# PRESIDENT'S REPORT

I am happy to report all the Sub-Committees, plus the full National Executive, met in Melbourne from Wednesday 9th May to Saturday 12th May. What a busy few days we had. Much work was done leading up to and including these meetings. We had a very relaxed and friendly meeting and I thank all those people who attended for their effort. I believe we are at last working as a team for the good of Clay Target Shooting.

Firstly, I would like to thank Jack Matthey, Victoria, Paul Weis, NT, Richard Brook and Neil Hardy, Qld., on your behalf for their services while on the National Executive. I welcome the new members who have replaced the above people onto the Executive, Glen Woodhatch, Phil Grove, Noel Deeley and Robert Nugent.

Twenty recommendations from the Sub-Committees were put before the Executive. All but one were approved. A report of these and other matters can be seen elsewhere in the CTSN.

The matter of the re-appointment of Colin Burt as NCD was first on the Agenda. This was fully discussed. The vote was taken by a show of hands and was defeated. The only Executive members who voted for his re-appointment were those from the two States which had instructed them to do so. The Executive have appointed an ex-Army man, Lt. Col. Mr Guy Boileau. I welcome Guy to the ACTA. You can take it from me coaching will continue to grow and flourish under the guidance of this gentleman.

On Friday morning the Executive met for a few hours. Our Solicitor, Mr John Isaac, from Molomby & Molomby, came along and spoke to us about our new Constitution. Some minor changes may have to be made before a copy can be sent to all State Presidents for their comments and input. Then a meeting with all State Presidents will be held before a final draft is drawn up for our next AGM.

Following this meeting we all travelled to Mount Waverley to inspect our premises and met our hard working girls in the office. I understand, from the reaction I have received from the Executive, the trip was well worthwhile and appreciated by all.

Some new National Championships dates for your little black book:

	DTL	Skeet	ISU
1991	WA 6/4/91	Vic.	SA 28/1/91
1992	NSW	WA	Qld
1993	SA	NSW	NSW
1994	Vic.		

The National Double Barrel Championship, to be held in Perth next year, will be conducted over 100 targets, to be shot on one day. We hope to hear your reaction to this event while at Perth. Starting next year there will be a Women's and Junior three-

member Shoulder-to-Shoulder Interstate Teams Match to be shot at the DTL and Skeet Nationals.

Don't forget the World Championships to be held in Perth next year. Starting with the Grand Prix on the 2nd-4th November; Trench 7th-9th; Skeet 10th-12th; presentations 12th; finishing up with the doubles on the 13th. A Women's and Junior team will be included in these championships. We are still asking, and are hopeful, of obtaining funds to assist these people.

A draft of two separate Handicap Rules have been referred back to the State Associations for their consideration. Replies by the 31st October please.

The matter of a National Shooting Ground in the Eastern States is again on the minds of the Executive. State Associations have been asked to recommend a suitable location.

You will be pleased to know we will be shortly purchasing a computer, desktop publishing etc. Not only will this increase our office efficiency, but will go a long way toward reducing our CTSN production costs.

A development plan put forward by Bob Fox was discussed at length. With Bob's plan, together with assistance from others, it is planned by this time next year that we will come up with a proposal which will improve the overall management of the ACTA. This will be more efficient and give shooters the opportunity to have more input.

The proposal to have a five-member Shoulder-to-Shoulder International Team Match to compete against the Mackintosh countries is now before the respective countries.

A new two-year agreement between our major sponsor, Winchester, and the ACTA has been reached. I am confident it will be of great benefit to us all. This agreement includes all three disciplines. I sincerely thank Winchester on your behalf, for their wonderful support of Clay Target Shooting.

The ISU elimination shoot has just concluded at Melbourne Gun Club. I thank the Committee of Melbourne Gun Club for the use of their grounds. There are a number of new faces in the six-man team for the World Championships to be held in Moscow. Congratulations to the team members and we all wish you the best of luck for these most important championships.

Don't forget the Skeet Nationals to be held at Townsville commencing Thursday 20th September, 1990. I look forward to seeing as many skeet shooters as possible. Northern Queensland is a wonderful place to spend a few days holiday. I can recommend it.

Jim K. Scott

## VALE MILLIE ABEL

Millie Abel, although not a registered member herself, she was one of those dedicated ladies that clubs rely on so much, the ladies who supply afternoon tea and lunch. Millie's husband Fred, sons Ray, Jim, and Jeff are all members of gun clubs, and we extend our sympathy to them. She was a Life Member of our club and will be missed by all who came into contact with her.

## KEN CHAPMAN

After years of ill-health, Ken Chapman passed away on 3/5/90. He was unable to participate in the sport he loved yet is a registered member, No. 1289. He was a Life Member of our club and sympathy is extended to his family. He provided the electricity and lights for night shooting, and the annual trophy even though he was unable to fire a shot himself. He was indeed a true clubman.

## CHRIS ALLEN 11/1/1960-11/5/1990

Chris lost his 11-month battle with leukaemia on May 11, 1990. He was a fine sportsman and a good competitor. He leaves a wife Kellie and two young sons and will be sadly missed by many.

Secretary, Bega Gun Club

# EXECUTIVE DIRECTOR'S NOTES

Firstly, I am pleased to advise that Guy Boileau has joined the Association in the capacity of Director of Coaching operating from the National Office. Guy has had considerable and varied experience ranging from his 28 years service as an officer in the Australian Army to his more recent experience in youth development and research positions.

The responsibilities of the Director of Coaching will be to ensure that the standard of coaching currently available to the sport is maintained and improved through the National Coaching Council, which is the body responsible for implementing the ACTA Coaching Program in all States through State appointed Coaching Directors.

Particular emphasis will be placed on the development of the sport and again this is an area that relies heavily on contributions from State Coaching Directors. I do not foresee that the Director of Coaching will be involved in direct coaching as the Executive now sees a need for an administrator to service the sport in conjunction with the National Coaching Council.

Once Guy has settled into his new position all State Coaching Directors will be brought together at a seminar which is partially funded by the Australian Sports Commission. This will enable him and the State Coaching Directors to establish goals and objectives for coaches at all levels as they attend to their very important roles. The values of coaches from club level through the zones to the State Coaching Director is often an under appreciated area in this (and other) sports, hopefully with the concentrated effort of the Director of Coaching this will eventually be reversed.

The duty statement for the Director of Coaching appointment will require Guy to be involved in the National Office administration where his administrative abilities should soon prove to be an asset to the Association. On your behalf I wish him well in his new role and have assured him that he will receive the support of our members on whose behalf he is working.

While on administrative matters I would direct you to the section of this month's CTSN which relates to matters arising from the series of National Meetings held in mid-May. The meetings commenced, for those who were involved with the first meeting on Tuesday 8th May, finishing on Saturday 12th May with a full day's meeting of the National Executive Committee.

Many matters were discussed and decisions taken that will reflect on the sport in the years ahead, an often spoken message that is worth repeating, not all will be pleased with decisions made and in some instances possibly some not made however without exception all decisions were taken in the best interest of the sport and its members.

PAGE 4

The Melbourne Gun Club hosted the elimination for the World Sporting Championships which certainly produced some interesting results when 1990 Commonwealth Games Team Members failed to make the team in both Olympic Trap and Skeet.

This shows that there is some depth in talent as the trap team contains two members who are still eligible to compete internationally at junior level. Only one member of the skeet team from the 1989 World Championship Team will be competing in Moscow with Ian Hale not eligible for the eliminations. Final scores were:

Olympic Trap		Skeet	
M. Diamond (NSW)	269/300	D. Cunningham (Vic)	281/300
C. Tilley (NSW)	268/300	J. Summers (Vic)	280/300
W. Iles (Vic)	263/300	M. Inguanti (Vic)	271/300
R. Mark (Vic)	262/300	B. Thomson (Vic)	271/300
J. Maxwell (NSW)	260/300	C. Meuleman (Vic)	267/300
J. Ellis (NSW)	250/300	A. Forseberg (WA)	267/300

Owing to the stringent conditions that are applied by the Australian Olympic Federation, the only fully funded member of the teams is Michael Diamond, other team members will be required to meet their own costs with a \$1000 contribution to each by the ACTA. Funding had been approved by the AOF for both R. Mark and J. Maxwell, however as neither shooter made the team the funds are not able to be allocated elsewhere. On behalf of the sport we thank particularly the Melbourne Gun Club for the use of their excellent facilities which continue to reflect credit on the club and its members. Commiserations to those whose efforts over the 300T of the eliminations did not quite produce the result that they would have wished.

The World Shooting Championships in Moscow will possibly be the most important Championships that our shooters have ever competed in for they will be used to gauge Shooting's participation at the 1992 Olympic Games. Funding is no longer the province of the Australian Sports Commission so far as team assistance is concerned, this responsibility has been given to the Australian Olympic Federation who will provide assistance for those who are considered capable of making the last 16 at the Olympic Games. In short no longer will funds be available to gain experience, athletes must be capable of showing they have the ability before they will be considered for funding assistance. One only hopes that we are not entering into a period where those with private means will be able to afford to enhance their opportunities and those who may be of superior skills without private means cannot.

The Australian Shooting Association is well aware of the problems facing the sport over all shooting disciplines and must do all in their power to ensure that when athletes are being considered for assistance at whatever level, those participating in the shooting sports are not overlooked or disadvantaged in any way. A points system has been arrived at which will ensure that all shooters are treated equally within the overall sport, this system effectively commences at the World Shooting Championships and is explained elsewhere in the CTSN. If you are an interested and active shooter in the ISU Disciplines, please make certain that you read and understand the procedures that do apply so far as the ultimate goal of Olympic selection is concerned.

Planning for our own World Championships is well underway with a visit by the UIT Technical Adviser, Mr Gary Anderson of the USA, set down for late November/early December of this year. In addition it is believed that Mr Horst Schreiber, Secretary General of the UIT will also be in Australia as part of the Melbourne Olympic Committee's bid for the 1996 Olympic Games, this being so an inspection of the Whiteman Park Shooting Complex in WA will be on the agenda.

