# MIROKU 10

Miroku 10 Trap Grade 5 with or without  
Porting, 30" or 32" barrels

## *Why the Miroku 10 should be your competition gun*

The desire for perfect scores by clay target shooters has led to two great features - Barrel Porting and Overboring.

**PORTING** - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

**OVERBORING** - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.

Miroku 10 Sporting Grade 1 with or without  
Porting, 28", 30" or 32" barrels

Miroku 10 Sporting Presentation Grade with  
or without Porting 28", 30" or 32" barrels

## NATIONAL PRESIDENT'S NOTES

### Visit to the United States

Recently I visited the United States of America in my capacity as a member of the 1995 World Police & Fire Games Committee.

Whilst there I took the opportunity to attend the Grand American and meet with officials of the Amateur Trap Association, the South African Clay Target Association, the British International Clay Target Shooting Federation, the Colombian National Shooting & Hunting Federation and F.I.T.A.S.C.

Discussions with the representatives of these organisations centred on the setting up of a World Championship in Down the Line Trap. It was very evident that the A.T.A. are interested only in the expansion of their style of shooting world wide and as a result of the meetings, the other organisations agreed in principle to the establishment of a World Championship in the American Trap.

The event would be conducted separate to the Grand American and would be shot around the world. It would consist of 200 target (single barrel) and 50 pair doubles off 16 yard and 100 target handicap (again single barrel) i.e. a World Championship in American Trap.

I met further with the members of the S.A.C.T.A., the Colombian Federation and with the B.I.C.T.S.F. The representative of South Africa was also most interested in the proposed World Championship to be staged in England in September 1994.

I will be having discussions with the New Zealand C.T.A. and seeking their input. I find it difficult to imagine the A.T.A. affiliating with F.I.T.A.S.C. to run a World Championship in their own discipline when it has the huge competitor base and expertise within their Association to conduct the event themselves.

If Australia was ever to be competitive in the A.T.A. World Championship, I believe we would have to completely change to their events and rules. Before anyone turns green, it is interesting to note that South Africa changed to the American system in 1985, thereby joining Canada as a Mackintosh Cup member country shooting A.T.A. trap.

### A.C.T.A. Sporting Clays

A number of clubs have already (or are in the process of) putting in place simple A.C.T.A. Sporting Clays layouts. It is pleasing to note the interest in this type of shooting and it is specifically designed to be placed over a trap/skeet layout. The layout of the ground is restricted only by the imagination of the members concerned in setting up. Next month we will publish some suggestions which may be of assistance.

### Producing Registration Cards at all Shoots

Not only are registration cards required to be produced at shoots to establish the fact that the shooter is currently registered with the A.C.T.A. and also to establish the shooters current grade and handicap, but a discussion with our insurance broker reveals that in the case of any insurance claim it would have to be shown all shooters produced their cards prior to competing.

Club secretaries and officials are advised to insist on the production of cards at all their shoots by all shooters, to meet these requirements.

## Australian New Zealand Police Games/Australasian Police Trap & Skeet Championships

These Championships are to be held at the Whiteman Park Complex, Perth, West Australia from the 19th to the 22nd October 1993. They are open to all current serving and retired police as well as a section for visitors. The visitor group is open to any interested shooter. Information can be obtained from Les Hall on telephone (09) 592 1022 or 528 1312.

### Package Tour New Zealand Nationals

Next months edition of the CTSN will carry details of a package put together to enable interested members to visit New Zealand to participate in their Nationals. The Nationals will be held at the Belfast Gun Club, Christchurch and the package will include return airfare, accommodation and either car hire or coach transfer to and from the gun club. Start planning !!!

# EDITOR'S MAILBOX

Dear Sir

I have read your letter with interest, but feel that it is my responsibility as National Director of Coaching, to correct a statement contained in your letter.

The statement that there is 'not one coach in the top 50 shooters in Australia' is very misleading and incorrect. If we take one discipline alone and use the June issue of the CTSN with its principle story containing the results of the 1993 DTL Nationals. To disprove your statement please look at the front cover, whereby I count 4 coaches out of the 30 members of the 1993 McIntosh Team. There are probably more, but I am not familiar with all the competitors in the photo.

Listed are: Mr R. Smith, NSW, Level 3; Mr T. Catling, WA, Level 2; Mr W. Eagle, Vic, Level 1; Mr C. Bentley, Vic, Level 1.

By looking inside, the list continues through the National Titles to major carnivals: Mr J. Maxwell, NSW, Level 1; Mrs D. Huddleston, NSW, Level 1; Mr G. Woodhatch (ACTA President), Level 1; Mr N. Phipps, Vic, Level 1.

Researching further, you will find that Messers Smith, Catling, Lymn, Bentley and Mrs Huddleston have all won National Titles and most more than one.

I consider that if you are going to make public statements, please ensure that the information stated is correct or can be substantiated. The damage done is sometimes irreparable and does not assist in the promotion of coaches, the coaching system and most of all the sport they support. This area I do believe has and is lifting the level of competitors in our sport.

Regarding the AA shooter wishing to coach at club level, there is never going to be a cut and dried answer. If a club does not have an accredited coach then hopefully an experienced person is going to be approached for assistance, this may or may not be an AA graded shooter. However if the club does have an appointed accredited coach, then that person needs to be used. This is where these coaches can then make use of the available or experienced shooters. As you put it, the AA graded shooters.

The important thing to remember at all times is, even though a shooter has attained AA status, this does not necessarily make that person instantly capable of coaching. An accredited coach has at least undertaken studies to further enable them to impart knowledge.

No shooter will ever be denied the opportunity to offer advice, but it is my thoughts that it should be to assist coaches who are going to be there next time when all others have gone home.

In closing my reply may I say, "happiness is what you or I wish to make of the sport as an individual, and happiness for a coach is two words (rarely spoken at presentation time) ... thank you".

M. Alexander  
National Director of Coaching

Congratulations Ian McGeoch

Undoubtedly, in the words of the contributor of another article in the same issue, you will have 'jagged a raw nerve' but so be it. It is time our administrators took more notice of people such as yourself and your ideas, which are shared by many more members than the 'powers that be' would have us believe.

