## Athenia® Orion® Shotguns

Available in 3 stock styles:  
(L to R), "Field", "Classic Field"  
and "English Field"

From the elegant look of our Athena® series to the proven performance of the Orion®, you'll see why we confidently proclaim that no one offers you better value for your money - better wood, better balance and custom-fit internal parts - to deliver better performance in the field.

■ **Modified Greener cross bolt action** - one of the strongest and most reliable made. The cross bolt lockup actually "shoots in" with use to retain its rigidity and tight fit. Shallower in depth and thinner in profile, our 12 gauge receivers are proportionate to most other 20 gauge guns, generating that sought-after "between the hands" balance for quicker pointing and target acquisition.

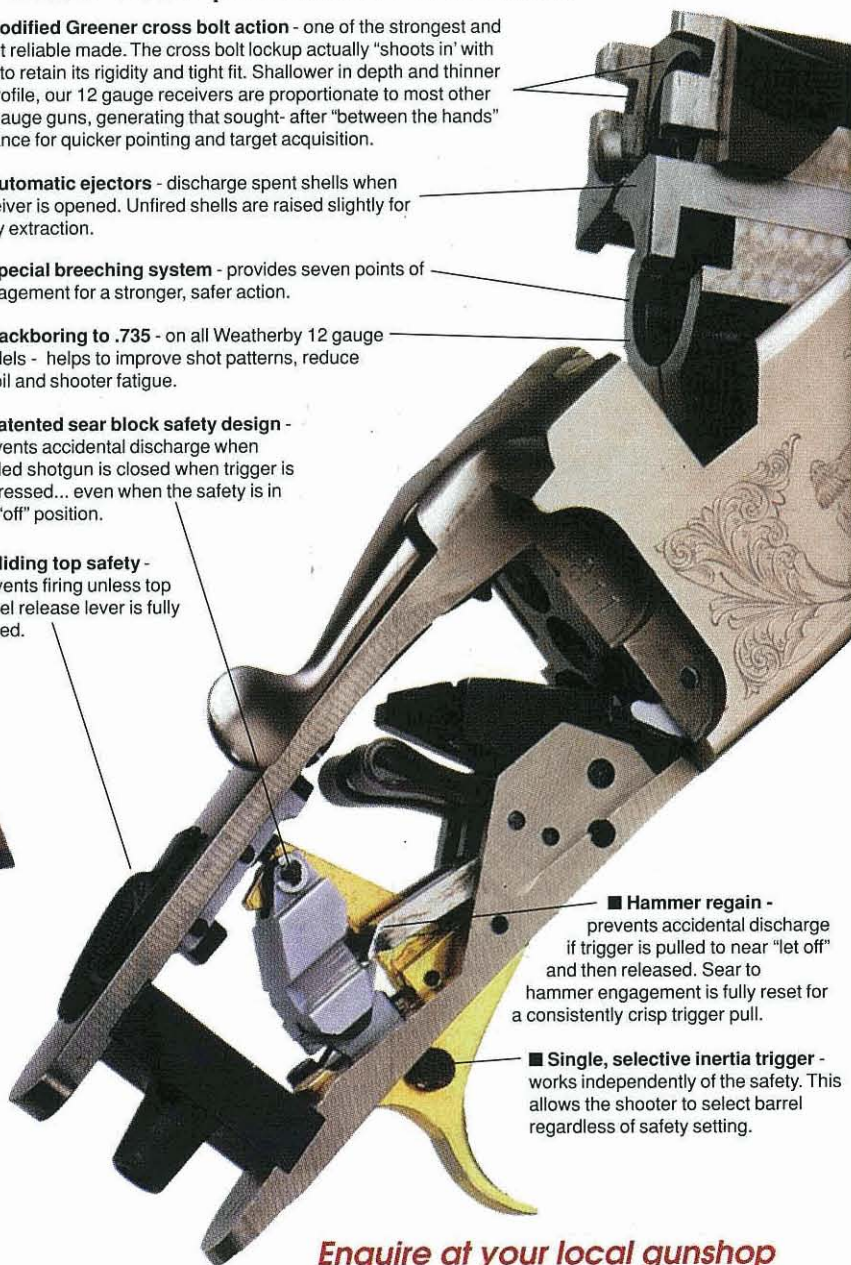

■ **Automatic ejectors** - discharge spent shells when receiver is opened. Unfired shells are raised slightly for easy extraction.

■ **Special breeching system** - provides seven points of engagement for a stronger, safer action.

■ **Backboring to .735** - on all Weatherby 12 gauge models - helps to improve shot patterns, reduce recoil and shooter fatigue.

■ **Patented sear block safety design** - prevents accidental discharge when loaded shotgun is closed when trigger is depressed... even when the safety is in the "off" position.

■ **Sliding top safety** - prevents firing unless top barrel release lever is fully closed.

■ **Hammer regain** - prevents accidental discharge if trigger is pulled to near "let off" and then released. Sear to hammer engagement is fully reset for a consistently crisp trigger pull.

■ **Single, selective inertia trigger** - works independently of the safety. This allows the shooter to select barrel regardless of safety setting.

## National President's Notes

Glenn G. Woodhatch

### Change to New South Wales Legislation

Libby Douglass has advised me of the following change to the New South Wales Firearms Regulations pertaining to the approval of ACTA Clubs outside of New South Wales. It is for the purpose of members of that particular club, who are residents of new South Wales meeting the criteria for obtaining New South Wales shooters licences. It applies to clubs along the borders of adjoining States.

It reads, "Despite clause 78 (e) (d), the Commissioner may grant an approval if the club concerned:

(a) operates outside New South Wales, and

(b) meets all the other criteria for approval under this clause.

Section 78 (3) (d) lists all approved Associations in New South Wales.

Clubs requiring this approval are asked to contact Libby, who will supply the necessary paper work needed.

