WINCHESTER

Two masterpieces from Belgium

New Browning B125

A perfect combination of exotic walnut and forged steel wrought into classic sporting and old English game guns.

The B125, crafted with traditional Browning skill, is the direct descendant of one of the most beautiful and robust guns ever created — the legendary masterpiece John Moses Browning invented in 1926.

The Superb decoration is a tribute to the Belgian engravers.

The whole action is finished in "Old Silver". Beautifully designed Game Scenes depict pheasants and ducks on either side.

It is complemented by fine hand cut checkering on the grips.

Complete with Browning's exclusive Invector Choke.

This interchangeable choke can be changed in seconds yet is invisible from the side. Perfect sighting without distraction. Five chokes available.

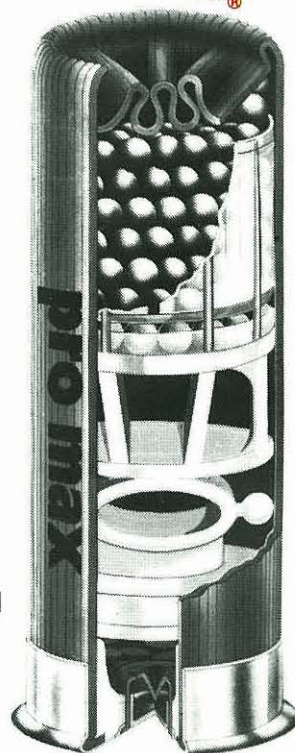

Game model features English Gooseneck stock and also available in $\frac{1}{4}$ — $\frac{3}{4}$ and $\frac{1}{2}$ —F, fixed choke.

NEW
BROWNING

SHOTSHELLS

Browning Promax are again available in Australia, imported from the famous Belgium works.

- The Wad is unique; designed for perfect seal. Shot collar gives consistent patterns.
- The extra hard Shot is highly polished and graphited to ensure excellent penetration.
- The Powder is selected for optimum ballistics and high velocity.
- Very competitive price.
- Popular shot sizes for trap and field.

Ask at your gun dealer.

SOUTH PACIFIC SHOOTING FEDERATION CHAMPIONSHIP 200 TARGETS

Invitation	Gold Silver Bronze Medals — Teams
	Gold Silver Bronze Medals — Individual
S.P.S.F. C'ship	Gold Silver Bronze Medals — Teams — Masters Badge
	Gold Silver Bronze Medals — Individual
Non Members	Masters Badges
ACTA Open	Overall, First & Second Graded AA, A, B & C.
	International Open Three Man Teams Event.

ACTA Open Individual in conjunction with South Pacific Shooting Federation Championship in Trap & Skeet. High Gun Trophies over 400 targets of National & South Pacific Shooting Federation Championships in Trap & Skeet donated by Barbara and Peter Quire.

The 400 targets of these championships in both disciplines will be used to select the National Training Squad for 1986. The top six scorers in Olympic Trap plus one Junior (Under 21), and top four scorers in Skeet plus one Junior (Under 21) will make up the 1986 Squad. If a junior is in top six Olympic Trap or top four Skeet scores, no extra junior is to be selected.

The top three shooters in Olympic Trap and top three in Skeet over the 400 targets will make up the Australian Team to compete in the 1986 World Championships.

The two highest scores in each discipline will represent Australia at the 1986 Commonwealth Games.

EXECUTIVE DIRECTOR'S NOTES

As you will see by the report and results relating to the Skeet National Championships, the V.C.T.A. Organising Committee conducted a very successful carnival at the Melbourne Gun Club.

The Association is very appreciative of the work put in by the many voluntary helpers without whom the sport would find it very difficult to operate.

There is no point in mentioning names or singling out any individual, for the efforts and involvement of each is equally appreciated — thank you all.

The South Pacific Shooting Federation and our National I.S.U. Championships are scheduled for the first week in February at the Brisbane Gun Club and both of these should be well attended as they will be producing the representatives to compete at the 1986 Commonwealth Games and the World Shooting Championships. Good luck to all for these events.

A reminder that 1986 registrations are now due. Make sure that you are a holder of a current (pink) registration card.

Preparations for the D.T.L. Championships at Echuca are well in hand and this promises to be a good carnival. A reminder to all trap shooters — mark your diary for Echuca in April.

Alan J. Maher

NATIONAL TRAINING SQUAD

Eliminations for the National Team to represent Australia at the South Pacific Shooting Federation Championships have now been completed.

Competition for team selection was as always, keenly contested. The members of the National Training Squad that will be representative for the South Pacific competition in February are as follows:

ISU TRENCH

Terry Rumbel
Jim Ellis
Bill Iles

ISU SKEET

Brian Thomson
Ian Hale
Alex Crikis

The ISU Trench Reserve team; Graeme Boyd, Cliff Bailey & John Harris.

We congratulate them on their selection and also congratulate National Coach, Peter Quire for the support given.

1985 NATIONAL SKEET CHAMPIONSHIPS

Despite the weather, which had been described as being typically Victorian, the 1985 Skeet Championships attracted record numbers, just short of the magical 200, which for skeet shooting augurs well for the future. The Melbourne Gun Club was prepared for the large attendance and their club grounds were once again turned out in magnificent condition.

The V.C.T.A., as the Organising Committee, were in readiness to conduct the first computerised National Skeet Championships. The office, under the supervision of the A.C.T.A. Administration Manager, Peter O'Donnell, was also in readiness with the accustomed manual system and each function was providing a back-up for the other.

The manual system with Executive Members Kaye Woods, Jim Scott and Laurie Connors were well experienced in their role while the computer was being "let loose" for the first time.

Despite the many problems that in the main were brought about by the power dropout (this has now been rectified) the system for future Nationals is most definitely heading towards full computerisation and this will be evident by the procedure that is being prepared for the Trap Nationals in April.

Overall, the manual system may have finished ahead over the carnival. However the computer is now in full training and will be a force to be reckoned with from now on. Particularly in Victoria, where the V.C.T.A. has been converted.

EVENT ONE: CITY OF MELBOURNE SKEET CHAMPIONSHIP

With competitors totalling 156 for this event, the stage was set for a magnificent introduction to the Championships.

Despite the rain, which by now was coming down heavily, the shooting was of a high standard. After a prolonged shoot-off, John Summers emerged the overall winner with 162/162 from a very determined Mervyn Hass of Toowoomba who recorded a very meritorious 161/162.

Best lady in the event was Maree Rooke from Wagga who returned a 49/50, Junior Mark Old, Melbourne who shot very well for his 47/50 and the Veteran shooting in fine style, Ray Melville of Tamworth with a 50/50.

All shooters appreciated the fact that the rain was a problem; however, John Summers was certainly not complaining.

The Melbourne Gun Club are to be congratulated for the quality of trophies they awarded to all grade winners. Well done Melbourne Gun Club and President Bob Buchan.

EVENT TWO: NATIONAL SKEET CARNIVAL CHAMPIONSHIP

Again, entries exceeded the 150 nominations, only just with 151, however sufficient in quantity and quality to produce some good shooting.

The weather showing slight improvement again did not enhance the shooting, but there were many good performances, none better than Adrian Cousens, Melbourne, who recorded a magnificent 118/118 to edge out John Summers in a shoot-off. John, although shooting consistently, missed and was left on 117/118 with Mervyn Hass continuing his good form with a consistent 111/112.

Best lady, Carol Ogden from Melbourne was out to do well on 48/50, Mark Old was again the best Junior with a fine effort of 46/50 and Alf Najar from Wakehurst was the winner of the Veterans with a well-shot 47/50.

EVENT THREE: AUSTRALASIAN SKEET CHAMPIONSHIP

Again, 151 entries, with shooters from all States competing. All eyes however were on the eventual winner, Adrian Cousens, who looked as though he couldn't miss, and neither he did for 127/127 was enough to defeat

another good competitor in Rob Dower from S.A.G.C. who shot a 126/127.

All grades were keenly contested with good scores being consistently recorded.

Best Lady, again, was Carol Ogden with a 48/50 and determined to do better. The Juniors trophy was won by Mark Old who shot well for his 47/50 and that old campaigner Ray Melville was there again to take out the Veterans with a 62/62.

EVENT FOUR: ALL STATES SKEET CHAMPIONSHIP

The man who could do no wrong, Adrian Cousens, was again the focal point, for as fast as they let them go he shot them down. Adrian who was trying not to show the strain that he was obviously feeling never let himself down and was well on the way to recording a magnificent championships result.

Even though he was shooting well, Adrian certainly did not have things all his own way. Jim Briggs from Hobart was pushing the event right out and at 136/137 the Championship was decided with Adrian Cousens shooting 137/137.

With the risk of repetition, Carol Ogden shot a magnificent 57/58 to record her third win over the carnival. Thomas Weis from Darwin took out the Juniors award with his 49/50 and our New Zealand visitor, genial E. McRae, was the best Veteran with his 49/50.

EVENT FIVE: COMMONWEALTH SKEET CHAMPIONSHIP

Entries again over the 150 with a total number of 159 shooting.

Good shooting in all grades was producing the good scores that competitors were looking for.

Shoot-offs decided all grades with Reg Clarke from N.S.W. taking out the event with 162/162 from Adrian Cousens who finally missed one after shooting a new skeet National Break of 518.

Reg Clarke, an experienced shooter by any standard, showed that he was certainly not lacking in temperament and kept the pressure on for what appeared to be an eternity.

An excellent effort from the winner who defeated a shooter who was really in form.

Carol Ogden continued her form to record a well-shot 97/100 with Thomas Weis from Darwin recording 92/100 for the Junior and Ray Melville again the best Veteran with 98/100.

The overall trophy donated by Olimpyc Targets was well appreciated by the winner and indeed all shooters.

EVENT SIX: 16th AUSTRALIAN SKEET CHAMPIONSHIPS

The premier event, after shooting so well for three days, Adrian Cousens was the man to beat.

Displaying all of his undoubted skill, Adrian was the eventual championship winner with the Ladies, Junior, Veterans Double being taken out by Carol Ogden, Thomas Weis and Ray Melville respectively.

Olimpyc Targets provided a magnificent trophy to the overall winners and the support given the A.C.T.A. by Sergio Zuffo and his Company is very much appreciated.

Some great performances: Carol Ogden, winning five of six events — Lady; Mark Old, winning three events — Junior; Thomas Weis, winning three events — Junior; Ray Melville, winning four of six events — Veteran; Adrian Cousens, winning four of six events — Open; Adrian Cousens, Australian Skeet Break Record — 518; State Shoulder to Shoulder — Queensland — 247-250.

As always, space does not allow the recording of the many other notable achievements recorded at this most successful of National Skeet Championships. Many names

have been mentioned, many have not. To those whose efforts have not been recognised the shooters who competed know who you are and will certainly alert others to your skill.

All results from the 1985 National Skeet Championships are published separately in this issue of the C.T.S.N. and we thank you for playing your part in 1985.

WAGGA, N.S.W. 1986

Alan J. Maher, Executive Director

● The High Gun Parade: Thomas Weis, Junior; Adrian Cousins, Overall; Carol Ogden, Ladies; and Ray Melville, Veteran Division.

● 1985 Commonwealth Skeet Champion Reg Clarke is presented with his trophy from major sponsor Sergio Zuffo of Olimpyc Targets.

● Victorious Queenslanders (watch for next month's front cover) in the State Shoulder to Shoulder Match.

● Adrian Cousins displays the trophy of the Australian Skeet Record Break. Once again Adrian's name shall appear for his magnificent break of 518, a new record.

● Familiar winners of the Two Man Teams event conducted over the 400T. Adrian Cousins and John Summers.

More photos over page.

• Yes, they are as crazy as they look. The Melbourne Gun Club team members display themselves as well as the trophies as winners of the Club Five Man Teams event.

