# MIROKU 10

Miroku 10 Trap Grade 5 with or without  
Porting, 30" or 32" barrels

## *Why the Miroku 10 should be your competition gun*

The desire for perfect scores by clay target shooters has led to two great features - Barrel Porting and Overboring.

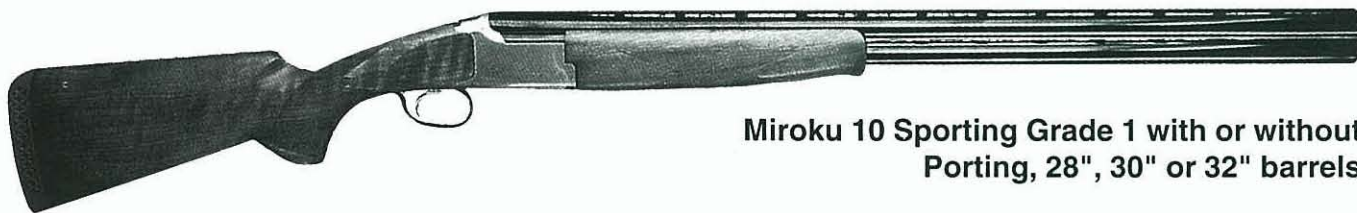

**PORTING** - the upward flip

after firing is significantly lessened by the positioning of ports (holes) in the barrel which release excess gases upwards to drive the barrel downwards correcting the flip.

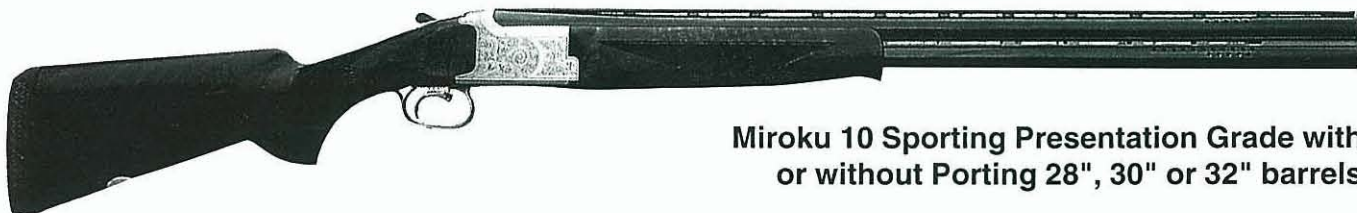

**OVERBORING** - the enlargement of the whole barrel has been shown to reduce recoil and

improve patterns as the shot and wad are not crushed when in the barrel. One ounce loads particularly have shown improved patterns in overbored guns.

These great features make the Miroku Model 10 an outstanding gun that will put you on target and on the winner's dias.

Miroku 10 Sporting Grade 1 with or without  
Porting, 28", 30" or 32" barrels

Miroku 10 Sporting Presentation Grade with  
or without Porting 28", 30" or 32" barrels

# NATIONAL PRESIDENT'S NOTES

## Management Meeting

The Management Committee met in Melbourne on the 29th & 30th October. The meeting was most fruitful and the input from all delegates attending certainly reinforced the decision to change to a 7 person committee as being the correct decision.

Many aspects of administration and management of the sport were discussed and I am sure all will benefit from proposals put forward. There were a number of changes to various areas proposed and it is now up to the full Executive to approve of these suggestions before they are implemented. Some proposals will be subject to input from State Associations and/or the general membership prior to final recommendations.

## Incorporation of Member Clubs

Concern has been expressed by insurance companies reviewing our overall insurance requirements as to the number of clubs throughout Australia that are at present not incorporated.

The Executive strongly recommends that all clubs not incorporated take steps to become incorporated as soon as possible. Once a club is incorporated, the liability of that club's membership becomes limited. As the incorporation regulations vary from state to state, it is suggested that clubs contact their respective state association with any inquiries.

## ACTA Sporting Clays

Planning to conduct our first ACTA Sporting Clays Nationals in Queensland next year, just prior to the Trap Nationals, continues despite there still being strong opposition from outside the ACTA.

I again emphasise the fact that this event is open to ACTA membership only and does not in any way encroach into any other National sporting clay event or organisation. I firmly believe we are obliged to offer our membership as many variations of clay target shooting as possible, and to this end any National event they desire.

## World Trap Championship

The dates of the inaugural World Trap Championship to be held in England in 1994 are the 9th, 10th & 11th September. It is hoped that an Australian team will attend this important event.

## ACTA History Book

By the time you read this article, it is hoped that the book, ACTA History, by George Biggs will be available.

This is a limited edition publication and is an invaluable record of our sport from its beginning to the present. It will make an excellent addition to the bookshelf of anyone interested in the clay target sports and no doubt will be accepted as a reliable reference work in libraries. It will also make an excellent trophy.

## 1994 The Year of the Coach

1994 is designated as the year of the coach and the Australian Coaching Council is promoting coaching with the theme '1994 The Year of the Coach. Doing it Better.'

With this in mind all clubs and their coaches are requested to ensure that coaching is to the forefront in 1994.

*Glenn G. Woodhatch*

# ATTENTION!

## All readers of the Clay Target Shooting News

### Would you like YOUR magazine to contain more variety?

In order to do this we need input from YOU, the shooter/reader. You do not need to be a writer, just put your thoughts on paper and send to the ACTA National Office, where we will take the liberty of editing for publication. Your article will be printed at the discretion of the editor. Listed below are some ideas to help you. These topics could become regular features if enough input is received.

#### CTSN Mailbag

- Short comments relating to shooting in general (criticism/praise).
- Ideas and suggestions for improvements to the sport.
- Ideas for promoting the sport of clay target shooting.

#### CTSN Mailbag – Replies

Readers replies/responses to the previous month's published letters.

#### Shooting Tales

Funny or interesting stories (short or long, past or present).

#### Shooting Questions & Answers

Questions you would like answers to regarding clay target shooting skills. (We will find out the answers from a qualified person and print with your question.)

#### Trivia Over the Years

Trivia tid bits from past years (include year).

#### Shooting Pics

Any funny or interesting photos relating to shooting (include a short story or caption).

**It is now up to YOU!**  
**Don't be shy – contribute to your magazine**

Send your contribution to:

The Editor  
Australian Clay Target Shooting News  
PO Box 557  
Mount Waverley, Vic 3149

If you have any other ideas which could improve the CTSN we would be happy to consider them. All articles must include your name and address, but we will print anonymously if requested.

# EDITOR'S MAILBOX

## Why the Clay Target Shooters of Australia need a National Ground.

1. **Financially**, it would be an appreciating asset for the ACTA, with the opportunity to consolidate our resources. Sale of Trade Sites and Advertising Space, export dollars earned from the Overseas Tourist Trade, as well as the money generated on site, all being poured back into an asset for future generations.
2. **Costs** involved in conducting National Championships would be reduced dramatically, ie; transportation of trophies, staff, office supplies etc, particularly if the **National Office** was situated on site.
3. There is a need for a **Display** of all National Perpetual Cups and Trophies, the full collection of all National History, an Honour Board of Records, donated memorabilia and a Hall of Fame.
4. It would attract **Trade Sites** which would become permanent attractive assets for the future of the sport. Also may attract **Manufacturing Industries** within the sport to a central location, thus enhancing the character of a Shooting Complex.
5. It would greatly assist with the **Promotion** of the Sport of Clay Target Shooting generally, offering positive publicity and assisting in the development of our sport's National Identity.
6. It would be something all members of the ACTA could aspire to, could call home, be proud of the achievement and experience the sense of ownership — a monument to our sport, which we could develop into a **National Showpiece**.
7. A National Ground would overcome the problems associated with running **National Titles** at present where most clubs given these Titles are strained to the limit providing services they are not normally required to provide, and may not need to again for many years.
8. **Standardisation** of targets thrown and world class shooting lanes, scoreboard and traps provided, as well as National Events being shot on the same background each year, can only be positive aspects for all shooters attending. A proper workshop with all equipment necessary would be on site.
9. It would **increase the numbers** attending National Championships once established.
10. A high standard of **facilities and amenities** for shooters can be provided. Such things as a structured, well laid out and planned office facility, comfortable clubhouse and meeting rooms, abundant toilet and showering facilities, all weather car park, adequate sites progressing to overnight vans, cabin style accommodation and other recreations facilities at some stage in the future.
11. The attraction of Multi National Companies into **Sponsorship** would be more attractive than the present format of rotating venues.
12. The Ground could be **Licensed** to display, sell, trade all types of Firearms all year round. It is annoying to be part of a sport, going to a National Championship and not being allowed to purchase part of the equipment used in that sport.
13. Proper **Planning** of Championships could take place, with major events held at the same time each year, which in turn allows the shooters to plan their attendance.
14. It would give the **Coaching Program** a permanent base from which to operate. All levels of coaching could be catered for, which could even expand to a Shooting School for locals and overseas visitors. There is a need for

Professional Coaching which has become very successful in Great Britain and the USA.

15. More cordial **relations with overseas countries** could evolve by providing a higher standard of facilities more akin to what they may be used to. Proper liaison with Customs and Firearms Registry could enhance smooth entry arrangements for visitors.

We feel the choice of **Location** for a National Ground is also an important issue, with the following points to be kept in mind.

- NSW, Victoria and Queensland in total account for almost 80% of the total number of registered Clay Target Shooters in Australia.
- Using the above fact as a guideline, it would seem the most shooters could benefit from a National Ground if it were located in the **mid region of NSW**.
- Should be located within sight of major arterial road.
- Should be located close to major transport facilities, ie airport.
- Should be located in high population region, where adequate accommodation, restaurants and other facilities are available.
- Any chosen ground must be large enough to cater for any necessary expansion in the future.
- **Must be wholly owned and operated by the A.C.T.A.**

Libbie Bunting  
For and on behalf of the NSWCTA

**Ed note:** *In the centre pages of this magazine you will find a notice, together with an insert, asking for shooters or associates who would be interested in funding a national ground, to make an 'Expression of Interest' by returning the enclosed insert.*

Dear Sir

Again I have been privileged to a copy of George Biggs new edition coaching and shooting manual. Well done George, I still use one of the original copy's of his original manual for everyday instruction to help new and old shooters looking for faults in their shooting. I began trap shooting in 1976 at 47 years old and had no assistance apart from members of the Cohuna Gun Club.

In 1977 when at a field day at Lysterfield I met George and the late Newton Thomas for the first time. When asked why I shoot protective and preventive (I have a dislocated neck and shot for a year in 1983 with a neck brace) I said "how else?". Well George soon changed that by many phone conversations. They both told me I was wasting my time just shooting as I had too much practical experience for what I was doing. Well as fate had it Newton passed on, I kept up contact with George and have been private coaching ever since, with very good results in both trap and field & game.

George's original manual is all but worn out, but still going in conjunction with his video's which he passed on to me several years back. The use of video and the manual plus on field demonstrations works well. We in the shooting field have too many oracles but not enough people like George who have devoted a lifetime to helping people who need coaching from people of his calibre. A few words from him on the field and you are usually on the way to improvement and success.

Again well done George, your wisdom will last forever.

A servant of yours for life  
Max Arstall, Swan Hill, Victoria

# Eley Newton Thomas Award

Nominations for the 1993 Eley Newton Thomas Award are now being received.

The award is for an outstanding person, who has done the most to promote the sport of clay target shooting during the year.

**Nominations:** Must be forwarded to the ACTA through an affiliated club or state association, and must be received by **March 31, 1994.**

**Judging panel:** The ACTA Management Committee. Any decision on nominations received is the responsibility of the judging panel, whose decision shall be final.

## Recipients from inception:

1982	Mrs B. Grice, Qld
1983	Mr M. Alexander, WA
1984	Mr R. Dean, Qld
1985	not awarded
1986	Mr S. E. Rooke, NSW
1987	not awarded
1988	not awarded
1989	Mr R. M. Fisher, USA
1990	not awarded
1991	not awarded
1992	not awarded

Nomination to be forwarded to the Executive Director, ACTA, PO Box 557, Mount Waverley, Victoria 3149.

# PERAZZI

The gun that has done and is doing more for shooters in 26 years, since I introduced them in commercial quantities into West Australia, than other guns that have been available over very long periods.

With the most modern and up-to-date technology built into them, it is designed to give you more value for far longer for the dollars you spend when you buy a Perazzi – no doubt about that.

It's a long-term investment for your enjoyment so why not join the very wise shooters who knew best to select Perazzi and when you also are ready to invest in a top gun, you immediately think to yourself "PERAZZI FROM YOZZI" the most favoured name and Perazzi centre in Australia since 1972. We now offer you for immediate delivery the following large range of models:

MX1	MX3 trap	MX5 sporter	MX8 trap with 28 1/2" and 31 1/2" barrels
MX2	MX3 skeet	MX4 trap	MX8 skeet
M2L	MX3C	MX4C trap, skeet or field	MX8 gold line trap
	MX3C sporter	DB81 special trap	
		SC3 trap and skeet	

We try to have for immediate delivery stocks of all above models, but apologise should at times we may be temporarily out of stock.

All orders including special orders get my personal attention in order to fulfil your personal satisfaction. What better could you wish for?

Now be positive and buy your "PERAZZI FROM YOZZI" (since 1972). It shoots as good as it rhymes. The rest is up to you. The wise or otherwise decision is yours. You can't say I haven't advised you. Now I thank all past clients and I look forward to giving my best assistance to all my past and future clients.

**Tony Yozzi Sports,**  
**460 William Street (Cnr. Brisbane Street)**  
**Perth, Western Australia 6000**  
**Ph. (09) 328 4981 A/H (09) 271 2766**

SOLE FACTORY EXCLUSIVITY FOR WESTERN AUSTRALIA FOR PERAZZI FIREARMS AND ACCESSORIES. KROMSON CLAY TARGET MACHINES. ROBOT MODEL 350A – trap – skeet and personal models.

BENELLI FIREARMS MODELS 121, 123, 123-3" Mag., 121-3" Mag., Montefeltro, Super 90 in field, trap and interchangeable choke models.

ALL ABOVE GOODS IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY NOW FOR YOUR CONVENIENCE AND SATISFACTION.

# OLYMPIC DISCIPLINES

## NATIONAL TRAINING SQUAD & NATIONAL TEAM

### 1. National Training Squad

- (a) Scores and performances recorded over 375 targets trap and skeet and 300 targets over double trap at each years National Olympic Discipline Championships shall be the basis upon which a National Squad will be selected for the period ending at the commencement of the following years National Olympic Discipline Championships.
- (b) The selectors may take into consideration the availability of any shooter who did not contest the qualifying competition (National O.D. Championships) when determining the selection of a National Squad.
- (c) Minimum Qualifying Scores
  - (i) Trap and Skeet:  
Open Squad 336/375 Trap, 342/375 Skeet  
Ladies Squad 300/375 Trap and Skeet  
Junior Squad 318/375 Trap and Skeet
  - (ii) Double Trap:  
Open Squad 120/150 (or 240/300 if over 300 targets)  
Ladies Squad 84/120 (or 188/240 if over 240 targets)  
Junior Squad 80/120 (or 180/240 if over 240 targets)

### 2. National Squad Composition

- (a) Trap and Skeet:  
Open 0 to a maximum of 10  
Ladies 0 to a maximum of 3  
Juniors 0 to a maximum of 3
- (b) Double Trap:  
Open to a maximum of 6  
Ladies 0 to a maximum of 6  
Juniors 0 to a maximum of 3

### 3. National Squad Selection

- (a) Members of the National Shooting Committee shall assess all shooters who obtain A.C.T.A. Minimum Qualifying Scores and recommend to the Justification Committee those shooters who have met the selectors criteria for entry into the National Training Squad.
- (b) The National Shooting Committee and Justification Committee shall use the following guidelines when making their assessment in addition to any other criteria which may be determined from time to time.
  - (i) Score recorded over 375 targets at qualifying competition (O.D. Carnival)
  - (ii) Current Australian ranking
  - (iii) Current International ranking
  - (iv) Scores recorded at previous International competition
  - (v) Future potential at International level
  - (vi) Behaviour and compatibility
- (c) When shooters are recommended for inclusion in the National Squad it shall be in order of priority as in 3(b).

### 4. National Squad Justification Committee

Upon receipt of a recommendation from the selection panel (N.S.C.) consideration shall be given to all persons recommended for inclusion in the National Squad.

Upon a decision of the Justification Committee a National Squad may be named in keeping with Clauses 1, 2 and 3.

### 5. Doping — Drugs

All members of the National Squad are bound by the conditions governing illegal use of substances in accordance with the regulations of the Australian Sports Commission,

Australian Olympic Committee, Australian Commonwealth Games Committee and the Australian Shooting Association.