It certainly appears it will be a considerable time before all the problems of the hastily prepared National Gun Laws will be sorted out allowing our shooters to travel throughout Australia, as promised, on their home State shooters licence carrying their home State registered firearms without requiring any further permits or authorities.

### The Way It Was

Recently I was given a copy of "Rules of the Australian Clay Pigeon Trap Shooting Association" printed around 1938. I have picked out some interesting excerpts from that publication. If they still applied today, I wonder would there be a concerted effort to have them changed.

Advice to the beginner: "Shooting at the traps is not like going gunning. No swamps or creeks to wade; no thick brush or bramble patches to force one's way through. Why then, not dress so that your wife, sister, or, may be, some other lady in whom you may be interested, will not be ashamed to bow to you or recognise you when she meets you on the club house piazza?"

Then there was this interesting event "STRANGE GUN COMPETITION. Five guns are selected at random by the referee and one placed against each firing mark. The competition may comprise 5 or 10 birds, but each competitor must use the gun provided at each respective firing mark."

or this sound advice: "Don't worry because the referee decides you missed a target when you thought (an perhaps some of your friends thought so, too) that you had broken it. No referee is infallible, but his decision goes, so except his ruling in a sportsmanlike manner, "Perhaps it was only a wad anyhow". Just thing so anyway, and it will help you break the balance of your string."

### 1998 Membership

Already this year we are some 2500 members up on the comparable time last year. All members are asked to encourage their shooting friends to join us as registered ACTA members. There are a number of clubs who allow non ACTA persons to participate in practice days, etc, and whilst this is commendable, I ask that they be requested to join us, thereby allowing all to benefit from the advantages of member insurances, the advantage of recognised numbers and also being able to take part in competition. They will also be able to take a greater interest in our Association via the Clay Target Shooting News.

# COMMONWEALTH SHOOTING FEDERATION CHAMPIONSHIPS

Langkawi, Malaysia. November 1997

The ACTA was represented at this shoot by Geoff Mark, Nino Pedulla (Trap) and Barty Brighenti, Bobby Dower (Skeet) from the positions they gained at the ISU National Championships, Brisbane. Team Manager was Graham Michell who was also in Langkawi as the representative of the Australian Shooting Association - there to attend the 2nd General Assembly of the Commonwealth Shooting Federation.

Adelaide International Airport on a Malaysian Airline 747, stopping in Melbourne where we picked up Geoff Mark and Nino Pedulla and we then headed straight for Kuala Lumpur where we arrived around midnight and met up with the New Zealand shooting team. We were then flown by Malaysian domestic airlines to Langkawi which is a one hour flight from Kuala Lumpur. By the time we all got through customs it was almost 3am (17th November) when we finally arrived at our hotel.

The hotel was a very impressive looking place but the rooms were rather small and the beds hard and some very unpleasant odours came from the drainage system.

The next two days were taken up with having a look around the island, going to the shooting complex and having some 'unofficial' practice.

On the 19th we attended the Opening Ceremony and had official Trap practice and I attended the Technical Meeting in preparation for the Pairs Trap Match to be held on the 21st.

The 20th November saw Nino and Geoff have three rounds of practice while I attended the General Assembly Meeting and they were all very keen to line up for the competition on the following day. Each country is only allowed two competitors per event and the Pairs event consisted of 100 targets each.

Langkawi is a small island off the coast of the Malay Peninsula, on the Thailand border and it is being established as a holiday resort. Originally it only consisted of fishing villages and small peasant farms.

The Malaysian government has spent in the vicinity of \$40 million (Aust) on building the shooting facilities that are to be used for the Commonwealth Games in 1998.

The ranges cater for all types of shooting, from 900 metre Big Bore to indoor rifle and pistol. The clay target ranges were supposedly built the same as those that were used for the Olympic Games at Atlanta, the only problem is that the builders have them all facing the wrong way and they have placed them in an 'arc' and the positioning of the ranges has caused one to be shut down for safety reasons. If you had been shooting on that particular range you could have hit people on the other two layouts. The whole complex has been carved out of very hilly rain forest and this presents a background of dense jungle of varying colours and with the ranges facing the wrong way, the sun in the morning casts huge shadows over half of the field making targets extremely hard to see. When shooting skeet it is extremely hard to see the targets leaving the low house especially from stations 1 2 & 3. It is clear that the 'experts' who designed and built these grounds know very little of clay target shooting.

There are also many other structural problems that have to be overcome before the Commonwealth Games so consequently the UIT did not pass any of these fields for MQS status.

Bob Dower and I (plus 4 other pistol and rifle shooters) left

Competition finally started with Nino shooting well, hitting some 18 targets straight (first barrel) then he got a case of the jitters and was a very disappointed person when he walked off the field. Geoff also started shakily, as I said earlier, the targets were not very easy to see and a lot of shooters were having problems, but he finished the round with a 23. At the end of the day Geoff was in the last squad and was shooting brilliantly and we all had high hopes of obtaining a medal.

England was a clear winner and Geoff had to shoot a 25 for us to beat Wales on a countback. You wouldn't believe it - the last target that Geoff had to shoot was a left quartering targets and one of the easier targets of the program, and he 'missed it'. This then put us equal with New Zealand and when it came to a countback, Geoff's 24 put us in front much to the disappointment of the Kiwis as they were out to beat the Aussies. Des Coe and Brian Wistrand had made up the Kiwi team. When all the dust had settled Geoff came up and said "You should have run and told me to hit that last target." We all had a good laugh and were very happy with the result as can be seen by the photograph at the presentation.

22nd November, Official Skeet practice. Bob and Barty had their three rounds of practice each and during the afternoon we went sightseeing and shopping and then had an early night in anticipation of their Pairs Match the next day.

