hamilton, 5/5. No. 2, 15-bird S.B.: 1st, D. Frith, 14/15; 2nd, I. McKay, 15/17. No. 3, 10-bird Pts. (3 and 2): 1st, I. McKay, 36/36; 2nd, D. Frith, 33/36.

A fine day, with a gusty little northerly blowing. Well, it was all D. Frith and I. McKay today. Don took out the S.B. with 14/15 and ran second in the points with 33/36. Inn took the points event with 36/36 and ran second in the S.B. with 15/17. Nobody else got a look in. Shooting down-the-line, Ted White went as far as the pulling handle and still couldn't miss. Have to extend the pipe soon. Bert Colson back today after the flu; can only shoot dogs now.

(L. F. Oliver, Hon. Sec.)

DULVERTON (Tas.), 6/8/64. — Weather conditions: windy. Attendance: 30. Results: No. 1, 10 birds: M. Jenkins, F. Sulman, C. Allwood, 10/10, div. No. 2, T. V. Phillips' 25-bird H'cap: G. A strong side wind made shooting very difficult, T.V. Handicap going to G. Richardson, who with V. Mitchell were the only two to break possible out of 20 shooters. Very nice shooting; also congratulations to R. Ward, in third place, who broke the only 24. Front-marker went to M. Jenkins, 23/24.

Although the late afternoon became very cold, a good day was had by all.

(F. Sulman, Hon. Sec.)

Many thanks to G. Henkel for his assistance and all those who assisted in any way to make two days' really good shooting.

(J. Ackroyd, Sec.)

EAST. GOLDFIELDS (Kalgoorlie), 30/8/64.—Conditions: excellent. Only 14 shooters for our 50-bird D.B. Inter-club Shield shoot. The lengthy shoot and the finals of the football were the cause of the disappointing attendance.

Some of the best shooting seen at the local ground when four of our members recorded 50 straight. The Inter-club Shield shoot comprises the scores of the top five shooters at 50 birds D.B., and we are very pleased with our result of 248/250, which should put us well in the running for the 1964 shield and pennant. The team comprised Len Nangle, 50/

50; Bill Montgomery, 50/50; Peter McBride, 50/50; Arthur Kilgallon, 50/50; Norm Nelson, 48/50.

The shoot-off for the High Gun trophy saw the longest shoot-off yet performed on our grounds. Kilgallon was fourth with 53/54, Nangle third, 66/67. McBride and Montgomery continued until McBride finally won, 138/138, from Montgomery, 137/138.

Bill Montgomery had the distinction of shooting the first 115 birds of this marathon shoot single barrel.

The Intermediate trophy on the shoot was won well by Doug Graham, 30/30, from Jim Lithgow, 29/30.

(W. Montgomery, P/O.)

ECHUCA (V.), 12/9/64.—Weather conditions: cold and showery. Attendance: 30. Results: No. 1, 10 birds: div. J. Kissell, K. Dobson, L. Gibson, A. Hipwell, C. Radcliffe, R. Peacock, D. Mountjoy, C. Johnson, F. Bradley, 10/10. No. 2, Club D.B. C'ship: 8 possibles — shoot-off: K. Dobson, 77/77; R. Lawson, 76/77; W. Coulson, 70/71. No. 3, 20-bird Trophy: D. Rumbold, 40/40; W. Coulson, 39/40; J. Kissell, 39/41.

A good roll-up of shooters, considering the weather conditions, and visiting shooters attending from Melbourne, Kerang, Moulamein, Quambatook, Huntly and Deniliquin.

Good shooting for the Club D.B. C'ship, with our congratulations to Kevin Dobson on winning with 77/77 (it was never in doubt) from Bob Lawson (Deniliquin) and Bill Coulson (Huntly). Congratulations to Dave Rumbold for a fine win in the trophy event from Bill Coulson and Jim Kissell. A hearty welcome to new club members Hank Horsfell and Lloyd Howard.

Ideal weather conditions and a very good roll-up of shooters ensured a successful afternoon's shooting. The attendance has been so good over the past few months that it seems another trap is warranted.

Shooters in neighbouring areas are advised that our monthly trophy is open to all-comers and an invitation is extended to anyone who would like to attend.

26/9/64. — Weather conditions: fine, slight wind. Attendance: 26. Results: No. 1, 5 pr. D. Rise: G. White, 1st, 10/10; D. Williams, N. Campion, J. Stone, J. Roach, 8/10, div. No. 2, 10 pr. D. Rise Trophy: R. Varley, 21/22; N. Campion, 20/22; C. Varley, H. Campion, H. Williamson, D. Ellis, 17/20, div. No. 3, 10-bird S.B.: C. Varley, H. Campion, G. White, 10/10. No. 4, 10-bird Pts.: G. White, R. Varley, B. Brazier, 30/30. No. 5, D'ville Doubles: I. Reid - R. Varley, 1st; A. Varley - N. Campion, 2nd.

Attendance not quite as good as last month, but still a good roll-up. Trap breakdowns caused a few hold-ups, but the full programme was completed as light was failing. It is hoped to have a second trap in operation shortly which will ensure that shooters get plenty of action irrespective of the number of competitors.

(F. R. Varley, Hon. Sec.)

