Athenia® Orion® Shotguns

Available in 3 stock styles:
(L to R), "Field", "Classic Field"
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

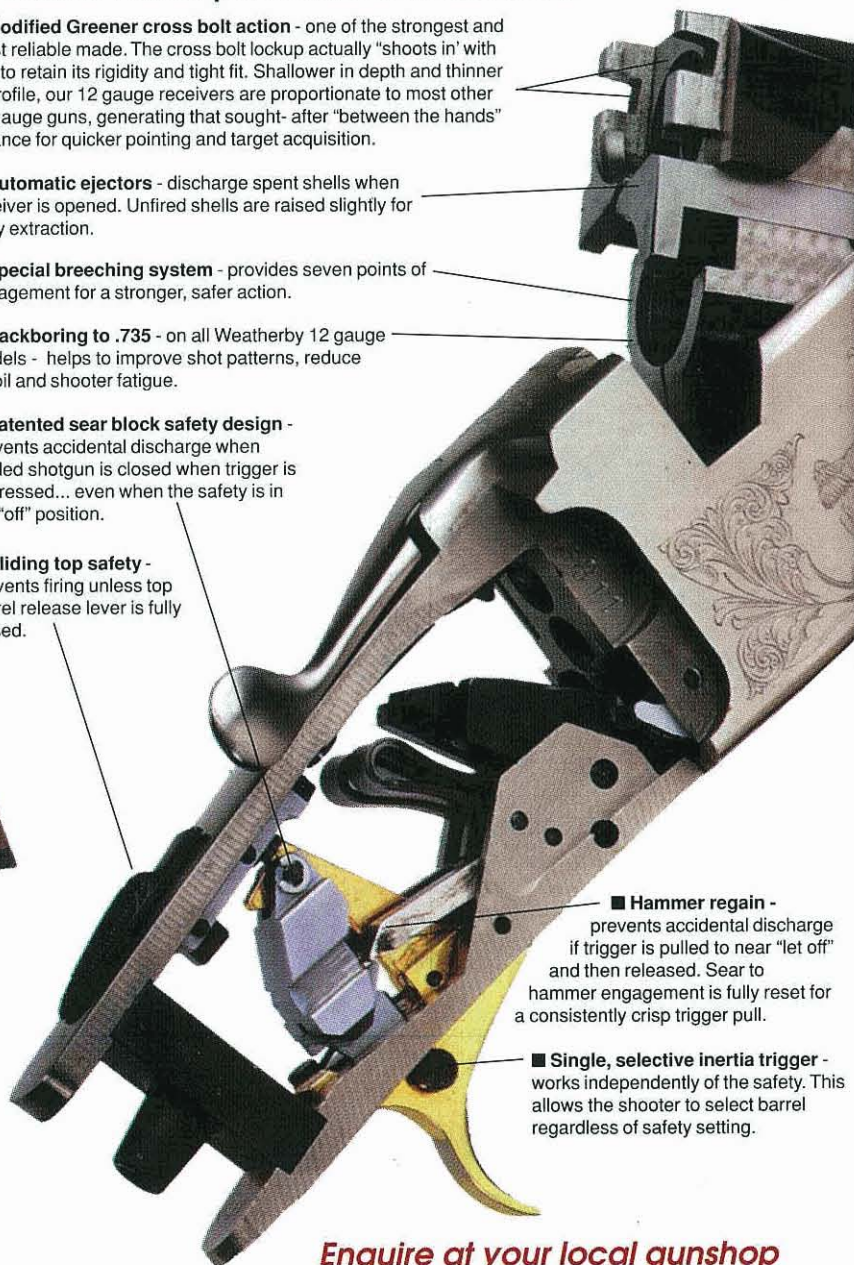

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

National President's Notes

SAGA OF THE NATIONAL GUN LAWS

And yet it still goes on. The following was forwarded to the National Office and it is an extract from a report to members of the Sporting Shooters Association of Australia

"Hunting in New South Wales is still available to Victorian shooters. You will need to have a shooters licence for the appropriate category of firearm you will be taking into NSW. You will also need to be able to prove that you have permission to hunt on a specific property (either a signed letter from the owner/manager or be able to contact the owner/manager to prove that consent)". Now the piece that affects us . . . "the same applies to competition at clubs in NSW (a completed nomination form or a notice from the host club is sufficient".

We are endeavouring to clarify this issue via the NSW Firearms Registry with the assistance of the NSW CTA. One would hope common sense would prevail.

Next . . . the issue of carrying firearms and ammunition in New South Wales. Last month you will recall that I mentioned that certain parts of the firearms laws prevented certain persons from carrying ammunition and firearms together. I further indicated that this did not apply to shooters travelling to and from shoots. It seems I was wrong. Information received from a member of Parliament in NSW after an inquiry from one of our members contains the following advice.

"I confirm my telephone advice to you that if ammunition is placed in a separate, locked container and concealed as far as possible within the vehicle concerned then it would be deemed that the safekeeping requirements of the legislation have been met".

The actual section of the NSW Firearms Act referred to is Section 12, sub section (2) (a) which states: "A person who possesses a firearm must ensure, except when the firearm is actually in use or about to be used in accordance with the authority of a licence, that the firearm and any ammunition for the firearm are stored in secure, locked storage approved by the Commissioner of Police."

This section is open to many arguments and opinions and no doubt many legal men will be called on from time to time to adjudicate.

