Australian Clay Target Association Inc.

PRESIDENTS ANNUAL REPORT 2003

My first term as National President has been quite an experience. I would like to thank John Byrnes for his previous effort as National President. My thanks also to the Executive Committee and in particular Vice President Ron Traill who is always there when needed. To Andy and his staff, once again another great effort, they are the people who run our organisation.

2003 saw a number of changes including the Australian Shooting Association and its constitution still under review. Our own reviewed constitution has again been placed as a notice of motion to be accepted at the AGM. I encourage all clubs to vote in favour of this constitution as many months of hard work have gone into providing a document that will lead us forward over the next few years.

Our costs have been held steady over the past financial year including the never-ending battle with insurance that appears to have levelled out but still remains expensive. All Australian Sports Commission funding for the Association has now stopped which means a "stand alone" situation exists and we need to be mindful of our spending. Australian Sports Commission funding is now directed to the Australian Shooting Association who has complete responsibility for its distribution. They therefore

have responsibility for International Shooting Sports Federation events, team selection procedure and travel arrangements. Our assistance is always requested with respect to administration for international events held in Australia (world cups for example). Our valued expertise is always available and my thanks to Andy and Elaine in this department.

Progress on the National Shooting Ground continues, as funding becomes available. Four additional traps have now been added thus allowing a more flexible National Championship to be conducted. Consultation continues with Wagga Wagga City Council in respect to additional land with Andy and myself attending meetings with the council over this issue. Thus far, these meetings have produced favourable outcomes.

The ACTA National Junior Development Program now in its fifth year continues to encourage and develop junior shooters. Over the past years, some 120 juniors have now taken advantage and I look forward to the program being given further support by the National Executives.

National Championships were conducted in all disciplines with again some outstanding results.

The Olympic Discipline Nationals were recently conducted in Sydney with testing conditions prevailing.

National ISSF Skeet Champion was Neil Rundle with Lauryn Ogilvie the Womens Champion. George Barton took the open High Gun and Paul Rahman the Junior.

National Doubles Trap champion was Steve Haberman with Megumi Inoue from Japan, the Womens winner.

The High Gun went to Russell Mark, Junior Dustan Barry and Susan Trindall Womens.

National Trap Champion was again Adam Vella with Deserie Baynes the Womens. Adam was also successful in the open High Gun, Junior Marcel Tigani and Suzanne Balogh the Womens.

Congratulations to all competitors and good luck to those shooters returning for the Australia Cup mid February.

The National DTL Championship will be held at the National Grounds March 31st to April 4th. I look forward to seeing you there where the new format and additional shooting facilities should ensure you all have a good time.

I would like to say thanks to all those club administration staff who voluntarily gives their time and effort to enable Clay Target Shooting to continue. Without your help, we would have nothing. If you can find the energy please keep going.

Registration figures for the year ended 2003 showed a modest increase over 2002, a trend we should all strive to continue.

I look forward to 2004 and with your help am sure our Association will continue to achieve.

STATEMENT BY EXECUTIVE COMMITTEE

In the opinion of the Executive Committee:
The accompanying Statement of Income and Expenditure is drawn up so as to give a true and fair view of the results of the Association for the year ended 31 December 2003. The accompanying Statement of Assets and Liabilities is drawn up so as to give a true and fair view of the state of affairs of the Association as at 31 December 2003. At the date of the statement there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due. The accompanying accounts of the Association have been made out in accordance with applicable approved accounting standards. For and on behalf of the Executive Committee by authority of a resolution of the Councillors made on the 13th day of February 2004.

W Jones, President
R. Trall, Vice President

AUDITOR'S REPORT TO THE MEMBERS

I have audited the accounts in accordance with the Australian Auditing Standards. In my opinion:

- the accompanying accounts of the Australian Clay Target Association, being the Statement of Financial Position, Statement of Financial Performance and notes to the accounts in accordance with the provision of the Associations Incorporations Act 1981 are drawn up to give a true and fair view of:
 - the state of affairs of the Association at 31 December 2003 and of the results of the Association for the year ended on that date; and
 - the accounting records and other records and the registers required by that Act to be kept by the Association have been properly kept in accordance with the Act.

Dated this 6th day of February 2004.

B M Boehm, CPA

The Orange Clay Target Club

Official Opening, New Grounds and Clubhouse

The Orange Clay Target Club was formed in 1968 and one of the founding members, Merv Williams allowed the club to operate on his property, which was not far from the town's boundary.

By 1985 there was pressure from urban sprawl and the club started to look for another location. After almost fifteen years of constant looking, inquiring and trying we finally found 15 acres, which the Club could afford and which looked eminently suitable. Having put in the development application to Council it was a bitter pill to swallow when we were knocked back because

we did not own the entire safety zone. Having told our troubles to the owner of the property Doug Dwyer, we were amazed and speechless with gratitude when he quietly replied that he would give another fifty acres at no extra cost and no strings attached. "Lets see if they can knock you back now!" Well of course they could not and did not. The Club was freehold tenure and completely secure over 66 acres now all we needed was a small fortune to build a club worthy of the land and the gift.

Among members we have a wide variety of skills from the most willing labourers through to the builder himself. Our President, Joe Caltabiano has the greatest skill of all - the supreme fundraiser. Letters to members, phone calls all round, quiet talks in the pub, clubhouse etc. finally all members had been made offers they could not refuse. At the latest count members donated almost \$40,000 without any strings attached. What a mighty effort from 60 members. No bank loans, no funding from Sport and Recreation just our own efforts.

Building commenced in the winter of 2003 and this was done part-time by all members. People who had no affiliation with the club or with clay target shooting turned out to be exceedingly generous. Bricklayers, concreters, suppliers of all commodities either gave their time or donated goods.

The end result is a club building which will easily seat a hundred people. Spacious kitchen and catering areas, a fully equipped office and bar area. Full toilet and shower facilities, including disabled toilet and shower. Camping and caravan sites with power to all caravans. Four-trap layouts on level ground so that each trap is almost identical shooting. The whole facility stands as a statement to the vision, skill and hard work of members and the generosity of the community at large.

O/All High Gun Glenn Castellaro with President Joe Caltabiano and Vice President Wayne Sharp.

Warwick Clay Target Club Team.

Planning for the two-day open shoot had been happening for months and the committee's biggest worry was how many will turn up? We had nothing to judge by and no past history. We were scared we would not get eighty shooters and scared we would get more than 120 shooters.

By Friday evening we had Caravan City happening on site and almost forty shooters setting up camp and preparing for a BBQ and a couple of cold ones. Shooters from Queensland and from all parts of NSW were represented.

Saturday morning was very hot and oppressive with very uncomfortable shooting conditions.

Before shooting could commence the official opening had to be attended to. The Federal Member for Calare, Peter Andren M.P. did the honours and congratulated all members on a wonderful effort. The Mayor of Orange and the Mayor of Cabonne Shire spoke and both were full of praise. Finally John Finn spoke as the representative for the NSW Clay Target Association. As with

2nd B Grade Double Barrel Ken Kramer.

all previous speakers John was full of praise for all the members. With the ceremony complete the shoot marshals called for the first four squads to take their mark and get competition under way. With a very impressive 102 nominations for Saturday the shoot Marshall's worked tirelessly to ensure the smooth and swift turnaround of all squads. By the end of day one the only event left to shoot off was the double barrel. This event had to be shot to finality and had to be finished on the day. The shoot went until dark and all shooters missed simply because the target could not be seen. Dave Perri emerged as the winner and in doing

**1st C Grade Single Barrel
Bob Alston.**

**2nd A Grade Pointscore
Joe Sciuto**

so established the club record with a great break of 486. With shooting finished for the day the bar was well attended and a large crowd sat down to a great meal prepared by Chris Durack and all his many helpers. Later in the evening we were all entertained by great Country and Western Bands who were greatly appreciated by all who sat under the stars and sang along with the help of a few beers and the odd rum!

