EXECUTIVE DIRECTOR'S NOTES

The confidence of the V.C.T.A. and its Organising Committee in being able to attract shooters to Echuca for the Trap Nationals was certainly justified by the numbers attending.

The many shooters were not let down either as the V.C.T.A. and Echuca Gun Club had everything in readiness.

Being my first Trap Nationals I had heard the good things and the bad things to possibly expect.

Well, the good certainly out-weighed the bad, which is as it always should be. I believe that all shooters were more than satisfied with what had been organised for them. Certainly no complaints at all regarding food and drink. What a hard act to follow.

Tournament Director, Robert McDonald and his willing and capable officials were kept under constant pressure and as the days went by their ability to perform was put to the test and to their credit they were not found wanting.

On behalf of the sport we must thank those who gave of their time and expertise that helped to make the 1986 Championships one of the best yet.

Special thanks to Ray McKenzie, President of the Echuca Gun Club who made certain that the Club played its part and also the members of the V.C.T.A. Organising Committee for their many months of involvement leading up to the Nationals which proved to be an outstanding success.

ALAN J. MAHER

ACKNOWLEDGEMENTS

The Association acknowledges the following donation to the World Championships Junior Fund:

\$100 — Tasmanian Clay Target Association.

WORLD CHAMPIONSHIPS JUNIOR FUND

I am pleased to advise that a grant of \$1000 has been made to a fund designed to have juniors representing our sport compete at World Championships.

Subject to juniors fulfilling a selection criteria determined from time to time by the International Shooting Committee, it is envisaged that two junior teams would be selected to attend World Championships which are held every second year.

Should you wish to subscribe to the Fund which has commenced with a \$1000 grant from the Australian Clay Target Association, I am certain that it would be appreciated by our junior shooters.

All donations to the fund will be recognised in the C.T.S.N.

STOP PRESS — ISU SKEET RECORD

Victorian Junior, Craig Meuleman established a new Australian I.S.U. Skeet record of 198/200 at the N.S.W. I.S.U. Competition at Illawarra on Saturday/Sunday May 3 & 4.

This new record established Craig at the very top of International I.S.U. Skeet and surpassed the previous record of 197/200 jointly by Ian Hale, John Summers and N.Z. shooter John Woolley.

As has been mentioned before, juniors are on the way which will be to the benefit of the sport. Well done Craig.

Craig is also a member of the team to compete in the World Championships at Suhl, East Germany, later in the year and his good form will certainly not harm his chances of a good result against the best shooters in the world. We wish him well.

1986 NATIONAL TRAP CHAMPIONSHIPS

Conducted at the Echuca Gun Club, the Trap Nationals left no doubt in the minds of those who attended, and there were many, that the sport of Clay Target Shooting is alive and well.

The Echuca Gun Club members and the many workers that had assisted them in the preparation of the grounds can only be commended for the results that they achieved.

The weather, apart from maybe one gusty day, was almost as if "tailored to measure" and therefore no excuses could be accepted for poor scores.

With record numbers arriving for the pre-Nationals competition the atmosphere that prevailed was more than stimulating and so all was in readiness for what was going to be a great shooting carnival.

Mayor of Echuca, Cr. Don Oberin gets a few tips from National Coach Peter Quire as he attempts to fire the opening shot.

SATURDAY APRIL 5

The 1986 National Championships were officially opened by the Mayor of Echuca Cr Don Oberin who had the privilege of firing the (and his) first shot. Making the game look easy, he was right on target and showed good judgement by not firing a second shot so maintaining a perfect record 1/1.

The State Teams were ready to compete for the A.C.T.A. Cup, flags were flying, shooters were ready and the carnival was under way with State Teams resplendent in their respective State shooting jackets.

After the shooting had finished, there was an outright winner. Queensland, represented by Rod Fett, Bill Scarborough, Angelo Zappala, Graham Haig and Barry Pierce, had outshot the other states to record a winning 120/125. Closely following were last year's winners, South Australia and also Western Australia, tied for second on 118/125.

A very proud Queensland spokesman in Angelo Zappala when accepting the A.C.T.A. Cup, threw out a strong challenge to "Come to Queensland next year and see if you can win it back."

Victorious Queenslanders display their trophies after winning the Interstate Trap Teams Match.

37th GRAND AUSTRALIAN HANDICAP

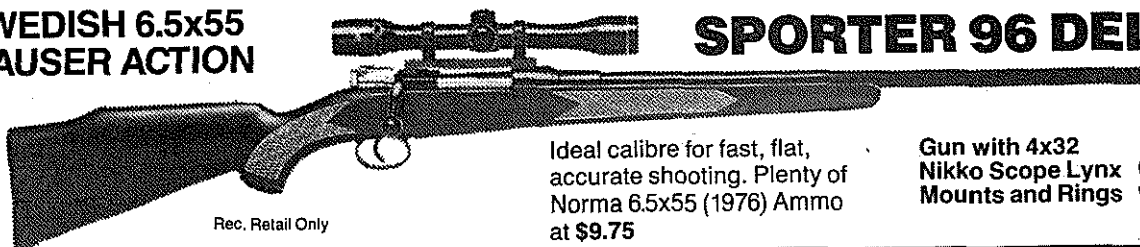

As mentioned earlier, it appeared as though this was going to be a very well attended National Championships — the numbers of entries was proof of this being so.

With 612 shooters in the field, a figure not reached over the last 10 years, eclipsing the best in that time (562 Melbourne 1981) by 50, the pattern for the next few days was established.

Grand Australian Handicap title was taken out by Bernard Stokes.

The ladies' title went to the promising Georgina Mitchell from N.S.W. with 47/50, Junior to Andrew Cook, Vic. 48/50, with the Veterans' section being won by Len Baker also of Victoria with a score of 46/50.

34th NATIONAL DOUBLE BARREL CHAMPIONSHIP

Sponsored by Winchester, this prestigious event attracted a magnificent entry of 756 shooters all of whom were giving of their best.

The shooting was of a high standard as would be expected for this title event and following a prolonged shoot off the winner for 1986 was Bill Iles from Victoria who outstayed all opposition with a score of 221/221.

Bill was presented with a Winchester shot gun by Mr Bruce Burns, Marketing Manager for Winchester, who also was pleased to award a loyalty bonus of Winchester cartridges for using Winchester shells throughout the Championship.

One shot behind Bill was Doug Smith of Qld. No surprise

46th CHAMPION OF CHAMPIONS

Very good shooting by Mark Little from St Arnaud, Vic enabled a "B" grade shooter to win this title. Mark shot consistently well throughout the event and his score 124/125 came as no surprise to those who watched him shooting.

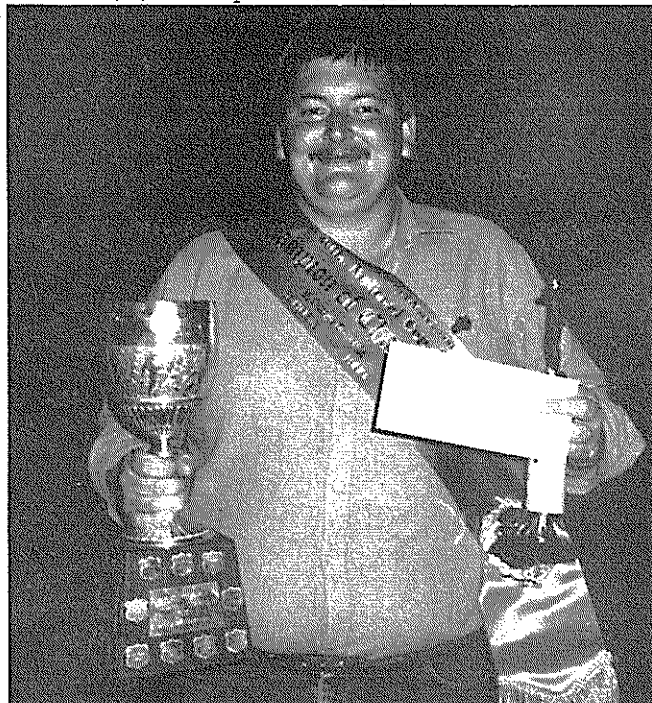

Mark by winning the event also received the Ansett Airlines of Australia award, air travel for two, which will obviously be put to good use.

