The Editor's Notebook

Commencing with this (October 1968) issue, we have now entered the 22nd year of publication of A.C.T.A. "Shooting News".

No publication will be made for the month of January, 1969, as the printing trade is on vacation over the greater part of that month. Those submitting copy and advertising matter concerning January and early February are reminded that all this must appear in the DECEMBER 1968 publication, for which the deadline is November 1. The deadline for February 1969 "News" is December 12 ACTUAL.

For those shooters planning a visit to New Zealand, the New Zealand Gun Clubs' Association have announced that their 1969 National Championships shall be conducted at Hamilton (in the South Island) over March 23 to 29 inclusive. Already the Hamilton Gun Club has received a number of Australian shooter bookings for this scheduled tournament.

In skeet shooting, slow pulls should be treated as for Down-the-line shooting, as a shooter receiving a slow pull could be at a disadvantage to a shooter receiving an instantaneous pull.

The original method of shooting skeet was to shoot all the singles first, from the respective stations, then to shoot the doubles, and finally, if no shots were missed, the shooter could then decide from where he would take his 25th, or optional, target — optional, as

he now has a clean score of 24. Any shooter must have taken a repeat target for any he has missed — in which case he receives no optional shot, as he has had 25 targets.

The skeet handicapping system is based on 24 and not 25 targets, and, in ties shoot-offs where time is important, a further quick solution is possible, but only where there is no scratch man in the squad. This method is to shoot a "speed-up" sequence of skeet rounds and to halve the shooters' handicaps, with half targets not to count.

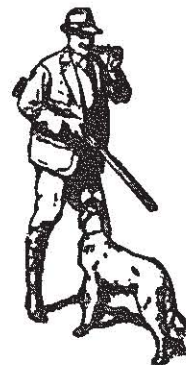

As rounds of skeet are considered to be time consuming, this "speed-up" method has been adopted in the 1968 Winchester Clay Target Tournament, scheduled Commonwealth wide, for the common date of October 26. Details are elsewhere in this publication.

Recently a State Skeet Championship event was timed and the average was seven shots per minute for the squad or seventeen minutes for 125 shots.

VALE

W. (Bill) Jones, who passed away on 6/8/68, will be remembered by many shooters for his attendance at various Victorian clubs, in the company of his wife Tim, also a shooter. An old friend once said, Bill was a good man to go shooting with; he could pay no greater compliment.

1968 WINCHESTER CLAY TARGET TOURNAMENT

On Saturday, October 26, 1968, in each State an Australia-wide tournament will be conducted for some \$12,000 of trophy and tour prizes. (In future years this contest may be part of the Winchester International Claybird Tournament held annually in the U.S.A.)

This 1968, 100-target Double-barrel Trap Event is an interesting radical change in that trophies (which conform to the laws of the various States and to the rulings of the Olympic Federation) will be awarded to all yardage class categories of winning team members.

Trophies

All shooters qualifying in the preliminary rounds for positions in the State teams of the Trap event will receive (subject to the laws of the State concerned) a Winchester Model 66 Centennial Rifle valued at \$180 and a badge, with runners-up winning a case of 500 Winchester AA shot-shells. From each State round, a State representative team of 5 shooters will emerge. Once formed, these teams will, during the same programme, shoot a further 100-target event to establish an aggregate team score and so determine the Commonwealth winning State Team. Members of this winning team and their wives will be conducted on a shooting tour of New Zealand's South Island. Commonwealth winners will have Oak leaves added to their State Team Badges and will be awarded a shield. The five-day tour of the South Island of New Zealand will be entirely organised by Winchester and will include a shoot at Christchurch and a coach tour of the South Island. All transportation, accommodation and meals will be provided by Winchester.

A special brassard will be presented to all entrants in the 1968 Winchester Tournament.

Rules

The entire tournament will be conducted on A.C.T.A. standards and rules and will conform to Olympic requirements. Two scorers will officiate at each trap, at all stages, in addition to the club-appointed marshal(s) and qualified referees. Finals' results will be decided by the A.C.T.A. office on postal receipt of official score cards. In the event of ties, points scoring will determine the winner (see paragraph two of "Elimination").

No employee of Winchester Western Australia P/L or any other sporting ammunition manufacturing company will be eligible to enter.

Truffite Clay Targets shall be provided by Winchester.

The Trap Elimination (Qualifying) Round

The event will be 100 targets, double barrel, consisting of 5 targets off each track before changing, shot in four visits of 25, off the 16-yard mark and each shooter may request a sighter at his first visit to the first trap only. Points 3 and 2 will be recorded and in the event of ties, a count-back will be used to adjudicate ties only; however, KILLS ONLY ARE TO COUNT. The winner in each of five classes will form the State team. These classes will be:—

Class One	—	24 to 27 yards
Class Two	—	20 to 23 yards
Class Three	—	17 to 19 yards
Class Four	—	15 to 16 yards
Class Five	—	12 to 14 yards

Scores will be recorded in each class, the shooter having the greatest number of kills in the class, determined by his A.C.T.A. handicap, is the winner of that class, the five respective class winners form the State team.

In the event of ties within classes, the points score recorded will be used to break the tie, the tying shooter with the highest points score being the winner. In the event of a kill and points tie, a five-target shoot-off will decide the winner, kills to count, first to miss drops out. Runners-up in each class will be declared and decided in a similar manner.

A shooter may compete only once in the event. The programme will commence at 9.00 a.m. and shooters must nominate before completion of the first round.

NOMINATION FEE is \$15.00 per entrant.

At the discretion of the conducting club, shooting may continue into the night over lighted traps or may be completed, under Rule 74, on October 27.

In the qualifying round, any factory loaded cartridge with no more than 1½ ounce of no larger than size 6 shot may be used. Scores will be displayed for all shooters to see as soon as possible during the event to finality.

The club will announce the five class winners and the formation of the State team and shall record the respective names and addresses of each such team member. Any such members who drop out before the actual team shoots the final round will be replaced by the runner-up in the same class.

The Trap Event

Each State team will shoot the final round as a squad. This final event will consist of 100 targets double barrel, consisting of five (5) targets off each track before changing, in two (2) visits of fifty (50) targets each, all off the 16-yard mark. Points 3 and 2 will be recorded and in the event of ties, a count-back will be used to adjudicate ties only. However, **KILLS ONLY ARE TO COUNT.**

Cartridges to be used shall be Winchester AA, as supplied, with the compliments of the manufacturer.

Each team's score will be the aggregate of the individual members' scores, totalled to form the team score. **THE TEAM SCORE WILL NOT BE ANNOUNCED BY THE CONDUCTING CLUB.**

A State Team Result sheet must be mailed on the day of the shoot to The

Secretary, A.C.T.A., G.P.O. Box 2038S, Melbourne, 3001. This result sheet must show the name, initials and address of each shooter member, his handicap class, his score and then the grand total being the team score.

When the results of all State finals are received by the A.C.T.A. they will be judged and the winning team announced. Winners will be notified individually.

A finals team winner declining to attend the shooting tour of New Zealand will be replaced by the runner-up in the same class and State. A State team member cannot accept the Skeet Tour should he also win this event.

The Skeet Event

An optional Winchester 25-target Skeet Handicap event will be run in the same programme as the 1968 Clay Target Trap event.

This shall be one full round of Skeet (25 targets) shot as a handicap event, as part of the Tournament programme. Contestants in the trap event may enter the Skeet event at an additional nomination of \$3.00. For contestants entering the Skeet event only, the nomination will be \$5.00.

In the event of ties, to be shot squad system, miss-out.

Each shooter is allowed his allotted handicap and shoots at rounds of 25 targets until his allowed number of targets is used. Thus, a shooter on a nil handicap drops out after his first miss; a shooter with two targets drops out when his third miss is recorded, and so on to finality — unless a scratch marker is in the group, then reduce each shooter's handicap by the amount of the lowest marker in the group.

Cartridges as specified for the trap event shall be used. Each State Skeet winner will shoot either alone or with no more than one pace-maker. Successive rounds of skeet from normal stations to establish as large a break as possible, taking handicap into account. The break will terminate during a round when one more target is lost off the gun than handicap allows. All rounds shall be shot in a regular sequence of stations as follows:—

(Singles and doubles to be shot from one visit to the appropriate stations to speed things up.)

Station 1 = Singles, then Doubles
i.e. one single from High House = 1
followed by
one single from Low House = 1

THEN, without moving from the station, a target from each house is released simultaneously, constituting a pair — (these are the doubles, of which the **HIGH HOUSE** target must be shot first, unless otherwise requested by the shooter).
= 2
= 4

Station 2 = Singles, then Doubles
= 1
(as for Station No. 1) = 1
= 2
= 4

Station 3 = a Single from the High House = 1
followed by
a Single from the Low House = 1
= 2

Station 4 = Singles as for Station No. 3
= 1
= 1
= 2

Station 5 = Singles as for Stations 3 and 4
= 1
= 1
= 2

Station 6 — Singles, then Doubles
i.e. one single from High House = 1
followed by
one single from Low House = 1

THEN, without moving from the station, a target from each house, constituting a pair, released simultaneously — (these are the doubles, of which the **LOW HOUSE** target must be shot first, unless otherwise requested by the shooter. NOTE: The target coming from behind the shooter in the pairs is shot first)
= 2
= 4

Station 7 = Singles, then Doubles
= 1
(as for Station No. 6) = 1
= 2
= 4

(Note: So far, shooters have had 22 targets, and if any shooter has not yet missed a target in this round (i.e. he has

a clean score), he must now take his **optional** shot). = 1
(Note: All shooters have now had 23 targets).

Station 8 = a Single from the High House = 1
(NOTE: At station 8, each shooter shall shoot at a target from the High House before any member of the squad shoots at a target from the Low House — this sequence is observed as a safety precaution.)
followed by
a Single from the Low House = 1 = 2

TOTAL TARGETS = 25

The first target missed during the round must be repeated immediately — (this counter-balances a clean scorer's optional shot on Station No. 7).