GRIFFITH (N.S.W.), 26/9/64. — Weather conditions: windy, with cloud. Attendance: 20. Results: No. 1, 5-bird D.B.: 8 div., R. Lewis, L. Dow, N. Ellis, R. Bushby, H. Sim, G. Craze, K. Turner, J. Payne, div. No. 2, 10-bird Pts.: R. Lewis, 1st, 29/30 pts.; N. Ellis, R. Bushby, H. Sim, div. 2nd and 3rd, 27/30. No. 3, 20-bird Trophy (5 D.B., 5 S.B., 5 pr. D.R.): N. Ellis, 1st, 18/20; G. Another successful shoot was held. N. Ellis won the trophy event outright, R. Bushby and G. Craze tied, and after shoot-off, G. Craze gained second place and Bob third.

The Secretary was absent from the shoot, attending the shoot at Cobarr, and J. Payne managed the office very capably; many thanks, John.

HAMILTON (V.), 19/9/64. — Weather conditions: fine. Attendance: 25. Results: No. 1, 10 birds: div. V. Coates, L. Rundell, C. McIntosh, H. Vaughan, A. Simkin, L. Storer. It was gratifying to be shooting in fine weather again after the wet and blustery days experienced over the past few months. Two automatic traps were in operation for this shoot, and all in attendance were getting their eyes in for the big £250 Handicap on October 17. A. Simkin was the outstanding shooter of the day, dividing all four events and in

the shoot-off for the third event, winning the prize of a free nomination in the "250".

It was good to see past President Darey Watson back with us again.

(J. Ruffle, Hon. Sec.)

HARCOURT (V.), 12/9/64. — No. 1, 5-bird Pts.: div. K. Smith, H. McQueen, G. Ashman, N. Patterson. No. 2, 20-bird Mixed (10 D.B., 10 S.B.): Shoot-off between A. James, G. Ashman, E. Marriott — G. Ashman won from E. Marriott; A. James, 3rd; 12 yd. trophy, A. Godfrey. No. 3, 10-bird D.B.: After a lengthy shoot-off, div. A. James, N. Patterson, R. Saunders, W. O'Shannessy.

Congratulations to Graham Ashman on his convincing win, also to Allan Godfrey for his 12 yarder trophy. Weather quite good after a poor start. Shooters were welcomed from Daylesford, Learmonth, Huntly, Toolern. All in all, quite a good afternoon's sport, with the ladies, as always, attending to the catering.

(E. W. Marriott, Sec.)

HAWKESBURY (N.S.W.), 12/9/64. — Weather conditions: fine. Attendance: 23. No. 1, 10-bird D.B.: A. Hayes, A. Robotham, E. Pike, R. Cox, S. Simmonds, J. Thatcher, N. Newton, G. Kable, 10/10. No. 2, Edgell Trophy: 1st, G. Kable; 2nd, E. Hawkins; 3rd, A. Robotham. No. 3, 10-bird Pts.: L. Farnham, E. Hawkins, J. Thatcher, 30/30. No. 4, Cumberland Trophy: 1st, R. Clare; 2nd, J. Cox; 3rd, G. Quick, 10/10; A. Robotham, E. Pike, 9/10.

Ron Clare won the monthly Cumberland Trophy and Geoff Kable the Edgell Trophy. New shooters Rich. and John Cox shot very well; Ernie Hawkins, Geoff Kable and Morrie Quirk were also in good form.

(Adrian Hayes, Hon. Sec.)

HAY (N.S.W.). — Conditions: strong north wind. Attendance: 16. No. 1, Club C'ship (off 16 yds.): J. Headon, 1st; R. Carver, 2nd; H. Cox, 3rd. No. 2, 10 targets Pts.: div. R. Headon, Max Gibson, R. Carver, 30/30. No. 3, Box Sweep (off 20 yds.): N. Milliken.

The Club D.B. C'ship shoot saw a poor attendance of only 16 shooters, and including in the number three novice shooters. The day was not attractive for a big roll-up, due to a very strong north wind blowing continually throughout the afternoon. The performance of Jack Headon was full of merit and stands this shooter out as one of Australia's best. The real highlight of the day was the performance of a young shooter in Ray Carver in running second in the C'ship and dividing with two others in the Point Score. Due to his good performance in the C'ship, club marshal Harry Cox immediately placed him on the 14-yard mark in the Point Score event. It was good to see the return to form of Ron Headon (he is one of the local well-known Australian footballers and does not shoot during the football season).

A very good night's shooting, good attendance and very pleasant conditions for this time of the year. Competition was keen in the State Intermediate S.B. Congratulations go to Geo. Richardson for shooting the only possible; he was closely followed by G. Cleary and L. Johnston, 19/20, who finished second and third respectively. Paul Marshall outclassed the rest of the field to shoot a possible in State D.B. Sparrows, 30/30; J. Blake (Cressy), 2nd, and Sperry Marshall, 3rd. Congrats, Paul, it was a mighty effort on those little fellows. The front-marker was won by Max Jenkins.

Competition was very keen in the Club D. Rise Intermediate C'ship, and was won by G. Cleary. Congratulations to Graeme for his first C'ship; he is one of our youngest shooters in the club and having his first real try at double rise.

Congratulations to Paul Marshall for his win in the C'wealth S.B. Sparrows. Although no one could seem to master these little fellows, some first-class shots contested the event. Ultimately the field was very bunched, with Paul and Vic. Mitchell shooting off for the honour. A very pleasant day's shooting, under very pleasant conditions, was had by all.

(Sperry Marshall, Acting Sec.)