A total entry of 540 saw many good scores recorded as seen by Allan Spence shooting 222/225 to win the "AA".

The ladies' section was also well won by Faye Taylor, Vic who shot 110/125 with the young and promising shooter from NSW, Michael Diamond, winning the Junior title with a score of 169/175.

26th AUSTRALIAN DOUBLE RISE CHAMPIONSHIP

Most thought that by now the number of competitors would reduce; however with the shooters enjoying the carnival this did not happen and 408 entrants nominated for the event.

Richard Dean from Qld headed the field with his 50/50 to take out the National title and the valuable trophies that also went to the winner.

Supporting Richard from Queensland was Vicki Deeley who was the best lady shooter on 46/50 — Junior winner with 45/50 was Reece Atherton from Vic, and again we had our New Zealand visitor Ted McRae taking out a Veterans' title with a score of 45/50.

Carol Zagorc from Victoria won the ladies' medal and Golden Jubilee Sash with a score of 71/75.

Alan Schmedje from host club Echuca with 86/90 won the junior section with once again genial Ted McRae from Timaru NZ the Veterans' winner with a score of 72/75.

King of Cohuna Greg Hipwell took out the Golden Jubilee Championship which was sponsored by Winchester Australia. Gary Matchen, Australian Sales and Advertising Manager presents the trophy to Greg on behalf of Winchester.

6th COMARK DEAUVILLE DOUBLES

With sponsorship for this event again being provided by Commercial Marketing Co. of Sydney, a record number of teams (62) entered to shoot for the event and the valuable prizes that had been donated.

Local knowledge being what it is resulted in a win under difficult conditions to the father/son combination of David and Rohan Penn from Echuca with 59/59 who were each presented with a Brno rifle courtesy Commercial Marketing Co.

Second place and a case each of Sellier and Bellot Cartridges went to Wally and Stephen Wombel with George and Phillip Steele in third place each receiving a Smith and Wesson hunting knife.

Popular winners in the Comark Deauville Doubles Event were father and son David and Rohan Penn.

ALLAN BROWN TEAMS EVENT

The annual club teams match also saw a win to the host club Echuca who took all before them by filling both first and second place to win the coveted club event. With Echuca (1) on 736/750 it was left to NSWGC to fill third position on 730/750.

MACKINTOSH INTERNATIONAL TEAMS

In the all-important Mackintosh event, qualifying scores were reasonably recorded without being brilliant.

The 30-member open team was led by Bill Iles with 249/250, one shot behind was Graham Boyd 248, with a group of six shooters on 247.

The Ladies' section was led by Lola Charles with a score of 233/250 from Kath Rehbein on 231 and Doreen Aylett 229 with Thelma Meadows and Carol Carlon both shooting 227.

NSW Junior Michael Diamond led the junior section with an excellent 245/250 from Victorian Paul Drennan who had shot a 244/250. The junior shooters obviously are on

the move and this will be seen more and more in the next year or so.

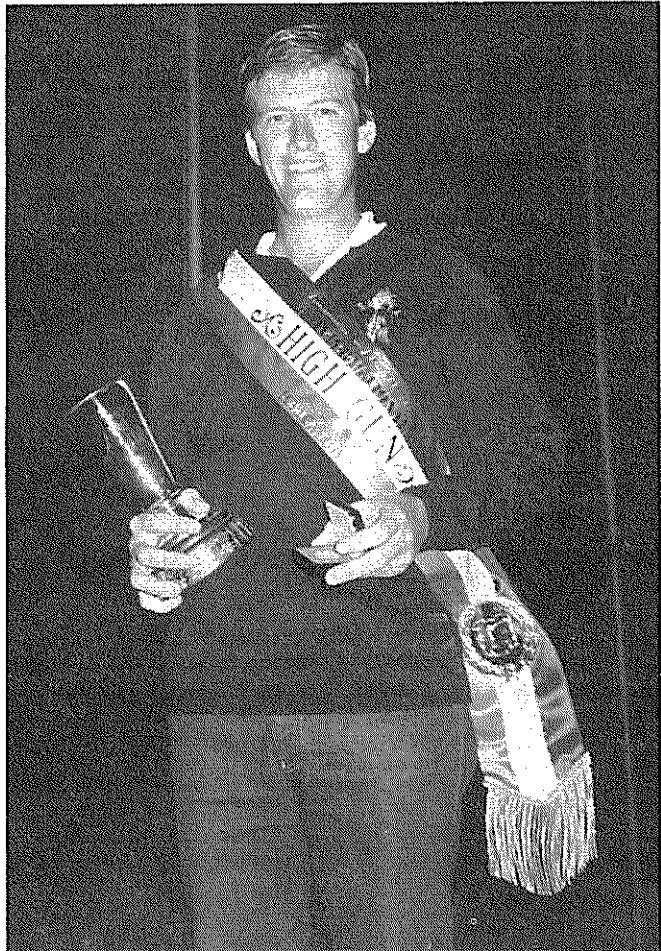

With the qualifying events producing a strong 30-member team all was in readiness for what was anticipated to be an excellent result for Australia in the open section as well as the ladies and junior sections where Australia could start favourite.

We were not disappointed — shooters who were all using Winchester shells traditionally sponsored by Winchester Australia, gave of their best with the result being that no less than 16 shooters including three juniors recorded 100 breaks and all received the appropriate recognition with the presentation of a lapel bar to record their achievement.

Being a postal competition, scores are not published; however we are very confident of finishing high up on the

list when the winners are announced in England around July of this year.

Mackintosh International Teams 1986 — Open High Gun: Craig Bentley, Pt Augusta, SA; Ladies High Gun: Thelma Meadows, Brisbane, Qld; Junior High Gun: Michael Diamond, Forest, NSW.

A happy Craig Bentley High Gunned the Mackintosh International Team for 1986.

Proud Michael Diamond High Gunned the Junior International Team.

NATIONAL CHAMPIONSHIP HIGH GUN

The overall High Gun, sponsored by F.N. Sports and Australian Agents, Fuller Firearms, was well won by Larry Dimasi from Mildura Vic.

Larry with a magnificent 461/475 was awarded the valuable Browning B2G shotgun presented by Neil Adams of Fuller Firearms, traditional sponsors of the overall High Gun as well as the meterage trophies of Hercules Red Dot powder in the Grand Australian Handicap.

Grade High Gun winners were Doug Smith of Queensland, with a score of 458 in AA, Ron Glenn Vic 453

Neil Adams representing Fuller Firearms presents the Overall High Gun to Larry Dimasi of Mildura on behalf of his company Australian Agents for F.N. Sports.

Competition in the Junior Division saw Michael Diamond (left) and Paul Drennan (right) in tight battles. Here Michael congratulates Paul for taking out the Junior High Gun in the Nationals Series.

All competitors are to be congratulated for their sportsmanship over the Carnival. Many compete — few win; however, those who did compete did so in good sportsmanship and therefore they were all, because of this tremendous attitude, winners at the 1986 National Trap Championships.

FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

"Tinnitus Aurium", what is that, I hear you say with your hand cupped around your ear so you can hear me? Tinnitus is a continual ringing in the ears, it goes on night and day, it never stops. I have good friends in the shooting fraternity who suffer from this complaint, there is no cure. They are people who, in their early shooting careers, did not use ear protection. Tinnitus is caused by the destruction of the hair cells in the mid ear by loud percussion such as that from the shot gun. The good news is that it can be prevented, as can deafness, by using protective ear muffs and/or plugs. My friendly ear specialist tells me that muffs are by far the best protection, but plugs are vastly better than nothing. The muffs prevent absorption of the percussion through the bone at the back of the ear, as well as that penetrating the drum. Why not wear both? Newcomers to our sport should be advised to equip themselves with proper ear protection as soon as they purchase their gun. Even without the ringing or whistling in the ear, any loss of hearing is a tragedy.

