Note: Delegates' register will be open from 7pm, closing at 8pm.

CONDITIONS OF ENTRY – NATIONAL TRAP CHAMPIONSHIPS

1. In the event of any shooter not being able to produce his/her handicap card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. NOTE: A \$20 fee will be charged for the issue of any duplicate handicap card.
2. Squads of 6 to shoot 50 Targets/75 Targets in brackets of 25 one visit only to the traps for all events except the National Double Barrel Championship where squads of 6 shoot 100 targets in two visits to the traps. Double Barrel refer Point 22.
3. While shooters may request to be squadded in the same wave as other shooters, under no circumstances are shooters allowed to arrange their own squads. All squads will be determined by the Nationals Office, whose decision shall be final.
4. Each shooter is to take enough cartridges to shoot at 50 Targets/75 Targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. Should the two minutes time limit be exceeded by any shooter then a penalty of the LOSS OF ONE TARGET shall be incurred.
5. Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination shooters will be resquadded towards the end of the event.
6. Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.
7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooter's signature will be credited with the lowest recorded.
8. The persons designated to referee and score must fulfil their obligation to do so. Failure to either referee or score will incur a penalty of the LOSS OF ONE TARGET IN THE NEXT EVENT. Should a following event not be programmed then the penalty of the LOSS OF ONE TARGET will be incurred in the event concerned.
9. Any unauthorized shooter interfering with or attempting to interfere with the trap will be penalized FIVE (5) TARGETS.
10. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with the appointed jury.
12. Optional sweep/purse nominations shall be noted on a separate form from shooting nominations. Entries for sweep/purse will only be accepted at the designated area, which shall be at a different location from the area accepting shooting event nominations.
13. Optional sweep/purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
14. When team selection is involved, shooters shall be eligible for the open team as well as section teams irrespective of the section nominated for. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.
15. Persons paying a reduced nomination are considered eligible for all High Gun Awards, Section(s), and Overall. Competitors must compete in a clear majority of programmed events to gain High Gun recognition.
16. The Overall Winner in any event shall not be eligible for additional recognition in any Grade or Section (full nomination). Competitors other than the Overall Winner in any event shall be eligible for recognition in any Grade or Section in which they are eligible to compete (full nomination). Competitors entering in any specific section of an event shall only be eligible for recognition in the section entered (reduced

nomination). ONE NOMINATION ONLY MAY BE PAID – OPEN OR SECTION.

17. A minimum of three persons must compete in any grade or section including high gun before sashes, medals, trophies are awarded irrespective of nomination paid.
18. Competitors using automatic shotguns during the National Championships may recover their empty shells providing they have obtained an automatic I.D. card when nominating.
19. Nominations will close daily at 11.00 a.m.
20. The practice of card playing at the National Championships is prohibited in areas embracing the club rooms, bar, dining areas or such areas as may be determined from time to time.
21. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee whose decision shall be final.
22. DOUBLE BARREL — Any shooter who is late for his/her second round of 50 targets shall incur the loss of one target and be re-squadded towards the end of the event.

TRAP NATIONALS – CARTRIDGES

SHOOTERS INTENDING TO COMPETE IN THE 1991 NATIONAL TRAP CHAMPIONSHIPS ARE ADVISED THAT CARTRIDGES WILL BE AVAILABLE FOR PURCHASE FROM WINCHESTER AND SCORPIO, BOTH OF WHOM ARE LICENSED TO THE A.C.T.A. FOR CARTRIDGE SALES ON THE GROUND FOR THE PERIOD EMBRACING THE PRE-NATIONALS AND NATIONAL CHAMPIONSHIPS.

CARTRIDGES OTHER THAN FROM LICENSED SUPPLIERS, WINCHESTER AND SCORPIO, WILL NOT BE AVAILABLE ON THE GROUNDS DURING THE PRE-NATIONALS AND NATIONAL CHAMPIONSHIPS.

HANDICAPPING – NATIONALS 1991

To make it easier for all concerned — office staff, handicapper and shooters — we would like all shooters to please note and adhere to the following points:

1. Please present your current 1991 handicap card for stamping before nominating. Also your up to date 1990 card.
2. Nominations will not be accepted unless cards are stamped by the handicapper.
3. Any shooter unable to produce a 1991 handicap card, must produce a club receipt as proof of ACTA registration.
4. Such shooter shall be allowed to compete on handicap and grade given. But any moneys or trophies won shall be held by the ACTA until proof of handicap and grade are verified.
5. Rule 2.1(m). Should it be found that a shooter deliberately misled Management regarding his grade and/or handicap, the shooter will be suspended for a period of three months.
6. If an error is made on your card, have your club secretary or handicapper neatly rule out the error, rewrite it correctly, stamp and sign it.
7. Any obvious low scores entered on handicap cards just prior to the Nationals that enables a shooter to be downgraded, will not be taken into consideration. Rule 2.7(a).
8. Please watch the handicap board, if your name appears on the board, please report to the handicapper's office.
9. If you do not wish to be downgraded, please advise the handicapper's office.

Scoreboard.....Clive Shepherd
Handicapper.....Elaine Forward
Jury.....Rule 4.14(a) & (d)
Executive Director.....Alan J. Maher

CONDITIONS OF COMPETITION – ENTRY

Entry into the 1991 Australian Trap Championships is open to all shooters who are registered for 1991 with the Australian Clay Target Association. Temporary honorary membership will be offered to overseas visitors who can produce evidence that he or she is a current financial member of their home country's equivalent body to the Australian Clay Target Association.

Australian competitors must produce their 1990 and 1991 registration cards, before nominating, to the 1991 Nationals Official Handicapper. Where a competitor was not registered for 1990 he must produce his 1991 registration card.

DIVISIONS

The competition will be divided into a number of divisions except in the 39th Australian Double Barrel Championship, where there is a separate Australian Women's Double Barrel Championship and an Australian Junior Double Barrel Championship, as well as the 37th Single Barrel Championship where there is a separate Women's Single Barrel Championship.

Shooters may only nominate in any one section of an event – Open, Ladies, Junior, Veteran.

Shooters who are eligible for, and elect to pay a reduced nomination (60% of open nomination) to enter a specific section, shall be eligible for the section entered, as well as all High Gun awards.

A minimum of three persons must compete in any grade or section before sashes/medals/trophies are awarded.

When team selection is involved shooters shall be eligible for the open team irrespective of the section nominated for. In addition to open teams, shooters shall be eligible for team selection for the section nominated, Ladies, Junior or Veteran.

To be eligible for selection or naming in any team, competitors must have competed in a clear majority of programmed events.

AGE QUALIFICATIONS

Veterans – are those competitors over the age of 65 years on April 6, 1991.

Juniors – are those competitors who, on April 6, 1991 will be under the age of 18 years.

STARTING TIME

Each day's event shall commence at 8.30am with the exception of the National Double Barrel event which shall commence at 8.00am on Sunday April 7.

Shooters who fail to appear in time for their squad will forfeit their nomination. Upon the payment of a second nomination shooters will be resquadded towards the end of the event.

Should a shooter being late for his squad then elect to withdraw from the event he shall not be eligible for any refund of nominations paid.

CARTRIDGES

Cartridges of the competitor's choice may be used in all National Championships. Cartridges will be available for purchase at the National Championships from Winchester and Scorpio both of whom are licensed to the ACTA for cartridge sales on the ground for the period embracing the Pre Nationals and National Championships.

TARGETS AND TRAPS

Targets through the program are to be magpie and will be supplied by Winchester Australia. All targets thrown remain the property of the organisers.

All throwing equipment will be electronically operated.

CLASSIFICATIONS

It is the responsibility of the competitor to see that their entry is correctly classified – an indication can be obtained from the daily scoreboard.

This applies to trap grades, open, ladies, juniors and veterans divisions.

Contestants are reminded that regrading and rehandicapping will be carried out on a daily basis, where required by the rules.

Ladies, Juniors and Veterans who have elected to enter the open section will be indicated on the High Gun Scoreboard as: OL, OJ, OV.

PRACTICE

Practice, subject to trap availability, will be available throughout the championships. Tickets may be purchased at the designated area.

CASH PRIZES

Cash prizes will be awarded in all events with the exception of the Grand Australian Handicap and Deauville Doubles, to the Overall winner and the winner of each grade.

The cash prize for the overall winner shall be calculated on 50c per nomination, the grade winner shall also be calculated on 50c per nomination.

SHOOT-OFFS, CONTINUATION OF EVENTS

If, for any reason, the event cannot be completed on the day it commences, the management reserves the right to stop shooting at any time if considered necessary.

In such a case, the competition will recommence where it left off, on the following day.

The Association's Executive Committee, through the Tournament Organising Committee, reserves the right to, at its discretion at any time prior to the commencement of any event on the 1991 National Trap Championships program, change or modify the program in any way.

GAMBLING IS NOT PERMITTED ON EVENTS STAGED BY THE AUSTRALIAN CLAY TARGET ASSOCIATION

SERVICES AND FACILITIES

Catering

The catering service will be provided by an outside contractor. Arrangements are being made for meal services to be available with an extensive but practical menu.

Trade Displays

Commercial organisations associated with clay target shooting have supported the tournament by establishing displays of

Cont'd over page

Cont'd from previous page

products connected with the shooting sports. These displays will be located in an area specifically designated for trade exhibits. Competitors and visitors to the ground are encouraged to support these trade displays as, in this way, exhibitors can be encouraged to maintain their support for clay target shooting.

Parking

Ample parking is available for the cars of competitors and visitors. The parking area will be clearly marked. Please do not park in any area as being reserved, as freedom of movement is required at all times — PLEASE CO-OPERATE.

Souvenirs

In addition to a variety of souvenirs which will be offered by commercial supporters of clay target shooting the Australian Clay Target Association will merchandise a souvenir 1991 National Championship Badge.

Each member shall have been resident in Australia for at least 12 months. The 30 shooters having the highest aggregate score from Australian Double Barrel Championship, the Australian Single Barrel Championship and the Australia/New Zealand Trap Championship (pointscore) will comprise the team.

In the event of a tie, a shoot-off will be arranged under the terms and conditions directed by the organising committee, to determine places in the team.

TRAP NATIONALS ACTIVITIES

HIGH GUN PRESENTATIONS

A presentation dinner will be held at the conclusion of the National Trap Championships at which all High Gun winners will be presented with their trophies.

The dinner will be held at the Langley Plaza Hotel in Adelaide Tce, Perth, with tickets available at the Whiteman Park Shooting Complex from Darrell Weise throughout the Trap Nationals.