Any person who fails to comply with any request in relation to drugs shall immediately forfeit his/her position as a member of the National Squad or Australian Team.

### 6. Competitors Acceptance

Any person who is advised of their selection as a member of the National Squad shall be required to sign a form denoting their acceptance of a position in the squad and their acceptance of the terms and conditions relating to the National Squad and International involvement under the auspices of the A.C.T.A. and A.S.A.

7. Unless otherwise determined costs associated with the National Squad shall be the responsibility of the individual.

Note: A.C.T.A. will at all times endeavour to obtain financial support for members of the National Squad.

### 8. National Squad Training Camps

- (i) The A.C.T.A. will endeavour to obtain training camp facilities at the A.I.S. on an ongoing basis.
- (ii) Wherever possible a minimum of three months notice of approved training camps will be given to all members of the National Squad.
- (iii) All members of the National Squad shall be required to attend all training programs unless an acceptable reason for their inability to attend is given to the National Shooting Committee.
- (iv) In the event of any persons not being able to provide an acceptable reason for non attendance at any scheduled training program then his/her position shall be forfeited and may be filled at the discretion of the selection panel in keeping with item 3.

### 9. National Squad — Training General

Members of the National Squad must be prepared to:

- (i) Comply with all reasonable requests made of them
- (ii) Maintain reasonable fitness levels that may be determined from time to time
- (iii) Maintain reasonable levels of competition that may be determined from time to time
- (iv) Participate in specified scheduled competitions that may be reasonably determined from time to time

### 10. Australian Team Selection — Olympic Disciplines

- (i) For the three year period following each Olympic Games the selection of the Australian Team shall be by way of selection based on the criteria laid down in 3(b) and 12(a), subject to justification.

Note A The naming of Australian Ladies or Junior Teams or sanction for a lady or junior to shoot individually as an Australian representative, shall be at the discretion of the National Shooting Committee subject to the approval of the Justification Committee.

Note B An Australian Team is defined as being a team selected to represent Australia under the banner of the Australian Shooting Association as against being a team representative of the A.C.T.A. which may be granted status by the A.C.T.A. as an Australian Team.

- (ii) Participation in any scheduled elimination shall be at the expense of the competitor unless otherwise determined.

All persons to commence the elimination on an equal score basis.

Olympic Trap	2 Member Team
I.S.U. Skeet	2 Member Team

Where more than one elimination is conducted scores will be carried forward. In the event of any person not being able to provide an acceptable reason for non-attendance at any scheduled elimination then his/her position on the National Squad shall be forfeited.

- (iii) For the two year period prior to each Olympic Games the naming of an Australian Team or individual International representation may be at the discretion of the National Shooting Committee.
- (iv) All persons selected in a representative team must be prepared to sign a team members agreement and abide by the conditions therein.

#### 11. Qualifying Procedures — Team Selection

To be confirmed annually by the National Shooting Committee and published in the Clay Target Shooting News in each November issue for the forthcoming year.

- (a) 1994 World Championships— Italy
  - (b) 1994 Commonwealth Games — Canada
  - (c) 1995 Oceania Games — New Zealand
  - (i) Team selection for (a), (b) and (c) above to be recommended to the Justification Committee based on the criteria laid down in 3(b) and 12(a).
  - (ii) Selection of the team for the 1995 Oceania Games competition will be by the National Shooting Committee after consideration of the criteria laid down in 3(b) and 12(a) and assuming that the 1995 Oceania competition will fall prior to the holding of the 1995 O.D. National Carnival, and consideration given to any Olympic Quota spots that may have been won by individuals during 1994.
  - (iii) Participation at World Cups shall be in keeping with the positions achieved at the qualifying competition for inclusion in the National Squad, subject to confirmation by the National Shooting Committee and Justification Committee.
  - (d) 1996 Olympic Games — Atlanta
  - (i) Being an Olympic year, no teams other than the Olympic Team will be competing internationally.
  - (ii) Olympic Games Team will be recommended based on the accumulation of points by individuals under the prescribed system applied by the Australian Olympic Committee and the Australian Shooting Association.
- These points may be earned by individuals for their performances at World Championships and World Cup competitions in the two years prior to the Olympic Games (ie 1994 and 1995).

#### 12. International Competition

- (a) Guidelines for International Team Selection shall include:
  - (i) Score over 375 targets of qualifying competition at O.D. Championships
  - (ii) Current Australian ranking
  - (iii) Current International ranking
  - (iv) Past competitive performances at International level
  - (v) Considered future potential at International level
  - (vi) Team compatibility and behaviour
  - (vii) General standing as an ambassador for the sport
- (b) (i) No member of the association other than ladies or juniors shall be eligible to compete in any International event without having recorded a score in competition equal to or better than the minimum performance score as may be determined from time to time in the two years preceding the event in which they wish to compete. As at 1st January 1994 Olympic Trap 112/125, ISU Skeet 114/125, Double Trap 120/150.

(ii) When applicable the standard for ladies and juniors shall be determined by the National Shooting Committee.

- (c) No member of the association shall be eligible to compete in any International event where his/her participation would be recognised as being representative of Australia without having received the prior consent of the Association through the National office.
- (d) Any person who fails to gain or omits to apply for approval to compete Internationally and competes in any International event where he/she is recognised as being representative of Australia, shall be deemed to be ineligible for selection in any team or gain approval to compete Internationally for a minimum period of two years from the date of the event contested.
- (e) Any person who having gained the approval of the Association competes in an International competition, shall within one month of their return to Australia submit to the National office full details of his/her scores and performances.
- (f) Persons qualifying for a position on any International team must advise of their availability to take their place on the team within a prescribed period of time. Once a date that allows reasonable time for acceptance has expired, the position on the team will be offered to the next qualified person.

#### 13. Eligibility Rule — Olympic Disciplines

To be eligible for International competition under the jurisdiction of the Australian Shooting Association competitors must at all times be able to comply with the Eligibility Rules of the U.I.T. and A.O.C. as declared in the U.I.T. Eligibility Rules 1-10 effective at 1st January, 1993.

#### 14. Team Funding

- (a) (i) Participation in International competition shall at all times be subject to the availability of funds through the Australian Olympic Committee, Australian Sports Commission, Australian Commonwealth Games Association or other source that may become available.
- (ii) In the event of funds becoming available for specific persons, costs incurred over and above the level of funding shall be the responsibility of person(s) concerned.
- (iii) In the event of funds not being made available for any/all members of a team, participation will be on the basis of self funding.
- (b) Should any team member decline their position then a position may be offered by the National Shooting Committee to the next qualified person from the National Squad.

#### 15. Justification Committee

- (a) Shooters selected to represent the Association by any method that may be determined by the National Shooting Committee shall be subject to gaining approval from the Justification Committee.
- (b) The National Management Committee of the day shall assume the role of the Justification Committee.
- (c) In the event of any person being declared ineligible by the Justification Committee for International Team selection, the National Executive Committee of the day (other than the members of the Justification Committee) shall act as a committee of Appeal whose decision shall be final.

#### 16. Team Uniform

- (a) Each person competing for the first time as a member of an official Australian Team, or as official Australian

Representative shall be provided with the following items of team uniform.

- (i) Australian Blazer, trousers/skirt, shirt, tie.
- (ii) Australian Shooting Jacket.
- (b) Replacement of items of team uniform for future occasions will be considered on merit upon application to the National office.
- (c) (i) Membership of an official Australian Team is confined to teams representing Australia in the A or Open category. When B teams are named for competition such as Oceania Shooting Championships, Australian Team uniforms are not provided.
- (ii) Membership of an official Australian Ladies or Junior team or as official Australian representative shall be determined by the National Shooting Committee subject to justification.
- (iii) When Ladies or Junior teams are named for competition such as the Oceania Shooting Championships, Australian team uniforms are not provided.

#### 17. Invitations — Olympic Disciplines

Any person who may receive a personal invitation to train or compete outside of Australia may only do so with the consent of the Association if his/her training and or competition is recognised as being representative of Australia or against involvement on a personal basis.

#### 18. Review

- (a) The terms and conditions of membership of the National Squad together with accompanying conditions relating to the Olympic Disciplines shall be reviewed on an annual basis by the National Shooting Committee.
- (b) The terms and conditions of the National Squad together with the accompanying conditions relating to Olympic Disciplines shall be published in the November issue of C.T.S.N. for the ensuing year.
- (c) The Executive Committee of the day shall be the sole arbitrator in any area of dispute.
- (d) The Executive Committee of the day reserves the right to at any time amend, substitute or cancel any or all of the terms and conditions relating to the Olympic Disciplines format as prescribed herein.

#### 1994 NATIONAL TEAMS

##### UIT World Championships, Italy — 21st July to 3rd Aug 1994

Olympic Trap	3 Member Team + 2 shooters allowed for MGS
ISU Skeet	3 Member Team + 2 shooters allowed for MGS
Double Trap	Mens 3 Member Team + 2 shooters allowed for MGS
	Ladies 3 Member Team + 2 shooters allowed for MGS

##### Commonwealth Games, Canada — 18th to 28th Aug 1994

Olympic Trap	2 Member Team
ISU Skeet	2 Member Team

##### Oceania Shooting Championships, New Zealand — Jan/Feb 1995 (Assuming that the 1994 Team members will make up the team because the 1995 National O.D. Carnival will not yet have been held.)

Olympic Trap	Mens	3 Man 'A' Team
		3 Man 'B' Team (top 2 only eligible for MGS)
	Ladies	3 Lady Team
	Junior	3 Member Team
ISU Skeet	Mens	3 Man 'A' Team
		3 Man 'B' Team (top 2 only eligible for MGS)
	Ladies	3 Lady Team
	Junior	3 Member Team
Double Trap	Mens	3 Man 'A' Team
		3 Man 'B' Team (top 2 only eligible for MGS)
	Ladies	3 Lady Team (plus 2 extra shooters for MGS)
	Junior	3 Member Team

##### World Cups — 1994/1995

In addition to the above, each nation is permitted to enter an Open Team of 3, plus 2 shooters for MGS in each Trap, Skeet and Double Trap event.

#### FUNDING 1994

##### Commonwealth Games

Funded by Australian Commonwealth Games Association.

##### UIT World Championships

Normally funded by Australian Sports Commission.

Team make up is subject to available funding. Should funding not be available team participation would be on a self-funding basis.

##### Oceania Shooting Championships

Normally funded by Australian Sports Commission.

Any available funding will be limited to 'A' Teams and Ladies Double Trap Team. Other participants would be on a self funding basis.

# THE PASSING OF A GREAT CONTRIBUTOR

*By Laurie Connors*

Ken Burton had his first shot at clay targets in Quambatook at a social day conducted by the Quambatook football club in 1970. It was here Ken got the smell of gun powder and in 1971 joined the Kerang Gun Club. After his initial introduction to the sport of clay target shooting over a period of six months Ken heard it mentioned by Kerang club members a trap was required. Being handy with a welder, Ken told the members he would endeavour to make one. This he did and the machine was tested and used extensively at Kerang Gun Club. Its design was cheap, simple and reliable.

Several club administrators who visited and shot at this club requested Ken to make one for their club. Ken obliged and 62 traps of this model were purchased by several clubs. To my knowledge, most are still being used today.

In 1973 Kerang Gun Club required another trap, so Ken again obliged making modifications and improving on his first model. These too were in demand and again purchased by many clubs.

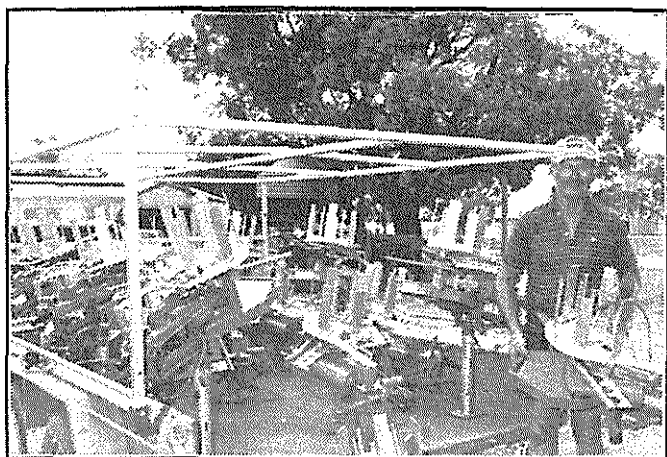

For Ken, 1982 was a drought year, so to supplant his farm income and to keep him working, what started as a hobby for Ken became a business. From this humble beginning Kerang Ibis Traps Pty Ltd as it is known today was developed.

Ken continued to improve his traps and designed several models catering for all disciplines of clay target shooting. They were purchased and used extensively by many clubs throughout Australia. The list includes electric operated 240 volt and 12 volt, hopper fed and manually operated clay throwers. His reliability and service of his equipment and assistance to clubs behind the scenes in excess of over 20 years is unquestionable. It wasn't long, when what started as a hobby for Ken Burton, became a business for him, and a valued contribution by one individual to the sport of clay target shooting throughout Australia.

At the time of his death, Ken had seven employees working for him. He was a loyal boss and had great respect for those who toiled for him. He proved this by not only providing morning and afternoon tea, but by providing and inviting all his employees to lunch with him at his dining table every day they worked for him.

Ken enjoyed mixing and meeting people and shooting was his major sport, travelling all over Australia to tournaments. Although no world champion, he enjoyed it and won over 200 championships and trophies.

Over the years Ken was most generous with his sponsorship to clubs, and in particular to juniors, giving sponsorship and encouraging them to participate in the sport.

*The late Ken Burton preparing a load of his traps for delivery.*

Music was also one of his great loves, and for 12 years Ken played drums and saxophone with a group called the Murray Valley Jazz Band. More recently he played with a group called Gay Charmers Old Time Band. His music catered for dances and social functions in and around the Kerang area.

His guns, sashes, trophies and musical equipment was kept and displayed in a special room he built on the farm and annexed to his home. He called it his 'music and gun room'.

Usually when a man spends a lifetime in a sport or business such as Ken's one manages to make a few enemies, but not so for 'Nugget' Burton as he was affectionately known.

I never heard Ken speak against another person nor have I heard any adverse comments about him.

I attended Ken's funeral and the high esteem and respect that was held for this man by others can be judged by those present and the 21 gun salute at the end of the graveside service. It is recorded 587 people signed the attendance book at his funeral in Kerang, his home town. They turned up to pay their last respects to a true friend and great ambassador to the sport of clay target shooting.

The business of Kerang Ibis Traps Pty Ltd is to continue. That's the way Ken wanted it to be.

Farewell Nugget you will be sadly missed in the development of our sport and by the clay target shooting fraternity in general for many years to come.

I am sure there are a great number of shooters, past and present who would wish to convey to his wife Faye and his family their deepest sympathy in their sad loss.

## ASSA NEWS

Please, please, please can we not schedule our Skeet Nationals in September !!! September surely must be the wettest month in the whole year and I applaud the ACTA for changing the Nationals to May for 1994. Perhaps we might even get to shoot in sunshine and have dry feet.

Congratulations must go to Victoria's David Cunningham for his brilliant effort in winning the High Gun with 395/400 with the only targets missed being in the Doubles event. I believe David went to Brisbane the following weekend and also won the Simulated Field. David is without question one of the finest shots in Australia in a variety of disciplines and should be commended for it.

Many shooters shot well at this years Nationals, names that come to mind are Clive Barton from Tamworth who won the Commonwealth title, Reg Clarke who won the Skeet Doubles and Brian Thomson who won the National title. John Worley won the ASSA All States event and it is pleasing to see that there are more 100/100s being shot again. I think that four people shot off for the National title all with 100s.

I think the happiest man at the Nationals was Christian Naudin from Wakehurst when he shot his way into the third man position in the team to go to America. Unhappiest man award must have gone to Glenn Clarke for missing his 100th target for a 100 straight in the National title event.

You will notice an advert in this magazine for the 1994 ASSA Skeet Open. This shoot will be held at Tamworth Gun Club from the 18th to 21st of February 1994. Tamworth have allowed the ASSA to extend their popular two day carnival into a 400 target tournament. The ASSA will be selecting a team to go to the Nationals in New Zealand from this shoot. Please note that there are no prerequisites and anyone who attends this shoot and shoots the whole 400 target program will be eligible for selection. The team will comprise of the first person past the post in each grade plus a junior, ie 1 person from AA A B C + Jnr.

The ASSA have secured sponsorship for this tournament and we must thank Akubra, Scorpio, Fuller Firearms and McGeoch's Hunting & Fishing Store for their continued support. Please try and choose our sponsors products first as they have pledged their support to the ASSA.