• National President Roy Holtfreter presents Adrian with the A. & E. Pederson Perpetual Trophy as winner of the 16th National Skeet Championship.

WORLD CHAMPIONSHIPS — JUNIOR FUND

I am pleased to advise that a grant of \$1000 has been made to a fund designed to have juniors representing our sport compete at World Championships.

Subject to juniors fulfilling a selection criteria determined from time to time by the International Shooting Committee, it is envisaged that two junior teams would be selected to attend World Championships which are held every second year.

Should you wish to subscribe to the Fund which has commenced with a \$1000 grant from the Australian Clay Target Association, I am certain that it would be appreciated by our junior shooters.

All donations to the fund will be recognised in the C.T.S.N.

Alan J. Maher

The Executive Director
A.C.T.A.

PO Box 198,
Blackburn, Vic. 3130.

Please find enclosed a donation of \$.....
towards the World Championships Junior Fund.

Signed:

I do/do not wish my donation to be published in the
CTSN.

AUSTRALIAN TEAM UNIFORM

I would like to draw your attention to the following motion that was approved at the recent Executive Committee Meeting.

"Registered A.C.T.A. Members not be allowed to wear clothing that could be seen as being part or all, of an Australian Team Uniform, provided for the exclusive use of persons selected or chosen to represent their country in International Competition."

Your co-operation in this area would be appreciated. It goes without saying, that should any persons wear attire that gives an indication that they have represented their country when they have not, then they are fooling "themselves".

OUR HISTORY IN WORDS & PICTURES

By George Biggs — ACTA Historian

CHAMPION OF CHAMPIONS CUP WINNERS, EARLIER DAYS

Frequently we hear questions asked as to who were the previous winners of our prestigious title, the Champion of Champions cup, and also who in the past has been the High Gun in the International match for Australia. Delving through the archives it is interesting to note the names, several of whom recur in both events over the years.

The Champion of Champions cup was first mooted in 1936 (this was the year we became a National Association). Following the donation of a handsome sterling silver Champion of Champions cup by the world champion shot Donald Mackintosh, the cup was won in the year of inauguration by Horrie James, then manager for the gunsmithing firm of Donald Mackintosh.

Very little information is available concerning the conditions of championship shooting in the years prior to World War 2. We do know however that championships were shot from lane 3, each competitor shooting five targets from this position on several visits to a single trap. The event itself was a one-day program and attracted a field of some 35 to 40 competitors, mostly local shooters.

This was a pattern that remained until 1948. In 1937 the event was won by Len Bertram, a stalwart of the sport in its initial stages in Victoria. He won the event on the 77th round. A feature of the event was that he was shooting with an ancient Leo Mills gun that he had paid £7.10 (\$9) for.

The following year 1938 W.N. Lancaster of Mildura was the winner. Lancaster was only declared winner after a protest had been lodged and dismissed. His score was 47/50 on both occasions. Horrie Donelly of Melbourne was the 1941 winner. His score was 52/60. Donelly won again in 1948 with a score of 49/50 under the most vile conditions.

It was the last occasion that the event was shot in Victoria on Kings Birthday weekend. The day was

Nationals at Tottenham Victoria 1961. Winners of Club Teams Championship the "Eastern States" team. Frank Johnson, Vic; Sperry and Paul Marshall, Tas; Bill Turner, Qld.

Frank Johnson was 1954 International High Gun, score 99/100. Sperry Marshall was 1955 and 1958 Champion of Champions with a score of 75/75 and 90/90 respectively. Paul was also two-times winner of the title in 1959 with a score of 90/90 and in 1968 with 92/92. Sperry in 1974 and 1975 also took out High Gun honours in the international teams match with scores of 320/321 and 299/300 points.

Fred Burns, right, 1955 High Gun International Team winner with score of 99/100. Fred was also a three-times winner of the Champion of Champions title in 1939 score 49/50, 1949 score 60/60, 1952 score 60/60. Picture shows Fred being congratulated by the 1951 winner George Biggs.

F29/1185

described as the vilest in the history of the event. The venue was the Coburg Gun Club at North Coburg. After the 1947 series the event was switched to the March period which has proved so satisfactory ever since. The event was also transferred to the newly established grounds of the Nobel and Blackburn Gun Club which later became known as the Australian Gun Club at East Burwood, where a three-trap field layout was available. The program was also increased to cover two days of the Labor Day weekend.

In 1950 Jack McCraith won the Champ of Champions with a score of 59/60.

In 1951 George Biggs and Neville Bassett, Qld tied with a possible 50/50. Both shot on, Biggs finally winning with a score of 69/70.

1952 saw Fred Burns the winner with a score of 60/60.

Newton Thomas took out his first Champion of Champions title in 1953, the score 55/55.

1954 was Allan Quinton's year to take home the cup. Allan withstood a strong challenge from Newton Thomas to run out the winner, his score being 55/55.

Sperry Marshall of Hobart was the winner of the 1955 title with a brilliant 75/75, whilst the 1956 winner was Clem Mudford of Preston Vic. Clem's score was 94/95.

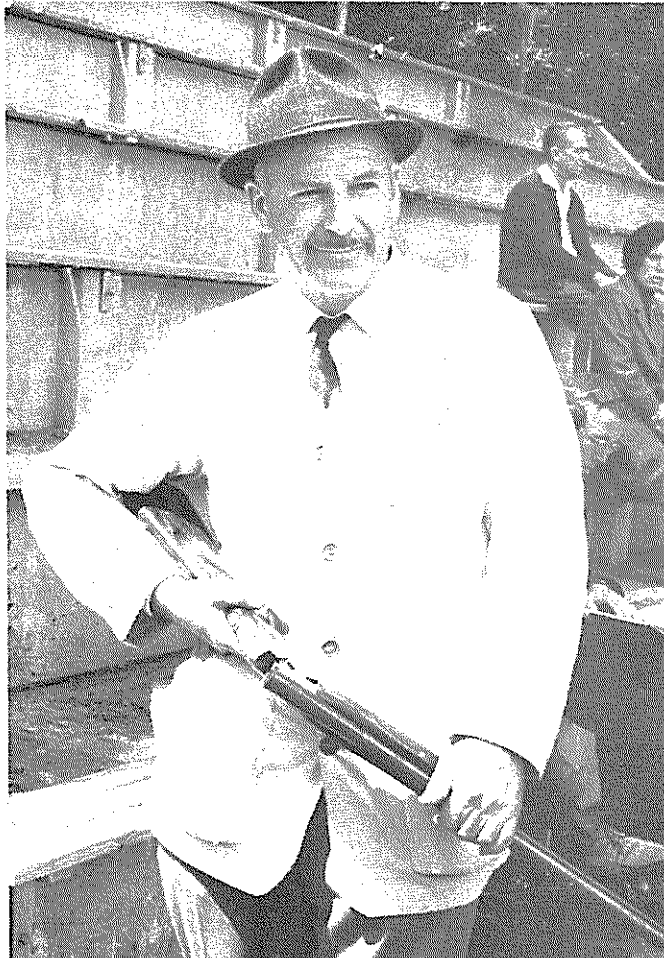

The National Championships were shot at Bankstown Sydney in 1956, the first occasion outside Victoria.

The following year, 1957, saw the tournament staged at South Coast Gun Club, Southport, Queensland, for the first time on this occasion. The winner was N.S.W. shooter R. Faunt with a score of 84/85.

1939 saw the start of the now famous international match, when the competing teams were England, Ireland, Scotland, Wales and Australia — Australia really appearing for the first time. The home countries had established the international many years earlier.

The opening match in 1939 was shot on the old Benteleigh ground of the Victorian Clay Target Club. The ultimate High Gun for the match went to Eastern Hill fireman Athol Love. Love mentioned as he was coming up for the

120th round that his legs were getting "rubbery" and he did not think he could go another round of five targets. However he came out the winner on the 125th round. The international series then finished for the duration of the war and were not resumed until 1948.

Australia's representative Bill Delaney at the 39th World Shooting championships 1966 Wiesbaden Germany, where he shot both Trench and Skeet.

Bill first took up shooting Clay Targets in 1930 at the age of 10 years at the Old Benteleigh Gun Club grounds which later merged with Nobel Club at Tottenham. Today he is a member of Melbourne Gun Club and is still shooting Clay Targets 55 years later. He must surely qualify as one of Australia's longest shooting shooters.

He began shooting skeet in 1966 and was the first shooter to shoot a 100 straight break at skeet at the Australian Gun Club grounds in 1967.

In 1971 and 1976 Bill organised the first teams of Australian Trench and Skeet shooters to visit Singapore for the Festa Sukan Games. On each occasion Bill captained the teams who were successful in winning Gold, Silver and Bronze.

Bill Delaney was one of a small group of shooters who were responsible for American-style skeet being accepted for competition. Prior to this point we shot an English version of 21 targets per round. This change took place during the early 1950s.

VALE

Members extend their sympathy to President Bob Rossiter and family at the passing of wife and mother Ruby. Her kindly smile and little chats with lady visitors will be greatly missed.

A.C. Thiselton

Page 9

In 1938 these four shooters won the World Championship at Monte Carlo in France, shooting a combined score of 95/100 pigeons from 30 yards. This was acclaimed at the time as an unbelievable feat, as to shoot 22/25 won most individual single World Championships. This was the first time an Australian Team shot overseas and in Australia these four shooters won almost every Championship before them over 20 years. They have all passed on.

On Donald McIntosh's 80th birthday he came to Coburg Club on invitation and we had the Scottish Regiment there. Donald McIntosh told me as President he could put 100 score on the board. In those days you got a red disc for a kill and a white one for a miss. He shot his first one, then pointed his gun elsewhere and got two white ones, giving him 100.

I am indebted to Jack McCraith for his contribution to the history of our sport — Clay Target Shooting.

EXECUTIVE COMMITTEE REPORT

A meeting of the Executive Committee took place in Melbourne on Monday November 18.

The large amount of items on the Agenda ensured that the meeting, chaired by National President, Mr Roy Holtfreter, was a busy one.

In order to provide as much information as possible the following discussion points have been summarised:

NOMINATIONS

The Executive Committee would be in order should they at any time, under rule 26(e)m refuse any entry, at any tournament, competition or event conducted under the auspices of the A.C.T.A.

NATIONALS SQUADS

Squads to be determined by the Nationals Office. Shooters will not be able to arrange or have their squads organised to suit their own personal requirements.

CONSTITUTIONAL

The present requirement of two (2) weeks notice to present a constitutional change to the annual meeting will be altered to twelve (12) weeks should a recommendation to the annual meeting be approved.

INTERNATIONAL

Attempts are being made to become an affiliated member of the Asian Clay Pigeon Shooting Federation.

NATIONAL SKEET VENUE

1986 — Wagga — N.S.W.C.T.A.
1987 — Perth — W.A.C.T.A. 29/10 - 1/11
1988 — Brisbane — Q.C.T.A.

CONSTITUTIONAL

A recommendation will be made to the Annual meeting to require clubs to become and remain a member of their respective State body.

INSURANCE

Public Liability policy to be increased from \$1m to \$2m.

INTERNATIONAL UNIFORM

To eliminate the problem of shooters wearing clothing that could indicate they were, or had been, members of an International team, it was decided to produce a distinctive cloth badge for exclusive use of members of selected representative teams competing at International levels.

NATIONAL I.S.U. VENUE

1986 — N.S.W.C.T.A.
1987 — W.A. 28/2/87 - 3/3/87

WORLD CHAMPIONSHIPS

A decision was made to commence a fund for assisting with juniors attending World Championships.

SPONSORSHIP

Sponsorship will be sought to underwrite each individual National Championship.

