Editor's Notes

As the 1971 Australian National Clay Target Championships were not concluded at the Brisbane Gun Club until June 18, complete details of the results were not available for publication in this issue. However, full details of the June 12 to 18 National title events will be published in August 1971, A.C.T.A. Clay Target "Shooting News." Meanwhile, a STOP PRESS of the major placegetters is contained in this publication.

Results of the ballots at the 35th Annual General Meeting of the A.C.T.A. conducted on June 14 in Brisbane were:—

President — G. H. Hall.

Executive Committee —

State of Queensland — N. W. Massey.

State of New South Wales — A. F. Hawkins, A. N. Rowe.

State of Victoria — E. T. Baldwin, E. G. Biggs.

State of Tasmania — Mr W. E. H. Rainbird, re-elected unopposed.

State of South Australia — Mr R. C. Mules, re-elected unopposed.

State of Western Australia — Mr N. Wells, re-elected unopposed.

Results of the 24th International Trap Teams' Match shall not be available until all other competing countries have conducted their matches, of which, the final section for 1971 shall be at Ashbourne near Dublin, Eire (Ireland) on Friday, July 23, 1971.

A.C.T.A. 1972 OPEN CHAMPIONSHIPS

Applications for open championships to be contested during 1972 (that is, Commonwealth, State and District Titles) are required to be lodged under Rule 27 by member Clubs, in writing on the prescribed form number 16, not later than Friday, July 30, 1971.

Such applications shall be collated and submitted to the Executive Committee for consideration and allocation. Member Clubs are requested to measure their applications and to apply only for championships

which can be satisfactorily conducted between January 1 and December 31, 1972.

The allocated championships for the calendar year 1972 shall be published in December 1971 "Clay Target Shooting News."

From this published list of allocations, Clubs then choose their own respective 1972 programmes to include these title events as so allotted, and submit shoot requests (Form 16) to A.C.T.A. for consideration, showing the required date(s) concerned.

Approvals are subject to correct interpretations of A.C.T.A. Rules and are designed to avoid clashing of major programmes with nearby Clubs.

Commonwealth, State or District championships will not be allocated to Clubs who fail to either apply the handicapping formula correctly or who fail to submit handicap returns for each shoot.

No trophies or prize monies may be handed to any shooters without the previous submission of current handicap cards — Rule 18.

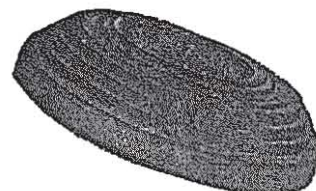

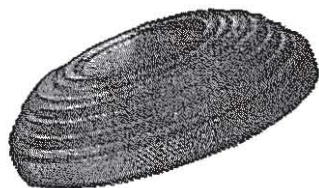

The Championship Roster for Commonwealth Titles for the 1972 year is as follows:—

TIPS AND TALES

Lae (TPNG) — April 19, Annual General Meeting elected office bearers of President, W. Attlee; Vice-President, H. Pelgen; Secretary, J. Barbour; Treasurer, T. Walsh.

Kalbarrie (WA) — new club formed 17/4/71 after shooters W. R. White and Mrs Judith White moved from Derby. Kalbarrie is 100 miles from Geraldton and is now shooting regularly using a Damo trap purchased from the South West Gun Club. Office bearers elected were President, W. R. White; Vice-President-Captain, E. E. Crocos; Vice-Captain, W. A. Glass; Secretary-Treasurer, Mrs J. White; Committee Members, A. Ralph, E. Cornell, H. D. Wright. Kalbarrie is a tourist resort and crayfishing community, population 760, at the mouth of the Murchison River.

Mossman (Q) — VALE — new club reforming were just getting on their feet when the club suffered a set back with the sudden death of shooter Charles Cully who was responsible for the reforming of the club and was helping club new members to shoot. His presence will be sadly missed. He was in the NSW State Skeet Team four days before his death.

Hillston (NSW) — newly-formed club shall be shooting October 24 and December 26, 1971.