Tickets are priced at \$30.00 per head with a complimentary ticket to be made available to each of the four High Gun winners, who are expected to attend to receive their awards. Tickets are limited and certain to be sought after for what promises to be a memorable close to the 1991 National Trap Championships.

WA STYLE BBQ

A BBQ in traditional WA style will be held at the conclusion of the Double Barrel Championships on Sunday 7th April on the grounds of the WA Gun Club.

All participants and friends are invited to participate in this relaxing social happening.

If a qualifier cannot take his place in the team, his place will be filled by another shooter agreed upon by the organising committee.

The shooter with the highest score in the International Teams Match (pointscore applies) will be presented with the J.M. Bauman International High Gun Cup, the ACTA High Gun medal, together with an ACTA Silver Australia badge, and the International High Gun sash.

WINCHESTER

JUNIOR SHOOTING

Leeton Clay Target Club's Second Annual Junior Shoot attracted nineteen junior shooters from eleven to seventeen years of age.

Competition was keen with juniors coming from Ganmain, Hay, Coleambally, Albury, Grenfell, Leeton, West Wyalong, RAAF Point Cook and Victorian Gun Clubs.

Mounting guns shortly after 12.30pm the Juniors set about giving some of the "oldies" a shooting lesson.

S. Ceely, N. O'Brien, M. Joyce, G. Tiffen, C. Howden and S. Pinner all shot the possible in the the Stgt DB eye opener.

In the 25tgt DB off 15 metres with sights on the Overall Junior Perpetual "gun" sponsored by Leeton Steel Retail P/L plus trophy and sash sponsored by Steve Guest Mechanical Repairs, S. Ceely, J. Shields, G. Tiffen, P. Dunstan and D. Graham all brought in scores of 24/25. By now the battle was on with all boys shooting well. Peter Dunstan from Albury was the victor with 38/39 from S. Ceely 37/39.

Morgan Joyce shot 42/44 to win the Sub-Junior Perpetual Trophy plus the Leeton Auto Gear trophy and sash from Shane Pinner 41/44.

The Bill Aliendi Riverina Butchery ribbon and trophy for 17 years group went to Jason Shields 24/25; Greg Tiffen took the Fulton and Sheldrick Real Estate ribbon and trophy for 16 year olds; the Murrumbidgee Mobil ribbon and sash for 15 years went to Scott Ceely; Denzil Graham top scored with 24/25 in a group of eight 14 year olds to win the Steve Curry Butchery ribbon and trophy; the Lloyd Pilkington Menswear ribbon and trophy for 13s went to Morgan Joyce; Shane Pinner was the best 12 year old with 23/25 to win the Tasty Treat Cafe ribbon and trophy; the Narrandera Guns and Gear ribbon and trophy for 11 years was won by Scott Schmetzer with 22/25.

With the Berrivale Junior and Sub-Junior Shields still to be won all were keen to get on with the 25tgt DB Handicap after a short break for afternoon lunch.

The 2 person Junior Team winners were Morgan Joyce and Craig Howden with a splendid score of 48/50.

The Sub-Junior Team winners were 11 and 12 year olds Scott Schmetzer and Shane Pinner with 43/50.

Nathan O'Brien and Peter Dunstan, both with 25 shot off for the Overall trophy; Peter was the victor with 38/39. This effort gained him a 50 break badge and Nathan took the Junior division. Denzil Graham had to shoot 40/41 to win second place from four others who all filed scores of 24/25 in the event. Morgan Joyce with 24/25 won the Sub-Junior division from Shane Pinner second with 23/25.

Greg Tiffen won the Ianelli Trucks and Tractors High Gun Sash from Peter Dunstan in a shoot off gaining him a total score of 57/59.

• Aspiring Juniors proudly show other trophies.

SHOTSHELL CODING

Ross Williams has been writing a weekly shooting column for the sports section of *The Weekly Times*, Australia's biggest-selling rural newspaper, since 1977. The following article is reprinted by permission from that column.

Many moons ago, I took some reloaded shotshells from a pouch which had lain untouched for some time. It then dawned on me that I didn't have a clue about the contents of the shells. The weight of the shot charge, the size of the pellets, the wad and the nature of the powder charge were all in doubt.

What if I had thought the reloads contained sevens or nines and let fly with a bunch of SGs at a clay target ground? Or tried to down a lamb-killing boar with a trap load? Clearly the mystery rounds were not only a nuisance but a safety hazard.

Once I used to code-mark every reload. Then, as my loading activities expanded, I began to cut corners.

Eventually I decided that I only needed to pencil details on the storage boxes, avoid mixing different loads in my jacket pockets or whatever and return unfired cartridges to the right containers.

Then somewhere along the line I had the lapse which left unidentifiable cartridges in the pouch. I had fallen into the old, old trap — telling myself that I wouldn't let a mix-up happen instead of making sure that it couldn't happen.

So, suitably chastened by the experience, I went back to my original practice.

Code marks must be applied with something that is durable yet easily erased. Most felt-tipped markers with spirit-based ink seem to work well — the marks resist rubbing when dry, but turps wipes them off in a flash. Water-based ink is useless.

The code itself has to be as simple and unambiguous as possible. It hinges on the variety of loads employed by the individual: for example, if you never change anything except the shot size, you only need to write the appropriate letter or number (SG, 3, 6, 7 etc).

On the other hand, if you require a comprehensive code, you could try the following:

★ On one side of the base write A, B, C, D, E or F, representing 25, 28, 30, 32, 34 or 36 grams respectively, plus the shot size. Thus D6 would stand for 32 grams of No. 6.

★ On the other side of the base, write three letters.

The first letter stands for the powder charge. For example, A might indicate "19.5 gns Green Dot", B might indicate "24 gns Vectan A1" and so on.

These letters plus their meanings are recorded in a notebook, even though it doesn't take much to remember the details of the more commonly used charges. If you run out of alphabet (and only the most avid experimenters will), you can use the letter as the symbol for the powder and write the charge weight in front of it.

The second letter represents the wad. Here you can establish a pattern that is easy to remember: W for "Winchester AA white", P for "Winchester AA pink" and so on.

And the third letter? This stands for the primer. Again a pattern based on initials is possible — F for "Federal 209", say.

Thus the sequence AWF would mean the shell contained 19.5 gns of Green Dot plus an AA (white) wad and Federal 209 primer.

★ If anything extra has been done, such as shortening the petals on the wad, dividing the shot charge or placing a card wad in the bottom of the shot cup, it can be covered by an additional letter. Examples might be: C for "cut petals", L for "longitudinal dividers", D for ".135 inch card wad insert" (D because it is the first letter of the word "disc").

★ In like fashion, times fired or times reloaded can be shown as a number on the brass wall.

There is no need to include details of the hull and crimp in the coding system, for we can tell what we have by looking at the hull itself.

RULE CLARIFICATION — ISU SKEET

GUN POSITION

The current edition of the UIT's Special Technical Rules for Clay Target Shooting (dated 1st January, 1989) clearly outlines the requirements for gun position and jacket marking in ISU Skeet events.

These rules state . . .

S.6.23a "Until the target appears the competitor must stand in the ready position with both feet in the shooting station boundaries holding the gun with both hands (see Fig. 1). The gunstock must be in contact with the body of the shooter with the toe of the stock on or below the marking tape (see Fig. 1) and must remain in that position until the target appears.

S.6.23b No prolongation of the gun butt is permitted. To aid the referee in controlling the position of the gun, a mark approximately 25cm long and 2cm wide **MUST** be permanently affixed (see Fig. 1) on the right side of the outer garment (left side for left hand shooters) according to the height of the crest (top) of the individual's hip bone. The outer garment is any shooting coat, vest, sweater, shirt etc which is worn by the shooter and visible to the referee and jury during shooting."

The points that need emphasising from the rules are as follows:

1. The gun position may be anywhere on or below a line from the crest of the hip bone to the centre of the stomach (approx).
2. Shooters jackets **MUST** have a marking tape **PERMANENTLY** affixed to their jackets.
3. The gunstock must be touching the body.

The rules relating to these points are clear and the penalties applied to each breach of the rules are laid down (a warning for the first infringement, followed by the loss of one target for subsequent violation).

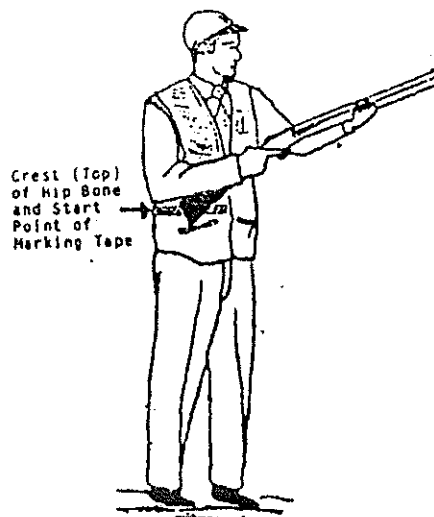

Figure 1
Ready Position

As incorrect gun position is a breach of the rules, so is the failure to have a permanently affixed mark on the shooting jacket. For many years, shooters have seen it as the responsibility of referees or jury members to 'tape' competitors prior to commencing a competition. This is not correct. As having a tape permanently fixed to the outer garment is a mandatory requirement of entry to the competition, it is the responsibility of the shooter and shooters who do not comply with the rules may be penalised accordingly.

LETTER TO THE EDITOR

Dear Sir,

WHAT'S GOING ON??

Victoria by the roster system used was to host the 1991 Skeet Nationals. They have always, since their inception been conducted in November, but because of the 1991 World Championships to be held in Perth W.A. during that month, it became necessary to make a change of date for these titles.

We were led to believe the club where the titles were to be hosted had a problem with the date selected in that weather conditions could be unfavourable at that specific time. The month of May was then mooted as the preferred date to hold the titles by the selected club.

However regardless of unpredictable weather conditions, September appeared to be the most suitable time and was supported by the majority of states for valid reasons that can be explained. This we believe was confirmed after two postal votes were taken from within the National Executive.

Whilst we have no desire to get involved with the politics that exist at VCTA administration level, we are prepared to get involved far enough to request an explanation as to why our club after hearing of the problems, made a genuine offer to provide the facilities necessary to host these titles during September, the month selected by the ACTA (copy of letter herewith).