HOPETOUN (V.), 12/9/64.—Weather conditions: showery. Attendance: 46. Results: No. 1, 5 birds: div. D. Poulton, S. Childs, G. Strauss, E. McMillan, N. Hinneberg, G. Dalton, R. Ferrier, J. Couden and C. Mitchell. £50 H'cap was divided between J. Wishart, G. Strauss, R. Ferrier, D. Martin, H. Moore, T. Casey, C. Mitchell.

Night Shoot. Thirty shooters stayed to compete. Weather showery. Visitors from Kew, Ballarat, Horsham, Warracknabeal, Rainbow, Swan Hill and Mildura.

Thanks to the ladies for afternoon tea and a barbecue tea. Nice to see an old veteran shooting, namely Bill Gresselle.

(A. R. Hudson, Hon. Sec.)

HORSHAM & DISTRICT (V.), 5/9/64.—Weather conditions: cold and dull. Attendance: 33. Results: No. 1, 5-bird H'cap: 18 shooters div. No. 2, 15-bird £25 H'cap: div. W. Drendel, I. Harris, A. Featherby. No. 3, 10-bird H'cap Trophies: 1st, W. Drendel, 51/51; 2nd, R. Preuss, 50/51; 3rd, J. Hinneberg, 45/46.

Once again a good muster of shooters, and some very good shooting. Wally Drendel really striking form, to finish the day with 74/75. Thanks to all the shooters for coming along, also to all those workers who helped us with this shoot, not forgetting our ladies, who once again put on afternoon tea.

Two shooters qualified for the 50-break badge—Wally Drendel and wonder of wonders myself. Must be something in the old saying, keep up enough lead and they're bound to run into it.

(Norm Stewart, Hon. Sec.)

HUNTLY (V.), 5/9/64.—Weather conditions: fair. Attendance: 50. Results: No. 1, 10-bird D.B.: div. 16 shooters. No. 2, Huntly Shield (20-bird D.B.): 1st, Huntly No. 1 (W. Coulson, O. Dowker, T. Preston, G. Ashman, D. Mountjoy), 143/150; 2nd, Kerang, 140/150. Highest score over shield shoot: F. James. No. 3, Midlands Dist. D.B. C'ship: 1st, F. James (Kerang), 78/78; 2nd, N. Patterson (Ballarat), 77/78; 3rd, B. Hartley (Sebastopol), 45/46.

Huntly conducted the Huntly Shield and the Midlands D.B. C'ship at their monthly shoot. Ten teams were entered, with Huntly No. 1 and Kerang being the highest scores, 95/100, and after a shoot-off at 25 targets, both teams were still even, so another 25 targets were shot at, Kerang missing three and Huntly returning the full score to give them victory by 3 targets. The highlight of the shoot was the shooting of Kerang shooter F. James, who only missed one target over the programme to give him a 100 break—well done, Frank. I believe your first 50 break was also shot at Huntly, which seems to be a happy hunting ground for Kerang shooters.

(J. E. Jones, Hon. Sec.)

IPSWICH (Qld.), 6/9/64.—Weather conditions: perfect. Attendance: 25. Results: No. 1, 5 birds: 13 div. No. 2, Mixed Birds Club C'ship: D. Ross, 23/28; S. Smith, 27/28; J. Smith, 26/28. A very good day for shooting, and once again the shooting was very keen for our Mixed Birds C'ship, which was won by D. Ross after a good shoot-off with S. Smith, J. Smith and G. Smith. Congratulations to the winner. D. Ross also won the High Gun. It was pleasing to see shooters from Far North, also N.S.W., attending our shoot.

(K. G. Smith, Hon. Sec.)

(Paul McGovern, Hon. Sec.)

KOJONUP (W.A.), 13/9/64.—Weather conditions: excellent. Attendance: 17. Results: No. 1, 50 Skeet Club C'ship: 1st, C. Marsh, 45/50; 2nd, A. R. Anderson, 44/50; 3rd, T. Cusack, 42/50. No. 2, 10-bird S.B.: J. Downer, R. Anderson, 9/10; K. Anderson, R. Cusack, K. Eatt, 8/10. No. 3, 10-bird S.B. (from 24 yds.): A. R. Anderson, 7/10; K. Eatt, 6/10; K. Battersby, 4/10.

Charlie Marsh has a motto which is rather disheartening to his fellow shooters, and that is "That one good championship deserves another." Today he put it into effect by winning the 1964 Skeet Club C'ship, 45/50, from Athol Anderson, 44/50. Charlie, previously having won the 1964 D.T.L. Club C'ship, can now be called a champion in the true sense of the word. Well done, but really, Charlie, we knew all this before. Repeated proof on your part isn't at all necessary. No, sir, not at all. The final round of the Skeet C'ship was for the Inter-club Skeet Teams Match.

(Keith Anderson, Hon. Sec.)

Our first annual all-day shoot for some years went off with great success, despite it rained the night before and looked as if it could still rain.

We were very pleased to have shooters from Richmond, Hughenden and Cloncurry to contest the McGregor Shield, which is shot for between teams of the Nth. Western Qld. clubs. Congratulations go to Richmond, who just pipped McKinlay to the post.

Congratulations go to the High Gun winner D. Hatfield, and the best 12/16 yd. went to A. C. Selke.

Some shooters had to go home early because of the rain that came up late in the afternoon, hoping they got home without any trouble.

