EXECUTIVE DIRECTORS NOTES

By the end of this month another year will have passed by and what a busy year it has been.

Commencing with the Oceania Shooting Championships which provided Olympic quota's for Australia, we have experienced what is without doubt the most exciting and rewarding year for Australia at International level.

With the World Championships recently concluded, although at the time of writing some two weeks away, a lot of people particularly in WA will be looking for a relaxing few weeks before Christmas after which once again it will be yet another year to both look forward to and plan for.

DTL TEAM

Included in the planning for 1992 will be arrangements for a five member team to participate in England against members of the home countries: England, Ireland, Scotland and Wales as well as a team from New Zealand. This follows on from the successful visit to the USA in October this year by the three member team selected by their performances at the Wagga Skeet Nationals.

The selection procedure for the five member DTL team will be as the result of scores achieved in the three Mackintosh qualifying events: DB, SB and Points plus the 100 Mackintosh team event with all members subject to justification. With a total of 280 targets/550 points over four days of competition a strong team should emerge to represent Australia around July of 1992.

1992 REGISTRATIONS

Registrations remain unchanged at \$43 full member, \$27 second family member, \$27 veteran (over 65), \$10 junior, \$27 concessional (60 years). A special concessional membership is available for those shooters who having attained the age of 60 have a non broken period of 30 years as a registered ACTA shooter. It is important however to appreciate that concessional membership does not mean veteran status unless the person concerned is over 65 years of age.

REGISTRATION CARDS

When the 1992 cards are issued you will notice two amendments with the first being the provision for 1991 scores to be carried forward for 1992 and the second provision for tower scores to be included. Both of these improvements are as the result of the Secretary of the Bunbury Clay Target Club, Mrs June Roach who we thank for her suggestions. Shooters who use a release trigger are also noted on the label of the registration card.

CHRISTMAS MESSAGE

In closing and on behalf of all at the National office — Leanne, Megan and Gloria I would like to take this opportunity to wish all shooters and their families a happy and enjoyable Christmas.

Alan J. Maher

PRESIDENT'S CHRISTMAS MESSAGE

Hello fellow shooters, Christmas is upon us once again.

This is a time to reflect over the past twelve months of 1991 and to ask ourselves some indepth and pertinent questions regarding our chosen sport of Clay Target Shooting.

Did you enjoy your clay shooting to its fullest this year? Did you offer any assistance to your fellow club members, if requested to do so, or not? Did you become involved in a positive manner in a project within your own club; or within your respective zone or State Association? Did you behave in the code of a true sportsperson, both on the tracks, and when relaxing in the clubhouse?

Positive answers to these questions means that you really find a sense of fulfilment in clay shooting, and are a real sportsperson who is prepared to actively promote our sport. Those of you who are prepared to give back some of the enjoyment and satisfaction received from your sport for the benefit of your fellow members and friends are promoting clay target shooting very strongly.

It is this strength through promotion that will enable your club to grow in popularity and in strength of numbers. Ultimately, your State Association will benefit, and the ACTA - but most importantly, we shall all experience these benefits through a steady growth in membership in our sport.

The World Shotgun Championships is a very special event for all clay target shooters because it is a great promotion for our sport, not only through media coverage, but also the fact that 35 countries involving more than 220 shooters will have competed.

For those of you who will have attended, to compete or to have watched the World's best UIT Trap & Skeet shooters in action, will have been a magical experience.

Special congratulations must be given to our Australian Team Members, who have been selected to represent Australia in the open, ladies and junior teams. All of these clay shooters thoroughly deserved their selection in their respective teams because of their strong desire to excel in their sport, together with an enormous personal effort, and personal sacrifices. The hallmark of true champions.

The Organisation Committee under the guidance of past ACTA President Roy Holtfreter has performed an incredible feat. From the very beginning, when this committee created a documentary video film to promote Perth as the venue for the 1991 World Shotgun Championships, following on through the stages of liaison with ACTA head office and to all potential competing countries. To arrange all accommodation venues, to continue to build the media coverage and to have the ranges at Whiteman Park in world class condition for these championships, was nothing short of a herculean effort by every single member of that Organising Committee.

Personally and on behalf of all members of the ACTA, I congratulate Roy Holtfreter and all of his committee, and to all those who helped in some way to make these World Shotgun Championships a success. A daunting task which was performed so professionally and so successfully.