The coaching fraternity have to be careful, standing as often as they do at the rear of the shooter, where the percussion is at its greatest. It is easy to forget your muffs if you are not shooting yourself, so, when you leave home on the way to a shoot, think to yourself, have I got my muffs, my gun, etc?

I am just back from the down the line Nationals in Echuca. The standard of shooting was exceptionally high. For the interest of those who did not attend, the Australian Double Barrel Championship saw some of Australia's best known shooters shooting off. There was the beautifully simple style of Doug Smith from Queensland, J.W. Smith of N.S.W. with his gun held high on the shoulder, the copy-book style of Stan Collins of Victoria, the forward leaning determined, wide legged style of Sperry Marshall of Tasmania and the aggressive competitive style of Bill Iles. Congratulations to Bill on winning the event. The shooting went on until dark and was started again next morning. When this happens it is difficult to regain momentum and concentration. Bill is strong physically, has natural ability

enhanced by plenty of shooting, can concentrate on the task at hand, and I would guess has had more practice in shoot-offs than most Australian shooters. In a situation of an overnight break in the shoot-off, all of the above attributes help. Bill shot 221 to win.

The Nationals is an opportunity for me to meet shooters from all over Australia. With such a good attendance the Echuca Nationals were a success. They reminded me again of what a great sport we have. Not many other sports could attract such a roll up of young, old, male and female competitors, all obviously enjoying themselves. I don't think we as clay shooters blow our trumpet enough, or go out of our way to encourage new membership. Clay shooting is a sport that provides stimulation, physical exercise in the fresh air and great social interaction. It can be enjoyed for a lifetime. I can think of people in their 80s and 90s shooting well. Junior shooting at the Nationals was incredible, the standard seems to be getting higher each year.

Bring your friends to try our sport, introduce them to your club coach, who will make sure they don't go away feeling that the sport is too hard or that they have made a fool of themselves. Not only will you be doing them a favour, but yourself. The more members we have the cheaper the sport is for all.

John Harris, the Coaching Director from Western Australia, has resigned due to workload. Many thanks John for your efforts. John's position has been taken by Murray Alexander of Perth. Murray has been in the coaching scheme since its inception and is well known for his involvement in coaching in Western Australia. Murray has coached the Police team, a Forces team, as well as the usual coaching that is done by Zone Coaches. W.A. and the Australian Coaching Council are lucky to have such an experienced coach as State Coaching Director.

The International Shooting Committee has a new member, David Menck of N.S.W. David replaced Bob Buchan of Victoria, who has served the international committee in several capacities, including chairman. Bob will continue to hold the position as A.C.T.A. delegate to the Australian Shooting Association until November. David Menck will be known to many I.S.U. shooters through his newsletter of I.S.U. events and results.

Finally, many thanks to the Southern Gun Club for their hospitality to the National President, Roy Holtfreter, W.A. Coaching Director, Murray Alexander and Executive Member, Tim Catling and myself, Southern President Bob Rossiter and club members' friendliness, and the good shooting enjoyed by all, typifies for me what our sport is about.

Good shooting, (with your muffs on).

PETER QUIRE.

EDITOR'S MAILBOX

Dear Mr Maher,

Earlier this year you sought some input for C.T.S.N., so may I try to encourage shooters and their families to get away from the cold southern winter for a short period and attend the Darwin Shoot at the end of July, for one of the most enjoyable holidays imaginable.

Having been there twice I can assure those attending they will never be in more hospitable company and if they can get off the beaten track a little they will never find a more natural, raw country to appreciate. Last year's organised fishing location was so natural and so abundant with wildlife and flora one would almost think that no one had ever been there before. To visit the site was enough — the 10lb. barramundi that were hauled in were the bonus.

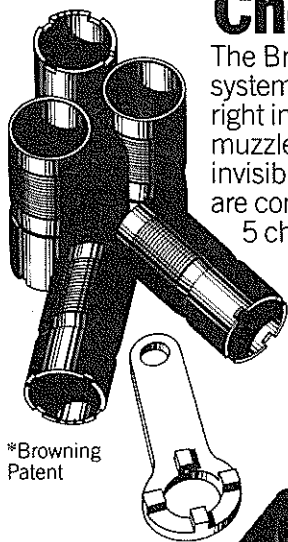

The Gun Club people will do everything they can to make your stay enjoyable — provided it can be done one-handed as the other hand is generally occupied — and they do insist that you try seriously to break your targets.

Thanks to Darwin Gun Club, T.A.A., and a little shooting luck, I will be going back. There is something about the territory that gets one in. Why don't you try it?

Yours sincerely,
Ern Hawkins.

BLUE MANNA CARNIVAL

By G. Hyder, Publicity Officer

The Bunbury Clay Target Club's 1986 Blue Manna Carnival, held on 1st and 2nd March, was the success it was planned to be.

Ninety-four competitors from throughout the state were shooting for two state titles and four events carrying hallmarks of Bunbury.

Saturday's vigorous competition of three events opened with the City of Bunbury P.J. Usher Memorial.

O/A & A: David Kevill (CMT), Allan Hocking (Geraldton), Gordon Beard (CMT); B: Neil Dowey (Collie), Dino Fracara (WAGC), John Griffiths (Bunbury); C: H. Harmer (Geraldton), Mike Darlow (Leinster), Greg Martin (Collie).

Event two was the Blue Manna Handicap which was well won by local champion Clayton Hyder. Other placings were taken out by: 11-14m: C. Vodden (Kambalda), 15-16m: Barry Kowald (Katanning), 17-19m: Ron Baker (Geraldton), 20-25m: David Kevill (CMT).

The first of the two state championships was the double rise event, which was won after a shoot-off by well-known Collie shooter Max Cubic. Cubic was the winner of this state title in 1985 and carries the perpetual trophy over for a further 12 months. Other winners were: A: Brendon Vodden (Kambalda), John Eddy (WAGC), Roy Holtfreter (Northam); B: Grant Hyder (Bunbury), Neil Dowey (Collie), John Ablett (Bunbury); C: T. Craigie (Leinster), H. Harmer (Geraldton), Mike Darlow (Leinster).

Winners of the ladies, junior and veterans sections of this event were all staunch Bunbury members in June Roach, Carl Knipe and Charlie Linaker respectively.

The A.G.M. of the WACTA was held on Saturday night and saw long-time Bunbury member Ross Silvester take over as state president after many years of work in other areas of the executive. Taking position as vice-president is John Fissioli of Cunderdin club.

Two awards were made during the meeting, the first being the WACTA Sports Person of the Year which went to Robin Bailey of WAGC.

The second was Life Membership of the Association which notably is only the second such award in the history of the WACTA and was bestowed upon Murray Alexander (WAGC) for his services to clay target shooting.

Competition continued on Sunday with the City of Bunbury 150th S.B. Championship well won after a shoot-off by David Kevill (CMT). Other placings in this event went to: A: Ron Baker (Geraldton), Daryl Wiese (Narrogin), Eddie Toomey (Geraldton); B: Ross Silvester (Bunbury), Clem Riley (Collie), Terry Moroney (WAGC); C: Colin Roach (Bunbury), Howard Drane (Bunbury), Hayden Silvester (Bunbury).

Event two on Sunday was the State D.B. Points Championship. After a shoot-off between two shooters on 149/150, Mike Callaghan (WAGC) emerged the winner from David Kevill (CMT) with Kevill automatically taking first position in A Grade. The other placings were: A: Chas Riegert (Katanning), Roy Holtfreter (Northam); B: Grant Hyder (Bunbury), David Farthing (WAGC), Duke Wellington (Geraldton); C: Greg Martin (Collie), C. Pobjoy (WAGC), Colin Roach (Bunbury); Ladies: June Roach (Bunbury); Junior: C. Vodden (Kambalda); Veteran: Charlie Holly (Kojanup).