During the World Championships in Moscow the opportunity has been given to us to meet with the UIT Technical Committee to discuss Australia's preparation for 1990. This meeting will be attended so far as representation is concerned by Peter Quire, 1990 World Shooting Team Manager for all Disciplines and Robert Smith, Shotgun Team Manager. In addition as part of the UIT requirement I will be addressing a meeting of the UIT General Assembly in Moscow at the time of the World Championships and will also participate in discussions with the Technical Committees of the UIT. The WA State Government and the Australian Sports Commission are funding the visit to address the UIT General Assembly which I will be doing not on behalf of the ACTA but on

behalf of Australia which is the host country in 1990. The commitment given shooting in particular shotgun shooting, by both the Australian Sports Commission and the WA State Government must not be underestimated. We in turn must ensure that our parts are played to their fullest capacity and in this regard Peter Quire representing the World Championships Committee, myself as Vice President of the Australian Shooting Association and Secretary General of the 1990 Shooting Championships together with the assistance of Robert Smith, Chairman of the National Shooting Committee look forward to the discussions that will take place with the UIT during August.

The Skeet Nationals will shortly be with us and if the front cover of this CTSN is a true example of the Townsville Gun Club then all who have indicated their intention to compete in September have something to look forward to. Club President Tom Comerford with his willing assistants and the assistance of Bev Grice, a very capable secretary of the QCTA, have promised a most enjoyable Skeet Championships, all that is needed is for you to compete.

Dates for the next three Nationals have been set as follows:

**SKEET:** September 20th-23rd, Townsville Gun Club, Qld.

**O.D.:** January-February, State Shooting Park, Virginia, SA.

**TRAP:** April 6th-11th, Whiteman Park Shooting Complex, WA.

The Olympic Discipline Nationals will be shot in conjunction with the Oceanic Championships which will provide Olympic Quotas for all shooting disciplines for the region. So far as shotgun is concerned there are two quotas available in both Olympic Trap and Skeet. Last time the Championships were held Australia won all four quotas although unfortunately one had to be returned owing to lack of funding by the Australian Olympic Federation.

Congratulations to President Jim Scott (NSW) and Vice President Ross Silvester (WA) on their being re-elected unopposed by the members of the National Executive Committee. When congratulating Pud Burgess (NSW) and Box Fox (NT) on their election to the National Management Committee I must also say farewell and

thank you to Neil Hardy (Qld) who has retired from the National Executive Committee after a valuable and often underestimated 11 years of service to the Association.

Two new members were appointed to the Executive from Queensland, Robert Nugent from Roma and well known Noel Deeley from Gemfields replacing Neil Hardy and Richard Brook from Goondiwindi who had also contributed greatly to the Association during his term on the National Executive. From NT, Phil Grove was welcomed by the President as was Glen Woodhatch, President of the VCTA who was attending his first National Meeting.

One major decision arising from the meetings of the National Executive was the one to renew the sponsorship agreement with Winchester which had been in operation for the last three years. With their move to become Clay Target suppliers no one will be surprised to read that part of the sponsorship involves some usage of targets available through Winchester. This was not as difficult as one may first think as Winchester have no wish to enforce their products on the sport, in turn they have indicated their desire to have continued opposition in all areas they participate in.

In this regard it is intended that for 1990 targets for the Skeet Championships will be Olympic Targets as will targets for the Olympic Discipline Championships in 1991 with targets for the 1991 Perth Trap Nationals obtained from Winchester.

Winchester's support of the Association over the last three years has been magnificent and with the new agreement even more support is given to Clay Target Shooting as all three disciplines will be sharing in the sponsorship which amounts to approximately \$40,000 per year over the next two years.

With this form of support our National Championships are at possibly their highest ever level so far as trophies are concerned. We certainly trust that those who are supporting target shooting are in turn supported by Clay Target Shooters.

Alan J. Maher  
Executive Director

## ELEY NEWTON THOMAS AWARD

Nominations for the 1989 Eley Newton Thomas Award have been before the judging panel for consideration using the established criteria of: "For the person who has done the most to promote Clay Target Shooting in the previous twelve months".

The Eley Newton Thomas Award is to be received by Mr Mike Fisher from the New South Wales Gun Club for his work on behalf of the ACTA to produce a computer program for the running of National Championships. The program will be used in 1991 at the Perth Trap Nationals following which it will be made available to those Clubs and State Associations who wish to computerise their shooting events.

As Mike has left Australia for his home in Dallas, Texas, the Eley Newton Thomas Award will not be able to be presented to him in person which would have given the Association the opportunity to publicly applaud his efforts on behalf of the sport of Clay Target Shooting.

We wish Mike well for the future and assure him that where clay targets are being thrown in Australia he is most welcome.

## CLUB SECRETARIES . . . CAN YOU HELP?

We are endeavouring to obtain a club badge from each of our 300 member clubs to be incorporated into a badge display at the National Office.

If your club can assist by forwarding a badge to the Association it will assist in our efforts.

A list of clubs who provide a club badge will be published in the September issue of CTSN. We hope that your club is included on the list. In anticipation of this being so please forward a badge to: ACTA, PO Box 557, Mt Waverley, Vic. 3149.

## WORLD CHAMPIONSHIP APPEAL

The A.C.T.A. is conducting an appeal for funds to assist members to compete in the 1990 World Championships in Moscow.

Donations received through the appeal which has the approval of the Australian Sports Foundation, are tax deductible.

If you would like to assist the finances of the Team through a fully deductible donation you can do this by forwarding your donation to the Australian Sports Foundation using the coupon in this notice.

Donations will be used to assist the team to the World Championships as part of the preparation for the all-important Barcelona Olympic Games in 1992.

Receipts will be issued for all donations received. We hope that with a tax deductible opportunity, supporters of the International Discipline in particular are able to assist. Similarly supporters of other disciplines who wish to donate are able to obtain a tax deduction for donations supporting the Australian team.

## OLYMPIC GAMES SELECTION SYSTEM

The purpose of this system which is an agreed document between the Australian Shooting Association and the Australian Olympic Federation is designed to be both simple and fair, with the basic guidelines being Rule 29 of the Olympic Charter, which states:

"National Olympic Committees are reminded that, while the Olympic Games welcomes the youth of the world, it is physically impossible to accommodate all of the youth of the world and they are asked to use discretion and send to the Games only competitors adequately prepared for high level International Competitions."

### ATHLETE ELIGIBILITY

To be eligible for consideration of recommendation by the ASA to the AOF an athlete must:

1. Shoot the appropriate Minimum Qualifying Score (MQS) at the appropriate International Competitions, and
2. Score points under the ASA Ranking System as detailed in Appendix A (see below), and
3. On the basis of performance in recent International Competition, be likely to finish highly placed in the next Olympic Games, and
4. Demonstrate a satisfactory standard of physical fitness, which must be maintained.

### ATHLETES

The basis of ASA recommendation to the AOF shall be that athletes will be recommended on the basis that:

1. They have met the athlete eligibility criteria, and
2. They are likely to finish in the top 18, and
3. Australia has an Olympic Quota place or "Wild Card" in the event.

### TEAM CHANGES

All athletes and officials should clearly understand that they are liable to have their membership of the Team terminated at any time by the AOF for breaches of the AOF's Doping Policy, the AOF's Competitor's and Official's Agreements, discipline or misbehaviour; illness, injury or other medical reasons; loss of form, team unsuitability or reassessment for any reason whatsoever.

Any such athlete or official may be replaced.

### ANNOUNCEMENT OF TEAM

It is the sole prerogative of the AOF to announce and make public the names of Athletes and Officials chosen under this system.

### APPENDIX A — OLYMPIC SELECTION RANKING SYSTEM

(As mentioned above.)

1. This system is based on points gained as a result of participation in Major World Championships, in the World Shotgun Championships, and in the World Cups of the UIT, with a competitor finishing in 1st to 16th place.  
First place 16 points, sixteenth place 1 point.
2. Major World Championships have a multiplying factor of 2.
3. The qualification period covers the duration of the UIT competitions offering Quota places. However, it is expected that the period would be completed prior to the 31st December of the year preceding the Games.
4. Points achieved as per 1 and 2 above will be aggregated across the three best results achieved in the period as defined in 3 above.
5. A constantly upgraded Ranking List to be maintained and published by the ASA after each World Championship or World Cup in which ASA representatives participate.

# CHAMPIONS OF OUR SPORT ... part 1

## Past and Present

By George Biggs, ACTA Historian

**DONALD MACKINTOSH —**  
World Champion Australian Shooter  
and founder of our sport

Well before those of us who are shooting today were born, Donald Mackintosh was making a name for Australia on European shooting grounds and at the leading gun clubs of England in the 1890s.

The following stories are personal sketches by Donald Mackintosh and unnamed Australian journalists of that time and were published in leading Melbourne daily newspapers and magazines.

I am indebted to Mr John Green, photographer, of Cressy, Tasmania for the old Donald Mackintosh catalogue No. 9 printed in the early 1920s. At this time one could buy a new "Purdey" hammerless shotgun for around £165 or \$350 in today's money.

One episode remains fresh in Mac's memory of an outing he had with the renowned American wing shot, Dr Carver, in Yarrawonga district, when the cracks were out after snipe and any other attractive live targets offering. Mac winged a galah, and Carver chased down a beautiful young swan. As the doctor was anxious to take away to his American home something purely Australian, they exchanged birds, and the great record holder ever afterwards cherished that galah as a domestic pet. He told "Mac" when the two sports met in Monte Carlo many years later that it was still living and flourishing in its Kentucky home — and talking like a bullock driver. As for the swan — that also still survives.

*From The Gun, Notes by G.H.T.*

In the early years of the present century, while Donald Mackintosh was emblazoning the name of Australia in Monte Carlo by his remarkable ability as a trap-shot, Jack Sutherland, a youngster in the Gippsland district, was an ardent user of the scatter gun in the field. His dreams of attaining to the prowess of the champion Donald were treasured thoughts, but his remote existence in a little country village presented no scope for him to have a "try out". His great change came, however, when at the age of 16 he was given permission to attend the local gun club shoot to compete in a programme of sweeps. He appeared on the grounds with an old 50/- gun, and home-filled "black powder" cartridges. The result of his shooting — something like two out of three birds — satisfied him that he would do better on his next try. As time went on he obtained a better gun and smokeless cartridges. Almost from the outset of his career his form marked him down as a shot out of the ordinary, until at the present time he is well-known throughout the length and breadth of Australia as the champion "Calrossie" — winner of 27 important title matches.