REFEREES

Qualified referees will receive a card detailing referees' guidelines when renewing their annual membership. The card is designed to fit the registration card holder and has been produced by the V.C.T.A. A large poster size guideline has been made available to all clubs for display in a prominent position.

LEGAL STATUS

A recommendation will be placed before the annual meeting to alter the legal status of the Association to that of an incorporated body.

REGISTRATIONS

Club team events at future Nationals will be restricted to the formation of teams whose members are all affiliated with the A.C.T.A. with the same club.

CLUB REGISTRATIONS

Once registered with the A.C.T.A., no alterations will occur that would change the club status of any shooter, within the respective calendar year.

BENTLEY WINS BALL TRAP COMPETITION

Members of the Far West Gun Club have had a busy few weeks installing a ball trap layout in readiness for their September two day shoot carnival.

The first ball trap competition was sponsored by Essanda Finance.

• A view inside the Clubrooms showing the trophy table with trophies as sponsored by Essanda Finance.

This was held on Saturday, September 21.

Mr Mike Miller, manager of the ANZ Bank, Ceduna, expressed his pleasure in presenting trophies on behalf of Essanda Finance.

A perpetual Cup in honour of the late Kym Parker, donated by Fred and Val Parker was presented to Craig Bentley who was the overall winner for the two days with a score of 201 out of 210.

Craig said he was honoured to win this coveted trophy and would be back next year to try again.

• Fred Parker (left) presents the Kym Parker Memorial Trophy to the High Gun winner over the two days Craig Bentley. Kym was President of the Gun Club at the time of his death.

Competition was keen and attracted shooters from all parts of the West Coast including Port Pirie.

A problem occurred on the Saturday when the Pistol Club began their rapid fire practice on the range adjoining the Gun Club.

The report from the pistols triggered the electronic equipment of the ball trap causing the trap to fire at the wrong time making it a hair-raising situation for both shooters and the trapper boys.

Thanks are extended to the Pistol Club members for

abandoning their practice and allowing shooters to continue with their competition.

The first event for the day was a five target eye-opener. Five shooters shot the possible.

They were J. Innes, D. Lymn, G. Docking, R. Bisi and G. Worden.

Event 2: First 25 targets of 100 target ball trap:

Winners were: A Grade — 1st C. Bentley 24, 2nd G. Worden 38 out of 45 after a shoot off with S. Edmonds 36 out of 45; B. Grade — 1st R. Bisi 22, 2nd T. Heard 21; C Grade — 1st J. Innes 21, 2nd G. Docking 18.

Event 3 — Second 25 targets:

• Craig Bentley (right) winner of the Ball Trap event pictured with Mike Miller, Manager of the ANZ Bank at Ceduna. Mike presented the trophies on behalf of Essanda Finance.

A Grade 1st C. Bentley 25, 2nd G. Worden 32 out of 35 after a shoot off with D. Lymn 29 out of 35; B Grade — 1st — A. Suter 22, 2nd T. Heard 28 out of 35 after a shoot off with R. Bisi 26 out of 35; C Grade — 1st — T. Woods 20, 2nd J. Innes 18.

Event 4 — Last 50 targets:

A Grade — 1st C. Bentley 46, 2nd G. Worden 45; B Grade — 1st A Suter 45, 2nd R. Bisi 43; C. Grade — 1st T Woods 42, 2nd G. Docking 40.

Overall High Gun for Ball Trap: A Grade — C. Bentley 99 out of 105, runner-up G. Worden with 92 out of 105; B Grade — R. Bisi 99 out of 115 after a shoot off with A. Suter 96 out of 115; C. Grade — J. Innes 79 out of 105, runner-up G. Docking with 77.

Overall winner for the day was Craig Bentley.

After accepting his trophy Craig praised the ball trap set-up and said it is among the best in S.A.

Sunday, September 22, Event 1: 5 Target Eye-opener.

Nine shooters shot the possible, being T. Dipaola, G. Bollen, L. Moia, C. Bentley, D. Lymn, B. Pobke, B. Thomas, J. Innes and G. Docking.

Event 2: First 50 targets of 100 Double-Barrel competition:

A Grade — 1st D. Lymn 50, 2nd B. Thomas 49; B Grade — 1st T. Woods 50 out of 55 after a shoot off with A. Suter 49 out of 55; C Grade — 1st B. Pobke 41, 2nd J. Innes 40.

Event 3: Second 50 targets:

A Grade — 1st C. Bentley 49, 2nd D. Lymn 49 out of 53 after a shoot off with B. Thomas 48 out of 53; B Grade — 1st T. Heard 47, 2nd T. Dipaola 54 out of 58 after a shoot off with G. Docking 53 out of 58; C Grade — 1st T. Sinclair 42 out of 53 after a shoot off with J. Curtis 41 out of 53.

Overall winners for the 100 targets were:

A Grade — C. Bentley 97, B. Grade — A. Suter 83, C Grade — B. Pobke 78.

Ladies' trophy on this 100 target event was won by Joy Curtis of Port Lincoln with a score of 72.

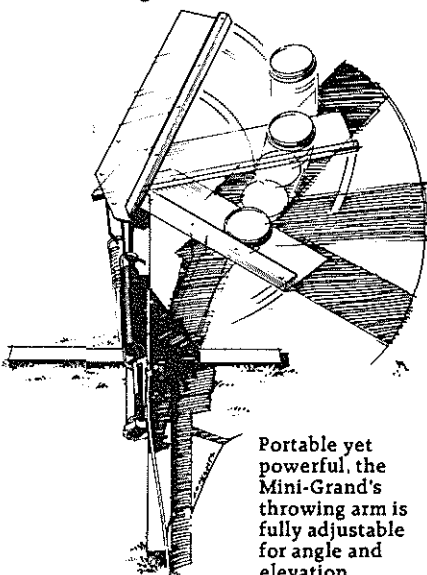

The local shooter high gun was won by Alan Suter of Highway 1 Motel, with a score of 181-210.

For full portability, plus full-sized performance, you couldn't ask for more than the Mini Grand. But then, the Good Ol' Boys at Outers wouldn't offer you anything less.

You can enjoy breaking clay birds all alone, almost anywhere. It's compact and weighs only 11 lbs., yet it throws singles and doubles with the best. You get the same distance, speed and spiral of an electric trap. The throwing arm is fully adjustable for angle and elevation. And the spring adjustment is quick and easy. So the Mini Grand can challenge even some full-sized, stationary traps.

You ought to hurry down to your Outers dealer and pick up a Mini Grand today. Because with so much going for it, this is one portable trap that won't sit still for long.

Portable yet powerful, the Mini-Grand's throwing arm is fully adjustable for angle and elevation.

ILLAWARRA ISU OPENING

October 19 & 20 the place to be was Illawarra Gun Club to participate in the official opening shoot for the new ISU facilities. Just over fifty competitors total for trap and skeet battled for a slice of the trophies — the best selection offered for ISU competition in Australia. Our apologies go to the Victorian shooters who we would have liked to see at this competition. To set the record straight the date selection was done after consultation with a member of the Vic ISU Committee, and after his confirmation that the dates were free in Victoria we programmed the opening shoot — the rest is history — let's hope history does not repeat itself!

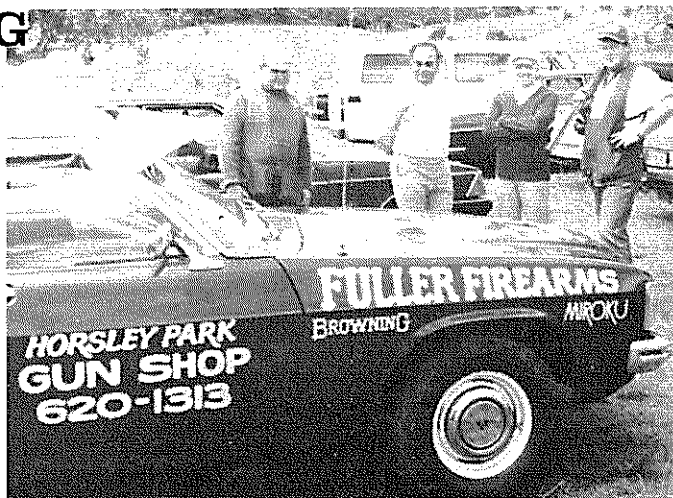

The shoot; Saturday-trap: The weather was a little cold but Kevin Perkins wasted no time in warming up the competition with a first up 25. After 50t Perkins was still in front but in hot pursuit was Victor Burgess. At 100 it was Kevin Perkins on 96 tied with John Maxwell (the last 50 straight made his score respectable), Victor Burgess and John Fryer were next, followed by Cliff Bailey and Terry Rumbel.

• Kevin Perkins — 2nd overall, disappointed but a great effort in his first major 200T competition in ISU Shooting.

• Cliff Bailey — 3rd overall.

• The car park discussion — featuring the Southern Zone Mean Machine.

Sunday: The weather had improved but some problems early! Maybe the Saturday night dinner party was taking its toll. At 150 Kevin Perkins was still in front followed by Cliff Bailey, Victor Burgess and John Maxwell. The last round saw an interesting battle with Maxwell/Bailey/Perkins all able to win outright. 24s for Maxwell and Perkins put them in a shoot off for the gun while Cliff Bailey's 22 gave him 3rd overall. After a clean shoot off round John Maxwell took the overall and Kevin Perkins with 23 filled second place.

Results Trench: 1st O/A John Maxwell 188+25, 2nd Kevin Perkins 188+23, 3rd Cliff Bailey 186. 1st AA grade AM Burgess 182, 2nd Terry Rumbel 181, 1st A grade V. Burgess 184, 2nd John Fryer 182. 1st B grade G. Webster 164, 2nd V. Elliott 159. C grade 1st D. Anton 154, 2nd D. O'Brien 151. Juniors C. Tilley and P. Schwarz.

Skeet: Only a small field but the presence of John Woolley made sure the skeeties would have to work hard. Even John had some trouble and did not card a 25 until the 7th round. His last 50 straight to finish on 187 saw him take out the overall SKB Gun. Others to card 25s and prove

• John Maxwell being presented with an SKB Gun by Norm Mills of DW Custers (Aust. importing agent for SKB Guns).

that it really can be done were Len Norman, Brian Prosser and Mike (snake) Banacek. Now that you have proved the targets are ok; the rest is up to you skeeties — it's there to be used. 1st O/A John Woolley 187/200, A grade Brian Prosser 176, B grade Bob Kennett 158, C grade Steve Subonj 137.

To the sponsors and workers THANKS on behalf of the shooters. Anyone associated with this shoot should be congratulated as it was run exceptionally well in keeping with the high standard of the club. The next big one is the Commonwealth ISU Championships on March 29 & 30, 1986. Keep these days free. Once again we will line up the trophies, all we need to continue with this approach is support from the shooters — see you there!

• John Woolley and Bob Kennett during the Skeet Competition.

• John Woolley being presented with his SKB Gun by John Maxwell on behalf of DW Custer & SKB Firearms.

NSWCTA BULLETIN

NOISE POLLUTION ACT

I have mentioned this in a previous issue and, because of the extreme urgency, I mention it again.

The Noise Pollution Act is to be phased in during the current year and could very easily close some clubs up from operating — this is the most dangerous Act that has emanated from any Government and our only chance to get it repealed is a political one.

We have appealed at State Level — we have asked all clubs to appeal at Club level (to date — only four have done so). We have 2650 members in NSW so I am now asking each one you — **YES YOU** — to write to your local member requesting that gun clubs be exempted from the provisions of the Act. If every person writes we just may obtain a satisfactory result. Because of the safety factor we are always situated a reasonable distance from residences and I can see no way we can create any degree of noise pollution.

This may be your last chance to protect your sport and relaxation so — **WRITE NOW.**

ZONE COACHING

We wish to bring to the attention of all Clubs that the State Association have a video camera — this camera is in the possession of the State Coach and is available for use by all Zone Coaches on request.

