EXECUTIVE DIRECTOR'S NOTES

As you may recall, the Annual Meeting in Echuca directed that the Association migrate from a Company Limited by Guarantee to an Association under the Associations Incorporation Act (1981).

I am pleased to say that this transfer has now taken place and that we are now the Australian Clay Target Association Incorporated.

What this transfer really means however, is that acting upon our legal advice we have taken the necessary steps to protect our members. This protection does not extend to clubs as such as they are entities in their own right and responsible for their own actions.

It is hoped that all clubs will, if they have not already done so, make the move to become an Incorporated body, similarly all State Associations should also make the same move and ensure that they have the protection that Incorporation offers.

The paperwork to become Incorporated is minimal as is the cost. The protection is immense and should not be ignored. The problems that can be caused may never happen to you, then again they might, and of course, then it would be too late.

Make the small effort, become Incorporated and do it as soon as practicably possible.

O.D titles in Perth this month, Trap Nationals in Brisbane next month, a lot of good competition is available for those who wish to participate.

The National Referees Association did meet in Melbourne on February 14. Owing to printing deadlines it is not possible to detail their findings. These will be published once they have been presented to the National Executive Committee for their final decision. This will be in April at the Nationals so until that time, at least, there are no changes to the status quo.

Please have a close look at the program notice for Brisbane as the rules of competition are quite clearly set out for all to read.

These conditions will apply to all future Nationals varying only in relation to the requirements of each particular discipline.

They have been made in the best interests of the sport and those competing. It is trusted that they will be accepted by all for the same reasons.

I look forward to meeting as many shooters as is possible at Brisbane. So until then, good shooting to all.

Alan J. Maher.

WARATAH STATE NOTES — MARCH, 1987

● Past State Presidents, Len Bird (left) and Ernie Hawkins enjoying the sun at the Coffs Harbour Shoot.

NOTIFICATION OF CHANGE OF ADDRESS:

First off this month I would like to remind all club committees, when you have a change of office bearers — in particular the Secretary, PLEASE ADVISE THE A.C.T.A. AND THE STATE ASSOCIATION. On too many occasions I notice the Secretary's name on adverts in this magazine as being someone totally different to the name that I have on my register. Your Club will be the one that misses out on information if we don't have the correct address.

1987 STATE PROGRAM BOOKS:

There have been a number of Clubs who have contacted me looking for 1987 books. I'm afraid that if your Club did not order their books by the required date — you will not get any. The ordering system as it stands at present, has been in operation for some four years, that being — the order forms are sent out to all Clubs, and must be returned by the 31st August along with the cheque for the ordered number. The State Association then has printed the number that have been ordered.

So this will act as an early reminder for the 1988 books — make sure your Secretary sends in the order on time.

MONTHLY NEWSLETTERS TO ALL CLUBS:

How many of you are aware that a newsletter is sent to all Clubs within the State? Do you ever see them or have them read at meetings? They have been going out each month for the past four or five years.

These newsletters are the only other means of contact between the State Association and the Clubs and usually have important details contained for the benefit of all club members.

It is a little frustrating and disappointing to find that most clubs don't pass these newsletters onto their members — by way of putting them on the notice boards of the club etc., so much so that it is being considered that it may be necessary to phase out the monthly ones and concentrate on putting the information into the Waratah State Notes — this will be considered at the next State Executive Meeting.

REFEREES RE-APPOINTMENT:

Notification has been received from the A.C.T.A. regarding re-examination of referees — this will be sent out quarterly and referees listed will be contacted to arrange for their re-examination.

FROM THE COACHING DESK:

The first of the Zone Coaching Clinics will be held at the Guyra Gun Club on the weekend of the 7th and 8th of March. This Clinic will be conducted by Zone Coach, Roy Shephard and State Coaching Director, Col Burt. Everyone will be welcome to attend as there will be instruction for all levels, videos, etc. etc. Coaching and instruction on trap, skeet, I.S.U. Skeet and Trench shooting will all be covered. Don't forget — everyone is more than welcome to attend.

