## Progress?

Recently I was fortunate to be given a copy of Gun Clubs' Association of Victoria Annual Calendar, dated January 1922. It is a 66 page booklet, which one could say was the very forerunner to our current Clay Target Shooting News. It has some very interesting reading, some of which I believe is worthy of noting.

### Registration of Competitors

*This shows a falling off of 174, compared with the previous year, the totals being 893 for 1921, as against 1,067 for 1920, 990 for 1919, and 716 for 1918. Owing to the prevailing depression, many others not coming in till October have been credited to the incoming year.*

Sound familiar ??? The booklet lists 'Remarkable Performances', some worthy of noting under the heading 'Clay Bird Shooting':

*50 hits in succession (unfinished break) use two barrels, Allan Banfield, 18 and 20 yards, Melbourne Gun Club, December 18, 1915.*

*30 hits in succession, use two barrels, P.F. Miller, 18 yards, Melbourne Gun Club, October 20th, 1914.*

Wonder what the unfinished break will be at Melbourne Gun Club in the National Double Barrel on March 26th, 1995?

And finally if you are wondering why your performance has not been up to scratch perhaps the following advice from the magazine may be worth noting.

### Indulgence

*There is no doubt that some of our best shots exist in such a way as to keep themselves in excellent form, and if they find such a course advisable, how much more necessary is it to a second rate performer.*

*Some men may possess the iron constitution which enables them to take any liberty and not suffer for it, but the ordinary individual who desires to shoot well on every occasion cannot afford to do that. He should see that he obtains the regulation amount of sleep, avoid a too free indulgence in rich food, alcoholic drinks, strong tea, and tobacco, and should never allow a shooting meeting to be an excuse for undue conviviality. This is the real cause of a good deal of bad form.*

I guess we have come a long way in the last 73 years !!!

## The future of shooting

Whilst it is interesting to look back, our most challenging time is in the immediate, and in the future.

There is no doubt that the future of shooting in its present form in international, national, state and local competition is under a serious threat. The governing bodies of Olympic and

Commonwealth Games would not in the least worry if shooting was to be removed from their events.

We must continue to improve the standard of our sport to a position where we are recognised internationally as the ones to beat.

International competition is essential to the very existence of our smallest club. Our funding is governed by our performance world wide, and also by the standards and methods of coaching we adopt.

It therefore stands to reason that each state must support each other state in all disciplines of shooting, and each discipline must support other disciplines.

At the present, shotgunning is the shooting discipline in Australia that is producing the goods internationally and we must see that this continues.

Our national shooting bodies are fully aware of this current situation and should be supporting us to the fullest, but are they?

It seems each are quite content to go their own way, and that within our governing bodies are people there solely for what they can get out of it, not what is best for the competitors and shooting. I believe that if a team is travelling overseas, or for that matter competing in Australia in an international event, then either the team coach or the team manager must come from the discipline with the largest number of members, if we are to get the best from the team. This should go without saying if the team consists of only members from a particular discipline.

## ACTA Sporting Clays Nationals/Rules

In reply to many inquiries, it is intended to run an ACTA Sporting Clays Nationals again, jointly with the Sporting Shooters Association of Australia, later in the year in Victoria.

We will shortly be issuing the rules governing the running of ACTA Sporting Clays and can only apologise for the delay in announcing a date for the Nationals, and in publishing the rules.

## New Customs Forms

All shooters re-entering Australia are now to have in their possession a Customs Permit No. B709. These forms are issued by the relevant Police Firearms Registry and are not available from the ACTA Office.

As each states requirements vary, a comprehensive listing, detailing contact telephone numbers, waiting times, etc. has been prepared and can be found on page 15 of this issue.

It should be remembered that, if for example you are a Victorian shooter who is re-entering the country in Sydney, you will have to apply to the NSW Registry for this permit.

## ACTA and Field & Game Team Shoot

An inaugural teams challenge shoot between the ACTA and Field & Game will be held at the Melbourne Gun Club on Saturday 8th April, 1995.

The number of shooters for each team will be decided by the association with the least number of representatives present, i.e. if the ACTA has 52 members and the Field & Game 60, the teams will consist of 52 members from each.

The event consists of 50 targets Skeet, 25 targets ACTA Sporting and 25 targets Double Barrel.

## AUCKLAND, NEW ZEALAND

*By Graham Michell, Team Manager*

This was one of the largest contingents of shooters and officials to represent the A.C.T.A. at an international competition, comprising of Manager, Coaches (Col Burt and Fred Schmetzer), 2 members of the Jury (Peter Strike and Brian Prosser) and 35 shooters, 19 shooting UIT and the balance shooting DTL and Skeet.

Members of our group started departing from Australia on February 1st, with the last group flying out on February 7th. The actual games beginning on the 4th February and finishing on the 10th February.

### Thursday 2nd February

A 4.00am departure from my home in Murray Bridge to the Adelaide airport saw me flying off to Sydney where I met up with Col Burt and Fred Schmetzer. Our flight to Auckland was delayed by 1 hour and we finally arrived in New Zealand at 5.30pm. Picked up one of our 2 mini buses (8 seater Toyota) and with Fred navigating, we headed for O'Rourke Hall at the University Campus. A few wrong turns saw us finally arrive at 6.45pm.

Our accommodation at O'Rourke Hall consisted of rooms of varying sizes with 1 bed per room. There was no airconditioning which left some rooms quite stuffy. Some rooms had balconies with sliding doors overlooking one of the main streets. The area was very noisy, especially in the early hours from garbage trucks and night clubs that were in the vicinity. There were 5 rooms to a block, with communal toilet and shower. The majority of the Australian Team were on the 5th floor, each floor containing a large 'common' room, a kitchen with tea/coffee making facilities, etc. and a laundry. The dining room proved to be a 'typical canteen' with pretty ordinary food.

Thursday evening, after booking in, Col, Fred and I had a rushed dinner as Col and I had to attend a technical meeting at 7.30pm. While Fred had to go back to the airport with one of the 'Officials' to pick up 7 in-coming shooters, and to assist with them getting their guns through customs, with the 'Official' then having to transport their guns to the armoury, leaving Fred to come back with the shooters and the 2nd mini bus.

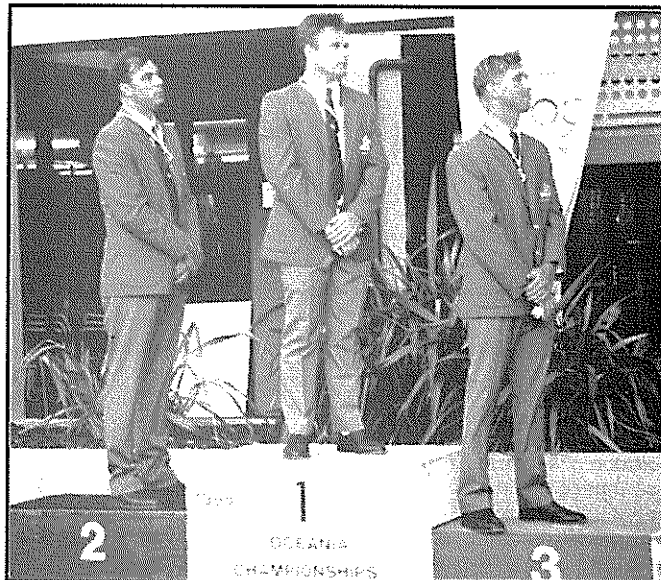

A few surprise rule changes at the technical meeting, and rule clarifications, seemed to sort themselves out to our satisfaction over the next 2 days. Following the meeting, I had one last trip to the airport for another 5 shooters who were flying in at 11.15pm, another hour getting their guns through customs and we finally fell into bed around 1.00am.

### Friday 3rd February

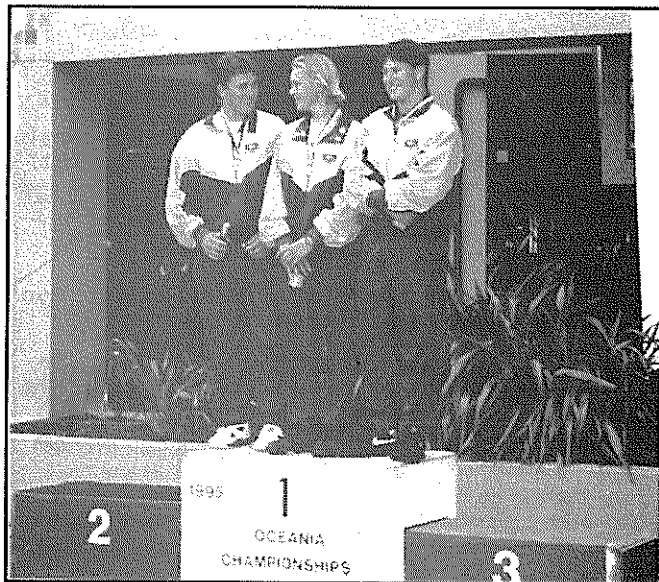

Col Burt on the previous evening had been elected as official 'waker-upper' and promptly at 6.00am began his thumping on people's doors giving them a call.