The last event for the weekend was the Koombana Cup. This year's winner, Chas Riegert, holds a prestigious part of Bunbury history for 12 months by taking charge of the Perpetual Trophy until it is recontested at the Blue Manna Carnival in 1987. Other placings were: Bert Boschetti (Geraldton), Neville Hyder (Bunbury), Murray Alexander (WAGC). Unplaced Meterages: 11-14: Don Wetherell (Bunbury), 15-16: Terry Moroney (WAGC), 17-19: Mark Green (WAGC), 20-25: John Fissioli (CMT); Ladies Trophy

Winner: June Roach (Bunbury); Junior: Carl Knipe (Bunbury); Veteran: Charlie Linaker (Bunbury).

In conclusion to competition over the six-event programme, High Gun as a total of the weekend's scores went to David Kevill of CMT.

Intermediate High Gun (shooter forward of 16mts handicap) was David Farthing.

Ladies High Gun went to a most consistent June Roach.

Highest scoring junior and winner of the trophy was Carl Knipe, while Charlie Linaker continually outflanked all other competing veterans to win High Gun in his category.

Veteran High Gun Winner — Charlie Linaker of Bunbury.

SUCCESSFUL COACHING SEMINAR

A coaching seminar was held at Gympie Gun Club on March 15, where a total of 65 novices were coached for the day.

Mr. Martin Gough (Zone Coach) and Mr. Gerry Chizzotti (Referee Examiner) kindly came up from Brisbane to conduct the seminar. After an informative lecture on safe handling of firearms, Martin Gough showed the correct method of gun mounting and stance etc.

The eager novices were then shown to the traps to have a go, under the expert supervision of Martin and Gerry.

A great day was had by all and my thanks to Martin, Gerry, Winchester and other registered shooters who assisted on the day.

J. NEWTON THOMAS AWARD 1985

Awarded annually to the Junior Shooter who records the highest score in the trap section of the State Postal Teams Match.

1985 resulted in a tie between two very promising shooters in Tom Turner from Cessnock and Michael Diamond from Forest, who both shot a 75/75, thereby preventing a countback.

Both junior shooters were presented with their award by N.S.W. State Secretary, Mrs Jenny Burt, at the Echuca Trap Nationals.

Congratulations Tom and Michael for your fine performances for N.S.W.

EXECUTIVE COMMITTEE REPORT — APRIL 1986

A lengthy meeting of the Executive took place at Echuca on Friday, April 11, commencing at 9am and continuing for, other than a short break for morning tea and lunch, the meeting eventually concluded at 6.40pm.

Many items were raised for discussion by members representing their State Associations. I am pleased to be able to provide a summary of some of the decisions reached, all of which have been made with the best interest of shooters in mind at all times.

CARTRIDGE SALES AT NATIONALS

The procedure adopted at the Trap Nationals at Echuca will be continued. Brand name cartridges will be made available for competitors and sold by the accredited representatives of the supplier.

SWEEP AND PURSE NOMINATIONS

At all future Nationals, entries for sweeps and purse will be independent of event nominations.

ASIAN CLAY PIGEON SHOOTING FEDERATION

A decision will be reached by the General Assembly of the A.C.P.S.F. in Bangkok on May 1, as to whether or not Australia is to be admitted to the Federation as a full member.

FINANCE

With rising costs in all areas, a difficult year is being faced. Considerable attention was given to this area where, like most similar organisations, we are most vulnerable.

OVERSEAS TEAMS

The selection of overseas teams to shoot D.T.L. and Skeet in alternate years is to be discontinued as from 1986 until such time as finances allow otherwise.

I.S.U. teams to be restricted to no more than one team per year to shoot at either the World Championships or the World Moving Target Championships. In Olympic Games years the Olympic competition to be substituted.

Commonwealth Games years shall be in addition to either the World Championships or World Moving Target Championships.

REFEREES ASSOCIATION

Recommendations have been made to the rules Sub-Committee for investigation and report.

PERPETUAL TROPHIES (I.S.U.)

An offer by Mr & Mrs Quire to alter their High Gun awards to perpetual awards at the Olympic Disciplines was approved.

DRESS STANDARDS

Discussion on the Standard of dress whilst competing and at presentations was discussed. This has been covered elsewhere in the C.T.S.N.

Many other items were discussed without being formulated. These will come to the fore following further investigation as to their relative merits.

Executive Director.

BRISBANE GUN CLUB — 2 DAY SKEET SHOOT

All the local Skeet shooters and a very pleasing roll up from many other clubs attended the Brisbane Gun Club's 2-day Skeet shoot on April 19 and 20. The club extends its thanks to the strong contingent of shooters from south of the border and to the Queensland shooters who attended from as far away as Mt Isa, Charleville and Rockhampton. The first event on Saturday morning was the Stevens & Sons trophy event. The club thanks Bill Stevens for his continuing support again this year, not just for this event, but also for his kind donation of a Winchester Commemorative Rifle as our High Gun trophy for this year's shooting. Ray Porter won the 'AA' trophy after a handful of shooters dropped out early in the shoot off. After having shot 49's to participate, club captain Ron Wells won 'A' grade from Col Forest and Garry Redmond with a 63/63. Mick McGill all the way from Mt Isa the 'B' grade with 48/50 and Toowoomba club president David Moon 'C' grade.

Event 2, the Chandlers Trophy Event. Once again many thanks to Kev Reedman on behalf of Chandlers Electrical stores. Kev is a very keen shooter and a very generous donor, not only for this shoot, but all our Skeet shoots through the year. (Also congratulations go to Kev for a fine 50 in the H'cap event).

Ray Melville, no stranger to a Skeet field, ran out winner in 'AA' with 86/87. John Porter won 'A' grade with 62/62 and this was the start of a 203 break for John. Joe Box from the Gold Coast shot a nice 49 to win 'B' grade, and once again David Moon the 'C' grade. The "Porter-Stevens" Skeet shield was also run on this event. And the Gold Coast won this keenly contested shield from a count-back with Brisbane with 243/250. (Only 5 to 1 next time Wolfman). At the end of the day, Garry Redmond was looking good for the High Gun with 100/100 but unfortunately Garry was admitted to hospital after the shoot and was kept in through Sunday. Not a bad effort to shoot 100 under the pain he was obviously in.

First up Sunday was the Winchester H'cap event. Once again a kind word for our sponsor Winchester Aust. Bob Dupuy with his boys were present again this year with a case of shells and silver cups for a 3 man team competition in conjunction with this event. Thanks again for your support, Bob.

As mentioned earlier, this was all John Porter. John didn't need any handicap as he shot 126 straight through this event to take 1st place from John Withers with Mick McGill third. The 3 man team winners were Max Barton, John Withers and Karl Nasarenko.

The final event, the City of Brisbane Championship. Ray Melville was far too good here to win the championship and 'AA' Jim Baker won 'A' grade, Ces Herbert the 'B' grade, while new Brisbane shooter Bill Sangster won his first major trophy by taking out 'C' grade with 45/50. After all this there were 4 shooters on 196/200 to shoot off for the High Gun. John Porter, Ray Porter, Ray Melville and Kel Madsen. The most impressive trophy on the table was a beautiful tapestry Kel's wife Kirsten spent many, many hours doing. This was the High Gun trophy and I can assure you it was a very popular result when Kel won this himself after Ray Melville let a low house 5 get away in the second shoot off round. Congratulations to Kel for a fine effort considering he was the leading hand in running the shoot as well. Of course no shoot is possible without the help in the office, and in the kitchen. For those chores we must thank Dawn Reedman, Kirsten Madsen and Margaret Baker. Also thanks to Jean Clarke, wife of well known shooter Reg Clarke, for your assistance as well. We hope to run another 2-day shoot later this year, so watch the C.T.S.N. for dates.