Fine weather saw a good roll-up for the club's first Double-Rise C'ship, in which Reg Ward of Otlands staged a classic exhibition of trap shooting, recording the only full score of 20/20. Eric Sharman of Beulah (Tas.), 17/20, was second from George Pinner (Launceston), 16/20. G. Tilyard (Launceston) took out the F/M. trophy after a shoot-off with Harold Neville of Devonport, this being Tilyard's first trophy win.

Ideal conditions did not attract the crowd we had hoped for, but we were pleased to see visitors from Toogoolawah and Ipswich take their share of the prize money. Once again the back-markers gave us a good exhibition of how it should be done.

Our thanks to all shooters and to the ladies.

Considering the elusiveness of the little sparrow, scores were quite good, particularly that of Henry Constable. The High Gun trophy donated by I.C.I. was well earned.

Our thanks to George Henkel for his assistance as shoot marshal, and in other ways. We trust that our visitors enjoyed the shoot.

Perfect weather conditions saw an excellent attendance of shooters from Victoria and Lower South East compete for a good programme of events. The new electric traps are tricking many of the usually good shooters, but there were some very good scores turned in.

Congratulations to all prize winners, especially Geoff Squire and Malcolm Earl for a very good afternoon's shooting.

Rise C'ship and shot consistently well to finally win the handsome High Gun trophy. President Norm Camps won the Walk-up C'ship and received a very nice trophy.

Several members have been recommended for handicap. The recent improvements to the clubhouse were well received, and the intended children's playground will be a boon to harassed mothers.

27/9/64.—Weather conditions: extreme glare and gusty winds. Attendance: 19. Results: No. 1, 5-bird D.B.: R. Waller, L. Wilton, C. Toole, 5/5. No. 2, 10 pr. D'ville Doubles: N. Camps - R. Waller, 9/10; V. Sandr - D. Lane, 8/10; Mrs. D. Buscombe - Mrs. J. Blogg, 6/10. No. 3, Western Highlands Dist. D'ville Doubles C'ship (20 pr., 20 yds.): N. Camps - R. Waller, 16/22, from D. Verrenkamp - B. Blogg, 15/22; V. Sandr - D. Lane, 13/20. No. 4, 10 pr. D. Rise: J. Middleton, 1st, 14/20; V. Sandr, D. Lane, 12/20; J. Blogg, L. Wilton, D. Verrenkamp, 11/20. No. 5, 10-bird D.B. £10 H'cap: D. Lane, 10/10, 1st; N. Camps, 9/10, 2nd; V. Sandr, J. Middleton, 3rd.

Bob Waller and Norm Camps took off the Western Highlands District D'ville Doubles Clay Target C'ship on Sunday, Sept. 27, with 16 out of 22, from Don Verrenkamp and Barry Blogg, on 15 out of 22. Both shooting pairs shot off for first place, but the shoot-off only went the two rounds when Verrenkamp and Blogg dropped their pair. Vic Sandr and Bill Lane were placed third, with 13 out of 20.

Shooting generally, over the whole day, was way below usual standard, and this was perhaps due to the extreme glare and gusty winds, or on the other hand, it could have been due to the side effects resulting from the Doctor Boyall benefit dance held the night before by the Western Highlands District Rugby League Club.

Waller and Camps also won the second event, which was a 10 pair D'ville Doubles, with Vic Sandr and Bill Lane taking second place with 8 out of 10. Lady shooters Mrs. Doreen Buscombe and Mrs. Judy Blogg gained third place in this event with 6 pairs out of 10. Bill Lane took off the £10 cash handicap with the only possible, with N. Camps second and Vic Sandr and J. Middleton equal third.

The 10 pair Double-Rise event was won by Jim Middleton with 14 out of 20, with Vic Sandr and Bill Lane following with 12 out of 20. Sandr beat Lane on a shoot-off for second place. For their win in the C'ship, Bob Waller and Norm Camps received the Hagen Coffee Mill Shields, an A.C.T.A. C'ship badge each and a trophy each consisting of a four-piece crystal salad server. Trophies were also given for second and third pair placings.

At the conclusion of the programme the club President called upon the Patron of the club, Mr. Ross Bucknell, to assist in the presentation of trophies.

A large number of Mount Hagen residents attended the shoot, and a number of Wewak visitors were also present. Two Wewak people participated in the shooting and did quite well. New shooter Owen Jones shot particularly well for his first experience at clay target shooting, and if enthusiasm counts for anything, Owen will make a very good shooter and club member.

For the Clay Target C'ships of the Territory of Papua and New Guinea, which will be shot over the week-end of November 28 and 29, I.C.I. have again made available the services of veteran trap shooter Don Seowcroft. Don Seowcroft is a gifted shooting tutor and one of Australia's, if not the world's, better shots. He will be refereeing the Clay Target C'ships, which will be run under State rules, and in addition will be conducting shooting schools in the Wahgi Valley, Goroka, Lae and Port Moresby.

The Hagen Gun Club recently visited Tarangan Gun Club at Manus Island and spent a most enjoyable week-end with our Navy friends. The Mount Hagen shooters found the Manus trap to be a difficult one, due to the fact that hardly any birds thrown by the trap could be classed as a regulation bird. In competition no Hagen shooters scored a possible, and Ken Millington of Tarangan had this honour. However, the final scores put Hagen in the lead in the clay target shooting, beating Manus 79 to 59. A most marvellous time was had by all, and people even now are clamouring to be placed aboard next year's charter.

