A.C.T.A. 1974 Registration List	42

Editor's Notes

At the time of this publication going to press, shooter registrations are still flowing in, however, this publication includes a list of the registrations received up to June 28, 1974.

As this list is compiled from information received from club registrations and handicap returns, any further up-to-date amendments should be despatched forthwith by the clubs concerned to The Secretary, A.C.T.A., G.P.O. Box 2038S, Melbourne, 3001.

Handicap cards are not issued to subscribers as subscribers are not registered shooters. Consequently no subscriber list is published.

On the front fold of each 1974 handicap card, under "Common Mark Shooting," paragraph (i), should read "shooters are classed into three grades by their performance excluding shoot-offs over each 500 targets from 16 ----- yards double barrel, single barrel or points score with broken targets to count."

A full shooting team assembles and departs Sydney by British Airways Flight 921 on Friday, September 6, 1974, for Zurich, Switzerland, for the 41st World Shooting Championships within the International Shooting Union.

The full shooting team will consist of 43 shooters taken from small bore rifle, pistol, shotgun and running boar associations. Overall shooting team manager will be W. R. (Bob) Morgan, who being a veteran representative of a number of such teams in recent years, has been so appointed by the Australian Shooting Association because of his past such background and for his organising ability. Mr Morgan is currently the 1974 president of the Hobart Gun Club of Tasmania.

The shotgun section manager will be Mr Jules Steiner of Perth, Western Australia. The Australian

AUSTRALIAN CLAY TARGET SHOOTING NEWS

Clay Target Association as an affiliate of the Australian Shooting Association within the International Shooting Union plans to field a team of four trench and two skeet shotgunning against the respective best clay target shooters of other member nations.

The Australian team is due to return to Sydney at 8 a.m. on Monday, October 7, 1974.

The A.C.T.A. must initially provide the fares for these shooters, thence the hope is to recoup some of this from the Federal Government and from various industrial and private donors. The cost for each member of the shooting team is around \$2000.

A private donation of \$10 has been received from shooter Henry Weitzel of Metropolitan Clay Target Club (Vic.) towards the costs.

On May 14, the Minister for Tourism and Recreation, Mr Frank Stewart made some further grants to sport in general from a \$1,000,000 budget allocation to aid amateur sport in Australia. On top of some 75 previous grants he made a further \$54,970 on May 14 to seven different sports and included was \$21,500 to the Australian Shooting Association which is yet to be received and distributed by the A.S.A. to the shooting associations whose teams are competing at Berne, Switzerland in September, 1974.

STOP PRESS: \$3,500 has been received by A.C.T.A. from the Federal Government via the Australian Shooting Association.

The six selectees are— Trench (4) Jim Ellis, South West; Ken Lowry, Melbourne; "Pud" Burgess, Cobar; Sperry Marshall, Hobart; Reserve, Peter Wray, Melbourne. Skeet (2) Chris Carroll, Melbourne; Mark Little, Metropolitan. Additional two skeet selectees subject to finance allotment are — Robin Bailey, Perth and Don Jones, Hobart, with reserve Graham Carroll, Melbourne. The reserves are hereby recorded

simply to have names available in the event of any unforeseen personal circumstance. These selectees were accepted for the respective performances at the final eliminations conducted over June 22/23/24, at the Melbourne Gun Club from 63 trench and 29 skeet nominations. The skeet selectees averaged 185 per cent.

Shotgun team manager is Jules Steiner of Perth. Shotgun assistant team manager is "Pud" Burgess.

STOP PRESS

Circumstances have since evolved that Mr Donald Murray Jones of The Grange, Kempton, Tasmania, 7409, is now confirmed as Australia's number three shooter in the Australian Skeet Shooting Team for the 41st World Shooting Championships and the remaining necessary funds will be passed to A.S.A. Travel Organiser Mr Kevin Tilden accordingly.

Mr Robin Bailey of Perth, Western Australia has officially withdrawn as being unavailable for the skeet section of this shotgun team.

As to team number four skeet shooter, Messrs Jules Steiner and A. M. Burgess are empowered to select and name this fourth skeet-er from the best scores of Australian shotgunners present at the trials in Switzerland immediately preceding the 41st World Shooting Championships.

* * *

Also, during August 1974, a group of registered Australian shotgunners will attend the American Amateur Trapshooting Association 1974 National Championships at Vandalia, Ohio, USA. The group of some 30 or so is under the guidance and private arrangements of shooter Barney Rooke of Wagga Wagga, NSW.

