## EXECUTIVE DIRECTOR'S NOTES

As I am writing there is a very hectic few weeks ahead. As mentioned last month, five meetings in Melbourne plus the move from our existing location to a temporary address while awaiting the building of a new National Office.

Unfortunately I am not able to advise of our temporary address as there is still a number of matters to be decided before contracts etc. are finally completed.

One thing, however, that should remain is our existing telephone numbers as we do not anticipate a change in this area. There will be a degree of difficulty in the changeover, some inconvenience to the office and regrettably some possible inconvenience to you, our members.

We will do our best to ensure that the difficulties are kept to a minimum. In return, all that is asked is your understanding of our situation. Between the office and our members we will then be able to maintain what we believe to be the standard of efficiency that we strive to achieve.

Until next month when we will be occupying temporary premises for some four to six months.

Good shooting,  
Alan J. Maher

# CHAMPIONS OF OUR SPORT PAST AND PRESENT

GEORGE BIGGS

NEWTON THOMAS

Newton Thomas is legendary as one of Australia's most outstanding Clay Target shootes and one of the finest duck shooters I've ever had the pleasure of shooting alongside in the duck swamps of New South Wales when game was really plentiful. His uncanny ability to accurately point the shotgun was nothing short of amazing. I well remember one year we were shooting the International Teams Match on the old Australian Gun Club grounds at East Burwood, Newton headed our squad of five shooters and I followed him on lane two with Paul and Sperry Marshall from Tasmania on three and four, and for the love of me I can't remember who the fifth shooter was. However, the International Match that year was 100 targets up with a team of 20 shooters, four squads of five shooting 25 targets at a visit, five targets from each lane before moving. Apparently something of a record for fast shooting was established by the squad when we learned that the squad had been firing at five targets every 12 seconds. Newton went on to gain High Gun honors that year with a perfect score of 300/300 points. A performance that he repeated seven times over the years.

Newton's interest in shooting began as a boy when he was raised on the family property at Barham in New South Wales. He had been a proficient handler of firearms since the age of eight, and was widely acknowledged as a better than average hunter very early. It was during the years of his youth that Newton developed a broad knowledge of native Australian flora and fauna, knowledge that in later years was to make him a valuable adviser to various Government conservation agencies.

Newton became totally involved with the improvement of shooters and shooting generally with Australia and with Charles Whitia he started off the schools shooting program over twenty years. He organised and participated innumerable instruction days at schools teaching literary thousands of young shooters.

After gaining his matriculation certificate, Newton left school but demonstrated an almost insatiable appetite for

Melbourne Olympic Games of 1956 provided an opportunity for Australian shooters to see what Olympic trap shooting disciplines was all about. However, installation of equipment etc. did present quite a few problems, one of the little problems called for the development of a completely new type of clay target that would withstand the extra trust of the Olympic trap which would throw the target up to 75 metres without breaking. It became Newton's task as technical advisor with I.C.I. to develop and test these targets. Photo shows Newton and Eddie Brenk testing equipment at Laverton R.A.A.F. Base just outside Melbourne.

learning. He read extensively, and through books and personal observation developed still further his extensive knowledge of the Australian outback.

Because of his bush shooting experiences, Newton became an expert in the use of all types of firearms on the target range.

However, it was his love for the shotgun which predominated and he became a formidable opponent, firstly at live pigeons and finally Clay Target competition.

In the early days of World War 2, Newton enlisted in the army and his knowledge of firearms was put to use. After a short stint in Darwin he was transferred to repatriation hospital in Melbourne with suspected typhoid. Although it turned out to be a false alarm, Newton was transferred to civilian employment with the Department of the Army and was given a senior ballistics job in Brisbane.

After the war, Newton Thomas joined I.C.I., which was then the only major cartridge manufacturer in Australia.

Newton's position was titled "Field Technical Officer" and provided him with an opportunity to combine business with pleasure, and he became widely recognised as a top authority on all matters relating to shooting.

A number of new products were given tough field tests by the young expert, who also filled a useful public relations role for I.C.I. due to his total honesty and credibility.

However, it was probably through his competition shooting activities that Newton Thomas was most widely known.

He modelled his target shooting style on that of champion pigeon shooter "Calrossie" Sutherland, who was also an I.C.I. personality.

After moving to clay target shooting, Newton amassed an enviable record of appearances in Australian Mackintosh Trophy teams, winning his way into twenty two teams, in which he achieved the exalted position of Team High Gun on seven occasions.

Newton Thomas' greatest single attribute apart from his integrity, was his ability to concentrate totally on the task at hand. This approach ensured success and these successes were usually at the highest level.

As an example, Newton won the following events in Australian Trap and Skeet Championships.

Champion of Champion Cup — 3 times;  
Double Barrel Championship — 4 times;

1955 National Double Barrel Championship. Photo shows Newton being presented with the winners cup — The W. Rainbird Perpetual Cup by A.C.T.A. Vice President, Bill Rainbird, A.C.T.A. President Jock Wilson looks on. Prior to his win of the National Double Barrel title, Newton had previously won the 1951 International High Gun title with a score of 100/100 and also the National Champion of Champions Cup with a score of 51/51 in 1953.

Single Barrel Championship — 3 times;  
 Double Rise Championship — Once;  
 Skeet Championship — Once;  
 Australia-New Zealand Trap Championship — Once.

Followers of the Australian clay/busting scene will recognise that this is a complete list of all the Australian national titles in the standard disciplines (that is, excluding Olympic Trench and International Skeet) and is a feat that has never been repeated.

In the mould of a true champion, Newton turned to administrative activities as his way of putting back into the sport a return for the enjoyment he had derived from it as a participant.

In 1974 he was appointed as coach of the Australian shooting team which competed in the World Championships held in Berne, Switzerland.

That team was managed by Mr W.R. Morgan of Tasmania, who later joined the A.C.T.A. National Coaching Council, of which Newton was the Chairman.

Then in 1975 Newton was selected to attend an advanced coaching program at one of the world's most renowned firearms training centres, the Fort Benning Advanced Marksmanship Unit, run by the U.S. Army.

During his visit, the Australian established a lasting friendship with Colonel Bill Pullum and Colonel Parmentier — Bill Pullum is the author of the advanced marksmanship book titles "Three Position Rifle Shooting".

The contacts established by Newton during his visit have proved to be most helpful in connection with arrangements leading to more recent visits to the centre by Australian shooting athletes and coaches.

Since the Switzerland tour, Newton held a number of other official team positions including manager of the shooting section of Australia's 1978 Commonwealth Games team, which competed in Edmonton, Canada.

However, Newton's biggest contribution to the development of clay shooting came from his appointment as National Director of Coaching, firstly in an honorary capacity, in September 1977.

Then in January 1979, he became the Association's first full time Coaching Director, a position which was made possible by a generous financial grant of \$60,000 over three years from the Australian Government.

Newton immediately created and implemented a National Coaching Council, and with the support of its members, proceeded to introduce a novice training scheme. In this project, substantial assistance was obtained from "Bricky" Gunn the Coaching Director of the New Zealand Clay Target Association, and Tibor Gonczol, Coaching Director of the Amateur Pistol Shooting Union of Australia.

At a later stage, Newton enlisted the aid of the Confederation of Australian Sport Coaches Assembly, and worked closely with Mrs Val Beitzel to prepare a clay target proposal for a level one coaches accreditation scheme, which was eventually accepted by the government

sponsored Australian Coaching Council.

In the last two years of his life, the shooting sport's hero achieved the pinnacles of personal achievement.

Firstly, in January 1980, the sport of clay target shooting gained national prominence when Jenkin Newton Thomas was listed in the Australia Day Honors list as a recipient of the ORDER OF AUSTRALIA MEDAL — an award of which Newton was extremely proud as it accentuated his intensive loyalty to Australia.

The second achievement occurred in April 1981, when Newton was coach of an Australian shooting team competing in a top class international competition in Mexico. The team brought home several medals including three gold and one silver.