This was practice day for olympic trap and skeet, starting at 9.00am and as the gun club was some 45 minutes drive away, saw us on the road at 8.00am. Adam Vella offered to do the navigating as he had been there before. We didn't actually get lost but we did see a lot of the countryside on the way to the gun club.

The Waitemata Gun Club is situated in a wooded area, atop a hillside, with shooting being done looking out over a valley, it

*Proud ISU Skeet medal winners.*

*We beat 'em! Junior Single Rise winning team.*

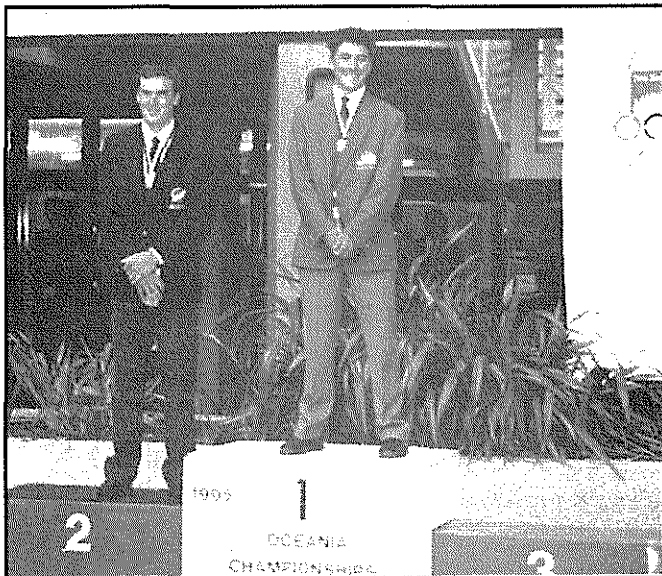

is very picturesque. We used 1 trench layout and 1 skeet layout for practice.

The club rooms were very comfortable with a balcony overlooking the shooting grounds. We were made most welcome.

Our first task was that of sorting out the cartridges, a job made easier with Winchester making sure all of the shells that had been ordered were labelled with the person's name.

The shells were in a shipping container which was used as the 'armoury' for the week, as all guns and ammo had to be stored in the one place.

One hiccup - a 'big' hiccup - 3 of our shooters (using one brand of cartridges) found that their ordered shells were not there and only 1 case and a few packets was all that could be found.

*George the champion!*

*Women's Single Rifle winning team.*

Weather overcast, with drizzly rain made conditions quite miserable but most of the shooters completed 4 rounds of practice before we left to go back to the University at 2.30pm.

A free afternoon and evening for the shooters while I spent the afternoon paying their nominations for the games.

Following dinner at 6.00pm the Australian Team Section Managers had a meeting with Ray Andrews, the Australian Team Manager, to sort out any problems we may have encountered. Most Managers complained about the food, and each section had a few minor problems that were easily sorted out with the organising body, and I am happy to report that the food greatly improved as from the next morning, still not good, but it had improved.

Off to bed around midnight.

## **Saturday 4th February**

Up at 6.00am to leave by 7.30am for the first day of competition with team events for both Trap and Skeet. Weather conditions much improved and all shooters were eager to start.

Both 'A' Trap Team and the 'A' Skeet Team won their team shoots. The 'A' Trap Team with Russell Mark, Michael Diamond and Adam Vella shot 209/225. Our 'B' Team came in second place with 201/225, team members being Ben Kelley, Craig Tilley and Tom Turner.

The 'A' Skeet Team also won, shooting a 209/225 with Clive Barton, John Summers and Craig Meuleman. The 'B' Skeet Team took 3rd place with 195/225, shot by Barty Brighenti, Guy Yoannidis and Michael Inguanti.

At the end of the day's competition we all had huge grins on our faces, we could not have asked for better results for our teams.

Back to the University, first to drop off my passengers, then on to the airport to pick up another incoming shooter.

Following dinner and presentations which concluded about 9.30pm we had a discussion with the members of the Jury and Ray Andrews, the problem we had with quota positions was finally resolved much to our satisfaction.

Back out to the airport to pick up 2 of our lady shooters who flew in at 11.30pm.

Getting to know all our tour operators at the airport and found yet another way back to the University.

In bed at 1.00am.

## **Sunday 5th February**

Up early for a 7.30pm departure, the start of the individual events in Trap and Skeet, 75 targets.

The brand of clays had been changed due to a technical problem and we were not satisfied with the uniformity of colour, but due to the excellent work of the Jury members this problem was overcome immediately.

Competition then commenced with the weather conditions fine but overcast.

All shooters putting good scores on the board in both Trap and Skeet. Four of the ladies in the Double Trap team practiced in the afternoon.

Back to the University at 3.45pm with the shooters relaxing for the rest of the afternoon and evening, preparing themselves for the next day of competition.

10.00pm saw me back to the airport picking up yet another shooter.

## **Monday 6th February**

Final day of the individual trap and skeet. Everyone in good spirits.

At the end of the competition of 125 targets, Australia had 5 shooters going into the final. At the end of the final 25 targets, Ben Kelley was triumphant with 139/150, Russell Mark 138/150 and Michael Diamond on 137/150 came in 3rd. Adam Vella shot 136/150 and Tom Turner 134/150.

We had in fact just won 2 Olympic quota spots.

In the Skeet, Australia again, at the end of 125 targets, had 3 shooters in the final, the overall result being Craig Meuleman shooting 140/150, John Summers 137/150 and Clive Barton 135/150.

Another 2 Olympic quota spots going to Australia.

Drug testing then took place and Double Trap practice for all concerned.

Back to the University at 5.00pm for team photos, presentation time, at which I was a very proud onlooker, and following dinner I had an informal meeting with the Jury members while some of the shooters celebrated.

## Tuesday 7th February

Start of Double Trap competition with all competitors keen to start. Weather conditions fine and sunny.

At the end of 150 targets for the Open Double Trap, we had 5 shooters in the final. The final placings went to Michael Diamond 172/200, Craig Tilley 166/200, and Ben Kelley with 167/202. Steve Haberman shot 166/202 and Tom Turner 156/200.

Another Olympic quota spot to Australia.

With the Ladies Double Trap, at the end of 120 targets we had 4 ladies in the final. The end result being Deserie Huddleston 116/160, Ann Maree Roberts on 115/160, Loz Lloyd on 102/160 and Gleniss Lawrence on 93/160. Ann Maree had a bad call on 1 target leaving her in 2nd place.

Deserie winning yet another Olympic quota spot for us.

1st and 2nd place getters in all Double Trap then had to go to drug testing.

Back to the University with the troops and then off to the airport to pick up another 7 shooters just flying in.

Following dinner, I was once more back to the airport collecting another 7 shooters who had just arrived.

Now on 'first name' basis with the tour operators and police at the airport.

In bed at 1.00am.

## Wednesday 8th February

Early start - 5.00am taking a bus load of the ISU shooters who were leaving on an early flight home.

Back to the University to pick up the DTL and American Skeet shooters to go to the gun club for practice, weather conditions fine and warm.

Back early in the afternoon to take 2 more bus loads of ISU shooters catching flights at 4.30pm.

That night following dinner, Col and I had a few quiet drinks with Ewan Pirie, New Zealand Team Manager, and a few of the shooters before retiring.

## Thursday 9th February

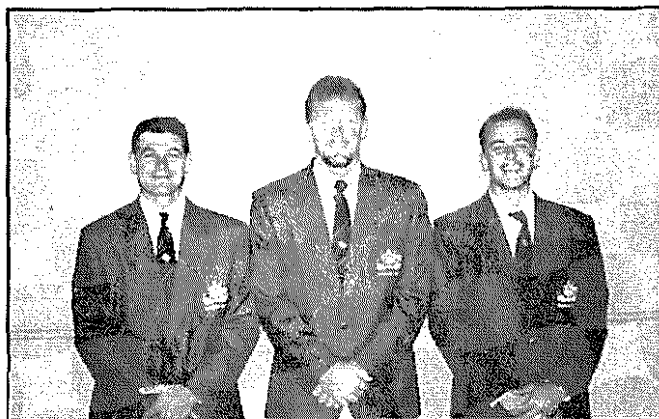

Up at 6.00am as usual. No action in the camp, the official 'waker upper' had slept in! We still, however managed a 7.30am start for the gun club to begin competition at 9.00am. Weather fine and warm.

The first 100 targets for the team shoots for single rise and skeet and the first 100 targets of the individual were being shot.