* * *

The attention of all concerned is drawn to the rules of the International Shooting Union as contained within the printed and published A.C.T.A. Shooting Rules book.

Where clubs conduct events under the rules of the International Shooting Union then these clubs must fully conform to all I.S.U. requirements — and all such events must be of 25, 50, 75, 100 (and-so-on) targets — that is, in multiples of 25, but NOT of any odd numbers of 30 or the like.

* * *

The compilation of A.C.T.A. break records is entirely dependant upon the lodging of a claim by the respective host club concerned in each and every instance. Consequently it is suggested that each member club retains the A.C.T.A. break record list each time it is published and acts accordingly when an increased break is recorded within A.C.T.A. shooting rules.

STOP PRESS — Australia wins 1974 Mackintosh Trophy. See page 36.

A.C.T.A. registered shooters are invited to attend and compete at their own expense and by their own arrangements at the "International Championships of New Caledonia 1974." Training is from August 10 to 14 and grounds will be opened from 9 to 11.30 a.m. and 13.30 to 17.00 p.m. (remember the French use a 24-hour clock). Competitions will be conducted from August 15 to 18, commencing at 9 a.m. daily. There will be an Individual International Championship over 200 trench targets and there will be an International Team Championship as an open event — teams of four shooters over 150 targets.

Then follows an Individual Territorial Championship of 150 trench targets for Caledonian shooters only.

Next is an Individual International for visiting shooters by category over 150 targets in three categories with three sets of gold, silver, bronze medals within each of the categories.

American Trench and Skeet open events each of 50 targets follow:

The club was founded in 1970.

Intending visitors should contact any full travel agency and accommodation or leisure bookings in New Caledonia are recommended to be through — "Agence de Voyages Jean Brock, 27 Rue Jean Jaures, BP122, Noumea, telex Brock 16M telephone 734.39 — 747.81.

Shooter nominations close at the shooting grounds at 2 p.m. August 14.

All visiting shooters are requested to give as soon as possible, brand, calibre and serial numbers of their guns in order to make easier administrative formalities at their arrival in New Caledonia. Do not take cartridges with you — they may be purchased at the grounds.

The address of the club is CTC (Club de Tir Caledonian) — B.P. No. 2993, Noumea, Nouvelle, Caledonie. The shooting grounds are on Route Territoriale (or Highway) number 1 — Ball Trap 6 kilometres.

STOP PRESS — A group of six or so shooters is attending the New Caledonia National Championships at Noumea, New Caledonia, under the leadership of Brian Mark of Sebastopol Gun Club, Victoria.

Concerning badge deliveries — we have had our problems and so has industry at large in Melbourne over the past financial year in that this city has been in the grip of mass overemployment to such an extent that areas away from city happenings have been virtually unaware of the situation. Our badge makers have been extremely effected causing long delays in finality of processing.

EDITOR'S MAIL BOX

Secretary, A.C.T.A.
Dear Sir,

P.O. Box 271,
Derby, WA, 6728.

Please find enclosed a letter which contains a list of our club members this year so far plus their nomination fees. This letter, which was late in the first instance, I was positive had been posted to you and on receiving your letter as regards annual subscriptions to A.C.T.A. had me somewhat bewildered.

However, as mail sometimes goes from Derby by ship and usually ends up in all sorts of places I was sure the letter would eventually get there, but unfortunately this morning, to my dismay, I came across the letter in the glovebox of my car so I am posting it this afternoon for sure.

Please accept my sincerest apologies for such a stupid blunder and hope you receive it in one piece. Could you please send the handicap card to the above address.

Yours faithfully,

W. J. CAREY.
Hon. Secretary.

P.S.: Magazines to respective addresses.

Editor's Comment: Perfection is something we all seek but how nice to receive an honest letter as A.C.T.A. office is on the end of the line and gets blamed for many things — mostly of which the office is innocently unaware.

C. M. Berry,
Secretary, A.C.T.A.,
Melbourne.

Dear Sir,

An accumulation of too many years and failing eyesight have forced me, reluctantly, to put my gun on the shelf (hopefully for a grandson to use). However I continue to be a paid-up member of the Gold Coast Gun Club and have been a Life Member of the Aust. Clay Target Association for many years.

Incidentally this is in reply to your memo of May 15 re my membership. Also congratulations for the good job you are doing. The A.C.T.A. has reached national standard under your secretaryship and our top shooters now have the opportunity to prove that they are of world class.

Yours faithfully,

H. T. CARNE.

Washdyke,
South Canterbury,
New Zealand.
28-5-74.

The Secretary,
A.C.T.A.