Australian shotgunner extraordinaire, Jim Ellis produced an incredible performance to win the Gold Medal in the Olympic Trench competition, a victory which was a total reward for the dedication and patience shown by the combination of coach Thomas and athlete Ellis.

## KNOW YOUR EXECUTIVE

### TIM CATLING

This month we introduce you to Tim Catling, delegate for Western Australia. Tim started shooting in 1954 and has been involved in the administration side since the year of 1957. During his time as an administrator he held the position of Club President, W.A. State President (1971/72) and State Coaching Director of W.A. since the inception of the Coaching System six years ago. He has been a member of the W.A.C.T.A. Executive for the past twenty years or so.

Because of Tim's long association with Clay Target Shooting, his experience gained him selection as Team Manager of the Australian Shooting Team which ventured to Scotland in 1985. He is also a regular sight at National Series where he undertakes the role of Shoot Marshal.

At present he has his work cut out for him by being a representative on three important National Committees, WA delegate to the National Executive Committee, International Shooting Committee Member and a member of the National Management Committee.

### NEIL HARDY

Neil Hardy is a dental surgeon in private practice in Townsville. He has been shooting clay targets for thirteen years, enjoying all disciplines with most success at Skeet, making the state team in seven interstate skeet team matches and the state shoulder to shoulder team on three occasions. Neil was secretary of Townsville Gun Club in 1976, 1977, 1978 and 1979 and a committee member since. He

was President of the Northern Zone of QCTA in 1977, 1978 and 1979 and has been a councillor for the northern zone on the QCTA state council since its start in 1978.

He is the only original state councillor still serving, and was President of the QCTA in 1979, 1980, 1981 and 1982. Neil was elected to the National Executive in 1978 and this year completes ten years on the Executive, having been on their management committee in 1984, 1985 and 1986. He is looking forward to having his four children (shortly trappers) as active clay target shooters.

# PERAZZI

**The Guns with the latest and up to date technology built into them:**

The gun that is continually being improved to the highest standard and expectation of the shooters who appreciate the finest quality and value for money spent on their investment — not all guns fit into this category.

The gun that was designed by some of the world's top champion shooters who knew the shooters requirements and these are being made by champion gun makers to enable you to become one of them, so why not make your first and any other subsequent purchase a PERAZZI. There are so many models available that there must surely be one just perfect for you. It will become your pride and that in itself is enough to give you the confidence required to break that LAST target that makes you a winner. Isn't that what you want to achieve? So think positively. "PERAZZI FROM YOZZI".

# 1987 N.S.W. STATE SKEET CARNIVAL

We say it every year — bigger and better than the last — and 1987 is no exception. The Moree Gun Club was the venue for this year's carnival held on the 7th, 8th and 9th August.

On arrival at the Club on the Friday morning, we were greeted by a large "Welcome to Moree Gun Club" sign and along with warm, sunny conditions, and expertly prepared facilities, everything looked set for a great Carnival.

Competition commenced on Friday afternoon with the 50 target Qld/NSW/Vic Challenge Championship, and from the 61 shooters, seven possibles were returned. Those in the first shoot off were Bill Clark, Bruce Barlow, Doug Jackes, Reg Clarke, Kevin Weatherall, Chris Hughes and Geoff Walters. The overall winner was Chris Hughes with a score of 69/69. I understand that following this win Chris — who now resides in Melbourne — has a transfer fee of \$500.00. Someone did say that Bob Buchan had agreed on that fee! 1st in "AA" Grade was Bruce Barlow from Sydney with 68/69. Kevin Weatherall's 50/50 gained him 1st in "B" Grade, the "C" Grade winner being Lew Tosolini with 46/50. The Ladies trophy went to Maree Rooke with 45/50 and Josh Balogh was the Junior winner.

Saturday morning dawned fine and sunny again and 76 shooters were on hand when shooting commenced in the 50 target 7th N.S.W.C.T.A. Skeet Championship. This event was sponsored by Stewart and Allwood to whom the Association is very grateful. This is the second year that we have received this valued sponsorship from Stewart and Allwood. Only four possibles were recorded in this event, those being Reg Clarke, David Michie, Bob Buchan and Bill Sangster. The overall winner and 1st in "AA" Grade was Reg Clarke with 62/62 with 2nd in "AA" going to Bob Buchan. The Victorians continued their trek to the trophy table with Bill Sangster taking 1st in "A" Grade with 58/59 from Alan Blease. Young Tamworth shooter, David Michie's 50/50 edged out another Tamworth member, Kevin Weatherall for the "B" Grade trophies. Local "Bar Tender", Bob Mackay was able to give Moree a mention when he shot 47/50 to win 1st in "C" Grade from Lew Tosolini. Wagga's Maree Rooke was again the Ladies winner, as was Josh Balogh in the Junior ranks.

The Saturday afternoon event was the 50 target Gwydir Valley Championship. The sponsorship for this event came from Rana Hotels Pty Ltd and was in the form of wines and ports — very well accepted trophies indeed. Only two possibles resulted — Doug Siggs and Laurie Chelepy — both from "up north". With 63/63, Doug Siggs claimed victory from Chelepy with 62/63. 1st in "A" Grade went to Dubbo Motel proprietor, Steve Willaims, with 72/73, from that likeable Hawkesbury shooter Steve Subonj. David Michie was again on the dais with 58/60 to take 1st in "B" Grade from Dick Aukema. Another Dubbo visitor — from the Orana Gun Club — Joe Shalhoub returned 45/50 to win 1st in "C" Grade from Steve Manning from Downside Club. A 46/50 from Maree Rooke saw her receive yet another Ladies trophy and young Josh Balogh was the Junior winner with 32/50.

With the completion of the 100 targets on the Saturday, the 15 member N.S.W. State Skeet Team was finalised — not before a shoot off however, that finished up using white targets under the lights. The 1987 Team is: Reg Clarke, David Michie, Geoff Walters, Warren Charlton, Jim Wilberforce, Steve Balogh, Alf Najar, Christian Naudin, Doug Jackes, Chris Hughes, Bruce Barlow, Col Burt, Ray Melville, Mark McInnes and Michael Blenman.

Sunday morning was again perfect conditions, and with the team in place for their photo session, State President, Robby Smith and National Vice President, Jim Scott presented each member with their badge and team pocket, and for the first time this year, each member received two packets of shells, courtesy of A.C.T. Ammunition.

1987 State Skeet Team: Back: D. Jackes, G. Walters, C. Hughes, R. Melville, C. Naudin, M. McInnes, J. Wilberforce, C. Burt. Front: D. Michie, B. Barlow, W. Charlton, R. Clarke, A. Najar, S. Balogh, M. Blenman.

This is the first time that the Association has been successful in gaining the support of a company to supply the team with shells for the Skeet Carnival.

With the Team having shot their 50 targets, the five member Shoulder-to-Shoulder Team was able to be established, as was the Team High Gun winner. Geoff Walters, Tamworth's Club President, was the winner of the "Edgewood Park" Team High Gun Trophy with a possible 50/50.

L-R: Reg Clarke, Commonwealth Night Skeet Champion; Doug Siggs, winner of the Gwydir Valley Championship.

With the 1987 Skeet Nationals being in Perth, there had to be some very serious thought go into the decision making — to go or not to go. The Association would like to take this opportunity to sincerely thank those five shooters who did see our position regarding the preparation of Team Uniforms, and were able to indicate there and then that they would attend the Perth Nationals.

The 1987 State Shoulder-to-Shoulder Team is: Warren Charlton, David Michie, Steve Balogh, Bruce Barlow and Michael Blenman. We all appreciate that it is a very expensive trip to make, but again thank you for being able to indicate your intentions in a positive manner.

With the Team event finished, the 78 shooters prepared for the 50 target N.S.W. State Skeet Championship, sponsored by that great supporter of Clay Target Shooting, Sergio Zuffo of Olimpyc Targets. Also in conjunction with this event was the Inter Zone Teams Competition for the Hawkeye Shield.

