WINCHESTER

Two masterpieces from Belgium

New Browning B125

A perfect combination of exotic walnut and forged steel wrought into classic sporting and old English game guns.

The B125, crafted with traditional Browning skill, is the direct descendant of one of the most beautiful and robust guns ever created — the legendary masterpiece John Moses Browning invented in 1926.

The Superb decoration is a tribute to the Belgian engravers.

The whole action is finished in "Old Silver". Beautifully designed Game Scenes depict pheasants and ducks on either side.

It is complemented by fine hand cut checkering on the grips.

Complete with Browning's exclusive Invector Choke.

This interchangeable choke can be changed in seconds yet is invisible from the side. Perfect sighting without distraction. Five chokes available.

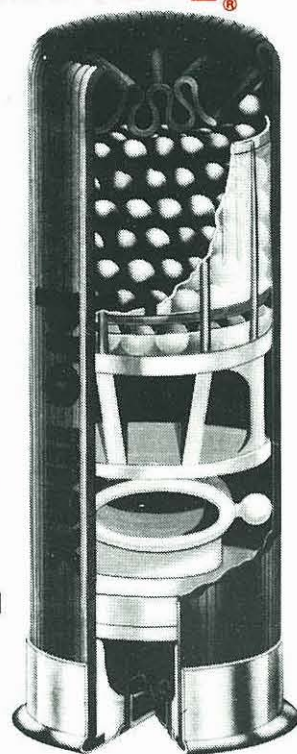

Game model features English Gooseneck stock and also available in 1/4-3/4 and 1/2-F, fixed choke.

NEW
BROWNING

SHOTSHELLS

Browning Promax are again available in Australia, imported from the famous Belgium works.

- The Wad is unique; designed for perfect seal. Shot collar gives consistent patterns.
- The extra hard Shot is highly polished and graphited to ensure excellent penetration.
- The Powder is selected for optimum ballistics and high velocity.
- Very competitive price.
- Popular shot sizes for trap and field.

Ask at your gun dealer.

Dealer Enquiries: FULLER FIREARMS GROUP PTY. LTD., GPO Box 1096, Sydney, NSW 2001.

EXECUTIVE DIRECTOR'S NOTES

Time certainly flies, it seems only like last month that I was writing a column for the C.T.S.N. Here it is July and I am now writing my twelfth.

A lot of things have happened in that period. The sport itself has been well supported at the three National Championships held in the past year culminating in the successful D.T.L. Championships at Echuca.

Membership is on the increase, although this is offset by the numbers who for reasons best known to themselves, have not renewed their membership for 1986 — we must retain members as well as attract new shooters — perhaps you can help with this.

Costs are increasing in all areas and this obviously does cause some concern for the Executive Committee who are very aware of the problems that are confronting all sports not just Clay Target Shooting.

We have seen two National Olympic Discipline records established, Terry Rumbel at the O.D. Nationals in Brisbane (Trench) and Craig Meuleman at Illawarra (Skeet).

Adrian Cousens established a new skeet break record in November at Melbourne and all events at the Trap Nationals were more than well supported.

There have been changes on the various National Committees with a new member, Kay Woods from Tasmania on the Management Committee as well as a new Vice President in Jim Scott.

We have a National Coaching tour arranged for November when Phil Murray from the U.S. will hopefully pass on his experience at Skeet shooting to the many who wish to attend his coaching clinics. This is a plus for Skeet Shooters and the benefits will be long lasting.

The National Training Squad under the direction of Peter Quire is having a live in training Camp early this month at the Institute of Sport in Canberra.

Having recently been able to have a first hand look at the facilities that are available at the Sports Institute, I am certain that we will only have our shooters benefit by their involvement.

We are being represented at the Commonwealth Games and World Shooting Championships where we intend to do well in both trench and skeet and have a five man team competing at the World Skeet Championships in the U.S.A. where again we hope to do well.

These are the happenings that are readily seen and maybe accepted as standard. Not so however as there is a lot of involvement from many who at times appear to be just a few.

While at National level we do not always fully appreciate the involvement at other levels, we nevertheless understand the importance, your club needs YOUR support to operate as efficiently as YOU the member require. So too then does support need to be extended to YOUR Zone and ultimately YOUR State if the standards that YOU the shooter are demanding, are to be achieved let alone maintained.

Many shooters are willing to assist and say they only have to be asked and they will be only too pleased to help. Remember all the hard work your Club/Zone/State Secretary does on your behalf — don't wait to be asked, instead volunteer to assist with whatever you are able to.

Alan J. Maher.

QLD FIREARMS & OFFENSIVE WEAPONS ACT

According to information supplied by the Q.C.T.A. an **Authorised Officer may grant a Licence to a Person over the age of 14 years and under the age of 17 years to possess and use a firearm.**

Shooters under the age of 14 years are not permitted under any circumstances to possess and or use a firearm.

Correspondence confirming this advice has been forwarded to all Queensland Club Secretaries.

Juniors shooting illegally (outside the rules of the Qld Firearms Act) are not permitted on any Club Grounds and are not protected by any form of Insurance.

If in doubt please see your Qld Club Secretary for a copy of the Q.C.T.A. Advice.

Alan J. Maher,
Executive Director.

COMMONWEALTH GAMES 1986

The Australian Shooters will, like all sportsmen and women at the Games, be keen to do well. None will show greater desire than our Clay Target competitors who as a four man team are a very experienced combination.

Trench shooter, Terry Rumbel from N.S.W. will be competing at his third Commonwealth Games as will Victorian I.S.U. Skeet Shooters, Ian Hale and Alex Crikis.

The newcomer to the team is another Victorian, Domingo Diaz, who will with a selection score of 198/100 in the Olympic Trench Discipline add to an already well credentialled shotgun team.

Obviously, we are anxious for the team to do well, if they are able to perform at their best and bring home the medals that are hoped for we will all be delighted, for the team personally and the sport as a whole.

On the other hand we must not be too disappointed if the medals are not forthcoming. As long as the team gives of their best — which we know that they will do.

Good luck and good shooting.

BERETTA SURPASSES ONE MILLION MARK

Beretta has announced the world wide production and shipment of their one millionth over/under shotgun.

This milestone was announced by Ugo Gussalli Beretta, Managing Director of Pietro Beretta S.P.A. in Gardone Val Trompia, Brescia, Italy.

Several gun manufacturers have produced one million automatic shotguns, but Beretta believes it is the first to exceed the one million mark for over and unders.

Beretta over/under shotguns are available in their 600 series and SO3 and SO4 lines.

All of the shotguns are expertly crafted and combine elegance with wood and steel harmony.

"This important milestone is significant because it demonstrates the world wide acceptance and approval of Beretta sporting shotguns," Robert Bonaventure, Beretta Vice President and General Manager said.

"The public has responded to our total commitment to produce the finest firearms in the world, by choosing our products.

"This continuous vote of confidence reinforces our commitment to continue to refine and better our products," he added.

WEST WYALONG GUN CLUB

The West Wyalong Gun Club held their monthly Trench shoot on the weekend of April 26 and 27. It was an elimination round for the New South Wales Training Squad and it consisted of two 100 target championships. The Skeet event being a straight 200 target Championship.

The Club saw shooters come from Sydney, Melbourne, Cobar, Dubbo, Griffith, Wagga and Canberra. On the Saturday we saw a good but hard program set, and as the day progressed we watched a well known young shooter in Michael Diamond from Sydney take out the sash and A grade with a score of 141/150, AA grade was won by Melbourne shooter Bill Iles scoring 94/100.

Winning the B grade section was B. Hall from The Rock scoring 89/100. T. Murray from Tullibigeal with a score of 76/100 took the C grade honours.

On Sunday, the second half of the 200 target Trench Elimination the shooters had an easier program set, and Bill Iles took out the O/A and AA grade honours shooting 97/100.

A grade belonged to Michael Diamond with 96/100, B grade again to B. Hall with 91/100 and T. Murray once again took out the C grade with a good performance of 90/100.