A final thought for 1991 is to wish each and everyone of you, as members of the ACTA, together with your families, a very Happy Christmas and a prosperous and healthy New Year.

Enjoy your shooting. Help your fellow shooters. Experience peace of mind.

Leighton Martin
President ACTA

WORLD SKEET CHAMPIONSHIPS

Fresh from the Wagga Skeet Nationals, Paul Johnston (Vic), Scott Wright (SA) and Evan Stephenson (SA) took part in both the Mini World and World Skeet Championships at San Antonio, Texas during October. The three man team was representing Australia in the World Skeet Championships with their participation assisted by funding from the Australian Sports Commission.

The Mini and World Championships were shot over the four gauges plus doubles for the World Championship. In the Mini World, Paul Johnston dropped a total of 12 targets to shoot a score of 388/400 to be the best performer of the Australian Team.

In the World Championships with a total of 550 targets, Paul was again the best of the Australians with a 538/550. Scott Wright 533/550 and Evan Stephenson 522/550 both shot well and with Paul were worthy and proud Australian representatives.

Having been some five years since the last Australian Skeet team to America, interest in the performances of the team was very high and reflected the importance of the competition for those who prefer the skeet discipline.

In closing, we must thank New Zealand President Graeme Webber for the assistance which he gave to all members of the team. Graeme has been travelling to America to shoot the World Championships for many years and his experience in this regard was very beneficial to the members of the Australian team — thank you Graeme.

SKEET CHALLENGE MATCH

In the inaugural year of competition, Australia has achieved winning scores in all sections of the International Skeet Challenge Match.

Unfortunately, England, Ireland, Scotland and Wales did not contest the Match, however advice has been received that confirms their participation in 1992. Similarly, Canada and Zimbabwe did not respond to invitations to participate, however every effort will be made to entice them into the competition as from 1992.

WARATAH STATE NOTES

If you have any items of news or interest for the Waratah State Notes, please send them in to me, as this column is a great service to our State, and I sometimes have trouble finding items of interest to publish.

WESTERN ZONE

Cobar Gun Club advises that Mr Ernie Hawkins was very surprised and pleased when presented with the Presidential Medal by Jim Scott and A.M. (Pud) Burgess, at the Saturday evening dinner for their Golden Clay Shoot, in late August.

They were pleased with a successful shoot, with Ben Kelley from Sydney winning the Overall Golden Clay High Gun and Robby Thompson from Cobar winning the State Night Double Barrel Championship.

Hermidale Gun Club hosted the State Deauville Doubles Championship on Saturday the 19th October, with the winners being John (Tub) Blazley and David Tremaine shooting the only possible 20/20.

CENTRAL ZONE

Bathurst Gun Club has been saddened by the sudden loss of one of their members, Miss Heather McFarlane, in a motor vehicle accident. Heather was a member of Bathurst for several years, and will be missed and remembered by those who knew her.

Sunny Corner Gun Club hosted the State Double Rise Championship on the 13th October, with Peter Hayley winning the championship after a shoot off with another local, Peter Griffiths.

COACHES CORNER

It was pleasing to see the number of Junior Shooters who attended the State Trap Carnival at the Wagga Gun Club on the 5th, 6th and 7th October. There were 8 Juniors and 10 Sub Juniors competing, and this was the first time that the Sub Junior competition was held at a State Trap Carnival.

I would like to thank the Showman's Gun Club for their generous sponsorship of the Sub Junior trophies, and also the Junior and Ladies Double Barrel Championships. I would also like to thank Joe Chiapetta for the sponsorship of the Sub Junior Perpetual Trophy. With this number of Sub Juniors competing in the State, hopefully we will see the Sub Junior Competition shot at Zone Carnivals. Good shooting.

ROMA CLAY TARGET CLUB INC

On Saturday 3rd August 1991, the Roma Clay Target Club hosted the Annual Charity Shoot which was held in aid of the Blue Nursing Association. It was a great day — the weather was really beaut — especially for that time of the year.

Approximately 160 shooters took part in the day's events. We had quite a variety of teams, from bank teams, Oil patch teams and various community service teams. Each team was allowed one (1) gun club member.

Bridge Bandits (an Oil patch team) won the High Gun for the day. Godford Builders No. 2 team (building construction) won the Low Gun team for the day, whilst K. Campbell won the actual Low Gun.