Sunday morning saw a change in the weather and the temperature dropped by ten degrees. This was really welcome as nominations for the Golden Cartridge event climbed to 115. Shooting got under way at 9.30 am and throughout the day top scores were recorded by all grades and many possible were shot.

By days end two shooters stood alone to contest the overall result and the coveted trophy. Glen Castellaro from Griffith Gun Club had shot a perfect score and those who had watched him shoot through the weekend were not surprised. Glen must be at the top of the tree in D.T.L. shooting in Australia. The shooter who equalled Glen's score was none other than the great J.W. Smith who is a member of the Canowindra Club and is well known throughout Australia. Both these shooters were recently inducted to the NSW Hall of Fame. At the completion of the shoot off Glenn Castellaro stood victorious, not only the winner of the Golden Cartridge event but also the High Gun winner for the two-day shoot.

Time for the presentation and \$6,500 in prizes to be distributed. All shooters were warm in their praise for the way the shoot was run the target presentation and quality of the trophies. The office

**2nd B Grade Single Barrel
Grant Spencer.**

**2nd A Grade Double Barrel
Ron Parker.**

staff were super efficient, as were the trappers. Special mention to John Lawrence and Barry Rue as shoot marshals no one could have done a better job.

The unsung heroes of all big events are those who do the catering, they are unpaid and over worked. To everyone involved including those who were led by Chris Durack the clubs most sincere thanks. You did a remarkable job.

Last but by no means least the club would like to thank Arthur Turner for all his help in allowing us the use of the very latest C.V.R. trap machine. This machine is at the cutting edge of design and is beautifully manufactured. The presentation of targets and the faultless manner in which it operates make it the machine of the future. Thanks to Arthur.

The President thanked all whom attended and extended the invitation to all shooters for the following year.

*As the world leader in voice
activated trap release systems,
CVR has the following range of
equipment for you club:*

- DTL** incorporates 1/6th sec delay to mimic a manual pull. As used at Australian, New Zealand, USA and World DTL Champs.
- BALL TRAP** instantaneous release to conform to International Trap requirements
- SKEET** incorporates 1/6th sec delay. Suitable for practice and small club shoots with one moveable stand
- ISSF** 0 – 3 second random delay on targets. Practice facility on any target selection
- BUNKER** random 0 – 1 sec on Doubles. Practice mode. Fully integrates with standard CVR mic's and cables
- 5-STAND** automates your 5-stand set up, using either manual push button or standard "smart" CVR voice release. FITASC 0 – 3 sec random release option. 5 flurry options
- HELICE/ZZ** is your club interested in simulated live pigeon shooting? We've been supplying the US market for over 3 years and can provide you with 5, 7 or 10 ring fields plus controllers operating over voice release.

*Now available in Australia, the latest
generation Trapmaster and Crusader
trap machines. Check out these
machines for the best target
presentation – as used in the USA.*

- TRAPMASTER** uses Winchester 1524 throwing arm and spring. Holds 600 targets.
singles/doubles Perfect target presentation.

CONTINENTAL OPTION AVAILABLE

- CRUSADER** as used in the 2002 World DTL Championships. Either low base or
single compact. Full windage adjustment. Easy to install and operate.

DTL, ISSF, CONTINENTAL, BALL TRAP & SKEET OPTIONS - ALL AVAILABLE

All with remote safety, unreadable interrupt, sleep mode, target and cycle counter.

LEADING THE WAY

The Gold Coast Clay Target Club once again looked to its members for their assistance and generosity to raise money for The Royal Children's Hospital Foundation, Samaritan Fund.

The Samaritan Fund is used to assist families who find themselves in need of emergency financial relief when at short notice their children are referred to the Royal Children's Hospital for specialist treatment.

The Gold Coast Clay Target members consider the Samaritan Fund to be a most worthy cause, and are proud to be involved with Foundation to promote the sport of Clay Target Shooting in our community.

The Target on this occasion was to raise \$4,000:00.

Palazzo Versace, the luxurious six star accommodation venue on the Gold Coast, generously donated the prizes on this occasion.

Gold cost Clay Target Club presenting cheque for \$4000.00 to The Royal Children's Hospital. Left to Right: Janet Mack representing the Royal Children's Hospital, Steve Szabo Executive chef Palazzo Versace, Vince Vaina Club Vice President, Sandra Tikal Assistant Manager Palazzo Versace.

Raffle tickets were printed in haste to enable members and visitors at the up and coming Christmas Shoot to contribute. With over 100 competitors turning up on the

day, our two eager ladies sold raffle tickets to the value of \$1000:00. Our many thanks goes to Zorica Szabo and Janet Mack for their tireless efforts.

The remaining tickets were sold within six weeks, there were many members who played major roles in making this fund raiser a huge success, a special thanks to Steve Szabo, Vince Vaina, George Sckaf, Mim Mari, and also Robert Nugent from the Roma Clay Target Club.

Once again many thanks to everyone involved, for your generosity, kindness and compassion, in making this fund-raiser a huge success.

Any other clubs that would like to involve themselves in community fund raising, and raising the profile of Clay Target Shooting, should contact the Royal Children's Hospital Foundation, Queensland. Telephone (07) 3852 1199 or Fax (07) 3852 2597. Email contactus@workingwonders.com.au

Shoot the right choke with Wright's!

VIC NEZ TOWER SHOOT AT MATHOURA

Friday evening of the 23rd of January 04 and shooters arrived at Mathoura Gun Club to contest for the Victorian North East Zone Double Barrel Night Tower Event. Weather could not be better with no wind and a temp of 24 degrees, competitors were eager to start the nights' program.

Graham Hall, NEZ Night Double Barrel Tower Champion.

The committee was pleased to see a good roll up of shooters, ready to do battle for the three events on offer, an eye opener Pointscore, a Pointscore, and a tower shoot.

The weather promised to see good scores shot and shooters did just that.

The first event was a ten target Pointscore and six shot the possible 30/30 to take a share in the cash divide, H O'Connor, R Kerslake, B Kerslake, M Roberts, G Bradley, and T Berryman.

Event Two, a 15 target Pointscore with three placings, and three shooters lined up for a shoot-off after scoring the possible, final results were, first with a score of 69/69 Tim Robinson, 2nd on 68/69

Graham Hall, and 3rd Trevor Berryman on 45/48.

Event Three, a 25 target Vic NEZ Night Double Barrel Tower, and again three with the possible to shoot off for this graded event. Shooting well to stave off his competitors of N Patterson on 44/45 and Phillip Stowe 39/40 was Graham Hall with an excellent 45/45 taking the Zone Sash and trophy and A grade. Club President Roger Kerslake on 24/25 won B grade and C grade was won by Ben Kerslake with a score of 21/25.

The end of a very enjoyable shoot and the committee thanked the ladies for catering, and shooters for travelling in the night to make it happen, and wished everyone a safe trip home.