INTERSTATE PERMITS TO ACQUIRE

Victoria has now introduced Legislation to allow persons from interstate to purchase firearms in

Victoria with their home State Permits to Acquire. It is hoped that all States soon follow suit.

PRE NOMINATION: NATIONALS

To clear up the rumors circulating re the requirements and reasons for pre nomination for the Perth Nationals.

Reason . . . there are a number, but one good one is that it will lessen the work load on the office on the first day.

What will happen . . . on receiving your pre-nomination, it will be processed and your receipt for each event you have entered will be returned to you. On the first day of the event you will produce your receipt at the office and you will receive your squadding card and be squadded. You will not be pre squadded prior to the lodgement of entry form.

Looking forward to seeing you all in Perth.

WAGGA WAGGA

The ACTA Management Committee will be meeting in Wagga Wagga in February to continue the development of the National Ground and the relocation of the National Office to that City. I firmly believe that in the current climate surrounding firearm ownership and shooting, it is essential for us to develop a complex such as that which is envisaged for Wagga Wagga with the support of Local, State and Federal Governments, to ensure the future of our sport.

1997 NSW Shooter of the Year

Michael Diamond and Alex Comino, NSW Shooting Association President

Over 200 guests enjoyed a splendid evening at the Randwick Racecourse Function Centre on 24th October to witness the presentation of the 1997 Shooting Sportsman of the Year Awards.

All shooting disciplines in NSW were represented by nominees from among their clubs and member, with Clay Target nominees being Michael Diamond (NSWGC), Clive Barton (Tamworth CTC) and Ben Kelley (NSWGC).

The official guests included Ms Kerry Chikarovski, Shadow Minister for Corrective Services, Mr Bill Gillooly, Director General of NSW Sport and Recreation and Mr Alan Maher, SOCOG's Shooting Manager.

Michael was the winner of the Silver Medal for Clay Target for his World Cup Final win in September, with Clive and Ben being jointly awarded Bronze Medals, for their World Cup wins during the year.

The Gold Medal for the Shooting Sportsman of the Year Award was also awarded to Michael as the overall winner, and was presented to him by Kerry Chikarovski.

We should be very proud to receive such recognition for Clay Target Shooting again through our fine young sportsmen, and I wish to congratulate them all on their presentation at the dinner and thank their parents who also attended.

The Awards are conducted annually by the NSW Firearms Safety Awareness Council and are a

Waratah State Notes

Championship Results

The NSW State Double Trap Mens and Womens events were held at the Marconi GC on 30th November 1997 after two previous attempts to stage the event.

Craig Tilley from Sydney CTC won the mens event with a score of 129+47 while Loz Lloyd also from the Sydney CTC won the womens event with 78 + 32. Congratulations to you both.

The 1998 State Double Trap Championships will be part of the NSW State ISU Carnival and conducted at Illawarra GC on Friday 11th September.

NSW Masters Games

The inaugural NSW Masters Games will be conducted at Coffs Harbour from 24th July - 1st August 1998. Fortunately, clay target shooting is going to be included and conducted at the Coffs Harbour GC.

If you would like further details please contact Mr Geoff Campbell - Director, Coffs Harbour Events Inc on 02 6651 7766.

National Sweepstakes Series

Please ring me if you have any queries - 02 63614443. Any club, large or small can enter.

Firearms Club Approval Certificates

All NSW clubs must apply to the NSW Firearms Registry for one of these Certificates. Clubs who already have one which was issued 1-2 years ago, need to re-apply for a current one. This is due to new legislation. The old ones were current under the old legislation, even though they may state "current to 1999", they need to be re-issued. Please ring me to make sure.

Raffle Draw

Many thanks to those who purchased tickets in the draw for the World DTL bottle of port. The raffle was drawn at Orange GC on 14th December by Orange GC

President Ross Sadler. The winner was Frank Marcellino with green ticket E77.

HOW TO SHOOT BETTER SCORES AT TRAP AND SKEET SHOOTING

Two 90-minute videos on Trap and Skeet Shooting will show you how

- * Each 90-minute video will show you in detail what you need to know and do in order to shoot better scores.
- * A 25-minute discussion with the aid of descriptive charts will show you and explain the important finer details and why it is most important to have your gun properly fitted. It will show you how to check for correct gun fit.
- * The videos will show you where and how to hold on the trap house and how to focus for target release. Remember it's not the end of the world if you must close one eye - I'll explain this to you in the video.
- * Remember one thing - if your gun does not fit you correctly and you don't mount and point it correctly, you'll never become a good shot.
- * Video tapes \$30 each plus \$4 postage. Please send money order or cheque, available direct from:

Good response for 1998 Australasian-Pacific "Grand Prix"

Following extensive advertising and promotion both within Australia and overseas and the recent successes of our shooters in the 1998 World Cups, World Cup Finals and recent World Championships, good interest has been shown in the 1998 "Grand Prix", which gets underway at the Brisbane Gun Club on 14th February.

Nominations have once again been received from throughout Australia, as well as Europe, America and the Asian countries.

With much riding on performances by our top competitors at the "Grand Prix" to secure positions for the Commonwealth Games and World Championships in Barcelona, the standard at Brisbane is likely to be as good as will be witnessed in Australia this year.