If the sport that all of us love so dearly is to survive there needs to be adherence to the advice of people such as Ian McGeoch and others. We must not let progression cloud the ultimate aim (pardon the pun) of all of us i.e. to enjoy our sport, the friendships made, and cherish the opportunity to teach our young members the right and proper manner to use firearms. Then, and only then, will the ACTA flourish again.

Yours sincerely  
Cheryl Arnol

Dear Sir

I fully agree with Ian McGeoch's comments about attitude to sport in general by participants who lean too much towards winning at any price. Its nice to win but the greatest value comes from participation and the friends you make.

I got an education when I attended the World Shoot in San Antonio with Barney Rooke in 1979. I competed with a squad that wanted the entire squad to come in with a clean score. Shooting in front of me in the same squad was a young 16 year old girl who is now captain of the All American Womens Team, when she stepped off the pad it was a case of "Go get 'em Cec, go get 'em". Somebody else would say "No prisoners now". Their attitude was very positive and helps lift the whole squad, lessens the tension and makes more fun. When it came to a shoot off there were no prima donnas, everyone cheered for their particular favourite, there was no such thing as "Let's have a bit of shush". I commented about the attitude to one shooter who laughingly said "Hell man its a fun game and when it ain't I moan do something else, its a family game". How right he was, some of those little pigtail girls could handle the small gauges with deadly accuracy.

I learnt that when you stepped onto the pad you were in deadly earnest and when you stepped off you relaxed and enjoyed the company of others who wanted to know you and wanted to be helpful and that's what life is all about. Players when asked if they shot trap "Hell no man they're pot hunters, this is a fun game". The cash prizes in trap shooting were greater than skeet which developed a keener professional attitude among trap shooters, an attitude that is creeping into our own sport.

Treat it as a sport, enjoy it and the company of competitors, help your club, don't leave it to the other fellow, your input is always appreciated, then we'll all have a better club and more fun.

If anyone knows how to make a living out of target shooting let me know, I've got some catching up to do.

Cec Herbert

Dear Sir

I am writing in reply to Mr Eric Schutte's article 'on cartridges and performance work on barrels'.

1. Porting: Beretta (who have been making guns for nearly 500 years) publish figures on their 682 Super Trap which show a reduction in recoil of 11% in the bottom barrel and 15% in the top. They also say it reduces muzzle flip by 40% in the bottom and 50% in the top barrel, they also say reduction in velocity is non existent.

2. Lengthening Forcing Cones: This also reduces recoil and if carried out by a competent gunsmith is perfectly safe.

3. Backboring: Again reduces recoil and improves patterns as the shot is not being distorted when run through a larger bore.

Mr Schutte quotes from Burrard. Whilst this is a great reference book it was published in 1932. Since the 'A' Model Ford has come out, power steering, disc brakes, coil springs have all been added. Perhaps we should be allowed to update old designs in guns as well.

In conclusion, if Beretta, Miroku, Lutjic, Winchester etc. all do longer forcing cones and porting and Browning, Ruger, Miroku, Remington, Lutjic, Kreighoff etc. produce backbored guns then perhaps Mr Schutte should stick to testing cartridges as he seems to have some knowledge in this field. But then as someone once said: "A little knowledge is dangerous".

Ian McGeoch

## TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

# MARYBOROUGH TID BITS, QLD

*By Lost Bird*

With three new young shooters around the traps being Bradley, Ric and Josh, it is good to see them taking an interest in pushing the button, scoring and helping around the traps, keep up the good work boys.

## Bundaberg — 1 August

This shoot being Bundy's 100t DB CD, I bet shooters were praying that their form would continue to their next shoot being the Rum City Championships. All AA & A shooters shooting their respective percentage with Neil the only possible, Rob and Irwin only one down, Les two down, with Mike, Gino and Stafford three down, all other A graders not far away. Under perfect conditions Overall & A High Gun went to Neil Berry, B grade High Gun to visitor Neil Meyer and C grade to Di Shaw with frontmarker Ross Upham. The raffle went to Kaye and the jackpot was shot by John Straughair who is now A grade. Good shooting John, and also to Di Shaw who blazed herself back to B grade.

## Gympie — 8 August

Sorry I didn't get down to Gympie, but with big shoots in sight I decided to put the pennies together for them. Anyway I am glad I wasn't there to see little nephew Pedro return to B grade and have a win in all events, it would have made me cry. Results for the day being Vic Tipman OA & A grade in 25t Cont C'ship, Glen Durre A grade 25 Cont PS, George Foster winning the Handicap. Melissa Tipman took off C grade 25t Cont PS and Garry Carew C grade 25t Cont, but the top shooter of the day was Pedro with OA & B grade in the 25t Cont PS, B grade 25t Cont C'ship and 2nd in the Handicap. Good shooting Pedro, shooting like this will be a return to A grade.

## Brisbane — Annual Two Day Shoot 7 & 8 August

Local shooters to do well at the Exhibition shoot were Ken Greensill from Hervey Bay, Bundy shooters Irvine Wynyard and Neil Berry. Neil shot 130/130 to win the 30t DB and picked up AA grade High Gun only four targets down for the shoot.

## Gemfields — 14 & 15 August

Neil carried on his good form to take out overall in the DB event shooting 145/145, AA grade in the 30t Points and took off the Charles Deeley Memorial Points shooting 150/150, then slipped a bit to have 2nd in the SB C'ship but once again rapped up the AA High Gun. Good shooting Neil hope your form stays with you for your 2 day shoot.

## Maryborough — 22 August

Thanks to visitors Dave, Glen and son Russell from Gympie, Gino, Pedro and son Bradley from Bundy. Special visitor who stayed over on his trip to attend our shoot (just to get in MTB) was Mr Nice Guy, Fred Hubble who came from our sister name club Maryborough in Victoria. Hope you enjoyed your shoot Fred as we enjoyed having you here. A great sporting gesture was Peter Pagliarino taking C grade High Gun and presenting it to Fred to take back home to remember his shoot with us, pleased to meet you Fred.

The 25t DB Cont was taken out by Gino with a possible, with Di Shaw taking B grade also with a possible. Paul dropping only one point to take the A grade Points and Pedro B grade in the points, then winning the Handicap from Ken 2nd and Glen 3rd. Chris & Di won the DD defeating Les & Gino. High Gunners for the day were Ken Shaw A grade, Trevor Peterson B grade and Peter Pagliarino C grade. Thanks to Emily for doing a good job in the trap for the first time when we were down a trap boy... good job Emily.