When he left these shores in November last to take part in the fashionable Monte Carlo shooting carnival, his brother sports in the shooting world confidently predicted that he would emulate the skill and sportsmanship of the veteran Mackintosh, who lived for 10 years in Monaco. During his sojourn there Mackintosh won the Grand Prix de Monaco (the coveted prize of the meeting each year, on one occasion), and in his last season (1908) was successful in obtaining the highest aggregate. As a tribute to the sportsmanship of the veteran, the International Sporting Club de Monaco each year includes in its programme a 10,000 francs match, known as the "Prix Mackintosh".

The present Monte Carlo meeting opened on January 6, with the Prix d'Ouverture. "Calrossie" got on the job early, with a 10-break, which gave him an outright win for the 2500 francs prize, in addition to a 50 per cent division from the entry money. He followed up this win on the next day by winning outright the Prix de Saint Hubert, which was worth a similar amount in prize money. His score on the second day was five straight. The events for this week include four matches of 10,000 francs each, and the Prix Francois Blanc, for 20,000 francs, and Medaille d'Or (gold medal). Although he has been seen in action on only two occasions, he is already named as the most probable winner of the Grand Prix and is a warm favourite.

C.B. Meadway, another Melbourne Gun Club shooter in Monte Carlo, also competed in the events, but he missed his second bird in the first and his fifth bird in the second. This is Meadway's third successive year at these matches. On his previous visits he has held his own against the large fields that compete, and has managed to collect sufficient prize money to clear his full expenses.

### About 1936 — Trap-Shooting by Donald Mackintosh **CLAY TARGET CLUB**

The Victorian Clay Target Club fired its first shot last week at Bentleigh in a five-acre field, near Bentleigh railway station, the property of Mr T. Cormick, who generously placed it at the club's disposal, and the club fittingly made him a life member. The site, facing west with a perfect background of landscape for miles, is ideal for a gun club.

Here in the very shadow of the old Melbourne Gun Club's grounds, this new club has started just about a half century since the old club fired its first shot. The Melbourne Gun Club sent marksmen abroad and upheld the prestige of the shotgun against the finest shots, until Australia's name is a household word on any shooting ground the world over. My earliest recollections were in the early nineties when many wealthy city men, young squatters, eminent city businessmen, and men of letters met to try conclusions here with the gun. J.L. Purves, the leader of the Bar, the president, made the club one of the most genial for real sport and humour the world over, while the late Sir Rupert Clarke, their patron, endowed it with many fine prizes. On two occasions a

£1000 handicap event was held with success, and a massive silver challenge cup stood for years, the envy of all crack shots to have their names inscribed on it.

As I have visited many gun clubs in Europe, it is very natural that I should draw comparisons, and when I see 50 shooters for this inaugural meeting I consider it the finest I have ever seen. Besides the competitors, their families came along to see them take part, and made the day, what all sport should be, a happy social gathering.

The club is equipped with the very latest automatic trap, which automatically selects the angle flight of every target thrown. This target is similar to an ordinary saucer in shape, being 4in. in diameter, and being made from a composition of clay and pitch, which breaks readily when struck with a few pellets.

Most brilliant shooting was shown by the ex-president of Nobel's Clay Target Club, Mr B. Anquetil; Mr H.G. James, president of Nobels; and also Donald Corbett, winner of the handsome foundation cup; E. Tricks, G. Vypond, J. White, C. Corbett, "Calrossie", and D. Mackintosh.

Councillor C.T. Butters, president of Moorabbin Shire, declared the ground open, and D. Mackintosh fired the first shot.

The president (Mr Lew Bertram) presented the prizes, and he and the honorary secretary (Mr G. Townsend) made everybody welcome.

### CHALLENGE CUPS

A few reminiscences of these three Final Challenge Cup Competitions below will interest shooting men.

A few little incidents entering into the humour of these competitions will interest my young shooting friends today. I had many friendly battles before winning the Melbourne Challenge Cup, being the holder on ten occasions. When the final stage was reached it resulted in a tie, and the late J.L. Purves, QC (who had himself held it five times) remarked: "Oh, why bother coming

back for your cartridges every shot. Take your magazine out, you will kill them 'till the cows come home." (Score 61 out of 64.)

A cup was shot for in Paris in the famous Bois de Bologne. On each of the three competitions a different nationality tied — namely, H. Journer (France), Edgar Murphy (America) and Marquis de Villavisiocia (Spain). Like the old Melbourne Gun Club, jokes went round, and an American wag, noticing my earnestness to win, began to pile up various things, such as coats, empty cartridge boxes, &c., under the cushion of the big deck chair I sat in until it was heaped to the arm rests. I sat on the chair as if feather-coated, much to the amusement of my wag friend and his followers, who, after the victory, gave me a hearty handshake and a hearty laugh. Score (50 straight), 30 yards.

The English Challenge Cup was shot for on the Gun Club's grounds at Wormwood Scrubs, London, under International championship conditions, £25 each, and attracted entries from over a dozen nationalities, including America.

Unlike other clubs, no barracking entered the game, and it is still dreadfully fresh in my memory going out on the mark in dead silence, 24 times in a tie with Mr Vernon Barker (then Champion of the Gun Club, England). On the previous Saturday, I had a similar experience with the same man. When nearing the final, in dead silence, our footsteps on the asphalt being the only sound. I overheard an old veteran remark, "Vernon will beat this man." Colonel Ned Hopwood replied in most dignified tones, "Oh, no, there is no certainty; this man shot him to a standstill last week." On nearing the final Mr B. suggested tossing a coin, and on my decision to keep on he had a good old brandy and missed the easiest bird in the whole three competitions. Score 60-62, off 30 yards.

Now, as an older and perhaps a wiser man I will say, in the words of the Hon. R. Beresford, these were stirring times, but, after all, was it really worthwhile — Give me a day in the field at snipe, where I first learned how easy it was to miss.

### **DONALD MACKINTOSH, Gun-Maker, Melbourne INTRODUCTORY**

(Extract from the "Leader", Melbourne)

Being an expert of world-wide fame and experience, and having gained the fullest knowledge of all requirements during his long and brilliant career as a prize-winner in the foremost shooting circles of the world — at Monte Carlo, Paris, Rome, Florence, and other well-known European centres — no one in Australia is better able to advise on or to supply what is necessary in the outfit of any wing-shot who wishes to use his skill to the best advantage.

#### **FOREWORD**

By Donald Mackintosh

My 35 years of competitive and field shooting gives me some claim to say that I can supply the right weapons for all kinds of shooting. I had fully determined, that when I had completed my shooting tour abroad, I would return to Australia and devote myself to importing and dealing in guns, &c., and for that reason made a point of personally visiting the factories of the world's leading gunmakers — those of Jas. Purdey & Sons, W.W. Greener, William Cashmore, William Powell, &c. I inspected the works of Eley Bros., Kynoch & Co., Curtis and Harvey, and many others, and was enabled to make terms which gave me advantages to offer to Australians.

As an Australian farmer, I was made a very welcome competitor in every club I visited abroad, fully a score or more, and made an honorary member of the clubs I shot in. Let every man on the land remember this — a privilege not granted to everybody.

I wish to point out, that, being an Australian, I make careful selection of firearms which I know will be suitable for the man on the land, whether farmer, squatter, country sportsman, or coming champion shot. I shall always be pleased to give my expert assistance to all, no matter how small the transaction may be.

#### **SHOOTING REMINISCENCES**

At Monte Carlo, France, Germany, Italy, America, Russia, Belgium, Austria, Hungary, and England were always well represented. The Zichys, Esterhazys, Poniatowskis, Trautmansdorfs, Princes of Braganza, and many other representatives of the oldest families in Europe were constant attendants at the Tir, which in those days was a social gathering of the world's best shots. From America came Yale Dolan, Macalister, George Work, Bradley, Oakley Thorne, Thompson, and many other famous names.

Australia was represented by the greatest marksman of them all — Mackintosh by name.

This paragraph appears in the book called "Beresford's Monte Carlo", published recently by the Hon. S.R. Beresford, who was a competitor for 25 years, and winner of many championships.

"The Jockey", Paris, in a long and interesting discourse on

shooting, winds up by contrasting the performances of the world's famous shots who have contested at Monte Carlo as follows:

"Mr Mackintosh's performances at Monte Carlo, together with his records made in England and Australia, are such that, in a word, we declare him the Champion of the World".

\* \* \*

A Gold Medal was presented to Mr Mackintosh on making the unique score of 100 consecutive breaks at clay targets, at his home town, in aid of the Local Hall.

\* \* \*

### **CLAY BIRD SHOOTING**

Clay bird shooting is popular in England, Scotland, and America. In the latter country they shoot at targets more easily broken than the English clay bird, and also shoot, as a rule, from 15 to 18 yards (limit 24).

Although not so difficult to score on as live birds, it requires some skill and a good gun to score on them when over 20 yards, and one who thinks he could not miss one, let him have a try.

In big races, as they term it in America, it takes a score of almost 98 per cent to 100 per cent to win in very best company. Personally, I think they afford real, good, inexpensive practice, for I used one of these traps 25 years ago, and we will be happy to assist any sportsman interested in this fascinating pastime, and advise him on the conditions, club rules, gun, and cartridges with which he should be equipped to succeed. This will be our pleasure.

## **GUNS**

### **DONALD MACKINTOSH'S GUN**

#### **No. 1 — James Purdey Hammer Gun.**

The above is a reproduction of a Purdey Hammer Gun, made specially for trap-shooting. This gun has Purdey's usual fine engraving, and is the acme of perfection. Purdey makes only one quality — The Best. Purdey Guns can be made with weights varying from 6½ to 8 lbs.

### **Mr W.G. DOWNIE'S GUN**

#### **No. 2 — James Purdey Hammerless Gun.**

Over 100 years ago, when George III was King, the House of Purdey was founded in London by James Purdey. Since that date Purdey guns have passed in unbroken succession from father to son to the present directors, Athol S. Purdey and grandsons.

The Royal Family of England is one of the many families who for generations have been using Purdey guns and rifles.

Royal Warrants of Appointment were granted by H.M. the late Queen Victoria, H.M. the late King Edward VII, and Warrants are now held from H.M. George V and H.R.H. the Prince of Wales. Royal Warrants are held of H.M. the King of Spain, and also of H.M. the King of Sweden.

The Purdey hammerless gun, with its self and wide opening action and Purdey third bolt, has gained reputation that is world-wide for great strength, ease in loading, and durability.