The Pairs Match competition started with Bob shooting a 22 and Barty a 23, most shooters posting similar scores. I thought that as the boys had started well we might just be in medal contention, but whether it was nerves or an inability to see the targets, my hopes were dashed as the boys both put in

a couple of bad rounds. Bob however finally put in a 25 and Barty finished with a 21. Both were very disappointed so to cheer them up we later went into Langkawi to a lovely little bar that we found next to the yacht club where we had a few drinks before returning to our hotel.

The next day was official practice for the Men's Individual Trap event and as it had been a fairly drawn out competition and with the weather being so very hot and sticky, Geoff made the decision that he would rather not practice but go 'fresh' into the start of the Individual competition. Nino only wanted 1 round so it was a unanimous decision that we fly to the island of Penang to do some duty free shopping and some sight-seeing. This was a 20 minute flight for the cost of \$50.00 Aust. This was the first time that we have ever gone 'shopping' in a 737! Laurie Copping, the New Zealand Team Manager and one of his Skeeties came along with us looking for some bargains. We all had a good day and I believe it helped to take away the stress of the competition from the guys. Laurie must have also had a good time as he went back to Penang a few days later for another bout of shopping. We had an early night after our escapade.

Individual Trap competition saw Geoff start well shooting a 24, Nino shooting a 22. At the end of day 1 Geoff finished with a 68/75 having trouble with perspiration stinging in his eyes and Nino shot the same, 68/75.

The 2nd day of the Individual Trap saw Geoff sporting a sweat band around his head and he finished with a 49/50 giving him a score of 117/125 and leaving him in fifth position in the Final. Nino failed to make the Final having shot a 113/125.

Lee Wung Yew (Singapore) and Des Coe (New Zealand) both finished on 120/125 going into the Final and at the end of the Final Lee Wung Yew having shot a 25 gave him a 145/150 and the Gold Medal.

Three shooters finished on a score of 141/150 and they then had to shoot off for the 2nd, 3rd and 4th places. Geoff winning and taking the Silver Medal after just six targets from Marcus Iddon (England) who took the Bronze Medal. A very dejected Des Coe of New Zealand who shot an 18 in the Final finished in sixth position. An extremely happy Australian Team at the Medal Ceremony later celebrated their win as both Trap boys were to leave the next day to return home.

Official practice for the Individual Skeet saw both Bob and Barty having a couple rounds of practice each and then it was back to the hotel to take the Trap boys off to catch their flight home.

At the start of the Individual Skeet competition both Barty and Bob had a disastrous start - Barty posting a score of 19 and Bob a score of 20. Bobby was robbed of 2 of his first 3 targets by very poor refereeing. Four other countries Managers as well as myself had seen pieces falling off the targets but both the referee and the Jury person refused to alter the call as Bobby had not disputed the call straight away and he walked off Station 1 a very dejected shooter.

I have mentioned before that these grounds are extremely hard to shoot on in the early morning due to the shadows and at the end of the second day's shooting both of our boys finished on a score of 111/125 - they had both shot a couple of 24s on the last day but were unable to catch up on the leaders.

The winner came from Scotland, Cyprus took second place and Brian Thomson of New Zealand took third placing. All three shooters shot a 25 in the Final and then had to sort themselves out by having to shoot 'doubles'. One shooter, a chap called Des Davies (Wales) went into the Final a clear leader on a score of 120/125 but he could only manage a 21 in the Final and this left him in fourth place. Everyone felt terribly sorry for this shooter as he had been informed the night before that his father had just died suddenly,

incidentally he was using a semi automatic shot gun in the competition.

Our two shooters were a little disappointed but they came away from this competition a great deal more experienced having endured the tough conditions.

The next afternoon the whole team (all disciplines) left for our journey home with Malaysian Airlines once more, an uneventful return and a good flight and once again with all the relevant paperwork in order we encountered no problems on re-entry through Customs.

In all, this trip was very long with too many days in between the competition and it was hard for the shooters to keep up their concentration for such a length of time. Australia should be proud of the effort put in by these shooters winning 2 medals from 4 competitions.

I would personally like to congratulate the shooters and the way they represented Australia seeing that they had to fully fund this trip out of their own pockets and they were great company to be with.

# Maryborough Tid Bits, Qld

Getting our Christmas shoot results away quickly to meet the deadline it doesn't give much time to cover all the good workers. Thanks to Holly in the office in working out the winners as not always the best score takes the ham if they have already won one. A day of nominations for the new season for both ACTA and the club fees keeps Holly hopping in the office. Thanks to Heather and the ladies in the kitchen as it is a big day with a free bbq.

Also thanks to the shoot marshals, trap boys and shooters being ready.

One of our new maintenance men put his hand up for the cooking of the steaks and sausages, a job well done Allen Joblin.

Thanks to all those who did so much through the year; it is also great to see the new members help in the running of the club.

This month is our Heritage City shoot, so watch out Allen because there is another bbq lunch.

With just two days to go for 1997 the 'bible' arrived and reading the break badges Gympie has seven breaks being Greg Wright (50), George Foster, Ian Robinson and Ray Wilson all 100, with Karl Srb and Bill Stolberg 150 and Vic Tipman a 300 break. We haven't seen Fred Foon up north for a while, but I see he knocked off the Veteran High Gun in the Victorian State Trap Carnival. You could have fooled me Fred, you're not old enough to be a Veteran. You will have to get up for the Masters Games on October 4, good shooting Fred.

**GYMPIE 18/1:** Visitors for the shoot Norm Keech, Bret Brown, Kev Howard from Sunshine Coast and Harry Walker and myself from the Maryborough club.

It was good to see new shooters in Ben and sister Ariana Tipman, Geoffrey Blyth, Gary Albrecht, Allan Davey, Ted Adkins, Steve Bowes, some joining in on the day.

With President George and wife Joy on holidays they dropped in to Darwin and they were kind enough to let the fox have a win, also George found out if he put his stubbies in the car fridge before 3.30pm he had beer ice blocks for tea, only trouble was getting the bottle off them.