Jenny Burt has suggested that all competitors should bring their 1993 handicap card as well as their new 1994 card. It is vitally important that all gradings are correct and verified before this shoot gets underway. As per last years event we will be conducting 'lucky number shoot offs' each day of the tournament and we will also be including graded five person teams, ie one person from each grade plus either a lady, junior or veteran. This was a very hotly contested event at our last open and I am sure that same will happen in 1994.

Please note that Winchester have pledged their support by including the ASSA Skeet Open in their Top Gun program. The High Gun Overall winner will receive a case of Winchester shotshells (provided the shooter meets the requirements of the Top Gun program). The ASSA and Winchester Australia have been working together and Winchester have allowed the five largest skeet shots to be included in their Top Gun program also. These shoots are:

1. The ASSA Skeet Open Tamworth Gun Club Feb 1994
2. The South Australian Two Day Skeet Carnival April 1994
3. The Gumboot Shoot Frankston Australian June 1994
4. The Brisbane Gun Club Two Day Skeet Shoot July 1994
5. The New Hawkesbury Gun Club Two Day Shoot Sept 1994

We will follow up on exact dates as soon as they are confirmed but I urge you all to attend and support Skeet shooting at a two day level. As you can see the ASSA are endeavouring to put on major Skeet shooting events around the country and the vendors are giving their support so all we need is You to give us Your support by attending these shoots.

Congratulations to that 'young bloke from Tamworth' Clive Barton. Clive ran a hundred straight with the 20 gauge at the World Shoot in Texas. He then shot off against 120 other shooters under lights shooting doubles at stations 3, 4 & 5 and came 7th overall in the world. Not bad for a fella who had never shot the 20 gauge before and was using a borrowed gun . . . If I was a gambling man I'd have money on Clive for Sydney 2,000. His team mates Chris Naudin and Reg Clarke also shot well with Reg running 125/125 in the 12 gauge west giving him AA5 and also into a shootoff with the great Art Sideras for the veterans prize for this event. Art Sideras holds the title for the oldest shooter to shoot a 400/400 so it was not a surprise when Art held out over Reg. Other Aussies shot well with lady shooter Lee Brownbill shooting 97/100 in the Doubles to win B4 and a 246/250 in the 12 gauge main. Glenn Clarke also had a 99/100 in the doubles to give him AA10.

The world shoot was won yet again by Wayne Mayes with 7 people shooting off with 548/550. Scores were down a little for this year as there was a weather change going through on the day of the 410. We had winds of up to 40 knots to contend with and many shooters who were say 450 straight fell prey to the strong wind. A fellow AAA shooter from California who was 450/450 going into the 410 missed 12 targets, a very humbling experience.

I keep on saying this but unless the ASSA adopts NSSA rules it is going to be very difficult for the Aussies to be competitive on a world scene. Unless you shoot a 100/100 you will not even be in a shoot off and that is fact. It is no use for us to kid ourselves into thinking we are good shots because compared with the Americans we are not nearly at the same level. People may not like what I am saying but unfortunately these are the facts and you don't realise this until you have travelled.

As it is December once again on behalf of the ASSA we would like to wish everyone a very Merry Christmas and a happy New Year. See you in Tamworth in February.

## Kerang Ibis Traps Pty Ltd

ACN 007 134 152

*It is with deep regret and sadness, we announce the sudden death of Kenneth Sydney Burton — aged 54 (Nugget).*

*Over the past 23 years, Ken did everything in his power to create clay target throwers that were affordable to all, simple to operate, and simple to maintain.*

*He enjoyed his work immensely, and took pleasure from seeing his machines operating trouble free.*

*He never tired from travelling thousands of kilometres to service his traps all over Australia — all done free of charge.*

*Clay target shooting was his life, and his love.*

*Words cannot express the great feeling of loss and sadness his sudden passing has caused us.*

*It was Ken's wish that the company he was so proud of, "Kerang Ibis Traps Pty Ltd," would continue in the same way.*

*Ken's wife, Faye, and son, Daryl, will continue on with the business, and we hope and trust the support all shooting clubs and individuals have given us in the past, will continue as before. We can then fulfil Ken's wishes.*

# 1993 NSW STATE TRAP CARNIVAL

By Libbie Bunting, NSWCTA Secretary

If you were a betting person, and were offered odds that a State Association could conduct two major tournaments a fortnight apart at that same venue, and would both be total washouts, you wouldn't believe it was possible would you?

Had you elected to take the bet, you would now be considerably richer, as both the Skeet Nationals and the NSW State Trap carnival turned into the washout of the year, with those fortunate enough to have gumboots the real winners.

However, we tried our best under very trying circumstances to conduct an enjoyable carnival.

Saturday the 2nd of October started quite well with sunny weather despite light rain through the night, and a record number of shooters keen to compete.

The first event of the Carnival, the State Handicap event, was once again this year sponsored for us by Doug Jordan of RJF Gunsmithing in the ACT. Thank you Doug for your enthusiastic support. This event saw 222 competitors line up, with well known Victorian shooter Bill Iles winning the event 50/50, from runner up Garry McDonald from Griffith 49/50. Graeme Boyd from Albury was 3rd 46/47. Deserie Huddleston won the Womens 32/32, Katherine Meade the Junior 30/30, Colin Sanders the Veterans 27/30 and Luke Ellison the Sub Junior 20/30.

The State Double Barrel Championships followed with 230 competitors and 40 possibles being shot, and those shooters settling down to some serious shooting. Unfortunately we were unable to finish the event on the Saturday, and the overall shoot off continuing on to the Sunday morning. Michael Diamond and Arthur Turner shot on in atrocious conditions to record a new

Michael Diamond and Arthur Turner after a marathon 544 shoot off for the State Double Barrel title.

State Single Barrel winner, Tony Alvaro.

Overall High Gun, Bill Iles.

Group High Gun winners.

state record for this event, with Michael being the eventual winner, 544/544, and Arthur 543/544. This display of shooting was really quite incredible given the conditions —you would have to have been there to understand.

The Veterans section was won by Les Alexander 49/50 and the Sub Junior by Luke Ellison.

The Womens Double Barrel Championship was won by Deserie Huddleston, with Jancene Kidd second and Wendy Adams third.

The Junior Double Barrel Championship was won by Paul O'Neil 55/56 from Shane Samuels 54/56 and Andrew Kingdom 53/54.

Our State Single Barrel Championship was this year for the first time sponsored by Friskies Pet Care. This company, situated at Blayney in Central NSW, generously supported our request for sponsorship having no association with clay target shooting at all. Many thanks Friskies.

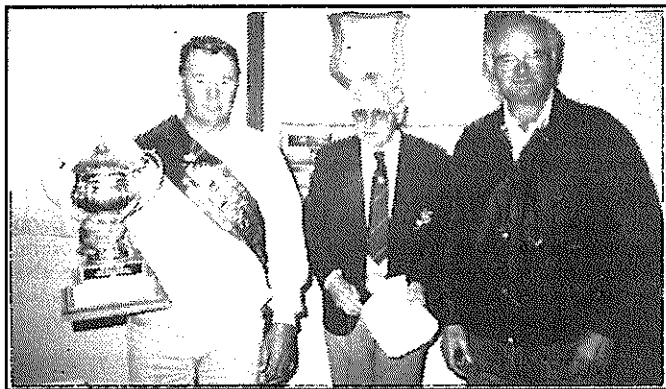

The overall championship was won by well known Sydney shooter, Tony Alvaro with 76/77 after a shoot off with Michael Diamond 75/77 and Paul Lyons 71/73. Womens section was won by Karen Kennerson from Sydney. Juniors by Les Chant, Veterans by Les Alexander and Sub Junior David Glenn.

The State Pointscore Championship was once again generously sponsored for us by Peter and Joan Abela of Horsley Park Gun Shop. Many thanks for your continued support over many years.

The overall winner after a shoot off (another the following morning) was Digger Ellison from Forbes with 156/156 from Bill Iles 153/156. The Womens was won by Deserie Huddleston with 144/150, the Junior Les Chant 147/150, the Veteran by Colin Sanders 130/150 and the Sub Junior by David Glenn 116/150.

With the three major championships completed, the State Team was selected and was very hotly contested, particularly with the extraordinary number of AA grade shooters present (117). The Team consists of Paul Lyons, Michael Diamond, Dick Piotrowski, Richard (Digger) Ellison, Mark McInnes, Arthur Turner, Les

State Pointscore winner, 'Digger' Ellison.

State Champion of Champions winner, Dick Piotrowski.

Chant, Grant Thatcher, Russell Williams, Steve Guest, Doug Jordan, J. W. Smith, Ian Merrick, Robert Dale and Chris Young. Congratulations to you all.

The Womens Team consists of Janeene Kidd, Lyn Blake, Karen Kennerson, Loz Lloyd, Leonie Young Peters and Clare Kesby. The State Junior Team consists of Les Chant, Clem Cunningham, Tim Nealon, James Barron, Andrew Kingdom and Eddie Boulos. Well done also to all these representatives.

The State Teams Event was first event on Monday morning with Michael Diamond winning the Open Team High Gun 171/171, Janeene Kidd the Womens Team High Gun 74/75 and Eddie Boulos the Junior Team High Gun 74/75.

Of course the Shoulder to Shoulder Teams were also selected after this event, with the Open Team comprising of Michael Diamond, Robert (Digger) Ellison, Mark McInnes, Robert Dale and Steve Guest. The Womens Team is Janeene Kidd, Lyn Blake and Karen Kennerson. The Junior Team being Les Chant, Clem Cunningham and Tim Nealon. It really requires some special effort to be selected in these teams, and I am sure they will represent us well in Brisbane in April 1994. Congratulations.

Our final event for the carnival was the State Champion of Champions this year kindly sponsored for us by Scorpio Cartridges. Many thanks once again Sergio.

There was a big drop off in numbers for this event, due partly to the distances people had to travel but mostly the deteriorating conditions. However, the event provided a very popular winner with Dick Piotrowski of Blayney shooting the only possible 125/125. Well done Dick.

The Womens was won by Janeene Kidd (who also won A grade) the Junior by George Andonarus, the Veteran by Colin Sanders and the Club Junior by David Glenn.

The Overall High Guns were supplied again this year by Winchester and Howard Smith was on hand to present trophies.

The Overall High Gun went to Bill Iles with a great score of 401/405. The Women High Gun went to Deserie Huddleston 385/405, the Junior High Gun to Les Chant 388/405, the Veterans High Gun to Colin Sanders 362/405 and the Sub Junior High Gun to Luke Ellison 268/405.

I would just like to comment on a few items before I close.

This year saw the introduction of a Club Team event, with 3 shooters affiliated with the ACTA through the same club eligible to enter. The 3 persons scores on the Double Barrel event were added to find the winning club team. The cost was \$15 per team to enter and I was very pleased to see 20 teams enter. The total of \$300 went to the winners, who were this year a Geelong Gun Club team of Russell Mark, Robert Godfrey and Lyn Curtis being the only possible 150/150. Well shot! I was thrilled to see the interest and enthusiasm this friendly rivalry created between shooters.

I would also like to particularly mention the Majura Park Gun Club who had 24 members attend the carnival. Thank you for your clubs continued support. (Was also pleased to see you had 3 members in the State Team.)

Finally, I would like to thank many of the helpers it takes to run these shoots. Thanks to Bob Blake for your hard work as Shoot Marshall. A difficult job in very trying conditions. Also to my Office Staff — who often work from daylight till dark virtually unnoticed by most shooters.

Thank you to State Handicapper Andy Sanders and his assistant Col Burt. A difficult job really well done. Thank you also to Chris Condon and Jenny Burt for your continued valued efforts and support. A special thank you to Elizabeth Batt and Carol Tilley. These ladies hold no Executive position on our Committee, yet give freely of their entire long weekend to assist with the running of the shoot. And to all others who contributed of their time and effort in any way. thank you.

A comprehensive list of all winners is in the Club News section of the magazine under NSWCTA.

State Womens Team.

State Junior Team.

# WILKAWATT GUN CLUB

*By Hot Shot*

Once again the small township of Wilkawatt was a beehive of activity when the Wilkawatt Gun Club held its annual Anniversary 2 day shoot on Saturday the 11th and Sunday the 12th of September. Shooters from Meningie, Kangaroo Island, Monarto, Barmera, Port Augusta, Adelaide, Bordertown Gun Clubs as well as local members competed in fairly cool and wet conditions. There were 24 shooters on Saturday and 35 on Sunday. Numbers were down to last year, perhaps the grand final in the local town kept some away.

Saturdays shooting started with a 10t point score eye opener. There were only three winners namely W. Hayward, R. Candido, C. Bentley all 30/30. The next event was the Whelan Handicap with only one possible being shot by one of our 'overseas' visitors Eddie Smith from Kangaroo Island.

The 25t single barrel was a real test but Craig Bentley managed to be the only one to shoot 25/25. Mark Booker won B grade with 23/25 and Ivan Pfeiffer won C grade with 19/25. The Wild Dog skeet saw Kevin Przibilla being the overall and B grade winner shooting 24/25. R. Candido won A grade with 33/35 and Keith Appelkamp won C grade with 22/25.

This event was shot in conjunction with the Wild Dog Skeet 3 man team, which was won by Wilkawatt No. 1 team consisting of D. Beelitz, K. Przibilla, W. Hayward with 64/75. The high gun over day one was won by Craig Bentley with 72/75.

Sundays shooting started with a 10t eye opener with 7 possibles — D. Hayward, M. Booker, A. Lock, W. Hayward, R. Candido, P. Mules, L. Schubert all 10/10. The 30t Anniversary Double Barrel C'ship saw three possibles being shot. After a shoot off to 45, R. Candido was the overall winner. J. Colwill won B grade and Jim Phelps won C grade. The trophy was a \$100 voucher from Fisher Firearms, which I'm sure will come in handy. The 25t Lameroo Hotel Pointscore, was won by C. Bentley with 75/75, R. Dietrich with 80/91 won B grade and Jim Phelps won C grade with 60/75. This event was shot in conjunction with the Killick and Whelan Team Shield which was won by Wilkawatt No.1 team, namely W. Hayward, T. Heinzl, K. Przibilla, P. Rundle, D. Beelitz shooting 116/125. C. Bentley won the high gun on day 2 with 102/105.

Overall two day High Gun winner, C. Bentley, with President, P. Rundle.

High Guns over the two days were won by: C grade: I. Pfeiffer 132/180; B grade M. Booker 157/180; Ladies: L. Beeltiz 151/180; OA & A: C. Bentley 175/180.

Many thanks go to the sponsors namely, Wright's Store, Rodney Ahrens, Martin Whelan, Lameroo Hotel and Fisher Firearms who supported the gun club for this weekend. We all know that sporting clubs survive with the sponsorship and help of donors like these.

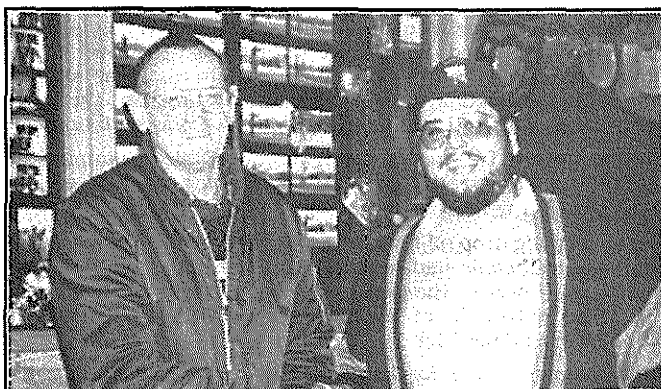

There were a lot of helpers on the weekend with Kevin and Wayne behind the desk, Keith our handicapper, David the trapper, Lynn and Wendy who kept the food going all weekend, scorers, referees, dishwashers and wiper upperers, and everyone else who helped along the way.

High Gun winners l to r: L. Beelitz (Ladies), C. Bentley (Overall), I. Pfeiffer (C grade) and M. Booker (B grade).

Wilkawatt No. 1 Team l to r: W. Hayward, T. Heinzl, K. Przibilla, P. Rundle and D. Beelitz.

Anniversary winners l to r: J. Phelps (C grade) and R. Candido (A grade & Overall). Absent R. Dietrich (B grade).

# TAMWORTH CLAY TARGET CLUB

## September Open Trap

Although rain had fallen in the week leading up to our Annual Open Trap Shoot, the sky cleared on Friday afternoon and fine, sunny conditions greeted 126 shooters from the three eastern states.

Once again this year the club was very well supported by a strong band of sponsors, without whose support it would be impossible to present such a vast array of trophies and cash awards.

