# INTERNATIONAL JUDGES LICENCE — UIT

Mr Hans Kowar, Chairman of the International Shooting Union Judges Committee has confirmed the appointment of Robert Smith, Executive Member from New South Wales as a B Grade judge, with authority to officiate in all shotgun championships other than Olympic Games and World Championships.

With the appointment of Robert Smith we now have four UIT judges in Australia, two of whom are authorised to officiate at the highest level of the sport.

A grade: David Menck and Jim Kelly

B grade: Peter Quire and Robert Smith

## SHOOTERS CORNER

Q. Could you please clear up an answer given in "Shooters Corner" contained in the July edition of CTSN.

The question was raised by the Deniliquin Gun Club and answered by J. Shepherd - VCTA Rules Supervisor.

I feel that the answer is incorrect as it is contravening Rule 2.2. A shooter must shoot his grade if his grade goes from C to B or B to A. He or she cannot win on a lower grade than the one they are currently graded.

I would like the ACTA to clear up this matter quickly as it is very confusing.

E. Chizzotti — QCTA Rules Supervisor

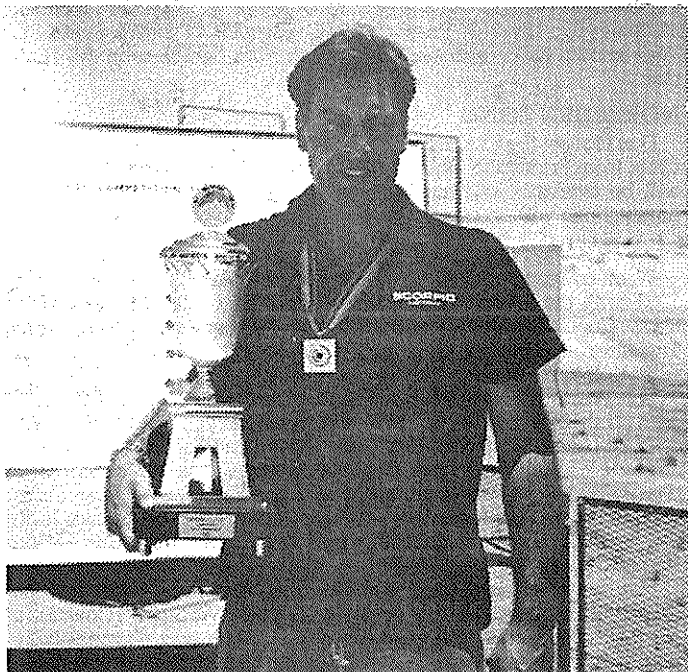

A. This matter is being placed before the Rules Committee for official clarification.

## EDITORS MAILBOX

On behalf of the New Zealand Clay Target Association Executive and all New Zealand clay target shooters, I wish to offer our congratulations to John Summers and Russell Mark for their recent wins in World Cup events.

Knowing how much time, money and effort both John and Russell have put into the sport over the years, these wins are well deserved and offer tremendous incentive for I.S.U. shooters in both Australia and New Zealand.

N.Z.C.T.A.

John Summers now joins Russell Mark as a 'World Cup' winner.

# WINCHESTER SUPER TARGET POWDER

Winchester's previous  
best-selling powder  
just got a whole lot better.

**Super Target (W.S.T.) now replaces  
452AA for improved performance and  
greater loading economy.**

- Formulated to produce very uniform velocity & pressure, for extremely consistent pattern placement.
- Minimum pressure & velocity variation at shooting temperature extremes.
- Cleaner burning and more efficient formulation reduces residue.
- Super high grain density improved ball powder meters more accurately than anything else on the market.
- Greatest consistency of 'thrown' charges provides another big edge for consistent performance.
- Improved economy too!  
Less W.S.T. required per given velocities.

Try the loads below and be the best you can be, consistently.

Shot Weight	Velocity (f.p.s.)	Primer	Wad	Powder Charge (grains)	Equivalent Factory load
28 gram	1180	Winchester	WAA12SLA	19.5	
28 gram	1235	Winchester	WAA12SLA	21	AA Universal
28 gram	1290	Winchester	WAA12SLA	22	AA International
32 gram	1145	Winchester	WAA12	18.5	AA 275
32 gram	1200	Winchester	WAA12	20	AA 300

**For additional W.S.T. loads, send for Winchester's FREE  
Loading Data Book - now in its 10th edition.**

# INFORMAL COACHING

Ross Williams write a weekly shooting column for the sports section of *The Weekly Times*, Australia's biggest-selling rural newspaper. He also has a syndicated column in a number of provincial papers. This article is reprinted by permission from the latter.

For a beginning shooter, a visit to a club practice session can be a valuable experience or a complete turn-off.

If a skilled coach is available, the newcomer usually goes home with a satisfied feeling and the determination to learn more. But the absence of a coach can easily mean a barrage of confusing and sometimes conflicting advice from well-meaning members.

Some clubs take the view that all experienced members should be ready to do some informal coaching as the need arises, so they try to ensure that the old hands know the basics of introducing new shooters to the sport. Guidelines are placed on noticeboards; a few even run periodic training programs to improve their members' instructing skills.

The following pointers seem to be widely accepted:

- A beginner needs to have confidence in the instructor plus a single style of explanation. Therefore members should not butt in when a colleague is instructing. Where others believe they can contribute, they should speak quietly to the instructor, not the learner.
- Ear and eye protection should be available. No learner should be allowed to shoot until he or she has been shown the basic safety procedures, range safety commands and signals.
- With raw beginners, cartridges should be issued singly at the firing line or shooting station, not beforehand.
- Shooting should be preceded by instruction with empty firearms. The instructor demonstrates the whole skill, then breaks it down into small, manageable parts. In the case of clay target shooting, these might be stance, mounting and swing.

The trainee practises each component separately before putting them together and practising the whole skill.

- Ensure early success by way of easy targets (provided other shooters in the same squad or detail agree), plus mild cartridges and reasonable gun or rifle fit.
- Firearms must remain unloaded until the trainee's feet are firmly fixed in the shooting position. (For prone rifle shooting, the trainee should be lying down with body correctly positioned before cartridges are issued).
- The instructor should stand close behind the shooter, ready to intervene physically. Novice shotgunners, for example, are apt to swing the gun around if they score a hit; the instructor has to be ready to block this instinctive movement.
- The instructor should not step away from the trainee until the firearm has been opened and unloaded.
- Feedback should be specific — not "You missed behind", but "You lifted your head" or "You stopped your swing". Furthermore, the beginner needs to be told what to do to correct the fault.
- Positive comments should exceed negative comments by a large margin, so the instructor MUST find things to praise.

- At the end of the session, sum up the trainee's strengths and weaknesses and send him or her away with something to practise at home.
- Ensure physical comfort. Since lightweight shotguns accentuate recoil, they should be avoided. Stance and hold should be watched. Clothing in the shoulder area should be adequate, but not so loose as to bunch up underneath the butt. Similarly, warn females against bra strap buckles under the recoil pad, as these can produce cuts and abrasions.

## W.A.C.T.A. REPORT

The weekend 1st and 2nd of June, saw Kalgoorlie host the State Double Barrel Championship.

