National President's Notes

John H. Byrnes

New York

I like everyone else have been saddened by the events of recent weeks. What can I say, life is always changing. We are all effected by the events of the world but our smiles and care can make a difference. Keep smiling.

Overseas Teams & Trips

The ACTA has been closely monitoring the International situation and rest assured the security and safety of our teams will be of the utmost importance during these difficult times. We will seek advice from Foreign Affairs and consider the wishes of the individuals concerned in making decisions about the participation of teams in certain spots around the world at this time.

Oceanic Games

The Oceanic shooting titles in New Zealand are soon to get under way. We have a large contingent of competitors who have been invited to attend. The ISSF disciplines plus DTL and Skeet events will all be held with team and individual sections. We wish all team members every success and hope that the event is enjoyable as well as challenging.

Skeet Nationals - Nov 11th to 18th

Following shortly after the Oceanic titles will be our National Skeet Championships held at Wagga Wagga, commencing on November 11th and concluding on November 18th. We anticipate that this will be well supported by all skeet shooters. I look forward to seeing many of you in attendance.

Sub Committee Structure

As most of you will realise the ACTA operates with a number of sub committees. These sub committees are responsible for many day to day operations that occur within the organisation. A full list of the sub committees as elected at the last executive meeting is published in this magazine. Issues that arise with members should initially be directed to the Chairperson of the appropriate sub committee relating to the matter.

Rule Changes effective January 1, 2002

The Executive Committee has approved the following rule changes to take effect January 1, 2002:

Rule 2.01(h) - Delete "Note: All night Double Barrel targets are to be entered in the Continental/Single Barrel column."

Lonato

24 - 30 June 2001

The team for this years Lonato World Cup consisted of Stephen Baynes, Russell Mark and Tom Turner for Double Trap and Michael Diamond, Ben Kelley and Russell Mark for Trap. As usual the number of entries was high, as this range is located close to the Perazzi and Beretta factories. Double Trap was first with training going without any hitches. Double Trap competition day was a little windy and targets were higher than usual. Russell finished with 134/150 to be in 11th position; Steve had 128/150 for 25th and Tom with 124/150 for 34th. With the heavy concentration of specialist Double Trap shooters the scores have been going up and we need to address this discipline with more training and competition to become competitive again like we have been over the last 10 years.

Michael Diamond, Ben Kelley and Russell Mark

Scores:

1st Li.S China 185 + 24
2nd Kauppila. R Finland 185 + 23
3rd Afasi. H Kuwait 184

During the Double Trap Competition Ben and Michael arrived. Ben looking like a 2nd hand rugby player with a swollen ear and Michael minus his gun (it was taking a little holiday in Zurich.) By the start of trap training Michael had a gun (thank you to Mr Perazzi for the loan of the car to go back to Milan to collect the gun) and Ben's ear was getting bigger but all else was under control. At the end of the first 75 targets Michael was in 1st place with 73/75, Ben was 15th with 68/75 and Russell was 19th with 67. The team was 2nd behind Italy by 5 targets. The second day saw Michael shoot 48 to go into the final 3 ahead on 121/125. Ben despite surgery at the local hospital finished on 115/125 and in 9th position and Russell had 47 to finish on 114/125. The team result is one of the most competitive areas of Italian shooting and with 1 round to go the Aussies were still 1 behind. The last round blitz of 73/75 by Aust. saw us win over Italy by 6 targets. Its almost 10 years to the day since Australia won their first team shoot in Italy and again in the last round was the killer which is still talked about in Italy as Aust had to shoot 75/75 in that round for the win. Nowadays they expect us to be there which is an indication of how strong the Aussie trap team has become. Michael continued his

World Cup

good form with a 24 in the final to win by 3.

Scores:

1st Diamond. M Australia 145

2nd Kable. G Fiji 142

3rd Pelliolo. G Italy 141 + 3

Other Scores were as follows:

Ladies Double Trap:

1st Hansen. P Sweden 140 + 2

2nd Zhang. Y China 140 + 1

3rd Li Qing. N China 138 + 8

Ladies Trap:

1st Laritcheva. I Russia 92

2nd Pelosi. R Italy 91

3rd Nattrass. S Canada 89 + 2

Men's Skeet:

1st Jensen. H Norway 147 + 12

2nd Al-Attiya. N Qatar 147 + 11

3rd Heinrich. J Germany 147 + 9

Ladies Skeet:

1st Avetisian. Y Russia 96

2nd Svetlana. D Russia 95

3rd Wei. N China 92

Thanks to all the team members who were professional in their approach and a pleasure to travel with and I wish them the best of luck in their next competition.

John Maxwell
Team Manager / Coach

NSW GUN CLUB LTD

Charles Waterhouse Memorial Shoot

Well, the Charles Waterhouse Memorial Shoot is over for another year. This shoot has become a very popular yearly event, with excellent attendance throughout the qualifying rounds.

The final was held on the 8th August and was fought out in fine style by all grades.

The winners were as follows:

O/A: Nick Xenos

AA: Steve Caltabiano

A: Michael Norris

B: Stephen Mueller

C: Paul Williams

The prizes were presented to the winners by Mrs Denise Waterhouse and her son Jay. They were

Pictured from left to right: Jay Waterhouse, Nick Xenos, Steve Caltabiano, Mrs Denise Waterhouse, Michael Norris, Stephen Mueller & Paul Williams.

WARATAH STATE NOTES

Wagga Gun Club wishes to advise that due to a \$10,000,000 upgrade to the Wagga swimming pool they are unable to hold the Australian Veterans Games in 2002.

The Games will be held again in 2003 and then again in 2004 to bring it back into the correct sequence.

delighted by the popularity of the event and pledged to make it bigger and better next year. The NSW Gun Club thanks the Waterhouse family for their generous sponsorship of the shoot and take this opportunity to thank all the shooters for their attendance and we look forward to seeing you and your friends here next Charles Waterhouse Memorial Shoot.

West Australian Gun Club (Inc) 2 Day Skeet Carnival

28th & 29th July 2001

Last years Skeet Carnival had thunderstorms as the lead up to the carnival with fine sunny days over the weekend. But in 2001, Western Australia was praying for rains for the severely drought affected wheat belt areas and the metropolitan water supply dams which are at their lowest ever. The club and the shooters were expecting to have a sunny but overcast weekend without indication of rains coming. Unfortunately for the shooters our luck ran out and the rains came over the weekend, much to the delight of the farmers. Therefore the Annual 2-day skeet carnival was held in light rain on the Saturday and very wet conditions on the Sunday. Competitors came from Geraldton, Collie, Kalgoorlie, Bunbury and many other areas around Western Australia.

On Saturday, the West Australian Gun Club (Inc) was proud to once again, to have Winchester Australia sponsor of one of the two premier Skeet Events over the weekend - being the "Whiteman Park" 100t Skeet Championship. The Overall winner was Dave Williams (B grade) with a 99/100 from John Page (Geraldton) who took out AA grade with 98/100. There was plenty of "red chalk" on the board throughout the day with 25's being registered by many shooters, including Nino Amato's first 50t break. Other winners of the Winchester "Whiteman Park" 100 were - 2nd AA: M Ponta 106/108 from C Bertini 105/108, 1st A: M Voke, 2nd S O'Brien 123/130 from S Saunders 122/130, 1st B: N Amato 97/100, 2nd F Shim 95/100, 3rd B Prichard 94/100, 1st C: V Oliveri 88/102 from G Smith with 82/102 and O McPartland 86/100 - third. The club put on a Veterans event, which was won by Robin Bailey with a 94/100.

A grade winners, Whiteman Park 100, M. Voke, first, S. O'Brien, second and S. Saunders, third.

Tony Davies. The winners of the competition were to take away beautiful trophies in the form of silver pewter mugs. With the first round out of the way, it looked like the sponsor - Tony Davies was going to be in the running for his own trophy after posting the first 25 of the day. Alas he was unable to continue the form and at the finish Nino Amato posted a 99/100 to take out Overall winner, the sash and have his name on the club's Newton Thomas perpetual skeet trophy for 2001. Very few 25's were posted as the afternoon shooting was hindered with heavy rain. After we all managed to get out of the rain, the results showed new names on the winners dais from yester-

B grade Whiteman Park 100, M. Amato, first.

Overall winner of the Whiteman Park 100, D. Williams.

In conjunction with the "Whiteman Park" 100, the interclub Pennants were shot with Dave Williams and Marco Ponta both having a 50/50, John King 49/50 and Mike Voke and Clem Bertini 48/50. Total score being 245/250. Let's hope that this score will once again give the West Australian Gun Club the Interclub Skeet Pennant. Good shooting guys.

Sunday dawned and the sky was very misty and grey. The black Corsivia targets stood out very well against the new greenery of the trees after the bush-fire in February. 48 shooters attended on the day for the "Newton Thomas" 100t Skeet, sponsored by club member - Mr

AA grade winners, Whiteman Park 100, J. Page, first, M. Ponta, second and C. Bertini, third.

C grade Whiteman Park 100, V. Oliveri, first, G. Smith, second and D. McPartland, third.

Whiteman Park 100 veteran winner, R. Bailey and C. Alexander.

Newton Thomas overall winner, N. Amato

Newton Thomas veteran winner, Brank Bombarra.

day. AA grade was won by M Ponta 98/100 from P House 97/100 with R Bailey 96/100 and M Cubic tossing for third place. Regraded G Marsh 98/100 took out A grade from S O'Brien 96/100 and M Voke 94/100. Once again B grade was hotly contested with F Shim 96/100 (regraded to A grade) from B Prichard 104/111 and T Marsden 102/110 after a very wet shoot off. C graders kept the percentages high with M Boschetti 90/100 winning over O McPartland 87/100 and B Kuser 86/100.

It was good to see this standard of competition and throughout the 100t the Metropolitan Zone 1 Skeet team was selected. The very talented zone team representatives are F Skim, M Ponta, P Vosper, N Amarto and C Bertini with the reserves being D Williams, R Bailey and M Pedri. Best of luck at the State Carnival guys as you

have a wealth of experience with some new talent interlaced into the team.

The final presentation of the day, being the high gun, sponsored by Winchester Australia was awarded to Nino Amato 196/200 from Marco Ponta 195/200. A very happy and jubilant Nino, thanked Winchester Australia for their sponsorship and announced that this was his first high gun and would be well remembered because of the atmosphere, the way the shoot was managed and the friendliness shown by everyone over the 2 days. I think that there will be a lot more to come for him, the way he is shooting.

The club would like to thank all the shooters and their families who traveled to the carnival to make it a successful carnival for

2 Day carnival high gun, N. Amato.

2001. Congratulations goes to everyone that assisted with the running of the carnival - kitchen, bar, office, scoreboard and especially the "trappers". One of the trappers being a young boy (Corey House) who absolutely enjoyed working with Ian, Barry and Bill over the weekend. Thank you very much Corey. Thanks must also go to our intrepid Captain (Clem Bertini) and Vice Captain (Marco Ponta) for their efforts in keeping everything running smoothly.

Last but by no means least, a very big thank you to Winchester Australia and Tony Davies for their sponsorship and support for both events and the High Gun. To all skeet shooters, we look forward to seeing you next year at the West Australian Gun Club (Inc) Annual 2 day Skeet Carnival.

**Christine Alexander
Promotions Officer
West Australian Gun Club (Inc)**

— Vale —

George Thomas

The Finley Gun Club regrettably informs the shooting fraternity of the passing of George Thomas at the age of 87 on the 9th of June 2001.

George spent his early life in the Barham - Wakool district in southern N S W, where, with his cousin Newton Thomas, they learnt their shooting skills, shooting foxes, rabbits etc on the properties along the Wakool river, and then working together as a shearing team up until George enlisted in the army in 1941.

After army service George took up a soldier settler's farm near Finley in 1949 and after a period of establishment, joined the Deniliquin Gun Club where he served on the committee for a number of years. He was also successful on the layout and soon earned the handicap of 27 yards (one of only a small group in Australia at that time). He was a regular competitor at other clubs in Southern NSW,

Northern Victoria and Melbourne during the 1960s and 70s. He was fortunate to be a member of the 1964 MacIntosh Team. George then joined the newly formed Finley Gun Club in the late 1960s where he also served on the committee and then after a period away from the sport returned to shooting and to serve as chair person for two years in the early 1990s.

George had a deep love of the sport and over the years was able to encourage many new and old shooters in their shooting development. He was also a keen observer of nature and had wide knowledge and a deep appreciation of the environment around him.

He is survived by his 4 children, Douglas, Margaret, Elizabeth and Bickley. His wife Annie predeceased him.

**Neil Howells
Secretary
Finley Gun Club.**

Mildura Clay Target Club Inc

Quality Shooting Facilities a Boom for Regional Tourism

Quality shot gun, rifle and pistol shooting facilities in the Sunraysia and Robinvale districts have begun generating a valuable new tourism option with groups of up to 300 people regularly coming to the region for a weekend's competition.

Victorian Licensing Services Branch Policing Support Services manager Senior Sergeant Dennis Tocock said at a meeting held recently at Mildura Gun Club to present range approval certificates to club administrators, that the spin - off of range improvements and a growing interest in shooting was proving to be a bonus for regional centres. "There are quite a lot of competitions here already and we expect this interest to grow as more people take up one of the various firearm options as a sport. Already, a few locals have done well in shoots at a national and international level, and we expect a lot more in the future as the sport grows and people accept the new regulations".

Work during the past three or four years upgrading gun clubs and rifle and pistol ranges was also paying dividends in firearm safety. "We have re-addressed firearm accidents through providing safe instructions and safe ranges, particularly in rural areas where firearms are common."

Sen. Sgt. Tocock was presenting seven certificates of range approval at Mildura Gun Club. "These ranges have been working for several years to meet all the requirements relating to the new Firearms Act which became law in 1997", he said. "We started two years ago and have now inspected 245 of the 320 ranges in Victoria. Of those, 175 have now been approved, and only 12 have been closed for safety reasons. When we inspect a range, we itemise all the elements that need fixing and upgrading. Most of these can be done over a reasonable time, although there are some temporary closures".

