**Front Cover:** The 1989 National Skeet Champion Christian Naudin. Christian started the skeet nationals in fine style by winning the "City of Wagga Skeet C'ship" on day 1 with 236/236. He topped that by shooting in fine style on day 6 with a 111/111 to win the prestigious National Skeet Championship Title.

# EXECUTIVE DIRECTOR'S NOTES

On a serious note your attention is drawn to the illustration and accompanying notes contained in the C.T.S.N. relating to the fitting of safety arm guards by all clubs to all traps. Without going into detail a very serious accident was avoided during the Wagga Pre-Nationals more by good luck than by good management. I am pleased to be able to report, however, that Adrian Cousens, the person involved, is making a good recovery from the blow that he sustained and should soon be seen around the shooting grounds. Having recently spoken with Adrian he is anxious to "hit a few" and with this approach he is obviously well on the way to recovery.

The compulsory fitting of safety arm guards is a matter that is presently before the Executive Committee for decision. With the comments that have already been received there is no doubt that a positive decision will be taken; once this has been determined all clubs will be advised accordingly. Don't wait for the Executive to make a decision — have the matter discussed at your club to see that this safety procedure is adopted without waiting for it to become mandatory. The time spent in waiting could well be time spent in ensuring the safety of all who have authority to be involved with the traps at your club. Our thanks go to Colin Burt, who, having recognised the problem that could arise, has prepared an illustration of what would be an acceptable form of trap arm safety guard.

During the National Skeet Championships at Wagga Colin Burt, as National Coaching Director, met with the A.C.T.A. Management Committee to discuss his role as National Coaching Director prior to the permanency of the position being established. During the discussions he was asked about his involvement in N.S.W. with products allied to the sport of clay target shooting. This involvement was perceived by Management to be a direct conflict of interests in relation to his employment as full-time National Coaching Director funded by the Australian Sports Commission.

While no request was made by the Management Committee so far as the continuance of his involvement was concerned Management were advised by Colin that financially he would not be able to survive. Management decided that they were not prepared to accept what they felt was a conflict of interest and did make the following decision:

"After giving full consideration to the difficulty of the situation Colin Burt was advised that as there was no choice available to the Association other than to accept the decision made by him to continue with his commercial activities his position as full-time National Coaching Director could not be confirmed and steps would be taken to fill the vacancy which would be at the expiration of the completion of duties in accordance with the Contract of Employment under which he was to have been confirmed as National Coaching Director."

Advice has been received from South Australia that they are not able to host the 1991 National Trap Championships. These have now been allocated to Western Australia, who will be holding the Trap Nationals for the first time since 1985. As the 1993 Nationals were allocated to W.A. an early decision is being sought to re-allocate the 1993 Trap Nationals to South Australia, who hopefully will be in a position to host the Nationals at that time.

In addition to the 1991 Trap Nationals South Australia have relinquished the 1991 Olympic Discipline Nationals owing to the uncertainty of the completion of a second trench layout at the International Shooting Complex. A decision on re-allocating the 1991 O.D. Championships will be taken at an early date.

Information has just come to hand that N.S.W. shooter Michael Diamond has had back-to-back wins in the Sport

Australia Awards, being named Junior Male Athlete of the Year, which is a fitting end to a year in which he has excelled. Well done Michael.

In closing, 1990 will be no different in many respects to other years, although with the benefit of experience gained during the '80s the decade will hopefully produce some exciting times for the sport, commencing internationally with the 1991 World Championships in Perth, culminating hopefully in Australia hosting the 1996 Olympic Games in Melbourne where the Melbourne Olympic Committee are leaving no stone unturned as they say in their efforts to win the Games for Australia. What a boost it would be for shooting in Australia if this was to happen. We wish them well on behalf of all sports in Australia — particularly the shooting sports.

Alan J. Maher,  
Executive Director

Versamec, Sizemaster  
77, MEC 600, 400, 250  
and 250 Super  
Reloaders, and the  
Texan LT, GT and FW  
models.

MODEL 'D' — for the  
MEC 650 and Grabber  
models.

The Model "C" and Model "D" are fully adjustable charge bars for powder and shot; shot-capacity from 1/2 oz. to 2 1/4 oz. and powder-capacity from 12 grs. to 55 grs. They come complete with a powder and shot-chart with 487 powder and shot-settings. Both models are for field and target-loads, and for all gauges.

• ALL METAL construction (made of high precision diecast zinc).

• Definite BOTTOM GUIDES for powder and shot-valves (no floating valves).

• Highly SIMPLIFIED method to read scales and to adjust knobs. In fact, the NEW ADJUSTING METHOD is part and parcel of our U.S. and Can. Pat. It's a cinch.

**\$20 Post. Incl.**

For MEC Shotshell Loaders made of diecast zinc. Install between Powder-Bottle and Charge Bar.

The POWDER BAFFLE provides an even powder density during operation and therefore uniform charges. It is made of diecast zinc and nickel-plated. It is mounted on a reloading machine between the charge bar (standard or universal) and the powder bottle.

## More stories about our earlier days Gun Clubs

Continuing the story — from September C.T.S.N.

### By George Biggs — A.C.T.A. Historian

Once again I am very much indebted to the many people who have responded to my plea for information relating to our early days of gun club activity throughout Australia. Of course in the very beginning, only live bird competition was practised. Clay target shooting did not emerge until around 1920 when many of the live bird clubs then adopted clay targets. Some of these clubs went on to become well established clay target clubs to the present day.

The following stories from gun clubs that have early early beginnings make interesting reading that I am sure the modern clay target shooter will enjoy.

### Mount Gambier Gun Club, S.A.

George Steele of the above club forwarded a cutting from their local newspaper "The Border Watch" where it reported that a large number of spectators and club members were on the ground to witness the shooting held on October 21, 1872, quote "The shooting was fair and several gentlemen killed all their birds". The club was formed on August 3, 1872 with R.J. Turner as President

and W.E. Burton as Secretary. The site of the first club is now where the new Government Wood and Forest plant is situated.

### Werribee Gun Club, Vic.

Photo and story from Mr Bill Abbott, President of the Werribee Gun Club.

The first main recorded shoot of the Werribee Gun Club took place on January 21, 1882 at Werribee Park, home of Thomas and Andrew Chirnside. It was a picnic day where 2000 people gathered and pigeon shooting sweepstakes were among the main attractions. Most people came by train from Melbourne and then by coach.

March 30, 1882: The pigeon shoots were won by Werribee's William Ison Jnr, who was perhaps the best shot in the colony.

In 1914 a big shoot was held at the club on the south side of the railway line near the racecourse on Geelong Road; our present shooter and life member Bill Cations was the trapper boy aged 13 years.

Werribee Gun Club (clay target) was formed in June 1935 on Mr W. Missen's property at Hoppers Crossing. Clay targets were then becoming more popular than live birds. I would think Fred Burns had something to do with this shoot as he was the owner's stepson. After the war years the club was reformed in 1953 to raise money for the first Werribee kindergarten. The club moved in 1954 to grounds at Ballan Rd. and then in 1972 to Leakes Rd.

### Korumburra Gun Club, Vic.

Gun Club at 'Burra 75 years ago . . . story from Tom Gannon and David Stone.

The first meeting to form the current gun club at Korumburra was held in a car at the Outtrim recreation reserve.

At the time a few enthusiasts had an occasional shoot at Outtrim, at McDonald's Track and at Wonthaggi. But because they were shooting across sanitary depot trenches at Outtrim, another site was sought.

In the course of forming the present club it was found that there had been a club whose bank account at the State Savings Bank at Korumburra had not been used since 1912, and contained £15.

"That 15 quid got us our first stationery, and really helped us get off the ground," foundation and life member Dave Stone, of Loch, recalled last weekend.

Dave, John Green, of Bena, and Tom McGaw, of Leongatha, were authorised to find a site for the club around Korumburra.

"There was a lot of Crown Land around, but most of it was leased to the adjoining farmer. The best site was the one where the club settled, though it was not nearly as flat as it is today.

"The shire council helped us no end by levelling the site with heavy machinery.

"The gully over which the club shoots was covered with tall blackwoods; they had to go.

"The late Bob Makeham donated our first target throwing machine. It was the old Snipe trap that Wonthaggi sold for £20 when it put in a Dano. Wonthaggi could have got more than £20 for it, but let us have it at a low price to help us get airborne. Years later we sold it for \$30.

"Before we got the Snipe we were shooting with a borrowed Plus trap in front of some bales of hay.

"The office for a start was a car. Then we used to hire two steel framed portable shelters covered with tarpaulins.

"The wind used to cause havoc with squad sheets in that unsatisfactory set-up. Finally Ron Blythe erected the steel-framed, galvanised iron building that is today's clubhouse.

"In October '65 we held our first proper, ACTA registered shoot of three events with trophies.

"The tower was a great windmill stand that John Hamblin, then of Poowong, saw being unused at Drouin South. He knew the people on the farm were only too happy to have it taken away. John got it to the ground where a few of us did some welding. The concrete foundations had been laid, and on a Saturday afternoon, without charge to the club, Keith Black, then of Korumburra, used his crane to stand it up.

"The South Gippsland Field and Game branch erected the skeet houses and installed the first manually-operated skeet traps.

"What the club has today is the result of a lot of time and generosity of those early members.

"A lot of development money was also furnished by early members taking \$50 debentures, one or two of which were repaid each month, as finance permitted."

