MAY

GLENN CUP

Congratulations to the members of the Australian Glenn Cup skeet team. They were successful in again winning the Glenn Cup at the recent New Zealand National Championships at the Waikato Gun Club. Their score of 248/250 was a great effort and saw them defend the Glenn Cup won at Wagga last year.

GLEN CASTELLARO

Congratulations also go to Glen Castellaro who won the High Gun at our 2000 Nationals. I believe he was also very successful at the New Zealand National Titles at the Waikato Gun Club. The full details will appear in the ACTA journal.

NATIONAL SPORTING CLAYS

A brief reminder for all those interested, the 2001 National Sporting Clays Championship will be conducted at the ACTA National Grounds, Wagga on the weekend of May 19th & 20th.

STATE CARNIVALS FOR MAY

The Qld State Association will be conducting their state DTL carnival at the Kingaroy Clay Target Club on the weekend of May 5th to 7th. A well-attended and successful carnival is anticipated.

The SA State Association will be conducting their skeet carnival at the South Australian Gun Club on the weekend of May 19th to 21st.

WARREN

The Golden Ibis Shoot at Warren is over again for another year. This year the weather was perfect with the rain, snakes, ants and centipedes all staying in doors to allow a great shoot to go ahead.

One hundred and sixty eight shooters both days took up the challenge and again there were some excellent scores, and many personal bests. The shoot ran very smoothly under the watchful eye of shoot marshal John Coaker and Don Williamson to keep the flow going and get through the programmes in record time.

To have 168 shooters shoot at 105 targets on the Sunday, to be completed and starting the presentations by 3.30pm could only be called exceptional. A very big congratulations to all shooters in making the effort to be on time for their squads and thus allowing the long distance travellers an early get away and cover many miles before darkness set in. We sincerely hope everyone got home safely.

Saturday morning and staring right on time at 9am we saw some 48 shooters shoot the possible in the 25 target Cash Divide.

AA grade winner, double rise winner, overall high gun Roger Duthie, right, with shoot marshal John Coaker.

The first Championship of the weekend followed with the Lower Macquarie Point Score. Nine shooters shooting the possible verged to trap one for the shoot off. Arthur Turner of Warren Gun Club being the victor with a 104/105 from Roger Duthie from Victoria on 102/105 who took out AA Grade from Phil Headon from Hay. A Grade was won by Glen Harvey from Coonamble from Louis Chaline of Sydney. Louise Machul from Cobar won B Grade with a fine 75/75 from Rick Fitzalan of Tottenham on 74/75. C Grade went to local shooter David Rourke on 74/75 from Dean Went from Narrabri on 73/75. David Jackal took honours in the Juniors with a great 72/75, Louise Machul doubling up to take the Ladies and local Kevin Heywook taking the Veterans with a possible 75/75.

2001 GOLDEN IBIS

Enter event two and the 25 target Single Barrel trophy with six possibles to take to the tracks for the shoot off. Steve Caltabiano at last had his first overall win at Warren. Many a bridesmaid trophy prior to his great win with a fine 33/33 from again Roger Duthie who won AA Grade from Charlie Sherry. I might hasten to add that Charlie probably had his longest shoot off at Warren lasting at least three targets. Your turn will certainly come Charlie.

A Grade went to Warren's very hard working trap man Malcolm Stephens with a great 29/30 to put Nathan Power into second on 28/30. Louise Machul of Cobar again won B Grade with a great 25/25. Her second trophy of the day to help kick along the health programme. C Grade also stayed local with the one and only Faffy Lefebvre winning from Paul Crittenden whose name will certainly occur again.

on 42/43 with Faffy again taking out C Grade on 25/25. Great effort Faff. Better trophies here than a gold. Paul Crittenden was again runner up.

Our own local lad Clayton McLaughlin won C Grade with a fine 23/25 under the watchful eye of his mother Sheryl. Great effort Clay. Romona Seaburn won the Ladies section with a great possible. I must say that lucky this was not the first event for Romona. The first shot on Sunday brought tears to her eyes and she could not manage a second barrel at the Eye Opener. This target had landed before she saw it. Wolfe Reichler from Brewarrina won the Veterans section also with a great possible.

Saturday night in Warren must have been interesting for many as I am still hearing many a tale. Rodney Wright from

June excelled in the bull ride. Definitely would not have been bruised. He last 100th of a second on the mechanical animal. Amazing the modern time keeping we have these days Rod.

Starting on time again on Sunday and 105 targets between them and finishing. For time factors this year we changed the first event from the traditional Double Barrel trophy to a Cash Divide to give shooters that much needed time start on their long trek home. I really think this was well appreciated. Any comments would be greatly appreciated even from the whingers.

Again, 168 shooters took part and only one less possible than on Saturday (47).

The Single Barrel Championship followed with seven possibles to take to the shoot off. Colin Betts from Brewarrina outlasted all to win with a great 35/35 from Rodney Wright of June on 34/35 to take AA Grade from John Gemmill on 27/29. Garry Kennerston took A Grade on 29/31 from Glen Harvey. Peter Wyner from Mendoran won B Grade on 31/32 from Leigh Barry from Wangaratta. C Grade went to L Bonnono from Simon Richardson of Naromine. Simon was not coming on Sunday however after being overcome by the attendance at

Warren he realised he could not shoot that bad two days running. Well done Simon. Leigh Barry doubled up in the Juniors division with a great 25/25. Michelle Felmingham won the Ladies and Don Sullivan from Hay took home the old fellows pot with fine 23/25

On to the Presidential Point Score and quite a few bets being placed as to what time the shoot would finish. Time was certainly on our hand however we still pushed hardly ahead.

Again were faced with a shoot off with seven chappies to face the start. Tony Schafer (has not shot for six months) outlasted Bob Rose to win with a great 93/93 with Bob taking out AA Grade. Tony took home the great BBQ for his win. Tony Forest from Cobar won A Grade. Louise Machul having a field day

High guns, back row from left: A grade Mal Stephens and Glen Harvey, B grade Sid Kinsey, overall Roger Duthie, C grade Paul Crittenden, front from left, AA Colin Betts, Lady Louise Machul, veteran Kevin Heywood.

