## Athenia® Orion® Shotguns

Available in 3 stock styles:  
(L to R), "Field", "Classic Field"  
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

## U.I.T. World Cup

New Delhi, India

3rd-6th March 1997

### Friday 28th February

After a hectic two weeks of preparations for the World Cup in New Delhi, India, I was finally away after a 3.00am start from my home in Murray Bridge to catch the 6.00am flight to Sydney, where I was to meet up with John Maxwell, David Nielsen, Craig Meuleman and Ben Kelley at the International Airport.

We left Sydney at 11.30am and headed off on our 8 1/2 hour flight to Hong Kong with Ansett and, as is the case on long flights, we seemed to be constantly eating. The flight, however, was very good.

Arrived in Hong Kong for a three-hour stopover to change over to United Airlines. This proved to be a minor headache as my luggage was only booked on to Hong Kong as it was above the weight limit due to a rather large First Aid kit that we had made up, some cartridges, Australiana books and gifts (the usual assortment of banners, ties, badges etc.) that I had taken to present to the Indian Shooting Federation's President and Secretary.

All baggage must go through an X-ray machine in the airport and this worried me a little as I had cartridges in my suitcase and, while we were waiting in the United Airlines Club, John related a story about how he once on a trip overseas, found himself paged by the airport security and was taken by the police into a deserted hangar where his gun and baggage were sitting in the middle of the floor. After he produced all the right paperwork, a rather embarrassed senior Police Officer appeared to be out for staff's blood, leaving John in an unauthorised section of the airport.

No sooner had John finished his story than we found ourselves being called by some of the United staff and we were all taken out to a large shed to unpack the guns for inspection by the Police - and guess whose suitcase was sitting out in the roadway by itself! After an inspection of the guns and bags it was found that John's gun in a large bag was missing, but was soon traced as it had already been loaded onto the plane and, as for mine sitting out there on the roadway, they just assumed it had fallen from one of the carts and packed it on the plane.

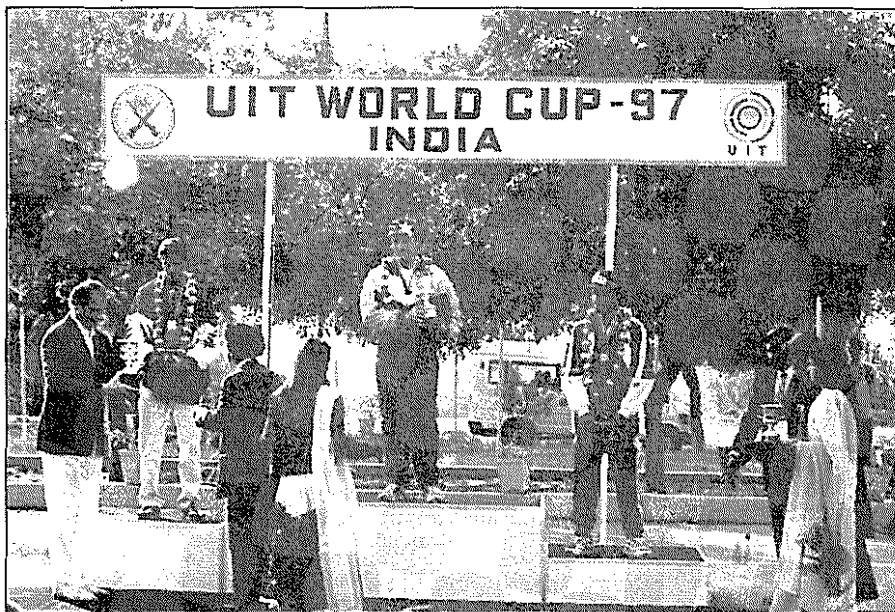

The flight to New Delhi was uneventful, so most of the 5 1/2 hour flight was taken up with trying to get some sleep. Some shooters (who will remain anonymous) were lucky enough to find three seats to spread themselves out on.

Our arrival in New Delhi was somewhat of a culture shock to us, but we were warmly welcomed by representatives of the National Rifle Association and were taken out to the shooting range to put guns and cartridges into the armoury and, finally at 3.30am we arrived, under police escort, at the hotel to book in. Some quick housekeeping in the bathroom with cleansers brought from home, a quick spray for any "lurking insects", and at 4.30am I finally got to bed, ending a very long day.

### Saturday 1st March

Woke up at 8.30am to the sound of monkeys, a dog and a

*Craig Meuleman, gold medal winner, pictured receiving his trophy*

sacred cow having a fight outside my room.

This was official practice day for Trap, so we all went out to the shooting range and checked out the layouts and targets. After some practice and having made friends with Rudolf Strnad, a shooter from the Czech Republic who was there by himself, we hired two taxi cabs (for 450 rupee - about \$18 Aust. which allowed us 8 hours of time or 80kms) and we went into New Delhi shopping.

The trip was "hair-raising" to say the least - we had to hang on to our seats as there appeared to be no road rules, no traffic lights, no right or left side of the road. You just drove wherever there was a space, blowing the horn continually, dodging sacred cows, bikes, trucks and buses, and the pedestrians don't even get worried.

As I had a technical meeting to attend back at the shooting range, I left the boys shopping (they were heading for the markets) and I went on my way. The officials were all very helpful and couldn't do enough for me, and the meeting and finalising of all the paperwork was soon completed.

Back to the hotel. Most of the team were eating out of their

suitcases - Craig Meuleman's case looked like a travelling restaurant. John Maxwell had his own little cooker, and Ben Kelley appeared to be living on muesli bars. David Nielsen and I ate at the hotel's restaurant.

### **Sunday 2nd March**

We had an 8.30am start as practice had to be finished by 11.00am so we could get ready for the Opening Ceremony which was to be held at the Army Barracks. Practice was a bit haphazard as the squads were not full all of the time, so it was a bit off-putting, but the boys still performed well.

His Excellency the President of India officially opened the World Cup which was done with much pomp and ceremony. Our team, led by John Maxwell carrying the flag, marched in their official Aussie blazers, ties etc. and I was very proud of them.

The Opening was quite a spectacular affair, with a band display, Indian singing and traditional dancing, a parachute display, and then they released pigeons and balloons in front of a crowd of some 2,000 to 3,000 people - I personally felt very disappointed for the Indian Shooting Federation having presented us with such a welcome and only having the number of competitors that were there, perhaps only half of what they had expected.

The only disappointment at the Opening Ceremony was that with the very strict security at the Army Barracks with the Indian President being in attendance, all of our cameras were confiscated at the front gates and consequently we have no photographs of this grand affair.

### **Monday 3rd March**

The first 75 targets of the Trap was shot and the boys did not shoot as well as we had hoped, but neither did the other shooters, with the exception of Giovanni Pelliello of Italy. The targets being thrown were far too fast and way too far - I questioned the distance of the targets but was shown that they were thrown to a maximum of 80 metres, but I could not make them understand that the ground was not level

from the firing point to the landing pegs and that if the ground were levelled out, the targets would have been travelling closer to 100 metres. They also did not allow for head winds and this, I believe, contributed to the low scores shot on the first day of competition.

The Italian Coach and Team Manager were of the same opinion as me and, after I voiced my concern to Tibor Gonczol that night, miraculously we all found the targets much better the next day and the scores went up considerably.

David Cunningham and Clive Barton arrived at 3.30am in the morning and they had come out with the rest of the team to the shooting range where they had some practice.

There was very little to see or do where we were staying, so late in the afternoon again we hired two taxi cabs and went sight-seeing.

Some of the boys still dined at Maxwell/Meuleman's Restaurant, and Clive Barton, Ben Kelley, David Nielsen and I opted to eat at the hotel restaurant. David Nielsen ordered yet again from the Special Menu and seemed to relish the Indian food.

So far we had not had a reason to call on the contents of our First Aid kit!

### **Tuesday 4th March**

The weather conditions had been fine throughout our stay with the temperature around 28°C, with a wind coming up each afternoon. In the mornings the smog and pollution had been quite bad.

The actual shooting range was quite a large complex, housing all of the disciplines, rifle, pistol and shot gun. The shot gun section was of a reasonably high standard, with all Materelli equipment.

The main Clubhouse would have been of a very high standard when first built, but has deteriorated with time, and the garden area appeared to all be watered by hand, people with buckets of water doing that task.

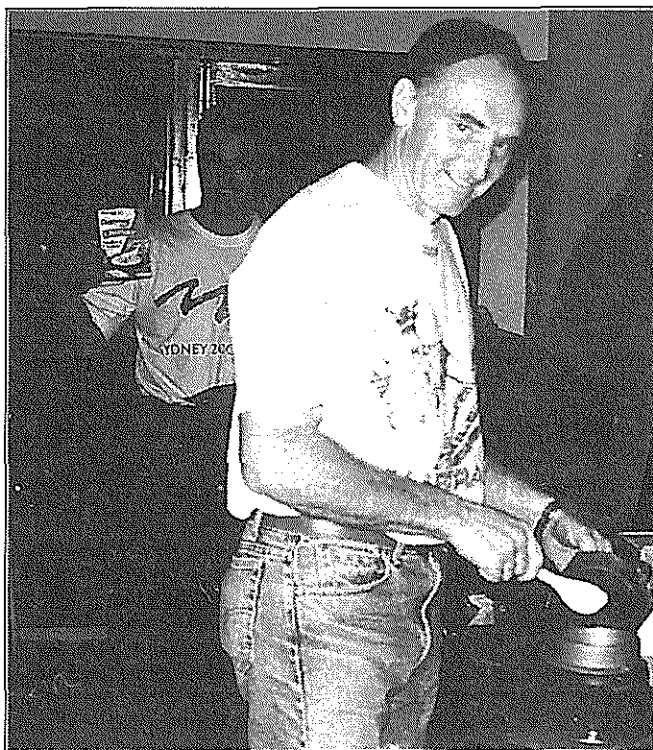

The background at the shooting range consisted of some thicket-type bushes in the foreground and a magnificent 500-year old fortification to the old city behind this - the built-up walls seemed to run on for miles and it was very impressive.

