# FROM THE PRESIDENT'S CHAIR

By now you will have read, in the August C.T.S.N. about the A.C.T.A. Property Debentures the Executive Committee are inviting you to participate in.

It is our belief that shooters should be given the opportunity to participate in the future growth of your Association and as your National President, I urge you all to give the Debenture Program your deepest consideration.

You will agree it is imperative that the Association purchase their own premise, as soon as possible. This will be done as soon as we have funds in hand, to enable us to do just that. We could borrow from the Bank to make up any short fall in funds, but with the increase in interest rates it was decided to ask you, the shooters, for your support. If we had asked the Bank for a loan, we would have placed another burden on shooters' funds and as we did not wish to do this, the reason for the Debenture Program is self-explanatory.

We all know there is no future in renting office space, paying rent each week will only deplete our funds, and in the end, we will not have any funds left.

I believe it is imperative we purchase an office suitable for our needs, not lavish, but practical. We can then start to build up an asset which we can all be proud to pass on to the future clay target shooters of Australia.

The debentures are open to all State Associations, Zones, Clubs, individual shooters, or groups of shooters. Already one State Association has promised \$3,000 and now we are asking for your support.

Just to summarize: the debentures close on the 30th November, 1988, minimum \$1,000 for a maximum period of 10 years, 7.5% interest payable annually on 1st December each year. We are asking you to invest \$150,000 in the future of your Association.

**Jim K. Scott, National President.**

# DEBENTURE PROGRAM

## AN INVITATION TO MEMBERS ONLY

A legal document is being prepared to allow for the implementation of a Property Debenture Program to allow the Association to purchase a building to establish a permanent home for the administration of the sport and to cater for the needs of its members.

The following clauses along with any other legal requirements will be included in the Debenture Document:

- A. Debentures to be of a minimum of \$1,000 or multiples thereof.
- B. In the event of a debenture holder's death occurring, the debenture to be immediately available to the deceased estate.
- C. In the event of a syndicated debenture holder's death occurring, the payment of any syndicated share will be the responsibility of the remaining syndicate members.
- D. Debentures to be for a maximum period of ten (10) years.
- E. Debentures to be repaid within a ten (10) year period (maximum) in accordance with annual results achieved by the Association.
- F. A maximum of 150 debentures be available at \$1,000 each or alternatively a total debenture issue of \$150,000.
- G. Interest to be paid annually at a fixed interest rate of 7.5% with 1st December being the effective date.
- H. Secured by floating charge.
- I. Assets constituting security, A.C.T.A. Building Fund Investments.
- J. Floating security to become a fixed security on the purchase of property for the purposes specified in the debenture invitation to members.

Applications from registered shooters, clubs, Zone and State Associations are now being received and will continue to be received up to and including 30th November.

For any further information on the issue of Property Debentures, please contact either your State's Representatives to the National Executive Committee or the Executive Director on (03) 807 7577, or complete the Debenture Application.

# CHAMPIONS OF OUR SPORT

By George Biggs, A.C.T.A. Historian

## Pages Out Of The Past. March 1968 National Trap Championships South Australian Gun Club Bolivar, South Australia

The program commenced with the Champion of Champions Cup. This attracted a field of 224 shooters, some five shooters shot a possible 50-50. An interesting shoot-off saw well-known Paul Marshall of Hobart, Tasmania, take out the coveted award with a score of 92-92.

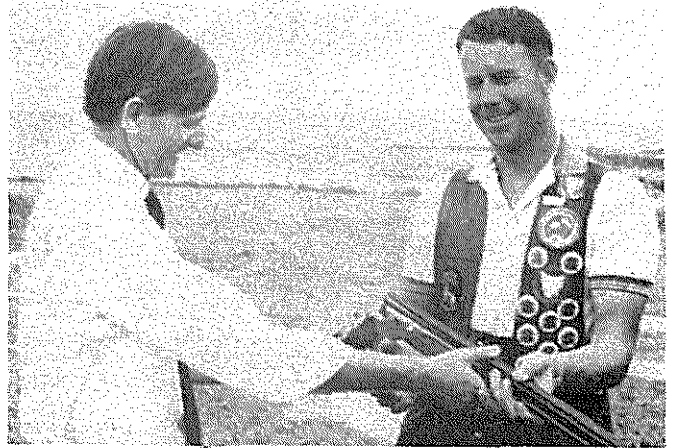

• P. Marshall (Hobart Gun Club), 1968 National Champion of Champions.

The grounds of the S.A. Gun Club were a credit to President, Bob Mules, and his untiring committee.

