## High Rib and Split Barrels

MODEL 6000  
TRAP  
GRADE 1  
**\$990**

... give you a  
winning  
advantage

*High floating rib is the latest technological advance towards higher scoring. The 6000 TRAP gives you a superior sight picture because the raised rib keeps your head erect and your eyes naturally centred. The greater comfort means better concentration, which makes targets easier to pick up and break.*

*In the heat of a shoot off the 6000's raised rib expands independently of the barrels and your point of aim is not altered by expansion.*

**Many top U.S.A. shooters have changed to high or very high ribs for these well proven advantages.**

MIROKU 6000 TRAP GRADE 111 **\$1350**

## EXECUTIVE DIRECTOR'S NOTES

Nationals month, in fact two lots of Nationals, as the Olympic Discipline Commonwealth and National Championships are also to be contested in Melbourne in APRIL.

The Commonwealth titles in Olympic Trap and I.S.U. Skeet will be conducted on Saturday April 23, and Sunday April 24, 100 targets each day. Should it not be possible to complete the Commonwealth match in two days, it will be completed on the afternoon of Anzac Day, Monday April 25. The National titles will then commence on Tuesday April 26, and are scheduled to be shot over three days.

\* \* \* \* \*

The Trap Nationals in Adelaide will commence on Monday April 11. All will be in readiness for the big one and a good crowd is expected.

There is a change in the procedure for cartridge purchase this year, in that cartridges will be included in the cost of nominations for each event. Cartridges available will be Eley, Peters Blue Magic, Rottweil, Scorpio, Winchester AA, and Winchester Nickel plated. Prices will vary depending upon the brand selected.

The Annual General Meeting of the Association will be held on the evening of Wednesday April 13, and the Presentation Dinner at which major awards will be presented, will take place on Saturday April 16.

Enjoy your shooting

Ian C. Hill O

## INTERNATIONAL SUB-COMMITTEE

R. F. Buchan

### 1983/84 National Training Squad and World Championships Team

Following problems that have arisen regarding Eliminations in certain States, the International Sub-Committee has reluctantly decided to disregard all scores from Eliminations in all States.

Problems arose in one State due to scores not being sent to the National Office, Eliminations not being advertised, floods in Queensland and South Australia prevented some shooters from attending Eliminations.

In order to be fair to all shooters, the International Sub-Committee has had to come to this decision.

The new guidelines for entry into the 1983/84 National Training Squad and the 1983 World Championships Team are as follows:

1. Scores over the 400 targets of the 1983 Commonwealth and National Championships in both Olympic Trap and I.S.U. Skeet will be the sole basis for selection of the 1983/84 Squad and World Championship Teams.
2. Selection will be on a first past the post basis. If three shooters in each discipline are required for the World team, the first three high scorers in each discipline over the 400 targets will make up the team.
3. There are no exceptions to this rule. Recipients of National Athlete Awards will have to finish in the top three to make the team.

The International Sub-Committee regrets that shooters have been forced to compete in Eliminations which are now disregarded, but under the circumstances feel that in fairness to all, no other choice was left. O

# TROUBLE SHOOTING WITH GEORGE BIGGS

## Straight Aways and Right Swingers

It matters not whether one is a brilliant shot or not so brilliant, the facts are that we are only human, and from time to time we simply hit a rough patch in our shooting performance wherein it becomes impossible to put a good score together. Usually it's a particular angle of target that starts to worry the shooter. Possibly, more than any other, it's a straight away, sometimes it's the right swinger from lane 5.

In no time at all the shooter finds he is missing it more and more. Finally this target becomes a real monster, to a point where, due to his mental condition, the target is actually lost before he even shoots at it. At this stage he must get help from someone who is qualified to give the right advice. What he really needs is someone to tell him what he must do in order to start breaking these problem targets again. A good coach, by watching him shoot, will be able to see where he has strayed from the simple basics of shooting clay targets.

When the experienced shooter suddenly begins to have trouble with a particular target he simply must go back to the basics and analyze his shooting style. He should firstly check his stance and body position to be certain it has not altered without him being aware of it. If he is missing right or left swingers from lanes one and five, poor stance can be the cause. By restricting body and gun swing, right angle targets are always the enemy of the right hand shooter and vice versa for left handers.

I believe that a right angle target from lane 5 for the right hand shooter is possibly the most difficult of all lanes. Likewise the left angle from lane one for left handers.

These targets are only difficult because the shooter has forgotten the basic procedures necessary for breaking them. The important basic principals of shooting left and right swingers are — **see the target as it leaves the trap; swing with it on line, lead, fire and follow through.**

- A bad gun mounting position shown in this drawing will cause numerous problems such as — low shooting on straight aways due to the eye being positioned too low on rib. The shooter will tend to lift head and face off the stock in order to see more of his targets. Result will be a miss by shooting over. A low gun position can also cause painful bruising of ones cheek.

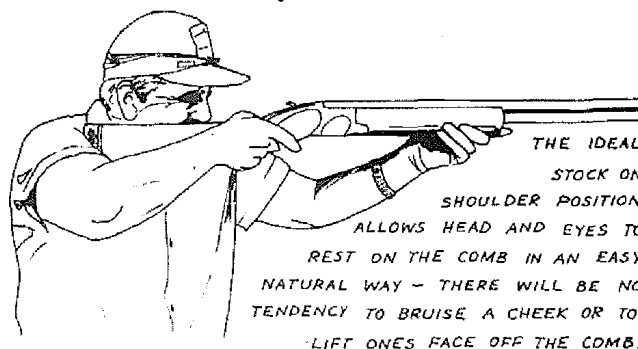

Poorly fitting guns are the cause of a lot of low performance scoring. I would strongly advise every shooter to have his gun checked for correct fit by a person qualified to advise on the subject. I have a saying which I often repeat, especially to beginner shooters, it goes like this — "in order to shoot the target it is necessary to point the gun exactly where your eye is looking and if your gun is not a good fit this is not consistently possible, and so hitting targets will be difficult." In other words, if your gun does not fit you properly and you have not learnt to mount and point it correctly, you will never become a really good shot.

**Straight Aways**, especially from lane 3.

Timing is an important factor with this target. A very common reason for missing the straight away, concerns the new shooter who will, naturally enough (unless he is instructed otherwise), move his gun swing to the target much too slowly, he then only reaches the target after it has commenced to descend, and so his shot pattern will go above the target, resulting in a miss.

I always like to demonstrate to the beginner, or any shooter in fact, should his swing up to the target be too slow, by shooting it in a fast and smooth manner with trigger let off at the correct moment before it has reached top flight. Actually, I believe that if every shooter were to look on a straight away as an easy shot and shoot it without hesitation, he would be much more successful. By this I don't mean that we should

## TROUBLE SHOOTING

Cont'd from page 4

- A target's view of the man behind the gun. Drawings two and five are related to show how a low butt position on shoulder will cause the shooter's eye to be too low on the rib.

snap shoot. There is a vast difference between fast smooth shooting and snap shooting. The latter being a very inaccurate hit and miss style, with a tendency to shoot under.

I have known some shooters to resort to snap shooting, as a last resort, after having failed to overcome the problem of missing a straight away. They finish up from bad to worse until sooner or later someone helps with the problem and they get back into form. Other faults, like lifting one cheek off the stock as you swing up to it, will cause over shooting. A poorly fitting stock will cause this, due to it being too low to comb. Failure to read the correct angle of target travel as it leaves the trap is very often the reason for missing. When this happens the shooter simply does not see the target clearly enough as it is leaving the trap. The resulting shot is usually an inaccurate gun and target alignment. A missed target is the result.

The basic rule here is — look for and see the target within the first 6 to 8 feet of it leaving the trap. It is then much easier

- Drawings three and four illustrate how a good gun position on the shoulder will result in correct head and face placing on the comb resulting on a correct eye level slightly above the rib.

to determine angle of target flight. Practice doing this every time you shoot at the target, it will also help build concentration.

My advice to the shooter who has developed a problem with either a straight away or a right swinger from lane 5, is to give up trying to correct the fault while shooting competition. You will simply go from bad to worse. It is better to set the trap to throw the troublesome target and practice shooting

# SHOOTING SHORTS

by Roger Darwon

## THE BIG EVENT: IT'S HERE AGAIN:

THE 1983 CLAY TARGET NATIONALS, that great event in competition shotgunning will be a hive of activity as you're reading this. The fair city of churches ADELAIDE, being the HOST city, and the cross roads for trap shooters from all parts of the Southern Hemisphere, as gunners come together for another year to pit their skills.

The shooters will arrive by AIR, TRAIN, CAR, MOTORBIKE and I suspect, even by hitch-hiking. By the time the "smoke" has cleared we will have a new list of WINNERS and holders of the NATIONAL titles.

In their stay in the HOST city, gunners will have found accommodation in MOTELS, HOTELS, CARAVAN PARKS, TENTS and I suspect, for all I know, some devotees will have slept under the stars. The NATIONAL TITLES is that strange phenomenon that brings together the bulk of the shotgunning fraternity, to one location (of different selection each year) to establish the best smooth-bore "artists" — in Australia, for another twelve months.

MAY THE TEAM at C.T.S.NEWS and your scribe wish you all the very best in your individual quest, and WE trust it all comes together for YOU at the right TIME, plus may you enjoy your visit to the HOST club.

Somehow I suspect, ADELAIDE will never quite be the same again. Also remember the SOUTH AUSTRALIAN GUN CLUB will be bending over backwards to make your stay a welcome one. (Their very able and helpful Secretary MRS S. BYRNES has on page 9, NOVEMBER '82 C.T.S.NEWS, indicated the full list of all motels etc.). Also watch out for Ken Holman, Nationals Handicapper, he will keep you honest. Pss; He's a J.P. too, just in case you want to make a confession. The rest, my good shooting friends, is up to you. Good sportsmanship, good shooting, good luck and enjoy yourself.

## A LETTER FROM THE BIG MAN:

An interesting letter from the Prime Minister, which while I enjoyed reading it, had me somewhat perplexed!! Why was he writing to me? What had I done of late that would so stimulate our leader to correspond with your "Shooting Shorts" correspondent!!?? (Except give some sections of the Labour party my rath for stupid legislation issues):

The letter went on . . .

"Pleased to have had the pleasure of your vast shooting coverage over the years, on all aspects of competitive shooting sports. I'm also proud to note on my many visits overseas and inspections of their shooting complexes; **you have been there before me**, fostering not only good will and sportsmanship among other nations, but leaving the stamp for future Australians who follow in your footsteps".

SUDDENLY a loud clanging from my alarm clock snapped me out of my REVERIE. Oh hell, it was only a dream. Monday morning again, another shooting weekend behind me, back to work Darwon, for another week.

## FOOTNOTE:

Did get one letter from a **Prime Minister**, Gough Whitlam, answered my very strong letter about firearms legislation when he was the P.M., after I voiced my opinions in an article, which I had sent him on Labours **THEN intended legislation proposals**. He thanked me, and pointed out he had passed my letter onto Lionel Murphy. **Any among us who can recall those EVENTFUL days of old???**

## CRITICS BEWARE: THIS "DOG" BITES!!

Had a most informative day on Sunday 30th January when visiting a gun club. **Informative**, in that I was approached by two shooters at different intervals in the day, with their own level of **CRITICISM**.

The first gentleman of senior position, or station, made his approach "shooting" from the hip, as they say and in no uncertain terms declared to me, and I quote him here VERBATIM "That material you write for C.T.S.NEWS, is all BULLDUST" (modified censored version).

"Is that a fact", I answered, somewhat taken aback.

"Would you care to be more specific", I invited, "by outlining the exact area in my column you're referring to?" When pressed with this invitation, to compound his disapproval, he replied, "I can't remember!"