If any Club or Clubs wish to avail themselves of this facility — contact your Zone Coach and he can assist you.

BIRDIES PROVERB

"Progress is like a wheelbarrow, If you don't keep pushing — it stops".

STATE EXECUTIVE MEETINGS

State Executive Meetings are held in February, July, October (State Carnival), and November.

This notification is given so that Club Committees may discuss any problem and bring it forward through their respective zone to the State at a convenient meeting. I suggest that Club Secretaries make a note of these dates.

NATIONALS '86

The Nationals '86 are fast approaching — I would suggest that any person considering attending should reserve their accommodation urgently. The venue is EchUCA on the Murray and should be a "Fun Nationals".

MEMBERSHIP

January 1986 — the start of a new year — What can we expect? I believe that the year ahead will not be an easy one and each one of us will have our "highs" and "lows".

We, as an Association, must look to "new members" as this is our very life blood. Without new members to replace the ones leaving our ranks — we are doomed. This is a Club "must" as the Club structure is the very basis of our existence. The Club can live without us but we cannot live without them — for this reason I am making a personal appeal to every shooter to try and introduce just one person to take up shooting. What a marvellous 1986 it would be if we could double our membership; some may say "impossible" — but is it? Each one of you sit down and think "who is interested in a challenge?" — and have a talk to them and take them to a learner shoot. Time will tell just how effective you have acted — so "It's Time".

A THOUGHT

"An Average Man Wants Fair Shooting — With himself refereeing".

GOOD SHOOTING,

(Len Bird)

WINCHESTER

CALLIDE-DAWSON TWO-DAY ANNUAL SHOOT

16th-17th November, 1985

The C.D.C.T.C. Annual Shoot was held on the 3rd weekend in November, this weekend to our club, as is to other clubs, the most important in the yearly calendar. A success it was. To all the visitors from Gladstone, Central Burnett, Bundaberg, Mungungo, Rockhampton, Gemfields, Condamine and Grafton, thank you for your support, we hope you enjoyed yourselves and arrived home safely.

The two-days got off to a fine and hot start at 12 noon on Saturday, the weather enhanced the well prepared grounds, the new club house and the club's reputation for good conditions.

• Time to relax: R. Woodward, sponsor Laird McAllister and Secretary Ashley Stafford.

A 5 target eye-opener gave everybody a chance to get into a routine ready to face the rest of the day. The 2nd event, 25T D.B. Pts C'ship saw local shooter Bruce Goodrich continue to show his form with a 74/75 score to take O/A and 'A' grade, other grade scores were high, so top scores seemed to set the pace for all to follow. The 10 Pr D/Rise event shook a few feathers, but Alan Mikkelsen shot 18/20 to lead the field. Kevin Ryan and Desley Ryan shot well to take junior and ladies overall respectively.

The kitchen thought they would show-off, and presented a superb meal for everyone who stayed for the calcutta. With the meal over, auctioneer Bill Hamilton lured prospective buyers into financial ruin and yodelled through a successful calcutta. With the finality of the calcutta many people retired with only the strongest surviving.

On day two we attempted an 8.30 am start, with the majority of shooters rolling up, the straggling, well they may have been suffering the "fosters blues".

On the 1st event every shooter was given another look at

• D. Auger presents Desley Ryan her trophy, O/A Ladies' 10Pr. Double Rise.

• Rick Hannah presents the RH Perpetual Trophy to Rose Mylrea.

5 more dinner plates.

The 2nd event for the day, 25T S.B. C'ship gave our president Ross Mylrea a chance to reconsider his shooting habits, after just purchasing a Miroku and being banished from the Winchester club, he scored a perfect result 25/25. Ashley Stafford and Bevan Goody shot off for 'C' grade and with the slip of a target, Bevan relinquished the trophy. Junior shooter David Goodrich won the Grevell single barrel junior perpetual plaque, 23/25.

Event 6, 25 D.B. C'ship witnessed excellent shooting and the largest shoot off for the weekend, 10 shooters lined up for the 'B' grade trophy with J. Rigg eventual winner 49/50.

The last event, the Blue Dot 30 Target H'cap event was

waterfowl 32"

Designed especially for the high flyers and distant shots the 32" Waterfowl 101 is equipped with Winchokes for greater versatility. Also available 30" barrel version.

WDOA 16910

WINCHESTER

won by Mungungo club shooter K. Goody 30/30 after a shoot off with fellow Mungungo member J. Cahill.

After a weekend of consistent shooting Rob Rehbein won the O/A H'gun 175/185. The Intermediate H'gun was won by John Cahill, destined for 'A' grade, 174/185. The Rehbeins struck again with Kaye winning the ladies H'gun 152/185 and Paul taking the junior H'gun 171/185.

• B. Goodrich, D. Goodrich and R. Mylrea.

“CALROSSIE” by John Monk

When you've instructed and inspired some of the finest exponents in the country — then you can say you are really a champion!

This is true of the great “Calrossie” whose real name was Jack Sutherland, a gentlemanly character of small stature whose shooting ability was great.

Jack Sutherland was 89 years of age when he died after a short illness. He had remained at the peak of shooting for 50 years.

In March, 1948 he emerged from retirement at 69 years of age to win his 104th championship and second Commonwealth galah championship. He had stopped shooting for seven years previous to this win, and had not had a lot of practice in the year before the event.

Jack Sutherland had won championships in Italy, France and England, and had also competed at Monte Carlo, which was the top venue in trapshooting when the sport was at its peak in 1928.

He set a world record of 128 birds straight in one competition.

Strangely enough Jack Sutherland, in his shooting days, wore spectacles when working in his office, as also did Newton Thomas. Calrossie discarded his when he was shooting, while Newton changed his for others which gave him better vision at long range. So if any shooter feels he is handicapped by not being blessed with perfect sight, these two great champions should give him new heart!

Calrossie took his shooting name from the town in South Gippsland in which he managed a creamery, and he used to enjoy the anonymity it gave him with the general public.

Newton Thomas bought a Greener side-by-side pigeon-grade gun with which Jack Sutherland shot during his competition days, and I fired a few shots from this gun from time to time. It was a heavy, beautiful gun, and bored full-choke in both barrels.

Both Newton Thomas and Fred Burns were proud to have been taken under the wing of the great Calrossie, and both admired him above all other shooters.

The Rick Hannan perpetual trophy was won by Ross Mylrea 174/185.

Next year a bigger, better 2 day shoot, see you there.

• O/A High Gun winner, Rob Rehbein, being presented with his trophy by sponsor T. McArthy.

AROUND THE TRAPS

Saturday November 2, 1985

St Arnaud Gun Club was the venue for the North West Zone Annual General Meeting. Good or bad, the club is situated a stone's throw from the Woolpack Hotel. It was good for the club this day as the meeting was held at the Hotel, commencing at 10 a.m. A 50 target medley Graded Championship was organised for those interested, in the afternoon at the club. The meeting was well attended by clubs. After elections the following made up the North West Zone Council. John Clark, President; Jim Shepherd, Secretary Treasurer; Jim Gawith, Russ Young and Laurie Connors. Jim Taylor, who has been on the Council for several years, did not seek re-election. However Jim has continued as Public Relations Officer for the Zone. Delegates to the State Association are Jim Shepherd, John Clark and Laurie Connors. All reports were circulated to clubs in writing, well before the meeting, for perusal. The Treasurer's report showed the Zone Council in a sound financial position, with \$5,500 to its credit. A good year of activity was experienced within the Zone for 1985, and it is anticipated 1986 will continue in the same vein. Thanks is extended to the St Arnaud Gun Club and the Woolpack Hotel for their hospitality. It was well done and greatly appreciated.

• Right: Mark Little congratulates John McVitty on winning the medley championship sponsored by the Royal Hotel of St. Arnaud.

At the shoot that followed the meeting, John McVitty won "A" Grade and Overall 67/70. "B" Grade went to David Bertalli 66/70, with "C" Grade going to Mark McSparrow 64/70. The Championship was sponsored by the Royal Hotel in St Arnaud. One of our top international shooters in days gone by, Mark Little, runs this hotel, along with his family. Great to see Mark is still involved with our shooting.

Saturday November 9, 1985

Melbourne Gun Club conducted a Testimonial Shoot for well-known shooter and administrator of our sport, George Biggs. It was well attended by many of his old and new shooting mates, who turned up to compliment him on his involvement and interest in the development of our sport

over the years. I took the opportunity to talk with George and compile a little of his history.

I found George's interest in clay target shooting began right after World War 2 in 1945 when he was invited to join the old Coburg Gun Club, situated on the banks of the Merrie Creek behind Pentridge Prison at North Coburg. This club was the forerunner of what is now the Metropolitan Gun Club. Prior to this time George had been involved in rifle and pistol shooting.

In 1947 he accepted a position with the old established Melbourne sporting goods firm of Hartleys Ltd, as manager of their firearms, archery and camping department. During ten years with Hartleys he became greatly involved in shotgunning and clay target shooting Australia-wide. It was here George learned a great deal about guns and ammunition and how to use them.

Apart from serving on several gun club committees, George was also President of the Australian Gun Club at Burwood for a period of eight years. Several National Championships were held on this ground before they became rotated around the states.

In recent years he has become much more involved with the instruction and coaching side of our sport. He finds this work very rewarding as it allows him to put to work the vast amount of experience and knowledge he has acquired over the years.

Recently he wrote and published the first Australian book on the subject of shotgunning, namely "Trap and Skeet Shooting". From time to time he has also written articles for sporting magazines on shotgun shooting. At the moment George is heavily involved in the making of video films on shooting techniques.

George was also involved in submitting a plan to the A.C.T.A. to instigate a National Coaching system. This plan was later approved by the A.C.T.A. and put into action with the appointment of Newton Thomas as Director.

During his 40 years of continuous registration with the A.C.T.A. George has not at any time been non-active in clay shooting administration. His long list of responsibilities over the years include:

Victorian Official A.C.T.A. Referee Examiner appointed October 1948 and retired from the position 1983. During this period he held the position of rules supervisor for approximately 12 years.

In 1955 George was appointed to the handicapping board together with Luke Doyle, the A.C.T.A. Secretary co-opted, making a handicapping panel for the Association. This situation continued for several years until the card system was introduced.

George is currently Hunter safety accredited firearms instructor and examiner for the firearms consultative committee, Victoria, Australian National coaching council accredited level 2 coach, and A.C.T.A. official historian, a very time-consuming and responsible assignment, one that will be appreciated by all in the long term.

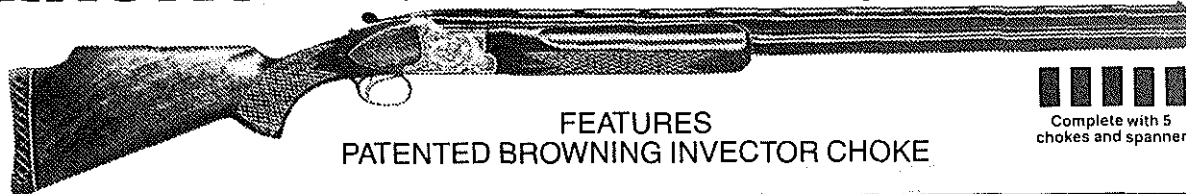

Major shooting achievements include the following:

Australian National Double Barrel Champion
Australian National Champion of Champions Cup
Australian National Skeet Champion.

George has won a total of 42 Commonwealth Championships, including double barrel, single barrel, mixed targets, double rise, walk-up and skeet, a total of approximately 450 titles including State, District and Club Championships.

● George Biggs enjoying the company of his long-time shooting mates at his testimonial shoot held in his honour at Melbourne Gun Club. From left: Bill Delaney, George Biggs, Les Mitchell and Tup Pedersen.