The break score will be recorded along with the shooter's name, initials and home address, and mailed to The Secretary, A.C.T.A., G.P.O., Box 2038S, Melbourne, 3001.

Should the event not be completed in one day, the event may be continued into the night on lighted fields.

Squads shall be of no more than six shooters and may be less, at the discretion of the conducting club.

Each State will conduct the qualifying round on normal A.C.T.A. handicapping procedures. Trap shooters without club or A.C.T.A. skeet handicaps will be handicapped according to A.C.T.A./club established procedures.

State finalists shall be handicapped for the purpose of the event, only on the record of their "off the gun" qualifying round scores. The qualifying and first elimination round scores shall be added together, then divided by 2 (half points not to count). This figure shall be deducted from 24 and the resultant figure will be the finalist's handicap to be used in establishing the break. Should the qualifying round not require a shoot-off to determine a winner, that score alone shall be deducted from 24 in order to establish finalist's handicap.

A State finalist failing to shoot a registerable break within the required period shall be replaced by the runner-up.

Skeet scores will have no connection with the State Trap Team's aggregate scores.

Skeet Trophies in each State will be (subject to the laws of the State concerned):—

- 1st — a model 66 Centennial Rifle
- 2nd — a case of 500 AA shotshells

The winner of each State Skeet final will shoot successive rounds, taking handicaps into account, to establish a total break score. **THE HIGHEST BREAK SCORE WILL ESTABLISH THE TOURNAMENT SKEET WINNER.**

All competing shooters will receive a specially embroidered Winchester badge.

The Tournament Skeet winner and his wife will join the winning Trap team members and their wives on the conducted shooting tour of New Zealand.

Host clubs in the respective States for the 1968 Winchester Clay Target Tournament shall be:—

- Queensland — Brisbane Gun Club (Brisbane)
- New South Wales — New South Wales Gun Club (Sydney)
- Victoria — Geelong Clay Target Club (Geelong)
- Tasmania — Hobart Gun Club (Hobart)
- South Australia — South Australian Gun Club (Adelaide)
- Western Australia — Perth Gun Club (Perth)

Results

These will be published in A.C.T.A. Shooting News. It is anticipated that the Grand Prize — the New Zealand

tour — will take place during the December holiday period.

General

In a joint statement on the Tournament, A.C.T.A. President, Mr. John Tyquin, and Winchester-Western Managing Director in Australia, Mr. Don McCall, said that "a tournament of this scope and magnitude can only result in tremendous interest in Clay Target Shooting as a sport throughout Australia".

It will be remembered how much publicity the brief visit of the 1967 U.S. Claybird Tournament winners, with film star Robert Taylor, created earlier this year. "It is our ambition to provide an Australian team to compete in the International Tournament as quickly as possible," a Winchester official said, "and we appreciate the co-operation of the A.C.T.A. in conducting this first Australian Clay Target Tournament."

Special Notes

Winchester - Western (Australia) Pty. Ltd., in an endeavour to speed the tournament, have asked:—

- (a) in the 100-target Trap event that the scoring method described above be used in this event to quickly adjudicate any ties;
- (b) in the Skeet event that the sequence of shots and the method of halving each shooter's handicap be used for this event.

(These methods differ from the normal accepted methods.)

History of the KATANNING Gun Club (W.A.)

KATANNING GUN CLUB (WESTERN AUSTRALIA) CLUBHOUSE 1968

In June 1950 members of the PERTH GUN CLUB gave an exhibition of clay target shooting on "Yarnup", a property near Katanning, W.A. This shoot engendered a lot of interest among local shotgunners, many of whom tried their hand at killing the elusive clays with very varied success. The outcome of this exhibition was the calling of a meeting to form a CLAY TARGET SHOOTING CLUB at KATANNING.

On June 9th, 1950, the club was formed with Foundation President, E. T. Pettit; Secretary, T. S. Young; Treasurer, K. Turner. A suitable ground was rather difficult to find; however, land was allocated at the Rifle Range amongst thick bush before the club began shooting. An excellent alternate site was found within one mile of the town centre, being an unused gravel reserve, well drained high ground with an excellent background, and Ernest Clegg obtained the lease.

In 1951 a small club house was built and one lay-out constructed. Shooting developed rapidly, new members joined and the club soon consolidated. In November 1951 an open shoot was held, followed by a picnic shoot at CHERRY TREE POOL on the Sunday.

Targets were thrown while the shooter was negotiating various obstacles in actual crawl-up position. It was from this early beginning that the Cherry Tree Championship developed into the multiple station shoot it is today. It has been the desire of the organizers to develop a shoot to simulate field conditions as much as possible, at the same time throw a target that is shootable. There has been constant change and re-siting since the initial shoot. The popularity of this event has proved that this kind of shooting is much enjoyed by shotgunners.

In 1952 a SKEET LAY-OUT was begun, and Skeet Shooting became

popular among the members. However, 1952-53 were rather difficult years in that there was a decline in membership and interest.

From 1954 onward came an influx of new members and extensions were made to shooting facilities. Open shoots were held over three days annually in November. State and District Championships were contested. In 1957 the Commonwealth D.B. was contested at Katanning and drew a record field. The Cherry Tree Field Championship was contested by over 100 shooters.

In 1957 Terry Young was elected a Life Member for his unstinting efforts as Secretary and counsel during the club's formative years.

There are two excellent lay-outs

served by electric oscillating traps, a skeet lay-out, and all the necessary facilities to run shoots efficiently.

The average attendance at club shoots during the past season was 29.

In 1965 Ernest Clegg was elected a Life Member for his services to the club. His guidance and help over the years have contributed much to the smooth running and development of Clay Target Shooting at Katanning. The Cherry Tree Championship owes its origin largely to Ernest's knowledge and interest in shooting.

Plans are well in hand for the 1968 CHERRY TREE FIELD CHAMPIONSHIP to be held on November 10th, 1968.

History of the MOREE Gun Club (N.S.W.)

The Moree Gun Club commenced breaking clay on March 1950, some eight miles from Moree on the Bogga-billa Road at Boolaroo Station. Initially, the name Boolaroo Gun Club was used prior to moving in 1950 to a site on the Meehi River on the western side of Moree.

In March 1954 the club moved to be adjacent to the Moree airfield about a half-mile from the southern extremity of the town.

Lights were installed in August 1955 and shoots are held on the fourth

Saturday monthly — by day in winter, by night in summer.

Club improvements consist of a clubhouse containing kitchen, secretary's office and bar with a semi-enclosed area for meals facing the shooting tracks. The barbecue area is fully enclosed.

Equipment includes two shooting tracks with concrete lanes — one trap-house has a Damo electric trap and the other a Black Diamond automatic. Both traps are floodlit, the Damo with quartz iodide lamps. In addition a skeet lay-out is situated adjacent to the two down-the-line shooting tracks.

CO2 Skeet Shooting and Shotgun

Announced by

CROSMAN ARMS COMPANY INC.

of Canada and U.S.A.

Pull! The old familiar call to shotgun shooters and particularly trap and skeet shooters, is now heard in greater depth.

Crosman has created a sensational new sport, "CO2 SKEET" and has designed a new CO2 Gas Shotgun which is not a firearm but a real shotgun using "Power without Powder". A new shotshell has also been created so "everyone can shoot more often in more places" — in spacious home areas, clubhouse camp, gymnasium or boating. CO2 Skeet is practically noiseless, requires only a small area and is perfect for Hunter Safety Training and Shotgun Training for new and young shooters. The system can be operated by one person.

Crosman's Trapmaster Model 1100, the first successful CO2 shotgun ever to be marketed in a full size shotgun with a rib barrel and is not powered by powder, but by Crosman's CO2 Gas Powerlets. Plastic shells are used (with approximately 54 grains of No. 8 size shot). The shotgun is 46½ inches overall with a 14¼ inch length of pull one stroke side cocking single shot action and fires a pattern of approximately 14 inches diameter at a range of 40 feet. The full rib 28" barrel is .380 gauge, true cylinder bore and has a metal bead front sight and positive cross bolt safety. The stock and forearm are of contoured hardwood with walnut finish and the total weight of the shotgun is just 6¼ pounds. Special features include fingertip power selector for low or high power and a push-button shell extractor.

The use of the Crosman Trapmaster, in conjunction with the new system offers true indoor and outdoor skeet shooting in close areas for the first time. The system features specially designed, domed, break-away targets of bright yellow polyethylene plastic which can be easily snapped together and re-used again and again. Targets are launched with ease from a special portable skeet trap which hurls them up to 55 feet, with 90° elevation and 25° range horizontal adjustments. The trap, of tubular steel construction complete with stand and stool, weighs only 14 pounds and has an adjustable throw arm for fast or slow targets. Standard trap equipment includes a remote foot release to permit individual shooting.

Crosman has priced its new Trapmaster shotgun around \$100 as an ideal gun for the whole family. Shotshells 5c each, Targets 35c, Cylinders 35c (retail).

TRAPSHOOTING ETIQUETTE

(1) Make your entry far enough in advance so that the office can properly process it. Clubs want shoots to start on time, but they can't if shooters don't sign up enough in advance so that squadding and record keeping can be done.

(2) Be ready when your squad is called and also when it is your turn to shoot in the squad.

(3) Do not lean over each time to pick a shell out of a box on the ground or to pick up empties. Have your shells where you don't have to stoop to get them.

(4) Do not raise your gun until the shooter ahead of you fires, and referee has called the score.

(5) Remain at your track until the man on your right has fired, then move to the next position. At the end of the round, stand facing the traps until the last man has fired the last shot. If you are first shooter, do not fire until all squad members are in position.

(6) Never load your gun before changing positions. When going from position five to position one, turn to the right to avoid bumping guns with the man coming from track four.

(7) Load only one shell at a time, except in doubles. Close the gun only

when it is your turn to shoot. If a delay occurs, remove the shell.

(8) Do not allow ejected shells from your gun to hit or annoy other shooters.