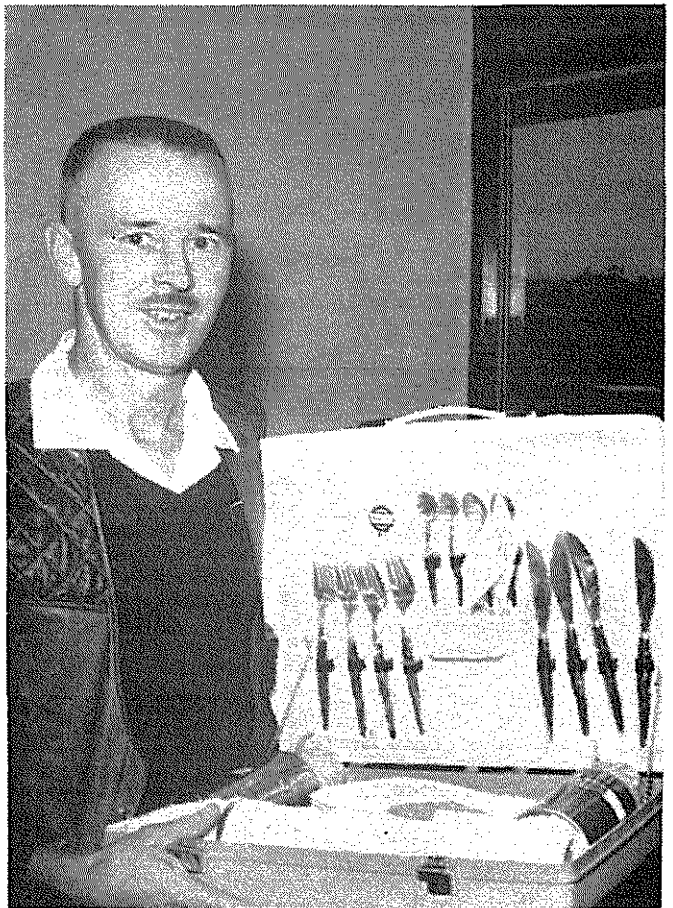

It was noted that Bob and a few others stayed out at the Club on Wednesday night after the National Shoot, and had things fairly well cleaned up by midday the next day. During the cleaning up operation a rather funny thing occurred. Bob picked up about 500 disposable paper cups and put them in a 44-gallon drum, which had been burning earlier, but had gone out. Bob poured some petrol in the drum and lit it from a crack in the bottom, when the whole thing started to growl and went off with a whoomf, shooting the 500 cups into the air over a wider area than from where they had been picked up. Poor old Bob did not know whether to laugh or cry, and whilst sitting on a stool looking at the mess, it was said, "Hell Bob, that was a good pattern". This comment helped him see the funny side.

## National Championships Geelong Gun Club 1969

Sperry Marshall of Hobart, Tasmania, wins Overall High Gun with a fine score of 292-300.

Picture shows Sperry being presented with the Browning B2 U/O shotgun.

## Gold Coast Gun Club 1967

Shooter G. Smith proudly displays his prize after winning the Gold Coast Gun Club (Queensland) trophy event on 9.4.67. He has since won all the trophy events and High Gun at Ipswich Gun Club on 16.4.67, and is about to embark for Vietnam with the Australian Military Force.

### Echuca Gun Club 1970

W. Wickham, President of Echuca Gun Club, and Don McCall, General Manager of Winchester Australia at that time, presenting Bill Attwood with his Commonwealth Mixed Mini Target Championship Sash. Bill is a long-time clay target shooter both in Australia and New Zealand.

## MARYBOROUGH TITBITS

Without a doubt our sport would have to be the greatest. Take May CTSN. An old photo of Doug Smith, National Champion 1965, then June CTSN Doug Smith again SB and DB National Champions 1988. A time difference of 23 years and he would have been shooting before 1965. There are not a lot like Doug. So if you were a swimmer, runner, golfer, tennis player or you name it, you couldn't stay at the top for so long. If you read this Doug, I hope it doesn't make you feel too old. To all those who have enjoyed shooting for all those years keep up the good shooting.

At Bundaberg June 5th Peter Shaw of Maryborough took the honours in the Handicap, Cont. C'ship OA and the Double Rise. Allan Harris B grade Skeet, Ken Greensill C grade Skeet. Troy Harris C grade Handicap and Junior High Gun.

I was able to get to Gympie this month and see old friends. It was the most perfect day for shooting yet the scores were low. Once again the Harris family took honours in the 100T D.B. We saw Allen 1st C and Troy 2nd C, and yours truly was 2nd in B.