Dear Mr Berry,

I read in one of your recent clay target news that you had had some trouble with the addressograph plates for posting this journal.

The May issue of this journal with the details of the National Championships and all the photos is a masterpiece in compilation and a real pleasure to read. You have indeed covered everything.

I was sorry I could not have come over but my health is very indifferent at present and I think my days of shooting in championships are about over. This is the first year for a very long time that I have not shot in the NZ Nationals. I first started shooting in 1927 and have more or less seen the sport "grow up." Have spent a lot of time in administration work especially in various clubs but also had three years on the NZ Council..

Have been to Australia three times with rifle teams — the first time in 1938 and I shot pigeons at the NSW Club at Mascot that time and on that occasion had the only "Under and Over" gun on the ground. A different story today when you seldom see a side by side gun at a shoot.

Wishing your Association every success and kind regards to yourself.

I am sincerely yours,

MONTY HOLLAND.

Newcastle (NSW) — 100-acre sporting area up for grabs. A 100-acre sporting complex will be developed on the former East Maitland Common.

About 10 sporting bodies have requested land in the area and their requests were to be considered by Maitland City Council parks committee on May 21.

Organisations that have applied for land include a sporting car club, a pony club, a model plane club and a clay target shooting club.

The area will be maintained as open space, Maitland Town Clerk, Mr John Davy said.

Fixtures such as grandstands will not be allowed on the area. The only exception will be toilet blocks, he said.

The area was originally dedicated as a common.

It was land near a town where residents could graze their cows so they could have fresh milk.

Modern refrigerated milk deliveries, however, mean that town dwellers no longer need to keep cows.

An investigation was carried out several years ago to see if the East Maitland common was still needed for this purpose.

It was not.

Maitland City Council then decided to apply to the Department of Lands to have the area rezoned for sporting and recreation use.

This has been done and council has been appointed trustee of the area.

It is available for organisations that need open space to operate but can do so without building permanent fixtures.

The Melbourne "Sun" morning newspaper of Tuesday 16-7-74 on page 35, contained a news item where a Victorian State Police Constable had stopped a car in the Melbourne suburb of Box Hill on 13-4-74 as he "saw a shotgun lying on the back ledge" and he then "found two boxes containing 42 cartridges in the car." The man, who was not a registered A.C.T.A. shooter, was fined in the Box Hill Court \$100 for not having a permit to have these particular cartridges which he claimed were for pig shooting in New South Wales.

BAIRNSDALE, 8-6-74.—Windy. Attendance: 50. Results: 15-tgt. DB H'cap Budge Shield: 1st R. Thaxton 21:21; 2nd J. Jennings 25:26; 3rd A. Collins 24:26. FM Trophy: S. Hardy 15:16. 20-tgt. A large field of shooters enjoyed a very full programme. High S.W. winds made shooting very difficult. Star of the day was local hard-working member Ron Thaxton. Although most members worked hard to make the day run smoothly special mention must be given to Stan Gibbs who scored for the whole afternoon on No. 1 trap in the cold winds.

Bairnsdale club is scoring well in the Budge Shield and hope to be on top after the next round. Visitors from Sale, Morwell, Warragul, Foster, Korumburra and Swifts Creek attended.

In good shoot-offs in both events Garry Solomano of Maryborough took the sash in the C'ship and Bendigo's John Landry took 1st trophy in the H'cap.

Under cold and overcast conditions, shooters from Cohuna, Shepparton, Benalla, Mansfield and Seymour competed for trophy and cash events at our monthly shoot. It appears to be coming a habit, Keith and Robert shooting-off in the main event.

An Invitation

It is my great pleasure to invite fellow sportsmen to have

"THE HOLIDAY INCOMPARABLE"

This area of Papua New Guinea is ecologically unique in Australasia.

Vast plains of grass, populated with Rusa Deer and birdlife, forest hunting for deer and pig.

Six species of wild duck including "blackies" – also Magpie Geese.

Fish for Barramundi, Tarpon, Saratoga and Black Bass.

Water skiing.

Fishing tackle, guns, rifles and ammo available at the Lodge.

Bring the family and give them the holiday they deserve.

We invite your enquiries regarding tariffs and access.

Yours sincerely,

N. J. CAMPS.

He was brought along by his close friend, Bill Attwood, and whilst the "Sheik" did not sing, he entered a couple of events and had such a good time, he nearly missed performing at the Savoy that night.