We also had been assigned a young lady, Rashmi Nayar, who looked after our transport, accommodation, helped with official duties, and she met us on a daily basis to sort out any problems we may have had.

For the last 50 targets in Trap our three shooter felt much more confident with the targets. The scores coming in were much higher, Ben posting a 23, David a 21 and then John shooting a 24.

After the last round it was found that John had to shoot off for the 6th position in the final (a couple of the officials were trying to work out the 6 on a countback system so a bit of quick talking with the Indian Officials, the Italian Coach and Manager and I and we finally sorted this matter out, and finally the shoot-off got underway with John having to shoot first - this again unconventional as they would not let John see a target on each station as moved across before he shot. But to John's credit and with his experience, after only 4 targets single barrel, he won the 6th position for the Final over Titarelli of Italy.

After a considerable break we all moved to the next ground for the Final and this proved to be a long drawn-out process as there were dozens and dozens of broken targets coming out. At the end of the Final, John once again had to shoot off, single barrel, for the 5th and 6th position. John's name was drawn out first again and by this time they had finally worked out that he was able to "see a target" on each

*Tea time at Maxwell/Meuleman's Restaurant*

station as he moved across, but it was all over after only three shots and John was victorious over an Indian shooter.

Australia's placings were then 5th John, 6th to Ben and 9th to David, and we won the Bronze Medal in the Team Shoot. Presentations were held shortly after, with many dignitaries in attendance.

Our shooters did not finish as high as we would have liked, but given the hardness of the targets, I believe we should all be very proud of their performances as they were a credit to Australia.

John, David and Ben were flying out that night at 9.30pm, so it was back to the hotel for packing and showers before they were driven back to the airport, once more under Police escort.

### Wednesday 5th March

Skeet shooting commenced at 10.00am and David shot in squad 1, and came in happily with a 25, hitting all of his targets really well. Craig in squad 2 also posted a score of 25 and Clive, who was shooting in squad 4, dropped four targets and really put the pressure on himself.

When the first day's rounds had been completed, Craig had a score of 73, David was on 70 and Clive on 67. Both David and Craig were feeling pretty confident and Clive wondered just what he had done wrong.

As it was still reasonably early when we had finished at the shooting range we decided to get a taxi cab once more to get some last-minute photographs of New Delhi, and we ordered a taxi with a driver who could speak English so we could get him to stop if we found something interesting.

Driving in the city just on dusk we passed a chap riding on an elephant down the main street, so we got the taxi driver to stop so we could take some photographs. To our surprise he also got the elephant rider to stop, the rider then instructed his elephant to kneel down and he motioned for one of us to get up on the elephant's back (for a small fee of course), so we hurriedly elected David to be IT and up he went, thinking that the elephant's owner would be getting up with him, but when the handler then got the elephant to stand up, poor David atop of the elephant looked less than impressed and the elephant made a few disapproving noises as well! The rest of us madly snapped photographs while killing ourselves with laughter, for we could just visualise David and the elephant stampeding through the traffic on the main street of New Delhi. After a good laugh and scenic drive of the town by night, we headed back for an early night, all feeling confident for the next day's competition.

### Thursday 6th March

The final day. Clive shot in the 1st squad and came in with a 23, a much happier person. David in squad 3 shot another 25, and Craig in squad 4 came in with a 24.

By this time I don't know who was more excited, the boys or me, with me rushing from one ground to another trying to give them all moral support.

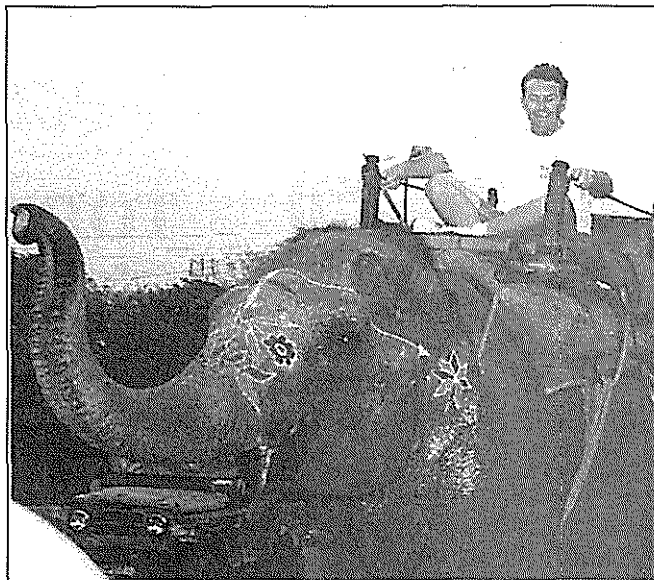

The 2nd round saw Clive shoot another 23, David a 24 and Craig a 23.

This put Craig equal 2nd and David had to shoot off with three others for the last three positions.

This was a breathtaking shoot-off as all shooters dropped a target and they had to start all over again, and when shooting doubles from stations 3, 4 and 5, this is really high pressure shooting. The final three were decided, with David making the final 6, and I was really happy to see two Australians in there, along with three from Kuwait and one from Qatar.

The final was a real nail-biting affair, with all shooters dropping a target except for Craig, who seemed to be as confident as I have ever seen, just smoking his targets as he went. At the end of the final, Gold went to Craig with a magnificent 25 over the World Champion from Kuwait, with Qatar coming in 3rd place. Our Team also won Silver, and I didn't know whether to laugh or cry on seeing the joy in Craig's face when he realised that he had just won the Gold medal. The media immediately mobbed him and some 3/4 of an hour later David hoisted Craig above his shoulders (a role he initiated in last year's Olympics) for a photograph. We then packed up the guns and then Craig and I set off for the drug testing room (Craig won in here as well - the only one to achieve his goal at the first try).

Presentation was again a spectacular affair, but more so with Green and Gold winning the individual and Green and Gold taking out the Silver medal in the Team event. A really great achievement by our Skeet shooters, the scores

*David sampling the local transport*

were world class and so were the shooters.

After saying goodbye to our hostess Rashmi and exchanging gifts, we all went back to my room where we finished packing, showered and changed as we were leaving at 9.00pm to get to the airport for our 12.30am flight out.

We needed every bit of this time as the airport was packed with people who were flying out, and we were extremely lucky that we received VIP treatment with ticketing, Customs and Immigration, thanks to the first-class organisation by Ansett and the Indian Shooting Federation.

### Friday 7th March

The plane was delayed in taking off and was full when it did, making for an uncomfortable 5 1/2 hour flight back to Hong Kong where we had a 12 hour stopover. After what seemed to be a dozen times of packing and unpacking guns at the Hong Kong airport, we finally headed downtown to a hotel room that we had booked for the day.

The room, including the bathroom, would not have been any bigger than 12' by 8', with two beds, and by the time the four of us got in there, there was not much room for anything else, so off shopping we went, with David and Craig leading the way to all of the expensive watch and jewellery shops.

After a couple of hours of this I left the boys and went back to the hotel for a short nap before they returned.

Sitting upstairs in the Ansett Jumbo on the way home, we received a royal treatment and it was like being in a Five-Star hotel. The service supplied by Ansett to Hong Kong and return is great.

Upon our arrival back in Sydney, and after going through Immigration and collecting our luggage, we found David's suitcase had gone missing, as was the esky full of drug samples that I was carrying back for the Indian Shooting Federation for testing in Australia. Finally the samples turned up but by this time we had all to go our separate ways to catch connecting flights to Melbourne and Adelaide.

This ended for me a most rewarding and memorable trip to the Indian continent, and our shooters representing the A.S.A. and the A.C.T.A., I feel, did us proud!

# Never Too Old to Shoot

Written by Clive Shepherd

*This is the story of Alan Brown, a most remarkable member of the West Australian Gun Club.*

Alan joined the West Australian Gun Club in 1986 when he was 74 years old, an age when few people would venture into a new sport. Alan took up his new sport with the enthusiasm of a youngster. Four days every week that the Club was open, you would find Alan at the traps trying desperately to develop the skills to succeed. People who helped him found that he was eager and very quick to learn.

Alan recalls that people in the Club were very helpful. He is particularly grateful to Lex Shipp, State Manager of Winchester Australia, for helping him in his early days with trap shooting, and to Clive Shepherd who helped him with skeet.

Alan practiced diligently at both trap and skeet and his shooting improved rapidly. He won his first trophy, the Captain's trophy for the most improved shooter, in September 1986, only a few weeks after he started shooting.

By early next year Alan was shooting very creditable scores, and he started travelling to open shoots as far away as Kalgoorlie and Esperance. In May 1987 Alan

went to Kalgoorlie Eastern Goldfields Annual Shoot and shot 94 in a 100 target double barrel event. He won the C Grade and was promoted to A Grade.

He shot his first 50 straight in trap, and has since repeated this many times. Alan was also progressing in skeet, and was shooting good scores. He won many club events in both trap and skeet. Here are some of the highlights of his shooting career:

\* Qualified for the 1992 Australian Veterans Team

\* Shot 50 straight in skeet in the World Firefighters Games at Perth in 1994 at the age of 82

\* Won four gold, two silver and one bronze medal in the World Firefighters Games at Perth

Alan Brown's greatest achievement came in 1995, when at the grand old age of 83 he shot 100 straight in trap. And what a beautiful 100 it was! Every target shot with precision and near perfect timing.