At the home of Maryborough on the 26th Rob Rehbein of Bundy won the first event and the HG. Thanks to those who travelled to the shoot, hope you had a win. Reminder: September 25, 9.30 our one-day shoot kicks off.

Until next time, see you around the traps.

Lost Bird

Can anyone put a name to the little guy on the stand? He is possibly a young man today in his early 20s. I'm wondering if he actually took up shooting and were his parents shooters at that time?

## AUSTRALIAN OLYMPIC TEAM COMPETES IN THREE WORLD CUPS

Most nations intending to send teams to the Olympic Games in Seoul this year sent their Olympic Teams to the European World Cups. The Australian Olympic Federation funded the Australian Shooting Team and Coach, to attend these events as the competition was equal to Olympic and World Championship standards.

It was apparent with the Clay Target shooters that they improved their performances as they went along, becoming stronger and stronger with each event. The first World Cup was held in Suhl in East Germany, a town steeped in the traditions of shooting sports. The whole community is involved in some way in the historic crafts of gun manufacture.

Pistol and Rifle events were contested as well as Clay Target. Australia's best results were: **John Maxwell** — Olympic Trap, shot 194, equal 5th score to be placed 10th on count back. The event was won by Pera of Italy with 197; **Alan Smith** — Free Rifle, Men's Prone. 596, placed 10th. L'vov of Russia won with 598; **Phillip Adams** — Free Pistol, 561, 10th place. Papanitz of Hungary won with 657.

The shooting range at Suhl is magnificent. It has excellent facilities. As Suhl was first cab off the rank, and most shooters had had little practice, John, Alan and Phillip must be congratulated on their world class performances.

The clay shooters and myself went on to Yugoslavia while the others went to Munich. The Grand Prix of Europe was held in Osijek in the north of Yugoslavia, close to the Hungarian border. It is a small town of great antiquity, set in a rural area. The Yugoslav people were extremely friendly and hospitable.

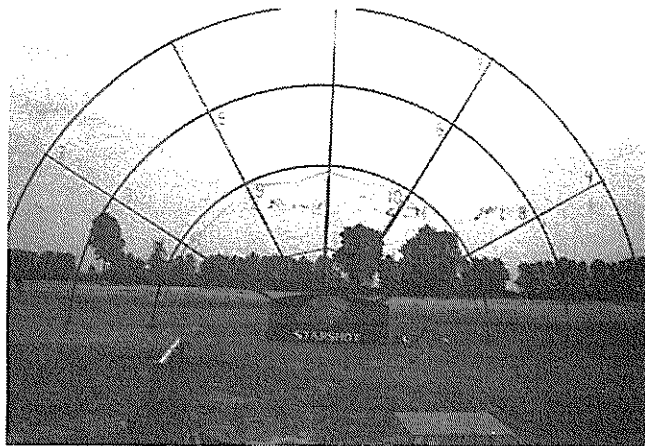

• The Australian Team pictured at Osijek.

**Russell Mark** came 10th with 186 in the Olympic Trap event. Lavrinenko of Russia won the event with 192, a truly remarkable performance as the wind was blowing so hard it really blew the clays out. There were 94 contestants.

The Australian Trap Team, 8th in the European Grand Prix.

The third world cup was in Bologna, Italy. We had to be in Bologna almost as soon as the shooting finished in

• Starshot in Bologna.

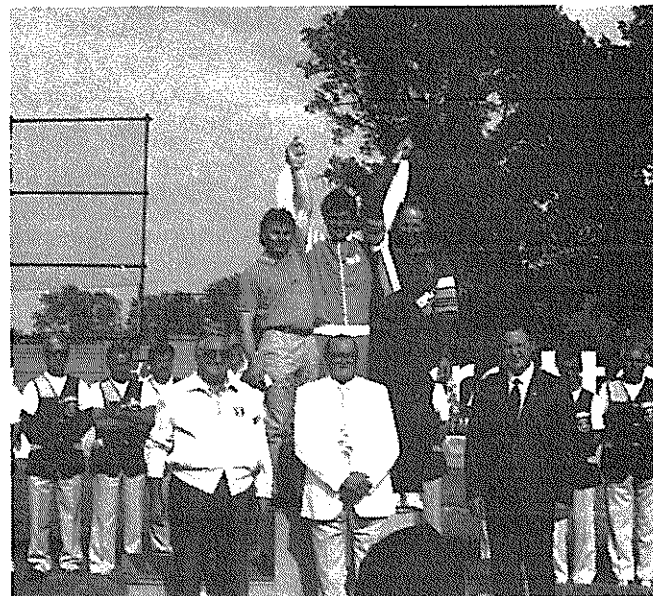

Osijek. The Italians have the most sophisticated set-up of computerized scoring and squadding I have seen. The squads are chosen by computer, one from each country. Bologna is a large city in the north east of Italy. There were five trench lay-outs and four skeet lay-outs.