At the end of the day, the Open Single Rise Team of John Farrell, Dennis Lynn and Col Burt (Col had to step into this position as the governing body would not allow Nathan Cassells to shoot in the Open as well as the Junior Team), won the team event. The score was 888/900 (point score).

*National anthem for the Women's Double Trap.*

*Winners are grinners! They make a handsome lot — the Double Trap team.*

The Ladies Single Rise Team were also victorious with Deserie Huddleston, Karen Kennerson and Carmel Carlon shooting a 853/900.

Our Junior Team also won their team event with Nathan McDonnell, Justin Waldron and Nathan Cassells shooting (wait for it) 889/900. One more point than our Open Team. Well done.

American Skeet Open Team saw Australia coming in 3rd position with Chris Langley, Bob Dower and Garry Dennison posting a score of 290/300.

The Ladies Skeet came in 2nd place with Carol Ogden, Katie Light and Frances Scott shooting 279/300.

Our Junior Team also came in second place with George Barton, Derek Bruce and Kris Jones shooting 269/300.

As you can see by the scores, the competition was of a very high standard and all shooters shot extremely well.

Back to the University for dinner and presentation and then off to bed.

## Friday 10th February

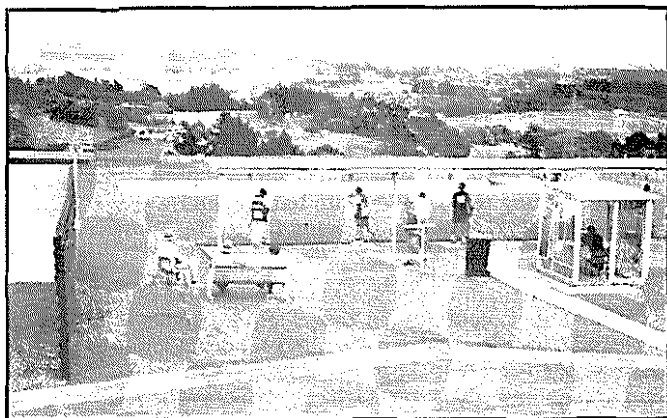

6.00am start. Weather fine and warm.

Competition today, the last 100 targets of the American Skeet and Single Rise for individual placings. All shooters anxious to get started.

*This beats the mind bus !!!*

*What a view! The Australian team in action.*

At the conclusion of the day, John Farrell and Dennis Lynn had to shoot off for 2nd and 3rd placings. Both had shot 595/600 and neither had dropped a target and at the end of the shoot off, John took 2nd place as Dennis pulled a 2nd barrel on his 5th target.

The Ladies individual saw Karen Kennerson winning with a 585/600 and Deserie taking 2nd place with 580/600. Carmel Carlon came in 5th place with 559/600.

The Junior placings also saw a shoot off for 1st and 2nd between Nathan McDonnell and Justin Waldron, who had both shot 594/600. Nathan ended up winning the shoot off, Justin taking 2nd place and Nathan Cassells came in 3rd position with a score of 588/600.

Another good result for Australia.

American Skeet individual saw Bob Dower coming in 3rd place in the Open division shooting 197/200, Chris Langley taking 9th place with 194/200 and Gary Dennison coming in 13th position with 192/200.

The Ladies Skeet individual placings saw Carol Ogden taking 3rd place with 193/200, Katie Light taking 4th place 186/200 and Frances Scott in 5th place with 181/200.

George Barton won the Junior individual, shooting a 192/200, Kris Jones taking 2nd with 181/200 and Derek Bruce 5th position with 172/200.

Once again all shooters shot extremely well as their scores indicate.

At the conclusion of the shooting the Australian Team challenged the New Zealand Team to an 'Annie Oakley', but alas, only one New Zealand junior turned up to shoot – and to add insult to injury, he won it! And what's more, it cost me \$20.00 – they made me pay for the clays that had been used.

Dinner and presentation time saw an end to the games and it was a proud moment for me to pick up 5 of the 6 quota spot certificates for the shooters who had already gone home.

## Saturday 11th February

Up at 6.00am for the flight home.

In conclusion, this has been a most exciting, educational and memorable trip for me.

I would like to take this opportunity, on behalf of the team, to thank the New Zealand people and especially the organisers for a very well run competition, and to thank Col Burt and Fred Schmetzer for their tireless efforts in helping the shooters and me with any problems.

I would also like to thank all the Australian Team members for their enthusiasm and excellent shooting and for their conduct, both on and off the shooting grounds. In fact, I think that all A.C.T.A. members should be very proud of the success that this team has achieved.

## NSW Royal Easter Show — April 7-18

The NSW Firearms Safety Awareness Council Executive Director, Mr Paul Andrews, has advised me that the council has been granted permission to exhibit a display stand at the 1995 show. The themes of the stand will be firearms safety and Commonwealth and Olympic Games shooting.

There will be display material from the Australian Commonwealth Games Association (ACGA) as well as Sydney 2000 Olympic Organizing Committee (SOCOG) and the ACTA has kindly offered to loan the certificate of recognition for Donald Mackintosh's Olympic gold medal in 1900 (the only Olympic gold medal for shooting ever won by Australia) for display as well.

May I suggest those shooters attending the show this year seek out the display as I'm sure it will be very well done and most interesting.

## NSWCTA Office Bearers

The Executive Committee election took place on February 25th with Andy Sanders being re-elected unopposed to the position of President. Bill Jones and Col Burt were also elected unopposed as the State Vice Presidents, with Bill also retaining the position of Treasurer.

The position of State Handicapper is a very difficult one, more especially at State Carnivals. To those shooters who continually complain re-handicapping, perhaps your services could be volunteered at carnivals as assistants, in order that even the sheer volume of work may be appreciated.

Mark McInnes has accepted the position of State Handicapper for this year, and we thank Col Burt for his time and effort over the past 12 months. Good luck Mark.

Jenny Burt continues to hold the Promotion and Publicity Officers position as well as Volunteer Co-ordinator. Should you have any difficulties in these areas, Jenny will be able to assist you.

## Promotional Day — 30th April

All printed material (pamphlets, booklets, posters, etc) have now been distributed to all Zone Secretaries. All zones are encouraged to advertise the day as much as is financially possible. It certainly pays off if you can manage TV and printed media advertising. Once again, if any problems, contact Jenny Burt on (067) 65 9386.

## NSW ISU Shooter Representative

Bob Huddleston has resigned his position as above due to work and family commitments and Brant Woodward has been elected to carry on the position. Welcome to Brant, who is keen to develop further. Bob's good work. Many thanks Bob for your assistance in this area over the past 2 years.

Brant has issued an ISU results form to all clubs with ISU facilities, which need to be completed and sent to the State Office, within 14 days of competition.

## 1995 ISU Grand Prix

Well it's the beginning of 1995 and I bet you are all asking yourself 'what's happening with the 1995 Grand Prix Series?'

Good question! Well I can assure you that things are well under way towards another Grand Prix.

Since the end of the 1994 GP, we have been working towards another GP for 1995. We considered all the positive things from the 1994 series and wanted to build on these to ensure that our sport will continue to grow. The format for the 1995 GP is essentially the same, with 100 target events at each club, each month. Later in the year we are planning to have five (5) 2 day events, consisting of 100 targets plus final on Saturday, 50 target badge match on Sunday followed by a 50 pair of double trap. These events will precede the GP final and will then be followed by the State Titles and then the Nationals. The reason for the 2 day events is to give shooters the opportunity to shoot more trench and double trap prior to the Nationals in October this year, as well as cater for those who shoot double trap.

The dates for these events will be published in the following issue of our newsletter. These events are also being scheduled so as not to conflict with the Victorian ISU Grand Prix series (these dates will also be published in a latter edition).

Please give your support to the 1995 series. It is your sport, so encourage others to participate. Further information from Brant Woodward (02) 579 1847 AH.

## Northern Zone

A very successful Zone Skeet Carnival was held in conjunction with the Annual Open at Tamworth, full report this issue, and a strong team will go into bat for the Hawkeye Shield at the State Skeet Titles being hosted by Tamworth from 11th to 13th August.

The Cessnock club have advised that due to noise problems they are unable to conduct the Zone Night Deauville Doubles and Night Double Rise, which they had set down for July. Thanks to the Taree-Wingham club who have indicated their willingness to have these two night titles. They will now be shot on Saturday 22nd April from 6.00pm, the following day being Taree's Open DTL shoot. The zone will also be holding a meeting at Taree from 3.00pm on Saturday 22nd. It will be at this meeting that the 1996 Championships will be allocated, along with any other business at hand (agenda's will be forwarded). So come along to the meeting and stay on to shoot the Night Zone Titles.