## INCIDENT number 2, same day, second shooter:

Your scribe, while waiting the turn of his squad to go onto the shooting tracks, with gun over shoulder (barrels to the front, stock to the rear, action open) in the correct and accepted manner, was standing in the shade by the club house wall (minding his own business) when approached by no other than a referee examiner, leastwise that's what the badges on his shooting jacket told me, and admonished me for carrying a gun in an unsafe manner. My reply to his departing rear, because he did not linger to hear much more, was "I'M SORRY TO DIFFER BUT THIS IS THE CORRECT WAY".

When last seen, your columnist, was going over the hill into the setting sun, jumping up and down, with exclamation marks flying!!

**FOOTNOTE:** This writer, as I have often said in the past, is the first to admit, if you have a **VALID POINT** which you feel justifies criticism, **PLEASE DO**. But may I first suggest: **ONE**, get your facts right, **TWO** PRESENT them with conviction, **THREE** Don't go off half cocked.

Unfortunately, unlike some among us, your author of "Shooting Shorts" **does not suffer FOOLS gladly**: Unless you wish to join the "Egg on your face foot in the mouth division" like our two friends above.

## OLD DOGS, WATERMELLON WINE AND YESTERDAYS!!

ANY organisation or sporting body, that has no respect for it's senior members or for preserving **it's past HISTORY and HERITAGE** is an "outfit" sure to dwindle and die.

Don't take my word for it, just spend some spare time and research past history, and I think you will see I'm quite correct.

Dramatic as it may sound, **SOME CLAY TARGET CLUBS** are dithering on the same brink, poised for extinction, unless they show some interest in both preserving their past, and a lot of respect for their **SENIOR** members.

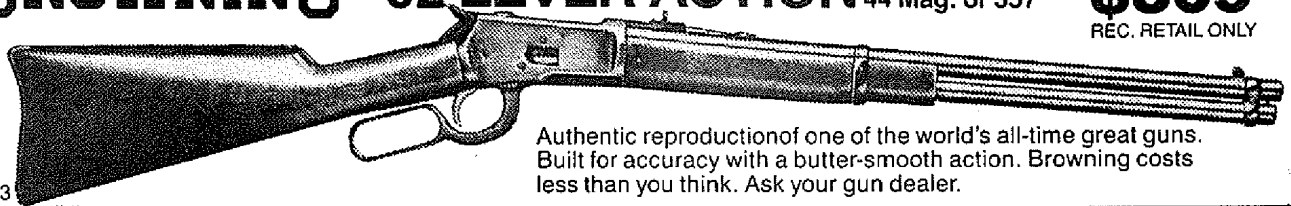

Are we all too busy, in our race through daily life, not to be able to pause for a moment from our greedy indulgences, to make some small effort to honour and preserve our trap shooting history, and the members who made what we have today possible.

With the **DEDICATION** of Solomon, the **TENACITY** of David and the **PERSISTENCE** of Moses, those before us have guided

• Ian Evans and son, 13 year old Glen — Griffith New Year Shoot.

The Griffith Clay Target Club's annual two day New Year shoot attracted shooters from as far afield as Bateman's Bay, Melbourne, and Sunny Corner near Lithgow. Sixty shooters and many onlookers turned out each day with forty shooters staying back for the N.S.W. Night Point Score Championship on Saturday night. Saturday's extreme heat made endurance tests of the events and shoot-offs, with some shooters deciding not to continue into Sunday because of it. However others turned out on Sunday to keep the numbers up. Excellent scores were recorded in spite of the heat.

Graeme Boyd of Albury-Wodonga shot superbly throughout the weekend taking out trophies and placings in many events, and winning the High Gun. John Blain of Narrandera put in a fine performance to win the 5 target Elimination and the television set. Vince Ryan of Cosgrove, G. Thatcher of Tumut, P. Hayman of Sunny Corner, B. Doyle of Hay, Robin Briggs of Albury-Wodonga, John Mollica of Melbourne were

visiting shooters who kept up the pressure in all events, although as the results show they did not have it all their own way. Tony Salafia of Leeton was twice second to Boyd in the Double Barrel Championships with others such as Noel McDermott of Leeton, John and Ian Evans of Griffith, Dave Wallace of Griffith, and Sam Papisidero and Fred Schmetzer of Leeton featuring in their share of the shoot-offs.

Thirteen year old Glen Evans of Griffith took out several "C" grade and Front Marker trophies and has proudly shot his way into "B" grade. If there is anyone prouder than young Glen it is his coach and father Ian Evans, and his grandfather Eric, who has been forced to retire from clay target shooting in recent years because of ill-health.

Another "C" grade shooter, Robert Anderson of Echuca Gun Club, performed so well in spite of the heat on Saturday that he was regraded into "B" grade for the remainder of the shoot. As the results show he continued to acquit himself well.

Deserie Huddleston, equal Griffith Sportsman of the Month for November, was in her usual good form bringing in several possibles. The Ladies trophies missed by Deserie were taken by her sister, Christine Wakefield of Mildura.

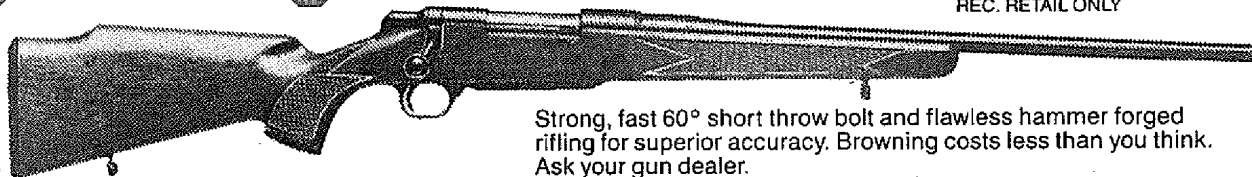

• High Gun winner Graeme Boyd congratulated by Tony Salafia.

# SAD BLOW TO SHOOTING

By Roger Darwon

## VALE: A GREAT AMBASSADOR & ADMINISTRATOR

It's Saturday morning 5th February, as I sip on a cup of coffee, the phone rings. Picking up the receiver I hear the tale trunk call "pips". It's my good friend in Perth, Shirley Hull; just as I'm about to become jovial . . . she WARNS: "I have some very sad news for you, JULIUS has died!"

"Oh my God!" I mutter, "I just spoke on the phone to him 3 days ago congratulating him on the development of HIS GREAT DREAM (the International Shooting Complex). He was elated because the **Liberal Government had allocated a grant for the project.**

JULIUS STEINER, shooting sportsman, ambassador at large, who fiercely defended his adopted country, on the world shooting stage, had suffered a massive heart attack. The long hard fight, not only with bureaucracy but often with ("bone heads") small minded men, within our very own ranks, had finally taken it's toll! Shooting had lost one of it's RARE "PRINCE VALIANTS", a gentleman of the highest order and sportsman supreme.

The former tank commader, from Salzburg, Austria, had migrated to Western Australia approximately in 1946, a **young man with a dream**, he worked and strived and made that dream become a **REALITY**. He was in many ways more **AUSTRALIAN**, than many born on her soil. He was the epitome this country is today built on, and one of the many to migrate here and make Australia their home and nation.

JULIUS was one of the founding Fathers of International Shooting (I.S.U.) in Australia, and kept in touch with it when he travelled to it's birthplace EUROPE, each year. Many home grown shooters had their first taste of International shooting, under the guiding hand of Julius.

Not all that long ago, while on an overseas trip, Julius was badly smashed up in a car accident. With his customary determination and willpower, he made a remarkable recovery. I don't think I can say I have ever seen "Julius Baby", (as many of us affectionately called him) without a smile on his face, such was the fantastic disposition of the man. He spent two days with me (in Sydney) on his way home from the Commonwealth Games in Brisbane, (see front cover C.T.S.N., December 1982, second row, first on the left) a very proud moment for Julius. International I.S.U. competition, had at long last arrived in Australia, and OUR boys, as Julius lovingly called them, had made their mark.

I suppose I can claim to understand Julius better than anyone, (if at all any understanding is needed). His dreams, his goals his effervescent nature; for we are both Saggittarians (which often helps if you get my drift) to have a similar affinity . . . gives you a better understanding - I hope.

Julius Steiner, was the most unselfish man I know and have ever met. I can't recall him saying a bad word about anyone. He was far too busy **DOING GOOD**, for not only the shooting

sports of Western Australia, but the nation as a whole. Most shooters have their own particular little "trade-mark", for instance mine is smoking (cigars), another's may be his special hat, take Jim Ellis for instance. For Julius, it was a drink of Houghton's White Burgandy wine. Whenever I knew Julius was coming my way, I always made sure I had a good supply on hand. Julius even took me over the HOUGHTON'S vineyards outside PERTH, W.A. on one of my visits to him. This writer hopes the Houghton people, consider bringing out a **SPECIAL (JULIUS STEINER) white burgundy vintage** this year, as a tribute to their greatest "promoter", and to one of the founding fathers of International shooting in this country.

Sometimes, someone has to pay an **EXORBITANT** price to uphold the majesty of their **DREAMS** and **ASPIRATIONS**, I think that Julius more than paid his dues. I'm sure the people connected with shooting in PERTH, will dedicate the shooting complex, the "**JULIUS STEINER INTERNATIONAL SHOOTING GROUND**" in his honour. Julius always insisted that Roger D., was to be invited to the opening ceremony, as his **special guest**. Some how it will not be quite the same without Julius being there in person, though I know he will be there in spirit. I'm more than sure the young brigade will press on where he left off. For me, I'll open a bottle of Houghton's White burgundy, raise my glass in a silent toast, to my old mate (I know that's the way J. S. would have wanted it).

**SALUTE JULIUS . . . you have done us proud, dear friend:**  
You may have left us, but shooting will not forget you. **○**

# ALBANY GUN CLUB

• Margaret Slee, delighted with her performance at the Albany shoot, pictured with husband David.

Owing to one of our members, Margaret Slee, giving an outstanding performance of shooting over the two days to take the High Gun Sash plus two other sashes and numerous trophies, we hope that you may be able to give a little bit of additional coverage to this story. Also according to some of the older shooters present at this shoot they cannot recall a lady taking off the high gun in a major shoot in West Australia before. Also they felt that it would not be a very common occurrence anywhere else in Australia for that matter.

An additional point also over the weekends shoot was that Margaret's husband, David, won the Albany 100 Championship giving the wife, husband combination an almost clean sweep over the weekend. David is the President of the club and Margaret the Secretary of the club and both worked hard over the weekend as well as shot extremely well.

Once again the Albany Club had a very successful January Carnival which was conducted over the 29th and 30th January. A total of 53 shooters contested the events including the five man W.A. team who are to travel to Adelaide to the Nationals in April. They were Darryl Wiese, Tim Catling, Colin Hinkley, Murray Alexander and Greg Holly. Shooters travelled from as far afield as Geraldton, Bunbury, Esperance, Perth and our own zone.

The club was also lucky to have the State and National Handicapper, Mr Ken Holman in attendance to help assist with the new rules which have just been implemented

The first event got underway at 11 a.m. on Saturday in perfect weather conditions, and results are:

Event 1. 30 D.B. Handicap comp. division: 1st J. Fisioli (Perth) 33/33, 2nd C. Riley (Collie) 46/47, 3rd D. Leach (Katanning) 45/47.

Event 2. The "Swan Brewery District D.B. Championship": Nine shooters scored the possible and it was obvious that a lengthy shoot off was about to take place. G. Beard, J. Fisioli, D. Leach, T. Catling, D. Wiese, C. Hinkley, B. Kowald, J. Chisholm and Lex Shipp took to the lanes to contest the sash and silver trophy donated by the Brewery. Eventually it was left to Lex Shipp and Tim Catling to do battle. Tim eventually won with a score of 91/91 to take overall sash and trophy in the championship from Lex Shipp with 90/91.