"The only ranges we close permanently are those where there is a serious safety problem that cannot be fixed. Some of these local ranges have had to do a fair bit of work and I have to congratulate Mildura Rural City Council for its help in the regard. Local members and council have done a very professional job, in fact, I am taking some pictures for a trip I making to the United States.

An early difficulty was that there were no manuals for range operators to comply with. "So we had to establish our own, and this has now become a model for other States and could eventually be the basis of a national range manual". Sen. Const. Tocock liaised with

the American National Rifle Association when developing the manual.

He has been invited back to lecture on the changes in Victoria and the implementation of new gun laws and firearms safety courses. "We have put 11,800 people through these courses in the past 12 months. The long arm course was introduced in 1988, and a course for hand guns started in 1997. We now have 250 hand gun and 650 long arm instructions across the State."

Once local ranges are approved, regional firearms officers (RFO's) ensure the standard is maintained and continued. "This has

been a major element in reducing firearm accidents."

Certificates were presented to the Red Cliffs and Mildura Small Bore ranges (now Target Rifle Victoria); the Victorian Rifle Association Yatpool full bore range; the Pistol Clubs of Victoria, Amateur Pistol Association and Mildura Pistol Club range at Koorlong; and the Sporting Shooters Association of Australia Cardross range complex and sub clubs, the Sunraysia Pistol Club, the Mildura Military Rifle and Pistol Club, the Sporting Rifle Club, Field Conservation Club, Western Action Club, and the Arms and Military Collectors Guild.

Also awarded were the shotgun clubs, the Mildura Gun Club (Australian Clay Target Association) and Sunraysia Field and Game (under the Field and Game Association).

Sen. Sgt. Tocock congratulated the instructors at local ranges "and the hundreds of volunteers" who have offered their services and helped in the transition to new gun laws and safety training. "Now these ranges are approved, we are encouraging people to consider using them", he said. "This region has some very good facilities, there is only a small charge and there is also the opportunity to talk to others interested in the sport".

Writers must give full home addresses. Where possible, letters should be typed. Letters must be signed. Letters with noms de plume or pseudonyms will not be published. The ACTA reserves the right to edit any letter and letters may be shortened for brevity. We do not necessarily endorse the opinion of our correspondents.

Dear Sir,

I would like to offer a comment in relation to the article titled ACTA CREDIBILITY, LOST OR MISPLACED?

As a member of previous teams and now assisting with the development of ISSF shooting, I take offence at the letter published as its comments engulf the entire management of the ACTA including the coaches such as Greg Chan, Bill Iles and myself who work on a voluntary basis for the betterment of shooting. As I see it, the writer should either put some names to his accusations, if he believes strongly that there is a problem, or print an apology for the letter. Only after this information is received should any ACTA resources be used to answer the accusations. This system of writing to the editor so all our members only get one side of the story is a rather sly way of gaining an advantage as the accused cannot reply for at least 1 month. Mr Smith talks of giving people a fair go? We are all in deep trouble if this approach can be termed fair. I would be further surprised if my letter is the only comment you receive on this matter, as I would imagine that Mr Smith had also trodden on some other toes with his comments.

Our sport is currently enjoying a great amount of success from the work of dedicated individuals, who are both administrators and

athletes, a record not matched previously. The type of letter printed in the August issue of the CTSN can only be detrimental to the efforts of our shooters who work extremely hard to be competitive in the international arena.

John Maxwell

Dear Sir

It is very disappointing that the present debate on skeet rules has sunk to the level of arrogance and rudeness evident in the August volume of the Clay Target Shooting News. There needs to be a return to the sort of fair mindedness that has always characterised the management of clay target shooting in Australia.

There also needs to be more balance in the debate on the skeet rules. Some of the arguments being put for the NSSA rules are inaccurate and misleading.

The article in the August edition of Clay Target Shooting News by Adrian Cousens said that the skeet rules were 'bastardised' by the inept people in ACTA. He is entitled to his opinion, but that's all it is - his opinion. It is certainly not shared by the majority of shooters in Western Australia, and I believe Australia. The continuing debate on the skeet rules suggests that many members of ACTA believe that the Australian skeet rules modernised and improved the shooting procedure and that reverting back to the NSSA rules was a backward step. Adrian's attack on the ACTA is an insult to people who have worked hard to lift Australian shooting to its present high standard.

In all the thousands of words that have been produced in favour of the NSSA rules there is not one shred of evidence that the NSSA rules improve the shooting procedure. The NSSA rules have been in place for almost eight months and the feeling in Western Australia is that they are inferior to the Australian rules. This is well illustrated by station 8 where the NSSA rules are clumsy and illogical in comparison with the Australian rules.

The latest argument that the ACTA has unilaterally changed the

world standard rules of our sport is a complete nonsense. American skeet is not a world sport because it has no world governing body like cricket and tennis. It is controlled by an American Association - the NSSA - and is a purely American sport. If American skeet was a world sport, Australia would be represented on the world governing body and would have input to the rules as it has in other sports.

Excluding ISU Skeet, there are at least three forms of skeet. There is American skeet, Australian skeet and UK skeet. The UK shoots a similar type of skeet to Australia, but does not have station 8. The two targets that we shoot at station 8 are replaced by a double from station 4 and the optional 25th target is shot from station 7.

If one of the objectives of adopting the NSSA rules is to promote international competition between America, Australia and other countries, the people advocating the NSSA rules could spend their time more profitably in establishing skeet as a world sport with a governing body made up of representatives of the participating countries. But if they succeeded, the new sport could be very different to the NSSA rules. Look at what happened when skeet shooting was accepted as an Olympic sport. They threw out the NSSA rules and adopted a very different set of rules.

If we want to improve the skeet shooting rules, we should pick the best aspects of all the current skeet disciplines. We should not revert to the older NSSA rules, which both Australia and the UK changed because they believed that they needed modernising.

Adrian's article also has some unfounded criticism of Australian trap shooting. He says that our rules lie in the twilight zone between ATA Trapshooting and ISSF Trench. The reality is that Australian trapshooting strikes an excellent balance between the very demanding discipline of Trench and the much easier ATA. Australian trapshooting is a challenging and popular discipline and one that has provided an excellent skill base for people wanting to graduate to Trench. Australia's three Olympic gold medals should be proof enough. I am sure that the majority of ACTA members will support me in saying "Hands off our trap shooting rules."

The letter by Chris Hughes in the August issue suggested that it was un-Australian to change the NSSA rules. There are no legal, ethical or moral reasons why Australia, the UK or any other country, should not adopt their own skeet rules. I am sure that NSSA could not care less.

My final point is that it is hard to escape the obvious conclusion that the continued debate on the skeet rules indicates that there is a widespread feeling that we have been conned into a set of rules that are inferior to the Australian rules. The proponents of the NSSA rules have failed to convince us otherwise.

Clive Shepherd

Dear Editor,

Let's get on with the game! What is this clown talking about you're thinking.

Six years ago I returned to this great sport of clay target shooting after fifteen years away, not because I wanted to be away I might add. What I can't believe is that after all that time we are still arguing about RULES in nearly all the discipline of clay target shooting.

When one thinks about how close we are to losing all our guns thanks to crazy's and politicians, how we are losing competitors due to many factors such as cost, falling recruitment, decreasing interest in competition by beginners and in some quarters, a total lack of interest due to the constant upheaval and argument amongst ourselves. I can't help but wonder how much longer this sport I am sure we all love has left before it consumes itself and dies.

Maybe IT'S TIME we started discussing these problems with one another and stopped tearing each other down and attacking the people who at least get off their tails and try to do things within the sport. Maybe IT'S time we put our hand up to try and support each other and SAVE our sport.

*Doug Moorby
Bathurst*

Dear Editor;

I feel I have no option but to write to the ACTA magazine in the hope that some constructive changes will occur to the present way we look at our sport, our handicapping system and also ourselves as sports people.

In 1983 I joined the ACTA as I believed that was the direction I would get into good competition and at the time I also regarded the ACTA as the best administered organization running clay target shooting. By 1983 the sport had established itself into various forms of shooting and had compiled an extensive history of champions, past and current. Having joined the ACTA, I then identified the form of shooting which was of most interest to me. The skeet.

Upon turning up to shoot my first competition, I was promptly told I was graded into A grade for the events. This was based on the knowledge the handicapper had of me from my days of shooting at Sporting Shooters. Now to some people this might have seemed harsh and unfair, however I saw it differently as I joined the ACTA to learn from the experienced shooters.

For the next two years I did what I call my apprenticeship, learning to shoot better and refine my technique. During those years I got to meet some legends of the sport in Trap, Skeet and Olympic disciplines.

By 1985 I made my first State Team and earned the honour of representing my state at the Skeet Nationals (which by the way we were successful in). However on an individual basis I didn't travel too well and was beaten by more successful and seasoned shooters. By 1988 I had attained a constant AA grade standing and was rewarded with wins at both Olympic and American Skeet Nationals. All of a sudden I could match it with the good shots when I had a good day. All the time whilst competing I was proud of the fact I was a AA grade shot. I accepted you have good days and bad days, after all that was what competition was about.

However I guess you are wondering where I am coming from in this letter. Let me begin by drawing a couple of deficiencies to your attention.

The days of people shooting in their correct grades appears to have to a large extent disappeared.

The days of the handicapper re-handicapping under-graded shooters has almost ceased.

The sport has been brought into disrepute by an element of shooters who manipulate the card systems.

New shooters join the sport with a view of being competitive, only to find the current system doesn't allow that, due to under-handicapped shooters. Let me suggest a positive way to improve our sport and membership numbers.

Adopt the officially recognised Skeet grading system for Skeet, rather than using the ACTA Trap grading rules by default, as we now. This does not permit any down grading during the year, only up grading. This is much more likely to result in AA grade shooters shooting in the correct grade.

Review and regrade at the end of the year only, based on their best 75% of scores. Drop the worst 25% of scores from consideration as these generally are shot on poorly set traps, windy days, rainy days, or some other influence and thus do not genuinely indicate the true ability of the shooter.

By encompassing both these ideas we should end up with a fairer system to all.

My other suggestion to restore some honour to the sport, would be to bring in mandatory AA grade for a minimum of two years for a shooter who wins a State Title and also AA grade rating for five years for a National Title with the exception of a shooter sixty years or over who would incur two years mandatory AA.

Now I know there are a few out there who don't agree with me, but why give out a Silver Australia badge and sash or a State Silver badge and sash as recognition for a fine display of shooting, only to find these same shooters turn up a couple of months down the track as A grade shooters. It has always been an honour to wear the badges and win them and therefore it should be an honour to stay in AA grade. Also at the end of the day they know and so do we that they really are AA grade shooters.

Regards David Dundon.

Dear Editor,

Well done to all the ACTA, particularly those associated with the August issue of the CTSN. There was obviously an overwhelming positive response to this issue, so much so that we all got it again in September. I suppose at least we got a different cover on it.

Who could really blame the ACTA for this little slip up? Not me, I love having the opportunity to read a tired, poorly presented and uninteresting magazine such as this, printed on paper so bad that if you tried to sell it in a fish and chip shop you would be run out of town.

But seriously folks, the format of the CTSN hasn't changed for something like 30 years or more. THE ADVERTISEMENTS AREN'T EVEN INTERESTING. So far the most interesting thing about the CTSN is seeing how much print you can get to come off the pages onto your fingers while you are reading it. Did I say reading it? I meant searching it in vain for something that might hold a shooter's interest for longer than it takes to get it out of the plastic bag.

Here's an idea, why don't you just publish a heap of really bad photos of shooters, getting their sashes, grinning mindlessly while they shake hands with someone presenting them with an electric

can opener or something good like that. I reckon people would love it What do you mean you do that now?

This sad, sub-standard publication is symptomatic of the entire organisation. I for one can't wait to wrap my garbage in the next issue.

Yours sincerely,

B Peters

P.S. I know that the publishers probably made a cockup of things, but I really couldn't resist such an opportunity. Oh and by the way, your Web site & email server don't work either.

We at the ACTA Office take offence to the comments made by Mr. Peters letter. Many hours are spent trying to decipher the results submitted for publication with very little recognition. Mr. Peters seems to have lost sight of the main reason for the CTSN as the CTSN is a Newsletter published so that ordinary shooters can have their five minutes of fame. Im sure that many a low grade winner was delighted to have their photo published. We as an Association do not have the luxury of a full time writer on staff and I challenge Mr. Peters to write an enlightening article for publication. ED.

2001 SCHOOL STUDENT CHAMPIONSHIP South West Zone / VCTA

The South West Zone of the VCTA, School student championship was held at the Noorat Clay Target Club on the 22nd August. The wintry conditions prevailed but not to the fifteen schools and 240 competitors that attended. This included 130 senior boys, 13 senior girls, 4 junior girls & 93 junior boys.

The SWZ executives convey a sincere thanks to all the members who assisted and to the sponsors namely: Koroit Joinery, Winchester ammunition and Mr Tim Steer, VCTA.