Last event for the Saturday programme being the Lower Macquarie Double Barrel Championship started and again was completed before dark. Fifty eight shooters started in the shoot off and many back to the bar or drawing board well before the last shot was fired. Bobby rose from the Illawarra Gun Club outlasted the very quiet and silent Tony Wright (brother to the smiling Rodney) to win with a great 217/217. Tony winning AA Grade on 216/217 from Daryl Reed whom gave New Zealand a miss to return to the outback of Warren. Daryl shot 174/175. Arthur Vine won A Grade on 54/55 from Mal Stephens on 39/40. B Grade went to Terry Brind on 44/45 from David Loose

Presidential point score Tony Schaffer with June Walton.

Veteran winner Kevin Heywood (right) with Kevin Walton, president.

Lady winner Romana Seaburn with Kevin Walton

AA grade trophy Charlie Cherry

A grade winner Mal Stephens.

won B Grade and R McKay won C Grade from Paul Crittenden (again).

Last event and the time at around two bells the Double Rise started to sort out the men from the boys, ladies from the girls and good shots from who?

Roger Duthie from Victoria was the outright winner with a great 29/30 closely followed by Tom Turner on 28/30 to win AA Grade. Kim Neelson was second on 36/40 following the shoot off.

Leigh Barry from Wangaratta won the Junior division with a great 269/305 and Veteran Kevin Heywood backed to back his old High Gun to win the veterans division. Each of these winners won a lovely video recorder.

Now to the appreciation side and to not miss out any one

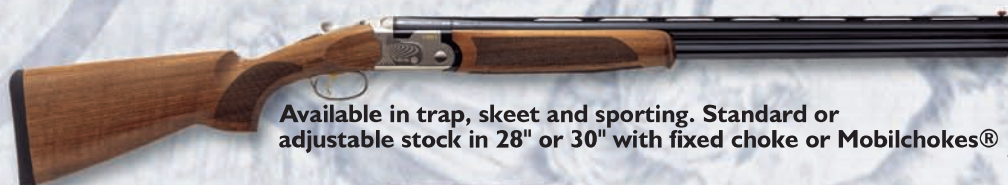

person lets just make it a very heart felt thanks to all you wonderful workers who made this shoot a great weekend. The trappers, referees and scores, office and score boards, refreshments people, shoot marshall, and the wonderful ladies in the kitchen. A fantastic effort by all.

Each year we do a little more for the shooters comfort, this year trap three NAD new lanes laid. I would like to acknowledge the efforts of Mal, Scott, Bruce and Dave and also Paul Job of IAMA for the mesh. Many thanks Paul.

Well that's about all folks. Thanks shooters for making the effort to travel so far. I certainly hope you enjoyed it. If you didn't you didn't give it a go. I know a couple didn't, bad luck.

Next year will see the running of our eight Golden Ibis. Make a note of the date watch for the add. Enjoy.

Round one of the Premier Teams event was conducted at The Foster Gun Club on Saturday 10th February. 72 shooters took part on an overcast day with the incoming breeze holding the

targets rather high on occasions, however junior shooter Blair Signorotto had very little problems with the conditions, and shot an impressive 167/167 to win A and OA out lasting a more seasoned competitor in Laurie Lewis 166/167 AA.

B grade was won by the Foster's secretary Reg Jennings 44/45 and C grade by J Smeaton 25/25.

At the completion of the Double Barrel, marking half way in the teams event, only five targets separated the top ten teams, keeping interest very high for the handicap.

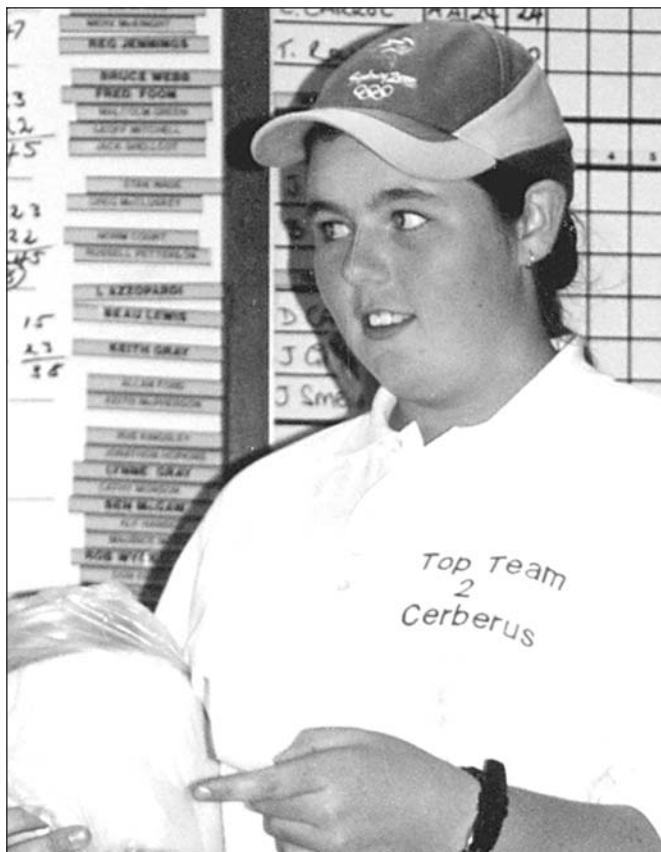

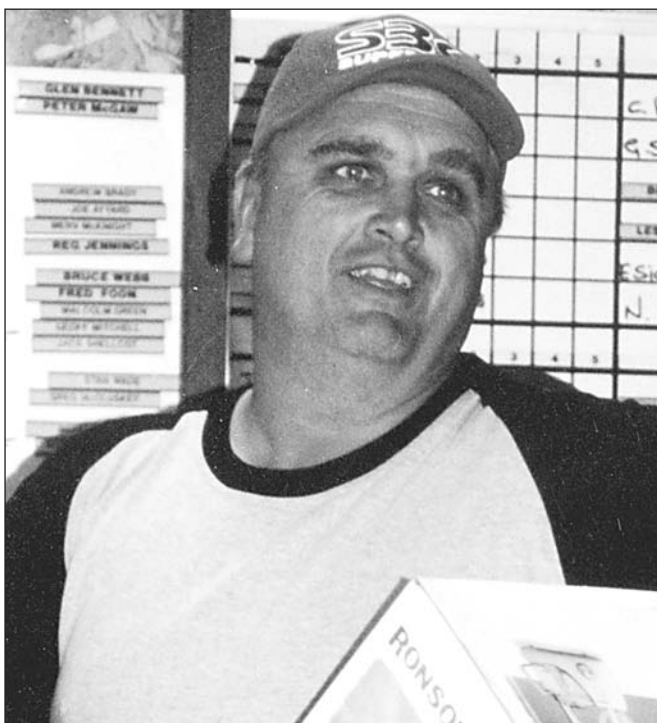

The second event produced nine possible's and won won by Keith Caldercott with 38/38 from Tony Teboneras 37/38 and third was Greg Swan 32/33. John Rowe took out the back markers with 29/30.

