National President's Notes

JUNIOR DEVELOPMENT CAMP

I have recently returned from the second ACTA Junior Development Camp at our National Grounds. Head Coach Russell Mark did a fine job with the juniors and together with Michael Kruger-Davis trying to get our "heads together" made for a very informative 2 days.

Tom Holt, Kirk, Neill and Glen Barton, three of our senior camp members, were all showing considerable improvement and will be a force to be reckoned with shortly.

OVERSEAS TEAMS

At the time of writing this column our World DTL Team is in England and our ISSF Team is in its final preparation for the Olympic Games.

I am sure you will all join with me to wish all these competitors good luck and good shooting. I am sure they will all do us proud.

ASA RESTRUCTURE

This seems like a never-ending story. A member workshop will be held 10th August in Melbourne to continue with the re-write on the ASA constitution. It is in everyone's best interest that the constitution be finalized so that we can all get on with doing what we do best.

NSW STATE CHAMPIONSHIPS

These championships are set for 1st to 4th October at the ACTA National Grounds. If the scores achieved at our National Championships are an indication of those to be recorded at the NSW titles, we will all be in for another great competition. Come along and be part of the action.

TEAM MANAGER POSITIONS

For Down the Line, Skeet and ISSF Teams

The ACTA are looking for qualified people for the above position. All applicants are asked to register with the ACTA office by the close of business on the 24 September 2004.

A history of the persons ACTA involvement and personal CV is required.

The executive will then select a group to be put into a Pool for each Discipline (the pool will only be actively involved until the 31 December 2005 when a new Pool will be announced). Please register the Discipline of your choice.

If selected for Teams, the positions may have to be fully SELF FUNDED (the ACTA will endeavour to obtain funding if available).

Elaine Forward, ACTA Shooting Committee.

Queens Birthday Annual Two Day Weekend Shoot

Saturday 12th June and Sunday 13th June

Saturday morning arrived with a clear sky, crisp and fresh winter feeling to start our big shoot of the year.

As the shoot was to commence at 9.30am competitors began arriving early, booking in and the shoot commenced on time. The first day a total of seventy-two nominated and on the Sunday, they had sixty-eight shooters. A record for Yamba Club, in its existence of some thirty odd years.

The Club is at its limits with this number of shooters, as the days are very short and we run out of daylight early. Also, on the final day our shooters want to get on the road home. We had many competitors travel great distances to be here. Some of the clubs

represented were Gold Coast, Illawarra, Richmond River, Grafton, Kempsey, Inverell, Moree, Sydney, Guyra, Warwick, Tamworth, Cobarr, Orange, Warren, Glen Innes, Canberra, Batlow and Uralla.

A lot of the shooters and families keep coming back each year and combine a bit of fishing, together with beach combing etc, to make a family weekend. The Warren Clay Target Club had two car-loads of shooters come here after travelling eight and a half hours to

Mount Isa Clay Target Club 2 Day Annual Shoot

Held June 12-14 2004. (Queen's Birthday Long Weekend).

Perfect weather greeted approximately 40 shooters competing in Mt Isa over the Queen's Birthday long weekend. Shooters travelled from Roma, Townsville, Camooweal, Cloncurry, Normanton and Karumba to compete in 7 events over 2 days.

First off was a 25 tgt PS eye opener where "ex C grader" Brandon Gameau opened his account with a clean 75. Just off the pace was

Chris Wilson with 72 (AA), Dean Reeves 73 (A) and Geoff Bryant 71 (B). Event 2 saw Jim Molloy (92/92) win the Copper City 25 tgt DB C'Ship from Robbie Cusack (91/92), Wayne Reeves (67/68), Mick McGill (43/44), Tom Comerford (41/42) and Ross Ohlsen 40/41. Jim Molloy was finding it hard to miss, shooting the only possible in event 3, the Mt Isa Gun Club Single Barrel C'ship. The Pawpaw Club received another donation as Ted Matthews decided

that 59/60 would be enough to secure overall in the State day mixed targets. Ted is leaving Mt Isa for tropical Cairns and will be missed by all clubs in the North West region. Our loss will be another's gain. We wish you all the best and hope to see you visit when possible. No one really leaves The Isa.

Sunday arrived with no change from Saturday's weather as shooters headed out to contest the Mt Isa Gun Club 50 tgt Day DB C'ship. Cloncurry's president Darryl "the General" Grant needed just 13 S/O tgts to take O/A. Next was the 25 tgt handicap where Scott Prendergast took the honours with 26/28 from Wayne Reeves 29/32, Darryl Grant 28/32 and Tracy Wilson 24/27. The final event was the John Yanko Memorial 15 Pr DR which was claimed by Chris Wilson with a S/O to determine the other placings.