Christian Naudin was in squad No. 3 and after he recorded a possible 50/50 had to "patiently" wait for another 11

High Gun winner Laurie Chelepy (R) teamed with Doug Siggs to win the "Edgewood Park" 2-member team trophy.

squads to go through before he could relax and receive congratulations for shooting the only possible to be named the overall winner and 1st in "AA" Grade. 2nd in "AA" went to Adrian Cousens with 109/110. In the "A" Grade ranks, Jim Wilberforce was the victor over Maree Rooke. David Michie was getting very close to "A" Grade, runner up to David was Geoff Moore from Swan Hill with 48/50. Bathurst member, John Harris, won "C" Grade with 49/54 from Brian Dowell from Tumut. The Ladies section was a very popular win to Lee Wilson from Melbourne with 41/50 and Josh Balogh was the winner in the Junior division.

The Northern Zone Team, comprising Col Barton, Col Burt, Geoff Walters, Ray Melville (Tamworth), Roley Palmer (Coffs Harbour) and Chris Hughes, was Newcastle, now Melbourne, were the victors in the Team event.

With the day slipping away fast, it became apparent for the second year running that the last event would have to be reduced to 25 targets to get through. This is a decision that the State Association does not make lightly, knowing only too well that shooters travel to shoot 100 targets per day. From this Carnival it has now become a requirement for the Club hosting the State Skeet Carnival to have a minimum of a four trap layout.

The final event was the 25 target Tasman Skeet Championship and was sponsored by Goldmark Jewellers. This is the first year that we have had the support of "Goldmark", and thank them very sincerely for their valued contribution.

Eight possibles were returned and the shoot off was the longest of the carnival, those to contest the shoot off were Doug Jackes, Barney Rooke, Charles Hlavaty, Ray Melville, Laurie Chelepy, Bob Buchan, Doug Siggs, Alan Blease. The shoot off went on and on until it was agreed to shoot on stations 3, 4 and 5, and still it went on and on, then it was agreed to shoot doubles — and here it ended, with the overall winner Ray Melville 206/206 from Laurie Chelepy on 205/206 taking 2nd in "AA" Grade. Barney Rooke recorded 150/151 to win 1st in "A" Grade from Alan Blease on 63/64. 1st in "B" Grade was Charles Hlavaty with 25/25 from Clyde Mitchell of Moree with 33/39. Narrabri enthusiast, Barry Williams, recorded 27/29 to outlast his travelling companion Gerald McInnes on 26/29. Maree Rooke recorded 21/25 to win the Ladies trophy and Josh Balogh was the Junior winner.

After a mammoth shoot off in the last event, Laurie Chelepy had to go again and shoot off for the overall high gun trophy, his running mates being Doug Siggs and Reg Clarke — all having finished with 172/175.

The Overall High Gun Trophy, donated by Col and Jenny Burt was won by Chelepy with a final score of 221/224.

Ladies High Gun winner was Maree Rooke with 162/175, Josh Balogh from Canberra was the Junior High Gun winner and Ray Melville won the veterans High Gun.

Over the years there has been a very strong teams competition established and 1987 was no exception. Bob Buchan made a very humble acceptance speech, saying that as team manager and coach he had instructed his boys to go easy on the N.S.W. guys in the events, but by no way were they to ease up in the team event — the 5 Man Team Trophy was won by the Victorian combination of Bob Buchan, Alan Blease, Adrian Cousens, Bill Sangster and Paul Johnson — their score 838/875.

Victorian Skeet Shooters find the going very tough when they journey into New South Wales.

The Victorians certainly didn't have things all their own way — for the 2 man team for the "Edgewood Park" Trophy was won by Doug Siggs and Laurie Chelepy with 344/350 — a great result seeing they had to shoot off for the overall high gun.

Next year — Tamworth — second weekend in August. Although the Tamworth Club will have to put in two layouts, it is felt that being such a strong skeet club and being very forward thinking, they will accept that challenge and produce the goods.

Before finishing this report, on behalf of the N.S.W. Association I would like to thank the Moree Club for their contribution, Peter and Sandra Holmes — 120% effort from both of them, 27 hours a day, the other members and ladies who worked in the kitchen and prepared breakfast, lunch and tea, the members of the Executive who attended and helped with the running, and of course, the shooters themselves for attending. Last but by no means least, our sponsors for 1987:

- Stewart & Allwood • Rana Hotels Pty Ltd • Olimpyc Targets • Goldmark Jewellers • A.C.T. Ammunition • Mr Malcolm Fuller • Edgewood Park.

Good luck to all Skeet shooters from N.S.W. — and all the other states — who are going to Perth for the 1987 Nationals.

Jenny Burt,

## THE HONORABLE SPORT OF CLAY TARGET SHOOTING

I believe it is important for we clay target shooters to be proud of our sport. Especially at this time, when there is general public condemnation of firearms and anything to do with them. I do not know of any clay shooter past or present who used their gun for anything other than legitimate purposes. If they had, they would have been excommunicated from our sport. It is so easy for the general society to lump all who own guns together. We can no more carry the guilt for the actions of a mentally disturbed person than any other section of society.

We are obviously the result of a number of influences in our lives and I will argue that organisations such as the Clay Target Association and its members are, in fact, a counter balance, a sane and rational influence on all those who come in contact with it and its members. We teach gun safety, respect for human life, and the placing of the instrument we use, in our sport, that is a gun, in the perspective that it should be, and that is, that it be used only as an aid to perfecting a skill in a controlled and responsible fashion.

Our use of a gun, and our philosophy is unfortunately counter-balanced by a continual bombardment of a good deal of the population with the vista of the modern fictional heroes. Many of those who look no further than the gun, to blame, for what appears to be a rash of unbalanced young men, acting out their fantasies by shooting everyone in sight, overlook the fact that there has always been easy access to firearms in Australia. My wife Barbara talks of the period after the second world war when most of those returning had at least one weapon in the house. As a city girl she remembers all the lads in the street having a .22 rifle. She purchased one from Myer for her brother on his 16th birthday for three pounds. No licences, no registration. He would strap it on his back and head for a friend's property to shoot rabbits. Now because of the pressure of population, that situation is obviously not desirable, but the point is that it is not the guns but the use that they are put to that counts.

The difference is in the way the heroes of television or video are depicted as solving their problems now. There always have been heroes with guns, the children have always played cowboys and indians or some such game. But the heroes of our childhood and teenage were honorable. They used legal and moral solutions to problems, the Dirty Harry and the Rambo and such like, are indistinguishable from those they pursue. The ends justify the means. As a society we seem to more and more adopt this idea, respect for the person who goes about life in a moral caring way is replaced by respect for those who use any means to achieve an end.

So my message is, be proud to be a clay target shooter, an example of the proper use of a gun.

## SKREET NATIONALS IN W.A.

The Skeet Nationals to be held in Perth in November promise to be every bit as good as the I.S.U. Nationals held there this year. The 10 skeet layout will mean smooth running of the event. The W.A. organisers always put on an excellent event and it will give the W.A. shooters a chance to shoot in a Nationals competition. Those planning to par-

ticipate at the Nationals will most probably already be training for the event and working on their technique, as well as practising their mental rehearsal, visualising being there, if they are familiar with the grounds, and going through the actions of the round of skeet in their minds.

For those who have not been to the Perth Complex, the grounds are the best Skeet grounds in Australia, built to world standards, each ground being exactly the same, and the traps are automatic Winchesters. The background is uniform on all traps, and I have been told that the grounds are in superb condition.

If any skeet shooter is having trouble with his or her preparation, discuss the problems with your coach. If they are not available, contact the Zone or State Coach.

The skeet shooters in W.A. are extremely keen and are making the most of their coaches' expertise, so the rest of Australia, be prepared.