## Beginning of the Mackintosh International Teams Match

The accompanying photo, published by the Dublin Evening Mail in 1935, shows members of the Clay Pigeon International Match with the caption as follows: "Some of the English team and friends at Dublin railway station 1935. Back row: T. Bamber, Moore, Bramber, Champion, Black, Gregory, Crumpler, Harris, Brown. Front row: Pursey, Clark, Glynn, Turner, Chitty, Roberts, Sack, Evans, Hugill, Lucas.

1. First on right: C. Lucas, English Captain.
2. Fourth from right: Clive Evans of Australia.
3. Sixth from right: Dr Sack, Germany.
4. Fifth from left: Mr T.G. Glynn, Secretary Irish Clay Pigeon Shooting Association.

Very little information about the team is available, however it is reasonable to assume that it was the forerunner to what we now have and know as the Mackintosh International Match. Australia first entered the Mackintosh International Match in the year 1939 and has competed each year since then except for a break of nine years during World War II.

## Len Baker . . . A golden oldies record in our sport over the years

We only shot about twice a year in the country gun clubs as things were pretty tight during The Depression, so we didn't get much practice. As I had a family of eight and also work commitments as a shearer and share 5½ days a week with the pay 27 shillings and threepence a hundred, not much capital was there to play with. Now it's \$127 a hundred.

A few memories are as follows:

- 1932 The Finley Clay Bird Gun Club was formed at a site at the Rock.
- 1934 Then it was moved to the Reserve (present rice shed), when the war broke out and they went into recess until 1948.
- 1936 The Official Opening of the Melbourne Clay Bird Association.
- 1948 Finley Gun Club moved to Rourkes Property until 1952 and then went into recess. The club has since been reformed on the Tocumwal Rd and is still in operation. The opening was attended by the late Horrie James (Ducks Back).
- 1952 I moved to Tyabb and helped to form the Gun Club there in 1958.
- 1953 Joined the Frankston Gun Club which was on Bill Twyeroul's property.
- 1955 I was a member of the Australian National Team.
- 1956 I was a member of the Victorian State Team.
- 1970s Helped to form the Lightning Ridge Gun Club.
- 1978 Helped to form the gun club at Boort, Vic., which is still in operation near the lake.

\* \* \*

Len has been shooting for 57 years and could be the oldest registered shooter in Australia. Good to see he is still shooting.

# NZ ISU NATIONALS

Christchurch Gun Club New Zealand was the setting for the 1989 New Zealand National I.S.U. Carnival.

This was a very important build up for our Commonwealth Games Team even though it was not shot in Auckland at the games venue. The New Zealand Commonwealth Games Team was in attendance along with two of our best juniors in Brett Dunstan and Micheal Diamond. While numbers were down the standard was high.

The first event was the South Island I.S.U. Skeet and Trench Championships.

**I.S.U. Skeet:** Day One saw Ian Hale shoot an excellent 98/100 and lead John Wooley and Craig Meuleman 95/100 into what was to be an event between the three.

Day Two Ian shot a fine 96/100 to finish on 192/200 Craig shot at 95/100 to finish on 190/200 two target behind John Wooley N.Z. 198/200.

1st Ian Hale 194 + 24

2nd John Wooley 198 + 24

3rd Craig Meuleman 190 + 24.

**I.S.U. Trench:** Day One Micheal Diamond led the field on 94/100 with Russell Mark next on 98/100 and John Maxwell and Graeme Ede N.Z. both on 90/100.

Day Two Micheal shot an excellent 97/100 to finish on 191/200 Graeme Ede N.Z. shot a fine 96/100 and finished on 186/200 Russell 193/200 for a 185/200 and John 92/100 for a total of 182/200.

1st Micheal Diamond 191 + 20

2nd Graeme Ede N.Z. 186 + 23

3rd Russell Mark 185 + 22

4th John Maxwell 182 + 21

As can be seen from the final scores Micheal almost let Graeme Ede take the title

Day Three was the start of the New Zealand I.S.U. Trench and Skeet Championships.

**I.S.U. Trench:** Day One Russell got off to a good start with 95/100 followed by both Brett Dunstan and Graeme Ede on 98/100 John and Micheal were just one target back on 91/100

## Saturday, February 24th

J. HARRINGTON, Secretary.

Printed at "The Exchange" Office, Mount Gambier.

1st Ian Hale 193 + 25

2nd John Wooley 191 + 24

3rd Craig Meuleman 187 + 22

My congratulations to all the team members on their efforts in New Zealand and all looks good for GOLD at the Commonwealth Games which I believe our shooters will achieve.

## LICENSING REQUIREMENTS, W.A.

Persons travelling to W.A. are reminded that they must be in compliance with the W.A. Gun Laws if carrying firearms into Western Australia.

Individual temporary permits are available and must be obtained at the first available police station upon entering Western Australia. A fee paid temporary permit can be issued for a maximum of three months at a cost of \$2.00 per month or part thereof. You will be required to provide a current shooter's licence (not applicable to residents of Qld. or Tasmania), proof of club, association membership by means of a shooter's registration card, along with proof of the serial registration number(s), of the shotgun(s) carried.

If in doubt enquiries can be directed to:

The Superintendent,

Firearms Branch, W.A. Police Dept.,

2 Adelaide Tce, East Perth, W.A.

Telephone: (09) 222 1111

## OLYMPIC DISCIPLINE NATIONAL CHAMPIONSHIPS HANDICAP CARDS

### Conditions of Entry

Nominations will not be accepted from any shooter who cannot produce a stamped handicap card or have the handicapper approve the reason for not being able to do so. All shooters from AA to C Grades must present their card to the handicapper for stamping prior to nominating.

## U.I.T. WORLD CUP FINAL 1989

The World Cup Final held in Munich during October produced winners from Italy in both trap and skeet and scores ranging from 183/200 to 196/200 in both disciplines.

Full results over the 200t final.

Trap

1. A. Pera Italy 196/200 + 24
2. J. Blaras Spain 196/200 + 24
3. D. Cioni Italy 193/200 + 25

## HIGH GUNS

*Overall Gold Australia High Gun Badge and Sash in each discipline to the High Gun determined over the 400 targets of the National and Commonwealth Championships in Trap and Skeet.*

★ ★ ★ ★ **BERETTA SO5 made available by WINCHESTER DIVISION, OLIN AUSTRALIA** ★ ★ ★ ★  
TO THE 1990 OLYMPIC TRAP HIGH GUN

Masters Badges over each National Title — for all competitors with scores of 188-200 and over, Gold, Silver and Bronze.

The 400 targets of these Championships in both disciplines will be used to select the National Training Squad for 1990. The top six eligible shooters in Olympic Trap and ISU Skeet will make up the squad. If a junior is not in the top six in each discipline, one shall be invited to join the squad. Emergencies shall also be named.

The 1990 World Shooting Championships Team to compete at Moscow will be determined from the members of the 1990 National Training Squad over an elimination series. ACTA justification to apply.

The International (U.I.T.) Final System shall be used in all events. Nominations for each event will close at a time determined by the Tournament Director. All nominations include a contribution to the Olympic Discipline Fund.

Perpetual Trophies: I.S.U. Skeet — A. Crikis Trophy — State Teams ISU Skeet, NSW ISU Sub-Committee — National Champion, B&P Quire-Overall High Gun, Luigi Franchi Australia — Junior High Gun, Perazzi Trophy — National Champion. Olympic Trap: R. F. Buchan — State Teams Olympic Trap, NSW ISU Sub-Committee — National Champion, B&P Quire — Overall High Gun, Luigi Franchi, Australia — Junior High Gun, Perazzi Trophy — National Champion, Internationals — Olympic Trap High Gun.

# OLYMPIC DISCIPLINES INTERNATIONAL TEAMS

## — NATIONAL TRAINING SQUAD

### SELECTION PROCEDURE

#### 1. NATIONAL TRAINING SQUAD

##### A. Composition

- (i) Olympic Trap/I.S.U. Skeet, A 6 member (Open) squad shall be named as a result of scores achieved at each year's Olympic Discipline Championships.
- (ii) In addition to the Open squads, a junior shall be named for each squad.
- (iii) Junior involvement (other than as a member of the open squad) shall be at "own expense."
- (iv) The junior named in each squad "shall not be eligible for open team selection."
- (v) The National Training Squad must be prepared to comply with all reasonable requests made of them including:
  - (a) Maintenance of fitness levels that may be determined.
  - (b) Maintenance of competition performance that may be determined.
  - (c) Participation in specified scheduled competitions.

##### B. Teams

Australian Team selection shall be determined from members of the National Training Squad.

##### C. Eliminations

- (i) Australian Team selection shall be determined through the conduct of an elimination program(s).
- (ii) Participation in any scheduled elimination shall be at the expense of the competitor unless otherwise determined.
- (iii) All persons commence the elimination program on an equal score basis.
- (iv) Where more than one elimination is conducted scores will be carried forward.
- (v) In the event of any persons not being able to provide an acceptable reason for non attendance at any scheduled elimination then his/her position on the National Training Squad shall be forfeited with the position being offered to the next qualified person according to the scores recorded from the Olympic Discipline National Championships from which the National Training Squad was determined.

##### D. Training

- (i) The A.C.T.A. will endeavour to obtain training camp facilities at the Australian Institute of Sport on an ongoing basis.
- (ii) Wherever possible a minimum of three months notice of approved training camps will be given to all members of the National Training Squad.
- (iii) All members of the National Training Squad plus the added junior(s) are to attend all training programs unless an acceptable reason (N.C.D./Nat. Shooting Committee Chairman) is given at the time of notice of any inability to attend.
- (iv) In the event of any persons not being able to provide an acceptable reason for non-attendance at any scheduled training program then his/her position on the National Training Squad shall be forfeited with the position being offered to the next qualified person according to the scores recorded from the Olympic Discipline National Championships from which the National Training Squad was determined.