For the first time in an international competition in Australia the new format 75 target events will be conducted for women competitors in both Olympic Trap and I.S.U. Skeet, and the newly released table settings for trap will also make the competition that little bit more interesting - especially since the distances have now been increased a little.

As usual, the Australasian-Pacific "Grand Prix" competition will cater for all shooters with all competition having sections for lady, junior and veteran shooters and grades for AA, A, B & C Grade shooters.

For the shooter wanting to try his hand at I.S.U. shooting, the Australasian-Pacific "Grand Prix" competition is a great way to get started, especially when the opportunity is there to compete not only with Australia's best, but also with competitors from other countries.

Further details of the "Grand Prix" competition can be obtained from the Organising Committee - phone/fax (07) 5446 8353.

1997 Junior Development Program

Australian Institute of Sport
30 November - 3 December, 1997

The selections had been completed following the final Nationals (Skeet) for 1997, the Coaches invited and the program set in place. With travel arrangements completed by A.I.S. Travel, the ammunition again donated by Winchester Australia and the Clays to shoot donated by Bay City Clay Targets, all was in readiness.

Gary Cassells, Jim Shepherd, Luca Scrabini-Rossi, Russell Mark, John Taylor (Canberra CTC) and Murray Alexander.

This was to be the biggest camp ever conducted with 19 selected Juniors for 5 disciplines, 4 Juniors from New Zealand and 3 Juniors from the A.S.A. residential program.

These were from: DTL - Philip Smith (NSW), Ben Whitcroft (WA), Matthew Buys (NSW); Skeet - Michael Faber (NSW), Jason Lagden (NSW), Nick Ozinga (NSW); ISU Trap - Nathan Cassells (Vic), Craig Henwood (Vic), David Bowen (Qld), Shane Pinner (Vic), Kane Shepherd (Vic); ISU Double Trap - As with ISU Trap including Ari Syrimi (NT); ISU Double Trap Female - Susan Milroy (Vic), Susan Trindall (Qld), Nessa Jenkins (Vic); ISU Skeet - Kris Jones (NSW), Damien Birgan (Qld), Andrew Otley (Tas), Warren Groves (Tas).

Residential Participants: George Barton, Neil Rundle (ISU Skeet) and Lisa Smith (ISU Double Trap).

New Zealand: ISU Trap - Scott Wilson, Regan Munro; ISU Skeet - Colin Moore, Victor Shaw.

Coaches: Murray Alexander, Jim Shepherd, Gary Cassells, Russell Mark, Luca Scrabini-Rossi. Col Burt was also invited to participate but, due to a serious vehicle roll over on the way to the Camp, was forced to withdraw.

On Sunday the 30th November all participants arrived at the A.I.S. to begin a week long intensive program. The first evening was given over to a course introduction and a getting to know each other.

Monday, bright and early (7am) the day began with a light exercise program designed mainly to get everyone up and together. Not a pretty sight first thing but everyone got into the swing of participation. The days program centred around the theories involved with shooting including Sports Psychology both at introduction and

advanced levels, Firearms maintenance, Nutrition and Strength and Conditioning. That evening after a short meeting it was down to the basket ball course and the entertainment of two Skeeties acting out slow motion boxing in an unused ring.

Tuesday morning following the 7am exercises, all our equipment was packed into two mini buses and Jim Shepherds Landcruiser for the trip to the Canberra International Clay Target Club. On the way we collected Russell and Luca who had flown in for 2 days of practical coaching. At the Canberra Club John Taylor, a long time supporter of the Junior program, had everything ready for immediate use.

Before this component began all firearms were checked for fit and several recommendations for alterations made. While the first disciplines began their designated sessions, the Recoil filming unit arrived and was set up. With a clearly defined set of guidelines the filming began inconjunction with the

practical coaching. Throughout the day all disciplines were viewed, coached and skills improved to finally, at 4.00pm, everything was packed up, grounds cleaned and we headed for the A.I.S.

Nathan Cassells, Scott Wilson, David Bowen, Ari Syrimi and Craig Henwood.

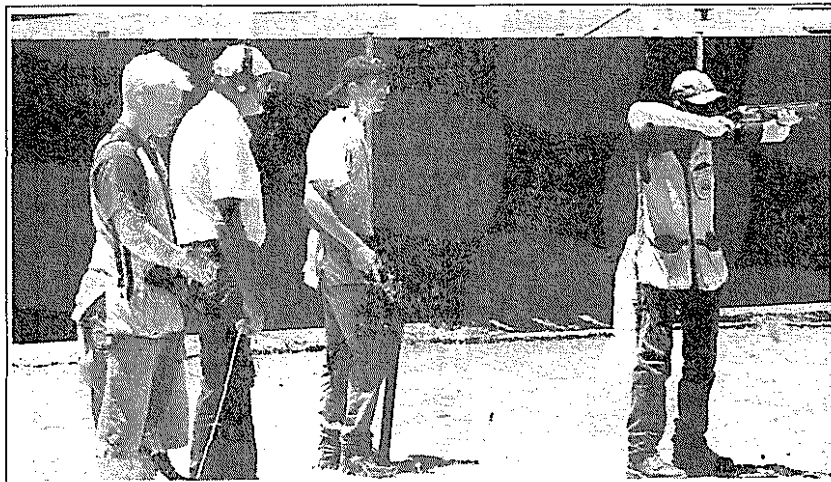

Susan Milroy being instructed by Russell Mark

That evening Russell talked to the assembled athletes on his achievements, the goals he had set, achieved and then reset. Something that, by the looks on all the assembled faces, was genuinely absorbed.