Responsible and safe shooting,  
Peter Quire

## W.A.C.T.A. REPORT

I am proud to start this report with the announcement that your State Executive (unbeknown to many of the State membership) had nominated Roy Holtfreter, National President, for inclusion in the Commonwealth Honours list for his contribution to sport. This is the highest award bestowed on our nation's sports administrators, and we were therefore greatly disappointed to find our efforts were unsuccessful. Nevertheless, we are proud that one of W.A.'s members was eligible for such an honour, as I know Roy is. This nomination was supported by not only the W.A.C.T.A. Executive, but also by the A.C.T.A. Executive members.

Another disappointment for me was my inability to visit Geraldton for the annual Crayfish Carnival on 1st and 2nd August. I am reliably informed by the State Secretary, Ross Arlow, that the President Mick Watson, his committee and excellent ladies committee, expertly hosted yet another very successful weekend. I must also congratulate all the winners and the 100 plus shooters competing. It is noted also that the notorious powder breathalizer was expertly tested by Narrogin President, Ross Eckersley.

On Friday 14 August a composite meeting at the Complex was chaired by Complex Manager Reg Wagland, along with members of the W.A.F. & G. Assn. They were Ray Motteram, President of F. & G. Federation of Aust., Chris Johns, State President of F. & G. Assn., National President of A.C.T.A. Roy Holtfreter, Terry Morony, Vice President of W.A.C.T.A., John Fissioli and myself.

This, to all attending, was, I am sure, a very important meeting and it gave us all the chance to discuss common points of view, particularly with the F. & G. Association's potential move into the Shooting Complex. Your Association is totally supportive of this move and I would hope that all effort will be made by W.A.C.T.A. members to help in any way they can to ensure this move is in fact a reality.

The next day, Saturday 15th, your W.A.C.T.A. State Executive met for their quarterly meeting and it was my pleasure to welcome to the meeting as guests, Presidents of Narrogin Club, R. Eckersley and L. Della Bosca of Southern Cross Club. A great deal of topics were covered and minutes of this meeting have been sent to clubs. I must express my disappointment that the proposed Skeet Coaching weekend with Ken Lowry had to be cancelled due to lack of support from skeet shooters. It is a great shame after Murray Alexander had spent many hours of work in setting up this project, only to see it fail.

Finally, another reminder for you to support your W.A.C.T.A. State Teams Carnival on 3rd & 4th October. See you there.

Ross Silvester

# A PROFILE ON OUR HISTORIAN

GEORGE BIGGS

George Biggs' interest in clay target shooting began right after World War 2 in 1945 when he was invited to join the old Coburg Gun Club situated on the bank of the Merri Creek behind Pentridge Prison at North Coburg. This club was the forerunner of what is now the Metropolitan Gun Club, prior to this time he had been involved with rifle and pistol shooting.

In 1947 George accepted a position with the old established Melbourne Sporting Goods firm of Hartleys Ltd, as Manager of their firearms, archery and camping department, wholesale and retail. During his 10 years with Hartleys he became greatly involved in shotgunning and clay target shooting Australia wide, at the same time learning a great deal about guns and ammunition and how to use them.

From 1957 to 1959 George worked with the firm of Donald Mackintosh — one of Australia's oldest gunsmithing companies. It was here that he absorbed a great deal more knowledge about the art of gun fitting and gun smithing from Mr Horace James, Australia's leading authority on both subjects.

During 1960 George was offered and accepted a position with the Adelaide Firearms manufacturing firm as Sales Manager for Victoria and Tasmania, this firm was the only company in Australia to manufacture sporting guns and rifles. He saw this move as a further opportunity to gain further knowledge into the manufacturing side of firearms.

In 1967 George set up his own business as a firearms and ammunition dealer and shooting consultant. He continues in this business today in a semi-retired way.

George Biggs' administration involvement in the sport goes back to almost the beginning of his first shot at clays which was at the Coburg Gun Club, where he was hijacked onto the committee after three months of membership.

A year later he found himself elected to the A.C.T.A. Executive Committee where he served a term of 25 years under six presidents, finally retiring from the position at Launceston in 1975.

Apart from serving on several gun club committees he was also President of the Australian Gun Club at Burwood for a period of eight years. Several National Championships were held on this ground before they became rotated around the states.

In recent years George has become much more involved with the instruction and coaching side of our sport. He finds this work very rewarding as it allows him to put to work the vast amount of experience and knowledge acquired over the years.

Recently George wrote and published the first Australian book on the subject of shotgunning, namely "Trap and Skeet Shooting". From time to time he has also written articles for sporting magazines on shotgun shooting, and is currently involved in the making of video films on shooting techniques.

In 1977, together with "Pud" Burgess, George submitted a plan to instigate a National Coaching System. This plan was later approved by the A.C.T.A. and put into action with the appointment of Newton Thomas as Director.

During his 40 years of continuous registration as an A.C.T.A. shooter, he has not at any time been inactive in any A.C.T.A. official capacity, his record speaks for itself:

- Victorian State Coaching Director 1977-1983.
- First Official A.C.T.A. Referee Examiner appointed October 1948, retired from the position 1983. During this period, held the position of Rules Supervisor for approximately 12 years.
- 1955 appointed to the handicapping board, together with Luke Doyle forming a handicapping panel for the Association. This position continued for several years until the card system was introduced.
- Currently — Hunter safety accredited firearms instructor and examiner for the firearms consultative committee, Victoria.
- Australian National Coaching Council accredited Level 2 Coach.
- A.C.T.A. Official Historian.

His major shooting achievements include the following: Australian National Double Barrel Championship; Australian National Champion of Champions Cup; Australian National Skeet Champion.

George has won a total of 42 Commonwealth Championships, including double barrel, single barrel, mixed targets, double rise, walk up and skeet. A total of approximately 450 titles including State, District and Club Championships.

He became the first Australian shooter in 1976 to shoot 200 straight in skeet competition, also holding the skeet straight record of 215 for 4½ years before it was broken by Ian Hale. George was the first shooter to reach the 27 yard handicap mark.

He has been a member of the Mackintosh International Shooting team on 12 occasions and a member of the Australian International Skeet Team four times. Visited the United States in 1978 shooting at the Grand American Handicap and other clubs — gained experience from their youth trapshooting instruction system and training methods used at Fort Benning.

Visited New Zealand on several occasions, shooting their National Championships. Highest score without a miss at trap shooting is 356. Member of Interstate Skeet Team 14 times.

All in all, George's record certainly does speak for itself, and the sport is obviously better for his involvement.

## NOTICE TO ALL MEMBERS CONCERNING GUN LAWS

The New South Wales Government and its Police Minister, Mr George Paciullo, has reacted to recent events in announcing a "gun crack-down" in New South Wales. The two facets which impinge on all New South Wales shooters' ability to enjoy their sport are:

1. Prior Police permission to purchase;
2. Individual firearm registration with good cause!

*Much constructive work has been done by your Executive in the Firearms Consultative Committee to protect your interests. A submission of over 1,000 pages was researched by SSAA Executives against registration. Not one page was submitted in support of registration.*

Where is the evidence that tough gun laws work? Obviously the people proposing tougher gun laws cannot find support because it does not exist! Your rights are about to be further restricted as a sop to an alarmist media which shows a concerned public only one side of the firearm debate. This will also affect almost all disciplines of shooting.

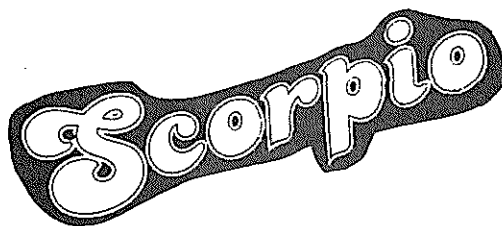

We suggest you write a letter to the Premier, Mr Barrie Unsworth MP, Parliament House, Sydney, expressing your opposition to the knee-jerk reaction of the Government and insist that he focus upon the real problem which is crime. Secondly, you should contact your local State Government Member of Parliament and make an appointment to express your point of view. This is your right and you should not be put off by any delaying tactics, etc. Thirdly, you should telephone the Premier's office and verbally confirm your opposition on 228 5555.