The High Gun for the day was won by Tony Teboneras 65/66, with the Ladies High Gun going to Stacey Elsley 49/50.

"Cerberus Top Team 2" where voted the best turned out with their shirts and matching caps, however it was the other Cerberus Team that took the first round, scoring 240/250 from Foster, Mornington and Wonthaggi all on 236. The Junior Team was won by Metro, comprising of Simone Tigani and Blair Signorotto 95/100.

The Junior High Gun went to A grade Blair Signorotto 50/50, B grade Kylie Swan 48/50 and C Danny Cross 46/50. A good days shooting and well run shoot.

Well first cab off the rank is QCTA State Trap Carnival to be held at Kingaroy. As Kingaroy had to cancel their two day annual shoot in February with weather problems, they had a lot of experience with no gain. So if possible and you are able to turn up to this shoot it would help Kingaroy to back on top. Best of luck Kingaroy.

QCTA State Carnival

Saturday 5th May 8.30 start

Sunday 6th May 8.30 start

Monday 7th May 8.00 start

Program in QCTA shooting program and CTSN. Best of luck to all shooters.

A few years back when travelling was a lot slower, this young couple were travelling from Sydney to Perth and the young man said to the conductor "How long is it till we reach Perth?" and the conductor replied "It will be some time yet young fella, just sit and wait". So the next morning the young bloke said to the conductor "How long will it be till we reach Perth?" and the conductor said "It is still a while so settle down". After most the day had gone the young fella again called the conductor and said "How long before we come to Perth?". By this time the conductor became a bit annoyed and said, "What the hell is the big rush to get to Perth anyway?". So the young bloke said "My wife is having a baby and we have to get her to a hospital Soon!!!!" So the conductor said "You shouldn't have bought your wife on this train in that condition". And the young bloke replied "She wasn't in that condition when we got on the train!"

Thanks - Talking to some shooters who turned up in Kingaroy not knowing the shoot was cancelled they asked me to thank Kingaroy for the free BBQ to get them built up to travel back home. On behalf of these shooters thank you Kingaroy.

Just received the mail thanks Shirley for the May program of the State Trap Carnival. June program 3rd Patrons Day DB PTS Cont. Thanks again Shirley, regards to Chippis.

In any club - The Body Family can be found anywhere and everywhere. There is Everybody, Somebody, Anybody and Nobody.

There was an important job to be done and everybody was asked to do it. Everybody was sure somebody would do it. Anybody could have done it but Nobody did it. Somebody got angry with everybody because it was everybody's job. But Nobody realised that everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

Does this happen in your club?

MARYBOROUGH 25-2-01

Glad to catch up with Betty and Harold Whitehead who popped down to our shoot from Bundy. As they are up from Whyalla SA to be with their daughter, Samantha, who presented them with a granddaughter and they named her after Harold by naming her Danielle. Both baby and mother well.

A big welcome to Tony Bradshaw from Melbourne. Tony has brought a corner store (but its not on the corner!) in Hervey Bay (for the locals it Urangan). Tony joined our club and will be shooting with us. Tony was wearing his Australian jacket,

which you can't buy in Coles. So it is nice to have a good shooter in the club at last. Welcome to our club and surrounding clubs Tony, hope you enjoy shooting with us. Also looking over our complex for a coaching clinic to be held 24th March, the day before our one day shoot, but no use talking about it as it will be over before you read this and the bloke doing the looking was Michael Dahl from Ballandean. Pleased to meet you Michael, hope you enjoyed the shoot. Also the usual visitors Frank Robinson (Central Burnett), Janice and John Butters, Brian Fourro, Ryan Howie (Bundy). Then the Gympie professionals who have been knocking everything off at Norfolk and the Sunshine Coast and now raided us by taking some events and three of the four high guns. Being Glen Durre, Bill and Lex Stolberg. Thanks for coming fellas. Then all the way from New Zealand Irvin Wynyard, who prompted Neil Berry to take Wilma to New Zealand for their forty year wedding anniversary on 11th March. A very romantic fella Neil, and he is lucky as the New Zealand Nationals are on just down the road where they are staying at Hamilton. Best of luck Neil and Wilma.

Thanks to Betty and Kay in the kitchen, Holly and Vince in the office and to our club runners a very good shoot. The Quicky Board Whisky Raffle, won by Andy Wood and the meat tray raffle went south to Adelaide Betty and Harold Whitehead. Good raffling Betty and Harold.

And I don't think anyone loves me any more, all I did was shoot me the Big A. Thanks Vince.

Results of shoot in AA grade: Graham Noffke DB CD, Peter Shaw DB CD, Paul Anderson O/A&AA SB C/S. Neil Berry 15P DR, Glen Durre DB CD AAGHG. Ole and Sven were playing golf when Sven pulled out a cigar, but didn't have a lighter. So he asked Ole for a lighter "Ya shure, I tink I haff a lighter", he replied and reached into his golf bag and pulled out a 12 inch BIC lighter.

"Yimmy cricket!!", exclaimed Sven, "Where did yew get dat monster of a lighter?". "Vell", replied Ole, "I got it from my Genie". "Yew have a Genie?", Sven asked, "Ya shure, he's right here in my golf bag", said Ole. "Can I see him?" says Sven. Ole opens his golf bag and out pops the Genie. Then Sven says "Hey dere! I'm a good friend of your master vill you grant me vun wish?" "Yes I will", the Genie said. So Sven asks him for a million bucks and the Genie hops back into the golf bag and leaves Sven standing there waiting for his million bucks. Suddenly the sky opens up with the sound of a million ducks flying overhead. Sven yells to Ole "I asked for a million buck

not a million ducks!". Ole answers, "Ya I forgot to tell yew, da Genie is hard of hearing. Do yew really think I asked for a 12 inch BIC?".