(9) Do no unnecessary talking when you are on the tracks. When you are not on the tracks, keep your voice down when you are around other squads which are shooting.

(10) Time your shooting to establish rhythm in the squad. Call in a loud, clear voice so that there is no confusion about when the puller should respond.

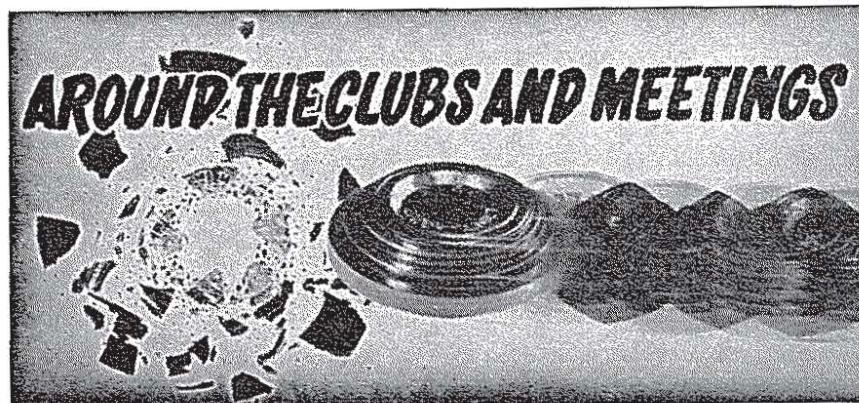

(11) Be a sportsman at all times. Be sure your competitors get what is due them, but do not be a target claimer.

(12) Observe safety rules. Do not point your gun at another, even if it is unloaded. On the firing line, always keep your gun pointed toward the ground or the traphouse.

(13) Shooters are always willing to have you look at their guns, if you ask permission first. Do not pick up another's gun from the gun rack and handle it without asking.

ALBANY (W.A.), 21/7/68. — Weather conditions: fine but cold. Attendance: 15. Results: No. 1, 15 S.B., 1st Visit: D. Webb, 15/15; G. Stone, C. Shepherd, 13/15; J. Enright, J. Cameron, 12/15. After 40 birds were shot C. Shepherd and D. Webb were even, but Clive proved the winner in the last ten, with a possible, while David scored 9/10. Scores for the day were not startling, but as I heard one shooter say, "After all, it was only S.B." It was pleasing to see two shooters from Katanning present.

It is with deep regret, that we record the passing of our fellow member, Tom Anderson, accidentally drowned at sea. John Downer and Tom were responsible for first starting the Albany Gun Club. In 1963 the hours that this respected and sincere person has spent at the club, would be too numerous to mention. Our deepest sympathy is extended to Mrs. Anderson and her family. Tom's valued advice and ideas will always be missed.

Not a bad crowd of shooters for a Wednesday shoot, but Club thought there may have been a few more. The birds were a bit tricky in handicap as only 3 returned full scores. In

championship shoot there were 8 shooters who returned full scores and in the shoot-off went to 64 birds. Shooters were present from near and far and traps worked perfectly. The ladies as usual provided a lovely afternoon tea.

Congratulations to all winners at another successful shoot and many thanks to all the ladies for afternoon tea.

(Nancy F. Badewitz, Hon. Sec.)

BOORT (V.), 17/8/68.—Weather conditions: had a special attraction for him, because he won it last year too. However, he stopped there and blamed our good hospitality for that.

Bill Arandt from Victoria was the first up with "100 Break", which he repeated the following day, and on the Sunday, the Brisbane Exhibition Double-barrel Championship (which Doug Smith won with a total 170 birds from another Victorian, Jim Walls), had twenty-eight possibilities, and the consequent shoot-off produced many high scores. Alan Kemp, Darryl Hamilton perfect. Attendance: 28. No. 1, 5-bird E/O Pts. Dec.: Divided by, G. Crouse, L. Toose, J. Kerr, J. Cumming, I. Bell, N. Scott, R. Ferrier, C. Johnson, R. Peacock, 15/15. J. Mitchell, 23/25; 2nd, J. Cumming, 22/25; F/M I. Bell, 15/20.

A perfect day for shooting enticed a big field to our Walk-Up Championship. J. Mitchell from Birchip performed excellently to get the winners sash. I. Bell did well to get the 12-16 yards sash.

(J. Piccoli, Hon. Sec.)

BOYUP BROOK (W.A.), 11/8/68.—Weather conditions: fine and cool. Attendance: 9. No. 1, 25 Skeet: L. Knapp won in shoot off from J. Staniforth-Smith, J. R. Staniforth-Smith and W. Hack. High Gun, K. Schinzig won from J. Staniforth-Smith. No. 2, 5 W.U.: K. Schinzig won with 5/5.

The day was fine and cool and both events were keenly fought for. Several shooters in this club are showing great promise as skeet shooters considering the little practice they have had in this field. L. Knapp did very well to win the handicap event on a shoot off from John and Stan Staniforth-Smith and W. Hack. K. Schinzig achieved his ambition of shooting 25 straight when he shot off for high gun with Stan Staniforth-Smith. He also won the W.U. event with 5/5. Skeet looks like becoming a popular event with this club.

(F. Schinzig, Hon. Sec.)

BRISBANE (Qld.), 10/8/68.—Weather conditions: good. Attendance: 60. Results: No. 1, Vice-Presidents' Trophy, 20 birds D.B. Pts.: 1st, E. L. Jenkins, 60/60 pts.; 2nd, W. Attwood, 70/72; 3rd, J. Wednesday Night, 14th August

Results: No. 5, Commonwealth Night D.B. Sparrow C'ship.—40 birds, 20 yds.: 1st, J. Walls, 38/40; 2nd, D. Smith, 41/44; 3rd, B. Mackey, 40/44; best 12-15 yds., M. Storey, 29/40. No. 6, Open High-Gun, won by F. A. Ward, 262/290. Intermediate High-Gun, won by J. Tainsh, 228/290.

As our President said in his welcome, we believe no club can have a successful shoot without visitors, and our shooting friends who came from many places helped considerably to make our Show Week Carnival most enjoyable, and especially rewarding to our willing members who worked so hard to get everything in order.

The weather on the first two days was extremely kind, but we could only apologize for Wednesday's unpleasant and unusual winds.

The five electric traps kept the shoot running smoothly, and the new No. 1 track was used for the first time when Melbourne's Bill Attwood and Roma's Jack McIntosh shot off for the placings in the opening Vice-Presidents' (Ron Porter's and Ray Gehrman's) trophy event.

Our visitors provided good competition, and Condamine's Jenks Jenkins started with two wins. One, the Vice-Presidents' trophy must have and M. Jones also made over the century whilst Ray Slawson, Richard Bloxome, Doctor Rowsell and Gary Darlington scored their 75's. Messrs. Bishop, Lloyd, Jenkins and Attwood were in the break-brackets too.

Some other highlights of the shoot were Dave Evans's, Eric Mende's and Alan Foster's shared win in the interesting \$500 Handicap, Tom Morgan's first in the Points Handicap, and Frank Smeaton's outright victory for the I.C.I. Trophy. It was good to see President Bill handle the adverse conditions so well on Wednesday, as did Colin McLellan who claimed the Winchester Rifle and Jim Walls who concluded with the Commonwealth Sparrows title. The Open and Intermediate High Guns were Sydney's Frank Ward's and Lismore's Jeff Tainsh's respectively, and the Olsen & Goodchap chair, which everybody has been eyeing for the last six months, went to George Watson with his best four scores out of six. Our congratulations to all the winners.

Mr. Don Cameron, M.P., did us the honour of presenting the trophies, and Bill thanked the donors for their valued assistance. Bill also thanked all those who contributed to the success of the shoot, the ladies, the bar-men, our Secretary, Mrs. Smith, the committee, members and staff.

We must mention that we have some nice stagheads and antlers on the walls of the club which Keith Isaacs donated to us, many thanks, Keith. Another thank you to new member, Ian Matheson for assisting with the skeet houses.

An excellent day for shooting, it makes shooting a pleasure on a fine day at this time of the year. Our Club Aggregate saw young newcomer, Steve Bruni, show excellent promise for the future when he defeated the consistent aggregate leader, Harold Mellowship. It was a pleasure to welcome one of our seasonal visitors in Graham Wellings and to be able to present him with the third placing. Our old stalwart, Lionel Campbell, was on his mettle to win in excellent style the Double Rise Championship. The closest contender was Peter Harvy who shot an excellent two points behind Lionel. Our visitors were intent on taking the third placing and here John Kneebone was the happy winner. Nell Hoskins received the thanks of all present for organising the ladies to supply us with the usual satisfying afternoon tea.

EASTERN GOLD FIELDS (W.A.), 28/7/68.—Weather conditions: fine. Attendance: 23. Results: No. 1, 20-bird D.B.: 1st, K. Dawson; 2nd, W. Montgomery; 3rd, T. Stelling; Best, 14-15 yds., W. Biggs; 16-17 yds., B. Warren; 18 yds. and over, L. Nangle. No. 2, 20-bird S.B.: 1st, K. Dawson; 2nd, M. McDonald; 3rd, J. Bright; Best, 14-15 yds., H. Buckman; 16-17 yds., B. Warren; 18 yds. and over, T. Stelling. No. 3, 30-bird D.B.: 1st, T. Stelling; 2nd, H. Buckman; 3rd, B. Warren; Best, 14-15 yds., K. Stokes; 16-17 yds., K. Dawson; 18 yds. and over: W. Montgomery.

The weather was fine for our all day shoot, numbers were a bit disappointing. Visitors were welcomed from Esperance and Leonora and all enjoyed themselves during the shoot and afterwards at the barbecue. As the scores indicate it was a field day for Smokey Dawson, Cartridges Stelling and Wing Commander Warren. The first event resulted in a tie between Smokey Dawson and Bill Montgomery, and after a marathon shoot off the event was won by Smokey from Bill, with Tom Stelling taking third place. (In the shoot off Bill missed his favourite bird — a left swinger — the first he has missed in 3 years).