With the shooting over it was time to tally up the scores to see who the High Guns were. Wayne "the Gulf Grey" Reeves claimed the Overall High Gun (245/260) without winning any event Overall. Once again, Wayne's consistency over the entire program proved the difference with 1 target separating Overall from AA and A grade. Townsville president Tommy Comerford added another high gun silk to his collection with 244/260 to claim AA.

Ted Matthews took A grade, also with 244/260. A nice farewell by anyone's standard. Roma's Geoff Bryant wrapped up B grade shooting 237/260. Brandon Gameau said "Goodbye C grade, hello B grade and pass the silk Sinkers!" for the C grade high gun with 233/260. Brandon claims his good form over the shoot was "clean living" and plenty of rest. Diane Reeves kept the family affair alive winning the Ladies High Gun (234/260). Mick McGill shot 240/260 to secure the Veteran's High Gun Sash.

Shooters will now be looking forward to the Cloncurry 2 day Annual (24/25th July) which always proves popular. This is the last club annual before the NW Trap Championships are held back in the Isa (11/12th Sept.). The Inaugural District Champion will be decided over their accumulated score for the 3

Annual shoots (Normanton, Cloncurry and Mt Isa) and NW Trap Championships. I'm sure there are a few shooters out there with their eyes on this title.

No club can function successfully without sponsorship. The Mount Isa Clay Target Club would like to thank the following organisations for their generosity allowing our sport to prosper.

A.T.M.R., Consolidated Plastics, Welder's World, Xstrata - Mount Isa Mines, NQ Hardfacing, Satintouch, Vitra Construction and Engineering, Australian and Overseas Alloys, BOC Limited, Isa Barbers, Cava, Tool 'N' Tackle, Retravisson, Kmart and Atlas Batteries.

Thanks also to the committee and members who attended the traps, office, kitchen and bar. Also our "Room for Improvement" crew who gave the clubhouse a makeover in record time.

A full round up of the results can be found in the club news.

High Guns (back left): Wayne Reeves O/A, Tom Comerford AA, Ted Matthews A, Geoff Bryant B, Brandon Gameau C, Diane Reeves - Ladies, and Mick McGill - Veteran's.

President Neal "Sinkers" Sinclair presents Ted Matthews with the A grade High Gun Sash and wishes Ted well for his second retirement in Cairns.

The 26th Central Victorian 25 Target Double Barrel Grand Prix was eventually won by Glen Castellaro from Griffith Gun Club with a score of 204/204. This was a magnificent shoot off under trying conditions.

Michael Ward won A grade with 74/75 from Graham Beckworth 73/75.

B grade went to Ron Batson 72/75 from George Sparey 77/81.

Peter Chapman won C grade with 102/106 from Andrew Leech 70/75.

High gun winners were: AA grade — Steve Haberman 125/125, the only shooter to have a perfect score for the day. Steve also won the \$900 plus jackpot which has been growing over the past three years.

A grade winner — Graham Beckworth with 120/125; B grade — Roy Batson 119/125; C grade — Peter Chapman 119/125; Ladies — Melitta Northausen 115/125; Junior — Rowan Lendon 116/125; Veteran — Clarrie Alderson of Maryborough with 114/125.

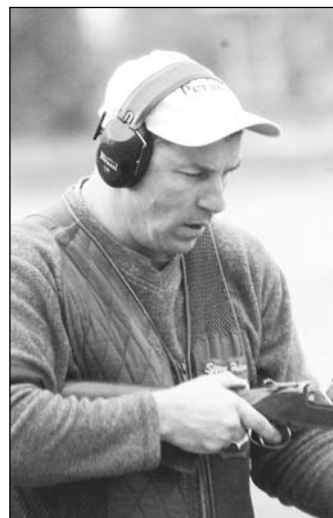

After another very successful Grand Prix an even bigger and better event is being planned for 2005.

Maryborough members would like to thank the sponsors: Graham Jacka Holden, Lyal Eales Stores and Rio Oceania for their generous support. We would also thank the shooters who travelled and supported this premier shooting event.

JOHN "BO" EVANS
1936 - 2004

It is with regret that we advise of the passing of another of our foundation members.

John was always known as "Bo" to anyone who had the pleasure of knowing and coming into contact with him.

To the children around the area he lived he was affectionately known as "Uncle Bo".