1st "A" Grade - C. Hinkley (Narrogin) 67/68. 2nd "A" Grade - G. Beard (Cunderdin) 60/61. 1st "B" Grade - J. Chisholm (Albany) 28/28. 2nd "B" Grade - B. Kowald (Katanning) 27/28. 1st "C" Grade - Lex Shipp (Perth) 25/25. 2nd "C" Grade - D. Burchard (Esperance) 24/25. Best unplaced front marker P. Iley (Bunbury) 23/25. Best lady shooter M. Slee (Albany) 23/25.

Event 3. Night Shoot 20 D.B. Graded C/D: "A" Grade G. Beard 55/60, equal 2nd T. Catling & G. Featherstone (Katanning) 54/60. "B" Grade 1st D. Slee 59/60, 2nd W. Morrow (Perth) 54/60. "C" Grade 1st Lex Shipp 53/60, 2nd Graham Edwards (Albany) 52/60.

The night shoot was preceded by a pig on the spit which was cooked to perfection by the chef "Scrooge" Graham Edwards and his able offside Austin Duffy. The ladies (where would all clubs be without them) made sure there were ample vegetables and sweets to go around afterwards and the barman Peter Milner and Ron Abbott also attended to the wine which was supplied by the club to wash the treat down.

Next morning the weather was fine but a slight breeze popped up and by mid afternoon turned out to be quite a strong wind caused a few problems but the scores remained high throughout the day.

The Albany Travel Inn Special — a weekends accommodation provided by a motel in Albany was won by Graham Beard from Cunderdin after a shoot off.

The Albany 100 Championship — 100 D.B. 15 metres got underway and it was obvious from the beginning that the competition was going to be tough. David Slee and Lex Shipp showed the way by shooting the 1st 50 straight to take the lead but lurking in the background were Max Cubic and

We are part of the Terranora Lakes Country Club Complex which includes Golf, Bowls, Tennis, Hockey, Cricket, Squash etc. Children's lounge. Full N.S.W. amenities. Visitors welcome.

# OUTERS TARGET TRAPS

*Adjustable Arm Elevation  
Excellent Singles and Doubles  
Variable Spring Tension*

### GROUND HUGGER Model 1001

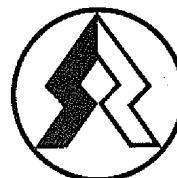

The lightweight, portable Ground Hugger is exceptionally stable. Sturdy iron ground grippers with 70sq. in. of surface are Y-shaped for maximum contact and holding power. Imbed in the ground simply by pushing down with the feet. The trap won't jar loose, needs no anchors and vibration is virtually eliminated for more uniform throws and fewer broken birds. If a man is shooting alone, he can easily operate the trap by himself by holding the lanyard in his hand or attaching it to his belt or wrist.

# REPORT ON NEW SOUTH WALES ISU TRAP & SKEET CARNIVAL

J. Quartermain

• Terry Budd, winner of the 1983 New South Wales Olympic Trap Championship.

Taree-Wingham Gun Club hosted the N.S.W. ISU Trap and Skeet Carnival, on Saturday & Sunday, 8th and 9th January, 1983.

Conditions were very hot for the shooters taking part — numbering 46 on Saturday and 55 on Sunday. The New South Wales ISU Trap Championship held on Saturday was won by Terry Budd who also took out A grade with a good score of 97/100. AA grade was won by John Maxwell, 96/100; B grade, H. Theunissen, 87/100; and C grade, R. Purtell, 81/100. First event on Sunday was the Mid North Coast ISU Trap Championship. 1st and AA grade - S. Collins, 49/50; A grade, Bruce Noll, 48/50; B grade J. Schuster, 44/50; and C grade, B. Stolberg, 39/50. The final event was the Northern Zone ISU Trap Championship. 1st and AA grade, John Maxwell, 94/100; A grade, A. M. Burgess, 93/100; B grade, J. Schuster 47/50; and C grade, B. Stolberg, 40/50. Overall ISU Trap High Gun was taken out by John Maxwell with 239/250. Team High

• 1983 N.S.W. I.S.U. Skeet Team. L. to R.: Clyde Hawkins, Len Norman, Guy Beddington, Barney Rooke, Steve Subon, Eugene Kavanagh.

Gun went to A. M. Burgess. The State ISU Trap Team comprises - T. Budd, J. Maxwell, T. Rumbel, A. M. Burgess, J. Fryer and C. Bailey. In the ISU Trap Zone Teams, the Southern Team led the way with T. Budd 48, J. Maxwell 48 and C. Bailey 44, for a total of 140. Next was the Northern Zone, with T. Rumbel 47, D. Menck 42 and B. Noll 45 for a total of 134. Then the Riverina team, B. Dent 41, G. McDonald 45 and A. Fennessey 35 for a total of 121.

In the ISU Skeet, the NSW Championship was shot on Saturday, and 1st was E. Kavanagh, 94-100; 2nd G. Beddington 90/100; and 3rd, S. Rooke 89/100. The Mid North Coast ISU Skeet Championship, 1st E. Kavanagh 48/50; 2nd R. Boggiss 70/75; and 3rd L. Norman 69/75. The Northern Zone Skeet Championship was taken out by G. Beddington 46/50; 2nd S. Rooke, 45/50; and 3rd R. Boggiss 44/50. Overall ISU Skeet High Gun was taken out by E. Kavanagh 185/200. The NSW ISU Skeet Team comprises — E. Kavanagh, G. Beddington, S. Rooke, L. Norman, C. Hawkins, S. Subont.

• N.S.W. Olympic Trap Team - 1983. L. to R.: Cliff Bailey, Pud Burgess, John Fryer, Terry Budd, John Maxwell, Terry Rumbel.

## HERCULES RED DOT

Formulated solely for Target Shooting.  
Top seller in U.S.A. Big cost saving.

F21/882

holiday in New Zealand is full of many pleasant surprises.

Did you realise for example, that the Australian dollar is now worth about forty cents\* more in New Zealand?

So instead of a delicious fare of bluff oysters and succulent steaks costing NZ\$14, to you they're down to an appetizing A\$10.

A family car like the Honda Civic costs NZ\$34 a day.

You drive away with a bargain at A\$25.

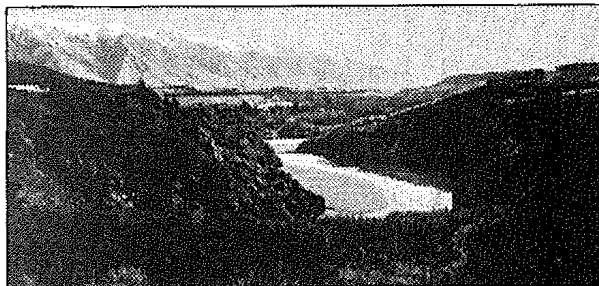

And if you fancy four legs instead of four wheels, you ride your pony off for a couple of hours having paid A\$10 not NZ\$14.

These astonishing savings also apply to fishing, skiing, golfing, boating and the 101 other activities available in one of the most beautiful countries on earth.

And if this wasn't incentive enough, Layzaway Holidays are offering twin share

accommodation for adults at only A\$9.50 each a night—and the kids stay free!

Layzaway accommodation ranges from friendly pubs to International class hotels and there are over 23 locations to choose from in both the North and South Islands.

For details of the overseas holiday you never thought you could afford, pop into your local travel agent or get in touch with Air New Zealand now.

# Spend a night in New Zealand for under \$10 and the kids stay free.

\*Exchange rate as at August 4th, 1982.

 **air new zealand**

The Pacific's  
Number One

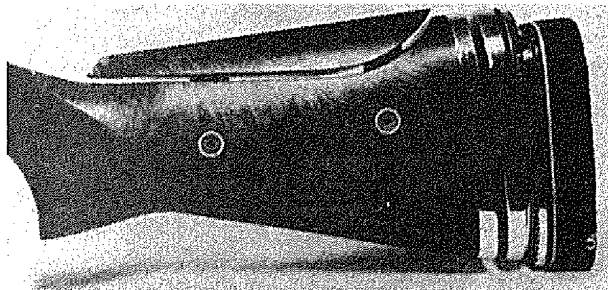

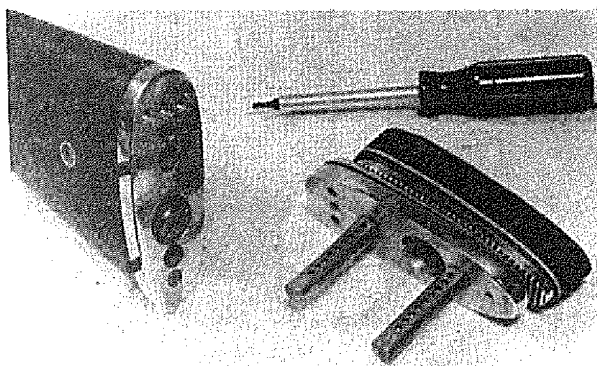

## NEW PRODUCTS

by Roger Darwon

### "SHOOTING SHORTS" Correspondent C.T.S.NEWS

Over the last few years gun makers have been falling over themselves with new innovations to help the shooter hit that flying target. Such wonders as adjustable ventilated ribs along gun barrels, until now we have the adjustable Reinhart trap stock. (This latest idea is derived from the English idea for measuring a clients gun fit). However, it is a different operation in most areas, as you can see by the photo's. This new stock is available at the moment for a number of guns. Mr Peter Bortolini, that well known trap shooter . . . come stock inventor, from Sydney . . . please note: While in America on a business trip, I noted they have the new stock made to fit a number of well known guns: These include the Beretta A 301; Browning BT .99 and Citori Models, Franchi 2000 series, Remington 1100 and 3200 and the Rottweil 72 and AAT models, plus the Perazzi Single and MX8 Shotguns. The new stock will also fit quite a range of the Winchester range of guns. Prices: (NOTE U.S. DOLLARS) are from \$450 at the low end to \$700 and more for top end fancy walnut high grade. If you need high gloss finish its an extra \$85.00. (Note the stock when fitted to your shotgun is a permanent stock and is not intended to be interchangeable, or used as a try-stock). Close examination of the picture will give you a very good idea of just how good these new stocks can be for the shooter who has great problems with good stock fit. Interested gunners can contact the writer at P.O. Box 511, Marrickville for any additional information.

## EDITOR'S MAILBOX

Dear Ian,

As many shooters will know, one of the best known shooters Fred Burns, passed away recently.

I was surprised too, that I did not see anything written in any of the daily papers in Melbourne. Surely this man of shooting fame does not go unnoticed. I intend to gather material for a story on this historian of shooting. Would any reader who has information, photos, cuttings or any nostalgia, please forward it to me and I shall copy the material and return it undamaged.

It is men like Fred Burns who put this gang on the map, and if it is anything like shooting news in Ballarat he will soon be forgotten forever.

It is worth mentioning that the Americans don't forget their champions, they have a Hall of Fame.

So it remains to see what we think of our "champs" by what I receive information wise, to give Fred a story for all shooters to read.

Yours faithfully,

Wayne Calaby

# AUSTRALIAN CAPITAL TERRITORY, AUSTRALIA DAY OLYMPIC TRAP CHAMPIONSHIP, JANUARY 29 & 30 1983, HELD AT A.C.T. INTERNATIONAL GUN CLUB

Club Writer

• The Minister for Capital Territory and Entourage inspecting Trap House at A.C.T. International with Norm Simms and Peter Quire.

Australian representative, John Maxwell, devastated the opposition, to win the Australia Day Trench Championship, from Terry Budd and Peter Clancy respectively.

Terry Budd won the Australia Day Sports Councils' special achievement medallion, with an individual best of 190/200.

National Coaching Director, Peter Quire, brought video equipment to demonstrate style (or lack of it) for coaching purposes. His services were well received.

Due to the stress of competitive shooting over the past eighteen months or so, Jim Ellis, Terry Rumbel and Greg Long, failed to shoot to their usual high standard.