The second event was won also by Smokey with the only possible. Second place was won by Murray McDonald from Jasper Bright after a good shoot off. The final event was won by Tom Stelling from "Last Bird" Buckman with Bryan Warren taking third place.

Harold Buckman had the shoot in the bag but a straight away from No. 3 track eluded Harold and he missed his last bird. Bryan Warren bagged third place and also a yard for his efforts.

The other shooters all shot well and some new names were found for some shooters during the

barbecue, also a few sayings were noted. Smokey Dawson now Smokestack Dawson — for he finished in the clouds. Crash Martin — who pinched my crash helmet and steel capped boots. S. Rogers — we would get more of Ekholms bread for these barbecues. The Sec — how much did you say a set of golf clubs cost. The Pres — anything Hicks can do I can do better, I think. T. Stelling — after receiving his cheque, Oh, well, another case of shells. C. Solly — I think I will stick to the horses, K. Winter — when asked if he would like a sayaloy, no thanks, I hate them. One Leonora Lady — I couldn't stand the sight of him for the first 6 months. M. Stewart — time I got a new gun. L. Nangle — why does Doss always get my cheques. Wing Commander Warren — these chops of Jasper's sure are tough. J. Bright — these Mount Monger chops are a bit rough. J. Biggs — I think the stewards should look into his performances.

Our next shoot is the Club double rise championship. Shooting should be keen after the keen competition on Sunday, so here is hoping for good weather.

(J. Lithgow, Hon. Sec.)

ECHUCA (V.), 10/8/68.—Weather conditions: fine. Attendance: 39. Results: No. 1, 30-bird D.B. C/ship: 1st, K. Shearer, 55/55; 2nd, J. Cummins, 54/55; 3rd, C. Radcliffe, 46/47; F/M, R. Adamson, 28/30. No. 2, D.B. H'cap: 12-18 yds.—1st R. Adamson, 20/20; 2nd, W. Gibson, 25/26; 3rd, J. Howe, 24/26; 19-27 yds.—1st, V. Ryan, 55/55; 2nd, K. Shearer, 54/55; 3rd, H. Marshall, 48/49.

A good attendance for our August shoot saw Ken Shearer once again have a great day at our grounds with a win in the champ, and a second in the 19-27 yds. section of the handicap event. Our 30 bird champs are proving very popular as a lead up to the State team shoot. Congrats to all trophy winners and thanks to all visiting shooters for their attendance.

well shot over the day was J. Green, J. Hamblin and G. Williams.

G. Williams, quite a new shooter from Morwell, shot very well, and gains his 50 break badge. Congratulations to you, keep it up. Thank you, Foster ladies, for the delicious afternoon tea.

FRANKSTON (V.), 17/8/68.—Weather conditions: fine. Attendance: 34. Results: 1st, 10-bird D.B. H'cap 16 yds. Pts. C/D.: P. Heywood, N. Miller, G. Shepherd, E. Webb, Divided. 2nd, 20-bird Club S.B. C'ship: 1st, N. Miller; 2nd, W. Stone, 3rd, P. Heywood. 3rd, 10-bird D.B. H'cap Pts.: L. Swain, P. Heywood, W. Stone, T. Delorenzo, L. Schilling, M. Thomas, Divided. No. 4, 10-bird D.B. H'cap Pts.: P. Heywood, F. Allen, W. Stone, G. Farrer, L. Schilling, J. Rodgers, T. Allen, C. Oke, B. Woodhead, L. Cairns, Divided.

Fine conditions prevailed for the club S/B Championship on Saturday, August 17. Although not a large attendance, the quality was good and a number of shooters took out cash dividends.

The main event was won by Noel Miller 28/29, Bill Stone second 29/31, and young Phillip Heywood third 28/31. Phillip, who is only 14 years of age, put up a splendid performance for the day by sharing in each of the four events, overall score 58/61. Another Damo automatic trap has been ordered and with the installation of electricity the Club will be at a later date holding some night events as well as Sunday shooting.

(C. D. Wilson, Hon. Sec.)

GERALDTON (W.A.), 27/7/68.—Weather conditions: fair. Attendance: good. Results: No. 1, Club Championship: 1st, R. Burton; 2nd, A. Boschetti. No. 2, Intermediate Championship: 1st, A. Wann; 2nd, M. Hatch.

Seventeen Club members contested the Club's ninth all-round championship. Scores in the individual events were very good in varying conditions in which some light rain was experienced. The championship was well won by Dick Burton from Bert Boschetti, the winner breaking last year's record score held jointly by himself and Sam Zorino by one target, 50/52. Scores in the various events were — Skeet, R. Burton and A. Boschetti 12/12, A. Wann, J. Bailey 11/12. Double Barrel, A. Wann, E. Daw, M. Hatch, R. Burton, Ray McDonald, Eric Gartner 10/10. Single Barrel, A. Wann, R. Burton, R. McDonald, N. Burton 10/10. W.O., R. Burton, K. Dost 10/10. D. Rise 9/10, R. McDonald 8/10, Daw, Hatch, R. Burton, A. Boschetti. The Intermediate championship was won by Alec Wann from Milton Hatch after each had tied with 45/52, easily the best scoring in this shoot, Alec winning the shoot off by one target.

(H. L. Bailey, Hon. Sec.)

GOLD COAST (Q.), 18/8/68.—Weather conditions: perfect sunny day, little wind. Attendance: 28. No. 1, 20 Bird D.B. Sweepstakes: Div. H. Quirk, J. Farrow, N. Johnston (20/20). No. 2, Chesney Shield, 20-bird, points from handicaps. Won by Ipswich team with 288 points: N. Smith, 60/60; F. Lang, 58/60; N. Pillaway, 58/60; J. Payne, 57/60; G. Hogarth, 55/60. High Gun for the event won after a shoot off by L. Ardrion. No. 3, Gold Coast Gun Club D/Rise C'ship, 10 pairs: 1st, I. Bamberg,

29/30; 2nd, B. Mackey, 28/30; 3rd F. Lang, 22/24. No. 4, R. Porter Trophy, 30-bird, D.B. Points: 1st, K. Isaacs, 36/36; 2nd, L. Mann, 35/36; 3rd, N. Johnston, 36/37. Extra Event, 20-bird D.B. Points: 1st, N. Smith; 2nd, L. Mann; 3rd, P. Isaacs, I. Bamberg, C. Mudford.

The attendance for the day was rather disappointing for an August shoot, but our thanks are due to those visitors who travelled far in order to attend. We hope they enjoyed their day.

The Chesney Shield was won by Ipswich, High Gun for the event going to L. Ardrion of Gold Coast.

Ian Bamberg took out the Club Double Rise Championship with the fine score of 29/30. Ian never has any trouble running a place in this type of event.

The last event on the programme, the R. Porter Trophy, was won by Keith Isaacs of Brisbane from Bill Mann second and N. Johnston third. It was unfortunate that Ron Porter was not here to present the handsome trophy he donated. I believe he has been laid low by the "wog."

It was pleasing to see Ballandean shooter Noel Smith a winner of the extra event. Well known shooter from Melbourne, Clem Mudford, was a welcome visitor.

(J. Westcott, Hon. Sec.)

GRIFFITH GUN CLUB (N.S.W.), 27/7/68.—Weather conditions: fine, light wind. Attendance: 46. No. 1, 5-target D.B.: 19 Div., C. Taylor, R. Lewis, P. McWilliam, S. Trembath, B. Salafia, T. Salafia, S. Shields, B. Shields, P. Overs, L. Dow, D. Lucas, M. Weymouth, K. Trembath, J. Theodore, J. Stewart, J. Patton, L. Foley, H. Gibbs, D. Gibbs. No. 2, 10-target, D.B. Sparrows: F. Casella, J. W. Harman, 10/10; H. Hillery, C. Taylor, W. Kelly, E. I. Whyteross, D. Allen, 9/10. No. 3, 10-target, D.B. Trophy: 14 possibles, 1st, D. Gibbs, 36/36; 2nd, F. Casella, 35/36; 3rd, S. Trembath, 26/27.

We were lucky to have fine weather for this month's Club shoot. One of the best attendances for some time with 46 shooters participating. The sparrows proved a little difficult for most, only two shooters shooting the possible — Frank Casella and Jeff Harman. In the trophy event shooting was much better with 14 possibles. Darryl Gibbs outlasting the field to take out the honours. High Gun was won by Frank Casella from C. Taylor and S. Trembath after shoot off. I thank the ladies for a most enjoyable afternoon tea.

(K. H. Sim, Hon. Sec.)

GUYRA GUN CLUB (N.S.W.), 27/7/68.—Weather conditions: fine and cold. Attendance: 44. No. 1, 10-bird D.B.: 10/10, A. McClenaghan, G. McCowen, C. Fenwicke, G. White, Mrs. White, S. Cross, D. Curtis, D. Ellis, M. Kane, D. Cunningham, H. Campion, C. Varley, M. Thrift, C. Coldham, B. Brazier, K. Starr, N. Campion, I. Reid, A. Moffatt, R. Kermod, D. Lockyer, D. Grills. No. 2, Club S.B. C'ship: 1st, N. Campion, 51/51; 2nd C. Varley, 50/51; 3rd, A. McClenaghan, 49/50. No. 3, 10-pair D/Rise: V. Mackson, 24/24; I. Reid, 23/24; 19/20, J. Phillip, M. Kane, C. Varley, G. Evans, B. Duff, K. Starr, N. Campion. No. 4, 10-bird Pts. score: 30/30, G. McCowen, C. Fenwicke, G. White, P. Moffatt, R. Fulloon, S. Cross, R. Futter, H. Williamson, K. Starr, I. Reid. High Gun, C. Varley. Front Marker, M. Fermor.

The shoot off for our Club Single Barrel Championship provided some of the keenest competition at the Club for some time. Noel Campion finally won the event from Col Varley with Alick McClenaghan third and Ron Moffatt fourth.