The results are as follows:

20T School Student C/S

O/A: Tim McClure 19/20 Hamilton College

Senior Boy: 1st A Forsyth 21/25 Hamilton College

2nd J Walsh 19/25 Hamilton College

3rd D Lang 23/30 Monivale College

Junior Boy 1st J Wilson 21/25 Warrnambool College

2nd F Cocking 20/25 Beaufort S/College

3rd A Taylor 18/25 Geelong Grammer

2nd B Adams 8/20 Geelong Grammer

3rd G Tyers 7/20 Geelong Grammer

Senior Girls: 1st M Gruar 15/20 Brauer College

2nd J Wythe 12/20 Hawkesdale High School

3rd A Holt 14/25 Colac T/College

MARYBOROUGH TID BITS

www.mctc.org.au

Gympie 12-8-01

Tom Brereton rang after the shoot to see if we had problems in not being at the shoot, thanks for the concern Tom. Who told me they had shooters from Dorrigio, NSW and Castlemaine VIC and their names would be on the results which Wal was sending, but arrived with only club name, you just can't rely on hired help these days, thanks for the results Wal and I hope the shooters from Dorrigio and Castlemaine enjoyed their shoot along with usual shooters from Bundaberg, Maryborough, Central Burnett, Sunshine Coast. I notice Frank Robinson is back in AA and giving the targets hell, and there is a C Robinson in C grade in the results who I take to be Carl, brother to Frank. If I am wrong I will soon hear about it. So the results went like this in AA Grade Glen Durre DB, Frank Robinson SB and PTS with Phill Grove 2nd HC and AAGHG.

In A Grade P Smith DB (could have been one of the southern visitors) then Bret Brown took SB PTS 3rd HC and AGHG. Good shooting Bret with good scores, and also in A Brian Goddard 1st Handicap. In B Grade Sylvia Edgerton DB with husband Bill SB Brian Fourro PTS, BGHG. With C Grade Carl Robinson DB PTS and Stuart Dawson SB and CGHG. Wal said it was a good shoot and everyone heading home at 3.15pm. Thanks Wal for results and thanks Tom for phone call but Harry still sticking to the flu.

Maryborough 26-8-01

With missing Bundy and Gympie with my driver with the flu it didn't sound so good waking Sunday morning to rain on the roof but a shooter in heaven must arrange the weather and by ten o'clock all was well, we could have done with more rain. A big welcome to Janice and John Butters and John Poulter all joining our club best of luck with your shooting and hope you enjoy shooting with us. Visitors to the shoot was Tania Burke who told me she has made the Oceania team Qld team selected at Kingaroy titles congratulations Tania best of luck thanks for shooting with us. From Central Burnett there was Gary Darlington who drew and shot the jackpot being \$88 richer good shooting Gary thanks for coming. Also Carl Robinson who was driving brother Frank who should have been at Dalby but PJ Forner who was driving Frank was on the sick list get better soon PJ. From Bundaberg was Gino Sergiacomi, Spencer Plath and great to see Kaye and Rob Rehbein thanks for coming who took two of the four high guns good shooting Gino and Spencer also from Gympie Lex Stolberg, Glen Durre and Brian Goddard who also took off a high gun good shooting Brian with the only possible in 50t PTS.

A big thanks to Pam and Betty in the kitchen thanks ladies. Well Allen Joblin eats again winning the meat tray raffle and Darrell King took off the Quicky Board Whisky Raffle good luck by both. Apart from some wind it turned out a lovely day and a good shoot. Results of shoot being in AA grade Glen Durre DBCD Tony Bradshaw 50t PTS Graham Noffke 15PR and AAGHG.

In A Grade Vince Dollisson DBCD Gary Darlington 15PR Brian Goddard 50t PTS and AGHG.

In B Grade Trevor Cecil DR and Gino Sergiacomi DBCD share with Lex Stolberg then Gino went into top gear and took 50t PTS and BGHG.

In C Grade Harry Walker DBCD Jarrad Smith DR and Spencer Plath 50t PTS and CGHG. Good shooting by all thanks for coming.

We shoot 25t November DBCD, SB, Championship, DBPTS, 15PR DR and the year is nearly gone only a Christmas shoot left.

There was this lovely little old lady who had a pencil stall in the same place for donkey years, and she had this fellow who used to run past and drop a fifty cent piece into the money box but never took a pencil, so this went on for many many years, till one day the lovely little old lady pulled this fellow up and he said "I know, you want to know why I put fifty cents in the money box but never took a pencil for all those years"

"No" says the lovely little old lady "I want to tell you the pencil are now one dollar"

Bundaberg 2-9-01

Well the greatest thing since sliced bread to arrive at Bundaberg is the Bray Score Tower. Comes air conditioned computerised, seats two with sun shade, auto chip finders, comes in colours but this prototype white, with enough height to see over the shooters in front. Well done Larry, every club will want them.

A good turn up of Maryborough shooters Glen McNeil, Tony McRae, Harry Walker, Norm Dale, Graham Noffke and our new shooter David Nicholson who hadn't shot at Bundy but took off a win good shooting David. In the kitchen was Sandra and then Gayle thanks ladies where were you Cheryl. That handsome fella Ryan Howie shot through to A grade good shooting Ryan.

Young Gino Sergiacomi drew and shot the jackpot good shooting Gino. And Spencer Plath took out the raffle without a shot.

In Skeet 25t off gun

The badge for OA targets went to Graham Noffke Maryborough and Graham also took OA targets and points HG. The badge was decided by a lengthy shoot off in the clubhouse by the toss of a coin between Rob and Graham who called heads and came up heads. A good shoot thanks Bundy and Bundy shoot November 4 9am Skeet 12 noon Trap DB, PTS CS, SB, Mixed targets and Christmas shoot December 2. AGM 11am Shoot 1pm.

Tuesday 5th September The Day the Bible Came

Congratulations to Greg Chan and Graham Michell on the detail reports of our shooters in Cyprus, Cairo and Korea. It is great to get the shooting results of the shoots but to get the little stories behind the results that is the most interesting.

I was sorry to hear that so many went down with sickness as it would be hard to carry out what ever, if you are very sick there is nothing worse than being sick on a trip and away from home and all its comforts.

I would like to congratulate all our shooters who attended these shoots especially our winners for trying their best for our sport. Also a big thanks for those coaches and managers who look after all those guns and luggage and 34 pieces of human cargo, that one can be missing at the drop of a hat just when the loading time is now. The only comfort I can give you is it never gets better and the bloke who said "life wasn't meant to be easy" wants a good kick in the backside, also Graham I think you would have been OK if you would have eaten your jelly fish. Great story and great results, thank you.

It was great to see the past shooters in the report of 40 Anniversary of Central Burnett which would have been a lot of work for someone well done CBGC.

Bob Dupuy calls it a day at the end of the year thanks for the years you have represented Winchester Bob. Best of luck in retirement hope you filled the garage with ammo for shooting in the future, you are welcome to shoot with us Rep or no Rep.

In your say I won't come into Skeet rules as I don't shoot Skeet and I don't talk about things I don't know anything about, but some-

times I write and say nothing, but we have to keep our own bible. Waiting for the next bible.

The old boss taking the new boss through the works to meet some workers and the new boss says to the old boss "how many work in here" and the old boss says "about one third of them". So the new boss said to one "how long have you been working here" and the worker said "since I heard I was getting the sack". So the new boss thought he would tell a joke to get a good start with the men and after telling the joke the old boss said to one of the men "haven't you got a sense of humour" and the worker said "No I don't need to laugh I finish up Friday".

Gympie 9-9-01

A big welcome to two Wagga Wagga shooters holidaying at Noosa being Ronald and Hugh Fairfield Smith who had some wins on the day hope you enjoyed your shoot with Gympie nice to meet you. Other visitors Gorden Rigby (Tincan Bay) Max Behm, Karl Sarb and Allen Thorp (Kingaroy) Laney and Phil Grove, Don Porters, Scott Trafford (Sunshine Coast) Bill Weeden (Caboolture) Brian Fourro (Bundaberg) Graham Noffke, Vince Dollisson, Harry Walker, Norm Dale (Maryborough) welcome back home to Bill Stolberg who has been up in Karumba for the winter and won the meat trap raffle welcome back Bill. Bill Weeden drew the jackpot and let it jackpot better luck next time Bill. And Luck Laney won the Quicky Board Raffle.

And a big thanks to our kitchen ladies Amanda and mum Averille, and Yvonne thanks to all. A big thanks to Clarky who didn't shoot on the day as he was running the shoot thanks Tony.

Well Wal was miles away at his mums 85th birthday party and got back for the last event we did miss you Wal we did.

And a shooter to excel himself was young Ben Tipman who shot his first possible and out shot his dad on the day good shooting Ben keep it up. Results on the day in AA Grade Graham Noffke SB Cont Scott Trafford DB 3rd HC and AAHG. In A Grade Allen thorp SB and AGHG with Bill Stolberg DB and Don Porters CONT. In B Bill Weedon DB Max Behm CONT Hugh Fairfield Smith 1st HC Metre and all SB and BGHG while in C Grade Ben Tipman DB, SB and Second HC good shooting Ben with Stuart Dawson Cont and CGHG.

Guidelines for referees 10.

At all time ensure that no competitor leaves a cartridge(s) in his gun after a red signal from the trap house (break down etc) and when moving from lane 5 to lane 1.

Shooting Dates

Kingaroy November 4 DB PTS DR

Bundaberg November 4 DB PTS SB MIXED

Gympie November 11 DB CONT HC DR

Maryborough November 25 DB SB CS PTS DR CS

OK off to the post office so good shooting to all till next time see you at the shoots

2001 NORTH WEST ZONE SCHOOLBOY/SCHOOLGIRL ANNUAL CLAY TARGET CHAMPIONSHIP

Held 8-8-01 at Kerang Clay Target Club

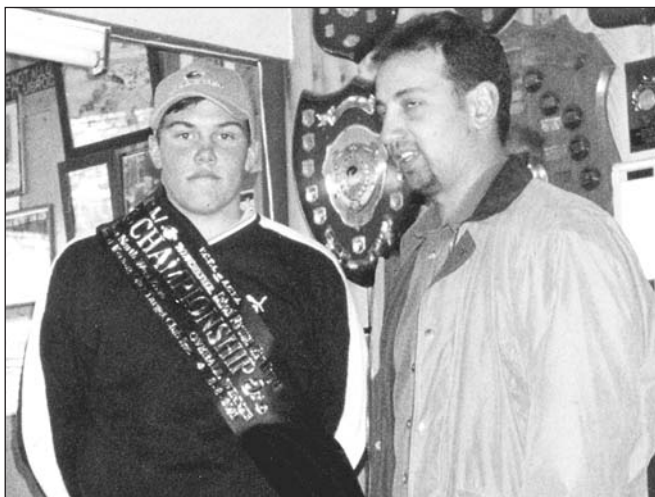

Sponsored by Winchester Ammunition and VCTA/NWZ

On a sunny, cool day 161 students attended representing 23 of the 40 schools. There were 68 senior boys, 10 senior girls, 78 junior boys and 5 junior girls.

Overall Winner - Aaron Sutherland (Cohuna Secondary College) 23/25

**Senior Boys 1st Dustin Barry (Stawell Secondary College) 21/25
2nd Ashley Hawker (Kaniva Secondary College) 25/30 3rd Leigh Spriggs (Goroke College) 28/35.**

**Senior Girls 1st Lydia Gorey (Barham High School) 15/20 2nd
Melissa Puiatti (Kerang Secondary College) 22/30, Danielle
Peatling (Cohuna Secondary College) 19/30**

2001 overall winner, Aaron Sutherland with Winchester rep, Socs.

**Junior Boys 1st Aaron James (Castlemaine Secondary College) 21/25 2nd Matthew Hawker (Kaniva Secondary College) 17/20 3rd
Tim Williams (McKillop College-Swan Hill) 15/20**

**Junior girls 1st Amanda Taylor (Kerang Secondary College) 17/20
2nd Kathy Langridge (Castlemaine Secondary College) 11/20 3rd
Megan Heffer (Barham High School) 7/20.**

Winning Team - Kaniva Secondary College

**Ashley Hawker 17/20, Daniel Preston 17/20, Lachlan Hendy 16/20,
Nakita Hendy 07/20**

2001 winning school team, Kaniva Secondary College.

CUZZO'S RAMBLINGS NOVEMBER 2001

Back in August, Karen and I went up to Wagga for the NSW State Skeet Carnival. By lunchtime on the Sunday, I had not won any Red Sashes, and in fact had only managed a minor placing in a single event. However, I had been plodding along quietly like "the old bull" and had myself in a pretty handy position. When I went out to shoot the last event, which was the State Doubles, I was only down two targets over the program. Moreover, as I was in the last squad, the dust had pretty much settled by then, and the job ahead of me was "crystal clear". The best HOA score in was three down, and 49s were "the main" in the Doubles, so a 49 would put me in both shoot-offs and a 50 would make a real nuisance of myself.

The conditions were quite good, the targets were flying pretty nicely and I quickly settled down into a smooth rhythm. About half way through the second round, I was fairly "drillin' em" and the bookmakers were starting to calculate their losses. But then disaster struck! The day that I had been secretly dreading for a long time now, finally arrived. That tremendous mental control that God gifted upon me at birth, finally found the edge of the envelope in the most spectacular way. My mind spontaneously "imploded" and I began freezing on the first shot so violently that I was unable to even get the second shot off. After stringing together a run of zeros that looked more like a little league baseball score than a Skeet tally, I eventually had to quit, rack my gun and walk around with the others, for the rest of the round, just to keep them company.

Following this, I slinked off back to the parking lot like a mongrel dog, with my tail between my legs, and lay low until "stumps". The only redeeming feature of this whole fiasco, was the fact that the Shoot Organisers were gracious enough to mark me up on the scoreboard as a scratching, rather than a "thirty something". So this month I figure it would be pointedly topical to revert back to examining the Mental Aspects of shooting, which I broached upon back in the August 2000 issue of the CTSN, and promised to continue to elaborate upon from time to time.

The relevant matter here is not actually one of the six major categories that I usually break the Mental Aspects of shooting down into, being Concentration, Visualisation, Determination, Motivation, Familiarisation and Confidence. It is really more of a peripheral issue, and as such I have addressed it in one of the related appendices, attached to the bottom of the Mental chapter, in the book that I am currently writing on Skeet Shooting, but will probably never finish. The topic is Choking, Flinching, Freezing and Release Triggers.