In conjunction was the 200 target ISU Skeet elimination round. There were eight shooters contending with the O/A and A grade won by J. Cole shooting 175/200. B grade B. Kennett won with 160/200 and C grade belonged to P. McWilliam with 121/200.

The club would like to thank all the shooters who took part and also take the opportunity to thank the ladies and Iannilli's Supermarket for the hamper.

KILPATRICK IS NEW HOT SHOT AT WINCHESTER AUSTRALIA

At 36 years of age, Brian Kilpatrick has spent half his life in the firearms industry.

Starting out some 18 years ago in the retail/wholesale area, Brian then served a short stint as sales representative with a leading firearm importer prior to joining Winchester nine years ago. Duties at Winchester have included Customer Service Manager, Sales Representative and now Customer Service/Internal Sales — Australia.

Brian's love of firearms soon led to his intense involvement in shooting sports and for the past 22 years has been an active competitor in a variety of shooting disciplines.

Of all the shooting disciplines it is the International Practical Shooting Confederation (I.P.S.C.) style of shooting that offers Brian the greatest challenge and the greatest rewards.

I.P.S.C. competition is a modified version of police and military style shooting that may require movement during the match.

In a typical match targets include rectangular cardboard targets about 39" x 18" and steel reaction targets of various sizes and styles. Some targets may be partially covered to increase the degree of accuracy required and penalty points are given for misses.

The scoring system is based on actual points scored minus penalties divided by the time taken to complete the match. With the variable factor of time taken into account the perfect score can never be achieved and the challenge never ceases.

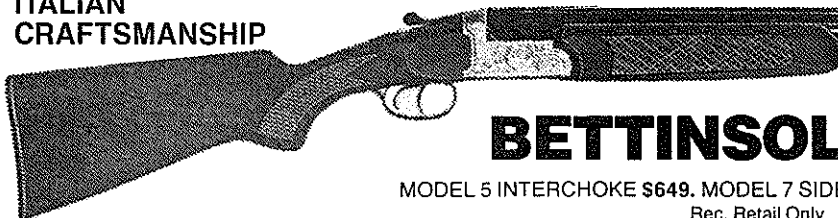

After five years competition under tough I.P.S.C. conditions, he has won a series of state titles and now, the Australian National Championship title.

Brian will now lead the Australian team in the World I.P.S.C. Championships, to be held in Orlando, Florida, September 16 through 21, competing against 300 other highly ranked competitors from 25 nations.

U.S.A. SKEET CHAMPIONSHIPS

The Australian Team is heading towards the United States later this month to shoot the National Skeet Shooting Association, 1986 World Skeet Championship.

The Team, selected on the results they obtained at the 1985 National Skeet Championships in Melbourne, are all experienced and capable shooters, very anxious to shoot well at this competition.

Held in San Antonio, Texas, our shooters will in a few short days experience the varying degrees in temperature as they leave the Australian winter for the hot American Summer.

Some of the members who have competed before in this event will remember the hot 40 degree days from last time and will no doubt have learned from the experience.

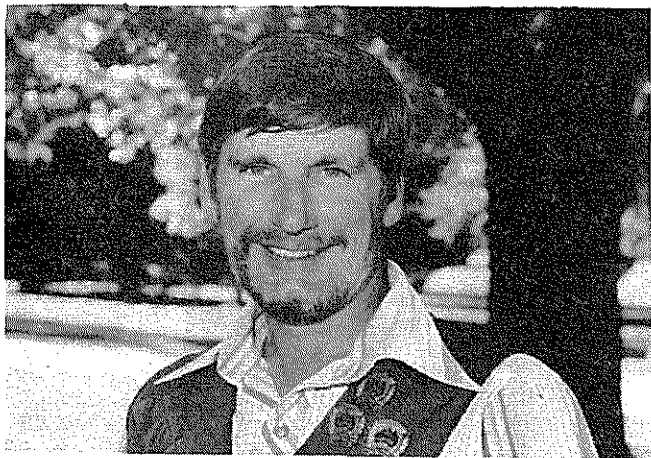

While in America they will have the opportunity to shoot against U.S. Champion Phil Murray, who will be visiting Australia in November to conduct Coaching Clinics in all States.

As well as this, Team Manager, Roy Holtfreter will be having a close look at the computerised system that controls the Championships and will also be speaking with American officials on the possibility of establishing a postal competition along the lines of the Mackintosh Cup.

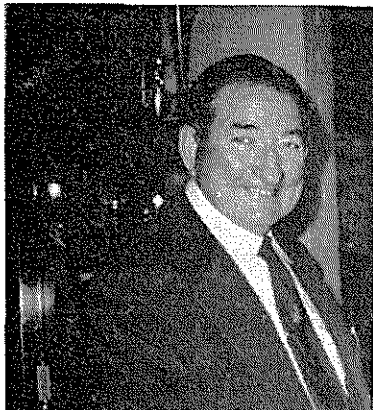

We wish the team well in their shooting and look forward to receiving some early notification of what we are confident will be good scores from the American Skeet Championship.

WARATAH STATE NOTES — JULY, 1986

FROM THE WESTERN ZONE:

As reported in the May edition of the News — Arthur Turner now a resident of Dubbo, was the winner of the Dubbo Sportsman of the Year Award.

This then meant that Arthur was in the running for the Central West Sportsman of the Year. Taking in other winners from Orange, Bathurst, Cowra, Parkes, Forbes, Condoblin and of course Dubbo.

It's very pleasing to have received news from Joan Scott, that Arthur has in fact taken out the CENTRAL WEST SPORTSPERSON OF THE YEAR AWARD. The newspaper report states: "The fruits of the award win are considerable and they no doubt made Turner a very happy man when his name was announced."

"Winning the Award has given Turner a trip for two to Noumea where he will stay at the Club Mediteranian Holiday Village with \$3,500 in expenses paid, his airfare of \$1,500 and \$400 spending money, on top of that he will receive a plaque and magnificent embroidered blazer."

Certainly a great award and the sponsors must be congratulated for providing such support.

Well done, Arthur.

FROM THE NORTHERN ZONE:

The Zone Skeet Carnival is now over, and what a great success it was — congratulations go to the Coffs Harbour Club for the way in which they conducted the event.

Results from the carnival will be in the August edition of the Notes.

Inverell Gun Club will be conducting their Annual Open 2 Day D.T.L. Shoot on the 16th/17th August — and I would just like to say, if you haven't been to Inverell's shoot — mark this one in your little book — it's a beauty, great program, great food and the hospitality is second to none — hope to see you there.

An early mention for the Tamworth Club's 2 Day Open D.T.L. Shoot — 6th/7th September. Events will include a FIOCHHI TOURNAMENT and DAN/ARM EVENT with the overall trophy in each event being a shotgun. So, if you enjoyed the State Carnival last year why not make the trip to Tamworth again this year for their Open Shoot.

★ ★ ★

Don't forget, any interesting information will be well received — send to State Secretary, P.O. Box 836, Tamworth.

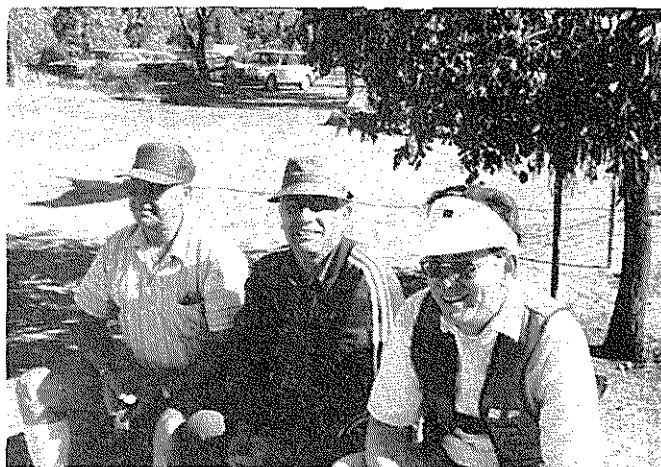

CENTRAL AUSTRALIAN MASTERS GAMES:

I have received information regarding these Games, which are set down to be held at Alice Springs from the 18th to 25th October, 1986.