Once again Jim Neve and his small team of workers did us proud with the way the weekend was conducted.

Numbers were down but the competition was fierce. Congratulations to all winners and in particular Carlo Romeo for his win in the State Double Barrel.

With only 14 weeks to the World Championships, it is all starting to come together for Roy and organizing committee, although there is still plenty of help required in many areas. All clubs will have received a list of people required to fill the many and varied jobs to be handled during the championships. It will be a great opportunity for you to participate in the running of this event while you observe the worlds best.

State coach, Tom Stelling and Murray Alexander, have organized a coaches seminar in August at the complex. Look forward to seeing as many coaches as possible take advantage of this to update their coaching methods.

With things so tough in the bush, it is great to have three new clubs start up. I wish Laverton, Denmark and Augusta Gun Clubs every success for the future.

**Mick Watson**

## WARATAH STATE NOTES

### CENTRAL ZONE

West Wyalong Gun Club hosted their Annual Junior Shoot on 16th June, with 14 juniors from various clubs attending. The shoot was run in age groups with the following results: 11yrs S. Schmetzer 64; 12yrs A. Redfern 43; 14yrs J. Ellison 81, A. Adler 78, B. Fairman 78, T. Nealon 77; 15yrs B. Griffiths 90, S. Ceely 74, M. Judd 73; 16yrs G. Tiffen 94, M. Smith 31; 17yrs G. Prentice 82, C. Fairman 41 and T. Smith 37. Well known junior shooter, Greg Tiffen from Leeton won the High Gun.

### NORTHERN ZONE

Don't forget the STATE SKEET CARNIVAL at Tamworth Clay Target Club, from Friday the 9th August to Sunday the 11th August. Practice will be available on Thursday the 8th August from 12.30 pm, and nominations will be taken between 4 and 5 pm on that day.

### WESTERN ZONE

Western Zone A.C.M. was held at Narrabri Gun Club on 22nd June, 1991 with the following Office Bearers elected: Zone President — Kevin Constable; Imm. Past President — Button Powell; Secretary/Treasurer — Robyn Faber; Zone Coach — Pud Burgess; Handicapper — B. Holcombe.

The Western Zone Carnival was also held on the same weekend, with 60 shooters in attendance. Paul Turner took the overall High Gun with 263/270. AA grade High Gun — Raymond Hammond (Guyra); A grade High Gun — Peter Griffiths (Sunny Corner); B grade High Gun — Wayne Selway (Gunnedah); C grade High Gun — Allan Cullis (Singleton); Ladies High Gun — Robyn Faber (Narrabri); Junior High Gun — Andrew Ralte (Narrabri) and the Veteran High Gun — Vic Eather (Gunnedah).

The weather was good and shooting conditions excellent as displayed by the shooting break of 271 by J.W. Smith (Cowra), a Narrabri club record. The most improved shooter was Wayne Selway who reached B grade at last months shoot, and A grade at this shoot.

The hospitality of the complementary tea and entertainment was greatly appreciated by those in attendance.

AUSTRALIAN CLAY TARGET NEWS — AUGUST 1991

## RIVERINA ZONE

Downside Int. Gun Club was the venue for a meeting called by the N.S.W.C.T.A. on 1st June 1991, to discuss the A.C.T.A. support for the development of a National Shooting Ground in the Wagga area. The idea was received with much enthusiasm, and we'll keep you informed with any further developments.

## SOUTHERN ZONE

Illawara G.C. conducted their 13th Anniversary Shoot over the long weekend in June. It started to rain at midday on the Friday, and it rained and rained and rained — 27 inches of rain in 4 days. Can you believe, 44 shooters still managed to turn up for the event, (talk about keen), to try for a slice of the \$1300 in cash which was on offer.

Local shooter, Bob Webb won the major event, the Illawara Open — "First past the Post" Championship, with another local, Bill Jones coming in second.

Reliable sources inform me that congratulations are in order for a once prominent Illawara shooter, who recently celebrated his 50th birthday. However, sources claim they are now expecting (or is that hoping for) a steady downhill decline in shooting prowess. I suppose time will tell.

## COACHES CORNER — Fred Schmetzer

June saw the Central Zone coaching weekend — Saturday 1st for DTL at Cowra. Fourteen keen DTL shooters received some 4 hours coaching from Central Zone Coach, Noel Dwight, Peter Hayman and myself. It was pleasing to see two students from the morning coaching session, shoot off for the main event of the day — these being Malcolm Jackson and 11 year old Scott Schmetzer.

On Sunday 2nd June, we had eleven skeet shooters at Bathurst for the Skeet Coaching Day.

I would like to thank Noel Dwight and the Central Zone people for organizing the weekend.

## Accreditation Update

In keeping with guidelines set down by the Australian Coaching Council, all sports coaches wishing to maintain valid accreditation status, will undergo an updating program from July 1991. These updating requirements are for coaches who have held their current accreditation level for the past four years or longer.

For further information and the update handbook, please contact your Zone Coach or myself. Good shooting.

## ACTIVE GIRLS IN SPORT CAMPAIGN LAUNCH

At the request of the ACTA I attended the launch of "Active Girls in Sport" campaign, 20th May at Parliament House, Canberra.

The opening speaker was Suzanne Balogh (a current clay target shooter) and the parade/display was done by Queanbeyan High School Girls. The display depicted girls/women ACTIVE in sport.

Mrs Hazel Hawke launched the campaign. Morning tea was provided and the 400-500 people in attendance had the opportunity to mix with the 'elite sportswomen' (Kerry Saxby, Ann Seargant, naming a few) as well as executives from the Australian Sports Commission.

The launch was well worth attending.

# EARLY CLUB DAYS IN VICTORIA & TASMANIA

By George Biggs — ACTA Historian

1936, three years before World War II, trap shooting in Australia was just beginning to get interested in a new kind of trap shooting "Clay Targets". It was a period when live bird clubs were deciding to get behind the new kind of trap shooting, at what some live bird shooters called "mud pies". It was an interesting observation to note that a few of the well known live bird shooters could not or did not want to continue with clay target shooting. Actually what did happen was the introduction of a completely new group of clay target shooters. Unfortunately with the outbreak of World War II in late 1939, trap shooting was more or less put on hold for the next 5-6 years.

I am indebted to a friend in Tasmania and a member of Burnie Gun Club (one of Australia's oldest clubs), Mr Bob Young. Bob sent me a clip of the "Weekly Times" of October 1936. It details gun club shooting reports and an article headed "The Effects of Gun Recoil" by "Crossbolt". It makes interesting reading, however I am not sure about comparing it with the sport of boxing, how say you? The report on skeet shooting was "made up" event as skeet was not a part of our competition at that time.

**October 3, 1936 THE WEEKLY TIMES**

**The Effects of Gun Recoil — by "Crossbolt"**

## POINTS TO WATCH

It might be argued that it doesn't require the fourth of a second for the mind to realise a miss which the eye can see instantly, says Charles Askins in a chapter of his book, "Wing & Trap Shooting", dealing with the effect of recoil. When the mind has just concluded a strenuous piece of work, like aiming and firing a gun, it pauses an instant before tackling a fresh problem. Combining this cessation of brain recording with the shock of recoil which causes the brain to cease acting entirely for a space of time, however small, and we have a loss of at least a quarter of a second, perhaps more.