AROUND THE TRAPS

With LAURIE CONNORS

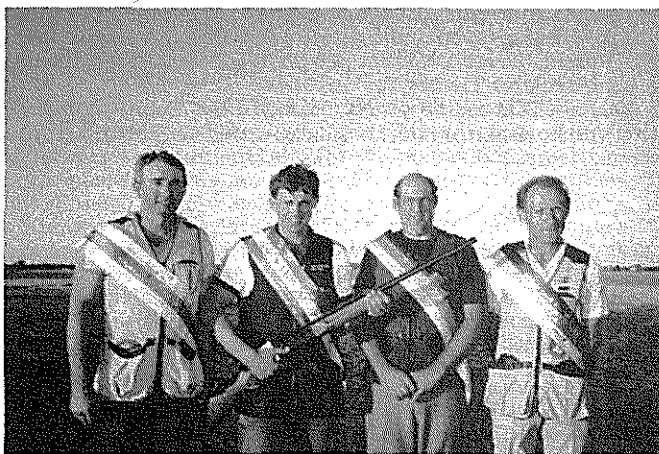

After returning home from what one might call an extended "Shooters Jaunt" of Queensland gun clubs, as well as taking in our very successful South Pacific and National Olympic Discipline Championships, hosted at Brisbane Gun Club, to end the trip, one was to realise our next major shooting event, the National Trap Championship, to be run at Echuca, was not far off. It is history now, but many who attended and competed I have spoken with, complimented those responsible in organising and making the event possible. Probably the ones who deserve some thought and gratitude are the small band of workers who turned up to the Echuca Gun Club working bees, to make sure the ground and facilities were ready and capable of taking the 872 shooters who competed in the nine event program, over six days of tournament, from start to finish. It was pressure at its best from behind the scenes for all running the show, and no doubt many of those involved are glad it is all over. Let's extend a nod of appreciation showing our gratitude to all concerned. Their job was well done, and all deserve credit for their contribution to the National's overall success. Also, I feel when the final financial result arrives, it will prove to those responsible, the project for the betterment of our sport, was well worthwhile. Whilst one can write of all the highlights pertaining to the event, I also feel some of the "lowlights" should be mentioned. If they have not already done so, would those responsible for removing a banner from the side of a container, please return same. For your information, should it not be returned, it will be necessary for it to be replaced. This will cost some \$400, and I believe future junior sponsorship will suffer and miss out on the \$400 needed to replace the banner. "THINK ABOUT IT". Also, when an event such as this is run, quite a number of people contribute items to make things easier on the club's finances, and a little more comfortable for patrons and workers alike. So if you happened to souvenir the umbrellas used to protect the referee and scorer against inclement weather, or the shooter's shelter tent, after the completion of the Nationals, you have taken articles Echuca Gun Club have to replace to their owners. All you have done is loaded Echuca Gun Club with embarrassment and an unnecessary expense. Should you know their whereabouts drop them back, the club would appreciate their return.

Lastly, there is something about attending our Nationals, that no other shooting tournament seems able to offer. That is the pleasure of seeing our top shots in action and meeting of many shooters one has got to know over the years. They were there from all over Australia, New Zealand and even America. It was great to once again bid you all "GOOD DAY", God willing we will meet again at the Brisbane Nationals next year.

Saturday, April 12, 1986. Deniliquin Gun Club was conducting what they called a Post-Nationals Shoot. This club has been in existence for many years and recently set itself up on new ground. Because of development they were forced to shift from their original site. They feature three D.T.L. layouts, lights for night shooting, as well as neat office space and club rooms. Although the organisers were a little disappointed with the numbers, they were able to attract forty competitors. Amongst them were visiting shooters from Victoria, South Australia and Tasmania. Among the Tasmanians were Tasmanian Executive members, Stewart Browning and Mrs Kaye Woods. All present seemed to enjoy the hospitality extended especially that from top shot and gentleman of our sport, Jon Whitakers. Jon is a past President of the club, and still involved in the running of tournaments. Greg Hipwell from Cohuna unwound after the tough competition at the Nationals and won the South West Riverina Zone D.B. Championship 90/90. Greg won the Auto Shot Gun as overall

trophy. Graeme Boyd, Wangaratta shot the score of 29/30 to win the South West Riverina Zone Double Rise title. George Steele and Bob Schleiter from Mount Gambier were pushed by top shooters, Greg Hipwell and Terry Boucher in the Deauville Double Championship. George and Bob finally won the honours with 30/30.

Friday, April 18, 1986. A meeting of interested Victorian clubs and shooters was held in Bendigo. The purpose of the meeting was to see if there was a possibility of establishing Olympic discipline shooting in the country areas of Victoria. Clubs in attendance were Geelong, Sebastapol, Maryborough, Bendigo and Echuca. All were there to contribute their thoughts on where they thought the best area was to install such a discipline and at which club. After long deliberation, it was agreed Bendigo Gun Club be offered the opportunity to cater for such development. The meeting closed with Bendigo having to confirm it had the area and was able to accept the responsibility of installing this discipline. The Victorian Clay Target Association and the Victorian International Shooting Committee are giving full support to the project and will be assisting with the raising of funds to help with the installation. It is also requested that all Victorian clubs and shooters get behind this project, and when requested, help raise the necessary finance to provide this facility in the country area. I believe the whole concept of this development is great for the future of our sport.

See you where there is shooting.

"WARATAH STATE NOTES" — JUNE

Since the last Bulletin, the Trap Nationals have been staged, and it's great to be able to report on many fine performances by N.S.W. shooters, in particular our Junior shooters.

Naturally — Birdie has to give a little plug to our Cowra boy — Dick Piotrowski. I was President of Cowra Club when Dick commenced shooting and I am very proud indeed that Dick won the National Point Score, being a member of the Cowra Club. I know that Anne will be very proud of the achievement and it will cost me a beer next time I see Dick.

Georgina Mitchell (Guyra) was the winner of the Ladies section of the Handicap — she recorded a very good 47/50 from 17m in very strong and gusty wind conditions. Georgina continued good form the following day with 48/50 in the Double Barrel to gain the second place.

Riverina Zone Secretary and Delegate, Lola Charles had to shoot off to gain the 3rd place in the Double Barrel.

Tom Turner (jnr) (Cessnock) and Craig Tilley (Sydney) along with the eventual overall winner of the Junior Double Barrel, Brett Dunston all posted 50/50. Tilley being placed 3rd and Turner 2nd after the shoot off.

Michael Diamond's performance in the Teams competition will be remembered for a long time. With only 5 points down, he gained selection in the 30 member International Team and the 5-member Junior Team, which necessitated him shooting 100 targets point score for the Open Team (his score — 297/300) and then backing up approximately 20 minutes later for a further 100 target point score for the Junior Team (his score — 300/300).

Congratulations also to Arthur Turner (Dubbo) on winning the Australian Single Barrel Championship.

New South Wales shooters to make the International Team were Arthur Turner, "Pud" Burgess, J.W. Smith, Michael Diamond, Warren Charlton and Doug Ellis.

The Junior team of 5 comprises two from N.S.W. — Michael Diamond and Tom Turner (jnr). Lola Charles was the only lady from N.S.W. to make the Ladies Team.

TEAM UNIFORM:

For the first time at the Echuca Nationals — our 5 Man Shoulder-to-Shoulder team members were issued with their new Team Uniforms. The Uniform now is made up of a pale blue shooting jacket, T-shirt, Sloppy Joe top and Dark Blue cap, all of which the team members are able to keep. The jackets have the Waratah on the back and our Cloth badge and their names on the front pocket.

STATE SKEET CARNIVAL:

This year's Carnival is not far off — 8th, 9th and 10th of August in fact. The N.S.W. Gun Club will host the Carnival at their grounds at Terry Hills.

Anyone wanting accommodation is asked to contact John Phillipson (02) 888 7266 and (02) 949 4846 A.H. It is suggested that you book early.