The VCTA has not as yet acknowledged our offer in writing or given any explanation as to why our club was not acceptable. Our enquiries have gained the knowledge that the Skeet Nationals have been handed back to the National Body to be allocated elsewhere. Perhaps the Skeet Shooters' representative on the National Shooting Committee could explain why he has allowed this tournament to leave Victoria when in fact the ACTA wanted the 1991 Skeet Nationals in this state.

The Victorian Government, if not today has in the past assisted our sport with the allocation of funds badly needed for the development of our sport. They no doubt will be delighted to hear the VCTA has returned the 1991 Skeet Nationals and allowed them to be hosted in, and by, another state.

Mildura Gun Club has also contributed to and supported the development of the sport, and given the opportunity will continue to do so.

It appears to us, some of the decisions made for the 1991 Skeet Nationals have been made by the selfish few, and not in the best interest of the sport.

Yours faithfully,
Laurie Connors

For and on behalf of the committee and members
Mildura Clay Target Gun Club Inc.

EDITOR'S REPLY

The National Skeet Championships were allocated to Victoria for 1991. With the World Championships being held in Perth it became necessary to depart from the traditional November period with September being considered by the Executive Committee as being the most suitable month in which to shoot the Championship. This decision was relayed to the VCTA who in turn advised of their preference for the month of May as the grounds of the Melbourne Gun Club, the competition venue, were in danger of being flooded in September due to the unpredictability of the weather.

With a second Executive vote being taken the result produced a clear majority of votes against May with the votes not in favor of May clearly favouring Victoria as the host state if a suitable venue could be obtained by the VCTA.

This decision was then given to the VCTA who after discussing the matter at a meeting of their State Council decided against hosting the Nationals at other than Melbourne Gun Club in the month of May. As a result of the decision taken by the VCTA the Skeet Nationals were offered to and accepted by the NSWCTA who will host the Championships at Wagga Gun Club from September 12th to September 15th.

The ACTA did not at any time receive advice from the VCTA as to the availability of an alternative venue in Victoria during the preferred month of September therefore I am unable to offer any explanation as to why the VCTA may have considered your club unacceptable, similarly I am unable to assist with any explanation as to why your club's offer to the VCTA has not been acknowledged.

Should further information be required I would suggest that you approach the VCTA on the matters that you have raised.

Alan J Maher

EDITOR'S MAILBOX

In reply to the letter of February 28 directed to all members of the ACTA Executive regarding the 1991 Skeet Nationals from Mr Laurie Connors.

As a member of the Management Committee and also one with a major involvement in the re-organisation of the national association, I felt obliged to make some response.

At the outset let me say that I can understand and sympathise with the obvious frustration felt by you and your club. I would also like to make clear that I have no axe to grind regarding this matter.

After the Skeet Nationals were awarded to Victoria normal practice required the VCTA to allocate the venue to an affiliate club and recommend that for acceptance by the ACTA. At no time has the VCTA proposed a venue other than Melbourne Gun Club.

Although members of the National Executive may have privately sympathised with your club's bid, had the ACTA awarded the venue to a club other than that recommended by the VCTA the screams would have been heard across the land. The VCTA could have justifiably claimed undue interference in state affairs by the national body and, I have no doubt, other state associations would have "come out" in sympathy with the Victorians.

I personally believe that the ACTA had to act cautiously and whether we did so in the best interests of the sport possibly remains to be seen. For the smooth administration of the sport and in the interests of national unity, it is essential that the ACTA deals only with the State associations on these matters. The day we deliberately by-pass a State organisation in favour of a club would be the beginning of the end of the national framework, not to speak of the enormous goodwill, that has been painstakingly built up in this sport over the years. It is not a matter of guts — it is a matter of national unity.

Now, I have no wish to comment on the VCTA's actions as that is the preserve of the Victorian affiliate clubs, I can only but suggest that is where you should be directing your attention as I firmly believe that the issue is primarily an internal matter for Victoria.

The ACTA made the allocation to Victoria for a number of good reasons and has been firm in its resolve that the event should be shot in that state.

I am sure that I speak for all the national executive in that had the VCTA recommended a venue other than Melbourne in September it would have been happily accepted.

Yours sincerely,
Robert E. Fox

DESIGNER ATHLETES?

In the years 1985 to 1990, the NSW ISU Sub-Committee designed and implemented a youth talent identification scheme with the objective of enriching and improving the core of ISU shooting in New South Wales. This labour of love, which became known as Project 91, appears to have had some beneficial effect on our younger men and women ISU disciples and those of you who may have an interest in this area may like to speak to Col Burt, David Menck and Brian Prosser about the Project.

Bear in mind that Project 91 was purely voluntary and based on resources available within our sport. Are there any grounds for supposing that with additional resources, such as the help of sports scientists and sports psychologists, a similar project might produce large verifiable benefits? Is it possible to identify, for example, ISU talent before the young person has handled a firearm? The answer to both questions appears to be "yes", if we look to an analogy in another sport.

Dr Allan Hahn, a physiologist at the Australian Institute of Sport, some years ago conducted tests on 77 elite Australian rowers, measuring strength, body dimensions, maximum energy output, oxygen uptake and performance in oxygen debt. The results of these tests were standardized to develop optimum characteristics of successful rowers.

A battery of field tests was refined to identify the necessary characteristics and in 1988 the tests were administered to approximately 500 secondary students. 47 of these students were subjected to further testing in the laboratory and 12 boys and 12 girls who passed this final screening were offered places in a specific training squad to train under expert coaches.

After sixteen months of rowing, crews from among these young people finished second in the junior fours at the Australian Nationals (other good young rowers might take 4-6 years to reach such a standard). Four of the girls and one of the boys were

subsequently selected to compete at the junior world championships in France, where the girls finished fourth in their final and the boys won a silver medal in the junior coxless fours. Subsequently, Allan Hahn said that these performances exceeded his expectations and that this project "will be used as a model for talent identification programs around (Australia)".

Where are we, in clay target shooting, in regard to talent identification and development?

The NSW ISU Sub-Committee has satisfied itself that Project 91 worked and indications I have received are that, properly supported with funds, sports scientists and sports psychologists, a similar project would be even more successful.

We have had in place for some time a five day residency programme at the Australian Institute of Sport. Places are available on this for selected young men and women. We need to take steps to review this programme to establish how cost-effective and beneficial it is.

Talent identification, using scientific measurement of either experienced or untrained shooters is some years away. The reason for this is that we have yet to describe accurately the terribly important skill and psychological elements of our sport. Some sports scientists and coaches are getting a feel for these elements, but a lot of work remains to be done.

The details of Dr Hahn's remarkable work are sourced from the Third Report on the National Sports Research Programme, Canberra, October 1990.

CHAMPIONS OF OUR SPORT

OUR CHAMPION LADY SHOOTERS "TIM" READE 40 YEARS CLAY TARGET SHOOTING By George Biggs ACTA Historian

I am quite sure that "Tim" Reade could lay claim to the title of Australia's longest shooting lady clay target shooter. At my request Tim has given me the story of her forty years shooting clays. My first meeting with Tim was at the old Coburg Gun Club on the Merri Creek in Fawkner about 1950. The Coburg club later moved out to Epping and became what is now the Metropolitan Clay Target Club. "Tim" and myself began our shooting careers at the Coburg club, myself in 1939.

Tim's story goes on to relate her experiences and the many enjoyable occasions at club shoots around the country and of her successes at championship and handicap events in open competition with seasoned male competitors. In earlier days there was not enough lady shooters to warrant a separate section.

Tim started from 12 yards and worked her way back to be the first and only woman shooter to reach the 22 yards in handicap in the old system. Along the way she won quite a few championships all in open competition.

Tim recalls the first day she attended a club for her first crack at shooting clays at Coburg Gun Club. She relates how using a double barrel side by side hammer gun which did not fit her one bit and trying to hit a few targets, left her with a jaw and face twice its normal size. She decided there and then that this was the first and last time for her at clay target shooting. However after discussing her problem with George Biggs who was on the ground — he told Tim not to shoot any more that day and to come back on the next shoot and we will iron out the problems. George explained why the old side by side gun was not suitable for clay target shooting. He lent her his Browning U/O which fitted her

perfectly and after 40 years Tim is still using that gun. Tim would like to thank George for not only teaching her to shoot, but to really enjoy it.

Tim lists some of the events that bring back good memories.

Title events won in open competition.

1. Keilor Plains Mixed Clays
2. Portarlington Grand Prix
3. O/A High Gun Rotary Shoot, Metro club
4. Club Single Barrel Geelong & Werribee
5. North East Zone Mini Tower
6. High Gun First Nationals for Ladies Perth 1970
7. Ladies State D/B 1982
8. 4 times making the Ladies Skeet Team
9. Ladies Commonwealth D/B Shepparton shot from 20m at 40t (37/40)

Tim shot in the 1966 Olympic Games Elimination Event for a two man team, score 94/100.

Tim has been able to shoot very well over the years and makes the comment "George, you are a good teacher and I have been able to pass on what you taught me to quite a few shooters. I have won a lot of championships sashes over the years, but I think the best thing I remember is when you taught me to shoot and enjoy it and if I got a win then that was a bonus."

I would like to hear from our many other lady shooters who have excelled over the years at trap or skeet. Please let's have your story; we have got to show some of the macho male shooters that they do have competition. So come on girls let's have your story. Give me a call on (03) 801 2748.

**ANNUAL REPORTS
BALANCE SHEET AND
ACCOUNTS
31st DECEMBER, 1990**

1990 PRESIDENTIAL REPORT TO THE A.G.M.

The year 1990 will always be remembered by myself as a year of great change, sometimes turbulent, but nevertheless a year of progress for the ACTA. A lot has happened. It has been the busiest year I can remember.

With all this going on you can see when you read the balance sheet, for the year just ended, the financial result was very satisfactory. The Executive is very mindful of the downturn in the economy and will do all it can to control costs for the coming year. But it is up to you, the shooters, to do your part by keeping the membership numbers up. I know this will not be easy, but I appeal to you all to make an all out effort to encourage old shooters to remain and new shooters to join the ACTA. Clubs can do their part by keeping nominations down to a minimum and giving value for money. I do not accept all this talk about doom and gloom, things are what we make it, so let us make this year another successful one for the ACTA.

The office alteration, outside sign and the honour board etc. have all been completed. I can recommend to anyone, that if you are in Melbourne, please call in and inspect the ACTA headquarters. You will be pleasantly surprised. To the people responsible, congratulations on a job well done.