In fact, so far has the bird flown meantime, that the gunner despairs of being able to reach it, and so withholds his fire.

Recoil and its effects upon the shooter are worthy of careful study. It effects everyone, but in varying degrees. It has been observed that the most noted pigeon shots are men of strong physique, some of them seeming almost impervious to recoil, on the same principle that a pugilist might without blinking an eye take a blow on the jaw which would render an ordinary man unconscious. The jar of a shotguns recoil and the blow of a fist differ only in the extent of shock and the time needed to recover. The shotgun may knock you out for perhaps not more than the tenth of a second, while the fist blow might "put you away" for ten minutes. Nevertheless, no matter how hardy the constitution of a man, there is a shorter or longer space of time after a shot is fired when he can do nothing apart from acting involuntarily, for the brain has been momentarily shocked into a state of coma. Notwithstanding this, the nerves and muscles can be taught to accomplish orders given previous to this shock, maintaining certain actions automatically, or as we say, from habit.

The boxer does this when he starts a blow and sends it in after receiving such a jarring slap himself that he cannot remember when his own fist landed. If anyone doubts the effect of recoil shock upon the brain, let him try to recall the movements of his gun muzzle immediately subsequent to firing. In the case of the writer, his first distinct knowledge of where his gun is directed is when he finds it pointing below the target. Reasoning the matter out, he knows that the muzzle first flew up and then reacted downwards, but from anything the brain has actually recorded it simply dropped below the point of aim. Accepting the foregoing as true, there can be seen the need of acquiring such a habit of maintaining the swing — such an absolutely fixed habit as to require no direct brain control.

## Warrnambool Club

A representative gathering of Western District trap-shooters assembled at Warrnambool last Saturday to contest the Western District Pigeon Championship (Western District Gun Clubs Association), which was at 15 birds off 30 yards, three misses to

*The photo shows members of the Devonport Gun Club in Tasmania. The club was formed about 1930 and is reported as being one of the oldest in Tasmania. This photo was taken in 1945 — note the felt hats and the double barrel side by side guns. This was the in thing about that time. Devonport is one of Tasmanias most active clubs and is situated on the north coast in a very pleasant position facing the sea. The club shoots both trap and skeet programs.*

Association), which was at 15 birds off 30 yards, three misses to retire. The birds were fast and tricky, and failures were numerous, the honors eventually going to A.H. Lewis (Lismore), with 17-21, M. Arundel being second (15-20), and R. Crawley third (13-17). The attached sweep (miss-out) was won outright on the 5th round by Nelson (Koroit).

The winner has been shooting for a number of years with minor successes, but this is the first important title which he has won.

Followed a £25 Pigeon Handicap, which, owing to a shortage of birds, was divided on the fourth round by A. Baird (Warrnambool), A. Lewis (Lismore), H. Smith (Noorat) and "Harkaway" (Lismore), two noms. each, and J.O. Tait, "Midlands", K. Urquhart, R. Morrison, M. Arundel and Dalmeny, one nom. each.

The final sweep off the "fence" was divided by Utting, T. Densley, Tait, A.G. Dawson and J. Crawford.

Altogether 29 shooters were present, the championship attracting 23 entries and the handicap 24 double noms. and 17 stars. Lismore, Noorat, Terang, Koroit, Hawkesdale, Warrnambool and other districts were well represented.

Clay targets were thrown to complete a successful day, and some promising shooters at this class of shooting were discovered, so that it would not appear far distant when this progressive club may have a clay target club connected therewith.

### Extraordinary Finish

The most extraordinary finish to a shooting match seen in Melbourne for years was the tit-bit of the Commonwealth sparrow championship conducted at Tottenham, under G.C.A. rules, by the Melbourne Gun Club last Thursday. At one stage six shooters were level in the lead, with a win in sight, and all six missed consecutively. Conditions were 21 birds from 23 yards, with three misses entailing an elimination. Shadows and a gusty southerly made conditions rather difficult, and all 39 competitors were eliminated before the 12th round was reached. At the end of the series of 264 birds, 101 fell to the first barrel, 41 to the second, and 122 escaped. Howell (two seconds), Robinson (two seconds), and Metherall (three seconds) with sixes,