**John Maxwell** — 5th overall, with 214; **Russell Mark** — 8th overall, with 190. The event was won by Cioni of Italy with 218.

The Australian Trap Team were placed 5th from a field of 105 competitors.

The Skeet shooters, Ian Hale and Michael Inguanti, were unfortunately counted out of the cut off even though they shot 144, several went into the finals with 144.

**Double Trap.** The team did extremely well in the Double Trap event, held for the first time. **Domingo Diaz**, 3rd; **Australian Team**, 2nd.

• Domingo Diaz, a fine effort at Double Trap.

This was a tremendous effort as our team has not had the opportunity to practise, whereas some of the teams had been training for twelve months. This result and my observations confirm my belief that the Australian Down the Line shooters will do extremely well in double trap, and as it is to be a new Olympic discipline, we have a very bright future in Double Trap. It is exciting to watch and exciting to be in.

The sequence of three World Cups held over a period of three weeks is a great idea for Australians, it enables them to participate in more than one World Event in a short

# N.S.W. I.S.U. ANNUAL FUND RAISING CARNIVAL

Canberra International Gun Club this year hosted the New South Wales I.S.U. Sub-Committee's annual Fund Raising Carnival over the June long weekend.

The carnival, which is the I.S.U. Sub-Committee's once-a-year opportunity to put together a few dollars to promote and administer Olympic Discipline clay target shooting within the state, this year took on a slightly different format in that 350 targets were programmed for the three day weekend — all Olympic Discipline Trap.

The events — The Eastern States Olympic Trap Championship, The Eastern States Ball Trap Championship and The Eastern States Double Trap Championship.

Saturday saw the conducting of the Olympic Trap event which was won (but not so easily) by Australia's best ever performed Olympic Trap shooter, Jim Ellis. Jim, like everyone else in the field, had a few early hiccups, but finally took overall honors by one target from N.S.W. coaching director, Col Burt of Tamworth. World Junior Olympic Trap Champion, Michael Diamond (fresh from again establishing himself as the best standard discipline trap shooter at the Wagga Trap Nationals) won AA honors, while B Grade went to Rod Prior, also of Tamworth, and C Grade to local shooter Jim Reid.

Eastern States Olympic Trap Championship: Overall — Jim Ellis 90/100; AA Grade — Michael Diamond 81/100; A Grade — Col Burt 89/100; B Grade — Rod Prior 68/100; C Grade — Jim Reid 66/100.

The second event of the three day program was the Eastern States Ball Trap Championship, and this saw Michael Diamond record a good victory on 95/100. Jim Ellis was next in the field and took AA Grade, with sub-committee chairman, David Menck taking A Grade, George Kazolis the B Grade winner and Jim Reid again taking the C Grade sash.

Eastern States Ball Trap Championship: Overall — Michael Diamond 95/100; AA Grade — Jim Ellis 92/100; A Grade — David Menck 90/100; B Grade — George Kazolis 83/100; C Grade — Jim Reid 74/100.

The final day of the carnival and the numbers of competitors improved for the event that all had been waiting for, the first ever Double Trap event, to be held in Australia. Many of those who had been on hand after the Ball Trap event on Sunday had already had a taste of things to come, as a few practice rounds of 10 pairs of 'doubles' had been thrown at the conclusion of the second event.

• Eastern States Ball Trap Championship victors — Jim Ellis (AA Grade), David Menck (A Grade), Michael Diamond (Overall), George Kazolis (B Grade) and Jim Reid (C Grade).

Surprisingly, this did not deter the real I.S.U. enthusiasts. Double Trap is certainly not an event for the faint hearted, it offers a real challenge.

After the first squad of the Eastern States Double Trap Championship, Col Burt (who incidentally can go down in history as shooting the first 'clean' pair of Double Trap targets — and David Menck who missed the first ever pair) was in the lead with 28/50. Other scores in the squad were mixed, down to around 11 and 12/50.

Best scores of the first round included 33/50 from Michael Diamond, Jim Ellis' 31/50, Steve Balough on 28/50 and a few others on 25/50.

Overall honors for the event finally went to the ever consistent Michael Diamond, with Jim Ellis taking AA Grade, David Coleman getting A Grade and Steve Balough B Grade.