Alan has been an excellent club man, and has been a generous financial supporter of the Club. A nurseryman by profession, he arranged the planting of a bed of annuals over the 50-metre length of the club house. Several times each year the plants would be replaced so that they provided a year-round feast of colour. He continued this service for several years. In recognition of his services to the Club, Alan was presented with the Club Man of the Year Award in 1994.

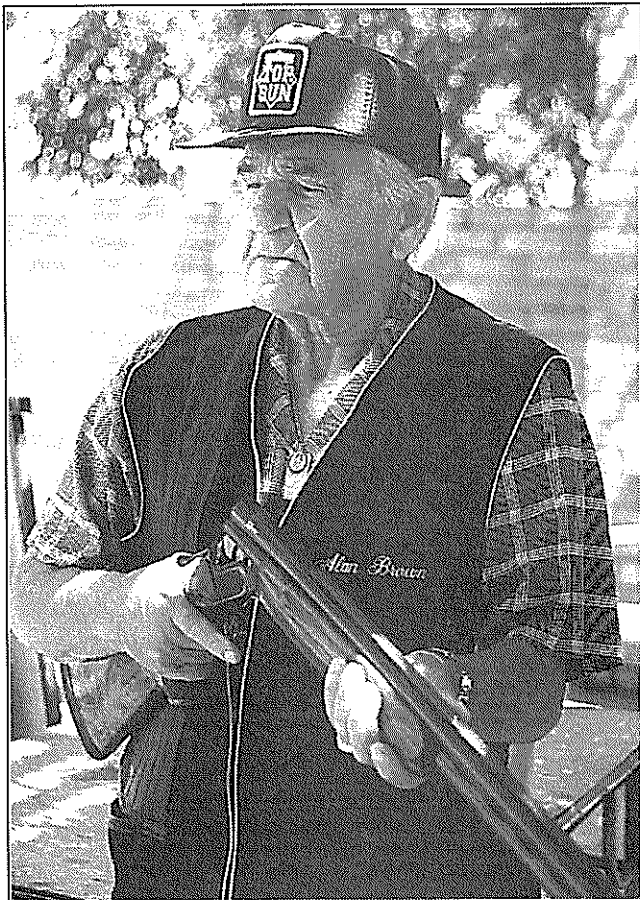

In the short time that Alan has been shooting, he has used many fine guns and is presently shooting a Perazzi trap gun fitted with special Kemen barrels, and a Perazzi SO3 for skeet. He passed on some of his guns, including a Beretta SO5 and a high-grade Perazzi, to his grandson Mark McDonald, who started shooting at the same time as Alan, and is now making his own mark in trap shooting.

Alan really enjoys shooting and the company of people in the sport. He has made many friends and is very popular at the West Australian Gun Club. He often says that he regrets not taking up shooting as a young man. One can only wonder what he could have achieved if he had started shooting in his twenties.

He is now almost 85 years of age and still shooting regularly. He is slightly apologetic that he now shoots only three times a week! A typical outing would be 25 skeet and 50 trap. He frequently shoots 24 or 25 in skeet and 48 or 49 in trap.

Alan believes that his ability to shoot successfully at his age is due to a fitness routine that he has followed for most of his life. His present routine consists of swimming every day in an indoor heated pool.

Alan Brown has made an important contribution to clay target shooting by demonstrating that you can successfully start shooting late in life, and can shoot good scores well into your eighties. His performance should be an inspiration to older shooters throughout Australia.

# Australasian-Pacific "Grand Prix"

## Brisbane Gun Club, 17th-23rd March 1997

Shooters from throughout Australia and overseas converged on Brisbane Gun Club during March to again confirm the standing of the Australasian-Pacific "Grand Prix" as the undisputed "premier" international olympic discipline clay target shooting competition in the region.

Scores worthy of the world's best competitions were constantly recorded during the week-long competition, which marked the third time the "Grand Prix" has been conducted.

Visitors from America, Japan, New Zealand and throughout Australia were amongst the field of in excess of 100 I.S.U. shooters who contested the badge matches in Double Trap, Olympic Trap and I.S.U. Skeet, the "Southern Cross Classic" competitions in trap and skeet, and the Australasian-Pacific "Grand Prix" events in all three disciplines.

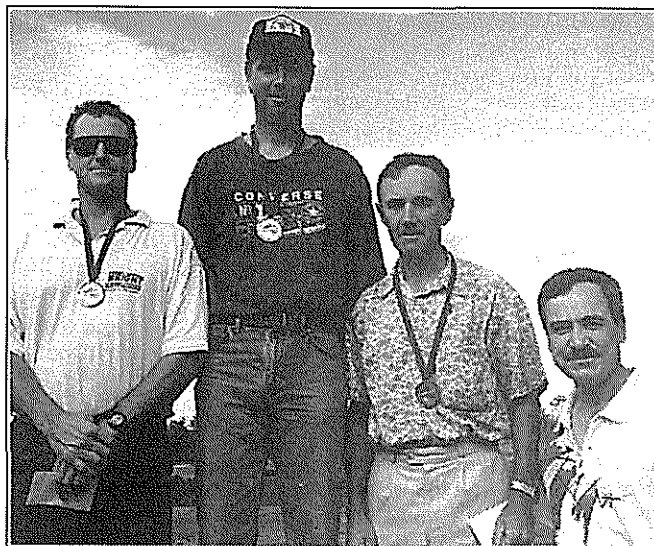

**Overall winners of the 1997 Australasian-Pacific "Grand Prix" Olympic Trap — 2nd Filip Petriella (Canberra), 1st on Turner Jnr (Cessnock), 3rd Deserie Wakefield (Mildura).**

Weather conditions for the competition were near perfect for the duration of the tournament, and no doubt contributed to the standard of competition which was of a higher standard than any witnessed in Australia for some time. In all cases, the scores recorded to win the "Grand Prix" events were in excess of those recorded to win the National titles in Adelaide in 1996, a good indication that Brisbane's facilities and ideal weather conditions bring out the best in competitors to ensure a good competition.

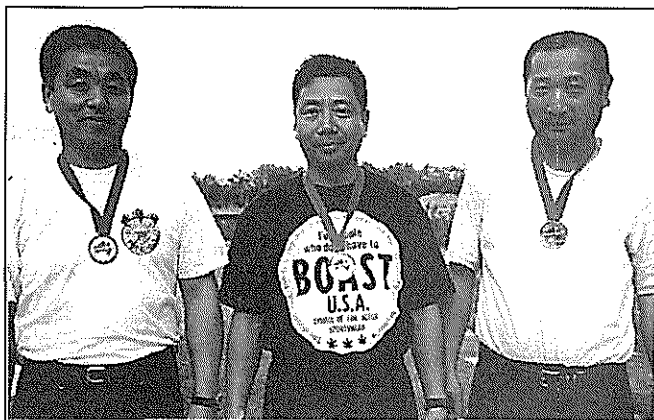

No doubt the standard of the competition, coupled with the fact that Brisbane Gun Club's facilities will be totally upgraded within the next month or so to include three brand new Rossini hopper-fed Olympic Trap ranges and upgraded Speith I.S.U. skeet fields, will auger well for future competitions. Brisbane's heavy calendar this year includes the U.I.T. World Cup in June, inaugural Australian Shooting Games and State I.S.U. Carnival in July, and the Olympic Discipline National Carnival in October. The Australasian-Pacific "Grand Prix" competition will again be conducted during the early part of 1998 and hopefully will be acknowledged for the value this important competition can play as part of our national team's selection series, taking advantage of a major competition with a large field at home here in Australia.

Following a weekend where many competitors took advantage of the opportunity to get in some early practice, the official practice day on Monday 17th March saw a good influx of shooters practising both Double Trap and Olympic Trap. It was very pleasing to have shooters from interstate as well as overseas taking advantage of the extended

practice, indicating that 1998 may well include a further double trap event and practice on the weekend before the competition gets underway.

### Double Trap Badge Match

The first event to be contested during the week-long tournament was the Double Trap Badge Match which attracted a good field, especially in the ladies section. Most of the keen exponents of the Double Trap discipline were in attendance, in particular many members of our national ladies team.

With the badge match under their belt, the field lined up immediately for the main Double Trap competition with the Australasian-Pacific "Grand Prix" - 75 pairs plus a final for the top six shooters. The ladies event was conducted over 60 pairs + final with all ladies also eligible for grade placings, so as usual at the "Grand Prix" the ladies would be shooting the 150 targets.

After the completion of the first round Cairns junior Derek Bruce was in the lead with 46/50, followed by Dexter Barnes 45/50, Greg Newey 44/50 and Brett Hall and Russell Mark both on 43/50.

Rounds two and three saw places change with Russell Mark emerging as first into the final with 134/150, followed by bob Simpson (Cairns), Geoff Lancaster, Greg Newey, Craig Bentley (Lower North SA) and Brett Hall (Darwin). Results following the final:

#### I.S.U. Skeet Badge Match

A good field of three squads of I.S.U. Skeet shooters lined up for the first event on their program, the 75 target badge match. A few faces that hadn't been seen for a while also turned up. Barry Nelis and standard skeet shooter Dave Dundon were two, along with converted Olympic Trap stalwart Kevin Perkins from Illawarra and his son Darren. One of Australia's best up and coming field and game shooters, Damien Birgan, also decided to give the discipline a try.

Scores were good with the first round seeing Michael Inguanti of Frankston-Australian carding a clean 25/25 to take the early lead from Clive Barton of Tamworth and Kris Jones of Wakehurst on 24s.

After round two Clive Barton and Michael Inguanti were making a contest of the event, both having 48/50. Next was Kevin Perkins with a pair of 23s followed by Brian Prosser and Kris Jones, both on 45/50.