Rod Prior of R. J. Prior Furniture of Tamworth provided the much sought after and very beautiful dining table and chairs. Not only does Rod produce such magnificent furniture, he also does an unbelievable amount of work behind the scenes at the club. Thank you Rod.

The club committee took a different line this year, in-so-far that, rather than take out a large insurance policy to cover one award, the decision was made to give that money back to the shooters - by way of \$500 per grade, over events 2-4-6-8. This then gave B & C shooters the same chance of a big win amongst themselves, likewise AA & A shooters. With 55 'AA', 31 'A', 21 'B' and 18 'C' approximately in the lower grades, the money was there for the taking.

The sponsors this year included, Scorpio Cartridges, Pineline Furniture-Bedroom Brass (Mike & Lucy Simpson), Colonial Mutual Insurance (Chris Walker), Etheridge, Frater & Lyons (Peter Etheridge), Garvin and Cousins, Fosters Firearms & Accessories (Athol Page), Buttercup Bakeries, Peter and Sandra Holmes, Dengate Joinery, Shirley Weatherall, Lowestoft Herefords (Graham Wilson), Coca Cola and R. J. Prior Furniture.

The ladies committee under the guidance of Rae Richardson once again did a wonderful job of keeping everyone well fed over the two days and with a very enjoyable complimentary tea on the Saturday evening - thank you girls.

Our caretakers, Graham and Rae Richardson continue to have the entire complex in 100% order for our visitors, we all appreciate their great effort. President, Kevin Weatherall and his shoot committee put many hours of work into ensuring the shoot was just what the shooters wanted and that everything went according to plan, comments from the shooters being positive.

Our now regular 'shooters' masseur, John Mercer is quickly establishing his name around the traps and very generously donated a complimentary massage each day, and these were greatly appreciated by the recipients.

The first event being a cash divide, Event 2 30t Country Capital Double Barrel C'ship and from the 124 shooters, 33 possibles were recorded. OA: Tom Turner 180/180; AA: J. Nash 179/180, 2nd R. Prior 153/154; A: J. Reed 32/32, 2nd S. Stanley 31/32; B: P. Cauchi 36/36, 2nd P. Camillera 35/36; C: K. Meade 34/34, 2nd M. Joass 33/34.

Event 3 30t Country Capital Champion of Champions had 7 possibles from 125 shooters. OA: A. Turner 75/75; AA: P. Campbell 103/105, 2nd K. Bosanko 116/119; A: R. Taylor 71/75, 2nd H. Smith 66/75; B: M. Denton 50/50, 2nd R. 'Frog' McInnes 49/50; C: G. Joass 45/50, 2nd M. Joass 43/50.

Event 4 25t DB Continental Championship, 126 shooters and 23 possibles recorded. OA: S. Atkins 101/101; AA: G. Rootes 100/101, 2nd D. Osborne 79/80; A: C. Milligan 61/61, 2nd R. Taylor 28/29; B: J. Marshall 55/55, 2nd T. Barwick 54/55; C: P. Scales 25/25, 2nd J. Williams 24/25.

Sunday mornings first event was a 30t Loomberah Valley DB Classic and 26 possibles were on the board. OA: S. Atkins 176/176; AA: P. Petriella 175/175, 2nd D. Jorden 102/103; A: R. Taylor 30/30, 2nd P. Farrugia 82/82; B: A. Keevers 30/30, 2nd I. Stark 52/53; C: N. Towns 30/30, 2nd G. Joass 40/42.

## KRIEGHOFF - K80 TRAP, SKEET, FIELD MODELS EXTRA BARRELS, ADJ STOCKS ETC NEW & USED GUNS IN STOCK

**JAMES MIATT MFG**

PO Box 1868, Launceston, Tas. 7250  
Phone (003) 31 8285 Fax (003) 31 8285

The 30t Country Capital Pointscore Classic followed and 10 shooters returned a perfect score. OA: G. Rootes 144/144; AA: J. Nash 141/144, 2nd R. Prior 131/34; A: B. Mackson 101/102, 2nd P. Ryan 100/102; B: Frog McInnes 109/111, 2nd I. Stark 108/111; C: M. Caslick 85/93, 2nd N. Towns 82/93.

Event 7 was the popular 25t Trophy Handicap - shooting from the 22m mark was Robert Godfrey the winner with 116/116 from Kim Nealon 115/116, Gary Redmond 105/106, Arthur Turner 67/68 and Steve Laffey 58/59 - interesting that all shooters who went into this shoot off with the exception of one, are what are considered to be backmarkers.

The shoot competition ended with 15pr Moonbi Ranges Double Rise Championship. OA: S. Atkins 38/40; AA: R. Godfrey 36/40, 2nd J. Farrell 28/30; A: P. Farrugia 28/30, 2nd D. Reed 27/30; B: P. O'Neill 29/30, 2nd T. Barwick 46/60; C: B. Lancaster from Terry Steele.

In an excellent display of shooting Steve Atkins, Robert Godfrey and Gary Redmond all recorded 299/305 for the overall high gun - a shoot off that had everyones attention, the overall winner, who was jubilant to say the least was Gary Redmond from Queensland, a very worthy winner, who has supported this shoot for many years. This is the fourth year that the furniture has been presented with the first three going to Victoria and now this year to Queensland, NSW might get a look in next year!

The \$500 cash awards over events 2-4-6-8 went to: AA: R. Godfrey; A: P. Farrugia; B: Frog McInnes and P. O'Neill \$250 each; C: M. McPhee.

Grade High Guns went to: AA: S. Atkins 350/352; A: P. Farrugia 291/305; B: P. O'Neill 285/305; C: P. Scales 269/305.

Ladies High Gun winner was Janeene Kidd from Sydney with 277/305 and the junior winner was John Williams 248/305. The Commonwealth Bank Cup for the High Gun of the Tamworth members was shared between Rod Prior and Peter Nash with 287/305. Steve Atkins and Robert Godfrey teams up to take out the Lindsay Bull Memorial Shield 2 member team competition with a score of 343/350. The Cessnock team of Tom Turner (158), Tom Turner (169), Mike McPhee (153) and Paul O'Neill (164) won the Country Capital President's Cup - 4 members teams competition and the 5 member team competition was won by the Newcastle team of C. Diaz, J. Fryer, M. Height, J. Blazley and A. Swadling 432/450.

So another very successful shoot has finished and the post mortem meeting has been held to iron out a bug or two and start the plans for 1994.

Russell Mark was certainly missed and we all hope that his shoulder has had the required rest (we certainly didn't use 20,000 targets in shoot offs this year!!)

To the helpers in the office, particularly Barb Nash, thank you again. So don't forget, first weekend in September, book a bed for the Tamworth Trap Shoot.

# 1993 AUSTRALIAN COACH AWARDS

*Conducted by the Australian Coaching Council*

Each year the Australian Coaching Council invites sporting associations Australia wide to nominate coaches for different categories. These categories range from:

1. Young Coach, Male
2. Young Coach, Female
3. Individual Coach
4. Team Coach of the Year

The ACTA has chosen this last category (Team Coach) to place before the ACC a nominee.

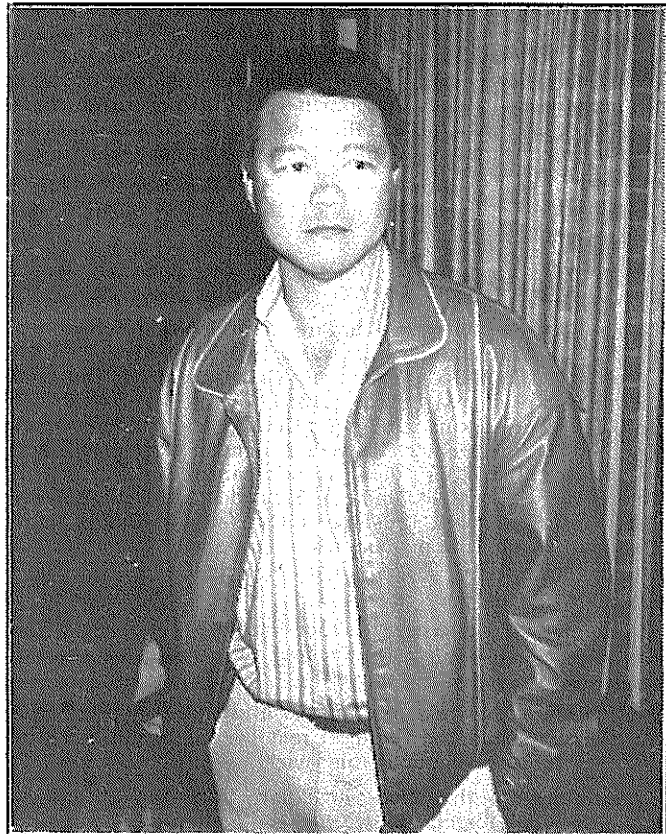

It is with great pleasure that I announce the ACTA nominee for the Team Coach of the Year is Mr Greg Chan of the Northern Territory. Greg is a Level 3 Accredited Coach and long serving State Coach of the NT.

These factors, although supportive, are not what his nomination is about. This nomination is to recognise his perseverance and success with the Northern Territory Open and Junior State Teams.

These Teams won both the Open and Junior Shoulder to Shoulder Teams Match at the 1993 Trap Nationals in Adelaide. The win also enabled the NT to defend successfully their 1992 Open Crown.

I am sure I speak for all in congratulating Greg on his nomination and wish him every success with the Australian Coaching Council as the awards are assessed.

**M. Alexander**  
*National Director of Coaching*

*Greg Chan.*

# HISTORY OF ACTA GUN CLUBS

*By George Biggs, ACTA Historian*

The year was 1986 and the ACTA was celebrating its Golden Jubilee with the production of a Golden Jubilee edition of Clay Target Shooting News.

This decision meant going back to the early days of our sport. My thinking was that no better way to do this, was to appeal to our member clubs for their help, which they did very willingly, especially the older clubs that had much more history to relate.

I am indebted to the many clubs for their help and support in supplying stories and pictures of the early days of their club and the people who were involved in helping to establish and build our sport during difficult times. Many of the pioneers of the real early days have now passed on, however, they should not be forgotten.

Most of the evidence available points to a period of time around the early 1850s when gun clubs became active in Australia. Firstly in Sydney and Melbourne and later spreading to Tasmania. Then country areas throughout Victoria, New South Wales & South Australia became popular venues for live bird clubs around the 1890s and more or less flourished up to pre World War One 1914-1918.

With the war behind and reports of clay target shooting in America replacing live birds, very few of the original pre war clubs bothered to reform. As far as I am aware there is no evidence of live bird shooting in West Australia or Queensland, before the introduction of clay targets. However, I am sure there would have been some form of activity in this regard.

I would like to acknowledge with thanks the many clubs who have kindly sent club history material and pictures where possible. This information has proved very interesting and will greatly assist with the task of putting our history together.

At the time of writing we have two nominations in, concerning who is our longest shooting persons, man and woman. Bill Delaney began shooting in 1930 at the age of 10 years and Mrs Tim Read began shooting in 1950. Both these shooters are from Melbourne. Can you better these records?

The list below details a few of the older clubs, their state and the year of forming.

Club	State	Year Formed
NSW Gun Club	NSW	1867
Wagga Gun Club	NSW	1868
Colac Gun Club	Vic	1896
Cosgrove Gun Club	Vic	1900
Millicent Gun Club	SA	1900
Narrabri Gun Club	NSW	1905
Geelong Gun Club	Vic	1908
Cressy Gun Club	Tas	1910
Devonport Gun Club	Tas	1930s
Charleville Gun Club	Qld	1935
Portarlington Gun Club	Vic	1940
Southern Gun Club	SA	1946
Colbinabbin Gun Club	Vic	1954
Goroke Gun Club	Vic	1954
Guyra Gun Club	NSW	1963
Korumburra Gun Club	Vic	1965
Callawadda Gun Club	Vic	1967
Ceduna Gun Club	SA	1968
Albatross Gun Club	NSW	1970
Jeparit Gun Club	Vic	1975
Grafton Gun Club	NSW	1975
Nepean Gun Club	Vic	1975
Leinster Clay Target Club	WA	1978
Orange Gun Club	NSW	1981
Koolan Island Gun Club	WA	1984
Kangaroo Island Gun Club	SA	1984

## Colac Gun Club, Vic

Notes taken from an old minute book of the Colac Racecourse Reserve

- 18-11-1865 A public meeting was held with the intention of forming a Board of Management. 5 Trustees were appointed. Dr Thomas Rae, John McLaughlin, Robert Robertson, Humphrey M. Hearn, William Bradley. The Secretary who wrote the minutes in beautiful copperplate and impeccable grammar was P. Wilson. Regular periodical meetings were held at Colac Hotel until 25-11-1868, then a break occurred until 30-11-1872. Captain John Haines was then Chairman.
- 8-12-1877 Trustees increased to 7 by appointment of John Calvert and Easton Johnstone.
- 1-9-1883 Management of Course passed to Colac Turf Club, who retained control to 4-2-1918, a period of 35 years.
- 12-12-1918 First mention of Colac Gun Club, when Dept of Lands and Survey wrote to say that Golf and Gun Clubs had applied for 75 acres of the Racecourse Reserve.
- 9-4-1923 Gun Club asked Trustees to be relieved of its indebtedness owing to its inability to arrange shoots, and offered payment of 1 pound per year. Agreed and future rental set at 2 pound per acre per annum.
- May 1928 Golf Club was professionally extended to 18 holes, which was to include the present practice area and where the Gun Club then operated. Also, as shooting (live birds) was considered distasteful to ladies the Gun Club was asked to move across the drive and exchange clubhouses. This was agreed subject to payment to Gun Club of 100 pounds, and full shooting and clubhouse facilities. W. H. Clements and H. D. Thomas represented Colac Gun Club.
- Note: Gun Club must have been formed while reserve was in the hands of the Turf Club, ie between 1883 and 1918. The late Charlie Romeo had a club membership card for 1908 and his recollection was that the club began operations in 1896.

Many top line shots have risen from the ranks of Colac men. Prominent among these were Eric (Pop) Ball, George Cross, Ray Parker, Harvey Eldridge, Ian Holt, Don Corstorphan, Ernie Osborne to name a few. Don joined up in 1946, Ray & Harvey as mere lads soon after, they along with Eric Ball and Ian Holt all gained international status with the ACTA, formerly the ACPTSA.

In the early 1950s before we had our own accredited referees, Hartleys would kindly release George Biggs on a Saturday morning, so that he, accompanied by his wife and two charming daughters would travel to Colac to referee our open championship days. This he would do most competently, and in addition, he and Barbara would shoot the program. Thanks George, we have not forgotten.

Clay shooting commenced in 1939 with a PLUS trap and a single lane, one target at a time. In 1946 we bought an auto angling trap from Les Black of Irrewillipe Gun Club, still in its box unused; then a copy of the Black Diamond made by Jack Bryant. We now have two Winchester White Flyers (one with phono pull) and a five trap trench layout. Gosh how they travel.

A new clubhouse was erected some years ago, but the old shed still stands as a storeroom and it will be remembered as the scene of good times in the past.

Thirty-eight years ago Harry Mills, our won local Police Inspector, offered the club crockery if Myrtle Corstorphan would provide teas and suppers. She carried on for fifteen years, then Marg Osborne took over for a period. Mary Dignan now presides in the kitchen. Many visitors have reason to be grateful to those ladies.

## Shooting the Clay Target

### A NEW CLAY TARGET SHOOTING INSTRUCTION BOOK

by George Biggs

A most comprehensive book wherein George relates his 50 years of shotgunning and teaching, with lots of pictures and drawings that explain the how and why of shooting the clay target.

— Would make an ideal Christmas present —

Available direct from George Biggs,  
4 Hugh Street, Knoxfield, Victoria 3180  
Phone: (03) 801 2748

Price \$20.00 including postage and packaging (all states).  
To order please send your cheque or money order to George Biggs.  
Also available from the ACTA National Office

## WARATAH STATE NOTES

### Life Membership Award

The NSWCTA is pleased to advise that Life Membership has been awarded to Lola Charles for her services to clay target shooting and the association over many years.

Lola joined the NSWCTA in 1983 as a delegate for the Riverina Zone. She served in that capacity until her retirement in 1993 due to ill health. She also served as State Handicapper from 1990-1993.

Lola was presented with her award by State President Pud Burgess in a small ceremony at the NSW State Trap Carnival at Wagga in October. She is pictured below during the ceremony with her husband Bruce.

Congratulations Lola from all your colleagues and friends, and best wishes for the future.