But let me digress for just a minute. About eighteen months ago, at the New Zealand Nationals, Billy Iles announced his official retirement from top level competitive shooting. Like most people, I was somewhat surprised by this, and took the time to sit down and discuss it with him at my first opportunity. Bill explained that the decision was a rather complex one and related to a combination of a number of different matters, but the deciding issue was a personal one of a physical nature. As we all grow older, various parts of our bodies begin to degenerate and let us down, and in Bill's case it was his eyesight.

He explained to me that this problem had been plaguing him for quite a while, and that he had seen the writing on the wall for some time that it would eventually cause the demise of his dominance of Trapshooting in this country. Thus he had been mentally preparing himself for the point where he could no longer hide the problem, and would have to openly address it. He said that as it had gradually worsened, he had been able to progressively make adjustments and corrections that allowed him to work with it. But all of these methods have a use-by date, and were simply forestalling the inevitable, which was now fast becoming imminent.

During this discussion with Bill, I immediately saw a situation within myself, that paralleled his. I have also had biological problems creeping up upon me over a period of time, which I knew would eventually spell the death knell of my own serious compet-

itive shooting. However, unlike Bill, whose problems are physical, and therefore easily understandable and possibly correctable, or at least treatable, my problems are in my mind. Finally, the tremendous mental strength and control that I have always enjoyed in shooting, and that has enabled me to achieve some quite spectacular and "world beating" performances on occasions, is slipping away from me.

To put the situation into a graphic perspective, I see my mind somewhat like a worn-out racing engine, that has been over-revved too many times in order to squeeze itself first past the post. Like the aging engine, which is probably still quite OK to idle around doing the shopping and go on short low-speed trips, my mind is quite stable for shooting practice and indulging in casual social competitions. However, in the same way that the old engine is likely to run a bearing, or drop a valve, if you get it hot and ask it to develop 600hp, my mind can no longer withstand the immense pressure of high-level competition. As it did at the State Shoot recently, it is just as likely to mentally "poke a con-rod out the side of the block" if you try to "run it at 8000rpm" for extended periods of time.

Anyway, let's get to the crux of the issues I want to examine this month. Choking is the most prevalent of the three mental ailments. It affects 98% of all shooters and is the basis for the famous one-liner: "the world is full of good practice shooters". Choking is the result of the adrenalin generated by the stress of competition, acting in a negative way, and causing the mind to panic and go into self-destruct mode, just as you call "pull" at the crucial time. Thus, the perfectly timed, beautifully smooth move that you have been honing up during Wednesday afternoons practice sessions, becomes a completely mistimed wild jerking action on Saturday.

Although a good shooting coach, with intimate knowledge and experience with this phenomenon, can probably be quite a lot of help with the problem, and offer a few tips and pointers to help you through it, most people simply have to try and shoot their way through it. The bottom line is: some do, some don't. Thus, unfortunately, a lot of people never reach their full potential because they don't ever learn how to channel adrenalin into becoming a positive factor in their repertoire. And make no mistake, no great achievements were ever accomplished in a complete state of calm, because calmness will only ever allow you to operate at the extremities of your ability. Nearly all truly outstanding performances are the result of people correctly using adrenalin, which is the only "legal" performance-enhancing drug, to elevate their achievements way beyond their normal physical capabilities.

Fortunately, I am in the 2% minority of people who have never suffered from choking, and I have always been able to positively channel my adrenalin flow. I have always been able to shoot more targets on Saturday, than I could on Wednesday, and it is the main reason why at times I have been able to achieve performances that defy logic, and that even I sometimes look back upon in awe. The year that I shot 650x650 over the course of the week, at the World Skeet Shoot, to win both the HOA and HAA, my two-man team partner told me afterwards that I had shot the last two rounds with the 410 in the wind, on the last day, almost as if I was in a trance. He said that my eyes looked almost glazed, and I seemed to have no perception of anything else going on around me, and that he had never seen me shoot smoother, better, or more technically correctly. He said it never occurred to him that I might miss, and that I had hit every one of the last 50 targets right in the middle of that tiny pattern. Thank you God!

The other two mental shooting diseases are Flinching and Freezing, and although they are similar and related, they are not the same, and are in fact uniquely different. Thus, one of the major hurdles with either or both of these problems is people's inability to differentiate between them and/or likeness to confuse them. The problem is that they are similar in their symptoms and are usually generated by almost identical stimuli, but manifest themselves in different outcomes. Flinching occurs when your mind has control over everything else going on around it, other than the

muscles in your trigger finger, and you simply cannot pull the trigger when you want to. Freezing is when your mind temporarily loses the plot completely, and simply can't, doesn't or won't go ahead and perform the act of shooting at the required time.

Unlike choking, where most people usually start out with a full blown dose, which they have to slowly and progressively get on top of over a period of time, each of the other two problems slowly and progressively sneak up on you over a period of time. People often tell me that they flinch or freeze a little bit sometimes, and that they are concerned that it seems to be escalating. Unfortunately, both ailments are very complicated and are usually generated as a result of, and worsened by, differing combinations of various causes. These include, but are not restricted to, competition induced stress, fear of missing and/or other issues, age, total length of time shooting, extent of recent shooting workload, firearm recoil, muzzle blast noise, fatigue and extraneous worries. Thus, both problems can be lessened or improved by analysing and counteracting or diminishing any or all of the above related causes, but an actual permanent solution is another matter entirely.

Now for the good news and the bad news. Both problems are similar in cause and effect. However, due to the differences in their manifestation, one is generally curable and the other generally isn't. Most cases of flinching can be cured fairly quickly and easily by conversion to a release trigger. This is because with flinching, at least a partial effort is generated by the mind to pull the trigger, and with a correctly adjusted release trigger, this is usually more than enough to discharge the firearm at the required time. Thus the "reverse trigger" arrangement not only solves the problem in the first degree by usually defeating it when it tries to arise, but also undermines it in the second degree, by lessening the stress and fear associated with it's impending occurrence, which compounds the effect and generally lessens the number of attempted occurrences. Since changing to a release trigger, the frequency of my attempted flinches has dropped almost to nil.

Unfortunately, release triggers generally have no beneficial effect on freezing and in fact can have a reverse and worsening effect. This is because a person freezing with a pull trigger generally does not ever actually fire a shot. Whereas with a release trigger, after the initial freezing up, the victim then generally relaxes to some degree, thereby discharging the firearm at some later delayed time. The surprise, embarrassment and heightening of the problem by this undesirable by-product, generally increases the mental anxiety and stress of the overall problem, compounding its effect and the frequency of its occurrence. A sort of "catch 22" situation.

Thus, people should be very careful when deciding on or advising other people upon cures for these types of mental ailments. Fortunately, the prevalence of flinching far outweighs the number of people who develop a freezing problem, and thus the blanket effect of trying to solve all of them with release triggers, at least cures the vast majority of cases. However, this is not much help to the freeze victims, who are generally devastated by the outcome of this incorrect diagnosis and treatment. So what can really be done about freezing? Not a real lot that I'm aware of at this stage I'm afraid, other than scaling down both the extent and expectations of the victim's shooting.

My current personal situation? I've been through all the dramas of flinching, and the joy of obtaining a successful solution to it. And now I've been through the heartache of seeing freezing creeping up upon me, and the trauma of the day when it finally overpowered me. However, I am extremely fortunate that this problem has happened to me at the end of my career, rather than at some earlier point in it, and thus I can empathise with those people whose attainment of these types of mental problems is not anywhere near as timely as mine. The only real effect it has had on me personally, is to hasten my eventual retirement, which probably wouldn't have been all that far off anyway. And at least I can now sit back and console myself with the fact that it is better to be a "has been" than a "never was".

Seriously though, all I have to do now is taper off the total amount of shooting that I do, combined with a lessening of my ambitions and expectations at major shoots, and not participate in any team

shoots, other than ones where all the other members accept the possibility of me breaking down and putting us out of contention. Anyway, my wife is still "dead keen" on her shooting, and I'm sure will thereby keep me involved in the sport for the foreseeable future. Thus, over the next twelve months or so, I will probably decide whether or not to just ease off and concentrate on the social and vocational aspects of shooting trips, combined with the shared pleasure of my wife's achievements, or whether I go ahead and become more heavily involved in the administration and politics of the sport.

This month's Shooting Trivia Question: Who was the first person to shoot a 200 Skeet break in Australia? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 20-11-2001. The first correct answer drawn shall receive a free entry to next year's National Skeet Doubles Championship. I do not know the correct answer to September's STQ and possibly never will, particularly as it inevitably will continue to change from time to time.

However, I am hopeful that the very raising of it will continue to shed light on it and maybe during next month we can work out who it really is right now. Write to me if you have any suggestions, because as a "trivia buff", I am always academically interested in these things. Anyway, that doesn't matter at the moment, because the prize was offered for the most correct answer submitted prior to the closing date, and that goes to Bill Attwood from West Coburg in Victoria, who suggests that the oldest living ACTA National Champion may currently be Bob Mules from South Australia who won the Double Rise in 1972. Bob's wife assured me that "the old feller" will turn 80 this New Years Eve. Good on ya Bob! And for his offering, "young Billy" has won a free entry to next year's National Champion of Champions.

*Have a great time at the Skeet Nationals.....

World Cup Brazil 2001

24th Aug - 2nd Sept

The Team

Coach / Manager : Greg Chan

Trap : Adam Vella, Jeff Tonna, Brett Dunstan.

Double Trap : Adam Vella, Steve Haberman, Craig Tilley.

Skeet : Clive Barton.

The trap and double trap teams left Melbourne via Auckland for Los Angeles (minus Craig who flew direct from Sydney to L.A.) on the 22nd August. Seventeen hours later we met up with Craig at LAX to continue together via Miami. After a two hour delay in Miami, we finally embarked on the final leg to Brazil. Seven hours (and 36 since leaving Aus) later we were descending over Sao Paulo, the capital of Brazil.

The sight that greeted us was truly amazing. Sao Paulo is the world's third largest city, with a population of over 20 million ! From the plane as far as the eye could see, all the way to the horizon, was a mass of high rise buildings. There were more buildings than you could imagine - it reminded me of those termite mounds on a floodplain back in the N.T

Aussie team at opening ceremony .

After clearing customs the organising committee soon had us aboard two mini buses for the two hour trip to the small town of Campinas, population two million. With such a huge population

you can imagine the traffic congestion, and ten minutes into the trip, half of the Aussie team was nearly wiped out in a pile up with graduates of the local kamikaze school.

Once settled into our hotel, an early night was in order to try to shake off the effects of jetlag and to simply catch up on much needed sleep.

The next day was unofficial practice and an opportunity to visit the range to suss out what and how everything was going to work. Imagine our horror when we found out that Italian ammunition was \$A21 per packet and even the local ammo was \$A13. Double Trap practice was \$A70 per round with imported ammo, and \$A54 with local ammo - every cartridge apparently loaded with gold shot ! Not too many chips were going to be shot on this trip. The local club held a trap grand prix, in which Brett won second place and \$US270 for his efforts while the double trap shooters opted to have a couple of practice rounds to loose up.

The shooting range is located in a gully with an excellent club house and facilities and three trap and skeet layouts superimposed, utilising Italian Serena machinery. The background is grass out to ninety meters before a tree line on two ranges, but with the trees only fifty meters from the bunker on the third range. This range looked like it could prove a little more difficult as the targets were flashing across the trees, but it was the same for everyone and those who worked it out scored well on this ground.

Saturday 24th - D/T practice. All the ranges were experiencing electronic problems causing delays and unfortunately were to plague us for the whole tournament. That night we attended the opening ceremony and dinner which luckily ended at eight pm and gave us the chance to have another early night.

Sunday 25th Double Trap Competition

1 Di Spibno	ITA	43, 45, 49 = 137 + 49 = 186
2 Redding	USA	42, 48, 46 = 136 + 45 = 181
3 Vella	AUS	42, 46, 43 = 131 + 48 = 179
4 Innocenti	ITA	44, 46, 42 = 132 + 46 = 178
5 Franzoni	ITA	44, 44, 41 = 129 + 46 = 175
6 Bade	USA	45, 44, 42 = 131 + 42 = 173
10 Tilley	AUS	43, 43, 39 = 125
12 Haberman	AUS	43, 41, 43 = 124
MQS Dunstan	AUS	43, 37, 42 = 122

Teams : 1 - Italy	398
2 - USA	395
3 - Aus	380

Adam had shot a brilliant 48 in the final to grab the bronze, whilst the team also won bronze.

Monday 27th Trap practice.

Tuesday 28th Trap Competition Day 1 - conditions were a little more difficult with overcast skies and the light fading in and out.

Adam 24, 22, 24 = 70

Jeff 23, 23, 23 = 69

Brett 23, 19, 22 = 64

This afternoon Clive had arrived looking very weary after making the long trip on his own.

Left: Double Trap team wins bronze

Trap team wins bronze.

Adam Vella, Trap bronze.

Wednesday 29th Trap Day 2

Adam	20, 22 = 42
Jeff	22, 24 = 46
Brett	23, 23 = 46

Jeff's 46 on day two left him tied with two others on 115 and a shootoff for the sixth spot in the final. To his credit Jeff ran the very experienced Italian Scalzone to six targets to just miss the final at only his second world cup, a great effort indeed.

1 Grazioli	USA	120 + 24 = 144
2 Al Makthoum	UAE	117 + 23 = 117
3 Frasca	ITA	116 + 22 = 138 + 2
4 Bade	USA	116 + 22 = 138 + 1
5 Scalzone	ITA	115 + 22 = 137 + 1
6 Marcondes	BRA	116 + 21 = 137 + 0

7 Tonna	AUS	115
10 Vella	AUS	112
13 Dunstan	AUS	110

November 2001

Teams

1 USA	344
2 ITA	344
3 AUS	337

Team bronze to the trap team.

Thursday 30th Skeet Practice - Trap and Double trap teams depart.