The three National Championships held during the year were certainly well spread, with Perth holding the ISU. I was pleased to see some of the up and coming shooters make the National Training Squad. The highlight of the year was undoubtedly John Maxwell's Gold and Russell Mark's Bronze medals at the Commonwealth Games. Congratulations to both these shooters, well done.

The DTL Nationals were held in Launceston. Numbers were satisfactory considering the championships were held in the Apple Isle. It was pleasing to see the Tasmanian shooters taking home their share of the medals. Especially the interstate shoulder to shoulder teams match.

Lastly, Townsville conducted the Skeet Nationals. I can safely say all those who travelled north were pleasantly surprised with the shoot and the hospitality of the Queensland people. What a great time I had. I was even talked into shooting a few rounds of skeet.

On your behalf I would like to thank the three organising committees for all their hard work and dedication, thus making the Nationals a success.

Guy Boileau was appointed to the position of Director of Coaching — Office Administrator and Antoniette replaced Sandra. Welcome to these two people and I trust their stay with the ACTA will be a long and happy one.

Some changes have also occurred at executive level. Long serving members Neil Hardy and Richard Brook, both from Queensland, have been replaced by Noel Deely and Robert Nugent. George Steele from South Australia was replaced by Graeme Michell. Paul Weis from Northern Territory was replaced by Phil Grove. I thank the old executive members for their contribution to clay target shooting and welcome the new members to the executive. I look forward to working with them. Some people may think once people are elected to the National Executive they sit back and do nothing. Nothing is further from the truth. With the adoption of the new sub-committee re-structure each executive will be expected to do a lot more work, as every executive will be on at least one committee.

I have much pleasure in reporting that The Rt Hon Malcolm

Fraser ACCH has accepted the position of Honorary Patron of the ACTA. I thank him very much for accepting the position.

During October a State Presidents meeting was held to go through and discuss our new constitution together with the re-structure of the ACTA sub-committees. In my opinion this meeting was very successful. A lot of work was done and the input by the State Presidents in making sure the new constitution will contain all the right things was very much appreciated. I ask you all to read this document very carefully in conjunction with the re-structure of the sub-committees, which by the way has become a by-law. Please give your support to its adoption at the 1991 AGM to be held in Perth.

Your executive has opened up discussions with the NZCTA with the view of much closer relationships between the two associations. I believe this can only benefit both bodies. Contact has already been made with the Field and Game to see if there may be any benefits if both parties grow closer together.

I must say a big thank you to the debenture holders who saw fit to support the ACTA some time ago. The money has now been returned to these people, as our financial position is now much stronger than it was.

Perhaps the most important event that took place during the year was the purchase of a new computer/word processor, printer etc. Believe me, the Management Committee did not rush into the purchase of this equipment. Many hours of research were spent by management and members of the Melbourne office. We owe a big debt of gratitude to Alan, Guy and Pud for their help in this matter.

Apart from making the office work more efficiently, the cost saving with the production of the CTSN will be considerable.

Our sport is fortunate to have a small band of supporters and sponsors who help us during the year. Without their help it would be very difficult for us to carry on like we are at present, not only at National level, but at all levels of shooting. I do thank them, on your behalf, for their support.

To the National Executive, thank you for your support and dedication throughout the year. It has been a pleasure to work with such a good team. It makes my job so much easier knowing I have your support. I look forward to the restructure of the sub-committees when you will all be given a job.

The Management Committee has worked very hard this year. Without their help the ACTA would not be where it is today. A lot of big decisions were made during the year and I am sure they were made for the betterment of clay target shooting. I believe it has been the best Management Committee I have worked with. Thank you one and all, particularly my Vice-President, Ross Silvester, who has always given me his total support.

To Guy, Leanne, Tina and Antoniette, the people who keep things moving — without whom I hate to think what would happen — thank you all very much. Let me not forget Alan Maher, always there when needed, very efficient in his job and always willing to help me when asked.

Before I close I would like to mention a few new events that will be introduced during 1991:

At the DTL Nationals we will be introducing:

- (a) A 5 man non-competitive Veterans Team to be named and given a badge, as we now have at the Skeet Nationals.
- (b) A shoulder to shoulder interstate teams match for Ladies and Juniors.

At the Skeet Nationals we will be introducing:

- (a) An open Ladies and Junior Mackintosh type teams match, as we now have at the DTL Nationals.
- (b) A shoulder to shoulder interstate teams match for Ladies and Juniors.
- (c) We will be selecting a three person team to travel to the USA for their Skeet Championships.

Lastly, let us all make the coming year one of promotion of our sport. Not sit back and let it all happen. If we do not promote our sport, I ask who will? Promote the sport of clay target shooting wherever you can, encourage new members to join our wonderful sport.

I thank you for allowing me the honour of being your President.

Jim K. Scott, National President

ANNUAL REPORT 1990

It is my pleasure to be able to present to Members, the 1990 Annual Report and Balance Sheet of the Association. In presenting this report, the traditional format of reporting to members has been adhered to.

EXECUTIVE COMMITTEE

Comprising two appointed persons from each State Association plus an elected President, the Executive of the Association are the body responsible for the sport in conjunction with the four member Management Committee.

During the year no less than four new members were appointed as their State's Representative to the National Executive Committee replacing members who had served in some cases for many years.

Neil Hardy, first appointed to the National Body in 1978 and Richard Brook, appointed in 1987 both of whom gave excellent service in the roles as Executive Members were replaced as Queensland Delegates by Robert Nugent and Noel Deeley. Neil's experience and guidance at Management and Executive level as well as Richard's role as a member of the National Executive Committee will be a challenge for both Robert and Noel, however both have shown in their short term on the Executive that they will be excellent contributors to the future of the ACTA.

South Australia, George Steele and Northern Territory Paul Weis also vacated their positions during the year to Graham Michell and Philip Grove. Graham as State President of SA and Phillip, State Secretary, NT, have both adapted quickly to the responsible National roles and will prove to be valuable members of the Committee. As in previous years, the Executive met on the one occasion only as a full Committee however as members of various Sub-Committees they were active in their roles on behalf of all registered shooters.

With the Executive acceptance of a new structure to administer the sport as from 1991 the coming year should see greater participation and additional responsibility which will no doubt reflect well on the sport in the coming years.

MANAGEMENT COMMITTEE

Once again a very active committee throughout the year, President Jim Scott as Chairman and the Management Committee members worked well as a team throughout the year and instigated many changes that will carry the Association through the challenging years ahead.

As part of the Executive approved Organisational Structure that will be introduced as from May of 1991, greater responsibility will be given to the Management Committee which will in turn place a greater responsibility on those who fill Management roles.

If the Management Committee of 1991 follow the example set in 1990 then the Association will be in good hands as throughout their year of office all members gave willingly of their time and are to be commended for the responsible and careful manner in which they carried out their trusted roles. All decisions made were done with the best interest of the sport and its members the major factor.

RULES COMMITTEE

A very difficult Committee to be a member of as recommendations arising from the Rules Committee have an effect on the sport at its most active level. Criticisms have been made that the Rules would not be reviewed until the expiration of a 5 year period from the previous preview. This is in fact the case with amendments only being made when matters considered important were brought to the attention of the Rules Committee.

Considerable efforts were required from all members of the Rules Committee who each attended to their roles in a responsible and thoughtful manner resulting in a job well done in their year of service to one of the Associations most important Committees.

NATIONAL SHOOTING COMMITTEE

Comprised of three members appointed from the general membership as shooter representative for a particular discipline as well as two members elected from the Executive Committee the

National Shooting Committee is most important in the overall structure of the ACTA.

During the year skeet shooters representative Robert Dower (SA) did not seek reappointment and was replaced on the National Shooting Committee by Robert Buchan (Vic). One of the difficulties in the role of shooter representative is the lack of subject matter placed before them on behalf of the discipline they represent. One could say that this is due to the discipline not requiring change or improvement. However one could also say that is due to a lack of interest in matters related to the administration of the sport. As individuals let us each judge the correct reason.

AUSTRALIAN SHOOTING ASSOCIATION

As an umbrella body the Australian Shooting Association is the body responsible for Australia's participation in International Shooting events culminating with the Commonwealth and Olympic Games. Shotgun Delegates to the ASA, Alan Maher and Robert Smith attended the various meetings of the ASA and at all times endeavoured to represent the shooting sports to the best of their ability. Senior roles trusted to ACTA Delegates include that of Vice President/Management/International Competitions as well as Australian Olympic Committee Delegate and Delegate to the UIT.

The Annual General Meeting of the ASA produced a change in leadership with Alistair MacPherson, Chairman of the National Rifle Association replacing long serving Richard Willis as President due to his unavailability owing to personal commitments.

AUSTRALIAN OLYMPIC COMMITTEE

Australian Delegates Dick Willis and Alan Maher were active throughout the year on matters related to shooting over all disciplines. The introduction of a points system from where athletes can aspire to Olympic selection will prove to be beneficial in the long term, however certain difficulties have been encountered none less than the method used by the AOC when providing funds for International competition. Notwithstanding as a sport we are supportive of any system that enables our athletes to obtain solid performances that can be used to determine their ability at World level as they strive for Olympic selection.

AUSTRALIAN SPORTS COMMISSION

Continued recognition by the Australian Sports Commission is vital to Australia's success at International Level. In addition to financial support the Commission through the Australian Institute of Sport provides an opportunity for live in participation at the Institute for members of our National Training Squad at which time the facilities of the Institute are able to be exploited to their best advantage.

With the financial assistance that the sport and individuals are able to receive our image at world level is highly respected and our athletes are able to achieve the exposure they must have in International Competition.

Unfortunately due to changing circumstances the opportunity to attend the Institute during 1990 was not able to be accepted however we look forward to 1991 when time hopefully allows for a return to the Institute.

We look forward to strengthening our relations with the Commission and thank their officers for the support given to the ACTA during the year.

NATIONAL COACHING COUNCIL

With each State Association appointing a member to the National Coaching Council under the Chairmanship of National Director of Coaching, Guy Boileau the Coaching Council is primarily a body responsible for a level standard of coaching procedures in all States. A seminar took place in Melbourne during September at which time Guy Boileau newly appointed Director of Coaching was able to meet with members of the National Coaching Council for the first occasion.

Administering to the requirements of the Coaching Council is a difficult function to fulfil unless co-operation and support is

received from council members. This support for Guy was forthcoming from all members and as a result 1991 will see a noticeable increase in the activities of the Coaching Council.

DIRECTOR OF COACHING

Appointed in June 1990, Guy Boileau brought with him a wealth of experience with which he will be able to administer to the needs of the Coaching Council. A change of direction however has occurred with the role of Director of Coaching becoming an administrative function not allied to coaching duties which are recognised as being the responsibility of each State Coaching Director to implement at State Level.