Trevor Cecil went down to the State Trap Championships in January in Tasmania. Not to shoot, but got fitted with a pair of Earmold Ear Plugs. He heard everything sounds better in Tassy.

BUNDABERG 4-3-01

In the kitchen were Edie, Sandra and Sheryl who gave her finger a wack and was off for a x-ray. Bringing in the reserve Carol all the way from Gladstone. On return of Sheryl she was found to have a chipped bone, so she had her fingers bound together. Hope everything is ok soon Sheryl. I thought there was a bit of bone in my pie. Looks like it is more dangerous in the kitchen than shooting. Thanks girls.

Visitors Carol and Jim Riggs (Rocky club), Donna and Carlo Barletta and Clive Rudd (Gladstone), Irvine Wynyard (TLGC) and from Maryborough Neil Berry, Phillip Warren, Jason Smith, Harry Walker, Norm Dale and Tony McRae. Brought along was Glenn McNeil, a new member to Maryborough Club. Welcome to Maryborough and to shooting Glenn. Hope you enjoy shooting with us. Best of luck.

Neil Berry drew the jackpot but missed his last target, better luck next time Neil. Spencer Plath drew the meat tray raffle. So Spencer eats again. Good to see new shooter Clinton Scott enjoying shooting and Mike Tipman came to say Hello, as he was working and has been for a long time. We miss you around the traps Mike. But Mike says that QR is going to put clay targets on the back of trains and when they do that he will be able to leave the steering wheel and go back for a shot.

Also John Parks, bird and all packed up ready for his round Australia trip. So you may see John at a shoot near you. John says he is taking the bird if he gets lost he will release the bird and follow it home. Best of luck John.

Skeet H/C: Brian Fourro, Mike Tipman, Don Snow, John Park, Rob Rehbein, K Rehbein, Richard Merrick, John Butters all shared 25T c/ship. OA Don Snow, A Jim Riggs, B Don Snow, C Ryan Howie.

I had to go to Bundy to hear that Guilio would leave a few quid on the bar next shoot to celebrate his good luck. It couldn't happen to a nicer bloke. Who said that?

Good luck Ted Jensen who is in Brisbane having a by pass as I write. See you back in Bundy Ted, you will be able to hit them now Ted.

Bundaberg Shoot 13th May Skeet 9 am 50T off the gun. Trap 12pm Pts, DB C/S, Graded H/C and Cont. Note the later weekend.

8-3-01 THE DAY THE BIBLE CAME

On the cover, congratulations to JW and Barry on being inductees into the Hall of Fame. With the comments in "Your Say" it wouldn't be hard to work out everybody would like good simply rule put in concrete forever Amen.

Also best of luck to our Qld teams at the Nationals. I don't know all the shooters but several I have included in my MTB's over the years. So to all do well. Good shooting.

There is nothing so frustrating as to write the shoot results get them in early and they are not printed.

Our local paper, the company has one daily pay paper and Wed and Friday free copies. So I ask for our results to be placed in both and 99.9% of time that is what I get but it is the 1% when it is not published that bugs me.

2001 AUSTRALASIAN-PACIFIC "GRAND PRIX" BRISBANE GUN CLUB

Knowing that the 2000 Australasian-Pacific "Grand Prix" would be impossible to equal, the organisers of the 2001 "Grand Prix" at Brisbane Gun Club made an extra effort this year to cater for those who did attend. In 2000, shooters from every continent of the globe were on hand during March to attend Australia's major international clay target shooting competition, the Australasian-Pacific "Grand Prix" at Brisbane Gun Club.

Australasian-Pacific Grand Prix committee members Tony Kidman, Tony Houselander, John and Carol Tipler, Dot Trindall, Greg Newey and Ross Tipler.

That competition was held the week prior to the Sydney World Cup, and was used by many of the world's best shooters from overseas countries, to fine tune their skills prior to entering the Olympic test event at the Sydney International Shooting complex Cecil Park.

This year was always going to be quieter but it was pleasing to have over 120 shooters from almost every state and territory of Australia along with competitors from United States, Malaysia, Singapore and Japan in attendance for the week long competition.

As has been the competition's format in recent times, the first discipline to get under way was the double trap starting with the 'skins' badge match which is three rounds of 50 targets. Like 'skins' in golf, shooters have the chance to record the best score in each round with the winner (or top three winners) sharing the pool in each round. In the case of the double trap skins event, each round was worth \$400, which was divided \$300 to the AA/A grade section, and \$100 to the B/C section.

Winners of the 'skins' prize money were Steven Baynes (\$300), Russel Mark (\$300), Adam Vella (\$300) and Robin Loy (\$300).

At the completion of the 150 target Badge Match event, the winners were

The Australasian-Pacific "Grand Prix" event in Double Trap again saw many of the world's best double trap shooters in the field including 1996 Olympic Gold Medallist Russel Mark along with many of Australia's best ever performed Double Trap Shooters including former World Champion Steve Haberman, World Cup winner Adam Vella and national representatives including Craig Tilley, Steve Baynes, Brett Hall, Tom Turner and current National Champion Nathan Cassells.

At the conclusion of the event National Champion Nathan Cassells of Maryborough was first into the final followed by Adam Vella of Frankston Australia and Steven Haberman with Russell Mark, Steve Baynes and Craig Tilley making up the final six.

At the end of the day, Nathan Cassells proved too strong for the final field winning gold from Adam Vella with Steve Haberman taking third place.

Overall high Gun winner Clive Barton of Tamworth receiving his trophy from Brisbane Gun Club president Tony Kidman.

The start of the Olympic Trap and ISSF Skeet events saw a very quick increase in number with over 100 trap shooters and skeet shooters line up to contest the spoils.

The 'skins' badge match in both events proved very popular with plenty of money up for grabs especially in the trap competition where each round of 25 targets would be worth \$600

After the completion of the second round, two clean 25's were on the scoreboard. One for promising junior Ben Radford of Broken Hill and one for former national representative Domingo Diaz of Mansfield. Ben and Domingo both took home \$600 from this round. The intermediate section saw a 'skinner' for Robert McNamara of Redcliffe who took the section spoils of \$300 in round two.