From 1957 to 1959 he worked with the firm of Donald Macintosh — one of Australia's oldest gunsmithing companies. George absorbed a great deal more knowledge about the art of gun fitting and gunsmithing from Mr Horace James, Australia's leading authority on both subjects, whilst working with this firm.

During 1960 he accepted a position with the Adelaide firearms manufacturing firm as Sales Manager for Victoria and Tasmania. This firm was the only company in Australia to manufacture sporting guns and rifles. This move was a further opportunity for George to gain further knowledge in the manufacturing side of firearms.

In 1967 he set up his own business as a firearms and ammunition dealer and shooting consultant. George continues in this capacity in a semi-retired way even today.

His administration involvement in the sport goes back to

almost the beginning of his first shot at clays, which was at the old Coburg Gun Club. George was elected on the committee of this club soon after joining. A year later he found himself elected to the A.C.T.A. Executive Committee where he served a term of 25 years under six Presidents, finally retiring from the position at Launceston in 1975.

He became the first Australian shooter to shoot 200 straight in skeet competition. He also held the skeet straight record on 215 for 4½ years before it was broken by Ian Hale.

George was the first shooter to reach the 27 yard handicap mark.

He has been a member of the Macintosh International Shooting team on 12 occasions and a member of the Australian International Skeet Team four times.

As well he visited the United States, shooting at the Grand American and other clubs.

He has visited New Zealand on several occasions, shooting at their National Championships.

His longest break without a miss at trap is 356 straight.

George, from all Australians, thanks for your personal contribution to our sport. Your efforts are appreciated and will long be remembered by all.

See you where there is shooting. **LAURIE CONNORS**

VALE

It is with deep regret that we of the Tamworth Gun Club (NSW) announce the sudden passing on August 15 of Lindsay Bull.

Lindsay was an extremely active member of our club and a great ambassador for the sport as he travelled extensively, locally and abroad.

Lindsay will be sadly missed by all his friends at the Tamworth Gun Club.

Sympathy is extended to his wife Masie and family.

Tamworth Gun Club.

PERAZZI

A champion gun built by champion gun makers with the most up-to-date know-how and high technology and modern advantages to make you as elevated as the gun itself.

If you are thinking of a new gun — IMMEDIATELY THINK:

PERAZZI from YOZZI

We have the best and also the expertise to recommend your requirements.

Doesn't this answer most of your questions?

"IF IN DOUBT PLEASE GIVE ME A SHOUT" SO THAT I MAY HEAR YOU. The tel. number is (09) 328 4981. For your convenience A.H. (09) 271 2766.

Large stock held at all times.

TONY YOZZI SPORTS

460 William Street, PERTH, WA 6000

Sole direct factory representative and distributor for West Australia for Perazzi firearms and ammunition — Saga ammunition — Kromson 240V electric clay target traps for clubs — American trap and skeet and for ISU trap — skeet & trench.

Also excellent 12 volt hand operated traps for simulated field shooting and/or personal use.

Latest illustrated coloured catalogues available.

Genuine trade enquiries welcome.

All enquiries and orders immediately attended to irrespective of state.

SOUTH WESTERN ZONE SCHOOLBOYS/SCHOOLGIRLS CHAMPIONSHIPS

Continue to Grow . . .

One Hundred and Forty-Five (145) students from Western District Secondary Schools assembled at the Noorat Gun Club on Thursday 31st. October, 1985, for the South Western Regional Schoolboys/Schoolgirls Championships.

The Shoot was officially opened by Mr. Roger Grant, Recreation Consultant from the Department of Youth, Sport and Recreation. Mr. Grant welcomed all students to the Shoot before firing the first shot of the day.

Shoot Marshal for the event was V.C.T.A. Council Member, Mr. Jack Matthey. Jack did an excellent job in keeping the Shoot moving throughout the day.

• Outright winner Jason Jolly 10/10 being presented with his sash by V.C.T.A. Council member Jack Matthey. Shoot organiser and State coaching director Harry Brooksby looks on.

One of the highlights during the day was the excellent behaviour of the students in attendance and credit must go to both the students and their teachers. At no time during the day was a gun safety rule broken, which also reflects back to the Gun Safety Programmes that are being taught in our Secondary Schools.

To organise a Shoot such as this does take time, but it is extremely rewarding to see so many students enjoying Target Shooting as one of their Sports Electives. The support given by those who attended reflects the great interest in Target Shooting.

The Warrnambool North Technical School would like to thank Mr. Tom Rogers and Papermate Pens for the excellent trophies donated to the winning students and teams.

We again thank Winchester Pty. Ltd., and Mr. Ray Lowry for their assistance with cartridges, Olympic Targets, and the Victorian Clay Target Association for the sashes and the 150th. Anniversary Certificates presented to all the students in attendance.

A special thanks must go to our ladies, Mrs. Margaret Haberfield, Isobel Chislett, Rita Harris and Helen Goldsmith for again taking on the task of feeding so many people.

**Harry M. Brooksby
ORGANISER**

RESULTS:

Senior Individual:

- 1st Jason Jolly — 10/10 — SEBASTOPOL TECHNICAL SCHOOL.
- 2nd Graham Kavanagh — 14/15 — WARRNAMBOOL NORTH TECHNICAL SCHOOL.
- 3rd Mark Brooksby — 17/20 — WARRNAMBOOL NORTH TECHNICAL SCHOOL.

Junior Individual:

- 1st Philip Grummett — 14/15 — TERANG HIGH SCHOOL.
- 2nd Neil Wombell — 12/15 — HAMILTON TECHNICAL SCHOOL.
- 3rd Michael O'Donohue — 20/25 — WARRNAMBOOL NORTH TECHNICAL SCHOOL.

Senior Team:

VICTORIAN I.S.U. CARNIVAL By Laurie Connors

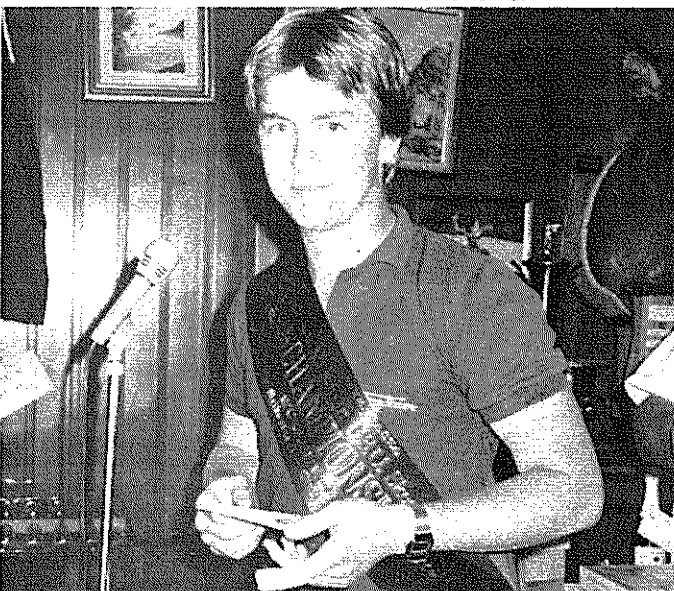

The Victorian Clay Target Association conducted their 1985 I.S.U. Carnival at Melbourne Gun Club on Saturday 23 and Sunday 24 November, 1985.

The Association, along with both Melbourne and Frankston Australia Gun Clubs, is trying to revitalise interest in this discipline of shooting.

Numbers entering trench and I.S.U. Skeet events have dropped off and this is concerning administrators. Even though entries were down on last year, competition was tough, particularly in the junior section. This in itself is a good sign.

A special effort by way of raffles is being conducted by the I.S.U. sub-committee in an endeavour to inject funds to assist in developing this area of our sport. As well, both Melbourne and Frankston Australia Gun Clubs have given assistance by making their facilities available to conduct State Training Squad Eliminations, and training camps. Let us hope we see improvement in attendance at the Carnival next year.

The results of the 1985 titles are as follows:

● Promising junior I.S.U. Skeet shooter Glen Clarke collecting "B" Grade in the Victorian ISU Skeet Championship.

● Left: Bill Iles, 1985 Victorian Olympic Trench Champion, and Ian Hale, 1985 Victorian ISU Skeet Champion.

ANNIVERSARY SHOOT — MONARTO CLAY TARGET CLUB INC. OCTOBER 26th-27th

Festivities began already on the Friday night with some of the visitors and locals dining out at the Murray Bridge and District Community Club with special guests for the weekend, Laurie and Agnes Connors. Many thanks to them for coming to our Club and helping to make our weekend the success that it was. A couple of our shooters' 'training food' is a little suspect (Port and home-brew), but in Phil O'Connell's case it certainly did not harm his shooting. However, for Fred, we are of the firm opinion that all his home brew does is add new hair to his chest.

Saturday morning dawned and the sun shone in a clear blue sky with just a hint of a breeze. For once we might be lucky enough to shoot in ideal conditions.

Sixty shooters from the following clubs — Alexandra, International, Horsham, Lake Albert, Robe, South Australian, Wilkawatt — along with the Monarto-ites, fronted up to the first event — the Clem Thomas Memorial 30 Mixed Target. Phil O'Connell won this event in fine style after a shoot-off, with a score of 59-60. The late Clem's wife Joan later presented Phil with the magnificent perpetual trophy, a champagne cooler on a wooden base.

The second event, the Monarto Plains Double Barrel Championship, shot in conjunction with the Monarto & District Team Shield Shoot, was again won with some fine shooting by Phil O'Connell, 80-81, from Phil Johncock with 79-81. Winning team was Monarto No. 1, shooting 120-125, with team members being Phil O'Connell, John Johansen, Graham Michell, Tony Rohrlach and Ken Jarvis.

Event 3 was the Packer's Agencies sponsored 25 tgt Point Score. One of clay target's gentleman shooters, Dick Ayres, shot the perfect 75-75 to win this event.

Nine lady shooters took part in the competition over the weekend and it was good to see that the first day's ladies trophies went to different shooters, Ruth Michell, Lynn Beelitz and Jill Rundle.

High Gun winner for Day 1 went to Tony Rohrlach, 147-150, Best Veteran Clarrie Copping 139-150 and Best Junior Roberto Marcoionni with 139-150.

The tea put on by the Club was certainly one to remember — roast lamb and pig on spits (complete with sparklers for effect), with hot vegetables and all the trimmings followed by fruit salad and ice cream washed down with a few wines or ales.

Dick Ayres very capably auctioned 'off' the shooters in the Calcutta which followed tea — a separate calcutta for the fellas and then one for the girls.

Hopefully everyone was going to bed early as 'daylight saving' was starting on Sunday morning, but we did notice a few tired-looking faces fronting up to the shoot next day. Luckily the weather 'held' all weekend to what we would describe as perfect conditions, for Monarto is known for its variable weather, particularly the wind.

Sunday: 84 shooters. Event 1 on Sunday saw John Johansen shooting 75-75 to win the Coca Cola Bottlers 25 target Point Score.

• Happy winners at Monarto: left to right, Bruce Wedd, Leighton Martin, Tony Rohrlach, Phil O'Connell, Dick Ayres and Lynn Beelitz.

Los Angeles Shotshells sponsored the 25 target Double Barrel Championship which was the second event and this was won by Leighton Martin with a score of 55-55. This event was shot in conjunction with the Shell Shield Team Shoot and this time the winning team, after a shoot-off, was Wilkawatt, winning over S.A.G.C. — team members this time being Peter Rundle, Lynton Schubert, Lynn Beelitz, Don Beelitz and John Ramke.

The last event over the two days was the Balhannah Classic 25 target Double Barrel Championship and this again was won by Leighton Martin shooting 58-58.