To finish a long day a review of the draft uncut tape on recoil was reviewed with a great deal of interesting results.

Wednesday followed the practical lines of Tuesday at the Canberra Club and on its conclusion it was agreed by all a great deal of skills improvement had been learnt from all the attending Coaches.

Following an early dinner the vision testing began with eleven (11) new individuals to the Junior program taking part. At 8.30pm the day drew to a welcome close.

Michael Faber, Murray Alexander, Nick Ozinga and Jason Lagden

Thursday and it was back to the books and theory. Included were Drugs in Sport, Self Massage, Recovery Training and a tour and instruction period on how to use the Australian Sports Commission Information Centre.

Our final evening was spent on the often overlooked Code of Conduct, Ethics in Sport and the Rules of our Sports. At 9.00pm the evening came to a close after a tremendous input of question and answers on these three topics, hopefully to generate a better understanding of our sport, its rules, and sportsmanship.

Jim Shepherd and Luca Scrabini-Rossi with Warren Groves.

The last day began at 7am although this time some overslept the exercise period. Others prepared to go into Canberra City to complete the vision testing and those left set out on a tour of the A.I.S. under the skilled guidance of Sportex guide, George Barton.

At eleven o'clock everybody formed up for the last time to do the course conclusion and obtain last minute details of departure and procedures.

In conclusion, the 1997 Junior Development Camp was an overwhelming success and all the participants agreed they had each learnt valuable skills. To the Coaches, Jim Shepherd and Gary Cassells thank you for your week of support. To Russell Mark for his continuing support and to Luca Scrabini-Rossi for his valuable ISU Skeet skills and knowledge.

To John Taylor of the Canberra C.T.C., the President and Committee of the Canberra C.T.C. thank you for making our task each year easier. To the supporters, namely Winchester Australia and Bay City Clay Targets who, without their support, this Junior program would be difficult to conduct.

To the people at the National Sports Program thank you and finally, but especially, to the Executive of the A.C.T.A. thank you for believing and supporting the Juniors of the Australian Clay Target Association.

17th Australasian Police Trap and Skeet Championships; and 7th "Be Active for Life" Australian and New Zealand Police Games.

These events, hosted by the Federal Gun Club, were conducted at Majura Park Gun Club, Canberra between 12 to 18 November 1997.

Many thanks to the Majura Park Gun Club President, Peter Simon and his willing band of Committee and Helpers for preparing the grounds, providing the facilities and catering, ensuring these prestigious events flowed in the spirit of fellowship through keen, competitive clay target shooting. Police and Civilian shooters travelled to Canberra from all over Australia and New Zealand. The Kiwis had a wonderful time and all travellers commented favourably on the friendliness of Majura Park and the value of the large trophy tables. An interesting comment came from the Vice President of Majura Park, Peter Schremmer, at presentation time, when he declared that "There are no strangers in clay target shooting, only friends I have not met yet." Well done Majura Park.

Through the generous sponsorship of: Gary Collibee (Grycol), Bevan Brown through Shooters Wholesale Warehouse, Bisley Arms (Glock Pistols), ADI (Propellant Powder), Tasco Industries, Keith Herron, Geoff Everett of Browning FN (Belgium), Trevor Schultz (Acacia Imports), Helga Mahler (Hellweg),

Wayne Pilkington (Winchester Olin), Steve Corrigan (Bridgestone Tyres), Wayne Kendall (Lieca Instruments), Bill Noia, Gary Raymond (Remington), Tom Meadows (Meadows Transport), Dieter Schuster (Rottweil), Tote Industries, Malcome Bone (Taipan) and David Fuller (Fuller Firearms Group) we offered a table well in excess of \$12,000 worth of trophies for both Police and Civilian divisions. Springsure Gun Club

1997 has seen our relatively small club increase in membership dramatically. The interest shown has been wonderful and looks set to further improve in 1998. Throughout the year a group of members have travelled to many shoots all over the State with generally good results. A lot of the blokes are going up in grades all the time, which proves that they are shooting well. By the time this goes to print, a group of us will have been to Cecil Park for the Boxing Day shoot, so hopefully the next write up will include how many guns the team has won!

Our Annual Two Day Shoot was held in May, and we had a huge roll-up from many clubs, including Sunshine Coast, Brisbane, Gold Coast, Roma, to name a few, as well as most Central Zone clubs being represented. This year we are running over the 7th and 8th February, and have some great trophies on offer, including two guns. So if you want some practice for the Zone Carnival, come along and you will be made most welcome.

We held our Christmas shoot on 13th December, and had 36 shooters from Clermont, Gemfields, Callide Dawson and the locals. It was great to have eight novice shooters turn up for the day and it looks like some of them are hooked and will join up. John Walsh took overall for the day, though it went right to the wire with Brian Richardson not dropping a target until the 30tgt Points Night event.

Until next month, good shooting everyone.

Lauren Perrett.

Dear Sir

The change to pointscore after 100 targets in double barrel shoot offs seems to be working ok to my way of thinking. Mr Harry Somers seems to have lost sight of the fact clay target shooting is supposed to be a sport for the general run of club members in clay target shooters.