A tremendous attendance for a normal Club shoot, visiting shooters participating from Hillston, Griffith, Lake Cargelligo, Rankin Springs, Leeton, Narrandera, Gannain and Wangaratta. Sorry we didn't have better weather conditions, the gusty southerly surely could have made one imagine the targets had wings at times.

The front marker trophy awarded to the shooter who had never previously won a trophy was won by R. Curle of Griffith. Back marker trophy was won by D. Allen of Barellan and due to darkness the shoot-off between J. Hands of Narrandera and M. Stanmore of Leeton for High Gun was held over to a later date.

R. Aquilina shot confidently to win the 0-1 section of the tournament. The wind did not make the target easy. A Freeman, a "young" bloke who will not see seventy years again, really killed them in the 2-10 section. It's a good omen when the sport can cater for such a wide age group.

Shooting was very keen with the main attraction being the Barrier Reef Holiday and was won by local young shooter Malcolm Zipf, closely followed by Shane Kavanagh of Springsure then a whole bunch of shooters only a point or so away. Both high gun winners shot consistently. The huge success of the two days was a great team effort headed by the President Jack Delaney.

DB Pts. H'cap: 1st Chris Nielsen and R. Godfrey; 2nd D. Godfrey; 3rd C. Pietzner.

This was our second Q.T.A.B. (Ambulance) Benefit Shoot and so we were very glad we had a fine day, but the night got very cold. With only 25 shooters we feel quite proud of the one hundred dollars we will be able to turn over to the Ambulance Service.

IPSWICH, 23-6-74.—Fine. Attendance: 44. Results: 25-tgt. Skeet H'cap Trophy: 1st B. Mundt 75:79, +3; 2nd C. Miller 75:78, +1; 3rd J. Farr 71:73, +0. 25-tgt. Club Skeet C'ship: 1st G. Mawer 25:25; 2nd L. James 25:25; 3rd R. Daniells 25:25.

The Ipswich G.C. enjoyed the biggest attendance of skeet shooters in Southern Queensland since the 1971 Nationals.

Only two events were shot excluding the Queensland Skeet Teams event, and the shoot-off was concluded under lights with yellow targets. Very difficult for shooting skeet.

The C'ship with six shooting possibilities was drawn. Also club high gun with three shooters was drawn.

Les James shot impeccably all day and earned his 100 break badge. And also high gun trophy for team. John Farr won the club high gun trophy.

ROCKHAMPTON, 3-6-74.—Good. Attendance: 24. Results: 10-tgt. SB: G. Huff, M. Docherty, G. Ziebell, J. Fittler, J. Cringle, R. Kamradt 9:10, G. Huff — winner after shoot-off. 10-tgt. DB: J. Fittler, J. High Gun was J. Cringle after a shoot-off with Arthur Atcheson.

Preparations are in hand for the Annual District Championships to be held on 5/6 October.

ROCKHAMPTON, 9-6-74.—Cold. Attendance: 25. Results: 15-tgt. SB: A. Atcheson 15:15; G. Wust, G. Huff 14:15. 10-tgt. DB: H. Milner, G. Whitfield 10:10. 10 pr. DR: A. Mikkelsen 17:20; N. High Gun was Graham Huff. Graham earned two yards (handicap now 15) for his excellent shooting at this shoot.

This was our first "carnival" shoot after an absence of many years. We were happy to have some Clermont and Barcaldine shooters with us.

Club is now preparing for the Capricorn District Championships to be conducted on the first weekend in October.

NEWS AND VIEWS (*continued*)

To whom it may concern, the Victorian State Firearms Laws do not prohibit the sale by licensed retailers of solid projectile cartridges as used in shotguns for big game shooting BUT the Firearms Laws do prescribe that a permit must be obtained by the shooter to possess these special shotgun cartridges. Such permit can only be obtained by a written application to the Chief Commissioner of Police, Russell Street, Melbourne, Victoria. (Note:

Only to the Chief Commissioner and not to any area police).

For those who are unaware of this type of cartridge, one Australian brand and several overseas brands are available and instead of containing pellets of lead shot, the cartridge contains a solid projectile, sometimes round, sometimes mushroom shaped and weighing about an ounce.

Three shoot-offs figures in the day's events. First, Geraldton shooter Chris Russell outstayed sixteen shooters who recorded a possible 20:20 in the Winchester H'cap. This was followed by the Ladies when another Geraldton shooter in Jean Webb shot 5:5 in a shoot-off with Michelle Alexander of Perth, after both had shot 18:20 in the Winchester H'cap.

Last but not least, Dick Burton of Geraldton won the State DB C'ship with a score of 85:85 from Ray MacDonald also of Geraldton.