Lucky Draw Tickets — if there are still some Northern Zone shooters who have not received their book of five (5) tickets, please direct your enquiries to your respective club secretary, who has been issued with a ticket book for every affiliated shooter. The books have the name of each shooter on them. Those who have sold their books, either return to your club or send direct to Zone Secretary, Jenny Burt, PO Box 836, Tamworth, 2340. All tickets will be called in on the 30th May, and it is hoped that the Zone Committee will not be left with tickets to sell. Please get behind this venture as it will, in the long run benefit your club.

## Bird Brain/Sporting Clays/Ball Trap

All on one weekend, all at the one venue — Tamworth, 3rd & 4th June. Shoot the lot or shoot whichever discipline you want. Gather your mates who enjoy bush shooting and bring them along to try Bird Brain, the new and exciting alternative in clay target shooting. Further information from Rod Prior (067) 66 1455 BH.

## Western Zone

Narrabri Clay Target Club, after consultation with the state association and their zone wishes to advise of a change of shoot day, from the 4th Sunday monthly to the 4th Saturday

monthly. This change will commence in June to allow enough time for advertising etc. The club also advises that the Sporting Clays set down for 23rd April will be at another venue so could all intending shooters please contact Mrs Robyn Faber on (067) 92 2968.

### Final Notification — Changes to shoot programs

This is the last time clubs will be notified that should they change their shoot days or programs without first seeking approval from the State Office, no program will be printed in the next year's Blue Book for that club. This includes scheduling extra events or extra days shooting which were not included in the current Blue Book. It is unfair to other clubs to decide you will schedule an extra shoot at your convenience.

# S.A.C.T.A. State DTL Carnival

10, 11 & 12 February, 1995

By Ruth Michell

This year again, by holding the carnival over 3 days we were able to welcome a large contingent of interstate shooters, some 7 coming from Western Australia, 14 from Victoria, 5 from New South Wales and 2 from Northern Territory. In all 147 competitors took part over the carnival, this number included 7 veterans, 11 juniors and 10 ladies.

Friday saw the competition begin with 50 tgt State Handicap. Placings went to Reg Coombes (Vic) with 54/54, Dino Oliviero 53/54 and Bill Eagle 52/54. Back marker went to Dino Oliviero 53/54.

Competitors already struggling with the very hot 35°C+ conditions then had to face 25 pair State Double Rise targets rising in a headwind. One competitor, who shall remain nameless (but is a red headed Telecom worker), shot all targets 5 pair on traps 1 and 2, managed to hit only 4 targets of the next 5 pair on trap 3 and then only dropped 1 more target on traps 5 and 6 ending up with 43/50 and kicked himself for the rest of the weekend for his efforts. David Flavel (Vic) shooting a 45/50 took out the championship.

Pleasing to see were the number of campers at the grounds over the weekend - some in caravans, pop-up campers and 'yours truly' set up (with some help) her little silver domed tent in amongst the trees and slept beneath the moon-lit sky for the pittance of \$2.00 per night camping fee. Great fun. Heres hoping more will join our merry band next year.

Saturday dawned bright and sunny with another hot day forecast and saw shooters on the move early.

Following the opening ceremony where the Honorable Graham Gunn, Speaker in the House of Assembly and Patron of the South Australian Clay Target Association, shot the first target of the day, competition began on the Gun Rack sponsored event, the 60 tgt Champion of Champions. Bill Iles (Vic) won this event with a perfect 100/100 for the second year in succession.

Bay City Targets State 50 tgt Double Barrel Championship saw some 'hot' competition in more ways than one. Bill Eagle (Vic) finally taking out the event after a lengthy shoot off in front of a captivated gallery. He shot 279/279.

Shot in conjunction with the State Double Barrel is the S.A.C.T.A. Club Team of the year. Monarto (one of 9 club teams that entered), for the second year in a row took out this event shooting 244/250, again earning the right to take home to their club the magnificently carved map of Australia. Well done Tony Rohrlach, Peter Hendy, John Johansen, Phil O'Connell and Dennis Halkiopoulis.

The Winchester Junior award also taken on this event went to Nick Marinis who shot 50/50.

The Ray and Pat Mack Trophy (only to be contested if you have won a state title in the past 12 months) was taken out this year by Bill Iles who shot 77/80. Come on South Aussies this is one trophy we should try to keep in this state!

The Inter Zone Team shoot was also held and as well as the Open teams shooting it was envisaged that Junior, Ladies and Veterans would also represent their zones in a team event at the State Carnival. This however proved disappointing as the Central Zone was the only zone to produce a Ladies and Junior team whilst the Eastern Zone was the only one to put for-

State Ladies Team 1 to 6: S. Byrnes, L. Smith, L. Beelitz, B. Wallace, J. Curtis and P. Green.

Central Zone Team 1 to 6: J. Byrnes, J. Richichi, D. Oliviero, A. Rohrlach, P. Hendy accepting the Max Curtis Memorial Shield from Jay Curtis on the right.

ward a Veterans team. The Central Zone Open team did however take out the Max Curtis Memorial Shield with the team members being Tony Rohrlach, Peter Hendy, Dino Oliviero, John Richichi, John Byrnes and Rob Fleming.

Following a Chinese meal at nearby Gawler with a bunch of friends who were also camping at the Shooting Park, another night of sleeping under the stars and we were ready for the all important final day of competition.

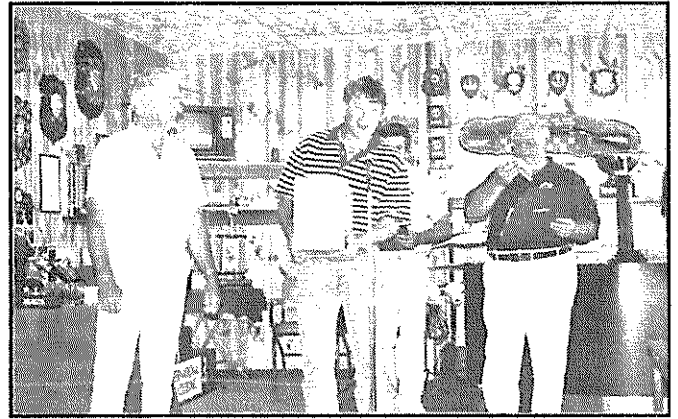

Sportsgoods 50 tgt State Single Barrel Championship was the first event to be shot and Tony Rohrlach took out the Championship by shooting 71/71. He has now won this event 2 years in a row, so the pressure will be on you next year Tony to make it a 'hat trick'.

50 tgt Fisher Firearms State Point Score Championship was the last programmed event and here again it was won by one of our interstate visitors - J. 'Bert' Boschetti from W.A. with a score of 273/273. I think a re-grade into 'AA' was the order of the State Handicapper following this event. We do hope that this will not deter you from gracing our shooting ground with your presence again next year.

A bit of added interest over the weekend was the 'Interstate Grudge Match' held on just one event and we saw Victoria taking out the trophy of a case of shells by shooting 245/250 over South Australia with 243/250, from Western Australia

State Junior Team l to r: B. Byrnes, L. Smith, A. Caltagirone, D. Richichi, O. Zammit and N. Marinis.

Interstate Grudge Match: Russell Mark on behalf of the Victorian Team accepting, a 'nameless' case of cartridges from Mr Winchester SA, Dick Ayres, while Graham Mitchell almost 'expires' into his handkerchief.

Top 15 l to r: D. Oliviero, C. Bentley, R. Walsh, G. Lynn, R. Andrews, J. Byrnes, N. Marinis, A. Rohrlach, M. Medhurst, P. Quire, R. Taylor and T. Heard. Absent: C. Smith, C. Hunt and W. Renney.

with 239/250 and New South Wales bringing up the rear with 236/250.

Overall High Gun for the 3 day carnival went to Russell Mark with 439/450. South Australian High Gun went to Craig Bentley with 434/450 and South Australian Champion shooter went to Dino Oliviero with a score of 397/400.

Ladies High Gun went to Lynn Beelitz (2nd year in a row) with 238/250, Junior High Gun to Nick Marinis with 243/250 and Veterans to John Ellis who shot 394/450.

Down to the 'nitty gritties' -- just who did make the teams to shoot at the Nationals?

The Open top 15 shooters were Dino Oliviero, Craig Bentley, Trevor Heard, John Byrnes, Ross Walsh, Chris Smith, Nick Marinis, Tony Rohrlach, Peter Quire, Max Medhurst, Chris Hunt, Frank Taylor, Bob Andrews, Gavin Lynn and Wayne Renney. The State's Shoulder to Shoulder team to shoot at the Nationals in Melbourne will be Dino Oliviero, Ross Walsh, Craigh Bentley, Chris Smith and Nick Marinis.

State Ladies to make the team were Lynn Beelitz, Tracey Gray (forfeiting her place as she will not be going to Melbourne), Lisa Smith, Barb Wallace, Joy Curtis and Sue Byrnes. Filling Tracey's position for the Postal shoot was Pat Green. Those Ladies to make the Shoulder to Shoulder team are Lynn Beelitz, Lisa Smith and Sue Byrnes.

