## THAT'S WHY HERCULES MAKES RED DOT specially for Clay Target Competition

### HERCULES RED DOT

#### Calculate the savings yourself

|                   |     |                   |     |
|-------------------|-----|-------------------|-----|
| 17.5 grain loads  | 880 | 22 grains loads   | 699 |
| 18 grains loads   | 853 | 23 grains loads   | 668 |
| 18.5 grains loads | 831 | 23.5 grains loads | 653 |
| 19 grains loads   | 809 | 24 grains loads   | 640 |
| 20 grains loads   | 770 | 26 grains loads   | 591 |
| 21 grains loads   | 732 | 27 grains loads   | 569 |

The above table shows approximate number of reloads per kilo for grains used. \*18.5 grains of RED DOT gives a 3 dram equivalent. 17.5 grains of RED DOT makes an excellent 2¾ dram equivalent load.

#### OTHER GREAT HERCULES POWDERS

- GREEN DOT — Use is 12G medium and field loads
  - RELODER 7 — Bench Rest grade rifle loads
  - BULLSEYE — For pistol and revolver use
  - UNIQUE — An all-round shotshell powder
  - 2400 — Some rifle and shotgun loads
  - BLUE DOT — Magnum shotshell and heavy pistol loads
  - HERCO — Heavy shotshell or handgun loads
- USE ONLY AS PRINTED IN THE HERCULES GUIDE.

If you reload to save money, you use HERCULES for the cost saving. Isn't it just as important to use the very best clay target powder available?

### INSIST ON RED DOT

It's made precisely for target competition and priced to give you up to 50% More Shots for your Dollar

HERCULES Powders are stocked by selected retailers in **ALL STATES**. If you have a problem getting supplies or require the HERCULES Reloaders Guide, contact:

Discipline Nationals, l. to r., Ross Silvester President  
WACTA, the WA Sports Minister Mr Keith Wilson and ACTA  
National President Roy Holtfreter.

As the Executive Director is currently attending the National Championships in Brisbane, there shall be no E.D. Notes in this edition of Clay Target Shooting News.

## O.D. MEETING — PERTH NATIONALS

An informal meeting took place at the Gun Club to enable Olympic Discipline shooters to raise matters that could be considered to be beneficial to the sport.

The questions posed to the panel which included Mr Laurie Connors, Chairman of the International Shooting Committee and Peter Quire, National Coaching Director, were noted for future reference.

Not a great deal came from the meeting, however, this was not unexpected as generally speaking, Olympic Discipline shooting is well controlled by the International rules under which we compete.

What did occur however, was that the shooters were able to put their views forward publicly for discussion and when this takes place the winner in the overall sense is the sport itself.

### NATIONAL TRAINING SQUAD ELIMINATIONS

**FRANKSTON-AUSTRALIAN GUN CLUB  
SATURDAY & SUNDAY MAY 2 & 3  
200 TARGETS**

**DOWNSIDE INTERNATIONAL  
GUN CLUB  
SATURDAY, SUNDAY, MONDAY  
JUNE 6, 7 & 8  
200 TARGETS**

These two eliminations are to select the Australian Teams for the World Shotgun Championships in Venezuela during November, as well as the teams to represent Australia in the Oceanic Games being held in Christchurch, New Zealand, February 1988.

Both Frankston/Australia and Downside are to be commended for making their facilities available to the Association. Each 200 target event will be shot as a part of a regular program which enables other shooters to experience the opportunity of shooting with members of the National Training Squad under the direction of the National Coaching Director, Peter Quire.

Thank you Frankston/Australia Gun Club and Downside International Gun Club for your co-operation and assistance.

# OUR HISTORY IN WORDS AND PICTURES

By George Biggs  
Official A.C.T.A. Historian

Peter McDonald, Vice President of the Colac Gun Club — one of our oldest Victorian Gun Clubs — sent me a copy of a photo taken at the National Championships held at the Australian Gun Club grounds, Burwood, Vic. The picture shows members of the Australian Mackintosh International Team of 1985.

Peter goes on to advise that he is unable to put names to all faces.

The only ones I recognise are: Jim O'Donnell, Newton Thomas, Andy Tie, Cal Hollow, Don Corstorphan, Sperry Marshall, Bob Jorgenson, Roy Ayres, Peter Wray, Bob Bushby, Bill Finnegan, Luke Doyle, Norm Guy, John Houston (President), Clem Mudford, Fred Burns, Eddie Brenk, Don Glover, Lu Lupp, Clarrie Barns, 3rd from left, front row, official referee Stan Cole.

Peter's letter goes on to further advise:

"that last November Don Corstorphan turned 80 and is still shooting — and winning I might add — and is just as keen as ever.

Don has been a member of Colac Gun Club for 41 years continuously. I do not think there has been a better shot or a finer sportsman ever to walk onto a shooting ground.

On a date to be announced in Shooting News, the Colac Gun Club will be conducting a double barrel championship and a handicap to honor Don Corstorphan's 41 years with

the Colac club. A former member of our club, Noel Flowers, has kindly made a shield from solid walnut, which will go into competition on that date and thereafter annually. No doubt any one who is fortunate enough to have their name inscribed on this shield will feel very proud indeed.

We have a number of Colac business people who are prepared to help with sponsorship in regard to trophies so there will be an excellent array.

We would like to have as many as possible of the older shooters here that day, to spin a few yarns and make this day a really memorable one for a fine gentleman in Don Corstorphan."

## COLAC GUN CLUB — BRIEF CLUB HISTORY

Our year of establishment was 1896 with President W.H. Clements and Secretary/Treasurer H.D. Thomas with the initial and present location being Colac recreation and Racecourse Reserve. Our club had shot live birds as you will read in our minutes a little further on. Many top line shots have risen from the ranks of Colac Men. Prominent among these were Eric (Pop) Ball, George Crosse, Ray Parker, Harvey Eldrige, Ian Holt, Don Corstorphan, Ernie Osborne, to name a few. Don joined up in 1946, Ray and Harvey as mere lads, soon after. They

along with Eric Ball and Ian Holt all gained International status with the A.C.T.A. formerly the A.C.P.T.S.A.

In the early 1950s before we had our own accredited referees, Hartleys would kindly release George Biggs on a Saturday morning, so that he, accompanied by his wife and two charming daughters would travel to Colac to referee our Open Championship days.

The conversion to clay shooting commenced in 1939 with a plus trap and a single lane one target at a time. In 1946 we bought an auto angling trap from Les Black (which is still in its box — unused).

A new club house was erected some years ago but the old shed still stands as a storeroom and it will be remembered at the scene of good time in the past.

Thirty eight years ago Harry Mills, our local Policy Inspector, offered the club crockery if Mrs. Corstorphan would prepare teas and suppers. She carried on this for 15 years then Mary Osborne took over for a like period. Mary Dignan now resides in the kitchen. We now have crockery!

#### NOTES TAKEN FROM OLD MINUTE BOOK OF THE COLAC RACECOURSE RESERVE

18/11/1865 — Public meeting held with the intention of forming a Board of management. 5 trustees were appointed. Dr. Thomas Rae, John McLaughlin, Robert Robertson, Humphrey M. Hearn, William Bradley. The Secretary, who wrote the minutes in beautiful copperplate and impeccable grammar, was P. Wilson. Regular periodical meetings were held at Colac Hotel until 25/11/1868, then a break occurred until 30/11/1872. Captain John Haines was then Chairman.

8/12/1877 — Trustees increased to 7 by appointment of John Calvert and Easton Johnstone.

1/9/1883 — Management of Course passed to Colac Turf Club, who retained control to 4/2/1918, a period of 35 years.

12/12/1918 — First mention of Colac Gun Club, when Dept. of Lands & Survey wrote to say that Golf and Gun Clubs had applied for 75 acres of the Racecourse Reserve.

9/4/1923 — Gun Club asked Trustees to be relieved of its indebtedness owing to its inability to arrange shoots, and offered payment of £1 per year. Agreed and future rental set at £2 per acre per annum.

May, 1928 — Golf Club was professionally extended to 18 holes, which was to include the present practice area and where the Gun Club then operated. Also, as shooting (live birds) was considered distasteful to ladies the Gun Club was asked to move across the drive and exchange clubhouses. This was agreed subject to payment to Gun Club of £100 and full shooting and clubhouse facilities. W.H. Clements and H.D. Thomas represented Colac Gun Club.

Note: Gun Club must have been formed while reserve was in the hands of the Turf Club, ie. between 1883 and 1918. The late Charlie Romeo had a club membership card for 1908 and his recollection was that the Club began operations in 1896.

## SKEET SHOOTING VIDEO TAPE BY GEORGE BIGGS

- *Mechanics of skeet shooting and the basics of the shotgun.* What to buy, how to use and how to care for your gun.
- A 100 minute tape that takes you step by step around the skeet field explaining and demonstrating how targets from each station are shot using both gun to shoulder and gun off shoulder styles.
- A very informative and helpful tape for the new and not so new shooter. A good coaching aid tape.
- An all Australian video tape written, produced and videographed by George Biggs.  
Costing including certified mail and package available now — \$50
- Available shortly — Trap Shooting video tape instructing the new and not so new shooter how to shoot trap targets.