Friday 31st - Skeet day 1

Clive 22, 24, 24 = 70

Saturday 1st

Clive 23, 23 = 46

1 Buffa	USA	121 + 25 = 146
2 Falco	ITA	119 + 25 = 144 + 16
3 Dompeling	NED	120 + 24 = 144 + 15
4 Weeks	USA	120 + 21 = 141
5 Filipetti	ITA	117 + 22 = 139 + 4
6 Dulohery	USA	117 + 21 = 139 + 3

11 Barton AUS 116

Clive had missed the shootoff for the final by one target.

Teams

1 USA	359
2 ITA	353
3 CHI	349

We attended the closing ceremony and dinner that night which was a very informal affair and a pleasant way to end what had been a well organised tournament.

Sunday 2nd. Departure day. We were looking forward to getting home but certainly not the long flight involved. We stopped in Los Angeles, via Miami, for twelve hours, after which Clive left for Sydney and Greg on a different flight for Melbourne. Forty nine hours after leaving Brazil we finally made it home, totally exhausted but just glad to be back.

GOLD COAST ANNUAL TRAP

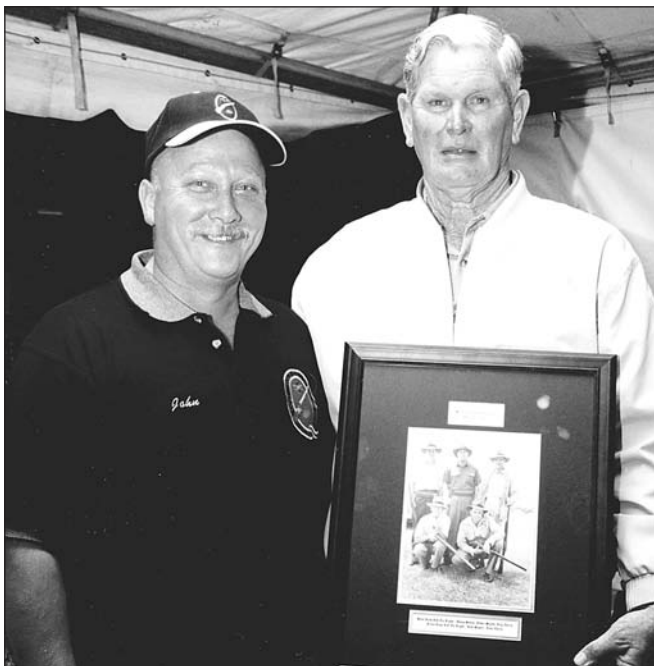

The cover photograph on the October issue of the Shooters News was taken at the Sunday lunch banquet - the Saturday evening banquet ice sculpture was of a shooter - from waist height, gun mounted and aiming at two "ice" clay targets suspended from the ceiling of the marquee! Yes this was all at an Annual Trap Shoot - if you missed it - you missed a great weekend.

The Gold Coast Club Committee has worked extremely hard over the past 18 months with their aim being to conduct the best 2 day trap shoot they possibly could.

With the support of members like Vince Vaina of Tender Plus who took complete control of the catering and a strong, focused, and professional management team - the club really can take a bow - because this years event was GREAT.

Overall high gun winner, Wes Humphreys (Sunshine Coast) with Mark Joass and John Mack.

John Mack recognising Doug Smith as one of only three shooters attending, who had participated on all four of the gold Coast Club sites.

High gun winners, back from left, Lyell Pettman C grade, Colin Dunn AA grade, John Mack (Pres), Wes Humphreys, overall. Front from left Cherie Reeves, ladies, Matthew Busiko, B grade and junior.

John Mack recognising Bill Turner as one of only three shooters attending, who had participated on all four of the Gold Coast Club sites.

Chefs and associated staff on hand for breakfast, lunch and dinner for both days - a sparkling freshly painted club house with new floor tiles - clean and tidy grounds - traps in good order - well organised grounds and shoot staff - it all made for a well run shoot.

138 shooters attended - representing every state in Australia - not many clubs can claim that for their Annual. The Roma "travelling band" arrived on mass - in a coach - with full camping facilities.

Day 1 was the 100 target Double Barrel - Peter McLachlan Memorial - and surprisingly the shoot off did not take very long. The Overall winner, Craig Bentley (SA) 111/111, Wes Humphreys

Mark Joass and John Mack presenting Colin dunn (Vic) winner of the 25T DB J.M. Bauman Perpetual Gold Cup Trophy.

(Sunshine Coast) 110/111. 2nd in AA Grade was Kevin Jarick (Roma) 104/105. In A Grade, Bill Turner (Goondiwindi) was the winner with 99/100 from Andrew Faulkner (Roma) 97/100. John Guinea (Roma) claimed B Grade with 95/100 from Darren Penisi (Brisbane) 104/110. The C Grade section went to Lyell Pettman 90/100, from Tony Goodall 88/100.

As darkness closed in, the waitresses arrived with savories and finger food - the pathway to the marquee was lit by flares and an evening of good food, great company and first class entertainment by Neil Duddy "Mr. Buckshot" was underway.

Mark Joass (vice president) and John Mack (president), presenting Craig Bentley (SA) winner of the 100T DB Peter McLachlan Memorial Trophy.

Sunday morning presented as yet another fine sunny day - with light wind. The first event for the day was the 50 target medley - 25T DB and 25T PS. The overall winner

with 159/150 - Kevin Karick (Roma), 2nd in AA Grade, Colin Dunn (Vic) 158/159. A fine 99/100 from Vince Vaina earned him 1st in A Grade from Andrew Faulkner 98/100. B Grade went to Lyell Pettman 99/100 from Darren Penisi 137/140. The C Grade section went to Kerrie-Leigh Busiko 88/100 from another Roma member, Harry Donaldson 86/100.

The prestigious Lee Hogarth Silver Cup - 25T Single Barrel was the next event - the overall winner - Gary Joass. Colin Dunn collected another trophy for 1st in AA with 25/25 from Greg Stevens 56/57. First in A Grade was taken out by Bill McKechnie 28/29 from Eric Little (Richmond River) 27/29. Dalby Club President, Paul Spargo was the B Grade winner with 24/25 from Meredith Page 23/26. C Grade went to Tony Goodall 22/25 from Alister Broomhead 21/25.

The 25T Double Barrel Championship for the J.M.Baumann Perpetual Gold Cup was the next event and was claimed by Colin Dunn - with 190/190 from Kevin Jarick 189/190, 2nd in AA Grade went to Craig Bentley 87/88. Andrew Faulker was the A Grade winner with 73/73 from Vince Vaina 72/73. Matthew Busiko returned 50/50 to win B grade from fellow Club member Kevin Walker on 31/32. Alister Broomhead was successful in C Grade with 23/25 from Kerrie-Leigh Busiko 24/27.

The Committee was forced to make a tough decision - that being to cut the last event from the program. However, it was agreed that any nominations not collected would be donated to the Royal Flying Doctor Service - Fund Raiser.

The High Gun Awards next up to be finalised - and only overall required a shoot off - following a tight tussle - Wes Humphreys from Sunshine Coast claimed the high award - 336/338 - allowing Colin Dunn to receive the AA Grade High Gun - 335/338. The "elder statesman" from Richmond River - Eric Little was the A Grade and Veteran High Gun winner with 242. Roma's, Matthew Busiko was successful in B Grade and the Junior section with 237 - despite battling asthma for most of Sunday.

Lyell Pettman took out C Grade with 231 and the Ladies Winner was Cherie Reeves (Normanton) 232.

Club President, John Mack and his committee can be well pleased with their efforts - all the hard work paid off. All sponsors associated with this event must also be thanked - a fantastic array of trophies, a great reward for all winners.

What more can be said and written about this shoot - words cannot adequately describe just how great the entire weekend was - if you missed this year do not miss next year - 17th & 18th August 2002 - be there.

Mansfield Clay Target Club Up and Shooting Again

New track layout at Mansfield Clay Target Club.

In April 2000 the members of the Mansfield Clay Target Club in North East Victoria, were forced to cease shooting at their grounds due to problems with adjoining landholders. For awhile it looked like the club might be forced to cease being a club all together, because of the unavailability of suitable land in the district to start up another shooting ground. The members persevered with their search for new grounds and in March of 2001 were rewarded with the offer of suitable land from the Howie Family of Mansfield.

Before the club could start making plans for their new grounds

they of course had to apply to the local shire for all appropriate permits, but with the help of local Mayor Don Cummins all paperwork was passed with the minimum of fuss. This left the way open for members to start on the planning and construction of their new grounds.

Unfortunately the road to the new grounds wasn't much more than a 4-wheel drive track, so the first thing on the agenda for the members was the construction of an improved road to the new grounds. Luckily the local shire came to the party with the use of equipment, and with the club putting in money for gravel and culverts the club is now blessed with a solid road to their gates. The only thing that could really be retrieved from the old grounds was the tower, and after erecting that the next thing was the construction of new concrete tracks.

After all the hard work done by members and friends to get the club up and running the club was finally able to hold its grand opening shoot on the new grounds at Pikes Road, Mansfield on the 19th of August 2001. The local Mayor fired the first shot at the new grounds and with over 40 shooters, friends and family in attendance including Ron Traill the president of the North East Zone, the day was a great success.

The conditions for the shoot were damp, windy and cold but 13 shooters were still able to shoot the possible in the 10 tgt eye opener. Conditions didn't improve for the next event, the 25 tgt Winter Double Barrel Championship and only Craig Asquith of

Euroa was able to shoot the possible taking out the overall. Domingo Diaz and Trevor Newman shot off for the minor placings with Domingo triumphant with a score of 59/60 over Trevor's 58/60. 1st in B grade was John Wood of the Woods Point Club with 30/31 ahead of Russell Neely of Mansfield with 29/31 and 1st in C grade was Roger Pitt with 23/25 just beating Roger Barns on 21/25 in 2nd place. The next event was the 20 tgt Handicap with again only one shooter being able to master the difficult conditions and shoot the possible, this time it was Geoff McClure of Alexandra shooting off 20m who came out on top ahead of Roger Barns on

Club president, Bill Forrest and club secretary Tom Apps and NE zone president Ron Traill.

26/28 and Don Barns on 25/28. This shoot was also the Mansfield Clay Target Club v the Woods Point Gun Club Shield shoot. Mansfield continues to hold on to the prized shield shooting a score of 89/100 to Woods Point 77/100.

The club still has a lot of hard work in front of it to get the grounds up to the standard that they want, the next project being the new clubrooms which hopefully will be started within the next 2 months.

Mansfield Clay Target Club is a small but enthusiastic club which prides itself on holding shoots with a fun, family atmosphere. All shooters are more than welcome to join us at our new grounds on the third Sunday of each month.

Danny Hudswell
Vice President

CESSNOCK CLAY TARGET CLUB

CESSNOCK Clay Target Club held its July open shoot on Sunday 29.7.01.

Sunday morning saw the wind drop off quiet a lot but it still remained cold and dull.

EVENT 1

A 25 target double barrel was the event that started the day off at 9.00am. Gary Cully and Don Hungerford were the only two shooters to return to the club house with possible's, the breeze showing it's effect on the targets.

Russel and Ann Hawkins from Hunters Retreat Pokolbin with the 50 TGT Rosemount Estate Vintage championship trophies.

Results for 25 target D.B.

AA	1st	Garry Cully	25/25
	2nd	Keith Cummings	24/25
A	1st	Allan Cullis	24/25
	2nd	Tom Turner	24/25
B	1st	Don Hungerford	25/25
	2nd	Phil Pemperton	24/25
C	1st	Dennis Pearce	22/25
	2nd	Robert Main	22/25

EVENT 2 was a 3 0 target handicap with a T.V, Stereo System and a Kitchen Blender being offered as trophy's, for the first three places. Mark Ferguson shot the only possible with six shooters dropping only one target to shoot off for the remaining places.

Results for 30target handicap.

1st	Mark Ferguson	30/30
2nd	Harry Phillips	29/30
3rd	Darren Culley	29/30

EVENT 3 and the major event for the day, the 50 target (25 D.B - 25 P.S) Rosemount Vintage Championship had a substantial selection of Rosemount Estate Award winning table wines as trophy's that were supplied by Hunters Retreat, POKOLBIN.

Jim Worthington returned to the clubhouse with a score of 95 to take out the event.

O/A		Jim Worthington	95/100
AA	1st	Allan Raisebeck	94/100
	2nd	Paul Turner	93/100
	3rd	Keith Cummings	92/100

A	1st	Alan Cullis	94/100
	2nd	Neil Gay	93/100
	3rd	Gordon Marriott	93/100
B	1st	Wayne Merrick	94/100
	2nd	Phil Allen	94/100
	3rd	Mark Ferguson	93/100
C	1st	Rodney Roughen	81/100
	2nd	David White	77/100
	3rd	Dennis Pearce	76/100

The high guns for the day were supplied by Fighting Fit, Guns and Ammunition Supplies and Trek About Mountain and Vineyard 4wd Tours were awarded to

O/A	Mark Ferguson	145/155
AA	Paul Turner	144/155
A	Allan Cullis	144/155
B	Wayne Merrick	144/155
C	Rodney Roughen	128/155
Ladies	Helen Gay	144/155
Junior	Adrian Jackson	128/155
Veterans	Gordon Marriott	143/155

The end of event 3 saw another July open shoot over, with the wind keeping scores down most people still had an enjoyable day. Cessnock Clay Target Club would like to thank those that attended and our sponsors.

FIGHTING FIT CUNS AND AMMUNITION SUPPLIES
ROSEMONUT ESTATE WINES
HUNTERS RETREAT POKOLBIN
TREK ABOUT MOUNTAIN AND VINYARD 4WD TOURS
SIGLETON RETRAVISION.

For their support, as without them we would not be able to hold such a good shoot. Hoping to see everybody again on the 24th - 25th of November for our second open shoot for the year.