From the Club coaching point of view — most club coaches have completed their Level I Coaching Accreditation which makes them qualified coaches. If your Club Coach isn't accredited how about making the suggestion that he do the course — it's not hard and it really is better to have qualified coaches giving instruction. On the other side of the coin — if your qualified coaches have given shooting away or are no longer interested in coaching — it is suggested that other shooters be encouraged to do the Level I — further information can be obtained from the State Coaching Director — Col Burt — (067) 65 9386 A.H. only.

FROM THE NORTHERN ZONE:

Inverell R.S.M. Gun Club are gearing up for their Northern Zone Ball Trap Championship and Continental Championships. Saturday 21st March from 12.00 noon they will conduct the 50 Target Zone Ball Trap and on the Sunday from 9.00 a.m. they have the Zone Single Barrel Continental, Point Score Continental and Double Barrel Continental scheduled. Lunch will be available on SUNDAY. You are always welcome at Inverell and certain to have a great time.

Zone President, John Farrell has supplied me with some interesting facts and figures from the State Trap Carnival held at Griffith — they might surprise you!

- over the 3 days approximately 45,000 clays with a total cost of \$5,750.00
- 49,900 cartridges — ½ new and ½ reloads total cost around \$9,750.00
- accommodation for 300 people at \$15.00 per night for three nights around \$1,350.00.

All of which is a lot of money when you see it like that.

John also adds his appreciation to all from the Zone who helped with the Refereeing and scoring — a job well done.

A reminder that the Upper Hunter Gun Club will be hosting the State Night Single Barrel Continental Championship on the 18th April in conjunction with their Open program.

FROM THE CENTRAL ZONE:

A further reminder regarding accommodation at Cowra for the State Trap Carnival over the October long weekend. PLEASE BOOK EARLY — don't think about it for too long — do it now.

FROM THE SOUTHERN ZONE:

Skeet shooters in the Southern Zone will be gearing up for their Zone Carnival and Team eliminations to be held at the Hawkesbury Gun Club on the 14th March, there will also be the Zone Night Skeet Championship that night.

Goulburn Gun Club have the State Night Single Barrel Championship set down for Saturday 11th April, also on the night they have the Zone Night Double Barrel Championship.

FROM THE WESTERN ZONE:

Goodooga's Open D.T.L. is scheduled for the 14th and 15th March — something to look forward to — everyone is assured of a great time.

Also from the west — Moree is in the final stages of their preparation for the State Skeet Carnival which is being held 7th, 8th and 9th August. Accommodation list will be available from the State Secretary towards the end of February. A new motel called "The Winchester" is highly recommended.

FROM THE RIVERINA ZONE:

Downside Gun Club have the State Night Skeet Championship set down for the 11th April, this will be run in conjunction with the Zone Skeet Carnival and Team eliminations.

For I.S.U. Skeet shooters, Wagga have the Zone Championship programmed for 21st/22nd March.

All Zone Secretaries have now received the 1988 Championship allocations — so watch out for those.

• David Menck.

KNOW YOUR DELEGATES:

Second in the series is Northern Zone Delegate, David Menck:

Formerly a keen game shooter when living on the Lachlan River at Forbes in the central west of New South Wales, David took up clay target shooting after having had a few shots on various friends' properties after game had become a bit scarce in 1977.

David joined Parkes Gun Club in 1977 and was immediately bitten by the bug, travelling quite a lot around the state, until transferring with his employer, Dalgetys, to Sydney in early 1979. In Sydney, he joined New South Wales Gun Club, and from there became increasingly more interested in the Olympic Disciplines of clay target shooting he had been lightly exposed to, at such places as Griffith, Downside and A.C.T. International Gun Clubs, and to a certain extent on a few overseas trips.

By the time David was transferred to Tamworth in late 1980, he had already travelled to such places as Indonesia, Singapore, Malaysia, New Zealand and New Caledonia shooting targets and becoming increasingly more involved in I.S.U. shooting.

In 1981 when the state I.S.U. Sub-Committee was restructured, David became further involved as a delegate and was elected Deputy Chairman under Barney Rooke in

1982, a position he held for the following twelve months until taking over as Chairman in 1983; a position he still holds.

In 1982, David was appointed a Referee Examiner for both Trap and Skeet and in 1985 was elevated to the position of State Rules Supervisor. In 1984, David added to his qualifications as a referee by completing an International Judges Course in New Zealand and was subsequently appointed U.I.T. Judge in 1985.