Lola (right), pictured with her husband, Bruce.

## TURNER 'TOP GUNS' WITH 500 BREAK

Arthur Turner from NSW claimed his second prize this year under Winchesters 'Top Gun' awards with a massive break of 549 at the NSW Trap Carnival at Wagga in early October. Arthur's break becomes the highest since the inception of the award scheme and he becomes the third shooter to claim the 1,500 shotshell prize for a 500 plus break. Denis Lymn from SA shot 457 straight at Geelong's two day carnival on October 30th to claim the fourth highest break under the awards. Both Arthur and Denis use AA 1250 7½s. At present the top 10 breaks under the award scheme are as follows:

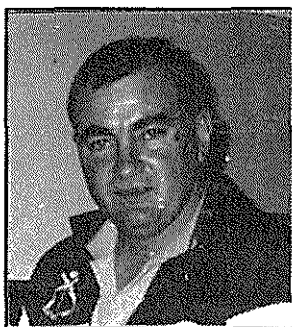

1. Arthur Turner	549 — Wagga	Oct 93
2. Roger Duthie	528 — EchUCA	Nov 92
3. Dino Oliviero	512 — International SA	March 92
4. Denis Lymn	457 — Geelong	Oct 93
5. Stuart Browning	450 — Hobart	Jan 93
6. Steve Haberman	442 — Broken Hill	May 93
7. George Scaf	422 — Sunshine Coast	Jan 93
8. Roger Duthie	420 — South East GC	May 93
= Steve Atkins	420 — Tamworth	Sept 93
10. Steve Guest	406 — Canberra	Jan 93

The Queensland State Skeet Carnival in Townsville recently provided Gary Redmond and John Withers from Brisbane a bonus case of shotshells each for their respective wins in the State Championship and Overall High Gun sections. Gary now becomes the first to claim an open award in both DTL and American Skeet therefore proving his versatility as one of Australia's best all round shooters. Derek Bruce from Cairns also claims 250 shotshells for his win in the Junior High Gun section of the State Championships, as does Alan Featherstone from Perth in the same section of the Western Australian State Carnival. Our final award winner in October is John Richichi from South Australia for his win in the Overall High Gun section of the Alexandra Gun Club's annual two day carnival.

Registration is now open for the 1994 awards which have been significantly expanded from previous years. Don't miss out as they commence on January 1st. Next month we will be announcing the 10 finalists for the overall 'Top Gun' of the year award who will be judged by the executive members of the National Shooting Committee.

Arthur Turner

Gary Redmond

### TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. reserves the right to refuse any advertisement without stating the reason.

## VCTA SOUTH EAST ZONE

By R. F. Buchan

To those who attended the carnival, what a great day it was for shooters and shooting at this years Trap & Skeet Carnival held at the Melbourne Gun Club on Sunday October 10. The day was cold with the odd shower or two but the shooting was first class. We saw Bill Iles take out the Double Barrel with 167/167. Tony Bradshaw was the bridesmaid. Not content with that Bill went on to win the Handicap with 40/40, 2nd place went to another backmarker in Robert Godfrey. Chris Wood who is 12 years of age shot off for the second time with the big boys on that day.

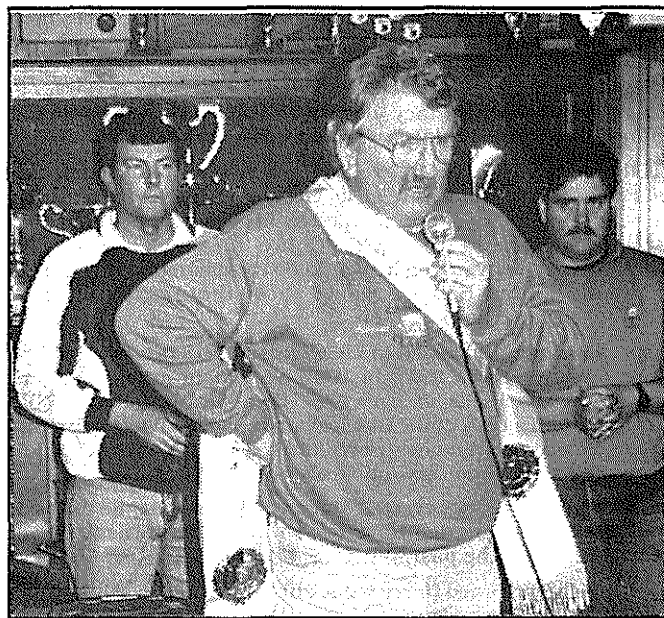

In the 25t Points event, Robert Godfrey came first with another past trench champion, Domingo Diaz 81/82. Domingo not to be out done was the winner of the Single Barrel, with two other young shooters in Daniel DiPietro and Daniel Signorotto keeping him honest.

Bill Iles won the two High Guns for the day.

In the team shooting section, Melbourne number two team won on the day. The zone runs a series of five shoots each year in which a different zone hosts a round. The final shoot is conducted at the Zone Carnival, where the Premier Team is decided for the year. This year the Melbourne team won two plus the final, making them the Premier Team for 1993, Cerberus were three points away second.

As Zone President and winning Club President, this old fox enjoyed this win and the grin will last some time I assure you. The skeet is part of the carnival and has its own section, but with only 19 shooters, the question, where were the shooters, with \$300 worth of trophies each year for the past three years a wonderful display each time, the support is more than disappointing. To those skeet shooters who supported the shoot we as a zone say thank you. All enjoyed themselves, the comradeship was great. Laurie Mauger was the Overall winner ahead of David Cunningham.

Our zone series conducts a High Gun for each of the common mark and the handicap as well as the combination of both. This year was an exception for the first time all three were taken out

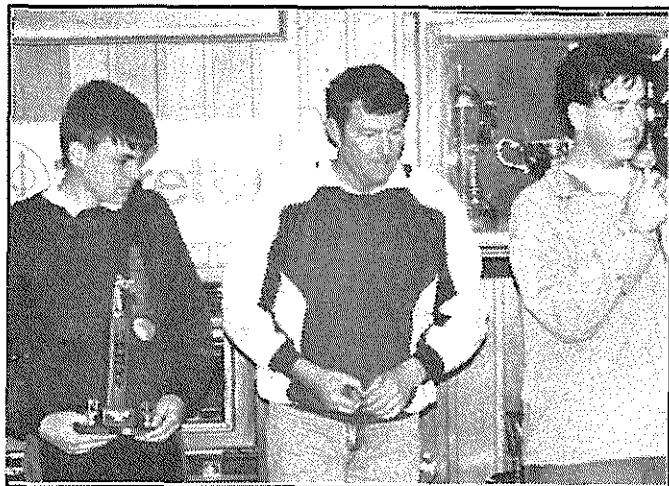

Winner of both High Guns and events 1 & 2, Bill Iles. Chris Carroll and Scott Barry in the background.

by the one shooter. The triple was taken out by our Zone Secretary Chris Carrol. Congratulations to you Chris, a terrific effort, and well deserved. All the trophies for the day were donated, and the zone thanks, Judy & Frank Vella, Hellen & Fred Foon, Heather & Dexter Barnes, Anna & John Gilopidis, Beryl & Tom Lucas, Shirley & Tony Rowe, and to all the clubs who donated a case of shells, the members of the zone council and the shooters of the zone thank these wonderful people and clubs sincerely. It was great to hear the praise placed on all the trophies, the club grounds, the targets and the way they were set to regulation and the most business like running of the shoot, from the office staff, shoot marshals and score board attendants, all working as a team. A final thanks to the 110 shooters, 16 senior and 4 junior teams who made the day such a success.

Scott Barry and Bob Buchan, team series winners, Melbourne.

Craig Henwood, Chris Carrol, Phill Down, junior team winners on the day.

## MOUNT ISA GUN CLUB

*By Ron Power, Secretary*

The weekend of the 9th & 10th October was quite a busy one for the Mount Isa Gun Club.

A member/novice night was held on Friday commencing at 6.30pm. With some twenty shooters in attendance and an interesting program as well as food and refreshments, all who participated totally enjoyed themselves.

The novice shooters proved that their lack of experience wasn't a handicap and shot some good scores. Steve and Seppo tied for first place with Satu and Harry sharing second billing. The deauville doubles combination of Satu and 'Baldy' swept all before them with Seppo and Myrtle claiming second place just one point down. Nev Anderson, Trevor Bennett and Rod Maxwell were the winners in the members section.

With memories of a great Friday night still fresh in their minds the members lined up at 3pm Saturday afternoon for the Mount Isa Gun Club monthly shoot.

Event 1 was a twenty-five targets skeet off handicap. Cecile Edmonds made sure of her place in the winners circle by scoring 24/25. Her father may not get his gun back either after that effort which saw Cecile achieve B grade. The other winners were Rod Maxwell, Doug Stone, Ron Power and Geoff Ladbroke.

Rod Maxwell claimed A grade in the 50t Ball Trap with a well shot 46/50. B grade went to Bill Koitka (44/52) and Myrtle Anderson won C grade with 37/50.

The first trap event saw a battle for A grade honours, but eventually Jim Edmonds won out with 53/53. Trevor Bennett made his presence felt in B grade with 26/26, and Nev Anderson won C grade with 24/25.

The Mount Isa Gun Club Night Points Championship was the final event of the competition and this time Mick McGill came to the fore. His score of 143/150 won A grade. Geoff Ladbroke was the winner in B grade with 140/150, and Nev Anderson once again was too good for his fellow C grade shooters and won that grade with 136/150.

The next major clay target shoot in the north will be at Atherton in a couple of weeks time and quite a few Mount Isa shooters will be attending. We wish them all the best and hope they bring some trophies home to Mount Isa.

## ATHERTON TABLELAND GUN CLUB INC

The Atherton Club's annual shoot for 1993, held on the 23rd & 24th of October, was also the occasion of the official opening on the Saturday night, by Atherton Shire Councillor Alan Rockley of the new grounds at the Atherton Rifle Range. The opening and high tea was attended by 100 guests and shooters, with all present praising the work and achievement of the club and members for the fine complex, built with limited funds, a total commitment by members and the generous support of business houses on the Tablelands and Cairns. The club house which apart from having office, kitchen, bar and storeroom has a function room capable of catering for 150 people, which will in the future be available for hire by other clubs and the public of the Tablelands. The new complex, conservatively valued at \$200,000 will no doubt prove to be another fine asset for the sporting community and the residents of the Atherton Shire.

The annual shoot saw shooters attending from clubs in the Burdekin, Cairns, Callide/Dawson, Cooktown, Karumba, Maryborough, Mount Isa, Normanton, Port Denison, Silkwood, Townsville and Woods Point. On Saturday, 51 shooters shot the day and night program, with overcast skies and isolated showers causing some problems but not dampening the enthusiasm of the shooters. Sunday saw a return of fine and pleasant conditions, with 55 shooters taking their positions on the lanes.

With over \$6,000 in prizes the competition was strong and determined. The calcutta event shot on Sunday as a 50t Handicap with first prize a wooden coffee table valued at \$600. After a shoot off between G. Rea and I. Wilson, who tied with 49/50, the youngest person at the shoot, junior shooter Ian Wilson from Karumba took out first prize. Ian will now have his name engraved beside other top shooters, on the Sam Spina Memorial Shield which is also shot in competition on this event. The calcutta money of \$2,812 was shared by the buyers of the two top shooters, with S. McDowall who bought Ian Wilson, and G. Rea who bought himself taking their winnings of \$1,406 each. With Ian being well rewarded by Steve for shooting a top score.

The Boris Stankovich DB Handicap shot over 50t on Saturday, saw the first prize of a colour television set taken home by Peter Stockwell. After a shoot off M. Blain took second prize a carton of cartridges, with R. Collinson receiving third prize, a half carton of cartridges. The Atherton Plumbing Works SB Championship with first prize in each grade an anglo grinder saw some fine shooting with A grade taken by R. Maxwell, with B grade to S. McDowall and C grade to D. Millen.

The Haymans Electrical Northern Zone Night Championship, a 25t DB event, which is also the night event used to contest the Jim Dick Memorial Shield, saw P. Stockwell shoot a possible which gave Peter the badges for Overall, A grade and the Jim Dick Shield. B grade was won by a junior shooter from Cairns Derek Bruce with a well shot 24/25, C grade went to Gary Nunan an Atherton shooter from Mount Isa.

The first event on Sunday, Maurie's Meat Mart DB Championship, a 50t event with first each grade receiving a Pedestal fan and an electric oven. This event was won in A grade by B. Hopgood with his second possible for the weekend. B grade was well shot again by junior shooter D. Bruce 48/50, with D. Millen in C grade.

The final event the John & Birgit Wilkinson Continental Championship a 50t DB graded event with an electric welder for the winner in each grade. A grade was won by D. Stone with his second possible for the weekend, B grade went to G. Rea and C grade D. Millen.

The Overall & A grade High Gun was shared between P. Stockwell and R. Collinson who both shot 393. The B grade High Gun went to G. Rea with a score of 373. D. Millen with a score of 376 took C grade.

## TUMUT GUN CLUB

Tumut Gun Club held its annual two day shoot over the weekend of the 9th & 10th of October. The shooters and visitors enjoyed two days of fierce competition. Shooters travelled from as far as Geelong, Batemans Bay, Bega, Braidwood, Boorowa, Canberra, Cooma, Cowra, Downside, Leeton, Queanbeyan, West Wyalong and as near as Gundagai, Tumbarumba and Batlow.

Saturdays conditions were perfect, sun shining, slight breeze, with conditions being so good we could expect some great scores.

Competition commenced with a 10 target eye opener with 23 shooters carding a possible. In event 2 a 25t Double Barrel Championship ten shooters qualified for a shoot off for the overall winner. S. Baron, I. Peacock, B. Rose, G. Sinclair, A. Guglielmo, W. Thatcher, F. Petriella, M. Casella, R. Blake and P. Lyons all shot 25/25. After some time there was only two shooters left R. Blake and B. Rose. These two shooters kept shooting up until B. Rose missed his 157th target leaving R. Blake the overall winner, great shooting Mr Blake.

Event 3 a 25t Pointscore C'ship saw a shorter shoot off with Tom Harris a local shooter defeating B. Rose and G. Sinclair for overall honours. Tom shot 96/96.

This year we tried something different, instead of having our usual night shoot we tried a calcutta night with all competitors very willing to compete and participate. 42 shooters were auctioned on the night, with big money going to many shooters from all grades. The night begun at the Wynyard Bistro, one of the many sponsors. After a great meal the auction commenced, with local estate agents Col Lucock and Robert Stubbs auctioning the shooters. Each shooter had their own form guide to add to the fun of the event. The calcutta was run in conjunction with the 50t Wynyard Hotel Double Barrel Championship. After the auction many of the competitors went home to enjoy the luxury of their motel rooms, but others enjoyed the hospitality of the Wynyard Hotel, another major sponsor.

Overall High Gun events 1 to 7, F. Petriella 207/215.

Sunday morning brought a great breakfast served at the club by the dedicated band of ladies, then when everyone had their fill, competition commenced at 9am. After a near perfect day the day before, the weather showed shooters it can be nice and then again freezing.

Event 4 a 10t Eye Opener after the calcutta night was a needed event.

Event 5 50t Wynyard Hotel Double Barrel Championship saw C. Brandon shoot the only possible, and M. Ehmsen collect \$402 for his purchase. All drawers of shooters should have already received their winnings, if not will in the near future. R. Dale was the only shooter to shoot the possible in Event 6 for an outright win in the 25t Eastern Riverina Single Barrel Championship. Event 7 was also won outright, R. Hain shot 20/20 from his handicap to take the trophy.

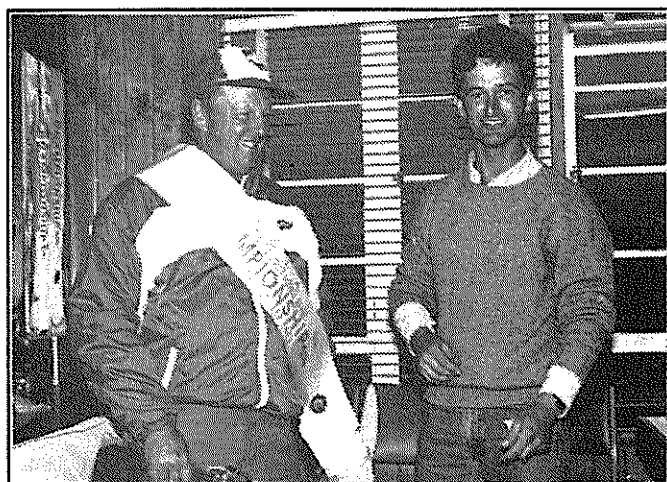

High Guns over the weekend went to: OA: F. Petriella 207/215; AA: T. Harris 218/227; A: R. Wright 204/215; B: C. Sinclair 196/215; C: D. Reidy 188/215; Ladies: V. Jurica 164/215.