The Minister for the Capital Territory, the honourable Michael Hodgman, M.P., attended the shoot and had informal discussions with Australian representatives, the National Coaching Director and Club Officials.

Frankston-Australian Gun Club won the first round of the Shandley-Simms challenge Trophy, for interclub Trench competition, between A.C.T. International and Frankston-Australian Gun Clubs.

Forty six shooters competed in the championship.

**Day 1** — shooting began in fine conditions, and after two rounds, Ken Rose led on 48, followed by a gaggle of shooters on 47; including Alexander Collins, "Pud" Burgess, Peter Clancy, Norm Simms, John Fryer, Terry Rumbel and John Maxwell.

At the completion of day one, Ken Rose had relinquished his early lead to John Maxwell and Alexander Collins. Both carded 95's. Close in hot pursuit were Rose, Peter Clancy and Terry Budd on 94.

Stan Collins on 92, Reg Boyce on 91 and Norm Simms on 90 were still in with a chance of winning A grade.

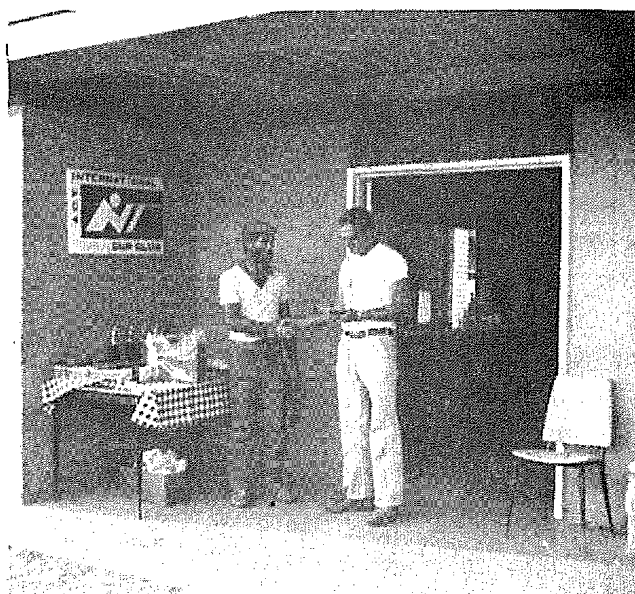

Ian Latter on 88, was doing well in B grade, and Maree Polla-Mounter was leading C grade, also on 88.

**Day 2** — Maxwell carded a scorching 25 to put pressure on the field. Reg Boyce began well also with a 25 in round one.

After 150 targets, Maxwell was on 144, Terry Budd had crept quietly into second place on 142, followed by Rose and Clancy on 141, Boyce on 139 and Rumbel and Alexander Collins on 138.

At this stage the lower grades were developing into an interesting tussle.

Ian Latter was lying second in B grade on 135. Alexander Collins the leader in B grade was, at this stage seventh and in with a definite chance of winning a major prize.

• John Maxwell, winner of the Australia Day Championship with Club President, Norm Simms.

In C grade Lou Notte and Maree Polla-Mounter were tied on 119.

At the completion of the final round John Maxwell, the victor emerged. The only shoot-off required was to determine the placings in C grade, as Lou Notte and Maree Polla-Mounter had tied on 157. Lou held on to win by two targets with 174/225.

PLACINGS		
OVERALL	John Maxwell	193/200
	Illawarra	
SECOND PLACE	Terry Budd	190/200
	Taree-Wingham

The shoot was sponsored by Winchester, Bevan Brown Trading and the Department of the Capital Territory.

Assistance was received by Sergio Zuffo.

# AROUND THE TRAPS

Laurie Connors

**Friday, February 4, 1983**

Cohuna Gun Club situated in what one might call "Big M" Country because of the dairying products produced in the area, attracted 60 shooters to its programmed night shoot.

Shooters travelled from as far as Bendigo and Maryborough to compete. This club always conducts a championship for complete novice shooters prior to commencing events listed on its major program. Twelve-year-old Brett Dunstan from Kerang showed excellent form and shot the possible 10-10 to capture this event. Terry Boucher from Bendigo won the Murray River Single Barrel title and Richard Allen, Echuca collected the Double Barrel title.

• John Dunstan congratulates his 12 year old son Brett, after his win in the Novice Championship, Cohuna Gun Club.

**Saturday, February 5, 1983**

Colac Gun Club, one I have not had the opportunity to visit until this day, attracted my attention. The club established itself along side and adjoining the district race track. Being a hot day, shooters took advantage of the trees that line the ground, giving shade for car parking.

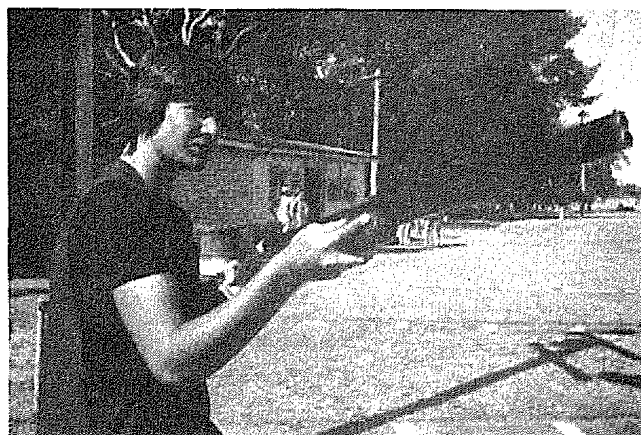

It is a neat shooting complex featuring two traps, a universal trench layout and comfortable club rooms.

A 30 target handicap event made up the programme with 30 odd shooters entering the event. Steve Muller shot 32-33 to take first placing, David McKenzie 31-33 was second with Don Corstorphane 30-32 collecting third trophy.

**Sunday, February 6, 1983**

The Victorian State Council met at Ballarat with all Zones being fully represented by their delegates. Agenda items pertaining to our sport were fully discussed by the council, with the following decisions being made. Council to endeavor to engage the services of an assistant State Coaching Director. The 1984 Program Booklets will be printed to the number ordered by individual zones. Clubs will need to advise their Zone Council of the numbers required prior to the 1984 program booklet being printed.

State President Bob Buchan was re-elected as VCTA Delegate for a further two years on the ACTA Executive.

• Steve Muller winner of the Handicap at Colac Gun Club.

Shooters representing the State at Shoulder to Shoulder Teams Match will receive complimentary Victorian Shooting jackets and cap plus \$50. John Clark from Warracknabeal was appointed State Handicapper and Chairman of the VCTA Handicapping panel. The North East, South West, and South East zones are to elect and nominate a representative to this panel. The next meeting of the State Council is to be held at Ballarat on May 22, 1983 at the Craig Hotel.

• Faye Taylor of Kerang, one of the top lady shooters in Victoria, has gained A.A. classification in D.T.L. shooting.

### Saturday, February 11, 1983

Kerang Gun Club conducted a night shoot with 50 shooters attending. This club operates mainly night shooting and attracts excellent fields to its program.

Faye Taylor, one of Victoria's top lady competitors, is the public relations officer for this club. In common mark events, Faye has achieved the honor of attaining "AA" classification. This is rather an achievement when one considers most of the scores on her handicap card are recorded at night tournaments. I believe Faye to be the first female shooter to attain "AA" standard since the new classifications were introduced this year.

Terry Boucher from Bendigo won the championship on the card this night, Chris Penno, Kerang collected B Grade and Keith Elliott C Grade. Matthew Wood, Kerang proved to be top junior in the event.

• Winners at Kerang Gun Club, L. to R. Matthew Wood, Chris Penno, and Terry Boucher.

### Saturday, February 12, 1983

Horsham Gun Club is situated in the centre of the Wimmera district, and the area is well known for its great wheat production. Club membership consists mainly of farmers from within the area, and with the district suffering from the drought conditions that have prevailed over most of Victoria for some time, it was good to see over 60 shooters attending the club's monthly shoot.

Two championships were on their program with the Double Barrel Championship being sponsored by the La-Fontana Complex in Horsham. Phil Scott from Callawadda shot 68-68 to win this event, with Leon Gibson also from Callawadda scoring 27-27 to take the Single Barrel Championship.

• La-Fontana Complex Championship winners at Horsham, L. to R.: Ken Smith, Phil Scott, and John Hinneberg.

### Saturday, February 19, 1983

#### Sunday, February 20, 1983

Although hot and dry with the knowledge that bush fires had been raging in South Australia and Victoria, 124 shooters attended the first day of the South Australian State titles, held at the South Australian Gun Club at Bolivar, with 135 shooters attending the second day of the tournament.

Under the circumstances, the State Councillors were pleased with the total numbers that entered the program. Ron Wimshurst, who was a loser in the bush fires during the week, shot 110-110 to win the State Double Barrel Championship. I believe Ron lost several sheep, a caravan, guns and personal property in the South Australian fires.

Shooters could not register a possible in the State Single Barrel Championship, and it went to Phil Dittmer with 48-50. Grant Bollen shot 149-150 to take out the State Point Score title. Dino Oliviero with 314-320 collected overall High Gun over the program, with Veteran High Gun going to Bob Mules 226-250. As the 1983 National Championships will be hosted by the State of South Australia at this club, it was not surprising to see the five targets off one lane system being used during the whole of this shoot.

Shooters and Referees I spoke with complimented the system, making the point, shooters did not cross from one lane to the other in front of the referee while other shooters were calling for targets. It was also noticeable the grounds were being prepared, by way of paint etc, for the big event to be conducted there in April.

• The S.A. Double Barrel Championships sponsored by Winchester Australia, was won by Ron Wimshurst. Ron is being presented with his trophy by Winchester's Dick Ayres. On left is Single Barrel winner Phil Dittmer.

### Monday, February 21, 1983

The International Sub-committee met in Melbourne and under the Chairmanship of Victorian Executive member Bob Buchan, discussed a lengthy agenda. It was reported at this meeting that future World Championship teams, representing their country are to consist of three shooters instead of four, as in the past.

The first ever Skeet Nationals to be held at Melbourne Gun Club were discussed. Four, 50 target and two, 100 target events are to be contested. It was recommended a five man team be selected at this venue to represent Australia in America in 1984. The team will consist of the five top scores over the 400 target program.

Since the Commonwealth Games, shooters have shown an interest in becoming registered International Referees. It was agreed at this meeting, inquiries should be made re the possibility of bringing a UIT Judge to Australia to implement the necessary examination of interested persons in acquiring this standard.

• Left, Overall winner of the Victorian Olympic Trap Championship Terry Budd of N.S.W., being congratulated by runner-up and A grade winner, Stan Collins.

**Saturday, February 26, 1983**  
**Sunday, February 27, 1983**

Victoria conducted its ISU Carnival at Melbourne Gun Club over this weekend. The 100 target State and Carnival Trench Titles on the program attracted excellent fields.

The Victorian Trench Championship went to NSW competitor Terry Budd, with Bill Iles, Melbourne collecting the Carnival Trench Title.

The team to represent Victoria at State Shoulder to Shoulder match in April 1983 at the National Trench Titles are Stan Collins, Jack Henwood, Bill Iles, Tony Rowe, Bob Christopher and Greg Long.

See you where there is shooting.

# **HANDICAPPING NATIONALS 1983**

As I have once again been appointed Handicapper for the Nationals and because of the great change in handicapping formulas, I find it necessary to set down guide lines to make it easier for you — the shooter.

This year we have a new design handicap card which should make it a lot easier to keep your progressive scores on. Also each club should by now have an independent club handicapper, this again should make it easier for you and me when checking your cards at the Nationals. Because the new handicapping rules adjustment of cards could be a lengthy process, that is why the following will be strictly enforced:

1. All current 1983 handicap cards, regardless of your grade, along with your up to date 1982 card, will be required by me for checking before you nominate (pre Nationals and Nationals).