Thank you

Russel and Ann Hawkins with Jim Worthington, overall winner of the 50TGT Rosemount Estate Vintage Championship.

COBAR CLAY TARGET CLUB

26TH ANNUAL GOLDEN CLAY SHOOT

It was obvious from early Friday afternoon that there was going to be plenty of competition for this shoot. The practice traps were getting plenty of use and there was quite a few shooters just having a look at the grounds. There was even Western Australian and Victorian shooters flying in for the weekend.

Shooting commenced on time Friday evening with the first event being 25 target Far Western District Night Double Barrel. A total of 93 shooters nominated and junior shooter Daniel Seve shot exceptionally well to win with a score of 111/111 from Tom Turner Jnr with 110/111. Ben Machul shot the only possible in the 2nd event the 25 target Far Western District night Point Score to win overall.

With breakfast available at the club shooters were ready to start shooting on time. The day was perfect for the 128 competitors although a little breeze made the targets just that little bit more difficult. Event 3, a graded cash divide resulted in 39 possibles. Tony Moroni was the outright winner of event 4 a 45 target Medley with the only 75/75. The 30 target Far Western District Double Barrel saw 43 shooters shot the possible. The shoot off continued until dark with six shooters having to continue on Sunday morning. After the calcutta and happy hour Saturday night the remaining shooters didn't last long Sunday morning, with Steve Atkins being the eventually winner with a score of 234/234.

Once the Double Barrel shoot off was completed Sundays' events commenced again with 128 competitors. With the weather deteriorating the eight possibles in the 25 target Far Western district Point Score were a fine effort. Glen Castellaro was the eventual winner with a score of 120/120.

Event 7 was the 30 target Mafeesh Handicap eventual winner of this was Adam Moroni with a score of 39/39. After a short rain interruption event 8 the 25 target Far Western District Single Barrel was shot. Arthur Turner was the winner with a score of 40/41. The last event of the program was 15 pair of Double Rise. Tom Turner's and Mark McInnes score of 28 was good enough for a shoot off with Tom winning with a score of 38/40.

Winners of the NSW Junior Masters were Double Barrel Clayton Anderson 59/60, Point Score Adam Moroni 72/75, Single Barrel Clayton Anderson 29/30 and the NSW Junior Masters Champion

of Champions was won by Adam Moroni 125/130. The four NSW Junior Masters Cups had been updated prior to this year's competition thanks to the generous support of past winners Russell Mark, Deserie Wakefield-Baynes and Arthur Turner.

With Highguns decided presentation commenced at 4.30pm. The Ladies Highgun was won by Dianne Doyle, Veterans by Kevin Heywood, C Grade Rohan Parker, B Grade David Lawson, A Grade Barry Robinson and Overall Highgun and Golden Clay winners was Tom Turner with a score of 281/290.

A great weekend was had by all and many shooters commented on the smooth running of the program, the great country hospitality and the excellent trophies. The members of Cobar Clay target Club would like to thank our sponsors Bushwakka Swags, Cobar Bowling and Gold Club, Hamester's IGA Supermarket, NSW Firearms Safety Awareness Council and the NSW Shooting Association, Empire Hotel, Orana Credit Union, Burgess Tuckerbag IGA Supermarket, Cobar Paper Chase, Peak Gold Mines, the Hawkins Family, Cross Roads Motel, Hi-Way Motel and the Town and Country Motel and hope to see all shooters return next year.

Results in full:

1st overall and B Grade: Daniel Seve 111/111, 1st AA Tom Turner 110/111, 1st A Button Powell 46/47, 1st C Ben Heywood 23/25, 2nd AA Rob Thompson 107/108, 2nd A Tony Forrest 32/33, 2nd B Sean Praschinger 47/48, 2nd C Rodney Roughan 22/25.

Event 2: 25 Target Far Western District Night Point Score Championship:

1st Overall and AA Grade: Ben Machul 75/75, 1st A Button Powell 110/111, 1st B Daniel Seve 72/75, 1st C Trevor Jones 65/75, 2nd AA Grade Tony Moroni 95/96, 2nd A Reg Phefley 107/111, 2nd B Noel Brain 70/75, 2nd C Mick Painting 63/75

Event 3: Cash Divide: AA 23 possibles, A 10 possibles, B 6 possibles, C Grade 4 23's

Event 4: 45 Target Far Western Dist Medley;

1st overall and AA Grade Tony Moroni 75/75, 1st A Grade Button Powell 96/100, 1st B David Lawson 73/75, 1st C Rohan Parker 67/75, 2nd AA Rob Thompson 122/125, 2nd A Barry Robinson 93/100, 2nd B Bill Hartney 71/75, 2nd C Trevor Jones 107/125.

Event 5: 30 Target Far Western district Double Barrel Championship:

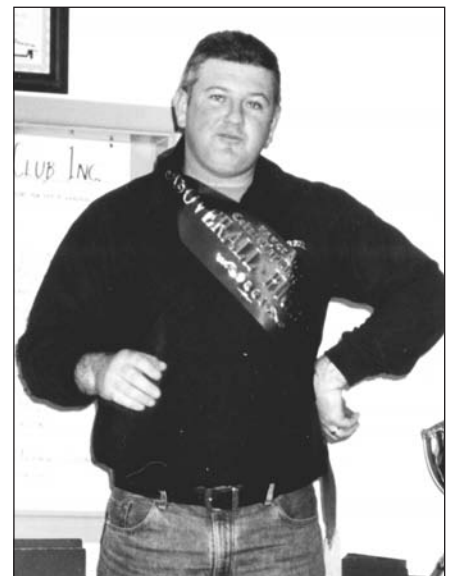

1st Overall and AA Grade Steve Atkins 234/234, 1st A Kevin Dwyer

**Adam Moroni, winner of Junior Masters
Champion of Champions**

**Kevin Heywood, Veterans high gun winner
from Narromine.**

**Tom Turner, Overall high gun and Golden Clay
winner from Hermidale.**

102/102, 1st B Nicholas Moroni 38/39, 1st C Rohan Parker 29/30, 2nd AA Col Betts 233/234, 2nd A Button Powell 101/102, 2nd B Peter VanBeuzekom 33/34, 2nd C Ryan Atkins 28/30

Event 6: 25 Target Far Western District Point Score Championship;
1st Overall and AA Grade: Glen Castellaro 120/120, 1st A Pat Barnes 89/90, 1st B Henry Constable 83/84, 1st C Trevor Jones 70/75, 2nd AA Roger Duthie 117/120, 2nd A Frank Seve 74/75, 2nd B Tony Coddington 80/84, 2nd C Stephen O'Brien 69/75.

Event 7: 30 Target Mafeesh Handicap:

1st Adam Moroni 39/39, 2nd Glen Harvey 38/39, 3rd Martin Sandy 47/48, 4th John Wild 46/48, 5th Glen Castellaro 33/34

Event 8: 25 Target Far Western District Single Barrel Championship:

1st Overall and AA Grade Arthur Turner 40/41, 1st A Reg Phefley 29/31, 1st B Tony Coddington 29/30, 1st C Rodney Roughan 23/25, 2nd AA Daniel Power 39/41, 2nd A Alan Cullie 28/31, 2nd B David Lawson, 2nd C Marg Coddington 22/27

Event 9: 15 pair Far western District Double Rise Championship:

1st Overall and AA Grade Tom Turner 38/40, 1st A Frank Seve 40/50, 1st B David Lawson 24/30, 1st C Kirk Neill 20/30, 2nd AA Mark McInnes 34/40, 2nd A Dick Ahmling 37/50, 2nd B Murray Foster 23/30 and 2nd C Ben Heywood 30/50

Western Australian State ISSF Trap & Skeet Championships

Over the weekend of the 25th & 25th August 2001, West Australian Gun Club (Inc) hosted the State ISSF Trap and Skeet Championships. There was a great attendance in the Trap with 28 people from across the State and Interstate. It was pleasing to see Harry Kassianou from the Eastern States come and vie for the State Title against the locals. Harry was heard to say that he thoroughly enjoyed himself over the weekend and that the complex was great. Thanks for the compliment Harry.

In the Trap over the weekend, the contest was between our International connection - Neil McWhirter, the local entity - Lindsay Hemley and our Eastern seaboarder - Harry Kassianou. All three pushed one another all the way with the result being Neil 141/150 winning from Lindsay 137/150 and Harry in 3rd place with 133/150. Then came the minor places with Phil Melvin and Gordon Beard both vying for "A" grade and Phil (131/151) being the winner from Gordon (130/151) after the "single barrel - sudden death" shoot off. They weren't alone in having to shoot off with the "B" grade also going down to the single barrel and Pieter Muntz (111/126) being successful over Jim West (110/126). "C" grade winner was between our other International connection - Carsten Bager (109/125) from the local identity Norm Atkins (98/125).

The ISSF Skeet was unfortunately poorly attended but this certainly didn't detract from the level of competition with a new boy taking over the "King" role from Clem Bertini and Marco Ponta. Craig Ellis performed superbly with a 132/150 to take the State ISSF Skeet Championship from Clem Bertini (129/150) and Marco Ponta (124/150). "B" grade was between Steve Lee (114/150) and John Rossi (112/150). "C" grade was won by Maurie Goldman 98/125. Congratulations guys and all the best with the OD Nationals in September at Cecil Park.

Thanks goes to all the guys who attended the ISSF State Titles weekend, knowing that there would be no funding for the State Teams to go to the OD Nationals due to ACTA (Inc) canceling the 2001 ISSF State "Shoulder to Shoulder" Teams. This event cancelled due to the closeness of the newly identified Nationals time slot - now January of each year.

Overall, the weekend produced excellent results all round and thanks goes to each member who helped with catering, administration and the running of the Carnival throughout the weekend to once again make it successful Carnival. We do hope that next year maybe more people will venture from the east to come to our State ISSF Carnival, give our members even more competition and enjoy it as much as Harry did.

Cowra Gun Club Gold Cup 2001

Numbers were down a little on last year's attendance figures for the Cowra Gun Club's Annual Gold Cup event held every year in August.

However, the standard of shooting was very high, and the eventual winner of the overall High Gun for two days of competition was Rodney Wright of Junee, who used only one 2nd barrel in competition.

Mick Sinclair Memorial Handicap winner, Peter Vella of Sydney receiving his trophy from Cowra Gun Club president (and Mick Sinclair's son), Glenn Sinclair.

He won both of the common-mark shoot-offs (for the Gold Cup and the Central Tablelands Double Barrel Open), and his only completely missed target was in the shoot-off for the Handicap event.

This was a wonderful performance among many good scores recorded, the Club receiving many compliments for the quality of the targets thrown.

It was particularly pleasing to see that some of our hard working Committee members performed well. Charlie Galea won C Grade in the Gold Cup event, while David Hammond was in with a chance in the shoot-off for the Gold Cup and Matthew Blazley was fourth in the Junior Section. Allan McLeod won C Grade in the Central Table-

Overall high gun and Gold Cup winner Rodney Wright of Junee receiving congratulations from Gold Cup sponsor Dick Johnstone.

The Len Bird Shield was won by a team consisting of Nick Zenos, David Perri and Theo Lionatis, all of Sydney with a perfect 75/75 score.

lands DB on the Saturday. For the first time, the traps were open for a practice session on the Friday before competition commenced. This proved so popular that it will be a regular feature on our Gold Cup programme in the future.

On the first day of competition, Saturday 4 August, 80 shooters were present to contest the days events in cool, windy and overcast conditions.

In the Central Tablelands Double Barrel Open, 10 shooters shot the possible 50/50, and after a shoot-off, the Overall Winner was Rodney Wright of Junee 127/127, with Tas Psarakis of Sydney hot on his heels.

Gold Cup honor Roll; from left: B grade winner George Dominello from Sydney; Ladies Elizabeth Barton (Bowning); C grade winner Charlie Galea (Cowra); Overall winner Rodney Wright from Junee; AA grade winner Charlie Sherry from Sydney; Junior section Glen Barton with major sponsor representative (and Cowra Committee member) Dick Johnstone.

Twenty five shooters scored 25/25 in the Mick Sinclair Memorial Handicap, and after a lengthy shoot-off that had to be concluded under lights, the winner was Peter Vella of Sydney 130/130, with Glenn Barton of Bowning 2nd 129/130. The Len Bird Shield Team competition was shot in conjunction with the Handicap, and the winners with a perfect 75/75 were David Perri, Nick Xenos and Theo Lionatos from Sydney.

Veteran high gun, Mick Bajada of Sydney.

Overall and Graded High Guns from back left, Junior high gun Glen Barton; Ladies high gun Wendy Barton; B grade high gun Elizabeth Barton. Front row from left, C grade Filippo Pignataro; AA grade Garry Rootes; Overall high gun Rodney Wright and A grade David Perri.

Two teams were equal second scoring 74/75; Wayne Hawkins, Pud Burgess and Peter Fitzalan and family affair Tony, Elizabeth and Glen Barton.

A number of visiting shooters gathered at the Cowra Services Club for dinner at the conclusion of the day's events.

Sunday was much cooler than the day before, however 75 competitors faced the challenge of the 100 target Gold Cup Event, to be shot in four visits to the traps.

The Eye-Opener to the Cup was a 25 target Double Barrel Cash Divide shot from 15 metres. There were 44 possible 25/25 scores, which promised to make the Gold Cup interesting.

15 shooters met the challenge shooting 100/100, and a lengthy shoot-off was required to find the eventual winner, Rodney Wright from Junee.

Rodney shot 291/291 to win the Gold Cup for 2001, with Charlie Sherry from Sydney taking out 1st in AA with 290/291.

The Junior section of the Gold Cup was won by Glen Barton of Bowning, 131/131, defeating his sister Elizabeth 130/131; the first of many such battles we are sure to see in the future.

High Gun Awards.

Overall High Gun for the two days of shooting was Rodney Wright of Junee, 274/275.