In round three Nathan Cassells and Nidal Asmar were the only two clean 25's and shared the \$600 while Ben Rumbel of Guyra, son of former national champion Terry Rumbel, took the \$300 for the intermediate section with a 24/25.

the final round of the Olympic Trap 'skins' saw four shooters (Russell Mark, Nathan Cassells, Tom Turner and Osamu Inui of Japan) all score 25's to share the \$600 for the round. The

little disappointing but regardless of that, competitors would still be shooting for a total of \$250 per round, which was worthy of the competition. David Cunningham from Frankston Australia set the pace, shooting 24/25 in the first round to take the Open section money. Jason Maxwell took the intermediate section spoils.

Eventual winners in the 'skins' event were David Cunningham in round 1, 2 and 4; Lauryn Ogilvie in round 3 and Barty Brighenti and Herman Kaw and Ricky Teh (Malaysia) in the 4th round. Jason Maxwell took the money in all four rounds of the intermediate section.

Day 5 of the competition and the Australasian-Pacific "Grand Prix" events in Olympic Trap and ISSF Skeet were underway with a good field of twelve squads in the trap and 4 squads in the ISSF skeet.

Round one saw plenty of good scores. Jeff Tonna, Tom Turner, Ben Radford and Nidal Asmar all carded clean 25's while a further 10 shooters all recorded 24/25.

The next two rounds also saw plenty of good shooting recorded and at the end of the day, Dexter Barnes, Russell Mark and Jeff Tonna were leading the field on 73/75, followed by Glenn Kable from Cecil Park and Adam Vella, both on 72. The top junior after 75 targets was Ben Machul of Cobar on 71 while Deserie Wakefield Baynes was leading the women's section on 69/75.

At the end of day 2, Russell Mark had retained the lead being first into the final with a very steady 121/125. Nathan Cassells and Ben Kelley were next on 120/125 while Glenn Kable and Jeff Tonna (both 119/125) and Adam Vella (118/125) made up the final six.

At the conclusion of the final - Russell Mark again showed his class by finishing on 145/150, one target more than his winning score in the same event last year. Ben Kelley recorded 120+24 to finish second while Adam Vella and Nathan Cassells went into sudden death single barrel shoot off to determine 3rd overall. Adam won the shoot off relegating Nathan to first in AA grade.

The team event in the Olympic Trap "Grand Prix" competition was well contested with 13 teams entered for the event.

At the end of the event, the winner of the coveted Angelo Zappala Memorial Trophy was the team of Glenn Kable of Cecil Park, Tom Turner and Ben Kelley. Second place in the Olympic Trap teams event went to the Frankston of Adam Vella, Brett Dunstan and Dexter Barnes, while the Kemen team of Tony Karakizos, Jeff Tonna and Nidal Asmar finished third.

The "Grand Prix" ISSF Skeet event also saw some great competition with still more competitors turning up to add to the field of top class competitors for the final two events. At the conclusion of day one, George Barton of Tamworth and Neil Rundle of Wilkawatt SA were ahead on 73/75. US team member Lauryn Ogilvie and Japan Top Gun shooter Shigeo Makino were both close handy on 72/75.

After the 'final' Lauryn Ogilvie showed she was well on track for the US World Championship team selection to be held in the US the following week by winning the event with a very creditable 120/125+24.

The final series of events got underway on Friday 23rd February with the commencement of the Kemen Australian Open events in both Olympic Trap and ISSF Skeet.

The skeet event again attracted a field of around 25 shooters while the trap event was now down to a more manageable 11 squads of shooters following the departure of the Japanese To gun contingent who had headed off to become tourists for a day or so before heading home.

The skeet event started with a 25 in the first round. Clive Barton, Natalia Rahman, Herman Kaw of Malaysia, Barty Brighenti and Goran Rahman all recorded 24's. Clive shot the second round clean and carded another 24 in the third round to finish the day in front on 73/75. George Barton and David Cunningham were next best on 70/75 with quite a few others on 69 and 68.

After the final on day two, Clive Barton had hung on to record a narrow win on 213/225, only one target ahead of Lauryn Ogilvie who recorded 122/125 in her last five rounds to finish one target behind Clive on 212/225.

At the end of the 200 targets, Fil Petriella was the leader by 8 targets recording a brilliant 196/200. Three shooters, Russell Mark, Deserie Wakefield Baynes and Nidal Asmar all made it to the final with 188/200 as did evergreen Domingo Diaz on 187 and former Australian Open Champion Ben Kelley on 185 after surviving a miss and out shoot off with current National Champion Nathan Cassells.

Following a good final, Fil Petriella had won his second straight Kemen Australian Open Championship with 220/225, 8 targets better than his 2000 score when he won after a thrilling final win over Dominic Grazioli of USA.

At the completion of the competition, all in attendance agreed the Australasian-Pacific "Grand Prix" competition was again a resounding success and is worthy of the title of the 'best domestic international competition in Australia'. The attendance at this year's "Grand Prix" was down slightly but was still a great credit to the organising committee.

Special thanks and acknowledgement of the support of Kemen Australia, Rio Oceania, Winchester and Highland Sports (Miroku) was recorded on behalf of all concerned.

Also, special thanks go to those members of the organising committee who made everything happen—especially our new President Tony Kidman, Carol and John Tipler, Don McPate, Dot Trindall, Tony Houselander, Col Boyd, Patrick Plumridge and all the others who did so much to make the "Grand Prix" the outstanding success that it has now been each and every year since 1995.

CUZZO'S RAMBLINGS MAY 2001

Whenever I conduct Shooting Schools, there are a number of printed handouts that I give to all of the participants. Each one of these relates to one of the basic issues of Clay Target Shooting. One of them is all about safety at a Gun Club. I always tell the recipients to feel free to photocopy these handouts and circulate them as widely as they see fit, as

they are primarily designed to promote shooting and assist people who wish to enter the sport.

Several people who have read my Safety Article have suggested that I should publish it in the CTSN, and this month I plan to do just that. My intention is for the substance of the article to be printed on a single separate page, so that it can be photocopied and most conveniently put to the best use. In order to achieve this, I will address a couple of other issues briefly and follow those with this month's Trivia Question, leaving my safety advice until last.

A couple of years ago, I printed a request at the bottom of one of my columns, asking for a number of particular back issues of the Clay Target News. I did this to fill in some gaps in my CTSN library, caused by somehow losing the odd issue here and there, and missing a couple of years in the early nineties when I resided permanently in the United States. I would like to thank the many people who responded to that inquiry with phone calls and letters of offers, and to several people who didn't even contact me, but just bundled up and sent me what they had.