2. All handicap cards must be stamped by me before nominations will be accepted.

3. No nomination will be accepted if your handicap card is unavailable unless your grade handicap trap and skeet is confirmed by your club secretary on a statutory declaration form.

4. If a statutory declaration form is signed you will be allowed to shoot, but any trophies won will remain with the A.C.T.A. until your handicap and grade is verified by the Executive Committee.

5. Unless you are a new shooter or haven't shot for a long period and you present your handicap card not filled in or only with the club stamp and no score (event or targets shot) your handicap will be AA grade, AA or O skeet and 25 metres handicap (this is your responsibility, make sure club secretaries fill in your cards correctly.)

6. Any crossouts or errors on cards will not be acceptable.

7. If an error is made on your card have your club secretary neatly rule out the error, rewrite it in correctly, stamp and sign it.

8. Any obvious low score entered on handicap cards just prior to the nationals that enables a shooter to be down graded, will not be taken into consideration (Rule 106).

9. Please watch the handicap board. If your name appears on the board please report to me.

10. If you do not wish to be down graded or have your handicap meterage moved forward, please advise.

11. I will make myself available for advice on any handicapping problems you might have only on the days of the National Double Rise and the National Single Barrel, not when you nominate, as you can realise I will be too busy with the new adjustments.

12. Remember to fill in your cards at all times, i.e. all events other than those not applicable.

Good shooting and see you in Adelaide.

## PLEASE DO THE RIGHT THING

Most clay target shooters, when walking around a GUN CLUB, carry their GUN in a SAFE and easy to see way. The most accepted manner, is as illustrated here: **Stock to the rear, barrels to the front, action open of course.**

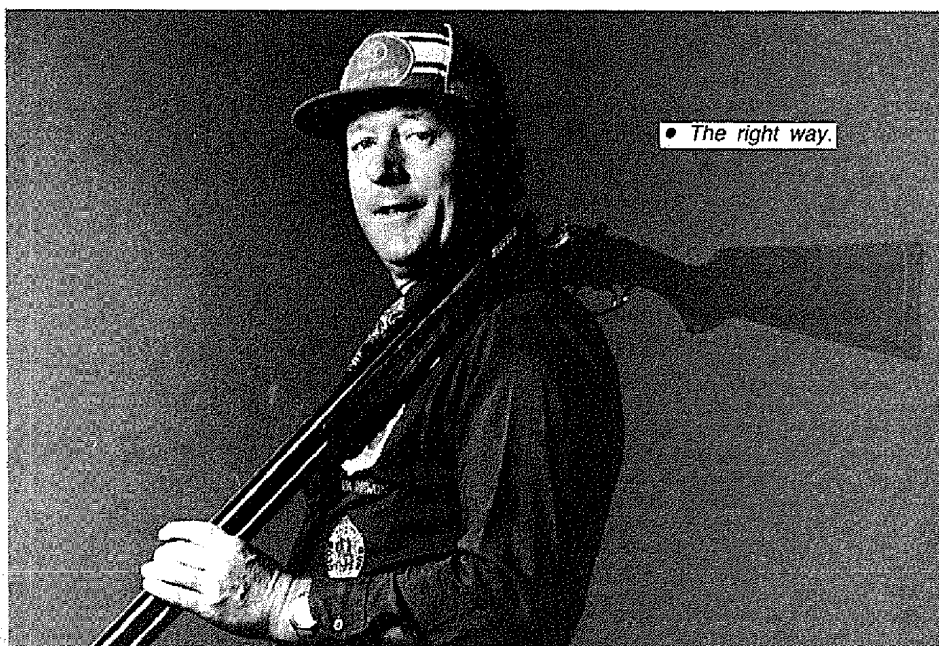

The most comfortable is with gun over your shoulder, barrels held by your hand. At this height other people can see your EQUIPMENT, and will not bump into it.

The big NO-NO, is **barrels to the rear**: This is not only foolish as you can poke people in the face (or eye) but also others may dent your guns barrels.

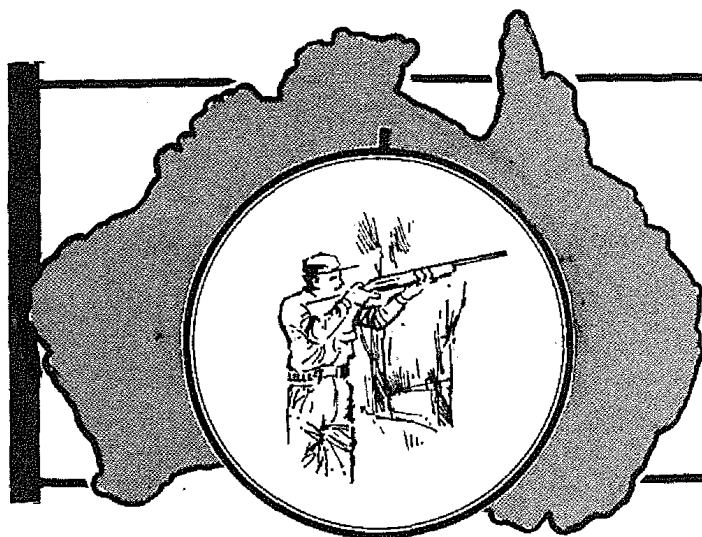

**BE A CONSIDERATE AND SAFE SHOOTER AT ALL TIMES.**

(Shooters with semi-auto guns may carry their firearms vertical to their body, action open at all times).

**Just use a little common sense.**

## CLUB NEWS

### BOORT CLAY TARGET CLUB

Boort Clay Target Club held their Annual meeting on Tuesday February 22. New office bearers elected were: President L. Saunders, and Vice President G. Broad. G. Chalmers continues as Secretary, M. Burbidge is Handicapper and assistant secretary. Shoot marshalls are R. Rigney, S. Rigney, J. Allison and N. Lehman.

### WARWICK GUN CLUB

At our Annual meeting held February 5, the following members were elected as office bearers: Patron: Mr Vic Wiedman. Mr Wiedman was also made a life member of the club.

President: Greg Newey.

Secretary: Daphne Cameron, P.O. Box 158, Warwick, Phone (076) 61 4220.

Treasurer: Mr Stan Gray.

Vice Presidents: D. Bartley, Don Cameron, F. Fiechtner.

Club Captain: Frank Fiechtner, Assistants: D. Bartley & K. Fiechtner.

Club Handicapper: Brian Duncan.

Club Coach: Don Cameron.

### WAGGA GUN CLUB

The Wagga Gun Club recently held their Annual General Meeting and the following people were elected to the following positions:

President: Bruce Tingle.

Secretary: Mary Tingle.

Club Handicapper: Barney Rooke.

Club Delegate to Zone, State and A.C.T.A.: Barney Rooke.

### ABRUZZO CLAY TARGET SHOOTERS

Due to our annual general meeting on Wednesday February 16, an election for a new committee was held and the results thus:

President: Dino Salvatore.

Vice President: Emilo Montanaro.

Secretary: Albert DiPietro.

Treasurer: Americo Giandomenico.

### WEST WYALONG GUN CLUB

The West Wyalong Gun Club ran a 20 target event at their last shoot for the Bushfire appeal. Each shooter was charged a little extra and the West Wyalong Gun Club was able to make a donation of \$60.00 toward the appeal.

### TOWNSVILLE GUN CLUB

The Annual General Meeting of the Townsville Gun club was held on February 19, 1983 attendance was only 30.

President: Tom Comerford.

Secretary: Daphne Leeds.

Treasurer: Noel Beale.

Committee: Dot Crawford, John Findlay, Ray Schinkel, Frank Leeds, Ian Sleigh, Bob Britton, Des Evans.

### QUEANBEYAN/CANBERRA GUN CLUB

At our recent Annual General Meeting Fred Rees was elected to the position of President. Secretary is Jacqui Koselski, Treasurer is Doreen Newcombe, and Shoot Marshall is Henry Koselski. The official club handicapper is Steve Teitzel. Although our club has suffered a temporary setback with the number of traps available, we are still carrying on in our usual fine tradition. During 1982 we had representatives in two state teams. Rob Parker, Bob Kennett and Nigel Jones gained places in the State Skeet Team, and Doreen Newcombe in the Ladies State Trap Team.

The new committee look forward to meeting visitors from other clubs during the year.

### KAILANGUR GUN CLUB

We wish to advise that from the Annual General Meeting held on February 2, 1983 the following office bearers were elected:

President: Ron Daniells.

Vice President: Martin Gough.

Treasurer: Ted Hall.

Secretary: Edwena Hall.

**ANNUAL REPORTS  
BALANCE SHEET AND ACCOUNTS  
31st DECEMBER, 1982**

# PRESIDENT'S REPORT TO THE 1983 ANNUAL MEETING

Several factors pertaining to the general operation and administration of our sport, has made 1982 a year of challenge, change and restructure. One most significant, was the formation of the Referee's Association. The benefits from this Association will be evident through 1983 with the implementation of new rules controlling our sport. The recommendations made by this Association may not necessarily be agreed to by all. However the existence of, and criteria governing this council will give greater opportunity for interested members of our Association; to be involved, and assist in altering and improving the rules that govern our sport.

The computer change has been made and 1983 will see your Association operating from its own in-house computer processing service. It is accepted, when fully operational, this will be of great assistance to our administration, as well as lowering excessive computer costs in our general operation that have been experienced in the past.

National Ground - In my previous report to you, I admitted this has been a somewhat disappointing project since the idea was first envisaged in 1979. I have personally made special effort to implement action within this area to assist your Executive in making a final decision. Because of the magnitude of this development and its expected enormous costs to your Association, it should be realized by all, for your Executive to make a decision, all avenues to such a project **MUST BE FULLY INVESTIGATED BEFORE A BINDING COMMITMENT IS MADE.** I believe, after encountering many delays beyond our control, a responsible decision will soon be reached.

Victoria, after the change in government is facing alterations to its existing legislation. A plus for shotgunners in this state is the fact that their State President and Executive member Bob Buchan, has been invited to sit on the consultative panel, set up by the Cain government to advise on such changes. In the interest of our sport, a heavy responsibility lies with all State Associations and Executive members alike, to keep well conversed on the various governments attitude, to existing firearms legislation within their own state, in case of any likely changes.

As can be seen by our financial statement, there has been a necessity to allocate funds to Victoria from our legislation

Levy Reserve. The reserve, with guide lines laid down for its use, has a real purpose, and has already proved its value to clubs experiencing legislation problems.

Our involvement in the sport at International level, particularly World Championships, is a costly exercise. However I believe we should continue to be involved in this area. It should be realised, providing our competitors finish near the top, we gain Government recognition, by way of financial assistance to further develop our sport and our competitors at this level. The publicity received from the end results must also assist in realising public awareness and acceptance of our sport in general. Shooters to be advantaged by the above are Terry Rumbel, Greg Long, Ian Hale and Alex Crikis. All are to be complimented on attaining recognition by the Federal Government as top International competitors by being accredited with Commonwealth Government Training Grants for 1983.

Our sport through our members participation carried many highlights through 1982. The results of the D.T.L. Team to Great Britain, with Executive Director, Ian Hill as Manager, was a proven venture and of great benefit to the development of our sport in Australia. Congratulations must also go to our 1982 Commonwealth Games Team and Peter Quire our National Coaching Director, who acted as Team Manager Coach. The teams combined performance at the Games was a credit to our sport. The individual and team success of our competitors at the 1982 World Championships in Caracas, Venezuela, with Peter Quire again at the helm, was yet another great achievement and worthy of the highest praise.

The 1982 National Championships were a disappointment in relation to shooter numbers. Attendance was well below expectations. This attributed to a lower than anticipated budgeted profit from the tournament, by some fourteen thousand dollars. The state of the economy no doubt had a bearing over the end results. All National Championships run by the Association should carry a reasonable profit margin to supplement the expenditure required to run our organization. Withstanding all this the gratitude of all is extended to the Queensland State Association and Brisbane Gun Club for their combined effort in organizing and hosting the National Titles. Those responsible for providing the grounds, the administration that conducted the tournament, are to be complimented on the effort.