Eastern States Double Trap Championship: Overall — Michael Diamond 33 + 33 66/100; AA Grade — Jim Ellis — 31 + 22 53/100; A Grade — David Coleman 25 + 29 54/100; B Grade — Steve Balough 28 + 21 49/100.

Unfortunately, due to a few minor trap problems, the final round of the Double Trap could not be conducted and the event had to be decided over two rounds. Perhaps this was enough!

• Another 'first' for Michael Diamond, Overall winner of Australia's first-ever Double Trap Championship — receiving his trophies from I.S.U. Sub-Committee Chairman David Menck.

Again, the weekend proved successful for the sub-committee, and raised funds to give the Olympic Discipline shooters and clubs of the state the assistance they need. Without the generous assistance given to the I.S.U. shooters of New South Wales by the sponsors of the weekend, the carnival could not have been a success.

The I.S.U. discipline shooters of New South Wales would sincerely like to acknowledge the valued assistance given by the following sponsors and urge you to give these sponsors your support in return when contemplating purchases:

• Olympic Targets — Scorpio Cartridges • Keith R. Herron Pty Ltd • Winchester • Lightning Shot • A.C.T. Ammunition • C.L.A.S.S. (Col Burt) • Fuller Firearms • Mulwala Explosives Factory.

The support and assistance given by our sponsors has once again assured the I.S.U. shooters of New South Wales of the continued assistance of the sub-committee. The sub-committee would also like to make special mention of the help and support given to it by the committee and members of the Canberra International Gun Club. The use of the club's facilities and man power was much appreciated.

David Menck,  
Chairman

## KNOW YOUR EXECUTIVE

**BOB FOX**

Although a keen hunter for most of his life, Bob did not take up clay shooting until 1978 when he and his wife, Mary, joined the Jabiru Gun Club. That was not out of any particular interest in clay shooting, but rather as a convenient escape from a particular working/living situation at least once a fortnight.

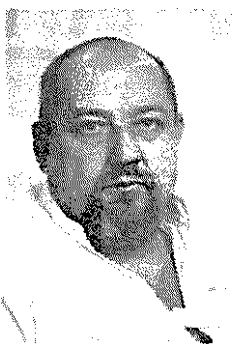

Nevertheless they were soon well and truly hooked and in late 1979 transferred to the Darwin Gun Club. Bob was elected to the committee in 1981 where he has served ever since in various positions becoming President in 1986.

In 1987 he was elected Vice-President of the N.T.C.T.A. and this year elected as President.

He is a new member of the Executive replacing Ken Selwood who resigned due to business pressures. Bob is a member of the Computer Sub-Committee.

He has wide interests in shooting being Vice-Chairman of the N.T. Sporting Shooters Council, Committee member of the Hunters Union of the N.T. and S.S.A.A. member. Through his work at the Conservation Commission of the N.T. he has been involved, over the years, in provision for recreation hunting, wildlife conservation and parks management.

A keen shooter, whose shooting interests extend well beyond clay targets, R. (Bob) E. Fox.

**PAUL WEIS**

Paul's involvement in clay target shooting seriously started in 1977/78 at the Darwin Gun Club, being elected Secretary in the later years of 1984 to 1987 and that of Vice President 87/88. Paul also held the position of N.T.C.T.A. Secretary/Treasurer 84-86, and 87-88.

Paul loves to shoot everything, but most of all Skeet, and attended all the Nationals since the separation from D.T.L. His main endeavour at the moment is to best serve the Executive Committee, Shooters of the Territory and contribute to the sport in general.

# WARATAH STATE NOTES

## 1988 STATE TRAP CARNIVAL:

Readers will find the program for this year's Carnival in this issue and posters have been distributed to all registered clubs in N.S.W. For the first time this year, the Carnival will have a handicap event and this, along with the Champion of Champions have been made State Titles. Both events have been allocated a Perpetual Cup and Silver N.S.W. Badges for the overall winners.

Munt and Jolly Pty Ltd — Master Plumbers of Sydney, have again been very generous and have offered to sponsor the State Handicap — this event will carry over \$1000 in trophies — a microwave oven being 1st overall, just to name one.

Westfield Shoppingtown, Miranda join with Olimpyc Targets, Horsley Park Gun Shop, Shelleys Soft Drinks, Winchester and Fuller Firearms to make up our full sponsorship list for the Trap Carnival.

All Club delegates and any interested shooters are reminded that the Annual General Meeting will be held at the Club at 5.30pm on the Saturday — this will allow shooters to attend the meeting — straight after the shooting has finished.

