Weatherby®

Athenia® Orion® Shotguns

Available in 3 stock styles:
(L to R), "Field", "Classic Field"
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

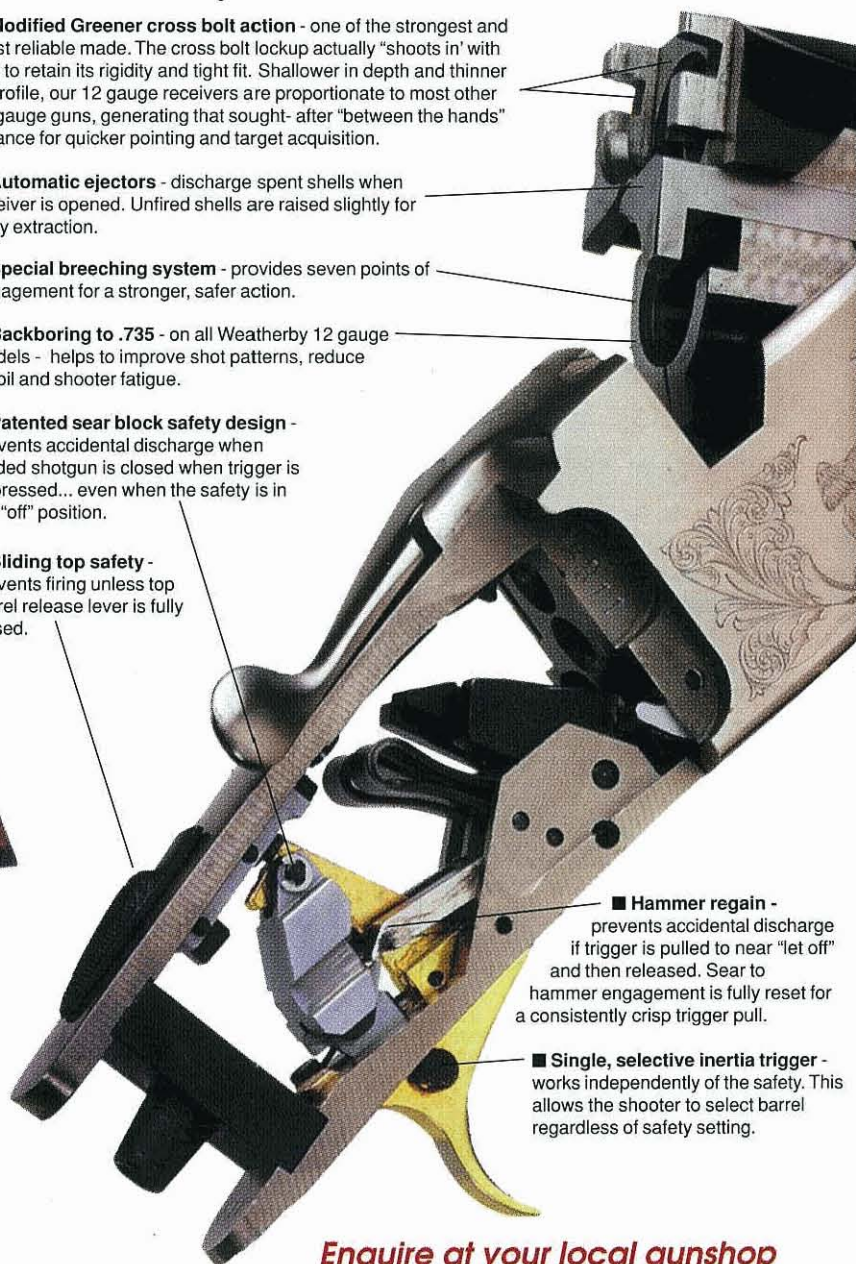

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

FIREARMS LAWS

Unfortunately there are still many differences between States as far as the so called National Firearms Laws are concerned.

One rumour that is circulating many areas is the story of a shooter (clay target) travelling from a shoot in New South Wales and being intercepted by Police and asked to open the boot of his car. On opening the boot, the Police Officers find that he is carrying both ammunition and a shotgun together. The story further alleges that the shooter is charged with transporting ammunition and firearms together, which is an offence under the new laws in New South Wales.

The most popular area in which this alleged incident took place is either Hay or Deniliquin, and that it involved a Victorian shooter, who was either a member of the ACTA or Field and Game.

A check of the New South Wales Act, and inquiries with New South Wales Police indicated that there is an offence for, "Any person who is engaged in the business of transporting goods carrying cargo that contains both a firearm and ammunition."

There is a similar provision in the Tasmanian, Australian Capital Territory and South Australian Firearms Acts. I have not as yet seen either Western Australia or Northern Territory Acts.

It does not apply to people travelling to and from shoots.

When I have copies all States new Firearms Acts I will endeavour to highlight any requirements impacting on us as clay target shooters.

NATHAN SUPERB. RUSSELL SUPER!

Nathan Cassells shot superbly in Peru to win the World Junior Trap title, shooting a score that would have won him the Gold in the Open section.

Russell also shot brilliantly to equal the World Record in Double Trap and also to win Gold.

Deserie Wakefield-Baynes, again proved she is one of the best in the World by taking out the Bronze medal in the Womens Trap.

To add to our medal haul we won Gold in the Junior Trap team. Silver in the Junior Double Trap team and also in the Open Double Trap team.

Our Open Trap team picked up the bronze. Our final medal tally was three Gold, two Silver and two Bronze medals.

An outstanding effort by all our shooters despite a number being affected by a virus.

All our representatives in skeet, trap and double trap are to be congratulated on their achievements which have placed Australia right at the top.

With Sydney now less than three years away, everything points to a great Olympics for us.

WE ARE ON THE MOVE

After discussion with the Wagga Wagga City Council the National Executive have moved to relocate the National Office to that City and establish a National Ground there. The move will take place hopefully over the next two years.

The Council has generously donated a block of land on which the Office will be constructed. It is planned that the office will include a conference room and a memorabilia/hall of fame room. In addition to it becoming the National Ground, it will be established as the National Training facility catering for all our disciplines.

Even though it is to be our National Ground and Headquarters, it

is envisaged that some National Carnivals from time to time will be allocated to other venues to benefit all our States and shooters. An example of this policy would be West Australia being allocated the Nationals on a reasonable basis.

The establishment of OUR National facility is exciting and everyone will benefit greatly.

SHOT SIZE

There still seems to be a misunderstanding as to when 32g (1 1/8oz) cartridges may be used. The only events 32g cartridges may be used are handicaps and sporting clays. A handicap event is where shooters shoot from their official handicap marks only. It does not include grouped meterage events and events commonly known as 'off the box' or 'off the fence' and 'Annie Oakley's'.