Making their way home through Alice Springs, have a good trip Joy & George.

In cloudy conditions the main results were as follows. In AA grade Glen Durre took DB & DR with Bill Stolberg SB & Cont, Vic Tipman taking AA High Gun.

In A grade Colin Campbell took SB & DR while Norm Keech won DB, Cont & A grade High Gun. B grade saw Sylvia Edgerton take

DB while husband William took out the DB leaving SB, Cont & HG to Norm Dale.

Then in C grade new shooter Gary Albrecht won DB & DR with another new shooter in Allen Davey taking the SB. A shooter with a new name in Melissa Morely took the Cont and Harry Walker the C grade High Gun.

Lost Bird drew the jackpot but only shot two.

Talking to the Sunshine Coast shooters I found out that Ray Wilson was in hospital and I asked that could they notify me of his condition, but worst luck this morning 19.1.98 I received a phone call telling me Ray had passed away.

Ray was a number 1 shooter also in life he was a number 1 person, always ready to help in any way. All friends and shooters convey our sympathy to wife Pauline, daughters Sue & Pauline and son-in-law Malcolm.

We will remember you Ray, rest in peace.

Thanks Norm for the call and I am sad and sorry that you have lost a great mate and shooting companion, they come no better.

**SUNSHINE COAST SUPER SHOOT 10 & 11 JANUARY:** Glen Durre took a second in AA SB and was one off the pace for the High Gun. Tough luck Wal.

Bradley Petersen shared in the A grade DB, got second in the Points, 2nd in the SB, 2nd in the 18m event. Rob Rehbein shared AA DB CD while Kaye Rehbein won the 50t DB in A grade and the Ladies Overall High Gun.

## GOLD COAST 17TH & 18TH ANNUAL SHOOT.

Tim Gardner took out the 50t DB, 2nd in the 25t DB and missed the B grade High Gun by one. Good shooting Tim. His son Adam, only a junior shot from 20 metres and took 2nd in C grade. Kaye Rehbein took 2nd in the 50t, also A grade 25t 20m Champion of Champions, giving her Ladies High Gun. Good shooting by all.

Late news from Sunshine Coast shoot, Neil Berry took out the 50t DB, 25t DB 18m and the AA grade High Gun.

**MARYBOROUGH 25/1:** The day began with a very heavy shower just at starting time which left us with very hot and humid conditions later in the day. We also had the worry of having enough targets, as we had the account for them but the new supply had not arrived, and with some very big shoot offs expected the supply could be a bit thin.

Thanks to the shooters for staying on as with the wet start, long shoot offs and one trap boy short, we were a bit late, but they say life isn't meant to be easy.

Visitors for the day Carl & Frank Robinson, Bill Stolberg, Matthew & Chris Post of Gympie with Neil Berry and Irvine Wynyard and Bruce Walker, Jarrad Smith, Adam & Tim Gardner, Jan & John Butters, Phillip Warren, Paul Tramaccai, Brad Petersen, Kay & Rob Rehbein.

Welcome back to Yvonne & Les Sidwell who were at Port Denison for a while, nice to see you, Les took off the quick board (whisky), the meat tray was won by Paul Tramaccai and Neil Berry in the cash by drawing and shooting the jackpot.

Also two Field & Game shooters to attend in Tom Szekeres and Tom Holding.

Winning shooters of the day being AA grade Paul Anderson DB, Tom Golding Points, Bill Stolberg Continental Championship after a long shoot off. Irvine Wynyard 1st in handicap with a metre and Rob Rehbein 2nd and the AA High Gun.

A grade saw Tim Gardner have his first win in A grade taking the Points C'ship, good shooting Time. Chris Post took the Cont & High Gun.

B grade Dick Osborne DB, Norm Dale Cont & Les Sidwell Points & HG.

C grade Harry Walker stayed with the back markers to take 3rd in the Handicap with Mathew Post DB & Cont C'ship and up and coming shooter Frank Robinson Points & High Gun. Good shooting Frank.

Good shooting to all, 'til next time see you at the shoots.

## Bruns top shooter in Kerang targets

Close to 80 shooters took part in Kerang Clay Target Club's traditional New Years Day shoot.

Shooters came from various part of Victoria, with representation from as far afield as Newcastle and Broken Hill. There was even one shooter from New Zealand.

Ken Bruns from Leitchville took the honours on the day being the Overall High Gun winner in the open class.

Other overall High Gun winners included Christine Street (ladies), Alf James (veterans) and Darren James (junior).

With the latest bout of hot weather, the new airconditioning unit at the Kerang Clay Target Club was greatly appreciated by all participants.

The club is very much appreciative of the efforts of Graham Barnes and company for the installation of it.

The club also acknowledges the generous support of sponsors Barham and District Services Club, Geoff Moore's Sport Store Swan Hill, Mathers Transport of Barham and Kerang, Brett Dunstan of Hy-Skor Security Gun Safes, Laughlin's Sport Store Kerang and Tim Robinson Gunsmithing, Kerang.

## Taipan Shield 1997

Congratulations Cressy, the Tassie Ladies have claimed victory in what proved to be a very close contest for the 1997 Taipan Shield.

The Ladies representing Cressy Gun Club were Cheryl Arnol, Amy Blaskett, Alison Blaskett, Elaine Bennett and Sue Yates, they shot a score of 116/125.

Entering the competition after a ten year break, came the team from The Werribee Victorian Clay Target Club, consisting of Carmel Carlon, Rebecca Attard, S. Ridall, Linda Ristevski and Carol Zagorc, they shot a score of 116/125.

As per the rules on a tied score, point score is to be used which saw Tassie shoot 335/375 defeating Werribee-Vic on 329/375. Congratulations to both teams on a fine performance.