For those seeking accommodation, we would suggest that you try the following:

Cronulla Beach Resort — 523 8999; Cronulla Motor Inn — 523 6800; Metro Motor Inn — 525 7577; Sapphire Motor Inn — 522 0444; Wooden Shoe Motel — 520 8166; Hunts Motel — 601 5088.

The Sydney/Marconi facilities are coming along well and we are all looking forward to a great shoot over the October long weekend.

### ON THE COACHING FRONT:

At the last State Executive meeting, the State Coaching Director presented a proposal of conducting a Junior Coaching Camp/Seminar in September, 1989. The seminar would be conducted over three or four days and would be at the Institute of Sport in Canberra. All disciplines would be catered for. The State Association have given their full support and plans have now been put into action. The dates have been set for the school holidays and the camp will be open to any junior shooter who may wish to attend. For the camp to go ahead, participation is essential, so clubs are urged to encourage their juniors to attend. As time draws near, the actual dates, costs, etc. will be advised. Please support this coaching seminar.

### REFEREE EXAMINERS REQUEST:

Now that almost all our referee examiners have been re-examined and the new appointees have also been examined, all those referees who have come due for re-examination and have not been examined will be contacted and arrangements made for same.

All clubs in the State have been asked to supply the names of their members who they feel are suitable to become referees — and these people will be examined as soon as possible.

If you, the shooter, feel that you would like to be a referee — first approach your club secretary, who will, in turn, make the recommendation to the nearest referee examiner.

We need more referees — and this important matter is being addressed by your State Association — with the view of having at least one registered referee for each discipline conducted by a club — by the end of 1989.

### FROM THE CENTRAL ZONE:

Zone President, Peter Mould, reports that their Zone Trap Carnival and Team eliminations were held at the Grenfell club on the 30th/31st July. Grenfell is only a very small club — with the total sum of 12 members — yet they accepted the Zone Carnival — and from all accounts did

themselves proud. The facilities were upgraded considerably and the small working committee had everything ship shape — even the weather was kind. On Saturday, 57 shooters took part and 53 attended on Sunday — the scores, well these were unusually low — however, a great carnival was staged.

The overall high gun was won by John Blazley with 190/205, Marilyn Dwight won the Ladies with 151/205, and the Junior high gun was taken out by a young fellow from Parkes, who has only been shooting for a short time — Clint Hawke, with 165/205. This young fellow looks to be a great shot and should record plenty more wins in the future.

The Central Zone Team for the State Carnival is as follows: T. Murray, J. Rogers, R. Piotrowski, J. Blazley, P. Barn, R. Taylor, J. Rue, N. Dwight, J.W. Smith, M. Matilka, S. Barbagallo and Darren Fairall. The reserves are: L. Arnold, P. Wamsley, F. Johns and P. Hayman. The Ladies Team is: M. Dwight, G. Toshack and L. Louie and the Junior Team comprises: Clint Hawke, Glen Campbell and D. Corcoran.

The Central Zone also have a new Zone Delegate, Les Aberley, who replaces Steve Foster. Les is a keen skeet shooter and will add strong skeet support to the State Association ranks. Welcome Les.

### FROM THE NORTHERN ZONE:

The annual "COOL 100" was held at Guyra on the 31st July, and it seems that someone forgot to tell the weather man that it was to be a cool day. Very pleasant conditions greeted the 50+ shooters. Overall winner this year was Roger Vidal with the only perfect 100/100 — quite a list of 99/100s went into the shoot off with Terry Rumbel finishing ahead of Ray Hammond.

For those skeet shooters who are kicking themselves for not attending the annual skeet shoot at Coffs Harbour this year, here is early warning — Coffs Harbour have moved their skeet shoot back to the 14th/15th JANUARY, which is the week following their annual trap shoot. This date is of course in the peak holiday season on the north coast — so before you read any further, go and phone for accommodation reservations — so that you will not miss a great skeet shoot.

Another reminder about the big trap shoot extravaganza being held at the Tamworth Club on the 3rd and 4th September — \$7,000 in trophies and sashes.

An event a little further ahead — however accommodation will need to be booked as early as possible — the UPPER HUNTER GRAND SLAM on the 26th and 27th November — \$25,000 in trophies has been secured. The event will be shot at the Cessnock Club over four (4) layouts using full fluoro targets and phono pulls. Further information from organising secretary, Ron Wakem on (065) 45 1788.

### FROM THE RULES FRONT

#### Rules relating to handicapping and re-handicapping

It is obvious from problems arising at clubs and questions constantly being asked of those who know a bit more about the rules, that there are still a great deal of shooters and administrators who do not fully understand the rules regarding handicapping and handicap shooting.