##### E. Doping - Drugs

All members will be bound by the conditions governing the illegal use of substances in accordance with the regulations of the Australian Olympic Federation, Australian Commonwealth Games Association and the Australian Shooting Association.

#### 2. INTERNATIONAL COMPETITION

- A. No member of the Association shall be eligible to compete in any international event without having recorded a score in competition equal to or better than the minimum performance score as may be determined from time to time.

As at 1.1.90 Olympic Trap 182/200

I.S.U. Skeet 184/200

- B. No member of the Association shall be eligible to compete in any international event where his/her attendance would be recognised as being a representative of Australia without having received the prior consent of the Association through the National Office.
- C. Any person who fails to gain or omits to apply for approval to compete internationally and competes in any international event where he/she is recognised as being a representative of Australia shall be deemed to be ineligible for selection in any team or gain approval to compete internationally for a period of twelve months from the date of the event contested.
- D. Any person who having gained the approval of the Association competes in international competition shall within one month from their return to Australia submit to the National Office full details of his/her scores and performances.

#### 3. INVITATIONS

Any person who may receive a personal invitation to train or compete outside of Australia may only do so with the consent of the Association if his/her training and or competition is recognised as being representative of Australia as against involvement on a personal basis.

#### 4. COMPETITORS ACCEPTANCE

- A. Any person who as a result of the scores recorded by them are named as being a member of the National Training Squad, are to advise the National Office of their non-acceptance of a position on the National Training Squad if they are not prepared to accept the conditions of the Association which have previously been advised to them via the C.T.S.N.
- B. In the absence of any advice as in 4A all members of the National Training Squad have indicated their acceptance of the terms and conditions relating to the National Training Squad and International involvement under the auspices of the Australian Clay Target Association and the Australian Shooting Association.
- C. All team members must be prepared to sign a team members agreement and abide by the conditions therein.

#### 5. JUSTIFICATION COMMITTEE

- A. Shooters selected to represent the Association by any method that may be determined by the National Executive Committee shall be subject to gaining approval from the Justification Committee.
- B. The National Shooting Committee of the day shall assume the role of a Justification Committee.

#### 6. DETERMINATION

- A. The terms and conditions of membership of the National Training Squad together with accompanying conditions relating to the Olympic Disciplines shall be reviewed on an annual basis by the National Shooting Committee.
- B. The terms and conditions of membership of the National Training Squad together with accompanying conditions relating to the Olympic Disciplines are as agreed to by the National Executive Committee of the day.
- C. The terms and conditions of the National Training

Squad together with accompanying conditions relating to Olympic Disciplines shall be published in the November issue of the C.T.S.N. for the ensuing year.

D. The Executive Committee of the day shall be the sole arbitrator in any area of dispute.

#### 7. EXECUTIVE AUTHORITY

The Executive Committee of the day reserves the right to at any time amend, substitute or cancel any or all of the terms and conditions relating to the Olympic Disciplines format as described herein.

8. NOTE: In certain years it may be necessary to name teams without adopting the preferred elimination program which enables teams to be named as close as possible to the competition dates.

## CROWEATERS FROM S.A.

Congratulations to our State Skeet Team upon placing equal second in National Titles. Bob Dower, Ray Kimber, Lee Trebilcock, Bob Dwyer and Dan Burton — good on you guys. They finished eight targets down over the 250 targets shot — equal second with Victoria. N.S.W. State Team won with five down — a truly top effort.

#### SOUTH EAST GUN CLUB

They are upgrading their January 7 shoot because of increased shooter and sponsor interest. Event 1 will have prize money of \$300; Event 2 — two cases cartridges, and Event 3 one case cartridges. Come along and support this country gun club — they are putting great effort into promoting our sport.

South East Gun Club have also kindly chosen to re-allocate their programme shoot on February 4 — this will now be shot on the 11th — one week later than advertised, to allow S.A.C.T.A. to shoot Feb. 2, 3 and 4 for our D.T.L. Carnival.

Barmera Gun Club have re-allocated their Feb. 4 shoot to Saturday, February 10, 1990.

International Gun Club have re-allocated the February 4 shoot to Sunday, February 11, 1990.

Lake Albert Gun Club have re-allocated their Feb. 4 shoot to Sunday, February 11, 1990.

Thank you to the four clubs that have changed their dates to allow S.A.C.T.A. D.T.L. Carnival to move a week forward than previously stated in programme book to allow our State I.S.U. Trench Team the opportunity of shooting in Perth at the major titles in the second week in February 1990. We wish our State Team I.S.U. Trench members every success in their National Team Title bid.

Hope you all have had great Christmas shoots and are looking forward to a very happy New Year. See you all at our Statet D.T.L. Carnival in February 1990 — a double-page ad. appears in this issue for your convenience and information regarding your State's D.T.L. Carnival.

Pam Smith,  
State Secretary, S.A.C.T.A.

## WINCHESTER LIGHTWEIGHT CHAMPIONSHIPS

On Sunday November 5 Frankston Australia C.T.C. (Vic) and Illawarra G.C. (NSW) conducted the two legs of the Winchester Lightweight Championships.

Winchester sponsored the event and heavily subsidised the new 28gr ammunition included in nominations. All competitors were required to shoot their choice of either AA Universal or AA International 28gr loads. To promote Winchester's re-entry into the clay target market, Laporte full fluoro targets were used exclusively.

To add a further novelty aspect the event was a 75 target medley from 15 metres — 25 double barrel, 25 points and 25 single barrel.

\$8000.00 trophy value and distinctive Winchester Red and Orange 'Lightweight Championship' sashes ensured the event was hotly contested at both venues by the 300 competing shooters.

Some excellent scores were posted and many shooters using 28gram loads for the first time were genuinely impressed with the target breaking ability of these new, pleasant shooting lightweight shells.

Exceptional shooting displays by G. Rootes 124/125 (Illawarra) and G. Henwood 120/125 (Frankston) saw these two competitors take overall wins outright at each venue.

Winchester wishes to thank all competitors for supporting the event and congratulate all winners and placegetters.

Winchester thanks Frankston Australia and Illawarra clubs for hosting the Championships and conducting the event in their usual professional manner.

• L-R: John Witney, Ron Laidlaw (Winchester) and Geoff Wallis (President F.A.G.C.) during presentations.

#### RESULTS

##### Illawarra Gun Club

O/A G. Rootes, 124/125, AA C. Tilley 148/150 D. Anton 144/150, A D. Norris 121/125, R. Taylor 119/125, B F. Moore 138/150 L. Alexander 136/150, C B. Hines 108/125 L. Hackett 106/125.

# AROUND THE TRAPS

What is happening to the sport of clay target shooting? I started my involvement with the sport around 1957-58, and over the years that followed attended many major tournaments in N.S.W., S.A. and Victoria. These included our National Titles as well as tournaments where motor cars were first prize in the main events. I was also part of the administration team at Mildura Gun Club, when they too provided a car as first prize in their main tournament over the Queen's Birthday weekend in June. As many as 145 shooters competed in this event with a car as first prize and cash for second and third.

The equipment used to shoot over at most clubs in those days, as well as Mildura, was a snipe trap with a lever action release. The person operating the machine was known as the "Puller". Nearly all the country clubs I attended attracted some 50-plus shooters to their monthly Saturday afternoon club shoot. Their programs carried a Handicap and Championship event with good trophies for first, second and third being offered. A front marker trophy in the championship and back marker's trophy in the handicap event was also sometimes made available.

The competitive yet casual attitude around the clubs was a delight to see. Over the years we watched a steady improvement, where today we have the best of equipment in automatic hopper fed traps, shooting rules to compete under, that I believe are in the competitors' favour and fair to all. As well, most clubs provide good back-up facilities in clubrooms and amenities. Yet we are now witnessing a steady decline in our sport, by shooter attendance at club and major tournaments. As well, the family involvement is fast disappearing from the club rooms, and in fact has already disappeared from some clubs altogether. One does not see many new faces getting involved in administration at any level.

The recent Victorian State Carnival hosted at Melbourne Gun Club was a glaring example of change. What should and has been, one of the best shooting tournaments in Victoria, seems to be heading for recognition as just another club shoot. Shooter attendance was well down at this State Carnival and if the quality of trophies provided for such a major event continues, it is very doubtful if we will see any improvement in 1990.

Another change confronting the shooter is the fact that the 1991 D.T.L. Nationals will not be conducted in S.A. as planned. I am told the reason for this is that there is not a ground in S.A. that complies with the criteria laid down to host them, or has the required number of traps to hold them. This being the case, S.A. is requesting a swap with

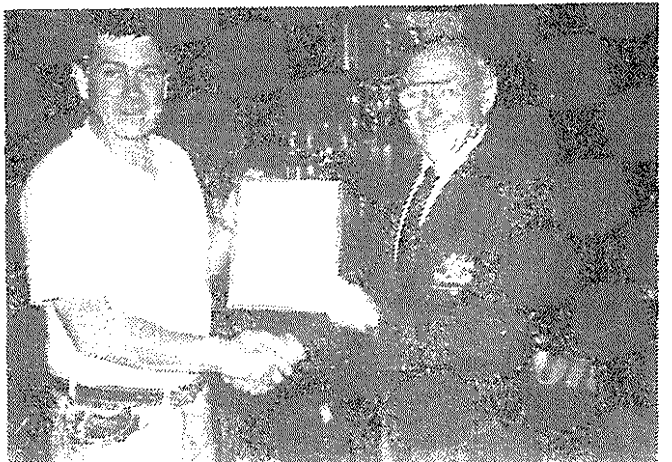

● Victorian Open Trap Team (front, L-R): Rob Viney, Roger Duthie, Russell Mark, Bill Iles, Chris Iles, Steve Haberman, Ron Cugley; (rear, L-R): Mike McVicar, Don Freeman, Tony Bradshaw, Jon Whittakers, Graeme Boyd, Ron Traill, Lionel Connell, Chris Carrol.