Big shoot in sight is Gympies 2 day Gold Classic, November 13 & 14 containing Zone Handicap C'ship. Good shooting to all, 'til next time see you at the shoots.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi — no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

|     |              |                           |   |
|-----|--------------|---------------------------|---|
| MX1 | MX3 trap     | MX5 sporter               | MX8 trap with 28 1/2" and 31 1/2" barrels |
| MX2 | MX3 skeet    | MX4 trap                  | MX8 skeet                                 |
| M2L | MX3C         | MX4C trap, skeet or field | MX8 gold line trap                        |
|     | MX3C sporter | DB81 special trap         |   |
|     |              | SC3 trap and skeet        |   |

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

## Shooting the Clay Target

### A NEW CLAY TARGET SHOOTING INSTRUCTION BOOK

by George Biggs

A most comprehensive book wherein George relates his 50 years of shotgunning and teaching, with lots of pictures and drawings that explain the how and why of shooting the clay target.

— Available direct from George Biggs —

4 Hugh Street, Knoxfield, Victoria 3180

Phone: (03) 801 2748

Price \$20.00 including postage and packaging (all states).  
To order please send your cheque or money order to George Biggs.  
Also available from the ACTA National Office.

## ACTA SPORTING

### The Aims, the Game, the Future

#### The Aims

The Australian Clay Target Association has introduced the discipline of ACTA Sporting for a variety of reasons.

- To recognise that a sporting type event was already being conducted on many ACTA grounds.
- To add variety to the disciplines currently shot.
- To combat the drift away of older members bored with DTL and Skeet.
- To provide a less regimented and cheaper event for the less serious competitor.
- To offer a more interesting discipline to attract new members.

#### The Game

The rules governing ACTA Sporting are extremely flexible, and allow practically unlimited restrictions on design, types of targets, number of traps, types of guns and choice of shells. The rules are designed to be shooter friendly, and have been kept to a bare minimum where possible. A complete set of rules will be published in the CTSN shortly, following their adoption by the National Executive.

The basis for a layout can be an existing trap and skeet field, an existing field layout, or any layout with six or more traps. Stands in front of the shooters indicate what types of targets are shot at each station and whether they be mini, standard, rabbit, battue, midi or doubles. Shooting is in rounds of 25 with a wide range of combinations of singles, doubles etc. The rules are so flexible that the American Five Stand Sporting could be shot over a layout and within our rules.

#### The Future

The ACTA expects clubs throughout the country will be conducting ACTA Sporting events regularly within a year.

The first ever ACTA Sporting National Title will be held on Easter Saturday, Sunday and Monday in 1994, prior to the DTL Nationals in Brisbane. The Gold Coast & Albert Clay Target Club will be hosting the event which will be shot over their 3 Sporting layouts.

Birdbrain layouts will also be in operation for the duration of the Title, and will be run on a sweep basis paying 1-10 with your best score to count. Shooters will be permitted to nominate as many times as they wish for Birdbrain. Highlight of this National Title will be the presentation for the first ever Silver Australia Badge for ACTA Sporting.

## ACTA SPORTING A NEW ERA

By Mike Murphy

The National Executive met in Melbourne on 3rd to 5th June which was of special interest to the Gold Coast & Albert Clay Target Club. Robert Nugent was taking to the Management Meeting a submission from our club regarding simulated target shooting. Our submission was supported by a letter from Toowoomba CTC President Max Barton (host of the famous 'Old Koreelah' shoot).

By 6th June word had filtered back to Queensland that the National Executive had approved the commencement of ACTA Sporting!

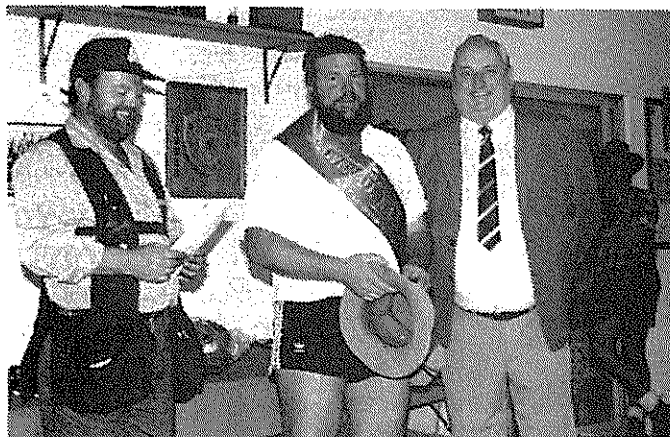

Our club had been shooting simulated targets on the first Sunday of each month for 18 months with attendances exceeding our trap and skeet shoots. We contacted the ACTA immediately and changed our advertisement in the CTSN to a two day shoot of ACTA Sporting. In excess of 150 letters of invitation were sent out to clubs within reasonable travelling distance to attend our shoot. We had to have the shoot immediately as the Winter Trap Carnivals in Queensland carry on until September so short notice in mind we decided to hold the shoot anyway.

Disaster - the CTSN was held up at the printers and didn't reach Queensland until after our shoot. We have since discovered that a considerable number of clubs do not open their mail until their committee meeting - again after our shoot. The coffers of Telecom have been enriched since the start of July with clubs from all over ringing us for news and advice on our ACTA Sporting shoot.

We have two layouts/courses which utilise our skeet, traps and ball trap installations and manually operated traps behind protective screens and mounds. The shooters shoot in rotation from a stand placed within a garden arch which acts as a muzzle restraint. Our shoots are comprised of a 100 target event shot across both layouts in rounds of 25 targets. We could handle in excess of 300 shooters per day and the total cost of our installations was considerably less than the cost of one new automatic trap. The economy is also carried through to the trophy table where trophy values are kept low to the level of meat and fruit trays. We conducted our two day shoot for a total nomination value of \$45.00 which would be impossible for trap or skeet and our philosophy is that it should not become trophy driven but remain an economical means to compete at shooting clay targets.

The shoot started at 1.00pm on Saturday 3rd July with a 50t eye opener event to establish grades for the carnival. Forty-two shooters competed for the cash divide and several spectators from other clubs in Queensland followed the shooters through the layout.