Other results saw last year winners Majura Park come in third place followed by the team from Cohuna.

Unfortunately the Tasmanian Gun Club team had to withdraw due to failing team numbers.

## Mount Isa Gun Club

The first clay target shoot of the year is usually a quiet affair with many people away on holidays, but January 10, 1998 saw 21 intrepid souls line up to take on the 'Black Aspros'.

The start of proceedings was a 25 target Sporting Clays event and once again we owe our thanks to those who laid out an interesting and challenging course. With all scores carded Ross Walsh emerged as the A grade winner with 22/25. Mick McGill shot 19/25 to win B grade and earn himself a promotion to A grade, while Jamie Cameron, Dave Stitt and Paul Pozzoli shot it out for C grade with Dave Stitt taking the trophy with a final score of 24/32.

Event two was another Sporting Clays and Mick McGill proved his promotion to A grade was no fluke by winning that grade with 22/25. Neil Sinclair came through to take out B grade with 20/25, and Jamie Cameron scored a well shot 22/25 to win C grade.

With the afternoon events out of the way it was time to relax and enjoy the evening meal before commencing the 'down the line' events. In the absence of our regular chef, Doris Murphy, Bruce Murphy and Bill Koitka took on the kitchen and did a fine job of it too.

The first of the night events was 25 targets double barrel and after a 19 target shoot off Ross Walsh emerged victorious in A grade over Rod Cusack with a total of 44/44. B grade also required a shoot off between Jamie Cameron, Jim Molloy, Sam Edmonds, Myrtle Anderson and eventual winner Joe Sebastiani who won the grade with 33/34. Neil Byrne shot 23/25 to win the first of his three C grade trophies for the night.

Single barrel was next and this time Ron Power came through to win A grade with 24/25, with Sam Edmonds and Neil Byrne both shooting 22/25 to win B grade and C grade respectively.

The final event of the night was 15 pair of double rise targets in which Ross Walsh added another A grade to his name with 24/30. David Stitt was just one target behind on 23/30 and claimed B grade for his efforts, while Neil Byrne completed his hat trick with another C grade win this time with a score of 21/30.

## **Rupert 'Rupe' Henwood**

**15.6.1912 - 25.1.1998**

On this occasion I am privileged to be asked by Rupert's family to say a few words about Rupert.

I ask all of you to reflect on your minds and thoughts your association with Rupe.

Why did we respect this man so much. Words from me cannot do justice to the good that he has done to all, the kindness and his understanding that he showed to others was remarkable.

Many of us must have wondered why we cannot follow his many qualities, they certainly were great.

Certainly he loved his sport, Fishing and Clay Target Shooting were his love.

He treated golf as a social relaxation. He loved playing with his son Jack, also brother in law and good friend George Breman. If one had to decide who beat who, I give up.

### **Fishing**

Those who knew Rupert soon found out fishing was one of his great loves. Those who saw him soon realised that he understood that sport, he would spend hour after hour trying to catch fish, many times successful, if not he would remark how good it was to be out with his close companions, in his cousin late Sam Henwood, brother in law George Breman, his son Jack, Jack Mollica and his son John, and Bill Abbott who has spent many, many hours fishing with Rupe. He loved their company as they did his. What great times they all had together.

### **Clay Target Shooting**

To all what a great love he had for his chosen sport. When one met Rupe for the first time the comment would be "would you like to learn how to shoot Clay Targets." He never gave up looking for potential pupils.

When people, whether male or female attended the club for the first time the person they met was Rupe, they were made so welcome, they were soon signed up even if they had a license or not.

Within half an hour he had them on the shooting tracks, standing correctly then shooting with his cartridges and gun.

Just how many started under the same circumstances under his guidance, influence and encouragement I estimate hundreds. He was pleased that he could relate to the beginners, convince them some day they would be good competitors.

Rupe was rewarded for his good work, which was awarded by the Australian Clay Target Association Coach of the Year by the National Coaching Director, a very rare achievement, so well deserved.

This gentleman was the recipient of the ACTA Presidential Medal, a very rare feat for such a prestigious award for his contribution to his and our chosen sport.

In all these awards he still remained a humble person as materialistic things happened to him.

It is great to look around this chapel to see so many of his pupils all here to show their last respect. Each one would remember his words "Don't ever smoke or drink if you want to be a good shooter."

So many people thought he was a religious man. No Rupe was a true Christian not by the bible or Cloth but in his actions in respecting his fellow human beings. He did not see bad in people.

I myself have known this man for many, many years and so have many of you here today. We served with him on the Melbourne Gun Club Committee going back to the Croydon Gun Club, then continued on after the amalgamation of the Lilydale Gun Club, having both clubs to be named the Melbourne Gun Club.

Rupe served as Junior Vice and Senior Vice President while I was President. This alone showed his flexible qualities in putting up

with me. Never I could question his loyalty in any way towards me or the club. He held that office for many years with great distinction.

I would like to highlight to you one of the many instances that Rupe did while building part of the club house for the 1971 World Championships. Money was very scarce, the club house had to be finished. I said to Rupe "the bank will not come to the party without guarantors." "How many have you got?" he replied. When I told him two, his reply was "You now have three."

Rupe Henwood has travelled all over Australia to our Trap Nationals with Gretta and son Jack, cousin Bill and Una Henwood in their caravans, he made himself known to everyone and they made themselves known to him, where ever one went you would see a group of people talking and who would be the centre attraction but Rupe, years later people still inquire how is Rupe, and what a lovely person he was.

I have tried to highlight a few sides of our beloved friends life in general which included his love of the garden, he loved flowers, many people did seek his advice. He always had time to listen and give help to all. Yes he was a mans man.

Gretta and Rupert were devoted to each other not only as husband and wife, parent to Jack, but they were pals to each other working on the farm side by side what ever job had to be done. Yes it was hard going in those days.