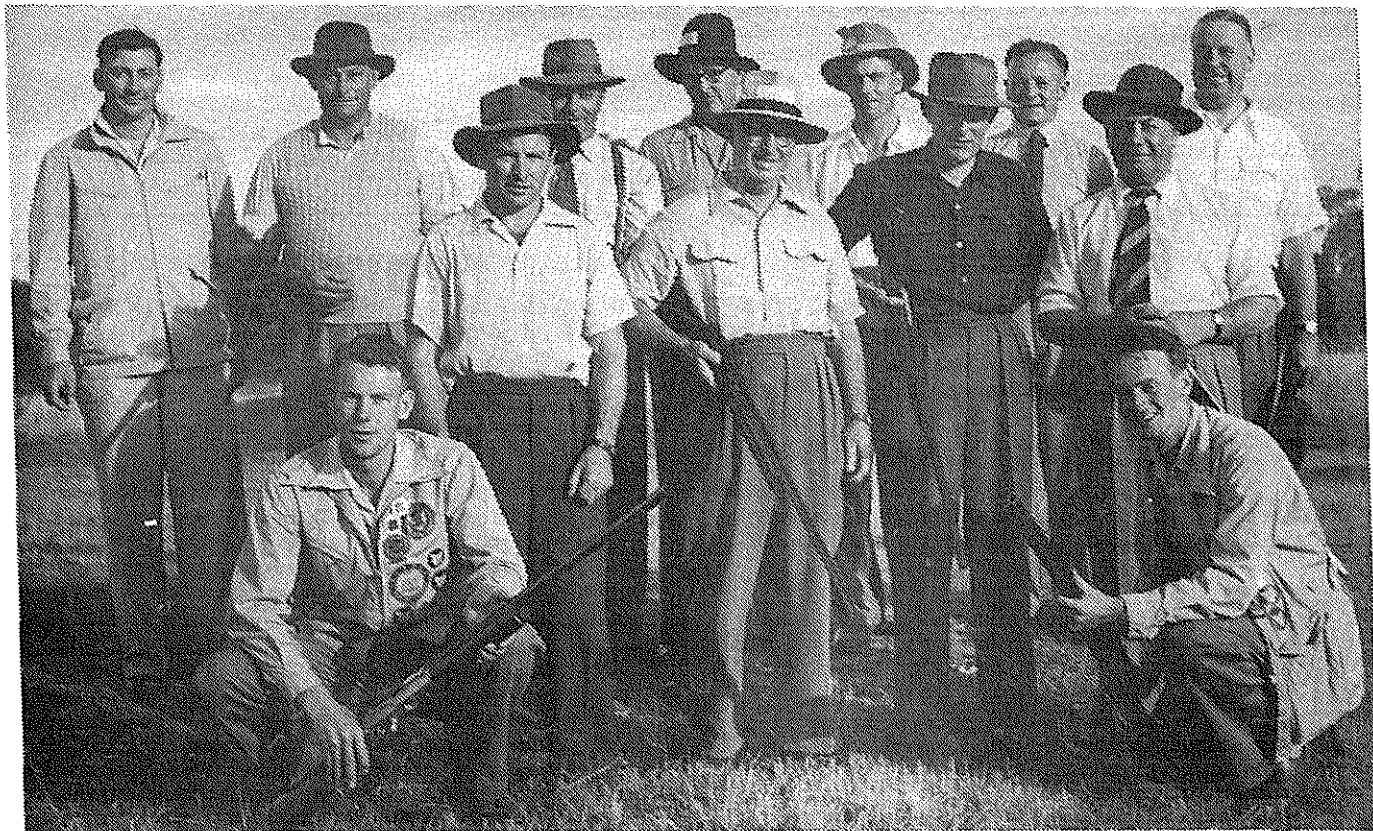

had the best sequences. When the final six went to the mark each missed the eleventh. "Calrossie", Jerrett and R. Craig dropped out on the 13th whereupon C. Max Howell (Ballarat), D.E. Robinson (Digger's Rest), and R. Metherall (Geelong) divided the optional sweepstakes. The 15th was fatal to Howell and Robinson, leaving Metherall to win with 12-15. This was the winner's sixth title in a little over 12 months.

### Glenburnie Club

The Glenburnie Gun Club completed its programme for the season with a £20 pigeon match. The birds were a fast lot and, assisted by a rear wind, fully tested the shooters. Conditions of the match provided for double nominations and 23 shooters nominated. At the end of the eighth round J. Robinson still had both nominations going, and A.J. Janeway, A.H. Edwards, R. Wombell and J. Tregenza had one. These shooters divided the money. A missout sweep, in which 16 entered, was divided by J. Tregenza, A.H. Gilles and P. Wombell on the ninth round. P. Wombell scored 19-20 for the day, with two second barrels, and J. Robinson had an unfinished break of 16, with one second barrel.

### Skeet Championship?

Thirty-three competitors shot for the Victorian skeet championships decided by the Melbourne Gun Club at Tottenham on Thursday. The event, which carried three silver cups, was shot at three rounds of seven each. An innovation was that the discs from the left boundary were thrown from a tower, while those from the right were propelled from ground level. When the final section began S. Reseigh, A.F. Burns and J. Brown (holder of the title) led by 13-14 from five others. Over the concluding stage Reseigh and Burns alone broke the lot. They shared the attached sweepstakes and then continued for the title, decided with another round of seven. Burns won with 27-28 to 26-28. This was Burns' second title, he having won the Victorian sparrow championship last year. He has been shooting over the traps for only 15 months.

Tasmanians at the 1955 National Championships. Front row kneeling we see left Sperry Marshall and right his brother Paul. Both brothers have a most imposing level of success at National Trapshooting Championships. Sperry won selection to represent Australia at the 1972 Olympic Games at Munich in Germany. His list of National Titles include the Champion of Champions Cup for 1955 and 1958. The ANZ Trap Championship in 1972 and the 1975 National Single Barrel. Sperry High Gunned the International Team in both 1975 and 1990. Paul has to his credit two times Champion of Champions 1959 and 1968. He was also an International Team High Gunner — the year 1974 with a score of 320/321.

# NORTHERN TERRITORY COMBINED SKEET & TRAP CARNIVAL 7-10 June 1991

R.E. Fox

The N.T. combined skeet and trap carnival was held over the June long weekend in Alice Springs. Despite some bitterly cold weather early in the piece a good weekend was had by all. Over 50 shooters attended from most clubs in the Territory as well as from Mt Isa and Victoria.

The skeet started on Friday 7th June with a 25 target eye-opener, and then the Carnival and State 50 target Championships. The weather was cold and showery and definitely a shock to the thin-blooded Top Enders. Tom Weis, despite making a nice return to shooting by winning the A grade in the eye-opener, copped a bit of flak over the weekend over his recent engagement — foolish fellow — congratulations anyway Tom and Danielle.

Saturday dawned 'orrible — cold and miserable — and got worse during the day. Even the locals were complaining and the ladies behind the bar did a good trade in hot soup and rum 'n cokes. Mick McGill of Mt Isa started a good weekend by taking out the Skeet High Gun with Barry Munt of Top End Gun Club right behind him. Competition was keen and the postal skeet team recorded a respectable score of 472/500.

Trap shooting got under way on Saturday afternoon and continued through to Monday. The sun decided to show itself on Sunday and the weather became the typical centralian clear blue skies and crisp mornings of the tourist brochures — still bloody cold by Darwin standards!

Darwin shooters tended to dominate the A grade in most events but titles were a little more evenly divided among B and C grades. Results from the whole carnival are detailed below. "His Highness" Victor Fertiklis won the Trap High Gun and Phil Grove took out the combined Skeet/Trap High Gun donated by AMP. The Junior High Gun Trophy, donated by Pam and Greg Bateson, was deservedly won by Darwin Junior Brett Hall and the Ladies High Gun, donated jointly by In and Outboard Marine and Sun City Joinery, was won by Tanya Hall.

The N.T.C.T.A. Annual General Meeting was held on Saturday night and office holders elected for 1991/92 are: President — Bob Fox;

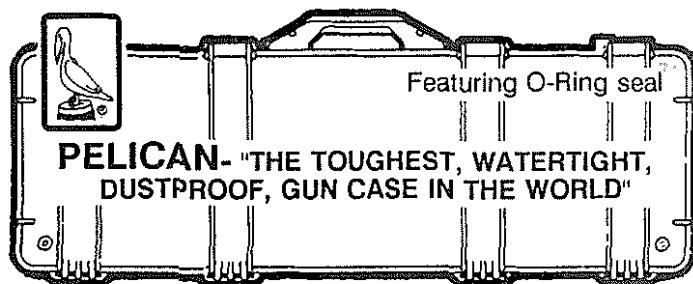

Vice-President — Tony Brown; Secretary/Treasurer — Phil Grove. Many thanks to retiring Vice-President, Jim Bitossi.

Again the concept of a combined carnival has proved successful and congratulations to all grade and title winners and those selected for the state teams. Thanks to the Alice Springs Gun Club and particularly the ladies behind the bar — the hospitality was second to none. Also thanks to our sponsors and to Hall's Transport for their assistance.

## EDITORS MAILBOX

Dear Sir,

Re: 28gr/1oz loads as described by the sub committees as advised August CTSN.

Speaking for myself personally, it does not bother me as to what applies to National or International Championship shoots — sub para (i) as I am governed by my income as to what I can afford to pursue.

Sub para (ii) 1993 infers that 28gr loads shall be mandatory under the shooting rules of the ACTA — has concerned me to the extent that; it is going to involve considerable expense to change my reloading equipment to comply with the demands of the ACTA ruling. I am not sure that I can afford such a change. It has taken me some period of time to establish what I have today.