Clay Target Shooting is programmed for the 19th to 21st October and the program is:

Day 1: 50 Target Double Barrel, 15m (graded); 25 Target Skeet, off the gun (graded); 20 Target Point Score, night (graded).

Day 2: 50 Target Point Score, 15m (graded); 25 Target Skeet Handicap (graded); 20 Target Double Barrel, 15m (graded).

• N.S.W.I.S.U. enthusiasts Con Diamond and Frank Petriella with Steve Kessell — watching the 'boys' shoot.

Day 3: 25 Target Single Barrel, 15m (graded); 15 Pair Double Rise, 15m, (graded).

MINIMUM AGE LIMIT IS 30 YEARS OF AGE.

I have been sent a supply of registration forms AND THE CLOSING DATE FOR APPLICATION IS 31ST JULY, 1986.

More information may be obtained from the General Manager C.A.M.G., G.P.O. Box 1448, Darwin, 5794. Phone (089) 82 2211.

Package accommodation and travel deals are available.

OLYMPIC DISCIPLINE NOTES

With winter now well and truly on us, our elimination series and the conducting of major Olympic Discipline carnivals in New South Wales is taking its well earned rest for a few months, with the exception of the elimination to be held at Griffith Gun club in a few weeks time.

During this period, our National teams will be competing at the Commonwealth Games in Scotland in late July, and the World Championships at Suhl in East Germany, during early September. The New South Wales I.S.U. Sub-Committee has also once again received an invitation to compete at the Pesta Sukan Games in Singapore in early August, and there will be a contingent of our state's I.S.U. enthusiasts heading over there.

The Sub-Committee's annual fund raising carnival was once again successful, although there were quite a few that did not give their support. The benefits of the Sub-Committee's efforts to raise a few dollars will hopefully soon be seen by those dedicated enough to make an effort.

After five of the eight Olympic Trap eliminations the positions for training squad spots are still wide open, with John Maxwell still leading field, but like all others, needing to register more scores to even be eligible. In the I.S.U. Skeet, Brian Prosser still has a slight edge over Christian Naudin and promising junior Mark Agar, but there are still three more eliminations left to be conducted.

The programs for the 1987 events are hopefully well nearly completed, and it is anticipated that the year will really get off to a good start at the state I.S.U. Carnival, this year to be conducted over three days (shot 75, 75, 50) at Guyra on the long weekend in January.

F16/385

As many would know New South Wales has been allocated the I.S.U. Nationals for 1988, the bi-centenary year, and plans are now well underway to conduct the biggest and best ever I.S.U. Carnival, on a new ground to be commenced shortly. More of that later.

I.S.U. Calendar: Griffith 12th & 13th July — 200 targets Olympic Trap and I.S.U. Skeet.

Taree 27th and 28th September — 200 targets Olympic Trap and I.S.U. Skeet.

Illawarra 11th & 12th October — 200 targets Olympic Trap and I.S.U. Skeet.

Once again, it is worth mentioning the increasing number of shooters having a go at Olympic Discipline shooting, not only the more competent competitors but also a number of lower grade shooters. It is all graded, and definitely more challenging. Why not give it a try?

N.S.W. C.T.A., P.O. Box 836, Tamworth, 2340. (067) 65 9386 A.H.

As reported in the last Bulletin, the State Skeet Carnival is almost upon us. As you will see from the double page advert in this edition of C.T.S.N., the State Night Skeet Championship is also being conducted. This event along with the Championship on Friday are not included in the Overall High Gun.

All Lady and Junior shooters — please note — HALF NOMINATIONS will apply for Ladies and Juniors shooting the full program (excluding the night Championship).

All interested skeet shooters should also note the competition will commence at 8.00 A.M. on Saturday and Sunday.

1987 PROGRAM BOOKS:

Club Secretaries are most probably wondering where the order forms are for these. The cost of the books will be being discussed at the State Executive meeting being held on the 12th July and order forms will be sent out after that meeting — which of course will only allow approximately four weeks for them to be returned.

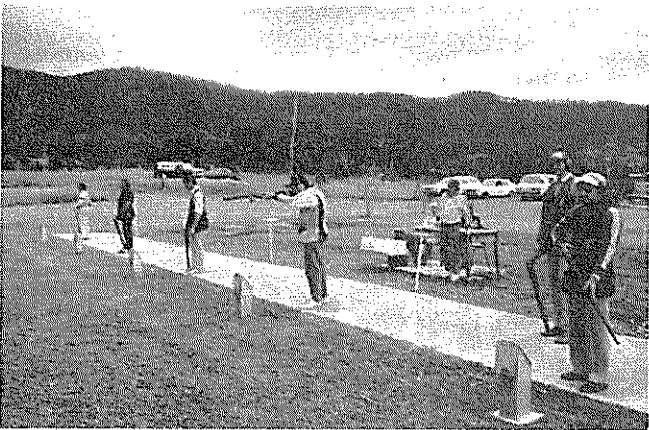

CLUB SECRETARIES SEMINAR:

A suggestion was made to me recently regarding the possibility of conducting seminars in each Zone, for Club Secretaries. The main aim to be the offering of assistance and guidance to those new on the job, and/or help sort out any problem that may be re-occurring. If your Club is interested, I would be pleased to hear from you.

Something else to be considered would be set dates for Coaching day in each Zone, and those dates along with the venue to be published in the 1987 program book.

FROM OUR STATE PRESIDENT:

Len writes: I wonder how many of us stand back (as a visitor would) and take a critical look at the way some of us dress while attending a shoot?

• During the Olympic Trap event at the recent N.S.W.I.S.U. Fund Raising Carnival at Illawarra — P. Srbnovski, G. Barnes, P. Rose, V. Elliott, V. Gatt and C. Bailey.

Some years ago we brought out a rule banning the use of thongs as footwear while shooting, as a safety factor, however, we still had some shooters wanting to compete while wearing thongs (until it was enforced).

Naturally, we do not expect you to attend a shoot in "top hat and tails" or in a dinner suit, but it would be a pleasant surprise if all shooters dressed tidily and projected the image that we are proud of our sport. I know that 90% of shooters do this but it is the 10% that the onlookers remember — and that's the image we create.

What about you "ten percenters" having a look in the mirror (through the eyes of a spectator) — I'm sure you will be surprised by the result if you upgrade to the standard of the other competitors.

Len continues, while on the subject of dress — what about a few more STATE BLAZERS around the traps?

Wherever I go, I wear mine and on every occasion a shooter will ask particulars as to how to get one. I have written it in the News several times — however, for the new shooters (or the old shooters who haven't read the News before) I'll give full particulars:

1. Go to your local Menswear store and order your "BOWLS BLUE" blazer;
2. Request a pocket piece of matching material (approx. 18cm x 18cm or 8" x 8");
3. Send this piece of material along with \$6.50 to: J.J. Cash, 91 Murphy Street, Richmond. 3121. Attention: Russell Grant, with a request to embroider the N.S.W.C.T.A. emblem on it. Delivery will be approx. 7 to 10 days.

Let us all purchase one — this alone will do wonders for our image and increase our prestige in the community.

"A THOUGHT"

"A friend's good points will stand by themselves; it's up to you to stand by his bad ones."

Len raises the question of Common Mark or Handicap shooting . . . He writes: When I started shooting 32 years ago, all Clubs shot 3 handicap sweepstakes, 1 trophy event (handicap) and 1 District or Club Championship.

The basis of this was to encourage new shooters into the sport — the Championships were always won by a back marker and the handicaps gave the new shooter an opportunity to share some cash. Recently, one Club (in the Central West) shot 5 events — ALL OFF HANDICAP and 57 SHOOTERS attended.

Quite a lot were behind 20 metres and they said that they attended as the handicap events offered them more of a challenge than 15 metre shooting.

One shooter stated that "with 15 metre shooting you know you will probably have to shoot 100 plus targets to win a graded event and the cost to the shooter is getting prohibitive — plus the additional cost to the Club in targets and time lost whilst they are shooting off".