Murray Roberts.

3 DAY SKEET EXTRAVAGANZA AT ALBURY GUN CLUB

30 Shooters took their places ready for 3 days of Skeet shooting & fun at Albury Wodonga's Australia Day weekend shoot. First event was a 25 target cash divide & the winners were Gary Rudd in AA with 25/25, Ian McGeoch & Wendy Wellam both 25/25 in A grade, Reg Petts with 24/25 in B grade & Stewart Lowery with 21/25 in C grade.

Vice President & main force behind the Skeet shoot, Reg Petts, High Gun winner Pedro Da Silva, President & Championship winner Ian McGeoch.

The second event 75 Skeet C/Ship was won by Gary Rudd after a short shoot off with 82/84 from Paul Johnston 81/84 in AA. Graham "Gonzo" Young 76/79 beat Ian McGeoch 75/79 in A grade. Reg Petts won B grade with 72/75 from Ross Carter 71/75, Stewart Lowery 65/75 won C grade from Claudio Cassarotti 55/75.

Third Event, 50 Skeet H/Cap was won by Ross Carter 73/76 after a good shoot off from Stewart Lowery 65/76, 3rd to Bert Deakin on 55/62.

Onto the evenings' barbecue & the Calcutta. There was some misgivings about how the Calcutta would work, but after some spirited bidding with Stumpe Lowery doing the auctioneering, the total pool was \$1200, to be divided up into 4 grades. This was well in excess of the amount we thought could be raised & so everyone went to bed early to try & come out firing the next day & win some of the money.

Day 2 & the first event was a 50 Target C/Ship. O/All & AA was won by Pedro Da Silva 60/60 from Paul Johnston 54/55. A grade winner was Andy Roberts 49/50 from Gonzo Young 85/87 after a good shoot off with Ian McGeoch. Mario Marino won B grade 59/60 from Robert Simson 49/50, with C grade being won in fine style by Claudio Cassarotti 51/56 from Anthony Metry 50/56. This was Claudio's first win & he was very warmly congratulated from everyone present.

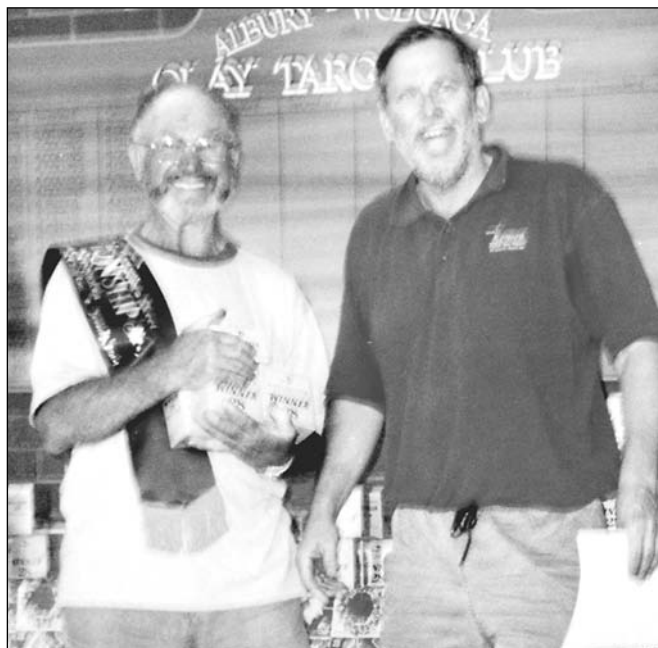

On to the big Calcutta Event, the 100 Target City of Albury C/Ship. There were little breezes that came & went over the 3 days which no one could quite master but Gonzo Young handled the pressure very well to take out A grade & overall with 98/100 from Mike Corbett 95/100. Paul Johnston won AA 97/100 from Pedro Da Silva

Winner of the City Of Albury Skeet C/Ship Gonzo Young with President Ian McGeoch.

Robyn Watson and Tayla Johnston who both helped enormously in the office, with Secretary Ross Carter.

Claudio Cassarotti, "C" grade winner, with President Ian McGeoch.

*AA" winner, Paul Johnston
(who took home \$600).*

96/100, Ross Carter, our hard working Secretary, who was given fantastic help in the office all weekend by Robyn Watson & Tayla Johnston, won B grade with 95/100 from Mario Marino 9 1/100. C grade was won by Anthony Metry 90/100 from Stewart Lowery 88/104. There were some long faces & some very happy people after this event. Leonie Johnston bought husband Paul & Paul bought Gonzo so the Johnston's took home \$600.00. Ross Carter bought himself & won \$300, and the bargain of the night went to Terry McLaughlin who drew Anthony Metry in the raffle & bid \$30.00 for him. Because he also drew Anthony he only had to pay half - \$15 - for a \$300 return. Hard luck story was Reese Ehlers, who spent a fortune to buy Gary Rudd, who shot very

well all weekend, but didn't quite fire up in this event, so subsequently Reese stayed at Albury the next day instead of travelling to Bendigo for their DTL shoot!!!

There were Graded High Guns over the first 2 days, AA Gary Rudd 290/300, A grade Andy Roberts 286/300, B grade Ross Carter 282/300, Stewart Lowery took out C grade 257/300. Ladies Wendy Wellam 278/300, Veteran - Tom Harris 280/300, Junior - Michael Metry 7 9/100.

On to day 3 & attendances had risen to 38. 50tgt Skeet C/Ship was won by Ian McGeoch 88/89 after a good shoot off with Gonzo Young 82/84. Gonzo had beaten Ian in the 2 other shoot offs & despite all the threats or promises made about what would happen if Ian won Ian finally beat Gonzo. Gary Rudd took out AA with 87/89 from Pedro Da Silva 62/64. B grade winner was Terry McLaughlin 52/54 from Bert Deacon 51/54. C grade Stewart Lowery 45/50 from Anthony Metry 48/58. 50 tgt Skeet Doubles O/All & AA was the ever reliable Kemen shooter Pedro Da Silva 52/54 from David Coleman 51/54. A grade was taken out by Mike

*Wendy Wellam, who won both Ladies High Guns,
with President Ian McGeoch.*

WORLD DTL CHAMPIONSHIPS

*The Executive of the ACTA has approved for the following teams to be sanctioned to attend the **World DTL Championships being held at the Bywell Shooting Ground, Felton, Northumberland, England 15th to 17th July 2004.***

- Open Team (5 person)
- Ladies Team (3 person)
- Junior Team (3 person)
- Veterans Team (3 person)

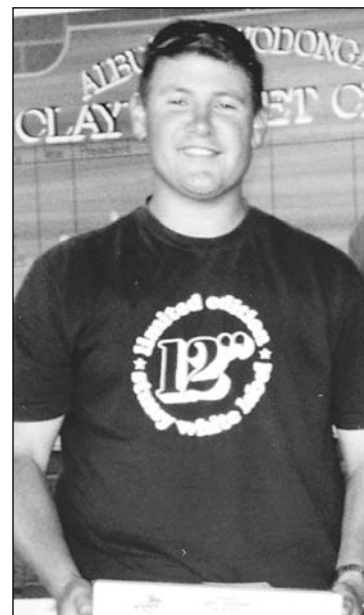

Teams will be selected from the total number of targets/points for the following events:

- Double Barrel (100 tgt)
- Single Barrel (50 tgt)
- Points (150 pts)
- Mackintosh (300 pts)

All teams are partial funded, extent of funding to be determined. Selections will also be subject to approval.