Blackall (Q) — at 3/4/71 annual general meeting, office bearers elected were President A. R. Lane; Vice-Presidents, C. W. Gall, R. J. Banks, E. R. Greenhalgh; Secretary-Treasurer, W. D. Milton; Immediate Past President, D. G. Lloyd; Committee, W. G. Tennent, R. G. Treasure, B. D. Doyle, P. J. Doyle, Mrs B. E. Milton, Mrs M. Tennent, Mrs A. Lloyd.

Azzurri (WA) — claims a steady growth of shooters. New grounds are 18 miles from Perth and are completely devoid of any extraneous noises of air or road traffic. There are three D.T.L. layouts with

ample room for more, whilst two skeet layouts are planned.

Brewarrina (NSW) — cancelled usual annual June two-day shoot because of adverse seasonal and financial conditions in the district. Consequently the club will now conduct the NSW State Single Barrel Mini Target Championship during December — date to be decided.

I.M.I. Australia Ltd. have kindly had struck a unique round silver badge for presentation to the winner of the Australia-New Zealand (Trap) Championship. A similar badge has been handed to the previous such championship winners (see page 7 of June 1971, A.C.T.A. "Shooting News"), whilst for the years 1962 to 1965 this was a points scoring trophy event only.

The badge is headed A.C.T.A., it is inscribed Australia-New Zealand Championship, with the year concerned and contains five stars depicting the Southern Cross.

Winner's names may be inscribed, as desired, on the reverse of the badges.

A number of Clubs are still using the word "birds" in their reports for this and other publications. It is a request of the Executive Committee, from all public relations connections that Club reports use the word "targets" — and NOT "birds."

Letters to the Editor

Burleigh Heads, 4220.
April 30, 1971.

Mr M. C. Berry,
Secretary,
A.C.T.A.,
Melbourne.

Dear Sir,

Perhaps it is a welcome coincidence that, in the issue for April, the little par concerning shooting for enjoyment appears opposite the comprehensive article together with recommendations from Vice-President Jules Steiner.

We have, in fact, two objects of shooting — on the one hand, congenial and social experiences, such as club and inter-club shoots and on the other, highly competitive shooting at international level.

It is perfectly obvious that adopting suggestions (1) and (2) of Jules will ultimately raise the standard in relation to I.S.U. performance, but what of club shoots?

This depends on the outlook of the individual shooter who must ask himself the question "Why do I shoot?" If the answer is "To shoot possibles in events and shoot tremendous scores in shoot-offs," the benefits will be nil. But, if the answer is any of the following: for relaxation, for fun, for social fellowship, to satisfy a personal challenge, to learn to shoot well, to handle a gun, to enjoy keen competition at the highest level, then the benefits will be as follows:—

FOR TRAP

Undoubtedly the challenge is harder, consequently the satisfaction is more rewarding personally and the shooting is more interesting. Because the wind has less effects on the clay targets — they travel in a more uniform ellipse — the shooter gets two ideal shots at the target, there is no excuse for wind and merit has its own reward. It has also been shown that under this method of shooting, shoot-offs are terminated much more quickly; at present, even in a club event, it is not uncommon for a shoot-off to go in the vicinity of a hundred targets.

Long shoot-offs in club events have the disadvantages of:—

- (a) Costing clubs money.
- (b) Costing shooters money.
- (c) Having the bulk of the shooters idle for a long time, the net result being a shortage of time for e.g., an additional novelty event at the end of the programme.

- (d) Most double barrel shoot-offs of any great duration do nothing to prove the best shooter on the day — they prove who is the biggest, fittest or strongest of those who have shot the possible — in short, they are an endurance contest.

FOR SKEET

Here the obvious stress is on added competence in gun handling.

The change-over would result in less stereotyped and consequently, more interesting, more challenging, more satisfying shooting.

Kind regards,

JOHN FARROW.

Dear Mervyn,

Over last weekend, at the invitation of Bob White (ex-Derby Gun Club) I visited Kalbarri which is a pleasure resort some 400-odd miles north of Perth and about 100 miles north of Geraldton.

Bob White (President pro tem) his good wife Judy and another shooting member Ern Crocus of the Geraldton Gun Club, have the makings of a good club and in this regard I understand they have applied for trap registration and also have a Damo and two of the members who have had experience wish to become Referees (looks like a couple of trips for me).