AA High Gun was Garry Rootes 293/295 after a shoot-off with Pud

Burgess from Cobarr.

A grade High Gun was David Perri of Sydney 273/275.

B grade High Gun was Elizabeth Barton from Bowning 270/275

C Grade High Gun was Filippo Pignataro, Sydney 258/275.

Ladies High Gun went to Wendy Barton 265/275, Junior to Glenn Barton 269/275, and Veteran to Mick Bajada of Sydney 263/275.

The Cowra Gun Club is most appreciative of the support given in so many ways by members and their families. We have a first class executive committee, and we are proud of the reputation we have amongst the shooting fraternity in general.

This year the Club was fortunate to have support from a wonderful array of sponsors, with Volvo Truck and Bus, through the Cowra Diesel Service, topping the list.

Thank you all for your support, and see you all next year.

Riverina Zone Trap Carnival

Seventy shooters nominated on a clear, frosty morning to compete in the Riverina Zone Trap Carnival. The five event program had to be reduced to four and shoot-offs had to be conducted under lights because even with 7 traps operating, the 70 open shooters coupled with the 55 from the junior classic, this made for a big shoot.

The results for the events were as follows:

Event 1, 25T Handicap: 11 shooters shot the possible 25/25 in qualifying. The overall winner was Garry Tabain from Leeton 64/64. Second was promising young shooter Elizabeth Barton from Gunning-Dalton 63/64. Third was Hugh Fairfield-Smith from Wagga with 51/52, fourth was Phillip Headon from Hay with 91/92 and fifth was Mitchell Matilka from Orange with 90/92.

Event 2 25T Double Barrel. In perfect conditions, there were 35 possibles. The overall winner was David Caccioppoli from Tumut with a score of 271/271. Second was Rodney Wright from Junee with 270/271 and third was Brian Doyle from Hay. AA grade was won by Tony Wright from Junee and second was Ross Liersch from Albury. First in A grade was Garry Tabain and second was Diarne Doyle from Hay. Diarne also took out the ladies winner for the Double Barrel. First in B grade was G Barton from Gunning-Dalton and second was B Wignall from Corowa. C grade was won by Paul Muscat from Corowa and second was B Callanan from Hay. The veteran winner was Doug Metzler and the Junior was Scott Malone from Morwell.

Event 3 25T Single Barrel. In perfect conditions, there were 7 possibles. The overall winner was Tom Harris from Tumut. Second was Tony Barton from Gunning-Dalton and third was Tony Wright from Junee. AA grade was won by Ross Liersch from Albury and second was Clint Shields from Coleambally who also won the junior trophy. First in A grade was D Smith from Singleton and second was B Wignall from Corowa again. C grade was won by Hamish McMaster from NSWGC and second was Kade McConville from Mt Bogong. The veteran winner was Allan Constable from Wagga and the ladies winner was Wendy Barton from Gunning-Dalton.

Event 4 25T Points Score was shot in failing light and there were 5 possibles. The overall winner was Clint Shields from Coleambally who also won the junior trophy. Second was Brad Wignall from Corowa and third was Tony Burgess from Majura Park. AA grade was won by T Maroni from Bendigo and second was Phillip Headon from Hay. First in A grade was B Cooper from Bega and second was B Underhill also from Bega. First in B grade was Jarna Winters from Shepparton, who also won the Ladies trophy and second was N Maroni from Bendigo. C grade was won by Angelo Paonne Jr from Leeton and second was N Gibbons from Kerang. The veteran winner was Wilson Ronald from Wagga. The final event 15PR Double Rise had to be postponed.

The High Gun winner was Phillip Headon from Hay with only one point down for the day 149/150. His trophy donated by the Carriage House Motor Inn on the Sturt Highway in Wagga is two nights accommodation during the State Carnival in September. The Ladies High Gun was another promising young shooter, Jarna Winters from Shepparton with a score of 143/150.

The Junior High Gun was Clint Shields from Coleambally with a score of 147/150 and the veterans High Gun was won by Allan Constable from Wagga.

The Johnny Cox Memorial Shield for Zone member clubs was won by the Albury team of Paul Leahy, Ross Liersch, Reese Ehlers, Ross Carter and Tom Caldwell with a score of 362/375. The trophy for this was kindly donated by Elks Hunting and Fishing of Albury.

Special thanks must go to Bob Huddleton, Bob Baker and Bruce Charles who worked tirelessly in the office keeping the cards organised, the prizes and the squad sheets going. Dave Coleman did a great job as shoot marshall and Bob Blake was kept busy adjudicating minor problems as Tournament Director. Lyn Blake

did a great job on the scoreboard with the help of Mrs Fields from Illawarra. Catering was provided by Mrs Reed and the coffee caravan was a very popular spot.

The Riverina Teams are: Tony Wright 125/125, Clint Shields 125/125, Phil Headon 124/236, Brad Wignall 124/124, Glen Castellar 123/123, Dave Caccioppoli 123/126, Reese Ehlers 123/125, Ross Liersch 123/125, Rodney Wright 122/125, James Vardenega 122/15, Brian Doyle 121/125 and Paul Leahy 120/125. A substantial reserve list exists with 14 shooters between 120/125 and 117/125. A Ladies team will be possible this year with Diarne Doyle, Ann Ferguson and Lyn Blake, and the Junior team will be Luke Roberts, Angelo Paonne Jr and Clayton Anderson. The Veterans team will comprise Wilson Ronald, Alan Constable and Hugh Fairfield-Smith.

The 2002 Riverina Trap carnival will be held on Monday 10 June 2002. The program will consist of 25 target Handicap, Single Barrel, Points Score and Double Barrel events.

Riverina Zone NSWCTA Junior Classic

The second Junior Classic was held on 29 July at the National Ground in Wagga. The lure of free noms and nearly \$2000 in trophies bought 55 junior shooters from Leeton, Hay, Albury, Coleambally, Finley, Corowa, Downside clubs in the Riverina Zone and from further afield in NSW including Illawarra, NSW, Boorowa, Majura Park, Orange, Glen Innes, Grenfell, Taree-Wingham, Bathurst, Upper Hunter, Gunning-Dalton, the Forest, Newcastle, Singleton, Bombala, Bega and Goulburn Clay Target Clubs. Junior shooters also travelled from Victorian clubs of Morwell, Bendigo, Shepparton, Mt Bogong, Traralgon, Cohuna, Colac, and Kerang. One family even ventured from Mt Gambier in South Australia to compete. This equates to 7 Riverina Zone clubs, 16 other NSW clubs, 8 Victorian clubs and 1 South Australian club. It is important to list these clubs because it shows an incredible dedication of parents, grandparents to provide Juniors with a quality competition at the national ground.

Generous sponsorship for the Junior Classic was made available from our major sponsor, Beretta Australia who supplied a cap and shirt for each place getter and a case of RCI shells for first place in each of the five divisions. This equated to \$1200 in Beretta merchandise and quality ammunition. RIO Oceania also provided 3 cases of RIO shells for the other place getters with Richard Allen of Kyabram providing another case of shells for placegetters. Gillman Internationale again showed their continued support for our sport and junior shooters by donating the five junior classic sashes. Wagga Boat and Sport provided 15 sports bags which were given as encouragement prizes for those not in the winning places. Finally, the Riverina Zone donated the 6000 odd clay targets that the junior shot free of charge.

The results were as follows:

In the under 14 years: 1st G Barton 146/150 2nd Hamish McMaster 132/150 3rd Murray Roberts 132/150.

In the under 15 years: 1st B Cooper 139/150 2nd Emma Eagles 138/150 3rd G Fields 134/150.

In the under 16 years: 1st Jarna Winters 143/150 2nd Nick Maroni 142/150 3rd B Underhill 141/150.

In the under 17 years: 1st S Parshanger 140/150 2nd Trent White 140/150 3rd D Smith 139/150.

In the under 18 years: 1st Clint Shields 147/150 2nd A Maroni 143/150 3rd Angus Ferguson 142/150.

The 2002 Riverina zone Junior Classic will be held on 10 June 2002 and again will be shot in conjunction with the Riverina Zone Trap Carnival.

QUEENSLAND STATE SKEET CHAMPIONSHIPS

September in Toowoomba is Carnival of the Flowers time - and this year was no exception. Wonderful early spring weather greeted some 80 shooters - and some tricky wind on Sunday morning was the only "down side" to the three day Carnival.

The Carnival was opened on Friday morning by representatives from the Regional Office of the Department of Sport and the Local Shire Mayor. With flags at half mast State President, Bill Allan requested all in attendance to observe a minutes silence as a mark of respect for all America - following the tragedy of the previous days.

State president, Bill Allan and Chris Langley, winner of the Queensland State Skeet Doubles Championship.

The Opening shot was fired, under the guidance of Shoot Marshalls, Laurie Chelepy, Ray Porter and Toby Witt - and the 2001 State Carnival was under way with the 50 target State Doubles Championship. From the 64 shooters - only 1 possible was recorded - that being from Chris Langley of the Gold Coast Club -

the 2001 Champion. First in AA was Dave Dundon 49/50, from George Petrou 61/64. Laurie Chelepy (Rockhampton) claimed A Grade with 52/54 from Peter Vella (Bathurst) 51/54. A 45/50 from Jim Edmonds saw him claim B Grade from Toowoomba Club President, Trevor Gill on 52/58. James Rodden (Sunshine Coast)

Queensland State Veteran Skeet team, front from left: Bob Robinson and Neal Dimmick. Back from left: Allan Jones, Rowan Young.

returned 43/50 to be the C Grade winner from Mark Cottey (Brisbane) 41/50. Womens section winner was Cherie Reeves (Normanton) 52/58, another Sunshine Coast shooter, Sam Fraser was the Junior winner on 38/50 and the Veteran section went to Reg Clarke (Bathurst) 46/50.

The 50 Target State Handicap was next up and from the 69 shooters - 6 possibles were on the board. The shoot off got underway with some 8 squads but quick got down to 2 and as the light came on - one squad remained. In 3rd place this year with a handicap

of A-1 - Christian Naudin (Sunshine Coast) 140/143, 2nd place - also A-1, Peter Vella (Bathurst) 152/155 and the 2001 Winner - A-1 Laurie Chelepy 155/157.

Saturday morning and in bright warm sunshine - 74 shooters lined up for the 100 target State Championship - at the end 2 possibles were recorded - Dave Dundon and Kel Madsen - both Gold Coast shooters. The Overall winner for 2001 - Dave Dundon 116/116 - leaving Kel to take 1st in AA with 115/116, 2nd in AA was Mike Swale (Toowoomba) 132/133. A 99/100 was enough to see Peter Vella claim A Grade from Ray Porter (Toowoomba) 98/100. The B Grade winner was a very excited new shooter - Rees Edwards (Toowoomba) 102/105, from Bill Allan (Dalby) 101/105. In C grade, Greg Mifsud (Toowoomba) was the winner on 96/100, followed closely by James Rodden 94/100. Tallawalla's Vere Storch was the Womens section winner with 95/100, Simon Darr returned

Queensland State Open Skeet team, front from left, Kel Madsen, Dave Dundon, Mike Swale, Nick Aird, Rod Nicholson. Middle from left: Laurie Sceracini, Ray Porter, Neal Dimmick, Rees Edwards, Bill Allan. Back from left: Christian Naudin, Len Edwards, Greg Mifsud, Lloyd Ferry, Barrie Chapman.

Queensland State Junior Skeet team, front from left: Simon Darr, Michael Kilmartin. Back from left: Michael Chelepy, Samuel Fraser, Andrew Ferry.

86/100 to win the Junior section and Reg Clarke claimed the Veteran section with 98/100.

With the State Championship finished - so to was the State Teams for 2001 - with those on 96 having to shoot off for their places in the open team. The Open Team comprises - Kel Madsen, David Dundon, Mike Swale, Nick Aird, Rod Nicholson, Laurie Sceresini, Ray Porter, Neal Dimmick, Rees Edwards, Bill Allan, Christian Naudin, Len Edwards, Greg Mifsud, Lloyd Ferry and Barrie Chapman.

A couple of names there have been in a few NSW State Skeet Teams in the past - however, the sunshine has beckoned and Laurie and Christian are now fully fledged Queenslanders.

The Womens Team - Vere Storch, Toni Dierke, Margaret Denton, Carol Tipler, Cherie Reeves and Cecile Edmonds.

The Junior Team - Simon Darr, Michael Kilmartin, Michael Chelepy, Samuel Fraser and Andrew Ferry.

The Veterans - Neal Dimmick, Bob Robinson, Rowan Young and Allan Jones

All Teams presented at the Club bright and early on Sunday morning for badge presentations, photographs and to shoot the

Queensland State Women's Skeet team, front from left: Vere Storch, Toni Dierke, Margaret Denton. Back from left: Carol Tipler, Cherie Reeves, Cecile Edmonds.

postal team scores and finalise the Shoulder-To-Shoulder Teams for the National Championships in November.

The Open Team High Gun was won by Barrie Chapman 50/50, Margaret Denton won the Womens Team High Gun with 32/33, Junior Team high Gun went to Michael Kilmartin 21/26 and the Veteran Team High Gun was taken out by Neal Dimmick 24/25.

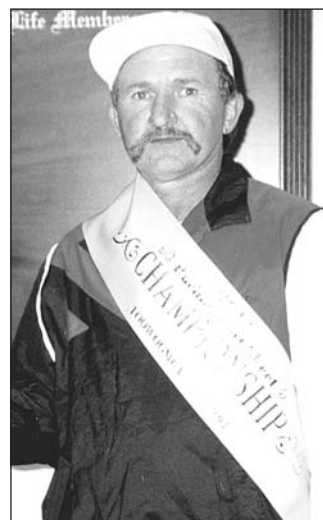

Unfortunately, due to the unavailability of a number of skeet shooters who have Oceania duties in New Zealand in the week prior to the Skeet Nationals - Queensland will only be represented by an Open and a Junior Shoulder-To-Shoulder Team this year. The Open Team comprises: Rod Nicholson, Mike Swale, Laurie Sceresini, Barrie Chapman and Lloyd Ferry. The Junior Team is Michael Kilmartin, Michael Chelepy and Samuel Fraser. Good luck to those shooters.