A fine display of shooting by club Vice-President, Bruce Wenban, won for him the Commonwealth Tower C'ship. He scored the only possible — 40 kills — in this event. This completes a series of championships for Bruce, as he now holds Parkes District, Central Western District, Mid-West Dist., N.S.W. State and C'wealth Tower C'ships — a remarkable performance. Consistent shooting throughout this entire programme ensured Bruce's winning of the Overall High Gun Trophy and also the Night C'ship. Robert Ellison won the day c'ship event after a close shoot-off with Les Morris.

In retaining the Tyack Shield, Parkes team scored 95/100, which gave them a clear win. Shooting for Parkes were J. Scott (20), T. Lawler (19), G. Wilson (18), C. Bradley (18), E. Weaver (20).

PERTH (W.A.), Sun., 13/9/64. — Club D.B. C'ship and Inter-Club D.B. Teams Match (Crackel Shield). Thirty-two members shot under quite good conditions, the competition being over 50 birds. Results generally were below the usual standard.

Chas. Ellies added another trophy to his collection after a shoot-off with John Webster,

second, and Alf Hunter, third, each having scored 48/50 initially. G. Bailey, L. Smith, A. Coleman, J. Philipoff, N. Wells, 47/50.

State C'ship Meeting, 25-27/9/64. — 100 shooters from all but two W.A. clubs, and including visitors from Darwin, Sale and Shepparton, helped to make a very successful week-end. A variety of weather conditions, including a cloud-burst at midday on the second day, did not make for good scores, and the State Team had to cope with almost gale-force winds during their shoot early on the third day. Breakdowns in two new traps early in the programme caused some delay, but the shoot was concluded in good time and without complaints, whilst there were some good individual scores in the various events.

Frank Bailey Memorial H'cap (30 birds D.B., 17 yds. and back): 1st, R. Burton; 2nd, A. Hunter; 3rd, P. Hough. 16 yds. and forward: 1st, D. Wiese; 2nd, D. Secker; 3rd, J. Battersby (29/30). R. Burton won the shoot-off against D. Wiese for the special trophy donated by Mrs. Bailey.

State Team Elimination (50 birds from 18 yds.): 1st, R. Burton; 2nd, P. McBride; 3rd, D. G. Anderson (49/50). Yardages: 12/14, Margaret Downer; 15/16, J. B. Cooke; 17/18, J. H. Harris; 19 and over, G. Bailey. High Gun in State Team: P. McBride, 49/50 and 34/34; 2nd, R. Burton, 49/50 and 33/34.

State Intermediate S.B. C'ship: 1st, D. Martin; 2nd, K. Anderson; 3rd, T. Rose. Yardages: 12/14, J. McGeachie; 15/16, J. G. Downer. Back-markers' Event: 1st, C. Ellies; 2nd, E. Humphrey; 3rd, F. Durbridge.

Metropolitan H'cap (20 birds D.B.): 1st, R. Webb; 2nd, W. Coleman; 3rd, N. Wells, after shoot-off.

Spencer Colliver Memorial Handicap (30 birds D.B., 17 yds. and back): 1st, W. Montgomery, 29/30; 16 yds. and forward: 1st, J. B. Cooke, 30/30 (also won the special trophy, donated by Mrs. Colliver, after shoot-off with W. Montgomery); 2nd and 3rd, div., 17 yds. and back: N. Wells, D. Watts, D. Morgan, J. H. Harris; 16 yds. and forward: A. Yozzi, K. Anderson, A. Kilgallon.

State D. Rise C'ship: 1st, D. Morgan, 26/30; 2nd, E. Harris, 25/30; 3rd, R. Burton, 24/30. High Gun Gold Badge (Open): D. Watts, 135/150 after shoot-off with T. Catling. High Gun Silver Badge (16 yds. and forward): T. Rose, 132/150.

The last-mentioned prize winner received a great ovation. Tom took up shooting at the age of 57 and has been competing for a good many years; he would be more than double the age of quite a few who shot at the meeting, but still travels far and wide to shoot in various clubs' open competitions.

Winner of World Clay Pigeon Championship in 1961 at Oslo (Sweden), and European Championship at Bologna (Italy) 1964, also Olympic Champion at Tokyo, 1964.

POONCARIE (N.S.W.), 5/9/64. — Weather conditions: cool, cloudy and light rain. Attendance: 22. Results: No. 1, 5-bird D.B.: div. M. Sims, D. Wakefield, C. Wakefield, D. Lambert, E. Smith, D. Martin, K. Wakefield, I. Crozier, C. Farrell, M. Lambert, D. Crozier, J. H. Trask, 5/5, div. No. 2, 10-bird D.B.: W. Hammat, C. Wakefield, A. Barnes, E. Smith, D. Crozier, C. Farrell, D. Martin, L. Martin, M. Sims, W. K. Wakefield, 9/9, div. No. 5, Miss-out: F. Barnes, M. Sims, div.

We were pleased to see a good roll-up of shooters at our try-out of the newly installed trap. Full marks must go to Don Martin of Mildura for a very good win in the trophy event. Our official opening will be held on the 7th November, and will forward further details of the programme in the near future.

Rain stopped shooting late in the afternoon. Special thanks to the ladies for an excellent afternoon tea.