David currently continues to hold his positions as Rules Supervisor and Trap and Skeet Referee Examiner, and is a member of the executive of the New South Wales Clay Target Association. He was also appointed last year as a member of the A.C.T.A. International Shooting Committee and has retained his position for a record four years as Chairman of the I.S.U. Sub-Committee.

David's further international experience during the past few years includes further trips to New Guinea, New Caledonia, New Zealand, Thailand, China, Hong Kong, Singapore, Malaysia and more. David is a great advocate of International experience.

A reminder to all clubs — Executive or shooters or both — it is always a help to receive useful information — so one does not have to rely on the same people all the time — for contributions to "The Notes".

The Eastern Goldfields Gun Club is saddened at the passing of our Life Member, Jasper Bright. One of the oldest shooters in Australia. He will be greatly missed in our club and around the district.

Scorpio

SPECIAL TRAP

The new wide range of SCORPIO shot shells are loaded into the famous ACTIV case, specially designed in and imported from the United States.

Its design is unique, featuring a controlled ignition system. Check out the diagram opposite — the powder is ignited from the front of the charge, and burns backwards, thus reducing the recoil effect. This means reduced flinch and fatigue in shoot-offs, so important in target shooting.

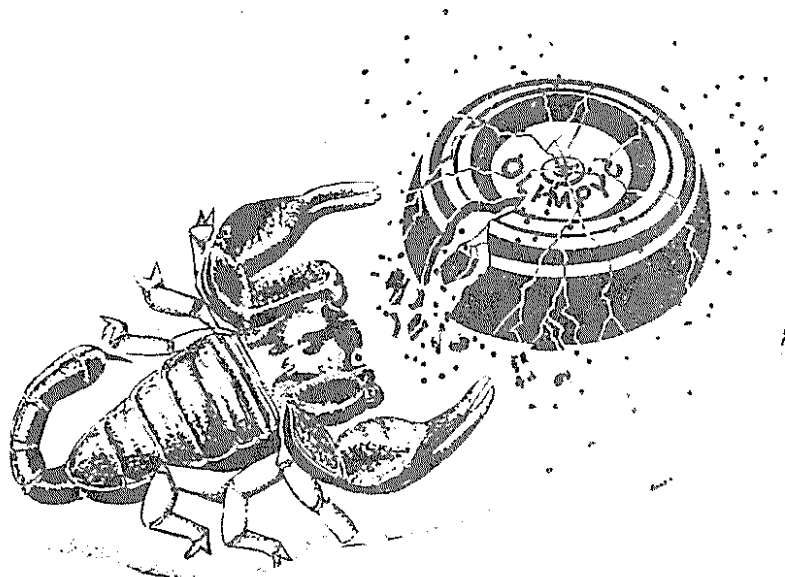

The controlled burn also makes for smoother launching of the shot load, contributing to more even patterns.

We make in Australia under licence the new ACTIV wads, specially designed to provide effective gas seals and give superior patterns. Our cases are fully reloadable, made of finest plastic, for longer reloading life. Ask your dealer for ACTIV wads to match our cases.

Loading independently in Australia, we at SCORPIO are free to buy the best components in the world and pass along the quality to you, the shooter.

We pride ourselves that all our shells are LOW PRESSURE, designed to reduce strain on your valuable gun.

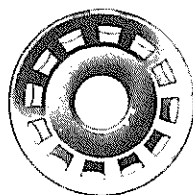

SCORPIO — QUIETLY ACHIEVING. DON'T LOOK FOR MOUNTAINS OF ADVERTISING . . . YOU WON'T FIND IT. TRY OUR PRODUCT FOR YOURSELF AND SEE WHY WE RELY ON CONSUMER SATISFACTION FOR OUR PUBLICITY.