Also, in the short term, we urge you to send a **Messenger Delivered** telegram to the Premier, Mr Barrie Unsworth MP, Parliament House, Sydney, expressing your opposition to the knee-jerk reaction of the Government.

It is strongly suggested you persuade your friends to join a recognised Shooting Association in order that you . . .

# STURT PEA FROM S.A.

Well it's been really hard to get started on the notes this month as I really didn't have anything to write about until I was talking to Bob Britcher at Pt Lincoln and he came to my rescue with some very interesting shooting news from over that way.

## BIG CONGRATULATIONS TO JOY CURTIS

Joy went off on a winning streak to the Whyalla Birthday Shoot on July 26 and 27 with other members from Pt Lincoln. It wasn't until the Sunday that Joy really showed everyone her true colors. Event 1: Joy, a C grade shooter, shot off with Romano Bisi (A grade) for O/A, both having shot 25/25 in the event. They went on to shoot another 19 targets with Joy being the winner. Now not satisfied with that, in Event 2 she shot all the targets again with Kym Zaniol (AA grade) who then had to shoot off for O/A. The 35th target was the winning one for Joy. Event 3: You have guessed it — she is in the shoot-off again, this time with Loui Moia (B grade) but 11 more targets saw Loui get the O/A trophy. Just to finish the day off Joy again was in a shoot-off with Chris Heading to be the eventual C grade H/G winner over the weekend. Everyone was pleased, including Joy, with her excellent shooting and achieving her first 75/75 break badge. So CONGRATULATIONS Joy, we don't need to guess how you felt.

On August 19th Pt Lincoln Gun Clubs five-person team of B. Britcher, R. Pitt, S. Edmonds, G. Docking and P. Beale travelled up to Pt Augusta to compete in the Fisher Firearms Trophy and the Zaniol Skeet Shield. There were three teams, Port Lincoln, Whyalla and Port Augusta all contesting the title, with Pt Lincoln's team being too good for the rest of the field in both events. Score: Fisher Firearms Trophy 111/125, Zaniol Skeet Shield 116/125. The worst part of the day was the weather being wet, cold and windy, so not making the shooting conditions very pleasant.

## FOOTNOTE FROM PT LINCOLN

At the Skeet Carnival at the end of May Joy Curtis made the State Ladies Team. Also congratulations to the W.Z. Skeet team for gaining equal points with C.Z. Team. W.A. — C. Bentley, R. Bisi, G. Docking, A. Norman and B. Britcher. Lack of daylight prevented there being a shoot-off.

Pictured at Pt. Lincoln, left to right: Andrew Norman, Bob Britcher, Joy Curtis and Roy Pitt.

## SKEET TEAM

It has been very difficult trying to get an eventual team together to go to W.A. in November. Of the original team we have K. Holmes. To be included now are B. Britcher, A. Norman, G. Michell and C. Bentley. The above members see it as an honour to be able to represent their State, and were good enough to give me an immediate answer. There will from now on be a time limit to set for a yes or no as to going to National Team events and I thank those who did. Not only does it make it difficult for me but also for those making the jackets etc. Jackets, hats and shirts are supplied by S.A.C.T.A. There are no donations towards these from anyone. A small amount of money is also given by S.A.C.T.A. as some assistance to travelling costs, this being in part from a grant from Sport & Recreation.

## PROGRAMMES

I am very pleased to report that all programmes are in and that only a couple of dates needed changing which in any case were no problem. There was also a very good response to the information that I required — only a couple missing. Thank you very much.

## COUNCIL MEETING

Was held at the Virginia Park Complex and started at 10 a.m., going all day. The day meetings are proving to be more successful and will be continued. Next year's meetings are already planned and will be printed in the programme book. This will give Council Members fair warning and they will be able to plan accordingly. It also gives clubs an opportunity to have any problem etc. that their members would like to have put to the meeting into the hands of the S.A.C.T.A. Secretary, in writing, or be able to contact any Council Member by phone who is listed in the front of your programme book. It has been passed by Council that Programme Books for 1988 will cost \$2 each due to the cost of printing — it is up to each individual club as to how they do/don't charge their members.

## MT GAMBIER GUN CLUB

Members have just completed on July 31st the second of three courses of gun safety and handling with the Mt Gambier High Schools.

## ROBE

Under the guidance of Peter Brammer and Clarry Copping this club will be conducting a gun safety and handling day on August 31st with the Robe High School.

With all the problems over guns it is very good to see these clubs making some effort to teach secondary students some respect for guns and when used in the proper way they are perfectly okay.

Our State Coach for 1988 will be Hillary Baynes and he will be making a special effort to have many more coaching schools around the State. Please make an effort to support him when your club is contacted.

## BORDERTOWN

On 23rd August Brian Growden travelled up to Jeparit (Vic.) to have another go (about the 100th, I think) to win a Champion of Champions ribbon and a place in the final of the Andrews Family Trophy at Bordertown on December 20th. After a shoot-off between four shooters — hooray and three cheers — he finally did it.

## **A.C.T.A. HALL OF FAME**

Following on from our National President's comments, on our proposed new National Headquarters, which we should be very proud of, another matter now arises, that being the need for our very own Shooters Hall of Fame. I, along with many other shooters, believe that time is running out if we are to acquire the memorabilia required, so this project would have the full history from the live bird days of shooting in this country to clay target shooting as it is known today.

The items required would start with the live bird days of shooting in Australia, these would include traps, scores, photos, trophies, cups etc, and most importantly, the types of firearms and ammunition used those days. Then we would move to the early days of clay target shooting. Here again we would be looking for the early traps, clay targets, scores, photos, trophies etc, firearms and ammunition, and this type of memorabilia would be required from decade to decade.

This Shooter's Hall of Fame would begin with the collection of all this history of our sport along with the champions and personalities of yesteryear, and then we would invite the personalities and the champions of today to be inducted to this Shooter's Hall of Fame, from year to year.

Funds at this stage would not allow this hall to be built, however I believe this to be such an important part of our sports history for the shooters of the future, that the time for collecting and storing this memorabilia must start now, before it's too late.

This Shooter's Hall of Fame would belong to you, the shooters of Australia, where you could come and look, read and ponder at your sport, its history, personalities, champions, and be truly proud of the sport you all love so much.

So, if you know of anybody with, or the whereabouts of any of the items we are looking for, please contact the National office immediately. Remember, this would belong to the shooters of Australia, past, present and future, so please give this your attention NOW, tomorrow WILL BE too late.

# WARATAH STATE NOTES

## FROM YOUR PRESIDENT

As President of both the New South Wales Clay Target Association, and the Southern Zone, I am rather concerned about the future financial situation of your State Association.

At the last state meeting held recently in Dubbo, lengthy discussion once again took place on the proposal to implement a State Ground Levy. This Zone, along with many other zones, voted against the implementation of this levy, and once again the proposal was defeated.

Although it was defeated, the general feeling amongst the Executive Members was to take the proposal of raising funds back to their zones and explain the importance of this levy, either 50 cents at each shoot or \$5 a year, or any other means of raising funds.

In answer to your questions and to those of many other shooters, YES — these or any other means of raising funds would at this stage only help to accumulate funds for the State Association.

The question now arises what would we use these funds for? Recently, the State Secretary sent your club a list of what these funds could and would be used for.

We as a State body do not have the means of raising funds as that of your club, such as the running of shooting programs. The majority of our funds come from: (a) State Government Grants; (b) Sponsorship; (c) Profit from the State Trap & Skeet Carnivals. If these three means of financing your State Association were to cease we could not operate as we do today for very long, nor could we afford to finance a State Secretary or Coaching Director.

As a low profile sport such as ours it is extremely difficult if not almost impossible to get outside assistance. I know this only too well when it comes time for me to arrange sponsorship for our State Carnivals.