Sunday morning saw 58 shooters lining up to compete amongst whom were some of the best Field & Game shooters in

From left to right: Mike Murphy (President), Mike Birgan (Overall winner) and Tom Meadows (President QCTA).

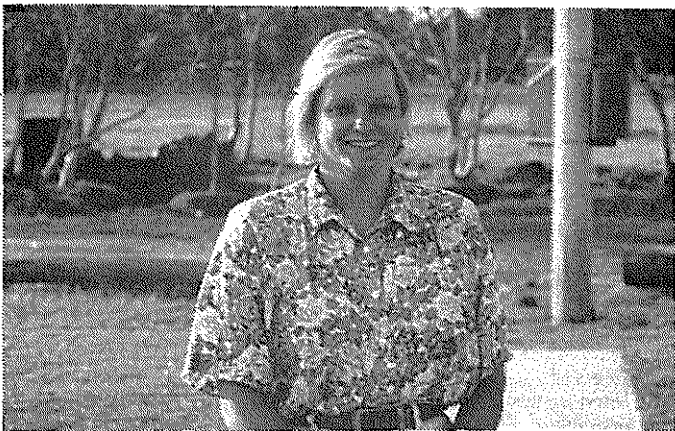

Queensland. The course had been set to challenge such shooters but still not be disheartening for novice shooters. Everyone was amazed that they could hit an exotic target departing the scene in a hurry and then miss a target that flopped on the ground no more than five metres away. Rabbit targets appearing between bales of straw held everyone's attention and pairs of incoming minis tested even the 'top guns'.

At the conclusion of the shoot the scores were counted and there was only one shoot-off to determine second place in AA grade. It should also be noted that the ACTA gained an additional twelve new members at the shoot. Full results of the shoot are printed in the score section.

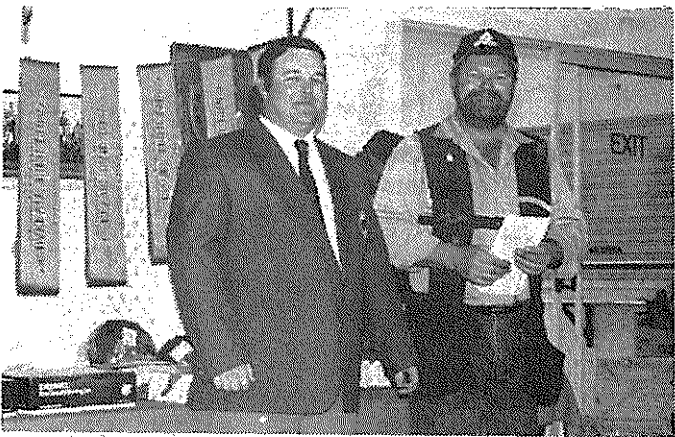

The ACTA were represented by Robert Nugent and Tom Meadows both who had shot in the event and returned very credible scores and outlined the objectives of the ACTA with our new shooting discipline.

The results of the 100t event were: OA: Guy Bedington 90/100; AA: Mike Swale 89/100; A: Bruce Wilson 85/100; B: Colin Witt 77/100; C: Keith Day; Jnr: Justin Barton 85/100; Ladies: Marie Birgan 88/100; Vet: Noel Lapham 64/100. The Inaugural ACTA Blue Sashes were won by the following scores: OA: Mike Birgan 132/150; AA: Mike Swale 129/150; A: Bruce Wilson 120/150; B: Colin Witt 106/150; C: Keith Day 92/150; Jnr: Alex Haines 78/150; Ladies: Debbie Young 65/150; Vet: Noel Lapham 97/150.

The shooting results certainly caused a reversal of grades as the overall winner Mike Birgan is C grade in trap and the B grade sash winner Colin Witt has been an AA grade trap shooter in excess of 15 years.

Maree Birgan, winner Ladies 100t event.

From left to right: Robert Nugent (Chairman, Promotions and Development Committee) and Mike Murphy (President, Gold Coast).

## DARWIN GUN CLUB

### MSB Shooting Championships

This event has been held each year in Brunei since 1990 to celebrate the birthday of HRH Prince Sufri Bolkiah. The Darwin Gun Club was asked to send a team for ISU Skeet, ISU Trap and a Team Manager. The ISU Skeet team consisted of Mark Bullus, Barry Munt and John Doyle; The ISU Trap team consisted of Ken Selwood, Greg Chan and Victor Ferteklis; Phil Grove was the Team Manager.

The group of Territorians were looked after in splendid fashion with all travel, accommodation, meals and transport being organised by the Brunei hosts. Unfortunately, all the shooting scores did not reflect the luxurious facilities and conditions at the shooting range. The skeet team did not fare as well as we had hoped for, but gained valuable experience and the determination to shoot a more formal program of ISU Skeet in Darwin over the next year.

The trap team did very well lifting themselves from third position at the end of day 1 to clear second spot at the conclusion of 125 targets. The winning team, Korea, included two Olympic shooters, so the Darwin guys were well pleased with their final result. Two Darwin trap shooters earned a placed in the six man final round to finish fifth (K. Selwood) and six overall (V. Ferteklis).

Phil Grove, acting as Team Manager, shot the event as 'Mr X' to fill up a spare spot and shot 115/125 in the preliminary rounds. Although unable to shoot in the final he was happy to have shot 'better than he knows how' during the event.

A highlight of the trip was an afternoon spent at Prince Sufri's palace on the day of arrival. Much time was spent in examining his collections of watches, shooting trophies and cars. 'Unbelievable' best describes the day!

The Darwin Gun Club will now look forward to a return visit to Darwin of the Brunei Shooting Team at the next Arafura Sports Festival.

ISU Skeet Results: Team Event: Gold to Korea (C. Yoon-Kyyn, H. Jong-Han, K. Ha-Yun) 331, Silver to Malaysia (K. Fun Ying, R. Lau Chee Khuen, M. Omar Bin Risman) 323, Bronze to Phillipines (P. Bernardo, F. Mercado, R. Arambulo) 306. Individual: Gold to K. Fun Ying (Malaysia) 135, Silver to H. Jong-Han (Korea) 134, Bronze to C. Yoon-Kyyn (Korea) 134.