I know of another Club (with more registered shooters than the above club) who recently shot a full day program — all off 15 metres graded and 27 shooters attended.

IS THERE A MORAL IN THIS?—Think about it, look at the results through the eyes of a new shooter — THEY ARE THE LIFE BLOOD OF YOUR CLUB.

BIRDIE'S PROVERB:

"A good deed — no matter how small — is worth more than the grandest good intention."

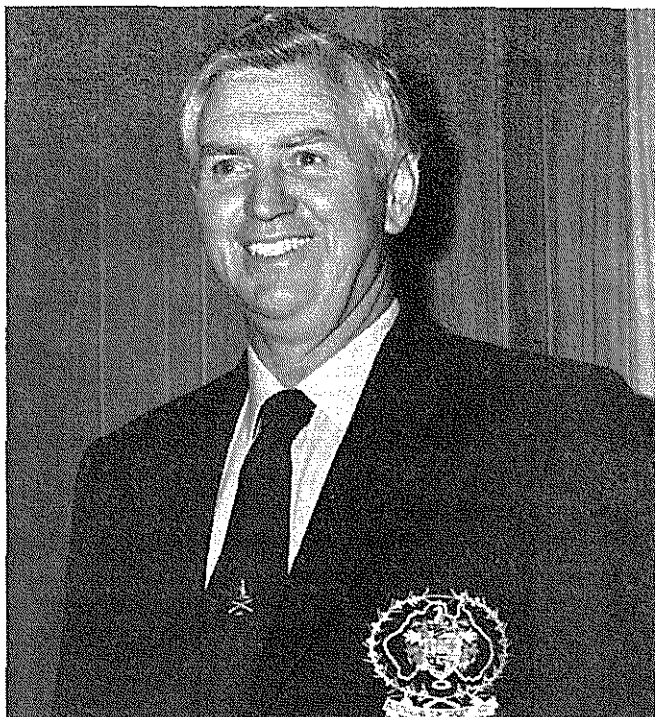

VALE

In May, Millicent Gun Club lost one of its long standing members with the passing of Bill Sinclair. Bill had a quick smile and a happy disposition and was a keen and contributive club member.

He will be greatly missed at all the local gun clubs.

The club extends their deepest sympathy to his wife Elva, and family.

FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

COACH ACCREDITATION SCHEME

I have been asked to explain the operations of our National Coaching Scheme, as many in our sport are still unsure of its structure.

Firstly just a short history of the scheme and the reasons for it being set up. Coaching in Australian sports, not just clay target shooting, had in past years, been based on handed down knowledge, and it was not always the person with the best approach to developing someone else's ability, who handed it on. We all know the feeling of receiving advice and information from four or five different, helpful shooters, often advice based on what suited them, not necessarily what was best for the shooter.

In 1977 the Sport and Recreation Ministers both State and Federal, made the following recommendation: "The Commonwealth undertake as a matter of urgency the co-ordination and development of a national system for the training of coaches."

This was done, and the National Coaching Accreditation Scheme was born, with the objectives of:

1. Establishing a national education and accreditation scheme for all Coaches in all sports.
2. Provide the opportunity for Coaches to undertake some training in their sports coaching.

The Australian Coaching Council was formed, it has 12 members, 6 Government and 6 sporting members, it has the responsibility for implementing and promoting the scheme. We submit our coaching courses to that body for approval, they must meet the standards set by the Council.

The Australian Clay Target Association was one of the first sports to recognise that the existence of a body of coaches with a high standard of proficiency was an important step in the development of clay target shooting at all levels. 47 sports are now part of the scheme. The Level 1 Accreditation Course was submitted and accepted in 1980, at that time the A.C.T.A. had already set up the structures for the implementation of the National Scheme. They are: The National Coaching Council of the Australian Clay Target Association, consisting of the seven State Coaching Directors and the National Coaching Director.

State Coaching Director.

Zone Coaches.

Club Coaches.

It was our aim as a sport to have all clay target coaches accredited under the Federal Scheme, so that when accredited they are recognised coaches of a standard level, (most of course, are well above that standard in their ability), that is recognised by all sports, and Government bodies.

Our sport now has 263 Level 1 coaches and 33 Level 2 coaches. The Level 3 course has been submitted to the Australian Coaching Council for approval. It is our aim that all Club Coaches should be at least accredited to Level 1 standard, Zone Coaches at Level 2 accreditation standard and State Directors at Level 3.

State Directors are responsible for the over-seeing of the scheme within their states and should be consulted on the appointment of Zone Coaches within their states. The Zone Coach must be at least accredited at Level 1, when appointed to that position.

The Zone Coach in turn is responsible for the Club Coaches within their zone and should be consulted by the Clubs before an appointment of a Club Coach is made. It is the responsibility of the Zone Coach to make sure the Club Coaches reach the required proficiency and pass the necessary tests.

It is vital that the Zone Coach be consulted about the selection of a Club Coach because as was stated at the beginning, not all people, no matter how good they are at their sport, have the necessary attributes to coach.

Coaching is an "honourable profession" and the Clay Target Association has been lucky enough to attract people of the highest calibre to fill the coaching positions.

Level 1 requires the coach to practise as a coach for 12 months before being accredited, Level 2 requires an extra two years before accreditation, and Level 3 requires that the coach have the three years practice of Level 1 and 2 plus a further 3 years — 6 years in all — as a practical coach, plus of course, the required theoretical learning.

Support your Club, Zone and State Coaches, they do a great job.

Coaches, please notify me if you have changed your address, so that I can notify the National Coaching Council, and keep those coaching reports coming in.

If anyone has a topic they would like discussed, don't hesitate to write and let me know, my address is in the front of the magazine.

Good shooting, with your Club Coach, Peter Quire.

"DUKE OF GLOUCESTER CUP"

On May 11, 1986, the Frankston-Australian Clay Target Club, held the "Duke of Gloucester Cup". This Cup would have to be one of Clay Target's most valuable trophies.

It was presented to the Nobel Gun Club in 1935 by Sir Stanley Argyle (State Premier) on behalf of the Duke of Gloucester.

It is shot off handicap marks and the Cup contains the names of many Champion shots.

It was won this year by Ray Collins (for the second time), Alan Reed was second and Tom Gannon third.

The Silver Cup stands three feet high and is said to be larger than the Melbourne Cup.

It is engraved "Presented to the Nobel Clay Bird Club by "Lovers of the Gun" for Clay Bird Shooting".

Brian Bond, President.

NATIONAL TRAINING SQUAD

The National Training Squad is attending a live in camp at the Institute of Sport for one week prior to the selected team members departing for the Commonwealth Games in Edinburgh.

The Association wishes to thank Olimpyc Targets for their donation of targets and Scorpio Cartridges and A.C.T. Ammunition for the donation of Mionchi Cartridges.

On behalf of the National Training Squad we would like to record our tion of the support given.

Skeet Coaching Clinics Phil Murray, U.S.A.

The visit by Phil Murray to Australia to conduct Skeet Coaching Clinics in all States during November 1986 has been confirmed.

DATES:

Qld: Saturday/Sunday, November 1-2

Vic: Saturday/Sunday, November 8-9

NSW: Tuesday/Wednesday, November 11-12

SA: Wednesday/Thursday, November 19-20

WA: Saturday/Sunday, November 22-23

Please contact your State Secretary for further details on how to participate — Numbers are limited.

AROUND THE TRAPS

With Laurie Connors

Friday, May 16, 1986. The North West Zone Council, at its meeting held at Warracknabeal deliberated on many subjects concerning clubs and shooters within the Zone. Our Secretary Treasurer, Jim Shepherd, produced figures to show the Zone is in a sound and healthy financial position. We are now preparing to boost our finances further with the 1986 Zone Trap Carnival to be hosted by the Cohuna Gun Club in September. It has been decided to run a two day Carnival following the success of our 1985 titles at Maryborough. As well as excellent trophies being provided for all events the two top juniors in the three major events will receive free nominations and cartridges to compete in the 1987 Nationals in Brisbane.

• Right: North West Zone Secretary Treasurer, Jim Shepherd, presents his Club President Bruce Jennings with his Championship Sash and High Gun trophy won at Maryborough Gun Club's monthly shoot.