Most representatives from the Zones to the State Association Executive are all voluntary and attend these meetings for the love and development of Clay Target Shooting.

I along with every member of the State Association Executive cannot impress on you and your club members enough the need for more funds. I can assure you they will be put to good use.

I would welcome any suggestions you may have on this matter. We seem to have investigated all means of raising these funds, but you may well be our saviour; if not please discuss this matter amongst your members once again.

## TRADING TOPICS

Some early suggestions for a Christmas present with a difference for the shooters of your household:

N.S.W.C.T.A. Jumpers .....	\$45.00 plus \$5.00 pack/post
A.C.T.A. Jumpers .....	\$45.00 plus \$5.00 pack/post

(Jumpers made when ordered only)

All of the above items can be ordered from N.S.W. State Secretary, P.O. Box 836, Tamworth, or by phoning (067) 65 2520.

## STATE SKEET CARNIVAL

What a success — the Moree Gun Club must be congratulated for the way in which they had their facilities presented for this carnival. And the weather — what could you say? — three days of fine, clear blue sky and the temperature in the 18-22° range — you could not ask for any better.

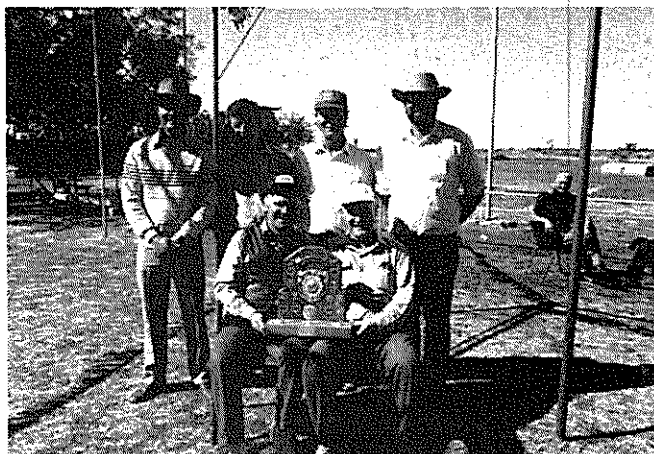

After having to cut the last event to 25 targets in the last two years it has now become a reality that the requirement

for this carnival has to be a four-trap layout. The carnival is getting bigger and bigger every year and to cater for the numbers and give those shooters what they come for — 100 targets a day — the only way is to go to four layouts. The carnival has been allocated to the Tamworth club in 1988 and it is felt that this strong skeet club will come up with "the goods" — more on that later. A full report on the Skeet Carnival is elsewhere in this issue.

## FROM THE NORTHERN ZONE

With Ernie Hawkins on hand at Moree to present the Hawkeye Shield for Interzone competition, it must have been very pleasing to the members of the Northern Zone to be able to take out the trophy. The team comprised Col Barton, Col Burt, Geoff Walters, Chris Hughes, Roley Palmer and Ray Melville. Congratulations team.

Zone shooters also figured prominently in the State Team — David Michie, Geoff Walters, Col Burt, Ray Melville (Tamworth), Doug Hughes, and Mick Blenman from Guyra, Mark McInnes from Narrabri and Chris Hughes from Newcastle.

## A THOUGHT

No way do I profess to come forth with the wise thoughts "Birdie" put into print — however I will give it a go: "If you support their club — they will support yours".

## FROM THE RIVERINA ZONE

All roads led to Narrandera on Sunday August 16 where 20 out of 47 shooters won trophies in four championship events. Ten shooters shot possibles in the ten target cash divide. The central Riverina Double Barrel Championship was won by F. Schmetzer after a shoot-off leaving A. Paonne second in A Grade. B Grade winner was H. Anderson, C Grade M. Scali, Ladies Alice Walker, Juniors D. Greig, and B. Charles won the Veterans.

In the Narrandera & District Mixed Target Championship N. McDermott won overall and A Grade with A. Paonne coming second in that grade; Bert Boyd took B, M. Scali took C. Alice Walker won the ladies section, D. Greig the juniors, and F. Casella the veterans.

The 1987 New South Wales Walk Up title went to Gary McDonald of Griffith. A Grade went to S. Guest, B Grade to H. Anderson, C Grade to M. Scali. Downside shooters John Cameron and Lyn Blake won the Front Markers and Ladies respectively, and the veterans went to M. Weymouth.

The Narrandera & District P.S. C'ship which was cancelled in July was finished under lights. A. Paonne won O/A and A Grade, B Grade went to B. Boyd, C Grade to B. Charles and the ladies trophy to L. Charles. The Doug Metzler High Gun went to A. Paonne.

Members of the gun club and participating shooters

would like to thank the following sponsors for their generous sponsorship. It is the sponsorship from the business people that keeps our sporting facilities functioning. Our thanks this shoot to: The Narrandera Ex-Servicemen's Club, Broso's Produce, Bunge Mills, Narrandera Grains, Trims, Renee Frock Shop, Ainsworth & Mulhall, Narrandera Video Sound, Murrumbidgee Hotel, Peacocks Sports Store, Ganmain Hardware and Doug Metzler.

## FROM THE WESTERN ZONE

Had a call from the Executives of the Dubbo Club to advise of a program change — to get away from the State Carnival — their shoot set down for October 4 has now been set for **October 18** and will commence at 10.00am with 50 targets of Skeet and follow on with 80 targets of Trap events. A good time is assured so why not mark the 18/10/87 in your diary.

For those of you who don't already know your Zone Secretary in the Western Zone, Paul Tattam is his name and that is him below, catching up on the household duties at the Moree Gun Club during the recent State Skeet Carnival — well done Paul!!

*A Zone Secretary's work is never done — Paul Tattam of Moree.*

## FROM THE SOUTHERN ZONE

Since the amalgamation of the A.C.T. International and Queanbeyan-Canberra Gun Clubs to form the Canberra International Clay Target Club, it has become necessary for them to change their shooting dates due to the formation of the Majura Park Gun Club who use the same grounds.

# DARWIN 1987 ANNUAL SHOOT

As usual the Darwin Gun Club's Annual Shoot was held over the first weekend in August. This is a long weekend up here and is dominated by sporting events, particularly the Darwin Cup. Also, as usual, the weather was magnificent, although some of the Victorians had trouble adjusting to the sudden change after a plane flight from a southern winter to about 30°C.

We were delighted to see a lot of new faces as well as so many regulars. Darwinites are more aware than anyone of the tyranny of distance and the effort, not to mention expense, required to travel to and from Darwin to any other major centre in Australia. So it is with a very heartfelt thank you to all those visitors who took the trouble to come up here and make our 1987 Annual Shoot another success story that this is written.

We were also delighted to welcome veteran shooter and former ACTA President, Tup Pedersen, to the shoot. Thanks for coming Tup, hope we see you up this way again soon.

The usual Darwin formula of having a night shoot on Thursday 30 July, trench and skeet on the next day with the main DTL events spread over the long weekend was followed. Unfortunately due to events out of the control of the Club the traditional duck and goose shooting "Championships" on the Tuesday after the weekend was not possible. The 1986/87 wet season was a poor one resulting in very limited and late nesting of magpie geese. This species is slow maturing and consequently the authorities were forced to delay the opening of the season by a month.

There is a lot more to this story than the brief details above but there is no doubt that there were more than a few disappointed would-be hunters who were looking forward to a spot of mid-year duck shooting in perfect weather. It may not be altogether a bad thing because after the pointed feedback from shooters it is unlikely that it will happen next year. But let's hope that next wet season is a good one with everything back to normal.

However, there were no such problems with the barra fishing "Championships" and the Gods did favor us that day, but more of that later.

Local shooter Peter Lorman came in from the cold to take out the Winchester State Night Championship (50 PS) on Thursday with a score of 167/171. Greg Hipwell was right behind him in the shoot-off with 166/171. Ken Selwood beat Ken Stevens for second place in A Grade. Arthur Wooley won B Grade with an excellent score of 146/150 and Doug Osborne took out C Grade with 143/150.