At the end of the day, Mr Robert Rosenberger — President of the Roma Clay Target Club, presented a cheque for the sum of \$2264.00 to Mr Alan Pack, President of the Blue Nursing Association.

Mr Rosenberger, sincerely thanked all those who supported the Charity Day, and also to all those helpers who worked so hard to make the day the success that it was.

NORTHAM HONOURS TO PAST PRESIDENT

Roy Holtfreter

On behalf of Northam and District Gun Club, I am pleased to be able to inform all members of the Association that the Fred Killick Community Services Award for 1991 has been won by Mr Roy Holtfreter of Northam WA. Nominated by the Northam and District Gun Club, Roy certainly has an imposing record of service to the club and shooting in general. Having held every position at club level as well as the Presidency of the ACTA, a role he served so well, as Chairman of the Organising Committee for the World Championships, Roy has continued his involvement at this very high level of administration on behalf of shooting with his contribution to the sport recognised by this most recent honour, which adds to the recognition given him in 1986 when named Northam Sports Star of the Year.

Well done Roy Holtfreter.

WACTA REPORT

I have been asked to do many pleasant jobs during my term as President and one of those came at the AGM where I presented Darrell Wiese with a life membership of WACTA.

Darrell served on WACTA for some twenty odd years. Two years as President, four years as our ACTA delegate. He has been instrumental in many changes in WACTA that have taken place over the years.

I would like to welcome Lambert Jackson of Narrogin to the Executive as the new zone five delegate.

Our prestigious WACTA sports person award for 1991 has been won by Mr Roy Holtfreter of Northam.

It was announced that the West Australian Gun Club won both the Trap & Skeet interclub teams matches.

Around the Traps

Early in September it was off to the Leonora Gun Club in search of gold. Lex Shipp being the most successful winning three gold nuggets on Saturday. Jim Neve won the State Single Barrel Tower with the only possible, well done Jim. Murray Alexander was high gun for the weekend. Club President Neil Johnson presented Mr and Mrs Ken (Buck) Winter with a large cheque (one metre by half a metre) as a farewell gift. Buck was a founding member of the Leonora Gun Club and has been Club President for the past twenty-six years. Ken enjoy your retirement in Kal' and good shooting in the future.

Next was the Trap Teams elimination where the Shipp family featured prominently with Lex making the open team, Gaye and daughter Amanda the ladies, and Mathew the junior team. Well done the Shipp family.

WA State Trap Team with WACTA President Mick Watson.

Congratulations to all members who made the State team, to Bruce Whitaker for being the high gun of the team, and to Glen O'Brien who high gunned the two days.

See you at the World Championships. Good shooting.

Dear Editor,

I write in support of the letter from R.J. Burgess concerning the proposed introduction of 28gr/1oz loads, and in response to the many shooters in our club (Swan Hill) who oppose this introduction.

While there is nothing wrong with 28gr loads, making them compulsory will do more harm than good. Many shooters who reload buy components in bulk and no doubt amongst our shooters there must be thousands of 32gr wads. Why should these shooters have to buy 28gr wads when they probably already have a supply of 32gr wads. Another unnecessary expense many shooters will incur is the purchase of a new bar for their reloader. At a time when many ACTA clubs have declining attendances, further economic burden to the shooter is far from ideal.

Anyway, how would this be enforced? I can envisage every time someone wins a significant event and if a complaint is raised, then there will have to be some sort of investigation. This scenario will not engender good feeling in clubs. Why is there need for change? Our best shots who compete at the highest level will not be handicapped by the club shooter using 32gr loads.

These points are just a few on this issue. I would urge other shooter/clubs to air their feelings.

Stephen Bates

Dear Sir,

I refer to A.C. Kenny's letter published in the October News and as the referee concerned with the second incident mentioned in that letter, I would like to point out the facts as they occurred:

1. The day of the competition was extremely windy and I stood unusually close to the shooters on all stations to ensure that I heard their call and/or any other matter of importance.
2. The shooter involved believed his gun had not fired and immediately held the gun out to the referee for the purpose of testing. After taking the gun and before anything was done I asked the shooter did he know what had happened. His reply was: "No, I thought I pulled the trigger". With that I put the gun to my shoulder and pulled the trigger once only and the gun fired.
3. When the gun did fire I turned to the shooter and said: "I'm very sorry but there is only one result available here and that is lost target". The shooter concurred with that decision, and in fact we discussed it further as we left the ground after the completion of the round and again in the clubhouse over coffee. Everyone agreed that the correct decision had been made and at no time was there any mention of an "audible click".