Vince Mackson finally got his name on the Club trophy, after some near misses in the past, with 24 kills in the Double Rise event.

A well attended meeting of Club members decided to install a third electric trap and this will be in operation for our Open Shoot on November 23rd and 24th next. We hope to be able to welcome back the many shooters who attended our State Team Shoot in February last at this event.

(R. Varley, Hon. Sec.)

HAMILTON (V.), 17/8/68.—Weather conditions: cool and windy. Attendance: 22. No. 1, 5-bird E.O. C.D.: 7 shooters divided. No. 2, 10-bird H'cap D.B. S.S.: G. Smith, H. Smith, R. Millard, I. Christie, C. Plowright shot the possible. No. 3, 10-bird H'cap D.B. S.S.: G. Smith, T. Laidlaw, B. Kelley, J. Kneebone, C. Macintosh shot the possible. No. 4, 10-bird H'cap D.B. S.S.: A. Edgar, H. Smith, L. Randall, K. Isley, J. Kneebone shot the possible. No. 5, 10 D.B. Sparrows H'cap S.S.: B. Kelley and T. Linke shot the possible.

Despite windy conditions, several shooters shot consistently, although only two shooters shot the possible in the sparrows event. Shooters attended from Tyrendarra, Myamyn and Macarthur. The afternoon tea provided by the ladies of the Girl Guides Association was most welcome on the cold day.

(Ian I. Christie, Act. Sec.)

HAWKESBURY (N.S.W.), 13/7/68.—Weather conditions: fine. Attendance: 35. No. 1, 5-bird D.B. 5-bird S.B. 16 yds.: J. Rawlinson, I. Mills, E. Hawkins, M. Quirk, L. Chodatt, H. Mohr, 10/10. No. 2, Hawkesbury M.B. C'ship: 1st, W. Charlton, 25/25; 2nd, L. Chodatt, 42/45; 3rd, T. Mills, 41/45, best; F. M. H. Romanello, 19/25. No. 3, 15-bird D.B. Trophy: 1st, F. Ward, 29/30; 2nd, I. Mills, 28/30; 3rd, P. Hayman, 17/18. No. 4, 10-bird Pts. score: R. Clarke, L. Chodatt, 30/30. No. 5, 10-bird D.B. 27 yds.: A. Hayes, 10/10; W. Charlton, 9/10.

Warren Charlton was too good in the championship with the only possible. Lionel Chodatt and Ian Mills had a long shoot off for the placings — Lionel finally winning. Tony Romanello won the F.M. trophy. Frank Ward outlasted Ian Mills in the trophy event with Peter Hayman third.

HAWKESBURY GUN CLUB (N.S.W.), 27/7/68.—Weather conditions: fine. Attendance: 34. No. 1, 25-bird Skeet H'cap: W. Charlton, W. Clark, R. Watts, B. Wilson, 25/25. No. 2, Skeet Trophy: 1st, J. Worley; 2nd, D. Snow; 3rd, J. Thatcher. No. 3, 25-bird Skeet H'cap: J. Worley, J. Thatcher, 25/25.

John Worley won the Skeet Trophy Event outright with the only possible, Dick Snow winning the shoot off for second place and John Thatcher third. By shooting another 25 John Worley joined the few who have shot a 50 break and also got his name on the Les English Shield.

(Adrian Hayes, Hon. Sec.)

HAY (N.S.W.), 11/8/68.—Weather conditions: overcast north wind. No. 1, 5-target H'cap E.O. Pts. score: 1st, G. Headon, 15; 2nd, R. Williams, 14; 3rd, J. Headon, 13. THREE IN A ROW!... Australia wins 1968 International Shoot

*Repeating 1966 World Record
Score of 7355*

For the third year in succession and eight times in the last eleven years, the International Clay Target Shoot has been won by the Australian International team using ICI cartridges. The 1968 International is further proof of the superb reliability of ICI shot gun cartridges, the Australian made ammunition that has proven itself in World class. The Cartridge used by the successful Australian team is now available under the name of "Hi-skor". When reliability and top performance really count, look for the symbol of ICI on your shells.

*Get with the top shots,
and use the best!*

*'I went on to shoot
501 and then 481 straight after
changing to a Stirling Broadrib'*

says KEVIN HEYWOOD

Since changing to a Stirling Broadrib, I have won 6 out of 7 double-barrel Clay Championships with an aggregate score of 1020 out of 1021. Without doubt the Stirling Broadrib has made all the difference to my shooting.

HERE ARE SEVEN REASONS WHY!

- 1 A level and therefore longer sighting plane for easier and surer alignment.
- 2 The channel in the rib gives you the clearest vertical perception, for measuring single birds.
- 3 The extra width gives you a keener sense of elevation, which stops you missing the occasional straight away.
- 4 Miraging is eliminated — the major cause of lost birds in long shoot-offs.
- 5 The forward balance of a Broad Rib keeps you swinging, eliminates the gun stopping — the cause of many lost birds.
- 6 The clearer sighting definition permits you to measure your targets, to shoot deliberately, to point them out, as is done by most U.S.A. champions.
- 7 Greater stability of barrel eliminates whip and makes you a much better second-barrel shot.

Conditions for the shooting were good with north winds and overcast making the birds hard targets. Attendance was not up to expectations, but a very enjoyable afternoon's shooting was shot by all contestants. Jack Headon, our backmarker, does not mind the conditions and shoots as well at any Club and any conditions. M. Valentine shot well on the championship and looks very much on the up grade of shooting. Afternoon tea is enjoyed at all our Club shoots, thanks to our Ladies' Committee. Merv (G. Williams 1 yard back, now 16 yards).

HORSHAM (V.), 10/8/68.—Weather conditions: cold wind. Attendance: 38. No. 1, 5-bird E.O.: R. Lynch, B. Robinson, L. Gibson, P. Gibson, E. Smith, J. Smith, J. Kneebone, R. Nicholls, R. Scott, 5/5. No. 2, 15-bird \$75 Trophy H'cap: 1st, Allan Tucker, 15/15; 2nd, Charlie Nuske, 17/18; 3rd, Wally Smith, 16/18. No. 3, 10-bird Sweepstake: G. Strauss, C. Nuske, L. Gibson, J. O'Donnell, A. Facchin, 10/10. No. 4, Miss Out off 27 yds.: A. Tucker, J. Kneebone.

A very good attendance for our August shoot, despite the rather cold conditions. Thanks to all the visiting shooters for coming along, some travelled a long way. Congratulations to the placetters in the trophy handicap, Allan Tucker, Charlie Nuske and Wally Smith, the first two earning another yard back on their handicap. Once again our ladies supplied their usual welcome afternoon tea. We certainly appreciate your continued support, ladies, a big thank you. One

of our very good lady supporters, Mavis Budde, is back in hospital. We all wish you a speedy recovery and look forward to seeing you back with us again.

ILLAWARRA (N.S.W.), 11/8/68.—Weather conditions: fine. Attendance 30. No. 1, 5-bird D.B. E.O.: The following shooters shot 5/5, D. Sullivan, J. Albert, L. Boniface, L. Chodat, F. Rapley, B. Ellsmore, L. Massey, D. Suthers. No. 2, 15-bird D.B. Trophy: 1st, F. Rapley, 35/36; 2nd, L. Chodat, 34/36; 3rd, K. Perkins, 26/28 F/M.; T. Pierce, 14/16. No. 3, 5-pr. Deauville Doubles: J. Albert, R. No. 5, Ladies' Trophy: 1st, Jean Webb, 5/5; 2nd, Gayle McCloy, 5/6.

The Wollongong District Deauville Doubles Championship was held in fine weather with a slight breeze and it was surprising to find only one pair of shooters recording a possible. Alan Palk and Keith McCloy were the shooters with Len Massey and Dennis Suthers runners-up with 19/20. A fine shoot off in the trophy event saw Fred Rapley, from Hawkesbury Club, win from Lionel Chodat with Kev Perkins third. Tom Pierce, having his first shoot, won the front marker trophy. Jean Webb shot 5/5 to win the ladies' trophy, and Gayle McCloy gained second place in a shoot off with Judy Cace. Our thanks to the ladies' auxiliary for afternoon tea, and to Sutton Forest Gun Club for their assistance.

No. 3, 5-bird Ladies' Novelty Trophy: 1st, Jean Webb, 9/10; 2nd Pam Boniface, 8/10. No. 4, 10-bird D.B. from 16 yds.: 15 possibles—J. Albert, P. Lacey, L. Chodat, K. Perkins, R. Clark, C. Carr, B. Ellsmore, F. Rapley, E. Hawkins, M. Quirk, D. Tatam, J. Rawlinson, P. Solodky, D. Suthers, K. Soames, Jr. No. 5, 20-bird D.B. C'ship from 16 yds.: 9 possibles—J. Albert, A. Palk, L. Boniface, A. Keeling, M. Quirk, J. Rawlinson, B. Ellsmore, D. Suthers, D. Tatam. No. 6, 10-bird D.B.: B. Ellsmore, J. Rawlinson, 10/10.

We were favoured by fine weather for our first advertised shoot and we were pleased to welcome shooters from Braidwood, Sutton Forest, Sydney, N.S.W., Hawkesbury Gun Clubs and also a visitor from Victorian Gun Club in Victoria. The highlight of the day was the shoot off in the Double Barrel Championship which went to John Rawlinson from Hawkesbury of 109/109, second was Dennis Suthers with 108/109 and Garry Ellsmore third with 101/102. Front marker trophy went to F. Rapley with A. Keeling taking out the 14-15 yd. prize.

Our thanks go to Sutton Forest for the loan of their Damo trap and our ladies' auxiliary for the afternoon tea and barbecue and refreshment stalls that all helped make the day an enjoyable one. The standard of shooting seen throughout the day was of an extremely high standard as the number of possibles shot will testify.

The ladies' shoot again attracted much interest with Jean Webb emerging the winner with a score of 9/10. Pam Boniface came second with 8/10.

We hope all our visitors will attend our official opening shoot in November.