# AROUND THE TRAPS

with Laurie Connors

Saturday February 7, and Sunday February 8, 1987: Monarto Gun Club excelled as hosts to the South Australian State Carnival over this weekend. Preparation of the ground by the club to conduct the tournament, as well as the catering of meals provided by their hard working ladies was a credit to the club. A record number of shooters attended to compete and do battle for State titles and team honours.

• 1987 South Australian Title holders, left to right, Ramano Bisi, Phil Mules, Craig Bently and Richard Dean after presentation of State Sashes.

I am sure the friendly atmosphere and welcome extended to all helped to contribute to the good scores recorded by shooters who were fortunate enough to win and share the trophies provided. Craig Bently showed his form early by taking the first championship on the program. Even though Craig shot well in the remaining events he did not manage another outright win, but he did take overall

• The South Australian Interstate Postal Team.

• Delighted at making the Ladies Interstate Postal Team, from left to right, Jill Rundell, Wendy Newell, Ruth Michelle, Lyn Beelitz, Sandie Appelkamp and Barb Wallace.

honours by winning the high gun over the two day program 317/325. Phil Mules proved single Barrel shooting was his forte and won the State Single barrel championship 49/50. The title that most shooters were after, the State Double Barrel, went to Ramano Bisi. Ramano shot 114/114 to leave Richard Ayres as runner up with 113/114.

Richard Dean put a score of 149/150 together to take the State Points Championship. Barbara Wallace was the top lady performer over the program on 215/250. Bruce Pallant, as well as winning the Winchester Junior title, was also Junior High Gun 228/250. Peter Caddy, from Barmera, who seems to enjoy a clay target shoot no matter where he goes, won the Veterans High Gun 276/325. I have

• Right: Winchester rep. Richard Ayres presents Bruce Pallant with his trophy for being top junior in the South Australian Winchester Junior Championship.

## WINCHESTER BALL POWDER

- Double based for greatest chemical stability • Meters more accurately than any other product on the market for consistency in thrown charges
- The lower flame temperature prolongs barrel life
- High accuracy and ballistic uniformity • Less muzzle flash.

BP 110

WINCHESTER

been to the South Australian State Titles for several years now and would have to give credit to these titles as being one of the best I have attended.

Saturday February 21, 1987: Callawadda Gun Club is still attracting reasonable shooter attendance at their monthly shoots. Good fields entered the events on the program this day. Phil Scott won the first event on the program by taking top honours in the Continental Single Barrel Championship 28/30. John McVitty won the Double Barrel title 25/25.

• Winners at the Callawa Club shoot, left to right, John McVitty, Jim Gawith, Graeme Stanes, and Doug Hayns.

Saturday February 28, to Thursday March 5, 1987: The Western Australian Clay Target Association hosted the National I.S.U. Championships at their new complex in Perth. There is no doubt, the complex now completed since the D.T.L. Nationals were held there in 1985, is a credit to clay target shooting in general.

Three trench layouts fitted with the most up to date automatic equipment were used to conduct trench titles. Although shooter attendance was below previous years the tournament was well supported by our top international shooters. Making up the 108 shooters that attended and competed in both disciplines were 45 from W.A. 16 of these entered the I.S.U. skeet section, 2 from S.A., 21 from Victoria, 19 from N.S.W., 7 from N.T., 4 from Tasmania, 7 from Queensland, 3 from New Zealand and one from Papua New Guinea.

The performances of our top shots in both disciplines was of world standard. One thing that stood out was the performance and ability of several of our junior trench shooters. Their scores indicated any of them are capable of being future gold medallists for Australia. Let's hope they continue supporting this discipline with the desire and enthusiasm they are presently showing.

The West will again be hosts to the 1987 Skeet Nationals later this year. Now the complex is finished, I can recommend to all "skeeties" it will be well worth the trip just to see for themselves what a complex this State is fortunate to have.

See you where there is shooting.

Laurie Connors

## VALE

Terry McCarthy, Foundation member and ex-committee man of the Frankston-Australian Clay Target Club.

The Committee and members of the Frankston-Aust. Clay Target Club wish to extend our deepest sympathy to the family.

# O.D. NATIONALS

The magnificent Whiteman Park Shooting Complex, which really has to be seen to be believed, was in first class condition for the 1987 National Olympic Discipline Championships and the W.A.C.T.A. are to be congratulated for the part which they have played to make certain that all was in readiness for this important Nationals competition.

• The clubhouse at Whiteman Park.

Many of the eastern State shooters had arrived a day or so early to allow them time for practice and by the time the first shot was to be fired they, along with the W.A. competitors were raring to go.

The conditions were typically West Australian with the sun shining and wind blowing, the wind seems to have a strange effect on shooters as it causes problems in their approach to matters at hand or is it all in the mind.

Notwithstanding, the wind may have had an effect on some, however Victorian shooter John Summers was not at all disadvantaged and following his first 75 targets in I.S.U. Skeet he was out in front with three clean rounds.

At the trench layouts, Jim Ellis N.S.W. and Russell Mark from Victoria were leading the trench shooters both having shot 74/75. Also from N.S.W. and one shot behind was John Maxwell with a 73/75. Still a long way to go in

• John Summers

both events and the remaining days appeared to be full of interest.

## I.S.U. SKEET COMMONWEALTH TITLE — 200T

With the field containing 1986 Commonwealth Games and World Championship team members, a good competition was assured. The strong Victorian contingent was dominant at the end of the first 75 targets and John Summers with his excellent 75 held a two target advantage over fellow Victorian Ian Hale with Brian Thomson another two targets away in third place with a score of 71/75. Some disappointing scores were recorded on the first day and general comments were, "I'm glad that the day is over."

Day two and another 75 targets, after his first round 75, Summers shot another 50 before dropping two targets in the last round to still head the field with a 148/150. Others had obviously benefited from the first days experience as generally speaking better scores were recorded. Ian Hale with a second round 74 had picked up one on the leader to be in outright second place with 147/150.

• Ian Hale

A big gap however to the next group on 142 and with Brian Thomson and Craig Meuleman in equal third place, Victorian I.S.U. skeeters were setting the standard for this event, a standard which was first class.

Under the newly introduced Olympic finals system all competitors other than for the top 24 shooters were eliminated from winning contention although still going on to shoot the full 200 targets to decide grade placings.

At the 150T elimination mark the leading 24 shooters were:

|                   |     |                |     |
|-------------------|-----|----------------|-----|
| 1. J. Summers     | 148 | 13. D. Younger | 135 |
| 2. I. Hale        | 147 | 14. R. Dower   | 132 |
| 3. C. Meuleman    | 142 | 15. S. Evans   | 131 |
| 4. B. Thomson     | 142 | 16. J. Cole    | 131 |
| 5. M. Agar        | 141 | 17. A. Maher   | 131 |
| 6. A. Crikis      | 141 | 18. G. Clarke  | 129 |
| 7. B. Dudenas     | 140 | 19. G. Goody   | 127 |
| 8. M. Inguanti    | 139 | 20. J. Coci    | 125 |
| 9. G. Guy         | 138 | 21. J. Briggs  | 125 |
| 10. D. Cunningham | 138 | 22. J. Puglia  | 124 |
| 11. N. Aird       | 138 | 23. B. Prosser | 123 |
| 12. T. Dodds      | 137 | 24. B. Herbert | 123 |

Under the new system, these 24 shooters were squadded together to shoot an additional 50 targets, with the top six at the completion of the 200 targets going on to contest a six man final.

The eliminated eighteen shooters were then eligible for grade recognition along with those eliminated at the 150 target mark plus the three shooters who would be eliminated from the first three places in the final.

Being the International method this system did also apply for the trench competition.

### DAY THREE: THE FINAL 50 TARGETS

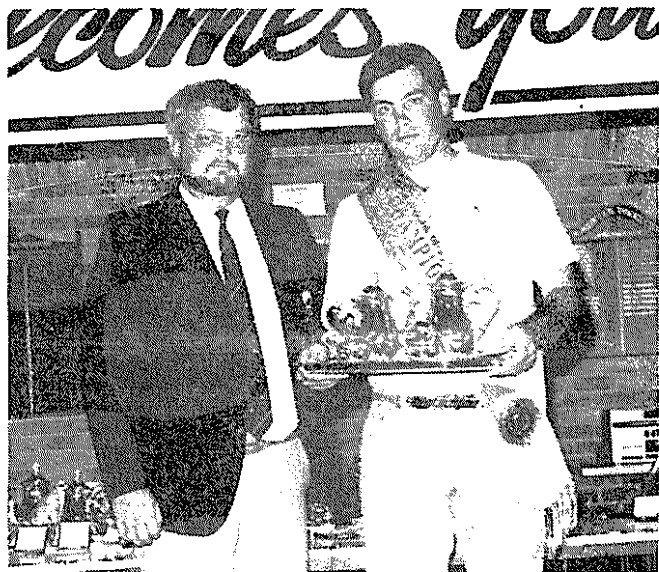

With the top 24 shooters shooting together, the pressure to perform was certainly at its highest. At the 200 target mark it was obvious that experience had played a large part in the composition of the final six shooters. Ben Dudenas a much improved shooter was the only one of the six who had not had International experience. By the way he shot, he will not have too long to wait to gain International recognition where he will eventually make his presence felt.