I find it annoying and embarrassing that someone who was not in the squad as a competitor or scorer, or in fact not on that particular skeet layout, could make any comment in relation to the rearward movement of the trigger or so called audible "click".

The fact that it was the shooter's 25th target, with a previous round of 25/25, has no relevance to the decision which I made.

It is interesting to note that the particular shooter shot a further 200 skeet targets for the weekend with the same gun with no problems at all.

Whilst Mr Kenny is advocating the use of the refusal rule to cover "freezing on the trigger", he has in this case distorted the facts to suit his own argument. Had the "facts" of the second incident been as clear cut as he suggests my decision would have been totally different.

Yours faithfully,

Glenn D. Arnol

Dear Sir,

With regard to 1oz loads becoming law in 1993, I feel this matter was decided on without the input of the rank and file members. Why not advise all clubs that a compulsory "yes or no" be submitted at the time of re-registration for 1992, ballot papers from ACTA shooters news in pullout section style. This would solve another seemingly power struggle within Management Committee ranks. Majority rules ... simple solution.

Yours faithfully,

D. Seawright.

VCTA SOUTH EAST ZONE CARNIVAL

This shoot is normally well patronised and this year was no exception with 130 shooters in attendance.

The Double Barrel was shot in fine conditions, with the wind having just enough effect to keep the possibles down to three squads. Veneto/Abruzzo sponsored this event. OA was won by Wayne Parks 93/93 from Brian Hunter 92/93. At the half way mark of the teams event, only a couple of targets separated the top eight teams and no clear indication of what was ahead. Handicap shooting is a major part of the team series and the second leg of this keenly contested competition. The Handicap sponsored by the ANZ Bank was won by Graham Smith 43/43 with Frank Scotta 42/43 second and Phil Grainer 38/39 third. The winning team on the day was Veneto whose members put in a very strong handicap score. E. Bertollo 24/24, S. Zotti 23/24, A. Tesoriero 22/23, C. Scotta 24/24, F. Scotta 25/25 — a total of 238/250 the highest winning score of the year. Nepean won the series with 1130 only three targets away from Wonthaggi. However the Wonthaggi junior team won the day and the series. Series High Guns, Double Barrel Bill Woodward 122/125, Handicap Chris Carrol 115/125, OA Chris Carrol 235/250, junior Rayce Burgess 217/250.

Handicap winner Graham Smith, with ANZ Branch Manager Leonie Robinson and Club President Geoff Wallis.

DTL High Gun Daniel Di Pietro pictured with John Witney, Winchester Representative.

The Single Barrel sponsored by Tony Rowe was won OA by Chris Carrol 26/26 and the only other possible was shot by Arthur (Hecta) Crawford 25/26.

Even four the Points sponsored by the Melbourne shooters, was won with the only possible by Daniel Di Pietro 75/75. This was just how Daniel wanted to finish as he also won the DTL High Gun 147/150 donated by Winchester.

The skeet sponsored by Bob Buchan was won OA by Mai Briggs 74/75, and Melbourne won the team (skeet) event with 351/375.

The Zone wishes to thank all the shooters who participated, and the many hard workers on the day, also the following financial supporters, Veneto/Abruzzo, ANZ Bank, Tony Rowe (who was also the shoot marshal), Melbourne members, Bob Buchan, Vince Mollica, Frankston/Australian, Victorian, Metropolitan, Winchester and Bob Ried Sports.

MARYBOROUGH TID BITS, QLD

Merry Christmas and Happy New Year to all shooters and their families, and to all ACTA, State and club workers who keep this sport of clay target shooting on the rails, good luck in the new year.

Congratulations Holly on being our Secretary/Treasurer, now going into the tenth year, thanks a lot. I hope you know there is no long service allowance in this job.

Maryborough 5-10: Thanks to our shooters who turned up on Saturday for big bore, Saturday night for small bore and Sunday for clay target to contest the various challenge trophies, its nice to have them back.

Bundaberg 6-10: Gino Sergiacomi returning to B grade but not for long as he shot B grade 25 Pts, 25T SB and 10pr DR. Paul Rehbein took the OA and A SB Championship with Rob Rehbein winning 25T DB and the OAHG. J. Straughair blitzed C grade taking the DB, 11-14 HC, SB and the FMHG.