Thanks to all sponsors, trappers, committee men and women, shooters and especially Robert Baker the Secretary whose dedication will never be matched.

Next year things will run a lot smoother and with luck the weather will hold out, just like it did this year. Full results may be found in the shoot report section.

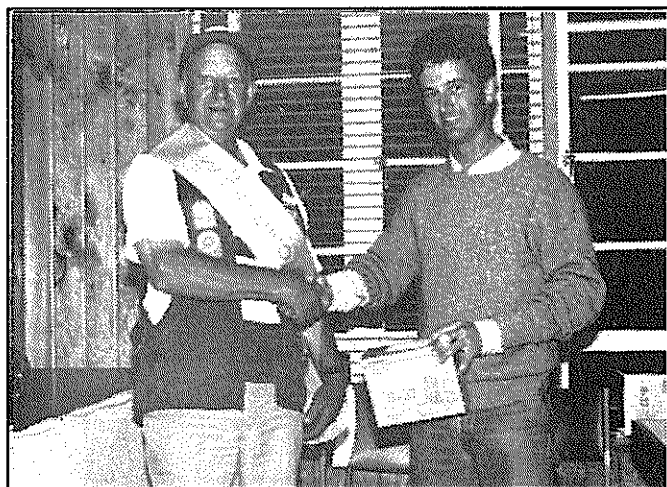

Chris Brandon, Overall winner, 50 target Wynyard Hotel Double Barrel Championship, presented by Andrew Knight, proprietor of the Wynyard Hotel and sponsor of the event, score 50/50.

Scott Baron, President, with R. Blake, Overall winner, 25 target Tumut District Double Barrel Championship, score 157/157.

R. Dale, Overall winner, 25 target Eastern Riverina Single Barrel Championship, presented by Scott Baron, President.

Scott Baron, President, presents Tom Harris the Overall winner of the 25 target Kurrajong Reserve Pointscore Championship, score 96/96.

R. Hain 20/20, 1st, 20 target Double Barrel Handicap Trophy, presented by Scott Baron, President.

## VALE

### **Kenneth Sydney Burton**

It is with deep regret that we acknowledge the passing of Ken (Nugget) Burton on 10 October 1993, aged 54 years.

Ken was a true gentleman of the sport of clay target shooting, and was held in high esteem by the shooting fraternity.

Ken, with his product, Kerang Ibis Traps Pty Ltd, was very involved in sponsorship of this sport throughout Australia, and he was always available to assist clubs in trap repairs and target setting.

To Faye and family we pass on our deepest sympathy, and to say that Ken will always be in our hearts and thoughts.

From committee, members and registered shooters of Victorian North West Zone.

**John McVitty & Pauline Clark**  
**President & Secretary NW Zone VCTA**

### **Gordon Edward Doblo**

Members and past members of the Bundaberg Gun Club were saddened by the sudden and untimely death of our fellow member and shooter.

Gordon Doblo passed away suddenly on Sunday 3rd October at the age of 50 after being bitten by a snake at his home.

Gordon served on the committee of the gun club from 1968 until he resigned in 1981. During this time he held positions of Vice Captain, Captain and President. President for five of these years, Gordon took these positions seriously.

He won the club High Guns for the years of 1969 and 1970 and club champion for the year of 1970.

In 1978 Gordon was elected as Vice President of the South Eastern Zone and was a referee examiner.

Gordon also in his earlier years held several Wide Bay boxing titles. Gordon will be sadly missed by his family, many friends and fellow shooters.

He is survived by his wife Sandra, daughters Natalie, Anita & Rachel and son Wade. Our sympathy to you all at this sad time.

**Bundaberg Gun Club**

### **Ernie Redman**

It is with great sadness and regret that the Inverell RSM Gun Club advise the passing of Ernie Redman.

Ernie Redman had been a continuous member of the Australian Clay Target Association for 55 years and also a member of the Inverell RSM Gun Club since its inception 24 years ago.

His shooting began in 1930 with live bird competition and he won his first major title of NSW Live Bird Champion in 1939 which he won again the following year in 1940. Since then Mr Redman shot his way through to win no fewer than 80 championships.

Another highlight of Mr Redman's shooting success was winning the inaugural Inverell RSM Sportsman of the Year award in 1981.

It has come to our attention that during the war years Mr Redman organised and ran several successful shoots to further help the war cause.

**Mark V. Fox**  
**Secretary, Inverell RSM GC**

## PETER SCHWARZ EARNS U.S. GUNSMITHING LAURELS

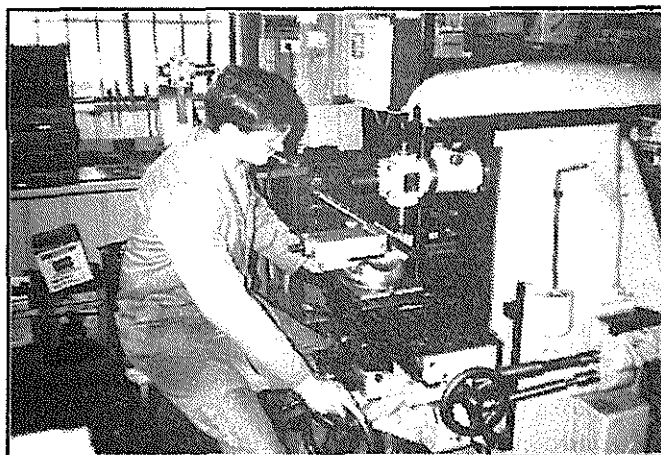

Peter Schwarz from 'Schwarz Gunsmithing' at Bannockburn near Geelong in Victoria has recently returned from a four month stay in the United States where he has successfully completed six certificate courses at the prestigious National Rifle Association (N.R.A.) Gunsmithing School in Colorado.

Peter, 25, has spent the last two years working fulltime in the family business as a gunsmith and previously having spent four years working part-time as he is also a fully qualified toolmaker having commenced his apprenticeship at 17. He has always had a passion for firearms which was enhanced more than a decade ago when his father Robert, left Winchester Australia to commence a firearms retailing and gunsmithing business. The latter part of the business has shown a steady improvement over the years and Peter's expertise as a toolmaker was called upon more and more to meet consumer demands, therefore when the opportunity arose to go to the U.S. to obtain some professional accreditations, something which is not available in Australia, Peter decided that it may be a once in a lifetime chance.

The gunsmithing program covered all general and remedial work on shotguns, rifles and pistols. Areas covered included bore and choke work, stocks, ribs, actions and recoil reducing work on shotguns; barrelling, actionwork, accurising and recoil reductions on rifles and actionwork and accurising handguns. In addition to the general work Peter enrolled in and successfully completed certificate courses in:

1. Firearms engraving.
2. Custom checkering.
3. Specialty tools, jigs and fixtures.
4. Custom blueing and parkerizing.
5. Custom revolver (action match etc).
6. Custom auto pistol (I.P.S.C.etc).

These certificate courses are only open to gunsmiths actually working in the trade and were advanced 'hands on' project courses with the student being passed or failed on a number of finished firearms. Working hours were from 7am to 5pm then 6pm to 9pm five days a week plus range and tunnel testing on weekends. The school has its own test tunnels plus an excellent shooting complex with trap, skeet, pistol and a 500 yard rifle range. The school boasted eight specialist instructors plus normal staff under the leadership of Harold Thomason. Harold's gunsmithing experience is legendary as he spent 30 years with the famous U.S. Army Marksmanship Unit at Fort Benning.

Peter Schwarz porting a semi-automatic barrel.

*Peter handling the delicate task of engraving the forend iron.*

Peter's father and his good friend Brant Chapman arrived in the U.S. for his graduation and presentation of certificates. They then drove more than 2,500 miles in a month across the country calling on a variety of custom gunsmiths and visiting major shoots. Two that really stood out were, the 'Masters' in Illinois and the 'Grand American' in Ohio. Whilst at the Masters, Peter worked with the 'on ground' master pistolsmith Bill Laughridge for three days. Robert did some Beretta warranty shotgun work and Brant tried his hand at pistol shooting. The Masters was a combination of pistol, rifle and shotgun shooting with upwards of U.S. \$30,000 of prize money and endorsements. At the Grand American Peter worked with on the ground gunsmith Doug Hubbard and spent some time with professional engraver Glen Kartliep.

The next time you happen to be at a shoot when the Schwarz's arrive and you see a very tall, slim, quiet man who normally lets his father do all the talking, go and ask him about any of your gun problems, because, at present, you will be talking to one of the few U.S. trained and accredited gunsmiths in the country. Peter can be contacted anytime on (052) 81 1203 and is more than happy to talk to you about any of your gun alterations or needs.

## MARYBOROUGH TID BITS, QLD

*By Lost Bird*

Merry Christmas and Happy New Year to all shooters and families and to those workers who look after the grounds, traps, buy the trophies, run the shoots, and keep the tucker up to the hungry shooters and all the other jobs, a special Merry Christmas.

I had a few phone calls regards our Moving Art Union 1st prize, being Kerang Ibis Auto DTL/Ball Trap. The calls were could shooters buy tickets, sure anyone can buy as many as you like. One caller would like to win it and set it up on the farm. Another would like to win it and donate it to his club (nice thought).

### Bundaberg — 10 October

This shoot would have been shot under a cloud of gloom, knowing they had just lost member and Past President Gorden Doblo.

Heart felt sympathy is extended to wife Sandra, daughters Natalie, Anita, Rachael and son Wade. Gorden will be missed by all.

If you didn't shoot a possible in A grade you didn't stand a chance with the following shooters just doing that. 25t Skeet SS Rob Rehbein; 25t Doubles CD Neil Berry; 25t SB Stafford Smith; 25t Hcp CD Gino Sergiacomi; 25t DB CD Ken Shaw, Neil Berry, Rod

Fett. Rod also took 3rd in the Hcp & 10pr DR with Rob Rehbein shooting all targets with another possible. Pedro took B grade 25t DB and 2nd in the handicap. Paul Andersen in B grade won the 25t SB & 10pr DR and in C grade Spencer Plath 'The Silent Achiever' taking all events 25t SB, 25t DB & 10pr DR. Neil Berry took the Overall HG with Spencer Plath the Front Marker HG. Bundy will be having a one day shoot on Sunday 2nd January with a 9am start, the shoot being The Charm City Championships . . . see CTSN.

### Gympie — 10 October

This shoot was Gympie's 100t Points Day with results of Overall and 1st in A grade Bill Stolberg, 2nd Glen Durre. B grade 1st George Foster, 2nd Dave Gardner. C grade won by Peter Bannister, runner up Sylvia Edgerton. Thanks to visitors Murray Eagle and Peter Bannister for coming. Sorry to hear about Vic Tipman's sons trouble with his broken arm, hope everything turns out ok very soon . . . best of luck Ben, get better soon.

### South East Zone C'ships — 9 & 10 October

Les Sidwell ventured down to Redcliffe and took off 30t Champion of Champions 18m in A grade, good shooting Les.

### Central Burnett Gun Club Presidents & Patrons Day

Local shooters to shoot well were Harry Walker shooting 1st President DB Trophy, and 2nd in Pts C grade with Mike Tipman in A grade taking 2nd in Presidents Trophy and 1st in the 25t DB. Apparently Pedro & Brad shot well, yet I couldn't get the details.

### Maryborough — 24 October

There couldn't have been better conditions for shooting. A perfect day Mike Tipman took A grade in SB, then went to sleep on his feet. George Foster was 1st in the Handicap and Di Shaw 2nd, both with possibles. In B grade Fred Sidwell took 15pr DR with Harry Walker taking C grade after a shoot off. Shooters to hog the day were Neil Berry OA & A 25t PS C'ship, 15pr DR and A HG. B grade was Norm Dale 25t SB, 25t PS, 3rd Hcp & B grade High Gun. In C grade Peter Pagliarino took 25t SB, 25t PS & C HG. Thanks to visitors George, Ike, Neil, Mike and Rod who won the meat tray. Thanks to the workers of our club for the years work, you did a good job. I have enjoyed another year of good shooting . . . losing some . . . wining some.

Dont forget our Moving Art Union, 1 chance in 250 \$100 ticket, for a 1st prize Kerang Ibis Auto DTL/Ball Trap valued at \$5,600 or take \$5,000 cash, anyone can buy tickets. Ticket forms in October CTSN, thanks to the replies we have had so far.

If you are still on your feet after New Years day, the shoot to be at is Bundaberg Charm City Championships on Sunday 2nd January at 9am.

Hope all shooters had another good year and look forward to a great 1994. Maryborough shoots 19th December, one week early for Christmas. Good shooting to all, til next time see you at the shoots.

## NOTICE TO ADVERTISERS

Clubs intending on advertising shoots being held very early in the month, are advised to advertise the details in an earlier edition to that of competition, to avoid disappointment of the material not reaching the reader in time.

Every effort is made by the office and printers to mail out our monthly magazine to arrive prior to or on the 1st of the month. This is not always a certainty as many factors are to be determined in reaching this deadline, some of which are beyond our control.

Early advertising will assist both your club and you the shooter.

# CHAMPION WOMEN SHOOTERS

By George Biggs, ACTA Historian

Maree Rooke of Wagga, NSW is one of Australia's small band of champion women trap and skeet shooters who regularly shoot National and International tournaments.

Maree tells how she took up shooting clay targets in 1980 after she got sick of being carted around to gun clubs with mum and dad. She decided that if she could not beat them she would have to join them, so this is what she did.

She relates how her father Barney Rooke put her through a course of how to handle the gun properly and how to hit the fast flying target. Maree's first competition shoot was March 1980 at a two day skeet program at Tamworth where she excelled, taking home several trophies.

Initially, Maree's first go was at trap shooting where she learned the basic skills from her father Barney, who was NSW State Coaching Director at that time. She goes on to say that dad was a hard taskmaster as a coach. Both dad and mum gave her a lot of support, tripping around to the many shoots. In 1983 Maree visited the first separate National Skeet Championships, where she says she found her niche, from then on she went full on with skeet shooting and gives her father full credit for his help and coaching.

Maree has many achievements, some of the best ones being: a member of the Womens 1991 ISU Skeet Team for the World Championships placed 19th, Womens ISU Skeet Oceanic Champion, runner up OA NZ National Sparrows.

Before the World Championships Maree was unsure of whether to shoot trench or ISU skeet. It took her a good twelve months to learn how to mount the gun properly without hurting herself, when she finally got it right she was keen to stick with skeet. It was a long 12 months, filled with frustration, pain, heartache, happiness and pleasure.

Being part of the 1st Womens ISU team for the 91 Championships was a wonderful, amazing and great experience (Maree was the only woman that actually shot the qualifying score for the team, the other women were all invited into the team). Maree learnt a lot in Perth where the championships were held, and feels along with the rest of the team, that they could have performed better. She comments that it was remarkable to see the perfection, training and coaching some of the other countries had, so in comparison, she was a happy/disappointed person (if that makes sense!).

Since that time Maree has married and her shooting has ceased, unfortunately it is very expensive and now she has new priorities. Maree married another shooter, which she says does not help financially, her husband being Jan Schuster. Remember Jan as the young 15 year old boy who won the Open Grand Australian Handicap in 1982 at Brisbane.

Whilst she is enjoying the break in shooting, both Maree and Jan intend to both return to shooting eventually. They are keeping an eye on what's happening around the traps. Imagine what great shots their children could be.

Highlights: '81-'82 at the age of 16 years Maree became the youngest shooter to win an open graded high gun award at the National Championships, this record was broken in 1987 by Michael Diamond aged 15 years.

Maree won her first National Skeet Ladies title at her second Nationals.

'83 High gunned the Ladies Overall at NSW State Championships. '84 NSW State Ladies Skeet Champion, NSW State Ladies Overall High Gun. National Ladies Skeet Team Member. '85 B grade winner NZ National Sparrows C'ship. Again made the National Ladies Skeet Team. '86 State Skeet C'ships: Ladies Champion and Ladies High Gun, Member of both the

Maree Schuster (Rooke), 1991 World Championships, Perth, WA.