Clean rounds of 25/25 were starting to appear with Angelo Zappala (Townsville), Craig Bentley (Lower North SA), Nick Walsh (Brisbane) and Armando Coco (Redcliffe) all shooting possibles.

## Southern Cross Classic I.S.U. Skeet

After the opportunity to shoot a badge match as a lead into the first of the 125 target competitions, everyone was ready to go and keen to commence the real events.

Again 3 squads of I.S.U. skeet shooters lined up for the event, with Australian representative Clive Barton and Michael Inguanti probably starting favourites.

After the first 25 targets Clive Barton on 24/25 had a one target lead over Brisbane shooter Kel Madsen, with Ken Jones of Wakehurst and Barry Nelis one target further back. There were plenty of 21s and even a few not so good 20s.

Round two saw little change in the standings, with Clive Barton hanging on to his one target lead from Kel Madsen, with the remainder of the field struggling.

At the completion of the first day, Clive Barton had finished with a clean 25/25 and a 72/75 for the day, five targets clear of Kel, who finished with a 21/25, and looking good for the second day. Scores for the day weren't brilliant with plenty of 21s and 22s, but not many scores higher.

The final 50 targets of the Southern Cross Classic and Kel Madsen signalled his intent by registering a clean 25/25 in the first round of the day to pick up 4 targets immediately. Michael Inguanti also carded a 25/25 to make a late run, along with junior shooter George Barton who registered 24/25.

At the completion of the 125 targets, Kel Madsen had pegged Clive Barton's lead back and had qualified as first into the final equal with Clive on 115/125. Clive's brother George had done enough to record the third highest score with local member Brian Prosser, Ken Jones of Wakehurst and Barry Nelis of the Gold Coast making up the six. Barry first had to survive a shoot-off with Michael Inguanti to reach the final.

The six-man final was a good spectacle. The lead see-sawed and at the end Kel Madsen and Clive Barton had again come out even and had to continue the shoot-off, shooting doubles from stations 3, 4 and 5 until finally Clive emerged the victor.

## Southern Cross Classic Olympic Trap

The commencement of the first major Olympic Trap competition saw a doubling in competitor numbers with the event wide open and sure to be hotly contested.

Round 1 and clean 25s were hard to come by. Dexter Barnes of Melbourne and Craig Bentley of South Australia were the first two to appear, followed closely by Dick Bennett (Majura Park ACT) and Jar Smaniotto (Cairns) who was shooting very consistently. Kiwi Olympian Brant Woodward, Steve Baynes (Jamestown SA), Bob Simpson (Cairns), Derek Bruce (Cairns), Greg Newey (Warwick), Mac McGregor (Brisbane), Angelo Piazza (Marconi), Ted Schneider (Richmond River) and Diane Reeves (Normanton) all recorded 24s to be right up with the leaders with 50 targets to go for the day.

After 50 targets, Dexter Barnes had the lead on 49/50. Brant Woodward, Steve Baynes, Bob Simpson, Tom Turner Jnr (Cessnock), Glenn Kable (Cecil Park), Craig Bentley (Lower North SA) and Jar Smaniotto all had 48s on the scoreboard with plenty more competitors only one or two targets further back.

As the day went on the conditions became even better, and so did the scores. Round 3 saw clean 25s from Steve Baynes, Dexter Barnes, Derek Bruce, Greg Newey, Nino Pedulla and Dick Bennett (his second for the day). Top score for the first day was Dexter Barnes on

74/75, followed by Steve Baynes 73, and Brant Woodward, Tom Turner, Derek Bruce, Greg Newey, Ben Kelley all on 72/75.

Day two and after 50 targets the scene was starting to set for the first of the Olympic Trap "finals". Good scores filtered in all day with Glenn Kable shooting 50/50 and Brant Woodward, Steve Baynes, Bob Simpson, Tom Turner, Craig Bentley and Nino Pedulla all recording 49/50.

After 125 targets the top six for the final had to be sorted out - 120s had to shoot off. This was terrific shooting and a situation that would rival any competition held in Australia in recent times. All shooters in the competition were to be congratulated on their performances. The weather conditions were certainly a factor as the hard work was put in on the equipment by "Mac" McGregor, col Boyd, Tony Houselander, Jim Kelly and others.

After a short single barrel miss-and-out shoot-off, Derek Bruce and Bob Simpson both edged Greg Newey out of the final. Greg probably thought it was a bit tough to be standing on the sideline with 120/125 and not in the final, but so did Glenn Kable, who shot 50/50 for the day to finish on 119/125 - Glenn just ran out of targets to shoot at after putting in an ordinary 21/25 mid-way through the competition. 119s were also recorded by Ben Kelley and Craig Bentley, while Geoff Lancaster from Guyra was making a good fist of his first serious go at the Olympic Disciplines.

The final six: Steve Baynes 122, Brant Woodward 121, Tom Turner 121, Dexter Barnes 121, Derek Bruce 120, Bob Simpson 120.

At the completion of the final, Kiwi Brant Woodward's experience showed through, Brant shooting a good 25/25 to take the overall honours from Steve Baynes, who was also having a good competition. Tom Turner finished a credible third, one target further back from Steve on 144/150 after surviving a miss-and-out shoot-off with Bob Simpson.

## Australasian-Pacific "Grand Prix" I.S.U. Skeet

The final 125 target competition for the skeeties and the numbers had increased slightly on the weekend with the arrival of the visiting contingent from Japan.

At the end of the first round Clive Barton had set the scene for the competition, recording a clean 25/25, one ahead of Brian Prosser on 24. Clive followed up with a 24 in the second round and another 25/25 in the last round of the day to be one target down for the day on 74/75. Darren Perkins of Illawarra was in second spot with 69/75, followed by Len Norman and Kevin Perkins both on 67/75.

After 50 more targets Clive Barton had retained the momentum shooting 48/50 for the day to card a very creditable 122/125 - as good a performance as has been witnessed around the I.S.U. Skeet scene for some time. Len Norman was holding down second spot on 110/125, while "Perko" senior had third spot secure for the final.

Again the final did not see top scores recorded, but at the end Clive Barton had recorded his second win for the week on 143/150. Len Norman hung on for second, while Kevin Perkins had to survive a shoot-off with promising junior Michael Wenzel to take overall third.

### Australasian-Pacific "Grand Prix" Olympic Trap

The "Blue Ribbon" event of the competition and, as with the skeet, the field had swelled with the inclusion of 11 Japanese shooters and quite a few locals and others who had not been able to make it for the entire competition.

125 targets and final to go and the scene was set for another tight two days shooting. The previous event's top performers started where they left off the day before, with Brant Woodward, Jar Smaniotto, Derek Bruce, Bob Simpson, Dexter Barnes and Deserie Wakefield all recording 25/25, as did Robin Loy of Warwick and Brisbane member Jim Kennedy who must have thought he had finally found the answer with his new Beretta.

The next two rounds produced more of the same with Filipo Petriella shooting 50/50, Bob Simpson, Brant Woodward and Deserie Wakefield adding 25s to their clean first rounds, and Russell Mark, Ben Kelley, Tom Turner, Jar Smaniotto, Greg Newey, Frank Minici and Ted Schneider all putting together perfect 25s.

After 75 targets, Jar Smaniotto had the lead on 74/75, one target ahead of Tom Turner, Filipo Petriella and Bob Simpson on 73/75. Russell Mark, Deserie Wakefield, Derek Bruce, Ben Kelley, Brant Woodward, Nino Pedulla and Robin Loy were all on 72/75 with plenty of other shooters still in with a chance.

50 targets to go in the Australasian-Pacific "Grand Prix" and it was still an open competition. Jar Smaniotto started solidly with a 24 as did Filipo Petriella, Russell Mark, Robin Loy and Craig Bentley. Brant Woodward recorded the only clean 25/25 for the round, giving him a share of the lead with only 25 targets plus the final to go.

The last round of the competition saw a few hiccups. Brant Woodward slipped with 21/25 to finish on 119/125 along with Ben Kelley, Derek Bruce, Russell Mark and Deserie Wakefield. Jar Smaniotto (122) was number one into the final, followed by Tom Turner and Filipo Petriella (both on 121). Again the scores were

extremely good, with five shooters on 119 shooting off for the last three positions in the final.

The final again proved a great battle, with Tom Turner shooting a perfect 25 to take the overall honours. Filipo Petriella lasted long enough to take second place, while Deserie Wakefield and Jar Smaniotto continued the shoot-off to determine third overall, Deserie finally being the victor.

had by all. Again the "Grand Prix" dinner was successful, with 100 people taking advantage of the opportunity to socialise over a smorgasbord dinner and a few drinks.

From a competition point of view, the 1997 Australasian-Pacific "Grand Prix" tournament provided some of the best competition experienced for some considerable time. The perfect weather conditions and attention to detail by the many of the behind-the-scene people all contributed to make the 1997 competition what it was.

The Organising Committee and Committee of Brisbane Gun Club would like to record a special thanks for the continued support received from the Winchester Division of Olin Australia, in particular for their continued support of the Japanese Top Gun Club and their efforts to again bring them to Brisbane. Winchester have also continued to support the "Grand Prix" through their local representative Bob Dupuy.

The Club's thanks must also be extended to Fuller Firearms for their continued support and supply of competitor starting numbers and Austral Gun Company, who this year organised the inaugural "Perazzi" trophy for the best overall performance by an international visitor in Olympic Trap.

To the many local supporters also a big thanks. Paul and Judy Clarkson, Tom and Thelma Meadows, Dan Moffitt and Lui Nuzzolese have all now contributed to the growing list of perpetual trophies and overall awards presented. The many hard working club members who continue to make the "Grand Prix" what it has become, also deserve a vote of thanks for their efforts, as do the Organising Committee members who have given their time so often to do the hard work.