To their daughter in law Moira or should I say daughter, she has shown such strength and so much kindness, especially over the last few months.

Rupe and Gretta were devoted grandparents to Craig and Kate as they were to them, all four were fortunate to be living so close to each other, not a day went by that all four did not see each other.

Their Grandfather was spared after open hear surgery to see Craig start shooting also making the National ISU Junior Squad, competing overseas with great success and above all to be a great ambassador for his sport.

Kate loved her grandparents as they did to her, she loved her sport of netball and her role as junior coach. To both of you Pa was so proud of you, both of you will have great memories of him in the years to come. Please do not forget Pa had a code of ethics such as he could see good in all. He loved his animals, his garden, love of his family, loyalty to his friends. He also loved his club, and be proud of any office he held in the lodge or club.

In closing I look to your coffin, thanks old timer from all of us, those who are hear and those who are not.

*Spoken by Robert Buchan*

## **— Vale —**

We recall that Rupe was born on 15th June 1912 in Carlton, Victoria.

One of two children, Rupe was the only son of John Henry Henwood, an orchardist, and Ruby Henwood, formerly Ruby Krammer. Rupe has a sister, Evelyn.

The family home was on the orchard in Blackburn as Rupe grew up. He was a student initially at Blackburn State School and later at Blackburn South.

After completing his studies, Rupe worked on the orchard for many years where he also grew flowers, mainly gladioli, as a bit of a side-line.

It was in about 1937, at a dance in Box Hill, that Rupe met a very special young lady, Gretta Stone. Gretta, a dressmaker from Box Hill whose father was the local blacksmith, was Rupe's wife to be. The couple were married on 5th March 1938, sixty years ago next month, in Blackburn South and they settled with Rupe's family on the orchard for the following nine years. During this time, Rupe's and Gretta's son Jack was born in 1944.

The following year, Rupe, Gretta and young Jack moved to Blackburn Road in South Blackburn where Rupe and Gretta

had built their home on a new orchard. They grew apples on the property until it was sub-divided after which they conducted a market garden in George Street, Scoresby and grew sprouts but retained their home in Blackburn South. In 1974 Jack married Moira. They settled on a market garden in Coldstream where they grew cabbages. Rupe retired in 1968 but frequently assisted Jack with his business at Coldstream. Rupe worked extremely hard during his lifetime and was not a man who could sit around and do nothing.

Sixteen years after Rupe retired, in 1984, he and Gretta moved to Coldstream too and settled at No.24 Welton Drive, a few doors from Jack and Moira and their children; Craig and Kate.

At the age of eighty, Rupe underwent an operation involving four by-passes and a new heart valve which gave him a new lease on life, two years ago he was operated on for cancer. Sadly, last Tuesday week, Rupe was admitted to the Lilydale Hospital where he died on Sunday 25th January 1998.

His loss will leave a giant void in the lives of all who love him.

Rupe is survived by his wife, Gretta. By his son Jack and Jack's wife Moira together with his grandchildren Craig and Kate.

Rupe is also survived by his sister, Evelyn.

These few short pages do not attempt to portray the eighty five years of Rupe's lifetime but rather to reveal a few highlights of his life. They do endeavour to illustrate to those members of Rupe's family in generations to come, a picture of Rupe who they did not know.

For those of us who knew Rupe, who we have loved and will greatly miss, have our own memories that live in some perfect sanctuary within our souls which even death cannot destroy.

Civil Celebrant*

## **Remembrance Ray Britton**

It is with sadness that the members of the Newcastle - Lake Macquarie Clay Target Club announce the passing of our friend and fellow club member, Ray Britton. Ray's association with shooting sports began in his early years and continued throughout his fruitful life. While his health allowed, his commitment to clay target shooting, especially field and game, was second to none. During 1972 Ray was one of the driving forces in the re-establishment of the Wyong Gun Club. Ray and his wife Marion were the foundation that the club was built on. Upon the closure of the Wyong club many years later Ray joined Newcastle - Lake Macquarie.

Ray was known widely as a principled up front man and one whose inner kindness always shot through.

Only weeks before his passing, he attended the novelty shoot at Newcastle - Lake Macquarie where, whilst commenting he only felt strong enough to cover one round, he stated how much he loved shooting and being part of the fellowship that our sport brings to the participants.

Those who were his closest friends will always remember him with great fondness and in their minds eye quite probably picture him sitting quietly sorting through his cartridge collection or slipping quietly up on some ducks in company with one of his beloved dogs.

*John Paul*

It is with much sadness that the members of the NSW Gun Club Ltd and former members of the Wyong/Central Coast Gun Club learned of the death of Ray Britton on January 4,

1998, after a battle with cancer.

Ray was a foundation member of the Wyong Gun Club which subsequently became the Central Coast Gun Club and when they lost their range amalgamated with the NSW Gun Club. His wife Marion is a Life Member.

He was an electrician with Wyong Council and worked tirelessly using his skills in building two clubhouses and as a committeeman Treasurer, Secretary and any other job going. He was the Club Greeter, making visitors welcome, always good humoured and never put out.

He was a keen shooter to the end, and avid reloader and accumulated a remarkable collection of cartridges. All shooters who knew him had great respect and affection for him.

Ray was not only highly respected and liked in shooting circles but was widely known and respected in Council and in the Community at large as the crowd at his funeral testified.

Our deepest sympathy is extended to his wife Marion and sons Nigel and Malcolm.

## **Peter Abela**

Peter was born in Malta on January 6, 1938, one of eleven children who immigrated to Australia in 1952.

I have personally known Peter since the early seventies.

I have always found him to be a real character, with a wonderful sense of humour and a very friendly outlook at life.

When Peter did not come to the Sunday shoots due to his commitments, the day felt dull without his presence.

Always on the look out for his red and white Ford F150 full of goodies for us shooters.

Peter in all circumstances never refused to help any club for sponsorship or personal help.