Generally, the rules have changed little for quite some years now, and to put the whole situation in a few words as possible:

- any competitor winning first place in a handicap event will be handicapped 1 metre, regardless of whether he has shot a possible or not.
- any shooter winning a section of a group handicap event, will be handicapped 1 metre, providing he has shot a possible.
- any shooter winning a double barrel, single barrel or point score event from behind his handicap mark, will be handicapped to the mark, providing he has shot a possible.
- any shooter who shoots 50 straight from behind his handicap mark will receive 1 metre handicap (providing it has not already been awarded for that event).

- handicap marks shall be adjusted as outlined in the rules relating to grading, i.e. AA Grade 18 metres, A Grade 17 metres, B Grade 16 metres.
  - no competitor may shoot from any other handicap other than his ACTA handicap mark, unless in a novelty event etc. Each target shot at from other than the correct handicap mark must be recorded as 'lost'.
- Other points that need to be attended to include:
- registering handicap targets on handicap cards. Unless a shooter has 200 targets recorded on his handicap card, he may not claim one metre, inward movement, when reregistering.
  - handicap events must be shot to finality. Should two or more shooters decide to 'split' an overall trophy/purse instead of shooting-off, then all of those shooters should be handicapped one metre, regardless of whether they have shot the possible or not.
- That's all for this month, good shooting, hope to see a big attendance at the State Trap Carnival.

## VALE

### Don Corstorphan

It is with deep regret that the Colac Gun Club lost one of its oldest and longest serving members of our club.

Don, aged 82, was an active member of the Colac Gun Club for 43 years and was still shooting up until a fortnight before his death.

Mr and Mrs Corstorphan moved to Colac in 1944 and were introduced to Clay Target Shooting and live bird shooting by the late Eric "Pop" Ball who only passed away recently also.

Don was Secretary-Treasurer for 15 years and Club Handicapper for 30 years. He represented the club on the Board of Management of the Colac Racecourse and Recreation Reserve for 37 years and for 43 years he was the Club's Publicity Officer.

He was an accredited referee and referee examiner for 30 years, plus club coach. Don was a member of the National Executive for three years just prior to the Melbourne Olympics. In 1958 he was a member of the successful Australian Team competing for the Macintosh Cup.

He was the initiator for the long service concession for shooters over 65 years or 60 years with 30 years' continuous service, something that not many shooters would realise.

A very impressive record by any standard, the sport of clay target shooting can ill-afford to lose such dedicated men as Don Corstorphan . . . a true sportsman.

To his wife Myra and daughters June and Lynette the Colac Gun Club would like to express our deepest sympathy.

Peter McDonald  
President Colac G.C.

## EDITOR'S MAILBOX

Dear Alan,

I am writing to mainly thank yourself and the Australian Clay Target Association for all their assistance in respect with the past week that I have been allowed to have at the Australian Institute of Sport in Canberra as a guest with the National Training Squad. The week for me has been very beneficial and I believe has helped me to sort out some major problems that I have had over the past few months. I hope that this event shall always take place because it is of great importance for us if we are to keep up with the other countries with which we have to compete.

Thank you again.

## STURT PEA FROM S.A.

We are well on the way with the programs, and thank you to those who got them back to me on time.

I hope everyone was as pleased as me to see the photo of our Junior Shooters on the front cover of the C.T.S.N. The following is the list of their names, although not in the correct photo order. I have to be quite truthful and say that I don't know some of the lads: B. Johnson, W. Lynn, M. Creighton, D. Murphy, W. Renney, B. Pallant, N. Rundle, M. Hudleston, A. Martini.

### TAKE NOTE:

**S.Y.P. GUN CLUB:** Would like shooters to take note that due to an omission from the 1987 program book, they do have a shoot on the 18th September. Barbecue at 12 noon followed by 5 targets E/O then 20 pair D/D and 10 pair D/R.

The following reports have been sent in to me.

### BARMERA

Coming up soon they have their 30th Anniversary shoot. The first meeting of the club being on the 23/4/58 with 14 shotgunners attending and Mr A. Grase was elected as chairman.

A motion was moved at that meeting, by M. Mills, and seconded by J. Killmarten that a gun club be formed. This was duly carried. The first elected officers were as follows: President — A. Grose, Secretary — Mr Drogemuller, Treasurer — M. Mills. Committee — K. Germain, P. Schramm, J. Friman, J. Harris.