The six shooters to contest the final 25t were:

|                   |      |     |
|-------------------|------|-----|
| 1. John Summers   | Vic. | 196 |
| 2. Ian Hale       | Vic. | 196 |
| 3. Ben Dudenas    | Vic. | 189 |
| 4. Brian Thomson  | Vic. | 189 |
| 5. Craig Meuleman | Vic. | 189 |
| 6. Alex Crikis    | Vic. | 189 |

With the eyes of all at Whiteman Park closely watching, the final commenced.

First to miss was Thomson who dropped both his early doubles to then followed with a miss on high 2, Hale also dropped targets at high 3 and high 4, with John Summers, Craig Meuleman and Ben Dudenas all shooting their 25 targets, Crikis missing 2, Hale 2 and Thomson 5, victory went to the consistent John Summers who had led the way right from the first shot and his final score of 196 + 25 won for him the 1987 Commonwealth I.S.U. Skeet Title and the trophy donated by Strat Co. W.A., second was Ian Hale on 196/23, third place following a shoot off went to another Victorian, Ben Dudenas with a 215/226. Victorian Junior Michael Inguanti won the Junior section with a well shot 213/225 from Mark Agar of N.S.W. 212/225. It was apparent that although not all were necessarily in favour of the finals system, it was full of interest and has added a new dimension to the competition.

• State Committee member Terry Morony presents John Summers, 1987 Commonwealth ISU Skeet Champion with his trophy.

### OLYMPIC TRAP: COMMONWEALTH TITLE — 200T

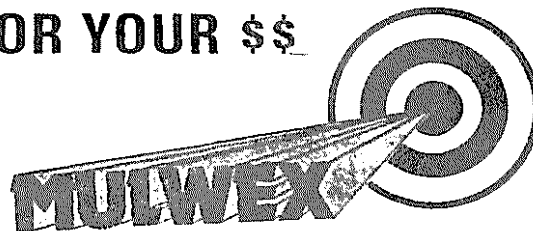

A larger field in this event including Commonwealth Games and World Championship team members from 1986, Terry Rumbel, Domingo Diaz and Russell Mark. Had the experience benefited them and could the field contain some dark horses? The three day event would certainly tell the story.

Day one and 75 targets to shoot, was it the conditions or nervousness, perhaps a bit of both for not one of the field was able to complete the 75 targets without at least one or more misses.

At the end of the day Jim Ellis from ACT with his 74/75 led the field with Russell Mark from Victoria. John

• John Maxwell

Maxwell with his 73/75 then had a one shot advantage over Michael Diamond the N.S.W. Junior, Cliff Bailey N.S.W. and Domingo Diaz from Victoria. Terry Rumbel the competition favourite shared equal fourth place with a number of shooters on 71/75, again the overall standard was World class.

Day two, and another 75 targets to shoot and shoot them they did. With Russell Mark shooting a 73 and Jim Ellis a 74 we had an outright leader in Ellis with his 74/74, 148/150. A group of three, Diaz, Robert Thompson from N.S.W. and Maxwell shared third position with their scores of 145/150.

Under the newly introduced Olympic finals system all competitors other than for the top 24 shooters were eliminated from winning contention although still going on to shoot the full 200 targets to decide grade placings.

At the 150 target elimination mark, the leading 24 shooters were:

|                  |     |                  |     |
|------------------|-----|------------------|-----|
| 1. J. Ellis      | 148 | 13. B. Dunstan   | 138 |
| 2. R. Mark       | 147 | 14. B. Winstrand | 137 |
| 3. D. Diaz       | 145 | 15. F. Vella     | 137 |
| 4. J. Maxwell    | 145 | 16. P. Stein     | 137 |
| 5. R. Thompson   | 145 | 17. G. Mark      | 137 |
| 6. C. Bailey     | 144 | 18. G. Appleby   | 137 |
| 7. M. Diamond    | 142 | 19. W. Vella     | 137 |
| 8. J. Fissoli    | 141 | 20. G. Newey     | 135 |
| 9. J. Harris     | 140 | 21. K. Selwood   | 134 |
| 10. T. Rumbel    | 140 | 22. P. Melvin    | 134 |
| 11. F. Petriella | 138 | 23. T. White     | 133 |
| 12. S. Haberman  | 138 | 24. J. Keevil    | 133 |

Under the new system, these 24 shooters were squadded together to shoot an additional 50 targets with the top six at the completion of the 200 targets going on to contest a six man final.

The 18 eliminated shooters were then eligible for grade recognition along with those eliminated at the 150 target mark plus the shooters who would be eliminated from the first three places in the final.

The final 50 targets on day three produced an excellent 50 from Robert Thompson which was the only possible for the day. Rumbel with his 49/50 was still in contention as

• Terry Rumbel

was another N.S.W. shooter Cliff Bailey also with a 49/50. Ellis had dropped four for the day, Mark 3 and Maxwell 3 with Diaz shooting a 45/50.

At the end of the round the final six placing had been decided:

|                |        |     |
|----------------|--------|-----|
| 1. R. Thompson | N.S.W. | 195 |
| 2. R. Mark     | Vic.   | 194 |
| 3. J. Ellis    | N.S.W. | 194 |
| 4. C. Bailey   | N.S.W. | 193 |
| 5. J. Maxwell  | N.S.W. | 192 |
| 6. D. Diaz     | Vic.   | 190 |

The large crowd viewing the final 25 targets had their favourites and were hoping for them all to do well.

Thompson was the first to miss a target, his 5th, next at 7 was Diaz, Thompson missing again at 9, 10, 11, was possibly showing his inexperience against the top class field.

Diaz had another miss on 13, Mark surprisingly dropped his 14th target and Bailey his first at the 15th. Next to miss was Ellis on his 18th target and all of a sudden we had a new ball game. With Diaz dropping two more 20, 21 and Thompson his 25th we had a tie for first place with Ellis and Mark both on 24/25.

Into the shoot off to decide first place and at the 5th target Jim Ellis let one get away, Russell Mark with the pressure on him only had to shoot his 5th target in this miss and out competition to become the 1987 Commonwealth Olympic Trap Champion and with all eyes on him the target was shattered and Russell Mark was Commonwealth Trap Champion. Third on a countback from Cliff Bailey was John Maxwell with a final score of 217/225.

Congratulations to the winner and particularly to all competitors for the sportsmanlike approach to the competition which was of an excellent world class standard.

In the Ladies section, the well travelled Doreen Aylett from Devonport, Tasmania won the Ladies title with a score of 152/200. Well done to the ladies who contested this most difficult of shotgun disciplines and well shot Doreen Aylett.

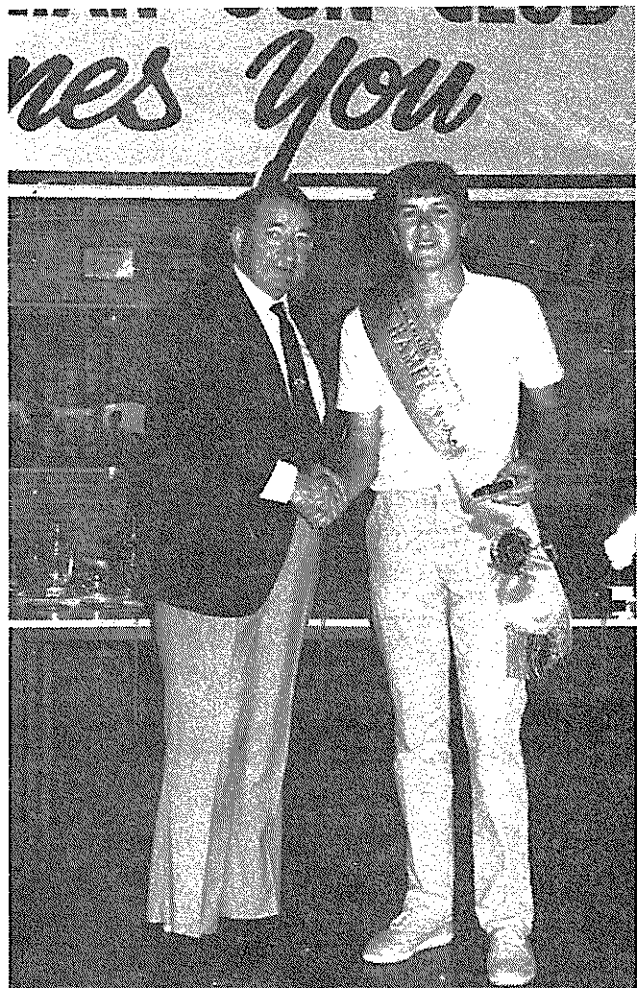

Junior winner with an excellent 188/200 was Michael Diamond from N.S.W. who only failed by 2 targets after a

• Robert Thompson

full 200 to make the open final — congratulations Michael Diamond.

• 1987 Commonwealth Olympic Trap Champion Russell (Grommy) Mark receives congratulations from Roy Holtfreter.

AUSTRALIAN CLAY TARGET NEWS — MAY 1987

Trophy recipients at the completion of the Commonwealth Titles were: **I.S.U. Skeet** — John Summers, Melbourne Gun Club, receiving the silver tea and coffee set kindly donated to the winner by Strat Co., W.A. **Olympic Trap** — Russell Mark, from Echuca Gun Club, receiving the silver tea and coffee set kindly donated by Roy Alexander (himself) and Sons.

We thank both of our event sponsors for their support of our Commonwealth titles for 1987.