Along the way, suggestions are often made as to how a competition such as the Australasian-Pacific "Grand Prix" can be improved, and this year is no exception. Numerous suggestions have been made for the improvement of the tournament in 1998 and no doubt the organisers and competitors alike can look forward to a bigger and better competition in 1998.

See you at the 1998 Australasian-Pacific "Grand Prix".

*David Menck, Secretary, Organising Committee.*

## State Championship:

The State Night Single Barrel Championship was conducted at Leeton Gun Club on 15th March. There were 16 competitors who lined up for the event with Noel McDermott from the local club taking the Championship with a score of 46/50. Congratulations.

## New Club:

Narromine Gun Club has now commenced shooting and shoots the third Sunday bi-monthly, with shoots April, June etc. Shoots start at 11.00am. The Club is located as follows: Travel 4-5km along Gilgandra Road from town, and turn right into Macquarie View Lane. Follow to end. Further particulars ring Luke Kirkby (068) 894 885.

## Warren Open Shoot:

Once again was a major success. Many thanks to the Warren folks for their hospitality and friendship. For those who have never been, you're really missing a great shoot.

## Majura Park Miroku Challenge:

Strong winds, pelting rain, thunder and lightning certainly made the shoot a real challenge (this is no exaggeration - I was there!). Despite the weather being only fit for ducks, 10 squads of very hardy(?) shooters turned up to compete.

The man of the moment was Kym Chiaverini from Goulburn who won the Miroku with a score of 98/100. Kym shot the first 50 targets clean when the conditions were so bad you could barely see the targets, let alone hit them. Congratulations Kym on a well deserved win.

Thank you to all the shooters who turned up and spent most of the day wet; despite this most people stayed cheerful and many were a great help to the Club Committee members. Help like this makes for a smoother running competition and the Club received many favourable comments on how well the shoot was run. Thank you also to all the Club members who helped prepare for the shoot and those that spent the day in the trap houses, office and canteen.

Other winners were AA Grade Tony Barton 105/113 and Kim Nealon 104/113; A Grade C. Milligan 111/117 and D. Reed 110/117; B Grade C. Anderson 96/100 and R. McGee 91/100; and C Grade M. Kolstad 94/101 and D. Stevens 93/101.

The 25T Handicap event was won by Club President Darryl Reed with 25/25, followed up by D. Giatras 37/38 and P. Ewart 36/38.

The Overall High Gun also went to Darryl shooting 126/133. The Ladies High Gun went to Wendy Barton 113/129, and Junior High Gun to R. Cameron 106/125.

The Club sends a special thank you to Fuller Firearms and their rep Craig Golding for their support.

# Yass Gun Club Hot Shots

The Gun Club held their first outing on 16th February with no less than 40 members and visitors attending. The day was hot and windy and the targets flying high.

The opening event was a ten target double barrel shoot, with 13 shooters getting a possible. They were: Wendy Barton, D. Hogan, G. Mills, J. Allen, N. Carey, P. Luck, R. Medway, D. Smith, T. Barton, P. Lyons, Merv Lyons and Mick Lyons.

Other shooters just off the money were Ken Luck, Ian Howard, Bevan Brown, Pat Gerstenburg, Malcolm Day, Sean Hayes, Greg Morby, Steve Crown, Roy Ellis and Anthony Barrie, all scored eight points.

The next event, a 20 bird handicap, attracted 33 participants, with Geoff Scanes and Ray Smith getting 20 points, closely followed by Peter Southwell, Geoff Mills, Jim Allen, Malcolm Day, Neil Privett, Dennis Smith and Mick Lyons getting 19 points.

Paul Watchorn, shooting for targets only, also scored 19.

For the ten target pointscore, 21 lined up for this event. Jim Allen shot a possible of 30 points for this event, with 29 going to Chris Milligan.

The outing on 16th March was a pleasant day, with 25 members and visitors trying their skill at the clays.

Five events were run off during the afternoon, bring about the following results:

First event, five target double barrel Rob Pollack, Geoff Scanes, Neil Privett, John Pateman, Anthony Barrie and Bevan Brown.

Event two, 15 target double barrel handicap event brought four shooters to the winners circle, Malcolm Day, Ray Smith, Ian Crisp and Bevan Brown.

The ten target double barrel event number three saw only two possibles shot by Bevan Brown and Anthony Barrie.

D. Westmore and Geoff Scanes performed well in this event, missing only one bird each.

Event four, a ten target double barrel pointscore. This event once again saw Anthony Barrie and Bevan Brown both marking up a possible of 30 points.

G. Moorby and R. Smith second 26 points.

The final event, a five target double rise, was won by Paul Watchorn nailing eight out of ten clays, with D. Westcombe, N. Privett and Bevan Brown three off the mark.

Bevan donated back to the Club his winnings of the day, a very fine gesture.

President Ray Bayley would like to express his grateful thanks to all who provided either material or labour into putting the gun club facilities together.

Without this assistance the Committee of the gun club would have been hard pressed to get the club up and running.

Thank you one and all.

# Maryborough Tidbits

Maryborough holds its sesquicentennial shoot on 25th May, the program being 100 target Continental (1-2-3 each Grade), with 12.00 noon start. Don't ask me to spell it again, but it is for Maryborough's 150 years' birthday.

## Bundaberg 2-2-97

While Bradley Petersen was on holidays, he dropped in to a few Clubs to have a shoot at Dorrigo Gun Club 2nd February and took B Grade in the 25tgt Double Barrel Championship, but missed out in shoot-off for OA. At Coff's Harbour Brad won a metre for 1st in 25tgt Handicap, and took B Grade in 25tgt Points. And on the way home dropped into Redcliffe and won 25tgt Double Barrel and 1st in 50tgt Medley in B Grade plus B Grade HG. Good shooting Brad.

It was good to hear at the shoot that Keith Palmer was home and making headway. Get better soon Keith, we miss you at the shoots. New shooters to join on the day, Di & Ken Shaw who haven't shot for a couple of years, and also welcome to Kevin Willis, a new shooter to the area.

Spencer Plath drew the Jackpot but failed to take the Jackpot. Better luck next time Spencer. Feed The Man Meat is the slogan at the Berry's as Wilma won the meat tray, and my driver Harry won the whisky. Good luck to both. Visitors for the day Irwin Wynyard and Neil Berry with Harry and yours truly, also several locals having a shot before joining.

Results of the day being the 25tgt Double Barrel CD AA Rob Rehbein, Irwin Wynyard, Mike Tipman and Neil Berry; A Kaye Rehbein, Kevin Willis and Gino Sergiacomi; B Harry Walker, which gave Harry a win for his last event in B, now returning to C; and C Barry Fisher. Event 2. 25tgt Points AA Mike Tipman; A Brian Palmer; B John Butters; C Barry Fisher. Event 3. 25tgt Single Barrel Championship OA & A Gino Sergiacomi; AA Neil Berry; B Norm Dale; C once again Barry Fisher. Well shot Barry. Last event 15 Pair Double Rise AA Rob Rehbein; A Brian Palmer; B Brad Petersen; C Harry Walker, with Neil Berry OA HG.

Best of luck to Neil Berry and Irwin Wynyard as they are both off to the New Zealand Nationals.

## Gympie 9-3-97

It seems President George always gets the headline. This time the talk was the big break George made. Apparently George was helping unload targets when the bottom of the box came open and clays came tumbling down. Something like a hundred break in one go. Good breaking George. Bill Edgerton now shooting A and Brian Goddard who just returned to shooting is now AA. Good shooting by both. Welcome back to shooting. Beven and Col Campbell joining Gympie again. Visitors G. Murfitt, T. Becker, G. Manning, S. Gallacher, N. Keech, R. Wilson, B. Power, K. Howard, Q. Porfiri, M. Murray, S. Trafford, G. Coupar, G. Browne, T. Leake and K. Nasarenko, who drew the Jackpot but didn't shoot the lot still collected something for his trouble. Also Harry and myself. Colin Campbell won the Easter Egg Raffle and Ray Wilson the meat tray.

It looked that Greg Manning wanted to win a chair which was the trophy for the 50tgt event and when not winning one being Noosa Shooters Supplies, he traded a pair of High Score Glasses for a chair with young Timmy Becker, who won one in C Grade. Good dealing Timmy. Results of shoot

25tgt Points AA Q. Porfiri; A B. Goddard; B G. Manning; C R. Foster. 50tgt Double Barrel AA K. Nasarenko; A K. Howard; B N. Dale; C T. Becker. 25tgt Continental AA Roy Wilson; A: C Campbell; B G. Manning; C R. Foster; and High Guns AA Q. Porfiri; A B. Goddard; B Greg Manning; C R. Foster.

## Maryborough 23-3-97, Heritage One Day Shoot

We wish to thank all shooters who put up with the wet weather, the tail-end of Justin who came uninvited and rained on and off all day. This shoot, the first on our new trap and without it would have had to cancel one event with the rain. Big shoot-offs and one trap change-over - it was a day of hold-ups. Thanks shooters. Thanks to Mayor of Maryborough Allen Brown and Angus Robinson for opening new trap layout. Welcome to new shooter Tony Langusch. Visitors for the day B. and S. Edgerton, K. and R. ## I.S.U. Notes:

All I.S.U. shooters who follow the elimination series, please note that the elimination set down for the Cairns Club on 17th and 18th May has been postponed to a date to be advised.

Series dates to note are 17th and 18th May, Brisbane - Olympic Trap, Double Trap and I.S.U. Skeet; 14th and 15th June, Townsville - Olympic Trap, Double Trap; 22nd June, Sunshine Coast - Ball Trap and I.S.U. Skeet; 28th and 29th June, Normanton - Olympic Trap, Double Trap, I.S.U. Skeet.