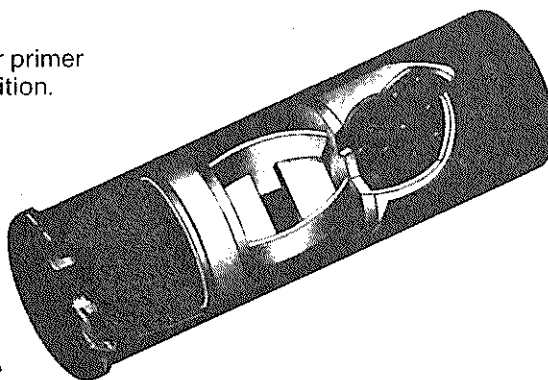

1. Heavy gauge steel encased in the plastic head to insure ACTIV shells are rust free.

2. High quality all weather primer for accelerated reliable ignition.

4. Heavy gauge steel reinforced head, rim and primer pocket.

3. Highest quality powder.

5. Scientifically designed wad. Engineered specifically for use in the ACTIV hull. Cuts recoil and protects shot.

6. The finest shot available to suit varied shooting needs.

THE ACTIV DIFFERENCE

- **RUST FREE**
- **STEEL REINFORCED HEAD, RIM AND PRIMER POCKET**
- **POSITIVE EJECTION PATTERNS**
- **NO SEPARATE BASE WADS**

LETTER TO THE EDITOR

With all the anti-hunting and gun outlawing propaganda being broadcast over the last twelve months, and especially leading up to this year's duck season, it may well be an opportune time to let members know exactly what is going on.

The group that has been attempting to make life difficult for us, has been the Animal Liberation Movement and its associated splinter groups. The campaign co-ordinator, Mr Laurie Levy, has stated that there are only two duck seasons left, and he and his group are religiously working toward this aim. Levy has for the past two years, been saturating the media with his anti-duck hunting propaganda, pressurising the politicians, and generally making claims and accusations, using Government statistics out of context. If one was to look at the media coverage of duck hunting up until last August, you could easily be excused for thinking that the animal libbers were winning the battle.

Mr Levy however, forgot about something at the start of his campaign, and now, he is beginning to have his eyes opened.

He forgot about the 400,000 firearms owned in Victoria where his campaign is centred.

He forgot about The Victorian Field and Game Association with their conservation record for saving wetlands and waterbirds.

He forgot about The Sporting Shooters Association with their record for conservation and management of deer, and other fully protected native animals.

He forgot about the Australian Clay Target Association with their record for sporting achievements in International competition, and fostering of Junior shooting events, and their hundreds of members who enjoy their shooting every weekend.

The average shooter in Victoria, whether he be target shooter or hunter, is a totally responsible citizen who through his membership of any of the above organisations, has made a huge contribution to our society by saving endangered native animals, conserving wetlands, and other habitats, and by keeping Australia in the top rungs of International Target Shooting competition.

Back in November 1985, the shooting organisations were trying to lift the ban on Sunday shooting, and Mr Levy vehemently opposed any change to the law. The shooting organisations won that battle, and he lost.

In February 1986, the libbers tried to have the duck season cancelled before it started, the V.F.&G.A. applied to have the season started early in February instead of March, for those of you that don't remember, the season started in February, we won and they lost again.

After the opening weekend, they staged a demonstration on the steps of Parliament House with dead protected species, and called for an immediate cessation of hunting. The season continued right through to the end of May: we beat them again.

After the lead poisoning incident at Bool Lagoon in S.A. they claimed from Government documents that 1348 kilograms of lead pellets were fired into Lake Buloke on opening day 1982. They again demanded that duck hunting be ceased whilst research was conducted. They forgot to mention that there has never been a case of lead poisoning recorded at Lake Buloke or anywhere else in Australia, and that the incident at Bool Lagoon was caused mainly through water levels and cattle grazing being managed incorrectly.

Dr Garth Newman, assistant director of Fisheries and Wildlife at the time, wrote to the Age Newspaper and stated that Lake Buloke had been monitored for seven years, and that lead was not a problem, and had never caused a problem in Victoria. The season continued, and we were successful again.

In August 1986, the V.F.&G.A. received National T.V. coverage of a nest box erection working bee at Sale in Victoria, which showed to the general public the conservation

that duck hunters undertake. The S.S.A.A. has received widespread media coverage with their work with Sambar Deer and Hog Deer projects.