ISU Trap Results: Team Event: Gold to Korea (K. Kun-II, P. Chul-Seung, C. Hyun-Jin) 340, Silver to Northern Territory (K. Selwood, G. Chan, V. Ferteklis) 330, Bronze to Malaysia (L. Weng Fook, H. Chai Hee, P. Lim Yack Chyun) 328. Individual: Gold to P. Chul-Seung (Korea) 139+6, Silver to L. Weng Fook (Malaysia) 139+5, Bronze to K. Kun-II (Korea) 139+3.

# NSW SHOOTING ASSOCIATION

John Fahey (Premier of NSW) with Desiree Huddleston.

Pictured above is the Premier of NSW, Mr John Fahey, who is examining the finer points of Desiree Huddleston's shotgun, while a representative of the boxing fraternity looks on.

The occasion was a function held by the Premier of NSW to launch the Australian Commonwealth Games Association's quest for funds for the Games to be held in Victoria BC, Canada from 18-28 August 1994. The function was held at the Sheraton Wentworth Hotel in Sydney on Wednesday 4 August 1993. Representative of all sports, both at competitor and executive levels, attended.

A few days later, the Minister for Sport, Mr Chris Downy, MP, presented a cheque for \$4,000 to the NSW Shooting Association to assist Michael Diamond and Desiree Huddleston with funds to attend the UIT World Cup Final in Munich at the end of August.

As this was the first occasion on which the Minister has personally sponsored the sport of shooting in NSW, he invited the competitors and officials to his office for the presentation. Pictured below are Peter Hayman, Vice President of the NSW Clay Target Association, the Minister, Mr Chris Downy, Michael Diamond, Desiree Huddleston holding her son Robert, and Alex Comino, Vice President NSW Shooting Association in the Minister's office in Macquarie Street, Sydney.

Along with everybody else, the Minister wished Michael and Desiree all the best in Munich and will follow their progress with interest.

From l to r: Peter Hayman (Vice President NSWCTA), Chris Downey (Minister for Sport), Michael Diamond, Desiree Huddleston and Alex Comino (NSWSA).

# New Beretta S682 Sup

The exciting new generation **Super Trap** and **Super Sporting** Guns are now available in the following configurations. **S682 Super Trap** 30" and 32" barrels, 3/4 and full, fixed chokes **S682 Super Sporting** 28" and 30" barrels with flush fitting Mobilchoke system and 5 Mobilchoke tubes.

Ported barrels to minimize barrel jump are available on :- Trap guns 30", 32". Sporting guns 28" & 30".

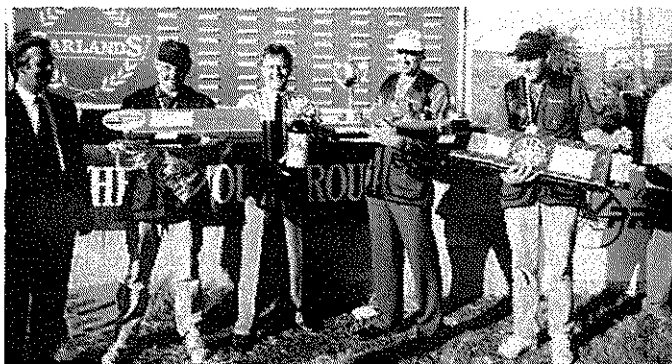

WDOA997B FRENCH

# JOHN MAXWELL'S SUCCESS IN THE UK

## Birmingham Grand Prix

Held at Garlands Gun Club which has five trenches, the number of competitors was 168 and they shot 200 targets (100 each day). Prizes were exceptionally good with guns for the first three places overall and first in each grade. In addition, the Management offers an extra prize of a car (GTI Golf) for the first person to shoot 100 straight on either Saturday or Sunday. This bonus prize has been on offer for some ten years and has yet to be won.

Scores from the competition were: 1st John Grice, UK 193/200; 2nd John Maxwell, Australia 192/200; 3rd Kevin Gill, UK 190/200. Team Event Winners: Kevin Gill, Terry O'Connor, John Maxwell.

Pictured at the Birmingham Grand Prix are the overall placegetters with their gun trophies.

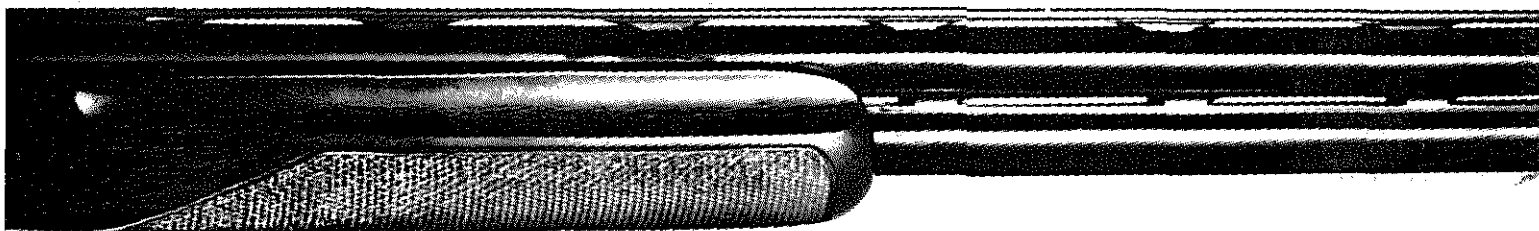

Placings at the FITAS World Trench Championships: Gold G. Gerin, Silver D. Brown and Bronze to John Maxwell.

## FITAS World Trench Championships

This event was conducted at the East Yorkshire Gun Club at Beverley. This has to be the best shooting layout in the UK. It has four excellent trench grounds with a pine forest background giving excellent target visibility. Because of the number of entries (approximately 260) the event was held over four days with 50 targets per day. Squads were arranged so that one day half the field shot their 50 targets in the morning and the other half in the afternoon. This was reversed the following day to give people the opportunity to visit the local tourist attractions or just relax during the part of the day when they were not shooting.

Individual scores were: Gold G. Gerin, France 196/200; Silver D. Brown, UK 194/300; Bronze John Maxwell, Australia 193/200+25+20; 4th Kevin Gill, UK 193/200+25+19; 5th J. Mira Dos Reis, Portugal 193/200+25+19.