Gympie 13-10: Thanks to visitors from Sunshine Coast, Kingaroy and Hervey Bay to make the numbers for a good shoot. Shooters to get into the goodies being K. Srb, R. Fett, N. Dale, B. Power, H. Walker, I. Osborne, L. Beattie and B. Stolberg winning 25T SB, 50T DB and Cont Championship.

I said Gino was shooting well and at the Australian Masters Games held in Brisbane, Gino struck Gold and Bronze. He shot 49/50 in the DB and 45/50 in the Champ of Champs, entering the 45-54 year division, he must have given the wrong age as he looks younger than that. Good shooting Gino.

Maryborough 27-10: K. Palmer taking OA and B in the DB Pts and B HG and in the 10pr DD collected second place with partner H. Walker who added 25T DB Cont and 25T DB Pts to his score. Fred Sidwell shot terrific in winning A grade events and HG.

Hoping everyone had a good years shooting and enjoyed it. For shooters on holidays in this area, shoots to look for: All the Chrissy shoots — Bundaberg Dec 1, Gympie Dec 8 and Maryborough 1 week earlier this shoot Dec 15. If you survive Christmas the shoot to start the year off would be the Super Shoot at the Sunshine Coast on Jan 11 and 12, followed by the Gold Coast Shoot the following weekend.

Good shooting to all and till next time, see you at the shoots.

A special thank you to all our sponsors, namely, Anne and Martin Whelan, Cyril and Nancy Wright, Rodney Ahrens, Lameroo Hotel and Brian Killick, who helped make the weekend the success that it was.

Saturday's shooting was under very wintery conditions with the rain and thunderstorms being a bit trying, but this did not deter the fine competition. (40 shooters competed.)

Daridyn shot well on the weekend considering he is one of our hardworking trapper boys and he borrowed a gun to use. (Sorry it's not for sale!) The highgun over the two days was won by Terry Booker with 173/180. He won a case of Winchester cartridges as well as another high gun badge. He has always wanted to win a Wilkawatt badge and now he has two.

A big thank you to all of those who helped get the grounds ready at the working bee, the trappers on the weekend, the girls in the kitchen, scorers and referees and especially to Kevin and Wayne for their work in the office. Not only were they competing but managed to keep things running fairly smoothly.

VALE PAUL WEIS

It is with deep regret that we advise of the untimely death of Paul Weis on 3 November following a short illness.

During his shooting career Paul served the administration of the sport in many ways including Secretary/Treasurer of the Northern Territory Clay Target Association for many years, Secretary (and other positions) of the Darwin Gun Club for some time and also as an Executive Member of the ACTA.

A keen skeet and trap shooter, Paul accompanied Territory teams to various National Championships and son Thomas was Australian Junior Skeet Champion in both 1986 and 1987.

Shooting formed a major focus of Paul's life and, at one stage, four members of the Weis family were all shooting regularly at the Darwin Club grounds. All members would appreciate the value of such support.

On behalf of the Darwin Gun Club, the Northern Territory Clay Target Shooting Association and the Australian Clay Target Association, we extend to Vlasta, Thomas, Peter, Kathryn and Barbara our sincere sympathy at the untimely loss of a gentleman, a remarkable individual and a keen sportsman. Both the sport and the Territory will be the poorer for his loss.

TERRITORY SHOOTING

The untimely death of Paul Weis (see Vale notice) has cast a pall over Territory shooting. Darwin members will miss Paul's larger than life presence around the club and those of us who have been around for a while will remember the tremendous amount of personal effort and time that Paul devoted to the sport. Paul saw the NTCTA through its formative stages in his near ten years as Secretary/Treasurer. His efforts were instrumental in obtaining such a high level of support from the Government that the sport enjoys in the Territory today. A sad loss to the sport and the Territory and I extend my sincere sympathy to Vlasta and family.

Long time Darwin members, Joe and Beryl Bell have now left Darwin for retirement in Victoria. Members are already missing Joe and Beryl's efforts around the club and it is a pity that their departure was so sudden that a proper farewell was not organised. Joe has been elected a Life Member of Darwin Club and we sincerely hope that Joe and Beryl will visit us as often as possible.

Another departure saw Ray and Margaret Oakley heading for Victoria and already Ray's irascible presence around the club is being missed. You mob better come back and visit us too! Hey, what's the go with Victoria, folks? No-one goes there voluntarily.