In the early days of the seventies and eighties Peter conducted his own shooting club from his premises at Horsley Park, there along with Joan provided all the goodies for the day; free coffee, tea, biscuits and pastizi for us all. The days were full of fun, laughter and good friendship.

Peter built up an empire with his guns and ammunition, also he was well known locally, all over Australia, New Zealand and many parts of the world.

Peter my friend, you will be sadly missed.

All our thoughts are with Joan and the family.

Goodbye my friend.

Addio per Sempre.

## 1998 State Office Bearers

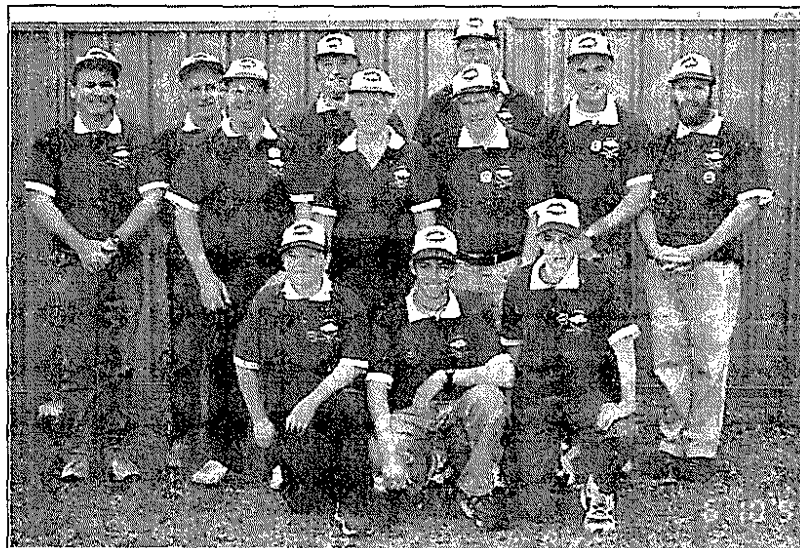

There is no change at all to the State Office Bearers for 1998:

President Andy Sanders; Vice President Mark McInnes; Treasurer Bill Jones; Handicapper David Hagarty.

## Hall of Fame - Narrandera

My spies tell me one of our NSWCTA Life Members and past Executive Members, Mrs Lola Charles, who passed away several years ago, has been honoured by having her name added to the list of sports achievers at the Narrandera RSL Club. The ceremony was commemorated with a special evening at the RSL Club with nearly 500 persons attending.

Lola was a solid supporter of the State and Riverina Zone for many years and also served as the State Handicapper for several years. Her presence is sadly missed.

## Generous response

*by Tom Gannon, SEZ Vic Coach.*

Gun shops in the Latrobe Valley's main three towns have each donated three cases of cartridges; and an industrial maintenance engineering firm has provided \$500.

Such is the generous support for the Latrobe Valley junior boy/girl championships on Sunday April 5.

Morwell and Traralgon ACTA clubs are staging the titles at Morwell GC. The first of the three 25 target events starts at 11.

Events are DB, SB and Handicap. Entry is free, any junior may compete.

There are divisions for boys and girls, under 15 and under 18.

Non ACTA juniors will be allotted a handicap mark after they have shot the double barrel.

# Cessnock Clay Target Club Inc Hosts Big Shoot

On Saturday & Sunday 22nd & 23rd November 1997 Cessnock Clay Target Club, conducted the much sought after Miroku Challenge and clay target shooters from all over the state met to contest this event, sponsored by Fuller Firearms.

*Gwen Turner receiving her life membership presented by Jim Worthington (secretary/treasurer) and president Tom Turner (snr)*

The families of 138 competitors enjoyed the hospitality of the Cessnock club, with many of the wives and other non-competitors taking the opportunity to tour the Hunter Valley Vineyards.

Seven events made up the two day program and several local sponsors contributed to the large trophy list that totalled over \$9000.00.

*TJ Turner, winner of the Miroku Challenge and AA High gun winner. Presented by Tom Turner and Craig Main.*

Three annual Vintage Championships were contested, as well as the Clubs own Cec Barnard Memorial Trophy and Shield. Cec was a past Treasurer of the club and he and his family are held in very high regard by all who knew

them.

The weather conditions were perfect on both days and some top scores were recorded.

One hundred and thirty eight competitors lined up to contest the "Fuller Firearms Miroku Challenge", from handicap positions over 50 targets, first to fifth place taking trophies.

After the completion of the 50 targets only eight shooters managed the 'possible' of 50/50 targets. A shoot off then determined the winner.

Experience and a relaxed attitude proved a winner in the end between the final two shooters, TJ. Turner and I. Merrick with TJ Turner being the eventual winner of the prestigious over and under Miroku shotgun valued at about \$2000.00.

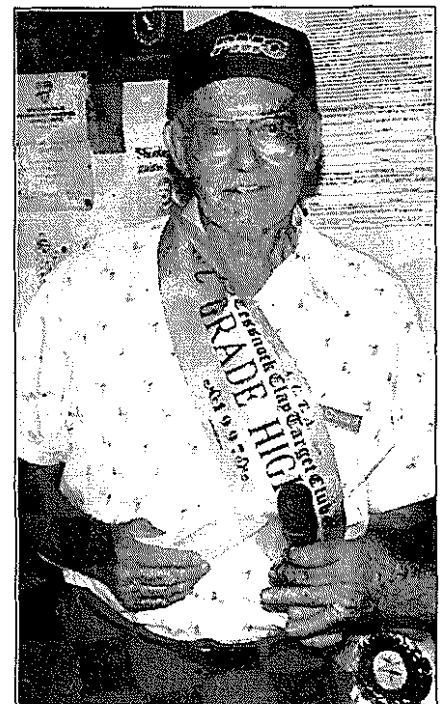

A fine effort from these last two shooters who had battled through the 70 targets from the back mark of 21 metres.