We believe that John came to the Singleton area to work in the mines after leaving the Cobar area in the late 1960's.

John was competitive in the sport and was extremely well known

to many shooters and in the early days traveled about to other clubs. He also gave freely of his knowledge of shooting to the new and young shooters.

Although John let his membership lapse for health reasons, he still kept in touch with visits to the club.

The members of our club wish to extend our most sincere sympathy to his wife and sisters.

You will be sadly missed by many "Bo".

Members of the Singleton Clay Target Club.

Queensland Northern Zone Trap Carnival 2004

On the weekend of 26th & 27th June 2004 the Queensland Northern Zone held their annual Trap Carnival in Atherton in the states far north. Forty-four shooters tried their hardest to win the titles up for grabs.

On the program first was the Northern Zone Double Barrel Championship with Ray Collinson shooting 35/35 taking the Overall, defeating Barry Bosworth in a shoot off. Barry took out first in AA Grade with Ross Cannon second with 33/34.

Gian Vassalini shot 25/25 to take the A Grade prize money and Robbie Draper was second with his score of 43/44 after a shoot off with four other shooters. Carol Betteridge also shot 25/25 to take out B Grade from Sam Coco 24/25.

C Grade went to a shoot off with Gwen Meyer the victor with a score

of 25/27 from Gary Sayward on 24/27. Diane Reeves shot 29/31 to take the Women's prize and Noel Beale shot 25/25 to take out the Veteran's.

Next on the program was the Northern Zone Point Score Championship. Overall was won by Ray Collinson with a score of 107/108 after a shoot off with Barry Bosworth. Barry had to settle for first in AA Grade again with his score of 104/108. Mike Collins shot 72/75 for second place in AA Grade.

Noel Beale just moved back to A Grade and took it out with his score of 74/75 from John Malone on 72/75. Carol Betteridge was having a good weekend and took out B Grade with her score of 70/75 with Noel Maltby second with 69/75.

Roger Goodwill was far too strong for the rest of the C Graders taking first with his score of 65/75. Gwen Meyer was placed second. Annette Vassalini scored 65/75 to take first in the Women's section. The newest veteran (by one week), Mike Collins shot 72/75 to defeat the other veterans.

The North Queensland teams shield was shot on this event and for the second consecutive year the shooters from Burdekin were far too strong defeating the team from Atherton by a huge margin of one. The Burdekin members were Ray Collinson, Gian Vassalini, Lui Populin, Annette Vassalini and Carol Betteridge.

Event Three was the Northern Zone Single Barrel Championship and Ray Collinson continued his winning run taking Overall after defeating Wayne Reeves in the shoot off. Ray shot 40/40 for the title with Wayne having to settle for first in AA Grade with his 39/40. Jar Smaniotto shot 24/25 to take out second in AA Grade.

A Grade saw Gian Vassalini taking first with a score of 30/31 from Dean Reeves on 29/31. Gary Sayward just moved up to B Grade and to prove the handicappers didn't get it wrong promptly took out first place with his score of 22/25 from Carol Betteridge on 26/30 after a shoot off with Noel Maltby.

Gwen Meyer continued good form to take C Grade with her score of 24/31 after a shoot off with second place getter Graham Walker on 23/31. Diane Reeves was the best of the ladies with her score of 25/29. Tom Comerford put in a good show shooting 26/29 for the veteran's section.

After these events were shot the scores were tallied and the Northern Zone Teams were selected. The open team will be represented by Ray Collinson, Wayne Reeves, Noel Beale, Barry Bosworth, Gian Vassalini & Jar Smaniotto. The women's team will be Carol Betteridge, Annette Vassalini & Diane Reeves. Noel Beale, Mike Collins and Lui Populin will represent the veterans at the next State Carnival.

After this was shot the title of the Zone Champion went to Ray Collinson with a great score of 199/200.

The final event of the day was the Zone Handicap. Only one shooter was good enough to shoot the possible with Ross Cannon being that person taking first place and the Red Sash. Ray Collinson

Veteran & Womens Team : Mike Collins, Lui Populin, Noel Beale, Diane Reeves, Annette Vassalini, Carol Betteridge.

Open Team: Jar Smaniotto, Gian Vassalini, Barry Bosworth, Noel Beale, Wayne Reeves, Ray Collinson.

came home in second place with the only 24/25 and Barry Bosworth had to shoot off for his third place win.