Because of those people I was able to complete my CTSN archives back almost 25 years to late 1976. Prior to that date, I only have a few scattered copies. In order to be able to research a number of matters that predate this, I would now like to ask if anyone has any issues of the CTSN dated 1976 or earlier that they can spare, I would be most grateful for them. Rest assured I will take good care of any old issues I receive, and my intention is to donate them to the ACTA when I am done with them.

Another matter that I am researching, and could use some assistance with, is a complete list of previous ISSF National High Gun winners. I have a list of the National Champions, but if anyone can help me with the names of all the Overall High Gun winners in each of the three disciplines (Trench, Double Trap and Skeet) since 1973, I would also be most appreciative.

This month's Shooting Trivia Question: Shooters from how many countries, other than Australia, have won Silver Australia Badges at the Trap Nationals? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 20-05-2001. The first correct answer drawn shall receive a free entry to next year's National Single Barrel Championship. Now, bitter experience has taught me that I had better be careful with the correct answer to March's STQ (Remember the last left handed shooter to win the National Double Barrel). So here we go again: After extensive research I now believe that only two left handed shooters have ever received Silver Australia Badges at the Skeet Nationals. Reg Clarke won the National Skeet in 1972, 1990 and 1995, and the Skeet Doubles in 1993. And David Dundon won the High Gun in 1989, the Skeet Doubles in 1990 and the National Skeet in 1992. Peter Vella from Blacktown in NSW submitted the first correct answer drawn, which wins him a free entry to this year's National Skeet Championship. If there are any other correct answers, the first person to notify me of each one will also receive a clone of this month's prize.

Dear Shooters

The Central Burnett Gun Club, Mundubbera, Queensland, will be celebrating 40 years as a club at their Annual Shoot to be held on Sunday, 17 June 2001.

According to the information we have, a plus trap was borrowed from Kingaroy in 1957 and a program shot in conjunction with the Gayndah Orange Festival at the Jockey Club. The Kingaroy Gun Club organised another shoot in conjunction with the 1959 Orange Festival at the Golf Club. On the Queen's Birthday weekend in 1961 a program was again shot in conjunction with the Gayndah Orange Festival, followed by a shoot at A McGilverys orchard, in the July. Another was held in August, and on the 9 September 1961, a meeting was held with the intention of forming the Gayndah Gun Club. Mark Shelley was elected the first President. Two of our present-day members, John Norton and Gary Darlington were present at the formation of the club. In December 1962 the clubs name was changed to the Central Burnett Gun Club, this was brought about because members were equally distributed from Monto, Mundubbera, and Gayndah. The club later moved to the present sight in the center of the region, where shoots were held on the airstrip in front of the hangar owned by Dr Guy Ethel.

The Gun Club is now freehold land and the hangar has become a comfortable Club House.

We have a good program planned for the shoot on Sunday, which will be in the June Clay Target Shooting News. If there is enough interest shown by former and present members, we will organise a re-union dinner and 40th Anniversary event on the Saturday evening as well.

We would love to hear from anyone who has information or memorabilia of the early days, and cordially invite all shooters who have ever been connected with the club to return for the weekend and celebrate with us.

Safety Issues at a Gun Club

By Adrian Cousens

1. Treat every gun as if it were loaded until you personally ascertain that it isn't. This includes when you are handed a gun, or when you take one from storage or from your car. Never assume that it's empty, no matter how safe that assumption may seem. Always check to be sure.

2. Always keep your gun pointed in a safe direction. This includes even when it is unloaded and/or the action is open. A safe direction is one where, even if it were to go off, it would not cause injury or damage. Common sense dictates what is the safest direction depending on different circumstances.

3. Keep the action of your gun open at all times except when standing on the shooting station ready to shoot. The only allowable exception to this rule is for under and overs when they are about to be temporarily stored in your car - but close it only as you place it in the car and re-open it immediately as you lift it out again.

4. Never load your gun except when standing on the shooting station ready to shoot. Always unload your gun completely of both live and fired shells before turning around and walking off the shooting station. A gun is deemed to be loaded when it contains one or more shells in any part of the mechanism, including the breech and/or the magazine.

5. Never fire your gun anywhere other than down the shooting range, or at a pattern plate, if the club provides one. When firing at a pattern plate, exercise great caution and remember that shotgun pellets are among the most prone to ricocheting of any firearm projectile.

6. Never load more than two shells in your gun at any one time. Two shells may be loaded for shooting singles in most Trap events and on most Skeet stations, however more than two is never allowable under any circumstances. With magazine type guns, such as pump-actions and semi-automatics, some method of restricting the magazine capacity to one shell, such as a magazine plug, is a wise precaution.

7. Never load or fire a gun if there is any doubt about its ability to operate safely and/or reliably. A gun, like any other tool, requires regular cleaning and maintenance and occasional repair or readjustment. Always ensure that it receives maintenance or repairs immediately if there is any question concerning its ability to function correctly.

8. Never attempt to load or fire any gun unless you are familiar with its operation. With any new or strange gun you should acquaint yourself with how it works and how to load and unload it safely before proceeding to use it on the shooting range with live ammo.

9. Never use a shot size larger than that specified in the rulebook or restricted by local club rules. This generally means no shot with a pellet diameter larger than (or with a numerical value smaller than) #7 for Skeet and #6 for Trap. Safe shot fall zones are calculated by this criteria, and non-observance could cause injury to people or property that theoretically should not be in danger.

10. Never mix the gauges of your ammunition. As the Rules prohibit configuring your gun to use two different gauges of shells at the same time, there is no reason to ever carry more than one gauge of shells. Both 20ga and 28ga shells will lodge into a chamber that is one size bigger, in such a way as to obstruct it and yet allow the correct size shell to be loaded after it. This will effectively convert your gun into a hand grenade.

11. Never rely on a safety catch. Safety catches are designed for hunting and defence weapons and have no practical use on a target gun. If the gun is loaded and closed it should be considered ready to use and inherently dangerous if misused. Many target shooters have the safety catches removed or locked off to prevent misuse.