As can be seen by our Financial Statement, our loss for 1982 is greater than that forecast in our budget. This can be attributed to an unexpected downturn in several areas of our income, namely, advertising in C.T.S.N., profit from 1982 Nationals and general trading, all created by, I believe, the general state of our economy.

To compound this further, coaching, overseas involvement and committee expenses were up on those projected in the 1982 budget. All this will be evident in the financial report. However I believe the year was one of action with constructive results to the benefit of our members.

In closing my report in what has proven to be a tough economic climate, I congratulate my Executive Colleagues for the way in which they have displayed a United National effort in administering, and further developing your Association during 1982.

Thank you.  
LAURENCE G. CONNORS. ○

# ANNUAL REPORT 1982

The year has again been one of contrast, with great results internationally for our shooters, a marvellous Commonwealth Games, and the formation of the Referee's Association, as examples of the highlights.

On the low side is the financial result which reflects the deepening recession which overtook the whole country particularly during the latter half of 1982. This is reflected in the downturn in advertising revenue derived from the magazine, particularly from commercial advertisers.

The profit from the National Championships was far less than expected and the costs involved in sending the team to the world championships in Venezuela were far in excess of budget, again adding to the shortfall. Other items of significant expenditure added to the budget during 1982 were the Referees Association and the conference of State Presidents and Secretaries. The Referees Association had the unenviable task of re-writing much of the rule book. A task that was approached with much thought and dedication. Time will, I'm sure, show that their work has done much to improve the rules for the benefit of all shooters. The successful State Presidents and Secretaries Conference held in Melbourne in September will also have long term benefits in the important area of State Association administration. Many things came out of that conference which are in various stages of development. One item alone which will be of great value to club, zone and state administrations, is the Administration Manual, a comprehensive document that will detail such things as the duties of club secretaries, through to how to organise the National Championships. I mention these things in the context of the financial results to illustrate that despite the sorry state of the economy, the Executive Committee intends to maintain the development of the Association.

Last year I wrote that with registration fees remaining the same for 1982, tighter housekeeping would have to operate. This has had to be balanced against the need to keep developmental momentum going.

On the brighter side, the appointment of Peter Quire as National Coaching Director from January 1, 1982, recreated the momentum in the coaching area which had slowed during 1981 when we operated without a National Director of Coaching.

As is traditional this report addresses itself to specific areas of activity.

## 1. International Competition

Australian Shotgunners participated in seven international competitions during 1982.

### 1.1 International Skeet Teams Match

This was conducted during the National Championships in Brisbane. Competing countries were New Zealand and Australia, with Australia being successful by six targets. Representing Australia were Ray Melville, Geoff Salmon, Guy Beddington, John King and Kevin Perkins.

### 1.2 International Trap Teams Match

This event too was conducted during the Brisbane Nationals and attracted teams from New Zealand, Papua/New Guinea, New Caledonia, and Australia. Australia was represented by Larry Dimasi, Barry Kable, Don Wilson, Leon Gibson, and Stuart Browning, who were successful in beating New Zealand by three targets.

### 1.3 Glenn Cup

This match for D.T.L. Teams from New Zealand and Australia was conducted during the New Zealand Nationals and resulted in a win for New Zealand. Representing Australia were Bill Iles, John Whittakers, Kevin Longmore, Stephen Phillips, Peter Flack and Michael McVicar. The Executive Committee would like to express its appreciation of the assistance received from Air New Zealand for this team.

### 1.4 Mackintosh International Teams Match

For the first time in nine years Australia failed to win the Mackintosh trophy, finishing third to New Zealand and Canada. Scores were New Zealand 7366/7500, Canada 7359, Australia 7348.

## 1.5 Van Diemens Trophy

Four trap shooters were selected at the Brisbane Nationals to represent Australia in this new shoulder to shoulder team event, conducted as part of the Home Countries International series in Carlisle, Cumbria, U.K., in July. Dr Paul Cains had donated the Van Diemens Trophy for competition between England, Ireland, Scotland, Wales and Australia each two years. Bill Iles, Larry Dimasi, Kevin Perkins and Pud Burgess won places in this team which acquitted itself very well in the competition. Scotland were the winners 1184/1200 points from Australia 1183/1200.

## 1.6 Commonwealth Games

Australia's Terry Rumbel, Jim Ellis, Ian Hale and Alex Crikis turned in a best ever performance in Commonwealth Games by winning a Gold, two Silver and one Bronze medal in the four shotgunning events. Coach Peter Quire is to be congratulated on the performance and his handling of the team in Brisbane.

## 1.7 43rd World Championships

The 1982 World Championships were held during November in Caracas, Venezuela. We sent a team of seven shooters under Manager/Coach Peter Quire. Performances were first class in both Olympic Trap and I.S.U. Skeet. Terry Rumbel shot-off for the Gold medal after tying with five others on 197. Greg Long in his first attempt at the Worlds finished 14th with a very good 195. Australia finished 7th in the teams event. In Skeet both Ian Hale and Alex Crikis shot 195/200 to place equal 14th, a top performance. Such was the level of competition that three 199's shot off for the medals.

Again a very busy year internationally.

## 2. National Competition

The 1982 National Trap and Skeet Championships were conducted at Brisbane Gun Club in May. Attendances were well down on the previous year in Melbourne which did detract somewhat from the atmosphere that surrounds the biggest series on the shooting calendar. The stars were all there however, and fought hard for the titles. The Queensland Clay Target Association did an excellent job in organising these Championships. The Executive Committee thanks all trophy donors for their strong support.

Brisbane Gun Club was also the venue for the National Olympic Discipline Championships in April.

National Champions for 1982 are:

Olympic Trap	Jim Ellis, A.C.T.
I.S.U. Skeet	John Woolley, N.Z.
Standard Skeet	Ray Melville, N.S.W.
Double Barrel	Larry Dimasi, Victoria
Single Barrel	Graham Willett, Victoria
ANZ Trap	Bill Stevens, Qld
Double Rise	Bill Iles, Victoria
Womens Double Barrel	Deserie Huddleston, N.S.W.
Junior Double Barrel	David Wilson, N.S.W.

The Champion of Champions was Pud Burgess, N.S.W. and the winner of the Grand Australian Handicap was Jan Schuster of New South Wales.

## 3. Executive Committee

Mr R. C. Mules of South Australia retired from the Executive Committee in August, after serving for eighteen years. Others to retire were Mr Trevor Reschke (South Australia), Dr Paul Cains (Tasmania). Sitting at the Executive table for the first time in 1982 were Mr Leighton Martin and Mr Brian Growden of South Australia, and Mrs Kaye Woods of Tasmania. National Vice-President Mr Roy Holtfreder of Western Australia, was awarded honorary life registration of the Association having served the Executive Committee for 10 years.

The Executive Committee met three times during 1982, at the National Championships in Brisbane in May, and during September and November in Melbourne. All members of the Executive are to be commended for their unselfish dedication to the development of the sport.

• The U.K. Trap Team 1982 — L. to R.: Larry Dimasi, Bill Iles, Kevin Perkins, and Pud Burgess.

#### 4. Government Grants

Grants totalling \$25,000 were received from the Sport Development Program for 1982.

(a) Administration Grant \$3,000

(b) National Coaching Director \$22,000

A further grant of \$10,125 was received for pre-Commonwealth Games training from the Government through the Australian Commonwealth Games Association and the Australian Shooting Association.

Management thanks the Minister responsible for Sport, the Hon. Tom McVeigh, and the Sport and Recreation Division officers in Canberra for their assistance during the year.

#### 5. National Coaching Council

The seven State Directors of Coaching make up this Council under the Chairmanship of National Coaching Director Peter Quire. The Council met in Melbourne during November and made plans for activities in 1983. High on the list is Level 2 Accreditation for Coaches. Earlier in 1982 the Australian Accrediting Council had accepted the Association's proposal for the running of Level 2 courses under the Government scheme. Peter Quire had prepared the Level 2 course which was accepted with minor amendments and additions.

The Executive Committee expresses its appreciation for the work done in the coaching area by State, Zone and Club Coaches in 1982.

#### 6. Administration

In-house Micro Computer Equipment was installed in the National Office in the latter part of the year. All membership data is stored in this facility. The change to in-house equipment will give far greater flexibility in operations, and reduce operating costs very significantly.

Mr M. T. Hastie of the Finance Sub-Committee has again been of enormous assistance with advice and help with investment of Association funds.

#### 7. Membership

The number of clubs affiliated during 1982 was 293, an increase of 11 over 1981.

Shooter registrations were marginally down on 1981, which again reflected the worsening economic situation. The high turnover in registered shooters from year to year again showed up, a factor that concerns me greatly. The question still has not been answered as to why shooters register for one or two years and then drop out. This is a serious problem which must be solved before any real gains in membership can be achieved.

#### 8. State Associations

Per capita grants of \$9,560 were returned to State Associations during 1982. Most states are receiving assistance from Government to fund projects. South Australia now has a Secretary/Administrator thanks to the State Government. It is clear that State Associations are now more aware of what assistance is available from Government within the respective States.

#### 9. National Training Squad

The second National Training Squad in the Olympic Disciplines was selected during 1982. The program for the squad included a training camp in Brisbane between the National and Commonwealth I.S.U. Championships, where the services of Mr Jeff Bond, a sports Psychologist from the Australian Institute of Sport in Canberra, were used to help our squad members. Eliminations for the Commonwealth Games and World Championship Teams were conducted in Brisbane during June with all squad members again working with Jeff Bond. Much useful information was gained during these exercises, to help future preparation of teams for important competition.

The 1982/83 squad comprised:

OLYMPIC TRAP  
Terry Rumbel, N.S.W.  
John Porter, Qld.  
John Maxwell, N.S.W.  
Jim Ellis, A.C.T.  
Greg Long, Vic.  
Ian Buchanan, Vic.

I.S.U. SKEET  
Graeme Boyd, Vic.  
Alex Crikis, Vic.  
Ian Hale, Vic.  
John Summers, Vic.

## 10. Legislation

We had expected that new legislation would have been enacted in Victoria during the year. It is now planned to be introduced in the Autumn session of 1983.

The concept of the establishment of the Legislation Fighting Fund was very well received across Australia. Money from this fund was used during the year to combat unfair actions in two specific cases. The balance sheet gives details of money invested in this fund.

## 11. Promotion

National President Laurie Connors has again continued the tradition of extensive travel to most parts of Australia, promoting Association policy to as many Clubs and shooters as possible. He has visited Clubs in Western Australia, South Australia, Victoria, New South Wales, Queensland and Northern Territory during 1982.

## 12. Australian Shooting Association

The A.S.A. was beset by many difficulties during 1982, so progress has been slower than expected towards being fully representative of the shooting sports in Australia. A new constitution was adopted, and the Field and Game Federation of Australia was admitted to the A.S.A. as an affiliate.

The Association is represented on the A.S.A. Council by Mr R. F. Buchan (Vic), and the Executive Director.

## 13. National Headquarters

The feasibility study to be conducted using the Dubbo site for the collection of the necessary data, has been delayed due to the problems experienced by the A.C.T. Shooting Association in getting the study under way in Canberra. The results of the Canberra study would have saved much work and therefore money in the preparation of the A.C.T.A. study, so the whole matter is deadlocked at this time.