Tuesday, March 3 and with it the all-important National Titles. After a 200T warm-up in the Commonwealth events it was obvious that both the I.S.U. Skeet and Olympic Trap National titles would be full of interest with good scoring anticipated.

#### I.S.U. SKEET NATIONAL CHAMPIONSHIP — 200T

Ben Dudenas with his 75 was the outright leader at the completion of the first day's shooting. Right behind him with a 74/75 was Ian Hale and then a further two targets away came Alex Crikis and Craig Meuleman both on 72/75. Commonwealth Title holder John Summers was in the next group of four on 71/75 as was Junior Commonwealth Title holder Michael Inguanti.

Still another 125 targets to shoot and the leaders were more than anxious to retain the lead that they had obtained on the first day of the National title.

• Ben Dudenas, the 1987 National ISU Skeet Champion, pictured in action.

Hale joined Dudenas after 150 targets, both having shot 148/150 and now with a three target break from Meuleman who had another two target break over Thomson, the gap appeared to be widening. Again the top 24 shooters would be squadded together to contest the last 50 targets.

|                   |     |                  |     |
|-------------------|-----|------------------|-----|
| 1. I. Hale        | 148 | 13. M. Agar      | 134 |
| 2. B. Dudenas     | 148 | 14. A. Forsberg  | 132 |
| 3. C. Meuleman    | 145 | 15. J. Puglia    | 131 |
| 4. B. Thomson     | 143 | 16. B. Prosser   | 130 |
| 5. G. Guy         | 142 | 17. J. Briggs    | 129 |
| 6. A. Crikis      | 142 | 18. G. Clarke    | 129 |
| 7. J. Younger     | 141 | 19. S. Evans     | 128 |
| 8. M. Inguanti    | 141 | 20. R. Eckersley | 127 |
| 9. J. Summers     | 141 | 21. T. Dodds     | 127 |
| 10. R. Dower      | 140 | 22. J. Cole      | 126 |
| 11. D. Cunningham | 139 | 23. J. Coci      | 125 |
| 12. J. Carbone    | 136 | 24. A. Maher     | 122 |

The final 50 targets of the National title had junior Michael Inguanti gaining a place in the six-man final after ousting Commonwealth Games member Alex Crikis from the top six places. At the completion of the 50 targets the final to be contested over an additional 25 targets had six Victorians in the six positions.

Cont'd from previous page

• The final qualifiers after the 200T in the National ISU Skeet event.

Final placings at the 200 target mark in order of qualifying were:

|                |      |     |
|----------------|------|-----|
| 1. B. Dudenas  | Vic. | 195 |
| 2. I. Hale     | Vic. | 194 |
| 3. C. Meuleman | Vic. | 193 |
| 4. B. Thomson  | Vic. | 191 |
| 5. M. Inguanti | Vic. | 190 |
| 6. G. Guy      | Vic. | 190 |

At the completion of the 25 target final Ben Dudenas was the 1987 National I.S.U. Skeet Champion on 224/232 after some magnificent shooting. Second on 223/232 was Ian Hale who found youth on the day difficult to overcome, third was Brian Thomson who had also shot well to record his 215/225.

All in all the final system proved to be exciting for all and certainly gained the interest of all spectators.

Congratulations to all, particularly those who after 225 targets had gained the O.D. medals for finishing 1, 2, 3, Ben Dudenas, Ian Hale and Brian Thomson.

In the Ladies section Judy Prosser from ACT was the winner with her total of 122/200. Victorian Junior Michael Inguanti took out the Championship double by adding the National Title to the Commonwealth title which he had previously won.

• Double Junior Titles went to Michael Inguanti of Victoria in the ISU Skeet by taking out the Commonwealth and National.

Page 12

Both Judy and Michael are to be congratulated on their performances and the experience they have both obtained will hold them in good stead on future occasions.

#### OLYMPIC TRAP NATIONAL CHAMPIONSHIP — 200T

Not quite as good a start for the majority of shooters whose scores were not up to the Comm. wealth event after the first 75 targets had been shot. However they were still of an excellent standard overall.

John Maxwell however shot the only possible for the day to be the outright leader from Jim Ellis with his score of 74/75. The World Championship team of Terry Rumbel, Domingo Diaz and Russell Mark were all sharing equal third, two shots from the outright leader.

Brett Dunstan, a junior from Victoria, had shot well on the day for his 72/75 and was looking to do well at his next visit to the trap. Ladies Commonwealth title holder, Doreen Aylett from Tasmania had a personal best of 49/50 and although faltering in the last 25 of the day still recorded an excellent 69/75 to lead the Ladies section.

At the 150 target mark Ellis had taken the lead with a score of 149/150, five targets separated the first four shooters with Maxwell holding second place with a 73 to add to his first round of 75 for a total of 148/150.

Rumbel was commencing to make his presence felt and his 74 gave him a total of 147/150. One shot back was the Commonwealth title holder Russell Mark on 144/150.

As the 150 target mark was the cut-off point the top 24 shooters proved to be:

|                 |     |                |     |
|-----------------|-----|----------------|-----|
| 1. J. Ellis     | 149 | 13. R. Pickard | 139 |
| 2. J. Maxwell   | 148 | 14. P. Stein   | 139 |
| 3. T. Rumbel    | 147 | 15. K. Perkins | 139 |
| 4. R. Mark      | 144 | 16. G. Beard   | 139 |
| 5. R. Thompson  | 143 | 17. L. Shipp   | 138 |
| 6. B. Dunstan   | 143 | 18. D. Barnes  | 138 |
| 7. M. Diamond   | 142 | 19. G. Newry   | 138 |
| 8. C. Bailey    | 141 | 20. K. Selwood | 138 |
| 9. D. Kevill    | 141 | 21. C. Reigert | 138 |
| 10. J. Harris   | 141 | 22. A. Hooking | 137 |
| 11. B. Wistrand | 140 | 23. J. Neve    | 137 |
| 12. D. Diaz     | 140 | 24. J. Kevill  | 137 |

The final 50 targets of the National title were keenly contested and places in the final were not easy to obtain. Pressure was being applied by juniors, Michael Diamond from N.S.W. and Brett Dunstan from Victoria, who both eventually shot their way into the final six, ahead of some experienced shooters including Commonwealth Games and World Championship team member Domingo Diaz who had not had a good Nationals. News of burglaries from home does not help, however, he would be the first to admit the field to contest the final was the best six that the Nationals could muster.

In qualifying order the final six shooters were:

|               |        |     |
|---------------|--------|-----|
| 1. J. Ellis   | ACT    | 198 |
| 2. T. Rumbel  | N.S.W. | 196 |
| 3. J. Maxwell | N.S.W. | 194 |

• Jim Ellis

- |                     |        |     |
|---------------------|--------|-----|
| 4. R. Mark          | Vic.   | 192 |
| 5. M. Diamond (Jnr) | N.S.W. | 189 |
| 6. B. Dunstan (Jnr) | Vic.   | 189 |

The flash targets which had been prepared for the promised TV coverage which again we were not favoured with, certainly added to the atmosphere. Jim Ellis with his two target lead was going to be the man to beat and when Terry Rumbel dropped his fourth target the lead had increased. Rumbel missed again on his ninth after Ellis had missed on eight. Ellis missed again on his tenth target and again on his eighteenth.

However it was always going to be Jim Ellis' day and at the end of the round he had maintained his two target lead to win the 1987 National Olympic Trap Championships with a score of 220/225 ahead of Terry Rumbel with a score of 218/225, in third place was John Maxwell who had shot well throughout to record his 216/225.

Commonwealth Champion Russell Mark had not had the best of results in the final, missing on 15/18/22/24 to finish fourth on 213/225 ahead of juniors Michael Diamond and Brett Dunstan who both recorded scores of 210/225.

In the shoot off for the Junior Title Michael Diamond was after the double as was Tasmanian Doreen Aylett in the Ladies section.

Michael and Brett Dunstan shot a round of 25 and to decide the title, Michael added a straight 25/25 to Brett's 22/25. What the future holds in store for these promising juniors only time will tell. However with the right approach to their shooting both the names of Diamond and Dunstan should play a large part in shaping our future in this most difficult of disciplines. Final scores were M. Diamond 235/250, B. Dunstan 232/250.

Doreen Aylett successfully attempted the double of Commonwealth and National Ladies champion by shooting a score of 164/200. Doreen shot a 25 break in the competition in the one round and no more pleased shooter was on the ground. Well done Doreen.

• Two top juniors made the division in the Olympic Trap competition fierce. Here Brett Dunstan (left) congratulates Michael Diamond on winning the Junior division in the National Championship after a shoot-off.

In the States Teams events, Victoria with a score of 435/450, steeled the opposition by 41 targets in I.S.U. skeet and proved that in this discipline at the present time, Victoria reigns supreme.

The Olympic Trap State Teams event over 150 targets was well won by New South Wales with their score of 420/450 finishing ahead of Queensland on 414 with the Northern Territory shooters recording their best ever result to come in third on 411/450.

High Gun winners were Ian Hale 390/400 (open) and Michael Inguanti 378/400 (junior) in the I.S.U. Skeet. Olympic Trap High Guns were well won by ACT shooter Jim Ellis (open) with his 392/400 and Michael Diamond

Sole direct factory representative and distributor for Western Australia for Perazzi firearm and ammunition — Saga ammunition — Kromson clay target traps 240V — 12V and standard hand traps.