Nick Marinis, Anthony Caltagirone, Lisa Smith, Owen Zammit, Bruce Byrnes and Dominic Richichi made up the Junior team and following their shoot off, the Juniors to head for Melbourne and the Nationals are Anthony Caltagirone, Owen Zammit and Bruce Byrnes.

May all of those representing our state have the very best of luck at the Nationals.

Finally comes my list of thanks -- firstly to our sponsors on all events over the carnival; to the International Gun Club (host club at the State Shooting Park), for their hospitality; to those 'guys' (Fred Guyatt and Guy Yoannidis) who shared the duties in the office, its a pleasure working with you (Fred and I are both claiming to have the world's worst memory, only time will tell); to Barry Pobke and Rhonda Ayres who scrutinized those handicap cards for 3 whole days; to Peter Quire for the Grudge Match Trophy; to John Hamer who kept an excellent score board all weekend, highlighted with up to date High Guns, team events etc. etc. etc., a job well done; and to those who had worked behind the scene prior to the carnival, Dino, Phil, Graham; and if perhaps I have left someone out, I apologise.

I thank you all for your company over the carnival and hope to see you all back again next year.

## ~ QUEENSLAND ~

*By Lost Bird*

Well it is remarkable how the best made plans go astray. Harry had it worked out that with a 5am departure, we could shoot the Sunday (5th) of the Kingaroy two day shoot, but on the Thursday before the shoot Harry went to the gun club to repair some down pipe to the tank, but at seventy-seven had forgotten about the law of gravity, which got him in the act high above the ground.

Harry said he was lucky that his fall was broken when he hit his head on a besser brick. Harry with some cuts and bruises can report a full return to his former self. So Sunday leaving Harry to rest up, Peter Pagliarino and myself changed directions and shot at Bundy. Thanks Peter, good to have backup drivers.

### Bundaberg — 5-2-95

The first shooter I was looking for who is one of the gentleman like shooters of clay targets, Peter Winzen, as I had heard Peter had a serious illness. But on meeting Peter he assured me the problem had been removed and the doctor said he could go on terrorising A grade shooters for a long time to come. Nice to hear the good news, Peter.

It was pleasing to see so many new shooters, welcome to Cameron Hutchins, Junior shooter, also Howard Spark just moving to Bundy from Toowoomba, also Adrian Van Boven just moving over from Esk, all being new shooters. Hope you enjoy shooting and best of luck.

Also two ex Kingaroy shooters. Dick Wright who is now living in Bundy and will be a regular shooter with Bundy, and Harold Buchholz who is working in the area and will be shooting with Bundy when not home in Kingaroy, welcome to all and happy shooting. Glad to see Phillip Warren who had a shoot with Bundy last year, has returned for more of the same, good to see you Phillip.

Local visitors for the day DI and Ken Shaw, Les Sidwell, Peter and myself of Maryborough club. With extra skeet shooters it was a later start for DTL.

The championship of the day was the 25t SB C'ship with OA & AA Rob Rehbein, also taking out the AA 25t Cont and OA High Gun, good shooting Rob. Peter Winzen A grade SB C'ship, 2nd Hcp and A grade Cont. Brad Peterson after a lengthy shoot off with Clinton Groves took B grade SB C'ship, and Garry Grapley took C grade SB C'ship, good shooting Garry.

In the 25t DB Pts CD, AA grade Gino Sergiacomi, A grade Pat Burke, B grade divided by Clinton Groves and Norm Dale, with Norm being 3rd in Hcp and Spencer Plath C grade in DB Pts CD and Cont plus FM High Gun. Pedro was 1st in Hcp after shoot off with Peter Winzen, while Peter Pags took out the B grade Cont, who had a lengthy shoot off with his passenger who wasn't game to win in case of having to walk home, and also missed the jackpot.

Ted Turton picked up the meat tray raffle, good eating Ted. At the end of the shoot Clint said 'make my day', so I said, 'make it a beer'. Thanks Clint for the beer and I won't let Bald let your tyres on your wheel chair down anymore.

### Kingaroy — 2 Day Shoot 5&6-2-95

It is good to know that sportsmanship is still alive and well in clay targets. Doug Smith and Paul Clarkson shooting off in

the DB C'ship had reached 415, and as it was the first event Sunday, the two shooters knowing the shoot off was holding up the shoot, Doug decided to stop the shoot off and give Paul the Overall in the DB C'ship. Paul also won 1st in AA Pts C'ship, leaving Doug the AA DB C'ship, also shooting a possible with many others in the DB Cont, OA & AA Cont C'ship and OA & AA DB Champion of Champions 18m. Doug also shot 605 continuous break.

With 76 shooters and total of 86 possibles shot, other top winners were - in the DB CD, too many winners to name. In the 25t SB C'ship OA Peter McGuire. 30t DB Hcp 1st Peter McDonald, 2nd Anthony Hogarth. 3rd Lyle Vidler. 25t Pts C'ship OA Ray Maroske with OA High Gun being won by Irwin Wynyard, AA High Gun Wes Humphreys, A High Gun Gordon Watson, B High Gun J. McKenzie, C High Gun Norm Keech, Junior High Gun Anthony Hogarth and FM High Gun Rob Crawford. Thanks Graham for the copy of the shoot, sorry we didn't make it, maybe next time.

### Gympie — 12-2-95

Again Harry and myself were intending to shoot Gympie, but waking up Sunday the rain was coming down in buckets over night and Sunday we had over 6" of rain and were surprised that Gympie had shot when I received news of the shoot from Dave. Thanks Dave.

At their AGM held 1-2-95 the new committee consists of President George Forster, Vice President Dave Gardner, Secretary Glen Durre, Treasurer (new member) Stephen Krake and Captain Jeff Doolan. Congratulations to all, I know you will give it your best and thanks to Vic Tipman who has been in the office running the shoots the last few years. A job well done, thanks Vic. You can enjoy shooting now.

Visitors to the shoot Karl Srb of Kingaroy, Norm Keech and Ray Wilson both Sunshine Coast and a big welcome to new shooters Barry Geary and Andy Smith. Welcome to shooting, hope you enjoy it and best of luck.

Results of shoot being: 25t DB CD: A grade 1st Ray Wilson, 2nd Karl Srb; B grade 1st Bill Edgerton, 2nd George Foster; C grade 1st Sylvia Edgerton, 2nd Garry Carew; 25t Pts: A grade 1st Lea Beattie, 2nd S Krake, Bill Stolberg and Glen Durrie; B grade 1st Bill Edgerton, 2nd George Foster; C grade 1st Norm Keech, 2nd Garry Carew; 25t Hcp: 1st George Foster, 2nd Sylvia Edgerton, 3rd Bill Stolberg. 25t DB Tower C'ship: A grade Karl Srb; B grade Dave Gardner; C grade Ray Wilson.

High Guns for the day Bill Stolberg A High Gun, George Foster B High Gun, Garry Carew C High Gun. Stephen Krake drew the jackpot but didn't put it together, maybe next time Stephen. Two of Gympie's shooters accounted for themselves at Kingaroy 2 day shoot with Sylvia Edgerton in C grade 1st 25t DB C'ship, 2nd 25t DB Pts. 1st 25t DB Champion of Champions, and Dave Gardner B grade 25t DB CD, 2nd 25t SB C'ship, 1st 25t DB Pts C'ship, well shot by both.

### Maryborough — 26-2-95

Chris Harrison one of our coaches is conducting coaching to 15 boys and 3 girls at the Childers High School every Wednesday for their school sport. Any help of targets or ammo very welcome. Congratulations Chris, hope you get some help with this venture - keep up the good work Chris.

With the rain we have had, a big thanks to the members who cut the grass and made the grounds 1st class for the shoot.

With visitors Kay, Rob, Gino, Peter and Spencer Plath who goes into hospital this week for a date with a surgeon, hope to

see you back on deck and shooting soon Spencer. Best of luck. Also visitor Bill Stolberg from Gympie who will be off to the Gulf again to have a shoot at Easter at Karumba. Have a good trip Bill and good shooting.

Looking like rain, it stayed fine for good shooting conditions. Harry's fall and bang on his head didn't do him any harm as he shot the possible in 25t Hcp and outshot class shooter, Peter Shaw in the shoot off to win 1st with a metre thrown in. Harry also took 15t DR and C High Gun, with Peter having to take 2nd in Hcp and AA High Gun. President Paul with his new Perazzi SC3 took the first event 25t DB in AA, but with only a 25 target guarantee that was the end of Dr Paul. A grade Bill Stolberg, B grade Dick Osborne, C grade Spencer Plath. Bundy shooter Gino Sergiacomi took out the OA & AA 25t SB C'ship, A Peter Winzen, B Norm Dale, C that bloke Spencer again. Les Sidwell fresh from the kitchen took 3rd in Hcp, A grade 15 pr DR and A High Gun. Rob Rehbein took AA in 15 pr DR, with Fred Sidwell B grade in this event, and Andy Wood being close all day ended up with B High Gun. Welcome back to shooting Josh Finlay, good shooting Josh. Gino drew the jackpot but didn't shoot it, thanks Gino you know you would have got an IOU, better luck next time.