1999 WORLD DTL CHAMPIONSHIP AND GRAND AMERICAN

As I have mentioned previously in this column, it is our intention to arrange a group tour to the 1999 Centenary Grand American. It has been suggested that perhaps the tour could also include the 1999 World DTL to be held in either Wales or Ireland. The added expense of such a tour would be minimal. As soon as we have the dates of the World DTL, we will explore the possibility of such a tour.

WELCOME AND THANK YOU

As at the end of 1997 the ACTA recorded a massive increase in Membership of 45% finishing the year with 12,882 members. Queensland had the biggest increase by doubling their numbers to 3258.

I would like to welcome all new shooters to the ACTA and trust they will enjoy the camaraderie of clay target shooting. My thanks also to all the older members and we look forward to your continued support as we strive to the new millennium.

1997 World Shotgun Championships

Lima, Peru. November 8th - 16th

Manager: Bill Murray; Coaches: Greg Chan, Luca Scribani Rossi, Claudia Kulla; Doctor: Sue Homolka; Masseur: Darian Roach.
Teams: Trap - Russell Mark, Adam Vella, Ben Kelley; Junior Trap - Nathan Cassells, Nathan McDonnell, Derek Bruce; Ladies Double Trap - Deserie Wakefield-Baynes; Junior Double Trap - Nathan Cassells, Craig Henwood, Derek Bruce; Ladies Double Trap - Deserie Wakefield-Baynes, Ann Maree Roberts, Lisa Smith; Skeet - Craig Meuleman, David Cunningham, Clive Barton; Junior Skeet - George Barton, Michael Wenzel, Kris Jones.

The plan for this trip was to split the team into three groups, with staggered departure dates to minimise the time before each discipline had to compete. With the experience of the '95 & '96 World Cup teams to Peru and their food poisoning problems, it was decided that the less time in the country would also minimise the risk of upset stomachs ruining the preparation. To enable everyone to recover from jet lag etc., each group was to spend a couple of days in Miami, which has the same time zone as Peru, then take the relatively short trip (five hours) straight down to Lima.

The seven trap shooters departed on the 4th of November accompanied by Bill Murray and Greg Chan. After a twelve & a half hour flight to Los Angeles, a seven hour stop over and another five and a half hour flight, we finally landed in Miami, totally exhausted.

Russell Mark — World Double Trap Champion in traditional Aussie style

A couple of days of catching up on sleep, visiting the shops and a trip to the Everglades had everyone primed for Peru. The Double Trap Team had arrived the day we left Miami.

We arrived in Lima at 5.30am, and after clearing customs had a thirty minute ride to the Sheraton Hotel. On the trip we noticed that most of the houses didn't have roofs, and we were told that they

weren't really needed as it hasn't rained in Lima for 60 years.

After settling in at the hotel and inquiring about shooter registrations we were told that the double trap practice day had been cancelled and that the skeet would be contested a day earlier. Great when your skeet shooters aren't arriving until official practice day! We found out that some of the teams had been notified and some had not. A technical meeting was called where we formally protested and after much negotiating, a reasonable settlement was reached. It still meant Bill had to try to contact the skeet team and AIS Travel to change their arrival date, not an easy task as it was Sunday back in Australia. Eventually the new arrangements were organised.

At trap practice conditions were difficult, being overcast and with a background of recently graded dirt. The targets were not easy to see and a low scoring event was anticipated.

Nathan Cassells — World Junior Trap Champion

1997 World Championship team — Lima, Peru

On the first day of the trap Ben became badly dehydrated and was very ill. Our doctor Sue had to give him three litres of fluid intravenously at the hotel that night. It was a great effort for him to be up the next day, still unwell, and help the team to the bronze team medal.

1997 OD NATIONALS

1997 saw the Nationals for the Olympic Disciplines held at Brisbane Gun Club from October 11 to October 19 1997. With the inclusion of Women in the Olympics in Trap and Skeet we saw renewed interest amongst our female competitors who now have a chance to compete at three events at the Olympics in Sydney 2000.

As the UIT had not advised us of the conditions of conducting these new events until the week before the event, the women participating at the nationals shot 125 targets plus final in both trap and skeet as against the UIT advice of 75t plus 25t final.

Michael Diamond, Olympic Trap High Gun winner with Bob Dupuy — Winchester, and John Maxwell on behalf of Peter and Barbara Quire.

Double Trap High Gun winner Russell Mark with John Maxwell of Express.

With a place on the National Training Squad available, a strong contingent of juniors were also in attendance.

City of Brisbane — Trap and Skeet

With competitors from New Zealand in attendance, this strong field saw three Olympians take the first three places in the Trap event. Michael Diamond 123 plus 25, Russell Mark 121 plus 25 and John Maxwell 120 plus 24 were overall first second and third respectively. Dianne Reeves from Normanton, venue for the 1998 Queensland State UIT titles, won the Womens event with 109 plus 24 from Deserie Wakefield-Baynes 112 plus 21 with Lisa Smith 111 plus 21.

Nathan McDonnell, Port Macquarie, took out the junior section with 120 plus 20 from Nathan Cassells 114 plus 24 and Derek Bruce 116 plus 21.

Barty Brighenti, Griffith, was the City of Brisbane Skeet Champion with a score of 119 plus 23 from Tamworth and AIS shooter George Barton 117 plus 23 and John Summers 117 plus 23. George won second position in further shootoff with John 4 to 3.

George Barton was also successful in winning the Juniors section with 120 plus 20 with Kris Jones from Wakehurst taking second 105 plus 24 with South Australian and AIS shooter Neil Rundle coming third with 108 plus 21. Kris shot off for second with Neil winning 6 to 5.

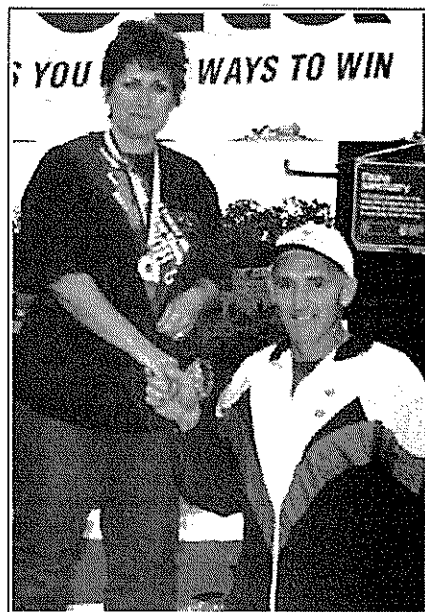

Carol Ogden, Melbourne, was successful in the Womens event for skeet with a score of 93 plus 18 from Geelong shooter Natasha Lonsdale 90 plus 20 and Wendy Huehn, Frankston 86 plus 16 third. This was the first time for a couple of years that we had enough Women for their own section and final.

Commonwealth Championship-Trap and Skeet

Twenty years at Singleton 1977-1997

It was a hot Christmas shoot in 1977. "It doesn't rain here" stated club founder, Kevin 'Ringo' Ringland.