To speed up and widen the angle of targets and generally make them harder will ultimately result in only the so called experts turning up at club shoots, and new shooters taking up the sport will be nil. What about more handicap events and good luck to those capable of shooting those big scores, I admire them.

Yours sincerely

Maryborough Tid Bits

Welcome to new shooters to take jobs at our AGM held 23rd November, being Len Armstrong, Keith Bilton, Alan Joblin who are going to help existing maintenance officers, the same President Paul, Vice-President Peter, Secretary/Treasurer Holly, Captain Andy, Vice-Captain Spud and a change in shoot marshall with Peter Shaw, and deputies Dick Osborne and Vince Dollinson with Vince also provider. Heather Robertson will continue in the canteen with help from others. Thanks Heather. Other maintenance being Andy, Dick, Harry, Darrell, Spud, with Chris and Dick retaining the coaching roll and Club Delegate Stafford Smith and publicity went to yours truly.

With strong membership and great workers in the Club we are looking for another great year of shooting. Thanks to those who fill the positions to run the Club, of course the big wages and conditions is the biggest draw card. Bundy news to reach me too late for last copy but all news is good news. At Gold Coast 22nd November Kaye Rehbein qualified for S.E. Zone Ladies team by shooting Ladies S.E. Zone DB C'ship, plus 30T Medley and shared in AG DB CD with Brad Petersen also sharer in AG DB CD and took 2nd in AG in Points C'ship, only down one point, also taking Junior in same event. Good shooting by both. And Phillip Warren attended Central Burnett on 15th November and won AA Grade DB night shoot and also the Points, also good shooting Phil. Thanks Kaye for results.

It seemed as though Rio Ricatti had vanished as I hadn't seen him at shoots lately, however watching TV Saturday 29th November on a fishing programme here was Rio perfecting his skipping prawn lure and catching fish one after another. Congratulations Rio, best of luck in your venture. See you back on the tracks one day.

Receiving C.T.S.N. today 1st December it was pleasing to see our membership continuing to grow, also the score cards to be used till full is a good idea, something I have been advocating since September 1995 when I wrote to Danni Bosnjak, my contact at the time and suggested same.

BUNDABERG CHRISTMAS SHOOT 7-12-97

The AGM before the meeting had no surprises as everyone stayed on in their usual job with addition of Keith Palmer and Phillip Warren to join the committee. Well, it is magic how a smell of a ham attracts shooters to the Christmas shoot, with 45 shooters. Visitors were Garry Alexander (Dalby) spending the weekend with his family, Jim Riggs and wife Carol (Gladstone), Frank Robertson (Gayndah), Bill Stolberg (Gympie), Irvine Wynyard, Wilma & Neil Berry and Paul Anderson, Stafford Smith, Harry Walker and yours truly (Maryborough). Plus Jenny & Les Moore now living in Bundy. Also a lot of new members who I may not have reported on before, Larry Bray, Paul Tramacchi, who has shot before and joined Bundy today, Michael Petrou, Dick Snow, David Kahl, Kevin Beveridge. Thanks to all visitors and pleasing to see new shooters attending. Well nearly straight away at start of shot no. 3 Trap knocked off early for Christmas, so with all events being 15 targets and shoot marshalls in top gear the shoot was shot on two layouts with only 15 target events, meaning a few more shoot-offs, but didn't take long.

Hams were for 1st in all grades with shooters to win only one

ham. Meat trays for 2nd and 3rd biscuits with no restriction on meat trays and tins of biscuits. With 4 events with 4 grades and 3 places I will couple wins with shooters using Ham (H), Meat Tray (M) and Biscuits (B). In AA over all events Stafford Smith (H,M,M), Bill Stolberg (M), P. Winzen (B), Jim Riggs (H,B), Irvine Wynyard (B), Paul Anderson (H,B), Mike Tipman (H,B), A Grade Brad Petersen (H), Gino Sergiacomi (H), Dick Snow (M), Les Moore (H,B,B), Graham Harriman (M,M,B), Kaye Rehbein (H), Paul Tramacchi (M,B), B Grade Norm Dale (H,M,M,B), T. Gardner (H,M), Keith Palmer (H,B), Brian Charters (H), Howard Sparke (M,B), John Butters (B), and C Grade Jenny Moore (H,M), Garry Alexander (H,B,B), Frank Robinson (H,M,M), Graham Jensen (H), D. Honour (M,B), Michael Petrou (B).

The yearly champions and high gun winners were Rob Rehbein Club Champion, Trap Champion, Skeet Champion and AA Grade High Gun, Kaye Rehbein Skeet Champion, AG High Gun, John Butters BG High Gun, Spencer Plath CG High Gun and Front Marker High Gun 11-14m Ivan Taylor. Good shooting by all to win yearly awards. They don't come easy.

GYMPIE 14-12-97

No news of the shoot as we didn't get over but Wal told me on 29th March is the open Police shoot 100T DB 10.30 start, and if you have any doubts how fast your shot is there will be a speed camera on hand.