#### **No. 3 — William Powell, Hammerless, Side Lock, Ejector Gun.**

Purdey Model. 30-inch choke bore barrels, with secret, square cross bolt, rod fore-end, made of Sir Joseph Whitworth's compressed steel. Has side clips to action. Weight 7½ to 8 lbs. Beautifully finished throughout. Best figured walnut stock, dead level rib, suitable for presentation gun, match or field. Chambered for 2¾ cartridges. Nitro proved for smokeless powders. Balance and shooting results are excellent. A lifetime's wear. Sole Australian Agency.

## WOMEN'S TALK

by Jean Wray

When I laid my pen to rest some 10 or so years ago, I really didn't expect to be sitting at a typewriter again to prepare an article for the CTSN. However after some persuasion, here I go again.

And it is official we are Women. After a recent meeting of the National Shooting Committee in Melbourne, where women and junior shooters were capably represented by Carol Ogden and Katie Light of the Melbourne Gun Club, some changes are being made, and they can be identified elsewhere in this month's CTSN.

The weekend of May 25-27 saw the National Training Squad World Championship Eliminations being conducted at Melbourne Gun Club. I wandered out on Sunday to watch our NTS members shoot and to see who would make the 3-man Trap and ISU Skeet teams, and what a result it was, with two Juniors as No. 1 and 2 in the Trap, Michael Diamond and Craig Tilley, both of NSW, and No. 3 Bill Iles. The ISU Skeet team is David Cunningham, John Summer and Michael Inguanti, all from Victoria.

A 200 target event was held in conjunction with the NTS Eliminations and it was great to see Maree Rooke, who travelled down from Canberra for the weekend, and Carol Ogden from Melbourne, contesting the ISU Skeet. I hear Maree is now an A Grade shooter in this discipline. Kathy Gault also was down from Canberra and has just purchased a left-handed gun, so we can expect great things from Kathy. Fay Burton and Carmel Carlon shot the Olympic Trap event and a young junior, Brandt Chapman won the C Grade trophy.

Other visitors were Thelma Meadows from Brisbane and Helen Sanders from Wagga. Helen is one of the Rooke family and came down as company for Maree, although I did see Helen shooting a round of American Skeet under the guidance of Bob Buchan, MGC President.

Now women and junior shooters of Australia, it is all up to you. Your goals for the Olympic Disciplines — the Oceania Championships in Adelaide early 1991 and the World Championships, Perth 1991.

What is news in your State regarding your women and juniors? Tell me c/o the ACTA Office.

Until next time, Good Luck With Your Shooting.

## SHOOTERS CORNER

Q. I was enjoying reading questions that had been sent to the CTSN. While many would have been aware of the answers to some of the questions, many would not have and for this reason I found the Shooters Corner to be an interesting segment. My questions is, why has the segment been discontinued?

A. The segment has not been discontinued. For one reason or another the questions have not been forthcoming. As you say

you found the information to be of interest, perhaps your question may stimulate questions from others. Thank you for your comments.

- Q. One of our club members has asked me to check on the legalities of using "Magna Port Barrels" in standard down the line shooting. His main concern is that he has been told the use of these barrels is illegal. Can you please clarify the situation for me?
- A. Magna Port Barrels are legal in both standard down the line shooting and standard skeet. In addition they are legal for ISU Skeet competition, they are not however legal for competition in Olympic Trap events. Source: R. Buchan, Rules Supervisor, Victoria.

### JACK PHILIPHOFF

Jack Philiphoff, a Life Member of the West Australian Gun Club, unfortunately passed away recently after a short illness.

Jack had spent most of his life shooting clay targets and was one of the early members of the original Perth Gun Club which commenced shooting at Clontarf.

During Jack's clay target career he held various positions on the club committee including club captain, but in recent years he will be best remembered as the club's Father Christmas.

Amongst Jack's achievements as a shooter he won the Perth Gun Club's Blue Ribbon Double Barrel Championship on three occasions: 1959, 1965 and 1978.

Rest in Peace.

President and Members  
West Australian Gun Club Inc.

## CHAMPION OF CHAMPIONS AT WONTHAGGI

Well you wouldn't believe it, but we had another great day at Wonthaggi on 2nd June. The wind was a little cold and there was a passing downpour before we started shooting, but aside from all that it was a great effort. It was the second round of the 100 Tgt Round Robin Series which involves Korumburra, Wonthaggi and Morwell Gun Clubs.

Although the attendance could have been a little better the shoot ran smoothly thanks to those who braved the cold and pitched in and helped.

The sponsorship for June came from one of our members Steve Ziegler. Steve not only supplied excellent prizes but also the magnificent trophy for Overall at Wonthaggi which he himself won last year but unfortunately he missed out on this year. On behalf of the club I would like to thank Steve for his valued support.

The competition was very keen and the results for the 100 Tgt Double Barrel event were: B Grade and Overall: Neil Bull 95/100, 2nd Graham Kent 89/100; C: 1st Lynn Gray 79/103, 2nd Jeph Kent 79/103; A: 1st Keith Gray 92/100, 2nd Wayne Parks 91/100.

The Wonthaggi Stress Test was won by K. Gray \$17.00, Neil Bull won the raffle and "Webby" won the cake shoot.

I would like to congratulate Neil Bull on his shooting that day. It was rather windy and the targets were not all that easy. Well done Neil, you shot well and you deserved to win.

To Bev and Chris in the canteen as always you did a fantastic job, thank you.

Wonthaggi Gun Club has a jackpot which at the moment is up to about \$ , so if you believe you can shoot all of the targets on any of our shoot days, come to Wonthaggi. We would be only too pleased to have you visit our club and you would be made more than welcome.

Good luck and good shooting,  
Keith Gray (President)

# WINCHESTER SUPPORTING THE AUSTRALIAN CLAY TARGET ASSOCIATION

We are pleased to announce that a new sponsorship agreement has been reached between Winchester and the A.C.T.A. The new agreement is to replace the one which has been operating successfully for the last three years and is welcomed by the Association.

Previously the Winchester sponsorship was almost exclusively for the National Trap Championships. The new agreement however, is supportive of each of the A.C.T.A. National Championships, Trap, Skeet and the Olympic Disciplines with total sponsorship from Winchester in the vicinity of \$40,000 per year for the next two years.

On behalf of the members of the A.C.T.A., particularly those who shoot the National Championships, we thank Bruce Burns, National Marketing Manager for Winchester for his continued support and to Winchester in particular who once again have shown their support for Clay Target Shooting in a most tangible manner.

## 1990 STATE TRAP CARNIVAL — GEMFIELDS GUN CLUB

The 1990 QCTA State Trap Carnival was held on the weekend of 5th, 6th and 7th May at the Gemfields Gun Club in Central Queensland.

Due to major flooding of rivers some shooters were unable to attend, however some very keen shooters came the long way round driving 1700 km just to attend. All up there were 126 nominations for the weekend.

Again our sponsorships were thankfully received and this Association sincerely thanks the following: Winchester Australia, Caltex Oil, Olimpyc Targets, N. Deely, Stevens & Sons Firearms, T. & T. Meadows, Gladstone Guns & Ammo, G. Cross, and A.B. Long. Without their support the carnival would not have been a success.

The weather was beautiful and the campers were kept amused by the antics of some, who got very vocal late in the evenings, however I'm sure that everyone had a great time.

Tom Meadows was voted back in as State President at the AGM and two new delegates were elected to the National Executive.

The results of the carnival were:

Saturday 5th — Event 1, 25 Target Winchester Points. Overall won by Rob Rehbein of Bundaberg with the only perfect score recorded 75/75. 1st in AA grade was K. Stevens of Ipswich beating J. Porter of Brisbane who then got 2nd place in a shoot-off (using flash targets), their scores 104/105 and 103/105. 1st in A grade was D. Casagrande of Rockhampton 101/102. 1st in B grade went to K. Tyson of Springsure 74/75. C grade went to J. Beer of Brisbane with a 71/75. Best Lady was Rhonda Porter of Brisbane 72/75. Best Junior was Brent Moore of Gemfields 67/75 and best Veteran was Bill Francis of Chinchilla 71/75.

This event was totally sponsored by Winchester Australia even to the flash targets used for the shoot-offs.

Event 2 was the State Double Barrel. After a shoot-off Doug Smith of Dalby 96/96 eventually emerged the winner beating P. Freeleagus of Ipswich 95/96 with G. Redmond taking 2nd in AA grade 89/90. 1st in A grade was D. Casagrande from Rockhampton 77/78. B grade was won by J. Seawright from Ravenshoe 50/51. C grade winner was J. Beer of Brisbane 47/50. 1st in Ladies was Gay Burns of Springsure 49/52, 2nd Bev Grice, Sunshine Coast 48/52, 3rd Kaye Rehbein, Bundaberg 45/51. 1st Junior was Brent Moore, Gemfields 67/75, 2nd Armando Coco, Redcliffe City 67/75, 3rd Tracey Cross, Gemfields 59/75. 1st Veteran was Bill Francis, Chin-

chilla 49/50, 2nd Barry Nasser, Clermont 45/50, 3rd Jeff Tainsh, Grafton 44/50.

Sunday morning was the start of Event 3, State Pointscore Championship. Gary Redmond from Brisbane was the eventual winner over Alan Pack of Roma, their scores 164/165 and 161/165. B. Richardson of Gemfields won A grade. M. Andronis of Brisbane won B grade 145/150. C grade was won by Gemfields shooter B. Muirson 132/150. 1st Ladies was Gay Burns, Springsure 140/150, 2nd Kaye Rehbein, Bundaberg 138/150. 1st Junior was Brent Moore, Gemfields 139/150, 2nd Armando Coco, Redcliffe City 135/150. 1st Veteran was Barry Nasser, Clermont 141/150, 2nd Bill Francis, Chinchilla 130/150.

The State Pointscore was totally sponsored by Caltex Oil.

The next event was the State Double Rise Championship, won after a shoot-off by Doug Smith of Dalby with a score of 54/60 from Geoff Fett of Sunshine Coast who won the AA grade with 53/60. 1st in A grade was M. Andronis of Brisbane 43/50. 1st place in B grade went to A. Maguire of Springsure 49/60. C grade went to B. Muirson of Gemfields 36/50. 1st in Ladies was Gay Burns, Springsure 33/50, 2nd Julie Meaney, Dysart 40/60. 1st Junior was Brent Moore, Gemfields 37/50, 2nd Armando Coco, Redcliffe City 35/50. 1st Veterans was Bill Francis, Chinchilla 38/50, 2nd Jeff Tainsh, Grafton 36/50.