I am a member of two gun clubs and enjoy my days shooting when those dates come around at those clubs, I am sure there are others like me who wonder what do we do now? Form gun clubs independent of the ACTA and do our own little thing?

The decision that the sub-committees have taken in this matter was not very diplomatic — surely it would have been more prudent to have had the various gun clubs to have taken a preferential vote on this matter, and show some concern to ordinary small club members.

# SOUTH AUSSIE NEWS

The South Australian Gun Club at Bolivar held the S.A.C.T.A. State Skeet Carnival over the weekend 25th and 26th May.

Cold weather, complete with showers, failed to dampen the competitors spirits and even though numbers were slightly down on those of previous years, competition was still fierce.

Apart from lone Victorian, Tim Evans from Melbourne, we seemed to be swamped with the "Mad Murphy Mob" from Broken Hill who did their level best at whipping off as many trophies as they could. It was good to have them all down for the carnival. Especially Ben, that veteran skeet shooter who has made the State 15 on many occasions. This year in particular he shone even more than usual — you see Ben shot the entire programme with a broken foot, encased in plaster and walking on crutches, and with the aid of his fellow 'Broken Hill-ians' who acted as gun bearers, he managed yet again to make the top 15 shooters as well as being only 5 targets behind the Overall high gun winner. Well done Ben!

The other exceptional competitor most worthy of a mention is Ray Kimber. Ray is a skeet enthusiast from way way back and I'm happy to say that for 23 years in a row he has been a member of South Australia's top 15 skeet shooters — this must surely be a record of some kind — I would be interested to hear from the other States if any of their shooters have an achievement of this standing. We do have some excellent young skeet shooters coming up such as Daniel Burton, David Murphy, Colin Jacobs and Evan Stephenson, but they have a long way to go if they wish to equal Ray's record.

Congratulations to the overall winners of the 4 State Championship events over the weekend in Tim Evans, Mark Kimber, Les Charles and Evan Stephenson.

Added interest for the weekend was the team shoot between S.A.C.T.A. skeet shooters and the Field and Game shooters. S.A.C.T.A.'s "Gun Rack Rebels" team of Les Charles, Daniel Burton, Rod Dwyer, Mark Kimber and Bob Dower won the inaugural team shoot with a score of 240/250.

**Twelve of S.A.'s top 15 shooters at the recent State Skeet Carnival. Left to right: E. Stephenson, P. Caddy, L. Charles, D. Burton, R. Kimber, I. Campbell, B. Murphy, R. Dwyer, M. Kimber. Front row: (kneeling) F. Guyatt, R. Dower and D. Murphy.**

South Australia's top 15 shooters were Rod Dwyer, Bob Dower, Les Charles, Daniel Burton, Evan Stephenson, Mark Kimber, David Murphy, Ian Campbell, Colin Jacobs, Ron Smith, Peter Caddy, Ray Kimber, Fred Guyatt, Ben Murphy and H. Nunn.

Our 5-man Skeet team to compete in Wagga in September will be Rod Dwyer, Daniel Burton, Les Charles, Bob Dower and David Murphy. Good luck fellas!

Overall High Gun winner was Rod Dwyer who shot an excellent 170/175 and Veterans High Gun went to Ben Murphy with 164/175.

Many thanks to Dave Renney (President of S.A.G.C.) and his willing crew of workers for making the weekend a memorable one.

The weekend prior to the State Skeet Carnival, I found myself visiting the Port Pirie Gun Club for the S.A.C.T.A. Western Zone Championships.

I believe Port Pirie is another of those places with unpredictable weather but for the 2 days that we were there, "perfect" conditions prevailed.

Congratulations to all those who won a Zone title and to Trevor Heard who took out the Overall High Gun for the weekend.

**These World War II veterans teamed up to shoot in the recent 9th Anniversary Shoot held at the Monarto Clay Target Club. Left to right: Peter Caddy (70), Fred Atkinson (76), Stan Meaney (72), H. Joe Laxton (74) and John Gould (69).**

Thanks must go to Dick Ayres who on behalf of Winchester, presented a new shield to the Zone — I believe the old shield was burnt in the fire which razed the Port Augusta Gun Club some time ago. Thank you to Winchester for your support.

Belatedly I would like to congratulate both Phil Green and Bob Andrews for making the 1991 Mackintosh Team at the Nationals as well as Dino Oliviero. My 'spy' failed to tell me of Phil and Bob's achievement. Well done all of you. It also pleases me to see other ex-South Australians on the front cover of June's edition — Bob Meaney (now residing in Queensland) and Craig Bentley (now a resident of Victoria). I hope that now I have covered all those South Aussie faces in the Mackintosh Team.

My next major report should be of our State's results at the Skeet Nationals in Wagga in September — I have been given the job of 'Den Mother' to our State Team — should be interesting. Hope to see you there.

## PORT DENISON GUN CLUB

Last Sunday, in absolutely magic weather, twenty-three shooters from Bowen, Mackay and Townsville vied for placings in the two major events of the day. The twenty-five target SB Port Denison Championship sponsored by Shell Sunshine Driveway and the Queens Beach Motor Hotel Trophy Event. Competition was keen and scores were high. The eventual winners of the championship event were: A grade: L. Nuzzolese (Port Denison); B grade and Overall: D. McDonnell (Port Denison); C grade: G. Townsend (Eton Mackay).

The winners of the Queens Beach Motor Hotel Trophy Event were: First: R. Snell (Port Denison); Second: G. Maltby (Port Denison); Third: D. McDonnell (Port Denison).

Sincere thanks to the trophy donors for their continuing support. The next shoot on our calendar is the most important one of our shooting year. Our two day shoot to be held on July 27 and 28. It is shaping up to being the usual great event it has always enjoyed with indications that shooters from all over north Queensland will be entering the competition. If you are a shooting enthusiast, come out and enjoy some great shooting and friendship.

# MILDURA GUN CLUB QUEEN'S BIRTHDAY SHOOT

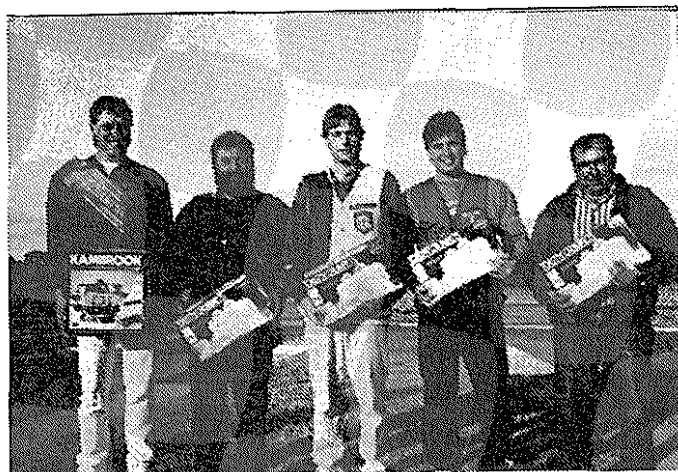

by Laurie Connors

Australia's top international shooter, Russell Mark dominated the Universal Trench Tournament held at Mildura over this weekend. The tournament attracted shooters from Melbourne, Adelaide, Kerang and Cobarr. Making a total of 32 entering the competition.