## 14. Interstate Teams Match Results

## 15. Acknowledgements

Any sport is dependent on help from people and organisations. Some of those who have assisted Clay Target Shooting enormously during the year are listed below:

National President, Laurie Connors  
Management Committee  
Executive Committee  
International Sub-Committee  
State, Zone and Club Coaches  
State Associations  
Zone Councils  
Club Secretaries and Committees  
Registered Shooters  
Federal and State Governments  
All Commercial Sponsors

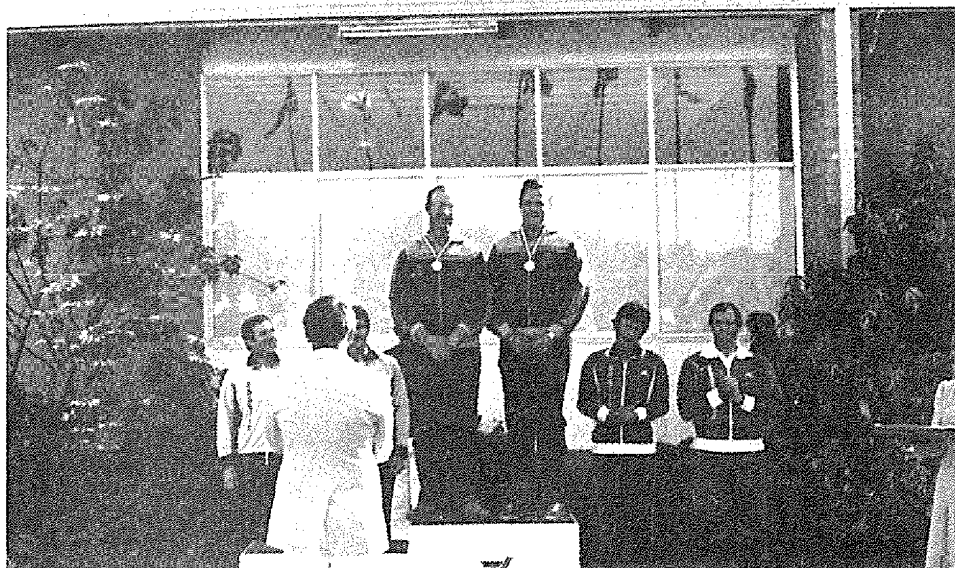

Special mention must be made of Air New Zealand and Ansett for their contribution. I would also like to extend thanks to contributors to Clay Target Shooting News during the year. It is your magazine and I wish more would take the opportunity to contribute.

## 16. Summary

As previously mentioned, 1982 has been a year of contrast. Let us all hope that 1983 can see the continuing development of the Association, whilst improving the performance in the financial area.

It is my sincere wish that you all enjoy your shooting in 1983.

Ian C. Hill  
Executive Director

• Jim Ellis & Terry Rumbel, Gold Medal Olympic Trap Teams  
— Commonwealth Games, 1982.

# EXECUTIVE COMMITTEE REPORT

The Executive Committee presents herewith the Statement of Assets and Liabilities at 31st December, 1982 together with the Statement of Income and Expenditure for the year ended

on that date, and report as follows —

The names of the Executive Committee in Office at the date of this report are as follows —

MR L. G. CONNORS  
MR R. M. HOLTRETER

PRESIDENT  
VICE PRESIDENT

MR W. G. ABBOTT  
MR R. F. BUCHAN  
MR K. F. COPPLEMAN  
MR R. A. DEAN  
MR B. GROWDEN  
MR N. T. HARDY  
MR W. HORNER

MR L. MARTIN  
MR R. J. PARKER  
MR J. K. SCOTT  
MR N. J. SEIS  
MR D. L. WIESE  
MRS K. WOODS

The principal activities of the Association are:—

To promote, develop and encourage the sport of Clay Target Shooting. During the year there was no significant change in those activities.

The Deficit for the year ended 31 December, 1982, was \$(66147). No provision for income tax was necessary.

An amount of \$7929 was transferred during the year to General Travel Fund Reserve and \$11084 was transferred from this reserve for funding the U.K. Trap Team. An amount of \$43900 was transferred during the year to Legislation Levy Reserve and \$6724 was transferred from this reserve for funding legislative matters.

With these exceptions and apart from the normal amounts set aside for depreciation and doubtful debts no other material transfers to or from reserves or provisions have been made during the financial year.

No shares or debentures were issued by the Association during the financial year.

The Memorandum of Association of the Association forbids the payment of a dividend to members.

The Executive Committee took reasonable steps before the Statement of Income and Expenditure and Statement of Assets and Liabilities were made out to ascertain what action had been taken in relation to the writing off of bad debts and the making of provisions for doubtful debts, and to cause all known bad debts to be written off and adequate provision to be made for doubtful debts.

At the date of this report, the Executive Committee is not aware of any circumstances which would render the amount written off for bad debts or the amount of provision for doubtful debts inadequate to any substantial extent.

The Executive Committee took reasonable steps before the Statement of Income and Expenditure and Statement of Assets and Liabilities were made out to ascertain that the current assets of the Association, other than debtors were shown in the accounting records of the Association at a value equal to or below the value that would be expected to be realised in the ordinary course of business.

At the date of this report the Executive Committee is not aware of any circumstances which would render the values

attributable to the current assets in the accounts misleading.

No charge on the assets of the Association has arisen since the end of the financial year to the date of this report to secure the liabilities of any other person.

No contingent liability of the Association has arisen since the end of the financial year to the date of this report.

No contingent or other liability of the Association has become enforceable or is likely to become enforceable within a period of twelve months after the end of the financial year which, in the opinion of the Executive Committee will or may substantially affect the ability of the Association to meet its obligations as and when they fall due.

At the date of this report the Executive Committee is not aware of any circumstances not otherwise dealt with in the report or Accounts which would render any amounts stated in the accounts misleading.

The results of the Association's operations during the financial year have not in the opinion of the Executive Committee been substantially affected by any item, transaction or event of a material and unusual nature.

Since the end of the financial year and to the date of this report, in the opinion of the Executive Committee no item, transaction or event of a material and unusual nature which would affect substantially the results of the Association's operations for the next succeeding financial year has occurred.

No member of the Executive Committee since the end of the previous financial year has received or become entitled to receive a benefit by reason of a contract made by the Association or a related corporation with the Executive member or with a firm of which he is a member or with a company in which he has a substantial financial interest.

For and on behalf of the Executive Committee by authority of a resolution of the Executive Committee made on the 21st day of March, 1983.

L. G. Connors  
R. M. Holtreter  
Executive Committee Member

# **STATEMENT BY EXECUTIVE COMMITTEE**

In the opinion of the Executive Committee:

the accompanying Statement of Income and Expenditure is drawn up so as to give a true and fair view of the results of the Association for the year ended 31st December, 1982 and the Statement of Assets and Liabilities is drawn up so as to give a true and fair view of the state of affairs of the Association as at 31st December, 1982.

There are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

For and on behalf of the Executive Committee by authority of a resolution of the Executive Committee made on the 21st day of March 1983.

L. G. CONNORS  
Executive Committee Member

R. M. HOLTFRETER  
Executive Committee Member

## **AUDITOR'S REPORT TO THE MEMBERS**

In my opinion:

- (a) the attached accounts which have been prepared in accordance with the historical cost convention and are properly drawn up in accordance with the provisions of the Companies (Victoria) Code, and so as to give a true and fair view of:
  - (i) the state of affairs of the Company as at 31st December, 1982, and of the loss of the Company for the year ended on that date; and
  - (ii) the other matters required by Section 269 of that Code to be dealt with in the accounts;
- (b) the accounting records and other records, and the registers required by that Code to be kept by the Company have been properly kept in accordance with the provisions of that Code.

MOORABBIN  
March, 1983

# NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER, 1982

**Note 1. Statement of Accounting Policies**

- (i) the Statement of Assets and Liabilities and the Statement of Income and Expenditure have been prepared in accordance with the Historical Cost Convention.
- (ii) Fixed Assets. Depreciation, except on Computer equipment and software, is based on the diminishing value method and the rates are adjusted so as to write off the asset over its estimated useful life. Depreciation on computer equipment and software is based on a straight line basis so as to write off the asset over its estimated useful life.

**Note 2. Donations**

- National Training Squad Donations -	
ANZ Banking Group	250
Tasmanian Amateur Shot Gun Association Raffle	6945
I.S.U. National and State Championship Levies	585
Sundry Donations	26
	<u>\$7806</u>
Additional Donations received and allocated against specific project.	
- Levy on Nominations at National Championships to fund U.K. Trap Team	\$4020

**Note 3. Government Grants**

General Administration Grant	\$3000
Additional Grants received and allocated against specific projects.	
- National Coaching Director	22000
- Commonwealth Games pre games training	10125
- National Athlete Award Scheme	7000
- 1982 World Championships Team	4000
	<u>\$43125</u>

Committee: V. Lavelle, R. Maroske, K. Howard, P. Flack, I. Kirkpatrick, D. Macaulay.

### ALICE SPRINGS GUN CLUB

The secretary of Alice Springs Gun Club is now Mr Ken Ross.

## EDITOR'S MAILBOX

Dear Ian,

The Winchester Schoolboy-Schoolgirl Championship conducted on the Sunday of the South Australian Trap Carnival at the S.A. Gun Club was again a great success with good representation of Students from Country & Suburban Schools, plus more than 10 Juniors competing who have never previously fired a shotgun or seen any form of Clay Target Shooting.

The shooting was of a high standard even from the new shooters with the overall Champion being Kevin Heard from the Ceduna Area School with a score of 19/20 in this Single Barrel event, — congratulations once again Kevin on your good shooting.

I would like to thank the many Shooters who voluntarily gave their time and assistance in helping me to conduct this Championship. It showed what importance shooters place on Junior Shooting and Training, and their desire to strengthen their sport and to see its overall expansion.

Once again my thanks to these helpers.

See you at the Nationals.

Kindest Regards,

Winchester Div. Olin Aust.

R. Ayres

Area Sales Manager

S.Aust & N.T.

## BUSHFIRES

We are anxious to hear of any shooters or families connected with the sport, who have been affected by the disastrous fires in Victoria and South Australia.

If any of your Club members have been affected could you please phone or write to the National Office with details.

## MARCH CLAY TARGET SHOOTING NEWS

We are aware that many registered shooters have not received a copy of March magazine. This was caused by a computer problem when the magazine wrappers were being printed.

We apologise for any inconvenience, and ask that should you still require a copy of March magazine, you contact the National office. We will then post one to you.

# SPORT NEWS

(a regular column produced by the  
Confederation of Australian Sport)

The sporting community has welcomed the appointment of John Brown as Minister for Sport, Recreation and Tourism in the Federal Government by the Prime Minister, Mr Hawke.

Mr Brown has been a strong supporter of many of the new initiatives promoted by sport. In fact, the Policy he formulated on Sport and Recreation nominates as its targets for achievement the aims of the Master Plan for Sport produced by the Confederation of Australian Sport in 1980.

An especially pleasing feature is the establishment of a separate Ministry for Sport, Recreation and Tourism. A similar department last existed under a Labor Government headed by Mr Gough Whitlam.

The other recommendations picked up from the Master Plan by Labor are shown below.

The Executive Director of the Confederation of Australian Sport, Mr Garry Daly said, "Despite the tight economic conditions that Australia is experiencing, sport must have the level of support proposed by the new Government because of the benefits to the community that arises from a fit, healthy, active and proud sporting nation. The creation of a Ministry for Sport, Recreation and Tourism is tangible evidence of the awareness of the Federal Government of the relevance of sport to Australians. The Confederation looks forward eagerly to consultations with Mr Brown on the programs and initiatives that will ensure Australian sportspeople continue to get the best possible encouragement.

"Sport in Schools is one of the major factors in the Confederation's range of activities, and great encouragement is taken from the Government policy recognition that the sports education program needs to be greatly improved."

The following is a summary of the major proposals listed in the Sport and Recreation Policy adopted by the Australian Labor Party.