All in stock now.

Also W. Australian importer of fine **BENELLI** auto and F'GI **GAMBA** D.B. shotguns.

Latest illustrated coloured catalogues available.

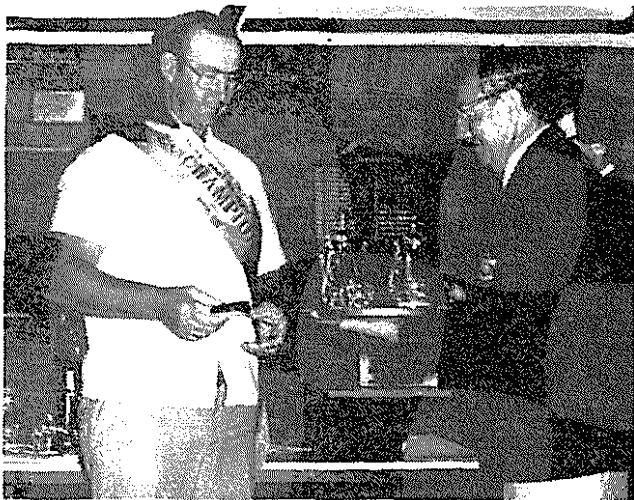

Genuine trade enquiries welcome. All enquiries and orders immediately attended to irrespective of state.

Cont'd from previous page

(junior) 15 years of age and a score of 377/400. Congratulations to all High Gun winners and as important, all who shot the National titles and made the 1987 titles in Perth an excellent carnival and one to be remembered.

In closing, the 1987 titles will be remembered for the shooting standards that were achieved during the magnificent I.S.U. skeet break of 195 by Ben Dudenas. The standard of our Junior shooters is progressing all the time and with natural improvement the shooting qualities of these Olympic Disciplines have an extremely bright future to look forward to, particularly with juniors making the final in each national title.

Until New South Wales in 1988 — good shooting in the Olympic Disciplines of I.S.U. Skeet and Olympic Trap.

• 1987 National Olympic Trap Champion Jim Ellis receives his trophy, kindly donated by Olympic Targets, from Laurie Connors on behalf of Sergio Zullo.

## OFFICIAL RESULTS

### COMMONWEALTH CHAMPIONS

I.S.U. SKEET — Open: J. Summers, Melbourne, Vic., 221/225; Junior: M. Inguanti, Frankston Australia, Vic., 213/225.

OLYMPIC TRAP — Open: R. Mark, Echuca, Vic., 223/230; Ladies: D. Aylett, Devonport, Tas., 152/200; Junior: M. Diamond, Illawarra, NSW, 188/200.

### COMMONWEALTH I.S.U. SKEET CHAMPIONSHIP — 200T

|        | Grade | Competitor    | Score   | Club                | State |

## COFFS HARBOUR ANNUAL OPEN SHOOT

Friday 2nd with 65 shooters rolling up for practice and Saturday 3rd and Sunday 4th January saw the Coffs Harbour Gun Club hold their Annual Open Shoot in sunny, hot and humid weather. Shooters and their families travelled from all over N.S.W., Queensland and Victoria, some of whom made use of the camping facilities provided on the grounds. A total of 30 clubs were represented by the 118 shooters on Saturday and 120 shooters on Sunday.

A total of 200 fluro targets were thrown for each shooter over the two days which produced some consistent shooting and high scores. Congratulations to Bill Turner (Goondiwindi) and Kevin Walton (Warren) in doing battle

● Michael Wolstenholme, Junior High Gun Winner 237/250.

Cont'd over page

Cont'd from previous page

to 116 targets in a shoot off for 1st AA in Event 6, the major event of the program.

For the first time in many years, Coffs conducted a Calcutta on events 6 and 7 and bidding for shooters was consistent, with the total pool realising \$1744. Eight of the 120 shooters in the running smashed the two rounds of 25 targets to take home some Bananacoast money to the tune of \$218 each.

Our sponsors again this year are a very valuable asset, and without these business houses it is hard for clubs in this day and age to exist. A big thanks to the Star Motel, Windscreens O'Brien, Baileys Hardware, Coffs Harbour Disposals, John Williamson Toyota, Repco Auto Parts and Westpac Bank, all of Coffs Harbour, Nambucca Heads Service Station and our own ladies auxiliary.

● Georgina Mitchell receiving the Ladies Open High Gun 231/250 from Club Vice President John Farrell.

**Event 1 — Star Motel 25 Target D/B:** 1st AA: Rod Moody 50/50; 1st A: Bill Turner 52/52; 1st B: Peter Hinschen 26/26; 1st C: Russell Kingsmill 30/32.

**Event 2 — Windscreens O'Brien 25 Target S/B:** 1st AA: Ray Hammond 28/29; 1st A: John Sleightholme 26/26; 1st B: Phil Pemberton 26/27; 1st C: Brian Lonsdale 24/28.

**Event 3 — Coffs Harbour Disposals 25 Target P/S:** 1st AA: John Kent 75/75; 1st A: Bill Turner 84/84; 1st B: Bruce Ringland 72/75; 1st C: Brian Higgins 72/75.

**Event 4: Baileys Hardware 25 Target D/B:** 1st AA: Roger Vidal 50/50; 1st A: Craig Bloxsome 53/53; 1st B: Gary Moore 45/45; 1st C: Brian Higgins 25/25.

**Event 5 — Coffs Harbour Gun Club Ladies Auxiliary Grand Classic 25 Target D/B:** 1st AA: Bill Turner 116/116; 1st A: David Edmonds 84/84; 1st B: Rod Odgaard 47/47; 1st C: Russell Kingsmill 24/25.

**Event 6 — Nambucca Heads Service Station 25 Target D/B:** 1st AA: Bill Jones 81/81; 1st A: Mick Wade 26/26; 1st B: Gary Moore 42/42; 1st C: Andrew Wilmot 25/25.

● Ray Hammond (left) being congratulated by John Farrell for winning the Open High Gun 246/250.

**Event 7 — John Williamson Toyota 25 Target D/B Continental:** 1st AA: Bill Turner 45/45; 1st A: Phil Pemberton 29/29; 1st B: Rod Odgaard 25/25; 1st C: John Robinson 34/36.

**Open High Gun:** Ray Hammond 246/250. **Ladies High Gun:** Georgina Mitchell 231/250. **Junior High Gun:** Michael Wosltenholtz 237/250. **Veterans High Gun:** Jeff Tainsh 222/250.

Over the weekend, our hard-working ladies in the kitchen, Chris Young and Pat Clark, with offsidiers, kept the meals and afternoon teas in great supply, some 500 meals in all.

The B-B-Q cooks also maintained the excellent standard with chops, steaks and grilled fish for those who didn't consume a couple of helpings of prawns at the complimentary dinner. Thanks Barry Finch and all your helpers.

To the office staff — secretary Roley Palmer and his assistant, Judy Farrell, the trap boys, trap mechanics Pat Young and Ken Hayes, scoreboard assistant Ed Odgaard, Noel, Roz and Jamies Rodgers (soon to be Coffs residents), who helped in many ways to keep things rolling — thanks.

With the hot and humid days, the bar area was well attended by "A.J." and a few of his mates who kept the barmen Eamon and Jan busy most of the weekend. Thanks fellas for your valuable assistance.

Congratulations to all the winners over the weekend and especially Ray Hammond (Guyra) high gun winner, 246/250.

Coffs Harbour, you have done it again.

ISHOTEMALL

## WORLD CHAMPIONSHIP JUNIOR FUND

The sapphire stone kindly donated to raise money for the Juniors has resulted in an amount of \$410 being added to the fund.

Mr Graeme Appleby of Tasmania was the winner of the special effort conducted at the Olympic Discipline Nationals in Perth.

We are appreciative of the donation made by Mr Noel Deeley of Gemfields, Qld., and thank him on behalf of the junior shooters for his support.

# 1987 S.A. STATE CARNIVAL

On February 7th and 8th the State Carnival was held at Monarto Shooting Complex.

This was quite unique as for many years it has been held at the S.A. Gun Club ground at Bolivar.

Due to the keenness of Monarto members to hold the carnival, plus the five traps available, it was decided by State Council to change the venue and give Monarto a go.

Full marks must go to Monarto members for the effort that they put into it all to make it a success.

With fresh Coorong mullet cooked while you wait, to a marquee with shooting videos playing, every effort was made to welcome and entertain shooters and their families.

On the Saturday some typical Monarto weather with strong frontal winds did not help shooters' scores. However, some shooters did overcome it and scored well.

Some top scores were: Craig Bentley AA & O/A 75-75 Champion of Champions; Phillip Mules AA & O/A 49-50 State Single Barrel Championship. Craig Bentley, D. Lynn, R. Bidi, K. Zaniol, R. Britcher and A. Norman of Western Zone Team won 123-125 from Eastern and Central Zones.

Sunday started with misty rain but fined up later in the morning and was a better day than Saturday.

Romano Bisi A & O/A won 114-114 State Double Barrel Championship. Richard Dean AA& O/A 149-150 State P.S. Championship. O/A High Gun and Champion S.A. Shooter was Craig Bentley 317-325. Barbara Wallis Ladies H.G. 212-250. Peter Caddy Vet H.G. 276-325. Bruce Pallant Junior High Gun 228-250 and Junior Winchester H.G.