Shooters to make the final in the Victorian Universal Trench Championship were Russell Mark 93/100, Eric Bullmore 86/100, Brett Dunstan 91/100, Larry Dimasi 90/100 and Frank Argiro 86/100. After the final 25 targets, Mark was the winner with 93/100 +21. AA Grade went to Brett Dunstan 91/100; A Grade to Robert Thompson 88/100; B Grade to Frank Argiro 86/100; and C Grade Morgan Joyce 74/100. The 200 target Commonwealth Universal Trench Championship was also won by Russell Mark with a score of 187/200. AA Grade went to Larry Dimasi 176/200; A Grade Robert Thompson 184/200; B Grade Adam Vella 175/200 and C Grade Joe Finis 150/200.

**Left: Russell Mark displaying the State, Commonwealth and High Gun trophies won at Mildura Gun Club's Universal Trench Titles to Robert Thompson from Cobarr, a strong competitor in the same titles.**

**Winners in the Commonwealth Universal Trench Championship. From left to right: Russell Mark, Larry Dimasi, Robert Thompson, Adam Vella and Joe Finis.**

Russell made it a treble by taking the Geoff Marks Sports High Gun trophy over the 300 targets scoring 280/300. This perpetual trophy was donated by Russells brother, Geoff, for annual competition at this tournament.

**All smiles and flashing the \$200 won at Mildura Gun Club Universal Trench Titles. Left to right: Richie Howden, Eric Bullmore, Vince Molica and Mathew Howden. Their combined score 984/1200.**

The four person team to win the \$800 cash prize consisted of Mathew Howden, Richie Howden, Vince Molica and Eric Bullmore. Their team score was 984/1200.

The tournament was a great success for the club and it is now intended to add the Queen's Birthday weekend every year to the club's shooting calendar I.S.U. Skeet will be included in future programs allowing the tournament to be built around 300 targets trench and 300 I.S.U. skeet.

The club is now installing a 15 trap Olympic trench and most likely will be completed by the time this article goes to press. It is anticipated the opening of this discipline will take place over the weekend of September 21 and 22, 1991. Watch CTSN for clarification of shoot date and program. The unit that is being installed will have provision for Universal Trench, Olympic Doubles and Ball Trap, all achieved by just pushing a switch.

The club administrators will have their "noses" on the grind stone for a while after having installed the 15 trap trench, however they believe it's a step in the right direction, and will bring top events and top shooters to the club. Another area the administrators of the club have been looking at for some time is, the possibility of introducing a top trophy in its annual Easter program. It has been decided to offer a \$10,000 motor car as first prize to the overall winner, with colour TV sets going to first in each grade. The event will be shot over 20 targets AA Grade 18m, A Grade 17m, B Grade 16m, C Grade 15m. The nomination fee will be \$100. The full program will be advertised in September CTSN and shooters intending to make the trip would be wise to book accommodation early as Mildura's accommodation houses are heavily booked over the Easter period.

A preliminary notice of future major events appears in this issue of CTSN.

Anyone wanting further information on the programs or accommodation bookings can contact Laurie Connors by phoning (050) 23 2567.

## VALE

Sandra (Sandy) Johnston

The Broken Hill Gun Club Inc, would like to inform members of the A.C.T.A. of the death of our former secretary and Life Member of the club, Sandra (Sandy) Johnston. Sandy was well known throughout her chosen sport and without her guidance over a number of years, those persons associated with her, would be lesser persons today. Sandy enjoyed that rare trait of being able to liaise at all levels with respect and appreciation offered in return. Sandy leaves a devoted family in Devon, Tanya, Darren and family who have the sincere and deepest sympathy of those friends and associates who were fortunate enough to have known her.

## THREE DAY CIRCUIT SHOOT

Queen's Birthday weekend saw the first ever three day circuit shoot conducted at the Benalla, Albury-Wodonga and Wangaratta clubs in Victoria.

The clubs offered a case of Winchester shells as a High Gun trophy for each grade over the three shoots.

The farmers in the area had been hoping for rain and sure enough it arrived during the week leading up to the weekend, and barely let up all weekend. This was not exactly what the three clubs needed.

The inclement weather conditions did not deter shooters travelling long distances to compete. Visitors were from Warracknabeal, Geelong, Wonthaggi, Melbourne and Tasmania as well as the more local clubs of Bendigo, Shepparton, Albury and Echuca.

On Saturday at Benalla, forty-nine shooters competed in some of the better weather conditions of the weekend, but due to the heavy cloud cover, darkness set in early which made shooting the last event a real 'handicap'.

Seventy shooters and their families braved the very wet conditions and were extremely grateful for the big open fire in the club house at Albury-Wodonga on Sunday.

Even with the continuing wet conditions, enthusiasm by competitors was very high and hopes of taking home their grade high

gun trophy was a topic of discussion as scores were very even and winners could not be predicted, particularly with a full days shooting at Wangaratta yet to come.

Monday's weather was much improved on the previous day. Shooters were eager to nominate in early squads and take advantage of the drier conditions at Wangaratta. This was a great asset to the squad hustlers who worked tirelessly all day to keep the program moving, which was a necessity with seventy-eight competitors.

By using drawn ground for all five events during the day and a tremendous effort from everyone who assisted with refereeing and scoring the program was completed by four o'clock. This early finish was most welcomed by all who had long distances to travel home after the three days competition. Quote of the day, "It is better to finish an hour early than of ten minutes late".

At the completion of the third day's competition, Reg Coombes from Warracknabeal was the successful three day high gun A grade winner of a case of Winchester shells with a score of 357/375. Father and son, Bruce and Justin Hooper from Tatura took home the other two cases of Winchester shells as B and C grade three day high gun trophies with scores of 336/375 and 285/375.

Complimentary feed back from the shooters and requests for this event to be repeated again next year, indicated the weekend was a great success.

Thanks must be conveyed to all who supported the clubs and worked towards making the weekend a success, whether it be as a referee, scorer, trapper, trap mechanic, squad hustler, office staff or one of the many hard working ladies in the kitchens. Thank you all very much.

## MOUNT ISA GUN CLUB ANNUAL SHOOT REPORT

The Queen's Birthday long weekend was the time set aside for the Mount Isa Gun Club Annual Two Day Shoot, and an excellent weekend it was with shooters from all over the north attending.

Competition commenced at 8 am Saturday with 25 targets points score from 15 metres which saw Arthur Kenna win 1st with 71/75, 2nd after a shootoff went to Doug Killick 82/87, 3rd Snow List 79/87 with Dianne Reeves 59/75 best woman shooter, best veteran Charlie Buhagiar 62/75, best junior was Cloncurry youngster Chris Keyes with 53/75 and Doug Stone's 63/75 won him the award for best 11-15 metres group.

The second event was one of the major events for the weekend, The Mount Isa Gun Club Day Single Barrel Championship, and after a shootoff, local shooter Jim Edmonds emerged as overall winner with 28/31. A grade was won by Karumba shooter Lou Solari with 22/25, C grade to John Lord 20/25, while Dianne Reeves was the best woman shooter with 19/25, Lee Mathews 16/25 was best junior, and best veteran Elio Sebastiani 20/25.