# er Series have arrived...

## New Generation - Technically Advanced Super Trap & Super Sporting Guns.

### Beretta's are designed to score.

The S682 range boasts, perfect balance, swing and pointability. As well as a host of features that have elevated Beretta to a point where the name is synonymous with **victory** in the world's toughest competition arenas.

Tri-alloy (Nickel, Chrome, Molybdenum), steel, chrome lined barrels, ventilated top rib providing an advanced sighting plane, ventilated side ribs for faster cooling, specially hardened, totally enclosed receiver to keep dust and powder out, extended forcing cones for reduced recoil and improved patterns.

Beretta S682's are easy to maintain and the **user replaceable** (Beretta exclusive) **barrel shoulders** and **hinge pins** combined with dual self adjusting conical locking lugs will keep **new gun fit forever**. Unlike other over and unders which require expensive gunsmith attention should they wear loose.

From the rich heavy selected walnut stock and forend to the elegantly engraved low profile receiver everything is designed to provide lifetimes of day-in, day-out competition shooting.

Deluxe Italian Gun Case  
All S682 models come  
complete with the Italian  
designed Beretta gun  
case with moulded inserts  
for maximum protection.  
Valued at over **\$250.**

# NSW STATE SKEET CARNIVAL

*By Libbie Bunting, NSWCTA*

Tamworth Clay Target Club was this years venue for a very successful State Skeet Carnival, conducted over the weekend of August 7th & 8th. As is always the case, the grounds of Tamworth were immaculate, and we even managed to receive reasonable weather for the event.

One of the most encouraging aspects of the carnival was the increase in numbers attending this year. After several years of diminishing numbers, we saw 83 shooters arrive keen to shoot skeet. Another very encouraging sign was the number of juniors attending, with there being 6 junior competitors to make up a State Junior Skeet Team. Several of these juniors came from Wakehurst Gun Club (who brought along a good contingent of shooters with them) and were attending their first Skeet Carnival.

Saturday morning we got off to a good start with the 50t Olympic Target Skeet Championship, generously sponsored for us this year by Olympic Targets. Well known skeet shooter, Reg Clarke, was a very popular winner of this event, shooting 85/85, and edging out a keen supporter of skeet shooting in NSW, Nick Burrows 84/85. Margaret Denton from Charleville in Qld, won the Womens section with 47/50, Francis Callernan from Wakehurst the Junior section with 48/50, Michael Faber from Narrabri the Sub Junior section with 43/50 and Bill Clark from Singleton the Veterans with 47/50.

The second event for Saturday was the 50t 13th NSWCTA Skeet Championship, this year very generously sponsored by what I have named the Combined Skeet Shooters Group. Twelve enthusiastic skeet shooters, contributed varying amounts of money to support their own sport by sponsoring two events at the carnival. This type of dedication to the sport, will help us to press on into the future. The event was won by Guy Bedington from Toowoomba in Qld with 83/83 after shooting off with his fellow club member Max Barton. Helen Sanders from Wagga won the Womens section shooting the possible 50/50, George Barton from Tamworth the Juniors with 47/50, Michael Faber from Narrabri the Sub Juniors with 44/50 and Bill Clark the Veterans with 50/50.

The State Team was hotly contested this year, with there being shoot offs for the last two places in the team. The team comprises of Reg Clarke, Peter Nash, David Michie, Christian Naudin, Nick Burrows, Les Aberley, Rod Prior, Peter Rosenboom, Peter Vella, Clive Barton, John Worley, Bill Clark, Doug Jackes, Rodney Wright and Ron Frisby. There are some new faces in this years team, and congratulations to you all.

The Junior team comprises of Francis Callernan, George Barton, Michael Faber, Kris Jones, Rebecca Langley and Scott Schmetzer. Well done and congratulations.

Sunday morning commenced with the shoot offs for team positions and the previous days event at 7am. When finalised we rolled on to the Team presentations and Teams Event. More good scores were recorded for the Postal Team Match, and the 5 member Shoulder to Shoulder Team was selected being Christian Naudin, Nick Burrows, Les Aberley, Clive Barton and Peter Rosenboom. This team selection is quite prestigious, so congratulations also. Clive Barton was a very popular winner of the State Team High Gun with 66/66. The Junior Shoulder to Shoulder Team was also selected after their team event, being Francis Callernan, George Barton and Michael Faber. Great work!

The 100t NSW State Skeet Championship got underway mid morning, being sponsored by the previously mentioned Combined Skeet Shooters Group.

Jim Wilberforce from the Taree/Wingham club won the State Title shooting 104/104 edging out Max Barton from Toowoomba 103/104. Robyn Faber from Narrabri won the Womens section with 91/100, George Barton from Tamworth the Junior section with 95/105, Michael Faber the Sub Junior section with 90/100 and Reg Clarke from Hawkesbury the Veterans with 98/100.

Nick Burrows from Anglo Australasian Publishing supported us again this year by sponsoring the High Gun trophies. Many thanks Nick.

The Overall High Gun with a very impressive score of 199/200 was won by Max Barton from Toowoomba, with Robyn Faber from Narrabri winning the Womens section High Gun with 185/200, the Junior High Gun going to very promising new junior shooter Francis Callernan and the Veterans High Gun being taken out by Reg Clarke with 197/200.

Teams Events are always very popular at Skeet Carnivals and this year was no exception. The 2 man team was won by Guy Bedington and Max Barton with a combined score of 395/400. The 5 member club team was won by Hawkesbury Gun Club team, Reg Clarke, Peter Vella, Nick Burrows, David Sampson and John Worley 972/1000. This same team won the 5 member mixed team event. The Inter Zone teams competition, the Hawkeye Shield, was won by the Southern Zone team of Tony Vallelonga, Christian Naudin, Reg Clarke, Peter Vella, Paul Kouroupis and Scott Wright, with a combined total of 569/600.

There are many people who contribute to make any shoot successful, and thanks must go to all these. Firstly the sponsors, Olympic Targets, Combined Skeet Shooters Group and Anglo Australasian Publishing, for without sponsors a sport such as ours would be in trouble.

Vice President Andy Sanders, State Championship winner Jim Wilberforce and President A. M. Burgess.

High Gun winners from l to r: Nick Burrows (Presenter), Max Barton (Overall), Francis Callernan (Junior), Robyn Faber (Women) and Reg Clarke (Veteran).