Corbett 51/54 with Laurie Durham 2nd 47/50. B grade winner Mario Marino 44/50, Reg Phefley 43/50. C Grade was won by that great C grade shooter Stewart Lowery 49/58 (swabs & samples have been taken as Stewart looked every bit like a AA shooter). 2nd was Anthony Metry 48/58. High Gun on day 3 which was 250 shells kindly donated by the Tumut gentleman, Tom Harris, was won by the Kemen Kid, Pedro Da Silva 125/128. Ladies High Gun Wendy Wellam 92/100, Veteran Tom Harris 91/100.

If you enjoy Skeet shooting & you were not there, you missed a great weekend, so be sure to mark it down in your diary for next year, The Australia Day weekend in January.

Stewart Lowery, "C" grade high gun winner.

FEBUARY SHOOT AT ECHUCA

Echuca Clay Target Clubs February shoot attracted seven full squads of shooters, all eager to compete in the four very different events on offer.

Hot weather and wild gusty wind making good scores difficult to achieve for all.

A North East Zone meeting prior to the shoot ensured most shooters were early, so the program got under way on the start time advertised, leaving a reasonable time to get through the very mixed type of events.

Event One was a 25 Target Olympic Trap Graded Cash Divide, A grade 1st S Atkins,

A 2nd C Fitzgerald, B grade 1st R Traill, B 2nd three shooters equal, D Hunt, P Sing, G Fletcher, C grade 1st R Northausen, C 2nd M Northausen.

Event Two was a 25 target Continental Championship. Overall & AA on an excellent score of 46/46 S Atkins, 2nd in AA just one point down, I Phillips with a 45/46 score. A grade 1st A Plum on 30/31, A 2nd B Forrest 44/45. B grade 1st J Kelly 35/36, B 2nd K Maurey 26/27. C grade 1st A Gobbo 24/25, C 2nd R Felmingham on a 21/25.

Event Three was a 20 target Handicap, and having a day to call his own, S Atkins on a full score from a back mark, taking out first place on a 20/20, second place D Hunt, and third taken by R Northausen.

Event Four a 20 Pair Deauville Doubles, and only one pair of shooters able to put a full score on the board, G Walls and G Fletcher on a 20/20 taking Overall Winners.

President R Traill thanked all who attended, and who helped run the popular shoot.

Wagin Saltbush Carnival 2004

The saltbush had been mowed from the layouts, food organised, trophies bought and every other little detail had been seen to and the stage was set for a record-breaking weekend. Shooters started turning up on the Thursday before the carnival with the 50 target double barrel AGWEST MACHINERY STARTER being held on the Friday for the people who were turning up early after travelling a long way. The weather on Friday was good shooting weather being hot and slightly overcast as it was most of the weekend. The event had six possibles with Garry Kelly from Geraldton winning in the end with 113/113, beating Brett Kuser of W.A.G.C with 112/113 and Sam West of Wagin on 110/111.

Dohnbouillet Special - Sam West, Steve Miller & Jim West.

Saturday morning started with the customary Bacon and egg breakfast with some people looking like they could do with a lot more sleep and a couple of Panadol. Saturday evening would see the State association holding the AGM in the Recreation Centre, so this brought a few more people than normal with a club record of 100 people turning up to shoot on Saturday. The shooting started dead on the scheduled 8:30 start time if not a little earlier.

The first event was the 25 target double barrel 4 Farmers Classic to get people going and into the swing of things. But it didn't look like they needed much getting going with 6 squads of possibles shooting off in this first event, that is 36 percent possibles. Geoff Faulkes of Albany ended up being the eventual winner on 111/111 beating Wagin Junior Sam West 110/111, 3rd AA grade was John Bainbridge Mandurah. 1st A grade Elwin Biddulph from Wales UK, 2nd Ian Grant Geraldton, 3rd Steve Sayers Melbourne. 1st B Grade Murray Tucker Busselton, 2nd Ken Patterson Albany 3rd Nigel Miller Wagin. 1st C grade Chris Smith Perth, 2nd Rob Nalder, and 3rd Rocco Priolo Perth.

The next event for Saturday was the 25 target points score Koonac Cup, named after the local dam dwelling creatures we love to eat. Overall Winner was Bert Boschetti of Geraldton with another very good score of 183/183 taking home the coveted gold Koonac brooch and Cup. 1st AA grade was Geoff Faulkes, 2nd was Lars Bager of Perth and 3rd was Garry Kelly. 1st A grade was eventual overall winner Bert Boschetti, 2nd Lex Shipp of Perth and 3rd Vince O'Brien. 1st B grade was Steve Miller, 2nd Geoff Day, 3rd was Kevin Dickens. 1st C grade S. Conning, 2nd Sue Bailey and 3rd Peter Iley from Collie.

The last event was the 50 targets double barrel DOHNBUILLET SPECIAL. Once again there was a very respectable amount of possibles due to the good background and excellent targets. But this event did not go for as long as the others did with Wagin Club member Steve Miller winning with a very good 77/77. 1st AA-grade was David Fox of Collie, 2nd Anthony Kowald Katanning and 3rd another Wagin member Clinton Smith. A grade was won by Gary Smith of Perth, 2nd Gary Quan-Sing Perth and 3rd Vince O'Brien of Esperance. B grade and overall winner was Steve Miller, 2nd Doug Berry Perth 3rd Kevin Dickens Perth. The Irishman Martin Raymond won C grade, with Chris Smith coming second and Denise Page Geraldton came 3rd.

Saturday evening saw a great feed of sausages, lamb chops and salad. Afterwards the game ones went to the AGM of W.A.C.T.A. and the others stayed behind and enjoying a few cold beers or a bottle or two of the red Wine. We're told that someone did well playing pool.

Sunday morning again started with a bacon and

Lady High Gun - Jim West & Michelle Geissler from South Africa.

continental sections of the event is the past members trophy which was new this year. This trophy is to remember the members of our club who are no longer with us. This year there were three people shooting off for the trophy. David Fox of Collie was the eventual winner over Garry Quan-Sing and Vince O'Brien.

The High-gun this year had to be shot off between Garry Quan-Sing and Vince O'Brien, not bad for two old blokes who were out 'til the wee small hours of the morning? In the end Vince beat Garry who must have been getting tired after all the shooting that he had been doing all weekend. The Ladies High Gun was won by Michelle Giessler a visitor from South Africa. The Junior High gun was won by Darren McMichan of Geraldton, Veterans High gun won by Tim Catling of Katanning and a very surprised John Rourke won the Intermediate High gun from Kojonup.

For club of about 10 members it was humbling to see 112 shooters from all over WA with two international visitors one each from Wales and South Africa. Also a visitor from Melbourne was at the carnival in Wagin over the weekend. The Wagin club would like to thank all the generous sponsors, all the people who helped out to make the shoot run as well as it did, especially our ladies who put on such good lunches and dinner. Narrogin for bringing some extra targets and the use of their trap. We look forward to seeing everyone plus a few more back next year.

Phil Becker Cup - Sam West, Gary Quan-Sing & Mark Earl.

Winchester - Better than ever !