Also the open High Gun winner will receive free nominations and accommodation to attend the same Nationals. Shooters interested in competing at our Carnival should watch the August C.T.S.N. for full details. Being mindful of the number of junior shooters showing great potential in our sport, the Zone has also made a fifty dollar donation to the A.C.T.A. World Championships — Junior Fund. Several items that came out of the recent Executive meeting for attention have been listed for discussion at a Zone General Meeting to be held at Jeparit Gun Club on Sunday, June 15, 1986.

The major one, a possible increase in shooter registration fees will no doubt be given priority time. The 1986 budget presented to the Executive, at its recent meeting showed times will be tough financially for 1986, and the years ahead. It also gave an indication it is necessary to address our budget earlier, than is the case at the present time. It has always been normal procedure to attend to this at the Executive Meeting held to coincide with the D.T.L. Nationals.

It no doubt would be far better to address the ensuing years budget at the November Executive meeting. This way, any likely problems could be foreshadowed earlier and before the year actually begins. At the moment, up to three and sometimes four months have gone before the budget is looked at. Nevertheless, some spending restraint for 1986 has already been taken to help improve the situation.

• North East Zone Carnival sectional High Gun winners. Left: Jan Woodhatch and G. Scott.

• Left: Bill Eagle North East Zone Double Barrel winner, being congratulated by Zone Single Barrel Champion Rob Barnes. Rob was also High Gun winner 112/115.

We are just as vulnerable to rising costs as any other organisation and they have to be faced responsibly.

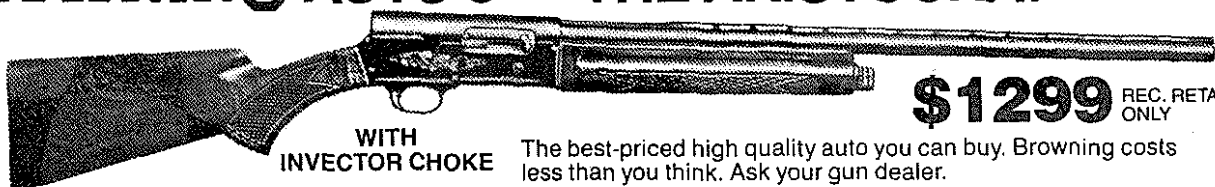

Saturday, May 17, 1986. The North East Zone held its Annual Trap Carnival at Wangaratta. Weather conditions were wet and windy and not conducive to attracting a high attendance. Even so, fifty-three shooters clad in wet gear braved the elements and competed in their Zone titles.

Bill Eagle, with eyes like a "Hawk" captured the North East Zone Double Barrel honours. Bill only had to shoot 32/32. Considering the conditions it was a good score. The Zone Points went to Rob Barnes 75/75, the only possible in the event. Robby Edwards won the Handicap with Tony Sinceric second and Jim West third.

G. Scott won the Junior High Gun over the program. Jan Woodhatch won the honours for the ladies, and Robby Barnes put 112/115 on the board to win open High Gun.

Sunday, May 18, 1986. With weather conditions still continuing to be a farmer's delight, Tatura Gun Club entertained a small crowd at its monthly club shoot. Shepparton's owner "TAXI DRIVER", Alan Spence was in good form and won both the double and single barrel events on

BROWNING AUTO 5 — THE ARISTOCRAT

B2/1185

the program. Graeme Reid won the handicap event. Andrew Calandro was second with Alan Schmedge third. Saturday, May 24, 1986. Maryborough Gun Club, in ideal shooting conditions, conducted a mixed target Championship at its monthly club shoot. The sixty target event included targets from handicap as well as 15 metres.

In a field of 35, Club President, Bruce Jennings took out the honours with two points down. Bruce also won High Gun honours over the program.

See you where there is shooting.

W.A.C.T.A. REPORT

The end of May is here already and the speed that this year is going it will soon be Christmas again. I am pleased to see that the International Section at Whiteman Park is running smoothly with ever increasing numbers coming along to try their hand at the new disciplines of I.S.U. Skeet and Trench.

It will be worth your time to avail yourself of this exciting new discipline. Remember it has been built for every member of all Clay Target Clubs in the State, so use it when you can.

It was pleasing to hear of John King's win in the W.A. Gun Club's Club Skeet Championship with a score of 49/50 on the 20th April, 1986.

The C.M.T. Clay Target Club held their 2 day Carnival on 3rd and 4th May which included the State I.S.U. Skeet Championship.

DAY 1

34 shooters from Bunbury, Esperance, Kalgoorlie, Northam, Geraldton, Narrogin, Collie, Field and Game and West Australian Gun Clubs travelled to Cunderdin to compete in the State ISU Skeet 100 Target and State Team selection event.

The strong north easterly wind created demanding and difficult conditions causing the High House Target to stay flat on occasion and the low house to lift or dive pending the wind gust.

1st Round scores resulted in no higher than 22 being carded. Round 2 saw some improvement in the score with one of only 2 possibles shot for the day carded by J. Fissoli. After round three it was starting to show the likely top three place getters. The scores being J. Fissoli 68, A. Foresberg 67 and D. Kevill 66. The stage was set for a climactic fourth round. J. Fissoli carded a 23 giving him 91/100, D. Kevill a 24 giving him 90/100, A. Foresberg needing a 25 shot the possible. Showing the mark of a true champion giving him 92/100 and the State Title for the second consecutive year. The State Team was decided after the 100 Targets. These are A. Foresberg, J. Fissoli, D. Kevill, J. Carboni and J. Harris. The position filled by J. Harris was won after a three round shoot off with J. Puglia and R. Eckersley, all three finishing 87/100.

The scores were very creditable taking into consideration the weather conditions the competition was shot under. One feature of the event was the contrasting shooting styles of the 1st and 2nd place getters. A. Foresberg using the traditional upright and "correct" style with J. Fissoli using the "fashionable" squat style. Both with good effect.

OVERALL RESULTS:

A. Foresberg 92/100; J. Fissoli 91/100; D. Kevill 90/100. A Grade J. Carboni; B Grade R. Eckersley; C Grade C. Bertini.

STATE TEAM:

A. Foresberg, J. Fissoli, D. Kevill, J. Carboni, J. Harris.

SUNDAY: DAY 2:

Had the potential to be a "down the line" shooter's delight. The weather was no kinder, a cold cloudy day with a freshening north-easterly wind, but the program gave the shooters something to look forward to. Three District Championships plus a Cash Business Men's Handicap.

Event 1: 25 Double Barrel District Championship was contested by 45 shooters. Only 4 possibles, but plenty of 24's indicating things were going to be challenging. D. Fox

● The State I.S.U. Skeet Team (L to R standing) J. Carboni, A. Foresberg — Overall Winner. (L to R seated) D. Kevill, J. Harris and J. Fissoli.

emerged the winner 34/34. A Grade D. Weise; B Grade B. Hopkins; C Grade P. Morrison.

Event 2: 25 District Double Barrel Points was won outright by D. Kevill 72/75. A Grade A Hocking, after shoot-off; B Grade E. Harris; C Grade J. Locke.

Event 3: District Continental Championship. Possibles shot with the in-form D. Kevill emerging victorious 33/33. A Grade D. Weise; B Grade E. Harris; C Grade A. Foresberg.

Event 4: Business Men's Cash Handicap. Four shooters shot the possible and entered into an entertaining shoot off. C. Russell and A. Foresberg dropped out shooting 46/47.

E. Harris and R. Hogarth proceeded to do battle, neither looking like missing a target. E. Harris emerged the victor 65/65 and R. Hogarth gained his 50 Break Badge. Metreage: 11-15 B. McKay; 16-19 C. Russell; 20-25 R. Pickard.

The day's shooting drew to a close with the High Gun being won by D. Kevill. A just reward for consistent and disciplined shooting.

An enjoyable two day shoot. Highlighted by the presence of ACTA President Mr R. Holtfreter and WACTA President Mr R. Silvester.