MARYBOROUGH CHRISTMAS SHOOT 21-12-97

Well, I enjoy Christmas shoots with no cards to do and it looked like we were going to get a big storm which delayed the start of the shoot. With 47 shooters, visitors being Bill & Lex Stolberg, Glen Durre, Matthew, Glenda and Chris Post of Gympie, Geoff Dalton on holidays at Hervey Bay from Port Denison Club, Frank Robertson and young brother Carl from Gayndah. Also Neil Berry and wife Wilma, Irvine Wynyard and wife Rose who had a shoot on the day, and Bundy Club shooters John and Janice Butters, Bradley Petersen, Spencer Plath, Bruce Walker, Jerrard Smith, Keith Palmer, Gino Sergiacomi, Brian Fourro, Phillip Warren, Kaye and Rob Rehbein. Thanks to all visitors for making the shoot. Bradley won a bottle of whisky on the quicky board. Darrell King also a bottle of whisky and fruit tray while Andy Wood took champagne and biscuits. Late arrivals were Paul Tramacchi and Ron Sorati with shooters only to win one ham. The prizes were spread around and with 4 prizes and 4 grades names will be graded Hams (H), Chicken (C), Pudding (P) and Biscuits (B).

In all events AA Grade Neil Berry (H,P,B), Irvine Wynyard (H,C), Paul Anderson (H,P,B), Rob Rehbein (H), Phillip Warren (C,P,B), Ian Robertson (P), Lex Stolberg (C), A Grade Peter Pagliarino (H,B), Gino Sergiacomi (H), Paul Tramacchi (H), Kaye Rehbein (C,P,B), Chris Post (C,P,C), Brad Petersen (B), Rod Osborne (P), B Grade Norm Dale (H,C,P), Geoff Dalton (H,C,P), Dick Osborne (H,B), Keith Palmer (C,B), Andy Wood (C,B), Peter Hinschen (P), John Butters (B), and C Grade Jamie Leeson (H,C), Carl Robinson (H), Bruce Walker (H,P), Ric Harrison (C,P), Tom Brereton (C), Ted Turton (P), and Frank Robinson, Jim Bulfin, Mathew Post and Ron Sorati all

(B). Hope everything is right with 4 grades and 4 prizes, it takes some working out. The annual high guns of the year were Ian Roberts A Grade, Norm Dale B Grade and Darrell King C Grade.

It is pleasing to look back on the year and see our local clubs grow with membership and the friendship between local clubs. Shoots for February Bundy 1st Skeet 9.30, Trap 1.00pm; Gympie 8th 10.30; Maryborough 22nd 12.00 noon after meeting 10.30am. Like other clubs a different colour target comes out if you get one and shoot it you get a stubby and the couple I got the use by date is up so I will knock them off before they go off.

Good shooting to all, till next time see you at the shoots.

ANGELO ZAPPALA

Members of the Burdekin Gun Club were saddened by the untimely death of long-serving member Angelo Zappala.

Angelo joined the Club at the Christmas shoot in December 1978 on the urging of his good friend Ralph Escriva, having been a member of the local pistol club for several years. He quickly adapted to our sport, being an "A" Grade trap and skeet shooter with twelve months.

Angelo attended many national championships in the various disciplines with his greatest success being second overall in the Australia-New Zealand Pointscore at Wagga in 1988. He also represented Queensland in numerous shoulder-to-shoulder teams in trap, skeet and especially I.S.U. Trap, which became his passion in recent years.

In 1984 Angelo became President of the Club, a position he was to hold for eleven years. He saw the Club through a very difficult period of falling memberships and shoot attendances.

He put in many hours of work at the Club, building skeet houses and making parts for the old Damo Traps and other equipment to keep it going because the Club could not afford to replace it.

Angelo owned a small sugar cane farm at McDesme, just four kilometres from the Club. He also worked as a gunsmith and there would not be many shooters in North Queensland who had not had work done on their guns by him.

He was a qualified Level 2 coach and was in the process of gaining his Level 3 accreditation when he became ill.

Angelo will be missed around the Clubs in North Queensland.

Our sympathy is extended to his family on their sad loss.

Turner wins Dubbo's Inaugural Macquarie Masters

Dubbo and international clay target shooter, Arthur Turner won the prestigious handicap event at Dubbo Gun Club's inaugural Macquarie Masters Championships.

Fifty nine members and visitors from Narrabri, Sydney, Newcastle, Upper Hunter, Lightning Ridge, Cobar, and local clubs enjoyed the perfect weather to post excellent scores in the quest for a range of trophies and sashes valued at over \$3000.

As an indication of the ideal conditions, possibly by Errol Tucker, Frank Honeyman, Ian Piddington, Wayde Hawkins, Rod Carr, Ross Hibbert, Ian Merrick, Arthur Turner, Scott Moody, Rod Brodin, Barry Gooze, John Hayes, Philip Jackson, Ken Fuller, Tubby Blazely, Martin Bourke and Mark McInnes were recorded across all grades in the first event of twenty five double barrel eye opener targets.

The high scores continued in the second challenge on the card, the twenty five target Macquarie Masters Double Barrel Championship in which Turner retired after a straight break of 350 targets leaving fellow Australian team mates Ian Merrick (Cobar club) and Mark McInnes (Narrabri) to call it a day and share the honours with a tied score of 425/425. This effort is even more remarkable in that the three shooters readily participated in the full program as it was run, continuing their shoot-offs between events during the day.

Tubby Blazely from Newcastle was second in AA grade with 120/121. Coonamble club President Glen Harvey took first in A grade with 152/153 leaving second place to Tottenham's Rob Brodin with 108/109. Dubbo member Ian Piddington scored 66/67 to win B grade and Andrew Logan from Narramine collected second with 59/60. Dubbo club's Brian Greenaway is still smiling and receiving congratulation after achieving his personal best break of 136 targets to win C grade (and a regrade to A, as well as a handicap change from 13 to 18 metres!) with Garvin Denniss from Mudgee second on 31/32.