Psychological Skills for Shooting

by Michael Kruger-Davis

ATTITUDE

No two people are alike. We all see, hear, feel, smell and taste things differently. The same event or situation will be seen differently by two people. Our attitude, or the way we see (or feel) things, will affect how we act and feel about certain events. Some people perceive events or situations in a positive and optimistic way, whilst others see the same things in a negative and pessimistic way.

I am reminded of a story that explains the difference between a pessimist and an optimist. One day a psychiatrist was worried about his two young sons; one was an optimist and saw everything as good and the other was a pessimist who saw nothing but troubles and obstacles. Both boys had the same opportunities in life, they were loved and well looked after but still they saw things very differently. So one Christmas the psychiatrist decided to try an experiment. On Christmas Eve he filled the room of the pessimist with as many parcels and presents he could manage. Everything the boy wanted would be there. For his other son, the optimist, he filled his room with horse shit. The next morning the psychiatrist walked past the pessimistic boy's bedroom and the child was sitting amidst toys, games and wrapping paper. He looked despondent and worried and asked his father, "What's the catch?" The psychiatrist then walked past his other son's room. He was jumping up and down, laughing and throwing great handfuls of horse shit in the air. The boy was obviously excited and the father asked why. The optimistic son replied; "Well with all this horse shit, there must be a pony."

So what is the difference between the attitudes of the optimist and the pessimist. Mack & Casstevens in their book, *Mind Gym*, claim that optimists have a positive expectancy that helps them achieve their goals. They have a can-do attitude and they take action that is empowering. Pessimists on the other hand, take a passive attitude and play the blame game or focus on what they can't do, and in doing so become victims of a self-fulfilling prophecy.

So why would anyone not want to be an optimist; research shows that optimists, on average, live longer than pessimists do. They

enjoy life more and have far more success. They see their failures as learning experiences rather than setbacks. I often listen to other shooters talk around the traps and its' amazing how often people, shooters, friends put themselves down. I've often said to people at shoots; "you would get angry if anyone else spoke to you like that but you're prepared to speak to yourself that way". Be careful of the language you use; expressions such as "single burial" for single barrel only reinforce the negative beliefs you have about your ability. Having a positive attitude doesn't mean that you'll always win, but having a negative attitude will almost always guarantee you will lose.

Attitudes are learned so therefore they can be unlearned. The qualities of pessimism are permanence, pervasiveness and personalisation. To change these qualities to an optimistic attitude you have to believe that when you miss a target, lose a competition or have a set back, that this will be temporary. Secondly, rather than let your doubts and troubles affect every area of your life, you need to put your problems and distractions in a "box" so that you are not bothered by them during the competition. Finally, optimists internalise victories and externalise defeats. That is, if you win or shoot well it must have been due to something you did well. Whereas if you perform poorly or lose it must have been due to something outside your control; the wind, shells, targets, lunch, etc. This doesn't mean your making an excuse, it means that you are going to take responsibility for achievement but not take the responsibility for your failure.

Finally, Mack and Casstevens claim that if you think you can, your right. And if you think you can't, you're also right. The way you choose to think will decide if you can or can't.

The winner of the book that was donated by Ray Mack of Earmold Australia, was Warren Charmers from Penrith in New South Wales.

Michael Kruger-Davis is a psychologist and a member of Narrandera Clay Target Club. Questions regarding psychological aspects of sport and shooting can be addressed to him at PO Box 347 Narrandera 2700 or on 02 69 592802.

ONE SHOT WINS FINAL FOR ROB STACKHOUSE

Rob Stackhouse found it hard to believe that just one successful shot in the final of the Castrol 25 would deliver the title on Friday evening. At the Euroa Clay Target Club's opening competition shoot for the year 2004, there were four shooters who lined up for the final of the Double Barrel Championship with three of them doing the unthinkable, all missing their first target. All Rob had to do was step up, shoot his target, which he did successfully and the title was his. He now shoots under the nom de plume, "One Shot Rob".

There were two other championships on the program, the first being a twilight Point Score event that was won by a visitor from Numurkah, Russell Felmingham and the second was the North East Zone Continental Point Championship. This was won in fine style by visiting Melbourne Shooter Rob Nisbet from Alexandra's Geoff McClure.

The evening shoot was a great success with a large number of visitors attending largely because of the excellent sponsorship of the Castrol Oil Company and the Euroa Co Operative which resulted in a splendid array of trophies for the shooters to compete for.

Dear Your Say

I would like to make comment on Rick Hackers article. Three or four things he said made my blood pressure jump but I want to focus on just one.

This is not a criticism. As I did enjoy the article, however, I am personally worried that some people may follow some of the advice hoping that they will be rewarded by an extra bird to help win that shoot off, or maybe just to get into one.

Most better grade guns have a nice figured walnut stock. I would put my arm in a pool with a hungry white-pointer before I would let anyone put my stock in a heat and twist jig, designed for bending it or putting in a bit of cast-on or cast-off (if you're a righty).

The quality better figured dense hard burl walnut, (Jugians Regia) no matter where it came from - Turkish, French, Italian, Circasian or California Claro. These top dense woods have had to fight for their very survival. Most in terrible climates for 150 years with frost, snow, rain, heat and cold, harsh times usually up high with little water.

Where as the trees that had it good down in the valley with plenty of water and high growth rates, in comparison are more porous, open grained, less figured. The wood needed for bulk supply in lower graded guns usually is kiln dried which takes years to reduce the moisture content to 50% weight.

All dense woods, like steel, can have memory and in the warm sunlight can return to the original position or shape or worse, somewhere in between. So should they survive the twist-jig you would have risked destroying your stock spent a lot of money and maybe ended up back at square one. Don't risk it. Go with an adjustable comb. You have it all. Cast in two directions and comb drop. All burl is rootstock. Save that beautiful wood for another day - its cheaper and safer and Rick, Big mistake, you should have bought that Parker. Good shooting.

The Editor,

Having just received my 04 shoot record book I note with pleasure the wonderful new line spacing giving ample room for any ham fistted secretary or oversize club stamp to record all that one could desire within the borders thereof without encroaching into the next line. It has the added advantage of being read without the aid of eyeglasses for those of us who take a dimmer view of things than was the case some years ago. I remember suggesting in a previous letter to this section that this modification was desirable and low here it has become a fact.

I do not however desire to take sole credit for this change which I feel sure will be applauded by every secretary and handicapper and to shooters generally. Many of whom would have shared my views, but I wish to place on record the thanks to whoever was ultimately responsible for the change we now enjoy. Most of all it gives credibility to those who say we do listen to what you say, a statement which some may have at times have doubted. Having included a note with my membership returns in the last few weeks a similar suggesting an overhaul of that currant form to give more space for the amount of information required I live in hopes that kind person whom I now thank may give that idea their personal attention always provided that such changes are compatible with computers etc. Happy New Year and good shooting to all and sundry.

My Experience

Subject: stolen firearms.

During the night 13/14th December 2003, my residence was burgled and two guns stolen. The circumstances were as follows:

At around 8.00pm, 13th of December 2003, I drew my Perazzi Trap Gun (Model SC3 -serial No. 57197) and my daughter's Miroku Trap Gun (Model 9000 Gd 1 - serial No. 7131 INZ) from the secured safe and secured the firearms in the boot of my station wagon in readiness for an early departure.