Next up was the Copper City Double Barrel Championship and after a shootoff, overall went to Lou Solari 29/29 who defeated Bruce Murphy and new shooter Tom Kelly who had to be content with A grade and C grade respectively. B grade Tom Kelly 24/25, best woman once again Dianne Reeves 22/25, best junior Lee Mathews 20/25 and Elio Sebastiani won the veterans trophy with a score of 22/25.

The final daylight event for Saturday was 25 targets off handicap and after another shootoff Doug Stone won the 11-15 metre group with 26/28, Ron Power 22/25 the 16-19 metre group and Doug Killick was the winner in the 20-25 metre group with 23/25.

Following this the calcutta draw was held and a novelty event staged to take us up to dinner time. After the evening meal was over, the calcutta auction was conducted and then it was time to shoot the Commonwealth Night Double Barrel Continental Championship, which was shot from the 20 metre handicap mark, although it didn't prove too much of a handicap to Lou Solari who won the Commonwealth title and A grade with a score of 43/50. B grade to Conclurry shooter Ron Keyes with 38/50, C grade was Richmond's John Lord 26/50, and Moira Johnson who had only arrived from Booraloola late that afternoon won the best woman shooter's trophy with 25/50, Charlie Buhagiar won the veterans trophy with 20/50, and Chris Keyes followed his dad's lead by winning the junior trophy with 23/50.

AUSTRALIAN CLAY TARGET NEWS — AUGUST 1991

*Pictured below left to right: High Gun winners, Lou Solari Overall, Ted Bates B grade, Snow List C grade and Rob Cusack A grade.*

8.30 am Sunday saw 46 bright-eyed and bushy-tailed shooters line up for the 10 target eye-opener which resulted in Noel Kuskopf being 1st in A grade, equal 2nd Bruce Murphy, Wayne Reeves, Ted Mathews

and Rob Cusack. B grade 1st place to Ron Keyes and equal 2nd to Brian Palethorpe and Col Ennis. First in C grade to Snow List, 2nd Allen Waite and equal 3rd John Lord and Moira Johnson.

With everyone's eyes opened it was straight into the Mount Isa Gun Club Day Double Barrel Championship, 50 targets off 15 metres, which saw Rob Cusack take out overall with 49/50, A grade Noel Kuskopf 48/50, B grade Greg Mathews 47/50, C grade Doug Stone 46/50, while Dianne Reeves 43/50, Chris Keyes 36/50 and Charlie Buhagiar 42/50, respectively won best woman, best junior and best veteran shooters trophies.

This brought up the combined \$1000 prize money events and after the scores were tallied, Ted Bates had a grin from ear to ear as his 49/50 had not only won him 1st place, but as he had bought himself in the calcutta auction 1st place in the calcutta pool as well. Ted Mathews 58/60 took second place after a shootoff with Bruce Murphy 57/60 and Chris Otto 56/60 winning 3rd and 4th placings. Doug Stone 46/50 won the 11-15 metre group, Geoff Ladbroke 55/60 the 16-19 metre group and Jim Edmonds 46/50 the 20-25 metre group.

The final event for the weekend was 10 targets points score off 15 metres with the results being A grade shared by Doug Killick, Don Murray and Rob Cusack who all shot 30/30, B Grade shared by Bob McCracken, Jim Edmonds and Brian Palethorpe who all shot 29/30, C grade 1st Snow List 29/30, 2nd John Lord 27/30 and 3rd Kaye Kuskopf 25/30.

It was now time to decide the High Gun winners and as both Lou Solari and Ted Bates had shot 252/280 for the weekend's competition, a shootoff was necessary and the results were: Overall High Gun Lou Solari; A grade High Gun Rob Cusack with 249/280; B grade Ted Bates and C grade High Gun Snow List with a score of 239/280. All told an excellent two days of clay target shooting and the Mount Isa Gun Club would like to thank all those who worked tirelessly to keep the shoot running smoothly. If you would like to know more about the sport of Clay Target Shooting, please contact the Mount Isa Gun Club Publicity Officer, Ron Power on 43 4277 during work hours or 43 9940 after hours.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the **very wise** shooters who knew best to select Perazzi and when you also are ready to invest in a top gun you immediately think to yourself "**PERAZZI FROM YOZZI**" — the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:—

MX1	MX3 trap	MX3C sporter	MX4C trap, skeet or field
MX2	MX3 skeet	MX5 sporter	MX8 trap with 28½" and 31½" barrels
M2L	MX3C trap	MX4 trap	MX8 skeet
			MX8 gold line trap
			DB81 special trap
			SC3 trap and skeet

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "**PERAZZI FROM YOZZI**" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

# RECORD CROWD AT MARYBOROUGH GRAND PRIX

A record crowd of 201 shooters participated in the 13th Annual Grand Prix under varying conditions. The day started off with heavy fog which made shooting interesting to say the least. This was followed by fine and cool conditions until the failing light forced the closing event to finish under lights.

Everyone was very tolerant to the conditions and the day was the most enjoyable days shooting experienced by the club. The pleasant atmosphere in which the shooters participated was commented on by numerous people and the barbecue conducted as a finale, rounded off the day.

Prize money for the day totalled \$7,500 and was keenly sort after as can be gauged by the record entries.

*Geoff Mark speaking on behalf of the Sebastopol team, receives congratulations from Norm Quick representing Olympic Targets after Sebas' won the 1991 Team Shoot.*

The team shoot, partly sponsored by Olympic Targets of one pallet of clays, was won in fine style by the Sebastopol team. Twenty teams participated and the event generated a good deal of interest. This will be an annual event and it is expected that it will be more keenly contested next year as the interest develops.

The Grand Prix Browning Automatic was won in fine style by Wayne Calaby from Russell Mark after 145 targets. Our congratulations go to Wayne who has been shooting consistently over the past twelve months.

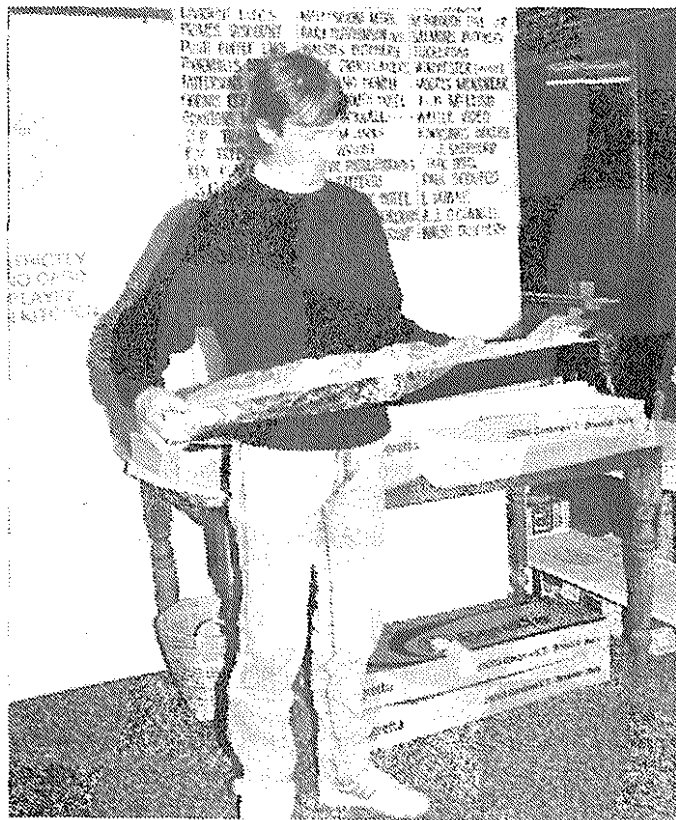

The club is appreciative to Thomas Jewellers of Ballarat for their valuable sponsorship, making the Ladies trophy a much sort after prize.