IPSWICH (Q.), 4/8/68.—Weather conditions good. Attendance: 35. No. 1, 5 E.O.: 9 shared. No. 2, 15 S.B. S.S.: W. Stevens, C. Kussulke, B. Deignan, 14/15. No. 3, Club Mixed C'ship: G. Stevens, 40/40; W. Stevens, 39/40; J. Farrow, 38/40. No. 4, \$200 H'cap: A. Arandt, C. Kussulke, G. Stevens, S. Foote, R. Pennisi, 20/20. No. 5, 20 D.B. Pts.: S. Jackson, 59/60; C. Cammerlitti, 67/69. Skeet Qld. C'ship: A. Arandt, 34/34; W. Stevens, 33/34; K. Isaacs, 31/32.

A good day for shooting and some good scores were shot, especially by George Stevens, who won the Club Mixed Birds Championship with the only possible. He was closely followed by his brother Bill, who only dropped one bird. Congratulations, George, on a good shoot. George also shared in the \$200 handicap and won the High Gun of the day also. Four other shooters also shared the handicap. Shooters from Victoria were present. The Queensland Skeet Championship was won in fine style by Victorian shooter Bill Arandt, but he was made to work hard for his bird, as Bill Stevens, Keith Isaacs and Charlie Cullen were right on his hammer. Congratulations to all those shooters who won on the day.

(K. Smith, Hon. Sec.)

KATANNING (W.A.), 11/8/68.—Weather conditions: fine and windy. Attendance: a.m., 16; p.m., 23. No. 1, Skeet: 1st, R. Anderson and T. Young, 27/25; 2nd, J. Battersby, T. Ryall,

N. Rae, 26/25. No. 2, Novice Shoot: Squad of six won by G. House, 17/20 D.T.L. No. 3, 50-Skeet: Won by Evan Pedlar, 2nd, P. James. High Gun: Ross Anderson.

A splendid day for shooting with some good scores on the board. The Greg Downer Trophy was won by Evan Pedlar after a shoot off with Phil James. Mr. Doug Cummings has kindly donated a trophy for the best novice shooter, and this was nicely won by G. House. The ladies, as usual, provided the afternoon tea.

We deeply regret the passing of our good friend and supporter, Mr. Athol Anderson, of Kojonup. At the previous shoot held at our Club a fortnight ago, he was on the tracks preparing to shoot, when he collapsed and died immediately. He will long be remembered for his happy personality, and good sportsmanship. All members of the Kalanning Gun Club express their sympathy to his wife and family.

(John Battersby, Hon. Sec.)

KARKAR ISLAND (N.G.), 13/7/68.—Weather conditions: fine. Attendance: 10. Description of event: July Tankard Shoot S/R. 20: R. Burlington, 15/20; R. Middleton, 14/20; J. McLachlin, 12/20.

This our first monthly tankard shoot, was held at Kullit Plantation, from a Hol trap.

Despite a large number of "rare birds", some of which were thrown behind a large tree, overhanging the beach, Bob Burlington managed to scrape up a score of 15/20, and clinch the trophy. It is interesting to note that some kills were actually made blind, through the foliage.

(G. B. Butler, Hon. Sec.)

KARKAR ISLAND (N.G.), 20/7/68.—Weather conditions: fine. Attendance: 30. Description of event: Dogowan Cup 25 S/R. Team Event. No. 1, W. Lloyd, 18/25 Captain; F. L. Rimmer, 19/25; J. McLachlin, 15/25 (Total Team Score: 79/125, 4/5). N. Goodyear, 14/25; K. van der Munich, 13/25. No. 2, W. Walker, 15/25 Captain; F. Kochendoerffer, 20/25; G. R. Butler, 19/25 (Total Team Score: 79/125 1/3). J. Middleton, 17/25; J. Rosenberg, 8/25.

This year's Dogowan Cup was a very competitive event, all scores exceeding last year's winning score.

The two leading teams cracked up under the strain, and after the last five birds everyone was amazed to see the President, Bill Lloyd's team in the shoot off. This they won with a 4/5 round, and the Cup returns again to Dogowan Trade Store, together with a special award for "Indian giver of the year".

Later at the Karkar Club, the Dogowan Trophy was presented, together with champagne for the runner-up team.

This event was so competitive that it was almost restaged the following Saturday, except for the absence of the vocal "hard losers" who issued the challenge.

(G. B. Butler, Hon. Sec.)

KARKAR ISLAND (N.G.), 3/8/68.—Weather conditions: fine. Attendance: 15. Description of Event: August Tankard Shoot 25 S/R. W. Walker, 23/25; R. Middleton, 22/25; F. Kochendoerffer, 22/25.

Our August Tankard Shoot proved to be the most competitive single barrel event we have ever staged.

Our expatriate "poacher", Willie Walker, with the help of his Sherlock Holmes game-tracking hat, managed to put "Manchester" on the top of the Club ladder with a very cool 23/25. The

only thing that unruffles this fellow is a tail full of buckshot. Hot on his heels with 22's were Roger Middleton and Fred Kochendoerfer of Kaviak Plantation.

Considering Brian Turner returned a 21, and John Middleton a 20, we are very pleased with the competitive atmosphere our monthly Tankard Shoots are creating.

(G. B. Butler, Hon. Sec.)

KARKAR ISLAND (N.G.), 7/8/68.—Weather conditions: fine. Attendance: 5. Description of Event: Practice Shoot S/R. F. L. Rimmer, 92/93.

At a practice shoot on the 7th August, Freddie Rimmer managed to secure the Karkar Island break record with a 92 straight, double barrel. Of the 92, the second barrel was used on only six birds. Freddie has been presented with an engraved club tankard for his admirable feat.

(G. B. Butler, Hon. Sec.)

KEMPSEY (N.S.W.), 17/8/68.—Weather conditions: Southerly gale cold. Attendance: 14. No. 1, 10-bird S.B.: J. Goodsall, 27/30; T. Rumble, 27/30; J. Smith, 24/30; A. Fotheringham, 24/30; P. Farrell, 24/30. No. 2, 10-bird S.B.: J. Goodsall, 10/10; G. Haigh, 10/10; G. Baker, 9/10. No. 3, 10-bird D.B.: A. Neill, 10/10; G. Haigh, 10/10; G. Baker, 10/10; J. Barker, 10/10; J. Goodsall, 9/10; T. Rumble, 9/10. No. 4, 10-bird S.B.: T. Rumble, 10/10; J. Goodsall, 9/10; A. Neill, 8/10; G. Baker, 8/10.

J. Goodsall was the best shot of the afternoon. Conditions were bad, very cold southerly gale blowing.

(J. A. Smith, Hon. Sec.)

KORUMBURRA (V.), 27/7/68.—Weather conditions: cool slight breeze. Attendance: 38. No. 1, 10-target D.B. C/D. H'cap: Divided 10/10, K. Brown, M. Kenny, L. Legg, R. Frank, J. Balcombe, E. Cripps, C. Arnup, J.

Hamblin, J. Buchanan, A. Miller, A. Hance, A. McDonald, R. Lamb, L. Swain. No. 2, 10-target Pts. H'cap: J. Balcombe, R. Ferres, G. Biggs, C. Arnup, D. Stone, G. Shepherd, L. Swain, 30/30. No. 3, 10-target S.B. H'cap: M. Kenny, R. Ferres, E. Cripps, J. Hamblin, A. McDonald, R. Lamb, L. Swain, 10/10.

The eye opener saw the shooters in good form with 14 possibilities. The points and single barrel over which we conducted an overall High Gun saw only L. Swain and R. Ferres shoot the possible with 19/20. L. Swain went out to win 49/49 with R. Ferres 48/49 second, with A. Hance third. Seven shooters divided the P/S Sweep and seven shooters divided the S.B. sweep.

We thank all the shooters for staying with us during the very frustrating teething troubles with the electric release of No. 1 trap.

(John Green, Hon. Sec.)

LILYDALE (V.), 3/8/68.—Weather conditions: cold and windy. Attendance: 50. No. 1, 15-birds Pts. E.O.: 1st G. Biggs, 45/45; 2nd, B. Ireland, 44/45; 3rd, L. Mitchell, 43/45. No. 2, Yering D.B. C'ship: 1st, A. F. Drake, 36/36; 2nd, J. Anderson, 35/36; 3rd, V. Nicholas, 24/25; 12-14 yds., H. Cooper, 20/23; 15-16 yds., B. Ireland, 23/24; 17-18 yds., N. White, 22/23. No. 3, 15-birds H'cap D.B.: G. Dryden, R. G. Mitchell, H. Somers, Dick Brown, R. Kilkenny, 15/15 Divided. High Gun, R. G. Mitchell, 48/50. Skeet Event 1, G. Dryden, L. Mitchell, R. Kilkenny, R. Maybury scored 25 Divided. Skeet Event 2, R. Buchan scored 25.

Despite the inclement weather today's attendance was about up to average.

Congratulations to A. F. Drake on winning the main event after a shoot off with Jack Anderson and Vin Nicholas. Considering the weather, the scoring in this event was very good.

Fifteen shooters took part in the first skeet event with four scoring 25. In the second event Bob Buchan scored 25 off the gun and collected all the prize money.

(Jon, Hon. Sec.)

LISMORE (N.S.W.), 25/8/68.—Weather conditions: fine gusty N.W. wind. Attendance: 20. No. 1, 5-targets Pts. score E.O. H'cap: Jeff Tainsh, Lloyd Frederiksen, Jim Bell, S. Simmonds (Coff's Harbour). G. No. 4, 10-targets Opt. Sweeps from 16 yds.: Jim Bell, David Worrall, Keith Stanton, Lloyd Frederiksen, Darcy Powell, G. D. T. Seccombe (Coff's Harbour), Dick Powell, Guy Ethell, 10/10. No. 5, North Coast, N.S.W., S.B. C'ship 20 S.B. from 16 yds.: 1st, Guy Ethell, 20/20; 2nd, Keith Stanton, 22/23; 3rd, Jim Bell, 21/23. No. 6, 10-targets Pts. score from H'caps: David Worrall, Geoff Pringle, Lindsay Roach, Darcy Powell, Jeff Tainsh, Keith Stanton, 30/30; Jim Bell, Lloyd Frederiksen.