Combined with Guy's role with the Coaching Council is that of administration within the National Office where his abilities were quickly to the fore.

The Association will benefit from the combined roles of Director of Coaching/Office Administrator as will the National Coaching Council whose members have already experienced the services that Guy has to offer.

STATE ASSOCIATIONS

The support received from the secretaries of each State Association must not be underestimated for without their contribution the sport in each State would not be anywhere as well administered as is the case.

A recommendation is to be made in the new year to State Associations for them to restructure their State Council along the lines that are being introduced at National level. While it is only a recommendation it is trusted that the majority if not all States will support the recommendations from the Executive Committee.

COMMONWEALTH GAMES FEDERATION

Shooting was certainly one of the most successful sports at the Commonwealth Games in Auckland with a large number of medals won over the various disciplines that were shot. Shotgun was rewarded when Illawarra shooter John Maxwell won an individual gold medal in Olympic Trap, the first gold ever in a shotgun event at the Commonwealth Games. The Australian team of John Maxwell, Russell Mark, Ian Hale and Craig Meuleman all gave of their best during the games and are to be congratulated on their selection as members of the Australian Shooting Team. Through the Australian Shooting Association Australia is well represented at Commonwealth Games level by Peter Anderson and Alistair MacPherson.

WORLD CHAMPIONSHIPS 1990

With the full World Shooting Championships held in Moscow competition for medals was always going to be tough. This certainly proved to be the case when some outstanding performances were recorded over all shooting disciplines.

The Australian Shotgun Team under Team Manager Robert Smith found the opposition to be too good on the days of competition and while not amongst the winners will nevertheless benefit greatly with the experience that was obtained.

AUSTRALIAN TEAM: M Diamond A Crikis
C Tilley B Thomson
R Mark

Team Manager: R. Smith

Special thanks to the Australian Olympic Committee for the financial support given to members of the trap team.

WORLD CHAMPIONSHIPS 1991

With the World Championships less than twelve months away activity is being increased at all levels to ensure a competition that will be remembered. During November, UIT Technical Delegate, Mr Gary Anderson visited Australia in his role to inspect the Whiteman Park Shooting Complex and was suitably impressed.

In addition to his inspection of the grounds which could not be faulted, Mr Anderson conducted a number of seminars in his capacity as ex World Champion and impressed all with whom he came into contact.

Under the Chairmanship of past President Roy Holtfreter, the Organising Committee have and are working tirelessly toward November 1991 when our visitors are expected in WA. Special thanks and appreciation must go to both Terry Morony and Reg Wagland of WA who are very actively involved in most areas of

the organisation and are totally committed to the success of the Championships in Australia as are all members of the World Championships Organising Committee.

INTERNATIONAL COMPETITION

OPEN

The 44th year of competition for the prestigious Mackintosh Trophy shot in Australia for the first time using 28gr/1oz loads which may have accounted for the unusually low scores that were recorded which placed Australia 7270 in fifth position ahead of Wales, New Zealand and Zimbabwe.

Congratulations to Canada, the winning country whose score of 7371/7500 allowed for a reasonably comfortable victory over England 7337.

LADIES

Australia the defending country also found the going to be tough finishing in sixth position 1341 ahead of Ireland 1262. The England Team recorded an excellent 1446/1500 to defeat Canada 1416.

JUNIOR

Australia again the defending country found the opposition too strong finishing in fifth place 1392 ahead of New Zealand 1339. A tied score for first between Canada and Scotland 1473/1500.

Congratulations to all winners who have given notice that the competition is as keen as ever and not to be taken lightly.

A special note of appreciation to Townsville Gun Club President Tom Comerford for the assistance given by him and his committee to all who attended what was a memorable National Skeet Championship series.

MEMBERSHIP

A reasonably stable membership was achieved for the year despite the difficulties encountered in the economy. A trend from each previous year again showed out by the reduction in real numbers from the previous year of approximately 20% which was recouped by the registrations of new shooters or alternatively shooters registering after a break of 5 or more years.

If this historical reduction could be arrested for just one year then the Association would reap the benefit, not only financially but by the introduction of some 1000-1500 members whose presence would be felt where it is most needed, at club level.

CLAY TARGET SHOOTING NEWS

As a means of communication to our members the CTSN is considered in the sporting world to be equal to the best that is available. Posted monthly to each registered shooter at a nett cost of .21c per month including postage the CTSN represents excellent value as a means of communicating not only to members on National Office matters but as importantly the notification of the various shooting programs that abound throughout all states.

Not to be confused with any commercial publication available at a much higher cost on the news-stand the CTSN continues to reflect well on the sport as a publication and with the introduction of our yet untried Desk Top Publishing facility which will come on stream during the middle of 1991 changes will be noticed. Credit for the CTSN must be given to Leanne Day who understands the magazine and more importantly those who regularly subscribe for its services.

ACTA PATRON

Owing to the death during 1989 of Sir Henry Bolte, the Association approached the Right Honourable Mr Malcolm Fraser, AC., CH., with the request that he accept the position of Patron. Mr Fraser in his reply proudly accepted the role of ACTA Patron and we look forward to a close and long association with him. As a token of appreciation Mr Fraser was presented with a plaque denoting his role as ACTA Patron and we trust that it will occupy a prominent position in his office.

PRESIDENTIAL MEDAL

The Association's most prestigious award, the Presidential Medal was presented to Mr Reg Varley of Guyra NSW for his services to the Sport. Presentation was made at the 1990 Trap Nationals in Tasmania where Mr Varley proudly received the recognition of his peers, from President J Scott to join a list of worthy recipients who have been recognised for their contribution to Clay Target Shooting.

SPONSORS

Demands upon sponsors from club to National Level are ever present and increasing. Fortunately this sport is blessed with

individuals and organisations who are always quick to respond upon a call for sponsorship. To the many and varied sponsors who support the ACTA and Clay Target Shooting we say thank you and trust that the support you give is returned by those who benefit from the support that is so readily given.

ADMINISTRATION

One would only need to visit the office on one or more occasions to appreciate the heavy demands placed on the administration capabilities of the office by our members.

Fortunately however the Association is well served by its employees who while seldom receiving brickbats less seldom receive bouquets for their efforts. Reading through last year's annual report the comment was made to "not expect miracles". As miracles are still expected particularly when it comes to CTSN deadlines please consider the demands placed upon the office by allowing for a reasonable time period in which to assist with the queries that are received.

NATIONAL OFFICE

Structural alterations took place during the latter part of the year when the interior of the office was redesigned to allow for a more efficient working area to be deployed.

Visitors to the office will no doubt recognise the advantages of the present design as against what had been inherited when first we leased the building prior to purchase.

A prominent feature is the magnificent Honour Board which was able to be obtained with the financial assistance of the NSWCTA who were the providers of a generous donation which enabled the Honour Board to be obtained.

A very pleasing decision taken during the year was to return to those who had assisted the Association with building debentures all moneys that had been made available to assist with the procurement of a National Office. The return of debentures was some eight years ahead of schedule and augurs well for the sound financial position the ACTA does enjoy.

It is without question, the National Office is very much a working office to which the many visitors to the office will no doubt attest. Being busy is one thing, capable another and in this regard, the ACTA is fortunate indeed to have in their employ people who capably administer their various roles.

SUMMARY

1990 has produced mixed results for the Association. Possibly the major disturbing matter is the continual albeit small erosion in numbers who are registering to shoot clay targets. No doubt the economic climate has an effect however the concern is there that we must at all costs make every effort to promote and encourage the sport.

Financially however the ACTA has never had a more solid base from which to operate. For many years we recorded losses on our balance sheet, this trend has now been arrested and for the third successive year a surplus of satisfactory standard has been achieved.

Finance alone however does not represent success; it is merely a part of what must be done to ensure the continuation of the ACTA as a major National Sporting Body through which our sport is promoted to the level of Commonwealth and Olympic Games.

I would like in closing to thank particularly President Jim Scott for his efforts and support throughout the year of office. In addition Vice President Ross Silvester and Management Members Pud Burgess and Bob Fox have also been very supportive to both myself and the important rôles they fill.

I would also like to thank the members of the Executive Committee all of whom are assured that in the coming year we at the national office will do our utmost to provide them with support that is required for them to represent the shooters of Australia.

Finally, a vote of thanks to Leanne Day, Tina Costello, Antoniette Dal-Santo and Guy Boileau for their assistance throughout what has been an extremely busy and on some occasions an office where their capabilities instead of being recognised are taken for granted.

OLYMPIC DISCIPLINE CHAMPIONSHIPS

International Gun Club forming part of the State Shooting Park at Virginia, South Australia was the venue for the 1991 National Titles which were shot in conjunction with the Oceanic Shooting Championships. A report on the Oceania Championships from Team Manager Robert Smith is included in this month's CTSN.

Conditions which throughout the Championships were hot and windy were reflected in many scores. State President Graham Mitchell and Secretary Terry Kenyon along with a small but willing band of workers worked tirelessly throughout the eight days of competition and for this we thank them.

The Championships were officially declared open by Mr George Belchev representing the Minister for Sport & Recreation. We are indeed indebted to George for his assistance in the installation of a second trench layout and trust that his efforts are regarded in 1992 when the Commonwealth Games Federation votes to determine the host country for the 1998 Commonwealth Games for which Adelaide is a most serious and worthwhile contender: Good luck for the Commonwealth Games Bid.

• L-R: Mr George Belchev representing the Minister for Sport & Recreation, Mr Alan Maher Executive Director of the ACTA, State President SACTA Mr Graeme Michel.

COMMONWEALTH SKEET TITLE

A keenly contested event which attracted a total of 46 competitors. At the 200T mark the final six shooters to contest the final were:

B Thomson	189	Vic
Ian Hale	189	Vic
Craig Meuleman	188	Vic
John Summers	188	Vic
Peter Avison	182	Vic
Robert Dower	182	SA

With Victoria having greater depth in ISU Skeet than other states it was no surprise to see the first three placings go to Victoria and again no surprise when Ian Hale calling on his years of experience produced a final round 25 to take the Commonwealth Title with a final score of 189/200 + 25. Second with a score of 189/200 + 23 was Commonwealth Games Shooter Craig Meuleman with Brian Thomson a creditable third on 190/200 + 21.