PUCKAPUNYAL ARMY (V.), 27/9/64. — Weather conditions: wet and windy. Attendance: 45. Results: No. 1, 5 pr. D. Rise: J. Henwood, 10/10. No. 2, Club D. Rise C'ship: 1st, W. Coulson, 25/26; 2nd, Jock Drake, 24/26; 3rd, Bill O'Shaughnessy, 19/22; F/M., D. Kaufman, 12/20. No. 3, Trophy H'cap (20-bird D.B.): 1st, J. Birch, 31/31; 2nd, A. Harrod, 30/31; 3rd, B. Williams, 23/24. No. 4, Teams Shoot: Puckapunyal Team (J. Summers, J. Birch, B. Williams, D. Nicholls, A. Jones), 93/100. High Gun: Jock Drake. Ladies' Trophy: Mrs. Edgerton.

Bad weather, with strong winds and rain most of the day, made shooting difficult. The D. Rise C'ship did not see a possible scored; those with 19/20 points faced up for the shoot-off. Bill Coulson emerged the victor. The combined teams shoot and trophy handicap revealed how fortunes alter. The Metro team faced up for their last 25 with 3 birds in hand to beat Pucka., but those 25 proved too elusive and they finished with 91.

Aust. team, who also have one leg in, had gun trouble, and this could have upset them a bit; they finished with 86. Puckapunyal team had 3 possibles, an 18 and 15, to get their names on the board, with 93/100. Four shooters only shot 20 in the handicap: Summers, B. Williams, Birch, Harrod.

The shoot-off got away to a good start: Summers missed the first bird, Brian Williams did the same thing, leaving Jim Birch and Alan Harrod to carry on. Jim Birch proved too consistent for Alan, who took second place. Brian Williams out-stayed Jim Summers to take out third.

High Gun was taken over all kills; Bill Gresselle was the unlucky shooter here, going down by one bird to Jock Drake.

QUEANBEYAN (N.S.W.), 26/9/64. — Weather conditions: fine, light breeze. Attendance: 49. Results: No. 1, 10-bird S.B. (off 16 yds.): div. R. George (Crookwell), K. Oldfield (Cootamundra), W. Woodhouse (Berridale), G. Tilyard, 10/10. No. 2, 20-bird Southern Dists. of N.S.W. S.B. C'ship: 1st, Mrs. Pat Byrne, 21/21; 2nd, A. Southwell (Yass), 20/21; 3rd, W. Mackay, 30/31. No. 3, 20-bird Central and Southern Gun Club Council Intermediate D.B. C'ship: 1st, R. Turbit, 25/25; 2nd, Mrs. Pat Byrne, 28/29; 3rd, A. Edlington, 27/29. No. 4, 30-bird £100 H'cap: div. G. Tilyard, W. Woodhouse (Berridale), A. E. Vost (Shoalhaven), N. Nicholson (Crookwell). No. 5, 20-bird Southern Dists. of N.S.W. D.B. C'ship: 1st, N. Nicholson, 55/55; 2nd, C. Spence (Tathra), 54/55; 3rd, D. Byrne, 49/50. No. 6, 10-bird D.B.: div. W. Webster, R. George (Crookwell), G. Tilyard, W. Jordan, B. Hall, K. Pollard, 10/10, div.

As results show, we had a pleasing attendance of shooters from both neighbouring and far-off clubs, which also included Cowra, Dalton, Gunning, Goulburn and Parkes.

The only lady shooter, Mrs. Pat Byrne, was a popular winner of the S.B. C'ship. She was also second to Dick Turbit in the Intermediate C'ship. There were several promising front-markers. Bob Brown won his first trophy with 18/20 in the S.B. Albert Perrey of Bairnsdale won the £5 for 12/13 yadders in the Handicap with 38/40 after a shoot-off against K. Lister.

ROYAL AERO (N.S.W.), 29/8/64. — Weather conditions: dull. Attendance: 27. Results: No. 1, 10 birds: B. Kable, Butt, Thompson, Smith, Reid, Ray, 10/10. No. 2, 10-bird Pts.: B. Kable, G. Kable, Mooney, Alles, Oldfield, 30/30. No. 3, £25 H'cap: B. Kable, Thompson, Woolen, 15/15. No. 4, R.A.C. Inter. D.B. C'ship: 1st, Papagorgeou, 26/28; 2nd, Clisdell, 25/28; 3rd, Mooney, 35/38. No. 5, 10-bird D.B.: Ray, Papagorgeou, Clisdell, 10/10. No. 6, 5 pr. D. Rise: Webster, 10/10. No. 7, 5 birds (27 yds.): Ray, Troester, Craig, Clisdell, Papagorgeou, 5/5. No. 8, 5 pr. D. Rise: Reid, Troester, 9/10.

Owing to early showers, the attendance was somewhat lower than usual. The number of possibles shot over the afternoon seemed to suffer accordingly. Barry Kable shot with his usual consistency in the first three events. Papagorgeou also was in very good form to win the club's Intermediate D.B. C'ship.

(John P. Rose, Pub. Officer.)

ST. GEORGE (Qld.), 28/8/64. — Weather conditions: fine, clear. Attendance: 13. Results: No. 1, 10-bird D.B.: div. 8 shooters. No. 2, 10-bird S.B.: div. C. D. Stewart, I. Nicholson, F. Murphy, 10/10. No. 3, 20-bird D.B.: C. McD. Whyte, 44/44; C. D. Stewart, 43/44; I. Nicholson, 32/44. No. 4, 5 prs. D. Rise: H. B. Wade, 9/10. No. 5, 5 prs. D. Rise: H. T. Siddins Jnr., 10/10.