● Victorian Ladies Trap Team (front, L-R): Faye Burton, Carol Zagor, Kleva Lowery; (rear, L-R): Karen Clarke, Jan Woodhatch, Lyn Gray.

● Victorian Junior Trap Team (front, L-R): Mike Italia, Chris Iles, Danny Diconza; (rear, L-R): Matthew Howden, Stuart Fleming, Glen Hayden.

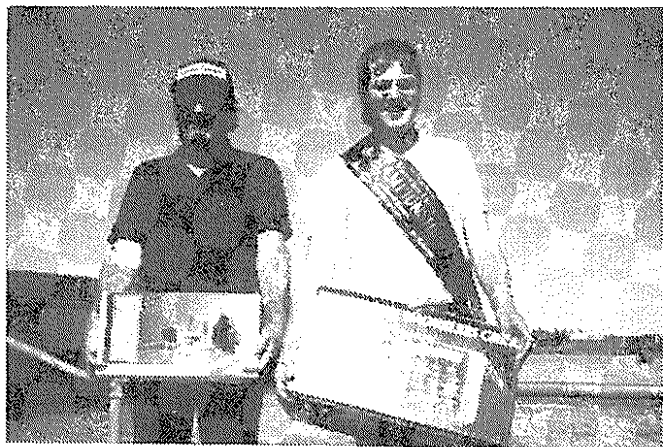

● Left: V.C.T.A. President Glen Woodhatch presents Laurie Connors, Mildura with Certificate of Life Membership for his meritorious service to the Victorian Clay Target Association and his contribution to the sport over a number of years. Presentation was made at the recent Victorian Trap Carnival at Melbourne Gun Club.

W.A. and opting for 1993, when perhaps they might be ready. Here we go again. Kicking the shooter in the hip pocket!

The majority of shooters are in Victoria, N.S.W. and Queensland. We conduct the Nationals in Tasmania in 1990, which I agree with, and then because S.A., whose administrators have known for five years in advance what is required to conduct the Nationals, suddenly decides it is not ready and sends shooters to W.A. There is no doubt W.A. will make sure the Nationals are well run and profitable for the A.C.T.A. However, shooters from the States who regularly attend and support our Nationals will have to pay the extra cost to get to this one.

Maybe our top administrators need to put a little more effort into trying to make things work as has been previously programmed to the benefit of all concerned, instead of taking the easy way out, passing the "Buck",

• Right: Russell Mark, winner of the Victorian Universal Trench Championship displaying his sash and trophy with Bill Iles, winner of the AA section (Mildura Gun Club).

and making the shooter pay.

Mildura Gun Club conducted the Victorian Universay Trench title over the 18th and 19th November weekend. This title when first conducted by the Club attracted as many as 72 shooters. Now only entries from the top shots are received, along with the few dedicated and prepared to have a go shooters. Even so, with the changes being experienced, this was still a good tournament, and is again programmed for 1990.

Peter Marcioni on 164-200, Jim Finis 167, Greg Hipwell 170, Steven Haberman 176, Bill Iles 180 and Russell Mark 185 were the six finalists. Russell put a 24-25 on the board to hold his place as overall winner, Bill Iles, captured "AA" with 180+20, Peter Marcioni "A" Grade 164+20, Ross Walsh "B" Grade 163-200 and Darren Stephenson "C" Grade 158-200. The club extends its thanks to all visitors who supported the event.

See you where there is shooting.

LAURIE CONNORS

## IAN REITH GETS LIFE

Ian Reith of Wilby Victoria, a member of the Wangaratta Clay Target Club and ACTA for 42 continuous years, was awarded a Life Membership of the Club at the annual meeting held on November 23, 1989.

Ian was a very dedicated and enthusiastic club worker during the late '40s, the '50s and '60s, working tirelessly at establishing, developing and maintaining the club to a very high level. Ian served on the committee in excess of ten years from 1948 to 1982, and continues to support the club in whichever way he can when not busy working his farm.

Congratulations Ian on being presented with this well deserved award.

Bev Penney  
Secretary

# PERAZZI

The Guns with the latest and up to date technology built into them:

Perazzi is the innovative gun that has done so much for so many in such a short time (in comparison with other manufacturers) since their introduction that it is obviously the quality gun of the present and very possible the gun of the foreseeable future. It is the gun that amazes shooters (beginners and experienced) with its most effortless speed and ease of handling to give you the scores. That score that makes you a winner — in fact if you take notice it is the gun that is making headlines up front more often most times for the percentage of guns used.

Now analyse this and you must surely convince yourself that value for money your first or next gun must surely be a PERAZZI. Their balance is superb. We have so many of the more popular models in stock that there must surely be a model to suit you. If not, it would only be a telex call away and remember they are easy to shoot and extremely soft on your shoulder.

Also you must surely appreciate the simplicity of its dismantling and reassembling quality system as the innovation of the century and second to none in gun design. If you haven't seen one, ask anyone who has one. He would be as proud to show it to you as he is to own it.

So now think positive — "PERAZZI FROM YOZZI".

**Tony Yozzi Sports,  
460 William Street, Perth. 6000.  
West Australia.**

**Ph. (09) 328 4981 A.H. (09) 271 2766**

SOLE DIRECT factory representative and distributor for Western Australia for PERAZZI FIREARMS — AMMUNITION — Special Shooting Glasses supplied in Miniature Case resembling Perazzi Gun Case with Optic Cleaner included — Saga ammunition — Kromson clay target traps 240V — 12V and standard hand traps. All in stock now.

Also W. Australian importer of fine BENELLI auto and F'GI GAMBA D.B. shotguns.

Latest illustrated coloured catalogues available.

Genuine trade enquiries welcome. All enquiries and orders immediately attended to irrespective of state.

# EDITOR'S MAILBOX

Dear Alan,

I would like to thank you, the President and members of the Executive for the presentation, last Sunday, to me of the testimonial recording my appointment as "A" grade judge of the I.S.U.

Since the foundation of the Port Moresby Gun Club in 1961 I have had much pleasure and satisfaction from Clay Target Shooting, particularly so in recent years in the administration and direction of National & Regional Championships at the Brisbane Gun Club. However nothing surpassed the pleasure and the surprise at receiving the plaque through the good offices of the Queensland President & Secretary. It was indeed a well kept secret.

May I assure you that the qualification granted to me by the I.S.U. will be applied as fully and as often as possible during future years in the best interests of our sport.

Yours sincerely,  
Jim Kelly

• David Menck (left) and Jim Kelly (right) proudly display their plaques recognising both men as 'A' grade I.S.U. Judges. Centre is Tom Meadows, President of the Brisbane Gun Club where the presentations were made.

Dear Sir,

In reply to the Presidential Report in the August magazine, many new and some older members of the A.C.T.A. did not rejoin this year because they felt they were let down by the A.C.T.A. during the Victorian State Elections last year. We as an Association had the opportunity to show strength and unity with the other shooting codes by donating part of our fighting fund money, when it was needed urgently, to assist those fighting on our behalf against the proposed gun legislation.

Once again we were exposed as a bunch of wimps who think they won't be affected by repressive gun laws. How wrong we are!

The ALP Victorian Country Conference have passed a resolution calling for a state ban on all hunting on public land, that is 80% of our duck shooting in serious jeopardy.

If we want our membership to grow we have to be part of

the fight so that we are seen to be caring about the future of shooting. Is the executive worried that our Government grants will be stopped or is there another reason for sitting on the fence and letting the other codes do our fighting for us. I am afraid that many of us actually believe the saying "Join the Elite, Shoot Trap and Skeet". Believe me we are not elite and we are only 8,000 strong, the weakest of all shooting codes.

Give our stocks a boost, let us for once do something positive, quickly and by helping others, help ourselves, because we too reap whatever benefits are gained.

The chill winds of change are blowing and unfortunately they are not blowing our way.

Let us use our fighting fund for the purpose it was founded, to fight for our very existence before there is nothing left to fight for. Let us not procrastinate and bury ourselves in red tape, for once do something positive so that we too are part of the united front and not disinterested spectators. After all, it is your money Ralph.

Surely we can get more input from the news than we have been getting. The silence has been deafening. Finally are there any shooters out there who agree with me, if so take the time to either write in as I have done or discuss the matter with your Club President. Be involved while there is still something to be involved in.

As a competition clay target shooter and keen hunter, like 80% of A.C.T.A. members, I feel we are being out-gunned by the enemy and we have to do something about it. NOW.

Yours faithfully,  
Graham Ash

## IN RESPONSE.

I would like to comment on the letter from Mr Graham Ash, as printed above.

Firstly, I would remind not only Mr Ash, but all shooters, that the A.C.T.A. is the custodian of all shooters' money, including the legislation fund. The Executive must act responsibly when handing out any money from this reserve.