After the guns were stored, all the necessary shooting components (ear-protectors, lubricants, cleaning materials, rags, First Aid kit, shooting jackets, and gun-rack) were stored in successive order. All the ammunition was carefully sorted out and locked in the ammunition container, which was chained to the floor, after which the ammunition cupboards (steel) were locked. After the loading was completed, the luggage compartment roller cover was drawn across and seated in the respective brackets, hiding all from view. I had much earlier (shortly after purchase of the vehicle) gone to the extra expense of fitting a barred grid behind the back seats and the end of the boot to deter theft from the storage boot from inside the car. The boot lid was ignition key + button locked with the other doors, and all doors tested for positive lockage. The roller door was activated, and the garage closed, (later inspected by my wife around 9.15pm), the gun safe and ammunition storage all securely locked beforehand.

During the night, burglars managed entry into the garage via the roller door, got into my locked car and stole the firearms listed above, plus a few other hardware articles from the garage. (I have to express concern at the availability of information extractable from computer-data bases and wonder if I was targeted. I was informed that day that there had been several thefts of firearms from local gun clubs.)

The Police investigation was completed on Sunday the 14th Dec 2003. I was informed that I may be liable to a charge for insecure firearms, despite the fact that they were locked in storage, but not in the safe provided for the purpose, as the firearms should have been removed from the safe just before my leaving the house (interval of time not defined) next morning.

In Queensland, where travelling away from home and stopping at a motel, the regulations state that the firearms, etc, are to be stored in a locked boot overnight.

It would appear that packing one's car ready for early departure next morning the night before is illegal. May I ask, what is the difference where one, while travelling with firearms to or from a shooting venue, is accommodated in a private home and there is no safe, or legal cabinet, in which to put the firearms, where does one secure the firearms? For motel, it is the boot. In the home, the safe. Overnight in another house, where?

So, the message I give is very clear - be very mindful of how you transport your firearms and when and how they are secured under those circumstances.

Not to be discouraged, my daughter and I elected to attend the Christmas shoot at our club. We arrived late at the Club and the news travelled very quickly. I was astounded at the large number of shooters who told me that they do exactly what I did that night. I would like to warn all shooters of this situation, and to advise them to desist from this mode of pre-packing the vehicle, as no matter how conscious and conscientious one can be of the law, the burglar, one way or other, is quite likely to get at you, the lawful and caring citizen, in the end!!! This recommendation has been reported to the QCTA, and is also passed on to other State C.T.A.s' for their action.

As one who has been involved with firearms and firearms safety for 77 years, both in civil and in military circumstances, I feel that I have a civic responsibility to make this information, concerning my ill fortune, available to all legitimate shooters. I find it ironic that the very law, which is supposed to protect citizens such as myself, renders me the criminal rather than the thieves who violated my premises and stole my property!

A FACTORY HISTORY - A PEOPLE PROFILE

Dear Sir

I am writing to see whether your association can assist our members in ensuring the long-term future of the Lithgow Small Arms Museum.

Lithgow of course was the home of the Small Arms Factory, famous for its production of service rifles and machine guns used by Australian diggers from World War I through to modern times. The factory also produced the famous Slazenger range of .22s, as well as many target rifles that continue to give good service on Australian rifle ranges today.

So significant was the factory's role in our history, that it is considered to be the birthplace of modern manufacturing in Australia.

The volunteer owned and run Small Arms Museum opened to the public in October 1996 specifically to provide a museum of small arms and accessories, together with items of a historical, cultural, military and commercial nature from the Small Arms Factory.

Unfortunately, with the imposition of gun control throughout Australia, many of our major museums removed their firearms from display and most military museums, under the control of Defence, were forced to render their weapons permanently inoperable. Our historic collection, numbering some 1000

firearms, was by then owned by the Lithgow volunteers and today is arguably the only museum in Australia specifically related to firearms and firearms manufacture.

The threat to our existence is now however emerging from another quarter. ADI, who now owns the factory, is about to demolish most of the buildings and redevelop the site for sale. Unfortunately the museum is situated on the prime part of the complex and whilst ADI had previously stated that they wished to evict us they have, for the time being, relented and renewed our lease until 2009.

This however only delays the inevitable. ADI has made it clear that they have fulfilled their commitment to both the museum and the

community and that if we wish to purchase the museum building and land, we will be expected to pay the market value.

The museum, through good management, has already accumulated some funds but to make a realistic offer to ADI, we will need the further support of the community at large.

The museum's members are therefore asking for your assistance to ensure that this important part of Australia's industrial and military history has a permanent home. This can either be in the form of a donation now or a pledge, to be redeemed at a later date.

Donors will be acknowledged in the following way:

Gold Sponsors: Gifts of \$1,000 or more - Names to be incorporated on a plaque in the museum foyer, together with a certificate of appreciation

Silver Sponsors: Gifts from \$100 - \$999 - Names entered in a Donor Register and placed on display in the museum, together with a certificate of appreciation

Bronze Sponsors: Gifts from \$10 - \$99 - Certificate of appreciation
As the Lithgow Small Arms Museum is a deductible gift recipient under the Income Tax Assessment Act, all donations in excess of \$2.00 are tax deductible.

We would also appreciate you bringing our plight to the attention of your individual members who may also wish to contribute in their own right.

Should you be able to assist us, I have attached a Donor/Pledge form that you can complete and return.

If you wish to discuss this matter, or if you require any further information please do not hesitate to contact our treasurer, Graham Dixon, on 02 63513695 or at the above address. He may also be contacted by email at gdx50@yahoo.com.

Yours faithfully
Margaret Weekes

All donations to the Museum of more than \$2 are tax deductible

Springsure Gun Club News

ANNUAL TWO DAY SHOOT 7 & 8 FEBRUARY

Following heavy rain on the Monday the weather cleared away to afford us two excellent days of shooting, surprisingly cool amidst the humidity and heat of the last couple of months.

Sixty-eight shooters competed for a prize pool close to seven thousand dollars, and as usual for Springsure some excellent scores were returned with a number of possibles. Our two traps, along with help from the Gemfields trap, worked next to trouble free and afforded really good targets throughout the competition.

This shoot followed on from our hugely successful Christmas Novelty Shoot in December, which we ran in conjunction with the Gemfields, where we were overwhelmed with 72 shooters, all in the mood for a party. We didn't let them down! This year the Gemfields will run their Christmas Shoot on the Saturday and Springsure on the Sunday.

Al Grimshaw (right) accepts Handicap prize from Sponsor Herb Tyson (left).

Thanks must go to President Shawn Ryan for his overall organisation and our tireless troops who kept everything rolling and on time - we were all packed up and finished by 4pm Sunday, allowing travellers to get an early start for home. Thanks to our Club members and the ladies who brought along a wonderful spread for our Dinner on Saturday night. Springsure is famous for it's food and our guests were not disappointed.

Speaking of travellers, we had visitors from Cunnamulla, Normanton, Ayr, Mackay, Rockhampton, Gladstone, Biloela, Roma, Dalby, Wandoan, Gemfields, Clermont, Tambo, Barcardine, Ilfracombe and a few Clubs I've probably missed. Thanks to you for making it a most enjoyable and competitive Two Day Shoot and we hope to see you next year with a few more mates.