Today the Club was able to extend a welcome to Clive Evans of Warwick, and Jack Seccombe, Sandy Cox, John Leussink and Stan Simmonds from Coff's Harbour. We missed Mr. and Mrs. C. J. Lee as Clarrie has been taken seriously ill — all present send the Lee's best wishes for a speedy recovery.

Windy conditions made for inconsistency, particularly amongst the back markers. Front markers had a field day, with four gaining an increase on handicap. The main event, the North Coast of N.S.W. Single Barrel Championship, was ably won by Guy Ethell, who never looked like missing a target. His was the only possible, and Keith Stanton and Jim Bell (19/20) shot off for second and third. Geoff Pringle hit form in the morning's trophy event to win well from Lloyd Frederiksen and Jim Bell. The most consistent markmen were Keith Stanton (75/76) and Jim Bell (74/76) who took out the High Gun and Intermediate High Gun trophies after a short shoot off. Trophies were donated by A. G. Robertson's of Lismore. Special trophies presented by Viscount (Godfrey Phillips International) were won in event 6 by Lloyd Frederiksen, Jim Bell and Jeff Tainsh, all Intermediate shooters. The Club's thanks go to its visitors, trophy donors and obliging ladies for making the day such a successful one.

(D. S. Worrall, Hon. Sec.)

MANGOPLAH (N.S.W.), 11/8/68.—Weather conditions: fine. Attendance: 31 shooters. No. 1, 10-bird D.B. H'cap: E. Vincent, H. Mohr, John Cox, J. Bone, R. Podmore, T. Salafia, L. Graham, 10/10. No. 7, 10-bird D.B. H'cap: H. Mohr, S. Bell, D. Ratcliffe, G. Scheuner, W. Mohr, R. Sheather, 10/10.

The championship was made into a marathon between Doug Lucas from Griffith and Stan Finemore from Mangoplah with Jim Thompson from Cootamundra falling out at 82 bird. Doug went on to shoot 125 straight to win the champion-

ship. A very good roll up of shooters attended and everyone enjoyed themselves at the buffet luncheon provided by the ladies of the Club.

(A. S. Millwood, Hon. Sec.)

MANNUM (S.A.), 25/8/68.—Weather conditions: fine with slight breeze. Attendance: 28. No. 1, Fischer's B.M.O. Award 15-targets 12-16 yds. & 17-27 yds. Sections Pts. System: 12-16 yd. Section—1st, C. No. 4, 10-targets 18 yds.: J. Hutchings, P. Browne, R. Kimber, L. Holmes, 10/10.

There was a marked improvement in the concentration of the 12-16 yard shooters in the 1st event owing to it being divided into two divisions. It was good to see Clem Thomas back to his previous form. Both sections entailed shoot offs for second and third placings. The Club is most grateful to Mr. Fischer for making the trophies and this event available. J. Maizkowiack and D. Brown combined very well to score 16/20. Pairs in the State Deauville Double Sparrow Championship, R. Mules with P. Mules, were keeping the pressure on the winners until the last five pair. Congratulations to all winners.

DOUG SMITH WINS EXHIBITION D/B CLAYBIRD SHOOT

"OH, THE HUMILIATION! EVEN IF YOU DID HAVE TO RUSH FROM BELMONT, YOU COULD HAVE LEFT YOUR PRECIOUS SHOTGUN BEHIND!"

Novice 5-targets, D.B.: 1st, R. Young, 5/5; 2nd, R. Abbott, 3/5. No. 3, Club D.B. Sparrows C'ship: 1st, D. Brett, 20/20; 2nd, G. Roberts, 20/22; 3rd, J. Sidnell, 19/22; Front Marker, M. Kupsch, 16/20. No. 4, 15-target D.B. H'cap: 1st & 2nd Div., B. Roberts, G. Waterhouse, 15/15; 3rd Div., A. Hudson, J. Sidnell, K. Hendry, 14/15. No. 5, 5-pr. Deauville Doubles: Divided, B. Roberts, R. Young, 5/5; H. Hudson, R. Mason, 5/5. No. 6, 3-prs. D/Rise: Divided, K. Lowry, A. Hudson, 6/6.

In the main event the Club Double Barrel Sparrows Championship Don Brett showed a clean pair of heels to the field in recording the only full score of 20/20. This was particularly good shooting as an incoming breeze made the targets difficult at times. Club President G. Roberts and J. Sidnell of Launceston, both 18/20, shot off for the minor placings, and M. Kupsch from Burnie shot well to take front marker honours. New shooter R. Young from Burnie shot particularly well to win the novice and share in another event. Club President G. Roberts presented trophies to the winners during the afternoon tea break and welcomed visiting shooters and thanked the ladies for their usual most welcome cuppa.

MILLICENT (S.A.), 28/7/68.—Weather conditions: fine. Attendance 25. No. 1, 5-target E.O.: Divided by 10 shooters. No. 2, 10-target Pts. H'cap: Divided by 3 shooters—P. Cleggett, Jr., A. Cameron, A. Good shooting under good conditions was evident by the large number of possibles on the board at Millicent's monthly shoot on Sunday.

Congratulations to young Peter Cleggett from Apsley with 30/30 in the 10 target points event.

Thanks again ladies for providing afternoon tea.

(A. J. McIntyre, Hon. Sec.)

MORWELL (V.), 17/8/68.—Weather conditions: fine. Attendance 24. No. 1, 10-target Pts. C/D.: R. Marriott, J. Balcombe, C. Arnup, E. Cripps, H. Weitzel, J. Green, 30/30 divided. No. 2, 15-target D.B. With weather conditions excellent and a good attendance — thanks to visitors from Foster and Korumburra, Sale and Metropolitan G.C. High scores seemed the order of the day. Six possibles in the Gun Warner and then 12 possibles for the shoot-off in the main event. However, Garry Williams was in top form and when John Green missed his 63rd target he assured himself of backward movement.

Garry was also the winner of the Red Cross Novelty Cake Shoot. Congratulations to all the winners and thanks to the Red Cross ladies for the excellent afternoon tea.

MOUNT GAMBIER (S.A.), 4/8/68.—Weather conditions: gusty w/ly. winds with showers. Attendance: 28. No. 1, 5 Clay S.B. E.O. C/D. 16 yds.: L. J. W. Earl, A. R. Hutchesson, F. F. Kentish, B. England, P. Sheridan, J. D. Murphy, K. Manning, 5/5. No. 2, Club S.B. Clay C'ship: 1st, J. D. Murphy, 20/21; 2nd, L. J. W. Earl, 19/21; 3rd, J. R. Humphris, 32/34. No. 3, \$2 D.B. 10-clay H'cap: C. F. Copping, M. L. Earl, J. D. Murphy, R. W. Scott. No. 4, Off the Fence 20 in Box: J. D. Murphy.

Quite a pleasing attendance of shooters competed under difficult shooting conditions.

Congratulations to visitor J. D. Murphy who won or divided each event.

Despite the conditions some good scores were returned. Jim Humphris proved too strong for

Bruce England to take out 3rd place in the championship. Les Earl missed his first bird in the shoot-off for 1st and consequently had to settle with 2nd trophy.

Another excellent afternoon tea was provided by the ladies and helped to ease the chilling winds.

Many thanks to Brian Clements who kindly brought along an outside oil heater.

MOUNT ISA (Q.), 4/8/68.—Weather conditions: warm and fine. Attendance 16. No. 1, 15-target D.B. off A.C.T.A.: C. Buhagiar, E. Sabestiani, H. J. Smith, 15/15. 4 others at 14/15. Marchioli, C. Selke, P. Western, 19/20. No. 4, 10-target D.B. off A.C.T.A.: U. Marchioli, C. Buhagiar, E. Sabestiani, H. J. Smith, P. Weston, J. Whatmore, 10/10.

This afternoon we were pleased to have Peter Weston and Billy Burke from the Showman Society attend the meeting. Our meeting this month was poorly attended owing to the fact that many functions were in progress commemorating the founder of Mount Isa, the late John Campbell Miles. Charlie Buhagiar shot exceedingly well today, losing only one target all afternoon. Harvey Smith and Peter Weston from the back marks proved strong competition for most front markers. New comers to the course were Bill Duchatel, Carl Vella and Tom Jerkie. Next month will see the running of the Amies Shield.

(H. T. Linton, Hon. Sec.)

McKINLAY (Q.), 4/8/68.—Weather conditions: near perfect. Attendance: 9. No. 1, 10-bird D.B. birds only: 1st, E. Solomon, S. Batt, 10/10. No. 2, 10-bird S.B. Trophy: 1st, E. Solomon, 9/10. No. 3, 10-bird Pts. "Jackpot": 1st, E. Solomon, 30/30; 2nd, A. Collings, 28/30.

An entertaining afternoon's shoot was had by all. Eric Solomon had a field day by winning or sharing in all events. Congratulations, Eric, for getting the first leg in on the No. 2 Jackpot.

We take this opportunity of welcoming Barry Wilson to the shooting ranks. Hoping to see a lot more of you, Barry, and hope you soon have some success.

Must thank the ladies for the very nice afternoon tea.

H'cap: 1st, B. Thompson, 119/119; 2nd, D. Redman, 118/119; 3rd, L. Bull, 90/91.

With perfect weather and the largest attendance ever, Narrabri saw its best shoot to date. Congratulations to all winners. Ernie Redman started the day off well by winning the Cotton Valley District Championship with Arch Rowe second. Tough luck, Arch. Wayne Harris had a skinner in the S.W. State D.B. Sparrows. Wayne is just back from the States where he spent a month and a good few shoots over there. Barry Thompson and Don Redman brought a thrilling climax to the day when they shot it out for the "C" Grade Browning U/O and Barry winning with 119 clays. A. Romanello, from Sydney, won the Intermediate High Gun 63. Wayne Harris won High Gun 67 and trophy was donated by I.C.I. An added feature of this shoot was a sit down lunch conducted by Narrabri Lions Club to raise money for the spastic centre.