The individual Grade winners for the two days were Tony Rohrlach 269-275 in A Grade, Bruce Wedd 257-275 for B Grade and H. Laxton winning C Grade with a score of 227-275.

Dick Ayres presented Tony Rohrlach with the High Gun trophy for the two days, kindly donated by Winchester Australia. Ladies High Gun sash was presented to Lynn Beelitz who shot 216-275.

Many thanks to all who helped in any way to make this shoot such a success.

Ruth Michell, Publicity Officer

THE WORLD'S GOLDEN PIGEONS!

by John Monk

In actual fact, these pigeons are not gold in colour at all, but blue, whether blue-barred or blue-checked, but always blue. They are small, strong, fast, sinewy birds, at least one year old, and quite unpredictable as to flight and velocity. They are especially bred, quite extensively, in Spain, for pigeon shooting, and their breeders supply all the important pigeon shoots, though Portugal still uses its own species of pigeon.

The "golden" tag is found in the large purses offered for winning these shoots.

Author's Note:

I wrote this paragraph on February 16, 1965, when writing of the shooting exploits of one of our greatest shot-gunners, and one of our last remaining live-pigeon exponents. Pigeon shooting and all live-bird shooting from traps has been banned in Australia since 1958, but it is followed in many countries throughout the world.

Keith Veall is one of the greatest of our shotgunners, and travels regularly overseas to shoot pigeons on the overseas circuits. While he is almost unknown to anyone but keen shotgunners in Australia, Keith's name is still magic overseas, where he is regarded as a great Australian and world-class sportsman.

Keith Veall, one of the finest marksmen in the world today, in my opinion, one of the three top gunshots in Australia, told me of these pigeons and the world of big shooting circuits in an interview he gave for *Sporting Shooter* magazine.

Keith, an alert, athletic-looking man in his early forties, gives the impression of being bigger than he is, mainly I think, because he is quick of thought and so assured. Friendly, Frank — often devastatingly so — his manner fails to hide the brilliance that is to be found in all top sportsmen whose calling demands quick decisions; hair-trigger appraisals of the situation in hand, together with the assurance and confidence to make the best of that situation.

Keith Veall, once one of the few backmarkers overseas, and still one of the backmarkers in his sport today, when there are somewhere between 20 and 30 on these marks, told me of pigeon shoots, purses and professionals overseas where the sport of live-bird shooting still survives and is immensely popular among people of every walk of life.

Live pigeon shooting is still popular in most States of North America, Mexico, Cuba, various South American countries; in Egypt, Italy and Sicily, Belgium, Spain and Portugal. (Though other birds are shot in most of these countries, when one talks of serious shooting — the elite of the competition — it is always pigeons).

The stakes are high for skilled shooters, and even gunners who are not particularly outstanding are able to snare a fair amount of prize money. An example of the high stakes offering are shown in the Shooting Calendar.

In Madrid, 2,000,000 pesetas. In Mexico, the Championship of Mexico offers 50,000 dollars (U.S. dollars). The Championship of the Mediterranean, decided this year in Algiers, carries prize money of 1,000,000 Deenas. This is to be held in March. The Championship of Europe, held in Milan, from 1st to 17th April, carries prize money totals of 25,000,000 Lira. The Championship of The World, held from 23rd to 30th June, 40,000,000 Lira.

This is merely a mention of the larger programmes conducted on the circuits.

There are innumerable smaller ones, and, in some countries, shooting is held on every day of the week! Even if

some particular day is not listed, shooting can be arranged. This prize money is in addition to the betting, which is always popular where live bird shooting is held. But the betting system is not simple, nor is it easy to win money, any more than from bookmakers anywhere.

Usually there are 100 pigeons an hour released, and this number plays havoc with the punters' averages! Decisions are made on the actual outcome of the competitor's bird. The bookmaker pays only on whether the bird is killed or lost. (When live birds were shot in Australia, the bet was paid only if the bird was killed with the first barrel.)

Competitors usually only place a bet to give themselves some insurance against missing the target, for with the prize money so high deliberate misses do not pay. But anyone who wants to try their luck on the big money circuits should spend some time studying the betting systems with some expert such as Keith Veall, as they can prove quite difficult for a man not used to them.

As with all sports, the cost of entering the competition can be high, though with visitors (such as Australians) the entry fee is scaled down to around 1 per cent of the fee. Women shoot for nothing, as do men over the age of 70 years. Pigeons are a great part of the outlay, these costing the competitor about 16/- (\$1.50) each.

Living conditions are excellent, Keith says, with prices ranging through the scale from cheap to highly expensive. Travel is quite good, many competitors taking trains, cars and planes. Many Americans use their own cars to travel from shoot to shoot. This is made easier by the fact that circuits are organised in such a way that the shooting follows a circular pattern.

There has often been speculation among shooters in Australia as to whether one can actually earn a living shooting on the big overseas circuits. Keith Veall says this is quite possible for a good shot, with the earnings very high. Advertising fees for a top gunner are of course high as the sport attracts a great number of wealthy patrons.

In years gone by there was quite a wide gulf between the professional and the amateur shooter, but this now is almost non-existent. But this is now taking place all over the world, as "shamateur" sports and sportpeople fall by the wayside. As more people realise each year, it is the sport that is important, not some ridiculous outmoded ideal of snobbery.

I have tried to portray the shooting scene, taking only the high spots into consideration, so that readers may gain some idea of the immense following of live-pigeon shooting overseas, and also the ability needed to follow this circuit at a profit. Of course, if one has enough money and likes shooting, I could think of no better way of spending a holiday!

Keith Veall cannot remember when he first began shooting. He was always interested in the sport, but he recalls having, as a boy, a .410 shotgun with which he did a good deal of shooting. Interested in field shooting, he gained a great deal of practice in this, and, without realising it at the time, was handicapped in using the small-bored gun.

This was excellent groundwork, for when he finally progressed to his father's 12 gauge gun he found the extra pattern made for greater ease in shooting his target.

It was in the 1940's when his father took him to Melbourne Gun Club (the old club, at Tottenham). Keith shot live birds for the first time, running out a winner on his first shoot. He followed this with another win the following week, and of course the pattern was set. Young Veall had found his Valhalla.

Over the years he won countless competitive shoots, continuing field shooting too. This sort of practice, coupled with his love of the sport and his natural ability, fast reflexes and confidence, had to take his farther afield, so that it was natural that he find himself among the top guns in the overseas circuits. His vast experience of shooting has been sharpened in fields where the best guns in the world are pitted one against the other. He now has a greater knowledge of shooting and all the essentials that go to make one an authority among experts.

He has encouraged so many young shooters to travel overseas and coached them into winning large purses. Peter Wray was one of his proteges, as was the 1963 World's Champion, Don Mayfield. Keith has many more years at the top of the sport — unless he loses interest along the way.

Some of the toughest and most dangerous back-markers on the overseas circuit are aged between 40 and 55 years. At this age a man has reached a stage of maturity and capable calmness. He is consistent and experienced. Unlike the young shooter, the older man has not the many troubles which beset young men trying to make their way in a very competitive world.

In an effort to gain all the information possible, I pressed many questions on Keith, who was more than willing to answer all of them in the fullest terms. Unfortunately, it would require a book to even begin to bring that information to light, but I will attempt to skate over the high spots.

Guns. Keith told me the guns used overseas were varied, though over/under guns were becoming most popular, reaching almost saturation point among the younger shooters.

Beretta, Browning, Breda and many other well-known makes are popular.

International regulations allow 10 gauge cartridges, though there is an extra metre of handicap for the competitor using this gauge. Italian Regulations do not allow the use of 10 gauge. International Regulations allow the use of 16 gauge, and the shooter may stand one metre closer to compensate for the smaller bore. Italian Regulations allow the use of 16 gauge too, but without any advantage in handicap.

So it would appear there is nothing to be gained from using bores other than 12. The most popular cartridge on the Continent is M.B. These cartridges have won many championships, both pigeons and clay target competition. (This was the cartridge used by the winner of the 1956 Melbourne Olympics.)

Shot is a particularly interesting subject, and has been the bone of contention between shooters for many years. We used No. 6 shot in Australia for years, and almost without exception. In 1950 Keith brought back some No. 7's from the Continent. These were discussed, but nothing done about them until 1951, when Keith used them here.

A winning streak is always followed, and 7's began to be used in Australia. Today the popularity swing on the overseas circuits is to 7's, 7½ and 8. Nickelled shot is used in the best loads.

The size of the shot depends a great deal on the handicap of the shooter concerned, and those shooting from 22 metres seem to be keen on No. 8. Most of the backmarkers, shooting from the 29 to 33 metre marks load 7½ or 7 in the second barrel. Some use 7's in both barrels. Again, this is a matter of personal preference.

Chokes. These again are a personal choice, and when shooting pigeons very open bores are not considered desirable, but other than this not much can be said on the matter, except that Keith advises not to use two full-choke barrels with identical shot-sizes in both.

Patterns. Keith gives advice so often given by champion gunshots. "The less known about patterns the better!" he advises. "Stay with good cartridges. Good performance gives good effects."

WAGGA GUN CLUB

Riverina Leisure Show Promotion and Novice Day.

Members of the Wagga Gun Club decided to put a display in the annual Riverina Leisure Show for the first time. The Riverina Leisure Show is a two day event where Riverina business/sporting people are invited to display their leisure and sporting goods.

The idea of this was to promote our sport and talk to the

general public about our sport. There was a surprising amount of interest in clay target shooting during the weekend. There were many comments by 'on lookers' like "THAT'S a clay target", "that's what throws the targets out" (there were 3 traps on display) "I thought that they were solid" and "they aren't very big".

Even though some people didn't actually stop and talk to us, at least they have a little more knowledge of our sport.

In our display we had; different coloured clay targets, 5 guns (ranging from \$600 to \$9,600), empty cartridges, traps, banners, reloader and shooting accessories. A great deal of interest was taken in our display model who was dressed up in all the shooting gear. Over 23,000 people passed through the gates over the 2 days.

We must thank the Dept. of Sport & Recreation for providing us with the handout sheets for the public. These sheets provided information about clay target shooting and the Wagga Gun Club.

• 1985 Riverina Leisure Show display stand.

The weekend was a great success. The hard work and long hours really paid off and we found out by the novice day we held.

We invited any interested persons to come to a novice day, which was held on Nov. 3rd (it is very hard to promote our sport without actually seeing it in action). In total we had 25 NOVICES turn up and all had a shot. Among these novices were 3 women who were very keen.

Also our local 2WG sporting announcer, Allan Hull was in attendance, who was out shot by his wife Gail. Local RVN 2 TV announcer Tom Hilston was also in attendance and wouldn't give up until he "ink balled" a target for that night TV report.

Local media reports about this day were great, being in all 3 of our local radio and TV stations and newspapers.

From this day were had 8 NEW members join, with a few more thinking about joining. Not only do we have new members but these other people will tell their relatives and friends about their day of Clay Target Shooting and then they will decide to 'have a go' and so on it goes.

These 3 days of Public Relations were HARD WORK, but were extremely worthwhile.

The only way to promote this great sport of ours is to 'KEEP ON TRYING' again and again, it eventually pays off. At least now our local media know a little more about our sport and this is a BIG PLUS for us.

NSW State Coaching Director, Barney Rooke instructed all these novice shooters and all of them by the end of the morning were hitting at least half their targets or more.

The day finished with the clubs monthly Trap shoot. A long and tiring but very worthwhile day.

Maree Rooke
Publicity Officer.

ANNUAL "LEGACY SHOOT" AT WAIKERIE

J. Gordon

The Waikerie/Lowbank Region Field and Game Association held their annual "Legacy Shoot" on Saturday and Sunday 9th and 10th November. In spite of other sporting events on the same weekend, numbers were quite reasonable with shooters from all over Riverland and a group from the Mildura region.