With the Team scores shot and recorded - the 100 target Pacific Coast Championship commenced. Again, only one possible - Laurie Chelepy claiming the Championship.

1st in AA went to Nick Aird 128/131, from Peter Vella 127/131. A fine 98/100 from Toni Dierke saw her take out A Grade and the Womens section. 2nd in A Grade went to Ray Porter 97/100. Brisbane shooter, Kris Dowie claimed B Grade with 96/100 from John Cunningham (Cecil Park) who took out the Veteran section also with 95/100. Mark Cottey (Brisbane) was the C Grade winner on 89/100 from Jason Smith (Sunshine Coast) 87/100. The Junior section was won by Andrew Ferry 86/100.

Winner of the State Championship, Queensland Champion for 2001 and the Overall high gun, Dave Dundon.

Laurie Chelepy winner of the Pacific Coast Championship.

A number of team competitions were contested during the carnival and the Inter-Zone Skeet Competition was also finalised. With the Northern and South-East Zones on the same score 143/150 - the number 1 shooter in each team contested a shoot-off in the State Championship - unfortunately for the South-East Chris Langley missed high 1! therefore giving the 2001 Inter Zone Skeet Team Competition to the Northern Zone - Mick McGill, Geoff Archer, Bob Linton, Wayne Reeves, Errol Reeves and Bruce Bowater - Mick McGill has your medals !!

The 2 person team over events 3 & 4 went to Barry Chapman and Nick Aird with a score of 385/400. The 2 person Family Teams - sponsored by Allan and Margaret Denton went to Jim and Vere Storch with 373/400. Two new teams this year - the 2 person team with handicap - went to Max Barton and Laurie Chelepy with 482/500 and the 4 person Club team - with a minimum of 3 from the home Club - went to the Brisbane combination of Carol Tipler, John Tipler, Rod Nicholson and Chris Langley

With all events finalised, the High Gun awards sorted themselves out quickly - Womens High Gun went to Toni Dierke with 282/300 - the first time in some 9 years that the evergreen granny from Roma - Margaret Denton had not claimed this award.

Bill Allan with team high gun winners, from left Michael Kilmartin (junior), Barrie Chapman (open), Neal Dimmick (veteran).

Bob Dupuy, Winchester Australia, congratulates the grade high gun winners, from left: C grade James Rodden, A grade Peter Vella, B grade Bill Allan and AA Nick Aird.

Bill Allan with high gun winners, from left: junior Michael Chelepy, women Toni Dierke and veteran Reg Clarke.

The Veteran High Gun award went to Reg Clarke 288/300.

The Junior High Gun award went to Michael Chelepy with 238/300 - Michael received 250 shot shells - courtesy of George Sckaf. George is always a very generous sponsor of Junior awards and Q.C.T.A. is very grateful of his support.

The Grade High Gun winner also received 250 shot shells - this year sponsored by Winchester Australia - and presented by soon to be retiring Queensland Manger, Bob Dupuy. State President, Bill Allan thanked Bob for his continued support of Clay Target Shooting within Qld. and invited him to present the trophies.

C Grade High Gun - James Rodden 269/600, B Grade High Gun - Bill Allan 289/300 (Bill donated his shells to the Toowoomba Club for Junior usage), A Grade High Gun - Peter Vella 294/300, AA Grade High Gun - Nick Aird 293/400.

The 2001 Qld. Skeet Champion - the combined total of events 1 to 4 plus the team score - won in fine style by Dave Dundon 345/350.

The Junior Encouragement Award was presented to Andrew Ferry.

The last award - and the most sought after - the Overall High Gun - this year was taken out by Dave Dundon 297/300 - and a comment that surprised many - that this is the first time that Dave has actually won the Overall High Gun at this Carnival. A shooter that is always "up there" - it was a great win - congratulations.

The weekend drew to a close - some struggled to find an airline to take them home - having arrived via Ansett only to see them go "belly-up" on the Friday morning. The Office staff sign - that bribes would be accepted in the form of chocolate or flowers - was most effective and also included a couple of bottles of red wine - with all things considered it was lucky that any results were finalised !! but a great time was had by all.

The Gold Coast contingent will be travelling with an ambulance and paramedics to all future shoots - having no less than 2 of their shooters hospitalised during the 3 days !!

Both have recovered - but took things very steady for the rest of the weekend.

To the Toowoomba Club President, Trevor Gill and his Committee - a big Thank You - for allowing the State Association to conduct their Annual Carnival at your Club - also for the Guys and ladies in the kitchen who provided breakfasts - lunches and a great evening meal on Saturday night.

A special thanks to the 2 trappers boys - what well mannered, polite young men these brother were - they knew their job and did it with the minimum of fuss and no disruption to the shooting squads - the best job that has been witnessed for many years.

The Shoot Marshalls - Laurie Chelepy, Ray Porter and Toby Witt - kept things moving along and "schooled" a few of the newer shooters along the way - so that they will be on time for their squads in future - and the office helpers - Jim Edmonds and Cherie Reeves - great company and a pleasure to work with you both and not to forget Suzanne Porter who looked after the scoreboard - thank you.

Another great Skeet Carnival - thanks to all who attended - and we look forward to seeing you all again next year at the Rockhampton Clay Target Club - 13th to 15th September.

Q.C.T.A., 19/9/01

Queensland Quotes

AFFILIATION RENEWALS:

That time is upon all Members and Clubs again - a reminder to all Club Officials of the need to include CHRISTIAN names and dates of birth for all affiliations - be they new members or those renewing after a break.

If you are unsure as to how to complete the affiliation paperwork for the ACTA - refer to page 7 of the April, 2000 Shooters News. Shooters can also assist by providing these important details to your Club Secretary when you complete your 2002 Membership renewal.

CLUB AFFILIATION PAYMENTS:

A timely reminder also, that the ACTA will not process your members affiliations and send out the 2002 score books until their home club has paid the Club's annual fees.

Clubs pay a fee to the ACTA and also a fee to Q.C.T.A. - two separate payments to two separate organisations - pay them promptly and your members will receive their 2002 score books promptly.

QLD. RANGE REGISTERS:

These are located at every Qld. Club and under that States Weapons Act must be signed by any person discharging a firearm at that particular range. Even if it is one shot - the register must be signed. As these registers are a requirement under the Act - they are a legal document and must be treated as such.

ANNUAL SHOOT CHANGES:

Three Qld. Clubs have been granted approval to conduct their Annual shoots in a different month - commencing 2002. They are longstanding Annual's so it would be worth noting these changes now -

- * Warwick Annual Trap will move from August to the first Sunday in April (2002 - Sunday 7th)
- * Moonie Annual Trap will move from August to the third weekend in February (2002 - 16th & 17th)
- * Tallawalla Annual Trap will move from January to the fourth weekend in May (2002 - 25th & 26th)

QLD. SKEET CONTINGENT:

This Qld. Skeet shooters initiative will continue in 2002 - with the venues being:

- * Toowoomba (South-East Zone) 23rd & 24th March
- * Roma (Western Zone) 18th & 19th May
- * Rockhampton (Central Zone) 27th & 28th July
- * Mount Isa (Northern Zone) 17th & 18th August
- * Rockhampton (State Carnival) 13th to 15th September

NOTIFICATION OF CHANGES TO OFFICE BEARERS:

A further reminder of the need to notify any change of positions - in writing - ACTA, Q.C.T.A., your respective Zone, Qld. Office of Fair Trading and Qld. Weapons Branch - advising names (including christian names), postal address and phone contact details.

Don't think that by advising Q.C.T.A. for example means that all others will be notified. It is the Clubs responsibility to notify all of the above.

INTRODUCING THE NEW SHOOTER:

We are usually so pleased to gain new shooters and very eager to get them onto the layouts - we sometimes forget to give them the basic club and shooting etiquette overview. Likewise, do we really take the time to introduce them to the correct referee and scoring requirements or introduce them to the trap house and its possible danger areas.

We should not assume that they will know or find out "somehow" - take the time to introduce all new shooters fully - making time available to explain the score book, squadding, being on time, when it will be their turn to score and so on. Those shooters will

certainly appreciate the basics - especially when they venue to an annual shoot somewhere and find themselves over the head and sinking fast.

Set them up with a mentor - a contact person they can turn to for answers to all those strange questions that pop up.

Qld. Clubs can avail themselves of the Q.C.T.A. New shooters brochure - available on request from the State Office Phone: 02 - 6762 5525 Fax: 02 - 6762 5526 or e.mail qcta@northnet.com.au.

QLD. REPRESENTATIVE TEAMS TO SKEET NATIONALS:

Good luck to the Open Team comprising - Rod Nicholson, Mike Swale, Laurie Sceresini, Barrie Chapman and Lloyd Ferry - and the Junior Team of Michael Kilmartin, Michael Chelepy and Samuel Fraser.

Q.C.T.A., 20/9/01

Classifieds

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 — 0-60 words

\$22.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

- (a) the person is a licensed firearm dealer, or
- (b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

- (a) the licence or permit number of the seller,
- (b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts and maximum fine of \$5,500.

FOR SALE: 1 Miroku Stirling U/O Trap Model in excellent condition modified & full choke. Serial No: 511764 Or will swap for: SKB side by side field model single trigger, model 200E 30" barrels in very good condition modified & full chokes. Contact GE Coppo, Ph: 07 4783 2273.

*Ladies winner for trench,
Suzanne Balogh 83/100.*

*ISU skeet overall winner,
Clive Barton 147/150.*

John Maxwell, Sophia Psarakis, David Perri and Tas Psarakis.

TAMWORTH CLAY TARGET CLUB

Northern Zone Trap Carnival

The Tamworth Clay Target Club hosted the 2001 Northern Zone Trap Carnival over the weekend 1 and 2 September 2001.

Some 92 shooters arrived on the opening morning which was a pleasant surprise for the committee considering that shooter attendance's have been somewhat down at a lot of shoots over the last year or so.

Weather conditions, unfortunately, were extremely windy on the Saturday but not quite as bad on the Sunday but enough to stop any long shoot offs, with Roger Vidal from Guyra club lasting the longest on the Sunday to shoot 102/102 and win overall the Loomberah Double Barrel Championship.

Roger went on to win the Overall High Gun with 267/280 which is a good achievement considering the windy conditions although John Farrell, Peter Holmes and John Sleightholme were only on behind in the overall score with John Farrell going on to win the AA grade High Gun shoot off.

The office was very efficiently run by the Northern Zone secretary - Leah Humphreys and assisted by Jenny Burt with a computer that had shoot offs and results ready within minutes of the last target in the event.

The scoreboard was kept up to date by Barbara Nash who posted scores right up to the last target and kept a running high gun score throughout the two days.

Catering for the unexpected number of shooters was ably managed by Rae Richardson and the Ladies Committee which kept all those in attendance adequately fed.

The four Winchester layouts operated without a delay over the two days, thanks to the efforts of trap mechanic Kevin Weatherall and a great crew of trappers from Farrer Agricultural High School.

An impressive array of trophies were distributed to winning shooters, thanks to the excellent buying ability of Melissa Sleightholme and Sandra Holmes and also the generosity of sponsors and supporters:

Tamworth Firearms - John & Melissa Sleightholme

Ironcraft - Club caretakers Graham & Rae Richardson

Prouds the Jewellers

McInnes Trading - Mark McInnes

The smooth running of the shoot was confirmed by the finish of the program at about 3pm on the Sunday and a large contingent of shooters remained to witness the presentation of trophies and the presentation of Life Membership of the club to Lach Cameron after some 10 years (so far) as secretary.

The Tamworth Clay Target Club extends its sincere appreciation to all those shooters who supported the carnival, the trophy sponsors and supporters and to everyone who assisted in making the carnival the success that it was.

LG Cameron , Secretary

Grade 5

Miroku

**Left Hand Models
NOW IN STOCK!**

NEW MILLENIUM MODEL 10 TRAP

The quality of Miroku guns never waivers. Finest steel, smooth action, perfect balance, impeccable finish and technical excellence combine to bring you the finest of firearms. Miroku has done its best to help you maximise your shooting skills in all conditions, so when you choose the timeless class of a Miroku firearm, your shooting pleasure is assured.

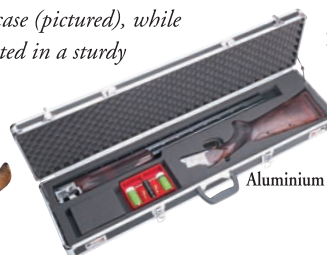

The Miroku Model 10 possesses an impressive list of fine features which, added to its accurate, reliable performance and eye-catching aesthetics, set it apart from the rest.

- Available in Grades 1, 3 & 5. • Three interchangeable triggers - wide, wide chequered and thin. Supplied in Silver for Grade 1, and Gold for grades 3 & 5. • The Grade 5 Trap (pictured above) is crafted with a distinctive teardrop stock in American walnut, with oiled finish in Grades 3 & 5, and satin varnish on the Grade 1.
- Stock comes in traditional straight, with the option of adjustable comb, or in the stylish Monte Carlo. • Interchangeable chokes - including XFull, Full, $\frac{3}{4}$, $\frac{1}{2}$ & $\frac{1}{4}$. • Back bored to reduce pellet deformation and give a more even spread of pellets.

- Fully chrome lined barrels for long lasting corrosion resistance. • Standard length barrels in 30" & 32"
- Special palm swell to give added comfort on long shoots. • Grades 3 & 5 cased in an attractive aluminium gun case (pictured), while Grade 1 is presented in a sturdy plastic gun case.