Generous sponsorship was received from the combined traders of Maryborough to allow the club to put on such good quality trophies to the benefit of the shooters.

Over the past four months members have worked constantly to get the grounds and traps in tip top condition. Special thanks go to the Secretary, Gary Cassells, ground manager, Fred Hubble and trap mechanics, Harold Cracknell and Graeme Ruff.

The club is grateful for all those who helped to make the day a success and we hope to see you all again next year.

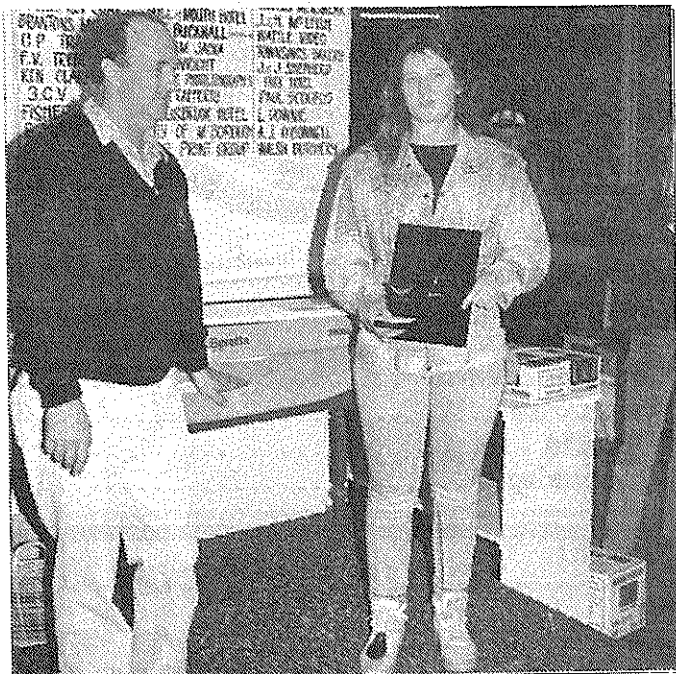

P.S. A special thanks to the ladies for their hard work in the kitchen in keeping the food up to the large crowd.

## A SPECIAL THANK YOU

During the weekend of 22nd-23rd June 1991, members of the Victorian Abruzzo and Veneto Gun Clubs were guests of the Marconi Gun Club in New South Wales to contest an annual inter-club shield. The shoot venue is alternated between the clubs. The spirit with which all shooters participated, the warmth and hospitality extended to the visiting shooters and their families and friends and the number of shooters (some 100 for DTL events alone) ensured that it was a memorable weekend for all.

Although the visitors won the shield, the real winner, as in the past, has been the sport of clay target shooting as the weekend gave everyone the opportunity of renewing acquaintances and reinforcing the close bond which exists between the clubs and their members.

The sincere thanks of the visitors are extended to the Marconi Gun Club, its executive and members for a most enjoyable weekend.

## MELBOURNE GUN CLUB

We go here every Saturday  
To pass our leisure time away  
They use their 12 gauge shotguns  
And shoot at a thing called a clay

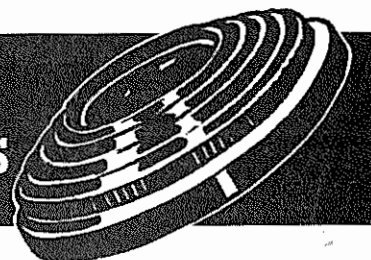

There's an A grade a B grade a C grade too  
And everyone can try  
And when you miss one  
Don't be a bad sport and cry

There's a single rise, double rise, an eyeopener too  
And there's a deauville doubles, handicap and lots more to do  
They stand in a line with five to a squad  
And some do not have a clue

My father who holds the Australian record  
He is a very good shot  
He can shoot 732  
He can shoot the lot

### CAIRNS & DISTRICT GUN CLUB

The club is sad to lose Bob Geiger who is returning to the USA after working in PNG for several years and shooting regularly with us on leave. He was a good worker for the club and a top sportsman on and off the track. His pipe and tobacco streaks will be missed . . . Good luck Bob back in Oregon.

Congratulations to Derek Bruce for his effort this shoot, a new junior who is turning a few heads, especially mine (Nirumo Bruce).

Congratulations also to the North Queensland team who went to the Arafura Sports Festival and competed against Brunei and Darwin. They were victorious in the Olympic Trap taking first place and Bob Simpson taking 1st Overall with Angela Zappala 2nd OA. The ISU Skeet team took second place OA. An excellent week of heavy competition was enjoyed by all.

# DUBBO GUN CLUB 7th ANNUAL GOLDEN FOX

Dubbo Gun Club held its 7th Annual Golden Fox shoot last weekend (1st-2nd June, 1991) with over 100 shooters travelling from all over NSW including some from Victoria and Queensland.

The majority of shooters were AA and A grade, all looking to win the 1oz solid gold "fox" handmade by master jeweller, Mr Peter Keough.

It was good to see a few of Dubbo's club members win some events — Scott Monaghan, Doug Alcock, Steve Williams, Rod Carr with Chris Cookson winning B grade High Gun.

The committee would like to thank our major sponsor, Chris Cookson — Dubbo Tool Centre, Ramiens Timber Co, Frank Smith — Winchester Australia and Mr Peter Keough for the "Fox".

The Walnut Badge Box donated by "No Show" Shalhoub was won by more than Wayne Wally Gaitor.

The "Fox" was won by 18 year old Goulburn shooter, Michael Diamond. Michael came from behind and shot 50/50 in the DB, 75/75 in the PS and 25/25 in the SB. Full results are contained in the results section of this CTSN.

## TARGET LOADS

*Setting the pattern  
others can only follow.*

Winchester – our leadership in ammunition products is legendary.

In the toughest trap and skeet competitions, shooters have learned to rely on Winchester winning consistency.

From primer to crimp, Winchester best quality components are loaded for performance. Fast, with light recoil and patterns with perfect distribution of shot.

In shoot-off after shoot-off, Winchester's legendary performance, consistency and reliability has won through, time and time again. Over the past 10 years, Winchester Target Loads have won more Australian Shooting Titles than all other brands combined. Maybe it's the consistent, dense even patterns. Maybe it's Winchester's exclusive soft recoil design.

Whatever the reason, Winchester sets the pattern – the winning pattern – others can only follow.