ACCOMMODATION — STATE CARNIVAL — GRIFFITH

Motel Accommodation will be critical in Griffith over the October weekend. The Show is on and motels have reported that block bookings are being taken by different organisations — if you want a bed — BOOK NOW. Don't forget, the Homestead Motel group are sponsoring our Carnival to the extent of \$500 — the Homestead Motel in Griffith is the Citrus Motel — Irrigation Way, Griffith.

A THOUGHT

Having "One for the Road" could mean having a Police car for a "chaser".

BLUE BOOK

We have received quite a bit of "feedback" re the new format for the Blue Book — sure, we did have some errors and these will be rectified with the next issue. Most of the comments have been in favour of the "date order" so this will continue in the future.

This format creates a heavy workload on the Secretary. I'm asking — no APPEALING — to all Club Secretaries, and Zone Secretaries, to PLEEZE post your shoot programs for 1987 to Jenny Etheridge (State Secretary) as soon as humanly possible. Remember — a chain is only as strong as its weakest link — don't be the weak link. Post your programs URGENT!

BOUQUET

It's very pleasant to pass out a "bouquet" to a dedicated worker for shooting and that is Jim Scott.

Scotty is one of our National Delegates on the ACTA — he is on the Management Committee and has just been elected to the position of Vice President of the ACTA.

Congratulations Scotty from all the State Executive and all the shooters of N.S.W.

RULES

How's this for a beauty??

Recently I visited a Club (as State President) and tendered my card on nominating. The programs consisted of common mark and handicap events and, on completion of shooting, I collected my card and found my scores were not recorded.

I requested the Secretary to enter my scores and was told, "We don't worry about the rules and don't mark any cards — you can shoot here and never receive a handicap".

I left the club totally disgusted and will not be returning — I realise that some people do not like the rules but, like them or not, they are the rules and we must all accept them. If all clubs adopted the attitude of the above club and ignored or created their own version of the rules, what a hell of a mess the Clay Target Sport would be in.

Club Executives — we are sportsmen so let's act responsibly and operate within the rules — at least be fair enough to give them a try.

BIRDIES PROVERB

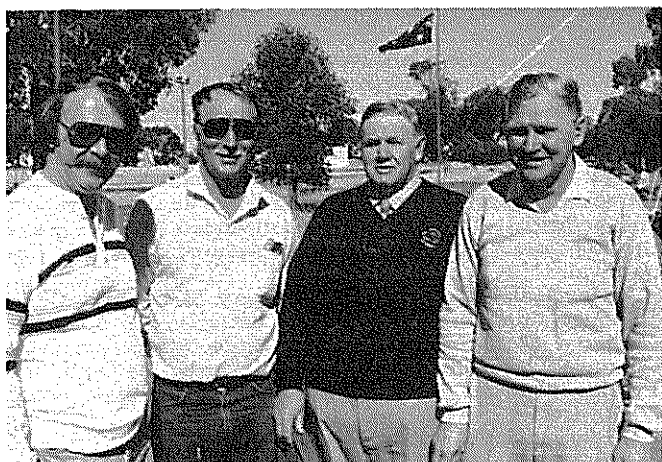

"A Lost Property Office Is For People To Return Things They Find and Don't Want."

FROM THE ZONES:

Lola Charles reports from the Riverina Zone that Grant Ceely of Ganmain made his first trip to the New Zealand Nationals this year which were staged at Christchurch Gun Club. At the Pre-Nationals he shot 49/50 to win overall in "B" Grade of the Kilwell Trophy Match off 16 metres. Grant was thrilled to win an S.K.B. Shot Gun valued at N.Z. \$1300.

At Narrandera Gun Club recently, Fred Schmetzer from Leeton shot 182/182 to take overall "AA" Grade in the Narrandera and District Double Barrel Championship from Tony Salafia. Fred went on to shoot 20/20 in the winning Leeton Team for the Hudson Shield, thus reaching a break of 204. Congratulations Fred.

Narrandera's Hudson Shield was first contested in March, 1954. Lola would like to know of any Clubs with Shields older than that still being shot for.

N.S.W.C.T.A. Executive members at West Wyalong ISU elimination, David Menck (Chairman ISU sub-committee), Col Burt (NSW Coaching Director), Jim Scott (National vice-president) and Pud Burgess.

NORTHERN ZONE:

The Zone Skeet Carnival and Team Elimination will be held at Coffs Harbour Gun Club on the 21st and 22nd June. Coffs always conduct a good shoot and being "up north" the weather should be nice and warm.

All Clubs in the Northern Zone should be well on the way to having their 1987 programs to their Zone Secretary. Closing date is Friday 13th June. All Clubs MUST provide a program.

Something new for the Clubs in the Northern Zone — any club hosting a Zone Championship during 1987 are entitled to have the overall winner's sash provided by the zone — hopefully this will encourage more clubs to apply for the championships when they come around again in '88.

NOTE TO ALL OTHER ZONES:

If you have some information please send it along — you don't have to be a Club Secretary — anything you the shooter feels is worthy of note — send to P.O. Box 836, Tamworth — and please — in writing that can be understood.

TO BECOME A REFEREE:

For those of you who are not too sure how to go about it, and are interested in becoming a referee — here's what you do: Rule 4.20 says: (A) to become a registered referee, a candidate shall approach his Club Secretary and President, who (when they consider that the candidate has achieved a satisfactory standard) shall recommend in writing TO THE NEAREST REGISTERED REFEREE EXAMINER on the prescribed form that the candidate be given a practical and oral examination. When the candidate has passed this examination to the Examiner's entire satisfaction the Examiner will then submit his recommendation plus the form to the A.C.T.A. Executive Director, who will issue a Referee Badge to the Candidate.

Any candidate who has failed and wishes to be re-examined must be re-examined by the same examiner.

COACHING NOTES:

N.S.W. again recorded the highest figure of shooters coached during 1985 — a total of 5,021 shooters coached. The N.S.W. figures show a 46% higher figure than the next nearest state. Barney Rooke has asked that his "thanks" be extended to all N.S.W. coaches for a job well done and for their support.

A THOUGHT:

"It's great to be great — but it's greater to be human".

MONTHLY NEWSLETTER TO CLUBS:

Every month a newsletter is sent to every affiliated Club in N.S.W. — do you see it? The idea is for the Secretary to pin it on the Notice Board for ALL club members to read — if you haven't seen one on the Notice Board of your Club — ask where it is.

OLYMPIC DISCIPLINE NOTES

Having now completed over half of the New South Wales Olympic Discipline Training Squad elimination series for 1986, the competition for positions in the training squads, and the competition in general is the best ever seen in the state.

Attendances at all I.S.U. shoots have been extremely good, not only for training squad eliminations but club shoots as well. Without exception, every elimination held so far this year has seen in excess of 30 competitors for the Olympic Trap event, and although numbers are not quite so good for the I.S.U. Skeet, there have been good attendances there also. This must surely indicate the growing interest in Olympic Discipline shooting in New South Wales.

Hopefully, the old feelings that Olympic Trap and I.S.U. Skeet are too hard, are slowly vanishing, and are now being replaced by the need of many to participate in a more challenging discipline.

The scores at both Olympic Trap and I.S.U. Skeet are both constantly on the improve. Today, a higher percentage of shooters compete in A Grade than any other grade, and this is the case in both Olympic Trap and I.S.U. Skeet. As more competitions are held and the number of competitors rises, so are the scores. It wasn't that long ago when a score around 180/200 would take out the overall for the weekend but not anymore. Today it would be flat to take out B grade.

Amongst the newcomers filtering into the Olympic Discipline competitions it is extremely pleasing to see quite a few very promising juniors mixed with the many now taking up the challenge. Michael Diamond, Fillipo Petriella, Mark Barlin and others are performing well at Olympic Trap whilst Mark Agar shows great potential at I.S.U. Skeet.