The presentations were done in fine style by that dapper man from Winchester, Dick Ayres. Dick has been to so many Darwin Annual Shoots that it would not be the same without him. Thank you Dick, we appreciate it and look forward to your return next year. Our thanks to our sponsor Winchester Australia.

Friday dawned a beautiful typically Darwin dry season day, which promised good shooting and we weren't disappointed. Ken Stevens, who starred throughout the weekend, took out the 50 trench with 49/50. Shoot-offs were the order of the day for 2nd and 3rd in both A and C Grades. Mr Winchester, Dick Ayres won B Grade with 47/50 and John Laws won C Grade with 46/50.

Ken Stevens then went on to rub salt in the wounds by winning the skeet after a one target shoot-off with local Phil Grove. Phil reckons he only shoots skeet once a year; not a bad story, better stick with it Phil! Darwin Secretary, Paul Weis, won B Grade after a shoot-off with Evan Stevenson and Peter Reynolds won C Grade.

Our thanks to Begonia Book Supply for sponsoring both the trench and the skeet.

Saturday saw the start of the real events, the DTL. (Easy to see where my prejudices lie!) The shoot was formally

Cont'd over page

Cont'd from previous page

opened by the Northern Territory Minister for Youth Sports and Recreation, the Hon Mr Don Dale, who then shot the first target of the day.

Competition was fierce from the outset. One Darwin shooter was heard grumbling about being upgraded to A Grade after the 30 point score event. Apparently all he did was pull a couple of seconds, enough to get him reggraded but not enough to get into the shoot-off for THIRD place in B Grade!

Each day commenced with a 5 target eye opener of one kind or another. Larry Dimasi won the Saturday 5 single barrel and the case of cartridges kindly donated by Sergio Zuffo of Scorpio fame.

Greg Hipwell won overall and first in A Grade in the 30 points score after a shoot-off. Leighton Martin took second in A Grade with 129/130 and Larry Dimasi dropped out earlier to take third in A Grade. Ralph Alvaro won B Grade with 90/90, Evan Stephenson C Grade with 84/90 and Jan Bitossi from Katherine won the ladies trophy.

Saturday's 50 double barrel event saw what was arguably the best shooting of the weekend from Ken Stevens 255/255, Neil Berry 254/255 and local Dexter Barnes 253/254. Neil had a bit of bad luck where the Gods definitely were not on his side! Firstly shooting was stopped when a trail bike rider suddenly appeared down range then the trap boy decided we were finished and turned the trap off! After two no target pulls Neil dropped his two hundred and eighty-ninth clay. Veteran sportsman Neil merely shrugged his shoulders with a "Them's the breaks!": a wonderful example to some of our more excitable shooters. Rod Polla-Mounter hung in with the big boys until a very creditable 110/111 but he had to be content with winning B Grade. Peter Reynolds won C Grade and Jan Bitossi again won the Ladies trophy.

Sunday was a fairly long day with four events: 5 PS, 15 Double Rise and 50 DB. The case of cartridges, also donated by Scorpio, was picked up by Larry Dimasi after a long shoot-off (123/123) during which Ken Stevens was unlucky to drop out after a break of 307. (A lot of us mere mortals would not mind bad luck of that sort!)

Dexter Barnes won overall and first in A Grade in the 30 single barrel with a clean 30/30. Steve Osborne won B Grade, Peter Reynolds C Grade and Carmel Ford the ladies trophy.

Ken Stevens won the 15 double rise with a clean score of 30/30 — bit hard to beat that. Rod Ahmeling won B Grade and Jim Keith took out C Grade. Jan Bitossi won the ladies trophy.

The 50 double barrel event was again characterised by a long shoot-off which had to be interrupted for the Calcutta dinner and resumed at 8.30 next morning. Neil Berry had a well deserved win with 172/172 making up for his bad luck on Saturday. Greg Hipwell was right behind Neil with 171/172 and Alan Ford had dropped out earlier at 156/157. Rod Ahmeling won B Grade with a possible, Laney Grove won C Grade as well as the ladies trophy. Carmel Ford was right behind Laney to take out second in C Grade. Thanks to our sponsors, local art gallery, Framed Pty Ltd.

The Calcutta dinner featured Territory fare of prawns, barramundi and buffalo which was well organised by Mrs Beryl Bell and all the ladies. Auctioneer and sometime pastoral inspector, Ted Easton, again did the honours resulting in a record Calcutta Kitty of over \$4000.

Hangovers did not seem to affect the shooting on the Monday or maybe the old hands were too smart to be taken in that way. The case of cartridges, donated by local contractor Barry Flanagan, for 5 target handicap points (that sorts them out!) was taken away by Rod Ahmeling.

The Franchi auto, donated by Computer Sales and Leasing, for the 30 Giraween Handicap, was won by Rod Ahms. Second in the shoot-off was Rod Ahmeling with Jan Bitossi coming third. Laney Grove won the ladies trophy.

The big event, the 50 Calcutta, was shot on a graded handicap basis with AA on 18 metres, A on 17m, B on 16m and C on 15m. C Grader Peter Reynolds topped off a good

weekend by winning the overall sash and Australian Airlines return airfare Darwin/Melbourne with 79/79. A Grader Dave Moon and B Grader Len Carty took home the other two airfares. Again our thanks to Australian Airlines for the continued support of our club.

The overall high gun was won by Ken Stevens with 360/365, an immaculate performance. Congratulations Ken! The high gun trophy was donated and presented by Darwin Gun Club stalwart Greg Chan of Fishing and Outdoor World. Jan Bitossi won the ladies high gun with a creditable 301/365. Geoff Marks of Begonia Book Supply donated and presented the junior high gun trophy to David Goodrich with 300/365.

Ken Stevens, not being content with winning the high gun, was also the top fisherman catching a nice brace of barramundi. A good day was had by all out at Corroboree Billabong with fish being caught in almost every boat. As I said earlier the Gods must have smiled that day as Corroboree had not been fishing well prior to the weekend.

Again our sincere thanks to all participants in what was a top weekend. We look forward to seeing you all next year.

R.E. Fox

## VICTORIAN GUN CLUB SPECIAL SHOOT

• Left to right: Russell Mark, "A" Grade; Jodie Stockdale, Jnr and Ladies; Tony Faranda, "C" Grade; Rocky Sorage, "B" Grade.

Conducted at Victorian Gun Club on 29th July 1987. Donations were kindly received from Bob Reid, Frank Vella, John Gilopidis, Ray Lowry, George Magdziarz, Ken Vasiliadis, George Freeman, Vince Mollica, Greg Vella and Tony Dinatale to enable the shoot to proceed.

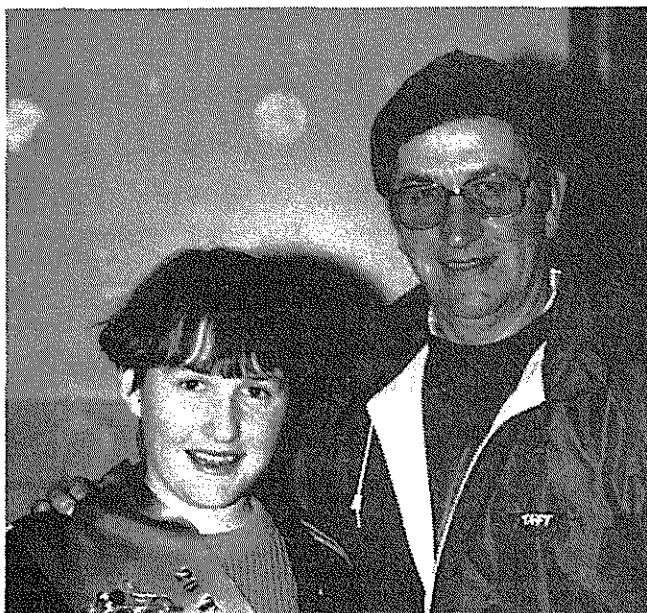

The shooters were willing, but the weather wasn't. The largest amount of rain that Vic Gun Club has ever seen fell on the grounds in the 12 hours before the shoot. Shooters came and told stories of crossing flooded rivers and wading to and from their cars. All this in Melbourne!! Our N.T. shooters still don't believe us...