Suddenly an inch of rain fell in half an hour and Ringo, the other club founders and families, along with visitors, were all huddled under a sheet of brattice.

"We can't have this," Ringo said "We'll build a clubhouse!"

Like many clubs, Singleton was one of humble beginnings. Shooting started when 1000 clays and a hand trap were detonated by respected founder Kevin Ringland.

The trap was located a few hundred metres up the hill from the site of the present club house. The early days were social family days, but with increasing numbers of locals and visitors, it was decided to write to the ACTA and affiliate, the year was 1977.

A general meeting was called, and this was chaired by a Cessnock

Mark Halton, winner Ringland Trophy handicap with Singleton and Cessnock shooters.

member, David Porteus. Presidents over the years have been Bruce Smith, Ron Lanesbury, Jack Barker and Bow Evans. The foundation club members were Kevin Ringland, Geoff Williams, W.I. Clark, Bruce Smith, Ron Lanesbury, Noelene Lanesbury, Jan Lanesbury, Bow Evans, Jack Barker, Carol Barker, Kevin Partridge and Rayleen Partridge. Wilfred and Ross Kennar were the club's first trappers.

The land where the club is situated was owned by Buchanan Borehole Collieries and this name,

resultingly, was used as the club name.

In 1978 work began on the existing club house. By the christmas shoot of 1978 the concrete was down and the walls and windows were erected. With the club house half built another storm interrupted the merriment of the christmas shoot.

Bruce Smith with the Wayne Weigold Memorial Shield.

Jumbo Evans Teams Shield winners Alan Raisbeck, Mick Kelly, Lionel Finaly, Neal Gay and Bruce Smith.

Current shooters will notice a two-toned roof. The older iron was donated by Jim Paul and the newer section by Kevin Ringland.

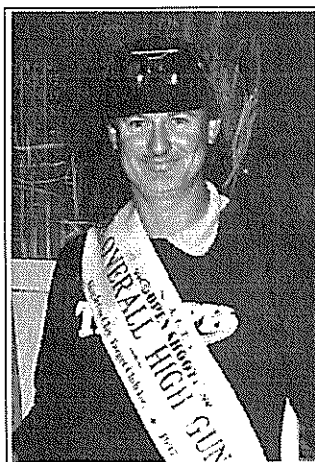

The club now boasts a functional kitchen, showers, septic toilets and powered campsites.

The little hand trap soon became overworked and unable to throw the number of targets required. Two Damo Traps were purchased followed by a third as backup where Morriset Club closed. It seemed that three traps were essential, one was in town being repaired all the time while the other two were in use at the club. The Damo traps have worn out and the club now uses two Kerang Ibis hopper fed traps.

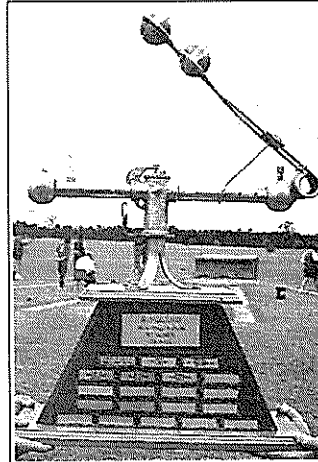

Some fifteen years ago, Singleton ventured into Simulated Field Shooting. Prominent club member at that time, Jack Barker, initiated field shooting. Jack built the required number of hand traps, at his own expense. Jack later produced a set of traps which the club purchased.

Most recently, with the generous help of current club members, the field layout has been extended to a fifty target course.

The field shoots are now some of the most popular of weekends, amongst local and visiting shooters.

Paul Turner, Overall High Gun winner.

The Kevin and Phillis Ringland Memorial Trophy.

After Buchanan Mine was sold, the club name changed, although not officially, to Singleton Gun Club, and more recently to the official name of Singleton Clay Target Club.

The 1997 November Open Memorial Shield's Shoot marked twenty years of the club. Former club members are commemorated on this day.

The club is now a thriving, cheerful organisation whose life blood is the hard work of the club members who are prepared to share the load and build the club, through their commitment.

Our membership at the moment stands at 58.

The club has always been willing to attempt innovations, both in the shooting side of things and socially. Perhaps these are the reasons that Singleton is so successful. We have become renowned for our bus trips to Goodooga and Brewarrina.

The future of shooting at Singleton's Warkworth grounds seems assured.

1998 Australian Shooting Games

The Australian Shooting Games is one of the rare multi-disciplined shooting events to be staged anywhere in the world! Conducted at the Belmont Shooting Complex, Brisbane, the ASG integrates seven distinct shooting sports into one week long event, on one site.

The ASG is open to any national or international financial member of an association conducting the individual matches.

The 1998 ASG schedule will present fifty matches and aims to attract over seven hundred participants. Promotion of the event will be made in every National Shooting publication, selected International Shooting publications and the World Wide Web.

The combined effect of having competitors from seven different sports, from every state in Australia and from overseas as well, will make the ASG a truly outstanding event! Such opportunities are very rarely presented, so make your plans to attend the 1998 Australian Shooting Games now!

Eulogy

Angello Zappala 1/3/1948 - 19/11/1997

Angello Zappala was born 1st March 1948 the only son of Giuseppe & Sarina Zappala. His dad on seeing him for the first time said he looked like an angel, hence he was named Angello.

As a child he was raised in Giru on a sugar farm near the Haughton River.

His primary school days were at St. Josephs School, Giru. When his parents bought their first farm McDesme Ayre, Angello then attended the McDesme State School.

Angello was his dad's right hand man helping him on the property. At the age of 21 Angello bought his first car, the green Monaro, which was his pride and joy until the day he took ill.

As a teenager Angello in his spare time took to filing guns as a hobby, the hobby became an obsession, he then did an American correspondence course, and received a diploma in gunsmithing. Many of you here would know that if he could not get parts, he would make them, in order to fix your firearm.

He had a great passion for sport achieving high levels in squash and tennis. An excellent pistol shot, he then took up clay target shooting and soon attained the maximum handicap of 25 metres. He represented his club, zone and state at DTL. He was a natural skeet and tower shot also, along with being a tireless worker for the Burdekin Gun Club and a Past President.

His real love was for the discipline of Olympic Trap and he was a member of the Queensland Open Team for eleven years straight. We travelled to National titles in Melbourne, Adelaide, Perth, Darwin and Brisbane to compete.

He was a member of the Arafura team on all four occasions 1991, 1993, 1995 & 1997, representing Australia above the Tropic of Capricorn against the Asia Pacific Nations and in that team won three out of four gold.

More recently he went to the New Zealand Nationals at Auckland; he has many friends in N.Z. He then went on to Tokyo, Japan for the Pan Pacific Friendship Shooting Games. He took great pleasure in making friends with new people from all parts of the world. His friendship with Ray Shryn Chan of Hong Kong began through the Pan Pacific Friendship shoot, who then commissioned him to coach them in Hong Kong, to which he accomplished himself well and was to go again in January 1998.