The 50 Target Simulated on the Saturday saw the Waikerie Hotel sponsor the Individual event whilst the teams shot for the "Bill Marshall Memorial Shield". The Waikerie team of R. Maywald, I. Maywald, M. Burnell and B. Fisher took out the teams event, the third time in a row for a Waikerie team. Best individual was B Grade shooter Bill Fisher with 36-50. He took the overall sash and trophy. Second in B Grade was R. Wainwright of Mildura on 40-55 after a shoot-off with P. Caddy of Barmera 35-50.

The A Grade winner was R. Maywald on 35-50 and second was P. Tassone of Mildura 32-50. Rita Maywald of Waikerie won her first sash when taking out the C Grade honours and J. Gordon and P. Thornton (Mildura) had to shoot for second with Gordon emerging the victor.

After the evening barbecue the lights were put on for the 25 Double Barrel Championship. This brought Peter Caddy and Peter Tassone together for a shoot-off, both having returned perfect 25-25 scores. This went only an extra two targets, with Tassone missing his second, Caddy winning with 27-27. Another shoot-off for third was between Robert Maywald and Richard Howell, both on 23-25. Only one target was needed as Richard missed his first, giving Robert the third trophy.

• Bill Fisher, winner of the Legacy Shield.

• Peter Caddy, High Gun and Night Double Barrel Championship winner.

Sunday shoots got away to a good start with the 50 Target Graded Simulated. Scores were slightly down on Saturday although conditions were just as good. A Grade went to R. Robinson (Mildura) 33-50, second R. Maywald 31-50; B Grade P. Caddy 29-50, second M. Burnell 35-55 after a shoot-off with B. Fisher 33-55.

C Grade J. Gordon 20-50, second Rita Maywald 19-50. Best Junior M. Curtis 25-50. Bill Fisher took out his second Legacy Shield when he returned the only perfect 45-45 in the 15 Target Event, second was I. Jones (Loxton) on 43-45 and third P. Tassone 61-51 after a shoot-off with B. Fisher.

The Skeet Championship brought H. Reinders of Loxton to the winning dais with the only 25-25, four tied on 24-25 — I. Maywald, B. O'Brien, M. Burnell and W. Fisher. Fisher took second place with 48-51 followed by O'Brien on 47-51.

The main event for the day, the Ansett-Briscoes/CATA Tours 50 target D/B, attracted the largest number of entries, as the winner received a trip for two to Alice Springs, courtesy of the sponsors. It was a most exciting event as it was not until the last squad shoot that two shooters turned in perfect 20-20 scores. Until that time seven scores of 19-20 were shot. Dene Freundt of New Residence and Henry Reinders of Loxton (a previous winner) shot off for the trip. Nerves must have been tense, as again only a few extra targets were needed as Reinders missed his sixth, giving the trip to Freundt. P. Tassone went to 26-27 after a shoot-off for third with D. Molina (Mildura), I. Maywald, M. Burnell, W. Fisher, B. Spencer and H. Nunn (Renmark).

The magnificent Eddie Traeger High Gun trophy was taken out by that consistent shooter Peter Caddy. Peter,

● 50T Simulated winners: L to R: Bill Fisher, O/A & B grade; Rita Maywald, C Grade; Robert Maywald, A Grade, and "Rocky" Spencer, Legacy Night Skeet Championship.

● Victorious in the Legacy Day Skeet Championship: Henry Reinders, who has one of the best second barrels in the business, pulled out some great ones in all events, a very creditable 153-185 over the two days shooting.

Best lady shooter was Rita Maywald and best junior Mitchell Curtis.

An extra 20 Target D/B event was hard fought between R. Maywald and M. Fisher, both shooting 20-20. Again only three extra targets were needed, Maywald winning 23-23.

At the presentations, the President R. Maywald expressed his thanks to the many trophy donors and especially CATA Tours of Alice Springs, Ansett-Briscoes Coach Co., the Waikerie Hotel and all those who support this charity shoot year after year. Without such support the monies raised for Legacy would be considerably less.

The ladies in the kitchen had been busy serving meals, cups of tea etc. all over the weekend and their assistance is greatly appreciated.

● John Gordon (Waikerie Travel Centre) presents Dene Freundt with tickets for an "Alice Springs Trip" as winner of the 20T Double Barrel event.

The raffle for the camera etc. was drawn and first prize went to P. Keane of Broken Hill, second to Mr Easter of Waikerie and third S. Michelsen of Waikerie.

It is expected many hundreds of dollars will be presented to Legacy when the final accounting is done.

PRESIDENT'S MESSAGE

We are now into a new year and I wish all shooters and their families all the best for the future particularly in regard to their shooting and associated events conducted by their club during 1986.

We have a very full calendar of events at a national level commencing with the South Pacific Shooting Federation Championships which will be held in conjunction with our National I.S.U. Championships in Brisbane commencing on February 3. Results over these events will determine the composition of the teams to represent Australia, in the Commonwealth Games and World Shooting Championships which will be held later in the year.

The 1986 Trap Nationals are to be conducted by the V.C.T.A. at Echuca in April and by all accounts, a very energetic and enthusiastic band of dedicated people are doing their utmost to see that all is in readiness for this most important National event.

Eleven layouts are in operation by now and will have been well and truly tested at the Echuca Gun Club Boxing Day Carnival.

You can rest assured that all "the bugs" that may be found will have been rectified by April when we expect to see a record field contest what promises to be one of our very best National Trap Championships.

During November, the N.S.W.C.T.A. will be conducting our National Skeet Championships at Wagga. No doubt following upon the success of the 1984 Trap Nationals at Wagga, shooters will be looking forward to another enjoyable and well conducted carnival.

Every State of course run their own Championships all in all adding up to as much shooting as any dedicated shooter could want. Together with the support you must give to your club in order that it may exist.

While talking of clubs, I would like to bring to the attention of all shooters that our Historian, George Biggs, is looking for as much information as possible concerning the early days of clubs in Australia.

Your Secretary will not long ago have received a questionnaire from the Executive Director in regard to this matter and will probably require the help of the older members of your club.

I would ask that anything that you have to contribute on behalf of your club be it an old photo or even the names of the original club President and Secretary is forwarded on to your club Secretary.—

I look forward to seeing you at each or all of the National Championships and once again wish you, your family and club a successful and rewarding 1986.

Roy M. Holtfreter · National President ●

1985 NATIONAL SKEET CHAMPIONSHIP RESULTS

EVENT 1 — CITY OF MELBOURNE SKEET CHAMPIONSHIP — 50T — ENTRIES: 156

CLUB NEWS

ELLISTON GUN CLUB (Port Kenny Gun Club)

At the Annual General Meeting on November 3, 1985 a motion was put and passed unanimously to change the name of the Elliston Gun Club to Pt Kenny Gun Club. This motion was put and passed as the Gun club has physically shifted its location from Elliston to Port Kenny owing to greater member interest and participation in the Port Kenny district. All the facilities and bookkeeping have also been transferred to Port Kenny. The Secretary is a Mr. L. Doulos.

DARWIN GUN CLUB

Our new committee elected on November 10, 1985 is as follows: President — Phil Grove, Vice-President — Joe Bell, Secretary — Bob Fox, P.O. Box 41121, Casuarina 5792, Treasurer — Phil Baldock, Range Officer — Darryl Read, Publicity Officer — Ron Winter, Club Handicapper — Greg Chan, Public Officer — Mary Fox, N.T.C.T.A. Delegate — Ken Selwood, Committee Members — Paul Weis and Terry Rogers.

BOTHWELL GUN CLUB

The following office-bearers were elected at the Annual General Meeting: President — Stephen Eyles, Vice-President — Peter Hill, Secretary/Treasurer — Nanette McCallum. Bothwell Gun Club will now be shooting every fourth Saturday in every month.

GERALDTON GUN CLUB

A.G.M. was conducted with election of new office-bearers: President — M. Watson, Vice-President — G. O'Brien, Secretary — L. Watson, Treasurer — M. Hatch, Captain — A. Hocking, Vice-Captain — T. Best, Committee Members — R. Baker, G. Houghton and D. Wellington. Life Membership was awarded to F. Bombara for his contribution to the club over 30 years.

MARYBOROUGH GUN CLUB (INC) QLD

As from October 28, 1985 the Maryborough Gun Club has become incorporated and has become the Maryborough Clay Target Club Inc. At the A.G.M. held on October 16, the office-bearers elected for 1986 are: President — Andy Wood, Vice President — Graham Noffke, Secretary — Holly Wood, Treasurer — Darrell King, Captain — Bret Sieth, Vice Captain — Giulio Sartone, Committee — Peter Shaw, Earl Kath, Ben Romanenko.

GOLD COAST GUN CLUB

At the Annual General Meeting of the club held on the 26th of October, the following office-bearers were elected: President — Col Witt, Vice President — Peter McLachlan, Captain — Mike Swale, Vice Captain — Graeme Turrell, Committee Members — Alf McColl, Joe Box, Dale Krohn, Kevin Seeney and John Herbert. Colin Witt was elected for his ninth consecutive term as president, and in appreciation of his hard work and marathon stint at the help mas granted honorary life membership.

WANGARATTA GUN CLUB

At the Annual General Meeting of our club a new committee was elected and is headed by President Tony Penny, Ph. (060) 24 4215, Secretary Bev Penny, Treasurer Ian Crockett, Vice-President Gary Robinson and Dress Correspondent Alan Larkins. Mr John Paulus was presented with Life Membership Badge having given 10 years' outstanding service on the committee of Wangaratta Gun Club Inc.

ST ARNAUD GUN CLUB

At our A.G.M. held on 21/11/85 the following office-bearers were elected: President Colin Rodgers, Treasurer Gary Devlin, Secretary Austin Freeman, 12 Charlton Road, St Arnaud, Vic. 3478, Ph. 95 2002.

ALBURY WODONGA CLAY TARGET CLUB

As a result of the club's annual general meeting held on November 1 the following people were elected: President R. Petts Ph. (Bus) (060) 25 3766, (Pte) (060) 25 1239, Secretary L. Bahr Ph. (Pte) (060) 24 3101, Treasurer D. Smailes Ph. (Bus) (060) 21 5433, (Pte) (060) 21 5040.

Scupham. 12T Leonora Special: Ray McDonald and D. Wellington shot the possible. R. McDonald the winner after shoot-off. 10T Geraldton Special: Winner M. Watson 8-10. Equal second: A. Hocking, R. Burton, S. Johnston, P. Miragliotta and B. Boschetti.

WACTA 1985 STATE TEAMS CARNIVAL

The 1985 State carnival again attracted record fields. The support given by way of attendance to this annual event is most encouraging and with the International component of the new shooting complex soon to be completed, clay target shooting generally in Western Australia looks to be in a healthy position.

The success of this carnival was once again contributed

to by the trophy donors, and the WACTA is very grateful to Philips Australia, Winchester Australia, Roy Alexander and Sons, W.A. Guns & Ammo, Gunmart, The Swan Brewery, Schweppes and most W.A. gun clubs who supported their association.

The first event to be conducted was the Philips Skeet C'ship which was won by David Richter.

The second event was the 50T WACTA Skeet C'ship which Max Cubic took out by putting together the lone 50 straight. These two events were also used as the eliminations for the open, ladies and juniors state teams. Qualifiers followed on and shot their respective matches. John Dyas from the WA gun club high-gunned the open team with a fine 50, while Jean Bunter from Geraldton was the ladies high gun, and the promising Amanda Shipp was the top junior.

At the conclusion of the skeet, the final of the Roy Alexander (Himself) W.A. State Junior Trap Championship was conducted. This final was won by Ashley Wiese who is also one of our future champions. Ashley is the son of two of our hard-working members, Helen and Darryl Wiese.