Marg and Chris Harrison won the meat tray raffle and Harry won the plonk, but this time in a bottle, but could be just as hard on the head, watch it Harry.

Our April 23rd shoot is our Jim Kinghorn Memorial Shoot in conjunction with our Trans Tasman Postal shoot with Wairau Firth, New Zealand.

Good shooting to all, 'til next time, see you at the shoots.

# Port Denison Gun Club

*By Janet Otto, Secretary*

To finish off the 1994 shooting year two bus trips were organised for the members. Fourteen shooters travelled to the Eton Mackay Gun Club for their annual shoot. Prizes were given on the overall targets for the day.

Bowen was quite successful for the day with Mick Blain winning AA grade, Ron Snell 2nd, Dennis Pugh 3rd in B grade, Ken Otto 3rd in C grade, Liane Blain tying for 1st and Janet Otto 2nd in the Ladies.

The second trip was to the Charters Towers Christmas Shoot, another successful day.

One of our members has also been very successful in competing in ISU Trench under UIT regulation. There being no facilities in the P.D.G.C., Luigi regularly attends trench at Burdekin and Townsville. This has proven to his advantage.

Some of his achievements for the year have been B grade gold in the Nth Zone C'ship Double Trap in Townsville, silver in the Nth Zone ISU C'ship, gold in his category at the Qld State Championship Double Trap in Townsville, gold at the State Olympic Trench Elimination at the Cairns Gun Club. He then travelled to New Zealand representing our club and Nth Qld at the National Double Trap winning silver. On his return he competed in the Pan Pacific Friendship Shooting League Tour-

nament at Gordonvale, Nth Qld, bringing home gold in his category in ISU Trench and bronze in the Open Double Trap.

To end the year our Christmas shoot was held on the 18th December. Twenty shooters attended the days events. Santa visited and presented gifts to all.

The first four events were each 5 target events from handicap and 15 metres. The winners being: Event 1: 1st Mick Blain, 2nd Dennis Pugh, 3rd Luigi Nuzzolese; Event 2: 1st Ian Facey, 2nd Luigi Nuzzolese, 3rd Mick Blain; Event 3: 1st Greg Canavan, 2nd Bill Gall, 3rd Roy Land; Event 4: 1st Laurie Falco, 2nd Jeoff Robins, 3rd Dennis Pugh.

First and second winners were presented with hams and third to fifth winners with goods to add to their Christmas hampers. The shooters who missed out went into the consolations event where hams went to Ian McHarrie, Owen Perrett, Mr Gillingwater and Rod Snell.

Event five was the Patrons Trophy presented by Mr Claude Pilcher to the winners 1st Mick Blain, 2nd Luigi Nuzzolese, 3rd Ken Otto. The last event for the day was a 20 target double barrel tower sweepstakes with Mick Blain shooting 20/20, Laurie Falco 19/20, Joe Scalia 19/20 and Jeoff Robbins 19/20.

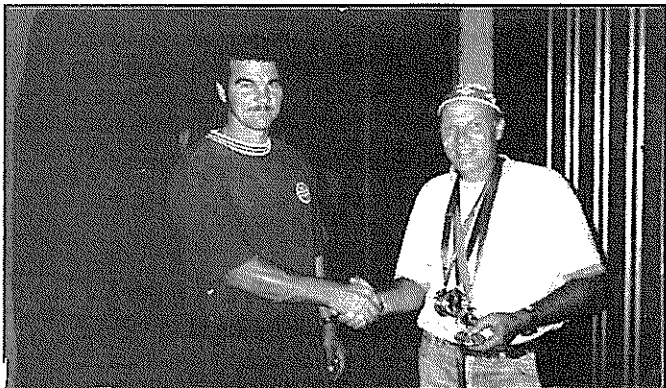

I would like to take this opportunity to thank all members and visiting shooters for their attendance and help throughout the year. Our clubs ambition for the 1995 year will be to add a skeet layout to our club grounds. Wishing all clubs and ACTA members a safe and healthy 1995 season.

## Vale *Harold (Jack) Edgell*

Clay target and field shooters will be saddened to hear of the passing of Jack Edgell.

Jack was born at Coonamble December 4, 1904 and in his early years moved to Sydney to find work, and was to become a very successful businessman in the paper bag industry. Jack's favourite sport was shooting ducks or rabbits in the Gulgong or Forbes areas where he had many friends. Jack also loved clay target shooting and many a young shooter has benefited by an encouragement award donated by him.

On his retirement he moved to the Hermidale district where his son had a property. On the sale of the property Jack moved to Queensland where he resided until his death.

Jack was pre deceased by his wife Muriel but is survived by daughter Janice, son John and their families.

A grand old man of shooting.

## Big breaks by Smith and Rohrlach in February 'Top Gun'

Queensland's Doug Smith shot a massive 602 break at Kingaroy's annual two day carnival to earn himself 1,000 bonus shotshells in Winchester's February 'Top Gun' awards. Doug uses the low recoil AA 1200 in shot size 7.5. Paul Clarkson also broke 415 consecutive targets in the same events to win himself a case of target loads.

At the South Australian State Trap Carnival, Tony Rohrlach won the State Single Barrel and 1,000 shotshells and then continued his single barrel form into the first half of the State Point Score title to reach 100 straight first barrels and a further 500 target loads. At the same carnival Bert Boschetti from Western Australia edged out Roger Duthie to win 2 cases of shotshells. Roger picks up a half case for second as he did in the single barrel event.

A pleasing aspect throughout February was the fine form displayed by some of our best juniors. Ben Kelley from NSW won a case of shotshells for his win at the Oceania Olympic Trap event in Auckland and a further half case for the Olympic Trap High Gun conducted at Newcastle. Drew Freeman from Tasmania won the Junior High Gun at their State Trap Carnival and Nik Marinis did the same at the South Australian Titles, both win 500 target loads for their efforts.

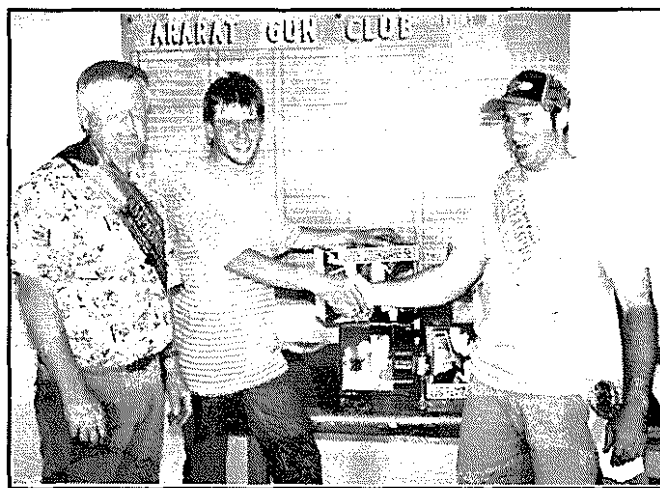

Bill Eagle from Shepparton in Victoria finally cracked the big time at the South Australian State Championships by winning the Double Barrel Title and 1,000 shotshells. Runner up David Flavel picked up 500 shells as well as a further 500 from an earlier high gun win at Wilkawatt. Interestingly both Bill and David won State Double Rise Championships recently. Bill in Tasmania and David at the South Australian Carnival.

The answer to the many queries we receive as to why the State Double Rise, Handicap and Champion of Champions events are not included in our State 'Top Gun' awards is simply that not all states conduct these events at their annual State Championships, therefore so as not to discriminate we only support the events which are at all championships which are the Double Barrel, Single Barrel, Point Score and High Gun events. If all states could come to an agreement to a set format we could then look at expanding our awards.

## Australian Sports Drug Agency

*Athletes have say on drugs in sport as athlete advisory group meetings begin Australia wide*

A selection of elite athletes from a variety of sports will meet with Australian Sports Drug Agency (ASDA) officials over the next few months as part of the Athlete Advisory Group (AAG) meetings.

The series of informal discussions, which began in Canberra on the 10th February will ultimately include talks in each state with up to 70 competitors from more than 20 sports, has been organised by ASDA to determine the concerns of athletes regarding drugs in sport.

Now in its third year, the AAG meetings give elite athletes the opportunity to ask questions about the drugs in sport issue and for ASDA to receive feedback on its programs.