It was common place to hear at club, state, national or international meets, to hear the cry "Where's Angello?", whenever someone had a gun malfunction and he fixed hundreds of guns, with his funny little port full of parts & tools that used to get us in trouble at most airports. He would take it as hand luggage through the X-ray machines, saying it was his lunch box, because he didn't want it pinched like his Perazzi when at Adelaide Airport.

He would take no payment for this work. If Angello had a fault, it was that he was too generous to his friends.

He was looking forward to receiving his Level 3 Coaching Diploma to be awarded at the AIS this week, and to see his many friends from Hong Kong, NZ, Taiwan, Japan, Singapore and Korea at Illawarra for the Pan Pacifics this weekend.

Well known locally, he will be sadly missed, it will not be the same at the shoots, not hearing the last minute arrival of the old V8 Monaro Green Machine come rumbling in and someone making the comment "Zappa's here".

Good bye my friend.

The National Coaching Council are deeply saddened at the loss of one of our sports 'quiet achievers', Angello Zappala. Angello was held in very high esteem by his peers both in Australian and overseas and will be sadly missed. Our deepest sympathy to his family.

Maryborough Tid Bits, Qld

I hope everyone had a great Christmas and looking forward to a great New year. In our area big shoots start the year off with Sunshine Coast Super Shoot 10 & 11 Jan, and Kingaroy 2 Day 31st Jan & 1st Feb.

Bundaberg 2/11 - Visitors for the day being Neil Berry, Irvine Wynyard, Stafford Smith, Frank Robertson, Harry Walker and yours truly.

Brian Fourro drew the jackpot but only shot three, better luck next time Brian and don't talk about it, I don't want to hear it. Wilma Berry drew both meat trays and has gone home with enough meat to start a butcher shop. Good luck Wilma.

The main results went something like this: in AA grade Phillip Warren took OA & AA in the Points Championship with Rob Rehbein Mixed Targets and Neil Berry DB, SB & OAHG. Good shooting Neil. In A grade Gino Sergiacomi shot DB & Mixed Targets with Kaye Rehbein Points C'ship and SB. B grade Norm Dale & Tim Gardner split DB with Tim winning the Mixed Targets in a shoot off with Norm who won the Points & SB. In C grade Barry Fisher won DB & Points C'ship and then found himself in B grade. Good shooting Barry, congratulations. Bruce Walker took the SB and Brian Fourro the Mixed Targets.

Bundy usually don't shoot their 1st Sunday in January so ring Kaye or Rob for a shoot date.

Gympie 9/11 - There is the story of two shooters who were shooting Sunday morning at the club not far from town and could hear the church bells ringing. One shooter said you know we should go to Church, and the other said if I was home I wouldn't be able to go to Church as the wife is sick in bed and I would have to stay home and look after her.

But that wasn't the case of my driver Harry as his wife had an eye operation and only returned home Saturday, so Sunday instead of the Gympie shoot Harry became chief cook and bottle washer. Hope Lila is

back to her best soon and things return to normal. Don't forget Harry you wife will be able to see what you're doing now!

As we didn't get to Gympie and I didn't receive much news the only results I could get was from Mathew Post at our shoot who told me he took C grade Cont & DR along with the C grade HG. Mathews dad Chris was out shot in two shoot offs leaving John Pickford to take the A grade High Gun. Good shooting Mathew and thanks for the news.

Maryborough 23/11 - The most distant visitor being Graham James from Portland Vic who shoots Field & Game. Hope you enjoyed your stay with us.

Other visitors came from Gympie in Mathew & Chris Post and from Bundaberg in Phillip Warren, Gino Sergiacomi, John Butters, Spencer Plath, Bruce Walker, Irvine Wynyard and Neil Berry. Local Game & Field shooters Tom Szekeres and Tom Holding, thanks for coming.

The jackpot was drawn by Darrell King and he shot it. The meat tray was won by Chris Harrison and the scotch by yours truly. Thank you very much and good shooting Darrell.

Results of the shoot being in AA grade Tom Holding the DB, Peter Shaw DR, but the Master Blaster Neil Berry took OA & AA in the SB C'ship and the Points, giving Neil the AA grade High Gun. In A grade Chris Post took OA & A in the DR C'ship and SB with Gino Sergiacomi taking DB & Points and the AGHG. B grade Andy Wood took SB C'ship, Norm Dale DR C'ship and John Butter showed the B graders how to shoot by taking the DB and Points with only clean 75/75, plus he took off the B grade HG. Good shooting John in the windy conditions.

The C grade was mixed around with Mathew Post DB, Harry Walker SB, Tom Brereton DR and Ted Turton Points and the grade HG.

Being a lovely day for shooting with a bit of wind to sort the men from the boys, it was great to be out shooting. Thanks again to all the visitors all year and thanks to our workers who keep the club going to enable us to enjoy a great sport.

Gympie shoot 18th Jan and Maryborough 25th Jan.

With a brand new year ahead I hope membership continues to grow.

Good shooting to all, til next time see you at the shoots.

Lost Bird.

Gum Tree 97

On the 4th & 5th of October the 31st Annual Eastern States Gum Tree Championships were held on the banks of the Namoi River on the property 'Kibah'. Two hundred and twenty shooters, most of them camping with their families making use of the excellent facilities provided. Saturday started with fine weather and good scores. Saturdays main event was the TFE Technacom classic with the overall winner being John Younger.

1st AA Frank Searles, 2nd Jim Taylor; 1st A Franke Parante, 2nd Neville Owen; 1st B Terry Bagnall, 2nd Butch Gale; 1st C Evan Benjamin, 2nd John McDonald.

Saturday's program finished off with a number of shoot offs for all grades, after tea the band kept everyone, young and old, entertained until late Saturday evening.

Sunday morning came a little early for some people, the weather

Craig Boggis and Peter Wells after the shoot off for the Gum Tree, Craig being the Overall Winner for 1997.

was overcast and looked like rain, which did arrive later in the morning and settled into a heavy drizzle after lunch. The weather got worse, but the scores just got better with five 25 target breaks being shot on the course.

The main event Sunday being the Gum Tree Championship with the overall going to Craig Boggis from Cessnock who had to shoot off with Peter Wells who was last years winner. Both shooters having shot 47/50 with Craig being the winner, well done Craig.