The numbers were down a little but in view of the weather forecast for the weekend not significantly so, with Saturday seeing 108 shooters and Sunday 123 on the line.

Thanks to all Monarto members for a great effort, Dick Ayres and Winchester, Fisher Firearms, Hambley Clark and Sportgoods for the trophies and ammo donated, and to all who helped make the weekend the success that it was.

Finally I would like to mention a young man from Mallala who has been shooting very well. Brett Johnson, age 14, shooting 2½ years with a Winchester Pigeon grade trap gun and Pro Max shells, won the High Gun at S.A.G.C. two-day shoot with 120-120 and High Gun at Noarlunga City, plus 100 straight at International Gun Club and some lesser victories. Good shooting Brett. Keep it up.

Well that seems to be the main news for this month.

**Good shooting,  
Phil Johncock**

● Craig Bentley, Overall High Gun.

## (Firearm Safety)

## IT IS ON AGAIN!

The 1987 "Duck Season" is with us, and we may expect, before it ends, records which include incidents of injury and tragedy among those who participate. However, victims may not look among the registered shooters to lay any blame for the antics and behaviour of countless thousands of hunters who have little, if any, knowledge of the project in hand, know precious little about the Firearms they often carelessly use, and have never bothered to acquire the skills and training which identify the expertise and self discipline of the registered Shooter.

There are some four hundred thousand licences held by Firearm owners in Victoria; there are less than fifteen thousand registered Shooters in all the shooting codes in the State, of which less than half use shotguns, and of that number a very small percentage indulge the hassles, risks and expense of hunting ducks. The odd thousand or so shooters who risk life and limb among the countless thousands of Duck Hunters witness many who blast off thousands of rounds of ammunition and child-like disport a few pathetic specimens of the game they were hunting, often leaving an appalling cleanup task for the shooters and the Fisheries & Wildlife Officers.

Too many Hunters adopt the practice of emptying a 'tinny' for every shot fired, shooting at everything that moves, and with bleary-eyed vision have no hope of distinguishing between retriever dogs and waterfowl, recognising protected species. Some have seen no difference between a sleeping bird and a rubber boot!

In recent weeks registered shooters will have unearthed all equipment, put every item in perfect working order, attended the nearest Gun Club to perfect marksmanship and refresh application of Firearm Safety and field shooting procedures: they will have contacted the appropriate Fisheries & Wildlife officials to ascertain what areas and what species need culling, and made plans in the areas where culling is prescribed.

Unlike the seasonal Hunters, the responsible Shooter will have visited his own designated areas, organised his 'camp' and set up his 'hides; or 'blinds' so that during his brief stay his shooting will be orderly, positive, successful and completely safe, and with unlimited tolerance he will try to educate those who, with no forward planning, pile loads of beer, guns and ammunition into 'a mate's car' and drive around the countryside being a confounded nuisance and leaving a trail which promotes protest and complaint from many sections of the community.

Duck Season, which is the culling exercise, is vital. It is essential to protect the various species of waterfowl: their feeding and breeding grounds have been reduced more than seventy percent in less than three decades, and with a general average of not less than five ducks from every nest surviving to adulthood, the over-crowding and shortening food supply, promote the more dominant species to intimidate and thus reduce the protected species, and then gorge themselves on the rice and millet crops. The ability of the stronger species to rapidly multiply has to be offset, so that pollution, fouling of lakes, reservoirs and streams — the source of human water supply — and the spread of Botulism, Avian Cholera and Virus Enteritis (a positive threat to animals as well as birdlife), can be kept under control.

Planned culling is often marred by untrained thoughtless clowns who have neither interest nor appreciation of the essential features and purpose of each 'Duck Season', and worst of all are not capable of carrying out humane quick clean kills.

Those people who go duck hunting during the next few weeks are urged to plan ahead, be constantly alert, know and identify the protected species and be constantly aware that for every trained Shooter, there are thousands of hunters who do not know and do not practise the essential

## FIRST AUSTRALIAN MASTERS GAMES

Masters or veteran sports is a recent phenomenon and one of the most exciting growth areas in sports participation throughout the world. The concept of the Australian Masters Games has been created to provide long term goals in sports and to promote the ideal of sport for life and healthy life styles.

The inaugural games will be held in Tasmania from 28 November to 12 December 1987, and follows an announcement made in September 1985 that the Tasmanian Government had accepted the Confederation of Australian Sports invitation to host the inaugural Australian Masters Games. The Patron is the Hon Robin Gray, Premier of Tasmania. Tasmania was selected because of the commitment to sports development of its Government, the concept of a statewide network of competition venues and its renowned tourist attractions.

The games are to be a major sport festival for mature age sportsmen and women and held in a number of locations throughout Tasmania. At least 4,000 competitors are expected to participate in the events which will include up to thirty five different sports.

Masters are mature aged athletes competing in age related events, most of which begin at 35 for women and 40 for men. Entries will be accepted from any athlete or team wishing to compete and no qualifying conditions apply. Participants in the First Australian Masters Games may be amateur or professional. Many will have been national or international champions, many are now or will be champions in their respective age divisions.

The overall cost of the Games exceeds \$1M. It is anticipated that money raised by way of corporate sponsorship and registration fees will exceed \$500,000. It is estimated between 7,000 and 9,000 visitors, including competitors and families from overseas and all parts of Australia, will be attracted to Tasmania. An economic impact of up to \$8M could be anticipated.

In recognition of the major benefits to the Tasmanian economy and the opportunity to stage one of the largest sporting events held in Australia, the Tasmanian Government has agreed to support the games through Government Departments, including the Departments of Tourism, Main Roads and Supply and Tender.

The Board of Directors for the Australian Masters Games is chaired by Mr Ken Lowrie. The organising committee is an incorporated body with the Board of Directors responsible for the successful organisation of the Games. Mr Kim Newstead has been appointed General Manager and Mr Chris Guesdon appointed Marketing Executive.

Although the first Australian Masters Games are many months away, GOLD has already been won. In the recent Pica Awards, the Gold Award was given to the Masters Games Logo for their promotional folder.

The logo features three kangaroos in Australia's national sporting colours of green and gold, together with a blue kangaroo, representing the Confederation of Australian Sport. The kangaroos have been combined with a map of Tasmania where the first Australian Masters Games will be held from 28 November to 12 December, 1987.

Venues for all sports have been selected as the organisers are keen to ensure that as many locations as possible throughout the State are involved in what will be one of the largest sporting events ever to be held in Australia.

The General Manager, Mr Kim Newstead, stated that a Triathlon will be held in conjunction with the First Australian Masters Games.

All events will carry Gold, Silver and Bronze medallions for place getters.

Mr Newstead went on to say that a large contingent of New Zealand athletes were expected to participate, following on from the World Veteran's Cup in Melbourne the previous week.

The cricket competition offers the organisers the possibility of attracting UK and Caribbean teams as the teams could travel to Tasmania in their "off" season.

Sponsorship packages of Golden Master, Silver Master and Bronze Master have been developed and will shortly be submitted to National and Tasmanian companies. The games are an attractive proposition for many companies as the number of "Credit Card" athletes in Australia totals 850,000 and embraces all major sports.

Many well-known sporting personalities are expected to visit Tasmania to compete and assist the organisers with the general promotion of the Games throughout Australia.

For further information contact Kim Newstead, General Manager, First Australian Masters Games. Telephone (002) 74 0750.

## VALE — Colin E. Anderson

It is with regret that we report the death of our esteemed member, Colin Anderson, on March 10, 1987.

Colin only joined the N.S.W. Gun Club in recent years but was well known in Field and Game and other field areas. He had the distinction, we believe, of being Australia's first Olympic running game shooter when he represented at the 1956 Melbourne Olympiad in the 300m Running Deer.

We shall miss his cheerful fellowship and wide wisdom and knowledge on things shooting.

New South Wales Gun Club.

## VALE - JACK STAMP

The Committee, Members and Ladies Auxillary of the Wangaratta Gun Club were deeply saddened on March 3rd by the death of the longest serving Committeeman — Jack Stamp.

Jack was elected to the committee in March 1963 and as Vice President in 1964. The members elected him as Treasurer in 1965 & '66 and as President in '68, '69 & '71. Jack served on the committee from that time until his death, during which time he was Vice President 4 times.

Jack took a great interest in the junior and novice shooters and the late '60's saw him conduct training sessions and lectures to local secondary school students on gun handling and safety, from which the monthly School Boys' shoots evolved.

In 1972 Jack was awarded a Life Membership to the Club.

In 1986 the members once again recognized that Jack Stamp's expertise were required on the managerial side of the Club and elected him as Treasurer. Quote from 1971 "Jack Stamp's a great backstop with his experience in Club management and could always be relied upon to assist in trouble spots". This again proved to be true, even though by this time his health was deteriorating.

Jack had a unique ability to formulate his ideas into plans for the future. The Club benefited tremendously from this over the past 23 years. Jack was one of the main instigators of many of the Club's improvements including that the club build a new Club House.

Jack was a very tireless club worker who did a huge amount of work that, to some went unnoticed, yet to him it was just automatic that the work needed doing. He never expected thanks for his efforts.

Jack was a very keen skeet shooter and believed that more handicap events should be conducted to give the C & B grade shooters a chance to win.