The V.C.T.A. asked for funds, rather late in the election campaign, nevertheless the Executive forwarded \$10,000 to them from the legislation reserve. As with all funds from this reserve, the Executive require an audited statement to show where the money was spent. So far this statement has not been forthcoming from the V.C.T.A.

I have asked Alan Maher to comment further on Mr Ash's letter as I believe some points in his letter are incorrect.

Jim K. Scott  
National President.

## AN EXPLANATION.

The following explanation is offered to assist in obtaining a clear view of the matter at both state and national levels.

So far as gun legislation is concerned the A.C.T.A. cannot in all fairness adopt a policy for all members. At the present time two states, Queensland and Tasmania, do not impose licensing requirements while others have varying conditions that have to be met. Because of this the A.C.T.A. can only and does support each State Association in their own right as against adopting a national policy that for many members would see them in a lesser position than they currently have.

In Victoria the State Government only recognises the Shooting Sports Council of which the V.C.T.A. is a member. The A.C.T.A. as a national body has no voice in state issues and in Victoria this is the province of the V.C.T.A. through its affiliation with the Shooting Sports Council.

The fighting fund is and always has been used for the purpose for which it was founded with N.S.W. recently receiving an amount of \$10,000 with a similar amount made available to the V.C.T.A. The V.C.T.A. request for assistance from the legislation fund was met with minimum delay, maybe not to the dollar amount requested but nevertheless an equal amount to that made available to N.S.W.

So far as comment in the C.T.S.N. is concerned this is the domain of the V.C.T.A. through its affiliation with the Shooting Sports Council. As nothing was forthcoming from this area would it have been a correct and proper action for the national body to have spoken on the matter on behalf of Victorian shooters so far as policy was concerned?

Alan J. Maher

## 1989 NATIONAL SKEET C'SHIPS

With the Skeet Nationals centrally located at Wagga expectations were high that a large number of competitors would be contesting the 1989 Skeet Titles. Right from day one however it appeared obvious that this was not going to be the case with numbers not approaching those of the previous year. Despite the numbers all was in readiness at the Wagga Gun Club for a successful National Championship which was formally opened by Alderman Pat Brassell, Mayor of Wagga Wagga.

All States were represented for the State Teams Match, however, the team from the Northern Territory while very big in endeavour was small in numbers having the one representative in Katherine shooter Jim Bitossi who shot as a one man team for the N.T.C.T.A. Competition was keen with only four targets separating fourth and first position. At the close of competition the strong N.S.W. team had posted a winning score of 245/250 to take out the State Teams Match from last years winner S.A. and Victoria who were equal second with scores of 242/250.

### 3RD NATIONAL SKEET DOUBLES CHAMPIONSHIP - 50T

Event Sponsored by N.S.W.C.T.A.

A field of 97 shooters contested the Doubles Championship. The scores recorded indicated that competitors were coming to grips with the difficult doubles format and this event will no doubt grow in stature as a National Title Event as years go by.

Double Champion:	David Cunningham, Vic.	59/60
Ladies	Maree Rooke, N.S.W.	47/50
Junior	Richard Sammon, Vic.	46/50
Veteran	Alf Najjar, N.S.W.	48/50

• David Cunningham

### CITY OF WAGGA SKEET CHAMPIONSHIP - 50T

Event Sponsored by City of Wagga Leagues Club - Coca Cola

An increase in numbers for the first 50T of the High Gun Events with 117 competitors testing their skills including four shooters from New Zealand and one from England. The largest contingent in the field came from Victoria who were well represented with their 47 entrants.

An excellent performance was recorded by Wakehurst Club member Christian Naudin who, unbeaten on 236 took the City of Wagga Championship from defending champion Doug Siggs from Queensland whose score of 235/236 was one short of the winners total at the end of the day.

Overall Winner:	Christian Naudin, N.S.W.	236/236
Ladies	Maree Rooke, N.S.W.	49/50
Junior	Justin Ehrenreich, Qld.	51/54
Veteran	Henry Weitzel, Vic.	50/50

### ALL STATES SKEET CHAMPIONSHIP - 50T

Event Sponsored by B.R.A. Insurance Brokers

Day two of the Championships and good scores being recorded, none better than Victoria's Carol Ogden whose 50/50 took out the Ladies Section. New Zealand Veteran Ted McRae from Timaru had also shot well and was enjoying his extended stay in Australia. Robert Dower the elected Skeet Shooter/Representative to the National Shooting Committee despite his lack of competition in recent times was enjoying seeing the targets break particularly the 191 which enabled him to take a one shot win over last years Commonwealth Champion Dave Dundon. Numbers had marginally increased and the shooting was of an excellent standard with many good scores recorded including N.S.W. Junior Josh Balogh who appears to have a bright future as do the junior winners of the first two events Richard Sammon and Justin Ehrenreich who were both enjoying the competition.

Overall Winner:	Robert Dower, S.A.	191/191
Ladies	Carol Ogden, Vic.	50/50
Junior	Josh Balogh, N.S.W.	58/60
Veteran	Ted McRae, N.Z.	49/50

### AUSTRALASIAN SKEET CHAMPIONSHIP - 50T

Event Sponsored by William Water Skis - A.C.T.A.

Dave Dundon after dropping the one target in the previous event (190/191) obviously took advantage of the practice as he continued his excellent form shooting a fine 104/104. While this was sufficient to win, New Zealand Gary Lisle made certain that it was not going to be an easy win pushing his score to 103/104 to take a 1st place in AA Grade.

Wagga's Maree Rooke Recorded her third ladies victory with a well shot 67/68 with Josh Balogh and Ted McRae repeating their earlier victories in the day.

Overall Winner:	Dave Dundon, Qld.	104/104
Ladies	Maree Rooke, N.S.W.	67/68
Junior	John Balogh, N.S.W.	47/50
Veteran	Ted McRae, N.Z.	50/50

### COMMONWEALTH SKEET CHAMPIONSHIP - 100T

Event sponsored by Franchi Australia - Scorpion Cartridges

With Ian Hale making a cased Franchi Diplomat Skeet Gun available for the winner of the Commonwealth Title, competition over the 100T event was very keen and there was no more pleased shooter than Queensland's Neal Dimmick whose 162/162 outstayed the opposition winning for

Cont'd over page

Cont'd from previous page

him the Commonwealth Championship for 1989. Pressing Neal all the way was Dave Dundon who although recording a 161/162 found his fellow Queenslander just that little too strong on the day, excellent shooting from both. A new winner emerged in the ladies section with Victorian Lee Brownbill outshooting the opposition with a fine 95/100.

#### Commonwealth

Champion:	Neal Dimmick, Qld.	162/162
Ladies	Lee Brownbill, Vic.	95/100
Junior	Richard Sammon, Vic.	101/108
Veteran	Hugh Dare, Qld.	99/100

• Neal Dimmick

### NATIONAL SKEET CHAMPIONSHIP – 100T

#### Event Sponsored by Scorpio Cartridges – Olympic Targets

The National Title is always a well contested event and 1989 was no exception. Christian Naudin from Wakehurst was the eventual winner after an exciting shootoff from Dave Dundon who again only dropped the one target in his final score of 110/111.

Christian who had been shooting well over the Championships was delighted with his victory and was in everyones eyes a worthy winner on the day with Dave Dundon again keeping the winner honest.

Lee Brownbill showed her liking for the 100T event by adding the Ladies Section win to her win in the Commonwealth Championship with William Holloway and Alf Najar recording wins in the Junior and Veteran Sections.

National Champion:	Christian Naudin, N.S.W.	111/111
Ladies	Lee Brownbill, Vic.	104/110
Junior	William Holloway, Vic.	108/112
Veteran	Alf Najar, N.S.W.	98/100

### NATIONAL CHAMPIONSHIP HIGH GUN – 350T

Magnificent shooting by Queensland's Dave Dundon won for him the coveted Gold Australia Badge and Overall High Gun Sash. Over the 350T of the High Gun, Dave shot all but one which is a credit not only to his unboubted shooting skills but also to his temperament over the four days of the Championship. The Cec Herbert Perpetual Trophy has had added to it the performance record of a worthy winner.

### LADIES HIGH GUN

For the fourth successive year Wagga Gun Club's Maree Rooke has taken out the coveted Ladies High Gun with her score of 334/350. Maree shot consistently well throughout the Championships and continues to be a difficult opponent to overcome in the Ladies Division.

• Michael Rooke presents Dave Dundon with his trophy after winning the Australasian Skeet Championship. Dave went on in fine style to be the Overall High Gun victor.

• Veterans High Gun winner Ted McRae.

• Junior Justin Ehrenreich pictured with Sergio Zuffo of Scorpio Cartridges-Olympic Targets, National Skeet Championship sponsor.

## JUNIOR HIGH GUN

Justin Ehrenreich from Queensland competing in the Junior Section was pleased and proud when named as winner of the Junior High Gun Award and the W. Attwood Perpetual Trophy with his score 321/350. Justin will be anxious to do well throughout 1990 in the lead up to the Skeet Nationals at Townsville where in his home state he will be the defending champion.

## VETERAN HIGH GUN

A very pleased Ted McRae from Timaru, New Zealand, was named winner of the Veteran's High Gun Award with his well shot 336/350 to again have his name placed on the Ray Melville Perpetual Trophy. Ted is a great supporter of skeet shooting in Australia and was a popular winner in 1989.