The Australian Shooting Games are being staged in Brisbane during June and July - and three days of I.S.U. events have been added into the State I.S.U. Carnival program, Wednesday 9th to Sunday 13th July.

## Central Zone:

Councillor James Gall did not seek re-election at the recent Zone Annual General Meeting. His place has been taken by Rex Davis from the Whitsunday Club and he can be contacted on (079) 549 832 AH.

Peter Field did not seek to continue as the Zone Coach for the Central Zone, and this position remains vacant at the time of writing these notes. The Zone Coaching Seminar set down for Clermont on 21st June has also been postponed.

The Zone Committee, in conjunction with Gladstone Club, conducted a very successful Zone Trap Carnival recently, and their Team for the State Carnival at Roma in September comprises Danny Casagrande, Peter Comino, Denis McIntosh, Garry Darr, Rex Davis and J. Riggs.

The next State Championship to be contested in the Central Zone will be the State Day Mixed Targets at Gemfields on 12th July.

## Northern Zone:

The Normanton Club are hosting the Zone Trap Carnival on 3rd and 4th May - a long way to travel, so it is hoped that shooters will support them.

The Atherton Club have the State Day Double Barrel Tower Championship coming up on 25th May. Club Secretary John Suner can provide more information (070) 953 706.

Mount Isa will be holding their Annual Shoot on the weekend of 7th and 8th June. Ron Power will be able to give more information (077) 439 940 AH.

## South-East Zone:

The Caboolture Club are hosting the State Day Pointscore Continental Championship in conjunction with their Annual Shoot on 31st May/1st June weekend.

Sunshine Coast have the State Night Double Barrel Championship set down for Wednesday 11th June.

Brisbane have the Zone Skeet Team elimination in conjunction with their Annual Skeet Shoot on 21st and 22nd June.

Disappointing for Bundaberg Club to have to call off their proposed Open Shoot set down for the Labour Day weekend holiday 3rd-5th May. Once a new date has been arranged, notification will be forthcoming.

## Western Zone:

Skeet shooters have a chance at a Miroku Challenge at the Roma Two Day on 17th and 18th May. The Club have extended their Skeet facilities with the opening of the Club and by accepting a Miroku Challenge it is hoped that Skeet shooters will really get behind the Club and support them in their endeavour to lift the profile of Skeet shooting in the West.

Peter Jones has provided some results from the recent

Norfolk Island Annual Shoot. Great to see the Aussie touring party also figured in the results - those in the photograph who certainly enjoyed their trip are left to right: Peter Jones (Chinchilla), Graham Smith (Warwick), Brian Guthrie (Toogoolawah), Bob Golden (Condamine), Bill McKechnie (Brisbane), Glen Reeves (Townsville), Tony Robb (Tarawera), Spike Scouller (Chinchilla) and Rowan Kilmartin (Gladstone).

Apparently very windy conditions resulted in only two possibles being shot for the entire week, but a great time was had by all. One of those possibles was shot by Peter in the Championship sponsored by Ansett - he didn't mention if it was a 767 that he won!

Don't forget the Cunnamulla shot on 3rd and 4th May.

## Junior Development Coaching Seminars:

The Q.C.T.A. State Council took the step mid-way through last year to undertake coaching seminars for all eligible Juniors from throughout Queensland. An invitation was sent to every junior inviting them to attend the two seminars planned for January and May 1997.

The first such seminar was held over two days at the Brisbane Gun Club. Invited Trap Coach, Bill Iles, attended and 20 young shooters benefited from his knowledge. State Coach John Mitchell also assisted.

Additional advertising was carried out to seek out any juniors who may have registered since the initial invitations and also to attract those young shooters until 21 who may wish to receive Olympic Discipline coaching.

The second seminar has been programmed for 3rd, 4th and 5th May, again at the Brisbane Gun Club, and all disciplines will be covered. Bill Iles will again oversee the trap, Russell Mark will undertake Olympic Trap and Double Trap, and Col Burt will take control of Skeet and I.S.U. Skeet.

Both seminars have been supported by Winchester Australia and Olympic Targets, and the Committee and members of the Brisbane Gun Club have also given their time to assist.

The Q.C.T.A. Executive are most grateful not only to the sponsors and the Club, but also to the Coaches for giving their time to assist the Junior shooters of this State.

Members of the Esperance Bay Gun Club and surrounding clubs were saddened by the tragic loss of Harry Miller in a boating accident on 16th February 1997 aged 44.

Harry was involved in many sporting and community groups, but Clay Target Shooting was his forte. After joining the Bay Gun Club in the late 70s he shot his way to an AA shooter winning many trophies along the way, and being chosen twice for the W.A. Shooting Team. He held positions as President, Treasurer and Club Captain for many years.

Harry was a gentleman in every way, always willing to help out, loved to crank up the "barbie" and a yarn. His presence will be greatly missed at all clubs which he attended and Esperance Bay Gun Club extends their deepest sympathy to his family.

Christine Barnard was also tragically taken in the same boating accident on the 16th February 1997.

Chris loved fishing and played darts but was a tireless worker behind the scenes at the Esperance Bay Gun Club making sure the coffee was hot and results went in the paper, always willing to help in any way. Chris will be sadly missed by the Ladies Committee. Deepest sympathy to John.

## Allan (Bill) Tickle

It is with deep sadness that I have to report the passing of a long time friend and shooting mate in Bill Tickle, on 26th January 1997 at age 70 years.

I first remember meeting Bill in 1952 at the newly formed Shortland Gun Club, later renamed Newcastle Gun Club. The Club was then situated near the old mining village of Minmi. At that time Bill was shooting with his new Greener gun which then cost approximately one hundred pounds. He kept this gun in top condition and used it thereafter for most of his shooting.

Bill was a qualified Chief Marine Engineer in both motor ship and steam and served many years at sea before joining the Port Newcastle tug boat fleet as ships engineer. Owing to his work, he did not have the opportunity to shoot on any regular routine until recent years, when he shot mostly simulated field. He was well known around the traps for his wit and sense of humour, always ready to liven things up with a good laugh.

He was always a keen field shooter and we both enjoyed many a trip away, mainly hunting rabbit, fox and duck. His other hobby was fishing and living within a stones' throw to Stockton beach, he brought home many a good catch, including the odd large jewfish. He also enjoyed freshwater fishing for bass and occasionally trout.

We extend our deepest sympathy to his wife Glad, son Mark, daughters Leanne and Margaret and grandchildren.

John Fryer,

Newcastle/Lake Macquarie Clay Target Club.

## Guyra 33rd 2 Day Open

Glorious warm weather with brilliant sunshine throughout the two days and grounds in immaculate condition rendered the competition most enjoyable and, although a westerly tailfish breeze gave some shooters trouble with targets on Trap 4, a generally high standard of scoring prevailed throughout.

A good attendance of 76 on Saturday and 85 on Sunday, in spite of the fact that some 15 or 20 of our regular attendees at this Open were elsewhere.

26 shot the possible in the 25tgt Double Barrel Cash Divide opening event.

Event 2, the 50tgt Double Barrel Classic, saw 13 possibles. Arthur Turner from Dubbo outlasted the field to take Overall 219/219 from Ian Merrick of Cessnock 218/219 who took AA Grade. A Grade went to Keith Cummings of Cessnock 150/151; B Grade - M. Reinbott Guyra 53/54; C Grade - B. Elliott Goondiwindi 48/50.

Event 3, 25tgt Pointscore - 8 possibles shot with Michael Blenman, Guyra emerging victorious 132/132 for Overall from Keith Cummings 131/132 - AA Grade; John Simpson, Guyra 113/114 - A Grade; Mark Reinbott, Guyra 74/75 - B Grade; and Ian Pearson, Guyra 74/78 - C Grade.

Event 4, Day 2, 25tgt Double Barrel Cash Divide saw 44 possibles on the board.

Event 5, 50tgt Double Barrel Guyra Super Trap saw 25 possibles posted. Arthur Turner shot 205/205 to take Overall from Geoff Lancaster, Guyra 204/205 - AA Grade. Veteran Allan Sydenham of Korumburra, Victoria made his long trip worthwhile take A Grade 189/190 and producing a personal best break of 204/205. Mark Reinbott, Guyra 49/50 - B Grade and Warren Clark, Guyra 48/50 - C Grade.

The race for the Overall High Gun - 5 nights for two at Le Meridien Resort Vanuatu - was strongly contested. At the end of Day One 4 shooters were clean at 150/150, and 10 others were only 1 or 2 points down - all in with a good chance.

# ROMA CLAY TARGET CLUB

## OPENING SHOOT AT NEW GROUNDS

In the weeks prior to 1st and 2nd March, members and supporters of the Roma Clay Target Club had worked long and hard to have their pride and joy ready for the Official Opening and their first shoot. With 18 squads nominated for the night event on the Friday evening, the writing was on the wall for a great attendance for the weekend. A vast area of the State and Northern N.S.W. was flood-bound, making it impossible for many others to attend. However, fine clear skies greeted those arriving - and that was how it stayed for the rest of the weekend.

With six trap layouts and three skeet layouts completed - the remaining six trap layouts are the next stage - and they will join up to the old grounds, giving 15 layouts in total. The added benefit of having the two grounds side by side is that the original facility will be left in place for the camping grounds.

Another well thought-out measure is the construction of the target storage shed - incorporating the dividing skeet wall on one layout.

Mike Thornton presents Bill Iles with his award after winning the Miroku Challenge DB at Roma

A very good safety measure has been put in place with the trap houses - the lid lifts up from the back, allowing entry from the back, rather than into the front of the trap. Each trap layout has the power source from behind the 25 metre mark, so leads are not dragged from the trap house backwards.