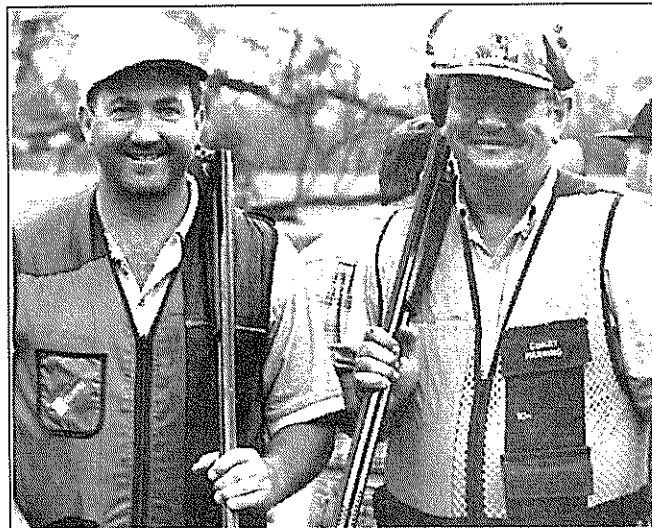

1st AA Peter Wells, 2nd John Nichols; 1st A Denise Dinte, 2nd Kevin Heywood; 1st B Butch Gale, 2nd Frank Gamboso; 1st C Charles McEwan, 2nd Joe Disalvo.

The Overall High Gun for the weekend going to John Younger who was presented with a new Browning Lightning Clays by Peter Wells as representative for Fuller Firearms. Grade High Guns were presented with their prizes by Graham Cupples from Hunter Sports. They were awarded to John Nichols in AA grade, Peter Rea A grade, Craig Bogas B grade and John Elfes in C grade. The Junior High Gun was awarded to Dallas Codrington, Ladies High Gun Judy Taylor, Veterans High Gun Jim Taylor.

The Boggabri Gunnedah Gun Club wishes to thank its major sponsor Fuller Firearms for its donation of prizes for all grade high guns. The Co-op and Mitre 10, T.F.E. Technacom of Gunnedah for Saturday's TV's and stereos.

With such a large amount of shooters everything does not always go to plan but a good weekend was had by all. The meals for the weekend were provided by Mrs Margaret Campbell and her team of people providing excellent meals at any time. A special thanks goes to all the people who put up the new shed and set up the amenities, set the traps and course layouts - Bill Daniels, Trevor Campbell, Doug Campbell, Ken Close, Peter Holledge, as well as all the other club members who helped in anyway.

Without the Hyem family property 'Kibah' the weekend would

John Younger and Gundy Manning. John again being the Overall High Gun winner for the weekend for the second year. The High Gun again being sponsored by Fuller Firearms.

not have been possible and with James Hyem in the office with his computer the shoot ran without any major problems.

Thank you all for coming and we will see you next year.

International Gun Club Inc

The International Gun Club held its 2 day Anniversary Shoot on October 25 & 26, 1997. Whilst the attendance was slightly down on last year we were quite pleased with the numbers as there has been a lot of shooting here and Interstate recently. Great to see our Brisbane shooters home safely.

Great to see some of our visitors from other clubs and Interstate. We were able to send one Victorian home a very happy shooter.

George Kontopolous — Con Marinis with the Colin Sparnon Memorial Shield

The dinner Saturday night was a great evening thanks to a very few people who worked their butts off to make it the success it was. Thanks to our Chef Con, the best cook in the north. Win & Camilla our male helpers all of whom did a great job. Peter looked great donned in an apron and John and his helpers organising the tables and settings. We need you boys as the female help is so hard to come by. Thanks to Ray for his

Wangaratta Notes

CHAMPION OF CHAMPIONS

The final of the Champion of Champions was the feature of our November shoot. This event is contested for by winners of the High Gun trophies throughout the year. As in the past, there were some great shooters to qualify, but after two rounds of the shoot off Daryl Hunt from Wangaratta was clearly the winner with a perfect score.

The Junior Champion of Champions was also finalised with Terry Walls from Yarrawonga being successful.

Congratulations to both shooters on a great effort.

CLUB AGGREGATE WINNERS.

These awards are awarded to club members who have competed in 80% of Championships conducted throughout the year and achieve the highest aggregate for their particular grade. For aggregate scoring purposes, shooters remain in the grade in which they were graded at the beginning of the year.

Daryl Hunt, with a percentage of 96.200 took out the A grade section for a second year in a row, while Ken Maurey was the B grade winner. With a percentage of 89.298 Dick English was declared the C grade winner.

Club President, David Jackel once again took out the A grade Skeet with an aggregate of 97.412. First year competitor, Phil Smith was thrilled to

win C grade with 88.471% Unfortunately no B grade Skeet shooters qualified for the aggregate award.

IAN REITH'S HONOUR

Celebrations acknowledging Ian Reith's 50 years continuous registration as an ACTA and Club member coincided with the Melbourne club members annual visit to Wangaratta on Sunday November 16th.

DTL and Skeet events for the day were named in Ian's honour, and to his delight he successfully took out the C grade section of the Double Barrel Championship.

About 70 members and friends enjoyed a barbecue and a few drinks after a tough day shooting to establish which club's Skeet and DTL teams would take the honours on the day. Score one all - DTL Wangaratta; Skeet Melbourne.

Ian was thrilled to have some of his closest friends from Wilby attend his special day. It was lovely to see Trevor Hargreaves, Jim Kelly, Graham Reid, Neil Haydon, Kevin Law and especially Marge Pettit come in your honour. Gee Reithy, just think if Phil had have been with us, what a celebration, then it might have been more than just Kerry's dog that was bitten.

It is common knowledge that Glenrowan had the Kelly gang. Well, we've got the 'Wilby Gang'. Ian and his mates (who, I must clearly state, have a totally different outlook on life, even

though one of them is in, 'namesake' only) are known around the traps as the 'Wilby Gang'. When we see "Cuddles" wife, Kerry accompany them to the club, we all know it's going to be a great social day, it is then Kerry's responsibility to get the 'Gang' home, which I must say, is no easy task.

To mark the occasion Ian was presented with a beautifully inscribed barometer/thermometer and complementary ribbons, especially printed to mark the occasion.

Congratulations Ian on this historic event, we all know you had a terrific day, and look forward to an even bigger celebration in ten years to celebrate your 60th year membership and your 80th birthday.

TWO GET LIFE AT WANGARATTA

Two members of the Wangaratta Clay Target Club were honoured with Life Memberships at the Club's AGM on November 27th.

Club President for the past two years, David Jackel who has served eleven terms on the committee was recognised for the dedication and hard work he has given the club during this time, and for his enthusiastic support to Skeet shooting over the years. David has represented the club many times at State and National Titles. In 1992, 93 and 96 he was named in the Victorian State Skeet teams, in addition, in 1993 he successfully took out the Victorian State Skeet Doubles Championship.

David really enjoys some stiff competition at club shoots. This creates a strong competitive atmosphere for all AA skeet shooters competing at Wangaratta. Since becoming a member of the club in 1975, David has won the majority of the Club's yearly A grade Skeet aggregate awards.

Brian North, who up until recently, was Club coach for the preceding eight years, was appropriately rewarded for his dedication to the task of coaching juniors. Brian not only has spend hours and hours on Saturdays and rdo's to ensure that juniors had every opportunity at coaching sessions, but also to attending school competitions.

Brian has represented our club at many State and National Titles. In 1981 and then again in 1989 he was named in the Mackintosh Team.