COMMONWEALTH TRENCH CHAMPIONSHIP

With 101 shooters taking part the field for the Commonwealth Title included a number of very experienced competitors including Commonwealth Games medallist John Maxwell who with fellow Commonwealth and Olympic Games representative Russell Mark were expected to be among the leading contenders.

Over the three days of competition Victoria's Russell Mark led

the way and went into the final with a 5 target lead over Brett Dunstan whose experience in the 1987 and 1989 World Championships was holding him in good stead.

The final was contested between:

Russell Mark	190	Vic
Brett Dunstan	186	Vic
John Maxwell	183	NSW
Robert Thomson	183	NSW
Bill Iles	182	Vic
Glen Kable	182	NSW

At the completion of the final round Russell maintained his five target lead to win the event with a total score of 190/200 + 24 from Robert Thompson from Cobar whose 24/25 in the final gave him overall second position from John Maxwell. Robert's score of 183/200 + 24 produced a total 207/225 one ahead of John Maxwell 206/225.

Commonwealth Trench Champion 1991 Russell Mark (Vic) 214/225

NATIONAL SKEET CHAMPIONSHIP

Another three day event and again hot and windy. With the benefit of the earlier 200T competition some better scores were being recorded under the difficult conditions.

The undoubted strength of the Victorian Shooters was again evident with Frankston Gun Club's Ian Hale and Craig Meuleman both setting a very high standard as was Melbourne's Brian Thomson and John Summers.

Going into the final round of 25 only two targets separated first and fourth. Leading the field with what all would agree were excellent scores of 198/200 both Ian and Craig shot well with Ian's experience again coming to the fore with his second successive final round of 25/25. Finishing second with a score of 192 + 24 for a total 216/225 would have been a disappointment for Craig who lost no supporters with his shooting over the three days of competition. Third overall two targets behind the winner came Brian Thomson on 215/225. Again excellent shooting from all concerned.

National ISU Skeet Champion 1991 Ian Hale (Vic) 217/225

Event Sponsor: Olimpyc Targets and Scorpio Cartridges

NATIONAL TRENCH CHAMPIONSHIP

Some excellent results achieved in the trench event, none better than Matthew Howden's score of 184/200. Matthew is a junior and while a relative newcomer to the sport left no doubt with any one on the ground that his name will be prominent for years to come at the demanding Trench Discipline.

The six man final squad with only five targets separating first and sixth contained a wealth of experience. Olympian John Maxwell, Dual World Junior Champion Michael Diamond, Queenslander John Porter who has many times demonstrated his shooting ability as well as Cobar's Robert Thomson making a comeback to shooting Trench. Heading this well credentialled group was Victoria's Russell Mark whose ability needs no further explanation and Frankston's Tony Rowe out to show the young ones how it is done.

At the close of the event Russell added to his Commonwealth Title with a total 215/225. Following a shootoff for overall second Tony Rowe 215/226 won the day outshooting Illawarra's John Maxwell 214/226 in a one target shoot off.

All in all excellent results with top class scores.

STATE TEAMS MATCH — ISU SKEET

Shot over the first 150 of the National Title, the State Teams Matches produced some very interesting results. Victoria with their depth at ISU Skeet were obvious favourites and proved their undoubted ability to win the State Teams Match by a total of 32 targets from New South Wales with Tasmania in third position with a score of 375/450.

● Victorious Vic's: Ian Hale, John Summers and Craig Meulemann.

TRENCH

New South Wales with a very experienced team of John Maxwell, Michael Diamond and Jim Ellis were favourites for the State Teams Trench Title and did not let their supporters down. A total team score of 408/450 gave NSW a win by 13 targets over Queensland with Victoria filling third position with a team total of 380/450.

Cont'd over page

Cont'd from previous page

• State Trench Team Victors: John Maxwell, Jim Ellis and Michael Diamond.

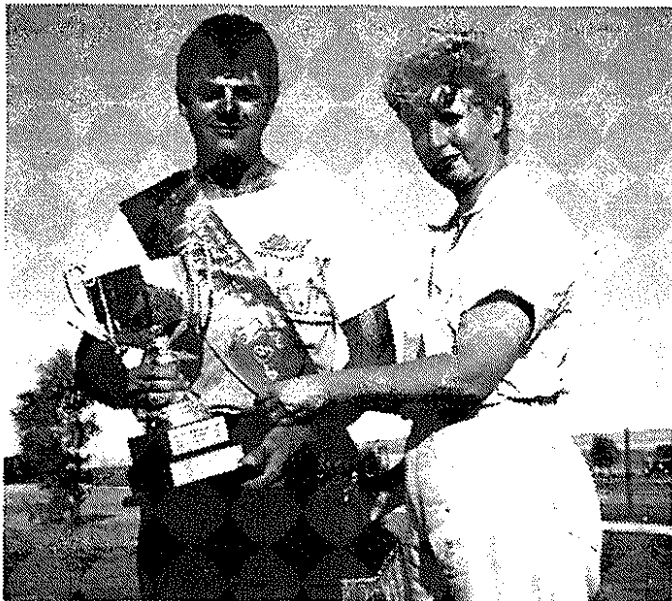

State pride was evident in both the skeet and trench teams matches and with the honour of being able to represent their state all team members contributed well to their states performance.

DOUBLE TRAP

With the double trap being an untried discipline for the majority of the field good scores were not expected to be the order of the day. Despite what may have been expected some creditable performances were recorded none better than Michael Diamond's 120/150 + 42 which won for him the National Double Trap Title from Russell Mark who over the seven days of competition was the most consistent trench performer. Russell's 115/150 + 41 was two targets ahead of Victoria's Bill Iles who finished third overall with a score of 115/150 + 39.

National Double Trap Champion 1991 Michael Diamond (NSW) 162/200

• National Double Trap Champ Michael Diamond receives his trophy from Mrs Ruth Michell, wife of SACTA President and ACTA Executive Member Graham.

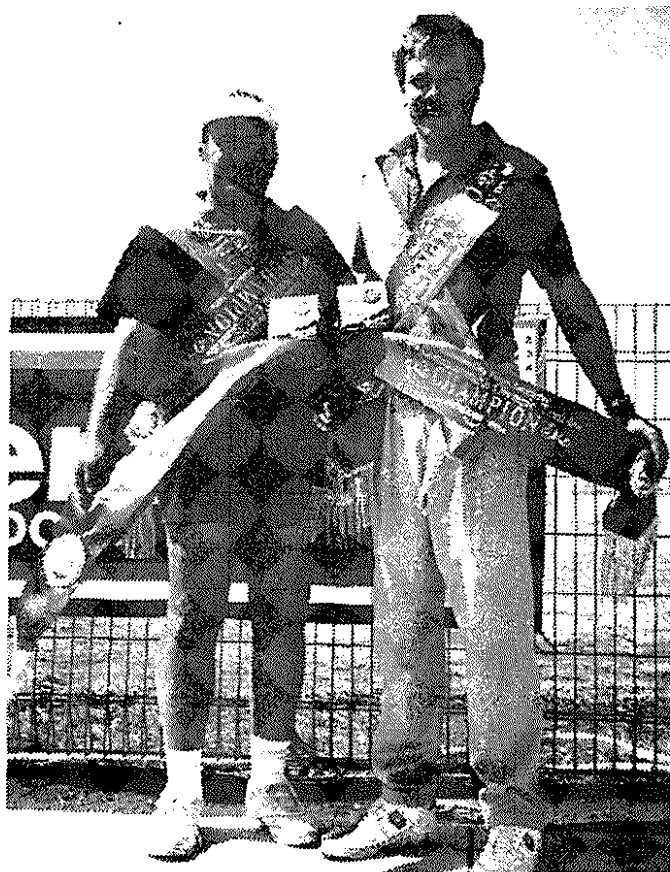

HIGH GUNS

Always attracting great interest the high gun winners for 1991 all recorded scores worthy of the titles which they achieved:

TRENCH	Russell Mark	Vic	387/400
Junior	Matthew Howden	Vic	367/400
Ladies	Kathy Gault	NSW	328/400
High Gun Sponsor: ISU Skeet			
Overall: Winchester Australia			
SKEET	Ian Hale	Vic	467/486
Junior	Clive Barton	NSW	340/400
Ladies	Maree Rooke	NSW	337/400

High Gun Sponsor: Olympic Trap
Overall: Winchester Australia

With scores such as these achieved under difficult conditions all are to be congratulated on outstanding performances particularly so for Matthew Howden and Maree Rooke who both qualified for selection in the teams for the 1991 World Championships in Perth.

• You name it — they won it — Ian Hale and Russell Mark.

In addition we thank those who not having been named for their contribution assisted the South Australian Clay Target Association, in the successful hosting of the 1991 National Olympic Discipline Championships which produced as a result of the Oceanic Shooting Championships, four Olympic Shotgun Quotas for Australia which we trust are filled by the Australian Olympic Committee for the 1992 Barcelona Olympic Games.

OCEANIA & NATIONAL I.S.U. CHAMPIONSHIPS ADELAIDE 1991

The venue for these championships was the recently completed South Australian State Shooting Park at Virginia. The complex caters for clay target, pistol and small bore rifle shooting.

Saturday 26/1/91 was official practice day for our shooters with all shooting very well. Sunday 27th was the first day of competition for our Oceania team members Michael Diamond, Craig Tilley, Bill Iles, Russell Mark, John Maxwell and Jim Ellis, Olympic Trap; David Cunningham, John Summers, Michael Inguanti, Craig Meuleman, Peter Avison and Alex Crikis, I.S.U. Skeet.

Thursday saw the start of the Oceania/National Championship. This was a very important match for our shooters as the members of the A teams were shooting for two country spots in both

disciplines for the 1992 Olympics. Both the A and B teams had some members trying to shoot the minimum qualifying scores for 1992 also.

Day One in Olympic Trap saw Russell on 73/75 with Michael and John on 69/75, Kathie led the ladies with a 62/75 and Mathew in the junior section shot 67/75. In the Skeet, New Zealand's Tim Dodds shot a fine 75/75 to lead Craig 74/75 and John 70/75; in the ladies section Maree shot 66/75 and junior Clive also shot 66/75.

Day Two in Trap saw Russell maintain his lead with 71/75 for 144/150. John shot 73/75 (142/150) and Michael 71/75 (140/150), Kathie shot 61/75 (123/150) and Mathew 69/75 (136/150). The Skeet saw major changes — Tim (NZ) shot a 65/75 to allow our shooters to get the upper hand. Craig shot 72/75 (146/150), John 72/75 (142/150) with David now on 136/150. Maree still led the ladies with 62/75 (128/150) as did Clive with 67/75 (133/150). This was the end of the team's section.