(Eric Saunders, Hon. Sec.)

NARROGIN (W.A.), 4/8/68.—Weather conditions: fine and warm. Attendance: 20. Club C'ship Mixed Birds: Back Markers—D. Wiese, 48/53; S. Gibson, 47/53. Front Markers—K. Stuart, 32/53; A. Holmes, 31/53. Best Visitor—G. Downer, 38/53 (Katanning Club).

Seventeen members contested the Club Championship with three visitors from Katanning Club being in attendance. Daryl Wiese made it hard for everyone by shooting the lot in the 12 round of Skeet but Scotty Gibson only dropped one bird. They stayed that way all afternoon as you can see by the result. The front

marker badge was hotly contested and was safe in the hands of Ken Stuart only when Alister Holmes dropped his second last bird. Bad luck for Greg Downer for not joining our club.

(N. J. Brown, Hon. Sec.)

A pleasant day for shooting enjoyed by about even numbers of local and Guyra members.

Wind gusts made the clays a bit tricky. Nick Romanello won the main event with 76. Ian Mills got second and also High Gun with a break of 104. Nick also got his 100 break badge.

(J. Evans, Hon. Sec.)

NOORAT (V.), 26/7/68.—Weather conditions: good. Attendance: 18. No. 1, E.O. 5-bird Pts. Decision: Equal 1st, L. Reicha, N. Davis, M. Sullivan, 15/15. No. 2, Noorat D.B. Night C'ship: 1st, T. Tom Davis of Woodford beat Les Reicha, Terang, in the first of two club championships. The first carried 6 possible scores of 20/20.

Tom Davis was in top form to win from Les Reicha. The second championship which was a points decision. This event went to Noel Davis from Cobrico who won outright, shooting 20 birds single-barrel to score 60/60.

Rex Millard from Portland came a close second with a score of 59/60. The club president, Les Reicha, presented the trophies and

thanked all who attended, also thanks to the ladies for supper.

(Ian G. Grummett, Hon. Sec.)

NORTHAM AND DISTRICTS (W.A.), 18/8/68.—Weather conditions: cold with showers. Attendance: 22. Results: 1st, R. Hill, 21; 2nd, W. G. Morgan, 20; 3rd, G. Way, 18½; 4th, E. Humphrey, 16½; 5th, D. S. Smith, 14½.

There was a good roll up for a programme of 40 mixed birds.

The winner on the day was P. Nunan from Cunderdin Club, who shot very well to score 37/40 which after a handicap adjustment gave him 41.

Of the Northam members Denny Holtfreter and Peter Humphrey shared the first place points each with a score of 40. Jim Morgan was third with 38-2 and Eddie Humphrey and Bob Cook shared 4th place points with a score of 37-2.

The aggregate table, as the year progresses, gets more and more interesting. Some of the early leaders have failed to continue scoring, with the result that their margin has closed. Jim Morgan has moved back into second place, and seems determined not to be shaken off.

PARKES (N.S.W.), 10/8/68.—Weather conditions: cool, light breeze, showers. Attendance: 21. Results: No. 1, D.B. E.O.: shared: H. Wright, T. Powell, G. Wright, C. Anderson, E. Rushton, G. Beaumont. Novelty Sweepstakes (5-pair D/Rise): 1st, G. Bell; 2nd, J. Watts; 3rd, L. Tobin, E. Miles, G. Beaumont.

Eight shooters reached the shoot-off for the Mid-Western District Deauville Double C'ship, the main event of the four-event programme.

Parkes shooters Geoff Wright and Cliff Bradley emerged the winners after shooting ten pair without a loss. Second placing was gained by Robert Elbson (Forbes) and Eric Miles (Parkes).

Rain almost stopped shooting after the second event but apparently it was only bluffing, for after afternoon tea it had cleared up and only a few spots were seen throughout the rest of the afternoon. Altogether a rather cold but very enjoyable afternoon's shooting.

(K. R. Hall, Hon. Sec.)

PERTH (W.A.), 18/8/68.—Weather conditions: Cold, showery, light wind. Attendance: 40. Results: No. 1, Club D.B. C'ship 50 B. ex 16 yds.: 1st, Doyle Martin, 106/106; 2nd, Doug Cumming, 105/106; 3rd, Jules Steiner, 67/68. No. 2, Club Intermediate Championship: 1st, Brian Zuchetti, 68/69 (he shot off in the Open Section); equal 2nd, Tom Holt and Bill Scrimgeour, 49/50; 9 other shooters recorded 49/50. No. 4, Ladies Event 10-bird D.B.: Mrs. Nell Martin, 8/10. Very well won from 5 other ladies. The event was scheduled for 20-bird but was washed out by heavy rain.

An excellent roll-up, with some very good shooting. Hearty congratulations to Doyle and Mrs. Martin—the latter has been shooting for two weeks. Also to Brian Zuchetti who has not yet completed 12 months shooting but performed with supreme confidence.

On Sunday, 11th August, the grounds were opened to the public to witness a demonstration of all types of clay target shooting, after which visitors were invited to try their hands at the sport. Over 250 people attended the demonstration which was in support of the Cardiac Ambulance Appeal; the entire receipts were handed to the Appeal — a healthy contribution of \$400.

The demonstration day should also have valuable side effects for the sport of clay target shooting in general; quite a number of visitors were clearly enthusiastic.

Perth Gun Club hopes to hold an event each year in support of the Cardiac Ambulance. Initially the appeal needs \$32,000 — anyone interested in helping this worthy cause should get in touch with Perth Jaycees.

A good roll-up of shooters and a varied programme made for a most enjoyable afternoon. Honours for the day went to Bob Brown who won both High Gun and Intermediate High Gun.

The recent introduction of Intermediate Trophies has given added incentive to those shooting from 12-16 yards and with the new electric traps competition is keen.

(J. M. Papps, Hon. Asst. Sec.)

SEBASTOPOL (V.), 10/8/68.—Weather conditions: wet and windy. Attendance: 52. Results: No. 1, 10-bird D.B. points C.D. Division: 7 shooters, M. Morrissey, A. Finlayson, K. Fisher, M. Howell, G. Smith, F. Hill and D. Grummett. No. 2, 20-bird D.B. Handicap: 1st, K. Robinson, 102/102; 2nd, L. Reicha, 101/102; 3rd, M. Morrissey, 78/79; yardage 12-15, W. Carnes, 16-20; K. Fisher, 21-23, M. Triumph Herald Shield won by Noorat Team with a score 100/100.

Rain and a cold wind made shooting unpleasant, but under the adverse conditions we saw some excellent shooting with young Geelong shooter K. Robinson, outstaying back marker Les Reicha from Terang and third place to Stawell shooter N. Morrissey. Championship was taken by Brian Mark from D. Branagh and Angus Finlayson.

Team shoot was won by the Noorat team 100/100, excellent shooting chaps and we will certainly have a battle to regain shield. To all visiting shooters from Colac, Noorat, Stawell, Melbourne, Geelong, Frankston, we thank you for your attendance to make this shoot a huge success.

(Alan Shepherd, Hon. Sec.)

STH. BURNETT (KINGAROOY) (Q.), 4/8/68.—Weather conditions: fine. Attendance: 35. Results: No. 1, 15 D.B.: 1st, S. Angel, 50/50; 2nd, F. Fiegler, 49/50. No. 2, 10 S.B.: 1st, F. Fiegler, 20/20; 2nd, L. Ivins, 20/21. No. 3, 10 Pts.: 1st, S. Angel, 60/60 pts.; 2nd, B. Pearce, 57/60 pts.

A very pleasing attendance coupled with some excellent scores marked another successful monthly shoot for the club. Spencer Angel

really let his hair down today and would not take shaking out of the D.B. and points events. The high gun of the day also fell to his weapon. Congratulations to Spencer in attaining his 50 break honours and for killing 110/111 without using the top barrel. Arrangements are well under way for the staging of the annual shoot for October 5th and 6th, and if monthly shoot attendances are any indication a record shoot may well be expected.

(L. T. Ivins, Hon. Sec.)

SOUTHERN (S.A.), 25/8/68.—Weather conditions: cold and windy. Attendance: 23. Results: No. 1, 10 Clay E.O.: 1st, T. Roberts, 10/10; 2nd, C. D. Scott, F. Grey, S. Dane, J. Dowdell, T. Bruce, R. With weather much improved, i.e. (it did not rain all day), a keen bunch of shooters returned excellent scores. Congratulations to George Black — 58/60, who won the President's Trophy outright; to Morrie Jaeger and R. Fry both of whom gained 50 break badges and to the father of the Club, Cedric Scott, who was 74 two days ago and shot a very creditable 50/50 in the \$50 Handicap. Thanks to all for their attendance and participation and the ladies for the fine afternoon tea.

(E. Kleinig, Hon. Sec.)

SOUTH WEST (W.A.), 3/8/68.—Weather conditions: cloudy, fine, slight wind. Attendance: 18. Results: No. 1, 25 Mixed Birds: 1st, A. Yates, 30/35; 2nd, N. Milligan, 28/35; 3rd, P. Hough, J. Garvey, 21/25.

In almost ideal winter conditions 18 shooters contested the programme composed of 5 D.B., 5 S.B., 5 W/Up, 5-pair D/Rise. Although the possible was not scored, a 10-bird shoot-off was needed to separate the major placegetters. Special congratulations to A. (Hal) Yates for his effort. During the afternoon this shooter's constant activities as club secretary and major organiser left little time for him to relax to the job in front of him. The results are a credit to his powers of concentration under difficult circumstances.

(Malcolm Bisset, Handicapper.)

One of the best shoots held for some time. Most shooters shot well especially Peter McGuire. It was good to see R. B.