Congratulations to both David and Brian on you well earned Life Membership awards, which you richly deserve, and I know, will be justifiably proud of.

ACTA Life Membership

The Executive Committee of the Australian Clay Target Association are pleased to announce the awarding of Life Membership of our Association to Mr Robert Buchan of the Melbourne Gun Club.

The following is an extract of his nomination by Melbourne Gun Club.

"The Committee of the Melbourne Gun Club hereby nominate Mr Robert Buchan for honorary Life Membership of the Australian Clay Target Association.

The reasons behind this nomination result from the outstanding contribution he has made to the sport and the tireless effort he has put into the everyday administration.

Bob first became involved in shooting both as a competitor and administrator more than 40 years ago with involvement at the Croydon Clay Target Club of which he was President for 3 years.

He was the main instigator in the amalgamation of Croydon with Lilydale Clay Target Club which was formally Camberwell Gun Club.

He always had visions of making a gun club where all forms of Clay Target Shooting could be in the one area.

A building development of the ground at Lilydale soon eventuated into one of the biggest shooting complexes within the A.C.T.A. It became apparent that the amalgamation was going to be a great success and they adopted the name of the Melbourne Gun Club.

When Australia made a successful application to conduct the 1973 World I.S.U. Championships,

Western Australia and Tasmania to a lesser extent could not fulfil the requirements as the financial burden of this event.

When it was first taken to Bob (who was President of the M.G.C.) he approached his committee for their support in meeting the challenge that was before them. It was his doginess and loyalty for shooting to progress that they accepted his request. The financial burden was enormous despite a small grant made by the State and Federal Governments for administration of the World Moving Championships.

At first the cost seemed beyond the M.G.C. but Bob, along with Rupert Henwood and Dr Graham Carroll went guarantors to the sum of \$60,000 (a fortune in those times). It was a credit to the M.G.C. and its members that they got behind Bob and the program. The end result was an outstanding success for Australia.

Without the drive and dedication of Bob Buchan this event would not have been achieved (a fact forgotten recently by the A.C.T.A. in its celebration of success in Atlanta).

Bob was the foundation President of the Victorian State Association which had many knockers when being formed but his determination drove him to make it succeed.

The U.I.T. had bestowed to him one of its highest awards ever given to an individual for his efforts.

He has also been the recipient of the Presidential Medal of the A.C.T.A.

He has served on the State Council since its inauguration and is in fact the only foundation member still on the State Council.

Bob has also served as National Executive member for many years. He has managed teams to Thailand and was also Chairman of the ISU Committee.

The Commonwealth Games in Brisbane had the benefit of his knowledge in the organisation of the Trench competition in 1982.

On leaving the Executive of the ACTA it did not deter him from being an active if not outspoken member of the Association.

Those who know him may admire or dislike him, but there is no issue that he will back away from.

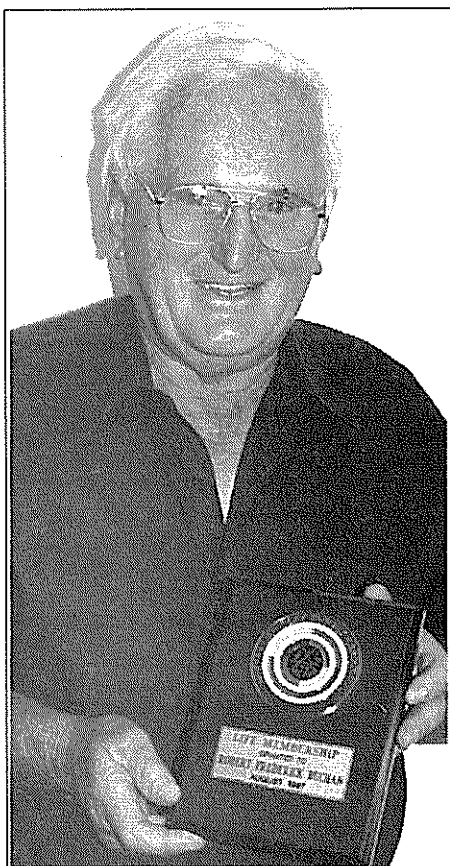

Any State or National Championships that are held in Victoria are fortunate to have him at the forefront in work and donation of trophies. He has been responsible for the largest Nationals ever conducted at the M.C.G. There would be no other grounds prepared and presented to the Association both State and National as the Melbourne Gun Club.

As we know he is not frightened to praise or air his disapproval of actions taken by either Association if he thinks it is to the benefit of shooting.

He is a credited referee, rules supervisor and has served on the Firearms Consulting Committee attached to the Victoria Police.

He has been President of the Melbourne Gun Club since the amalgamation some 30 years ago and to this day runs a club that is a credit to the A.C.T.A and all as the result of the effort put in under his presidency.

He is a great ambassador for the sport and it is our opinion that recognition should be given in return for what he has done for the Melbourne Gun Club, State and National Association and the sport of Clay Target Shooting in general".

Dear Sir

On behalf of the members of the Roma Town Council representing the people of Roma, I wish to convey to you our appreciation on the fact that you have chosen to hold the National Down the Line Championships in Roma in 1999.

We are very proud of the Roma Gun Club and very proud of the fact that this loyal group of people have been given this honour.

May I convey to you, our total support for this venture together with the support of Flight West Airlines, our regional airline in Queensland, whose Operations Manager Mr Brian Peters, spoke very recently. Flight West will schedule extra flights as required.

We look forward to the staging of the Championships.

Please do not hesitate to contact me if you have any difficulties which I may be able to help solve.

I look forward to meeting with you in due course.

*Yours faithfully
Mrs Jill Baker*

Deputy Mayor, Roma Town Council.

Dear Sir

I feel compelled to respond to the comments made by WACTA State President Mrs Elaine Forward, in the November '97 Editors Mailbox. Mrs Forward states that "due to the pressure put on this association from the skeet shooters on the eastern seaboard the WACTA has been forced to reluctantly change the date of the Skeet Nationals". Then in brackets Mrs Forward states "A sad day for common sense."

Let me ask "Is it common sense to hold National Skeet Championships 6 months apart?"

"Is it common sense to hold Nationals before any of the States have had time to hold their State Carnivals so they can select their respective State Teams to compete in the State Teams Match?"

"Is it common sense for the WACTA staff to have to work for 10+ days straight in a row to run the Trap & Skeet back to back?"

I am proud to have been one of the very many Skeet shooters who took pen to paper to protest the Trap and Skeet being combined and I am very happy that the ACTA took notice of this correspondence and changed the dates back to a more realistic and fair time.

What still concerns me however is that Mrs Forward claims that the WACTA was forced to and eventually reluctantly changed the dates and this was a very hard decision to make. I would have thought that after receiving 150+ letters of protest from the people who would usually attend these Nationals it would have been a very simple decision to make. In business you have to give your customers what they want, if you fail to do this, soon you will have no customers.