Our Bar was headed by Mark Baker who with his assistants kept the cool refreshments up to our thirsty patrons. On Saturday night

Auction of Sketch in progress

Ken Perrett took over the graveyard shift to keep the revellers happy to the wee hours. A fine sketch donated by our talented Katrina Cutting and featuring Shotguns and other shooting accessories was auctioned making \$450 for the Club. Australian Oceanic Games Ladies Team representative and Gold Medallist Lil Jarvis celebrated her birthday (no age mentioned in dispatches) with a splendid example of a (I should say cake) made by that multi-talented Katrina. This follows on from Lil's recently announced engagement to Peter Brandt, congratulations to you both.

Rick Kennedy (left) accepts Double Rise prize from Sharon Kirk (centre) and Janine Mahady (right) on behalf of sponsors Fairhaven Droughtmasters, Shawn Ryan President (far right) looks on.

During the evening, Al Grimshaw, who was fined for a Paw Paw infringement during the day, kept a large court of appeal entertained and busy sorting out the pros and cons until about 2pm. Ross McPherson prosecuted and Tommy Jarvis defended. The final outcome - the fine stood!

Our Committee decided not to hold a 100 target Double Barrel Championship for our Two Day as we usually do. We settled for a 50 target event which are becoming more popular. Please note - Springsure will be holding a 100 target Double Barrel event for our "Patron's Day" later in the year (date to be set) probably following a night shoot event the night before. This format has been very successful for other clubs in the region, and well supported by travelling shooters. Will keep you posted.

Now for some results -

First up Saturday morning saw the 50 T Double Barrel Championship won overall by our President Shawn Ryan with a possible 68/68 in a shoot out from Ross McPherson.

Robbie Caban from Mackay took out the 30T Continental with a possible 65/65 from Sam Gall (ex Moree) with 64/65.

Springsure's Bruce Powell shot off to win the 30T Single Barrel with 32/32 from Grant McPherson 31/32.

An early start Sunday, with lots of sore heads mainly from the participants of the aforementioned court of appeal, commenced with the 30T Ladies Bracelet Points. Bill Allen from Dalby took the overall silver necklace with 115/115 - a gift for Julie??

The 30T Handicap was keenly contested aided by a little auctioning the night before. Punters showed more than a little interest in the performance of their investments. At the end of competition Cherie Reeves from Normanton was left standing with a possible 30/30. Her nearest competitors had to settle for a shoot off to determine their places with Bruce Powell earning second from Al Grimshaw, Warren Jensen and Ray Collinson.

Judd Clarke took out overall in the 15pr Double Rise with a well-shot 28/30 on a difficult event which at Club level we fail to practice enough.

High Guns saw Bruce Powell take out overall with 249/260 - there are not too many two-day shoots when Powelly is not there at the end. He won a magnificent watch as did all high gun winners - AA's

Springsure High Guns, Back L-R: Craig Freeman - C Grade, Leon Dod AA - Grade, Geoff Bryant - B Grade, Sam Gall - A Grade, Bruce Powell - Overall, Bill Nixon - Veteran. Front L-R: Cherie Reeves - Ladies, Daniel Lambe - Junior.

Leon Dodd 245/260, A's Sam Gall 244/260, B's Geoff Bryant 232/260, C's Craig Freeman 223/260, Ladies Cherie Reeves 230/260, Veteran Bill Nixon and Junior Daniel Lambe.

Thanks to our many sponsors and donors - without whose assistance and support we could not have offered such a substantial prize pool.

New Matarelli Trap

Springsure Gun Club wishes to publicly thank & acknowledge the Queensland Sports and Gaming Commission for favouring us with a grant to purchase a new Matarelli Trap soon to be delivered. Without this support it is difficult for smaller clubs to raise the finance to upgrade their facilities and improve the standard of the Sport for members and our guests. Our Club has embarked on a program through grants and other fund raising to replace our existing traps and improve our amenities.

*Rex Kirk.
(Secretary)*

NEWCASTLE LAKE MACQUARIE CLAY TARGET CLUB

2 Day DTL Shoot

The weekend of the 31st January & 1st February 2004 Newcastle Lake-Macquarie CTC held its annual 2-Day Open Trap Shoot.

With the grounds looking in superb condition club president Ross McLean warmly welcomed shooters and families.

Very good shooting in the top grade left John Paul, Paul Turner and Ross Hibbert to shoot off for honours. John unfortunately dropped out early leaving Paul and Ross to battle it out for the Championship. Turner shooting like his life depended on it never gave Hibbert a chance and shooting a perfect 71/71 has his name on the trophy.

2 Day High Gun Winners, from Left: B Grade: J.Jenkins; O/All AA Grade: P.Farrugia; A Grade: R.Fitzalan; NSW State 50tgt Continental: P.Turner; C Grade: D.Groves

The 1st event 25 tgt P/Score commenced in fine sunny weather with Michael Ling shooting the possible taking out 'AA' grade, Michael Bajada 74/75 winning 'A' grade, 'B' grade was won by Frank Zillio 71/75. A short but sweet shoot off between Ross McLean, Jason Jenkins and Keith Morgan saw Ross take 2nd place. The 'C' grade winner was Garth Fenwick with a 67/75 and coming in 2nd saw the transformation of David Groves from 'Skeet' shooter to 'Trap' shooter.

Good shooting continued in the 25tg S/Barrel C'Ship, Michael Ling 32/33 fending off Paul Farrugia 31/33 to win 'AA' grade. Terry Cragg redeeming himself after dropping one early to take out 'A' grade with a 24/25. Keith Morgan shooting 23/25 picked up 'B' grade and the 'Skeetie' David Groves with 24/25 winning 'C' grade. Mark Welsh defeated Garth Fenwick in a shoot off for second in 'C' grade.

With the wind picking up the main event for Saturday the 50 tgt D/Barrel C'Ship got under way.

Shoot offs also decided 'A' & 'B' grades, Graham Gosling shooting 61/62 holding off Robert Fitzalan 60/62 in 'A' grade, Ross McLean 60/62 edging out Kevin Davey 59/62 for 'B' grade. David Groves holding good form to win 'C' grade with a 49/50.

Sunday morning saw the return of yesterdays windy conditions but undeterred the top shots still had their eye in. Andrew Miller, Robert Fitzalan & Tom Turner Snr starting the day with perfect scores in the 20 tgt Continental.

The main event of the program the NSW State 50 tgt Continental C'Ship started in windy conditions, which didn't let up.

Squad on layout 3

Great shooting by Paul Turner 146/150 left him on top to claim the State Sash, congratulations Paul. Shoot offs deciding 2nd in 'AA' with Paul Farrugia 170/177 edging out Michael Ling 169/177. Making good use of his second barrel Robert Fitzalan 143/150 winning 'A' grade, 'B' grade was won by 'new' shooter Kev Raymond 139/150 and yes you've guessed it David Groves 130/150 adding to his tally in 'C' grade.

Last event of the weekend saw shooters line up off 18m for the 30tg Champ/Champions,

Paul Farrugia was too good posting a perfect 50/50 taking the win in 'AA' grade, Robert Fitzalan 47/50 claimed 'A' grade, Jason Jenkins 45/50 picking up the prize in 'B' grade and Chris McMahan 44/50 taking home the 'C' grade trophy.

With all other events concluded, two men lined up to decide the 2-Day O/All H/Gun, Paul Farrugia and Paul Turner. The shoot off, lasted two runs through the weekend program. Paul Farrugia (not dropping a point) picked up the O/All Sash and Trophy. Paul finished the weekend on 356/370. 2- Day Graded H/Gun winners were 'A' grade Robert Fitzalan 347/370, 'B' grade Jason Jenkins 341/370 & 'C' grade David Groves 329/370.