TRAINING SQUAD ELIMINATION SERIES

With only the Griffith, Taree Wingham and Illawarra eliminations still to be held, the race for positions in the Olympic Trap Squad still sees many in with a chance if they compete at all three of the remaining eliminations. John Maxwell still leads the field from Terry Rumbel but there isn't much in it. Robert Thompson, Cliff Bailey, Terry Budd and John Fryer are all performing well after the best three of five eliminations:

John Maxwell	195	194	194	97.2%
Terry Rumbel	191	187	196	95.8%
Rob Thompson	189	192	188	94.8%
Cliff Bailey	186	187	192	94.2%
John Fryer	182	190	190	93.7%
Terry Budd	185	189	189	93.8%
Michael Diamond (jnr)	186	178	192	92.7%
Victor Burgess	184	188	184	92.7%
Kevin Perkins	175*	193	185	92.2%
Fillipo Petriella (jnr)	177	190	182	91.5%

The positions in the I.S.U. Skeet after five eliminations are also very wide open with a total of sixteen competitors still in with a chance of filling the six positions.

Cont'd over page

Cont'd from previous page

Brian Prosser.....	88.5%
Christian Naudin.....	87.5%
Mark Agar (jnr).....	87.0%

Col Burt.....	86.0%
Jim Wilberforce.....	84.0%
Barney Rooke.....	84.0%
Michael Banicek.....	83.0%
Bob Kennett.....	81.0%

Two competitors, one in each discipline, have both attended each of the eliminations held so far. They are Col Burt in I.S.U. Skeet and Victor Burgess in Olympic Trap. For their effort they both deserve to fill a position in next year's training squad.

WEST WYALONG ELIMINATION

The Anzac Day long weekend once again saw a good attendance for an elimination. This time at West Wyalong.

The majority of leaders in the elimination series were absent, but this was not indicated by the scores.

Once again Sydney 14 year old, Michael Diamond, proved he will be a force to be reckoned with in the future by taking the overall honours in the Olympic Trap event with an overall score of 192/200, only one target ahead of Victorian Bill Iles with Robert Thompson from Cobarr third overall on 188/200.

The I.S.U. Skeet event went to a newcomer to our band of enthusiasts, Jerry Cole of Wakehurst Club in Sydney. Promising junior Mark Agar recorded the second top score with Col Burt only one target further back.

Olympic Trap: Overall: Michael Diamond 192/200; AA: Bill Iles 191/200; A: Robert Thompson 188/200; B: Barry Hall 180/200; C: Tim Murray 166/200.

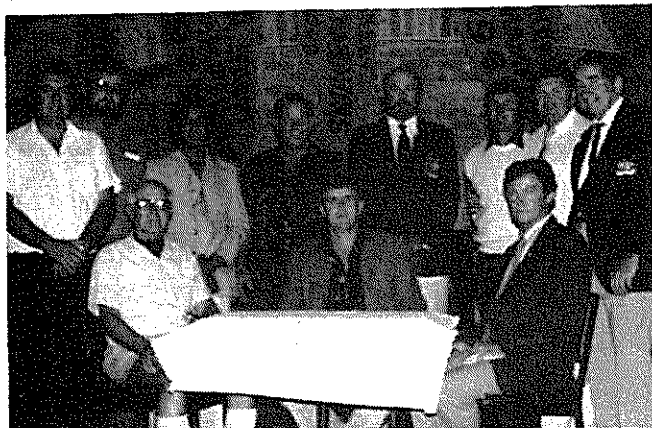

I.S.U. Skeet: Overall: Jerry Cole 175/200; A: Mark Agar 173/200; B: Bob Kennett 160/200; C: Peter McWilliam 121/200.

W.A.C.T.A. MONTHLY REPORT

Saturday March 23 saw the first meeting of the new 1986 W.A.C.T.A. Executive which was held for the first time in the Board Room of the Whiteman Park Complex.

Another first occurred that night when the Committee of the W.A. Gun Club hosted their first Cabaret Night in the magnificent function area of the Clubhouse. The function was very well attended and the hall was packed and judging by the look of some of the revellers the next day, a good time was had by all.

Standing: John Eddy, Terry Morony, Brad Day, Merv Neve, Murray Alexander, G. Holly, Darryl Wiese, Roy Holtfreter. Seated: Ross Arlow (Secretary), Ross Silvester (President), John Fissioli (Vice President).

On the Sunday the W.A. Gun Club held the prestigious Newton Thomas 100 Skeet competition, which was ably won by Clem Bertini with a score of 99/100.

One week later the Esperance Bay Gun Club held their Easter Carnival. Unfortunately I was unable to be present, but was pleased that my Vice President, John Fissioli, was there and shooting well as usual as he won the State Mixed Targets event. Well shot John. The Commonwealth Single Barrel was very well won by David Kevill. John's report shows me that the shoot was well attended, and as always the Esperance Club can be congratulated on a well run carnival.

As busy as I am, it is nice to shoot at my own Club, Bunbury, from time to time. On Saturday 12 April the Bunbury Clay Target Club held its 50 Skeet Club Championship, which was expertly won by the Club Vice President, Grant Hyder, with the only possible score 50/50.

On Sunday 13 April I had the pleasure the company of many of Zone 6 shooters at the Boyup Brook Club's opening shoot for 1986. My congratulations go to the Club for the way they processed a big field over one lay-out for 65 targets without a hitch. I must mention that in the last event (25 Trap h/cap) a young shooter, Carl Knipe showed us all with the only possible 25/25. Well done.

In closing, please do not forget to send me items of interest, so that other shooters in this Big State may know what is going on around the Clubs.

Good Shooting.

Ross Silvester
President

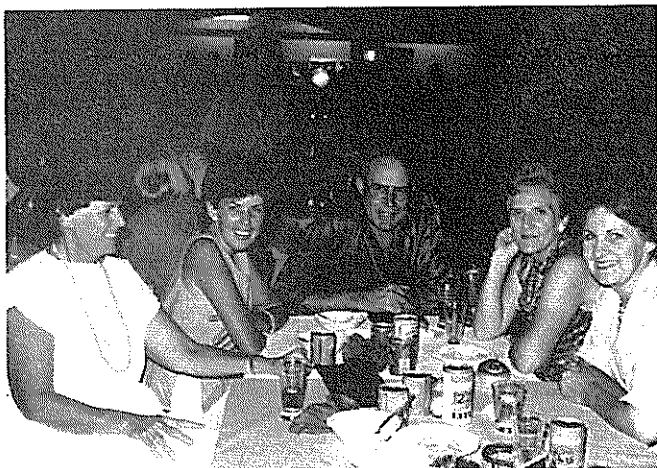

GUIDELINES FOR REFEREES TRAP & SKEET

1. Read shooters' names from squad sheets and ensure competitors are on correct tracks and marks. For safety reasons ask all shooters to check for obstructions in barrels.
2. The Referee must stand where he has a clear view of targets and competitors, preferably between lanes 2 and 3, approximately 2 metres behind the competitor's shooting mark. If there is excessive background noise, the Referee may move between lanes 2 and 4 in order to hear the competitors call so as to give all competitors equity of competition.
3. Describe the event and procedure for conduct of the event, e.g. "25 Target Single Barrel Championship, shot from 15 metres, 13 targets from trap 1 and 12 targets from trap 2."
4. The Referee should ask his scorer to stand close enough to him, so that the Referee can see the score sheet, and the scorer can observe the target as a check Referee.
5. Target to be shown by Referees.
 - (a) when the competitors are all in position, the Referee must release a target for number 1 shooter to look at on his call.
 - (i) At the beginning of all events.
 - (ii) After any breakdown or delay.
 - (iii) At the commencement of all shoot-offs.
 - (iv) On each trap used for a shoot-off.
 - (v) After any break for shells etc. during a shoot-off.
 - (vi) If a competitor received two broken targets in a row, the Referee should ask the competitor "Would you like to see a target."
 - (b) If it is a six man squad and there is to be 1 target per shooter eye-opener, number 6 shooter must move up to take the first target, but he must still be shown a target, on his call, before he shoots at his eye-opener target.