Arthur Turner wins Dubbo's Macquarie Masters Handicap and creates new club break record

Wayde Hawkins, 1st AA in Dubbo's Macquarie Masters P/S Championship and tied with Arthur Turner for Overall High Gun

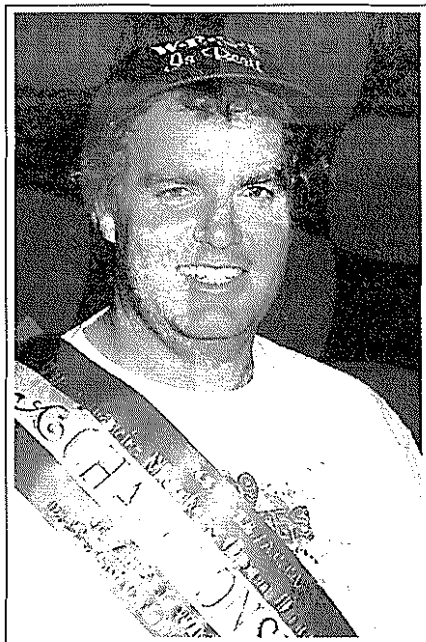

went to Barry Googe from Upper Hunter Club 77/78, second place getter was Dubbo's Frank Honeyman on 74/78. Garvin Denniss (Mudgee) led the C grade field with 78/81 and Jim Barling (Dubbo) was second with 73/75 achieving a personal best break of 101 targets for the day.

The Macquarie Masters Grand Handicap of twenty-five double barrel targets saw a field of seventeen possible scores commence the shoot-off. They included Phillip Allen, Errol Tucker, Barry Googe, John Hayes, Wayde Hawkins, Robert Naef, Phillip Jackson, Jim Barling, Daryl Bjorksten, Vic Marks, Terry Ramien, Kevin Walton, Ross Hill, Ian Merrick, Arthur Turner, Glen

Harvey and Chris Birchall. After the first thirty, Errol Tucker, Jim Barling, Wayde Hawkins, Arthur Turner and new member Chris Birchall were still in the running. Jim

Arthur Turner continued his form to take the overall trophy in the third event, the twenty-five target Macquarie Masters Point Score Classic with a score of 222/222 after a shoot off with Cobar Club's Wayde Hawkins who won AA grade with 221/222. Second in AA grade was Tubby Blazely 138/141. Dubbo club Vice President Errol Tucker went well into the overall shoot of and won first in A grade with 176/177.

Terry Ramien (Dubbo) won second place with 77/78. B grade first place

Ian Merrick who tied with Mark McInnes 425/425 in Dubbo's Macquarie Masters D/B Championship

Barling and Chris Birchall left the squad with 59/60, Wayde Hawkins from 21 metres left in third place on 65/66, leaving Errol Tucker and Arthur Turner to battle on for another fifty targets. Still even at 105 each, a cartridge break was taken and it was then a matter for renewed concentration in this challenging match.

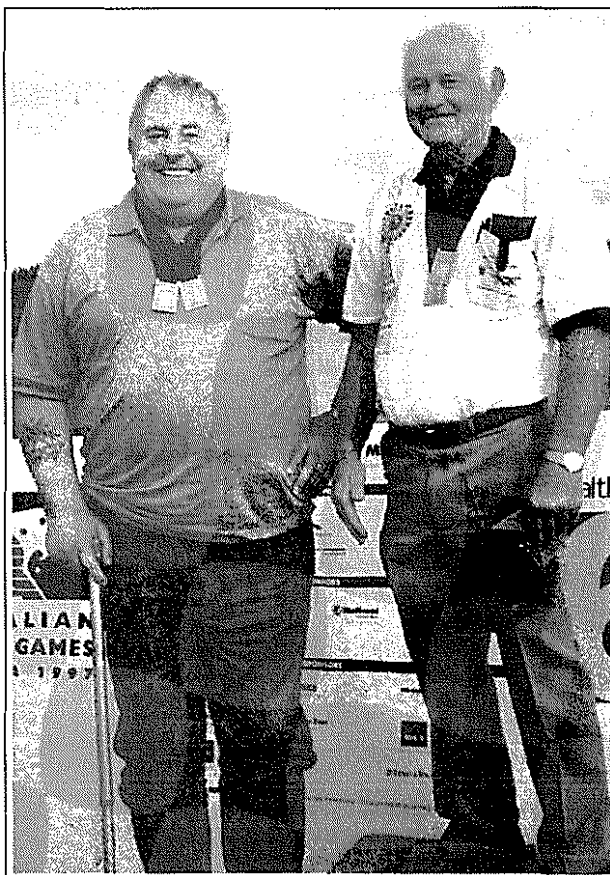

Errol, shooting from a handicap distance of 19 meters dropped his next target leaving Arthur from 21 metres to win the main trophy of the day with 106/106.

At presentation President Rod Carr congratulated Arthur for creating a new Club record break of 555 targets.

In true sportsmanlike manner Arthur also shared the High Gun with fellow representative Wayde Hawkins for a perfect 150/150 over the day's competition.