The Double Rise was sponsored by Olimpyc Targets and Scorpio Cartridges.

Monday saw the State Single Barrel Championship and the last event for selection of the Interstate Team. The overall winner was John Withers of Ipswich with a score of 49/50, while R. Rehbein of Bundaberg beat K. Stevens of Ipswich for 1st in AA grade, their scores 54/56 and 53/56. R. Cusack of Cloncurry won the A grade with 54/57. 1st in B grade went to A. Denton of Charleville 47/50. C grade went to M. Beak of Rockhampton 43/52. 1st Ladies Bev Grice, Sunshine Coast 44/50, 2nd Rhonda Porter, Brisbane 42/50. 1st Juniors Brent Moore, Gemfields 46/50, 2nd Paul Meaney, Dysart 41/50. 1st Veterans Barry Nasser, Clermont 43/50, 2nd Jeff Tainsh, Grafton 42/50.

The Interstate Teams were then selected. The Open team consisted of: D. Smith, R. Rehbein, G. Redmond, B. Richardson, R. Dean, K. Stevens, G. Fett, B. Meaney, P. Freeleagus, G. Cross, R. Moody, R. Meaney, A. Pack, J. Grace, M. Andronis. Ladies Team: G. Burns, B. Grice, K. Rehbein, I. Cross, T. Meadows, R. Porter. Junior Team: B. Moore, A. Coco, P. Meaney, T. Cross, G. Meaney, R. Cross. Team High Guns went to D. Smith, G. Burns and B. Moore.

The next event was the Cash Handicap resulting in: 11-15m: 1st G. Townsend, Eton-Mackay 25/25; 2nd K. Bapty, Glenden 24/25. 16-18m: 1st A. Denton, Charleville 58/58; 2nd K. Rehbein, Bundaberg 57/58. 19-21m: 1st G. Redmond, Brisbane 32/32; 2nd J. Withers, Ipswich 31/32. 22-25m: 1st K. Stevens, Ipswich 24/25; 2nd R. Meaney, Dysart 23/25.

Queensland Trap Champion which is an aggregate of the DB, SB, Pts, and Teamscore went to Doug Smith with a score of 394/400.

High Gun Overall went to Rob Rehbein of Bundaberg 387/400. The Overall High Gun was donated by Noel Deeley.

Ladies Hig Gun went to Kaye Rehbein of Bundaberg 347/400. The Ladies High Gun was donated by Tom and Thel Meadows.

Junior High Gun went to Brent Moore of Gemfields 357/400. The Junior High Gun was donated by David and Julie Auger.

Veteran High Gun went to Bill Francis of Chinchilla 349/400. The Veterans High Gun was donated by Stevens & Sons Firearms.

The 2-Man Team was won by the "Team Teddy" consisting of P. Freeleagus and K. Stevens. Trophies donated by A.B. Long.

The Interzone Team was won by "Ipswich" consisting of K. Stevens, P. Freeleagus, M. Andronis, J. O'Reilly and N. Berry.

Interzone Postal Team was won by Northern Zone consisting of I. Sleight, R. Cusack, N. Bruce, L. Solari, W. Reeves and G. Archer.

Interzone Postal Team Ladies won by South East Zone consisting of T. Meadows, B. Grice, K. Rehbein, R. Turnham, R. Porter and M. Siggs.

The State Sportsman Award was presented to Harvey Smith for his contribution to the sport in Queensland.

So ends another successful carnival. Again I thank our sponsors, Mr Jim Elliott for the magnificent job he did as shoot marshal, the Committee of the Gemfields Gun Club for the preparation of the grounds for the carnival and the maintenance of these throughout the carnival. To Joyce Deeley and her helpers in the kitchen who catered for the needs of the shooters throughout the weekend and to the trappers who did a tremendous job also. Finally thanks to Jim Edmonds, Jan Maroske and Marilyn Casagrande for their help in the office, and to Mrs Vi Lait who looked after the Association's shop throughout the weekend.

# MONARTO CLAY TARGET CLUB INC. — ANNIVERSARY SHOOT

APRIL 21-22, 1990

One always hopes for perfect weather for a two-day shoot but I guess sometimes "things" just don't go according to plan. With one third of Queensland under water, Nyngan residents fighting a losing battle trying to save their town and Eastern Victoria being ravaged by floods, why should we not suffer a little too!

You guessed it — the wind blew in a gale from the south and at times shooters battled to hold their guns steady, some shooters shot for the first time since last winter in wet weather gear (though no rain fell), while a couple of Amazon women shooters got about in short sleeves — what's that old saying, "No sense, no feeling"!

Even through all of this, our first day of our Anniversary Shoot was a howling success with eight possibles in the first event. We managed a total of 55 shooters from as far afield as Whyalla, Broken Hill and Millicent along with all of the regulars from some neighbouring clubs.

Six ladies, eight veterans and two juniors also contested the weekend's events and when those veterans like 70+ year-old Fred Atkinson, the "one armed shooter" from SAGC can shoot a 23/25 in the Single Barrel Championship in near gale conditions, and "heart bypass" shooter Clarrie Copping (Millicent) comes in with a 75/75 in the Point Score Championship, winning the event outright, one can only hope that the longer we shoot the better we will become. You "older" guys certainly are an inspiration to us all.

Saturday's event 1, Baker Boy 25 tgt Double Barrel Championship saw eight possibles. Spectators watched in comfort through the clubhouse windows the shoot-off, which finally saw young Shane Craig (Lake Albert) going down to the more experienced John Johansen (Monarto) 71/71 to 70/71. Shane has recently made it into A grade and is proving to be a shooter with a lot of determination.

Event 2, Swanport Cellars (West End Brewery) 25 tgt Single Barrel Championship this year went to Phil O'Connell (Monarto). Considering the rough, windy conditions it was not surprising that a perfect score did not come in, but the three shooters who shot 24/25 were to be commended — many "hot shot" shooters cringed as they saw their scores being posted on the scoreboard. Phil O'Connell, Sandie Appelkamp (Lake Albert's lady) and Trevor Morris (Alexandra) attempted to do battle in the shoot-off. Sandie missed her first target, Trevor his second and that left Phil to take out the top award.

Event 3, Monfries & Burchell 25 tgt Point Score Championship saw Ross Walsh (Broken Hill) take the honours after a shoot-off with Lynton Schubert (Wilkawatt) 84/84 to 83/84. This event each year is shot in conjunction with the Shell Shield and seven "actual" Club teams fronted up for the competition. Lucky team this year was Monarto's No. 1 team with members being Noel Johncock, Tony Rohrlach, Phil O'Connell, John Bretag and John Johansen. Their score was 119/125.

Day 1 High Gun went to Lynton Schubert with 121/125.

Roast lamb on a spit (compliments of Gordon Rowley) warmed those shooters and visitors who stayed for tea. So did the bottles of port consumed by those "oldies" who camped on the grounds and slept in a two-berth fishing boat, but not until they had exhausted all of those "old tales" which took half the night to tell. (Why they had that boat there is still baffling me — I am not sure if they were expecting those floods from interstate or planned to go fishing the next day — Ho-hum.)

Sunday dawned and miraculously the wind had gone and the only weather "condition" to speak of was an overcast sky! Those shooters scared off by Saturday's wind and who failed to turn up on Sunday must surely be kicking themselves now for the conditions were excellent for shooting. 58 shooters turned out on Sunday.

Possibly our most revered event for the whole year, the Clem Thomas Memorial 30 Mixed tgt Championship was the first competition for Sunday and two perfect scores were posted at the end of the event. Phil O'Connell (Monarto) again set out to win this

• Monarto Clay Target Club Anniversary Shoot — Overall High Gun winner John Johansen, all smiles after just having received his sash, pewter medal and trophy. He is watched by Dick Ayres, "SA Mr Winchester" and Graham Michell, Monarto Clay Target Club President.

coveted trophy, already having his name on it once before, by shooting off with Keith Appelkamp (Lake Albert). "Next year", Keith says, is his turn to take home the perpetual trophy after going down to Phil who shot 60/60 to Keith's 59/60. Both B grade and C grade were won with scores of 49/50, Barb Wallace (SAGC) taking out B grade and local boy Mick Videon (Monarto) winning C grade. You see, the trophies on this event were dinner sets, something Mick was desperate to win, and after shooting 49/50 in his squad he was seen to be smoking a cigarette "to calm my nerves" — funny thing is he is a "non-smoker". Well, you now have your dinner set Mick and I don't think it will be too long before the B graders will have to share their trophies with you.

Second event on Sunday the J. & E. Johansen 25 tgt Handicap was very keenly contested. Although only two perfect scores were shot, the event being won by Peter Rundle (Wilkawatt — 20 metre) with 26/26 over Shane Craig (Lake Albert — 17 metre) 25/26, the third placing saw 13 shooters (all having shot 24/25, including "yours truly") line up to shoot-off. Keith Appelkamp (Lake Albert — 18 metre) finally took third placing after shooting 54/55.

The last event for the weekend, the Coca-Cola Bottlers 25 tgt Point Score Championship was taken out by veteran Clarrie Copping, the only shooter in this event to shoot the possible. Shot in

• Left to right: Ken Strother, Brian Videon, Shane Craig, Keith Appelkamp and Dick Ayres (Lake Albert Gun Club team members after they had just won the G. & R. Michell Team Shoot) being watched, on far right, by Graham Michell.

conjunction with this event is the Graham and Ruth Michell Team Shoot, won on points, not targets, and on this occasion the jubilant team winners came from the Lake Albert Club. Team members were Dick Ayres, Keith Appelkamp, Ken Strother, Brian Videon and Shane Craig, they shot 349/375. Lake Albert have been struggling over the last few years in team events but I think they have once more "clicked". Well done fellas!

Day 2 High Gun went to a very surprised Brian Videon with 146/150.

John Johansen (Monarto) for the second year in a row took out the Overall High Gun honours 290/303 (after a shoot-off with Lynton Schubert) and was presented with his trophies by Mr Winchester, Dick Ayres on behalf of Winchester Australia. Bad luck Lynton — maybe next year.

Grade High Guns for the weekend went to Phil Marsden (SAGC) for B grade with 251/275 (I heard on the grapevine you are now in A grade), Mick Videon (Monarto) won C grade with 247/275, Ladies High Gun went to Sandie Appelkamp (Lake Albert) with 249/275 and Veterans High Gun to Clarrie Copping (Millicent) who shot 245/275.