The committee would like to thank all who travelled and attended, the guys who set up, kept the traps full and the layouts tidy (this was much appreciated by all those who attended). The ladies who ran the kitchen so well keeping us fed and watered and the other helpers involved with the shoot & club. We hope you had a good time & look forward to seeing you again. Next Open Shoot, 2-Day 5 Stand, 19th & 20th June 2004, hope you can make it.

The Club has free powered camping sites with new amenities available for all shooters wishing to stay over for weekend shoots. Contact the club Secretary for details.

Classifieds – Classifieds

RATES AND CONDITIONS

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 — 0-60 words
\$22.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or
(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,
(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

MARCONI CLAY TARGET CLUB

GROUND LOCATION
SYDNEY / MARCONI CLAY TARGET COMPLEX,
HEATCOTE ROAD, MENAI

Marconi 100 *Prizes — Prizes — Prizes!*

Held in conjunction with "3-Man Teams" Event *
(see Rules below)

Pre-Marconi 100 on Friday 23rd April 2004 start time 6 30pm

Event 1:	20 Targets Pointscore Eye/Opener Graded Cash Divide	\$10.00
Event 2:	50 Targets Double Barrel	\$30.00
		Total \$40.00

Marconi 100 on Sunday 25th April 2004 Start Time - 10am sharp

Event 1:	10 Targets Pointscore Eye/Opener Graded Cash Divide	\$ 6.00
Event 2:	100 Targets Double Barrel (Shot in 4 rounds of 25)	\$65.00
		Total \$71-00

Plus Optional Sweeps

The Marconi 100 will be shot in conjunction with an inaugural 3-Man team event comprising any combination of AA, A, B or C grade shooters. Rules will apply to the teams' event (being shot as part of Event 2 on Sunday). Rules: Each member of a 3 Man team must shoot in the same squad. From a possible score of 100 points, shooters in the teams event will have the following penalties applied for each target lost by a shooter in their team

AA grade	<u>4 point penalty</u> applied to each target lost.
A grade	<u>3 point penalty</u> applied to each target lost
B grade	<u>2 point penalty</u> applied to each target lost
C grade	<u>1 point penalty</u> applied to each target lost

Visiting club members are most welcome to field representative teams. Alternatively, shooters can put a team together with any of their mates and have some fun. The Team Event cost will be \$5 per shooter with all nomination money being awarded back to the 1st & 2nd placed Teams.

The Marconi Club will provide great Trophies as usual including:

O/A Trophy & Sash for High Gun. All Grade Winners will receive Trophy & Sash.

For information Phone Milan Navara (President) MOB; 0410 469419, A H:02 95348488
Cartridges, Food and Refreshments available on the ground

The committee reserves the rights to alter the program at any time

D.T.L. Automatic Double Rise / Single / Wobble

This Trap is unique in that it offers both Single & Double Rise Automatic operation over all of the angles necessary for Australian, American, ABT and European Trap Events incl. Continental.

- Unpredictable Target Trajectory • Truly Random Target angle distribution • Special Arm imparts more spin on standard targets • 360 Target Hopper Capacity • 240v or 110 AC operation • Solid State Controller
- Double / Single Target selection by means of switch • Arm powered by tapered leaf spring & one-way bearing • Cocking Cycle (2.5 sec) • All components powder coated or Zink plated

Skeet & Olympic Trap

- Unique Pivot arrangement, allows the arm pivot to remain in the same position irrespective of horizontal or vertical Angles
- Single locknut for vertical & horizontal angles • Precise graduation for vertical & horizontal angle setting • Hopper capacity (standard) Skeet 250 each, Trap 200 each (3000 total) • All components powder coated / plated

Controllers & Accessories

- Gemini 2000 Olympic trap controller featuring 16 digit readout, fully automatic scorekeeping, solid state relays • Skeet controller American / ISU timer combined, all solid state • Gemini DTL 2000 Voice activated release system, fully automatic • Skeet Voice activated release system • Universal Trench controller & Voice activated release system

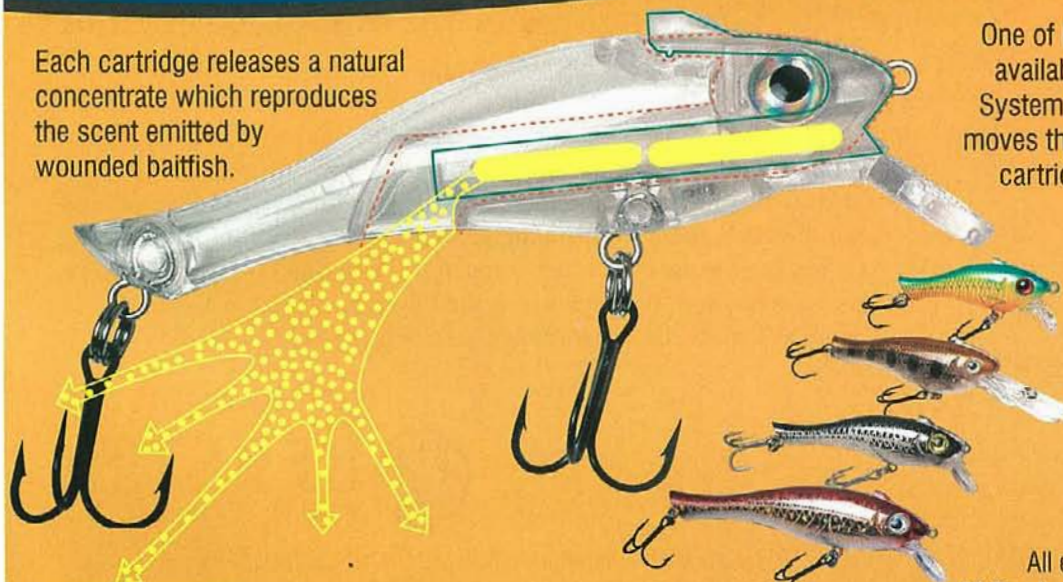

The Original Nose system

EASY TO INSERT AND CHANGE CARTRIDGE

TRANSKEI

Each cartridge releases a natural concentrate which reproduces the scent emitted by wounded baitfish.

One of France's most popular lures, now available in Australia. The Transkei Nose System releases scent from the lure as it moves through the water via a replaceable cartridge. Different sized cartridges are available for fresh or saltwater applications.

SALTWATER AND FRESHWATER LURES AND SCENT CAPSULES AVAILABLE

delivered to your nearest
RC dealer.

DT10 TRIDENT

S682 GOLD E

S686E

Unbeatable, to be exact

Beretta competition shotguns:
The winning firearm of great champions

Excellence has hit the target for some time. But Beretta always wants to push ahead. The new DT10 Trident L Over and Unders are born. This model joins the exclusive members of the Beretta premium grade category with the fruition of the aesthetic and technological evolution of the unbeatable DT 10 Trident. Sharing with them the glory of the podium and of Olympic and international medals, there are many other Beretta's: like the 682 Gold and the 686E that has been made even more competitive by recent design refinements. Whichever shooter, from the beginner to the Olympic champion, feels closer to victory if he/she trusts the extraordinary precision of the most prized shotgun in the world.

Imported and Distributed by

ALL MODELS ARE AVAILABLE WITH MEMORY SYSTEM ADJUSTABLE STOCK OR STANDARD STOCK