TJ. Turner began shooting with Cessnock Club at the age of 8 and began competition shooting at age 10. Tom has won many Championships throughout his career and is currently a member of the Olympic ISU Training Squad for the year 2000 Olympics.

Ian Merrick shot consistently throughout the program to win the Overall High Gun Sash and the Golden Grape badge designed and supplied by

*P. Ringland (B Grade High gun winner)*

*Max Condron (C grade high gun winner).*

Peter O'Neill, Jeweller from Cessnock.

Visitors from as far afield as Hamilton Island, Cobar, Kempsey, Sydney, Walcha, Guyra, Inverell, Gilgandra, Warren, Singleton, Scone, Newcastle, Gosford and the Gold Coast, enjoyed a wonderful smorgasbord dinner provided by club members wives and friends at the club house on Saturday night.

The club took this opportunity to present Mrs Gwen Turner with life membership. Gwen is well known around the traps and travels consistently to shoots around Australia. Many years of dedicated service has been a feature of Gwen's involvement with the Cessnock Club.

The club would like to express sincere thanks to our sponsors; GCE Supplies, Kurri Kurri, Fuller Firearms, Peter O'Neill, Jeweller, Pep Parts Cessnock, Singleton Retravisson, Fighting Fit Sports Cessnock, Calais Estate Wines, Searle Engraving, Cardiff Signs.

# Record numbers at Bega shoot

Sixty three shooters contested the Bega Clay Target Club Tarraganda Ton and monthly shoot at the Tarraganda Range on January 4, a record in the twenty year history of the club.

Bega Valley. Another member of the NSW Clay Target Executive, Bob Blake and his wife Lynne, who travelled from Wagga Wagga for the event, were astounded at the number of shooters who were there on the day.

Left to right: Merv Lyons (ACT), Paul Lyons (ACT), Kevin Woodbridge (Tumut), Luke Kearns (Bega) with Rod McGregor absent.

It would be remiss not to mention our Ladies committee, of Lynne Teale, Virginia Deacon and Angie Elliot who worked tirelessly from go to whoa, along with Diane Benson, Gail Neisar and Tina Deacon, who all combined to make sure the office and canteen ran like a well oiled gearbox.

The club also takes this opportunity to thank Mr David Jesson and the Bega Valley Shire Council for their sponsorship of this event and hopes their generous support continues next year in order to make the 1999 event bigger and better than ever.

Results from the weekend were as follows: Overall: Paul Lyons 149/150; AA: Luke Kearns 172/174, 2nd John Jasnos 171/174; A: Kevin Woodbridge 147/150, 2nd Adam Roberts 153/158; B: Merv Lyons 143/150, 2nd Zip Summerell 148/158; C: 1st Rod McGregor 139/150, 2nd Karen Tittlebach 137/150.

Competitors travelled from Cronulla, Wollongong, Majura Park, Wagga Wagga, Mendooran, Tumut, Newcastle, Bombala, Bermagui, Cooma, Eden, Merimbula and Medford joined the Bega shooters to contest the Tarraganda Ton Championship.

Present at the shoot were some of the best shooters in the country, with several state representatives, as well as Fil Petriella who has represented Australia at the Commonwealth and Olympic Games.

Also in attendance at the shoot was the Executive Director of the NSW Clay Target Association Ms Libby Douglass, from Orange, who was amazed to see how the sport of clay shooting was flourishing in the

# Memories from 1980

The 1980 Trap and Skeet National Championships....Perth Gun Club.

By George Biggs

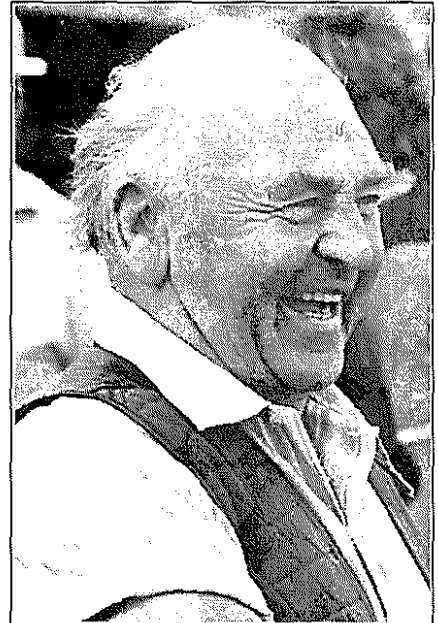

On this occasion both titles were shot at the same venue at the same time.

A highlight of the National Titles was evidence of the fact that a Junior in Russell Mark a boy of 16, and a Veteran in George Biggs 69, were winners of National Open Titles - proof that our sport is truly a game for all ages.

Russell went on to win Gold at the Atlanta Olympic Games and George went on to win more Championships at Trap and Skeet.

Another Junior to shoot the Skeet National Championship was a young girl from Mildura in 15 year old Christine Wakefield, sister of Deserie Wakefield-Baynes, Deserie took out the Olympic Bronze Medal at the Atlanta Olympic Games last year.

It goes to prove that age is no barrier in our sport of Clay Target Shooting, it can in fact become a family game and does in many families.

George Biggs, National Skeet Championship winner, 1980

Defending champion Jim Ellis of the ACT was unable to attend.

## Double-barrel title to boy

The 28th national double-barrel championship developed into a David and Goliath struggle when the 1980 national clay target championships continued yesterday.

Eventually it was won by 16-year-old Russell Mark, of Sebastapol in Victoria.

He is the youngest shooter to win the event, and he won after a marathon shoot-off with Brisbane chicken farmer Doug Smith, who has won many national titles and is one of Australia's best-known shooters. The shoot-off went 349 targets.

The double barrel was the first of the three main events in the championships. The single barrel will be held today and the points-score match tomorrow.