This brought to an end Saturday's shooting which was followed by refreshments and a barbecue.

Sunday saw the commencement of the three trap events which were to count for the three state teams eliminations.

Event one was the Double Barrel which was won by Gordon Beard from the CMT Club. This event was entirely sponsored by Winchester Australia and our thanks go to State Manager Lex Shipp and his company.

Event two was the WACTA Pointscore C'ship which was won by our hard-working National President Roy Holtfreter.

Event three saw Chas Ellies win from Don Watts (another shooter returning to competition) in the WACTA Single Barrel C'ship.

With these events completed, the teams took to the tracks to shoot the matches, with Tom Vodden from

• W.A. Ladies' State Trap Team 1985 — left to right: J. Wood, A. Shipp, C. Ireland, M. Alexander, Marg Slee (High Gun), and H. Wiese.

Kambalda high gun in the open team, Marg Slee from Albany in the ladies and Amanda Shipp completing the double being high gun of the juniors.

The last event on the program was the inaugural zones shoulder to shoulder teams match which was won by the zone three team comprising Ivan Halbert, John Fissoli, Roy Holtfreter, David Kevill and Bob Thompson with a score of 123/125.

An honour board has been donated by Dino Fracaro and Tim Catling to record the annual winners. Our thanks go to Dino and Tim for their most generous gesture. The board will be housed in the WACTA headquarters.

With all the shooting over, the much sought after overall high gun awards were made with the open being presented to Ray McDonald of the Geraldton Gun Club and both the ladies and junior sections to Amanda Shipp — congratulations to both Roy and Amanda.

So ended the State Teams Carnival for 1985. With increasing numbers we look forward to a successful 1986.

Results:

25T Philips Skeet Championship: OA: D. Richter 25; A: R. Bailey 25, S. Gibson, T. Catling both 24; B: J. Harris, M. Craven, M. Stone all 25; C: J. Hartley, B. Williamson, D. Rawlinson all 24. Ladies: J. Bunter 23. Juniors: A. Wiese 20.

50T WACTA Skeet Championship: OA: M. Cubic 50; A: D. Wiese 49, A. Ferreo 49, R. Bailey 48; B: M. Wayte 49, R. Holtfreter 49, R. Eckersley 48; C: D. Richter 48, Jeff Neve 46, C. Riegert 46. Ladies: J. Bunter 44. Juniors: D. Farthing 42.

Runner-up: W. Scarborough.

BURDEKIN 10-11-85 — Fine & hot (23). 25T Skeet Sweeps: divided by: A.

TOOWOOMBA CLAY TARGET CLUB INC.

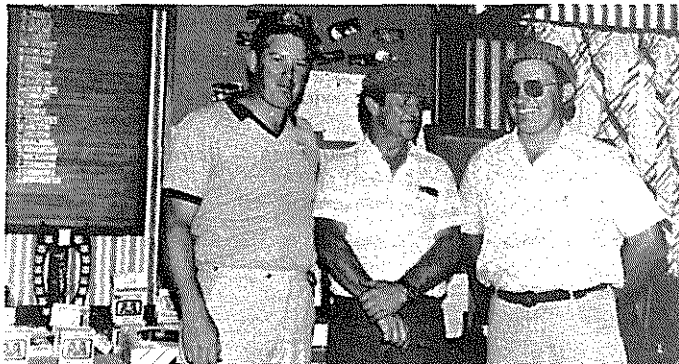

In previous years the November monthly shoot combined skeet and trap in memory of the late Aldo Sceresini, and was always well supported. This year was no exception, but an all trap day was programmed as the Aldo Sceresini Skeet Championship had been shot during the two-day shoot held in October.

Sixty-six shooters including a fair number of the 'boys in blue' on their way to the Police Championships held in Brisbane the following week, shot during the day. The targets were not easy, the colour black, bright sunshine for a change and a varying wind all combined to make the shooters concentrate and work for their scores.

A 25T DB started the day and three possibles in AA, A and C Grades were shot by S. Bartley, R. Cairns and L. Connors respectively with a shoot-off in B Grade won by D. Hopkins. The 20T SB resulted in AA again being won by S. Bartley, A Grade after a short shoot-off by C. Penno. D. Bartley took out B Grade with a possible and C Grade was won by G. Adamson.

The 25T Points incorporating the Wells/Donovan Trap Team Cup made up of three shooters, A, B and C Grade, saw J. Porter card the only possible to take out AA Grade, with C. Penno A Grade, M. Gregory B Grade and R. Randall C Grade. The Wells/Donovan Cup was won convincingly by C. Penno, M. Gregory and S. Hawker with a fine score of 215/225.

The 20T State Winchester Junior event was next with 14 juniors vying for the trophies donated by Winchester (Aust.) After a shoot-off, first was J. Rapisarda of

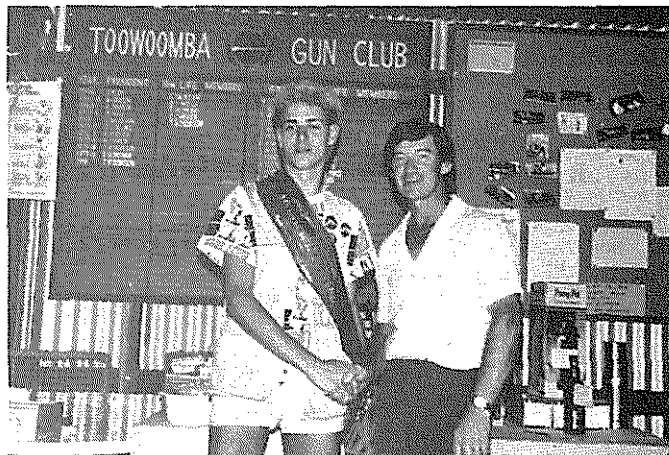

• Greg Newey (left) and Vic Tipman (right), winners of the Aldo Sceresini Deauville Double Championship with David Moon, President, Toowoomba Clay Target Club.

Ballandean with a possible, B. Dupuy of Brisbane second and A. Newey of Warwick third. Our sincere thanks to Bob Dupuy of Winchester (Aust.) for providing the trophies and enabling us to run such a worthwhile event.

The 20 Pair Aldo Sceresini Deauville Double Championship resulted in six teams shooting off. All had scored 19-20. G. Newey and V. Tipman finally won from J. Withers and J. Porter.

High Gun was won by Chris Penno with 118-120 and he was presented with the trophy by Mrs Sceresini on behalf of the Sceresini family.

For more detailed shoot results refer to the Club results. Contact for queries: David Moon 38 2510 Home, 32 2933 Work.

• Bob Dupuy, Winchester (Aust.), congratulating Joe Rapisarda of Ballandean on his success in the Winchester State Junior event.

President: Norm Scott
Secretary: Terry Bannan B.H. (054) 38 3200
H (054) 37 3201

O/S: C. George 56-60, R. Atherton, D. Kent both 54-60. 20T DB Hcp: P. Brusamarello 12m 20-21; I. Johnson 14m 19-21; B. Halson 20m 25-27. 10T SB O/S: G. Mowat, G. Kent both 9-10, B. Egan, C. George, B. Halson, S. Sawyer, T. Gannon all 8-10. Cake shoot: Ron Atherton. Congratulations to P. Brusamarello — junior shooter.

WONTHAGGI 10-11-85 — Fine & warm (32). Inverloch v Wonthaggi (grudge match). 10T DB: K. Bell, W. Parks, B. Halson, I. Kent, D. Kent, J. Tait, Brendan Egan, G. Kent, L. Horrocks, T. Gannon all 10-10. 15T SB: R. Atherton, G. Kent both 13-15, Sir Stanley Bruce Sawyer Esq., P. Rigby, D. Kent all 12. 15T Cont Pts: R. Atherton, P. Rigby, C. Heppelli all 42-45, G. Kent 41, W. Parks, B. Halson, B. Carter, I. Kent all 40. 5 Pair D/R: D. Kent 9-10, R. Atherton, B. Egan, G. Kent, B. Carter, K. Goding all 8-10. 10T Hcp: R. Atherton, P. Rigby, W. Parks, B. Halson, I. Kent, K. Goding all 10-10. P. Rigby 20-20 after shoot-off. We were thrilled by the presence of Sir Stanley Bruce Sawyer who travelled out with Prince Charles and Princess Di and shot with us today. A real feather in our caps, but it would be appreciated if he left the corgis home next time. The shoot ended with Wonthaggi triumphant over Inverloch by 183 targets. Fr Ken Bell (President of the Interloch club) reluctantly handed over the shield to Wayne Parks who immediately "dyna" bolted it to the wall. A good day was had by all with the fellowship only exceeded by the greed for victory.

SOUTH AUSTRALIA

BARMERA 3-11-85 — Fine, warm (20). 10T DB 15M: A. Geyer, R. Robertson, R. Wylie all 10-10. Patron Hall Hcp 20T DB: 1st R. Wylie 20-20, 2nd R. Maywald 17-20, 3rd A. Geyer 22-26. O.E. Beretta Nuova

(NEW FIELD OVER AND UNDER SHOTGUN)

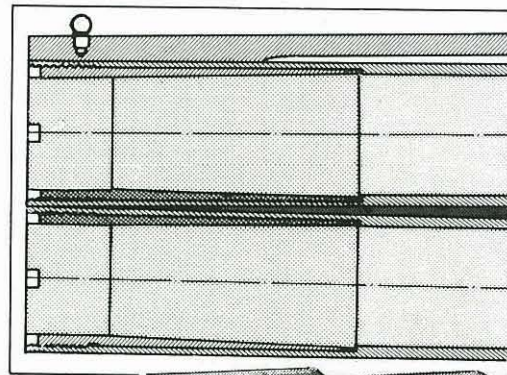

Gamma S686L

...backed by 4
Centuries of
skilled
craftsmanship

Interchangeable Mobil choke tubes are screwed entirely inside the barrel. 4 chokes and choke key / thread cleaner are supplied with the S 686 L (Improved Cylinder, Modified Improved, Full).

Cutaway section illustrates barrel line and tube to barrel fit.

The blending of contemporary Italian design and manufacturing techniques with centuries old traditional craftsmanship, give the new Beretta over and under's a degree of elegance normally reserved for custom - made guns costing many times more.

With the new interchange mobil chokes system that fits flush into the barrels the S 686 Lightweight is suitable for all types of field and simulated field shooting.

Distinguished by its low profile action new intricate floral engraving, new stock dimensions, and quality selected European Walnut with fine cut checkering, the new Beretta establishes further the tradition of providing you with a field gun that can be handed down from generation to generation.

Winchester Carves Up The Opposition

With New
LOWER PRICES
on Field Shotshells

The best costs less!

Now you get even more value for your shooting dollar from Winchester - Manufacturers of the worlds most popular Shotshell. 100 years of experience, research, development and dedication have gone into the Australian Winchester range of Field Ammunition. From the exclusive one piece compression formed case to patented Olin Ball Powder - in fact every component in a Winchester Cartridge is quality controlled and performance tested at every stage of manufacture to give you the *Edge in the field* - even when they're used they are worth money to reloaders.

The perfect Shotshell for every Hunting application.

Winchester gives the hunter Australian made shotshells that have been developed specially for local conditions. 3 *Buckshot* Loadings for pigs and heavy game, hard hitting long range *Duck loads*, fast *Light Game* loads for quail and rabbits. Select the ideal load for your special need from Winchester's extensive range. 6 individual loadings with 32 shot size combinations *gives you the winning edge*.

Save \$25 on this Kershaw collectors Knife.

More than a collectors piece the cartridge knife has been especially made for Winchester by Kershaw. Designed to fit in a cartridge belt this valuable tool with 440 stainless steel blade and gut hook will give many years service and a real *winning edge over the opposition*.