NSW State Skeet Carnival, Tamworth — State Team.

Also Tamworth Clay Target Club, the host club president, committee and members for the presentation of the grounds, the high standard of the catering and the friendly hospitality. Thank you.

Then there are the workers. The trappers, referees and scorers. The shoot marshal, Col Burt, handicapper Andy Sanders, office helpers Jenny Burt and Les Aberley and all others who assisted when required. Many thanks.

And a final thank you to the shooters who came and supported the carnival. I trust this increased interest in skeet shooting increases and next year will be an even bigger and better carnival if the support continues.

A comprehensive list of results can be found in the club result section under NSWCTA.

## RUPE'S SHOOTING TIPS

By Rubert Henwood

Beginners often find it hard to hit clays consistently because of their bad habits. But there are solutions to these habits and now I am going to talk about probably the worst habit in beginners and that is 'the stopping of the gun or no follow-through' and the best way to solve this problem.

'No follow through' can lead to an impossible second shot at the target or a straight out lost target because the beginner stops the gun. But you ask yourself, "Why have I missed that target?"

Well the answer is simple. What you have done is let the target slip past your gun when you have stopped it, therefore you are behind when you pull the trigger leading to a miss.

A lot of people have trouble overcoming this problem and this next solution is the best, quickest and most effective way of solving this problem.

At home, give yourself the most comfortable stance for swinging your body with the gun. Then, mount your gun properly and find a target (e.g. light switch). Once you have done that swing the gun from side to side pulling the trigger when the bead passes the target. If you find that you stop the gun when you pull the trigger, close your eyes and do the same thing. After that, swing the gun with your eyes open again and repeat these exercises every day for about thirty minutes each day until you overcome the problem of stopping the gun.

I am sure in this way you will overpower this problem and improve your shooting scores

KERANG IBIS TRAPS  
"If it's not orange —  
it's not ours."

## Would your club like a new Ibis Automatic Trap? How about a new trap for \$100?

To raise funds to relocate our club we are offering a 1 in 250 chance of winning a popular, reliable Kerang 'Ibis' Automatic DTL/Ball Trap. Great odds! If you don't need a new trap you can always take \$5,000 cash instead — a nice boost to club funds.

MARYBOROUGH'S MOVING ART UNION  
Authorised by Queensland Treasury

**Prize: 1 Kerang 'Ibis' Automatic DTL/Ball Trap. Value \$5,600**

Drawn at Maryborough Clay Target Club, Qld.  
Sunday January 23, 1994. Closing date 22-1-94

Tickets are selling fast so don't leave it too long to send for your chance to win. If your club is not very financial (and we know what that's like) then have a whip-around among members. We have to bulldoze scrub, make a road, lay tracks, build a clubhouse, and every ticket brings us one step closer.

THANKS FOR YOUR SUPPORT

Please send us ..... ticket/s in Maryborough's Moving Art Union.

We enclose our cheque for \$ ..... made out to Maryborough Clay Target Club

Name of club .....

Address ..... Postcode .....

Contact name ..... Phone (.....)

Post to Maryborough Clay Target Club Inc., PO Box 590, Maryborough, Qld. 4650.

# VCTA SOUTH EAST ZONE

*By Chris Carrol, SEZ Secretary*

## School Championships

Thursday the 12th August at Frankston/Australian, on a day when the sun shone all day and the wind made single barrel shooting more than a challenge for the 105 students in attendance, from the 24 schools represented.

Winchester Olin the sponsor of the 4 Victorian zone school championships as well as the final, was represented by Rod Laidlaw, who has made the success of these junior shooting events a priority on his work list over the past five years.

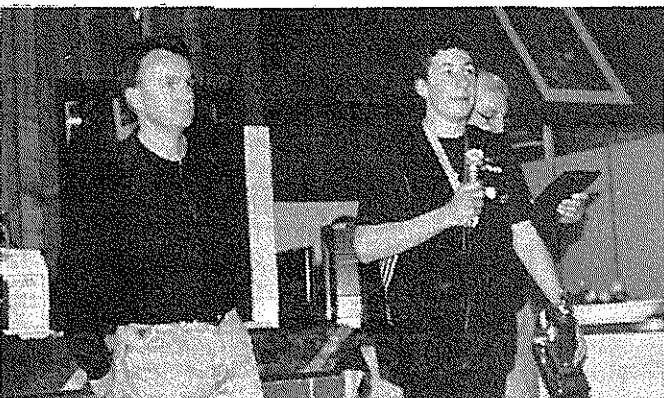

The standard of competition was again very high, Craig Henwood with the loss of only one target, won the overall outright with 19/20. Craig was also a member of the winning team from Lilydale Heights Secondary College, the other members, Wayne Barry, David Tolmie and Peter Gould, shot a combined total of 57 a one target victory over Parade College Bundoora.

First in the senior boys was Mathew Roberts 18/20, Mornington S.C. 2nd Wayne Barry 20/23 Lilydale Heights S.C. 3rd Nicholas Mazza 19/23 Parade College. Senior girls first Emily Ferguson Sale Catholic College. 2nd Nora Rice McCalister S.C. 3rd Tammy Guy S.T.A.G.G.S. Junior boys 1st Alex Incani Melbourne G. 17/20, 2nd Chris Wood White Friars C. Donvale, 3rd Tim Signorotto 15/21 St. Josephs Pascoe Vale.

The zone would like to thank Winchester for their continued support, the Frankston Australian club for the well presented venue and the many willing workers, including the serving navy members, who made the day run smoothly, achieving the outstanding success that it turned out to be.

South East Zone School Championships winning team Lilydale Heights S.C.

South East Zone School Championships senior boys winner Mathew Roberts, with Rod Laidlaw (Winchester) and Bob Buchan (Zone President).

# WARATAH STATE NOTES

*By Libbie Bunting, NSWCTA*

## State Trap Carnival

Our final reminder that everyone is welcome at Wagga Gun Club for our State Carnival over the long weekend in October (2nd, 3rd & 4th). The newly introduced Club Team competition should be hotly contested, and for the purpose of team spirit and decoration, the traps have been allocated to the Zones as follows. Trap 1 - Southern, Trap 2 - Central, Trap 3 - Western, Traps 4 & 5 - Riverina, Trap 6 - Northern. Hope to see you there!