## TEAM EVENTS

5 man team for the F.I.T.A.S.C. Perpetual Trophy was won by Melbourne Gun Club who were delighted to wrest the trophy back from last years winners Frankston with a combined team score of 1930/2000 which left the team eight targets ahead of second placegetter Frankston.

## NO LADY TEAM

No entries were received for this event.

## TWO MAN TEAM

The Queensland combination of Doug Siggs and High Gun winner Dave Dundon were too strong for the opposition while recording a winning team score of 388/400 and adding their name to the Adrian Cousens Perpetual Trophy to complete a good Skeet Nationals for Queensland.

## MIXED PAIR

The inaugural Mixed Pair Event over 350T (excluding doubles) was won by Wagga Gun Club's father and daughter combination Maree and Barney Rooke whose combined score of 674/700 will see them recorded as the first winners of this event on the perpetual trophy donated by Colin and Jenny Burt.

## ACKNOWLEDGEMENTS

We wish to record our appreciation to the sponsors of the National Skeet Championship who again proved more than willing to assist the sport of clay target shooting. We can only trust that the support is recognised by all when purchasing products that are available through our many sponsors.

**National Skeet Doubles Championship** N.S.W.C.T.A.

**City of Wagga Championship** Wagga Leagues Club and Coca Cola

**All States Skeet Championship** B.R.A. Insurance

**Australasian Skeet Championship** Williams Water Skis and A.C.T.A.

**Commonwealth Skeet Championship** Franchi Australia and Scorpio Cartridges

**National Skeet Championship** Olympic Targets - Scorpio Cartridges

**Ladies High Gun** Kath and Barney Rooke

**Veteran High Gun** Pam and Robert Smith

**Junior High Gun** Olin Australia - Winchester

**Overall High Gun** Fuller Firearms - Browning Co.

**Our Visitors.** Although not as large a contingent from New Zealand as have competed in other years our visitors are nevertheless always welcome and we thank them for supporting the Australian Skeet Nationals. We look forward to their return to Australia in 1990 at the picturesque Townsville Gun Club in tropical Queensland.

Apologies are extended for the lack of photographic coverage contained in the summary of the Skeet Nationals. Unfortunately the photographer who had agreed to attend on all days was unable to do so and we were without a photographic service of any description until Andy Sanders, Secretary of the Wagga Gun Club came to our rescue. However even then voluntary assistance did not solve our problems for the films when developed did not contain pictorial record of the occasion owing to development problems which were beyond our control. Thank you Andy for helping out and apologies to our winners and sponsors for not being able to provide a pictorial record of their achievements and support.

## SPONSORS RECOGNITION

A presentation was made to Sergio Zuffo of Olympic Targets/Scorpio Cartridges in recognition of his sponsorship and support of the Australian Clay Target Association. One of the few times Sergio was short on words and his delight in receiving the A.C.T.A. plaque was obvious to all.

Frank Smith, N.S.W. Sales Manager for the Winchester Division of Olin Australia accepted a presentation on behalf of Bruce Burns of Winchester for the support received from Winchester over many years and at many levels. In accepting the presentation on behalf of Winchester Frank thanked shooters for their support and the A.C.T.A. for making the presentation to Winchester.

N.S.W.C.T.A./Wagga Gun Club are particularly thanked for their support of the Skeet Nationals as are the voluntary workers from Wagga Gun Club and the N.S.W. State Association who all played their part over the four days of competition. Thank you all.

## RESULTS

### National Skeet Doubles Championship - 25pr.

Overall	David Cunningham 59/60	Frankston, Vic.
AA 1st	Alex Crikis 58/59	Melbourne, Vic.
2nd	Reg Clarke 55/56	Hawkesbury, NSW.
3rd	Brian Thomson 70/72	Melbourne, Vic.
A 1st	John Worley 49/50	Wakehurst, NSW.
2nd	Bob Old 54/56	Melbourne Vic.
3rd	Brad Peters 53/56	Melbourne Vic.
B 1st	James Bitossi 47/50	Katherine NT.
2nd	Doug Russell 53/56	Echuca, Vic.
3rd	Tim Catling 52/56	Katanning, WA.

## MARYBOROUGH TIT BITS QLD.

Second Sunday in January at Duffield Road Clontarf, the Redcliff City Clay Target Club Inc should fire their first shot, to confirm ring Vice President Bill Chain on 07 284 1109 ... Best of Luck Redcliff.

At Rockhampton the Queensland Skeet Carnival was held where Rob Rehbein made the five man team to compete at the next Nationals, he also took the A grade in the 100t Championship. His wife Kaye made the Ladies Team and won the Queensland 100t Championship.

L-R: Gino Sergiacomi & Andy Wood waiting for a sighter in the shoot off for B grade honours in the 25t D.B. Pts. Andy was the eventual victor.

## TRAP AND SKEET SHOOTING VIDEO TAPES

Written and Produced by George Biggs

### "SHOOTING TRAP"

The techniques of shooting trap both single rise and double rise targets plus a 15-minute talk on gun handling and gun pointing on the trap house. Where to point and how to look for the target leaving the trap house. \$50.

### "SHOOTING SKEET"

The mechanics of skeet shooting in a step by step demonstration and explanation round the skeet field plus a 30-minute talk on types of guns etc and a 15-minute explanation of how to determine correct gun fit for the individual shooter. \$50.

### "COMMONSENSE RELOADING"

An all new tape that demonstrates and explains from A to Z shotshell reloading for the Australian shooter. How to cope with the equipment and components available to the trap and field shooter to ensure safe and efficient home loads. \$40.

Trap & Skeet tapes run approximately 90 minutes.

Reloading tape runs approximately 60 minutes.

### Immediate Delivery

Prices includes post & packaging.

Group of 2 tapes \$90.

Group of 3 tapes \$125.

Phone or write to: George Biggs, 4 Hugh St, Knoxfield, 3180 Vic. Phone (03) 801 2748.

Dick Osbourne and Darrell King, drawn partners to shoot the deauville doubles on their birthdays, celebrated in fine style by winning.

Successful shoots in the area were held this month Bundaberg 1/10 where Neil Berry took the OA GH and T. Millman the FMHG ... Gympie Gold Rush One Day Shoot 8/10 was held in perfect yet hot conditions, OAHG G. Fett, AAGH R. Rehbein, AGH P. Shaw, BHG G. Foster and CHG to L. Beattie ... Maryborough 22/10 A very nice day for shooting with a good attendance. 25t D.B. Cont (A) R. Rehbein, (B) G. Sergiacomi, (C) R. Oakley. 25t D.B. Pts OA & A to P. Shaw, Bgr Barry Stolberg, 2gr D. King. 25t D.B. H/C 1st P. Anderson, 2nd D. King, 3rd P. Pagliarino who all shot possibles. 10pr D.D. 1st D. King and D. Osbourne who seem to shoot better on their birthdays won the event. High Gun of the day went to P. Shaw with the FM High Gun going to D. King.

Till next time see you at the shoots.

Lost Bird.

# WARATAH STATE NOTES

## NEW PRESIDENT:

As most of you would already be aware, at the November meeting of the State Executive Committee, the election of Office Bearers takes place, and as our President, Robby Smith, had served his three-year term he had to step down.

Filling the position now is Peter Hayman from the Sunny Corner Gun Club. Peter has been Vice President and would be well known to many shooters as he has held the position of State Handicapper for some time. Robby Smith now holds the position of Immediate Past President.

The only other change to be made to what is already printed in your 1990 BLUE BOOK, as that of State Handicapper. This position is now held by Mrs. Lola Charles of Narrandera. Lola has served as Zone Secretary and Zone Handicapper for some years and the State Executive Members are confident that Lola will handle the position admirably.

All other positions, as printed remain the same.

## TRAP ARM GUARDS:

The unfortunate incident which resulted in Adrian Cousens being hospitalised for the duration of the Skeet Nationals drives home even more the necessity for ALL TRAPS to be fitted with Trap Arm Guards.

We are of the understanding, that the A.C.T.A. is now going to take up the cause - so that every gun club in Australia will have these very simple guards fitted.

## NEW CLUB SECRETARIES:

The Sydney Clay Target Club have a new everything! Their Secretary is Mrs. Lorraine Lloyd and the Club postal address is P.O. Box A33 Milperra 2214, phone: (02) 520 6765. A note from the Club advises that all Skeet competitions advertised in the 1990 Blue Book for FRIDAY nights has been cancelled.

At Dorrigo, their new Secretary is Brian Moncrieff of 42 West Street, Macksville 2447, phone: (065) 68 1320.

## FROM THE NORTHERN ZONE:

A note received from Peter Brummell from the Glen Innes Club reminds all of their Sapphire Shoot in February, 1990 - Sunday 4th actually.

Another of the friendly, hospitable Clubs of the North - always plenty of eat - great home cooked lunch - plenty of targets and the Club has received some extra sponsorship, so have increased their trophy table.

Peter also forwarded the results of the State Deauville Doubles Championship which they hosted in November. The winning pair of Ray Hammond and Doug Ellis shot the only 20/20 to take the event from John Farrell and Roger Vidal on 19/21. There is also a special for 3rd placing to Anthony Hammond and Tim Ellis (surnames sound familiar!!) who recorded 18/21 - their well known Dads had better keep an eye on the younger ones!!

An early reminder - although it will probably be here sooner than you think - for the Northern Zone Trap Carnival and Team Elimination being held at the Inverell Club on 17th/18th March -

## FROM THE RIVERINA ZONE:

The Albury/Wodonga Club hosted the State Night Double Rise event and of the 21 shooters who took part - not one possible was scored. The overall winner was I. McGeogh from the home club with a score of 34/50.