Sunday dawned fresh and breezy and the shooters weren't keen to get into it but away they went to determine the winner of the 45 target Zone Medley Championship. This year was the first time this was shot. Tom Comerford shot a great score of 74/75. AA Grade first went to Ray Collinson with 72/75 from Mick McGill 71/75.

A Grade saw Gian Vassalini continuing his good form this weekend scoring 72/75 giving him first place from Greg Maltby on 71/75. Noel Maltby didn't have his B Grade win all his own way with Gary Sayward pushing him all the way. Noel shot 104/115 for his first placing with Gary shooting 103/115.

Graham Walker shot a very creditable 70/75 for his first placing in C Grade with Van Sandr second with 63/75. Annette Vassalini was too strong shooting 69/75 to take first in the women's section. Mike McGill's 71/75 was enough to give him the veteran's prize.

The end of the day was nearing with the Zone Double Rise being the final event the wind was doing some funny things to the targets but they were hittable as Barry Bowsorth showed, shooting 27/30 to take out the Overall title. Wayne Reeves took first with 31/40 after a shoot off with second place getter Alan Poggioli with 30/40.

Two Bowen shooters were fighting it out for the A Grade prize with Bill Gall and Greg Maltby both shooting 25/30 in the event. Bill was victorious and Greg had to settle for second place. Steve McDowall showed up Sunday thinking it was a regular monthly shoot but ended up walking away with first place in B Grade in the Double Rise with his score of 23/30 from Gary Sayward 33/48.

C Grade was taken out by Graham Walker with a score of 19/30 from Gwen Meyer who was having a great weekend. Diane Reeves won the women's section with 21/30 and Tom Comerford shot 23/30 to take the veteran's.

The scores were added and the High Gun winners were decided with Ray Collinson in top form for his trip to England taking out the Overall with 242/255. AA Grade was won by Barry Bosworth on 238/255. Gian Vassalini shot consistently enough to take the A Grade

High Gun with his score of 232/255. Carol Betteridge nearly let the lead slip but held on to take the B Grade High Gun. C Grade saw a surprised Graham Walker claim the prize with his score of 210/255. Annette Vassalini wasn't letting her husband take all the glory and came home strong to take the Women's High Gun with her score of 220/255. Veteran's Tom Comerford was too strong for the rest scoring 230/255 for his win.

The Northern Zone is proud of the fact that local champ Ray Collinson made it into the Australian Team to shoot at the World Championships in July. Atherton's shoot gave Ray the practice needed for such a competition. This shoot must have given Ray the confidence he needed with his third placing Overall in England. Once again Australia has been put on the map within the shooting world. Well done Ray for shooting 1044/1050.

Charters Towers will be the venue for the Northern Zone Skeet carnival in August. The results will be in the next exciting issue of the Clay Target News.

Psychological Skills for Shooting

by Michael Kruger-Davis

CHOKING

"We all choke. Winners know how to handle choking better than losers." — John McEnroe

Choker. It is an ugly label that we don't like hearing. When we miss a target in a shoot off or miss the last target in qualifying then others either label us a choker or we call ourselves a choker. So, what is choking and how can we avoid it?

Choking, according to Mack and Casstevens, in *Mind Gym*, is a normal human reaction, a physiological response to a perceived psychological threat. In a previous article I wrote that "fear is a mental response to a perceived danger or threat". It's a primitive response that allows us to fight or flee from a threat. The fight/flight response was necessary when as cavemen we wandered

the jungle and had the threat of sabre-toothed tigers lurking behind every bush. We had to develop a system that allowed us to either stay and fight or get the hell out of there. The threats have now gone but as modern man we have retained the fight/flight response when the majority of our fears are not life threatening at all.

So what are we scared of when we are competing? As I have written previously, we are scared of our ability to carry out tasks that we have practised. This fear is manifested as self-doubt and produces anxiety. This anxiety then tenses up our muscles and we are unable to carry out the tasks we need to do in order to be successful.

Anxiety makes us feel uncomfortable and when we feel this way we become stressed. With stress there is a change in the way we are breathing and under this stress we become internally self-conscious instead of being externally tack-conscious. So what do we need to do to perform under pressure? We need to breathe and focus. When we become anxious our breathing patterns change and without realising it we may even hold our breath. This has the effect of taking the focus away from what we are doing in the here and now - we lose sight of the present.

So if we are anxious, stressed and tense, how do we relax the muscles and clear the mind? By breathing oxygen is energy. When we hold our breath, we are creating pressure and a nervous feeling. Athletes then choke because they become nervous about being nervous anxious about being anxious.