Darwin Gun Club had its AGM on 3 November and the new committee includes Ken Selwood returning as President, Victor Ferteklis — Vice-President, yours truly Treasurer and Gordon Bell — Secretary. Phil Grove stood down as Secretary to enable him to concentrate on NTCTA and ACTA business.

Good shooting from the Territory!

The Southern hemispheres newest large trap shooting complex has its grand opening late this month. The million dollar ground, home to the Belfast Club, in Christchurch in New Zealand is also the venue for next years New Zealand National championships, starting March 7. The McLeans Island site is the same distance from the international airport as the old Yaldhurst Rd ground the venue for the Nationals over many years. The ten DTL and six skeet fields along with two ball traps a trench layout rest side by side with a permanent sporting clay course. All are housed with room to spare on the 147 hectare property. The site with the bare brown fields stretching well past the black stump was partly selected to make Australians feel at home. The 1992 nationals are expected to be a gala affair with a bit of shooting thrown in. Australians are extended a warm welcome to help us celebrate

NSW 1991 STATE TRAP CARNIVAL

The NSW 1991 State Trap Carnival was held at the Wagga Gun Club over the long weekend in October with 216 shooters attending. The Carnival was very well supported by the Southern, Riverina and Central Zones, and a good contingent from Victoria.

Saturday morning began with the State Handicap, sponsored again this year by Munt and Jolly, with 14 shooters shooting the possible 30/30, from a record 192 competitors. Phillip Headon from Hay was the eventual winner with 60/60, followed by Kevin Willis from Junee 2nd, and Matthew Donnachie from Hawkesbury 3rd. Lyn Blake won the Ladies, Steven Roe the Juniors, Nathan O'Brien the Sub Junior and Harry Anderson the Veterans.

The State Double Barrel Championship was sponsored this year by Olympyc Targets with 201 competitors and 26 possibles. Well known Victorian shooter Tony Bradshaw, from the Geelong Club was the Overall winner (after an overnight recess) with 223/223 from Russell Williams of Majura Park with 222/223. Mick Wright won the Sub Junior and Bruce Charles the Veterans.

The State Ladies Double Barrel Championship was sponsored this year by the Showman's Gun Club, only newly affiliated in NSW. One of their own shooters, Mrs Leonie Young Peters won the title with 59/61 from Mrs Lyn Blake 2nd 58/61 and Kathy Gault 3rd 51/54.

The Showman also generously sponsored the State Junior Double Barrel Championship with Damien Webster from Crookwell taking the title with 75/76 from Ben Kelley 2nd 74/76 and Paul Andonarus 3rd 53/55.

Once the Double Barrel was completed on Sunday morning, the State Single Barrel Championship, sponsored again for us this year by Goodyear Tyre and Brake Service, got underway with 194 competitors, but no possibles being shot. Graeme Smith, also from the Geelong Club in Victoria, won the Championship with 50/51, from John Whittakers of Echuca with 49/51. Kathy Gault won the Ladies, Ben Kelley the Juniors, Les Chant the Sub Junior and Bill Mackay the Veterans.

I would also like to mention Ben Kelley, a 16 year old Junior from Hawkesbury Gun Club, who gained selection and shot in both the Open Team and Junior Team, and shot the possible number of targets for both events, 75/75. Well done Ben.

Following the Teams Event, the Shoulder to Shoulder Teams were selected, and are as follows. Open: Steven Guest, Bill Jones, Reese Ehlers, Mark McInnes, Paul Lyons. Ladies: Dianne Doyle, Kathy Gault and Leonie Young Peters. Juniors: Ben Kelley, Les Chant and Clint Hawke.

Our last event, the State Champion of Champions, was sponsored again by another long term supporter, Shelleys Soft Drinks, and was won this year by Glenn Large from Majura Park with the only possible 125/125. There were 156 competitors. Kathy Gault won the Ladies, Ben Kelley the Juniors, Les Chant the Sub Junior and Bill Mackay the Veterans.

Glenn Large from Majura Park won the Overall High Gun, Kathy Gault, also from Majura Park won the Ladies High Gun, Ben Kelley from Hawkesbury the Junior High Gun, Les Chant from the Showman's Gun Club the Sub Junior High Gun and Bill Mackay from Bega the Veteran's High Gun. All the High Gun trophies were generously sponsored by Winchester.