I inspected their proposed ground and it looks good to me, perfectly flat and the background should be just the answer, it is enclosed on three sides by a cliff and high ground which should prevent excessively high winds on the shooting area itself. A new road will have to be put in but with Bob White's earth moving equipment and some help from the Shire Council, this should be O.K.

Kalbarri, situated at the mouth of the Murchison River, has a coast line of rugged beauty that just has to be seen to be believed while inland, along the river, there are gorges and look-outs that can only be described as magnificent.

They are trying to have an opening in November and I will do my best to assist them.

Regards,

ROY ALEXANDER,
Gunsmith and Referee Examiner,
Perth, Western Australia.

Clay targets bite the dust at Nui Dat

The Nui Dat Gun Club began operating in March 1970, after several requests from interested soldiers in the Task Force.

The constitution said then "the gun club is designed to provide a recreational facility for members of 1 ATF. Apart from specific regulations, related to 1 ATF safety requirements, the club is to run in accordance with the Australian Clay Target Association Shooting Rules."

A safety survey was carried out in March 1970 and a trap ordered.

Six guns and the trap were paid for by Amenities who have also paid for the cartridges and clay targets.

A shooting trap was built with five concrete walk-up lanes and a concrete-lined trap house.

The six guns purchased by Amenities for the club were B.C. Miroku Stirling shotguns. They are over and under trap guns, model 800.

The club has used both ICI and Winchester shells and the last order placed was for 6,000 clay targets.

The club has about 60 members on its books and about 30 shoot each Sunday afternoon. A typical shoot will see about 800 shells fired through the six guns.

A typical shoot may consist of a five target opener; ten target double barrel event; deauville doubles and a walk-up event.

Many of the members joining the club have never taken part in this type of shooting before.

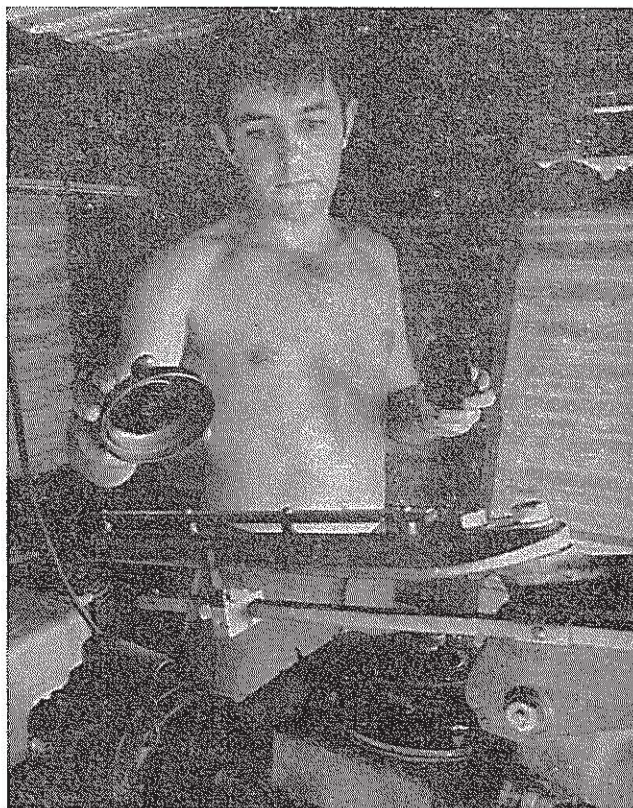

Story: Lt. Jim Cannon. Pictures: Sgt. John Ford. Authority: Lt. Col. L. Logan, Force Public Relations Officer, Vietnam.

Sergeant Wilf Lock, of Melbourne, Vic. (right), shows fellow Nui Dat Gun Club member, Craftsman Ron Munroe, of Swan Hill, Vic., how to strip one of the club's shotguns. The club shoots with guns donated by Amenities, which are the B.C. Miroku Sterling Shotguns, over and under trap, model 800.

Preparing to shoot during a competition at the Nui Dat Gun Club in South Vietnam are from left, Craftsman Ron Munroe, of Swan Hill, Vic.; 2nd Lt John Ainsworth, of Melbourne, Vic.; and Sergeant Wilf Lock, of Melbourne, Vic. During a typical afternoon shoot, as many as 800 shells are fired at clay targets.