Day Three: Russell shot 47/50 to finish on 191/200, John 47/50 (189/200) and Michael also 47/50 (187/200). Kathie won the ladies section 42/50 (165/200) as did Mathew lead all the way to win the junior section 48/50 (184/200). In the Skeet Craig shot 46/50 and finished on 192/200, John 48/50 (190/200) with David 48/50 and Alex 47/50, both on 184/200. Maree won the ladies section with 45/50 (173/200) and Clive won the junior section with 43/50 (176/200).

As only the members of both A teams were eligible for the finals and country spots in the closed section of the Oceania Games the squads and scores were as follows:

Trench	R. Mark	(Aust)	191+22	213/225
	M. Diamond	(Aust)	187+23	210/225
	G. Ede	(NZ)	179+18	197/225

	J. Brookland	(NZ)	175+20	195/225
	G. Jukes	(NZ)	174+20	194/225

Congratulations to Russell, Michael, John and David for winning all four country spots for Australia to the 1992 Olympics. May I also take this opportunity to congratulate all the other team members, Open, Ladies and Juniors on their performance in Adelaide.

SOUTH AUSSIE NEWS

South Australians played host to the 1991 National Olympic Discipline Championships from January 27th through to the 3rd of February and it proved to be a very hectic week.

I believe record entries in both Olympic Trap and ISU Skeet were recorded over the week with around 116 shooting Olympic Trap (this included 11 Women and 9 Juniors) and 48 shooting ISU Skeet (including 4 Women and 6 Juniors).

Every Australian State was represented as well as a strong contingent coming from New Zealand and a smaller group from New Caledonia.

Both Commonwealth and National Olympic Trap Championships were won by Russell Mark and the ISU Skeet Commonwealth and National Championships went to Ian Hale. The Double Trap Championship went to Michael Diamond.

South Aussie shooters who shot well were Ross Walsh, Richard Dean, Dennis Lymn, Peter Hall, John Johansen, Dino Oliviero and Dennis Halikiopoulos. Bob Dower excelled from the extra competition in the ISU Skeet section and won for himself 5th placing in the Australian Training Squad. Well done! Graham Michell also gained second placing in B Grade in the 200 target Commonwealth Championship.

Hardly having time to recover from the National Championships, South Australians were back at the State Shoot Park at Virginia a week later for their State 2 day, DTL Carnival. Resident club at the State Shooting Park, International Gun Club, must be thanked for their hospitality, maintenance on their grounds and their canteen ladies who worked continuously over the two carnivals.

Saturday's competition saw 115 shooters taking part and on Sunday 136 competitors shot the programme, these numbers included 8 ladies, 6 juniors and 11 veterans.

Glenn Hayden (Noorat Gun Club) took out the \$300.00, 10 target SACTA Double Barrel Classic by shooting 42/42.

Bob Andrews (Bordertown Gun Club) won the 60 target Champion of Champions event with a perfect 125/125.

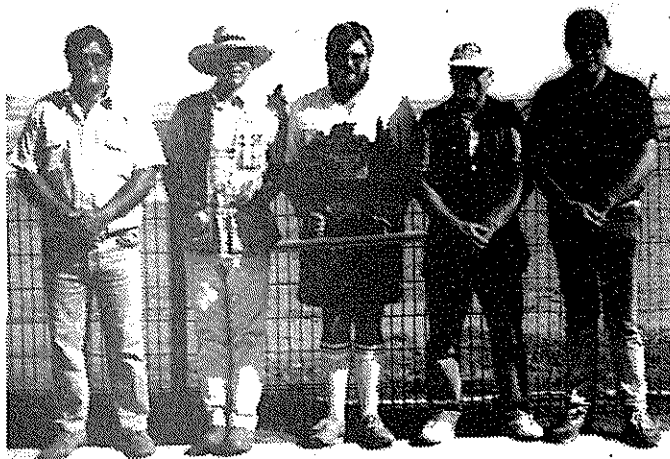

The third event, the 50 target State Single Barrel Championship, was won by Dino Oliviero who shot 107/109. Dino appears to be on the 'come-back trail' according to some of his fellow shooters!

● **Happy Winners — SA State DTL Carnival, L-R: Phil Green (SA D/B C/ship), Dino Oliviero (SA S/B C/ship), Rod Fleming (SA P/S C/ship) and Barb Wallace (Ladies High Gun).**

All those shooters who had won a State title throughout the year were then eligible to contest the Ray and Pat Mack State Title Shoot Off and Malcolm Whitehead (Mt. Gambier Gun Club) won this outright with a perfect score of 40/40.

Sunday's programme began by the three State Zones, Eastern, Central and Western contesting the State Zone Team Shoot for the Max Curtis Memorial Shield. Central Zone team consisting of Richard Winkel, Brian Cottell, Tony Farniglietti, Dino Oliviero and Dennis Halikiopoulos were victorious shooting 123/125.

● **SA Club Team of the Year, L-R: John Fartch, Trevor Reschke, Phil Green, Malcolm Whitehead and Max Medhurst of the Mount Gambier Club.**

Winchester Australia, with the help of South Australia's "Mr Winchester", Dick Ayres, sponsored the Junior Championship in which 6 Juniors took part. Glenn Hayden, Noorat Gun Club, won the event with a 20/20 from Grant Thomas 18/21 and Mark Holmes 17/21. Other Juniors who took part were M. Kenyon, B. Thompson and P. Glynn.

The 50 target State Double Barrel Championship, shot in conjunction with the inaugural State Club Team of the Year, was very keenly contested. The event was finally taken out by Phil Green (Mt. Gambier) who shot 153/153. The State Club Team of the Year went to the Mount Gambier Gun Club who shot an excellent score of 248/250. The magnificent trophy, a map of Australia, carved from a solid piece of jarrah, was proudly accepted by Phil Green on behalf of his fellow team members, John Fartch, Trevor Reschke, Malcolm Whitehead and Max Medhurst.

The last event, the 50 target State Point Score Championship was admirably won by one of International Gun Club's most loyal workers, Rod Fleming.

Overall High Gun went to former South Australian Craig Bentley, now living in Melbourne, with a score of 355/360.

● **SA Champion Shooter — Dennis Lymn.**

● Ten members of SA's top 15 shooters, L-R: D. Oliviero, D. Lymn, P. Green, B. Growden, A. Rohrlach, T. Galkowski, R. Smith, B. Andrew, P. Marcolonni and R. Fleming.

Ladies High Gun went to Barbara Wallace, Veterans High Gun to Peter Caddy and Junior High Gun to Glenn Hayden.

South Australia's Champion Shooter for the Carnival was taken out by Dennis Lymn (Port Lincoln Gun Club).

The South Australian Open Team members to head for the Nationals in Perth are Dennis Lymn, Dino Oliviero, Tony Rohrlach, Bob Andrews and Phil Green. We wish them well in Perth.

South Australia's State Ladies Team members are Barbara Wallace, Joy Curtis, Ruth Michell, Mary Martini, Helen Johnson and Brigit Dower.

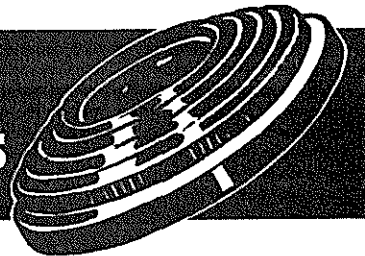

Many thanks to those who helped in the office over the two carnivals, namely Terry Kenyon and Paul O'Sullivan, shoot marshals Peter Quire and Dennis Lymn who both worked tirelessly throughout the competitions and to Metro Martini and his 'band of merry men and women' at International for all of their work.

Lastly, a great big 'THANK YOU' to all those who sponsored us in any way during the last couple of weeks' competitions — Bay City Clay Targets, Brian Heffner for supplying four new skeet traps for the Nationals, Pura Natural Spring Waters Pty Ltd who kept us supplied with complimentary water during the heat of the Nationals, Winchester Australia, The Gun Rack, Ray and Pat Mack, S.A. Sports Goods and Fisher Firearms. Thank you all very much.

I can honestly say that I wouldn't have missed these last two competitions, the National Olympic Disciplines and the State Carnival, for 'quids', but in a word it has been "hectic" and I am now looking forward to a few weekends of doing 'absolutely nothing'. A spot of fishing might be just the thing . .

VALE LES CAIRNS

The Bundaberg Gun Club was saddened to hear of the death of Les Cairns, who was a life member. He was a fine sportsman and a good competitor who will be sadly missed by many.

We extend our deepest sympathy to his wife Lesley and family.

ROBERT SCHORMAN HENDERSON

It is with deepest regret that I have to advise the passing of Robert Schorman Henderson on 13th January, 1991, after a long illness. Bob, as he was known, was a very keen member of the Roma Gun Club for several years and will be greatly missed by fellow shooters and friends.

MARYBOROUGH TIT BITS, QLD.

Congratulations for ten years service to ACTA Leanne and the good job you do with CTSN. Up here in the South East of Queensland we are a long way from the heart of shooting but every month when the shooters bible (that's what my wife calls it) arrives we are brought up to date with all the news of shooting. So thanks to you Leanne and the staff around you for keeping us in the picture.

As the Christmas holidays fell on the normal shooting day a picnic shoot was held at Bundy on 20.1.91 with K. Palmer, G. Sergiacomi, F. Agius, N. Muller & S. Plath taking all trophies for the day.

Bundy 3.2.91 — the main event 25T DB Pts C'ship with R. Rehbein taking O/A & A, T. hearing the name I knew I had met Don before and by looking up my scrap book I had shot with Don at the old Maryborough Club on the 1.5.67. Don and his son Andrew now live at Noosa and after leaving Central Burnett went to Moree and now back in the area. We will see a lot more of Don and Andrew. Welcome back.

Also new members Cheryl and Denis Chapman from Wakehurst. Best of shooting and keep your eyes on Tipp, nickname of Melissa Tipman who just started shooting and looking good. A good day shooting results being AGHG G. Durre, BGHG and a metre N. Dale, CGHG H. Walker.