Jack was a terrific competitor who loved to win, but when beaten would be one of the first to congratulate the winner. Jack really enjoyed the friendly competitiveness created when the Melbourne Gun Club members visited Wangaratta for the annual inter-club visits and received a great deal of pleasure when he and his son Ray were in the winning Skeet team in 1985 that "beat those Melbourne chaps". He was extremely popular with his fellow shooters and a great club ambassador who always made visitors most welcome to the Club. No matter how poorly he felt to others he was always "fit". Very few people realized just how ill he was.

Little did we realize that at our Christmas Skeet shoot last year when Jack Stamp won his turkey and ham that it would be the last time we would have the pleasure of enjoying this wonderful Clubman's genuine friendship, knowledge and understanding.

Our deepest sympathy to Edith, Ray, Heather and families.

Bev Penney  
Secretary

## PETER McLACHLAN... VALE

A number of familiar faces were missing from the 1987 National Trap Championships and one that was sadly missed was Peter McLachlan, ex-President of the Gold Coast Gun Club who passed away in 1986 after a short illness.

Peter was a regular attender at the Nationals and will be remembered for his contribution to the sport as well as for the many friends that he made during his shooting career.

Our sincere thoughts are with his wife Jill who hopefully will be comforted by the fact that while Peter is no longer with us he will always be remembered for the man that he was.

## REX WAS A MAN OF MANY TALENTS

One of Kerang's best known sons, Rex Peacock, a man of many talents, passed away on January 13, aged almost 66 years.

During his life Rex Peacock was a sleeper cutter, electricity station engine driver, gun dealer, farm machinery salesman, sporting shooter, apiarist and later in life, an assurance salesman for Colonial Mutual Life.

Rex Peacock was born on a dairy farm near Kerang on March 17, 1921 and worked on a travelling chaff cutter until called up for service in the Second World War. After the war, he cut railway sleepers and drove an engine in the power station at Kerang.

When the State Electricity Commission began supplying power in 1961, out of a job, he bought an interest in a Kerang retail store, and acquired a gun dealer's licence. He also bought a share in a garage and sold farm machinery for about 10 years.

Throughout his life, he was a keen shooter, winning State titles and representing Australia as a clay target shooter.

He remained a keen sportsman throughout his life, hunting deer and fishing for trout in New Zealand.

### CONDOLENCES

Finally condolences to Edna Peacock and family on the passing of her husband and father Rex. Rex had a long association with the shooting sports and the Kerang Clay Target Club in particular. Even though in ill health for the past few years he determinedly still remained a financial member of our club. From president and members we wish the members of the family sincere sympathy.

## W.A.C.T.A. REPORT

The O.D. Nationals held at the W.A. Shooting Complex in March were, I believe, a great success, but probably not from A.C.T.A.'s financial angle, only because of small number of shooters. However, we can be very proud of our State's involvement, and the success is due entirely to the efforts of a dedicated committee and a band of people too numerous to mention by name. To you, the individuals, who helped in any way, many thanks for backing your State so well.

Congratulations to the W.A. Shooters S/S team in I.S.U. Skeet who came second to Victoria. Also others from W.A., as you will read in the results, had successes and are to be applauded. It was disappointing to be confronted with the apathy of some prominent visitors, who did not present their handicap cards. I am proud of this State's record in such matters, and I hope the persons concerned will learn from it.

Once again members of this State were seen in their black and gold windcheaters, although the weather was warm, and it was great to see them being aired. As you are no doubt aware Helen and Darryl Wiese are responsible again for this generosity and for working so hard during the Nationals — thank you both.

Two weeks later the Bunbury Clay Target Club held their two-day Blue Manna Carnival. Saturday saw the State Skeet Championship with a field of about 80 shooters. The only two possibles were Bunbury's Frank Ward, and Collie's Max Cubic to shoot-off for the illustrious red sash. This went for a full round plus a few more before Max got the better of Frank. Congratulations to both for a great display of skeet shooting. Sunday was trap all day, with that old limper Lex Shipp winning the overall High Gun and the sought-after silver crab. Incidentally it was the only crab seen in Bunbury this year, as the waters of Bunbury and Australind have been nearly crab-less this year.

Nevertheless, the Carnival was a great success with President Bruce Whiteaker and his committee feeling very pleased with themselves.

Hope to see you around the clubs soon. Good shooting.

Ross Silvester,  
President

## REPORT OF RIVERINA ZONE MEETING

Twenty shooters met at the Leeton Gun Club for the Zone Meeting prior to the Leeton February shoot.

The program for the Zone Carnival to be held at Wagga on 30th August will be same as at Albury last year; sweeps to be graded.

The 1988 Zone Carnival will be at Tumut on Sunday, 8th May, 1988.

A recommendation will be made to the N.S.W.C.T.A. to grade sweeps at State Carnivals, and an optional overall purse be made available. Also that reduced noms be on a per event basis. More information will be sought regarding the three persons club teams competition as shooters were interested in it.

A recommendation will be made to the Rules Committee to change the handicapping formula to a penalty of one metre per \$100 accumulated in handicap CD and Trophy events.

All shooters present were strongly against a proposed fifty cents per shooter per shoot Ground Fee to be imposed on shooters shooting at N.S.W. clubs. If you do not know the details of this fee you may contact me or your own Club Secretary for further information.

Championships will be allocated to clubs represented at the Zone A.G.M. to be held at the Ex-Servicemen's Club Narrandera at 2pm on 9th May.

For any information on Riverina Zone matters please contact L. Charles, Riverina Zone Secretary.

Page 22

## WET AND DRY

### N.T.C.T.A. NOTES

The N.T. Shoulder to Shoulder team for the Brisbane D.T.L. Nationals has been in training and is expected to perform well. The team, comprising John Doyle, Phil Grove, Greg Chan, Dexter Barnes and Tom Weis, with reserves Ken Selwood, Jim Bitossi and Doug Chan, has been 'shooting a storm' recently. Best of luck, team!

The N.T. Trap Carnival will be held in Katherine over the Queen's Birthday long weekend. Let's hope we see a good roll-up for one of our major events.

### HERE AND THERE

**McArthur River Annual Shoot** comes around this month, and is always a top shoot. If you're in the area, or have a spare couple of days up your sleeve, don't miss this shoot. As Territory and North-Western Queensland shooters (Mt. Isa, in particular) will hasten to declare, this shoot has everything.

**Darwin Diary:** Glen Goding has started hitting his straps in Trench recently, coming second overall the other day with a solid 23/25. Is it true you're giving Hooper tips now, Glen?

Peter Hoare has had a stay in Royal Darwin after a lengthy back operation. Greetings and get-well-soons from all the Territory shooting fraternity, Peter.

Bob Fox and Natale LoPresto (Jabiru) showed how to shoot Handicap with 20/20's. A short (unexpectedly) shoot-off saw Foxy first, with Nat runner-up. Both accepted a metre remuneration also. Well done!

Rumour has it that a few 'C' graders will soon be 'C' no longer, due to consistent scores. It's good to see the development of our new shooters, as they start putting together a string of scores.

John Millington has been having a topsy-turvy time on the skeet half-circle, with 20 one week, and a miserable six the next. Strange how reading a few books, seeing a couple of videos and listening to a dozen shooters really sees such an incredible variation of scores. Sorting the wheat from the chaff is what it's all about, J.M. It won't be long before the consistency comes, and you start to grind your teeth when you miss a particular couple of targets consistently. Who says shooters aren't masochists?

Greg Chan, N.T.'s Coaching Director has been surprised by the popularity of the coaching videos he's received. There's a long waiting list for some of the titles, apparently.

Dexter Barnes, Ken Selwood and Ian Hageman performed well at the Trench Nationals in Perth, with a third place in the Teams. It has also been rumoured that 'Haggus' performed pretty well after some 'Black Duck' medicine, followed up with a couple of 'Rough Reds' at dinner. Mention was also made of the plastic toy Ian took to bed with him — not the usual rubber duck, but a large bucket. Strange...

**Gove Goings-on:** Working bees have been the order of the day, with a new traphouse roof, and generator and shed being completed and installed. Also:

A report is to hand  
From our Nhulunbuy Band  
Where Bauxite is processed in plenty.

When cyclones abound  
And rain belts around,  
The Zone Single Barrel ain't fun.

Greg Bateson got first,  
(23 in cloudburst);  
From Dalgleish who shot 21.

STOP PRESS:

Mick Doolan  
(No foolin')  
Popped up in third place with a 20!

Until next time,  
Inkball.

# FROM THE DESK OF THE NATIONAL COACHING DIRECTOR

Peter Quire

I have just completed the National Coaching figures for 1986-87. The total number of people coached has risen by 1,276 from the previous year. From the figures you will see just how busy some of the accredited coaches have been.

These figures are compiled from coaching reports I received during the year and I know that there are many coaches who put in time and effort coaching but do not send in their reports, so the figures would be better than shown.

There have been a wide range of groups coached during the year, just some are: high schools, scout groups, adventurers, charity groups, service clubs, police associations, national parks and wildlife management students, colleges of advanced education, air force, star force.

Our coaches have taught safety and the skill of clay target shooting and introduced people from all walks of life to our sport.

The Clay Target Association now has 291 Accredited Coaches with 40 coaches also having gained Level 2 accreditation and several others in Queensland and Victoria nearing completion of their Level 2 courses.