The agency held meetings with athletes in 1992 and 1993, with the consensus being that while Australia had its act together, there were concerns regarding the rest of the world. Previous meetings have raised issues such as:

- A lack of information for athletes regarding drugs in sport, which has been addressed.
- The media's concentration on positive, rather than reflecting the fact that most tests are negative.
- The need to tighten procedures to prevent people fudging the system.
- A concern about the possibilities of blood testing and uncertainty about its ramifications.

While the course of discussions will largely be determined by the athletes, the situation in China is expected to be high on the agenda.

ASDA's Tony Wynd, organiser of the AAG meetings, says that while ASDA can't guarantee that the Chinese situation will be resolved immediately because it is largely beyond ASDA's control, it could give athletes information it has and reassure them that it is doing all it can on their behalf.

For more information contact: Tony Wynd (06) 281 3550.

## Colac Gun Club charity shoot huge success

On Sunday January 29, the Colac Gun Club conducted a charity ZZ shoot with proceeds being donated to the Royal Children's Hospital.

In excess of \$1,700 was raised in memory of Zac Holt, a junior member of the Colac club who died some 12 months ago and had spent many months at the Royal Children's Hospital.

ZZ shooting is as close as you can get to live bird shooting. The only difference is, you are shooting at a plastic target that is thrown and its flight is similar to that of a pigeon.

Conditions for the day were perfect, warm and sunny with no wind. Some 45 shooters travelled from all over Victoria and a large crowd of spectators watched the action, some of whom also had a shot for the cost of targets only. It turned out to be a magnificent day.

A hot roast lunch consisting of roast pork, lamb and wild duck cooked and provided by the Holt boys, Greg, Jeff and Steven and served by the many ladies on hand, was much appreciated.

The event itself was the Western District 25 target ZZ Championship. Shooting commenced at 11am and finished about 6.30pm.

With a total of \$1,450 in the pool, any shooter that could shoot 10 targets straight was going to be in the money.

The overall winner of the title was Ray Parker of Colac who shot 24/25 for the day and collected \$600 for an outlay of \$85 for noms.

Other Colac shooters to do well were Warren Williamson winning \$80 and Robert Brain who collected \$150. These two shooters had never shot at ZZ targets before.

Robert also won half a case of cartridges in one of the raffles. He shot 21/25 for the day.

In the first 10 targets, eight shooters collected \$55 each. The second 10 targets, four shooters collected \$95 each. The third 10 targets, four shooters collected \$80 each and on the last 10, Paul Chipperfield was the only shooter to drop all 10 targets inside the fence and collected \$320. Had Ray Parker shot that one elusive target that got away on him, he would have won a further \$160.

# 1994 Presidential Medal

I am pleased to announce that the 1994 Presidential Medal has been awarded to ACTA Past President, Mr Jim Scott.

Jim Scott registered with the Dubbo Gun Club in 1960 when he commenced shooting. In 1961 he was elected to the Committee and the following year he was elected to the office of Vice President.

Dubbo Gun Club went into recess for a short time owing to the loss of the club site at Terramungermine. Jim then joined the Warren Gun Club and was elected to the Committee where he was most active in club affairs. He continued to seek a suitable ground for Dubbo Gun Club and when this was found he assisted in the Dubbo Gun Club with the complete establishment of the new club facilities. Jim accepted the position of Trustee of the club for a number of years until the club was on a sound footing, both socially and financially.

When the Western Zone of NSW was formed he was a foundation member. In 1973 he was elected Vice President and approximately three years later he was elected President – a position which he held for some years and under his guidance the Western Zone became firmly established.

With the formation of the New South Wales Clay Target Association he was elected as Delegate to the Association in 1973 and held this position until he resigned in 1992. During the 19 years he was on the New South Wales Executive Committee, he held the position of Treasurer and Vice President for approximately 11 years.

Jim was elected to the A.C.T.A. as delegate for NSW in 1981. Whilst on the Executive of the ACTA he served 7 years on the Management Committee, 2 years as Vice President, President for 3½ years (elected un-opposed on 3 occasions). He served 10 years on the ACTA Executive Committee and during his term of office he was very instrumental in the purchase of our building in Mount Waverley, which has saved us the burden of paying large rentals.

As well as the above service at Club, Zone, State and National level he has worked for the clay target shooting fraternity as follows:

1. Jim was on the organising committee to run the first Nationals to be held at Wagga Gun Club in 1984, he followed this up by being on the organising committee and Tournament Director for the Nationals in 1988.
2. During the 1980s he worked with the Melbourne Gun Club to run the first Skeet National Championships in 1983; again in 1984 and 1985.
3. During 1984 and 1985 he assisted with the ISU National Championships.
4. Became a registered referee in 1960, he later became a referee examiner, and then followed a period of years as Rules Supervisor.

He has always made himself available to referee at any shoot and was selected on three occasions to referee the National Double Barrel Championship.

5. During his 10 years on the National Executive he travelled to every capital city in Australia and the Institute of Sport in Canberra, not only to shoot, but to promote clay target shooting.

Coaching: Jim is particularly interested in this phase of the sport and in 1982 he organised a big weekend at Dubbo with the attendance of the State Coach, all Zone Coaches and many Club Coaches. In 1982 he also combined with Len Bird and organised the first Coaching Seminar in NSW which was held at Cowra Gun Club. It was attended by Newton Thomas (National Coach), George Biggs (Victorian State Coach), Pud Burgess (NSW State Coach), all Zone Coaches and a large number of Club Coaches, and approximately 150 shooters.

The following are some awards known that Jim Scott has been granted in appreciation of his services to shooting.

- Honorary Life Membership of the Dubbo Gun Club
- Honorary Life Membership of the Melbourne Gun Club
- Honorary Life Membership of the New South Wales Clay Target Association
- Honorary Life Membership of the Australian Clay Target Association

In 1990 Jim Scott was invited as a Foundation Member of the NSW Firearms Safety Awareness Council. One of the main objects of this council is to organise and administer the testing of all persons (rifle, pistol, gun and general public) to qualify for a shooting licence in NSW.

Jim has been a continuous member of the ACTA for 34 years (1960-1994) and during this time has been on a Committee at Club, Zone, State and National level for 32 years (1960-1992). He served his Zone for 19 years, the State for 19 years and the National Committee of the ACTA for 10 years.

Jim resigned all positions in 1991 and 1992 as he wished to spend more time with his children and grand children and for personal reasons.

It is only fitting that the 1994 Presidential Medal be awarded to a man who has contributed to the sport of Clay Target Shooting over so many years and has done so much in the development of the sport.

Jim Scott.*

# Collie Clay Target Club

*By Lorraine Dowey, Secretary*

On the weekend of the 4th & 5th of February the Collie Clay Target Club held the 1995 West Coast Open. This is an annual 200 Double Barrel event sponsored by Pine Hauliers, where shooters compete over the two days for cash with the Overall winner also receiving a sash and trophy. The trophy being a hand made set of solid silver snap caps, engraved with the West Coast Open and the year of the event (valued at \$400).

Although eastern staters were truly missed this year (last years winner, Bill Iles), shooters travelled from as far as Geraldton, Perth, Narrogin and surrounding clubs for the weekend.

Early Saturday morning the weather looked threatening being cool and overcast, but eventually turned into excellent conditions for the throwing of good targets. By the end of competition on Saturday only one possible had been scored. David Fox shot the 100/100 on Saturday and led the field by one target.

Saturday evening the shooters had a barbecue tea and refreshments, with most of the shooters opting for an early night ready for another full day of shooting on Sunday.

Although weather conditions were perfect on Sunday, with blue skies and very little wind, only two possibles were shot over the day with John Coverley and Geoff Faulkes going to a shoot off to determine the days winner, which ended in Geoff coming first for the day.

Saturdays winners were:

1st	David Fox (Collie)	100/100
2nd	Geoff Faulkes (WAGC)	99/100
3rd	Neil Dowey (Collie)	98/100
	Terry Fraser (Collie)	98/100

Sundays winners were:

1st	Geoff Faulkes (WAGC)	101/101
2nd	John Coverley (Collie)	100/101
3rd	Rick Vivante (WAGC)	99/100

Overall High Gun for the weekend was Geoff Faulkes (WAGC) 199/200.

Collie Clay Target Club would like to thank both Pine Hauliers for their continued sponsorship of this event, and the shooters who took the time to have a great weekend, without either, this event would not be possible.

Have a great season for 1995 and see you next year for the 1996 West Coast Open.

L to r: John Coverley sponsor Pine Hauliers, Geoff Faulkes Overall winner and Neil Dowey shoot co-ordinator.

# South Australian Central Zone

Congratulations to the members of the Open Team - A. Rohrlach, R. Fleming, D. Oliviero, J. Byrnes, J. Richichi, P. Hendy.