## Southern

Illawarra Gun Club is hosting the State Double Trap Championship at their club on October 17th, while Canberra International CTC is hosting the Commonwealth Night Single Barrel Championship on October 23rd.

## Central

Sunny Corner Gun Club is conducting their 5th Open Junior Shoot on the 10th October, while Boorowa is holding their Annual Open Day/Night Shoot on the 23rd October. West Wyalong is another club who conducts Junior shoots, and their Open/Junior shoot is set down for 24th October.

## Western

Hermidale Anniversary Shoot (the 14th in fact) is on again over the weekend 23rd/24th October, with the State Mixed Targets C'ship the highlight of the program. This is always a great shoot, with plenty of Western hospitality, so if you have been before, you will probably be going back, and if you haven't, then maybe you should try it.

## Riverina

Downside International is this years host club for the Riverina Zone Olympic Trap and ISU Skeet Team Elimination to be shot in conjunction with the NSW ISU Trap & Skeet Elimination to be conducted over the weekend of October 30th & 31st. All welcome.

# BORDERTOWN GUN CLUB

The shoot on August 21 was a quiet day with the 25th DB event being won by our very regular visitor David Flavel from Jeparit with a score of 164/164, pretty good shooting in anyone's language. Second was Bob Andrews 163/164. The event was sponsored by Kees Van Vorst Real Estate.

Our October shoot is a big event with the 25th DB 25th Anniversary shoot, the winner of this event is eligible for the Champion of Champions shoot-off in December, the trophy being donated by the Andrews family.

Also shot in conjunction with this event is the Hilton Hinge Memorial Team shoot. Bring along a team from your club and give it a go. There are five shooters to a team but you may have four club members plus one. Other events will be conducted and a barbecue will complete the day.

## TURNER 'TOP GUNS' AT NARRABRI

Arthur Turner from Dubbo in central New South Wales claimed his first award under Winchester's 'Top Gun' scheme at the two day carnival at Narrabri recently. He recorded a break of 331 with 1250 High Antimony 7½s to receive 500 free shotshells. Arthur has been making somewhat of a 'comeback' into shooting over the past 12 months after having a break for several years to start a family with his wife Leanne. They now have a son Aaron aged 2 years. Some of his former achievements include the National Champion of Champions in 1985 and the Single Barrel in 1986. He is a dual Overall High Gun winner at the Nationals with wins in 1983 and 1985 as well as winning a car in 1987. Hence his name 'B.P.' or the 'Quiet Achiever'.

Another two day carnival Overall High Gun has been won by Neil Berry from Bundaberg in Queensland at the Gladstone Clay Target Club. Neil again receives a complimentary case of target loads for his victory as does Glen Hayden from Noorat in Victoria for his break of 301 at Geelong on August 29th. This is Glen's third award claim this year and Neil's fourth.

There has been several enquiries of recent times as to 'Top Gun' eligibility of awards in regards to what ammunition can be used to claim a prize. Section 2 of the eligibility conditions states that only factory ammunition sold by Winchester Australia may be used in competitions on any A.C.T.A. ground from the time they have registered for awards. Participating shooters have the right to change ammunition at any time, however by doing so they will be automatically excluded from taking any further part under the award scheme for this calendar year. Simply, this means that after having joined 'Top Gun' a shooter will be excluded from the

Above, Arthur Turner (facing camera).

award scheme if they use any other brand of shotshell other than Winchester at any time in any competition.

The 'Top Gun' awards move into probably their busiest time of the year over the next months with the New South Wales, Victorian and Western Australian Trap Carnivals as well as many other major carnivals in U.I.T., Skeet and D.T.L. disciplines. The overall 'Top Gun' of the year award is still wide open with nobody really dominating at this stage to take the 7,500 shotshell first prize.

Good luck to all entrants for the remainder of the year.

## STOP PRESS

Mrs V. Deacon; Secretary: Mrs L. Teale; Publicity Officer: K.  
Hayes; Handicap Officer: C. Bishop.

### Foster Gun Club Inc

At AGM held 14-8-93 the following were elected:  
President: B. Stokes; Snr Vice President: P. McGaw; Jnr Vice  
President: R. Shiels; Secretary: R. Jennings.

### Newcastle-Lake Macquarie Clay Target Club Inc

At AGM held 18-7-93 the following were elected:  
President: C. Lindsey; Vice President: G. Forster; Secretary: R.  
Edwards; Treasurer: M. Height; Committee: I. Allomes, A.  
Swadling, H. Yates, J. Fryer, R. Cangiano, J. Blazley.

### Orange Gun Club Inc

At AGM the following were elected:  
President: J. Caltabiano; Secretary: A. Eade PO Box 777, Orange,  
2800 Ph: 628 103; Handicapper: R. Parker; Coach: R. Barker;  
Delegate: J. Caltabiano.

### Wakehurst Gun Club Inc

At AGM held 15-8-93 the following were elected:  
President: R. Cerney; Snr Vice President: C. Langley; Jnr Vice  
President: S. Wright; Secretary: B. Goodwin, 33 Gasmere Cres,  
Wheeler Heights, 2098 Ph: (02) 982 3569; Asst Secretary/  
Treasurer: B. Knight; Patron: B. Knight; Trustees: R. Johnson  
and P. Dent GC; Accountant: N. Ampherlaw; Club  
Handicapper: S. Wright; Club Coach: R. Cerny, S. Wright; Club  
Delegate: To be appointed.

### Wonthaggi Gun Club

At AGM the following were elected:  
President: W. Parks; Secretary: T. Gannon; Treasurer: D. Egan;  
Committee: G. Milkins, I. Kent, G. Kent, M. Clark.

With the exception of Morwell, Gippsland's five ACTA clubs are  
struggling. Wonthaggi GC President, Wayne Parks, said this at  
the club's annual meeting. Only eight of Wonthaggi's 15  
members are shooting, yet the club maintained five  
member-teams in Gippsland and zone shoots, he said.  
Treasurer, David Egan, said club facilities are in good order and  
the bank balance increased by \$1,500. Most of the profit came  
from a zone shoot attended by 82. The kitchen, boosted by the  
zone shoot, cleared \$700 for the year.