Sydney 2000 Olympic Games - Shooting Sport Specific Volunteer Questionnaire

The Sport Division of the Sydney Organising Committee for the Olympic Games (SOCOG) is seeking to identify potential shooting sport volunteers for the Sydney 2000 Olympic and Paralympic Games. Potential sport volunteers are those who are experienced in and have a broad knowledge of shooting, with skills that are critical to the staging of the shooting competition at the Olympic and Paralympic Games.

Please note that this questionnaire is a preliminary part of the Sport volunteer recruitment process; official recruitment for Olympic and Paralympic Games volunteers will commence later in 1998.

The preparation of shooting volunteers will include participation in the March 2000 U.I.T. Availability for this event is one of a number of prerequisites for Olympic and Paralympic Games Sport volunteer selection.

Most sport volunteer positions during the Olympic Games will require a minimum three-week commitment in addition to essential training requirements. Housing and travel to Sydney will be the responsibility of the volunteer.

Sydney 2000 Olympic Games Update

SOCOG Report to UIT

Under the conditions contained in the SOCOG Olympic Bid Document, a report was given to the UIT Executive Committee and Administrative Council in Lugano and Montecatini, prior to the 1997 UIT World Cup Finals, on SOCOG's preparedness for the Sydney 2000 Olympic Games.

Following receipt of the report from SOCOG Shooting Competition Manager, Alan Maher, UIT President, Olegario Vasquez Rana, and Secretary General, Horst Schreiber, advised the Executive Committee and Administrative Council, that discussions which had taken place prior to the meetings with the Competition Manager - Shooting, confirmed their belief that SOCOG is well advanced with planning for 2000, and that the Sydney 2000 Olympic Games will be "the best ever".

Olympic Quotas / Qualification Procedures

The UIT have announced quotas and qualification procedures for 2000, which will require IOC approval in December '97. Quotas have been reduced from 430 (Atlanta), to an IOC confirmed total of 410 for Sydney.

Quota's advised by the UIT pertaining to Clay Target including the two new events, Womens Trap and Skeet, are as follows:

Trap 75 Targets Women MQS 58/75 - Quotas 11, Hosting 1, Total 12.

Trap 125 Targets Men - Quotas 27, Hosting 1, Total 28.

Skeet 75 Targets Women MQS 60/75 - Quotas 11, Hosting 1, Total 12.

Skeet 125 Targets Men - Quotas 27, Hosting 1, Total 28, with 4 President's Wild Cards.

Double Trap 120 Targets Women - Quotas 11, Hosting 0, Total 11.

Double Trap 150 Targets Men - Quotas 17, Hosting 0, Total 17.

The 1997 World Shotgun Championships in Lima, Peru, will produce the first of shooting's quota for 2000. Quota details are for information only with the UIT yet to publish official information in the UIT Journal.

Technical Delegates

The UIT Executive Committee have appointed Jesus Elizondo, Mexico, and Gary Anderson, USA, as Technical Delegates for Sydney. Jesus Elizondo was one of two Technical Delegates for Atlanta, with UIT Vice President, Gary Anderson, ACOG Competition Manager - Shooting. Mrs Urni Nicolaysen, Norway, has been appointed Chairperson of the Jury of Appeal.

Both Technical Delegates will be inspecting the Sydney International Shooting Centre to ensure its compliance with UIT Regulations as well as officiating in the Olympic Test Event.

Olympic Test Event

Discussions are continuing with the UIT on the timing of the Olympic Test Event. Discussions to date indicate that the UIT will approve a World Cup in each of the Olympic events to be held in March 2000. With 17 events on the competition program, a World Cup in March 2000, would provide an excellent opportunity to fully test the Sydney International Shooting Centre and supporting infrastructure, as a forerunner to the Olympic Games some six months later.

Volunteers

Planning is underway to call for expressions of interest from persons interested in becoming involved as sport specific volunteers, for the UIT World Cup/Olympic Test Event, Olympic and Paralympics, all of which will be conducted in 2000. Present intentions are to place notices in the various shooting publications early in 1998, calling for expressions of interest to be forwarded to the Competition Manager - Shooting by April 30.

Following that date, persons whose expressions of interest are to be furthered, will be asked to complete a formal application which will be subject to the usual selection criteria, including the requirement for a security check to take place.

Persons whose expressions of interest in becoming a sport specific volunteer are not successful, will be advised of the opportunity for them to apply through the general volunteer recruitment program, where positions may become available across a wide variety of areas

February 1998

within SOCOG.

Sydney International Shooting Centre

The Olympic Co Ordination Authority is well advanced with plans to construct a permanent shooting facility at Cecil Park. Following what was a very successful visit by Gary Anderson in August of this year, OCA have completed the Facility Design in conjunction with Architects, Gazzard Sheldon. With construction plans on schedule, the SISC should be fully completed in early to mid 1999.

SOCOG has been involved with OCA through the Shooting Technical Advisory Committee, in the planning process of the shooting centre. Special thanks in this regard to the members of the Advisory Committee, Tibor Gonczol, ASA/Pistol, Aado Maranik, Rifle/Running Target, Robert Smith, Shotgun, and Russell Mark, Athletes Representative, for their time and contribution.

Distribution

I appreciate the assistance provided by the Australian Shooting Association and New Zealand Shooting Federation which has resulted in these quarterly shooting updates being published in shooting publications in both countries.