In November 1986, it was proposed to have the 1987 duck season open at 10 a.m. There was only a very short time to object to this proposal. The V.F.&G.A. with the help of the A.C.T.A. clubs of Frankston-Australia, Metro, Melbourne, Wonthaggi and other clay target clubs, raised 12,000 signatures on a petition in only eight days.

Tens of thousands of hand written letters and form letters were sent in protesting about the 10 a.m. opening time. The result of all this was a change back to the same time as last year 7 a.m.

Only through very hard work, we were again successful. There are other campaigns to be fought, other battles on the horizon, and no doubt, other confrontations will be taking place before this article is even printed.

None of these successes however, have been without cost. The shooting organisations have had to use funds which were earmarked for conservation programs. Manpower had had to be diverted from programs designed to improve the sport. The toll on our manpower resources has been great. We are trying to fight a full time operation with part time people.

All shooters must join a club and give their support to their committee men and State executives, so we can continue to win.

Most of all is the need for all shooting disciplines, clubs and associations to band together, so that co-ordinated campaigns can be launched against these opposition groups.

Give some thought at your own club level, what has your club done to help in the battle? Does your club have a Public Relations Officer who promotes your activities to the local press!

We can no longer keep our heads buried in the sand, it is time to dig in and fight. Think about it.

Graham Eames,
Frankston-Australian Clay Target Club.

NEW ZEALAND TRENCH TITLE TO AUSTRALIA

John Maxwell from Illawara Gun Club has done it again and outshot the New Zealanders at their Nationals to record another win in the New Zealand National Title.

In generally overcast and windy conditions throughout the Nationals, John shot a magnificent 196/200 to equal the New Zealand record and take out the City of Christchurch Championship.

New Zealander John Wooley, well known in Australia, set a New Zealand record in the I.S.U. Skeet to win the City of Christchurch Championships with a score of 198/200.

Commencing the National Titles, John Maxwell continued his excellent shooting to finish the first day with a 99/100 and repeated the score over the second 100 targets to finish with another record to his name 198/200. While breaking the New Zealand record of 196/200, John also recorded the highest Olympic Trap score by an Australian away from home.

John Wooley also maintained his fine form with a score of 195/200 to win the I.S.U. Skeet title.

Final score over the 400T, were J. Maxwell (trench) Australia 196/200, 198/200, 394/400 J. Wooley (I.S.U. Skeet) New Zealand 198/200, 195/200, 393/400.

Congratulations on two outstanding performances.

Well known Victorian shooter, Bill Attwood from Melbourne Gun Club also was a winner when shooting the Westland Provincial Double Rise with a score of 20/20. Bill was in New Zealand (again) to present the Newton Thomas High Gun Award. Well done Bill.

OLYMPIC DISCIPLINE NATIONALS

FINALS SYSTEM

200 Target Events

Day one each competitor to shoot at 75 targets

Day two each competitor to shoot at 75 targets

Day three each competitor to shoot at 50 targets

At completion of 150 targets the top 24 positions shall be determined.

In the event of a tie for any position, a countback shall take place, first in rounds then if necessary in targets.

The top 24 shooters shall be resquadded together by draw to shoot the last 50 targets.

At completion of 200 targets the top six positions from the leading 24 shooters at the 150 target mark shall contest the final over an additional 25 targets. In the event of a tie for any position after 200 targets a count back shall take place, first in rounds, then if necessary in targets.

Final Squad shall shoot in the following order: Highest score — shooter No 1 — Station 3; 2 — Station 4; 3 — Station 2; 4 — Station 5; 5 — Station 1; *6 — Station 1 (to follow).

FINAL . . . in the event of a tie for 1st place at the 225 target mark, a shoot off will take place with the shooter missing first eliminated from 1st place contention.

PLACINGS . . . in the event of a tie for any placing after the 25 targets have been shot a count back shall take place, first in rounds, then if necessary in targets.

Should the count back not determine final placings a shoot off shall take place with the shooter missing first being eliminated providing an equal number of targets have been shot at.

PERAZZI

The Guns with the latest and up to date technology built into them:

The gun that is continually being improved to the highest standard and expectation of the shooters who appreciate the finest quality and value for money spent on their investment — not all guns fit into this category.