## SOME GENERAL MESSAGES:

Some Clubs are becoming a little casual regarding the seeking of approval, before shoot days are changed. Any Club wanting to change any shoot MUST make application to the N.S.W.C.T.A. Secretary, before making any changes

- this applies to Trap, Skeet and I.S.U. Shoots.

All Clubs are reminded that National, State and Zone fees are due for payment by 31st January - accounts would have been received in December.

All Clubs now have the new N.S.W.C.T.A. Secretary's Handbook and your comments will be most welcome.

The meeting dates for the N.S.W.C.T.A. for 1990 are as follows; 3rd February, 16th June, 29th September and 10th November.

## FOR THE BADGE COLLECTOR:

There are some Skeet Nationals - 1989 lapel badges left over - cost is \$5.00 plus postage. Apply to N.S.W.C.T.A.

## NEW HANDICAP CARDS:

A final reminder - when you attend your first shoot for 1990, don't forget to take your 1989 card along with you - to allow for scores to be transferred over.

Good shooting.

N.S.W.C.T.A.  
P.O. Box 836,  
TAMWORTH 2340  
(067) 65 9386

## TRAP NATIONALS - POSTAL NOMINATIONS

Shooters wishing to lodge postal entries for any or all events at the National Trap Championships in Tasmania may do so through the National Office providing their entry is accompanied by the required payment for all events entered.

If you elect to make a postal entry nominating a preferred shooting time(s) please complete the postal coupon and return by the closing date which will allow time for you to be advised by mail of your squad number and approximate shooting time.

Postal entries will be accepted up to 28th February 1990.

	EVENT	GRADE	OPEN SECTION	LADY JUNIOR VETERAN	PREFERRED SHOOTING TIME

# ALL IN A DAY'S SHOOTING

## 5000 Double Rise

Springtime in New South Wales brings out many unusual and interesting activities. Jacarandra trees blossom, cricket whites adorn the ovals, trout begin crawling out on the bank and double rise mania starts! Did I say double rise mania? What, pray tell, is double rise mania?

The phenomenon called "double rise mania" happens when five blokes get together and decide to blast away at more double rise targets than has ever been shot at before in the history of trapshooting in Australia! That is exactly what happened on 18 November 1989 at the Cowra gun club when five lean, mean, target-hungry shooters fired at 2500 pair of double rise targets. That's right, 500 pair for each shooter for a total of 5000 targets which is a marathon record.

The event had been planned for weeks and all five shooters were looking forward to the day with great expectations. The shooters making up the historical squad were Jim Smith, Dick Piotrowski, Angelo Piazza, Glenn Kable and Mike Fisher. Jim and Dick were from the local Cowra area (Blayney) while Angelo, Glenn and Mike were all from Sydney.

The day began with a heavily overcast sky and light fog covering the trapline. It had rained the night before but the threat of bad weather didn't faze this group. The shooters used the early morning time to set the trap, fill the house with targets, set up the phonopull system and organise guns and shells. Finally, we were ready and at 8:50 AM the action started.

The targets were shot in subevents of 25 pair with a short break after each 100 targets. The shooting progressed steadily all morning and the squad took a 30 minute tea break at 11:00. At this point each squad member had fired at 300 targets. The shooters were feeling fine and the scores were improving so after tea everyone was back into it.

Shooting continued for another 2½ hours when the squad stopped for a 45 minute lunch break. At this juncture the shooters had registered 600 targets each. Everything was still working perfectly but, as you might imagine, the shooters were beginning to feel the strain.

The lunch break must have been what the squad needed because after lunch the scores immediately improved. Some of the shooters were shooting their highest scores over the complete event. The squad continued throughout the afternoon with only short breaks and at 4:15 the marathon was completed with the breaking of the last pair and the establishment of a new marathon double rise record - 2500 pair!

You are probably sitting there asking yourself why anyone would want to shoot 5000 double rise targets. Well, this group had several reasons and we want to share them with you. Firstly, the shooting of the marathon and the writing of this article have been done with the hope that it will encourage more clay target shooting by extending an open invitation to other shooters to form a squad and beat our marathon scores. We have put our numbers up so how about you?

Secondly, we wanted to emphasise the fun involved in shooting the double rise event. Remember the first time you shot double rise and all the fun you had trying to hit'em two-at-a-time? Well the fun and excitement are still there and if you enjoy burning powder as much as we do then have a go at 500 pair! Who knows, there might be several shooters at the 1990 Nationals hanging up a perfect 50x50 like Russell did in 1989.

Our third and final reason was that we did it for the pure enjoyment of doing it! The five members on this squad enjoy trapshooting and there are times when we can't get enough. This marathon certainly helped fill the bill!

You couldn't organise an event like this without the help of some very considerate people. The members of this record-setting squad would like to thank club president

Noel Dwight and the Cowra Gun Club members for helping run the marathon; the referees George Bunting and Len Bird; the scorers Meryle Fisher and Lybby Bunting; phonopull operator Michelle Piazza and finally, Angus Mitchell for donating the phonopulls that worked perfectly over the full course of the marathon.

Mike Fisher

## VALE

## Ian T. Clarke

Members of the Newcastle Gun Club were saddened recently by the passing of Ian Clarke, at the age of 59, following a long illness. Ian was a club member for many years, joining in 1961 with his father, the late Frank Clarke.

Over the years Ian held a number of positions on the club committee including those of President, Secretary and Treasurer. He was a qualified Referee Examiner and well known by shooters in the north.

Ian came from a shooting family, his grandfather Joe Clarke was a live pigeon shooter of renown and shot at the old Mereweather Gun Club and throughout the district. Joe was an agent for Charles Boswell guns and shot with a fine sidelock gun, custom built for him by Boswell.

Our deepest sympathy goes to his family and friends.

# NATIONAL COACHING DIRECTOR'S REPORT

Good things come to those who wait! However, sometimes it takes an incident in your own back yard before your wishes can be realised.

Some fourteen months ago, the State Coaches meeting moved a motion recommending the fitting of Trap Arm Guards throughout Australia. Now after the incident at the Wagga Skeet Nationals, the problem is solved, with the A.C.T.A. making the fitting of Arm Guards compulsory.

This year's State Coaches meeting, held in Melbourne on 26th November, was very successful. Every State was represented and despite some problems experienced by nearly all the coaches, I am pleased to report that coaching in Australia is in good hands.

Some of the decisions made at the meeting will become of great assistance to the rank and file shooters in the very near future.

The small pink covered booklet — A Quick Check List for Down-The-Line — has been updated and when printed will include the important fundamentals of skeet shooting also.

The publication, called An Introduction to Clay Target Shooting — Trap and Skeet — has been updated and will be reproduced in colour and include quite a number of photographs, making it an attractive handout to new shooters.

Also agreed at the meeting, was a monthly article to be printed in the C.T.S.N., by each State Coaching Director, on a rotation basis — starting with Victorian Coach Len Cook in this issue and followed by: Murray Alexander (WA) February, Arthur Kenna (QLD) March, Greg Chan (NT) April, Don Stevens (SA) May, Stewart Browning (TAS) June and Col Burt (NSW) July.

The articles will be of interest to all shooters, particularly those who wish to know a few of the finer points of the sport.

The State coaches are also working on standardising the Accreditation throughout the country for all Level I and II courses. Once approval is gained from the Australian Coaching Council — the suggested changes will be produced into a "kit" form and the aspiring coach will have all the necessary information and reading material to complete the course.

As National Coaching Director, I would like to congratulate the State Coaches for their dedication to the position they hold and thank them for the support they have shown me in my first six months at the helm.

Thanks also to Alan Maher for his time at the meeting to record the Minutes.

Till next month, good shooting.

Col Burt  
National Coaching Director

## REDCLIFFE CITY CLAY TARGET CLUB (QLD) ON THE MOVE!

This is being written in the month of November, 1989, and we are proud to advise that we have made a start on our new Club grounds at the western end of Duffield Road, Clontarf.

A month ago the ground was virgin forest. A steering committee was formed, and now the land has been cleared, levelled and built up. The trap houses have been built, the lanes are in the process of completion and the clubhouse is about to start and all should be completed by January/February, 1990 (subject to weather — check with Secretary).

I would like to thank all foundation members for their work, time and devotion to a great cause. Three people that come to mind that I think warrant special thanks are Mr John Burlison, Mr George Burlison and Mr Merv Osmond for the untold hours of toil, labour, sweat and sore muscles.

I'm sure you would all agree that being able to get a shotgun club approved in these environmentally sensitive

times within 20 miles of a major capital city (Brisbane) is a monumental achievement, and there is no doubt that the efforts of the Club President and the State President (Tom Meadows) in the negotiations with the local Council had a great bearing on this.

To those of the "Clay Target World" watch out for Redcliffe City — we will be a force to be reckoned with!

Watch for the December update in the February issue.

## SAFETY COLUMN

A recommendation is before the National Executive Committee to make it a compulsory requirement for all traps to have safety arm guards fitted.

To assist in this regard specifications have been included in this issue of the CTSN which indicate quite clearly what will be required. All clubs are advised via this column that safety arm guards are to be fitted to all traps by March 31, 1990, following which time an inspection will take place to ensure that this safety rule has been complied with in all instances. (Subject to Executive Decision on Recommendation).