12. Never use alcohol or drugs before or while shooting. This applies equally to medicinal drugs, which may also impair your reflexes or judgment. If in doubt seek medical advice. If you have consumed alcohol or drugs, as with driving your car, do not handle your gun until the effects of these substances have diminished to an acceptable level.

13. Always check your bore for obstructions. This mainly applies after you fire a shell with an abnormal report, or after you trip or fall while carrying your gun, or after your gun may have fallen. It is also a good idea to get into the habit of doing it every time you load your gun, if you haven't just fired it. This includes after you have just taken it from the car and after you have just assembled it, or taken it from its case.

14. Always keep your muzzle pointed towards the center stake if you have a misfire or malfunction. This allows the referee to examine and adjudicate safely, and then allows you to rectify the problem while the gun is still pointed in a safe direction. Never turn around until the gun has been opened and unloaded.

15. Always unload your gun immediately if there is any hold-up while shooting. If the interruption is going to be a long one, it is best to unload your gun and step off the station until the referee indicates that shooting can be resumed. Even if the hold-up appears to be a short one, and you do not intend to step off the station, always unload your gun until either common sense or the referee indicates that it is safe to continue.

16. Always store guns and ammunition separately, even when they are only left unattended for short periods. At a Gun Club, between events, always lock your gun in your car and lock your ammunition in the boot.

17. Be careful with release trigger guns. They should be looked upon as a necessary evil and an inherently unsafe proposition in unfamiliar hands. If you use one, do not leave it where anyone could inadvertently pick it up by mistake. Always lock it away in your car immediately after you finish using it. When shooting one on the fields, always notify the referee and the other squad members. If you do not use one, try to resist the temptation of playing around with someone else's.

18. Never enter a traphouse unless officially authorized. A target-throwing machine, like many other mechanical devices, is an inherently dangerous piece of machinery, which could cause grievous bodily harm to an inexperienced operator. Trap mechanics and loaders are trained in the safe operation of these machines, and are the only people allowed in the traphouses.

19. Never absent-mindedly walk in front of a Clay Target Throwing Machine. This includes the area in front of a DTL Traphouse, as well as the area in front of the low house window on a Skeet Field. If the machine happened to be cocked and loaded, and someone were to inadvertently push, bump or drop the release button, a severe injury could result. Even if the button is visibly safe, someone in the house could manually trip the machine in the process of loading or finalising it. With the widespread use of Phono-pull equipment, this danger is now even greater, as accidental failure to switch the equipment off, could result in an idle conversation seriously harming someone.

20. Always wear eye and ear protection while on the shooting range. This applies equally to shooters, referees, scorers and trap personnel. Ear plugs are necessary to prevent long term hearing loss, and safety glasses are required, even when you are near a field, to prevent serious eye damage from wayward target pieces or ricocheting shot pellets.

REMEMBER

Firearm safety is no accident.

Most accidental shootings occur with "unloaded" guns.

You may know that your closed gun is unloaded, but how can others be sure of that.

Queensland Challenge Shield

As the front cover shows - the Gold Coast Team of (Left to right) Mark Joass, Travis Vaina, Col Witt, Vince Vaina and John Mack were the victors - great effort. Not only was the shield result a great effort - the fact that the Gold Coast Club had over 20 shooters in attendance did not go un-noticed.

Then came the presentation - the Gold Coast have been known in the past the abscond with the odd shield and perpetual trophy - but not this time - Club Patron, Bob Bryant out foxed them well and truly - on presenting the shield it was apparent that there was a length of chain that joined the shield to Bob's wrist !!

All in all a great victory and an even better presentation.

Roma Clay Target Club.

An Inter Club competition with a history that goes back some 50 years - contested each year at the Roma Annual Shoot and always creates a high degree of rivalry - 2000 was no exception.

The requirements are for a five person team - all affiliated with the same club and they contest the shield in conjunction with the 25 target handicap - this year no less then 4 teams - Gold Coast, Silkwood, Roma No. 1 and Roma No. 2 were all equal at the end of the event !

The decision was made for each team to select one (1) of their shooters and the shoot off would take place with just those 4 shooters.

For the Gold Coast, young Travis Vaina stepped up to the mark, Joe Collins went into bat for Silkwood and David Hannah and John Guinea were from Roma No. 1 and No. 2.

BURDEKIN GUN CLUB ANNUAL TWO DAY SHOOT

The weekend of 10h & 11th March saw the Burdekin Gun Club conducting their annual two-day carnival. Visitors from Cairns, Atherton, Silkwood, Herbert River, Mt Isa, Charters Towers, Townsville, Port Denison, Mackay, Whitsunday, Sarina, Ilfracombe, Kingaroy and Caboolture joined the local members to see 92 shooters competing for the tro-

and three shooters went out for the overall shoot off after recording 75/75. Two targets later, Burdekin member, Gian Vassalini was the overall winner with the grades going to Ray Collinson AA Grade, Tony Caruso A Grade, Peter Colls B Grade and new member Paul Totorica C Grade, Carol Betteridge won the women's, Matt Gall the juniors and Noel Beale the veterans.

phies. The weather saw a light northerly blowing into the traps making conditions hot but not tricky with the targets flying truly all weekend.

The first event was a 25 target Double Barrel graded sweepstakes, which saw twenty-three shooters record a possible and share the money.

The first trophy event was the 25 target Single Barrel which saw four shooters enter a shoot off for overall after shooting the possible. Eleven targets later local trap mechanic Lui Populin proved his traps were throwing good targets by taking the main prize. The grades saw Matt Iwankiw of Charters Towers take AA Grade, local member Tony Caruso, A Grade, Joe Bertello B Grade and Chris Nielsen of Whitsunday C Grade. In a hotly contested women's section, Annette Vassalini was successful, the juniors Matt Gall and the veterans Chris Nielsen.

A 25 target Pointscore was the third event of the program

The next event was a 25 target Double Barrel Continental. Seventeen shooters went out for the shoot off which saw another Burdekin member Joseph Rossato take overall. The grade winners were Max Nicolaides AA Grade, Silvano Zorretto A Grade, Elliott Favale B Grade and Andrew Totorica C Grade. Once again, Carol Betteridge took out the women's section while Scott McDowell took the juniors and Noel Beale the veterans.