The gun that was designed by some of the world's top champion shooters who knew the shooters requirements and these are being made by champion gun makers to enable you to become one of them, so why not make your first and any other subsequent purchase a PERAZZI. There are so many models available that there must surely be one just perfect for you. It will become your pride and that in itself is enough to give you the confidence required to break that LAST target that makes you a winner. Isn't that what you want to achieve? So think positively. HANDICAPPING NATIONALS 1987

To make it easier for all concerned — office staff, handicapper and shooters — we would like all shooters to please note and adhere to the following points:

1. Please present your current 1987 Handicap Card for stamping before nominating. Also your up-to-date 1986 card.
2. Nominations will not be accepted unless cards are stamped by Handicapper.
3. Any shooter unable to produce a 1987 Handicap Card, must produce a Club Receipt as proof of A.C.T.A. registration.
4. Such shooter shall be allowed to compete on handicap and grade given. But any moneys or trophies won shall be held by the A.C.T.A. until proof of handicap and grade are verified.
5. Rule 2.1 (m). Should it be found that a shooter deliberately misled Management regarding his grade and/or his handicap, the shooter be suspended for a period of three months.
6. If an error is made on your card, have your club secretary or handicapper neatly rule out the error, rewrite it correctly, stamp and sign it.
7. Any obvious low scores entered on handicap cards just prior to the Nationals that enables a shooter to be down graded, will not be taken into consideration. Rule 2.7.
8. Please watch the handicap board, if your name appears on the board, please report to handicapper's office.
9. If you do not wish to be down graded, please advise handicapper's office.

WET AND DRY

N.T.C.T.A. NEWS: There has been no word yet on allocation of titles although the writer has unofficially heard that Gove shooters have asked for the State Skeet Titles in September. This is a forward step from the Arnhem Gun Club, and one which should be favourably considered by the Association.

HERE AND THERE: Further news heard from our Eastern allies is that Dave Dutton has stepped down from Gun Captain after a two year period of 'doing a Moses' and leading the Club out of the wilderness. Greg Bateson has stepped into the position by popular demand, and it looks like being a bumper year for the Carpentarians.

At the first shoot of 1987 at Top End's simulated field layout, Ron Winter hit his straps, and went within one target of scoring the first possible on the layout. Good shooting and better luck next time, Ron. Young Shane Munt is still proving to be a shooter to be reckoned with on the layout, with regular scores in the high teens and twenties.

Darwin's beginning was a real soggy one, with Huey sending it down all day. The weather didn't worry Ken Selwood, still riding on a very high high. Webbed feet in the ancestors, Ken?

Charlie Richard has been putting in some good scores at both Darwin Clubs over the last few shoots. Regrading in the sights, Charles?

A surprise visitor dropped in last month, passing a couple of days in Darwin en route to Singapore. Now resident in Tonga, as Chief Pilot for 'Wait a While' Airlines, Bob Cadd spun some enjoyable exotic yarns about our Pacific neighbours. One that tickled us, was Bob's description of the house wiring, and the shocking antics of the kitchen taps and the bathroom heater! 'Monique is not amused!' reports Bob.

On the subject of exotica, I was leafing over some old shooting magazines, and it struck me that the shooters of yesteryear seemed to have that extra 'something' that is missing in our present claybusters. Whether it was the proliferation of noms de plume in the write-ups that lent the mystique to the reporting, I don't know. Perhaps we're just too serious and introspective these days, and perhaps the re-introduction of nicknames etc., might be a starting step to bringing the 'zing' back into shooting. The only shooter of the present day who I can recall using a nom de plume is the well-known 'P.Dog', from Jabiru. That's all he answers to, is 'Prairie Dog', and that's all most of us know the 'P.Dog' as. More power, 'P.Dog'!

STOP PRESS: Australia Day Weekend Shoots: Top End Gun Club held a very successful Simulated Field shoot on Sunday, with 29 shooters in attendance. Barry Munt was in fine form, with a pair of 24s in both the Off Gun and the Handicap rounds. Still no 25s though, but it can't be too long before someone breaks the walls of the dam. The Handicap event had seven shooters who shot 25s, with handicap added. The event was the first handicap staged by the Club, but such was the evenness of the handicapping that the greatest amount of free targets swinging was two. Eric Rhinelanders figured in his first shoot off, on wood, and looked like hanging in for quite a while. Unfortunately, he came to grief on the layout he designed for the shoot. Next time, Eric.