The Club Rooms are very spacious - glass sliding doors across the front open completely to access the verandah that runs the full length of the building. The beautifully polished timber floors and exposed timber ceilings add to the presentation of the building. Internal toilet facilities are easily accessed from outside the building via the rear landing.

The Committee have managed to obtain a photograph of every President, and these are positioned, along with the Presidents' Honour Board, along one wall. There is a very attractive locked glass front trophy cabinet holding some very old and precious memorabilia in the form of Cups, Shields, photographs and items dating back to when the Club reformed after the war. A well thought-out bar and kitchen and very workable office add to this great Club House.

Special Guests for the weekend were our Atlanta medal winners - Michael Diamond, Russell Mark and Deserie Wakefield. It was interesting to note that this was the first occasion since Atlanta that all three had been together in the one place.

On a lighter note - a slight case of panic set in when Michael and Russell were awarded Order of Australia Medals in the Australia Day awards - the plaque for the opening of the Club had already been made, so a quick re-make ensured the initials O.A.M. were shown after their names. The best laid plans.....

The crowds rolled in from all parts of Queensland, many N.S.W. and Victorian Clubs and competition got underway following a beautiful lamb and pork spit roast dinner on the Friday evening. The event was a 50 target cash divide - shot 25 double barrel and 25 pointscore. Of the 108 shooters only one possible was recorded, Peter Henderson from Clermont.

In AA Grade, Bill Iles, Mike Collins, Angus Anderson, Michael Diamond and Col Witt all returned 99/100. Maurie Costa carded 98/100 in A Grade from Lyle Vidler and Button Power 97/100. The B Grade money was shared by G. Gibb 96/100, Robert Beck and Geoff Seawright 95/100. A 93/100 from J. Ryan saw his bank balance swell, followed closely by Myles Cartwright 92/100, and Mathew Paine 91/100.

Saturday morning commenced with 25 target double barrel sweepstakes and 210 shooters were on hand - and 69 possibles was the end result!

Event 2 was the 50 target double barrel Miroku Challenge - the winner to have the gun fitted and worked free of charge by Kevin Wright and Ian McGeoch. What a shoot-off with 51 possibles, there were plenty of eyes on the overall winner's trophy. When the shoot-off got down to two squads - off they went to trap 6 to stay until they had a result. Everyone else shot the 25 target Maranoa Single Barrel Championship (event 3) and still there was one squad going in the double barrel shoot-off. The remaining squad then shot their single barrel targets and, as night closed in, the lights came on and the traps were filled with white targets.

The winner of the Miroku Challenge Double Barrel was Bill Iles with 344/344, from Terry Morony 343/344 (W.A./Brisbane). Second in AA Went to Roma shooter Allan Denton 238/239. The "trap man" Ludwig Kohler (Sydney) returned 150/151 to win A Grade from Ricky McGovern 121/122. In B Grade, Grant Borchardt recorded 81/82 from Glen Wilson- Denton 66/67. The C Grade award went to Lee Schultz with 50/50 from Graham Gill 56/57.

The Junior encouragement award - sponsored by Citizen Watches and Coomber Bros. Jewellers - was won by Adam Hogarth 50/50.

A short break was called during Saturday's competition to allow for the official guests and invited dignitaries to join in the Official Opening of the Club by Atlanta Medal winners, Michael Diamond, Russell Mark and Deserie Wakefield.

Club President Robert Nugent welcomed everyone and made a small presentation to the foundation members of the Club and those who had contributed to the building of the new facility.

A very special award was made to a very surprised Mr. A.T. Berry. He was awarded Life Membership and received his badge from Deserie. Mr. Berry has contributed in many ways to the growth and development of the Club over the years.

Michael and Russell were then asked to declare the Club and facilities officially open and, in doing so, removed the over from the beautiful polished timber wall-mounted plaque bearing the name A.T. Berry Club Rooms. Hanging below it, the plaque indicating the official opening took place on 1st March 1997 and was carried out by Michael Diamond O.A.M., Russell Mark O.A.M. and Deserie Wakefield. The official party and quests all present then joined in a free afternoon tea and the shooting recommenced.

The Single Barrel event, sponsored by South West Discounts, Warren and Mary Jones. Possibles totalled 17 - the Defending Single Barrel Champion can shoot just as well under lights. Allan Denton's score of 90/90 had him on the winner's dais.

Brisbane's Steve Steenstrup took 1st in AA with 89/90 from Mick Blain (Port Denison) 74/75. A 43/44 from Geoff Seawright saw him awarded the A Grade trophy from Stephen Thompson 27/28. Ian Pfingst won B Grade with 25/25 from Francis McGovern 31/32. In C Grade, Bruno Prampero returned 24/25 from Myles Cartwright 22/25.

The Junior encouragement award was won by Robert Mack with 24/25.

With Gary Redmond and his band of BBQ cooks well and truly into cooking the "Best T Bones in the West", the last event for Saturday was rescheduled for 7.30am Sunday morning.

The 25 target Maranoa Continental Championship greeted us on Sunday morning, and 59 possibles was the result. The event was sponsored by Primac and Primac Insurance - Primac Elders. The overall winner was Gold Coast President Mike Swale with a score of 118/118 from Bill Iles 115/118 (points used for shoot-off). Jeff Nash from Grafton was 2nd in AA with 101/102. A Grade was taken out by Glen Harvey 55/56 from Garry Alston (Narrabri) 65/66. Ennio Defendio was the B Grade winner with 50/51 from Kevin Jarick 40/42, and Myles Cartwright recorded 41/42 to win C Grade from Lee Schultz.

The Junior encouragement award was shared between Owen Nugent and Matthew Paine, both recording 24/25.

The decision was made by the Committee to scrap the 25 target pointscore Championship (event 1 Sunday) and alter event 2 - the 50 target double barrel to 50 target pointscore. This resulted in 2 possibles from the 218 shooters - Geoff Lancaster (Guyra) and Rex Lehman (Lightning Ridge). The overall winner being Lancaster with 186/186, Lehman taking AA Grade 185/186, 2nd in AA Grade Arthur Turner (Warren) 392/393. Andrew Faulkner fitted in baking and assistant shoot marshal to win A Grade with 149/150 from Ian Piddington 166/168. Glen Wilson-Denton was the winner in B Grade with 145/150 from Ian Pfingst 162/168. Graham Gill's 145/150 had him taking C Grade from Steven Robertson 144/150.

The Junior encouragement award went to Josh Walsh 134/150.

The final event, the 25 target Miroku Challenge Handicap, and 38 possibles were recorded.

First placing - Miroku Shotgun - went to Gordon Watson 18m (Chinchilla) 75/75, 2nd place - sponsored by the Commonwealth Bank - went to Greg Kocho 20m (Condamine) 70/71, 3rd place - sponsored by Winchester Australia - went to Allan Denton 22m (Roma) 59/60, 4th place - sponsored by Rosenberger Valuations - was won by Allan Pack 22m (Roma) 50/51, and 5th place - sponsored by John Molony First National Real Estate - was taken out by Alan Jones 21m (Cessnock) 49/50.

The Overall and AA Grade High Gun awards for the weekend resulted in two true gentlemen in the sport deciding to share the awards - both being Citizen Watches. Doug Smith and Arthur Turner both shot 299/300 - excellent shooting over the program.

The Grade High Gun Medallions were again sponsored by Winchester Australia - Stephen Thompson was the A Grade High Gun winner, Kevin Jarick won B Grade, and the C Grade High Gun went to Graham Gill.

Citizen Watches sponsored the Junior, Womens and Veterans High Gun awards. Junior went to Adam Hogarth 294/300, Janne Gear from Tambo won the Womens with 294/300, and Col Boyd from Brisbane was the Veteran winner on 290/300.

The Queensland Challenge Shield, an event for 5 Member Club Teams (all members to be affiliated with the one Club), was won by a class act from Cessnock - Keith Morgan, Alan Jones, Jim Worthington, Paul Jackson and Ton Turner (Snr) 122/125.

The very highly-sought after Kilima Shield, an inter-club grudge match held twice a year between the Gold Coast and Roma, was won by the Roma combination, with team members thoughts going to trophy donor Boss Cameron, who was recovering in a Brisbane hospital after a serious motor vehicle accident.

As well as great shooting, the catering aspect should not go unmentioned. With support from Goodman Fielder, the huge band of ladies were assisted by Wally the "Chef" who undertook a big baking effort assisted by Harry Donaldson. Breakfasts, lunches and dinners as well as continual sandwiches, morning and afternoon teas, fruit salad, you name it, they supplied it. Well done to everyone in the kitchen.

President Robert Nugent added thanks to the following during the presentation: the trappers, from Roma Apex Club; the barmen, who dressed in white shirt, bow tie and black trousers on the Saturday evening. The Club members who have assisted with

the preparation on the grounds and put in so many hours over the last few months and in some cases years. Outside the Club - assistance was acknowledged from Brett and Cam Colley, Razon Collins, Mark Hall, Don Thom, Mark Weidman, Ron Pollock and his boys, Michael Keegan and Ron Larfield. Thanks also to the Gold Coast Club for loaning their traps.

*Michael Diamond and Mike Thornton — Fuller Firearms, present Gordon Watson, winner of Miroku Challenge Handicap, Roma.*

Shoot Marshall Warren Daniells, Trap Mechanic George Mariner, Office Staff - Jenny Burt, Sharon Becker, Col Neal, Peter Kajewski and Margaret Denton, Club Secretary John Robinson and Score Board Betty Fawcett.

Sincere thanks was extended to the valued sponsors - Fuller Firearms Group, Citizen, Coomber Bros., Taylors Parts, Primac and Primac Insurance, Metway, South West Discounts, Kajewski Ford and Roma Nissan, Commonwealth Bank, Winchester Australia, Betty and Bob Bryant, Alan Berry, Alan Pack, Rosenberger Valuations, John Molony First National Real Estate, Kevin Wright and Ian McGeoch.