The night event was a 25 target Double Barrel which amazingly saw only two possibles, A grade shooter Tony Caruso in the first squad and AA Grade Glen Rea in the last squad. Four targets later and Tony had his overall trophy while Glen had to settle for AA Grade. The other grades saw

Sunday morning saw more hot weather greeting the shooters. The 30 target Double Barrel "Arthur Collinson Memorial" was first up and saw thirteen shooters enter the shoot-off. A further 114 targets were required before Ray Collinson took the overall trophy. The grades saw Keven

good order and also to our sponsors in Steve Becke, Carl Marino, Summit Fertilisers, Eagle Boys Pizza, Ray Collinson and Kirknie Station for your kind support. Without you, the shoot would not have been such a success.

Scout shoot his best ever break to take AA grade, Silvano Zorzetto A Grade, Elliott Favale B Grade and Brad Farry C Grade. Annette Vassalini won the women's, Scott McDowell the juniors and Noel Beale the veterans.

The next event was a 30 target medley consisting of 10 targets Double Barrel, 10 targets Single Barrel and 10 targets pointscore. Six shooters entered the shoot off and after two rounds, Ray Collinson had won his second overall trophy. The grades saw Trevor Higgins take AA Grade, Bob Simpson A Grade, Steve Becke B Grade and Bruce Bowater C Grade. The women's section was won by Carol Betteridge, the juniors by Matt Gall and the veterans by Sam Coco from Silkwood.

The final event was a 30 target handicap, which saw nine possibles enter the shoot off. A further 51 targets saw Burdekin members take all the money with Andrew Bowater taking first place from Tony Caruso and Brad Farry in third place.

The high gun then became the centre of attention with Ray Collinson taking the cash for overall with 257/260. AA Grade was another local shooter in Joseph Rossato with 255/260. Gian Vassalini kept the local flag flying by taking A Grade with 252/260. Cairns visitor Andrew Casella stopped a local clean sweep by taking the B Grade High Gun with 247/260, while Brad Farry took a hotly contested C Grade with 241/260. Carol Betteridge won the women's with 250/260 while Matt Gall won the juniors with 251/260 and Noel Beale won the veterans with 246/260.

It was great to see so many shooters from the north at our club and we hope to catch up again soon. The newer members of the club who have never been to a two day shoot before all seemed to enjoy themselves and we hope you come back again soon.

The members of the club wish to thank all the workers on the day and before hand to have the grounds in such

Morwell Moments

Morwell life members, left to right: Bernie Stokes, Don Kendall, Gary McMillan, Bruce Webb and Ross Kingsley (nominator).

Morwell had the rare opportunity of having 4 Life Memberships being nominated and accepted. Russ Kingsley nominated each for their lifetime commitment and dedication to the small country Gun Club. The 4 new Life Members are Bernie Stokes, Don Kendall, Gary McMillan and Bruce Webb. Each have held office on the executive committee, each have committed many hours of their spare time ensuring the Club grounds are maintained, each are very committed to the Juniors in the sport and always available for support and coaching and between them have amassed over 80 years service to the Morwell Gun Club. We as members are very proud of the calibre of our new Life Members.

Morwell is also very proud of their Junior Shooters. Andrew Brady - what a talent in a youngster! Andrew started competing at the age of 14 and is certainly making his "mark" in the sport. He has won numerous events and titles including the Tasmanian Double Barrel title when he was only 17 - he progressed to shoot for the Victorian Junior Team in 2000. Upon reaching 18 he moved onto Trench - with his commitment and dedication this young man is now representing Australia in Cairo for Trench in April 2001. We wish Andrew all the best and as a Club are very proud of our "Hero". Another up and coming youngster in the sport is Scott Malone - Scott also started competition shooting at 14 - Scott was selected to shoot in the Victorian Junior Team and partnered Andrew in the 2000 National Titles. The year 2001 was another great year for Scott as he qualified for 'back to back' representation in the Junior Team for Victoria in Wagga Wagga in April 2001. Well done young guns!!!!

Dear Sir;

Having read Cuzzo's Ramblings (March, 2001) - regarding the Silver Australia Badges I would like to make the following comments. Firstly, if my memory serves me correctly - and I am sure I will be corrected if I am wrong - at some stage the Australia badges that are awarded for Women and Junior National Titles - were in fact a smaller size and a blue colour.

I would question the suggestion of issuing a bronze Australia badge to the WINNER of a section - in the sequence of gold - silver - bronze - it represents third (3rd) place - a little inappropriate to the Womens National DB Championship - don't you think.

Secondly, again, someone will correct me if I am wrong - the issuing of multiple badges/sashes for the Mackintosh Team high guns was introduced because the Team is shooting for their Country - if 2 or more shooters are tied at the end - you cannot get any better - rightly or wrongly - THEY are the best for their country - hence multiple awards.

Jenny Burt.

Tumut Clay Target Club

Two-day shoot and zone coaching weekend

Tumut Clay Target Club held the Riverina Zone coaching over two days in March and a roll up of 12 interested persons attended. Bob Blake and Dave Coleman provided their coaching expertise and this was appreciated by the new shooters and members alike.

On Saturday three Zone titles were contested, these being the Zone Mixed Targets, Night Points Score and the night Double Barrel championships.

The Clubs newly elected President, Grant Thatcher, did not let the pressure of office get to him and won the Mixed Targets event with the only possible 35/35.

The Nights Point Score was won by Robert Baker after a shoot-off with Tim Murray (West Wyalong) and Stuart Lowery won the Night Double Barrel Championship after a long shoot-off with Dave Caccioppoli scoring 67/67.

Sunday's event started with more coaching and at 11am,

the 50 target Kevin Woodbridge Memorial Double Barrel Championship commenced. Conditions were very good but only four possibles were posted with Dave Caccioppoli, Grant Thatcher, Wendy Barton and Tony Barton contesting the title.

Dave dropped out on his 83rd target. The remaining three made a contest of it and Wendy was the next to go dropping her 128th target leaving Tony and Grant to finalise the event. Tony Barton eventually won the title with a score of 161/161. Superb shooting by all the contestants.

The High Gun for the two days was contested by Dave Caccioppoli and Tim Murray and Tim took this title with a score 229/239. Great shooting on a great weekend.

Thanks go to the Zone coaches and club members for their assistance with the coaching and the people in the kitchen who did a marvellous job all weekend.

Above centre: New president Grant Thatcher celebrating mixed targets win.

Above right: Robert Baker, winner of zone night points score 87/90.