A perfect score by our Open Team saw them win the 1995 Zone Teams Shield at the S.A. State Carnival this year. Joy Curtis presented the Max Curtis Memorial Shield to the Central Zone Team. The Max Curtis Memorial Shield is contested each year at S.A.C.T.A. carnival and is a most sort after shield. (Central Zone won it last year as well) - also with a perfect score.

Our Women and Juniors were also winners: Women - Barb Wallace, Bridget Dower and Lisa Smith; Juniors - Bruce Byrnes, Lisa Smith and Rom Richichi.

A great effort from all of the above have really inspired the Eastern and Western Zones to aim for greatness at the '96 Carnival - we will just have to wait and see. Can the Central Zone get the hat trick in '96? We sure hope we can.

Ladies and Juniors Team - what winning smiles. L to r: Barb Wallace, Bridget Dower, Lisa Smith, Dom Richichi and Bruce Byrnes.

Open Team - cute lot don't you think. L to r: Tony Rohrlach, John Byrnes, Peter Hendy, Rob Fleming, Dino Oliviero and John Richichi.

Our three teams — what a group! Top row l to r: Tony, John, Peter, Rob, Dino, John and Lisa. Kneeling l to r: Dom, Bridget, Bruce and Barb.

## Tamworth Clay Target Club OPEN SKEET

On Saturday and Sunday 18-19 February, the Tamworth Clay Target Club held the annual two day skeet carnival which, this year included the Northern Zone Skeet Carnival.

Shooters travelled from Queensland and Victoria as well as throughout NSW to compete in what has become one of the main skeet carnivals on the clay target shooting calendar.

Some 70 shooters were in attendance for the two days to compete for a fine array of trophies sponsored by Prouds the Jewellers, Malcolm Dengate joinery, Pioneer Concrete — Tamworth, Jenny Burt and The Hon. # Club Newsletter

1. Any shooters who have not renewed their membership prior to 31st March will not receive a copy of the CTSN from April onwards.
2. In the March CTSN, a pull out section containing the results of a survey conducted randomly amongst 500 shooters in 1994, also included a copy of the original survey form sent out, so all shooters could have some idea of the questions asked. To those shooters who have returned forms to the Office since the magazine went out, you will notice, that the closing date was 19th May, 1994. However we thank you for your interest.
3. Handicap card covers, not unlike the old passbook covers, are available from your Club Secretary.
4. Club Office Bearers Badges (President, Secretary, etc. etc.) are available from the ACTA Office and are the same cost as the Shooters Name Badges.
5. Strict deadlines for advertising in the CTSN. Each month on page 2 of the CTSN, the deadlines for copy for the next 2 editions are clearly printed. We would ask that all clubs and associations pay attention to these dates. **LATE COPY WILL NOT BE ACCEPTED.**

Would all clubs please make every effort to provide typed or clearly written advertisements.

6. Interim members. We again bring to your attention the correct procedure for the usage of Interim Members Cards. The cards themselves are available from the National Office upon request. Your club should have a small supply on hand. Upon a member wishing to 'try before you buy', the member may pay \$10.00 interim fee, which entitles him to shoot at your club for a period of three (3) months. Upon receiving the \$10.00, you the club, will issue him with the Interim Card, and forward details and the money to the ACTA Office. If the shooter, after the trial period, wishes to become a full member of the ACTA he/she then pays the remaining \$35.00 for full membership plus \$5.00 Legislation Fund Levy.
7. Classified Adverts. Don't overlook this new inclusion, it's a cheap way of advertising wanted to buy or for sale goods.

**NSW MEMBERS & DEALERS PLEASE NOTE:** The NSW Firearms Regulations 1990, (90.1) states the holder of a licence authorising the possession of a firearm is guilty of an offence if the number of the licence is not stated or displayed in each advertisement relating to firearms or firearms parts that is authorised or displayed by the holder. Therefore, your licence number must be stated with the advertisement details.

8. Photographs for CTSN. When submitting photographs for publication in the CTSN, preference will be given to those without dates imprinted on them.
9. Australia Wide Promotional/Introduction to Clay Target Shooting Day. **SUNDAY 30TH JUNE 1996** is the date allocated for every club in Australia to partake in what has now become an established event in NSW. With all clubs planning the 1996 shoot program in the next few months, **NO CLUB IS TO PROGRAM ANY SHOOTING EVENTS ON THAT DAY.**

State Associations will be receiving material in the near future, to further explain the program and to assist with the smooth running of the day.

# Wagin Gun Club

One of the most successful Phil Becker Memorial shoots was held on Sunday 19th February.

Despite the extremely hot 40 degree temperatures there was a great role up of 41 shooters attending from as far apart as Perth and Denmark. Also in attendance was Kerang Ibis Traps principle Faye Burton, from Victoria who was an Australian representative at the World Cup in Italy last year. Faye had with her the chief trap mechanic, David Pay to iron out any bugs in the new traps.

Winner of the Phil Becker Cup was again Tim Catling, from Katanning shooting 99/100. Great shooting on a rough day. Tim gave everyone a resume of Phil Becker reminding us that he was instrumental in founding the Wagin club along with others such as Tony Jackson. He also made mention of what a good walk up shot he was.

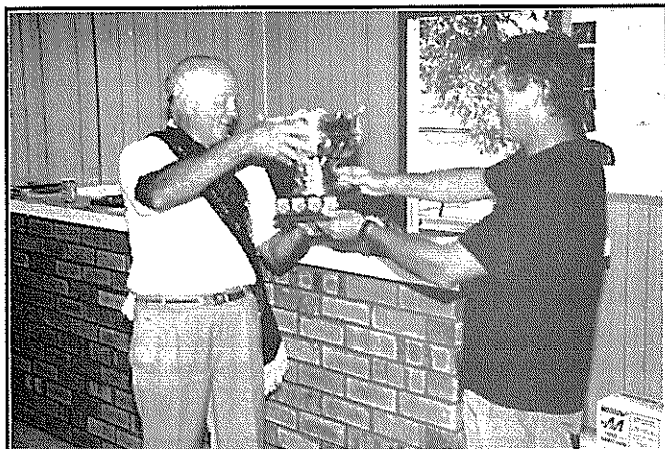

The winner of the 25 Double Barrel Points was Neil Dowey of Collie with the perfect 75/75.

Many thanks to Lorraine Pederick, Val Dunham, Ken Smith, Chris Moffatt, Eric and Tim McDougall and the many visitors who helped.

Also thanks to the following sponsors: Bullseye Firearms, McLeod Tyres, Ewen Foley Agencies, Eldres Wagin & Paramount Seeds, Walker Ford, Bankwest, Palace Hotel, Westwools, Wagin Concrete, Wagin Newsagency, Shell Service Station, Wagin Jewellers, Jo's Foodland, Alexander Galt & Co, Marley White & Co., Cresswells, Pedtract, Ragin Sports, Wagin Motorcycles, Malbarac Stud Wagin, Dawson Sports Narragin, Swingertag Wagin, Winchester Australia.

## HISTORY and RECORDS 1936-1992

*By George Biggs, ACTA Historian*

This informative book details our sport of Clay Target Shooting, its beginning and development. The origin of trap shooting can be traced back to the ancient pastime of popinjay shooting, a game practiced by the ancient Greeks.

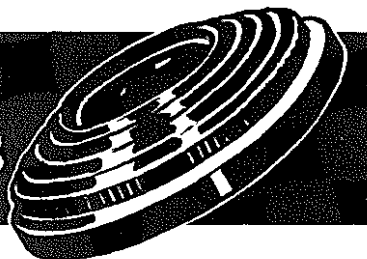

You now have the opportunity to track back to the beginning of our Association, thanks to the enormous research the author has undertaken, to present the reader with an invaluable chronicle of the Australian Clay Target Association.

The new range of Beretta's are the best built, best designed guns of their type. All available in Trap, Skeet and Sporter, all complete with a fitted gun case.

Proven winners in National, World and Olympic events, Beretta's unequalled advantages can work for you.

- \* Low profile action for unsurpassed pointability.

## ASE-90

The key feature of this exciting new model is the trigger plate lock assembly.

The trigger lock assembly is a shining example of Beretta's design and engineering excellence - and finished like a fine Swiss watch.

Tapered cross bolt breech locking. "Belled" breeches elegantly married to side mouldings and hand stippled, non-glare receiver top.

Specially selected barrels for perfect patterns. V-shaped mainsprings. Lightning fast lock times.

Available with traditional steel colour receiver (white) or blued receiver (black) with light hand engraving and gold inlay.

- \* User replaceable barrel shoulders and hinge pins to inexpensively maintain new gun fit, forever.
- \* Advanced dimensioned quality walnut stocks.
- \* Tri-alloy receivers of nickel, chromium, molybdenum steel, totally sealed to prevent dirt or residue from entering action.
- \* Barrels are cold hammered from pre-bored bars of highest quality alloyed steel for perfect patterns, great strength and durability.

## 682