I am looking forward to shooting the Skeet Nationals in Perth in October 98 as I am sure many other skeet shooters from all over Australia are. I believe that combining the Trap and Skeet Nationals would be a mistake and the proof can be seen just by looking at the New Zealand model. Once again I subscribe to a simple business regime. Give your customers what they want, not what you think they want.

Glenn Clarke

Dear Shooting Competitors

We regret to inform you that Shooting will no longer be a sport in the 1998 Nike World Masters Games in the USA. Unfortunately, the venues were not available at the privately owned clubs, at a fee we considered to be fair.

The final decision to eliminate Shooting was made after months of planning, venue inspections, competition formatting and negotiations with the local leaders and clubs within Oregon and the Portland Metropolitan area. The decision was forced upon us when the only multipurpose shooting venue in the region withdrew its offer to host the competition.

The Organising Committee for the 1998 Nike World Masters Games and the International Masters Games Association greatly regrets the cancellation of this sport. We appreciate your interest in participating and we apologise for any inconvenience this decision may have caused you. Best wishes in your other competitions.

*Sincerely
Jack Elder
Director of Sports and Venues*

Vale

Alan Walter Mason

All the members of the Bendigo Clay Target Club and many older members of neighbouring clubs were saddened by the sudden death of our friend and life member Alan Mason, at the age of seventy five, on 12th November.

Alan has been associated with our club for some thirty eight years and in the earlier years he attended many shoots at other district clubs, such as Harcourt, Colbinabbin, etc. He was a constant competitor at our local shoots. His most recent successful effort being to win 'B' grade in a Double Rise event last July.

He enjoyed trout fishing with a few selected friends and travelled frequently to the prime trout fishing areas of Victoria and New South Wales to pursue this pastime.

He was a quiet, unassuming gentleman who could be relied on to help when needed. An example of this was during the construction of our present club house when he donated all the door frames and carried out all the glassing of the windows and the feature wall.

Alan served in the 2nd AIF during WWII at several different locations in the Pacific area.

He was a well known and highly respected businessman in Bendigo, carrying on a family business established for three generations, for many years.

Our sympathy is extended to his sister Melva on this sad occasion.

President B.C.C.C.*

Bob Devries

It is with deep regret that the members of Frankston Australian Clay Target Club advise the passing of their great friend and colleague Bob Devries.

Bob was born in 1941 and married Marilyn in 1963; they had three children, Rodney, Jenny and Caroline.

Bob was a founding member of Frankston Australian Clay Target Club and was one of the three signatories on the original lease of the existing land where the club is now situated.

Bob was one of the driving forces behind the scenes and was largely responsible for the club securing its existing site.

Bob loved his shooting, both clay targets and ducks and couldn't wait to get away to Dunns or Lake Cowal. He was the ultimate duck shooter, loved a drink and a few tall takes around the camp fire, and could shoot a duck as well as the next bloke.

Sadly, Bob had been ill for the last few years and we didn't see too much of him until the last 12 months when he started to make a comeback.

Bob was a great family man and took his children and this other great love, quarter horses, all over Australia and enjoyed great success. Bob's 50th birthday was held at the gun club and somebody hired a 'fatogram', I am sure that night will never be forgotten. Bob handled a possible disaster with his usual aplomb and turned it into a memorable occasion. Great stuff and appreciated by all.

Bob was a one eyed Collingwood supporter who did what all Collingwood supporters do when they are losing, he would turn the radio off!

Bob passed away at the age 58 leaving many friends behind. A good Clubman and a good bloke, he will be missed.

Sydney Clay Target Club ANNIVERSARY SHOOT 1997

First up, if this report on our Anniversary shoot is not factual in every aspect, well I expect it's the massive hangover I am trying to contend with, so please bear with me as I do my best.

Saturday dawned, a dull overcast (like me) day, with showers and storms predicted, typical open shoot weather.

It did not stop the shooters from coming though; Ray Wise, Gary Darr and Erica Hudson decided to come all the way from Gladstone, Qld, to see how the southerners do it.

Overall High Gun winner "Billy" Bob Rose

Just a short 1500kms down the road and they were here, yes they did drive all that way just for our company they told me. Thanks for coming guys, we will have to repay the visit at your Easter shoot. We also had our usual good attendance from our regulars, 26 clubs represented from all over the country, to all who travelled and attended thank you very much, and will do it just as well again next year. Next years date will be slightly different so as not to compete against the Victorian State Carnival. I had assurances from up and coming shooters like Bill Iles, Arthur Turner, Mark McInnes, Ian Merrick, blokes I am sure with a bit more practice will be names you might hear about. Anyway enough of the bullshit and down to business.

Saturday first event, Gemini Traps Classic 50t DB. 1st Overall Gus Yarak 70/70 \$250 plus sash, 2nd Overall Rodney Van Beek 69/70 \$150 plus sash, 3rd Overall Arthos Del Ben 60/61 \$120 plus sash. Evans.

Many thanks to Ludwig (Box Head) Kohler from Gemini Traps for his help in sponsoring this event, his new traps that we only installed the week before worked perfectly, not one problem all weekend.

A special thanks go to our very special friends Peter and Joan Abela, both being fantastic supporters of this club and clay target shooting in general. By the time this report goes to print, Peter's birthday shoot will be long over, I just hope it has been as big as a success as Peter and Joan deserve. Thanks mate.

Sunday, weather just the same, stiff cheddar, can't do a thing about it. It made no difference, as the scores will show some brilliant shooting, especially by relative newcomer (part time Yank) Billy Bob Rose.

I believe on a recent trip to the Grand American this teenager was said to have found the fountain of youth, at least that is what a rather happy or should we say gay motel employee was heard to say about Bill Bob in his tight shorts.

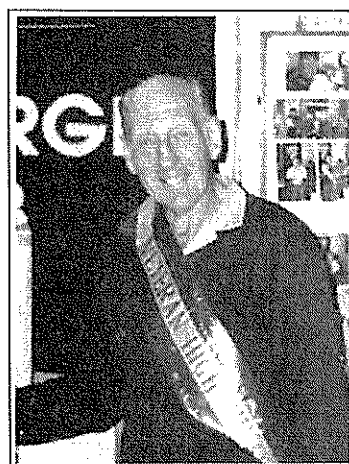

Sunday event four, Victory Cartridges 25t Handicap.

1st A. Jones 49/49 3 cases of ammo plus trophy, 2nd L. Smith 48/49, 2&1/2 cases ammo plus trophy, 3rd J. Crompton (I got the money you got the metre) 34/35, 2 cases ammo plus trophy.

Our shoot marshal Geoff (I can't afford any more lottery tickets) Kidd, the shoot ran without a minute wasted, thanks Geoff. Our biggest thanks of all must go to the two hardest workers in the club, our Treasurer Jannene Kidd and Secretary Karen Kennerson, these two girls practically run the show by themselves, thanks girls.