Maryborough 24.2.91 — Thanks for coming visitors. Gympie's Sylvia and Bill, Bundy's Geno, Keith, Frank, Paul and these Bundy blokes keep on taking our trophies. Nice to have Allen Harris and son Troy back shooting. Hope you can make time to keep shooting. Paul Anderson had to go overboard and shoot our \$100 jackpot. Good shooting Paul, you made it look easy. Welcome home from holidays in Italy Gwen and Giulio. Hope you are back shooting soon as your arm mends. Must have been a rough holiday. Welcome to Hervey Bay Holly and Andy who now live and work at the Bay and Holly can be reached on 24 2254 for club information. Paul Rehbein took O/A 25T Single Barrel. Keith Palmers is collecting metres and took the 25T H/C, OAHG Peter Shaw, FMHG Kevin Noffke.

Good shooting to all till next time.

See you at the shoots.

TAMWORTH CLAY TARGET CLUB

ANNUAL SKEET CARNIVAL REPORT

The Tamworth Clay Target Club held the annual skeet carnival on the weekend of 16-17 February. The carnival actually began on the Friday afternoon with 2 rounds of skeet doubles. There were some 30 local and visiting shooters present to commence the carnival and some excellent scores were posted considering that doubles have only been introduced in recent times.

Saturday saw some 68 shooters from all over eastern Australia,

including Sydney, Melbourne and Brisbane and areas throughout the states, arriving for what has become one of the premier events on the skeet shooting calendar. There was some excellent shooting during the day with several shooters shooting all day without dropping a target on the programme which resulted in some hotly contested shoot-offs to decide the winners.

The handicap event on Saturday afternoon resulted in a popular win for a relatively new shooter to the sport. Tamworth shooter Ross Freestone eventually won the event after a long shoot-off with a total score of 150/158 which resulted in a promotion to B Grade as well as a fine trophy.

Cooler conditions on Sunday saw 71 shooters in attendance. Highlights of the day included the completion of a very fine 199/200 shot by Mark Agar of Sydney to take out the High Gun for the two days, an outright win in C Grade in the Northern Zone Championship for local junior George Barton (14) who also won the Junior High Gun and some very fine shooting by local and visiting shooters with some shooters only dropping 2-3 targets for the two-day programme.

It was pleasing to see the trophies being distributed to so many different shooters, but even more pleasing to see so many local shooters winning trophies when the most of the visiting shooters are usually at their peak in the sport and their grades. It is worth noting that six of the eight High Gun trophies for the events on Saturday and Sunday were won by Tamworth club shooters and three of the four teams events were won by the Tamworth team of Geoff Walters, Ray Melville, Col Burt, Col Barton and Kevin Weatherall.

It was also very gratifying to hear the comments of the visiting shooters regarding the importance of this carnival on the shooting calendar as well as the friendly atmosphere and efficiency of the Tamworth Clay Target Club. Many of the visitors, some who have competed all over Australia and beyond, described the Tamworth shoots and the facilities as the best or some of the best on the entire shooting circuit. Remarks and comments such as these make the efforts of all those concerned well worthwhile.

The carnival was a huge success for several reasons including the generous support of the sponsors Toledo Tools International, Prouds the Jewellers, CSR — Humes, Gasweld Tool Centre, Tamworth Mushrooms, Lowestoft Herefords and KC Tools. The support of these sponsors enabled the club to offer an impressive array of trophies which were described by visiting winners as far better than at any other shoot they had attended. The Tamworth Clay Target Club extends its sincere appreciation to these sponsors for their generous support which makes the carnival such a success.

The grounds were in immaculate condition, as usual, due to the efforts of caretakers Graham and Rae Richardson who were complimented by visiting shooters.

The committee and members made a huge effort before and during the carnival, including the addition of an awning on the front of the club house to provide better spectator facilities.

The ladies committee did a magnificent job by providing shooters and visitors with fine food and morning and afternoon teas over the two days.

Beretta

It's tough at the top in competition shooting. You need dedication, skill and an edge in equipment. Beretta have the guns to get and keep you there.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

Features include:-

- * Low profile action for unsurpassed pointability.

ASE-90

The key feature of this exciting new model is the trigger plate lock assembly. Field removable in one, split second motion for quick inspection, cleaning or lubrication. The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped main-springs. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- * User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.

- * Advanced dimensioned quality walnut stocks.

- * Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.

- * Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

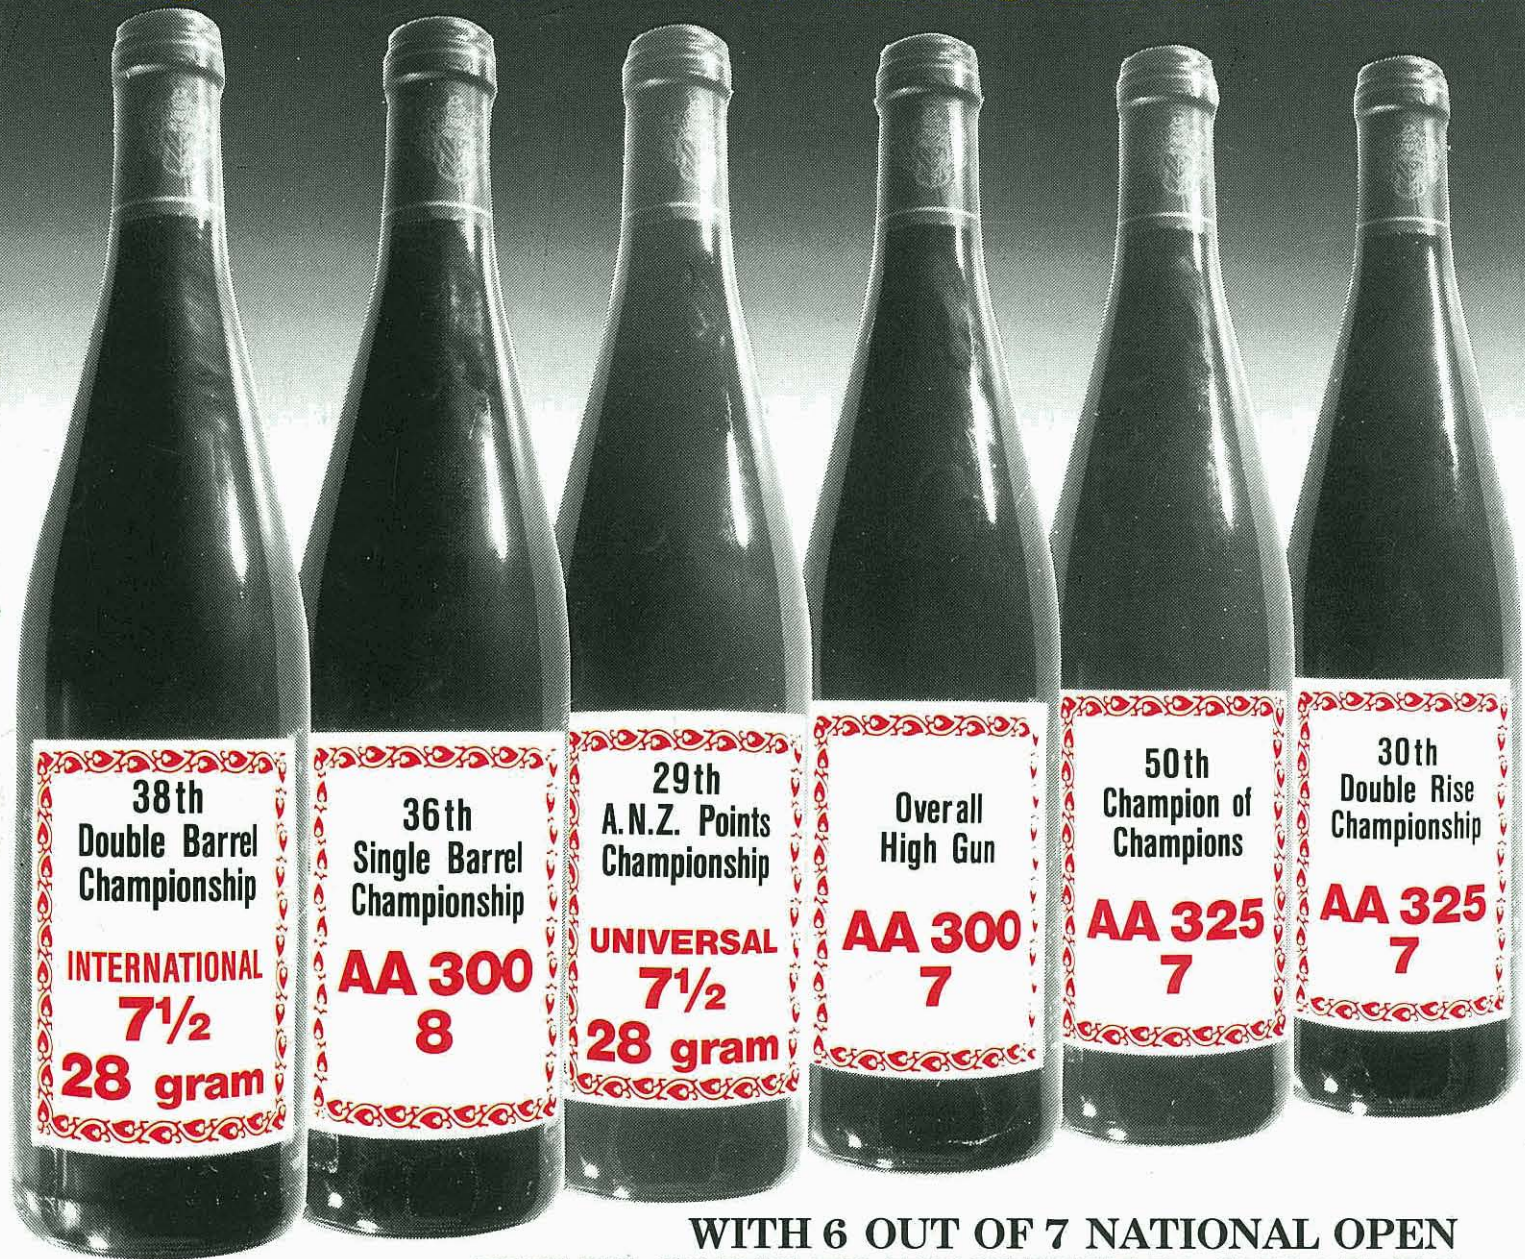

682

Box lock action with dual self adjusting conical locking lugs. Ventilated side ribs. Sliding trigger adjustable for precise length of pull. Trap models offered with high and low rib, regular or Monte Carlo stocks, fixed or mobil choke, right or left hand.

S05

The ultimate competition gun in the classic tradition. True side-lock with cross bolt breech locking. Beautiful light scroll hand engraving. Presentation grade walnut, hand rubbed with fine line checkering.