Also the providers of the marquees, Tony Holmes, XXXX, Don Brosnam, Millard Tyre Centre and Des Cuffe QIDC.

A special gate prize was presented to donors who wish to remain anonymous in the form of a gold nugget valued at \$500. All the shooters and workers had their names placed in the draw and the lucky winner was Rod Woodrow - congratulations Rod.

In closing the presentation and the shoot, Robert thanked the shooters. Without them, the end results would not have been so rewarding. Many shooters recorded personal best scores over the weekend, and congratulations to Deserie Wakefield for setting a new Australian Womens Break Record during the shoot - 202.

Finally, Robert and the Committee of the Roma Club wish to sincerely thank Michael, Russell and Deserie for making the time available in their very busy schedules to attend the Roma Opening Shoot - it is very pleasing that such high profile people within our sport can graciously make themselves available without any appearance fees.

Why not come along to the Queensland State Trap Carnival on 26th, 27th and 28th September, or mark the first weekend in March 1998 to attend the Roma Annual Shoot.

# "Golden Ibis"

Warren - well, what can we say. It was a great shoot. Numbers just seem to increase annually with 150 taking the tracks this year. Shooters came from as far north as Cairns (just to escape the cyclone) and have fun to Broken Hill in the west, Echuca in Victoria in the south to Grafton

**High gun winners: Glen Harvey (A grade), Mike Hillam (C grade), Rob Briodin (B grade), Noel Rodgers (veteran), Diarne Doyle (ladies), Roger Duthie (overall), Bryan Mans (AA), Philip Jackson (junior)**

on the coast to shoot for \$15,000 in prizes.

The "Golden Ibis". Beautifully handcrafted by Peter Keough, master craftsman of Dubbo. Golf sets, T.V., Lounge chair, Clothes dryer, Deep Freeze, Microwave and a magnificent wall unit being the major prizes. Each High Gun winner won a golf set valued at \$1,200 with the Overall winner also winning the Golden Ibis.

The weekend got underway on time with a 25 target double cash divide. A great number shooting the possible showed that the targets were great and the weather wonderful.

Down to serious competition with the Lower Macquarie Pointscore Championship, sash and the deep freeze. After one of the many to follow shoot-offs, Mark McInnes shooting 165/165 edged out Paul Farrugia on 164/165.

What a great way to start the weekend. Mark didn't feature much after this.

The Single Barrel Trophy was next and again a great shoot-off was necessary with Wayne Headon of Hay 58/58 defeating Al Guglielmino (wheelbarrow) of Griffith. The final event for Saturday was the Lower Macquarie Double Barrel Championship. Many possibles came and many possibles fell as nightfall quickly descended. The ladies supplied a wonderful meal, so with full tummies we settled to watch the final four shot it out for the sash and clothes dryer. Eventually at around 9.00pm Rob Thompson of Cobar stood alone on 242/242 from Steve Atkins of Echuca 241/242 and Tom Turner Jnr from Cessnock on 225/226.

During this event a few shooters attained personal bests. Phil Jackson from Gilgandra went from B Grade to AA Grade 20 metres, Diarne Doyle from A to AA 20 metres, Darryl Reed also A to AA 20 metres, as well as PB Break of 150 targets straight.

Sunday morning, bright and sunny, the Double Barrel Trophy again saw excellent results.

Steve Atkins' turn this time, shooting 135/135 to edge out Wayne Hawkins, the vet from the hills, and again Tom Turner coming in third.

The Single Barrel Championship followed and once again Ian Merrick from Cessnock showed his skill by shooting 103/103 to put Roger Duthie into second with 102/103. The 100 being & PB for Roger in Single Barrel. John Headon from Hay third with 72/73.

Pointscore Trophy followed and again Ian Merrick showed the way with 177/177 taking his single barrel score to 162 straight. Alan Jones came second 176/177 and local member Arthur Turner with 167/168.

The final event and Championship, and again to date no shooter has won back to back championships. The Double Rise to sort out the high guns and the two Target Championship.

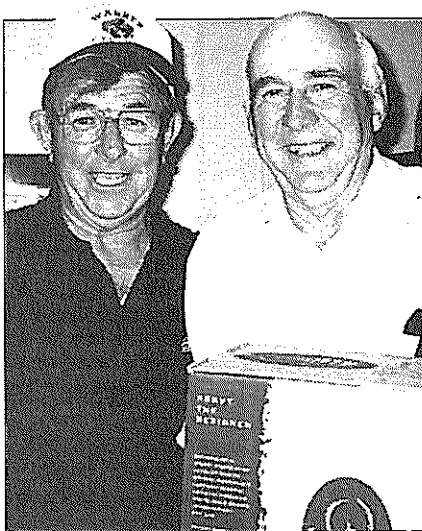

J.W. Smith, shooting a very creditable 29/30 just edged out our very hard-working Shoot Marshall George Bunting, who finished with a fine 28/30, who won in a shoot-off from Phil Headon and Steve Atkins. In total, 42 shooters shot 25/30 or better which both shows the quality of shooting and good targets.

Well, as stated, the Double Rise did sort out the High Guns, which allowed the presentations to get underway immediately and travellers on the road and safely home.

Overall High Gun was Roger Duthie shooting 300/305 to win the beautiful "Golden Ibis", very generously crafted

**Roger Duthie (Victoria) Overall high gun winner with Mike Shields, secretary.**

**Jack Headon (Hay), veterans pointscore champion with club president Kevin Walton**

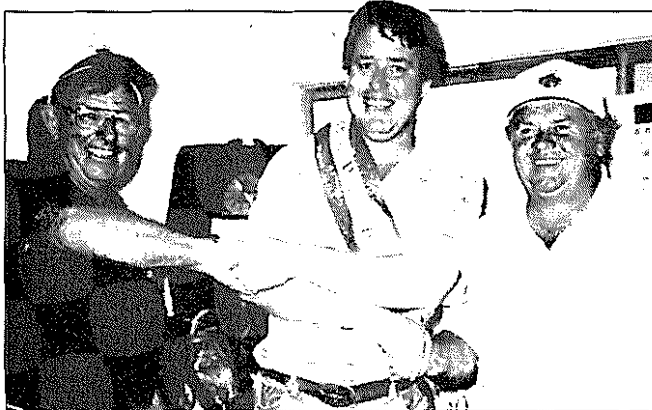

**Noel Rodgers (Coffs Harbour) veteran high gun winner with Kevin Watson**

**Robbie Thompson (Cobar) first in double barrel championship with Kevin Walton, president and Mike Shields, secretary**

and donated by Peter Keough of Dubbo and the green/white sash and golf set valued at around \$1,200. AA Grade was Bryan Mans of Cobar with 299/305 with the red/white/blue sash and golf clubs also.

**Mark McInnes (Narrabri), pointscore champion, with Kevin Walton, president and Mike Shields, secretary**

A Grade went to Glen Harvey, the new President of Coonamble, shooting 293/305.

B Grade was Rob Brodin on 288/305 and very happy winner. Hope you also play golf Rob.

C Grade was Mike Hillam on 278/305 to edge out local John Wild on 270/305.

Lady was Diarne Doyle shooting a very creditable 281/305.

Veteran for the Cobb & Co Replica Coach was Noel Rodgers with 282/305. Comments were that Noel was probably the only shooter around that could still remember the Ned Kelly days.

It really was a great weekend and we must certainly thank the ladies in the kitchen. They worked non-stop to supply beautiful meals, and we hope you like your little pressies in appreciation.

The trappers, our few sponsors - being Peter Keough, Turners, CTC, Cossy's Transport, Auscott, Winchester, Golf Club, Barry & Janet Mackay, Waltons Tanks & Plumbing, and Gemini Traps.

Toe George Bunting the Shoot Marshall, again a great effort mate and many thanks to you and your helpers. Very professionally executed. Libby in the office, what can we say but thanks again friend. Teresa and Jillian on the blackboard, bar lady Nicki, and all who helped getting the grounds and Club in shape, the accolades were numerous. Great effort folks. It really is worthwhile when you see so many people, family and friends enjoy themselves so much. As one shooter commented: "It's not a shoot, it's a Carnival".

### Rod Middleton

On New Year's Day the members of Ballandean, Warwick, Texas Clay Target Clubs and also throughout South-east Queensland and northern New South Wales were saddened to hear of the passing of Rod Middleton.

Here is a tribute compiled by long-time friend and fellow clay target shooter Kevin Lee on behalf of the above-mentioned Clubs.

I first met Rod as a clay target shooter in about 1951-1952. We have been very good friends ever since.

Rod was one of the most consistent shots I have known. He was a very deliberate shot, with a natural and easy style. E won many, many championships including Commonwealth, State, Zone and Club Championships. He also won many cash handicaps. I can remember Rod shooting off 25 yards. He made the Australian Team twice (Macintosh Shield), he also had a break of over 300 straight.

I think the highlight of Rod's shooting career was winning the Commonwealth Single Barrel Championship with a score of 156/156. To shoot 156 targets with a single barrel in the late 50's or early 60's was unheard of. It may not seem such a big break compared to some of the scores nowadays, but in the 50's and 60's targets were harder to break, traps were irregular and threw wider angles and cartridges were not as good, so it was a fantastic effort to shoot 156 single barrel.

Rod always said clay target shooting was a gentleman's sport, and that was the way he treated the sport of clay target shooting.

Rod Middleton never challenged a referee's decision, nor did he ever come to a shooting ground unless he was wearing a tie.

So in closing I would like to say to the Middleton family, you can be very proud of Rod's achievements as a clay target shooter, and you can also be proud of Rod because he was a Gentleman's Gentleman.

Rod also served and fought for his country during World War II.