W.A.G.C. NEWTON THOMAS PERPETUAL TROPHY

The West Australian Gun Club conducted their 100 skeet J. N. Thomas Perpetual Trophy shoot on the 23rd of March at the Whiteman Park shooting complex. Sixty one shooters attended to enjoy the fine and warm weather conditions and some good shooting, which was somewhat surprising to many shooters considering they had attended a cabaret the previous night. Others may have used this as an excuse for the occasional lost target.

The cabaret, which was held by the W.A.G.C., was the first major function, not including shooting events, to be held at the complex since the completion of the clay target facilities at Whiteman Park. (Facilities can only be described as complete as they are generally functional. There is still much to be done in the grounds.) The success of this social event ensures that there will be other such gatherings organised by the club in the near future.

Cabaret photograph from L. to R. are Eyvonne and Anita Franklin, Robin and Sue Bailey and Myra Bailey.

Shooting of the 100 skeet event commenced at 12.30, and some scores were soon evident. Clem Bertini dropped one target for the day leaving him with a final score of 99/100, making Clem the outright winner of the J. N. Thomas trophy for 1986.

A. grade was taken off by R. Bailey with 98/100 with D. Knight securing 2nd place with 122/125 following a shoot-off in which J. Coci lost his 25th target. J. Coci came 3rd scoring 121/125.

S. Hastie shot 93/100 for first place in B grade, second was A. Forsber with 91/100 and 3rd was P. Dyer with 90/100.

First in C. grade was D. Richter with 96/100, 2nd R. Baker with 91/100, and 3rd A. Carmichael with 69/100.

First place from the ladies was taken by G. Shipp. Congratulations to all place getters, especially Clem, on this very successful shoot.

Ansett.

SAFETY RULE

There have been recent instances of a rule designed for the safety of shooters not being complied with.

Your attention is drawn to rule 1.3B on page 4 of the rule book, which states:

"Providing he is standing on the mark from where he is going to shoot, and there is no person on a more forward mark a competitor may drop cartridges into the breech whilst he is waiting for his turn to shoot."

In the interests of safety, please make sure that you comply with the rule at all times and also bring the rule to the attention of any shooter(s) who may be disregarding it.

AUSTRALIAN CLAY TARGET ASSOCIATION

The Secretary,
State Associations,
(as addressed)

Please address all correspondence to:
EXECUTIVE DIRECTOR

I have been instructed to write to each State Association concerning the standard of dress that is worn by shooters while competing.

Obviously our sport is not a dress up sport in the true sense of the word, neither however should it be one of dress down.

One only has to look around the grounds to see what is being referred to. Visitors to the club should be confronted with an image of at the least what is considered to be reasonably acceptable dress and not as is often the case, the reverse.

In the main, most shooters are aware of their appearance both while competing and viewing, these are not the shooters that provide our overall image. We always tend to remember what are the "bad aspects" rather than the good, therefore we must at all times, for the good of our sport be aware of our presentation.

If you can assist in raising our standard of dress then you will be making a fine contribution. Insist that shooters are reasonably well attired for presentations and particularly for photographs as these have lasting effects that can be done without.

Don't join them, the few that drag our standards down, this is taking the easy way out. Make them instead, lift their standards and join you the majority.

Our image will improve at all levels, local and International where strangely enough we do have problems that can be rectified.

We hope for the overall good intentions of the proponents of this request for better standards of dress, that the message does not fall upon deaf ears, if so then we have resisted the opportunity to lift our standards and instead have taken the easy way out by joining the minority where, upon reflection we have all lost.

We trust that you will support the move to improve our image at all levels.

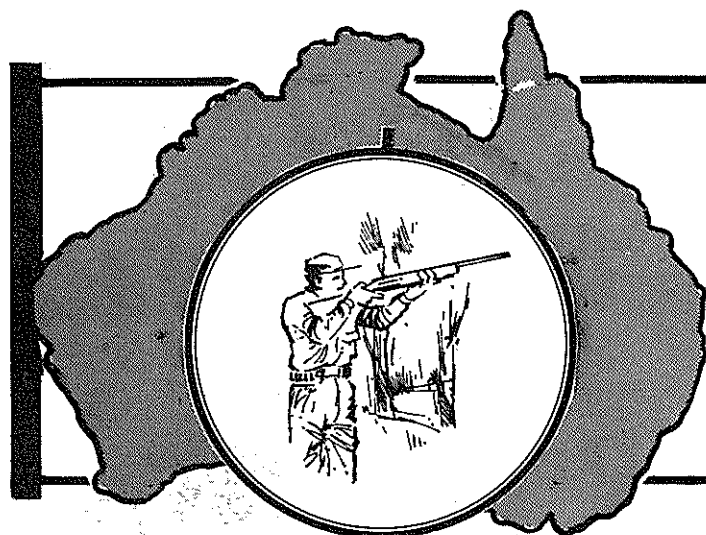

Yours sincerely,

ALAN J. MAHER
Executive Director

VALE

South Australian Gun Club members were extremely saddened at the tragic loss of Lois and Bernie Hansen (after a long illness), both of whom contributed greatly to the success of our Club. In appreciation of their standing in the Clay Target community, the club has dedicated a magnificent perpetual cup to honour their memory. This will be shot for as a Skeet Championship, open to all shooters, in conjunction with Metro Elimination shoots. This embraces the ideals that Bernie most loved: Skeet, Metro Interclub comp., and club support (best three of five scores to count). Our condolences to Suzanne, Mark and Craig.

TRAP SKEET & SPORTING MODELS

Born from Beretta's dedication to sporting achievement, this new breed of competition gun features many mechanical and functional innovations providing dedicated shooters with what could be described as the world's most advanced production over and under shotgun.

3 Position adjustable trigger allows 8mm of variation with ultra-fast lock times giving you that split second advantage when it counts.

new gun fit forever, unlike other over and under shotguns which require expensive gunsmith attention should they wear loose following the rigors of extensive competition. In all they add up to a gun that's made to last in heavy competition.

The low profile receiver with elegant engraving highlights the stylish easy to change barrel shoulders.

Features such as adjustable trigger giving you the length you need regardless of shooting attire. Medium high ventilated top rib with greatly improved sighting plane and full length ventilated side ribs for better cooling during extended competition. Matte finished Teflon 'Brunton' coated barrels gives exceptional resistance to weather and abrasion, while the internal hard chrome lined bore provides the ultimate corrosion resistance. Yet another exclusive Beretta feature is the user replaceable barrel shoulders and hinge pins. Only Beretta 682 owners can inexpensively maintain

Italian designed slim line high fashion deluxe gun luggage, with moulded inserts for maximum protection. Features rebated carry handle, quality combination lock and provision for choke tubes and other accessories.

New flush mounting choke system that does not alter line of barrels. 4 chokes imp. cyl., mod., imp. mod., and full. Key/thread cleaner come with guns featuring the mobilchoke system.

To complete the story the new '682's come with Beretta's internal flush mounting mobilchoke system giving you infinite variations to suit both your style and type of shooting, in all a great case for Beretta.

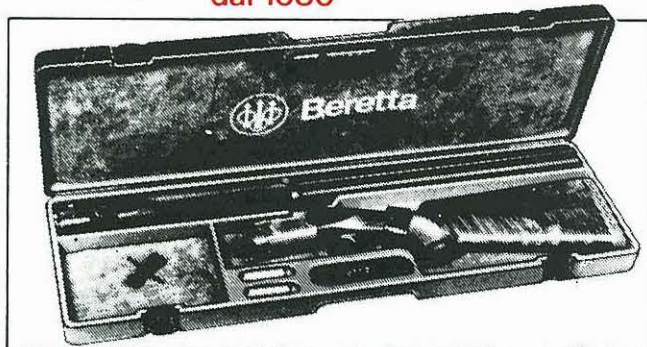

And speaking of cases, the new 682's come in what can only be described as the greatest step forward in gun case design for over 20 years.