After many meetings and working bees an opening shoot was held on the 28th October, 1958, with a nomination list of 65 shooters. A list of their names are as follows, which should be of interest to some of our older shooters today:

W. Dunstan, J. Bottom, E.C. Edwards, D. Elkins, T. Roberts, G. Ash, E. Vivian, A. Hamilton, R. Carroll, R. Schramm, J. Thompson, P.H. Johncock, M. Cook, D. Schultz, R. Caddy, F. Holmes, T.C. ### MOUNT GAMBIER — MARYBOROUGH

It was this time off to Maryborough for nine Mt Gambier shooters and some of their wives for another Team's Challenge competition. An excellent weekend by all accounts with Mt Gambier recording their biggest win ever. Those making the team were P. Green 40/40, C. Wright 39/40, B. Spring 38/40, R. Simson 37/40 = 154/160, thus defeating Maryborough No. 1 team (see Maryborough, I told you to watch out next time), their score being 148/160.

Mt Gambier's total club score was 328/360 which was 25 points ahead of the top Maryborough club score.

Mt Gambier took home 13 trophies in all with P. Green winning the H/G as well as taking home, for the second time, the Jackpot prize — a nice purse of money.

After dinner, Jim Shepherd's home was invaded by all for a game of 8-ball with Maryborough being the victors. (See, they can't shoot but they can play 8-ball!!)

On Sunday, Mt Gambier shooters did a bit of a U-turn and called in at St Arnaud for some more good scores. B. Spring and R. Simson shared the winnings in the P/S and B. Spring continued his excellent form to win the D/B defeating B. Rafferty from Maryborough and C. Wright from Mt Gambier. P. Green was the S/B winner and the only shooter to record 25/25. B. Spring came out on top over the day gaining the H/G title.

The return challenge will be held at Mt Gambier in October.  
By P. Green.

### SPECIAL SHOOTS:

Sep. 3/4 — Barmera Anniversary Shoot; State Night Skeet, Sep. 3 at Barmera. (Don't forget to be in it to qualify for the Ray & Pat Mack Title.) Sep. 10/11 — Broken Hill Annual Silver City C'ship; Sep. 18 — Alexandra Birthday Shoot.

That's all this time.

## PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

### U.I.T. 'FINALS' SYSTEM

All competitors shoot at the full program of targets. At this point the top are selected to carry over their scores into the 'final'.  
If there is a tie at this stage the competitor with the highest score in the 'final' the winner. If the aggregate score is tied and both competitors have scored a 'final', a miss and out shootoff will take place.

If there is a tie for the final six positions it shall be broken by a countback, of 25 and if still unbroken by a countback of actual targets missed.  
The U.I.T. 'FINALS' SYSTEM only applies for the overall placings. categories results are determined over the programmed targets only and ties full rounds of 25 targets.

# TRAP ELIMINATIONS

## ZONE ELIMINATIONS

These Eliminations are to be conducted on either an Olympic Trap or Ball Trap layout. They are open to all competitors regardless of zone, but the Zone Team must be selected only from competitors who are registered with a club in that particular zone.

### EVENT

75 targets plus a 25 target 'final'.

'Flash' targets will be used in the 'final'.

The programmed 75 targets will be used to select the Zone Team and these targets plus the 'final' will determine overall placings.

### NOMINATIONS

\$22 OPEN

\$15 JUNIOR\*, LADY, VETERAN

\$1 optional sweep each 25

\$5 optional purse overall

\*Note: Under I.S.U. rules a Junior is anyone under the age of 21 as at the 31st of December for the current year. Juniors can be eligible for both classes if the full nomination is paid.

### ZONE TEAM

Only competitors who are registered through a club in the zone are eligible.

The top 8 Open and the top 4 Junior competitors over the 75 programmed targets will form the Zone Team which will represent their zone in the Zone Teams Match to be held in conjunction with the State Olympic Trap Championship.

**TIES FOR ZONE TEAM POSITIONS WILL BE DECIDED BY COUNTBACKS.**

In the event of a Junior, who has nominated in both categories, finishing in the top 8, another Junior will be selected and placed in the Zone Team.

Registered zone competitors who finish in places 9 to 12 in the Open category and 5th and 6th in the Junior category will be emergencies for the Zone Team, but will be eligible to compete for a position in the State Training Squad.

Representatives of the Zone Teams will be notified by mail of their selection in the team and they will be required to notify the State I.S.U. Committee if they will not be attending the State Olympic Trap Championship in November so emergencies can be contacted to fill their position.

A Zone Team Badge will be awarded to each team member at the commencement of the Zone Teams Match at the State Championship.