Grateful thanks to our sponsors again this year, thanks to those club members who helped prepare for the weekend and then cleaned up on Monday, thanks to the canteen helpers who kept us all well fed and still had piles of "left-overs" at the end of the shoot — who were those people seen tucking into a giant pavlova smothered with strawberries and cream at 10pm on Sunday night? Thanks to Narelle and Tony in the office, all referees and scorers, to Keith for his tasty "bone-free" Coorong mullet and to all those visitors who came to our Club to make our shoot the success it undoubtedly was

What a great weekend! If you didn't manage to make it here this year to our shoot we hope to see your face next year.

Ruth Michell  
Publicity Officer

## EDITOR'S MAILBOX

Firstly a thanks to George Biggs for his interesting article on the shooting of the "Double Rise" event. I found it informative. One may well say "Oh didn't you know that?" Obviously not; other than shooting the straight away bird first, then when in your mind's eye you get to the third track, and you are faced with a doubt. Thank you George for straightening out a few queries I had. Thanks also to Don Stevens, of South Australia, for his good advice.

My main query Mr Editor, as to how our "Shooting News" could be improved, with more generalised information of the shooting arena.

There must be a hell of a lot of registered members out there like myself, who can only afford to shoot occasionally, and who have not the slightest interest in all these big-time shoots such as the Nationals and Internationals. The only items of interest appear on the first few pages, as mentioned above, and as to what such and such club's program is going to be.

I have a very strong feeling that there is a need for closer liaison with other firearm bodies — Field & Game, Sporting Shooters Association, even the KCC (Dogs), so as to have additional news for the magazine to give it a better image.

One may well say, then join those particular bodies if you're so interested. Unfortunately I feel that would be a "one-eyed" type of reply, as we as shooters need each other's support more so now than ever before.

Respectfully forwarded, but just some thoughts that may both improve ACTA Shooting News.

Yours sincerely  
Keith Corbett

# RIVERINA ZONE TRAP CARNIVAL

June Gun Club hosted the 1990 Riverina Zone Trap Carnival and Zone Team Elimination events on Sunday 29th April.

A total of 84 shooters from Albury-Wodonga, Barellan, Bathurst, Bute (SA), Coleambally, Cowra, Crookwell, Deniliquin, Downside, Echuca, Ganmain, Griffith, Hay, Junee, Leeton, Majura Park, Narrandera, Sunny Corner, Tumut, Wagga, Wangaratta and Young Gun Clubs attended creating a new record for Zone Carnival attendances.

Cold and gusty winds played havoc with the targets most of the day, however, this did not stop a lot of top scores being shot. All championships required shoot-offs and most grades in all events also had to be further contested.

The Riverina Zone Double Barrel Championship was a long shoot-off with 19 original qualifiers. After shooting 120 straight S. Guest (Leeton) was declared Overall winner from R. Ehlers (Albury). The Ladies Double Barrel Championship run in conjunction was won outright by E. Bunting (Cowra) from L. Blake (Downside).

Two shooters qualified for the Zone Points Score Championship. After a short shoot-off J.W. Smith (Cowra) won Overall from N. McDermott (Leeton) with a score of 105/105.

The Zone Single Barrel Championship was the next event contested and very good scores were posted. Four shooters contested the Overall sash and a further 25 targets shot by G. Boyd (Wangaratta) to take the title with the perfect score 50/50 from J.W. Smith (Cowra) 49/50.

The Johnny Cox Memorial Shield was shot in conjunction with the Double Barrel Championship and was contested by eight Zone teams. The Shield was won by Albury-Wodonga Gun Club with the score of 121/125.

The Overall High Gun was won by J.W. Smith after a shoot-off with G. Boyd with an almost perfect score of 139/140. An extremely good score considering the different types of events and weather conditions.

The Juniors High Gun was won by G. Tiffen (Leeton), who featured in all events, with a very good score of 127/130.

L. Blake (Downside) who also won titles in all events won the Ladies High Gun with a score of 108/130.

The Veterans High Gun was won by F. Casella (Griffith) with a score of 108/130.

Thanks must go to Junee Gun Club members, Ladies committee and all others who assisted in many different ways to make the Zone Carnival extremely successful.

## SUCCESSFUL CHARITY SHOOT at Echuca Gun Club

Recently the Echuca Gun Club in conjunction with the local Apex clubs held a most successful shoot to aid local charities.

This was a night shoot combined with a barbecue which was supplied by the Apex clubs and attracted 74 participants, all trophies were donated and raffles were run to help raise funds, targets were supplied by the club free of charge as well as the use of gun club facilities.

Shooting was not all that good with only two possibles being recorded, the other scores were not worth mentioning. However the barbecue was great as was the hospitality after the shoot was completed.

This is the fourth time that this shoot has been conducted which has gone a long way to breaking down the barrier which exists between the general public and the gun club, business houses are more aware of our activities and the public in general are taking a more acceptable attitude.

It is the intention of the club to conduct this shoot each year and possibly involve other clubs as time goes by.

# TAIPAN SHIELD 1989

The five-lady team from Kerang, Victoria were once again victorious in the competition of the Taipan Shield in 1989. Pictured here are the proud ladies with Victorian Clay Target Association President Glenn Woodhatch.

The Kerang team scored 96/100 which was a very convincing win.

## SYDNEY CLAY TARGET CLUB LIMITED — CHARITY SHOOT

Sunday 20th May dawned clear and cold with a stiff southerly wind blowing, however 52 shooters arrived at the grounds to shoot 100T American Point Score and 25T American Single Barrel, all in aid of the Menai Volunteer Bushfire Brigade.

Eight men from the Brigade turned up with a fire truck which attracted a lot of attention from small and big boys alike. These men were terrific, becoming trapper, raffle sellers, canteen staff, cooks and scorers, and generally helping the committee in any way asked.

The shoot got underway on time with four possibles being shot in the first round, namely Artos Del Ben, Glen Kable, Gary Rootes and Adrian Lloyd.

Everyone was keyed up for the second round which again saw four possibles, namely Tom Ryan, Paul Farrugia, Pat Muscat and Chris Davenport.

The third round saw no possibles but 7 x 74s. Trap 6 on the hill seemed to be the one most subject to the cold southerly, and saw many back at the canteen for hot food and coffee, thankful they only had one visit to this layout.

The start of Round 4 saw a few shooters under pressure to keep in front, or try to catch up. Three possibles were shot this round, namely Glen Kable, Werner Sockel and Arthur Welsh.

The results were: Overall and AA Grade: Paul Farrugia 295/300, 2nd Fred Twarloh 294/300; A: Glen Kable 350/360; B: Geoff Kidd 291/300; C: Werner Sockel 290/300.

The second event was 25T American Style Single Barrel, and though it was really cold and getting quite dull, five possibles were shot, being John Boulos, Artos Del Ben, Greg Peck, Kevin Bosanko and Tony Alvaro. A top effort from these shooters.

High Gun winners for the day: \$100 Open Order, donated by Cronulla Beach Resort for Overall High Gun: Paul Farrugia 319/325; Ladies: Janenne Kidd; Junior: Eddie Boulos, one of our up and coming juniors, keep up the good shooting; AA: Fred Twarloh; A: Peter Athanasopolous; B: Geoff Kidd; C: Werner Sockel.

The Grade High Gun winners all received Winchester ammunition kindly donated by Winchester Australia, and we thank Frank Smith, NSW Manager.

With 20 raffle prizes to be drawn, many non-winners stayed back for the presentation even though by now it was dark and "FREEZING". Sashes were presented to Overall and Grade winners of the 100T event, together with cash prizes for this and the Single Barrel event.

Overall the shoot was a great success with a sizeable cheque being presented to the Bushfire Brigade who were thoroughly delighted and assured us of their willingness to help us in the future with ground maintenance and burning off etc.

The President and Committee would like to thank all the shooters who turned up to make the shoot the success it was. Also a great big thank you to Geoff and Janenne Kidd, Adrian and Loz Lloyd and Mal and Carol Tilley who donated the High Gun trophies. Thanks to all the committee members for donating the raffle prizes together with Greg's Hardware, Cronulla Fruit Fair, Burraneer Butchery and Burraneer Cellars.

### Mackintosh International Trap Teams 1990

At the 1990 Trap Nationals which was the first Nationals we have attended Adrian made the Open Mackintosh International Trap Team and I made the Ladies Mackintosh Team.

I write to enquire if this is the first time that both a husband and wife have made the Teams in the same year. If not, do you have any idea how many have done so. It was hard work, so I imagine not many would have done this.

Lorraine Lloyd

*Editor's Note: Congratulations on your achievements in making the Mackintosh Teams. I will put your question to the test of our members and see if we can provide the information that you are seeking.*

### GLORIA NORMAN

The South East, and particularly the South East Gun Club, were saddened at the sudden death of Gloria Norman.

Gloria was the wife of Geoff Norman, who is a member of the South East Gun Club, and a very loyal and strong committee man.

The club and all nearby shooters are grieved at this sudden loss. She was a great help to the club and as a canteen worker. Every shooter who attended held her in very high esteem and knew her as a kind friend. Gloria was buried at Mt Gambier on 26th April last.

To Geoff, and his daughter and two sons, we extend our deepest sympathy.

# CHAMPIONS OF OUR SPORT . . . part 2

By George Biggs, ACTA Historian

I am very grateful for the many letters, phone calls and personal talks I have with shooters and friends who have a great interest in the history of our game of clay target shooting worldwide. One such person is Jack McCraith who actually commenced shooting clay targets the very same day when we joined up at the old Coburg Gun Club located on the banks of the Merri Creek in Faulkner. The Coburg club later moved out to Epping to become the Metropolitan Gun Club.

Jack McCraith does not shoot a great deal these days but he still maintains a keen interest in the happenings of our sport. The following letter from Jack, relates his experiences at the 1989 Masters Games in Adelaide — it just goes to show you can be lucky.

George,

On my recent trip to Adelaide for the Veteran Games I shot at 50 targets twice a week for some four weeks and thought I had a good chance of obtaining a gold, silver or bronze medal in the over 70 years class. But I was disappointed to be in a squad that talked all the time, I asked if I could get into another squad, this could not happen until the following day. So Aimee and I decided to go to the Casino and have lunch along with a small gamble. She played one game of Keno and took 10 out of 10 numbers with a list of 80 numbers of which she got them. The odd of her winning that was 5,500,000 to 1 as they play 300 games a day with 1500 tickets each game. It was three years since it was last won. The prize was \$486,000 which turned out better than a medal.