A special thank you to the "Kitchen Girls" for the great catering job.

On the Saturday night the Cunderdin Lions Club held their Sports Star of the Year night. We were all very proud to hear that our own State Vice President John Fissoli was named the winner for 1986. Another first for Clay Target Shooting in this State. Congratulations John.

The C.M.T. Club President Bob Thomson and his committee would be pleased, I am sure, with this well run Carnival.

That's all for this month. Take along a friend to the next shoot at your club.

Good shooting.

Ross Silvester.

SPECIAL REPORT. SKEET NATIONALS — WAGGA GUN CLUB

To keep all you 'skeeties' informed about the 1986 Skeet Nationals, here is a report for you.

Firstly we must thank the NSW Skeet shooters and the other skeet shooters who have supported NSW in holding the 1st Skeet Nationals in NSW.

Looking at the grounds with only three skeet layouts we wondered how we would ever get it into shape and build two more permanent layouts.

With the help of a small Wagga Gun Club Committee things are starting to take shape. With all the new layouts pegged out and all distance measurements correct the basic work began. 6 a.m. mornings started with concreting, the station pads and the bases for the skeet-houses, the scoreboard area is now also concreted.

Once the concrete was set the brick layers were able to come out and start on the skeet houses. It started off looking like a pile of bricks, but now they have taken on full form. Safety fences are in the process of being erected, station pads are in their places, with the final roofing to be put on.

A working bee did a fine 'clean-up' job, getting rid of a lot of rubbish, picking up discarded shells (empty), mowing lawns, planting new grass, and burning off the grass. The Wagga Wagga City Council did an excellent job on grading the road.

For those who have been to Wagga Gun Club before, the access road is now twice as wide with \$1500 worth of gravel put down on the road. A total of \$2500 worth of work was done by the council. The parking and trade display areas have been levelled out and new grass seeds planted.

The trees were slowly growing and with the help of two committee members watering them after work or any chance they had, the trees sprang back into life. Many long hours and care were gone in one day after a farmer's sheep got into the club grounds and ate the new shoots off the trees, but with more care they will be back on the mend soon.

Publicity has been excellent already with the local radio and television stations the most interested. Local sponsorship for these Championships has been great both in the Pre-Nationals and National events. All our club skeet programs for skeet before the nationals will be 100 targets.

There is even a chance that the Nationals could be on "Sports Sunday" a Sunday morning sports program.

The club is really starting to look like a high quality championship ground. The club is the biggest in NSW, and second in Australia.

See you all at the Championships in November.

Maree Rooke.

NORTHERN NOTES

HERE AND THERE

'Dazzling' Darryl Read is a little puzzled over his 'Dark Horse' description in last month's 'News'. Check the previous sentence, Darryl!

Art Blatt's book on Trap and Skeet shooting has been around for quite a while, but it's still possible to pick up points previously unnoticed. Thinking of sweeps, there's a chapter that should be required reading for every Club Committee member. It lists the enormous amount of options open to Clubs and Associations in Sweepstakes shooting.

Also, in the Skeet rules listed, it seems that only UPWARD movement in grade can occur throughout the year, and downgrading, if warranted occurs at the beginning of each year. I didn't notice it in the Trap rules when I looked, but it's possibly there, too. What a wonderful idea to stop our professional and amateur 'Grade Cheats' in the A.C.T.A. How about it, Rules Committee? It standardises Grading and Handicapping, is less work for Club, State and National officials, and is a sensible, reasonable approach to a rule change that is long overdue.

KATHERINE KORNER

The Gorge city's annual shoot was poorly attended by local shooters (six) and subsidised by visitors (17). The ideas behind the shoot were sound, cash for all events, but were thwarted by the small numbers. For a 50 target event with 20 shooters, and with targets costing the Club 15 cents a throw, it doesn't take an Einstein to work out that shooter returns were not gigantic.

Shooting was excellent in all grades, with possibles in events coming steadily. Tony Hare took the night Territory title with a particularly fine 50/50. J.D. won the Single Barrel Calcutta event with a 49/50 and Jim Bitossi won overall High Gun, after a 25 target Points Score last event in which it appeared he'd 'blown in'. Jenny Fabian gained the Ladies' award, without reaching the shooting heights of which she is capable, but also without suffering the 'interference' problems she's had in shoot-offs with husband Graham...

In the minor grades, Tom Weis, after being down-graded yet again to 'B' grade, had a fine tussle with Paul Seis in most events, and in 'C' grade. 'Sutty' from Jabiru and new shooter Glen Goding showed touches of class, particularly in their double rise shoot-off.

Breakdown of the shooters into grades revealed that 14 'A' graders, 6 'B' graders and 5 'C' graders competed, definitely a case of 'reverse subsidisation', lower grades usually propping up the 'A' and 'AA' grades.

SAFETY SECTION

Quite a few shooters have complained of the requirement in Handicap shooting that guns be unloaded if anyone is on a more forward mark.

Some reasons given for complaint are: the speed of the squad is slowed down considerably; the shooter can see no reason for not having his shotgun loaded; it disturbs concentration having to place cartridges in the gun immediately prior to shooting; the list goes on...

Taking these complaints in their turn leads us to these facts: The speed of the squad is slowed, but not by much. What it has done is slow down the shooter who has closed his gun illegally and is ready to fire before the previous shooter has reached the same mark. It definitely slows this type of shooter, who ranks time spent on the walks ahead of courtesy and safety.

Being unable to see a reason for having guns empty almost qualifies the reasoner for a 'cretin class' certificate. Tim Catling from W.A. gave the best reason when he cited the case of the handicap shooter of many years, and many yards also, who had a heart attack and collapsed on the walks. His gun closed, dropped, thus covering every other shooter on the walks. No, the gun didn't go off, thankfully. But, IF IT HAD, what do you reckon would have happened

then and there to the handicap rules? Answer: the rule we've got now, but with a squad of 'dead 'un's' and casualties on our conscience. It would have been another classic case of 'closing the stable door', just the same as the present requirement for advising shooters to check barrels for obstructions may have saved the life of the Texas, Queensland shooter recently, had it been in force. Rules HAVE to be made to prevent the 'million to one' chance from happening.

As for disturbing the concentration. Well, if you're a stick in the mud, unadaptable to a change for the good, worried about putting cartridges in the gun because your concentration will be 'shot' — this worry coming after watching the previous shooter return to your mark — it's a real problem. But you won't make it as a shooter anyway if that's your attitude.

Let's face reality. The real reason for most complaints is the inertia of the individual. He resents change, especially a rules change which involves safety, as this means that it is implied that the shooter, personally, has been judged to be unsafe.

Going one step further with empty guns on the walk, I would like to see the 'magazine' gun rule applied to ALL types of shotgun.

I believe that ALL guns should be empty whenever a shooter is moving, either on or between walks. The only time a gun should have cartridges in the chambers is when the shooter is stationary on the walk from which he is to shoot, when there is no one in front of him, and when no safety hazard exists.

In defence of the above, I have seen, during the 'Wet' in Darwin, with the walks and surrounds saturated, a shooter moving, with cartridges in his gun's chambers, off the centre walk to walk four. He slipped on the greasy concrete-grass junction, and would have fallen but for the intervention of the referee, who, fortunately, was standing close by. Had the shooter fell, or dropped his gun, the competitors on walks four and five, and also the referee and scorer were greatly at risk. With no 'crackers up the spout', pride would have been the only party to have been liable to be injured.

I expect any long time shooter has seen similar 'near misses' in every Club in Australia. DO WE WAIT UNTIL TRAGEDY COMES ALONG BEFORE WE STEP IN?

DARWIN DIARY

My Darwin diarist advises that I have been neglecting the newcomers in these columns, and this is reasonably correct, as we don't see too many newcomers in the hustle and bustle of competitive shooting today.

Perhaps the transition from 10 to 20 targets practice on a Wednesday night, in a relaxed and casual atmosphere, to the grim 50 target marathon is too much of a transition to be comfortably overcome by most novices. Costs and non-existent returns add to the reluctance.