PORT AUGUSTA GUN CLUB BIRTHDAY SHOOT WEEKEND

Saturday 15th November saw shooters come from far and wide to compete at the Port Augusta 2 day Birthday Shoot weekend. Conditions were very comfortable with overcast skies and light breezes on Saturday and perfect weather on Sunday.

First event Saturday was 50t Port Augusta Skeet Championship, the overall sash winner being Wayne Channing from Broken Hill.

A grade equal 1st G. Bollen & C. Bentley 46/50. B grade 1st W. Channing 49/50, 2nd B. Murphy 57/60. C grade 1st R. Hindmarsh 47/50, 2nd B. Mantesso 44/50.

Event 2 Saturday was a 25 target Single Barrel Cash Divide, with Tony Miller being the only local to grab a slice of the pie. A grade 1st C. Bentley 32/33, 2nd G. Bollen 31/33; B grade A. Pearson 22/25, 2nd J. Curtis 22/25; C grade 1st B. Mantesso 18/25, 2nd A. Miller 17/25.

Third and final event for Saturday was the 50 target Presidents Double Barrel Championship which was ably taken out by ex Pt Augusta member Craig Bentley with a masterful display to add another sash to his collection.

A grade 1st C. Bentley 50/50, 2nd M. Starr 61/62; B grade 1st R. Hindmarsh 49/53, 2nd A. Dipaolo 48/53; C grade B. Mantesso 42/50, 2nd A. Miller 40/50.

With Saturdays competition completed, competitors and their families settled down to a fine repast put together by our hard working ladies under the watchful supervision of our gourmet President Tony Dipaolo.

Sunday dawned bright and clear with only one or two wondering where the night had gone and reaching for the Panadol.

First event Sunday was the 50 target Port Augusta Double Barrel Championship with local identity Merv Starr surviving a shootoff to claim the winners sash for the first time this

weekend. Merv only missed one target from a perfect score as a result of accidentally shooting the back of the traphouse instead of his target. Yes, it even happens to the best of them.

A grade 1st M. Starr 59/60, 2nd B. August 58/60; B grade 1st V. Bone 48/50, 2nd J. Smith 46/50; C grade 1st D. Smith 43/50, 2nd A. Miller 40/50.

Third and final event for the weekend was a 25 target Point Score competition. With grade High Gun sashes up for grabs it was vital for those in contention to keep their nerves under control and 'go for gold'. Once again Vince Bone had people wondering what he was growing out on the farm at Kimba, by showing his win in handicap was no fluke, posting a formidable blemish free round on the way to his first High Gun Sash.

A grade C. Bentley 74/75; B grade V. Bone 75/75; C grade A. Miller 61/75.

High Gun winners Overall and A grade Craig Bentley 263/275 from Adelaide, B grade Vince Bone 250/275 from Kimba and C grade Bruce Mantesso 221/275 the lion from Broken Hill.

Port Augusta Gun Club wishes to acknowledge and sincerely thank our major sponsors Heather and Merv Starr of Starr's Transport from Quorn and Better Homes Mitre 10 of Port Augusta for their generous support over the weekend and throughout the year.

Aggregate trophy winners for the year were All Around Trophy Lyn Schubert by 5 targets from Robin Freebain with Merv Starr a further 10 targets behind. The Skeet aggregate winner was Robin Freebain by 3 targets from Lyn Schubert with Merv Starr a further 13 targets back to close out third place yet again. A very close contest all year.

This brings to a close our competition year, so from our members to you all, have a Merry Christmas and a safe New Year.

VCTA South Eastern Zone Carnival

Left to right: John Rowe (and Rug), Chris Carrol, Keith Caldecott, Peter Mills, Simon Howd

Melbourne Gun Club is a great venue for a shot, and on the sunny 18th of October it was the place to be. This was the final of the teams event and the South Easts carnival. There were 85 shooters to contest the Double Barrel with Wayne Parks 93/93 out lasting Robert Nesbitt.

The Handicap was next and was won by Peter McGaw 35/35 from John Rowe 34/35 and Lachlan McKinnon 36/37 third.

These two events constitute the Team event and the combined

scores of Phil Taylor, John Mollica, Scott Barry, Grant McConnachy and Barry Humphries gave the Melbourne team the day by four targets from Cerberus. However the Cerberus team held off Melbourne's high scoring challenge to win the series by three, 1146 to 1143. A very close finish over the year.

The Junior team on the day was Morwell, who also won the series. The Junior High Gun was won by Steven Parks, with the Senior sections Chris Carrol for the Double Barrel and Bill Woodward for both the Handicap and Overall.

The Junior High Guns for the first two events were: A grade to Grant McConnachy; B grade to Bea Lewis and C grade Teresa Mazza.

The Single Barrel was taken out, Overall by that converted Skeet shooter Lachlan McKinnon 33/33 who doesn't look like being in B grade much longer, leaving Wayne Rogash 37/38 and Garry Hayden 36/38 the spoils of AA.

The final event was the Point Score which saw two possibles, Simon Howd and Peter Mills, who did battle for a rather short time, to give Simon Overall with the score of 87/87.

The Carnival Junior High Gun was Grant McConnachy.

The Ladies High Gun was Carmel Carlon.

The Carnival High Gun with 148/150 was Wayne Parks.

LENS CHOICES

Orange(#45) Dull cloudy days. Blocks blue light and enhances the orange of the target.

Sunset Orange(#49) Bright, hazy conditions. Slightly darker than orange to absorb scattered or stray blue light.

Ranger Bronze(#50) Very bright, hazy sunlight. Stray blue light absorbing qualities which enhance target outline.

Light Purple(#47) Combines grey and vermilion. It dampens the green and enhances the orange target against tall trees.

Pale Yellow(#48) The light colour tint allows this lens to be used indoors, outdoors, flat light, or at night.

Vermilion(#46) Highlights conditions where there is poor background such as trees. Enhances the target against the background.

Yellow(#43) For hazy, foggy days or late afternoon. This will block out much of the blue light.

Brown(#44) A blue blocking lens for bright open background and bright glare days.

Clear(#42) For shooting indoors when no contrast between target and background is desired. Also, excellent for safety lens while hand loading.

Grey(#41) Transmits all colours at the same level. For use on bright days. Does not enhance target, just brings light down. Use in direct sun conditions.

Pro-Trap Shooting Supplies have obtained the exclusive distribution rights for "Rio" Target Loads and "Corsivia" clay targets within Australia. Rio cartridges are manufactured by UEE, one of Europe's largest cartridge manufacturers, in their fully integrated factories in Spain. UEE produce all their components in house, including the well known explosive powders PSB and CSB. Rio cartridges are consistent quality and performance.

Corsivia targets are also manufactured in Spain using the latest technology moulding machines to ensure consistency in weight and size, thus ensuring a perfect flight path. Corsivia clay targets have been extensively used in World and European Championships and during the Barcelona Olympic Games in 1992.