Still 46 shooters managed to make their way to the Secretary's window and pay their noms. The Eye Opener was split between J. Pistone, G. Reid, N. Quick, D. McLeod and D. Mark with possibles. The Special Shoot was 20 target double barrel, graded A, B, & C.

A Grade was won by Russell Mark with the only possible in the pouring rain. B Grade was won by Rocky Sorage

• Juniors: left to right: Craig Barnes 2nd, Vince Mollica 3rd, Jodie Stockdale 1st.

• Ladies winner Jodie Stockdale and President Norm Stockdale.

with 30/31. C Grade was won by Tony Faranda with 20/21.

The Juniors did well to remain dry enough to shoot and it was won by Jodie Stockdale who also won the ladies trophy with 14/20.

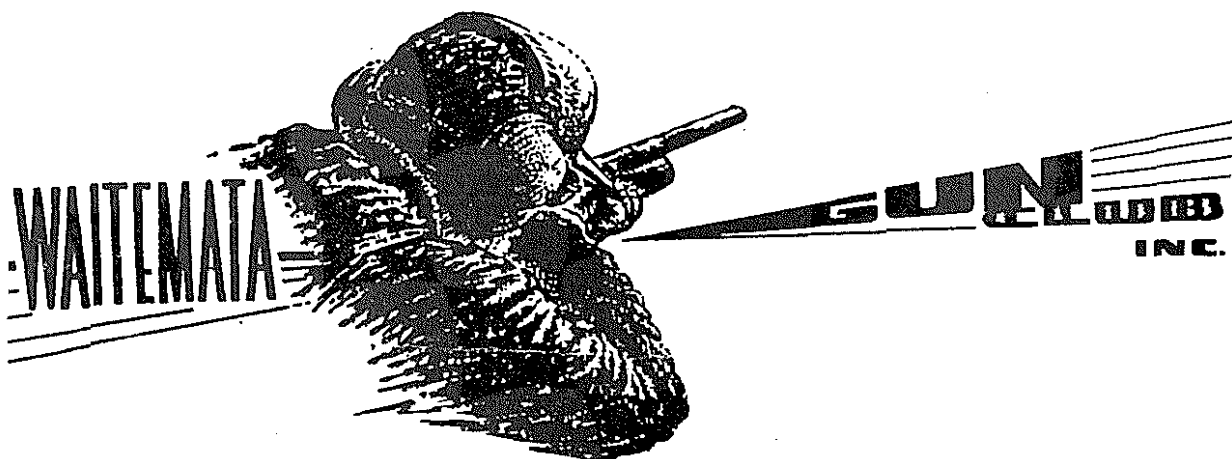

## JUNIOR TEAM RECEIVE SUPPORT

Both the N.S.W.C.T.A. and N.S.W. I.S.U. Sub-Committees have given their support to our Junior Internationals attending the World Championships in Venezuela.

The three juniors, Michael Diamond (NSW), Brett Dunstan (Vic) and Filippo Petriella (NSW) have each been granted financial assistance of \$450 (N.S.W.C.T.A. \$250, I.S.U. \$200) and on behalf of our juniors we thank the donors for the support that has been received.

The junior team members will be worthy representatives of our sport and on your behalf we wish them well.

### CLUB NEWS

#### WARWICK CLAY TARGET CLUB INC.

On July 9 Warwick Gun Club became incorporated and is now known as the Warwick Clay Target Club Inc. At the A.G.M. held on August 1, 1987 the following office bearers were elected: President — Don Cameron; Vice President — Don Bartley (also awarded Life Membership); Secretary — Daphne Cameron; Treasurer — Stan Gray; and Captain — Arthur Finlayson.

#### VALE

It is with deep regret that we report the untimely death of one of our club foundation members.

Lesley Owens, aged 25 years, was accidentally killed at Rapid River, Vancouver Canada. He was a foundation member and has been continuously registered with A.C.T.A. since July 1973, and was the first member of our club to receive the referees badge at the age of about 16 years. The Referee Examiner at that time, Arch Rowe, remarked, "He really knew the rules."

During Lesley's senior years at Maclean High School, while I was Principal, I organised, with Arch Rowe's help, a series of introductory shoots for the senior pupils. I cannot speak too highly of the support received from Lesley.

Club members extend their deepest sympathy to his family. His uncle, Cec Stratton is a Club Life Member.

Cec McGlashan  
President, Yamba Gun Club

#### BURNIE GUN CLUB

The following members were elected as office bearers at the A.G.M. held on July 21. Patron — M. Field; M.H.A., President — Mrs Robyn Walker; Vice President — M. Elliott; Secretary/Treasurer — A. Dawkins; Handicapper — G. Burgess; Shoot Marshal — K. Walker; Club Coach — M. Elliott; Publicity Officer — Mrs Anne Britton; and T.C.T.A. Delegate — M. Elliott.

#### EDGEHILL GUN CLUB

Due to leaving the area, Mrs Barb Smith has resigned as secretary. The new secretary is Mr Peter Fost, P.O. Box 165, Bunbury, W.A. 6230.

#### KEMPSEY GUN CLUB

At the A.G.M. held on 27/6/87 the following persons were elected to office: President — Dr C. Crighton; Secretary — Mrs J. Edwards; Treasurer — Mr B. Edwards; and the Committee consists of — F. Abel, E. Baker, G. Baker and J. Gosling.

#### CHINCHILLA GUN CLUB

On July 5 the following persons were elected to office: President — Max Dinnis; Secretary — Peter Jones, P.O. Box 169, Chinchilla, 4413; Treasurer — Paul Hart; Shoot Captains — J. Stone and T. Hart.

#### WEST WYALONG GUN CLUB

The A.G.M. of this club was held on August 6 and the following office bearers were elected: President — S. Foster; Vice President — G. Bolte; Secretary — B.R. Dent of "Gumbelah" Forbes 2871; Treasurer — Y. Ashton; Captain/Coach — F. Ashton; Handicapper — A. Boyd; Publicity Officer — D. Morton; and the Committee consists of — K. Maxwell, D. Lindsay, V. Kalms and M. Stanford.

## WAKEHURST GUN CLUB INC.

The Executive positions for 1987/88 of the above club are as follows: President — Ray Cerny; Secretary/Treasurer — Bernice Goodwin; Asst. Sec./Tres. — Barbara Knight; Life Member — Fred Taylor; Patron — Bonar Knight; Trustees — Roy Johnson and Fred Taylor; Accountant — John Purl.

# Introducing the Toughest Auto in the World!

A totally new concept hi-tech auto shotgun – built to handle the roughest, toughest use and abuse you can give it. New processes and materials mean super abrasion and rust resistance. With the 1200F, Beretta has rewritten the book on toughness and durability.

Purely and simply, this Beretta is the ultimate workhorse.

A lightweight, low recoiling five-shot auto that you don't have to handle with kid gloves. It can take anything you can dish out – whether it be in a cold 'n' wet Victorian duck punt or the back of a hot 'n' dusty Queensland ute.

The revolutionary Technopolymer stock and forend fully meet the severe ordnance specifications for military firearms – greater strength and endurance than any conventional timber.

The action is simplicity itself. Inertia-operated by harnessing the kinetic energy of recoil. It's self-compensating to handle any strength  $2\frac{3}{4}$ " load with ease, and delivers the fastest cyclic firing rate yet.

The 28" barrel, receiver and stock feature a rust and abrasion-resistant matte black finish. Your choice of Full or Modified choke with ventilated rib and hard chrome lined bore.