Enough of windmill-tilting. Those shooters who have made the transition are Glen Goding and Peter Hoare, who are becoming more accomplished with every shoot. John Fletcher, with his analytical approach will get there if he doesn't run out of stock blanks first (Sorry, John). Terry Rogers and Andrew Napoli are riding the 'C' to 'B' and back again roller coaster along with Paul Weis. Tiny technical troubles take time to treat, trio.

Tony 'Shooting in the Bush' Barrassi, had another 'almost' skeet round recently, when he got a station six before coming unstuck. Keep it up Tony, the 25's are getting closer.

Rosco, the Gladstone ace, and Suttly, the 'Jabiru flash', entertained the onlookers at Darwin recently with an epic shoot-off in a 10 pair double rise event. Together with Glen Goding, they proceeded on a 'hit-miss' course which had the calculators out in the audience. Fifty targets on saw Rosco the eventual victor.

McARTHUR RIVER MENTIONS

I must bow my head in shame for failing to mention the BIG shoot at McArthur River in May. Apologies, folks.

From all accounts, a poor roll up of Territorians was offset by the Mount Isa shooters. If any shooter is travelling in the area, this Club is a definite MUST to visit, where the true tradition of Territory hospitality is perpetuated.

Indefatigable worker for the Club, Judy Retter advises that, though the Club is the smallest in the N.T.C.T.A., it will soon boast the highest referee to shooter ratio in the N.T., if not in the country. Well done, M.R.G.C.

GOVE GOSSIP

For the first time in a few years, a strong Nhulunbuy contingent is expected at the State Trap carnival. The Arnhem Gun Club has been very quiet around the traps recently, and it's a pleasure to welcome them back to competition.

JUST FOR JABIRUVIANS

First the bad news . . . President and long-time stalwart of the Club, Gary Dunstan has had nearly three months off work with a serious shoulder injury and is not expected to lift a gun for quite some time. The good news is that he'll still be around the Club in his capacity as Club Coach. Hope it's not too long before you're back out on the walks, Gary.

It's strange how Deauville Doubles competitions and rules continue to be newsworthy. A little bird informed me recently of the Jabiru ladies who took on the men, and were so confident that Ms 'A' only loaded one shell, whilst the ever-provident Ms 'B' did load two, but thought that was unfair, so made sure that one was an empty. Not a bad handicap, girls! However, boys, look out next time, as R. and J. have sworn to have no mercy!

Finally, food for thought — the J.G.C. kitchen has been completed.

Until next time,
Inkball.

Please be aware that all programs advertised in the CTSN that promote your Club program MUST BE IN KEEPING with the Rules of Clay Target Shooting.

Alan J. Maher,
Executive Director.

VALE

PETER TOROK

Peter Torok, an Honorary Life Member of the Geelong Clay Target Club, passed away suddenly on May 26, 1986.

Peter will be remembered for his kindly unassuming manner and his many years of service as club Treasurer.

Sadly, it is only a matter of months since he retired from the C.S.I.R.O., maximum age.

Peter excelled in all disciplines of our sport, having won many down-the-line, skeet and tower trophies. He also enjoyed simulated field shooting with the Victorian Field and Game Association, and rarely missed a 'duck opening'.

He will be sadly missed by friends, club members and the shooting fraternity.

NEW ATTENDANCE RECORD AT CARNIVAL

The Q.C.T.A. State Trap Carnival was held at the Gemfields Gun Club over the weekend of 3rd, 4th, 5th May, 1986. Two hundred and seventeen shooters competed over the weekend.

Gemfields had their grounds in A1 condition, and their ladies committee handled the task of catering for all superbly.

Although heavily overcast, the rain stayed away during the shooting, except for a very light shower — however, there were a few of the campers wringing out their bedding one morning.

One shooter from the Roma camp, (we don't mention names), showed his tree climbing ability, while the rest of the Roma camp managed to get over a hundred dollars in their swear tin, in very little time. This money was later put on the bar, for those who contributed to have a drink.

The social aspect of this Carnival is increasing each year — and no doubt many stories will be told back at the home clubs.

The two meetings held during the carnival were well attended and very productive to the running of the Q.C.T.A.

The first event on Saturday was the Winchester event — several possibles were shot. Donna Pietzner of Eton-Mackay made the men knuckle down, resulting in Bill Stevens being the overall winner, Gary Redmond the AA winner, while Donna Pietzner took out A, Tom Meadows B, and Ronald Bell C grade. Donna also took out the Ladies trophy while the Junior trophy was won by Tony Herberts.

Doug Smith won the State Double Barrel C'ship after a shoot off which continued on Sunday morning. AA grade was won by Gary Redmond, A grade by Rod Moody, B grade won by George Mariner and C grade by Reg Woodward. Marilyn Cassagrande won the Ladies, Paul Rehbein the Junior, and Veteran was won by Ken Cross.

Sunday following the shoot off, the State Single Barrel Championship commenced. Only two possibles were shot, Geoff Fett emerged the winner to win the overall, with Doug Smith winning AA grade, Barry Nasser A grade, B grade was won by lady shooter Kaye Rehbein, and C grade

by John Prewitt. Kaye also won the Ladies, while Matthew Heslin won the Juniors and Buster Schmidt won the Veterans.

The State Double-Rise was next, and again Doug Smith won the overall, with Gary Redmond taking out AA grade, Graham Turrell the A grade, and Owen Schmidt the B grade, and C grade was won by Burnett Goody. Vickie Deeley won the Ladies, Juniors was won by Troy Dixon and Dudley James won the Veterans.

Monday the State Pointscore Championship, no possibles shot, however six shot one point down. Following the shoot off Gerry Chizzotti emerged the eventual winner of overall, with Richard Dean winning AA grade, Bill Scarborough A grade, Kay Rehbein B grade, and C grade was won by Ronald Bell. Donna Pietzner won the Ladies, Paul Rehbein won the Juniors, and Buster Schmidt won the Veterans.

The Interstate Trap Teams Match was then shot. The Open Team members were: Doug Smith, Geoff Fett, Richard Dean, Rod Fett, Ray Maroske, John Porter, John Withers, Peter Freeleagus, Merv Hass, Jim Riggs, Greg Newey, Rob Rehbein, Gerry Chizzotti, Graham Haig, Barry Nasser.

The Ladies Team consisted of: Kaye Rehbein, Thel Meadows, Donna Pietzner, Vickie Deeley, Marilyn Cassagrande, Vere Storch.

The Junior Team consisted of: Paul Rehbein, Matthew Heslin, Jason Deeley, Brent Dupuy, Michael Beale, Tony Herberts.

Team High Gun were: Open Team — Graham Haig. Ladies: Donna Pietzner. Junior: Paul Rehbein.

Queensland Champion: was shared this year between Doug Smith and Geoff Fett.

The Cash Handicap was the last event the results being: 11-15m: 1st John Palmer; 2nd Ian Pfingst; 3rd Murdock Crombie.

16-18m: 1st Chris Harrison; 2nd Mal Schumacher; 3rd Peter Van Beuzekon.

19-21m: 1st Gus Beurchler; 2nd Barry Pearce; 3rd Rob Rehbein.

22-25m: 1st Danny Cassagrande; 2nd John Porter; 3rd John Paul.

Overall High Gun was won by Doug Smith. Doug won the Winchester Rifle donated by Cliff and Tanya Reid of Roma Outdoors and Sports.

Ladies High Gun was won by Donna Pietzner.

Junior High Gun was won by Paul Rehbein.

Veteran High Gun was won by Buster Schmidt.

The S.E. Zone won the postal teams match and the teams match at the Carnival.

There was no State Sportsperson Award made this year.

Thanks to our sponsors: Winchester Australia, Fuller Firearms, Olympic Targets, Barjon Engineering, Trap-shot Cartridge Co., Castlemaine Perkins, A.J. Parkes, Gladstone Guns and Ammunition, Roma Outdoors and Sports, Rod Fett, Ken and George Cross, and Noel Deeley. 1986 was a very successful carnival, and as I heard many of the farewells include, 'See you next year at Toowoomba'.