Katherine's Australia Day Annual Shoot could perhaps have been termed the 'Underground Event' of 1987, as no programs were distributed, and word of mouth advertising resulted in a roll up of the Devil's number 13. Shooting was competitive, though, with transplanted Queenslander, Bruce Goodridge wrestling the High Gun from Calcutta winner, Ken Selwood. Monday's skeet event resulted in five shooters in the first squad being all clear after station six, and a prolonged shoot off promising to be on the cards. Incredibly, only one shooter, 'Slug' Winstanley was clear at the end of the round. Devilishly clever, Ian.

Ken Selwood 'Bought the Carton' after giving the back of the traphouse an interesting stipple pattern with a couple of blasts from his barrels before he's called for the target. Shouldn't it have been TWO cartons, Ken?

Until next time,
Inkball.

SOUTH EAST ZONE TEAMS SHOOT

The South East Zone Teams Shoot (Round 1), held at Nepean Clay Target Club on 17th January, was attended by 87 shooters from 10 clubs with the zone.

Not content with winning for the past two years, Nepean again has a handy lead at the end of Round 1.

The club provided a "Beef on the Spit" lunch to the shooters.

Thanks to Alan Podd, Jenny Podd, Lois Woodward, Jan Drennan, and Melissa Woodward for the hard work involved. Alan's cooking from 6 a.m. until 8 p.m. was a marathon effort.

RESULTS:

25 Tgt D/B C'ship: A & OA: P. Drennan 74/74, A. Reid 73/74; B: P. Hunter 54/55, I. Kent 68/70; C: K. Cross 36/37, T. Tall 33/35.

25 Tgt Hcp: B. Hunter 37/37 (now 17m), G. Petruska 38/37 (now 13m), S. Zanka 34/35; B/B: K. Rose 27/30; O/A Ladies: S. Marmo 41/50; O/A Jnr: P. Brusa 42/50, S. Marmo 41/50; O/A High Gun: G. Petruska 81/81.

40 Tgt "Crayfish" Shoot: A: G. Thomas 38/40, W. Woodward 37/40; B: E. Reid 40/40, B. Hunter 38/40; C: L. Lancaster 37/40, J. Tailby 35.40.

A special thanks to all members for their work before and on the day. The club looked terrific.

Life memberships were presented to Norm Quick and Bill Woodward by Bob Whykes. Bill's "speech" said it all.

Final results: Nepean 236, Cerberus 225, Abruzzi 224, Wonthaggi 223, Morwell & Bairnsdale 218, Korumburra 213, Mornington 212, Frankston/Aust. 210, Veneto 200.

Secretary.

VALE

MR. E.H. HARRIS (NED)

The C.M.T. Clay Target Club Inc. sadly regret the passing of one of our inaugural and life members, Ned, aged 71 years.

Ned, a true gentleman and a very fine sportsman, won many State Championships, his sportsmanship and help to other shooters was invaluable.

President for many years, Ned set our club up to be one of the most respected in the State. He always maintained a very keen interest in the club and will be sadly missed by all who knew him.

The building of our trench in 1978 saw Ned at his finest, with organisation, wit, and refreshments to the workers, at all hours, never to be equalled at our club. Words cannot express the loss of this gentleman to our club and the community.

C.M.T. Clay Target Club Inc extends sympathy to Mrs Harris, John and Faye and families.

LIFE MEMBERS:

Two of Mount Gambier's best known shooting identities, Tom Megaw and Trevor Reschke have been awarded Life Membership of the Mount Gambier Gun Club. The Life Membership presentation was performed by the Mayor of Mount Gambier, Mr Don MacDonnell, himself a former live bird shooter and still keen duck hunter. Also present for the presentation was S.A.C.T.A. State Secretary, Isabel Growden and A.C.T.A. Executive Member, Brian Growden. Tom and Trevor have between them in excess of 60 years continuous club membership and held on numerous occasions club executive positions. Apart from representing the club countless times in local and district teams, both men have been State Team Members. Trevor has also been an Australian Team Member on a number of occasions and represented Australia in America, whilst Tom is the only shooter to have ever won successive S.E. Aggregate trophies.