Back to the Games, the running of the shooting was to perfection. With over 400 entries it was the most spectacular games from start to finish, but rifle and pistol shooting dominated the shooting section with over double the entries of the clay shooters. I only hope I can go to the next games and take a pair of earplugs.

Yours,  
Jack McCraith

Winners of the 1950 Commonwealth Deauville Doubles Championship score 50/50 pairs. In the background are the also ran competitors at the old Australian Gun Club grounds at Burwood. Photo shows Jack McCraith left, and Horrie Donnelly congratulating each other. Guess who the guy in the middle background wearing a cap is? Horrie Donnell was the National Champion of Champions in the years, 1941 and 1948 with scores of 52/60 and 49/50.

Prior to 1950 the Champion of Champions Title was conducted as a two-day program and linked to the Australian International Macintosh Teams Match. The Australian team of 20 shooters for the International Match comprised the 15 highest scores in the Champion of Champions Cup event plus five others to be chosen by the ACTA Selection Committee.

Team conditions were: 100 targets from 16 yards, 5 track system in 4 stages of 25t each. Kills only to count, 2½" shells, 1¼oz No. 6 size shot. Best 15 scores will count in the competition, five lowest to be counted out.

1948 Australia's Second International Teams Match. Photo shows, reading from left to right, back row: "Dubbs" V.L. Frankhauser, Vic Fraser, H. Ceresa, G.L. Bragg, D.B. O'Callaghan, J. Bryant Snr, New Thomas; centre row: George Bell, J.M. Tyquin, W.E. Rainbird, George Biggs, W.R. Johns, L.L. Shilling, F.E. Brown; front row: C. Insbritten, Fred Burns, H.R. Donnelly, Jack McCraith, Dave Watson, Jim Smith; front row (kneeling): Referee Harry Watts, ACTA National President Jock Wilson, National Secretary Bill McCullough. (Note how many shooters wore ties — the "in" thing.)

Highlights of the 1948 Champion of Champions Cup — Conditions were 50 targets from 18 yards on April 24, shot for the first time over the Australian Gun Club's East Burwood layout. This had the unique distinction of being the first major contest in the Commonwealth to be decided over three automatic traps. It also enjoyed the further distinguishing aspect of attracting a field of 128

Cont'd from previous page

shooters. This again being an Australian record. Outright winner on the day was Horrie Donnelly with the score of 49/50. Donnelly was a top flight shooter for many years and held the Champion of Champions Cup in its last year before wartime recess 1941.

Jack McCraith was the runner-up after missing his 6th and 34 targets, to finish with 48/50. Roy Johns with 47/50 came in 3rd, he failed to cover his 6th, 19th and 31st targets.

"The dinner after the shoot" — The Association dinner which followed the big event was staged in the unusual surroundings of Vic Frankhauser's fruit packing shed. Nearly 130 attended the function and the building could have handled double the number. The Frankhauser family went to unlimited trouble to ensure the success of the gathering and shooters were loud in their thanks to this hospitable family.

Development of Skeet Shooting — Photo shows members of the Victorian Inaugural Interstate Skeet Team. 1965 saw the beginning of skeet shooting on a national scale. Teams of five shooters from each state competed on a postal basis. At a later date the team members were increased to 10 and then to 15.

Photo shows left to right: Ron Siede, Don McCraith, Newton Thomas, John Siede and George Biggs. Victoria were the winners at this time with a score of 121/125.

In 1970 Skeet shooting became a part of the Trap Nationals, and so a National Skeet Championship came into being. It was conducted on the first day of the National Trap program at Perth, WA.

As interest in skeet shooting continued to grow it became obvious that a one-day event was not enough to warrant the cost of travel and time to shoot at only 50 targets of skeet. A great deal of debate followed in support of a separate Skeet National Program and finally 1983 saw the First National Skeet Championships conducted at the Melbourne Gun Club.

The 1990 Skeet Nationals are to be conducted in Queensland at the Townsville Gun Club.

Bev Penney, Secretary of the Wangaratta Clay Target Club in northern Victoria, has kindly sent me a photo of an old gun club with the title Wilby Gun Club in 1904. Note on the lower left hand corner reads, "Fund raising for any club can be a strain, but for the Wilby Gun Club it was obviously a pleasure, on this occasion they bagged 524 hares in one day."

Bev goes on to say — Wilby is a small settlement between Wangaratta and Yarrawonga in the north-east of Victoria. Wangaratta club members were unaware that there was ever a gun club at Wilby. However, we think that by publishing this story and picture it may refresh a memory somewhere, even if it does go back to 1904!

Both Bev and myself would appreciate any information should anyone hear of such a gun club being at Wilby in the early days.

Photo shows left to right: Johnny Bryant, Junior winner of the 1954 National Double Barrel Championship — score 60/60; Jack Bryant, father of Johnny, Jack himself winner of many state and district

titles; Jack McCraith, winner of the 1950 National Champion of Champions Title and International High Gunner in the Mackintosh International Teams Match of 1948.

competitors are selected to carry over their scores into the 'final'.If there is a tie at this stage the competitor with the highest score in the 'final' is  
declared the winner. If the aggregate score is tied and both competitors have  
scored the same in the 'final', a miss and out shoot-off will take place.The top six competitors shoot a 'final' of 25 targets and the competitor with the  
highest aggregate over the total number of targets is the winner.If there is a tie for the final six positions it shall be broken by a countback, first  
in rounds of 25 and if still unbroken by a countback of actual targets missed.The U.I.T. 'FINALS' SYSTEM only applies for the overall placings. For all  
other categories results are determined over the programmed targets only and  
ties are broken by full rounds of 25 targets.**A PRACTICAL EXAMPLE**

**1990 STATE ISU TRAP CHAMPION**As the Zone Eliminations are open to all competitors, a shooter may compete  
in one or all four of these 75 target events.The 1990 State ISU Trap Champion and Junior Champion will be determined  
by the aggregate of the competitor's highest score out of the 75 targets in any of  
the four Zone Eliminations plus the 200 targets of the State Olympic Trap  
Championship, therefore a total of 275 targets.The Overall High Gun Winner (275 targets) will receive a Beretta A303 Trap  
Gun, Gold Victoria Badge & Sash.The Overall Junior High Gun Winner (275 targets) will receive 2 cases of 'AA'  
shells and sash.

ACKNOWLEDGE THE SUPPORT OF WINCHESTER  
(AUSTRALIA), H.E. ALLEN BELLARINE ROD 'N' REEL,  
BOB & ELIOT REID'S SPORTS STORE.

## ZONE ELIMINATIONS

These Eliminations are to be conducted on either an Olympic Trap or Ball Trap layout. They are open to all competitors regardless of zone, but the Zone Team must be selected only from competitors who are registered with a club in that particular zone.

### EVENT

75 targets plus a 25 target 'final'.  
'Flash' targets will be used in the 'final'.  
The programmed 75 targets will be used to select the Zone Team and these targets plus the 'final' will determine overall placings.  
If a competitor has no ISU grading then their DTL grading will be used.

### NOMINATIONS

\$25 OPEN  
\$20 JUNIOR\*, LADY, VETERAN  
\$2 optional sweep each 25  
\$5 optional purse overall

\*Note: Under ISU rules a Junior is anyone under the age of 21 as at the 31st of December for the current year. Juniors can be eligible for both classes if the full nomination is paid.

### ZONE TEAM

Only competitors who are registered through a club in the zone are eligible.

The top 8 Open and the top 4 Junior competitors over the 75 programmed targets will form the Zone Team which will represent their zone in the Zone Teams Match to be held in conjunction with the State Olympic Trap Championship.

TIES FOR ZONE TEAM POSITIONS WILL BE DECIDED BY COUNT-BACKS.

In the event of a Junior, who has nominated in both categories, finishing in the top 8, another Junior will be selected and placed in the Zone Team.

Registered zone competitors who finish in places 9 to 12 in the Open category and 5th and 6th in the Junior category will be emergencies for the Zone Team, but will be eligible to compete for a position in the State Training Squad.

Representatives of the Zone Teams will be notified by mail of their selection in the team and they will be required to notify the State ISU Committee if they will not be attending the State Olympic Trap Championship in November so emergencies can be contacted to fill their position.

A Zone Team Badge will be awarded to each team member at the commencement of the Zone Teams Match at the State Championship.

### TROPHIES

The overall winner of the Zone Elimination will receive a sash and one case of 'AA' shells.

Winners of A, B, C grades and the Junior category are to receive a ribbon and a half case of 'AA' shells.

Second placegetters in the four categories are to receive a quarter case of 'AA' shells.

A trophy will be provided in both lady and veteran classes if there are three or more entrants in either category.

Only members who actually compete for their zone in the Zone Teams Match are to receive a Zone Team badge.

(See STATE CHAMPIONSHIPS for Zone Teams Match trophies.)

## STATE CHAMPIONSHIP

To be conducted at the Melbourne Gun Club on November 24 and 25, 1990.

### EVENT

200 targets Olympic Trap plus a 25 target 'final'.  
'Flash' targets will be used in the 'final'.

### NOMINATIONS

\$65 OPEN  
\$40 JUNIOR, LADY, VETERAN  
\$2 optional sweep each 50 targets  
\$10 optional purse overall

### CATEGORIES

#### 1. STATE OLYMPIC TRAP CHAMPION

The State Olympic Trap Champion will be determined over the full program of 225 targets.

The overall winner is to receive a sash, 2 cases 'AA' shells, Silver Victoria Badge.

#### 2. GRADES

Grades AA, A, B, C and Juniors will be determined over the 200 targets only.

Each winner of these categories is to receive one case of cartridges and a ribbon. Second placegetters in all of these categories are to receive a half case of cartridges.

If there are three or more lady and veteran entrants a trophy will be provided.

#### 3. INTERSTATE POSTAL TEAM

The Open and Junior team will be selected over the first 100 targets of the State Title.

The top six scores form the teams. Countbacks will determine ties.

Scores for the postal teams are taken over the second 100 targets of the State Title, and a Team High Gun sash will be awarded in both Open and Junior classes.