- \* That a ministry of sport, recreation and tourism be re-established.
- \* That the National Institute of Sport is sufficiently funded to complete its armoury of proposed facilities and accommodation in order to properly service Australia's young and highly talented elite performers.
- \* In conjunction with the Department of Education and State Governments, that sports education in schools throughout Australia be improved greatly by the provision of extra skilled staff and facilities. Particular emphasis will be placed on the teaching of swimming and water safety skills.
- \* An increased level of funding in the general sports grants area to enable the National Sporting Associations to adequately administer their sport.
- \* Maintenance of the funds made available to the states on a dollar for dollar basis to provide competitive facilities of recognised international standard.
- \* Funding on a dollar for dollar basis to local and state governments to enable the building of family leisure centres. Such centres will be built on or near existing school sites, but will be owned and managed by local government for the benefit of the whole community.
- \* Sufficient funds are made available to enable more highly-talented Australian athletes to gain international experience.
- \* That a national inquiry be instituted, aimed at assessing the community's present and future needs in the provision of passive outdoor recreation infrastructure.
- \* The proper financial support of the proposed biennial Australian games.
- \* The formation of a National Sports Commission to oversee the provision of federal assistance to sport at every level. ○

## SHOOTING SHORTS

Cont'd from page 8

the clay target shooting sports through their share of difficult times . . . let us not forget THEM.

### THE HANGING JUDGE: BUT A GOOD BLOKE:

Had an enjoyable conversation with one of my very good shooting mates, **Harry Somers** (CHAIRMAN) of the Royal Aero Gun Society (Bankstown N.S.W.) the other day. Harry and I have travelled more than the odd mile in our time to shoots across Australia. Many's the time when Roger D., has arrived late in some town to attend a shoot, only to find "Father" Somers, come to my rescue by providing me with a spare bed in his motel room, a wee drop to drink and a meal at some mad hour in the night.

The occasion of my last call on Harry, was to enquire (in camera), by seeking his vast experience, as to how he would handle a certain problem, concerning a shooter (hypothetical or otherwise) and the conduct of a "shooter" and an incident surrounding same: Harry, not one to beat about the bush, was very affirmative with how the "problem" should be handled.

"If that type of incident had happened under my jurisdiction" Harry went on with the conviction of the great administrator he is.

"A committee meeting would have been called on the spot . . . and I dare say . . . the culprit, would now be hanging under the old oak tree!!"

Keep a candle in the window "H", — could be knocking on your door in Adelaide come Nationals time '83.

**KEEP CARRYING YOUR GUNS AROUND THE SHOOTING GROUND WITH BOTH SAFETY IN MIND, CONSIDERATION OF YOUR FELLOW SHOOTERS, AND TAKE GOOD CARE OF IT, IT'S A VERY EXPENSIVE BIT OF YOUR EQUIPMENT:**

See you next month.

By Roger Darwon,  
P.O. Box 511,  
Marrickville, N.S.W., 2204. ○

## TAMWORTH OPEN SKEET SHOOT

### Local Shooter takes Northern Zone Championship

Tamworth member Col Burt shot a possible 100/100 on day 2 of the Open Skeet Shoot held at Tamworth on February 19 and 20, to take out the Northern Zone Championship and the Tamworth and district Championship, and with 95/100 the first day, capped a very successful weekend by winning the High Gun 195/200 from Bob Wilson (Newcastle) 194/200.

With a very pleasing "role-up" of 44 shooters, some from as far away as Swan Hill, Wagga and Brisbane, shooting was very keen, and some very good scores were recorded.

Full results are listed in results pages. ○

## ALBANY GUN CLUB

Cont'd from page 14

• The trophies, Albany Gun Club's two day shoot.

Margaret Slee with David Leach, Keith Anderson and John Chisholm. Two of the state team members Greg Holly and Tim Catling were also on 49/50. However by the 75 targets the field was starting to narrow down and eventually David Slee dropped his 99th target to open the door for Max Cubic and Margaret Slee all by then on 99/100.

After a relatively short shoot-off David Slee was declared the overall winner of the 1983 Albany 100 Championship with a score of 106/107.

"A" Grade went to Max Cubic (Collie) 105-107. 2nd "A" Grade Tim Catling 98/100. "B" Grade David Slee 106/107. 2nd Margaret Slee 105/107. "C" Grade Austin Duffy (Albany) 94/100. 2nd David Burchard (Esperance) 92/100. Intermediate High Gun 100 Championship Margaret Slee 99/100. Veterans Trophy - Charlie Holly (Kojonup) 84/100. Junior Trophy - David Burchard 92/100. Ladies Trophy - Margaret Slee 99/100.

The Overall High over the weekend after a shoot-off between Tim Catling, David Leach, Lex Shipp, Max Cubic and Margaret Slee all on 151/155 went to Margaret Slee with 163/167.

The Intermediate High Gun over the weekend also went to Margaret 151/155. The Ladies High Gun also went to Margaret with 151/155. The Junior High Gun went to David Burchard with 145/155.

All in all a very successful weekend was had by all and a total of \$1800.00 in trophies and cash was distributed amongst the shooters.

Publicity Officer - Albany Gun Club

# VALE

One of Australia's greatest supporters of Clay Target shooting passed away on Tuesday February 1, 1983 at his home in Barcaldine. He was Robert Hamilton (Bill) Moyses aged 79.

Bill was a foundation member of the Barcaldine Gun Club and was its President for in excess of twenty five years until his retirement in 1978.

He was a life member of the Australian Clay Target Association, Q.C.T.A. and the Barcaldine Gun Club. He was on the A.C.T.A. Executive for many years and travelled extensively throughout the State and interstate to shoots.

He was responsible for initiating many young people to the sport of clay target shooting and under his guidance many a good shot has been produced.

Bill was a great sportsman, being actively engaged in cricket, tennis and golf and was a keen racing follower and horse breeder.

He was educated at the Southport School where he was in the 1st XV football 1920-21, 1st tennis 1921, athletics 1918-20, swimming 1919-21 when he was senior champion 1921, and was a member of two winning Head of the River crews in 1920-21. He saw service in Syria and New Guinea with the AIF's 2/25BN 7th Division.

He was an ex Shire Councillor and Patron of the Gun Club and Golf Club as well as being co-ordinator for the legacy appeal in Barcaldine for many years.

Although a bachelor he had close family ties and is survived by a brother Mick and three sisters Mrs Doris Wedgwood, Mrs Barbara Ferguson and Mrs Kit Willcocks.

He will be sadly missed in Barcaldine and will be remembered as a benefactor, a great sportsman and above all a gentleman. ○

Jack Collins, a patron of the Bairnsdale Club, died recently.

Jack had been a great supporter of clay target shooting for over twenty years and had also greatly assisted Frankston/ Australian and Melbourne Gun Clubs.

He will be missed by his many shooting friends. ○

It is with great sadness that my first correspondence with your organisation is to report the sudden death by heart failure of Julius Steiner on the 5th February, 1983 in Perth, Western Australia.

Following his unsuccessful attempt to hold the 1973 World Moving Target Championships in Perth (subsequently transferred to Melbourne) Jules has single-handedly waged a campaign to acquire a permanent shooting ground in W.A., where all ISU shooting disciplines could develop facilities of a standard suitable for the conducting of World and Olympic titles.

In late 1982 the state government granted some 240 hectares only 18 km north of the city centre. The tragedy of the whole event was that Jules collapsed and died only hours before the first set of transportable skeet houses were scheduled for installation on the new site. He planned the official opening of the I.S.U. shotgun section for Sunday the 6th February.

We can only trust that his dynamic personality and achievements in the face of a multitude of obstacles will inspire others to maintain the necessary impetus to advance the cause of I.S.U. shooting within Western Australia.

Practically the last official engagement was his participation as a jurist in the recent Commonwealth Games in Brisbane.

Yours faithfully,

S. R. J. Newton  
Vice President

International Trap & Skeet Association ○

## EDITOR'S MAILBOX

• Art and Judy Wegner's Club in Winter.

Dear Ian,

Because of business, Judy and I are going to miss your Nationals this year, but we are going to attend the New Zealand Nationals. I hope that we meet some Aussie friends in Hamilton.

We enjoy getting your Shooting News. When we are done with it, it goes to our gun club, where it is read till it is dog-eared.

Enclosed is a picture of our club in the winter. It is not comfortable shooting here in winter, but you know shooters are a little Nuts anyway.

Good Shooting,

Art Wegner,  
Chicago, Ill.

P.S. The club in the picture is Northbrook Sports Club.

## TROUBLE SHOOTING Cont'd from page 6

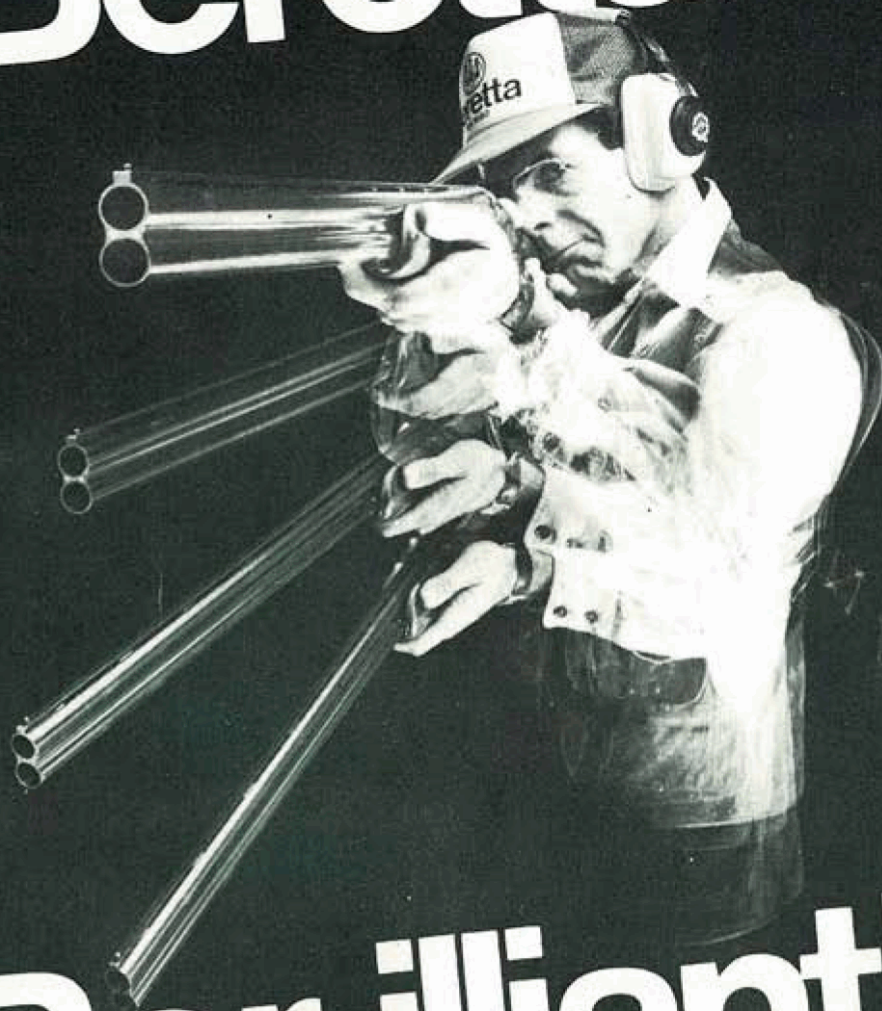

without the pressure of competition. You will need a packet of shells and a friend with some knowledge of shooting who will be able to see what you are doing or not doing.

Firstly, make sure it's not the gun or the way you mount it to the shoulder, check for proper eye and gun alignment, check eye position on rib. You should be able to see at least half the rib area between the two beads when cheek is snug on the comb. If the eye level is flat along the rib it will cause low shooting on all targets.

These days the trap gun with too high a stock is rare, but we will see a lot with too low a stock especially guns designed for skeet, field and simulated field shooting. ○