The third event was the first round of three to be held for Mrs. H. B. Wade's Trophy. The shooting was very keen, with 11 of the 13 shooters finishing with 19 or better.

Attendance a little disappointing, but the inevitable clash with other things going on in the district was no doubt the cause.

(W. E. Cooke, Hon. Sec.)

SHEPPARTON (V.), 29/9/64. — Weather conditions: good. Attendance: 44. Results: No. 1, 10 birds: 18 div. No. 2, 20-bird High Gun Trophy: 1st, N. Jordan; 2nd, V. Ryan; 3rd, H. Nihill. At long last Norm Jordan got his third leg-in by taking out the main trophy event and winning the coveted high-gun trophy, with V. Ryan of Dookie second and H. Nihill from Tatura third.

A Quail event was put on and caused quite a bit of excitement. Vic Bussell of Wangaratta was the winner after a shoot-off; second was C. Johnson of Colbinabbin, with J. Piastri third. Asked after the match how was it, he shot so well on this track, Vic replied, "Where I come from you shoot when you hear them, not when you see them."

The ladies' trophy was won by Mrs. C. McMillan from Melbourne. The ladies again provided a good afternoon tea and was much appreciated.

(V. Lawford, Hon. Sec.)

Poor attendance as a result very busy period on sugar expansion, and everyone was busy as the result. Shooters from Townsville and Atherton. The State D. Rise C'ship was a very closely contested event, as after a lengthy shoot-off between S. Cardillo and F. Guerra, Cardillo really tried, and won after Frank froze on his trigger. M. Di Mauro won the Silkwood District C'ship, this being his second, as he won it last year.

Krabbenhoft won the 17 yds. and under High Gun. Some fine shooting was seen, as many shooters divided the prizes. J. Gilmore of Atherton is an improved shooter of late and soon will be in the money.

Townsville shooters were live wires all day. Very nice to see you, boys, here again. Many thanks to ladies who served a nice lunch and barbecue.

We were disappointed that we could not get teams from Mildura or Broken Hill to compete against us in a Teams shoot, but we had an enjoyable shoot despite the weather. We were pleased to welcome G. Parker from Brisbane and Arch Commons from Broken Hill to our Anniversary shoot. Congratulations to all winners, and our thanks to all helpers and the ladies in the canteen.

We are very pleased to have the Chesney Shield once again in our possession. Club Captain Ray Hogarth shot for Brisbane Club, but by the result, I think they will decline his services in future.

Our congratulations go to all trophy winners, but particularly to Nelson Norris for his win of the Club S.B. C'ship. Nelson has been in semi-retirement from the sport; we hope this win wets his appetite.

13/9/64.—30 shooters. No. 1, Club Mixed Birds C'ship: 1st, R. Gehrman, 38/40; 2nd, G. Ferguson, 37/40; 3rd, C. Ferguson, 35/40.

Our congratulations go to Ray Gehrman for his outright win of the Club's Mixed Birds C'ship and also the Club Mug. Our old friend Nelson Norris bobbed up again to win the D.B. Trophy. Nelson had classified himself as a semi-retired shooter; we will look forward to his next appearance.

After a week of good weather, Sunday, once more, was wet and very windy, which may have been a good thing, otherwise Bob Mules (State President), who favoured us with his presence, may have scooped the pool completely. Despite the weather we again had a good muster of shooters, including several visitors and four new members, whom we are very pleased to welcome to the club, and we hope they can continue to shoot as well as they did today. Thanking all for your continued support.

Well, what a reversal of form we saw today; the seasoned shooter just could not cope with the conditions at all. Yet George Cheadle couldn't go wrong. The day proved a great success with such a good crowd, yet the weather could have stopped anyone.

Congratulations to Mrs. Peacock on taking off the ladies' spectator trophy.

(K. K. Beasy, Hon. Sec.)

TYRENDARRA (V.), 12/9/64.—Weather conditions: windy. Attendance: 45. No. 1, I.C.I. Inter-District Teams. No. 2, Portland West Coast C'ship. The Wimmera team won the Teams event from the Western District.

Scores: Wimmera 282, Western District 279, South East 269. Nice to see the Wimmera win. The captain of the team, D. Bull, who is, incidentally, President of the Kowree Shire, made a very nice speech when responding to W. Duncan, President of the Western District Gun Clubs' Assoc.

In the Portland West Coast C'ship, six shooters shot the possible in very windy conditions: K. Wait, D. Bull, H. McLeod, C. Budde, Rex Millard and V. Coates—D. Bull winning from V. Coates, 54/55; H. McLeod, 44/45, third. Vic would have liked to win, being 30 years married that day.

Many enthusiastic remarks were passed about our new clubhouse. The ladies served 110 luncheons, together with afternoon tea, to about 50 shooters, with their wives and families. Thanks, ladies.

(Harold Smith, Sec.)

VICTORIAN (V.), 2/9/64.—Weather conditions: showers. Attendance: 22. Results: No. 1, 10-bird Pts. Cash: 1st, div. W. Attwood, R. Jones, 30/30; 3rd, J. Pater, 28/30. No. 2, 20-bird D.B. H'cap Trophies: 1st, F. Schultz, 22/23; 2nd, W. Attwood, 23/25; 3rd, R. Lacey, 22/25; F/M., F. Lacey, 19/23.