The Open High Gun to receive a Silver Victorian Badge valued at \$100.

An Interstate Teams Badge is awarded to each member of both teams.

#### 4. STATE SHOULDER TO SHOULDER TEAM

The first three Victorian placegetters over the 225 targets of the State Title will form the team.

This team will compete at the National ISU Carnival in a head to head competition against other competing states.

Members of this team receive a State shooting jacket, T-shirt, track pants and VCTA cap.

#### 5. STATE TRAINING SQUAD

The top six Open competitors and the top two Juniors over the 200 targets of the State Title form the Training Squad.

If a Junior shooter qualifies for the Open Squad, another Junior will be selected.

The only stipulation on the eligibility for the Training Squad is that all members of the Squad must be members or emergencies of their respective Zone Teams.

All members of the State Training Squad are to receive free nominations for the National ISU Carnival to be held at the International Gun Club in 1991. These nominations must be taken by the shooter who wins the right to use them. If the squad member cannot attend the National ISU Championships then the nomination fee is returned to the State ISU Fund.

#### 6. ZONE TEAMS MATCH

All members of each Zone are to shoot at the 200 targets of the State Title with the highest four Open scores and the two highest Junior scores to count for the team aggregate.

The winning team is to receive six cases of 'AA' shells and a trophy to those shooters whose score counted for the team aggregate.

7. THE JUNIOR HIGH GUN WINNER FROM EACH ZONE (275 targets) will receive a custom fitted shooting jacket.

Note: Zone winners must be registered in the zone.

## COACHING IN OUR NORTH EAST ZONE

So far this year clubs have been somewhat reluctant to call on me for assistance mainly because activity has been slow or non-existent.

St James Gun Club and Colbinabbin Gun Club officials have spoken with me to arrange further Coaching Clinics and along with Deniliquin, Shepparton and Wangaratta Gun Clubs appear to be the only ones willing to perform along these lines.

Mathoura Gun Club is another keenly interested, eager to join the VCTA North East Zone and seek my assistance regularly.

Recently I had the pleasure of being present at the North East Zone Secondary College Annual Shoot conducted at Shepparton and gratefully sponsored by Winchester. The club is to be complimented for the support given and much of the arrangements prior to the day. Officials Bill Eagle, Glenn Woodhatch, Terry Bannan, Ron Trail, Alan Sims plus club officials from most clubs contesting the day's competition were very conspicuous performing a task with calm confidence.

Numbers of young shooters were up on 1989 with some 160 students being present. I for one was surprised and disappointed there were not more young ladies present but we look to 1991 with the hope there will be a rise in both the boys and girls in number.

The North East Zone Championships will be over by the time this comes to press, however a full report of the shoot will no doubt be supplied and printed in due course.

Per medium of our ACTA News may I appeal to all coaches, accredited, or non-accredited, throughout our zone to contact me regards accreditation and their respective activities as regular reports are expected, wanted and above all required for our coaching program to progress.

During the past weeks I have received details from some of our Zone Clubs with regards to Coaching activities. St James Gun Club is continuing to perform well with Phil Pettit looking after junior and novice shooters at their shoots. Deniliquin is also one club which is taking a very keen interest in their young shooters. Colbinabbin has conducted training clinics which is pleasing to hear. Euroa has again been able to establish a regular school training program and Shepparton Club is being kept busy with two or more schools participating in firearm training. Benalla Technical School is another which performs well yearly and 1990 is no exception.

While I have had no response from Wangaratta, Echuca, Numurkah, and Kyneton Clubs I believe school training is strong in those areas. However, I would appreciate some feedback so it can be passed on to our State Coaching Director. Bendigo has appointed a coach but little if any action is contemplated.

Mansfield Club is ready and willing when official confirmation has been received and I will be attending that training as soon as I am advised accordingly.

I regret I was unable to be present at our Zone Championships due to a third trip to hospital, but now that I am out and about again I sincerely hope I can make up for lost time.

Clubs have only to contact me if they require my presence and assistance and I will do my very best to fit them in with other scheduled clinics.

Meanwhile I will see you where they shoot straight.

Jeff Boots  
North East Zone Coach

## MARYBOROUGH TIT BITS, QLD

Some of the best shooting in the world happened in the clubhouse at Bundy while waiting for the heavy rain to stop so we could carry on with the completion of the 100T DB DC. Trump of the day was Rob Rehbein 99/100 taking OA badge. I. Rutherford FM HG

dipped into the cash along with P. Winzen, S. Plath, T. Millman, K. Rehbein, K. Palmer, K. Zipf, D. Jones, K. Vicary, N. Dale, G. Sergiacomi, P. Pagliarino, P. Rehbein and Dave Griffiths who has been transferred from Bundaberg to Maryborough — welcome to Maryborough and good shooting Dave.

Maryborough 22/4/90. At last the sun has come to a shoot, the first without rain this year and a great day for our Jim Kinghorn Memorial Trophy Day. Vern Beyer of Robe Club, SA, took out the A grade 25T DB Cont along with the 10PR DR. He unfortunately missed the jackpot by the last target, bad luck Vern, hope you enjoyed your day and call again. Fred Foon of Wonthaggi, Vic, shot B grade 25T DB Cont, 2nd in 25T DB Handicap and took out B grade in the DR, a good effort. Trevor Petersen (Pedro) of Bundaberg won the Jim Kinghorn Memorial Trophy 25T DB Handicap, B grade 25T DB Pts. Ian Gregory C grade in the 25T DB Cont, Dave Neilsen third in the DB Handicap and C grade in the 10PR DR. Les Sidwell took C grade 25T DB Pts and the FM HG. Neil Berry won the OA and A grade in the DB Pts along with the day's High Gun.

Gympie 8/4/90. This shoot being the first round of the Near North Coast Shield Teams Shoot with clubs and their dates being Maryborough May 27, Murgon July 22, Sunshine Coast September 16, Kingaroy November 4. Results on the day were R. Fett A grade HG, K. Greensill B grade HG, G. Osborne C grade HG.

29/4/90 — Bundaberg shooting one week early to leave their shooters free for the Gemfields State Carnival . . . Good thinking, Bundy.

Vern Beyer and Fred Foon still lurking around the shoots using the floods as an excuse, I suppose it is better than no excuse at all.

Some top shooting on the day by Rob Rehbein who took the OA HG. FM HG went to I. Rutherford, winners of the D/D after a good shoot-off were Peter Pagliarino and Paul Rehbein 37/37.

5, 6, 7 May, Gemfields State Carnival — Rob Rehbein appreciated the change of shooting day from Bundy, he had a most successful time at the State Carnival. Event 1 OA & AA (Win-

chester Pointscore), Event 5 AA (State SB) and the Overall High Gun which qualified Rob second in the five-man team for the Perth Nationals 1991. To keep Rob quiet at the breakfast table his wife Kay came 3rd in the Pointscore and Ladies DB with a 2nd in the Handicap shooting 58 straight, this fine shooting gave Kay the Ladies OA HG. Great shooting Rob and Kay. If you want a caddy for Perth expenses paid I am packed and ready in a flash.

Some Bundy shooters with a free day got lost going to Kingaroy with K. Palmer being 1st in B grade DR and G. Sergiacomi 2nd in DR and a metre for his trouble in the Handicap. T. Millman took 1st in C grade DR.

Gympie 13/5/90 — 100t DB C'ship: OA: R. Fett; AA: G. Fett; A: Bill Stolberg; B: L. Beattie; C: S. Edgerton. The jackpot was taken out by D. Gardner, good shooting Dave.

A special mention for the Gympie shoot on November 11 with a 9am start where a Mounted Gold Nugget valued at \$1100 will be shot for. The nugget has been kindly donated by Sylvia and Bill Edgerton. I have seen this nugget and it is a beauty.

27/5/90 Maryborough — Heavy rain cancelled the near North Coast Team Shield Shoot, new date to be arranged. However, some shooters continued with our club shoot as the rain poured down and a special thanks to those shooters from the Australian Showmans Gun Club and Roley Palmer on holidays from NSW who helped with the numbers. The major event of the day was the 100t Continental with Charlie Miller taking the honours. A special mention and thanks to Leonie Holland for helping in the kitchen. Vice-President of the Showmans Gun Club Billy Wood took home the jackpot of \$100 after some good shooting.

The best news is that Harry Walker had his first practice since he tried to put himself into orbit in November. He was to commence competition on the Sunday, but the day was only for the very fit.

Good shooting to all, till next time.

See you at the shoots,  
Lost Bird

# 1990 A Vintage Year for Winchester

## WITH 6 OUT OF 7 NATIONAL OPEN TITLES GOING TO WINCHESTER SHOOTERS

Winchester's target load shotshells continued to dominate the Nationals. Once again shooters who chose to use Australia's best performing ammunition won!:- 38th Double Barrel, 36th Single Barrel, 29th Australia/New Zealand Points, 50th Champion of Champions, 30th National Double Rise, plus the Overall High Gun Award.

1990, another excellent year for Red (and Gold).

# Beretta

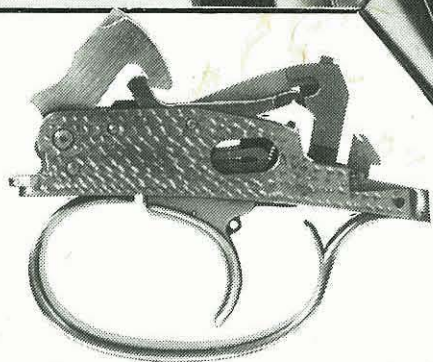

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- \* Low profile action for unsurpassed pointability.

## ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

Field removeable in one, split second motion for quick inspection, cleaning or in the unlikely necessity, immediate replacement with the spare mechanism supplied with the gun. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped mainsprings. Lightning fast lock times.

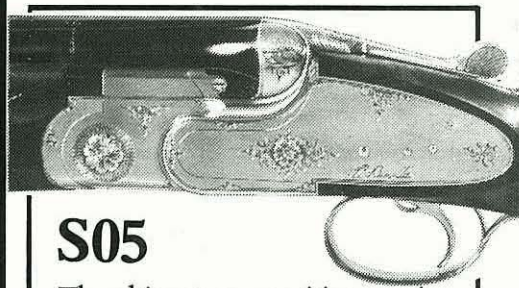

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- \* User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- \* Advanced dimensioned quality walnut stocks.
- \* Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- \* Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

## 682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

## S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