State Open and Ladies Skeet Teams. Victorian Ladies Skeet High Gunner. National Skeet Ladies High Gun. '86 Personal best achievement was in NZ where Maree was runner up to John Woolley, a NZ dual Commonwealth Games Gold medallist, in the NZ National Sparrows C'ship. This year Maree again took out the National Skeet Ladies HG. Was a member of the Glenn Cup team. A finalist in the 2WG Sportstar of the Year Award. '88 NSW State Ladies Skeet HG. Qualified in the State Open Skeet Team. Won the ladies section of the Commonwealth Skeet C'ship and again high gunned the ladies section of the series. '89 Again takes out the State and National Ladies Skeet High Guns. Wins the ladies section of the National ISU Skeet Championship. Won both the Ladies Victorian and National Skeet Doubles Titles. '90 NSW State ISU Skeet Ladies Champion. Victorian State Skeet Lady Champion and series Ladies High Gun. Qld State Skeet Doubles Champion (open). Qld Ladies Skeet High Gun. National Skeet Ladies High Gun, won ladies section of all four events. Glenn Cup winning team member. '91 NSW ISU Skeet Championship ladies winner and open runner up. Open member of State ISU Skeet Team and Training Squad. National ISU Skeet Ladies Champion. Member of Oceania ISU Skeet Ladies Team. Ladies (individual) Gold Medal ISU Skeet at Oceania competition. Member of Womens ISU Skeet World Championships Team.

## Australian Clay Target Association CLOTH BADGES

Embroidered cloth badges in the same coloured design as the ACTA badge as depicted on the front cover of the CTSN are available through the National Office at \$5.50 each including postage.

Enclosed is my payment of \$\_\_\_\_\_ for \_\_\_\_\_ badge(s) at \$5.50 each including postage.

Please forward to:

NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

\_\_\_\_\_ P/CODE: \_\_\_\_\_

ACTA, PO Box 557, Mt Waverley, Vic. 3149

## SEBASTOPOL GUN CLUB

Seventy-eight shooters from most parts of Victoria contested six events at Sebastopol Gun Club's major shoot for the year held on September 11. Two state titles were up for grabs and the locals dominated most events in driving wind, rain and cold conditions. Over \$1,000 in trophies and cash were well shared around.

Results: Event 1: 5t PS EO CD: 7 possibles.

Event 2. Victorian State DB Tower C'ship: OA: P. Stowe 71/71; AA: D. Paterson 64/65, 2nd A. James 68/69; A: N. Paterson 70/71, 2nd K. Fisher 76/77; B: K. Tregea 75/76, 2nd G. Elliot 74/76; C: J. Boland 66/67, 2nd G. Douglas 65/67.

Event 3. 25t Points C'ship: OA: G. Menhennet 80/80; A: P. Britten 79/80; B: G. Douglas 73/75; C: M. Reams 73/75.

Event 4. 25t DB C'ship: OA: G. Mark 95/95; A: B. Iles 94/95; B: C. Bennett 35/36; C: A. Boyd 22/25.

Event 5. 10t PS EO CD: 3 possibles.

Event 6. 75t Victorian State Night Champion of Champions: OA: B. Iles 119/125; AA: G. Mark 118/125, 2nd B. Godfrey 116/125; A: C. South 116/125, 2nd N. Cracknell 106/125; B: B. Hayes 115/125, 2nd I. Stark 108/125; C: M. Reams 108/125, 2nd G. Rigney 103/125.

Overall High Gun Events 1-6: Geoff Mark 310/330.

The club heartily thanks those shooters who travelled so far to make it a great day.

Daytime winners from left: Graeme Menhennet (Points), Phil Stowe (State Tower), Geoff Mark (Double Barrel), all from Sebastopol.

The happy night winners, State Champion of Champions from left: Craig Souta (A grade), Bill Iles (Overall), Mark Reams (C grade), Brendan Hayes (B grade) and Geoff Mark (AA and High Gun).

## NEW ZEALAND NATIONALS 1994

Package deals are now available through the ACTA office for the 1994 New Zealand Nationals. These deals range between \$815 and \$930. Your trip will include return trans tasman airfares to Christchurch and 10 nights accommodation inclusive. Optional hire car or coach transfers will be arranged if required. Additional benefits are available for group bookings. Prices are subject to increase due to currency fluctuations, airline/hotel increases. For further information, contact Gina at the National office.

No fuss — take this opportunity to have your trip arranged for you!

## PROPOSED RULE CHANGES

### *Don't say "We were not asked"*

The National Executive as a result of numerous complaints from shooters are contemplating some rule changes. The major complaints at this time centre around Handicaps and Grading.

It is the intention of your Executive to review rules until such time as they are accepted by shooters, in other words, until we have it right.

The proposed changes are now put for comment by State Associations, and the individual shooter. In the past shooters have complained that they have not been afforded the opportunity to have input. With this in mind we are asking for comments to reach the A.C.T.A. office no later than **28th February 1994**.

### Handicap

Return to twenty-five (25) metres. All shooters will remain on their current handicap mark until an overall win (1 metre penalty) or on completion of 200 targets (1 metre forward).

Minimum handicap marks tied to grades will remain.

- i.e. C grade — 11 metres.
- B grade — 16 metres.
- A grade — 18 metres.
- AA grade — 20 metres.

On winning overall in a handicap event, the shooter will be penalised 1 metre.

If a shooter shoots 200 targets handicap without penalty they may come forward 1 metre until they reach the minimum mark applicable to their grade.

All handicaps must be shot to finality to decide an overall winner.

### Grade Classification

A shooter may be downgraded on shooting 800 targets at a percentage lower than his/her grade. A shooter can only come down 1 grade each 800 targets. i.e. Four (4) brackets of 200 targets at the lesser percentage.

A shooter will still be upgraded on the compilation of 200 targets at a higher percentage.

The compilation of 800 targets will be ongoing. i.e. If a shooter fails to shoot 800 targets in any one year, they will be carried forward.

Calendar year will no longer effect downgrading or handicap.

# GLADSTONE GUN CLUB

The Gladstone Gun Club's combined 'Back to Calliope' shoot and Charity shoot weekend was a great success despite the most inclement weather.

A total of over twenty past members and fifty novices joined present members and visiting shooters to compete for a magnificent array of prizes and many shoot offs were required to decide the winners.

The intense competition ensured a wide distribution of prizes and the ability of many of the past members was a feature of the weekend. The winners list on Saturday included Bill Richardson, Jim Elliot, John Cush, Bill Scarborough and Bruce Mackay.

The I.C.I. sponsored Double Rise Championship was won by Neil Berry from Bundaberg with locals, father and son, Brian & Steve Arnold taking out B & C grade respectively.

On Sunday, Bill Scarborough showed his class by winning both events after shoot offs and Neil Berry won the Dick Burns High Gun trophy. John Cush won the past members High Gun and Gay Burns from Springsure won the Ladies High Gun.

The highlight of the weekend was the Novices Team Shoot with most interest centred on the challenge match between the Gladstone City Council 'Gladiators' and the Calliope Shire 'Crushers'.

The Gladstone Gladiators showed good form in the early warm up event with team member Inspector Wayne Browning winning an individual trophy, but the tables were turned in the main teams shoot with the Calliope Crushers easily achieving victory.

Calliope Shire Chairman Elizabeth Cunningham eagerly accepted the winners trophies presented by Gladstone Mayor Col Brown, who assured the spectators that the result would be very different at the next meet.

The overall teams winner was the 'Sam Bucca' team entered by the Gladstone Apex Club, whose shooting improved dramatically after the first event, thus enabling them to snatch victory.

Following the trophy presentations, the Gladstone Clay Target Association President, Andrew Gregory, presented a cheque for the sum of \$1,000 to Mayor Col Brown as proceeds from the shoot for the Gladstone & District Sports Foundation.

The great success of the weekend has convinced the Gladstone Gun Club to confirm that this will become an annual event. The date for the next charity competition has already been selected as October 30, 1994, so teams have plenty of time to prepare.

The club also advises that their 1993 Christmas Shoot will be held on Sunday 28 November, at their grounds in Boys Road, just south of the Glen Eden turnoff. The Christmas Shoot will be open to non members and anyone interested should contact Club Secretary, Laurie Chelepy, on (079) 79 1475.

## NEWMAN GUN CLUB

### **Memo: October 16 & 17 — Newman 2 day Campers Carnival — Must Attend.**

Kept 'memo' promises by shooters and families were more than rewarded by north west Pilbara hospitality. Shooting seemed to set second preference to full tummies of delicious delicacies, sun baking, and viewing famous Pilbara sunsets (sunrises for the keen ones).

Our club grounds are looking at its absolute premium "Best I've ever seen it", Mick Watson President of WACTA from Geraldton says. (Not an easy feat to achieve considering our arid environment).

Our eight event program was well attended with 50 shooters from all corners of the state. Event 7 the State 30t Single Barrel Tower C'ship was won truly amazingly by Roeburne's Steve Treweek.

Major Results (full see shoot report section): 50T DB: OA & A: L. Shipp 65/65; B: P. Miragliola 49/50; C: R. Allison 57/58. 25T DB C'SHIP: OA: G. Kelly 117/117; A: T. Stingel 74/75; B: M. Urquart 114/117; C: T. Maloney 74/75. 25T SB C'SHIP: OA: M. Boschetti 29/29; A: G. Kelly 28/29; B: D. Allan 27/29; C: L. Watson 23/26. 25T HANDICAP: OA: T. Stingel 32/32; 11-15M: R. Ayton 30/30; 16-18M: P. McGowan 25/25; 19-22M: M. Boschetti 24/25. 30T STATE SB TOWER C'SHIP: 1st s. Treweek 29/30, 2nd P. Robson 29/31, 3rd D. Hilsz 28/31. 20T DD C'SHIP: 1st B. Williams & T. Stingel 22/23, 2nd T. Moore & M. Urquhart 21/23. HG: OA: T. Stingel; Ladies: N. Simmons; Jnr: B. Johnson.

To promote the sport of clay target shooting in our Pilbara region, Dennis Priestly SSAA/ACTA, Port Hedland has these few kind words:

*"Sunday 17th October is a day that Mr Steven Treweek of Roeburne and District Pistol and Rifle Association, and also a member of Hedland Sporting Shooters Club Inc will not forget for a long time.*

*During an inter-club shotgun shoot at Wickham, in the north west of Western Australia on 25 September, Steven was informed of the Newman Gun Club's two day shooting carnival over the weekend of October 16 & 17. Four members of his clubs shotgun discipline joined the Hedland Sporting Shooters Club Inc so that they would also join ACTA/WACTA to shoot at Newman.*

*HSSC Inc is one of four new WACTA clubs to come on stream during 1993. Basically a SSAA, multi-discipline shooting club, the HSSC Inc intent on affiliating with ACTA/WACTA was to promote the sport of clay target shooting in the north west of WA*

*The club further wanted to provide for those shooters from the now defunct Koolan Island GC, as well as those members of the Shay Gap GC who will be relocated to Port Hedland later in 1993.*

*Hence a resolve to partake in the Newman carnival. HSSC Inc members travelled to Newman and for those of us shooting at this level of competition for the first time we were made to feel at home immediately, by the host club and by intrastate shooters.*

*We appreciated the tuition and encouragement given by Peter Robson, Tony Stingel, John McCoy, Dean Wyber, Paul McGowan and of the Newman Gun Club, along with Mick Watson, Lex Shipp, Gary Kelly and others from southern area gun clubs.*

*The culmination of the weekend strengthened desire to try and emulate the Newman complex, at Port Hedland in the not too distant future. With confirmed activities such as a promise from Dean Wyber, Alan McHattie and others to try and come to Port Hedland for a shoot with us, as well as confirmation from Robert Mosel, State Coaching Co-ordinator that Mick Watson (and the lovely Leslie) will hold a coaching clinic at Hedland February 26 & 27, 1994, how can we not benefit. Finally congratulations to Steven Treweek for his win this his inaugural State Title Tower Shoot.*

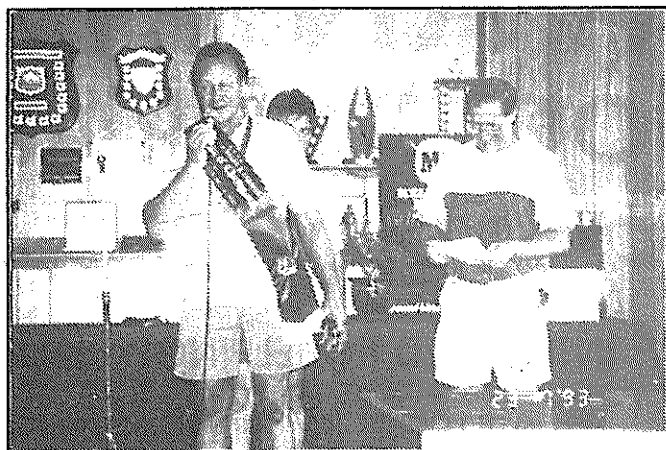

Special thanks: Active helping' Newman Gun Club members, catering ladies, Dennis Priestly, Alan (Mick) Watson WACTA, generous sponsors and all shooters who come all this way.

### **Memo: October 1994 — Newman 2 day Campers Shooting Carnival — Newman heart of the Pilbara!**

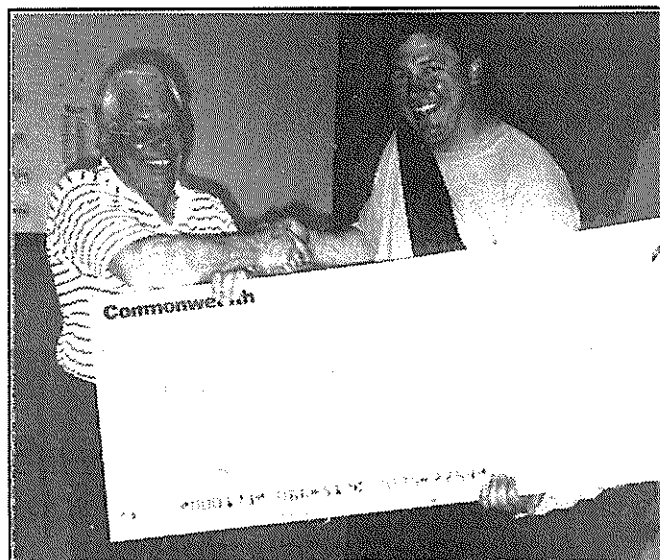

# GUN CLUB SNAPS

Darwin Gun Club annual shoot: John Yanko, Overall High Gun winner.

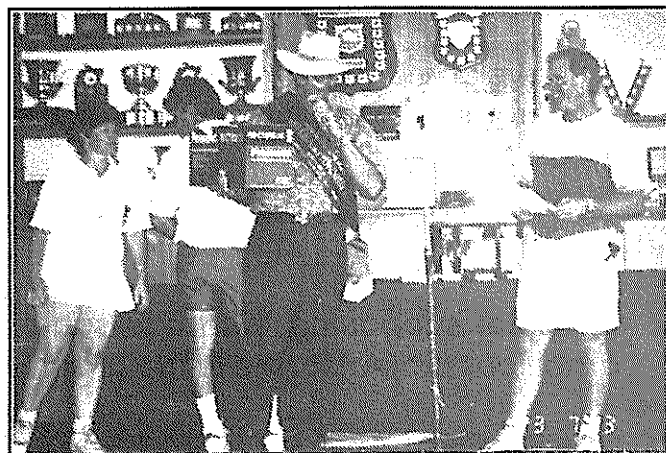

North West Zone Carnival, Jeparit: High Gun winner, David Nielsen with Zone President, J. McVitty.

Darwin Gun Club annual shoot: Matt Chan, Junior High Gun winner.

North West Zone Carnival, Jeparit: Double Barrel winners 1 to 7: A. Bolwell, M. Crammins, J. McVitty (President), G. Mark, P. Clark, B. Rafferty, D. Harris and W. Mann.

Darwin Gun Club annual shoot: Ron Smith 50t Sound Spectrum winner.

North West Zone Carnival, Jeparit: Single Barrel winners 1 to 5: D. Hallan, B. Carter, B. Jennings, D. Nielsen, D. Signoretto and R. Black.

# **WANTED**

## **5,000 SHOOTERS OR ASS**

### *Can you spare \$1*

*Would you like to be part of the development of an exciting sports National Headquarters and a member of an exclusive club?*

*A club started for Sportspeople by Sportspeople?*

*A club where, for the price of a newspaper each day for only three years you will enjoy special privileges for life?*

*Do you enjoy Trap or Skeet Shooting?*

*Perhaps a game of Golf or Tennis?*

*Would you rather relax in the Pool?*

*Cycling interests you?  
Didn't bring your bike?  
Use one of ours . . .*

*BBQ lunch in the park areas or a meal in the Motel Restaurant?*

*Maybe a sandwich in the privacy of your cabin?*

#### **INTERESTED IN HELPING?**

The Australian Clay Target Association is currently seeking financial support from interested persons to assist in the establishment of a National Ground.