The NSWCTA would like to thank all the sponsors for their support and encourage shooters to support them in return, for without sponsorship it would be difficult for our sport to survive. Munt and Jolly, Olympyc Targets, Showmans Gun Club, Goodyear Tyre and Brake Service, Horsley Park Gun Shop, Shelleys Soft Drinks, Fuller Firearms and Winchester.

A special mention needs to be made of our trappers this year — Army recruits from Kapooka Army Base. These recruits did a fabulous job for us during both the Skeet Nationals and the Trap Carnival, and we cannot thank them enough for the very efficient, pleasant way they carried out their duties, and look forward to dealing with them again in the future.

NSW State Trap Team 1991.

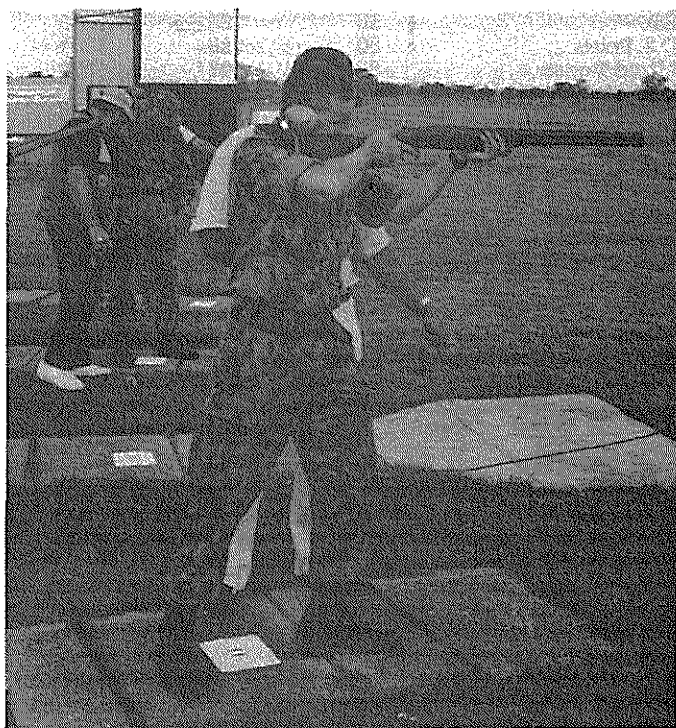

Event 4, the State Pointscore Championship, was generously sponsored again for us this year by Horsley Park Gun Shop, and saw Reese Ehlers from Albury/Wodonga successful with the only possible 150/150. Dianne Doyle won the Ladies, Ben Kelley the Juniors, Les Chant the Sub Junior and Bill Mackay the Veterans.

The State Team was selected (after a shoot off for the final 2 places which ended virtually in the dark), and is as follows: Bill Jones, Phil Headon, Reese Ehlers, Russell Williams, Barry Kable, Steve Guest, Robert Smith, Glenn Large, Paul Lyons, Peter Athanasopoulos, Fred Schmetzer, Garry Rootes, Mark McInnes, Ben Kelley and Daryl Reed.

The Ladies State Team comprised of Leonie Young Peters, Dianne Doyle, Lyn Blake, Kathy Gault, Jannine Kidd and Lorraine Lloyd.

The Junior State Team is Ben Kelley, Les Chant, Damien Webster, Clint Hawke, Mick Wright and Steven Roe.

Monday morning the teams were keen for presentations and photographs, and to shoot the 50 target pointscore State Teams Event. Fuller Firearms kindly sponsored the cartridges for these Teams Events, and the Team High Gun trophies. Mark McInnes won the Open Team High Gun with 150/150, Kathy Gault the Ladies Team High Gun with 73/75 and Clint Hawke the Junior Team High Gun with 72/75.

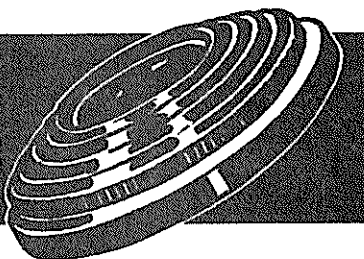

I would also like to thank those who assisted in the office, Arthur Wright, Mrs Elizabeth Batt and especially Chris Condon from Downside. Also Mrs Lola Charles, the State Handicapper for what is a difficult job, well done. And to all others who chipped in with assistance, thank you. Last but not least, thank you to the Wagga Gun Club for their co-operation and hospitality.