### SPECIFICATIONS

#### TRAP ARM GUARDS

1: The Guard shall be built in such a way as to prevent persons being injured by the action of the throwing arm.

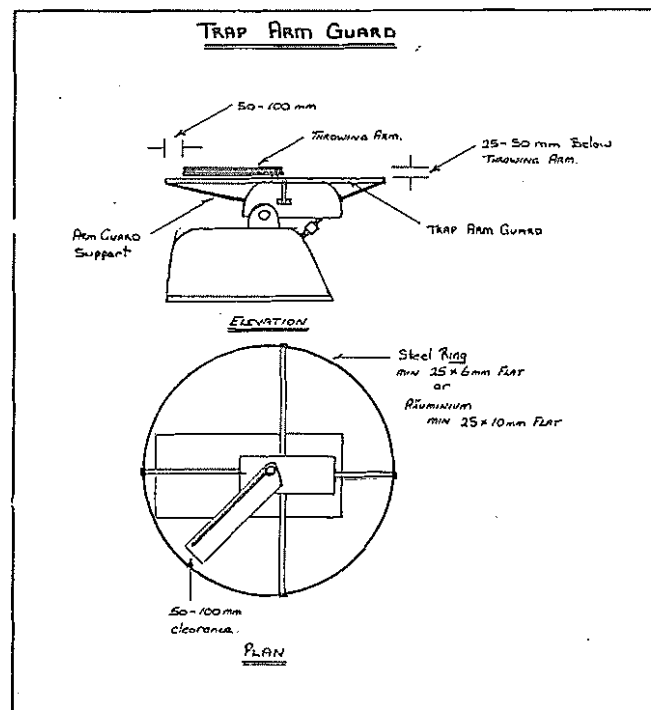

The Guard will consist of a ring of metal.

2: The guard shall not be closer than 50mm to the extremity of the throwing arm and not further than 100mm.

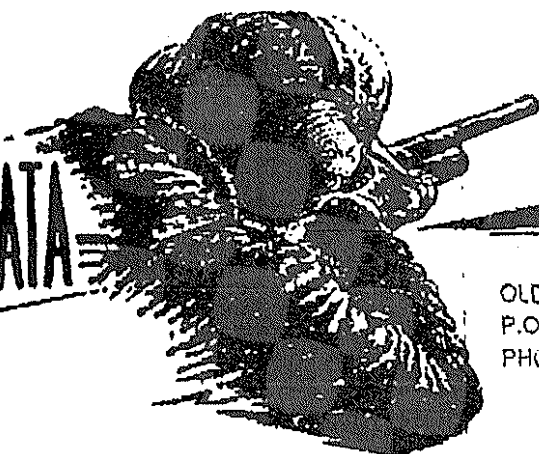

Explanation: 50mm Minimum — so as a person's hand holding the guard is clear of the throwing action of the arm.

3: The guard shall be of a minimum section of 25mm x 10mm Aluminium or 25mm x 6mm steel — and securely supported by the head of the throwing device.

4: The guard shall be fitted in such a way that it finishes between 25 - 50mm below the travel of the throwing arm.

\*\*Note that the results of the 1989 Commonwealth Title will be published in the February issue of the Clay Target Shooting News.

## SHOOTERS CORNER

- Q. Why does the A.C.T.A. consider a junior to be a person aged under 17 years at the time of registration as against a junior at International level being a person aged under 21 years in the year of competition?
- A. This matter is currently under review and should any decision be taken to amend the junior age limit it will be announced in the C.T.S.N.
- Q. Could you please explain the rule relating to high gun shoot offs in relation to the types of targets to be shot.
- A. Rule 1.25(b) quite clearly states that where varied types of events have been included on the program, the shoot off shall comprise of rounds two of each type of targets applicable to the program. For example, if a points event is on the program then a round of two points targets must be included in the shoot off for the high gun, similarly if points have not been included on the program then they take no part in any shoot off for the high gun.
- \*This of course does not apply at National Championships where rule 1.25(a) covers the situation quite clearly.
- Q. 1) If a shooter wins an event without shooting the possible he receives a 1 metre penalty. 2) If a shooter wins an event scoring 10/20 he receives a 1 metre penalty. 3) How can clubs encourage people to shoot handicap events if such harsh penalties are applied?
- A. It is because of this type of question that the handicap rules are currently being reviewed for reform. Your question requires three answers.
- 1) This is due to the handicapping rule 2.3(E).
  - 2) The rule governing this is covered under rule 2.3(F).
  - 3) Refer to rule 2.9(A) with the amended \$7.00 value.

Having discussed your question with the Victorian State Handicapper, I cannot answer as to why overall handicap and group winners are treated differently on penalties; e.g. Shooting possibles. This will be taken into consideration as the handicapping review takes place.

## CLUB NEWS

### SYDNEY CLAY TARGET CLUB LIMITED

At an Extraordinary General Meeting held on 5th November, 1989, a new President and Committee were duly elected by the 91 club members present:

They are

Les Trew – President  
Carol Tilley – Treasurer  
Lorraine Lloyd – Secretary (P.O. Box A33 Milperra, 2214)  
Committee – Chris Davenport, Barry Casey, Adrian Lloyd, Roy Abrahams, Mario Katalinic, Ray Abrahams, Michael Keagan, Michael Schmitt, Ivan Petrina, John Morgan, Don Thomas, Ray Lucre.

### DORRIGO GUN CLUB

At the General Meeting held at the club on 5th November, 1989, the following office bearers were elected:  
PRESIDENT: John Cunningham  
VICE PRESIDENT: Ian Lupton  
SECRETARY: Brian Moncrieff, 42 West Street, Mar-rickville, 2447

ASSISTANT SECRETARY: Angus Mitchell  
TREASURER: Roy Beaumont

## ALBURY/WODONGA CLAY TARGET CLUB

The Annual General Meeting was held on 3rd November, 1989, where the following were elected:

PRESIDENT: R. Petts  
VICE PRESIDENT: L. Mitsch  
SECRETARY: F. Plas (P.O. Box 937, Albury, 2640)  
ASSISTANT SECRETARY: Mrs. M. Smailes  
Mrs. E. Hanel

TREASURER: D. Smailes  
SHOOT MARSHAL: B. Liersch

## BLACKALL GUN CLUB

New Office bearers:  
PRESIDENT: L. Doonar  
VICE PRESIDENT: J. Doyle  
SECRETARY/TREASURER: I. Murray  
SHOOT CAPTAIN: K. Harlow  
HANDICAPPER: J. Webber

## ST ARNAUD GUN CLUB

The St. Arnaud Gun Club held its A.G.M. on 16th November and the following were elected to office for next year:

PRESIDENT: A. Freeman  
SECRETARY: G. Little, P.O. Box 47, St. Arnaud Vic.  
TREASURER: Mr. D. Freeman  
CLUB DELEGATE: Mr. J. McVitty

## MARYBOROUGH CLAY TARGET CLUB (QLD.)

At the Annual General Meeting held on 26th November, 1989, the following office bearers were elected for the 1990 year:

PRESIDENT: Peter Pagliarino  
VICE PRESIDENT: Grahame Noffke  
SECRETARY/TREASURER: Holly Wood (P.O. Box 590, Maryborough, Qld., 4650)

## WANGARATTA CLAY TARGET CLUB

A well attended annual meeting held on 23.11.1989 saw Tony Penney re-elected as President, Clarrie Riches was elected as Senior Vice President and the Junior Vice President's role being filled by Ray Stamp. Harry Memery and Bev Penney were re-elected as Treasurer and Secretary. Trevor Barron (Phone 060 21 4773) was elected as Press Correspondent.

The members of the above club wish to advise Skeet Shooters the Club shall on Sunday 21st January shoot for its valued Attwood-Law Cups (one for Seniors and one for Juniors).

It will also host the Victorian North Eastern Zone Skeet Championships on Sunday February 25th commencing at 11.00 a.m.

The club has two skeet layouts in a beautiful setting with excellent facilities and is within easy travelling distance of many well known tourist resorts (e.g. Wineries, Hume Weir, Ned Kelly country, Poker Machines and many more).

This club has for many years regularly held monthly skeet shoots and as it has always been keen to promote skeet shooting hopes all Skeeties who can, will attend these two important shoots.

# ULTIMATE KNOCK- DOWN

Another ammunition breakthrough from Winchester's Australian research and development team.

This exciting new high velocity hunting round couples Winchester's legendary accuracy with our brand new "powerpoint" bullet design for high energy knockdown power.

Hollowpoint bullets are specifically designed to expand on impact. This expansion, or bullet upset, is commonly referred to as "mushroom".

Powerpoint's unique 40 gr bullet profile, large diameter, extra deep cavity and custom alloyed lead produces exceptional mushroom characteristics.

## PMC ZAPPER

**BEFORE**

**AFTER**

**KNOCKS OUT THE OPPOSITION TOO!** Some ordinary hollowpoints fail dismally in this critical performance area. Whilst developing Powerpoint, extensive test firings were conducted into ordnance gelatin to simulate hunting performance.

Photographs compare the relative mushroom capabilities of Winchester's Powerpoint versus

## WINCHESTER POWERPOINT

**BEFORE**

**AFTER**

P.M.C. Zapper hollowpoints. Both rounds were fired from the same rifle into ordnance gelatin at a range of 75 yards.

The Australian Powerpoint bullet has clearly done its job - mushrooming enormously to deliver high energy knockdown power, whilst the imported Korean Zapper bullet has failed to mushroom at all, remaining virtually intact.