Frank Schultz is showing his good form again after a lapse for a few weeks. Bill Attwood is still consistent and Roy Lacey, third, was closely followed by his brother, who took front markers' trophy.

Bill Attwood brought along a shooter from New Zealand, and two more attended from Gippsland. It is nice to welcome visitors, and we hope to see more of them.

5/9/64.—Weather conditions: good. Attendance: 22. Results: No. 1, 10-bird Pts: 1st, div. V. Cafarella, T. Toohey, 30/30; 3rd, L. Hendra, W. Bamford, J. Walls, 29/30. No. 2, V.G.C. Intermed. C'ship: 1st, T. Toohey, 37/38; 2nd, L. Beer, 36/38; 3rd, A. Chandler, 33/35; B/M., J. Walls, 25/25. No. 3, 20-bird D.B. H'cap: 1st, div. V. Cafarella, R. Evans, J. Platten, 19/20.

A nice day for the Intermediate C'ship, which was won by T. Toohey, 37/38—a nice score, as the birds were not easy. Les Beer, second, shot very well, and A. Chandler, as new shooter on a strange ground, did well with third. Back-marker prize went to J. Walls, another shooter who seldom turns in a poor score.

Quite a few visitors to this shoot, and we hope they enjoyed themselves and will come again.

9/9/64.—Weather conditions: fine. Attendance: 24. Results: No. 1, 5-bird S.B. (16 yds.): 9 shooters div., 5/5. No. 2, Western Suburbs S.B. C'ship (20 birds, 16 yds.): 1st, A. James, 20/20; 2nd, J. Platten, 19/20; 3rd, F. Reade, 22/25; F/M., R. Herbert, 17/20. No. 3, 15-bird Pts. H'cap Cash: 1st, div. R. Herbert, R. Evans, 43/45; 3rd, R. Batey, 42/45.

A good attendance and a fine night made this shoot a success, although no good scores

were recorded. A. James was the only possible and deserved the cash; a most consistent shooter and a very welcome visitor to our club. J. Platten was second and F. Reade third. A. Herbert, a visitor from N.S.W., was most consistent all night and enjoyed himself, I'm sure.

16/9/64.—Weather conditions: fine night. Attendance: 25. Results: No. 1, 10-bird Pts.: 1st, F. Buskauskas, 29/30; 2nd, J. Platten, 28/30; 3rd, div. J. Cooper, F. Schultz, 27/30. No. 2, 20-bird D.B.: 1st, R. Evans, 25/25; 2nd, D. Murphy, 24/25; 3rd, V. Cafarella, 19/20; F/M., K. McCormick, 24/26.

The main event was won by R. Evans, who is in fine form; second was Bob Batey. We thought this was going to be a long shoot-off, but that elusive one was there for Bob. Third was V. Cafarella; F'M., K. McCormick.

Thanks go to all the shooters who attended to make this a most enjoyable night's shooting.

19/9/64.—Weather conditions: windy. Attendance: 14. Results: No. 1, 10-bird Pts.: 1st, R. Evans, 30/30; 2nd, div. W. Bamford, L. Beer, 29/30. No. 2, 20-bird D.B. H'cap Trophy: 1st, R. Evans, 29/29; 2nd, R. Batey, 28/29; 3rd, W. Bamford. No. 3, 5 S.B., 5 D.B. H'cap: 1st, R. Jones, 10/10; 2nd, L. Delaland, 9/10.

In a good shoot-off, A. James won the C'ship from Vin Cafarella and Roy Morrison. Nice to see the weather improving, and with it the attendances. Alf James likes plenty of competition, however, as this is his second C'ship in a row at this club, Vin can now put up his 50-break badge, and shot very well.

WANDOAN (Qld.), 19/7/64.—The trophies for this shoot were donated by Mr. and Mrs. Ted Bennett. We thank them for their assistance and appreciate their regular attendance to our shoots.

Twelve shooters attended this shoot, and although it was windy and cloudy, some good shooting was turned on.

There was a very nice afternoon tea served by the ladies, which was enjoyed by all, and later in the evening the social was friendly and pleasant and enjoyed by everyone.

16/8/64.—Trophies for this shoot were donated by Mr. and Mrs. Peter Jerrard. The club is very grateful for this kind gesture and their attendance to the club.

On this occasion shooting conditions were very good and a most enjoyable day was shared by shooters and visitors alike.

Once again we thank the ladies for the most enjoyable afternoon tea. I would like to take this opportunity of advising all shooters that their club and affiliation membership are due on the 1st January, 1965, and it is their own responsibility to register with the A.C.T.A., and is not the Secretary's responsibility to do it for you.

I would also like to thank the shooters for their attendance and assistance to the club.

20/9/64.—Although only 12 registered shooters attended, we all had a very enjoyable evening. There was some good shooting which was very interesting to watch. As usual, we had a break for afternoon tea, which was attended to by the ladies, and the club members very much appreciate this and sincerely thank the ladies.

We were pleased to see some visitors and hope they had an enjoyable afternoon and trust that those who had a few shots will be back again for a few more. Mrs. Phillips won the ladies' shoot. We must congratulate Mrs. Phillips on the strong and determined effort she made.

The members will be pleased to know that the loan for putting in the lights is filling fast. The management wish to thank those who have already given their support and look forward to hearing from all members in due course.