Because the pattern of breathing affects the pattern of your performance, then when you are under stress, deep breathing will help bring your mind and body back to the present. This simple technique of focusing on your breathing and taking a couple of deep breaths will help you learn to be comfortable with the uncomfortable.

Throughout our lives as competition shooters there are going to be times when we will feel uncomfortable, anxious, stressed, fearful and scared. To be able to help reduce these feelings and refocus on the task at hand we need to learn to breathe properly and learn to use breathing as part of the desensitisation process. In providing therapy for people suffering from anxiety and panic attacks, one successful method is systematic desensitisation. Basically this means teaching the client how to breathe and relax when they are in their normal life so that they can focus on their breathing and relaxation skills when they are stressed. Athletes should be doing the same thing. We should all be practising our breathing and relaxation when we are in the queue at the bank, post office or shopping centre. Rather than get angry or frustrated we should use this valuable time to practise those skills that we will need when we are out on the tracks and we start to feel anxious or uncomfortable. When we can effectively focus on our breathing outside the competition we will be able to draw on the skill when needed in the competition when we are already starting to feel nervous.

According to Mack & Casstevens, choking is nothing more than paying attention to your own physiology when you should be focusing on the target. At those times when we all get anxious and nervous, we need to learn to be comfortable with being uncomfortable. Use your breathing to focus your energy and let your breathing centre your mind and body in the present where it needs to be.

As every Club would know sponsorship is the key to staging a
successful event and this shoot continues to draw shooters from all
parts of the State. Special thanks goes to the Cambridge Hotel
Motel who have sponsored the Handicap for the past four years,
Hastings Deering, Lacey's TJM 4x4 Megastore and Campco's Great
Outdoors Centre. When in Central Queensland please support our
sponsors.

We would be amiss if we did not mention the efforts of our trap
mechanic Vic Hyde who kept the traps throwing targets even
though it was evident that a problem existed. The Club has
embarked on a project to have four layouts and three new traps for
next years shoot. A big thank you to Katrina Cutting and Fiona
Walker who kept smokes and lunches flowing throughout the
weekend, to our Shoot Marshall Don Berrie, and to Lil Jarvis and
Helen Warnock for running the office.

Last but not least thank you to the travelling shooters, without
your support the shoot would not have been the success it was. Be
sure to put this event on your agenda next year.

Frankston Australian Clay Target Club

Frankston Australian Clay Target Club hosted the third round of the South East Zone Teams event on Sunday the 20th of June.

The day was cool and the tail wind was a factor for most, although the conditions did suit the squad of possibles in the first event of 25 Tgt Handicap. Zone President Lynne Curtis and fellow 25 metre shooter Brett Dunstan both shot the lot.

Front marker Peter Onley 42/42 out lasted John Rowe 41/42 and Brett Dunstan 37/38. Lynne Curtis took the Back Marker and Brooke McMillan the Junior Front Marker.

At the half way mark of the Teams section the 91 shooters

representing the 16 Teams contesting on the day were more than interested to note that the team from Foster was in the lead.

The Double Barrel produced four squads of possibles, resulting in AA and O/A win to Steven Parks 129/129, pushed by A grade winner Gavin Boyd 128/129. B grade was won by George Sparey 41/42 and C by Brooke McMillan 25/26.

Second in AA was Malcome Green 68/69. Second in A Corrie Parks 103/104. Second in B grade was Brian Barlow 25/26 and Rhys Bingley 24/26 was second in C.

The High Gun was won by Lynne Curtis with the only 50/50 for the day.

Winning team — Melbourne.

High gun, Lynne Curtis.

Brianna Monson won the Ladies High Gun with 47/50.

The Junior High Guns were A grade Ashley Marshall 47/50. B.grade Brianna Monson 47/50 and C grade Brooke McMillan 45/50.

The winning team was Melbourne 233/250, consisting of Neil Pert, Josh Spicer, Ron Williams, Laurie Lewis and Jamie Longstaff.

The winning Junior team was Morwell 90/100. Matt Stokes and Brooke McMillan, whom really did have a nice day.

The next round is at Bairnsdale on 7th August.

Zone Secretary, Chris Carrol

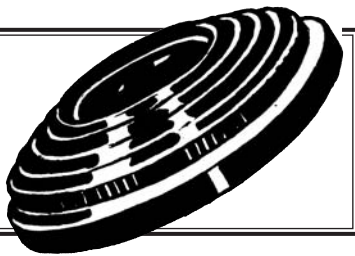

Junior B&C grade high guns, Broke McMillan and Bianca Monson.

Brian Barlow and George Sparey.