The Nui Dat Gun Club in South Vietnam features modern equipment similar to any club conducting clay target shoots in Australia. The club has about 60 members from many different Army corps. Pictured inspecting equipment inside a trap is the Command Catering Adviser, 2nd Lt John Ainsworth, of Melbourne, Vic.

The John Newton Thomas trophy

This 16½ x 12 inch cup has been rejuvenated and fitted with a new wooden base of timber from a myall tree on the New South Wales property of the donor, John Newton Thomas, of Melbourne.

The cup was originally donated for competition within the Australian Clay Pigeon Trapshooting Association—which since 1961 has been registered as the Australian Clay Target Association.

The inscriptions to date on the cup refer to page 8 of June, 1971, A.C.T.A. Shooting News, and are:

"This cup, one of the earliest given for Clay Target Shooting in Australia, was won by J. W. Sutherland (known as Calrossie), who was my mentor and friend in my early trapshooting career.

It is given in perpetuity for competition at the A.C.T.A. National Championships and is for the best aggregate over all the National Title Events and the Grand Australian Handicap.

(Signed) NEWTON THOMAS."

MANSFIELD, 17/5/71.—Opening of New Club House.

The President, Mr L. Parks, opened the meeting with a short history of the Gun Club. It was formed in 1955 with himself as president—office he has held ever since. For many years Mrs. Parks managed the afternoon teas, helped by ladies whose husbands were shooters. Mrs. McMillan was secretary for several years, followed by Corvie Leatham until 1970 when Mrs. D. Newman took the position. In 1969 we were forced to abandon the site and Euroa very kindly allowed us the use of their club and facilities, whilst we endeavoured to get going again. After a false start in 1970, yet another site was found and much work in recent months by willing club members—K. Newman, C. McCormack, Reg Peel, T. Forrest, A. Flett, D. Jones, G. Sutcliffe, D. Green, G. Snare and the president to make the new club house one that we could well be proud of. Mansfield Gun Club has only been a small club, but a very friendly one and with increased membership this year we hope it will continue.

Then Mr F. Friday, Councillor for North Riding, and the Shire President, spoke very favourably of the asset this club could be in furthering gun safety for young people, and in particular, the school boys of this area. The Shire President then declared the new Club House open and presented the trophies.

R. Hedger, 30/30, of Alexandra, first; Leo. Shallard, 29/30, of Euroa, second; and A. Jones, Seymour, third. L. Ross won the schoolboy event and Miss Cumming, from Alexandra, the lady's prize.

A delicious afternoon tea was served under leadership of Y. Jones. It was pleasing to see visitors from Euroa, Benalla, Alexandra and Seymour present.

Having hoped for a break even attendance of 30 competitors we were delighted to have the support of 51 shooters at our first advertised programme. Obviously the revival of Sunday shooting at Puckapunyal is welcomed. The committee welcomed constructive criticism and learnt much from talking with the veterans.

John Nelson, a founder member of the club, now returned to civilian life, shot very well indeed to beat G. Smith, thereby winning the C'ship. John also won the High Gun "Pucka Pewter."

We wish to record our thanks to Mr G. Smith and Mr L. Mitchell for donating their prizes back to the club to be contested for by novice members.

By popular demand Sunday shooting will continue to be held at Puckapunyal on the second Sunday of each month.

Another good attendance, considering time of year and championships on same day in the area.

Back markers' trophy was won by E. Whytcross—a very nice trophy generously donated by B. Brown. The trophy going to the shooter who had never previously won a trophy on 12-14 yards was won by T. McGrath.

Pleasing to see E. Alberto on the tracks again, and also F. Phelan, but the occasion proved a little much for Frank after his nasty accident.

The barbecue prepared by the men was delicious and enjoyed by all and a very appreciative tribute for Mothers' Day.

Our second simulated field shoot saw some very good shooting with the championship shoot-off between P. Whyte and Noel Nicholson being followed by a large gallery to the fourth station before a decision was reached. Noel was more fortunate in the High Gun shoot-off when he defeated Adrian Hayes. Most shooters voted the day a great success and it looks like becoming an annual event. Our thanks to IMI for the splendid trophies which they donated.