WAGGA GUN CLUB DEVELOPMENT

The New South Wales State Government has recently announced a \$31,000 grant to the Wagga Gun Club as part of the overall improvements to the Club House.

The New South Wales Minister for Sport, Mr Michael Cleary, when announcing the grant, praised the Wagga Gun Club for their efforts in establishing the grounds which will be hosting the 1986 National Skeet Championships.

The Wagga Gun Club are to be congratulated for the work they have done and are putting in to make certain of the success of the Skeet Nationals.

There is no such thing as an All Purpose Powder!

THAT'S WHY HERCULES

MAKES RED DOT specially for Clay Target Competition

HERCULES RED DOT

Calculate the savings yourself

| | | | |
|-------------------|-----|-------------------|-----|
| 17.5 grain loads | 880 | 22 grains loads | 699 |
| 18 grains loads | 853 | 23 grains loads | 668 |
| 18.5 grains loads | 831 | 23.5 grains loads | 653 |
| 19 grains loads | 809 | 24 grains loads | 640 |
| 20 grains loads | 770 | 26 grains loads | 591 |
| 21 grains loads | 732 | 27 grains loads | 569 |

The above table shows approximate number of reloads per kilo for grains used. * 18.5 grains of RED DOT gives a 3 dram equivalent. 17.5 grains of RED DOT makes an excellent 2 3/4 dram equivalent load.

OTHER GREAT HERCULES POWDERS

- **GREEN DOT** — Use is 12G medium and field loads
- **RELODER 7** — Bench Rest grade rifle loads
- **BULLSEYE** — For pistol and revolver use
- **UNIQUE** — An all-round shotshell powder
- **2400** — Some rifle and shotgun loads
- **BLUE DOT** — Magnum shotshell and heavy pistol loads
- **HERCO** — Heavy shotshell or handgun loads

USE ONLY AS PRINTED IN THE HERCULES GUIDE.

If you reload to save money, you use HERCULES for the cost saving. Isn't it just as important to use the very best clay target powder available?

INSIST ON RED DOT

It's made precisely for target competition and priced to give you up to 50% More Shots for your Dollar

HERCULES Powders are stocked by selected retailers in **ALL STATES**. If you have a problem getting supplies or require the HERCULES Reloaders Guide, contact:

Newbold.

VALE

SAM ZORINO

It is with sorrow that the Geraldton Gun Club mourns the passing of one of its Life Members.

Sam has been an active member for the past thirty two years and in that time has been involved in the building of our club to what it is today.

His smiling face and fantastic sense of humour shall be missed by all shooters around the state.

Our deepest sympathy goes out to his sons Sergio and Carlo and their families.

KATANNING 27-4-86 — Cloudy and cool (15). 25T Down the Line DB Hop: Winner outright B. Kowald 25-25, G. Griffiths 24-25. 10T WU & 10 PR DR Sweep: B. Kowald, S. Herbert, R. Besson.

KATANNING 4-5-86 — Windy & cool (30). 100 Skeet — The Neville Beeck 100 Annual: A: S. Gibson 95-100, G. Featherstone 82-100; B: R. Wendt 92-100, L. Hull 90-100; C: B. Howald 85-100, E. Lullfitz 82-100. 4 shooters shot 25 full round. They were Scotty Gibson, Steve Herbert, Ray Wendt and Laurie Hall. Gibson also won High Gun for the day.

KATANNING 26-5-86 — Wet, cold, windy (15). 25 SB Trophy Event: The winner was our captain Ray Wendt after a shoot-off with Lou Lupp. 25 DB: Shared by Laurie Hull, Garth Griffiths, Tim Catling and Lou Lupp. Laurie Hull HG with 47-50.

NEWMAN 20-4-86 — 25 Skeet Grd C'ship: OA: after shoot-off with T. Stingel was P. Robson 30-33; C: D. Mason 16-25. 25 Skeet Hop C'ship: OA: T. Stingel 29-33, D. Mason 23-30, M. Stone 25-30.

NEWMAN 4-5-86 — Cool (8). 5T D/B Hop: M. Stone, D. Mason, T. Stingel all 5-5. 25 D/B Hop: G. Cameron, D. Mason, D. Ireland all 24-25. 25 D/B Hop C'ship: D. Mason 25-25, G. Cameron 28-29, W. Meyle 27-29.

NEWMAN 18-5-86 — Fine (7). 5 DTL EO: G. Cameron, T. Stingel, D. Mason all 5-5. 25 DTL Grd: A: D. Ireland 39-40; B: G. Cameron 24-25. 25 Skeet: G. Cameron 22-25, T. Stingel, M. Stone, D. Ireland all 21-25.

NORTHAM & DISTRICTS 27-4-86 — Sunny & fine (21). Ideal conditions prevailed at Island Farm on Sunday when the Northam & Districts Gun Club conducted a 75 target event. Seven visitors from the Western Australian Gun Club made the competition a little keener than usual and contributed to the enjoyment of the event. Bruce Cook, one of the club's new junior shooters, showed promising improvement to win the handicap section with 79.25 points followed by Gordon Beard from Cunderdin with 74 points. Bruce was also unfortunate not to win the C Grade "off the gun trophy", being beaten in a shoot off with Peter Morrison, also one of the club's up and coming new shooters. John Fissoli from Cunderdin won the A Grade Section beating Gordon Beard also from Cunderdin in a shoot-off, while A.F. Pobjoy from WA Gun Club won the B Grade outright. Emerging as the shooter to watch in 1986 is John Fissoli from Cunderdin who now leads the High Gun points competition with 13 points to his credit, followed by David Kevill and Laurie Reynolds with 7.5 each. John is also running a close second in the Handicap Aggregate Points competition, being only .5 of a point behind Peter Morrison who has 12.5 points. Not far behind these two is Bruce Cook with 9 points, who if he continues to improve could well prove a serious contender for this competition.

WAGC 27-4-86 — Mild, sunny, light breeze, 24°C (27). 75 ISU Skeet Grd: A: J. Puglia 69-75, A. Forsberg 69-75 (count-back); B: J. Harris 68-75, M. Alcock 62-75; C: J. Coci 65-75, E. Lewis 62-75.

WAGIN 23-3-86 — Fine & windy (28). Cash Grd 10 DB EO: A: A. Washenko & T. Catling; B: N. Beck; C: R. Sharp & E. Forward. 50 D/B National Classic: G. Holly; A: A. Washenko; B: J. West; C: J. Mitchell. 25T D/B Hop: J. West 44-45, K. Marley 43-45, T. Ness 26-28, G. West 28-30. HG: A. Washenko.

IMPORTANT NOTICE!

Finley Gun Club wish to advise that the annual Boomerang Shield Shoot will not be held this July as it has been in other years. This shoot has been deferred to a date yet to be set. Please watch for the new date & program in a future issue.

The Finley Gun Club will not be holding a shoot AT ALL this July.

Thank you for your support of the club and the Boomerang Shield Shoot. Look forward to your attendance when the new date is set.

Winchester Target Loads the Choice of Champions

5 out of 6
Championships
and the overall
High Gun were
won with
Winchester Target
Loads.

At the 1986 Australian Clay Target Championships, Winchester was really the choice of champions with 5 out of the 6 major championships going to shooters using Winchester Target Loads.

☐ Single Barrel ☐ Double Barrel
☐ AUST/NZ Trap ☐ Champion of Champions ☐ Double Rise. And the; ☐ Overall High Gun.

This keeps Winchester No1

WINCHESTER

LOADED IN YOUR FAVOUR

Technically the odds are in your favour when you use Australian made Winchester patented Shotshell Cartridges with matched components. Every component is scientifically designed and manufactured to exacting rigid specifications to give you the winning edge. One piece compression formed plastic **case** - for superior strength and reloadability. Non corrosive **Primer** - for quick sure ignition in all climatic conditions. **Olin Ball Powder** gives clean progressive burning for constant power. **Winchester Wads** - for superior gas sealing and improved patterns. **Winchester Shot** - polished alloy hardened for truer flight. When you add it all up how could you use anything but Winchester Shotshells - Loaded in your favour.