If you are a Level 1 coach and would like to be accredited at Level 2, contact your Zone Coach or State Director for details.

|        | Level 1 | Level 2 |
|--------|---------|---------|
| N.S.W. | 76      | 11      |
| N.T.   | 11      | 1       |
| Qld    | 74      | 4       |
| S.A.   | 20      | 7       |
| Tas.   | 5       | 1       |
| Vic.   | 40      | 7       |

|----------------------|---------|
| Experienced shooters | 742     |
| Novice shooters      | 1,438   |
| Total                | 2,180   |
| Coaching hours       | 559     |
| Cost per shooter     | \$4.58  |
| Total cost           | \$9,992 |
| Subsidy              | \$2,708 |

This month I would like to address myself to the fact that there has been a recent fall in membership numbers. The rural recession will of course affect our sport in this regard, but I would like to suggest that club, zone and state administrations make full use of their accredited coaches.

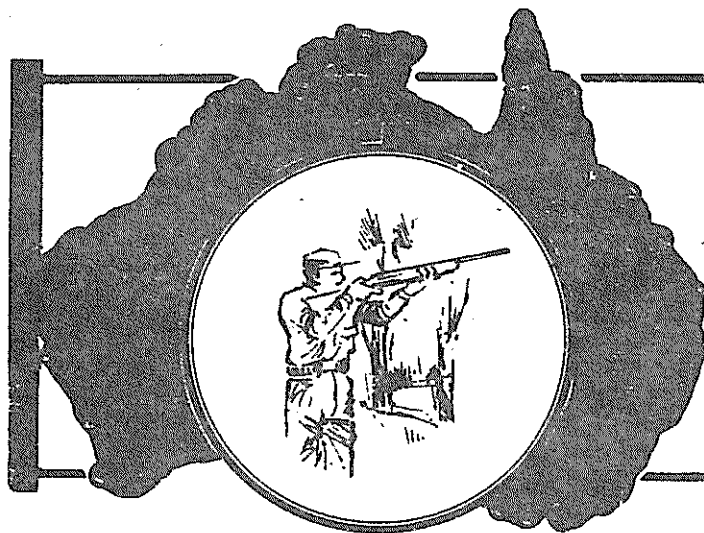

Open days or charity shoots where new shooters come to the clubs for the first time are a great opportunity to gain new members. If the coaches at these events can help the novices to succeed in breaking clays the newcomers will enjoy the event and come back. This is where club administration and coach co-operation is essential.

New shooters need easy targets and less targets than are offered at the normal competitions. If the coach could have access to the trap to send straight-aways and give personal attention to the new shooter I am sure this would pay off in membership numbers. Of course it does not stop there. If the club has a few novice shooters, how about putting on ten target events, so that the novice can build up his or her ability and confidence, without feeling foolish, as so often happens, by trying to shoot the normal competition because there is no other. Often there is not even an eye-opener, so the newcomer ends up, for example missing 20 targets out of 25 and feeling that they will never master the skill, so they do not come again. It is better to hit 5 out of 10 than to miss 20 out of 25.

A combined effort of the club, zone or state coach and the administrations is needed to encourage and keep new members.

Few sports that cater for adults as well as young people offer the free coaching scheme that our sport does, so please make the most of it. Next time you go to your local shoot, bring a friend and introduce him or her to your club coach.

Share your shooting,  
Peter Quire

## VALE

It is with regret that we inform shooters of the recent  
death of one of our Club Directors, Mr W.S. (Sandy) Cox.  
Sandy will be well remembered by many older shooters, as  
he travelled far and wide to shoots in past times.

He was Club President for six years in the 1970s, seeing  
the club through some big changes and progress. He  
became a Councillor on Coffs Harbour Shire for many  
years, during which his shooting was somewhat curtailed.  
However, on retirement from these duties, he became as  
keen as ever.

The Club members express their deep sympathy to his  
wife Joan and their family.

**Roley Palmer,  
Coffs Harbour Gun Club.**

4. 22nd & 23rd August at Melbourne Gun Club.
5. 3rd & 4th October at Frankston Australian Gun Club.
6. 28th & 29th November at Melbourne Gun club. The State Carnival will be shot at this event.

The state training squad will be selected on the basis of the best 4 scores out of the 6 shoots with the shooter being able to drop off his 2 worst scores. PLEASE NOTE: The shooter's score for the State Carnival is compulsory for inclusion with the other 3 scores from previous eliminations and team members must have competed at the State Carnival to obtain selection.

The Victorian ISU Committee has decided that the High Gun in each discipline over his scores as used for selection for the training squad will receive \$200.00 to defray his shooting costs. The top junior shooter (as defined by the ISU Rules) in each discipline will receive \$100.00.

Teams will be constituted as follows: Six seniors and one junior member in each discipline.

(\*Note: this shoot is in conjunction with the first elimination for the selection from the National Training Squad of the team to compete in the South Pacific Games and the next World Championship.)

Any shooters who have queries as to the state training squad or its selection should contact either of the following:

West 58-75. 25T DB Grd C'ship: OA & A: R. Rowley 55-55, A. Couzens 54-55; B: G. Henwood 27-28, G. Van Den Brand 26-28; C: J. Arandt 26-29, C. McHattie 25-29. 15 Pair DR Grd C'ship: OA & A: A. Couzens 28-30, M. McInnes 26-40; B: G. Willis 24-30, B. Henwood 23-30; C: L. Torney 23-30, B. Ey 20-30. 25T Deauville Doubles: 1st pair: S. Zanca, M. Salvatore 25-25; 2nd pair: M. McInnes, R.

## SPECIAL ANNOUNCEMENT

## TRENCH LAYOUT

# ECHUCA GUN CLUB (INC.)

*in conjunction with*

## VICTORIAN I.S.U. COMMITTEE

Echuca Gun Club acting on requests from shooters in Central and Northern Victoria and Southern N.S.W. will hold a meeting at the Gun Club at the conclusion of the shoot scheduled for Saturday, May 9, which includes a 50T State Mini-Continental Championship.

The purpose of the meeting is to gauge the interest and financial support available to successfully establish a Trench Layout at Echuca.

As this is a most important meeting, it is urged that all interested shooters attend.

B.B.Q. tea will be provided by the Echuca Gun Club free.

If you require accommodation please ring the Secretary.

## I.S.U. SKEET & TRENCH COACHING SEMINAR

to be held at  
International Gun Club  
Bakers Road, Virginia, on  
May 23 & 24, 1987

Consisting of:—

- (1) Special Coaching Section for Juniors under the age of 21 yrs.
- (2) Session in Sports Psychology.
- (3) Session on Human Skills & Motor Learning or Skill Acquisition & Sports Coaching.
- (4) Practical Coaching by Australian Team Members T. Rumbel and I. Hale.

Plus videotaping of shooters.

The State I.S.U. Committee is going to a great deal of expense in bringing scientific experts and Australian Team Members to attend this seminar, and it is anticipated that your response will be shown. A small cost of \$20 per person shall be charged to cover expenses of lecturers and coaches.

Acknowledgement of acceptance to attend is to be made by either phone to 356 0061 or letter to President, ISU Sub-Committee, Mr J. Finis of 6 McEwan Ave, Seaton 5023, by 15th May, 1987.

A free BBQ Saturday after session for those participating.

Mr J. Finis  
6 McEwan Ave, Seaton 5023  
Ph. 356 0061

HIGH GUN OVER PROGRAM.  
 HIGH GUN EACH GRADE OVER PROGRAM.

# BLACK CHROME

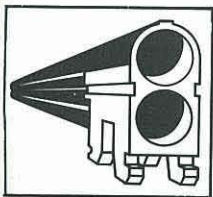

## IN AN ORDINARY WORLD, A TOUCH OF THE EXTRAORDINARY.

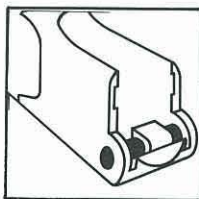

Laurona's unique BLACK CHROME process gives these precision Trap and Field guns a rust resistance factor some 60 times that of conventional blueing. Exteriors of barrels and Multi choke tubes are black chromed, whilst interiors are hard chrome lined (even threaded areas) — providing the ultimate resistance to rust, corrosion and pitting.

Ornate engraved 'Old Silver' finished receivers are complimented by select walnut woodwork, oil finished and hand checkered the traditional way.

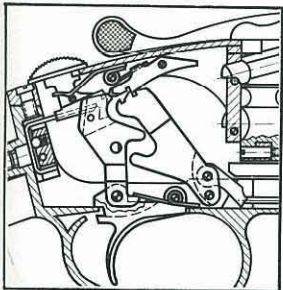

In addition to Multi-Choke versatility, the Laurona 85 series offers design innovations and features far and away ahead of similarly priced firearms. Laurona 85 — precision made guns at affordable prices.

For optimum strength and reliability, barrel tubes, chambers and locking lumps are constructed of one piece forging, not sleeved or jointed.

Well dimensioned high alloy steel hinge pin is centrally reinforced for greater strength and durability. Large forearm metal contact area ensures consistently firm, smooth opening/closing action.

Laurona's unique inertia and mechanically activated single selective trigger assures re-setting for second barrel with the lightest of loads — or in the event of a cartridge misfire. In addition, hammers are double toothed to avoid accidental discharge.

The unique Laurona 85 Series trap and field guns — a touch of the extraordinary in a very ordinary world.