1987 NATIONAL TRAP CHAMPIONSHIPS

CONDITIONS OF ENTRY

1. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads.
All squads will be determined by the Nationals office, whose decision shall be final.
2. Squads of six to shoot 50 targets/75 targets in brackets of 25, one visit only to the trap for all titles.
3. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets. A time limit of two minutes will be imposed for the change over for each 25 targets. Should the two minute time limit be exceeded by any shooter then a penalty of the **LOSS OF ONE TARGET** shall be incurred.
4. Shooters who fail to appear in time for their squad will be re-squadded towards the end of the event and incur a penalty of the **LOSS OF ONE TARGET**.
5. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
6. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score.
Any score sheet not carrying the shooter's signature will be credited with the lowest score recorded.
7. The persons designated to referee and score must fulfil their obligation to do so.
Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET IN THE NEXT EVENT**.
Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
8. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
9. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
10. Shooters who are eligible for and elect to pay a reduced nomination, (60% of the open nomination) for their respective divisions, Ladies — Junior — Veteran, shall only be eligible for medals/trophies for the division entered.
11. Shooters who are eligible for a reduced nomination and elect to pay the full nomination, shall be eligible to win recognition for sashes — medals — trophies for all levels of the open competition as well as sashes — medals — trophies for the division of the competition for which they were eligible to pay a reduced nomination amount.

Recognition for the open section and or open teams, is dependent on a full nomination having been paid at the time of entry for the event(s) concerned.
12. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations.
Entries for sweep/purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
13. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day.
All payments must be signed for and proof of identification given if requested.
14. Competitors using automatic shotguns during the National Championships may recover their empty shells providing they have obtained an automatic I.D. card when nominating.
15. Practice of card playing at the National Championships is prohibited in areas embracing the club rooms — bar — dining areas, or such areas as may be determined from time to time.
16. Practice tickets are available for purchase only at the area controlling the optional sweep/purse entries.
17. Any interpretation of the program and conditions of entry will be the responsibility of the Management Committee whose decisions shall be final.

Mr George Milkins who honored the club today with his presence was also able to show the younger more energetic shooters the way it should be done. George who is approaching his later years in life still has not lost his ability to shoot clay targets. On the day the standard of shooting was very high. It is bad luck for Wayne Parks who missed out by one target on his 75 break badge. Ian Kent attained a 50 break with 54 before a miss. The shoot was keenly contested by everybody who participated and we hope to see as many if not more at future George Milkins Perpetual Championships. It will be noted that our next shoot Saturday 7th February is a 50T handicap: 1st Franchi Diamond Grade Trap Gun, 2nd Brno .22, 3rd Case of

Crackers.

Game!

**Winchester Ranger Pump Action
and Semi Auto Shotguns with
Winchoke Versatility give it to you.**

Performance tested in the field where it counts these Winchester shotguns give hunters superb value with unbeatable features and styling. Winchester Ranger shotguns feature the original much imitated Winchoke interchangeable choke tube system to cover the widest range of shooting situations, quickly and efficiently.

28" Ventilated rib barrel for easy quick sighting, front locking rotating bolt for ultra-strong, secure lock-up into the barrel, selected American timbers for stock and forearm feature a protective satin finish. And weighing in at around 7½lbs they are lighter than many "lightweight" models.

Game! You'll get it with Winchester Ranger.

Ranger 5 Shot Pump Action Shotguns feature a self opening action for fast follow up shots, have antibind twin action slide bars for slick fast operation, black cushioned recoil pad and traditional ribbed forearm. Ranger pump action guns are also available with plain 28" barrel with fixed modified choke and 30" plain barrel with fixed full choke.

Ranger Semi Automatic Shotguns have a gas operated action for speed, dependability, reduced recoil and ease of handling.

Features include a convenient carrier release and ultrafast, reloading, black serrated non slip butt plate, finger grooved forearm and deep cut checkering.

Ranger semi auto is available with 28" Ventilated barrel and Winchoke.