The complex is to be the site of the Associations National Office, and will be the venue for all future National Titles.

It is intended to establish the complex as a Multi-User recreation and Sports Facility on a minimum 1,000 acres of land on the NSW Mid North Coast.

Development is envisaged in four stages.

1. Purchase of Land
2. Facilities to handle National Titles in all Disciplines and house the ACTA National Office, Meeting Rooms and Trade Sites.
3. Development of diversified camping and permanent Accommodation facilities.
4. Provision of a wide range of recreational facilities for use by members of the ACTA and the general public.

**Consider supporting this large scale and ambitious project for the future of our Sport.**

Gold Card Membership is available at the cost of \$30.00 a month payable for 36 equal instalments.

# URGENTLY

## OCIATES WITH FORESIGHT

### *a day for 3 years?*

Proposals to establish a National Grounds for the ACTA have been discussed for more than 30 years.

Successive Executives have been criticised for lack of action on this issue.

Shooters now have an Executive committed to the idea of a National Headquarters. We need your support, both moral and financial to proceed.

### THIS IS YOUR OPPORTUNITY TO BE INVOLVED.

Consideration has been given to the following aspects:

- Central to large numbers of shooters.
- Sufficient area to protect against noise and pollution problems.
- Preferably highly exposed to public.
- Suitable site for National Office.
- Provide a temperate climate and a variety of tourist destinations.
- Close to major population centre.
- Well serviced Airport.
- Good quality cheap water supply.

- Power available at reasonable cost.
- Good background.
- Suitable for other income producing activity.
- Soil type suitable to good foundations.
- Not be over a water catchment area.

Further we believe that Real Estate purchased must be a good investment in its own right. In view of the above considerations, land in the Port Macquarie-Taree area is currently under consideration. As an example only — the 3,200 acre "Winstead" block with deep water access to Port Macquarie, 40 acre ski dam, running up to 800 cattle, light airstrip, fresh and saltwater fishing on 28 separate titles is currently for sale at \$900,000.

Completing the enclosed Support Statement, not only helps guarantee the future of your sport, but will also lift its profile to levels never before imagined, and involves you directly in the biggest step ever taken by the Australian Clay Target Association.

Please return the Statement to the  
ACTA National Office  
PO Box 557, Mt Waverley, Vic 3149

Platinum Card Membership is available at a one off cost of \$5,000.00.

Platinum card memberships are transferable to next of kin and also have naming rights attached i.e. a facility or room. Varying discounts on accommodation etc will apply to card holders.

# GUN REVIEW: FRANCHI DOMINATOR SKEET

By John McDougall

## Franchi's Dominator Skeet Gun

Luigi Franchi S.p.A. has over 120 years of technology and tradition behind its gunmaking works. They make shotguns, pistols and special purpose firearms for the services. Much of their barrel making has been perfected over many years of experience and their subsequent international reputation is attributed to the excellent materials they have utilized from their own mining interests in Europe. Many of their earlier guns combined the strength of designs from such famous gunmakers as Greener, Holland & Holland and Boss locking mechanisms with exquisite, unmatched engraving from master Italian craftsmen. The tradition of Franchi to aspire to greater heights of technological advancement with their shotgun design and development has continued — the Dominator skeet gun on review, is no exception.

## Appearance

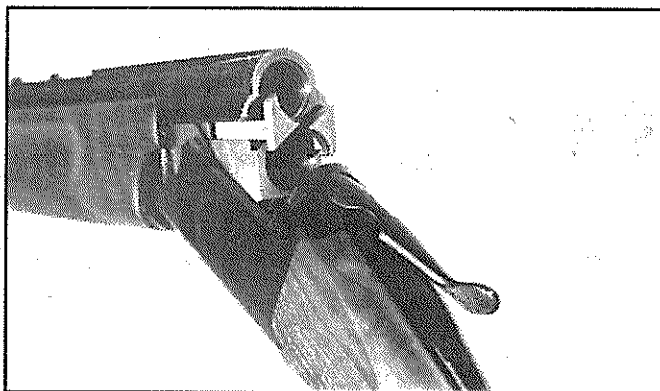

The sample 'Dominator' skeet was well presented with a deep, lustrous blued finish and dark, honey coloured walnut woodwork. It came packed in its own high density, moulded plastic case, complete with combination lock and steel latches. Although the gun was quite plain at first glance, especially when compared with a field gun or sporter, its lines were stylish and endowed a presence which suggested the gun was well made. There was no gold trigger or ornate relief engraving on the receiver, in fact, the gun looked quite unobtrusive. Had it been on the wall of a gun shop I might not have even given it a second glance! It's indeed a shame that a little more attention wasn't given to the Dominator's appearance for, as we shall find, the price of the gun is a reflection of its quality of workmanship and handling and not its appearance!

## The Barrels

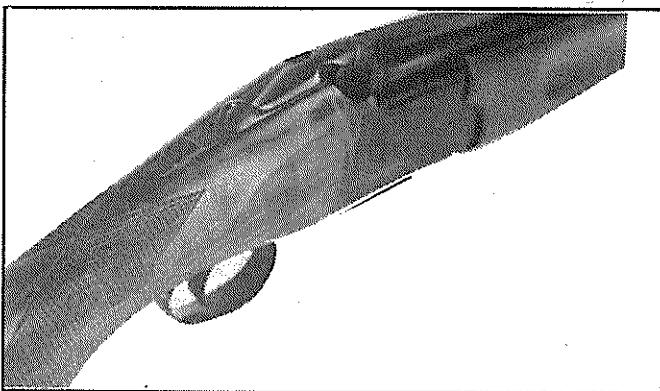

These were 710mm, (28 inches), in length and weighed 1.400kg. They were finished in a magnificent even, deeply blued finish and were well polished to a lustrous sheen. Proof markings indicated the bore was 18.5 (.7283") in diameter whilst the chokes were measured at an identical .745". The bottom barrel was marked SKT 1 and the top, SKT 2. The choke measurements were well in excess of what is generally accepted as skeet, at .725 - .727". This was due to Franchi's own method of retro-choking — a method adopted to quickly remove the wad from the shot column upon its exit from the muzzle — so pellets can spread more at closer distances. The barrel gauge indicated the chokes to be 1½" in length, rather short chokes for any type of gun, other than a skeet gun with retro-choking. This was obviously the type of choke construction considered best by Franchi.

A 10mm, parallel ventilated rib was attached to the top of the barrels. This was 6.5mm in height, file cut for a non-glare finish and complemented with a single, drum-type, fluorescent foresight fitted 13mm from the muzzle. The barrels were joined at the mono-bloc and then for 70mm at the muzzle. There were no side ribs, as such. The barrels pivoted upon an under hook which was formed by two separated forward lumps, being part of the mono-bloc. Two one-piece lumps with trapezoid bites formed the basis for the locking mechanism. The bolt loop on the under barrel, for the forend, was quite substantial and held the forend firmly to the barrels when the gun was assembled and also when it was taken down.

Two piece ejectors were fitted, each being selective upon firing. It was a little disappointing to see a gun of such quality not finished with more panache. A jewelled finish on the ejectors, or at least the sides of the monobloc, I believe, would have added more to the gun's appearance and assured the purchaser they were getting more than they had paid for!

*The top lever is well designed and its length perfect for breaking open the breech.*

*The hand-cut checking was well designed and at 22 lines/inch also very practical.*

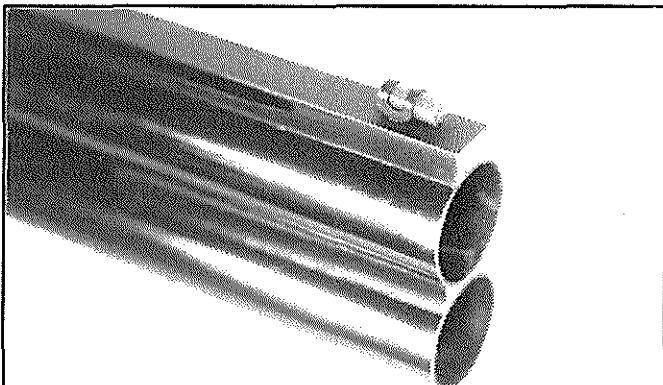

## The Receiver

The receiver is the only part of the Dominator which Franchi have cosmetically addressed. The scroll, gold inlaid engraving of the gun's name, (on the right hand side only), is very tasteful. It is dutifully accompanied with a minimum of scroll engraving on the side of the receiver and the area covering the hinge pin.

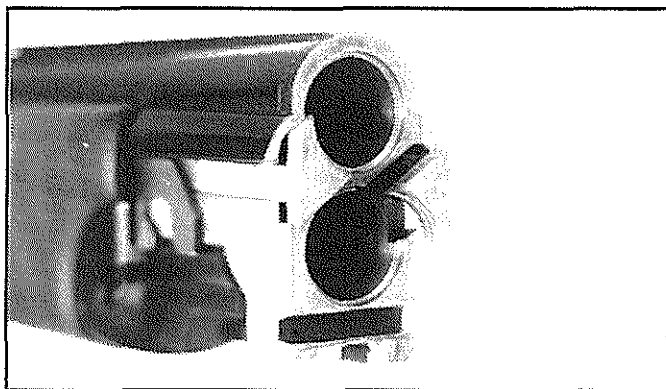

The locking of the receiver relies upon a hinge pin/hook and rearward bite/bottom slide. This basic type of action was designed by John Browning and is similar to many modern under and over firearms. The hinge pin itself was a little over 8mm in diameter and traversed the width of the receiver floor. With the jointing of the gun beneath the barrels this gave the receiver profile a little more height than found with most Italian under and over shotguns. It is, however, the same time-proven method used by Franchi to establish their reputation as makers of fine guns.

The trigger guard was very well shaped and finished with its profiled, smooth edges. The trigger was nicely designed but I couldn't help feeling how much better the gun would look if the trigger was gold plated. Purely a cosmetic preference! Setting of the externally non-adjustable trigger was extremely crisp and smooth, with trigger pulls between 3 and 3¼ pound for both barrels. A mechanical, boxlock trigger mechanism was utilised, in preference to an inertia mechanism principally used by other gunmakers. This has apparently been adopted by Franchi in their under and over guns for some time and is an area where the Dominator excelled in its performance. The top lever was well designed with smooth lines and a cross hatched pattern on the thumb bearing surface to facilitate positive opening. An engraved pattern, totally incongruent to other engraving found on the gun, was completed on the top of the opening lever, where it mated with the uppermost part of the receiver. A tang mounted safety, located just below the top lever, was practical in design and positively locked in the 'fire' and 'safe' positions. As the

*The sight used was of a red, fluorescent colour. The rib was file cut to prevent glare.*

*Jewell polishing around the breech and ejectors would have been a cosmetic improvement. Note the solid rear lump and its trapezoid bite.*

Dominator is a skeet gun, there was no barrel selector installed — a practise adopted by most skeet gun manufacturers.

### The Stock and Forend

Walnut used for the stock and forend matched very well, the two pieces of wood were obviously from the same blank. The colour was of a dark honey with dark twirls of grain colouring throughout. The grain of the standard stock ran parallel to the barrels and across the pistol grip. This ensured the utmost of strength. Checkering on the pistol grip and forend was around 22 lines per inch with the design being quite basic, but very functional. The stock was fitted with an English-style Franchi 'slip' pad which was attached by two Phillips head screws. The 'slip pad' is favoured to conventional pads, especially when the gun is not pre-mounted to the shoulder, as is the case with UIT Skeet and Sporting Clays. The plastic uppermost edge of the pad enables the butt to pass uninterrupted over clothing.

The stock configuration suited me well. Drop at comb was 35mm, (1 $\frac{3}{8}$ " ), drop at heel 55mm, (2 $\frac{3}{16}$ " ), and the stock length was 14 $\frac{3}{8}$ ". There was a slight cast-off which measured between 1 $\frac{1}{2}$  and 3 degrees. The pistol grip was comfortable and without a palm swell or butt plate. Although I prefer a palm swell for greater control whilst shooting this is often difficult to incorporate on a production firearm, for shooters' hand sizes vary so much.

The forend was nicely finished with similar hand-cut checkering as found on the stock. It was of a trap type with large flutes provided above its belly for comfortable finger grip. The forend locking latch was firm, convenient to open and snapped positively back into place. It laid flush with the forend mechanism when the gun was assembled.

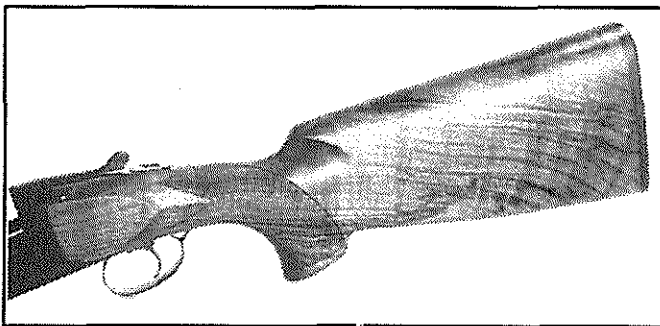

### Performance and Summary

The Franchi Dominator skeet gun performed very well in the field tests. During the many rounds of skeet shot during assessment

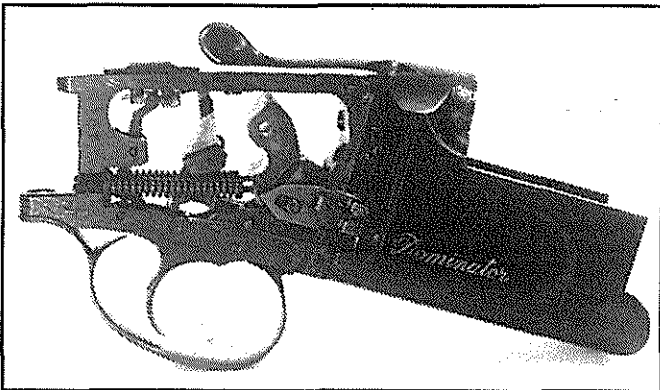

the Dominator felt better and better as shooting progressed. The balance of the gun was, despite the pivot point being 23mm behind the hinge pin, quite comfortable and allowed for quick pointing of fast flying targets. It handled 28 gram, 1250 fps Winchester skeet loads particular well with a minimum of recoil. A change to a heavier 34 gram load of size 8 shot was also tested for the benefit of simulated field shooters who might enjoy shooting a skeet gun. The heavier, higher velocity loads were noticeable, with respect to recoil, but not to an uncomfortable extent. A change back to the lighter 28 gram loads was welcomed for the remainder of the evaluation.

For the pattern testing of the gun I reserved the standard evaluation at 40 yards into a 30" circle. Instead the gun was evaluated at 25 yards with the pattern assessed for spread and evenness of pellet distribution — since this is the distance at which many skeet targets are shot. The results showed that pellets were very evenly and well distributed, covering an area of 40" at 25 yards. This reinforced my opinion of the gun for targets shot with the Dominator during evaluation were smashed to pieces at all skeet stations and 'smoked' at stations 7 and 8, from both the high and low houses. The Dominator was a very lively performer and enabled me to 'get onto' targets quickly from my 'gun down' shooting position. The 28 gram loads were delightful to shoot through the Dominator, its overall weight of 3.45kg, (7lb 8oz), obviously reduced the affects of recoil. Franchi had obviously designed the Dominator well to perform outstandingly in the competition field. It was certainly a pleasure to shoot.

My only criticisms of the gun related to the cosmetics. I think that with a gold trigger, 'Dominator' engraved on both sides and 'Skeet' engraved on the bottom of the trigger guard, the Franchi 'Dominator' Skeet gun would be far more appealing to the eye. Afterall, for a price around AUS\$2,700, many shooters would, in my opinion, not only like to own a gun they shoot well with but also enjoy a gun which moreso looks the part too! The Franchi 'Dominator' skeet gun is distributed in Australia by Fuller Firearms Group, P.O. Box 77, Beaconsfield, NSW 2014. Ph. (02) 662 2333.

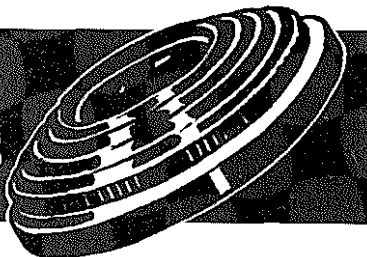

*The grain in the stock was quite attractive and carried through the gun to provide the grip with the utmost of strength. The pistol grip was well shaped and very comfortable.*

*Franchi's boxlock mechanism on the 'Dominator' skeet was faultless and well made. The trigger pulls of both barrels were excellent.*
